## Lions Elect New Officers

On Friday, June 7, in Bunker Hill Country club, 6635 Milwaukee, Niles, the Lions club of Niles held their 16th annual installation of officers who will serve during the fiscal year 1970-71. A cocktail hour was held from 7 to 8 p.m. All past presidents and their wives served as official greeters to the guest and upon arrival the ladies were greeted by one of the club's past presidents while the men were welcomed by a wife of a past president and then escorted by them to the Blue room where hors d'oeuvres were being served. Dinner was served in the main dining room at 8 p.m., followed with the installation ceremonies. Past president Rudolph Hill, 7608 Niles, was chairman for the evening and presented past district Governor Angie Marcheschi, 7943 Niles, Niles, as speaker. Lion Marcheschi delivered a stirring talk on the progress of the Lions club of Niles of which he is a past president and explained the club's ways and means of assisting the blind and the handicapped. Governor "Angie" then introduced outgoing president Todd Bavaro, 7139 Breen, Niles, who delivered his parting message of thanks and appreciation to all those officers and members who were instrumental in making his year as president a very successful one. Lion John Balbo, past International Director, was then introduced as the installing officer. The following newly elected officers were duly sworn in and installed in their

## Marathon Participants Have Busy Week

The actual playing of the Niles Youth Congress/Niles Park District Girl's Softball Marathon may be over, but this week there was still a flurry of activity associated with the 51 hours for PEACE.

Wednesday morning, June 25, the originators of the Marathon, Pam Beusse, 8340 N. Octavia, Niles; Carol Hlava, 7105 W. Cleveland, Niles; and Philis DeRee, 7338 Lee St., Niles, along with Mrs. Dee Hlava,

Youth Commission Chairman of the Girl's Softball League and Mrs. Barbara Morris, Secretary of the Niles Youth Commission traveled to Great Lakes Naval Hospital. Through the assistance and generosity of TownHouse TV, one of the sponsors of the Girl's Softball League, portable television sets were presented to the hospital for use by their patients.

Thursday, June 26, Niles Mayor Nicholas B. Blase, hosted a "Thank You" picnic for all the players and workers who participated in the Marathon, and a day or thank you it was. Special thanks go to J. Ehli and son Company for the use of their O'Shanter Country Club where the picnic was held, to Booby's and Harczak's for all the food and to all the people who helped to prepare it at the picnic. And a very special thank you to the weather which cooperated so nicely with a very beautiful day.

### Dist. 63 Music Ass'n. Officers

The new officers of District 63 Music Association are Mrs. Donald Freshman, President; Mrs. Frank Koh, Vice President; Mrs. Berthice Abrams, Treasurer; and Mrs. Leonard Parker, Secretary. This is a brand new organization for the purpose of "boosting" music in the District in any way.

### Tree Maintenance

Many Niles residents are finding out that trees need upkeep and maintenance care like automobiles and houses require.

The Niles Public Works Department has prepared a list of recommendations for procedure to follow for various diseases and insects which may be harming your trees. The information was obtained from the State of Illinois Department of Agriculture. Residents should contact a nurseryman or a garden supply store for exact directions for applying chemicals.

**OAK - Chlorosis** - Leaves turning yellow indicating iron deficiency in soil. Iron in powder form can be applied.

**DUTCH ELM DISEASE** - No permanent cure found. Methoxychlor can be sprayed in spring.

**WETWOOD DISEASE** - Attacks Elm, Maple and Ash Trees. Sap coming from tree. Fermented sap, not needed by the tree, drips off. Copper drain tubes should be installed in tree trunk at two locations permanently so that sap can run out.

**MAPLE - Cottony Maple Scale** Spray tree in summer with mixture of Malathion and Sevin. During dormant season, spray with Dormant Oil Emulsion as directed on label by manufacturer.

**CATERPILLERS** - Feeding on foliage. Lead Arsenate should be applied to tree with instructions from a garden supply store.

**BOX ELDER BUGS** - Drench tree trunks and building foundations with Diselardin or Sevin as bugs congregate.

**Sycamore - Anthracnose** - Disease affecting twigs, trunks, crowns and roots. Spray tree in spring with Organic Mercury compound or Puratized Agricultural spray.

**Nursing Graduate**

Peggy Reckert, daughter of Mr. and Mrs. Bernard Reckert, 7400 W. Lawler, Niles, graduated from the Michael Reese Hospital School of Nursing, 2816 S. Ellis Ave., Chicago, on Sunday, June 28.

She was among 70 graduates who received diplomas from the nationally accredited nursing school's ceremonies held in Grover N. Hermann Hall at the Illinois Institute of Technology on Chicago's South Side. Completion of the three-year program qualifies her to begin a professional nursing career in any specialty of her choice.

### Candidate

Nineteen Air Force ROTC cadets at Southern Illinois University who are candidates for appointment as second lieutenants in the U.S. Air Force include Walter R. Schirrich of 8041 N. Octavia.

The candidates will be sworn in as officers at a ceremony at 10 a.m., June 20 in the Morris Library auditorium. Colonel Edward C. Murphy, commander of the detachment, will give the oath to the cadets. All candidates have completed their regular academic work for a bachelor's degree and the four-year prescribed program in the campus ROTC.

### Awarded Degree

Illinois Wesleyan University awarded degrees to 309 students at its 111th Commencement, Sunday, June 7. Dr. Robert S. Eckley, president of the university, awarded the degrees to the graduates who included Linda Susan Culver, 3206 Ozeman, Niles, Bachelor of Science in Nursing.

