From the Left Hand

By David Besser
Editor & Publisher

The upcoming school board elections in April thruout our areas are indicative of the way the districts react during the rest of the year.

Volatile District 63 has opposition candidates running against caucus-endorsed candidates. In contrast more sedate areas such as Districts 70 in Morton Grove and 71 in Niles have such quiet elections few of the natives even go to the polls.

Interestingly, high school District 207, in Maine Township, may have the most active election; of any district. In past years caucus-endorsed candidates were supported across the boards in Park Ridge, Des. Plaines and the East Maine-Niles-Morton Grove areas. A gentlemen's agreement between the 3 caucus groups accommodated such support. Whatever candidates were chosen in one area were automatically supported in the other two areas. There's a new day dawning in Maine Township and the opposition specifically to East Maine caucus candidate Sylvia Mc Nair is resulting in strong opposition.

Sylvia is the lady who stood alone among her peers and fought for the elimination of the dress code at Maine High. While the action was much ado about very little, nevertheless Sylvia's 'cause celebre' shook up the more conservative members of the community. Matter of fact, after Sylvia was caucus-selected our telephone began ringing with queries from Park Ridge acquaintances who were quite concerned by the choice. It is obviously feared the lady would create waves on a school board which has been unaccustomed to such maelstroms.

Whether or not Sylvia is the proper choice as a candidate, it is time a representative from the East Maine area who mirrors the more liberal element of the district should sit on the Board. Certainly, the staid 'grey' aura which has long run the district should include one member who represents a different point of view in the district. Maine Township High Schools no longer are Park Ridge High Schools. There is a broader base of multi-cultures which now live here and deserve to express themselves at the high school level. No longer can the homogenous, almost anonymous pale continue to dominate a school which has so much more vibrancy in its midst.

WILL NILES ANNEX EAST MAINE?

At a Tuesday press conference Mayor Nick Blase mapped out future proposals which may be considered for annexing property in the East Maine unincorporated area, and even possibly across Central Road into Northfield Township.

Standing before a map of the northwest area Blase showed how Niles could feed city water into the unincorporated area which the new Maine North High School might use, as well as the new Apollo Junior High school, built in the East Maine Elementary district alongside the new high school just west of Ridgewood cemetery on Central Road.

While Blase made it clear the village proposals for water lines extending north and west of Niles were presently exploratory proposals, which could not be acted upon until after public hearings were heard, and then Niles Village Board would have to approve annexation, nevertheless the plans do indicate Niles is definitely interested in moving north.

Blase said three actions in the unincorporated areas resulted in Niles taking a very serious look at such proposals. Builder Morrie Suson, who is planning to build apartment buildings in the Golf-Dee Road, is seeking city water. It was reported Suson has offered 8

homeowners \$500 each if they will petition Niles for annexation and the use of their water lines. Such action would enable Niles to extend its water lines from the Golf Mill area west on Golf Road to Dee Road and then north toward Central Road then north toward Central Road.

If such annexation took place Blase told Suson the Greenwood Plaza Shopping Center at Dempster and Greenwood would have to come into Niles. Blase said sales tax revenue to the village would be about \$100,000 annually from this area.

In addition to the Suson interest both Maine North High School and the Apollo Junior High School west of the cemetery at Central Road desire city water, rather than using the well water from the private water utility there. Blase said such annexation would enable Niles to have its own public high school. He noted Niles is the only community in the area which does not have its own public secondary school.

The third activity which Niles became aware of is a huge industrial complex north of Central on the east side of the North-south tollway which will be developed by the Zenith Corporation. Blase estimated the assessed valuation from the

"Thanks" From The Lions

Our recent Pancake Day is over, but the memory lingers on, and my mind is full of expressions of thanks to all the ladies and men plus their children and outsiders who helped to make this the greatest Pancake Day ever. 1,350 people were served. A great big THANK YOU to all the great gals who so graciously gave their time and energy being waitresses. Without their help we could never have served so many people. A little extra thank you to Char Hoppe, who along with my wife kept the food and the service moving along as smoothly as possible. To the cooks in the kitchen who sliced hams and fried 3 million sausages (they said) and the cooks who made pancakes for hours. Thanks to all the "bus-boys" who cleaned and reset the tables. And again a little extra thank you to Jim Pierski, one of our newer and younger members, with whom we saddled one of the bigger jobs, that of chairman of workers for the day. Jim took this job with mixed emotions because he knew few Lions by name, but by the end of the day all knew who Jim Pierski was. To Lion Dave Hoppe, who has picked up and returned the grills for past years plus con-

necting the gas with his own materials.

To Ang Marcheschi, one of the greatest, who has held every office in the Lions club of Niles, I must go along with his own introduction, "Italy's Gift to Niles," but I believe it should be "Italy's gift to the Lions."

To Dick Jurczak our photographer, for all the time and effort you gave us. To Mr. Tom and Mr. Vince Ferraro, franchise owner and manager, respectively of International House of Pancakes, 9206 Milwaukee, Niles, from whom we received free gratis all the pancake batter.

To Dick Jurczak for his low price and seemingly endless supply of delicious sausages and hams. To Lion Al Hoelbl, a gold star for the tremendous effort he put forth in selling \$142 worth of tickets. Also to "Big John" Vrabel, a silver star for selling \$129 worth of tickets. Would anyone like to challenge these men for next year? At the rate they sell tickets they could hold their own pancake day. To all those people who did outstanding jobs, plus donations in cash and mer-

chandise, thanks a million.

And last but not least my thanks and appreciation to the editor and staff of the NILES BUGLE for their wholehearted support in the way of valued publicity.

