By Bud Besser

It's summertime and the livin' is easy... and it's time to renew out "places to go and things to see" on a lazy summer's afternoon or evening.

Last Saturday night, with Ozanam-Monroe classmates of '53, Lorraine and Med Greenwald, we went down to New Town, which is a couple of miles north of Old Town, on Lincoln Avenue.

Starting at Wrightwood Avenue (2600 North) we visited Alice's Revisited, a week-end off-spring of Alice's Restaurant, which left the scene last Fall. Alice's is still getting itself together in an old storefront which is dark and dreary but jumping with the young "in" people. Being a "square" middle-ager, and a very "straight" suburbanite, we paid our buck and ogled at the very polite younger people who were doing their thing. Their "thing" was in the back of the store in the Joe Hill Memorial Pump Room which had a "concert" by the Little Mac Blues Band and a folk guitarist. It also had a camera set up which contemplated showing a Chaplin, Fields or Marx movie.

Crammed on the floor and around tables were perhaps 150 young people enjoying the music of their generation. When the spirit moved them several got up and did their thing, dancing to the music, and singing and joining in with the singer.

In the front of the store second hand books, Movement papers and clothes are available. Wading thru the crowd coffee and soft drinks are sold in mid-store.

Since we don't understand it we can't explain what it's all about. Wearing straight clothes, and 45 years makes you somewhat conspicuous. But if you want a small taste of what it's all about with a young segment of the 70's we think Alice's Revisited is the real thing.

Alice's is sponsored by the North Side Co-Operative Ministry and is a non-profit corporation.

It's not likely you'll spend much time there. When you move out, a walk south on Lincoln is most interesting. Shops with sculpture and artifacts line the avenue. One incense-filled shop was selling the fringed clothing, the multi-colored tee shirts, the purses and other "in" clothing for these "in" people.

Along the walk you'll pass the Kingston Mines, which has a modern theatre production, The Day That Boston Won The Pennant. Down the street the Organic Theatre is presenting Homer's "Odyssey."

In the 2200-2300 block on the east side of Lincoln beer drinkers can lap it up at John Barleycorn and at the Oxford Pub. The Pub

PARK DISTRICT BUDGET UP 20%

Niles Park Board approved a whopping \$608,507 appropriation Tuesday. While it is difficult to compare last year's appropriation with this year's, because of the many new additions to this year's bill, a fair estimate of the percentage increase from last year would be about 20%.

Based on the total amount of money to be raised by taxes this year's appropriation is for \$407,707 with the additional \$200,800 to be received from pool and ice rink fees, as well as golf course fees and "charges and rentals" in other park activities.

The very optimistic appropriation assumes the park district will be operating a golf course (9 holes) in the Tam O'Shanter area during the coming fiscal year. While park officials have reported the Tam plans have almost been agreed upon, no word has come as to the finalization of such plans. The appropriation for the operation of the golf course was placed at \$65,060 which officials said would come mostly from fees.

The long-delayed park pool and ice rink in the Ballard Park area are also included in the upcoming year's appropriation. A figure of \$77,350 is the appropriation for the ice rink, mostly which is expected to come from fees. A total appropriation of \$58,400 is also for 2 swimming pools, again mostly to be paid for by fees. Newly-hired architect Jack Barclay told the Board Tuesday night a swimming pool would be ready for next summer's program and an outside facility will be available for this winter.

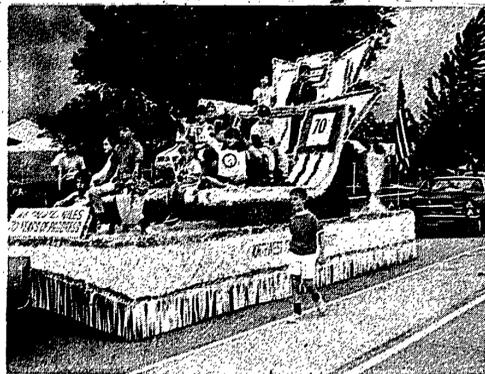

One problem which was discussed was an intended street which would extend Ballard Road back to Washington St. The Village of Niles believes the street is needed for fire safety factors for the residents there and the placing of the street is one of the problems. The second problem concerns the shape of the shopping center building. The inability of ironing out this problem has placed it in its present position.

LETTERS TO THE EDITOR

Major Uptown Food Collection Sunday

Dear Editor: Food is a four letter word that most of us in Suburbia take for granted. We can find it in the dictionary or the kitchen as our needs may be. Food to the poor people or Uptown, an area in the Northeast side of Chicago, is an eight letter word that spells: SURVIVAL. These Southern Whites and American Indians face a desperate struggle for food every day but they will accept food from their own community organizations. Those that lost the struggle become a chilling statistic. The men of the community mostly work as day laborers who receive their pay each day. The pay rates are usually \$1.50 per hour. Inclement weather or simply lack of work often means there are no funds for food or rent. These are the days when a loaf of bread or bottle of milk are so important. Far too often there is none, not even for the children.

The Uptown Peoples Coalition, Sen. Robert Cherry's Food Basket Drive, American Indian Culture Center, and the Urban Progress Center supply food, money and clothing to these people on an emergency basis. There are absolutely no barriers or requirements necessary to receive free food. The local organizations receive support from local Chicago Churches and Synagogues. The summer with vacations, weekend trips and the heat have combined to substantially reduce the amount of food available. The truck strike and recession have combined to put most of the day laborers out of work. The total picture is one of reduced supplies of food with tremendous increase in the number of people who need food to live. The Churches and Synagogues in Niles have held food collections for the past 2 weeks. Over 3,000 pounds of food was delivered on the past two Sundays. While this was substantial, it hardly made a dent in the problem. We have invited 51 Churches and Synagogues in Park Ridge, Des Plaines, Niles, Morton Grove and Skokie to hold food collections on Sunday, July 26. Fifteen supermarkets have agreed to donate

No Parade Politicking, Please

To The Editor: We're standing on the corner watching the Niles Days Parade with our kids. Gee! Here comes the color guard! Listen to the marching bands, look at the floats, the Flying Carpets, the floats, Golly! Here comes a group of people in old fashioned attire...really doing their bit for the Village of Niles. The Fire Department, the Women's Police Auxiliary, the Cub Scouts and their hard working and their dedicated leaders, the K.C.'s and the N.W.J.A. Society, the Niles Park District, the homeowner's associations, the Baseball Leagues, the American flags, the banners...even some of the merchants, being commercial enterprises, show

their gratitude by participating in our parade to make it a finer one. But...wait a minute! What kind of float is this? Political Literature being handed out to our kids? Political gimmicks tossed into the crowd? We thought this was a Village of Niles Parade...Does this mean that next year it will stop being a village project? Will the pride of seeing your friends, acquaintances, benevolent societies, church groups, and even the United States Navy and Marine Corps, and the guy or girl that lives across the street from you be spoiled by the fact that also, at this traditional time of the year, it's going to turn into a means of furthering a political candidate? Dear Parade Marshall...were you so desperate for units or...don't you feel that Niles functions are for Niles...or are they to become just another means of political exposure for any particular political party. Let's, please, keep Niles Days a community project we can be proud of...let's try and remember that there is NO place in the Village of Niles for party politics!!

