The announcement of the impending purchase of the Pickwick newspapers by the Pioneer Press is one more indication the crunch is on in the suburban newspaper business in our area.

First signs of the crunch actually began five years ago when Chicago Sun-Times-Daily News publisher Marshall Field began publishing a new daily newspaper in Arlington Heights which shook up the big boys into a catatonic lather. When the Field paper opened up in Des Plaines one publisher there, wallowing in tears, sent a letter to all Des Plaines businessmen reminding them the family newspaper had been there since the days the Conestoga Wagons had crossed the plains alongside Weller Creek. But Field gave up, several hundred thousand dollars lighter, and sold out to his largest competitor.

Now comes word the Park Ridge-based Pickwick papers are being bought by Pioneer Papers, which is owned by Time magazine. Time, diversifying its interests, purchased a chain of newspapers in the west suburbs and then bought out the highly successful Hollister chain along the North Shore. To solidify the package, Time now is dipping into the Henry Luce cash register, coming up with a few more shekels for their next step.

Again, the big boys cry. When Time made this move the Chicago-Skokie-North Shore Lerner newspaper interests let Uncle Sam know violations of the anti-trust laws may be resulting from Time's efforts.

While all the wheelin' and dealin' has been taking place the Lerner papers took over the last small newspaper in the Highland Park area and in Wheeling the one small paper there died of advertising attrition.

The only remaining small, independent papers left in the entire north and northwest suburban area are The Skokie News, The Des Plaines Journal, and our Bugle newspapers. It's getting to be a lonely battle and it's getting increasingly difficult because of the need for continuing growth, while fighting the spiraling costs which accompany growth.

Our original attempt to publish a LOCAL newspaper for the community, rather than have several.

Niles Firefighter Attend First Aid School

Three more Niles firefighter recently attended a 3 1/2 day session at one of the nation's most outstanding first aid schools. This brings to 2 the number of Niles firefighter who have attended so far.

The three were Lieut. Gerald Himmler and Firefighter Calvin Radway and Terrence Salm. They participated in the 10th Advanced Practical course on Emergency Aid and Transportation of the Critical Ill and Injured. This course is presented by the Chicago Committee on Trauma of the American College of Surgeons at the Chicago Fire Academy. More than 200 firefighters are professional ambulance attendants from this area join in the workshop type classes. Instructors are medical specialists, professors and experienced firefighters. The program ranges from simple first aid treatment to the most complicated rescues.

The Niles Fire Department has operated one of the oldest fire department emergency ambulance services in the northwest suburban area, having started in 1946.

Illinois cross country state championship competition has been held since 1941. Last year Maine East's blue and white team finished 3rd.

objected to the bus company's decreasing service, particularly since the village has agreed to a monthly subsidy which he said implied the service would at least remain the same.

A Double Reminder

No you're not seeing double! Twins Patti and Paula Albano, of 7830 Main St., Niles Illinois are shown with Village Clerk Frank C. Wagner, Jr. to remind Niles citizens that for the second straight year all residents in the Village will be receiving their vehicle and dog applications in the mail.

Two vehicle tag applications and one dog tag application, along with a pre-addressed return envelope, will be mailed in a "Data Pack," thus permitting all residents to obtain their necessary 1971 Niles vehicle and dog tags by mail. Included in the Data Pack are some local ordinance laws that new as well as established residents will find helpful.

Girl Scout Troop 715

Girl Scout Troop #715 held its first meeting Sept. 23, at the home of leader Mrs. McRath. All the girls with the exception of just a few have seen with Mrs. Tralmer as leader, and co-leader for the last 3 years. The original troop of 11 has grown to 19. The original 11 are: Coleen Baker, Barbara Corr, Suzanne Garrity, Lebra Hirt, Jeannine Karbowicki, Ellen Kargl, Mary McGrath, Melissa Moore, Linda Tralmer, Janet Wolski, Mary Pat Zimmerman. New members are: Susan Hildebrandt, Cathleen Krick, Christine Lenhardt, Patricia Leone, Mariann Rasmussen, Laura Richter, Linda Cowart and Julie Van Schindel.
 All the girls ventured forth bravely and enthusiastically along with their leader Mrs. McGrath and co-leader Mrs. Tralmer and 2 extra mothers, Mrs. Baker and Mrs. Kargl, to Happy Hallow on Oct. 9, 10, and 11. The girls came back a little wiser and more cooperative in the home making field. The mothers were wonderful and they came home smiling and cheerful.
 On Oct. 23, these 19 girls took the Girl Scout promise, a very touching ceremony. The girls received their badges, which were for camping and pins for every year they have been in scouting.
 The girls are in groups, and each group has decided to work for different badges. This year, is going to be very exciting, challenging and rewarding for these girls. They are all 4th graders at St. Isaac Jogues school, Niles.
 Congratulations girls, on your first big venture and good luck in the coming year.

Troop 718

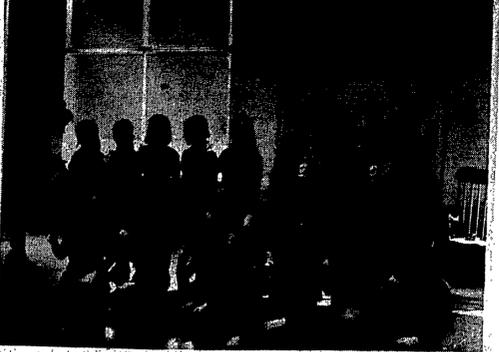

Junior Troop 718 held their investiture and rededication ceremony at Oak school on Oct. 27. Lighting the candles as they repeated their pledge and Girl Scout Laws were Mrs. Ziellnski, Mrs. Sinacore and Mrs. Pudelek, the new troop leaders. The girls are Cindy Bodzewski, Gerayllyn Cieply, Deborah Janus, Dawn Jensen, Karen Klicker, Christine Kolwitz, Amy Levin, Namette Mittelstaidt, Lisa Pudelek, Jill Riend, Nancy Rook, Trudy Seelos, Suzanne Sinacore, Deborah Walters, Christy Vito and Carol Wisniewski. Patrol Leaders Susan Gaza, Karen Miller, Lynn Klicker, Tracy Swiatek and Nancy Ziellnski were presented their gold cords at this time. A program and refreshments followed the ceremony which is held after the girls have attended 4 meetings. The girls have begun working on badge requirements, elections, making a project, an outdoor meeting at Miami Woods and participating in inter-troop flag ceremonies.