Yours in Lionsism,
Clarence Willert

Firemen Attend Seminar

Two Niles firefighters were among 350 area participants in a recent seminar concerning the problems encountered in fighting high rise fires.

They were Lt. Walter Blase, of the department's fire prevention bureau, and Firefighter Alex Weber.

The seminar, held at the Illinois Institute of Technology campus, 33rd st. and Dearborn, Chicago, was attended by firefighters, insurance and rating bureau inspectors and representatives of industry.

The talks covered many subjects of interest to all, including the needs of new building codes for high rises, water supplies to these buildings, designing fire protection into the building, and fire department operations at these type fires.

Among the featured speakers with timely talks were Fire Marshal Curtis W. Volkamer, of the Chicago Fire Department and Fred Marcon, Manager, Illinois Rating and Inspection Bureau.

Shown with Mayor Blase, Mrs. Walter Kramer, president of the Woman's Club of Niles, Faith Smith from Indian Center in Chicago and Helen Zechlin, Public Welfare Chairman.

Local schools will accept donations during school hours, Monday, April 6 through Friday, April 10.

Mayor Proclaims Indian Affairs Week

The Niles Village President and Mayor, Nicholas Blase, has proclaimed the week of April 6-12 as Niles Indian Affairs Week.

The purpose of this proclamation is to help the Woman's Club of Niles to cooperate with all the women's clubs in the I.F.W.C. (Illinois Federation of Women's Clubs) to help the American Indian Center.

The Center, located at 1630 Wilson ave. in Chicago, serves as a community center for several thousand Indian families, many of them recent arrivals in the city. They come to the Center for help in finding housing and employment, in adjusting to city life, and for emergency assistance in time of trouble, as well as for recreational activities. Because of the recent severely cold and snowy weather, the number of calls for day labor, (especially that involving outside work) were greatly reduced, and many of the Indian men have been without employment. Requests to the Center for emergency help increased, with over 1000 families asking for food or funds in January alone. This increased need completely exhausted the resources of the Center (which gets no financial help from the government sources), and so we are trying to help them ob-

tain supplies to carry on their after-school tutoring and refreshment program as well as to build up an emergency supply of canned goods.

So won't you help these Indian families by taking part in the collection at your school on April 6 through 10? What can you contribute?

Local schools will accept donations during school hours, Monday, April 6 thru Friday, April 10. Those participating are as follows:

- Oak School - boiler room entrance
- Ballard School - school office on second floor
- Nelson School - front entrance on Ozanam
- Woodrow Wilson School - Harrison St. entrance
- East Maine Jr. High - Greenwood-Ballard corner entrance
- Jefferson School - Kitchen entrance
- Emerson Jr. High - receiving room on North Side of school
- Niles North Elementary - East entrance
- Our Lady of Ransom
- St. Isaac Jogues
- St. John Brebeuf
- St. John Lutheran School
- Public Works Dept., 6849 Touhy ave. - April 6-10 from 7:30 a.m. to 4 p.m.
- April 11 - from 9 a.m. to 12 Noon

Anne Evans Visits Mark Twain School

Seventy-five 6th grade students of Mark Twain school in East Maine School District No. 63 had an opportunity to learn first-hand about the work of the Constitutional Convention.

Mrs. Anne Evans a delegate to the Convention from this area visited the 6th grade class Monday, March 9.

The class wrote letters to Mrs. Evans following class discussion and debate on the question: "Should the voting age in Illinois be 18 or 21?" Mrs. Evans accepted an invitation to visit the school.

Teachers involved in the project were Mrs. Mary Semyck, Mrs. Anita Linsky, Mrs. Paula Krecun and Miss Ann O'Brien.

Chico Maki Presents Hockey Trophies

Shown above are Chico Maki, center with LeRoy Bacchi, manager of the Squirts Gold Team and Walter Beusse, commissioner. Boys shown are: Frank Angiulo, Brett Bacchi, Joe Cristino, Don De Louise, Chuck Hoskins, Dan Jendrycki, Joe Kalodimos, Steve Mannina, Keith Mueller, Donald Mueller, Robert Mueller, Mike Pinski, Dean Travaglio, Bruce Zink and Ross Mannina, manager (not pictured).

Shown above are Chico Maki, center with Ron Shore, manager of the Bantam Orange team. Boys shown are: Joe Colusuno, Art Sheer, Joe Cresci, Joe Guglielmo, Bill Johnson, Mark McCAndrew, Bob Nesci, Rich Nuccio, Todd Peterson, Ron Carlson, Tony Pontillo, Randy Markowitz, Jeff Shugan.

Friday, March 13 was a very memorable day for the 80 boys who participated in the Niles Park District 1969-1970 Hockey League competition. Chico Maki, forward of the Chicago Black Hawks, was the special guest who distributed the awards to the teams at the Niles Recreation Center, 7877 Milwaukee Ave.

The Park District team members were not the only ones excited about meeting Chico; about 150 adults, as

well as 50 youngsters who came as guests cheered and shook hands with the star "Hawk."