Sincerely,
Chester and Phyllis Peterson

Golf Road Widening A Hazard

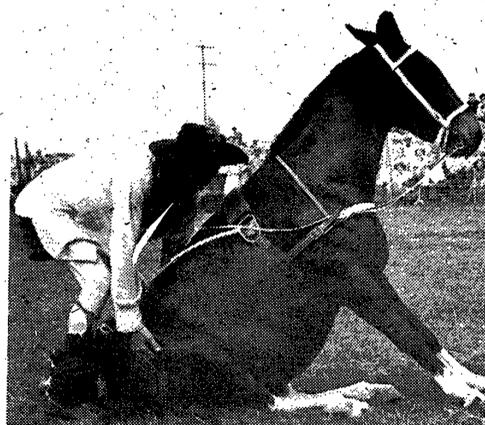

Dear Editor: Below is a copy of a letter I have sent to Mr. G. T. March who is the District Engineer, Illinois Division of Highways. Dear Mr. March: I would like to comment on the proposed improvement of Illinois Route 58. The highway is already a dangerous highway and is not safe to live by or travel on. Going back to 1956, there were several dozen accidents at the Sherman and Golf intersection in one month. The stop lights installed have cut the accidents down but the danger is still there. The noise from the cars, trying to stop can drive a person out of their mind (living on the corner.) The pollution from this highway has ruined our aluminum siding on our house, garbage all over the lawn, bushes knocked down from cars losing control on 3 different occasions, cars on the lawn 3 ft. from our home, etc. These are some of the reasons I think widening this highway will be more dangerous. It will bring more traffic and more discomfort to the many people in this area. We pay a great deal of taxes for our property and are not able to even sit outside and enjoy it. Our property already is at a partial loss to us and now you'd like to make it a complete loss. Our property insurance is bound to be increased with this proposal. The highway has already cost us plenty in property damage. Who is going to pay the premiums for this risk to our property? The insurance in this state is another problem. Many of these cars had no insurance when they damaged our property. There should be a state law requiring all cars to be insured. I'm asking you to please look at the facts first. Give the people of this area a break and reconsider.

Sincerely,
Mrs. H. Jaffe

Jr. Miss Visits Village Board

The newly crowned 1971 Niles Junior Miss, Patricia Ann Fornall, of 8200 Oleander, is shown with the Village officials at a recent board meeting. The lovely Miss Fornall who attend Maine East High school was selected over 10 other contestants and later this year will represent the Village of Niles in the Illinois State Pageant. Niles in the Illinois State Pageant. Shown with the 1971 Junior Miss are (l. to r.) Trustees Ed Berkowsky, Keith Peck, Mayor Nicholas Blase, Trustees Angelo Marcheschi, Peter Besole, Richard Gruenwald and Village Attorney Richard Troy. Seated is Village Clerk Frank C. Wagner, Jr., who was chairman of this year's Niles Junior Miss Pageant.

Donkey Baseball

Jim Bim, the trick mule with Duell's Dandy Donkeys will appear at the Donkey Baseball Game in Herrer Park in Morton Grove under the auspices of the Diamond Jubilee Committee and the co-sponsorship of the Little League and the Morton Grove Legion Baseball for Boys on Sunday, July 26. Bim does a variety of unique and snappy tricks. Some accurate, while others just the reverse of what one might expect next. He is the opposite cross of a regular mule and what is known as a Hinney Mule. His mother being a Donkey and the father a spotted shetland pony. He is predominately black in color with white bobby sox and a short white tail. Believed to be the only one of such color type in the world, Bimbo also takes a very active part in Donkey Baseball competition. His act plus two novelty donkey races will be presented to begin the program. Don't miss this feature attraction of the season.

McGee Outlines Plans for New Post Office

Plans for a new Niles Branch post office, Chicago, Illinois 60649, were announced by Postmaster Henry W. McGee. "President Nixon wants the American people to have the best postal service in the world, and new buildings such as this will help us to realize that goal," said Mr. McGee. This project is but one facet of the Nixon Administration's program to completely modernize the postal service. This building will, in the long run, save money for the American taxpayers because it will enable us to operate more efficiently. A 74,757 square foot site will be sought for the new building. The site will be selected for its convenience to the public and for its operational advantages to the postal service. The new building is to provide 19,352 square feet of interior space, plus 2,850 square feet of platform area. There will

Berkowsky Testimonial Friday Nite

On Friday evening, July 24, one of the Village officials of Niles, Trustee Edward Berkowsky, will be honored at a testimonial dinner. Trustee Berkowsky, who has served the Village of Niles for over 7 years is leaving the community. The Testimonial Dinner Dance will be held at Przybilo's Polonaise, 6839 Milwaukee ave. and will begin with a social hour at 6 p.m., and dinner at 7 p.m. His many friends who wish to pay tribute to this civic minded gentleman may obtain tickets at the door or by contacting anyone on the Edward Berkowsky Testimonial committee: Diane Hinson, 825-6471, Ben Mankowsky, 967-6100, Russ McAndrew, 967-6843 and Frank C. Wagner, Jr., 647-8433.

Carnival Chairman Releases Names of Winners

Morton Grove Post #134, American Legion past commander Francis Selzer, carnival chairman of the Post's 4 day Krazy Daze carnival has issued a profound thank you to all the villagers who were in attendance for their complete participation in this annual fundraising event. Even the weatherman cooperated. Complete financial report will be issued later. Selzer, 8931 Mansfield, also indicated he has some items found on the grounds, such as keys, etc. To redeem lost articles, he may be reached at 966-8154. In concluding his thank you for the public making this one of the greatest and most successful carnivals in Post history, the over-all chairman has released the names of the \$25,000 nightly savings bond winners. Their names were selected from the tickets turned in after receipt in a letter from retiring commander Al Nehart. Thursday's winner was Jack Bile. The other three nights respectively were B. Dewey, William Schellin and Grover Bleasman. And lastly, the names of the grand prize winners have also been announced. Electing to take the car as his choice for first prize was John Greytak of 8410 Le Moine in Chicago. It will be purchased for him from Montgomery Oldsmobile when the 1971 Delta "88"'s are available. Second place, a GE portable tv was awarded to Mrs. R. Trout of 10 Lanser in Marquette, Mich. And the bicycle, donated by Tuffy's Hobby Shop in Morton Grove, was awarded to Patricia Jen, 8931. Shermer, Morton Grove.

Oakton Rated 'A'; Curricula Approved

Oakton Community College's applications for curricula in Liberal Arts, General Science, Pre-Engineering, and General Business/Business Administration have been approved by the Illinois Board of Higher Education, William A. Koehnline, college president, announced today (July 17, 1970).

Applications in these four curricular areas were approved at the July meeting of the Illinois Board of Higher Education.

It is anticipated that Oakton Community College will be given an "A" rating in the 1971 edition of Report of Credit Given by Educational Institutions, William Koehnline, college president, announced recently. This would make Oakton eligible for membership in the American Association of Collegiate Registrars and Admissions Officers.

"Receiving an 'A' rating," Koehnline said, "means that AACRAO recommends to member institutions that they accept college credit on transfer from students from that institution."

WALK-THRU ANGINA Medical journals say exercise conditions the heart and helps in preventing early senescence. It is added to the treatment of angina pectoris, poor circulation and hypertension. Of late, much is heard about "Walk-Thru-Angina." Researchers report on the beneficial effects of progressive exercise for relieving heart pain and improving EKG's.

The angina victim starts by trying to walk a mile in 25 minutes, 3 times a day. If chest pain develops he stops, then continues at a more leisurely pace until pain subsides. When able to walk one mile in 25 minutes, some increase the pace and may include jogging in order to cover the distance in 9 to 11 minutes. Jogging is strenuous and should be replaced by walking when shortness of breath or fatigue develops.

Golf-Maine Park Dist. Bike Parade

The Golf Maine Park District held its first July 4 Bike Parade this year. The key work was "success." An unexpected crowd showed up at the end of the route to get balloon dogs, "wiener dogs" and balloon mice from clown Mark Tauber. Also at the end of the route were the judges with their decisions as to the best entries in each division.

Mr. and Mrs. Barry Dunne, Mrs. Mort Kalin and Helene Helford cast the votes for winners in the areas of Best Family Entries, Best Dressed Rider, Best Design Bike, Best Single Entry, and Funniest Rider. And the winners were, for the family division - Kathleen, Sue Ellen, Nick, Romaine and Mr. and Mrs. Korba, riding as a Family Circus, with "barker," "bearded lady," "clown," "tightrope walker" and "lion tamer." J.C. Vanderrest, Best Dressed Rider was quite dapper in his red and white striped jacket, white shoes, white pants and straw hat - the blue bicycle finished off the very patriotic scene.