Maine East's V-Show '70

Theme for Maine Township high school East highly touted variety show is "People". For the first time faculty and student directors have selected a theme for V-show which focuses entirely on characters, and rehearsals are in full swing with acts and dances and songs depicting people from around the world.
 Opening number in the show features a medley of folk dances from Israel, Greece, Scotland and Ireland performed by members of Senior Orchestras. The first half of V-Show '70 includes solos, roller skating, interpretative dancing, baton twirling, and such skits as "Cub Power" and "Dear Maine East Teachers," to mention only a few.
 The second portion of V-Show '70 "sings" into action with the Girls' Chorus rendition of "Alfie" and "This Guy's in Love." From that point on ballets, folk songs, parodies, drum solos, and bagpipes fill the stage in Maine East's auditorium. The finale features a major production number entitled "Brotherhood of Man."
 Advisors connected with V-Show '70 are Richard Luckritz, general director, Ted Vargas, music director, and Ed Sullivan, technical director. Assisting Sullivan are seniors John Tsarapas (Glenview) and Bill Rosenheim (Park Ridge), who are busy planning and constructing the intricate set combinations of ramps, platforms and backdrops.
 Performance dates are set for Nov. 19, 20 and 21 at 8 p.m. in the school auditorium. Tickets may be obtained at the door for \$1.50, \$1.75 and \$2 or may be purchased in advance at the ticket office in the fieldhouse lobby during the lunch hour.

AREA SCOUT NEWS

Oak School Brownie Troop #598

The Brownies from Troop 598 of Oak school have resumed their meetings. Shown receiving 2nd year star pins from Scout Leader Lee Witek are Lisa Henreid, Linda Witek, Jeannine McDonald, Pam Varon, Debbie Benoy, Maria Malinowski, Carolyn Dallessandro, Diane Reeve, Vicki Vann, Lorene Platt, Sandy Berninger, and Lynn Gafke. The 3 new Brownies who have joined the Troop and received their first year pin, and who were invested on Oct. 21, were Jill Waldman, Donna Blasuccio and Michelle Kazen.
 The Brownies have been very busy since school started. They sent apple picking at an orchard in Wauconda on Columbus Day, had a Halloween party at the home of co-leader Mrs. Vann and have made trick-or-treat bags and book marks. The leaders, Mrs. Witek, Mrs. Varon and Mrs. Vann have been very busy planning a full schedule for their troop.

Free diabetes blood tests are being offered to the public at Lutheran General hospital, Park Ridge, Tuesday, Nov. 17 thru Friday, Nov. 20. Appointments must be made in advance by phoning 696-2210, ext. 1333. The tests are geared to detect unknown diabetes and are not for people who know they have diabetes.
 Lutheran General offers these tests during National Diabetes Week as a public service and in cooperation with the Diabetes Association of Greater Chicago. The need for diabetes detection and public education constantly increases. One person in twenty has diabetes or will develop it during his lifetime. Diabetes now ranks seventh in the list of fatal diseases and is the third leading cause of blindness. Those most likely to have diabetes are relatives of diabetics, those over 40 years old and overweight individuals.
 Symptoms of diabetes include excessive thirst, frequent urination, constant hunger, loss of weight, tendency to tire easily, changes in vision and slow healing of cuts and scratches.
 Motorists and passengers alike always should alight from a parked car on the sidewalk side, says Chicago Motor Club.

Ground Round Opens

A new Ground Round restaurant opened in Morton Grove this week at the site of the former Howard Johnson's restaurant, Dempster st. and Waukegan rd., according to manager Thomas F. Romano.
 The 225 seat restaurant is the third in the Ground Round chain and the second in the Greater Chicago area. The first Ground Round opened in Norridge, Ill. last year.
 Romano says the restaurant features the famous half-pound Ground Round burger, light and dark beer by the mug or pitcher, free peanuts and a very informal atmosphere.
 "We think the Ground Round will appeal to people of all ages," Romano says. In addition to the Ground Round Burger, we have chicken, shrimp, giant frankfurters, fish and barbequed beef. Most items are priced between \$1.25 and \$2. For the kids we have smaller portions at reduced prices - plus free toys, games and balloons.
 The new Ground Round has a function room for private parties that seats up to 100 persons. The bar features a Happy Hour from 4 to 6 p.m. Monday through Friday. Business hours are 11:30 a.m. to 1 a.m. Sunday through Thursday, until 2 a.m. on Friday and Saturday.
 Architect for the Morton Grove Ground Round was Charles Conlon Associates of Morton Grove.

Friends of Library Bake Sale

The Friends of Niles Public Library will hold their annual bake sale on Saturday, Nov. 14, from 9 a.m. until noon, at the Bank of Niles. A turkey raffle will also take place at this time. If you would like to donate a cake, coffee cake, bread or pie for this event please call Elaine Bergeron at 967-8090 or Mavis Shurson at 966-4459. Your donation will be most appreciated and will help to make this a successful event.

Meet Nov. 20

The third in a series of programs to be presented by the Friends of Niles Public Library, in conjunction with Niles Public Library District, will be held on Friday, Nov. 20, at 8 p.m.
 Sadie Stern Merel, "The Woman of a Hundred Voices," will dramatize, "Anybody Who Owns His Own Home Deserves It", written by comedian Alan King.
 Some of her most popular repertoire include, "40 Carats", "Plaza Suite", "Don't Drink The Water", just to name a few. Mrs. Merel has performed before more than 700 clubs with as many as 20 repeat engagements by individual groups; "The Real Evidence of Satisfaction".
 Tickets are free and available at the Library upon request.

