Mid-Month Meanderings.....

Niles Mayor Nick Blase heads a County committee which is attempting to find a more equitable means for taxation, particularly in the area of school taxation. Nick said the group is scrutinizing the lotteries the eastern states are using, and are watching New York's new off-track betting which will hopefully gross \$50,000,000 for the Empire State's treasury.

Noting the obvious inequities in communities such as Niles and Morton Grove, where residents on one side of Harlem Avenue pay \$150 higher taxes on comparable homes than residents east of Harlem, we've often wondered why the assessed valuation couldn't be lumped together over wider areas than individual townships. For instance, why couldn't the entire Chicagoland area's total valuation be equally divided among all the communities here, rather than each township setting up its own northwest passage.

The 110 home area is on both the north and south sides of Dempster st. between Greenwood and Cumberland avenues. Its south border is at Roseview ave., which abuts Niles on its northern border. Crossing Dempster st., the annexed areas northern border abuts the East Main Junior High in the Ballard-Greenwood sector.

In areas such as ours residents belonging to an incorporated village pay equal taxes to their village. Yet, services rendered to industry, paid by all village taxpayers, shows a resident inequity. While villages have to add fire stations as well as additional police and fire personnel to maintain its industry, the tax advantages paid by all the residents are unequal. Niles Township residents here pay the same village rate as Main Township residents, yet their bills are substantially less, because industry is near their homes. And even the Main Township residents maintain the public departments which aid this industry, they do not receive a comparable benefit as their east side neighbors, who pay the same village tax.

The involuntary annexation, which can be taken when an area is under 60 acres and surrounded on 3 sides by a municipality, will enable Niles to square off this end of the village.

## Village To Annex Dempster Greenwood Area

In what may prove to be Niles' own domino theory, village trustees unanimously agreed to annex 42 acres of property May 12 into Niles in the Dempster-Greenwood area. It was the second annexation move for Niles in the last month in what may be considered Niles' own northwest passage.

The 110 home area is on both the north and south sides of Dempster st. between Greenwood and Cumberland avenues. Its south border is at Roseview ave., which abuts Niles on its northern border. Crossing Dempster st., the annexed areas northern border abuts the East Main Junior High in the Ballard-Greenwood sector.

The involuntary annexation, which can be taken when an area is under 60 acres and surrounded on 3 sides by a municipality, will enable Niles to square off this end of the village.

## Holiday Hours

Due to the Holiday on Saturday, May 30, the Village Administration Offices will be closed on Friday, May 29 and Saturday, May 30.

One major problem the park board had was Alper's unavailability.

ability much of the time. His activities have expanded to many overseas projects, and his travelling out of the country, prevented him from this local availability.

The new architect has much experience in park projects. He is the architect who designed the new Oakton Park complex in Park Ridge and built a 4-pool complex in Elk Grove Village, and has done work in Hinsdale. In looking forward, Barclay said the Ballard Park design will be available in a month, the engineer's specs will be available in 2 months and bids should go out in August. The month one year ago when Alper said his specs would be ready for their ill-fated bids, Barclay added ground can be broken at Ballard Park in September.

Alper and Associates had been hired originally to do a study of the Tam O'Shanter property. He was hired after being recommended by former park commissioner Lou Schreiner, even the Alper did not have any previous experience in park architecture or planning. He built the Oakton Manor building, the addition to the present administration offices at the Milwaukee Avenue pool site, and is completing the Grennan Heights gymnasium.

In other Tuesday park action attorney Barrafato said park land on the east end of the trailer court north of Dempster is dependent on the expected land purchase of the entire trailer park by a new party. He said the park district expects to buy the land at the same time as this sale takes place. He added the price has been agreed upon but the location is in question though.

## Oak Students Make "Time Capsule"

Students attending Oak school in East Maine School District No. 63 in 1980 will undoubtedly experience a heightened awareness of the events of our age.

And the credit will have to go to the fifth grade students in Mrs. Little and Mrs. Romano's classes who have this year made a very meaningful contribution to their predecessors.

In a plastic box, which they call a Time Capsule, the children have placed various articles of our culture. The box has been sealed in the wall of the school with a plaque marking the spot.