Debbie Glick's father is an expert window trimmer, but Debbie decorated her own this time for the Best Designed Bike. Giant paper flowers and ribbon made the neighborhood sparkle as Debbie rode by.

Head car driver was "Turk" Glazebrook, and bringing up the rear was Marty Katzenberger. Next year could top this year's with more entries, but this year's success was based on quality, not quantity.

Svithiod Day Outing

James E. Peterson (c.), Deputy Cook County Treasurer and Republican Candidate for Treasurer, gets a lesson in Swedish folk dancing at the recent Illinois Svithiod Day Outing in Morton Grove. Peterson, whose father came from Sweden, was one of the distinguished public figures to share a day of native food, fun, and folklore with the over 800 Swedish-Americans at the annual outing.

Persons praised the work of the Svithiod Committee who were responsible for the day's highly successful festivities. Proceeds from the day's activities will help support the senior citizens at the Swedish Retirement Home in Evanston and the Swedish Nursing Home in Niles. Shown above are (l. to r.) Herbert Arnolds, candidate for State Senator in the 10th District; Eva Svendahl; Deputy Treasurer James E. Peterson; Sharon Nicely; and (seated) Oliver Sandquist, Chairman of the annual Svithiod Day Outing Committee.

Gala 70 Hospital Benefit July 25

Featured entertainment at Gala 70, the fifth annual benefit for Lutheran General hospital, Park Ridge, is songstress Jeanne Steel, comedian-impressionist Max Cooper, organist Christine Gentry and Norm Krone and his orchestra.

The benefit will be held at 6:30 p.m. Saturday, July 25 at the Marriott Motor Hotel. Proceeds from the benefit will purchase newly developed equipment for patients suffering from shock. Jeanne Steel has entertained at conventions of every major product and industry and is now performing in night clubs. She has appeared with such celebrities as Bob Hope, Jackie Gleason and George Gobel. She was recently praised by Variety Magazine for her dramatic handling of Aquarius and solid delivery of "The Look of Love," "Windmills of Your Mind," and "I'll Never Fall in Love."

Before entertaining at conventions she was a member of the Fred Waring Chorale. She spent three seasons as his pop soloist, recording with his orchestra for Capitol. Miss Steel also sang at the White House three times entertaining President Eisenhower, Queen Elizabeth and Prince Philip and Nikita Khrushchev.

Max Cooper blends social comments and humor into impressions of dozens of personalities. He has appeared at the College Inn and Sherman House in Chicago. Cooper has also appeared in night clubs from Hawaii to Canada.

Christine Gentry has been called "The Toast of the South" on the electric organ and has captivated audiences nationwide. Her appearance with Florence Henderson in Las Vegas resulted in a return engagement. She has also been a musical feature in some of the largest conventions in the country.

Norm Krone and his orchestra, one of Chicago's top show and dance bands, have appeared at the Conrad Hilton, Palmer House, Blackstone Hotel and Sherman House.

Tickets for Gala 70 are \$30 per person. Reservations can be made from the hospital. The benefit is sponsored by the Service League, the Medical Staff and Men's Association.

Day Campers Enjoy Activities

The Golf Maine Park District Day Camp for 5 and 6 year olds enjoyed Circus Week, on July 13 to the 17 at Mark Twain school. Counselors Helene Helford and Lynda Grasse have announced "The Carnival" is soon to come. Kids dressed as clowns, horse-riders, and acro-

bats and animals, will compete for prizes. Categories will include biggest feet, longest pony-tails and other unique divisions.

A trip to Sportsman's Park race-track was taken on Friday, July 17. The children saw how horses are trained, groomed and cared for.

Harlem Ave. Widening Underway

Cook County Board President George W. Dunne recently announced that 24 trees scheduled for removal in conjunction with the widening of Harlem ave. in Niles will be saved due to the initiative of Cook County Highway Department engineers.

Twenty seven trees located on the east side of Harlem ave. north of Howard st., were situated just at the site where a new storm sewer was to have been built, according to original design plans. However, Superintendent of Highways, Thomas G. Cots and Supervising Engineer Dan Cohen, with the assistance of other department design engineers were able to develop a new and customized plan to relocate the sewer and thereby save at least 24 of the trees.

"It has always been our policy, whenever it is possible," Dunne commented, "to pay close attention to the conservation and

preservation of our natural resources while at the same time modernizing and improving the County network of roads. The twenty four trees which were saved by the extra concern and ingenuity of our highway planners are a good illustration of how conservation is a first and foremost consideration in our road improvement program."

Construction on the project, which will widen Harlem ave. from Howard st. to Oakton st. to four lanes with a median, began Monday, July 20. The road will be closed to all through traffic, although local traffic will be allowed continued access.

Northbound traffic will be required to use Milwaukee ave. to Oakton st. and then back to Harlem ave. Southbound traffic will follow this route in reverse. The project is scheduled to be completed by the end of the year.

Legion Says Farewell to Klein

For his "outstanding service as Post #134 Judge advocate for so many years", the Morton Grove Post 134 of the American Legion hosted a farewell party for former village trustee Carl Klein, 1, and retiring post commander Al Nehart presented him with the beautifully inscribed plaque bearing that inscription. Klein left June 29 for San Diego where he will be assigned to the Marine Corps Judge Advocate Office for 4 years as a Lt. Colonel.

On hand to help him remember his days in Morton Grove were village officials, Klein and his charming Peggy are seen reading the card that accompanied the lovely gift from the village board as a token of their appreciation.

As a further memento, the Village's 75th Diamond Jubilee committee also gave Klein a sample of the souvenirs they have available to commemorate this event of Morton Grove.

Jubilee Hobby-Craft Show Aug. 9

Teens, senior citizens and those in between who have some hobby or craft they would like to exhibit are cordially invited to register for the Diamond Jubilee Hobby-Craft Show to be held Sunday, Aug. 9.

Morton Grove non-professionals only are eligible. The exhibitors are asked to either phone their registration or identify themselves by letter to the Diamond Jubilee Post Office Box, #175 at Morton Grove. Information required is what kind of hobby or craft they have, their name, address, age and phone number.

Ellen Schmidt, 9605 Marion, may be reached at 967-8915, for more information or Ruth Hanson, 965-3348, will also supply necessary details. The pair will be assisted by Louise Rossman.

Here is a chance to display your talents - no matter what your age. Another forthcoming Jubilee event is the Woman's club Birthday Ball. The dance is to be held at the American Legion Home on Saturday, Aug. 1, 9 p.m. will find couples converging to celebrate the village's 75th birthday. Mrs. Robert Meyers, 9127 Menard, is chairman. Call YO 5-4774 for tickets at only \$5.00 per couple.

The Township Officials Association of Illinois this week hailed the signing by Governor Olive of the township budget and levy bills passed by the recent special session of the Illinois General Assembly. Troy A. Kost, explained that the two township bills passed place more than 1400 township governmental units in 85 Illinois counties under provisions of the state budgetary law for the first time.

John Nimrod added that township government should be a non-partisan or bi-partisan matter because it provides all the people with services available from no other government economically and efficiently, and because both parties are amply represented among the more than 10,000 township officials in the state.

Study Consumer Fraud Ordinance

Anton Smigiel (l.), the Chief Judge of the third Municipal District of the Circuit Court of Cook County and college instructor Thomas Flynn (r.), inspect the recently passed Niles Consumer Fraud Ordinance with Village Clerk Frank C. Wagner, Jr. This newly formed division of the Village, working with the Attorney General's office, officially opened its doors on July 11, 1970, in the Police building, 7200 Waukegan rd.

The development of the local Niles Consumer Fraud Bureau was the result of a discussion between Thomas Flynn and Village Clerk Frank C. Wagner, Jr. Mr. Flynn conducted a research program where he obtained material from many consumer fraud offices in the country, including information from Mrs. Bess Meyerson (former Miss America) who is the director of the consumer fraud office in New York City. Encouragement and official assistance was also supplied by the president's adviser on consumer affairs, Mrs. Virginia Knudson.