ND Fencers Participate in Meet

On Saturday, Nov. 7, Notre Dame fencers attended the AFLA unclassified meet at Circle Campus.
 Of Ten starters, 8 made it to the second round, 6 made it to the quarter-finals. The Semi-finalists were Paul Quiniff, Tom Alcock and Sam DeFiglio. Plus Steve Mashl, a N.D. graduate in 70, DeFiglio lost in a tough 5-4, 5-4 set to a boy from Milwaukee Tech. Alcock defeated Quiniff, 2-1 in two 5-4 bouts. Alcock then defeated Biebel from Milwaukee for the championship.
 There were 23 foil fencers and this meant that Tom Alcock and Paul Quiniff received a "C" rating of classification. This equals the number of ratings N.D. got in 1968. Notre Dame now has 5 if, the 6-prep "C" ranked fencers.
 Gary Berlak, who failed to advance in foil, moved over to Epee and took 1 third in that weapon.
 Steve Mashl, '70 grad took a 3rd in sabre and a 1st in epee. Mashl goes to Circle Campus. All together, it was a very profitable day for N.D... 3 trophies, of 1-3-3 and 2 national rankings, and if the graduate is included then, ND took 5 of the 9 trophies for the day.

Illinois Constitution: 1970 - The Executive Article

As the states have worked out the operation of their three-part governments - legislative, executive and judicial branches - they have encountered two major problems: maintaining a limited government with a maximum of individual freedom and the increasing necessity for a centralized, reasonably powerful executive structure to operate state programs on behalf of the people. There has been a long term trend to create strong executive departments but a cyclical trend to limit the power of the governor, generally by increasing legislative influence.

The Illinois Constitution of 1870 directed most of its restrictions at the legislature which had been busy passing special legislation and abusing its powers. The role of the governor was seen as a check on the legislature rather than one of leadership, and the division of the executive into many autonomous units reflected a desire to both give and prevent power. Through the years the power of the Illinois governor has been gradually increased, helped by the item veto of appropriations, court rulings and the importance of the executive agencies in determining programs and budgets.

It seems apparent from study of the proposed Constitution that the Convention sought to retain and to some extent expand the effectiveness of the Executive branch while increasing the efficiency and responsiveness of the Legislative branch. Excellent laws passed by the Legislature do not do much good if they are not carried out and enforced by the Executive branch.

The proposed Constitution slightly modifies the elective Executive offices. The Governor and Lt. Governor will run as a team in the general election. The ballot has been shortened to the extent of making the office of Superintendent of Public Instruction appointive. The office of Auditor of Public Accounts has been changed to Comptroller which is a step toward concentrating fiscal accountability. The offices of Attorney General, Secretary of State and Treasurer remain elective with no substantial change in responsibility. A new provision allows the Treasurer to succeed himself. Another new provision which allows the Governor to demand and receive reports from these elected officials is designed to preclude future problems like the Hodge scandal. In addition, the General Assembly will be able to appoint its own auditor as an added check on the Executive branch of government.

The powers of the Governor (Continued on P. 17)

An easy reducing plan for Long Distance budgets.

Here are a few simple exercises that'll help you trim down the out-of-state Long Distance portion of your phone bill.

Exercise number 1: Take your forefinger and dial the number yourself. If you're calling out-of-state, 200 miles or more, it's cheaper to dial direct than to go through the Operator.

Exercise number 2: Scribble down this note to yourself a hundred times: "Evening bargain rates now start at 5 pm instead of 7 pm on weekdays. Bigger bargains apply all day on Saturday; and Sunday till 5 pm."

Exercise number 3: Switch off the late show and sprint over to the nearest phone. Because every night from 11 pm to 8 am, you can dial a one-minute call for as little as 35¢ or less. For each additional minute, the rate dips to 20¢ or less.

You'll be amazed what these little exercises can do to trim your Long Distance phone bill. To learn more (including tips for calls within the state, too), write to Illinois Bell, Box LD-30D, 225 W. Randolph, Chicago, Ill. 60606.

We'll send you the free folder "How to Get More for Your Money on Long Distance Calls." It's guaranteed to get rid of budget bulge.

We're a lot more than just talk.

St. John the Baptist Groundbreaking Nov. 22

Saint John the Baptist Greek Orthodox church will officially dedicate their new church complex, 2350 Dempster st., Des Plaines, Sunday, Nov. 22, as His Grace Bishop Timotheos of the Greek Orthodox Hierarchy will officiate at the groundbreaking ceremonies, completing phase two of the Church's building program.

The fulfillment of a dream will be realized by the membership who founded the church in 1957 to serve the needs of those families moving into the suburban area of Chicago of the Greek Orthodox faith.

St. John has achieved a membership of 886 drawing its parishioners from every suburb in the Chicagoland area including many families from the City of Chicago.

Bishop Timotheos will conduct religious services at the Groundbreaking ceremonies "a project when completed, will stand as an everlasting tribute to the vision and faith of our people." Church members will participate in the ceremonies by digging the earth and donating dollars towards the final Building costs.

Rev. Emmanuel M. Lionikis is the residing priest of St. John the Baptist Greek Orthodox church. The chairman of the Groundbreaking ceremony committee are Christian and Mary Bazos with Ernie Fifles and Lou Elliott, assistant chairmen. John and Vella Metropoulos, Mary and Nick Samaras and Mary Ellen and Nick Darras represent the program committee along with Ernie Fifles and Mrs. Martha Fifles. The food committee for the dedication is being arranged for by Peter and Sue Gallios with the 3 Hierachs. Heading the fund raising committee for the church is John Theodosakis, president of the O'Hare Inn and the 7 Eagles restaurant. Publicity for the affair is being arranged by Niles Mayor and Mrs. Nicholas Blase and Mr. and Mrs. Gus Bozmos, president of Park King in Morton Grove.

Things You Should Know! #3

6. Never leave medicines where children can see or reach them. If a tot can see a box or bottle, he'll often figure out a way to reach it. A safe, useful medicine for you, can be a poison to a child. Keep medicines hidden and out of reach—in a locked cabinet when possible. Also, never take medicine in front of small children — they may want to follow your example.