The plaque reads: "Time Capsule. Presented by classes 5A and 5B, April, 1970. To be opened April, 1980. By authority of the Principal."

Following is the letter which Oak school students of 1980 will find:

"This year our social studies class has studied culture (the way people live). We have learned about several primitive cultures including the Pigmies, the Bambuti, the Eskimo, and others. We have also taken a look at our own culture. In doing so, we decided to preserve a sample of our culture for students of the future, so that you might know a little about us and our concerns. We expect that your world in 1980 will resemble ours in 1970 in many ways, yet there are bound to be many differences."

The students contributed objects to the Time Capsule which they felt would reveal to the students of 1980 something about our culture.

"In 1969 man took his first step on the moon — where will he be by 1980? What new products will have been developed as a result of the space program? There is much concern these days about pollution — what will our land be like in 1980? Will Chicago's air be safe to breathe? What kind of engines will run our automobiles? And what about the war in Vietnam — will it be over long before 1980? Will it have expanded?"

"These are some of the many questions we have about the future; questions which in many ways shape U.S. culture in 1970. We wonder how they will shape the culture of 1980."

Shown above are (l. to r.) Mayor Nicholas B. Blase and Fire Chief Albert L. Hoelzl.

### Clean-Up Week

Clean-Up Week in Niles will be observed from May 17 through May 23 and Mayor Nicholas B. Blase urged all residents to lend their support to make Niles "a community of which we can be proud."

In his official proclamation, Mayor Blase cited that many fires are caused by carelessness and accumulation of debris. He joined with Fire Chief Albert L. Hoelzl in calling for action on the part of Nilesites by eliminating fire hazards and by "devoting this week to keeping our community clean and orderly." Past experience has shown that most of the trash accumulated consists mainly of old newspapers, magazines, paint cans, and clothing.

## Talent Show Sunday

The dress rehearsal has been held, and the contestants are getting the last minute jitters as the time draws near for the curtain to go up on the Niles Youth Commission/Niles Youth Congress Ron Pappas Memorial Talent Show which is being held Sunday, May 24, at 7 p.m., at the Niles North Elementary School, 6921 W. Oakton st. (next to the Lawrencewood Theatre).

LEE RODGERS WIND

Fifteen acts will be vying for the \$500.00 in prize money, and those contestants who reside in the Village of Niles will also be eligible for the Fine Arts Scholarship which will be awarded that evening.

Honored guests for the evening will be Mr. and Mrs. Tony Pappas of Niles, parents of Ronal Pappas for whom the Talent Show has been named.

Tickets for the show are now on sale for \$1.00 for adults, and 50¢ for children under the age of five.

## Don't Miss - - Policemen's Ball Saturday

Shown are the two stars of the floor show which will be presented at the 1970 Niles Policemen's Ball to be held at the O'Hare Inn on Saturday, May 23.

Beautiful songstress Lida DaVille, formally of the Continentals is considered Chicago's Number One Lady of Music. She knows all your favorites and her very special renditions will win a place in your heart. Stu Allen of Tonight Show fame is an experienced, poised and astute monologist. You are sure to enjoy his hilarious tales and he'll really give your funny bone a work out.

Music to dance by will be supplied by the Master himself Frankie Masters and his Orchestra with vocals by the lovely Anita Roman.

Tickets may be purchased from members of the Niles Police Department, at the Police Building, 7200 Waukegan rd., or at the door the night of the Ball.

## Sharon Nehart Submits Poppy Day Poem

With Poppy Day to be commemorated on Thursday, May 21, which is the one local, state and national program which is so important and a universal one besides, we wish to tell you about one of our Junior members, Sharon Nehart, who served two terms as Junior Chairman (youngsters 18 and under, daughters of Legionnaires) between 1967-69 and won a state prize for her poppy poem two years ago has written another. Sharon Nehart is a seventeen year old Niles West senior.

One boy alone and scared: His buddy is dead.  
But here he sits wounded in a hospital bed.  
Fashioning a flower that so magnificently blooms in Flanders field on the soldiers' tombs.  
This little red flower, meaning so much.  
Is created by a veteran with a magical touch.

**Auxiliary  
Card Party  
Wednesday**

The Morton Grove Unit #134 of the American Legion Auxiliary will hold their annual card party this Wednesday, May 27 in the Legion Memorial Home at 6140 Dempster. The 8 p.m. event has a donation of \$1.25.