After analyzing the material from other cities the creation of a Consumer Fraud office in the Village of Niles was presented to Mayor Nicholas Blase and the Board of Trustees. They in turn authorized the Village attorney to prepare a Local Ordinance. On June 9, 1970 the Village Board of Trustees passed such an ordinance.

The Village of Niles Consumer Fraud Office is open every Saturday morning from 9 a.m. until 12 noon. Material on consumer education is available free of charge and may be obtained in the Village Clerk's office, 7200 Waukegan rd., or by calling 647-8433.

CLEAN BEAUTY

LAST week we discussed normal and oily skin and how to care for them to have a clean beautiful skin. Today we'll continue with dry and combination skin.

DRY SKIN is the most prevalent problem for anyone after the age of twenty. Sun bathing doesn't help your condition either. To help put moisture back in to your skin try a sauna several times a week. A mild soap or cleanser is best and be sure to use lots of bath oils. A moisturizer should be used under all make-up and before retiring.

COMBINATION SKIN the twin problem needs the treatment of two different skin types. Clean your face with mild soap. Use an astringent on the oily areas and a moisturizer for the dry skin sections.

Take time out for beauty and you'll be rewarded. Birchway Drugs is waiting to help you with any of the beauty problems you may have. Expert advice can be found at Birchway Drugs at 7503 Milwaukee Ave. in Niles.

Public Works Pick-Up Service

The Niles Public Works Department offers Niles residents a pick-up of bulky household items twice each month if they call 647-8565 before their specific day. Zone 1 - East of Olcott (7499 west) north of Oakton and all streets south of Oakton - first and third Friday of each month. Zone 2 - Olcott north of Oakton and all streets west of 7500 - second and fourth Friday of each month.

PICK-UP RULES
1. All calls requesting a special pick-up should be placed between 8 a.m. and 4 p.m. - Monday thru Thursday. NO CALLS accepted on Friday.
2. Items have to be at the curb by 6 a.m. We can not pick up from dead-end alleys.
3. Pick-up includes furniture, hot water tanks, appliances, household articles and large tree branches.

4. Please specify what articles will be discarded and if there will be branches included in your pick-up, because branches are picked up by a separate truck.
5. Tree branches must be cut in 5 foot lengths and piled one way.
6. Tree stumps and trunks must be cut in 3 foot lengths and 1 foot in diameter.
7. Refrigerators must have the doors taken off.

8. Wood, concrete, paneling, sod, dirt, clay, plaster, sheds, roofing, fence, tile, gutters, any construction or remodeling materials must be disposed of at the occupant's own expense thru a private scavenger. Please do not call for these items because the pick-up is for household items only.

9. Leaves and grass must be put out with the regular weekly food garbage pick-up, in bushel baskets, 20-gallon garbage cans or plastic bags and placed at the curb by 6 a.m. on your scheduled garbage day.

10. We ask that residents do not abuse this pick-up service. Please cut out the above list of rules so that you have it for future reference.

has imported Guinness, for old GI's who used to imbibe a few bittered in England during the early forties. A hamburger or a steak sandwich can top off an interesting evening in the Pub, which seems to be one of the "in" places for those who aren't considered "straight."

If you've got an odd 7 bucks, and would like a different kind of a Friday night dinner, take yourself over to the 71 Club patio on the 39th floor of the Executive House on Wacker Drive. They're having a clambake on a rooftop, and it's fun and it's different and it ain't like any beach clambake you may have been to in past years. To begin with viewing the speckled city from outdoors 39 floors high is a bit dazzling in itself.

If you're wearing your appetite you'll be teeth-deep in lobster, clams, shrimp, corn-on-the-cob and yams. Dressed as Buccaneers, Executive Chef Enrico Kintrich and his assistant will be steaming your order in individual wire baskets, a one pound lobster, a couple of cherry stone clams, 2 or 3 large shrimps in the shell, a yam and fresh sweet corn. On the tables warm cornbread, with loads of sweet butter, are included along with red linens, candle-light and the much needed protective bibs.

While the 71 Club is a private club at luncheon time it is open to the public in the evening.

Both the Lincoln Avenue tour and the 71 Club dinner are different and fun places to go. While Lincoln Avenue won't be everyone's cup of tea the soiree at the 71 Club is a bit of elegance which even we "square" suburbanites can enjoy. And if the younger people care to pay the fare we're sure they'll enjoy it equally as much.

Park District Budget...

Cont'd from Niles-E, Maine P. 1
tions architects Jack Barclay, Jr. and Associates were approved to complete park plans. The company will receive 5.6% of estimated costs of construction for the \$675,000 sports complex in Ballard Park. Ordinarily it was reported by the former architect the savings will result.

Barclay announced it is expected the groundbreaking at the Ballard Park complex will take place about Sept. 30 and bids for the project can be "let out" about August 15. Predicting an approximate schedule Barclay said natural ice and a warming house will be ready at the Ballard Park by January 1; swimming will be ready at Niles 2nd pool there by June 1, and artificial ice at the new sports complex should be available by Nov. 1, 1971.

Barclay cited the working drainage problem there and said a retention wall may have to be built to prevent water from draining onto the Junior High School property to the west.

In still further action the park board approved placing its park personnel under the Illinois Municipal Retirement Fund. The program, which would begin the first of the year, is dependent on all employees approving the joining of the fund. The park district would contribute 8.36% of wages toward the fund while male employees will contribute 4.4% and females 3.4%. Niles park district has 6 males and 2 females eligible to join and all 8 persons would have to join before it could be activated.

The increase in the appropriation is expected to add slightly to park tax bills with a possible increase of about \$1 per homeowner for a \$10,000 assessed valued home. The benefits are for disability, death and retirement.

Dist. 64 Retiring Teachers

Eight teachers and staff members, included Superintendent of Schools Blair Plimpton, are retiring from School District 64 this summer. They have devoted a total of 135 years to children in this community.

They are (l. to r.) Dr. Plimpton; Allan Smith, resource teacher at Lincoln Junior High school; Mildred Brooks, librarian at Jefferson school;

Mrs. Jane Moore, school social worker at Franklin, Madison and Merrill schools; Mrs. Nellie Nelson, sixth grade teacher at Carpenter school; Mrs. Ethel Greene, physical education teacher at Lincoln Junior High school; and Walter Nelson, science teacher at Lincoln Junior High school. Not shown: Mrs. Doris Malone, fourth grade teacher at Roosevelt school.

Nursery Schools to be Operated as Part of Maine's New Child Care Course

A nursery school for pre-school age children will be operated this fall at each of the three Maine Township high schools as part of the "on the job" training program for the schools' new Child Care Occupations course. Each nursery school will be conducted three days a week, from 12:30 p.m. to 2:30 p.m., by junior girls under the direction of a certified child development teacher.

Twelve youngsters of pre-school age will be enrolled from

both the Maine East and Maine West High school areas, and 8 children from the Maine South area. To be eligible children must be between 3 1/2 and 4 1/2 years of age on Sept. 14. Nursery school classes begin on that day and will continue until Jan. 15, 1971, when a new group of children will be enrolled for the second semester.

Because "on the job" training of the Child Care Occupations class will be dependent upon the presence of pre-school children, regular attendance by the children will be expected. The official calendar for holidays. Parents must provide transportation to and from the school. Anyone wishing to enroll his child in these pre-school classes may contact the Maine

high school in his area and obtain an application blank. Applicants will be considered in the order in which they are received. All those applying will receive notification early in August concerning the possible enrollment of their child. To defray the cost of supplies and refreshments, a registration fee of \$15.00 will be charged.

During the second week of September a registration day will be held to enable children and parents to see the facilities and to meet with the coordinator and members of the Child Care Occupations class. Children selected for enrollment must have obtained a physical examination before registration. The Child Care Occupations course is a new facet of District 207.

Park District's Swim Classes Advancing

Swimming instruction has reached an all-time high at the Maine East swimming pool. Instructors of the 80 some students have split the kids into various groups where they can move at their own rate.

