Games, baseball, music will also be part of the evenings fun session. ## Hospital Phone Number

The telephone number is being changed at Lutheran General Hospital, Park Ridge. Starting Friday, June 26, the telephone number will be 696-2210.

The change is being made to provide improved telephone service for people calling the hospital, said Kenneth Brenner of the hospital administrative staff.

Brenner pointed out that an additional 26 lines were being added to provide improved service. This brings to 70 the number of lines serving the main hospital switchboard. Over 4,000 calls come into the hospital each day.

"The number change is part of a continued program to improve telephone service," Brenner said. "We have completed changing over the patient phone system so all patients can now dial their calls directly without having to go through the hospital switchboard."

# Why Must Suburbanites Continue Wasting Their Tax Money on Township Government?

## The Answer Is You Don't Have To!

Under the call for the current special legislative session bills will be introduced to perpetuate the ARCHAIC, WASTEFUL, NON-PRODUCTIVE TOWNSHIP GOVERNMENT THAT SHOULD BE MODERNIZED.

Your taxes are paying salaries of township collectors, supervisors, clerks, auditors, thistle commissioners and road commissioners who RENDER NO SERVICE to you if you live in a city or village. These jobs are holdovers from the horse and buggy era.

You can unload this tax burden and at the same time modernize township government.

Phone, wire or write your state senator and state representatives. Demand that they vote against Senate Bill 1474 or any other legislation designed to evade the recent decision of the Illinois Supreme Court, or to perpetuate non-essential township government.

Remember your state senator and state representatives NEED AND WANT your opinion on such an important matter. Call, write or wire them today.

## Scout Camping to Set New Record

Thousands of Boy Scouts from the Northwest Suburban Council will be heading to summer camp in the next few weeks, John Dunham, Council Camping Chairman, announced. Camp registration indicates that the 1970 camping season will see

2,400 Scouts and leaders in summer camp, Dunham said. This is an increase of 7% over last year and represents 55% of the total Council Boy Scout membership.

The Northwest Suburban Council owns and operates two long-term camps, Camp Napowan located near Wild Rose, Wisconsin, has 400 acres of land, including two lakes. Naukagon-Scout Reservation, located near Spooner, Wisconsin, has 1100 acres and numerous lakes. The Reservation is in its fifth year of operation.

Camp staff members will re-

port for a week of intensive training at both camps on June 14. The first group of campers will arrive on June 21 for a two weeks camping experience.

Boy Scout Summer Camp is a valuable training experience for the boy and his leader. The time a Troop spends in summer camp will equal the time spent in weekly Troop meetings the entire year, Dunham said. That's why we are concerned with providing every Troop with a tailor-made program, one which meets their special needs and desires.

## Big Weekends Coming Up

The Northwest Suburban Council, Boy Scouts of America is planning 2 special week-ends at Camp Napowan for 10-year old cub scouts and their dads on July 18-19 and August 1-2, it was announced by Frank Kofron, council activities chairman.

Purpose of the Webelos day program, Kofron said, is to introduce Webelos cub scouts and their dads to the many boy scout activities. The week-end program will include cooking, swimming, archery, hiking and a campfire. The registration fee will cover the cost of food and all program activities.

Complete information is available through local cub scout packs or the scout service center.

Camp Napowan located near Wild Rose, Wisconsin provides

an ideal setting for the program. Kofron pointed out a boy scout summer camp has all the facilities to make the scouting program come alive and take on greater meaning in the lives of boys. We are sure the dads will enjoy the change of pace and welcome the opportunity to learn more about

their important role in boy scouting.

Currently the Northwest Suburban Council has 420 Webelos dens with 2,500 Webelos scouts. A part of the Webelos program includes special preparation for graduating from cub scouting to the boy scout program.

## Niles Consumer Fraud Office to Open

Village Clerk Frank C. Wagner, Jr., the newly appointed commissioner of the Niles Consumer Fraud Division, discusses plans with Mayor Nicholas Blase and William Kutz from Attorney General William Scott's office.

The Consumer Fraud office

that is headed by Clerk Wagner will receive assistance from William Kutz and Niles resident, Thomas Flynn, a college professor and law student, who has volunteered his time to this new village department.

