## THANKSGIVING DAY

MAY YOU AND YOURS CONTINUE TO ENJOY EVERY BLESSING

Turkey tidbits, . . .

Many feel the bounty they have at Thanksgiving time might be shared with those less fortunate. We spoke to personnel at the Maryville Home in Des Plaines and were told the children there spend the holidays with their families and with "volunteer" families which periodically bring children into their homes. We were told it was not a good idea to take the children into a strange home for just one day or even a holiday period and then return them to Maryville. While there are about 400 children who live at the home on Central Road and River Road many of them are provided with regular family visits, either from the regular volunteer families or their own natural families.

We also spoke to the public relations people at Lutheran General Hospital and asked if the many out-of-state nurses and students there have somewhere to go for the holidays. We were told the volunteers service league at the hospital provides many of the personnel with homes away from home for the holiday season. However, if anyone would like to invite hospital personnel home they should call the personnel office at Lutheran General Hospital.

While we received no commitment from military bases in the area, some of The Bugle girls in the office said they have tried several times to invite sailors and soldiers home for the holidays but without success.

I'm sure most veterans could relate the many kindnesses they received from strangers during their military days. I often recall a very bleak early morning during the early forties when I was hitch-hiking back to London from a suburb nearby. It was 2 a.m. and cold and very lonely on a barren road which had little traffic. A stranger wearing the uniform of the home guard came along and said the chances of getting back to the city were slim and invited me home. Inside his house he insisted I sleep in one of his children's beds and awakened the youngster and made her double up with her big sister. The next morning I was fed a real egg, which was the ration the entire family received for the month. It was a most humble home. And whenever I think of Thanksgiving I remember these kind people. Despite their many wartime deprivations they shared their small bounty with a stranger. While the date and the time and the country was unimportant they truly lived the spirit of Thanksgiving. In their small way they seemed to be giving their "thanks for living", which is part of what Thanksgiving is all about.

## MAINE NORTH OPENING SET FOR MONDAY

The Board of Education of Maine Township High School District 207 has confirmed the opening of Maine North High School on Monday, Nov. 30. Dedication ceremonies for Maine North will be held early in February, 1971. Soon after the dedication an Open House will be scheduled to permit parents to meet the teachers of their sons and daughters. Further information on these events will be released at a later date.

Mr. Roy O. Makela, president of Dist. 207's Board of Education announced that all equipment has been delivered and is being set up and that the school's administration offices have already moved into the new facility.

Board members had toured the facility last Saturday and commented at Monday night's meeting that they were well pleased with the progress that had been made at the new school.

Robert A. Wells, principal of Maine North, told Board members that two-hour orientation tours of the new building will be conducted during Thanksgiving week for the 1,000 students scheduled to attend the school. Students will be transported there by bus from the Maine high schools they presently are attending.

At the meeting the Board accepted the recommendation of the Maine Township Road Commissioner to name the access road leading south from Central rd. to the Maine North site "Dee rd."

The Board also authorized the administration to work with Donald Stillwaugh, school architect, of Erickson, Kristmann & Stillwaugh, Inc., to arrange for exterior lighting at Maine North, including both the building and the parking lots. Temporary lighting is to be made available until permanent lighting is installed.

A resolution was passed by the Board.

### Holiday Driving Requires Caution

Thanksgiving Day is usually a family-centered celebration with fewer motorists taking extended trips than during other holidays, according to the Chicago Motor club-AAA.

But the motor club emphasizes the need for special caution even when travelling close to home. The majority of fatal traffic accidents occur within 25 miles of home.

Adherence to the common sense rules of everyday good driving will add to the enjoyment of your family's Thanksgiving celebration and safety of all motorists.

### Urge Christmas Seal Campaign Support

Niles Christmas Seal chairman, Charles L. Barbaglia (r), and Frank C. Wagner, Niles village clerk, admire the 1970 Christmas Seal message which appears on the sign in front of the village police station. Mr. Barbaglia, vice president of the Bank of Niles, announced the location of other local signs which will carry the Seal slogan this month.

In support of the 1970 Christmas Seal campaign, Village clerk Frank C. Wagner joined Charles L. Barbaglia, Niles Seal chairman, this week (Monday, Nov. 9) to draw attention to the campaign opening in Niles.