Pool manager, Dick Minors, joins pool-side after completing a successful season with Learner Baseball. A teacher at Ballard school, (District #63) Dick is foremost authority on pool rules, and works well with children. A Drake university grad, Dick resides in Des Plaines, with his wife.

Gini Hayes is head swim instructor. A student at the University of Arizona, Gini is a P.E. major. Having a Water Safety Instructors' certificate and Senior Life Saving, Gini is a real asset to the program. Debbie Fort, a 1969 Maine East grad, works with advanced swimmers. A student at Iowa,

Debbie plans to teach after graduation, and working well with kids is her specialty.

An experienced lifeguard and Senior Lifesaver, Mark Tauber works with the advanced swimmers also. Endurance swimming and form are the areas Mark's classes cover, and the discipline is hard. The kids love it, and perfection is the eventual goal.

Roxanne Robinson is the last, but certainly not least of our swimming instructors. A Senior Life Saver, Rox had to save a 240 lb. man to pass her test. An extremely likable girl, Roxanne works with the "overly shy and scared" beginners. She's earning her salary, because her classes are coming along fast.

Learn To Swim is new this year, but follow-up courses next summer will pave the way for future champs.

Successful S.A.L. Convention in Morton Grove

Retiring Morton Grove Post #134, American Legion Commander Al Nehart has advised that 300 boys and their chaperones were guests of the local Post two weeks ago when the state S.A.L. Detachment Convention was held in Morton Grove. The Post thanks the local motels for their cooperation in housing the visitors.

Coming from all over the state, the Sons of the American Legion groups each brought their own colors and what a beautiful sight when all were posted together.

Chaperones were Legionnaires, fathers and mothers. Special guest was retiring 7th Dist. American Legion Commander Ed Czaja of Glenview. The S.A.L. is exactly what its name implies: sons of the Legion.

The annual convention included: for the kids this year viewing of a full length Frank Sinatra film, visit to the Skokie Legion carnival, gun range rifle shooting and through the courtesy of the Park District, swimming in the pool.

Legion Baseball Coming To End

As the Legion baseball season is about to conclude, Athletic Officer Ernie Jenkins of the Morton Grove Post #134 of the American Legion wishes to publicly thank the Morton Grove Park Board for its allowing the Legion the use of Harrer Park. He says each of the Park Commissioners and all the employees have been "simply terrific" to Post #134. Jenkins announces the Legion

team will host Glenview Friday, July 24 at Harrer.

A Sunday, July 26 game is to be played at Harrer Park against Morton Grove by the North Shore American Legion team.

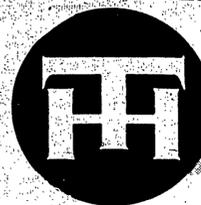

Monday, July 27 they will travel to Northbrook where they will play under lights. The Northbrook Legion games are played at Northbrook's High school on Waukegan rd., north of Techny rd.

Legion Jrs. Continue Work

The Junior Auxiliary of the Morton Grove Unit #134 of the American Legion continues the seniors' prime project of rehabilitation work on its own age level. Many tray favors and other items are made to cheer the hospitalized veterans' stay in the VA facilities in the Chicago area. Such articles given to these former CP's include hankie holders, stationery kits and puzzle boards.

At a recent meeting, Mrs. John Sepey, Junior Advisor, reported the young ladies had also "saved" many stamps and certain coupons which have value. These and the other articles are also turned in and "credit" is given in the monetary value which they represent.

Presently the Juniors' total rehabilitation work credit is \$1,640.00 of which \$473.64 is in cancelled stamps.

The young ladies also collect old magazines which are readable by the hospital patients.

Hankie holders, place mats and tray favors depicting the current month were fashioned at the girls' last meeting.

The Juniors meet once a month with an adult advisor but conduct their own meetings, have their own officers, etc. Juniors are daughters and sisters of Legionnaires under 18 years of age.

Piano Program At Chelsea

Mrs. Roselle Goldsmith of 5915 Main St. in Morton Grove will present a varied selection of musical numbers on July 26 at 2:15 p.m. in the Chelsea House Theater at 920 Wilson Ave.

Announce Engagement

Mr. and Mrs. Frank C. Sobczak, 6837 Oak Park Ave., Morton Grove, have announced the engagement of their daughter, Dawn Louise to Hugh A. Scoggin, son of Mr. and Mrs. Joseph E. Scoggin of Nucla, Colorado. Dawn, a graduate of Niles North High school, has been attending Western State College in Gunnison, Colorado, where she is a member of the Alpha Psi Omega Theater Fraternity.

Hugh is about to begin his Masters work in History at the University of Arizona this fall. The couple will reside in Tucson, Arizona.

Legion Auxiliary Sponsors Wheel Chair Bowlers; Awards Chaplin Prize

One of the prime projects of the Morton Grove Unit #134 of the American Legion Auxiliary is rehabilitation. The ladies visit Chicago VA hospitals on a frequent basis, playing games, awarding prizes, passing out comfort items and assisting wherever possible.

A weekly bowling league is held at Hines hospital where Unit volunteers help paraplegics in this sport. They compete in teams and have a regular league such as non-hospitalized vets do.

Frank and Don, two excellent bowlers on the team the Morton Grove Unit sponsored, are being sent by the Auxiliary to Georgia to compete in the National Wheelchair Tournament. The girls are expecting great things from the two fellas!

On June 23 and 24, the annual carnival was held at Downey hospital. Booths are manned by women's service organizations and patients there "play" the games just as those of us do at regular carnivals.

Mrs. Ed Lange of Skokie is the Unit Rehabilitation Chairman, a position she has held for many years, performing arduous and tireless work in that field.

In recent competition at the Cook County, American Legion Auxiliary, Mrs. Jack Bartholmy, 8713 Austin, received a first place award for her Book of Prayers entry.

This competition was for chaplains of units who wished to compile favorite prayers. Mrs. Bartholmy, a past president of the Morton Grove Unit #134 of the American Legion Auxiliary was the unit's chaplain last year. She will assume the sgt. at arms duties this coming club term.

The contest winner is also the new vice president of the 7th Dist., American Legion Auxiliary. The district, composed of a dozen units on the north side of Chicago and the northern suburban area, is the level after the unit and before the county in the state set up in the Auxiliary field.

Vacationing Visitors

Mr. and Mrs. Adolph R. Foss and Merry-Lynn, 6846 Keeney, Niles, recently visited the state owned Ringling Museums while vacationing on Florida's lower west coast.

The Ringling Museums are the foremost cultural center in the southeastern United States. Situated on 68 tropical landscaped acres in Sarasota, they were a gift of John Ringling to the state, and are operated in the cultural and educational interests of Florida residents and visitors.

Just for Fun

Sergio Franchi with Joan Rivers at Mill Run

Charisma and Comedy personified at the Mill Run Theater in Niles when Sergio Franchi and Joan Rivers settle in for a 6-day run on Tuesday, July 28 through Sunday, Aug. 2. Joan and Sergio have, between them, a monopoly on glittering talent. He's the handsome continental tenor who wins the admiration of men while drawing sighs from women. She's a rare comedienne — a girl who is able to be hilariously funny without losing her femininity.

How did both become the darlings of the entertainment world?

Sergio Franchi launched his musical career in Johannesburg, South Africa while singing at a charity music festival. From there he joined a dramatic and operatic company, appearing in the leading roles in "Carmen" and "La Traviata" and others. Although he gained considerable recognition as South Africa's leading tenor, he aspired to seek a wider audience. Franchi's break turned out in the Spring of 1962 to be a guest on BBC's "Sunday Night at the Palladium," which brought him to the attention of RCA's executives. Early that Fall his first album was released, and it was not long be-

fore Sergio Franchi's talents were displayed in musical comedy, films, television, and the concert stage as well. Joan Rivers became an overnight comedy sensation as a result of her first "Tonight" appearance with Johnny Carson in 1965. Since then, she has starred repeatedly on top-rated television shows and in nightclubs all over the country. Joan's act is almost completely autobiographical, with very little exaggeration added. "Funny things just happen to me," she explains.