Wagner stated the Consumer Fraud office will be located in the Niles Police Building, 7200 Waukegan rd. and will be open every Saturday, starting July 11, from 9 a.m. until noon. As the demand calls for it the hours

and days can be extended.

Any Village of Niles resident who has encountered fraudulent practices may file a complaint against the offender.

"We want to prevent anyone from being cheated and want to make sure misrepresentation does not take place in our Village," quoted Wagner.

The recently passed ordinance, one of the first ever adopted by any village, is based on the state act, and provides immediate protection to Niles residents in a local office. There will be no charge for this new service and the cost to the residents will be negligible since the work will be absorbed in the Village Clerk's duties. The Village Clerk can be reached at 647-8433.

## Lions Hold Family Nite

On Thursday, June 4, the Lions club of Niles, at the suggestion of club president Todd Bavaro, instituted a Family Nite for the express purpose of acquainting the sons and daughters, grand sons and grand daughters of members, a general idea of Lionism as it is practiced. All formalities were eliminated and some 120 children and their parents witnessed the singing of the National Anthem, salute to the flag, followed by the invocation offered before partaking of dinner.

President Todd Bavaro, 7139 Breen, Niles, called for introduction of members and their families. For a change of pace, introductions were given by the wives of members and any mistakes made in presenting introductions was met by a fine by the "tail-twister" Lion Steve Dawiec, 7139 Breen, Niles.

Dinner was followed with entertainment which started with the Misses Donna Bavaro, Mary Langony, Phyllis Del Re and Mary Ann Massari, billed simply as "Two guitars - four girls" who harmonized to the numbers "Kumbaya," "Today," and "Take a Stick of Bamboo."

These numbers were followed by Nick Bavaro who played the guitar to and sang "Jean" after which Mr. Bavaro was accompanied by Miss Langony on the guitar as he sang "I've Gotta Be Me."

Lion Russ McAndrew and his ten year old daughter Karen then rendered several pantomime numbers from the days of Al Jolson to the present trend of the Maine GOP.

John Henning of Des Plaines was elected vice president of the organization succeeding Warner, and Kay Kummer of Morton Grove was elected secretary succeeding Joan Hall of Park Ridge who recently was named Maine township Republican committeewoman. Patricia Meyer of Glenview was elected assistant secretary.

Paul Johnson of Park Ridge was reelected treasurer. James Dickens of Park Ridge was elected assistant treasurer. Jerry Kerstein of Des Plaines was elected sergeant-at-arms.

Ray Hollis of Park Ridge was reelected chairman of the finance committee, and James Lake of Park Ridge and Carson Gallagher of Morton Grove were reelected members.

John F. Calef of Park Ridge

was re-elected chairman of the board. Other board members elected from Park Ridge are Anne Bennett, John E. Owens and John Pullen.

**Set June 29 as Date for Decision  
on Maine North Opening**

A decision regarding the opening of Maine North High school this Fall will be made at a reconvened meeting of District 207's Board of Education on Monday evening, June 29, at Maine East High School. At that time the Board will determine from reports of the contractor and architect whether construction of the new facility, now delayed by strikes, will be completed by the time school is due to open in September, or whether alternate plans for scheduling Maine North students must be put into effect.

In speaking of the Maine North situation, Roy O. Makela, president of the Board and chairman of the Building and Grounds Committee, said, "We have worked diligently all year to keep the building project on target. We have every reason to believe that construction would

have been completed by Aug. 15 except for the unforeseen circumstance of strikes. The truckers' strike-lockout and the cement finishers' strike have definitely slowed down the project. We are now experiencing added problems with a strike-lockout of operating engineers. If these disputes are settled within the next few days and there are no further delays, the lost time may be made up and, hopefully, we may still occupy the building by Sept. 1. However, time is running out and alternate plans must be decided upon and put into operation soon."

Also speaking about Maine North, Dr. Richard R. Short, Superintendent of Schools, stated, "Shifting 1,000 students into our other schools is a decision that affects the lives of many people. We are concerned

about the Maine North students' educational program and are equally concerned about the educational program of those students who may be called upon to share their facilities in order to accommodate the Maine North enrollment."