Chico cheerfully and proudly presented first place trophies to the Pee Wee Kelly, Squirts Red, and the Bantam Orange teams. Receiving well deserved "good participation" trophies were members of the Pee Wee Blue, Squirts Gold, and Bantam Navy teams. Several special trophies were presented to the players who well deserved honors. Following is a team list:

- Squirts Red: most valuable team player - Bill Madura; best division goalie - Tom Anderson; high division scorer - Bob Stetz; Squirts Gold: most valuable team player - Steve Mannina; best division defenseman - Brett Bacchi.
- Pee Wee Kelly: most valuable team player - Don Ott; best division goalie - Mike Cielinski; best division defenseman - Ron Sliwa; Pee Wee Blue: most valuable team player - Frank Stroka; high division scorer - Mike Lauesen.
- Bantam Orange: most valuable team player - Joe Cresce; high division scorer -

- Rich Nuccio; best division goalie - Joe Colusuno, Bantam Navy; most valuable team player - Steve Karminsky; best division defenseman - Bryan Barrish.
- The Niles Park District Amateur Hockey League is a member of the Amateur Hockey Assn. of the United States. In accordance with our membership, the players are privileged to receive special A.H.A. merit badges. Receiving these honored awards were the following outstanding players:
- Squirts Red: goalie shut-out award - Tom Anderson; hat trick - Bill Madura, Bob Stetz; Squirts Gold: goalie shut-out - Joe Kalodimos.
- Pee Wee Kelly: hat trick - Mike Lauesen; goalie shut-out - Mike Cielinski; Pee Wee Blue: hat trick - Dave Klenski; goalie shut-out - Steve Swenee.
- Bantam Orange: goalie shut-out - Bob Nesci, Rich Nuccio, Joe Colusuno; hat trick - Joe Cresce, Bantam Navy: hat trick - Steve Karminsky, Steve Hyman.

Chico addressed the audience, following the trophy presentation. Highlighting his speech were his suggestions to the young hockey players. He stressed the values and importance of a good education; and a need for a college education even if a person has aspirations of getting into pro-sports. He congratulated the players on the record of their fine performance and their consistent attitude and display of good sportsmanship which he stated is "most important to a team's success".

After a lengthy question and answer period between Chico and the audience, everyone headed for the refreshments. At this time, youngsters with hands full of soda and cookies, lined up to talk to Chico alone while he patiently signed his name on about 250 slips of "keepsake paper".

Next year the Niles Park District is looking forward to an even better and bigger 1970-71 hockey season.

Postmaster McGee To Speak To Chamber of Commerce

Chamber of Commerce improved postal service for Niles as its decadal objective for 1970 - will have Chicago Postmaster Henry W. McGee as its guest speaker at the April meeting.

Robert C. Wordel, Jr., Teletype Corp., Chamber president, announced Friday Postmaster McGee has accepted the Chamber's invitation to address members at Bunker Hill, 6635 Milwaukee, on Monday, April 13.

Gordon R. Faller of Yorktown Finance-Insurance, newly elected program chairman, said guests will be welcome to attend this timely U.S. Post Office program. The 12:30 luncheon will be preceded by a social half-hour.

McGee has been interviewed by numerous press and TV media this week in connection with the Post Office crisis. The first career postal employee to be appointed Postmaster of Chicago, McGee entered the postal service as a substitute letter carrier in 1929.

He moved progressively up the ranks from career substitute clerk to director of personnel for the Chicago region, a position which he held until he was appointed Postmaster in 1966. His appointment was confirmed on Oct. 17, 1966 by the United States Senate. The Chicago Post Office is the largest single mail handling facility under one roof in the nation.

McGee holds a bachelor of science degree in personnel management from the Illinois Institute of Technology and a master of arts degree from the University of Chicago. He has been active in labor, civic and community organizations for more than 30 years. He is past president of the local branch of the National Alliance of Postal and Federal Employees and past president of the local chapter of the National Ass'n. for the Advancement of Colored People. He is vice president of the Chicago Area Council, Boy Scouts of America, and his wife, a teacher in the Chicago public school system, live on 50th Street in Chicago.

Egg Decorating Contest

The students of Niles Elementary Public School Dist. #71 at the South School have been applying themselves to a special kind of homework. Their materials are cloth, paper, paint, eggs and imagination. The subject is art. These children are preparing their entries for a school egg decorating contest.

Approximately 200 eggs have been entered and the number is expected to double before the judging on Wednesday, March 25. Prizes will be awarded on the basis of creativity, imagination, and uniqueness. There is one grand prize for the best egg entered. First, second, and third prizes on each grade level; and a prize for the room with the greatest percentage of entries.

Eggs and prizes are on display in the South School library.

Miss Crossley feels the children will remember this activity as one of the highlights of the school year. "Each child is winning by discovering what he can do himself with a few simple materials and a lot of imagination."

Named Correspondent For Sears

Marjorie Corty of 7077 Franks ave., Niles, this week was officially named the Niles, Correspondent for Sears, Roebuck and Company's employee's newspaper.

Marge's "beat" will be the Sears Service Unit at 9215 Greenwood ave., Niles, according to the store manager Mr. Charles Segal. She will report on events and personalities at the unit for the Sears/Midwest.

The newspaper, a 12-page monthly tabloid is mailed to employe's homes from the Chicago Midwestern Territorial offices. Marjorie Corty, a Personnel Assistant has been a Sears employe for five years.

Student Teachers

Twenty-seven seniors in Dr. John J. Diabala's Northern Illinois university elementary education block this week are evaluating their student-teaching experiences in outdoor education. Under direction of their professor, the 27 last week engaged in living-learning experiences at NIU's Lorado Taft Field Campus here with Robert Melxner's fifth graders from Brentwood Elementary school, Elk Grove Village.

Local NIU seniors include: Barbara Macek, daughter of Mr. and Mrs. Richard Macek, 8260 Caldwell, Niles; and Arlene Porcaro, daughter of Mr. and Mrs. A. Porcaro, 7312 Crain st., Niles.

Extended Hours For Des Plaines National

Des Plaines National bank, 678 Lee st., Des Plaines, is extending its banking hours for the convenience of its customers, effective April 1st, according to an announcement made today by G. Rex Wilson, president.

The bank will open one-half hour earlier each day, beginning Wednesday, April 1, and remain open an hour longer on Tuesdays, Thursdays and Saturdays, says Wilson.