Performances are Tuesday through Thursday at 8:30 p.m., Friday at 8 p.m. and 11 p.m., Saturday at 7:30 p.m. and 10:30 p.m., and Sunday at 5 p.m. and 8 p.m.

To arrange for tickets to the performance of Sergio Franchi with Joan Rivers, contact the Box Office or any of the Ticketron locations, including all Wards, Marshall Fields, and Crawford stores.

Sounds of '68 In '70

Sounds '68 sound off in '70 at The Earl of Ipswich now through Aug. 2. The quartet has a way of spanning time by returning to bossa nova and progressing onto hard rock. They also have a way of spanning individual contributions, emerging with arrangements that are as different as the four

men themselves. In short, a musical style that is unmistakably and uniquely theirs. And yours to enjoy on Wednesdays through Sundays from 8:30 p.m. to 1:30 a.m., except on Saturdays until 2:30 a.m.

The Earl of Ipswich is located in the Talisman Shopping Center on Golf Mill Rd., 3 blocks east of Golf Mill Shopping Center and the Mill Run Theater. Ample parking is available. To make reservations for lunch or dinner, call 729-5200. (l. to r.): Joe Spranze, Ron Stevens, Nick Teri, and Bobby Dore.

Tickets are \$2.50 each for all performances. After Aug. 4, tickets can also be obtained at the Niles East box office each weekday evening after 7 p.m.

Joe Frazier

The Mill Run theater will be the scene of a singing bout between the Heavyweight boxing champion of the world Joe Frazier and his Knockouts on Fri., July 24 thru Sun., July 26. Joe Frazier's natural hard-hitting talent evidences itself vocally as well as physically. Until recently, singing was only a hobby to him. When he began perfecting this talent, he formed his own seven piece combo called "The Knockouts".

'My Fair Lady'

Maine East High 65 piece Summer Band will present a concert Friday, July 24, at 8 p.m. at Maine East Auditorium. The band will play selections from "My Fair Lady", Beethoven's "Egmont Overture", Symphonic songs by Robert Russell Bennett and several marches. Mr. O. D. Premo will conduct. The admission will be free.

The Cubs are still blazing a path of glory with a 15 win 2 loss record and bringing home three more wins this week. Cub hitting led by Dale Haerr, Tim Englund and Jim Mahoney each with 3 hits including 1 homer each, to defeat the Braves 9-5.

The Braves piled up 5 points during this week's stretch drive as they tied the Phillies, 0 to 0, and whipped the Cubs, 6 to 3, in addition to the win over the Mets. The Phillie game featured a sparkling pitching duel between Furmanski, Reeve and DeLorenzo of the Pirates and Swenson and Borkoski of the Phillies. In a very crucial game for both clubs, the Pirates knocked off the Cubs, their closest pursuers at the time. The teams battled on even terms for 5 innings, going into the 6th tied, 1 to 1. Then, Pirate power broke loose as hits by Gorack, Cambro and Mostek sandwiched around a walk to Larry Bender and 2 Cub errors added up to 5 big runs. The Cubs tallied 2 runs in their half of the inning, but they weren't enough. The victory over the Mets represented the 8th shutout of the year for the Pirate pitching staff. Reeve and Gorack gave up only 3 hits in this one and were aided by the bats of Barton, Cambro, Reeve and DeLorenzo. Gorack helped his own cause with 3 hits.

The second place Jets only 1/2 game behind the Cubs also exhibited their winning ability by gaining 2 more big wins this week. The Jets beat the Colts 9-3 on timely hitting. The big blow was another grand slam homerun by Kenny Borowski and a long home run drive by Russ Maycan. Rob Guziec added a triple and a single, Bobby Quatroch had a double and Mike Crutchfield a single. Fine pitching was again turned in by Tom Anderson. Pitching for the Colts were Ury, Angulo and Cecchin. The Jets just managed to squeeze out a close victory of 4-3 against the Dodgers. Kenny Borowski opened the scoring with another homerun. The Dodgers then went ahead on a homerun by Pils. Pitching for the Jets were Tom Anderson, Mike Crutchfield and Russ Maycan who yielded only one hit, with Kenny Borowski doing a tremendous job of relieving in both games.

Despite their loss to the Pirates, the Cubs held onto 3rd place by winning their 6th straight in a game prior to the Pirate contest. The Cubs slugged 11 hits in a 15 to 5 game.

The Astros held down 4th place, gaining a 2 to 0 shutout over the Redlegs after their loss to the Colts. Pat Ferguson hit a 2 run double to right center in the 5th to break up a magnificent pitching and defensive duel.

The third place Yankees also brought home three wins this week to give them a 12 win, 4 loss and 1 tie record.

With the final week coming up let's all watch very close to see the outcome of this exciting race. Good luck to each and every team and player.

FLASH! The Pirates are the new Major League champs of Niles Little League for 1970! A 7 to 0 victory over the Mets wrapped up the pennant as the Pirates ran their season total to 30 points, 6 points more than the 2nd place Astros with only 2 games to go.

The Pirates piled up 5 points during this week's stretch drive as they tied the Phillies, 0 to 0, and whipped the Cubs, 6 to 3, in addition to the win over the Mets. The Phillie game featured a sparkling pitching duel between Furmanski, Reeve and DeLorenzo of the Pirates and Swenson and Borkoski of the Phillies. Reeve and Gorack gave up only 3 hits in this one and were aided by the bats of Barton, Cambro, Reeve and DeLorenzo. Gorack helped his own cause with 3 hits.

Meanwhile, the remaining playoff positions are up for grabs with 6 teams still in contention. The Colts moved into 2nd place in the see-saw race, piling up 6 points on wins over the Braves, Astros and Giants. Adams and Krippinger slammed homers in the Brave game to spark a 12 to 3 victory. The hard-fought win over the Astros, 6 to 3, came on fine clutch pitching by Allibone and Batliner plus the hitting of Clauson, Mueller and Allibone.

Despite their loss to the Pirates, the Cubs held onto 3rd place by winning their 6th straight in a game prior to the Pirate contest. The Cubs slugged 11 hits in a 15 to 5 game.

The Astros held down 4th place, gaining a 2 to 0 shutout over the Redlegs after their loss to the Colts. Pat Ferguson hit a 2 run double to right center in the 5th to break up a magnificent pitching and defensive duel.

PANTHERS 13 - DOUBLE EAGLES 3. Larry Olson's four bagger sparked the Panthers offense in this big win.

SENATORS 4 - ANGELS 4. Good pitched by De Santis and Day plus the timely hitting of Drehoel and Miller enabled the Senators to come up with a tie.

INDIANS 5 - TWINS 3. A three run clutch triple by Jeff Johnson sparked the Indians in this contest. Rick Domzalski and Kozelka each homered for the Twins in a losing cause.

VIKINGS 10 - RAMS 9. A bases loaded triple by Jeff Johnson to tie the game and a stolen base by Jeff gave the Vikings a big win over the Rams. Ken Jung homered with the bases loaded for the Rams.

SENATORS 13 - RED SOX 5. Three hits each by Lance Rubin, Mike Day and Dave Drehoel plus John Gogliardi's triple with 2 men on gave the Senators a lop sided win over the Sox. Lon Fyda and Mike Day came through with fine pitching.

ATHLETICS 4 - ORIOLES 3. The A's scored early in the game and held on for dear life. Bill Daddono pitched 4 strong innings for the winners, Pete Baranowski homered for the Orioles.

INDIANS 14 - KNIGHTS 0. The tribe is still on the war-path in going for an undefeated season.

RAMS 4 - HAWKS 2. The Billy goats clipped the wild birds wings with excellent pitching by Howie Greenberg and Doug Reynolds.

ELKS 5 - BLACKHAWKS 5. The Elks had only three hits and scored all their runs on wild pitches.

PANTHERS 11 - SEALS 9. Joe Lesniak unleashed his lethal bat in leading the Panthers to a victory. Tom Tanner and Tom Hlav pitched well with Mike Graf being an able receiver.