The Board tabled until the June 29 reconvened meeting action on bids for the construction of an access roadway from Central rd. south to the school site. Dr. Short reported to the Board that the cost of the roadway and sidewalks to Maine North and the new Apollo Junior High school will be shared, with District 207 paying 75% and District 63 paying 25% of the cost. He also reported that details of a water service agreement with the Domestic Utility Services Company have been finalized and that the laying of the water mains will begin soon, subject to resolution of the strike-lockout of operating engineers.

John L. Means, Board member and chairman of the Finance Committee, informed the Board that his committee, with the help of Harold Markworth, business manager for the district, and C. E. Mills, purchasing agent, had updated the Educational Fund survey in order to project the financial condition of the district until the 1975-76 school year. He stated it seemed advisable that, for the next year or two, Maine North be given first priority on orders for equipment and supplies. He also suggested that wherever possible the high schools share with each other in the use of large pieces of equipment.

John J. Clouser, principal of Maine East, told the Board that all building projects at Maine East are virtually completed. The school is waiting for shelving to be delivered for the new learning resource center. Books will be transferred from the old library as soon as the shelving arrives and is installed.

The Board authorized for the 1970-71 school year that the Insurance of North America student accident group policy be made available to all Maine High school students with the basic premium of \$4.50 and the all-time coverage premium of \$12.50. It also authorized that a student accident group policy for football be made available from the same company to all participants at a premium of \$24.00, \$6.00 of which should be paid by the student participant and \$18.00 of which is to be paid by the Board of Education.

In other action the Board:

- Adopted a resolution authorizing Maine Township High School North's affiliation with the Illinois High School Association.

- Appointed Walton, Joplin, Langer and Company, 111 W. Monroe st., Chicago, as auditor for the Board of Education Funds, the Imprest Funds and the Student Activities Corporation Funds for the school year 1969-70.

- Approved the appointment of 30 teachers; accepted the resignation of 11 teachers; approved two leaves of absence; approved 10 custodial and 4 office personnel appointments.

- Accepted low bids in the amount of \$8,338.79 for equipment and supplies for Maine North. Accepted low bids in the amount of \$2,499.00 for equipment for Maine East.

- Renewed the district's property and liability coverage with the Insurance of North America Company at a premium of \$58,790 for current coverage, plus \$12,026 for inclusion of Maine North when completed.

**LETTERS TO THE EDITOR****Plans for Widening Golf Road**

Dear Editor:

Enclosed is a letter I sent today to District Engineer G. T. March regarding a proposal to widen Golf Road to six lanes. Following are some of the details of the proposal:

The six-lanes would have a 14-foot divider between them.

There would be parkway area on either side of the road. Although I neglected to ask the width of this parkway, I assume it would be a minimum of eight feet to allow those living along Golf Rd. to move out into traffic.

There is a possibility that the divider and parkway area would be landscaped.

I stated in my letter to Mr. March that I would suggest that you look into the implications regarding this widening, which would not take any homes but merely locate the highway 15 ft. closer to those homes (seven ft. for the divider and eight ft. for the traffic lane on each side). Here are the implications as I see them:

The property value of these homes would be reduced considerably by bringing the road closer and by turning it into a major east-west route. This would mean that each of us along Golf Rd. would seek immediate reductions in our assessed valuation, thus reducing the amount received by the schools and the other governing bodies.

The homes would become considerably more difficult to sell. Those with small children would think more than twice about buying such homes, and those who appreciate a bit less noise than that which would result from such a near-expressway

wouldn't even consider such a home.

Two schools located in my immediate area are on Golf Rd. I needn't state the possible implications involved here. In addition to this safety factor, the schools would lose property already at the end of June or early in September.

In the interest of fairness, those most directly concerned with the issue should have every opportunity to attend the meeting and voice their opinions—pro and con.

There are alternatives to the widening proposal and I hope to have an opportunity to explain them to you and to the highway department at a later date.

Sincerely,  
Harold Schwartz  
2510 Golf Rd.  
Glenview, Ill.

**"A Few Seconds of Thought"**

I can somewhat excuse the people for not voting in many elections since since really is no true choice, but, most emphatically, I cannot excuse the elected official who is fully cognizant of his obligations to his elected office and his promises to the voters and fails to follow through.