"In addition, we will offer all afternoon and evening banking hours on Mondays and Fridays and walk-up teller service all day Wednesdays, and until 4 p.m. Tuesdays and Thursdays, making a total of 51 hours of banking service available to the public," the president states.

The exact banking hours will be 8 a.m. to 7 p.m. on Mondays and Fridays; 8 a.m. to 3 p.m. on Tuesdays and Thursdays, with the walk-up teller windows remaining open an additional hour from 3 to 4 p.m. those days.

Walk-up teller service in the bank lobby at Lee and Ellinwood will be available from 8 a.m. to 4 p.m. on Wednesdays; and full-service banking from 8 a.m. to 1 p.m. on Saturdays.

Des Plaines National's new Auto Bank is now under construction at Lee and Perry streets, two blocks north of the main bank building. "When this convenient drive-in and walk-up facility is open about July 1, even longer hours of banking service will be available for the convenience of our customers," Wilson adds.

The Auto Bank will be open from 8 a.m. to 7 p.m. on Mondays and Fridays, from 8 a.m. to 6 p.m. on Tuesdays, Wednesdays and Thursdays, and from 8 a.m. to 3 p.m. on Saturdays.

Coinciding with the announcement of the extended banking hours, Des Plaines National is also offering its customers a new type of checking account called the "199'er Personal Checking Account."

'Art Critique' at Niles Art Guild

An "Art Critique" will be given by George Fabie at the April 1 meeting of the Niles Art Guild. Mr. Fabie studied at the Art Institute for five years and received his Masters Degree from the University of Illinois. He is Assistant Art Director at Community Discount Stores. Each member will bring two paintings for the critique.

The meetings are held in the Niles Recreation Center, 7877 Milwaukee ave., at 8 p.m. Visitors are welcome.

Conference Speaker

Joel Olander, 7923 Nordica, Niles, Midwest Regional Director of the American Jewish Committee, will discuss "Problems of Anti-Semitism in America Today" at the Annual Central Illinois Jewish Federation Conference in Springfield, on Sunday, April 5. About 200 Jewish community leaders from six Central and Southern Illinois cities will be participating in the Conference.

Maybe you'd like to change the way your name is listed.

If your name isn't listed, maybe this year you'd like it to be.

Or you might want to add a listing for someone else in your family, so friends can keep in

touch. Such extra listings cost 50 cents a month.

Now's the time to make your change, whatever it is. The new phone book for Skokie, Lincolnwood, Morton Grove, Niles and nearby communities goes to press April 10. So please call your Illinois Bell Service Representative before

then. Her number is on the first page of your directory.

Call now. If we don't hear from you by April 10, we'll have to say we're sorry, the presses are rolling.

Graham Announces Drug Abuse 207 Candidacy Seminar

David L. Graham, pastor of the Good Shepherd Community Church in unincorporated Des Plaines, has announced his candidacy for election to a 3-year term on the Board of Education for Maine Township High School Dist. 207 at the school board elections to be held on April 11. Presently serving out the term of John Wilkins, Des Plaines, who resigned from the Board last year, Rev. Graham is running for election because of an impressive draft of people in his own area.

In addition to ministering to his parishioners and his work with the District 207 Board of Education, Rev. Graham has varied community interests and activities. He presently is consultant for the Chicago Southern Center, a social agency dealing with Appalachian groups on Chicago's north side. He is also financial consultant for the Seidner Agency, a financial agency in Chicago.

Rev. Graham and his wife, Annette, have 4 small children - 3 daughters and a year-old son. The family lives at 9046 Home ave., Des Plaines.

MSU Graduate

Pastor of the Good Shepherd Community Church for the past 3 years, Rev. Graham was minister of Methodist churches in central Illinois for over 8 years before coming to Des Plaines. He is a graduate of Illinois Wesleyan University at Bloomington, Illinois, and is working toward an advanced degree at Garrett Theological Seminary in Evanston, Illinois.

Michigan State University awarded degrees to 1,387 at its winter term commencement exercises on Sunday, March 15 in the MSU Auditorium. The following local student was among those graduated: Christer S. Brodin, 9235 N. Menard ave., Morton Grove.

The project has been initiated to present the problem and develop a program to reach and help youth of the northwestern suburbs who are involved with drugs. It is sponsored by the Holy Family hospital committee on drug problems.

Physicians in the area and social workers in community organizations have been invited to attend and participate in the panel presentation and discussion from the floor. Members of the medical staffs of Holy Family, Forest, Lutheran General, Northwest Community, Resurrection, Skokie Valley, St. Alexius, and Memorial hospital, McHenry County have been invited to attend.

Michigan Graduate

Michigan Technological university awarded 130 degrees during commencement exercises, Saturday, March 21. Among the candidates for degrees were: Paul R. Niesen, B.S. in Mathematics, son of Mr. and Mrs. George F. Niesen, 8131 Elmore, Niles.

Leonard Grazian Dist. 207 Candidate

Leonard R. Grazian, 46 of 9504 Oliphant, Morton Grove is a candidate for membership on District 207 School Board.

Mr. Grazian issued the following statement regarding his candidacy for the School Board:

"During the next week, residents of Maine Township will be receiving their 1969 Real Estate Tax Bills.

I therefore think that this would be an appropriate time for tax payers to review the income and expenditures of the Township High School District 207 for the past four years. They are as follows:

For the year '65-'66, there was a \$637,335.00 deficit; for '66-'67 \$514,714.00; for '67-'68 a deficit of \$204,371.00 and for '68-'69 a deficit of \$1,137,293.35

In the light of these figures, it is imperative that economies must be implemented in order to stop what appears to be fiscal irresponsibility.

This is one of the reasons why I am a candidate for membership to the District #207 School Board at the election to be held on April 11, 1970.