THWINS 5 - ATHLETICS 4. A well played game by both teams with Rick Domzalski providing the big hitting punch with 2 doubles and a triple. Stan-kowicz and Anzelone had two hits each for the Twins.

VIKINGS 8 - BRONCOS 3. The able bats of Dan Merkel and Tom Baston plus a home run by Jim Rubens provided a hitting threat to overcome the Broncos.

RAMS 9 - ELKS 7. The Rams scored 3 runs in the bottom of the fifth to pull out a victory over the Elks. Dan Gumbiner collected three hits and Bill Cook two hits for the Elks.

RED SOX 12 - KNIGHTS 1. Home runs by Mike Pinski, Bryant Johnson and Bob Miller gave the Red Sox all the power they needed.

Niles Baseball League-Pony Division

WHITE SOX 11 - RED SOX 6. Young led the Red Sox attack with a 3-run homer, Beuther contributed a 2-run-2out single, putting the Red Sox ahead in the 5th inning. It began to look like the Red Sox would hang on for their 3rd win of the season. Dave Scher, of the Red Sox, pitched 2 hitless innings, hit a triple before leaving the game (after being hit on the elbow by a pitched ball.) The Red Sox were unable to sustain the White Sox with Jeff Elatkin contributing 3 hits, Maycan with 2 hits and Bonini with a double (with 2 men on). Aschacher, Rinka and Urban combined to pitch a 4-hit game for the White Sox.

TIGERS 2 - ATHLETICS 2. A strong defensive game shown by the Athletics with Larson, Scott and Wetner combining to strike out 6 batters. Nick Kalodimos made 2 fine catches in left field and Rick Filas made a diving catch in center. Joe Stroka and Jay Russ combined to strike out 14 Athletics in the 1st tie of the season for each team. Frank Stroka got the key hit by singling in 2 runs with full bases and 2 outs. Perion singled, Russell and McEnerney walked, followed by Stroka's timely hit.

TIGERS 14 - METS 4. The Tigers "roared" with 14 runs behind the pitching of McEnerney and Jarlabka limiting the Mets to 4 hits. Leading the Tigers' attack with 2 hits were Frank Stroka, Joe Stroka, Jay Russ and Pat Russell, with Joe Stroka getting 3 RBI's.

CUBS 9 - ATHLETICS 9. The Athletics played their toughest game of the season by coming from behind to tie the Cubs. George Jensen came in to do a fine job behind the plate in an emergency. This was his 1st time behind the plate this year. Bob Scott led the hitting attack with 2 triples.

RED SOX 7 - ANGELS 7. The Red Sox hindered the Angels from picking up ground on the first place Yankees due to the fine pitching of Young and Daymont. Young collected 4 hits, Daymont 3 and Jerry Magnusson hit a homer batting in 2 runs in the last inning. Eric Beuther sparked in the field and stole 5 bases.

DODGERS 5 - CUBS 2. The Dodgers up-ended the Cubs and put a stop to their 10-game winning streak. Errors were the downfall of the Cubs but in defeat, Pat Swanson and Ken Grubbs teamed up to do an outstanding job on the mound.

RED SOX 5 - ATHLETICS 4. The Red Sox squeaked by the Athletics behind the pitching of Daymont and Stankowicz. Scher connected for a 3 run homer, Bill Young hit a solo round-tripper and Eric Beuther collected 3 for 4 at the bat. Bob Scott, pitching the last 4 innings for the Athletics, pitched hitless balls in their defeat, striking out 8 of the 12 batters.

CARDINALS 9 - BRAVES 0. The Cards played championship ball to smother the Braves, collecting 12 hits and playing great defensive shut-out ball to hold the Braves to less than 2 hits. Trojan pitched no-hit ball for 4 innings and collected 2 hits up at bat. Baluta led the Cards with 3 hits and Gary Zervis batted in 4 runs. Brad Kroil held the Cards to 1-hit in his 1st 2 innings on the mound. Tim Sheehan, and Jim Jeffa got the only hits for the Braves.

EXPOS 4 - METS 1. The Expos, behind the pitching of Keener and Elin, held the amazing Mets to 3 scattered hits, 1 walk and eleven strikeouts to hold on to second place behind the league-leading Cardinals. Leading the hitting attack were Bill Keener and Craig Christell with 2 hits each plus additional batting contributions from Art Aufmann and Gab Spararo.

ANGELS 6 - ORIOLES 3. The Orioles, playing with only 7 players, were the victims of fine pitching by Callero, who struck out 11 of 12 batters he faced. The game was a close 2 to 2 until an outfield error allowed 3 unearned runs to score. The Orioles scored with a walk to Abatte, hits by Jerger, Coloanuno and Menard. Tim Glano's long triple scored 3 runs for the Angels.

YANKEES 8 - RED SOX 5. Bill Young and Dave Scher pitched 3-hit ball in a very close contest for the Red Sox. Their fielding collapsed in the 1st inning to allow 5 runs on 1 hit. Daymont came through with a clutch single in the 6th inning to tie the score. The Red Sox stranded 13 baserunners in the game.

TIGERS 8 - WHITE SOX 7. After being down 2 to 2 after 2 innings, the Tigers came back with 2 in the 4th and 5 in the 5th. Good relief pitching by Andy Jarlabka held the White Sox scoreless for 3 innings. The game ended with a double play by Stroka who fielded a ground ball near 2nd base, stepping on 2nd and throwing to 1st to end the game.

TIGERS 8 - YANKEES 3. The Tigers beat the league-leading Yankees behind the fine pitching and hitting of Stroka, who led the attack with a single, double and home run, including 3 RBI's. Bob Miller of the Tigers made the best defensive play of the game with a long, running catch of a short fly ball in right field, which throttled a potential big inning by the Yankees in which they scored 2 runs.

PIRATES 5 - BRAVES 2. The Braves going down in defeat had some sensational defensive plays.

Let's Go Fishin'
BY BOB BREWSTER
Outdoor Editor,
Mercury Outboards

LUNKER HUNTING
Some guys catch lunkers as
if fish didn't come in any other
size, while most of us work
hard to catch the ones that are
dwarfs by comparison, and
then feel pretty lucky.

To a successful "lunker
hunter" luck plays a minor
role, say the fishing authorities
at Mercury outboards. Seeking
out the big fish is a deliberate
undertaking, requiring both a
knowledge of fish and an un-
swerving devotion to the prop-
osition that one trophy of
braggin' size is worth a hun-
dred of his lesser brethren.

While lunker-catching pro-
ficiency doesn't come overnight,
there is one basic rule the
aspiring might keep in mind:
"locate the lairs."
Lunkers, like gold, are where
you find them. This can be in
the most unpredictable quar-
ters, usually offshore where no
visible signs give a clue to a
hotspot beneath the surface.
To find such locations, they
are usually quite small, calls
for extensive prospecting
through a great deal of barren
water. Slow trolling on the
bottom or drift casting is the
best bet.
When a fish strikes, mark
the exact spot immediately for
future reference.

MNLL-ALL STAR REPORT

Both the Maine-Northfield Little League Major All Stars and Senior All Stars were victorious in their first clashes and have proceeded on to second round play.

MNLL's Seniors drew and won the opening game in a three game set booked into the Maine-Northfield senior diamond last week end by the District headquarters. They were slated to meet Palestine last Sunday with the winner going on to Elgin for the next level of elimination play.

Pitcher Johnny Mendralla of the MNLL Major All Stars was in good form as he allowed only three hits and struck out 11 while his teammates garnered 11 hits in their victory over Prospect Hts. Maine-Northfield took a five run lead in the first inning when Mendralla doubled with the bases loaded, scoring Mike Orlando and Steve Jacobs. He was followed by Larry Deschamps, who propelled a home run out of the park to score Ron Wodka and Mendralla ahead of him. The only other extra base hit until the third inning was a triple by MNLL's Kenny Pink in the second with no one on.