I am enheartened, watching the youth movement make the above creed more realistic. (Unfortunately, violence is accompanying their movement.)

against the Colts. Final score, Cubs 4, Colts 1.

Now tied for second place with 6 wins, 2 losses and 1 tie are the Jets and Yankees. The Yankees whipped the Jets 8-3. Green's sensational defensive play at third base in the 4th inning helped the Yankees beat the Jets. Mannina hit a homer with Wallseck and Schretter on base. Schretter was hit with a pitched ball and got a double. Dave & Don DeSantis each pitched one inning. The Jet pitching and fielding failed. They gave up only 2 hits but 13 walks. Crutchfield had 3 hits. Guzlek got his first hit of the season and Ira Aronson got his 2nd hit. The Jets did top the Dodgers by 1-4. Pitching for the Dodgers was Chammess, Ugel, Nordskog & Plis. The Yankees tied the Mets 2-2. Once again Dave DeSantis came through with a crucial double driving in two runs and enabling the Yanks to tie. Wallseck hit a double and made another sensational catch in center which ended up in a double play after he threw to Mannina at 1st before the base runner could get back. Rien and Mannina each got a single and pitched 2 shutout innings. Pitching for the Mets were McKillop, Cuff and Piazzesi. The Yanks took the Cardinals 6-4. Dave DeSantis drove in two runs with singles and good pitching. Rien pitched and drove in a run with a single, and Don DeSantis hit a single. Mannina and Schretter each hit two singles. Wallseck hit a single and triple.

Still way out in front and looking for a season victory are the Cubs with a fabulous 10 win no loss record. The Cubs met the Mets with the combined hitting and pitching of Englund, Centella & Haerr to beat them 3-1. Pitching for the Mets were Piazzesi, Cuff & McKillop. The White Sox were shut out 6-0 by the Cubs. A single by Breslin was the only hit the Sox made. Schumacher was the only effective pitcher in striking out 5 and walking 4, however, Cub pitchers gave up just one hit in pitching their 6th shutout. Leading hitters for the Cubs were Haerr, Mahoney & Centella. Robert scored twice, Centella hit a home run with 1 man on base in the game played under protest.

The rampaging Pirates added 3 impressive wins to their total this week to stretch their league lead to a full 3 points over their closest pursuers, the Phillies. The Pirates beat the Giants, 9 to 2, in a make-up game, and followed with 9 to 0 and 5 to 0 whitewashings of the Colts and Redlegs. John Gorack led the Pirate pitching staff with 2 wins, while Rick Furmanski picked up the other. Ron Reeve picked up 2 saves and Dave Delorenzo the other. Pirate hitting stars were Steve Feller, Larry Bender, Ken Galinski and Mike McDonnell. Ron Reeve, Dave Delorenzo and Rick Furmanski continued their hot hitting.

A clutch double by Chrzanowski drove in the tying and winning runs. Kogos' 3 run homer and Gagliardi good hitting led the Cardinals to an 11-6 win over the Colts. Good pitching by Walsh, Kogos and Chrzanowski. Pitching for the Colts, Kirsten, Angulo, Ury, Cecchin and Weissman. Beautiful pitching by relief pitcher Cecchin saved the day for the Colts. The good pitching and fielding by the Angels held the Wildcats to a single by Daniel Paul and two home runs by Barry Brosky. While the Angels jumped ahead of the Wildcats in the second inning on hits by Russ Donash and Tommy Loebner who was borrowed from the Wildcats but it was mostly a pitchers duel.

Tigers beat the Lions 6 to 5. The Lions are having trouble at the plate losing their 2nd 1 run ballgame. The Pirates are on the move. Pitchers B. Christie, J. Booker and D. Kolbska held the Red Sox to 5 runs to win the 3rd game for the Pirates. J. Booker, R. Pullen and S. Kurtser and C. Panek each had 2 hits leading the Pirates to victory over the Red Sox 8 to 5.

The Cubs dropped their only game of the week and it was enough to tumble them from 2nd place down to a tie for 5th. A 5th inning triple by Ray Hrdlicka of the Mets was the difference as the Cubs were edged 5 to 4. Dave Scallion of the Mets limited the Cubs to only 2 hits over the final 3 innings to pick up the win.