7. Always destroy unused medicine remaining from a prescription. If your doctor advises you to stop taking a drug before it has all been used, destroy the remaining portion by flushing it down the toilet. Many children have been poisoned by swallowing left over medicines carelessly put aside by adults.

8. Do not take additional drugs without asking your doctor. Sometimes various combinations of products can be dangerous. For instance, some sleeping pills should not be used with some pain killers, and alcohol should not be used with some sedatives. More next week.

Yes drugs can be dangerous. That is why pharmacists have to be professionals. IT'S FOR YOUR PROTECTION.

Ballard PTA Square Dance

The Ballard school P.T.A., has announced that its first social function of the year will be a Square Dance. The dance will be held on Saturday, Nov. 14, at 8 p.m. at the Gemini school gymnasium, Ballard and Greenwood.

Tickets at \$3.00 per couple are available from board members and may also be purchased

at the door. Refreshments will be served. Proceeds of the evening will be used to defray the costs of additional programming and educational materials for Ballard school children.

Members of the Square Dance planning committee include the following: Mesdames Iris Campbell, Sandra Gaffney,

Karen Hewitson, Dorothy Miller, Joyce Ruch, Ruth Watkins and Barbara Westcot.

At the regularly scheduled P.T.A. meeting to be held on Wednesday, Nov. 18, at 8 p.m., Margaret E. Goldman, child psychologist, will discuss new methods of training children at home and at school.

Jefferson P.T.O. Presents Family Night Nov. 14

The Jefferson School P.T.O. is presenting their "all you can eat" chicken dinner and floor show at their annual "Family Night" on Saturday, Nov. 14.

There will be three servings this year: 5 p.m., 7 p.m. and 9 p.m. The Jefferson Theatrical Society will present a floor show entitled "This Tub Ain't Made For Water Baby, They'll be No Baths Tonight!" at each of the servings.

Although the dinner and show is sponsored by Jefferson, it will be presented at Emerson Jr. High, 8108 Cumberland in Niles.

Morton Grove Post #134 of the American Legion

The Morton Grove Post #134 of the American Legion will hold a membership caravan in Morton Grove on Friday, Nov. 13. State, county and district officials will be on hand to welcome prospective members and those who wish to verify eligibility and have questions answered regarding the Legion.

The membership night will begin at 8 p.m. at the Legion Memorial Home, 6140 Dempster.

Assisting Commander Raymond Harris is greeting distinguished guests and prospective American Legion members will be post Sr. Vice Commander Bill Cunnally. He is handling membership and at the last district meeting turned in a 75% of last year's total membership count.

Material on the Legion will be available and interested parties in the village are requested to stop by and pick up some of the printed brochures.

Viet Nam veterans especially are encouraged to consider membership in this largest of all veteran's groups. Men and women also serving in the army, navy, marines, coast guard or air force and having been discharged honorably during the periods of World War I from April 6, 1917 to November 11, 1918; or World War II from December 7, 1941 to September 2, 1945; and the Korean War from June 25, 1950 to July 27, 1953 are also all eligible.

Those not able to meet the Legion officers that night and who desire additional information may phone Cunnally at YO 5-1114.

Melzer PTA

The Melzer PTA will present Howard Michaels, pharmacist, at their meeting on Wednesday, Nov. 18, at 8 p.m. in the all-purpose room at 9400 Oriole. He will speak on "drug abuse".

There will also be two young adults from Gateway House and representatives from the Morton Grove and Niles police departments. All parents and 5th and 6th grade students are invited. This will be an informative meeting and all are urged to attend. Refreshments will be served by the 5th grade room representatives.

Golf-Maine Park District

Registration for the Winter Pre-School Program offered by the Golf Maine Park District begins on Tuesday, Nov. 17, at the Park District Office, 9390 Dee rd., Des Plaines.

The objective of our program is to create a safe, creative and constructive recreation program for pre-school age children. This may be a child's first time away from parents and/or exposure to group activity. We make the experience pleasurable through games, crafts, treats, music and dance; thereby adding smiles and enthusiasm to your child's day.

Class size is limited to 20 children, with two instructors per group. Each session will last ten weeks. Classes begin on Jan. 4 and terminate on March 12.

The Park Office is open at 9 a.m. and registration is on a first come first served basis. No registration will be taken before Nov. 17, but information brochures are now available for those wishing advance information. Registration is at the Park Office only, not by mail or phone. New registrants must bring birth certificates.

Congratulations!

A girl, Kelly Maureen, was born at Lutheran General Hospital on Oct. 24 to Mr. and Mrs. William C. Burke, Jr., 8019 Foster Ln., Niles. The baby weighed 7 lb., 5-1/2 oz. at birth.

How natural gas research set a new world land speed record and opened a world of new advantages for you:

History was made recently at Utah's Bonneville Salt Flats. The scientifically-designed Blue Flame rocketed to a new world land speed record of 622.407 m.p.h.! The fuel—liquefied natural gas. The same natural gas energy that warms your home and cooks your food!

Northern Illinois Gas Company was deeply involved in the development of The Blue Flame. Not just to set a new world speed record, but to bring you a world of new advantages from natural gas energy.

Before long, whole fleets of cars, buses, trucks... and even supersonic jet planes may be powered by natural gas energy. Because natural gas energy is almost pure energy, exhaust pollutants from these vehicles may be reduced 50% to 90%.

And that's not all.

Like the modern gas appliances you have today, the engines of these vehicles would be simpler, with fewer parts to wear out. And, like all gas appliances, operating costs may be lower (liquefied

natural gas may cost less and give better mileage than gasoline), so you'll probably pay less to come and go, or to ship and receive.

These are only a few of the exciting possibilities opened up by The Blue Flame Project. And The Blue Flame is only one of many research projects in which Northern Illinois Gas Company is now participating.

There's a lot more coming from natural gas energy. And we're going to help bring it to you.

Carr, Leonard at Mill Run

What is so rare as a night-after-night concert in the round of song and wit? The maker of music is the internationally famous songstress, Vikki Carr, and the maker of barbs is none other than Jack E. Leonard. Together, they are appearing at the Mill Run theater in Niles, on Tuesday, Nov. 17 through Sunday, Nov. 22.