Dr. Zinn Enters Dist. 63 Race

Dr. Walter Zinn, an optometrist living in Niles has announced that he is a candidate for the school board of Dist. #63. The election takes place on April 11.

"My decision to run for the post came as a result of the recent unfortunate tax referendum fiasco. After the voters turned down the referendum, the school board should have cut its expenses in non-vital areas and balanced the budget. Instead we were treated to a series of rumors of school closings, threatened curtailment of the lunch program, and elimination of some student activities. Then these cuts were restored and a new referendum scheduled. Then the referendum was called off. It all sounds like an old time Keystone Cop movie.

"By and large, the present school board has done a fine job in improving the educational system in the district. However, I believe it has been a little lax in controlling the budget. I suppose it was possible to deficit spend as long as the voters approved tax increases. When the voters said 'no' it was time to stop."

Dr. Walter Zinn has two children in the school district. Susan is in the junior high school and David attends Ballard. The family has lived in Niles for almost 10 years, and Dr. Zinn has an optometric office in Niles.

"My involvement with the schools goes back almost to

the time I moved to Niles. At that time I was active in trying to promote industry to move into the district. This would have helped enormously in supporting the schools and lowering the real estate tax. I was also active with the PTA. I helped to pass several bond issues which were vital to the development of Dist. 63."

Dr. Walter Zinn has also been active in many civic and philanthropic organizations and programs. These include working for better parks, the Lions club of Niles, Little League program, Jaycees, and others.

"When I see something that needs doing, I generally jump in and call it as I see it. As a school board member, I will make sure any cuts which are made in the budget will be made in non-classroom areas. I do not wish to see teachers fired while the district spends \$260,000 for supplies. I do not wish to see the lunch program scrapped while the district spends \$200,000 for office help. I believe there are areas which can be safely cut without endangering the essential educational system. I believe with the additional funds which will be coming into the district in the next year, we can hire the best teachers and still keep a balanced budget. I am old-fashioned enough to believe having good teachers in the classroom is what education is all about."

McNair Announces Dist. 207 Candidacy

Mrs. Sylvia McNair, who lives at 8150 Davis, in Niles, announced Monday that she had filed petitions as a candidate for the Dist. 207 High School Board. The election is to be held on Saturday, April 11. Last month, the East Maine General Caucus had endorsed her candidacy, together with that of Roy Makela, turning down the candidacy of Rev. David Graham.

Mrs. McNair has been a member of the Dist. 63 Elementary School Board for the past six years. Also, she is a member of the executive committee of the Tri-County school board association, and is co-founder of the Metropolitan Education Coalition. The latter organization was formed prior to the last session of the Illinois State Legislature to work for improved legislation for schools and more state funds for education. She is, also, a member of the Comparative Education Society and the League of Women Voters. She has been active in school affairs since moving to the Niles area twelve years ago, and is the mother of four children. She and her husband, Wilbur, have served on various committees relating to the high school and the Niles-Maine Community college.

The candidate is a graduate of Oberlin college, and has done graduate study at Northwestern university. She is currently travel editor at Rand McNally & Co. In addition to books on travel, she has edited many books in the fields of education, business, economics, and pub-

Edison Awarded TV Honors

Commonwealth Edison Company has been awarded the George Washington Honor Medal for 1969 for its television program "Three from Illinois."

The announcement was made by Kenneth Wells, president of the Feedoms Foundation at Valley Forge, for the National School Awards Jury. The award is made annually to the television program that makes the most outstanding contribution in achieving a better understanding of the American way of life.

EEE District 63 Candidates

The Educational Excellence with Economy Committee has endorsed three candidates for the office of member of the Board of School Dist. #63, Mrs. Barbara Zywicki, 8130 Octavia st., Niles; Gordon Payne, 109 James ct., Glenview and John Oles, 101 Julie dr., Glenview.

After they had spoken at several PTA functions, the candidates were asked which questions surprised them most. Their replies were as follows:

Barbara Zywicki

No particular question asked by parents surprised me. After all, I have asked most of these questions myself of the Board of Education without receiving any answers. I would say, rather, that I am gratified by the intense interest parents have shown.

I have talked with too many parents not to know there were a great many things wrong with the policy of the present school board. As a parent, however, you always feel it is your children or your neighbors' children who are victims - that you are fighting alone.

Because of the seemingly irresponsible manner in which the board members of Dist. #63 administer the system and their complete disregard for the concerned parents, I resolved to learn all I could about education and administration in this and other districts to find out what is right and what is wrong.

The manner in which they handled the last referendum and the cancellation of the second referendum solidified my feelings into action. I realized the only way to change matters for the better would be to elect

three new board members who could work as a team and thus change the structure of the board. As this opportunity will not arise for three more years it becomes imperative someone should run who would represent the concerned parents. I was chosen by the Educational Excellence with Economy Committee to be one of their three candidates not only to have a voice on the board but to make myself available to all mothers who may have a problem.

John Oles

The question, or rather misconception that surprised me was that some persons felt that by economy we meant we were arbitrarily going to chop all

Spring is here...the magic season...some say "the most beautiful season of all."
The time has come to shed the heavy coat and sweaters of winter and don the light, fluffy, feminine garb of spring. Time to get the glow of life back in your face. Time, too, to take stock of yourself.

Your car has a spring check-up and change over, why not you? Check this list for size...skin...chapped from winter cold...legs and hands that feel and look older...dry hair frizzled by house heat and humidity...a post-winter feeling of unfemininity.

been inconvenienced there were few complaints, and most business people were in sympathy with strikers who walked off their jobs to point up the low wages they are paid.