## Pony League Continued from Page 17

The Pirates stunned the Yankees with a 5 to 5 tie by coming alive in the top of the 7th inning with 5 runs. Cully and Foglia contributed with several crucial hits to bring the Pirates and the Yankees to a thrilling tie result. Pitching for the Pirates were Foglia and Saccamano.

June 18—Braves vs. Red Sox. The Braves overwhelmed the Red Sox to hand them their 5th straight loss, 10 to 6. Rich Daymont got 2 for 3, in spite of a badly bruised hand, Eric Buehner, 3 for 4 and Dave Scher hit a real clutch triple for the losing Red Sox. It was the heavy hitting by the Braves which was too much for the Red Sox

to handle. Glenn Sedjo had 4 for 4, Tom Sheehan, 3 for 4, one home run, and Tom Myers, 2 for 4. In the outfield a beautiful shoestring catch by Rich Drehabl robbed the Sox of some runs. On the mound for the Braves were Jim Jirafa, Brad Kroll and Tom Myers.

June 20—Braves vs. Yankees. The Braves stopped by the Yankees, 8 to 5, even though they continued to pound the opposing pitchers and were ahead until 5 walks, an error and 2 singles were issued to the winning Yankees. The game was called in the 6th inning because of darkness which caused an unfortunate mishap to one of the Braves' ballplayers during the game.

June 20—Angels vs. Expos. The Angels were down 6 to 0 and kept picking away inning after inning to finally up-end the Expos 7 to 6 in the last inning. Leading the Expos in a losing battle was Bill Keener, 3 for 4, Todd Peterson, 2 for 4, including a home run, Dave Elkin, 2 for 4 and a 3-bagger by Dom Glancaspro. On the mound for the Angels was Callero yielding no runs and striking out 6 in 4 innings. The Angels hit parade was led by Callero, 3 for 4 and Schaffel, 2 for 4 giving the Angels a 6 and 2 record and the Expos a 5, 2 and 1 record.

White-Cronen Ford's other loss was to Semmerling Fence 4 to 3. John Oberhausen struck out 13 on his way to the win.

Results through June 20

Goodman Furniture, managed by Jim Geishecker, clinched the Maine-Northfield Little League senior division first round championship late last week when they won two games and their nearest pursuer dropped two. Pitcher Bob Foster led the Goodman nine in their all-important win over contending White-Cronen Ford 7 to 6. Foster also helped the cause with a double as did Al Blitstein and Tim Glass. Timely singles also were hit by the trio and Jim Geishecker.

Outstanding feature of the game, however, was a 310-foot home run blasted by Jamie Bucaro, a White-Cronen rookie in the sense this is his first year in senior league ball. The big belt came with two men on and Jamie also teamed up with brother Mike in tagging two singles each. Goodman's other win was a 10 to 5 romp over Mt. Prospect Park, Tim Glass earned this win and Bob Foster was busy at the plate getting four for four including two doubles, Al Blitstein and Mike Winkler doubled for Goodman, too, and Ed Radouski doubled for Mt. Prospect.

White-Cronen Ford's other loss was to Semmerling Fence 4 to 3. John Oberhausen struck out 13 on his way to the win.

STRETCH-GARMENT DERMATITIS

A new skin disease called stretch garment dermatitis is due to wearing tight-fitting stretch garments. The eruption appears in the areas of greatest pressure and is the result of a mechanical allergy, due to pressure and aggravated by friction. The result of this disease is either a non-descript, reddened eczematous rash or it aggravates a coexisting dermatosis.

According to Los Angeles dermatologists treating young girls for acne the face cleared up, but the back and shoulders did not. Lesions remained in the area where the bra rubbed with arm movement. Other skin disorders were aggravated. The cure is simple, the dermatologists recommend a cotton-type fabric, but you may find it difficult to find these in our modern day of drip-dry duds.

## Maine High Cooperative Ed. Committee

At a luncheon meeting held at the Des Plaines Elks Club on Tuesday, May 19th, Thomas O'Donnell, personnel manager of the Teletype Corporation, Skokie, was reelected chairman of the Cooperative Education Advisory Committee of the Maine Township High Schools for the next school year. John Gable, vice president of Citizens Bank and Trust Company, Park Ridge, was elected vice-chairman, and Mrs. Caroline M. Boyd of Maine South's Business Education department, was appointed secretary.