Co-Ways & Means Chairmen, Mrs. William Eaton, 9021 Major; and Mrs. James Morgan, 5944 Madison, indicate tickets will be available at the door. Cards of attendee's choice may be played, and foursomes will be arranged for those who do not come in groups. Refreshments will be served, and in addition to the table prizes, there will be door awards.

The highlight of the evening will be the awarding of three large prizes. These special awards are a personal TV set, a lighted mirror and a hair steam set. Auxiliary President Mrs. James Campanella urges everyone who enjoys this type of evening to join the Unit for a fun-filled social gathering. The Auxiliary Unit conduct so many worthy projects during the year that fund raising events such as this are held to finance programs for which they are widely known.

Over 250 activities are available to increase the academic skills thru the sensorial approach developed by Dr. Montessori. This discovery method of education makes learning fun for the child - an adventure. Numbers and letters extending thru reading, writing, addition, subtraction, multiplication and division are offered. Geometry is explored thru 3 dimensional

materials even the youngest child can understand. There are a number of games centered on geography.

The youngest children will work at activities that attract and satisfy them, and that help to develop skills of coordination: dishes and clothes washing; ironing; pouring exercises; pairing; matching, and vocabulary building are just a very few.

General sense perception exercises help a child's awareness of all around him. Lengths, widths, depths, textures, temperatures, sounds and even tastes.

Stories, games, songs and drama will be introduced, too. Juice and cookies are served at each class meeting.

For further information, parents are invited to phone 965-1710 anytime.

**LWV Spring Luncheon**

The annual Spring Luncheon of the Morton-Grove-Niles League of Women Voters took an added significance this year because it was the first luncheon of the newly formed League. The mayors of both villages were present. Speaker for the day was Mrs. Anne Evans, delegate of this district to Con-Con.

**Grandmothers Club Meets Monday**

The regular monthly meeting of the Niles Grandmothers Club, Chapter #99, will be held on Monday, May 25, at 12 noon in the Niles Park District Recreation Center, Milwaukee ave.

Social chairman Jean Beneski announced that the hostesses for the day will be the Board of Directors.

**LETTERS to EDITOR****A Parents' View**

Dear Bud Besser:

The letter below was sent by a neighbor to their college student. After reading it, I felt it has to be shared with the world.

Would that like-minded parents copy portions or all of this letter and send it on to their children.

Very truly yours,  
Elaine Witt  
9101 Luna Ave.  
Morton Grove

Dear Cindy,

Your father and I were distressed to get your letter saying you were "thrilled" with the Strike. We were under the impression you were at the university to get an education in your chosen field and to mature in the atmosphere of the academic community. If you really do believe you must be in the outside world, that is very easy to arrange. We have many other ways to spend the money it costs to keep you at the university, giving you an opportunity to learn in an academic community, those things you can learn in no other way.

A strike against classes is an immature, unreasoning approach to bringing the "outside world" into the university. A much more logical approach to realizing this goal is to demand that a student have a full time job, being completely responsible for his own survival and to study his chosen discipline in his leisure hours. There is no better way to learn about life than to be in the working world earning one's own living. And in the university classroom, in for added spice.

With very much love,

Mother

**A Student's View**

Dear Sir:

I am a student at Carleton College. I feel that the American people should have the chance to know as much as possible about the situation in Vietnam and Cambodia. I did not know much about it before this strike, and I still don't know too much. But I'm using this strike time for learning, reading and attending teach-ins.

I have the opportunity to make some of the information I've obtained available to more people by sending it to the newspaper in my home town.

Sincerely,  
Raymond S. Poterek

## Old Timers Photos On Display at Library

The Diamond Jubilee Committee announced an exhibit at the Morton Grove Public Library through the courtesy and cooperation of Myra Aggen, librarian. There are photographs dating back as far as 1902 and depicting such interesting scenes as the old Poehlmann Brothers Green Houses, the Loutsch Meat Market, an old coal truck, the original Huscher Coal & Material Yard, some early baseball teams and a picture of one of the first pieces of motorized fire equipment.