At a 5 a.m., Tuesday meeting outside the Niles post office on Milwaukee ave, the Niles postmen voted to return to work. Because of the stoppages throught the Chicagoland area there had been little mail in the post office the previous day but mail began pouring into the station early in the morning. Mail had been stored in trailers downtown and when postal trucks came out Saturday, Sunday and Monday, the mail was not delivered to the Niles P.O., since the truck drivers respected the picket lines and did not attempt to break them.

It might be estimated the mail was a day behind schedule Tuesday since the mail delays outside the area would take an extra day to adjust to. It was

expected Wednesday, normal delivery will be complete and all backlogs of mail will be caught up.

There is still an embargo on parcel post mail to New York but otherwise all mail sent thru the Niles post office is sent on its way.

complex may be \$50,000,000 which is approximately 40% of all of Niles present valuation.

It was also noted Des Plaines might annex these same areas using a corridor down the public utility right-of-way after developing a corridor through a forest preserve at its east border.

The myriad of possible legal suits, plus the complexity of the annexation, will result in Niles going slowly, Blase said. Nevertheless the schools are interested in a water commitment by the end of March which could be a prelude for the entire face of Niles and the unincorporated areas changing.

Easter Party March 28

We just received a most important notice from Carrot Patch #10, Peter Cottontail will be a special guest at our annual Easter Party. This year the gala event will be held at Oakton Manor Park, 8100 Ozark, on Saturday, March 28 at 1 p.m. A good time is guaranteed to all!

Some of our Party highlights include: Girls age 3-6 - Gather eggs from a special egg patch. Boys age 3-6 - Hunt for eggs in our Easter egg patch. Girls and boys age 7-11 - Hunt for specially marked eggs in the grassy field. Girls and boys age 12-16 - Try your skill at egg gathering; we won't tell you the details of "how" until March 28.

Adults - A surprise activity awaits you! Youngsters age 3 and up - Try your skill at the "Easter Egg Pin-Up Game."

Prizes will be awarded to the "Champ" eggsters in the above events. Peter Cottontail is looking forward to meeting and talking with all the little folk. He has baskets galore full of treats for all the youngsters. Don't pass up the chance to see "Peter" in person. You will be surprised to see how "BIG" they grow Peter Cottontails in this part of the country. Plan to attend!

CHANGES ARE BEING MADE

Rabbi Charney To Teach Jewish Law

Rabbi Lawrence H. Charney, spiritual leader of the Northwest Suburban Jewish congregation in Morton Grove, will teach a course in Jewish Law in A Changing World in the second term of the Northwest Suburban Institute of Jewish Studies conducted jointly by 4 Conservative synagogues on 8 consecutive Thursday nights beginning April 2 at the Niles Township Jewish congregation, 4500 Dempster st., Skokie.

The course will present current answers from authoritative Orthodox, Conservative and Reform sources to modern problems in Jewish life, including abortion, autopsy, birth control, organ transplants, capital punishment, marriage without conversion, etc.

In addition to Rabbi Charney's course, six other English courses will be offered in Bible, prayer book, Jewish philosophy and the contemporary scene, as well as five classes in Hebrew language

and literature, from elementary to advanced. First period classes will meet from 8:30 to 9:20 p.m. Following a 10-minute intermission, the second period will meet from 9:30 to 10:20 p.m. Registration fee is \$3 per person for members of participating congregations and \$5 per person for non-members. There is a special reduced fee for college students. All fees are exclusive of textbooks. Registrants may participate in one or both periods of the evening or in the entire program at no additional charge.

Norbert Ludkowski Fireman of The Year

Niles Firefighter Norbert Ludkowski, father of five, was recently honored as Fireman of the Year of 1969, before a crowd of 150 friends, family and fellow firefighters.

top winner in their population class from entries in the 8 county metropolitan Chicago area. Twice before, in 1959 and 1966, Niles was named grand award winner regardless of population class.

The fire prevention award was presented to Chief Hoelbl by Marvin Austin, superintendent of public protection for the Illinois Inspection and Rating Bureau.

The department, in turn, through Lt. Gordon Michalsen, presented 4 local newspapers with citations for their cooperation with the department in presenting the fire prevention message to the public.

Ludkowski was guest of honor at the annual Corned Beef and Cabbage Dinner, sponsored by the Niles Lions Club, which honors the outstanding fireman of the year. The award has been made each year since 1957 and Ludkowski was the 13th fireman so honored.

The department, through its Chief, Albert L. Hoelbl, was also honored at the dinner, for winning its 14th consecutive first place award in the annual fire prevention contest sponsored by the Chicago Association of Commerce and Industry.

Ludkowski, a Niles firefighter since 1964 and assigned to Truck Co. 1 was cited for rescuing an unconscious woman from her burning bedroom at 7134 Main st., on Jan. 28, 1969. After dragging her from the room, he applied mouth to mouth resuscitation until a mechanical resuscitator could be applied. Ludkowski's quick thinking was responsible for the woman recovering.

In addition to the plaque presented to Firefighter Ludkowski, the Lions club also gave him a \$100 U. S. Savings Bond.

The department was chosen

budgets, spending etc. without regard for the consequences. This question was surprising because our opponents have done that - not us.

When they demand more and more money, as in the last referendum, they unwisely decide to cut out sports, lunch and other important programs without any regard for the taxpayer or concerned parent.

When I say "Economy", I mean the stoppage of wasteful programs and extravagances which harm every taxpayer in this district and which may possibly harm our children.

For example, we may note some experimental programs being carried out. As a research chemist, I could hardly be against any innovation for the betterment of the school system. Experimentation, only for the sake of experimenting, is not only extravagant but inexcusable when they are dealing with our children.