INDEPENDENCE DAY - 1970

To: ALL OUR READERS AND CUSTOMERS

We owe many debts that can never be paid to the patriots who made the signing of the DECLARATION of INDEPENDENCE possible... This led to a way of life the world never thought possible... A new nation conceived in Liberty and dedicated to the proposition that all men are created Free and Equal... This meant that each man was free to pursue his chosen profession... It created competition and this in turn brought a new and better life for all.

Through competition (which a free society encourages), and the desire to see the other side of the hill, we have now beaten diseases that 30 short years ago took millions of lives the world over every year.

Although we as a nation will not be 200 years old for another 6 years, we lead the world in medical research. All this because 194 years ago our heritage, the right to Live and Think Free was signed into being by those great Patriots.

SHOULDN'T WE BE PROUD TO BE AMERICANS?

The employees of:

pitching by the Lions Kowalski, Palcheck and Menich. Mark Kowalski had the big bat for the Lions.

In a cliff hanger the Eagles took the Angels 3 to 2. Angels got the hits but couldn't put enough together to beat the Eagles.

The Niles Lions played good defensive baseball, hit good and won their 3rd in a row. Lions 10, Pirates 1.

Niles Lions really came out roaring to give the Wildcats their first defeat 8 to 4. Pitching for the Lions was Mark Kowalski, Tony Palcheck and Mark Menich. Ron Vetter blasted a triple.

## Little League National

Games reported thru June 26

Team	W	L	T
Cubs	11	1	0
Jets	8	2	1
Yankees	8	2	1
Cardinals	6	5	0
Colts	6	5	1
Padres	6	6	0
Dodgers	5	6	1
White Sox	5	7	0
Cougars	4	8	0
Mets	2	7	2
Braves	0	12	0

The Cubs swept two games to jump from 6th place to 2nd, only 4 points behind the league leading Pirates. Rain curtailed much of the action as only 8 games were reported when we went to press. The Pirates were idle and unable to add to their lead.

Both Cub victories were well earned as they pulverized the Giants, 14 to 3, and shut out the tough Colts, 5 to 0. Blahnik picked up both wins for the Cubs and was virtually untouchable. Busse and Allbone got credit for the saves.

In other developments, the Astros moved from 5th place to 3rd with a win over the Cardinals, 4 to 0, as Mack and Ferguson hurled brilliantly to gain the shutout. In a tight defensive game, they were held to a 2 to 2 tie by the Phillies, and in the other game reported for the Astros, they fell to the improving Braves, 4 to 3. The Braves were credited with 2 wins during the week. Their other one was a 5 to 3 squeaker over the Phillies. The Redlegs whipped the Giants, 8 to 4, and the Mets, 5 to 0, to round out the action.

And we will also dance to the music of Nick Nocchi and his orchestra.

Prizes will be awarded to the best float and bikes. Our clowns will conduct games for all ages.

The internationally popular ensemble, Sergio Mendes and Brasil '66, will open a six-day engagement on Tuesday, July 7 through Sunday, July 12 in the Mill Run Theater at Niles.

A native of Brazil, Mendes came to this country in 1965 and immediately made his presence felt on the music scene. The reason Brasil '66 is still box office success in '70 is that the four-men two-girl entertainment unit have covered a lot of ground both geographically and musically. Besides playing to SRO audiences in Europe, the Orient, and North and South America, Sergio Mendes and Brasil '66 have played virtually at every night club, concert hall, and college campus in the U.S., and have appeared on nearly every top-rated television variety show, not to mention their four gold records.

The Mendes artistry is not comparable with any other performer. The unique and infectious sound of Brasil '66 has been described by one music critic as a "pop hybrid of pianistic jazz subtle Latin nuances, Lennon and McCartneyisms, Mancini, Bacharach, cool down-down minor chords and danceable up-up beats".

NOW PLAYING AT GOLF MILL THEATER

GOOD GRIEF, look who's in the movies now! Charlie Brown and fuss-budget Lucy and the rest of the world-famous "Peanuts" characters created by Charles M. Schulz cavort on the big screen in their first motion picture, Cinema Center Films' "A Boy Named Charlie Brown". The National General Pictures release was written by Schulz with special songs by Rod McKuen.

### Music Theatre to Present "Man of La Mancha"

Hoping to repeat the success of last year's *Half A Sixpence* and the previous year's *West Side Story*, the Morton Grove Music Theatre has begun its production of the smash musical *Man of La Mancha* by casting the best of local talent in the play's 22 roles.

Playing the key role of Don Quixote will be Al Richman of Northbrook. Irwin Goethel of Skokie will play the role of Sancho, Don Quixote's servant and follower. The part of Aldonza will be played by Julie Mellow of Skokie.

The musical, which won the New York Drama Critics Award in 1965, tells the story of Miguel de Cervantes, a soldier, playwright, actor, tax-collector and frequent jailbird, who was the creator of the characters Don Quixote and Sancho. During one of his stays in jail, Cervantes acts out some of Don Quixote's adventures for his fellow prisoners.

Once again directing for the Music Theatre is Mrs. Ethel Libkin of Morton Grove.

Other characters in the play include the Innkeeper, played by Donald Cherney of Chicago, Dr. Carrasco, played by Jonathan Rest of Skokie, the Padre, played by Wayne Slet of Lincolnwood, and the Barber, played by Richard Edelman of Niles.