There is also an interesting group shot of the volunteer fire department in full uniform and many such as Max Fink can be easily recognized especially by Morton Grove's old timers that

Skarb is a graduate of Maine Township High school.

### Dist. 63 Sets Jr. High Boundaries

After listening to a vigorous public discussion, members of the Board of Education of East Maine School District No. 63 voted unanimously to adopt a boundary for the district's 2 junior high schools which will follow Golf Road east to Milwaukee Avenue, Milwaukee Avenue southeast to Church Street and Church Street to the eastern edge of the district.

Students living north of this boundary line will attend Apollo School, the district's new junior high school scheduled to open this September. Students living south of the boundary will attend Gemini School, the old East Maine Junior High School. It is the opening of a second junior high school which has necessitated the setting of a new boundary.

In regard to the source and availability of water for the Apollo school, Mr. Bowen reported that representatives of the plan selected was the second of 2 proposals presented to the Board by the school administrators. The first proposal would have assigned students according to the present elementary school attendance areas.

More than 150 persons attended the school board meeting, opened to public discussion on the boundary proposals, with most persons speaking out in favor of the proposal adopted by the Board.

Two major considerations which came to light during the discussion were: the safety factor and projected enrollments for school year 1973-74. With the Golf - Milwaukee - Church boundary, students will not be forced to cross any major highway, such as Golf Road.

In addition, under the first proposal, the new Apollo school would have reached near capacity by school year 1973-74, according to projected enrollment figures. Capacity of the Apollo school is set at 700 to 750 students by Supt. Frank Dagne.

The Board also accepted the resignation of Miss Carol Bales, part-time public information specialist.

Board President Guronick reported that members of the Board had met as a committee with members of the sub-committee of a citizens group to answer questions about school financial policies.

## Maine Students Receive Garden Club Achievement Awards

Shown above from l. to r. are: Principal John Clouser, Award Winner Robert Baldocchi, and Woodworking Teacher, Bruce Kelly.

Out of 749 projects, representing 69 junior and senior high schools in the Illinois Industrial Education Exhibit held at Northern Illinois University, students at Maine Township High School East won one Level IV Outstanding Achievement award, two Outstanding Achievement awards, one Superior ribbon, one Superior ribbon, and one Honorable Mention ribbon.

Only four Outstanding Achievement awards are given and are presented at a banquet held specifically in honor of the four winners. Robert Baldocchi, a senior from Niles, won a Level IV Outstanding Achievement award with his walnut buffet. This win was his second consecutive award. Last year's award was based upon his complete stereo hi-fi outfit.

Other award winners were:

### No Special Clean-Up Week in Morton Grove

Many of the towns in the Northwest Suburban area will be declaring weeks in the near future as "Clean Up Week." This will not be done in the Village of Morton Grove according to Fire Chief Christ Hildebrandt, because it is not necessary in his town. When asked why he explained that the Village of Morton Grove has for several years had a continuing program of rubbish pick up with a pick up scheduled one day every week in every section of the town. These weekly collections are in addition to the regular weekly garbage collections. Residents may discard old furniture, metal, defective water heaters, tree and tree branches (cut and bundled), building materials and most other unwanted or defective articles.

Because of the above described program it has been found that a special "Clean Up Week" is unnecessary since residents have not had to store unwanted articles in their basements or garages waiting for the annual pick up as the residents of many of the other towns must do.

### Jungman Class Reunion

The Alumni Association of the Joseph H. Jungman school, located at 1746 S. Miller st., is planning a class reunion for all past students of the school from the years 1948 to 1970.

It will be held at the school on May 26 from 6:30 to 9 p.m.

Please call CA 6-4370 between the hours of 8:30 and 3:15 if you plan to attend.

## Alan King At Mill Run

Today's comic humor personified ... that's Alan King ... and he will star for a week's engagement at the Mill Run Theater in the Golf Mill Shopping Center in Niles, Friday, May 29 through Saturday, June 7.

With cigar poised ... he arrives on stage to capture audiences in a sea of laughter. His history is varied, but so warmly remembered are the many shows he did with the late Judy Garland. He has played 2 command performances for Queen Elizabeth II; is the only comic to appear on stage at the Metropolitan Opera House, has been seen by millions of television viewers on the "Ed Sullivan Show", the "Johnny Carson Show", and on numerous other programs. The wit of Alan King ranges far and wide.