My firms experiments are conducted with the best men and equipment available working under laboratory conditions and yet 99 out of 100 experiments are discarded because they do not result in success. The one product out of 100 which is released is proved through exhaustive study and extensive testing procedures before being submitted to the consumer for his approval.

Our schools should not be used as laboratories for untried or unproven programs in which our children are the end product. It not only cheats the child out of the education he deserves but it also cheats the taxpayer by not giving him full value for his educational-tax dollar.

Thoroughly tested and superior programs would certainly be desirable, because our children would benefit from constructive educational techniques and programs.

Having considered what is desirable, we will discuss a point - the present school district system of non-graded, flexible grouping begun in 1965 by one of the district's temporary superintendents, Dr. Bullock, and was essentially an innovative method. It was brought out by Dr. Bullock that the program needed extensive testing, diagnostic procedures, preparation and readiness of staff and man, other controls to make it work. Otherwise, it might be harmful if not implemented properly.

This program had just been put into effect when Dr. Bullock said, for publication, "It dissuades administrators from allowing the educational system to deteriorate into a mere administrative convenience and educational deterioration."

One of the questions that surprised me was one inferred that I should not be interested in education at the elementary level because I do not have children attending primary schools. Oddly enough, one of my main reasons for seeking office as a member of the school board is to do my part in assuring primary level students of a sound education which will in fact, not fancy, prepare them for continuing higher education which lies ahead.

Having followed the progress of my own son and daughter through all stages of education

up to and including the college they now attend, I know full well the value that must be placed on learning and good teaching methods and am thankful they have received this throughout their academic careers. In following their progress, however, I have had the opportunity to view their classmates from who come from different districts or areas and some of whom lack many basic requirements for a higher education. Many of these normally bright children find it so very difficult to adapt because they lack the basic education which should have been given to them.

Gordon Payne

I have seen students who are angry, who make demands on our schools and our country. If demands are met they are still angry because they did not know what they wanted. About then, I asked myself "How do these young men and women become this way - men and women who may have been our leaders? One does not suddenly change what should be a responsible young person into a destructive, dissent force. The answer has to be in their basic education and its source which is the primary level. It is here a child's mind is most receptive to what is good and to what is bad. Children, as you know, pick up knowledge from the home, the school and the street as well as a certain type of knowledge just by default.

I believe as they progress through our school systems, their basic intelligence informs many they have been cheated out of learning which they need to continue their education. And this, to a great extent, may be responsible for their actions.

If they have had eight years of elementary schooling which was lax, inefficient and also exposed them to programs which just left them confused what else can we expect? If inefficiency, waste and de-personalization were a diet in their early, formative years, it is small wonder some youngsters react the way they do when they do when they see the vast majority of other students have had a meaningful education.

Having gone through all levels of education myself and with my children, I know what a good education can do. I also know how detrimental a poor or incomplete education can be. I feel that my experience at all levels will be of benefit to every child and parent in this district, and save them from finding out too late that "all that glitters is not gold."

National Merit finalists are considered among the nation's most intellectually talented high school seniors, constituting less than 1% of the graduating seniors in the country. The purpose of the National Merit program is to identify, recognize, and encourage students of exceptional intellectual attainment and promise and to increase scholarship opportunities for such able students. The Merit Program is made possible through the cooperation of schools, colleges, universities and sponsors of scholarships.

Maine East finalists are: Carol Baum, 7528 Emerson St., Morton Grove; Robert Hykan, 7502 Davis St., Morton Grove; Laurel Schwartz, 8622 N. Ozark Ave., Niles; Michael Watt, 9359 Oketa Ave., Morton Grove.

YMCA Spring Daytime Activities For Women

Daytime activities for women are being featured this Spring at the Leaning Tower YMCA, 6300 W. Touhy Ave. Area residents are invited to participate in the leisure time programs planned for them by the Skill School department. A variety of classes will be offered to provide an opportunity for expressing creative talents, exercise, self-improvement, recreation and relaxation. Ten week classes are scheduled to begin the week of March 30.

Popular classes to be continued for Spring term include: Art, Decoupage, Dressmaking, Artificial Flower Arranging, Modern Jazz Dance, Yoga, "Lose Weight," Trimmastics, Swim Instruction and Golf. Non-members are welcome to register for these daytime classes.

The Art department "Early-Bird" informal workshop meets on Thursday mornings. Students may work in oil, water color, pastel or three dimensional. Individual techniques will be emphasized with instruction for the beginner or advanced student.

"Decoupage," an interesting and creative workshop meets on Thursday afternoons. Students design items for personal use or gifts, purses, boxes, trays, plaques, etc. Instruction includes print preparation, cutting, preparing surfaces, gluing, varnishing and finishing.

Dressmaking classes for beginners meet Tuesday and Thursday mornings and learn the proper method of lining dresses, making casual jackets, and the matching of materials (stripes and plaids).

Homemakers may increase the beauty of their home and add a spark of interest for the Spring by learning the techniques of Artificial Flower Arranging. Beginner classes are scheduled for Monday mornings. Continuing students meet

Maine East Scholarship Finalists

All 33 students from the Maine Township High schools who were named semifinalists in the National Merit Scholarship Program last fall have been named finalists, the largest number of Maine students to attain this distinction in one year since the program started in 1957.

To reach Finalist status, students were required to take the Scholarship Aptitude Test of the College Entrance Examination Board and obtain comparable results with the National Merit Examination. Each semifinalist also provided the National Merit Corp. with an endorsement by the school and with biographical data concerning his achievements and interests.

Many finalists will also be considered for the four-year Merit scholarships provided by some 400 corporations; foundations, unions, trusts, colleges, professional associations and other organizations and individuals. Each finalist will receive a Certificate of Merit in recognition of his outstanding performance in the program.

on Monday afternoons.