Very few entertainers sing with such heart that it overflows on stage. Vikki Carr is one of these... as proven by her box office successes in night clubs throughout the world, her command performance for Queen Elizabeth, and her appearances on every major network variety show. Recognized by international audiences as a respected representative of the United States and its Mexican-American community, Vikki Carr is

a favorite of record buffs, bistro regulars, and television viewers from Sussex to Sydney and Tokyo to Toronto.

Jack E. Leonard's entry into show business is the best thing that has happened to humor in a long time. The slings and arrows of his wit have hit the targets of all the major TV shows and nightclubs throughout the country.

Performances are Tuesday through Thursday at 8:30 p.m., Friday and Saturday at 7:30 p.m. and 10:30 p.m., and Sunday at 5 p.m. and 8 p.m.

To see the Vikki Carr-Jack E. Leonard show at the Mill Run theater, arrange for your tickets by contacting the box office or any of the Ticketron locations, including all Wards and Crawford stores.

A Bit of Old Mexico Opens

Celebrating their opening this week at 6319 W. Dempster St., Morton Grove the La Margarita Del Norte should delight anyone who is interested in a fine dining spot 'Mexicano style'.

The restaurant's gracious proprietor, Cesar Dovalina has spared no expense to make sure the authenticity of Old Mexico is echoed throughout the restaurant.

In addition to the accommodations for the regular dining, banquet facilities for up to 175 people will be available at La Margarita Del Norte. The lounge will offer fine entertainment every evening.

The menu selection of Old Mexico favorites is vast. Everything from tacos, enchiladas, tamales together with many specialized Mexican dishes is available.

For American diners who prefer to stay native, there is a complete selection of steaks, chops and poultry.

Mr. Dovalina truly adds to the Mexican atmosphere with entertainment such as strolling balladeers who will play your requests at lunch and dinner.

If Old Mexico authenticity and atmosphere is what you are looking for, be sure to visit the La Margarita Del Norte.

For reservations and information, call 965-1290.

Appears in WIU Play

A women's sex strike - aimed at stopping men's wars - is the Western Illinois University Theatre's modern adaptation of Aristophanes' Greek comedy, "Lysistrata," to be produced at 8 p.m., Nov. 17-21 in Browne Hall Theatre.

"It's not a hippie thing, not left wing; these are not radicals; they're just people fed up with war and their solution is a sex strike," explained Dr. James McTeague, WIU director of theatre, who did the adaptation and who is directing the Western student production.

Appearing in the cast is Lynn Bloom, 7108 Enfield ave., Morton Grove, Ill. She is a junior studying sociology.

General admission tickets are \$1.75. Student tickets are 50¢ with a WIU activity card.

Gran APERTURA

SALUDOS AMIGOS:

La Margarita is happy to welcome you to the newest supper club in the northern suburbs. The suburbs will soon discover what thousands of our friends have known for years.

Mexican dining is La Margarita—and La Margarita is the finest in Mexican cuisine. If you haven't visited

La Margarita in Chicago, visit La Margarita in Morton Grove. Discover a new world of dining excitement—be adventurous and be transported by our surroundings and re-live your Mexican vacation. If you haven't

visited Mexico, get a preview of Mexican hospitality—there is really so much more to real Mexican cuisine than Tacos and Tamales. . . . La Margarita offers a lavishly varied menu and cocktails

for all tastes, served in a romantic Mexican colonial atmosphere. . . . All this amidst strolling guitarists and singers, featuring Los Hermanos Lopez nightly.

The lounge features the Augie De La Rosa Band playing stirring Latin rhythms for your dancing pleasures.

We extend our most sincere welcome to you and your friends

Youth Conference on Atom

With the aid of a scale model, Robert Reidel (right) of Commonwealth Edison Company, explains how the company's new nuclear power stations will produce electricity. His audience includes (from left) Ruth Benca, Berwyn; Alan Brenner, 8312 Odell; Niles; Diane Kolaszek, and Pamela Smith, both of Chicago.

The youngsters were among 17 top science students from northern Illinois who attended

the 1970 National Youth Conference on the Atom. Edison was the local sponsor of the conference, which was held at the Sheraton-Chicago Hotel. In all, 500 of the nation's brightest science students were in Chicago to meet with eminent scientists and academicians and leaders in the business world. The Atom Conference is held annually to stimulate career interest among high school students in nuclear and associated scientific fields.

Try-Outs to be Held for 'Star Spangled Girl'

Try-outs for "Star Spangled Girl", Des Plaines Theatre Guild's third production of the 1970-71 season, will be held at the Guild Playhouse, 620 Lee st., on Sunday, Nov. 8 and Monday, Nov. 9 at 8 p.m.

The comedy written by Neil Simon calls for two (2) men and one (1) woman, all in their early to middle twenties. The story evolves around two (2) young bachelors that write and publish an intellectual type magazine that turns out to be a fiasco and the wholesome, "All American" girl, who just happens to be an Olympic swimming champion, that moves into the apartment upstairs. The magazine, of course, is a total failure and the young men, dazed by the financial problems now upon them, are overwhelmed by the kind and sympathetic con-

sideration given them by our "Star Spangled Girl". Her regard for the two (2) men soon leads to hilarious trouble when they discover that they have both fallen in love with her.

"Star Spangled Girl", directed by Alan Hall, will be presented for three (3) weekends in January. Open casting is the rule and everyone is invited to try-out for this sparkling comedy.

Roosevelt U. Honor Student

With the posting of grades for the 1st marking period of the fall semester at St. John's Military Academy, Delafield, Wis., a Niles boy, Cadet Richard Bohn, has achieved a 94.00 average. The announcement was made this week by Henry C. Gignilhat, Dean of the Academy.

Cadet Bohn was presented a gold star which he will wear on his uniform until such time another cadet surpasses his average. The gold star is given to ten cadets who achieve the highest average for the marking period.

Cadet Bohn is the son of Mr. and Mrs. Egon Bohn, 7167 N. Riverside Dr., Niles.