The Advisory Committee, made up of representatives of business and industrial firms in the area, as well as members of professional staff of the Maine high schools, was formed to strengthen the relationship between the schools and business and industry, and to assist the high schools in securing employment opportunities for the students.

Dr. Richard K. Short, Superintendent of Schools for the Maine high schools, addressed the luncheon group and expressed appreciation to participating firms and businesses for their interest and involvement in many Cooperative Education activities this past year, especially in PROJECT BIG, District 207's combined Cooperative Education-Career Night, held at Maine West high school on March 3. On that evening representatives from more than 100 business and industrial firms in the area were present, with exhibits and displays, to give as much information as possible concerning job opportunities in their particular fields to about 1,500 students and parents.

Lucas, personnel director of Protection Mutual Insurance Company, Park Ridge; C. E. Thompson, president of Thompson's Bakery and Fine Foods, Park Ridge and Norridge; and Miss Carol List, Queen's Court Beauty Salon, Park Ridge,

Companies represented on the Advisory Committee are among the many businesses and institutions in the area cooperation with District 207 in providing

ing "on the job" training for students enrolled in Maine's Cooperative Education Program. These students attend school in the morning and gain practical job experience by working on a paid, half-time basis in the afternoon in carefully selected business and industrial firms in the area. They work under the close supervision of the Cooperative Education coordinator of the high school.

Ralph J. Frost, Assistant Superintendent of Schools, presented certificates of recognition to three members who are retiring after a three-year term on the Advisory Committee - Miss Ann

## Chamber

Com'd from Niles-E. Maine P. 1  
grows dark, approximately at 9 p.m., and early arrivals at the Tam golf course site on Howard, east of Caldwell, will hear the music of St. John Brebeuf orchestra, directed by Sister Mary Lolita Lange.

Sister Lolita, instrumental director of St. John Brebeuf School in Niles, has been presented with the Steinway Silver Tray Award and is the author of school texts, "Listening Adventures," and composer of children's songs and cantatas.

Niles VFW Post 3579 members will be the Color Guard and the Rev. Douglas Sleen of Niles Community Church will give the invocation preceding the fireworks.

More details on this gigantic night will be forthcoming in future issues; however, a something "different" will also take place this year in the Legion Home following the Fireworks Display. For those over 21, a Holiday Dance will take place, Admission is only a car ticket purchased on the grounds that night (they will be specially numbered and marked) for either the Morton Grove Days or the Legion carnival grand prizes. Mike Dell's Orchestra will play for dancing pleasure at the Legion Memorial Home, and as an added attraction he will present a patriotic and

There will be no admission charge to the fireworks event, and parking is free. Harcourt, Brace and World, Inc., and Salerno-McGraw Biscuit Co. will donate the use of their parking facilities for the occasion.

Niles business men and industrialists, members of the Chamber of Commerce, are making it possible for residents to view a pyrotechnic display within the limits of their own home town.

Abandoned autos left in Lawrencewood Shopping Center will be towed away to Niles Auto pond and Center owner Krillich will be billed for the towing. It was reported Krillich ignored requests for removal of the autos so Blase ordered them towed away saying, "He'll (Krillich) pay for them!"

Nick Bavaro, son of Mr. and Mrs. Todd Bavaro, was named the 2nd Youth of The Month. Youth Commissioner Bill Stirling listed Bavaro's many activities in the community which resulted in the honor. A few of the activities include being former president of the Niles Youth Commission, Niles Days float chairman, co-chairman of the March of Dimes, actor in high school musicals at Maine High, Niles North and a parochial high school, chairman of the paper drive, as well as activities as altar boy and class vice president at St. John Brebeuf, a member of the Human Relations Board, and working with the Niles Lions club, in addition to many other activities.

Trustee Pete Pesole reported a talk with businessmen of Milwaukee ave. may lead to the paving of the alley behind the stores on the east side of Milwaukee ave., north of Oakton, with eventual lighting and drainage.

Only Peck opposed approval of a 3 lot subdivision for realtor Beaulieu, at Stolting and Western, considering an entire plan of the area should be considered before a decision is made.