Alan King's performances are as follows: Tuesday through Friday, 8:30 p.m.; Saturday, 8:00 p.m. and 11:00 p.m.; Sunday, 4:30 p.m. and 8:00 p.m.

Tickets for his mill Run Theater engagement are now available at the box office and all Field, Ward, Crawford, and Ticketron locations.

## Police Film . . .

Continued from M.G.P.J.  
tos. He then said we received a deed from the Library Board dealing with their being given certain properties and he was turning the documents over to Atty. Nordberg for his study.

John Hilkil announced that the German Measles Inoculation program was a great success and thanked RN Marge Turek for her fine help. A letter of special commendation will be sent to Dr. Al Korak for his "hard work and extreme dedication." Dr. Korak has taken part in all of the 9 inoculation programs of the village and has given freely of his time and efforts.

Herbert Houndt noted that the Public Works Dept. will have no pick-up service on May 29 but will resume service on June 1. John Nordberg read an ordinance pertaining to illegal

dumping or burning at the Village dump.

Fred McClory read a letter from Lee Salberg about an error in a sign regarding zoning in his neighborhood. The board agreed to notify the property owner of the mistake. Clerk McClory then read a letter from Gov. Ogilvie regarding the capability of municipalities to warn people of possible danger from severe weather conditions.

Many citizens were present to complain of littering and debris being strewn about at the shopping center on Dempster and Ottawa. Mr. Robert Badglie said this has been a problem for the past 5 years. Mr. Leonards said there was only one trash can in front of the stores that was always full. Mr. Clark said they won't even pick up

cans from their own driveways. "Our front lawns are being littered with cans and papers," he said. Trustee John Hilkil said that pictures were taken and the health officials notified. He promised that something would be done and said a new ordinance was being drawn up dealing with matters such as this.

Michael Edwards of 8845 Sayre read a letter regarding the problem of Black Forest employees parking on his street and debris being littered all over. He also complained that trucks unload at "The Camper" all night long. Mr. Edwards was invited to attend the next meeting of the Traffic and Safety committee.

## Maine Hi Wins Sportsmanship Award

### ND Summer Program

Notre Dame High school in Niles will hold a summer program in physical education and recreation for boys and girls who have completed the 7th and 8th grades.

The program will consist of basketball, swimming, competitive and not a "learn to swim" program and beginning tennis.

There will be two groups each lasting for four weeks Monday through Friday mornings. The first session will run from June 15 to July 10. The second session will begin on July 13 and run until Aug. 7.

Students may sign up for any two activities with the group period.

Complete information regarding fees and applications can be obtained from William Casey, Notre Dame High School, 7655 Dempster st., in Niles (965-2900).

The second year in a row that Maine East has won the coveted sportsmanship award thru the conduct of the students at the school and thru David's essays.

David's essay won the large plaque award for 1970 which was awarded at the annual NOA spring banquet. This win marks the concluding paragraph of the winning essay states, "At Maine we have endeavored to achieve a spirit of good sportsmanship. We have met in the past and continue to overcome many environmental obstacles in its achievement, and through these individual victories have strengthened our respect for ourselves and our consideration for others. This is the essence of sportsmanship, and sportsmanship has been, and always will be basic to the Maine tradition."

The Chicago Motor Club AAA reminds motorists to have spring maintenance performed in order to insure safer, more trouble-free driving.

On Monday Maine travels to Aurora West. On Thursday and Saturday the Demons will play in the WSC tournament and will seek to maintain their third place standing.

In other intermediate action, the Astros dumped the Giants 13 to 4 with pitchers Mark Schiappacasse and Dean Torium sharing the win. Contributing at the plate were Scott Torium with a home run and Robert Polizzi and Keith Martson with doubles. Keith Steinbrink and Cary Schwel doubled for the losing Giants. George Sutphen was credited with a win as he pitched the Mets to an 11 to 5 win over the Reds.

The organization states that there are more than 70 million people in the U.S. who smoke, and at least half think they should give up the habit. "The problem," says the director, "is that most people do not know how to quit. They feel they will grow nervous, or put on weight, or have other ill effects ... often they try to quit smoking all at once -- 'cold turkey' as it is called."