Band Members

One hundred and thirty-eight students have been accepted for membership in the Western Illinois University Bands, Director Chris Izzo announced today.

Among them is Steven C. Barnstead, son of Mr. and Mrs. Charles Barnstead of Morton Grove.

YOUNG PEOPLE WE SALUTE YOU!

Selected to Attend Workshop

Elisa Spungen, a Niles North high school senior, was selected recently by a faculty committee to attend "A Presidential Classroom for Young Americans" to be held in Washington, D. C. next spring.

Purpose of the one-week government workshop is to give American high school seniors an opportunity to study in depth the intricacies of the United States government in Washington, D.C., and to show them what the government is doing in various fields.

Elisa, who has been a member of the newspaper and yearbook staffs at Niles North for the

past two years, is co-editor of Saga, the school's yearbook, this year.

Marty Gartzman, varsity football player and assistant sports editor of the North Star,

the school newspaper, has been chosen as the alternate representative from Niles North in the event Elisa is unable to participate in the Presidential Classroom program.

V-Show Dress Rehearsal Nov. 17

Young and old members of Maine Township are in for a special treat on Tuesday, Nov. 17, when a special performance of "People", Maine East high school's V-Show '70, will be presented at 4 p.m. in the school auditorium.

Junior high students, Boy Scouts, Girl Scouts, Cub Scouts, Brownies, Campfire Girls, Bluebirds and all senior citizens

are invited to attend this dress rehearsal performance at a reduced admission charge of 50¢. It is requested that all youth groups be chaperoned. No seats will be reserved. All proceeds from this special performance will benefit the scholarship fund of the Maine East Mothers' club. Refreshments will be served during intermission.

Seek School Board Candidates

An appeal for qualified candidates to fill school board vacancies was issued during the initial meeting of the East Maine Township General Caucus on Thursday, Oct. 22 at Gemini school.

A search committee, appointed by chairman Alvin Friedman, 7317 W. Foster ave., Morton Grove will be active during the next 60 days finding potential candidates for board positions. In the April election of 1971, two vacancies will be filled on the School Dist. 63 Board and none on the High School Dist. 207 board.

He stated that the prospective candidates should contact the following members by phone after 7 p.m. in the evening: Michael Conway, 9032 Washington st., Des Plaines - 299-0584

Michael Lavin, 9240 Fern ln., Des Plaines - 299-6451
Gary McAvo, 126 Stacy ct., Glenview, 729-3429

Mrs. Sylvia McNair, 8150 Davis st., Niles 965-4184

Those who wish to apply to the committee must reside in the area which the East Maine Township General Caucus serves. It comprises unincorporated East Maine, Niles, a portion of Morton Grove and Glenview.

At the next general caucus meeting on Dec. 10 the list of candidates compiled by the search committee will be turned over to the nominating committee. This committee, in turn, will interview the persons on the list and then make a final selection of those candidates eligible to appear before the caucus and the general public meeting in February. At this time, the candidates will have the opportunity to present their views and answer questions during an allotted time period, concluding with the delegates or their alternates voting on the candidate of their choice. Persons receiving a majority of the votes will seek election to the board seats in April, 1971 as caucus-endorsed candidates.

LETTER to EDITOR

An Elated Democrat Speaks

Dear Sir: You have such a great and strictly unbiased newspaper, that I will not be disappointed if my remarks of this letter are not published by you.

After attending many meetings, where I had occasion to meet each and every one of the Democratic Candidates and learning of their sincerity and

knowledge of the political position they wished to hold, it makes me feel a great satisfaction for my campaigning for them and that only good things will come to our village from their offices. Thank you sir.

Respectfully,
George C. Hall

Civil Defense Sirens Info

I have been amazed and disturbed at the response the 10:30 a.m. Tuesday test of the Civil Defense Sirens has produced. After all the years this sound has been heard on Tuesday at 10:30 a.m. (every Tuesday in Chicago and several surrounding suburban villages and towns and the First Tuesday of the month in Niles.) It seems strange so many people do not know the reason or meaning behind these sirens.

The reason for the blast on the siren is simple, it is to make sure the siren works! The reason for the test on Tuesday at 10:30 a.m. is also very simple, it is the nation-wide time for the test, set by the Federal Government. All over the country in every village, town, city and county that has a siren system the test is made on Tuesday at 10:30 a.m. Now, the reason for the sirens is also very simple, they are a warning device, a warning device to inform the public of some sort of danger that is at hand. There are two (2) signals the sirens produce, one is a steady blast for 4 to 5 minutes to get the attention of the people. This is the ALERT SIGNAL. The second signal is a 3 to 5 minute wailing sound on the sirens. This is the ATTACK WARNING. This signal will only be used to warn of an attack against the United States by an enemy power.

The Alert Signal (3 to 5 minutes steady blast) is used to alert the people of a danger, a threatened or impending emergency. In Niles, and most other areas, the Alert Signal means people should turn on their radio or television sets to hear important emergency information being broadcast. You should find out now before any emergency occurs, what warning signals are being used in your community, what they sound like, what they mean, and what actions you should take when you hear them. Also, whenever a major storm or other peacetime disaster threatens, keep your radio or television set turned on to hear Weather Bureau reports and forecasts (issued by the Environmental Science Services Administration of the U.S. Department of Commerce), as well as other information and advice that may be broadcast by your local government.

When you are warned of an emergency, get your information on the radio or television. Use your telephone only to report important events (such as fires, flash floods, or tornado sightings) to the local authorities (police). If you tie up the telephone lines simply to get information, you may prevent emergency calls from being completed. What about that siren blast at 10:30 a.m. on Tuesday? It may save your life!!!

CHICAGO HAS A GIFT FOR YOU

TONS and TONS of SALT

The salt that saves your life destroys your car's life by rusting it out long before it wears out. The U.S. Department of Commerce reports that corrosion loss in this country is estimated at a whopping \$10-billion a year. In fact, one seventh of our yearly iron production goes toward replacing rusted metal.

This means simply that rust costs you money. How? For one thing, your car depreciates at least \$100 yearly and rust alone is responsible for most of that.