Exercise and "Modern Jazz" dance routines go together in a class which offers an interesting way to develop gracefulness and tone the figure. Beginner, and continued classes are scheduled for Friday mornings.

Yoga classes offering one of the finest and oldest systems of physical culture meet on Tuesday and Thursday mornings.

"Lose Weight," the popular YMCA program, offers a combination of diet, exercise, and personal grooming in classes scheduled for Friday mornings.

"Trimmastics" to trim and tone the figure offers exercise and recreational play. (Volleyball, roller skating, etc.) On Monday, Wednesday, and Friday (classes for members in the mornings, non-members in afternoon).

Golf (six weeks), Wednesday mornings, includes instruction in golf basics, grip, stance, body action, swing, etc. Classes are held at the Tower YMCA Indoor Golf Range.

Swim Instruction (10 weeks) is geared for the beginner with classes Monday, Wednesday, and Friday mornings. Intermediate classes Tuesday and Thursday mornings. Advanced will be Tuesday and Thursday mornings.

Plan your course now, and register early! Remember, classes begin the week of March 30. Advance registration is required. Information, class schedule, and fees may be obtained by calling the Leaning Tower YMCA, 647-8222, extension 556, or drop by the Tower YMCA and pick up a Skill School Brochure.

Babysitting services are available during daytime classes.

Safe Driver Awards

Thirty-four United Motor Coach Company drivers recently received National Safety Council's Safe Driver Awards ranging from one to fourteen years. These awards represent a combined total of 17 years or approximately 7,460,000 miles of driving without a preventable accident. Pictured above left to right are Stanley Stanislowski, with a Five Year Expert Driver's Certificate, Everett Basham, with his Ten Year Expert Driver Certificate, Elmer R. Schumann, Vice President and General Manager of United, who presented the Awards and John Demes, who received a Five Year Expert Driver's Certificate.

MG Artist Exhibits at Hospital

Paintings by Helen Van Tempa, Morton Grove artist, are on exhibit in the lobby of Lutheran General Hospital, Park Ridge. The exhibit is sponsored by the Service League as part of its "Art Originale" project.

Mrs. Van Tempa is a graduate of the School of the Art Institute of Chicago. She teaches acrylic painting at Maine West evening school, adult classes in Morton Grove and children's and adult classes in her studio. She was formerly an art instructor for the Niles Art Guild and for the Northbrook Park District.

Mrs. Van Tempa has won several awards and first prizes in juried and invitational shows. She won first prize in the Burton Street Art Fair in 1968, honorable mention in the Yorktown Art Fair in February and was invited to display her work in the Illinois Gas Company's 1969 "October Palette."

Many of her paintings depict subjects engaged in speed or exposed to unusual lighting effects. The public is invited to view the paintings from 11 a.m. to 7 p.m.

LWV Changes Name To Include Niles

Mrs. John Adams, president of the Morton Grove League of Women Voters, announced the change of the League's name to the League of Women Voters of Morton Grove and Niles.

The Morton Grove League was organized in 1961 and from the beginning, it had Niles members who participated fully. But as the Niles membership grew, Joan Goldberg and her Niles committee began a "Niles Know Your Town Study", a fact finding study, getting to know Niles, especially the structure and functions of the Village government.

About six months later the Morton Grove League petitioned to the state board of the League for permission to form an area League, known as the Morton Grove Niles League. The national board found reasons for change sound and agreed with the Illinois State League that such a strong local League will help serve the Chicago suburban area well. In addition with good distribution of membership it could remain a vital force in both Morton Grove and Niles.

To find more about the League call Mrs. John Adams - 966-7139.

Receives Honors

At Central YMCA Community College Commencement Exercises 8 p.m., Thursday, Jan. 22, second floor auditorium, Engineering Building, 205 W. Wacker Dr., Chicago, Stephen Hage, 8269 Oak ave., Niles, received his A.A. in Applied Science and honors for scholastic achievement. He is a member of the Phi Theta Kappa.

Named Dean of Student Personnel

JOHN P. DONOHUE

The appointment of Mr. John P. Donohue as the Dean of Student Personnel Services of the new Niles-Maine Township Community College was announced by the Board of Trustees at their regular meeting held March 17, 1970, at the Maine South High School. This appointment follows a search conducted by the Board and the President of the College in December, January and February. Action on Mr. Donohue's appointment was deferred from March 3, when it was originally scheduled, because of the absence of President W. A. Koehnline to attend the American Association of Jun-

ior Colleges meeting in Honolulu.

The Board anticipates that Mr. Donohue will be available to assume his duties on a full time basis no later than May 1. In the meantime, it has authorized the President to use Mr. Donohue as a consultant. Thus Mr. Donohue, like the recently named Dean of Facilities, will be able to participate in key decisions regarding personnel and program even before he reports for full time responsibilities.

Quasar II Color TV by MOTOROLA

Quasar II Color TV

with the "works in a drawer" for budget-minded people.

18" (measured diagonally) "works in a drawer" Color TV now only **449.95**

Now the famous Color TV with the "works in a drawer" is at a new low price. The "works" are solid-state, plug-in mini-circuits that are designed for greater performance reliability. They also help Quasar II's Bright Tube keep its color clarity longer. Help keep the picture sharpness and sound replaced usually right at home, in minutes.

And now Motorola has introduced IC's into Quasar II Color TV's chassis. These advanced solid-state devices provide increased performance and reliability in color and sound.

Quasar II has many other color improvement features such as automatic fine tuning to give you the best possible color reception Motorola's know how could put in a Color TV. Early American style cabinet is crafted from birch veneers and select hardwood solids in brushed glaze maple finish.