In the third inning, Prospect's Carl Robbins singled, and batted in runner Dan Lococo, in some ensuing MNLL fielding goof-ups, Joe Pusatera, who singled, and Ernie Wagner scored for Prospect Hts. on errors. In the fifth inning, Wodka again got on base for MNLL with a double and was followed by Mendralla who, this time, blasted a home run to put the score at 7 to 3. Deschamps and Pink singled but were stranded. In Prospect's fifth, Pusatera walked, advanced on Wagner's single, and scored

on a passed ball to make it 7 to 4, which was the final score. Mike Orlando tripled for MNLL in the sixth but no one could bring him in.

Starting lineups were: Maine-Northfield - Orlando, ss; Jacobs, 2b; Wodka, c; Mendralla, p; Deschamps, 1b; Pink, rf; Chamberlain, 3b; Bucaro, cf; Jacobson, lf; Mgr. Art Sepke; Coach Art Deschamps.

Prospect Heights - Lococo, 2b; Pusatera, ss; Wagner, 3b; Robbins, c; Janazick, lf; Bury, cf; Isola, rf; Black, 1b; Hahn, p; Mgr. Ed Pusatera; Coach Al Isola.

MNLL's Senior All Star opening victory was a 10 to 6 win over Schiller Park. Oberhausen was the winning pitcher and like his counterpart of the Major MNLL team, gave up only 3 hits but struck out 10. MNLL made the first tally in the second inning when Nuccio scored on Holtzblatt's single. Oberhausen

gave up his first hit in the third inning, a double by Schiller's Rich Bruno, and in the bottom of the fourth the Schiller Stars began to turn it on with Broeski, Soderlund, Parkinson and Bruno all crossing the plate to make it 4 to 1 for Schiller. Maine-Northfield came back in the fifth when Oberhausen led off with a single. Jamie Bucaro doubled, scoring Oberhausen, Jim Pinas doubled, scoring Foster and Bucaro, and Mike Bucaro doubled, scoring Pinas. This put MNLL back in the lead 5 to 4. In the bottom of the fifth, however, Prospect's Broeski led off with a single and scored on Bob Larsen's infield out to tie the score again. Soderlund was on through an error and scored on John Nuccio's double to put his team ahead 6 to 5.

Starting lineups were: Maine-Northfield - Foster, cf; Blitstein, 2b; Pinas, 1b; Bucaro, c; Nuccio, 3b; Winkler, rf; Schawel, ss; Holtzblatt, lf; Oberhausen, p; Mgr. Sam Blitstein; Coach Jim Geishecker.

Little League - Majors

The Cubs took over sole possession of first place in the South Section Major League Division of Morton Grove's Little League after winning three successive ball games.

Mark Hirt allowed the Cardinals only 2 runs in a game at National Park on June 27 as he struck out 12 batters and walked only one as the Cubs lashed out 11 hits and scored 10 runs to defeat the Cards 10 to 2.

On Wednesday, July 1, the Cubs faced the Giants at National Park and Mark Hirt won his 5th game of the season as the Cubs came up with 9 runs on 10 hits to beat the Giants 9 to 2.

The Cubs then faced the Pirates on June 29 at Palma Park and pounded out a total of 18 hits as they defeated the Pirates 14 to 0.

Students must maintain a semester grade point average of 3.25 or better on a 4.0 scale to be eligible for this honor. A 3.25 grade point is equivalent to a letter grade of B+.

Pamela maintained a semester grade point of 3.50. She is a senior in the College of Letters and Science.

Three hundred seventy-six Beloit college students have been named to the Dean's Scholarship List.

MORTON GROVE - Christine Elizabeth Wallis, daughter of Mr. and Mrs. I. M. Wallis, 8911 Shermer rd., Class of 1970.

Roselle Fishman Chosen for Year in Israel

A student from Morton Grove, Roselle Fishman, daughter of Mr. and Mrs. William Fishman of 9337 N. Olcott, has been selected in statewide competition for a year's study in Israel as a participant in the International Programs of the California State Colleges. It was announced today by Dr. Thomas P. Lantos, Programs Director. Roselle, 19, a Humanities major at San Francisco State College will spend her Junior year abroad in 1970-71. A Dean's List student, she is working toward an Elementary Teaching Credential. She was graduated from Maine Township High School East in 1969, and was required to meet rigorously high

standards of academic achievement and personal character in order to qualify for the program.

The Morton Grove student will join more than 500 state college students who will be enrolled in over 25 institutions of higher education in 20 countries throughout Europe, Asia, Africa and South America during the 1970-71 academic year. International Programs is the official study abroad unit of the California State Colleges, and offers a full collegiate year of study overseas while the student remains officially enrolled and continues to earn credit at his home campus.

St. John Military Grad

Alfred Bohn
A Niles youth graduated from St. John's Military Academy, Delafield, Wisconsin. Receiving his diploma from St. John's President, Gavin A. Pitt, is Alfred Karl Bohn, son of Mr. and Mrs. Egon K. A. Bohn, 7167 N. Riverside Dr.

Cadet Bohn entered St. John's in 1967 and by virtue of his excellent academic, military, and citizenship record during the past three years, was appointed the rank of Sergeant. In addition, Cadet Sergeant Bohn was presented the following awards at commencement: Dr. Kemper Medal, given to the top senior orator; Senior Math Medal (Scholastic) - top senior math student; and a 4-year ROTC Scholarship.

Graduates
Karen Sue Blindauer, daughter of Mr. and Mrs. Donald Blindauer, 9215 N. Marmora ave., Morton Grove, was graduated from the St. Francis hospital School of Nursing in Evanston recently.

Scholarship Awarded

Gary M. Gross, fifteen, a senior at Loyola Academy this fall, has been awarded a scholarship to attend the Summer Organic Chemistry Institute at The Choate School in Wallingford, Connecticut.

The program will include lectures by men from Yale University and various leading cor-

porations who have doctorates in their fields.

The scholarship was provided by the Allied Chemical Foundation, American Aniline Products, American Cyanamid Company and Otto B. May, Inc. and selection was based on aptitude, achievement, personal character and motivation.

Miss Linda Kawabata, 7135 Seward, Niles, is representing Wheaton College as a college board member in the Campus Quarters, Marshall Field & Company's 1970 College Shop. Miss Kawabata will be selling and counseling back-to-school shoppers in the Company's Old Orchard store.

More than 190 college board members, representing over

100 colleges and universities, staff the college shops in Field's downtown, suburban and Mayfair stores.

Informal modeling and back-to-school tearoom fashion showings throughout July and August will feature board members modeling selections from the Campus Quarters.

Resident Assistant

Karen Johnson has been chosen for a position as a Resident Assistant (R.A.) at Wisconsin State University-Platteville.

The student R.A.'s are chosen of their class and academic standing, their leadership abilities and their willingness to work with others.

A Junior in Elementary Education, Karen is the daughter of Doris Johnson, 5808 Madison, Morton Grove.

Young Teens Display Sewing Skills

These nine girls in sewing class of summer school at Golf Junior High School in Morton Grove finished their shifts in time to wear them for this picture with Mrs. Jack Thomas, their instructor. They are (l. to r.) Michelle Belser, Linda Trojan, Peggy Laman, Pam Loginsky, Leora Miller, Elizabeth Lamer-mayer, Laura Frayn, Patti Maher, and Susan Gian Petro. All but Miss Maher are from Morton Grove; she is from Niles. Mrs. Thomas made the dress she is wearing, too.

Some girls at Golf Junior High School in Morton Grove have something sewn to show for the summer. They made their own shifts (that is a dress, boys in case you didn't know). There were 22 girls in sewing classes taught by Mrs. Jack Thomas of Niles, who attended Iowa State University at Ames, majoring in home economics. The girls in the two morning sewing classes of the Dist. 67 Summer School were able to use 10 new sewing machines, purchased for the junior-high economics department. Home ec classes will be established this fall when the middle-school addition to the junior-high is completed.

Home ec, as well as home mec (mechanics for boys) will be taught at the school this fall. Sewing classes for the summer are over now.

The Chicago Motor Club-AAA cautions drivers that thick spring fog is not uncommon in early morning hours.