Don't sit back and let rust eat away your \$200 fenders and blister your \$175 paint or poke holes in your \$50 rocker panels. Not when you can stop rust completely with a ZIEBART rustproofing job—even if your car isn't new.

Remember, no car is rustproofed at the factory, any factory — and undercoating alone promotes rust. Bring your car to experts. Our rustproofing works!!

Cars we rustproofed in 1965 are still rust free and going strong. If you want proof, visit our shop at 1920 Lake Ave., Wilmette.

Hockey Program

The Morton Grove Park Dist. will have registration for its Hockey Program on Saturday Nov. 14 from 1 to 3 p.m. at the Harrier Park Pool building, 6250 Dempster. Only boys accompanied by a parent will be able to register.

Those interested in helping out with the Hockey Program should contact Ronald Piper, athletic director at that time.

There will be a \$5 non-refundable fee. The Park Dist. will furnish each boy with a Hockey Jersey. The boys will be required to furnish their own helmet, mouthguard, hockey skates and hockey stick. The Park Dist. will also furnish goalie equipment. There will be three age groups: Pee Wee 8-12; Bantam 12-14; Midget 14-16 years of age as of May 31, 1970. Try-out time and practice time will be announced at registration.

Troop 880

One of the many things coming up for Girl Scout Senior Troop #880 of Morton Grove is its creative boutique items being shown in a Nov. 12 bazaar at St. Isaac Jogues. We have been working lately to create some fast-selling items such as scarves, decorative candles, fantasy film flowers, decoupage pictures plus many more.

OH, THAT FRESH CORN AND BUTTER

I was surprised to learn recently that a lot of men do not know how to cook fresh corn out of doors over an open fire, or charcoal. While they charcoal broiled steaks, hamburgers, or hot dogs for the family, their wives boil the corn in the house.

Now there's nothing wrong with that. Fresh ears of corn are glorious whatever the method of cooking. But corn cooked over charcoal, or when the fire has died down to embers is my favorite.

Strip the husks back to the end of each ear, but don't tear them off. Get rid of the silk and soak the ears in cold salted water for a half hour. Then drain the ears and brush them with melted butter and sprinkle with salt and pepper. After pulling the husks up around the corn again, wrap each ear in foil and twist each end tightly to a close.

You should turn each ear frequently and they should be done to your taste in about 25 minutes.

KEEP UP THE GOOD TASTE

FOR HOSTS: TOASTS

Whether it's skool, salad or cheers that's exclaimed, the toast is the shotheard 'round the world. It rings out wherever there's laughter, love and good "spirits."

Oddly enough, this happy custom had a solemn start. The ancients drank to their gods during religious rites. It wasn't long, however, before some good-time Greeks got the idea of drinking to the here and now. The Romans were even heartier. They complimented their lady friends by draining a cup for each letter in the damsel's name. And it was a Roman who coined a phrase that's come down through the centuries. "Let us wet our whistles" was his contribution to conviviality.

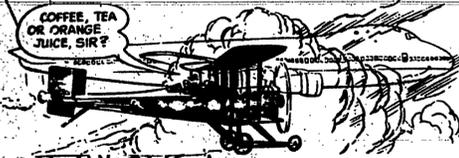

wine and women, mirth and laughter/ Sermons and soda water the day after."

Since then, we've toasted love and war, mother and money - we've even toasted the bank. There are tender toasts and dryly humorous ones. Mark Twain's witticism: "Let us toast the fools - but for them the rest of us could not succeed."

Many toastmasters drink to the drink in their hand. "Here's champagne to our real friends, and real pain to our sham friends." An English poet Lord Byron, created a couplet that became a famous toast in England and America: "Let us have

Although American toasting procedures couldn't be simpler (just stand, clink and drink), our toasts are among the most colorful in the world, according to a genial salesman for Heublein tails. Who hasn't heard or said, "Here's mud in your?" The phrase was born in pioneer days when a farmer, about to leave town and head west, would stop at the tavern for a last round of drinks. The thought on everyone's mind: would the new land be rocky and hard to plow, or would the soil be soft and rich throwing specks of mud into the eye of the man behind the plow? The toaster hoped for the latter when he said, "Here's mud in your eye!"

FRAME FOR BABY

What do you give new parents when diaper service is already scheduled and baby has all the clothes he needs? For a remembrance that the proud pair will treasure, the Picture and Frame Institute suggests a small silver frame to hold baby's first picture. A traditionally framed portrait of baby has an heirloom quality that makes it a keepsake throughout the years.

No Equality
Bushmen in Africa's Kalahari region never take women on a hunt or allow them to touch arrows. To do either is considered an invitation to bad luck.

Monster At Large In United States

This repulsive creature with greedy eyes and sharp teeth is known as a corrodent. He is a cartoon creature created by the Committee of Stainless Steel Producers, American Iron and Steel Institute, to dramatize the loss of \$10,000,000 worth of metal each year to corrosion in the United States.

According to the Committee, taxpayers may feel the corrodent's bite through the high cost of maintenance in municipal water and sanitary waste-water treatment plants, two of the corrodent's favorite habitats. Municipalities, however, can look to stainless steel for an economical solution to the corrosion problem. Known by housewives for its eye-pleasing, easy-to-clean finish, stainless steel is recognized by industry as one of the best corrodent fighters in existence.

Industry may never lick the corrodent problem entirely, but stainless steel helps keep him in his place.

"I REMEMBER"
BY THE OLD TIMER

From an Old Timer, Louisville, Ky.: I remember when we rode in a car that had no sides. Everyone would pile in and my dad would snap the curtains on the car. It has "isen glass" windows, which would turn yellow after use. The horn was a bulb outside the car. I remember going up to my great-grandmothers in a brand new Packard. You could see the rear wheels go around while in the back seat. My grandparents were proud owners of a surry with a fringe on top and a pair of matched black horses. Grandma thought autos were a "spawn of the devil."