Because a child does not know how he or she should see or hear, the child may not complain. Parents then may not be able to detect visual or hearing problems. It is consequently wise to have the vision and hearing of preschool age children checked.

Technicians trained and certified by the Illinois State Department of Public Health will perform the screening. All children evidencing any difficulty will be asked to return at a later date to be rescreened. If the difficulty persists, the parents will be requested to take

FREE pickup and delivery in our insured buses.

### Demons Split Matches

#### --- Take Third Place

This week the Maine East Varsity Tennis team completed its schedule of dual matches in the West Suburban Conference, in their most successful season in years the Demons won four dual matches, lost two and tied one. They are currently third in the WSC.

On Tuesday the Blue and White metron visited Hinsdale where they lost 4-1. The second double team of Teo Kawa and Jeff Zimmerman won the first point taken from Hinsdale in the past 5 years by defeating Bere and Peters 4-6, 6-4, 7-5. York came to Rand Park on Thursday to make up a rained out match. Sweeping all three singles matches the Demons gained a 3-2 decision. At first singles Rick Nitetz handles Dave Oetke easily, defeating him 6-1, 6-2. Louis Greco downed Randy Weeda 6-2, 6-1.

On Monday Maine travels to Aurora West. On Thursday and Saturday the Demons will play in the WSC tournament and will seek to maintain their third place standing.

# Let's Play Ball!!

## MNLL Plays Under Dampened Skies

In Saturday's final play, for the victors, David Pink had 3 hits all but 2. Maine-Northfield Little League minor division games May 16 and both of those were slugfests. Shore American downed Wes Harrison 15 to 0 with Steve Levy, the winning pitcher, having no hit going when the game was called. Marc Smith drove in 5 runs for the winners with a double and a triple. Eric Schor had a triple and other hitters were Freddie Hatchett, Steve Levy and Mike Maiter, who also made a fine defensive play. Glenview Countryside Merchants pounded Dash's Texaco 13 to 9 in the other minor division game with pitcher Marty Sanders earning the win aided by some good defensive play, particularly by infielder Howard Schiff, Jim Nicholsen had a triple for Dash's.

In the Major division, weather permitted only Talisman Village and Pellegrini Signs to complete their week's full schedule and both teams had a split. Talisman defeated Pellegrini 3 to 0 behind 2 hit pitched by Bob Chamberlain, who also struck out 13. Steve Lubelfeld drove in Randy Stork for one of the winner's runs and Larry Harrelson's double drove in Dave Maiter and Lubelfeld for the other two. Scott Heller and Kenny Pink had the only two Pellegrini hits. Jerry Levy and Lubelfeld were noted for some exceptional defensive play.

The Villagers dropped their other game to first place Knight Tube and Steel 6 to 4. For the Knights it was Matthew Ostertolt and Steve Jacobs combining on the mound for the win. And at the plate a triple by Steve Smith in the top of the 6th with the bases loaded tied the score. In the last inning the winning runs were driven in by Steve Sutphen and Al Wilner. Losing pitcher Larry Harrelson pitched 5 innings of 1 hit ball. Pellegrini's win was a 10 to 5 romp over Gulf Mill Bank with pitcher Jack Maly credited with the win and Kenny Pink being the big man at the bat again. Pink drove in 4 runs with two triples and a double. Gary Halpin had 2 doubles for the winners.

All MNLL divisions play ball in their fields at Glenview rd. and Milwaukee ave., near Glen Grove School on Saturdays and Sundays with games scheduled nearly all day. Week night games are Tues., Wed., and Thurs. at the MNLL complex and at Rubin Park in Glenview. There's never a charge and the public is invited. The players range in age according to division from 8 to 15.

### Initiated into Honor Society

In recognition of excellence in scholarship, George Kolts, son of Mr. and Mrs. John Kolts, 8254 Knight, Niles, was honored by the University of Illinois at the 46th annual Honors Day Convocation, held in the University Assembly Hall on May 1, 1970. George was graduated from Maine East High school in 1966.

### Registration For Vision, Hearing Tests in Dist. 63

Registration for a vision and hearing screening for preschool age children (three through five years) in East Maine School District No. 63 will be held 8:30 to 11 a.m. and 12:30 p.m. on Monday, May 25.

Parents may register their children at one of two locations: the Shelley Nathanson school, Potter rd., and Church st., in unincorporated Des Plaines or the Washington school, Washington st. and Golf rd., in Glenview.

The screening is open to all preschool age children, three through five, living in East Maine School District No. 63. There is no charge, but the

District 63 is cooperating with the Suburban Low Incidence Development of Exemplary Services (SLIDES), a Title VI E.S.E.A. program, in conducting the preschool vision and hearing screening program.

Mrs. Carole Rothman is chairman of the screening program in District 63.

# AREA SCOUT NEWS

## Scout 'Showando' June 6

District commissioner Richard Smaus, Park Ridge, announces that the Maine Ridge district boy scouts will have a "Showando" at Camp Baden Powell all day Saturday, June 6. The camp is on River road, one mile north of Central road.

All boy scout leaders, especially institutional representatives, troop committeemen and neighborhood commissioners, are encouraged to learn or improve their scouting.

### Pack 45

Unlike the Indianapolis 500, the Pack 45 Pinewood Derby was "showed out" on March 25, at Oak school, and was rescheduled on April 7. After colors were presented by Den 3, Cubmaster, Rich Holminak, lowered the white, checkered flag for the many hopefuls who participated in the qualifying race.

At the conclusion of this competition the following boys emerged victorious: 1st place - Ray Bartolucci; 2nd place - Dick Schweigert; 3rd place - Mark Meece; 4th place - David Nadig.

Cubscouts recognized for achievements earned were: Den 1: Kenneth Borowski - gold arrow and four silver arrows; Marc Pelini - asst, denner and silver arrow; Date Walder - denner and two silver arrows. Den 4: David Nadig - asst, denner. Den 6: Robert Berg - wolf; Daniel Frank - wolf; Michael Roser - wolf and denner; Jeff Rendina - asst, denner. Den 10: Robert Adams - wolf, gold arrow, and two silver arrows; Richard Schweigert - silver arrow and asst, denner; Richard Devery - silver arrow; Edward Steek - denner.

On March 13, 56 boys and their parents enjoyed an evening at the Chicago Bulls Game.

ability by attending and participating in the Showando.

Volunteer experts will demonstrate a wide variety of scout skills, including knots and lashings, first aid, wood tools, signaling, nature, mapping, tent pitching, fire building, cooking and first and second class boy scout requirements.

From this once a year event, adults gain a knowledge of the skills that boy scouts are expected to know, together with a day of fun and adult fellowship.

### Brownie Troop 238

On Wednesday, March 11, Brownie Troop 238 held an Investiture Ceremony for its newest Brownie Pamela Gregory. The girls chose their parts and made their own costumes for a play called "The Brownie Story" which they presented at the Investiture. Pamela was pinned by her mother Mrs. Russell Gregory and Leaders Mrs. Joseph Pardipile and Mrs. Rodger Kurgan. The tour was arranged by Mrs. William Herriman.

The girls were shown how meals and beverages are prepared. The Brownies were then rewarded with a hamburger and coke, compliments of the management. The girls were driven and chaperoned by Mrs. William Herriman, Mrs. Ernest Ciccone, Mrs. LeRoy Kaczynski, Mrs. Russell Gregory and Leaders Mrs. Joseph Pardipile and Mrs. Rodger Kurgan. The tour was arranged by Mrs. William Herriman.

Brownie Troop 238 is planning a tour to the Niles Police Station on Wednesday, May 6. Here the girls will learn what a great task the police have in protecting and helping the people.

To emphasize their belief in the "American Way of Life" Brownie Troop 238 participated in the Loyalty Day Parade held Sunday, May 3.

The Brownies now are busy discussing Day Camp activities which are planned for June 16 thru June 26 at Camp Discovery, Miami Woods.

After school on Wednesday, April 15, Brownie Troop 238

### Brownie Troop 601

Mrs. Eugene Kloss and Mrs. Thomas Paschke, leaders of Brownie Troop 601 of St. John Brebeuf school, conducted the fly-up ceremony on May 14 when Mrs. Cyril Maher of Junior Troop 613 welcomed new Juniors Mary Breen, Colleen Croke, Peggy Kloss, Beth Maher and Bernadette Smith. The World Association Pin was awarded to Brownies Mary Beth Dulen, Marianne Henson, Paula Kalember, Eileen McCabe and

Nadine Paschke at the ceremony where the girls bid a fond farewell to their former Brownie sisters.