As we rode to grandmothers, the road was just big enough for one car to pass. As we came to each curve, you would begin to honk the horn so that if another car was approaching you would not hit head on. If you did meet a car and there was no room to pass, each driver would get out and decide which one had the least distance to back up to the rare places you could park and let the other car go on its way.

I remember the "Straight 8," Model T, the car our neighbor bought with a rumble seat . . . the Hupmobile, Terraplane, Star, Moon and on down the list.

I am not signing my name nor address. Why should I admit how old I am?

"CURFEW" - We hear this word a lot today, though it still has an old-fashioned flavor about it. It started in the Middle Ages, when peasants were required to cover their fires before nightfall. The signal for this was the ringing of the "cover-fire" bell. French for this is "couvre-feu." The 11th Century Normans took the word to England as "corteu" - the bell warning citizens it was time to be safely home.

By The Numbers
NEW YORK (ED)—Everyone's statistic-happy in this computerized society of ours. Not just baseball batting averages, tax benefits, but—and, after all, this is the year of the census—even when it comes to such everyday tasks as mowing your lawn, there are some interesting numbers involved.
Know how many people in the U.S. operate power mowers, for example? Some 27 million.
And how many of them are operating power mowers for the first time (their own, that is)? Four million.
That power blade... know how fast it spins? About 18,000 feet per minute.

- 5 lemons
- 5 lbs. sugar
- 1 lb. English walnuts

ment when you serve your favorite chicken salad, as does this following recipe.
2-3 lbs. fresh peaches
1 fresh pineapple
1 C. walnut meats
1 small jar maraschino cherries (with their juice)
4 C. sugar
Wash and peel those sun-ripened, aromatic peaches, stone them

top (stash it in a suitable container of water so it will become a growing kitchen window decoration - no, it won't grow that big), peel the pineapple and cut into cubelets. Naturally, you discard the fibrous core.
Now combine the pineapple bits, peach slices and the sugar and stir over medium to low heat until all the sugar has been dissolved. Bring up to the boil and cook 15 to 20 minutes until this mixture has become clear and thick. You'd better mind this one, stirring quite a bit, since there is a bit of sugar involved and a moment's inattention will result in a scorch and that means a "throw-out".
Add the chopped nut meats, the maraschino cherries, which you have cut into quarters and the juice from their glass container. Cook one more minute's worth and that's it. Pour off into hot, sterilized jars and seal. You should have somewhere in the neighborhood of 6 half-pints. (What a Christmas gift these would make!).
There are those who like to add a few drops of almond extract for added flavor. Mighty good!
Newt.

WALT NEWTON

(Alright, Muzzy, IF you MUST, pit them) and then slice, measuring to see you have a total of 3 cups. Twist out the pineapple

HOW DO YOU USE OUR SERVICES?

Upon receiving notification that you have a position open, our counselors screen potential applicants. Upon finding the applicant he feels is most qualified, you are informed and an appointment is arranged.
Parker applicants, prior to your initial interview, have gone thru a thorough testing program to determine motivating factors, success patterns and stability. Their references have been checked.
Each one of our offices is equipped to handle this testing and screening. Also for your convenience, there is an office available for premise interviewing whenever you wish to use it.

Double Reminder....

Cont'd from Niles-E.Maine P. 1

After receiving the completed applications the village will send the appropriate number of vehicle and dog tags by return mail. The Data Packs will be mailed the middle of November. If you haven't received yours by December 1, 1970 please call 967-6100 and another will be sent you. Additional vehicle and dog tag applications may be obtained at the Administration Building, 7091 Milwaukee and will be mailed to any resident upon request.

Village Clerk Frank C. Wagner, Jr. also reminds all citizens over 62 years of age that they are again entitled to purchase one passenger vehicle sticker for only \$5 instead of the \$10 charge.

Mail early and be first to display your 1971 vehicle sticker.

LEFT HAND...

Continued from Page 1

communities news in one paper, has been successful, but the future battles with these corporate behemoths will force us to reach a decision in the next months as to which direction to go.

Perhaps our major problem in fighting the battle for the advertising dollars is our lack of clout in the community. By playing the role of Mr. Clean, and refusing to align ourselves with any political party, has put a squeeze on us which is frustrating. While we blanket the community with circulation, the local bank advertises in a newspaper which has one-third the circulation the Bugle has in its primary market. Upon closer investigation we notice the publisher is a power in the state legislature. Since his papers receive all the bank advertising here, as well as much from outside areas, lends suspicion its good business for banks to today to state legislators who are close to Senate banking committees and their like.

Another 52-a-week full page advertiser had better results from our newspapers than the Senator's newspapers but the advertiser told us the Senator had done him a favor and he felt obliged to use his newspapers. The revenue lost by this kind of clout is great.

On another front we're now running into problems with legal notices. Even though Niles Park District hasn't the slightest idea what circulation it receives from a Des Plaines newspaper, it is now placing legal notices there. We have a similar problem with the village, even though our circulation exceeds the papers they use by 3 and 4 times.

The top legal authorities in Illinois tell us to take action but remind us the cost will be high. Both the village and the park district have forced our hand, even though such action is obnoxious to us. Since we've chosen never to ask for favors, nor give them, in our Mr. Clean battles for the village, we are going to take action, even though the village and the park district have an obligation to get the top legal advice on the matter. By refusing to do this they place us in a vise which is poor public relations and should be unnecessary.

Each year since we've been in business we've increased our revenue by a minimum of 20%. But in light of the money squeeze this year, plus the movement of the big boys into suburban newspaper publishing, plus the lack of good business practices from the prime advertisers here, we may have to take one step we've avoided thru the years.

Our initial concern in publishing was this area needed a local newspaper. And the subsequent cleaning up of a disreputable community, plus the need for a change in government, proved our efforts were worthwhile and necessary. But the hard economic facts have told us we've got to move on in the 70's. Thus, expanding The Bugle into neighboring communities is inevitable. The beginning of this expansion will take place this spring. And while we've resisted such an idea, we are left with no alternatives. And while such an expansion will prove economically attractive, the local nature of the newspaper will be lessened. It's a sad commentary, since we'd prefer to stay a local paper. But the squeeze is forcing our hand.