Troop 601 had its last outing of the year on April 25 when they went on a tour of Bell's Mossley Hill Apple Orchard.

The girls saw how apples are sorted, stored, made into taffy apples, applesauce, cider and donuts. A cook-out at the forest preserve concluded the enjoyable day.

### SJB Pack 275

Cub Scout Pack 275 from St. John Brebeuf held its monthly Pack meeting on Tuesday, April 28. The theme for the month was "Cub Scout Circus," and this was in evidence throughout the entire evening. All of the scouts were attired in costumes, consisting of clowns, hobos, old ladies, animals, etc.

Ringmaster John Dulen, (Cubmaster) along with Scouts from Webleo Den 1 presented colors, and from that point on, it was Circus Time. Mr. Dulen led the Pack in the Grand March around the school hall and the jam packed audience got a good glimpse of all the costumes which were made during the month at Den meetings.

Cub Scouts from Den 5 led by Den Mother Mrs. Vicki Jurica each took part in a one act performance. The Cub Scouts from Den 2 had made a cannon during their den meetings and then brought it to life at the Pack meeting by using scouts as cannibals. Mrs. Rose Ugel, Den Mother of Den 7 must have had quite a time of it during the month at her weekly den meetings as the boys made a pyramid which was really some doing. The Webleo Scouts of Webleo Den 2 reenacted the wedding of Tiny Tim and Miss Vicki. Ringbearers were Dan Jendrycki and Bruce Zink. Justice of Peace was Jeff Patton. Miss Vicki, was Joe Hanna and Tim Tim was Robby Smith. The wedding ceremony went along fine, violin music was added by Dan Jendrycki, the garter was placed on Miss Vicki's leg, the bouquet of roses was thrown.

Boy Scouts John Jurica and Pat Kroeng from Troop 275 entertained everyone with a spectacular magic show. Thanks boys. During the Grand March 3 judges had the job of picking the top 3 costumes. 1st place went to Jim Mahoney of Den 7, who was outfitted as a "little girl," was truly worthy of the judges choice. He and his entire family will be treated to hamburgers at McDonald's, 2nd place went to Buddy Skaja and 3rd place

May 4, was a very exciting day for Troop 598, as they marched together for the first time in the Loyalty Day Parade in Niles. It was a long walk for the Brownies, but they wouldn't have missed a step of it.

Right now the troop is anxiously making plans, assigning duties and deciding on the menu for their troop cookout in St. Paul Woods at the end of the month.

## Carol Levey Winner

Niles West senior Carol Levey has recently been selected over 15 girls as the 1970 Betty Crocker Homemaker of Tomorrow. Her prizes for winning the contest, based on the scores of a homemaking knowledge and attitude test, are a silver charm from General Mills and an eligibility for one of 102 college scholarships totaling \$10,000.

From here, Carol will compete with other high school winners in Illinois to determine one state winner. The essay part of her qualifying exam will be sent to the state headquarters and judged along with other essays. A winner will be chosen within the next few weeks. She will receive a \$1,500 scholarship. The first runner up will receive a \$500 educational grant.

Carol has taken several clothing courses at West, and she is currently enrolled in a foods class. She plans to attend Michigan State University in the fall and major in Home Economics.

Help Wanted — Male

**Tremendous Program  
Sales Trainee  
\$750-8850 + CAR + FREE**

You will begin in what is perhaps the  
finest sales training program available.  
The length of this extensive program is  
on the average 6 months but in many  
cases shorter or longer. Its length is  
dependent on your grasp of things. You  
will move up at rapid speeds. Salary and  
commission arrangement is better than  
any we have seen. If desired you can  
move into night positions after 18  
months. Ask for more details.

**CUSTOMER SERVICE  
TO OFFICE  
MANAGEMENT  
\$500—FEE PAID**

Start your career by learning office func-  
tions and customer correspondence ac-  
tivities. In a short time you'll assume a  
position as Office Manager with salary  
potential of \$750.