They met to view the Village Police Station sign which now carries the Christmas Seal slogan — "Let's Stick Together. Use Christmas Seals." — to bolster the campaign which opened officially on Tuesday, Nov. 10.

In addition, Barbaglia, who is

vice president of the Bank of Niles, said arrangements have been made to have marquee signs at Golf Mill Shopping center, Lawrencewood Shopping center, and Niles Park District Building carry the same slogan.

The campaign, conducted by The Tuberculosis Institute of Chicago and Cook County, will run through December to raise \$1.1 million for the Institute's fight against air pollution, cigarette smoking and respiratory diseases, including emphysema and tuberculosis.

### Record Mercy Donation

Employees at Lutheran General Hospital, Park Ridge, gave a record \$19,385 to the Metropolitan Crusade of Mercy. This represents a 20% increase over 1969.

Giving for the Crusade of Mercy has shown a 77% increase since 1963 when the first Crusade of Mercy drive was conducted at Lutheran General. During the past years, Lutheran General employees have contributed close to \$75,000 to help others through the Crusade of Mercy.

# Illinois Bell Issues Revised Rates

Revised rates for Illinois Bell Telephone Company in accordance with the order issued by the Illinois Commerce Commission effective Nov. 7.

The new rates were formulated to produce the Commission's authorized increase of \$77,864,000. In its request of 11 months ago, the company asked for an increase of \$86,500,000.

Charles L. Brown, president of Illinois Bell, in commenting on the Commission's rate order, said: "We will, of course, maintain a very close watch on operating and financial results but unless the cost pressures moderate, we will have to seek additional help. In the meantime, we are determined to continue serving our customers to the very best of our ability."

There are variations in the increase in basic monthly rates by community and types of service, the company pointed out. To achieve a more equitable rate treatment for all, local groups according to the number of main telephones which can be called without additional charge. For those communities which have had large telephone growth, increases are larger than those in which telephone growth has been more stable. In many exchanges, there have been no compensating increases since 1953.

The company said that the effect of the new rates on individual customers will be reflected in bills received by mid-November and later. Pamphlets with an explanation of the changes also are being mailed to customers.

Allan Blattner, Skokie manager, outlined the following increases in monthly charges. For Skokie, Lincolnwood, Niles and Morton Grove customers whose telephone numbers begin with 647, 673, 674, 675, 676, 677, 679, 965, 966 and 967 prefixes: Residence—local area individual line from \$4.25 to \$5.95; metropolitan service individual line from \$6.90 to \$7.45. Business—local main line from \$8.50 to \$14.35; metropolitan service main line from \$14.25 to \$16.35.

The charge for message units not covered by basic monthly charges is increased by a half-cent.

Calls of Chicago and suburban Metropolitan Service customers to the Outer Metropolitan Area go on a unit billing basis rather than being charged as long distance calls.

## Congratulations on LaMargarita Opening

Mayor Jules Bode of Morton Grove congratulates Cesar Dovalina (r) on opening of his beautiful new LaMargarita Del Norte restaurant and cocktail lounge in Morton Grove at 6319 Dempster. Morton Grove's mayor, leading public officials and prominent newspapermen joined in special press

preview event at attractive restaurant which is now open to public. Mariachi band is featured entertainment at La Margarita nightly. Grand opening of new restaurant is scheduled for end of the year when famed Mexican screen star Dolores Del Rio will join in celebration.

## Member of United's Century Club

David Ruff, 8833 F. Washington st., Niles, local representative for Mutual of Omaha and United of Omaha, was recently named a member of United's Century Club, a club honoring excellence in life insurance production.

Selection is based on outstanding performance in life insurance volume and service to policyowners during a 13-week period following graduation

from United of Omaha's Career Seminar I School.

The school is the first in a series of educational seminars sponsored by United of Omaha to develop proficiency in the selling and servicing of life insurance.

Mr. Ruff is associated with the Kenneth Holmes Agency, general agency for Mutual of Omaha and United of Omaha in Chicago.

## Attends Training Conference

Sol Cole, manager of the Prudential Insurance Co.'s Northtown district agency, located in Chicago at 2716 W. Devon ave., in the Independence Hall bldg., recently attended a training conference at the company's corporate headquarters in Newark, New Jersey.

He was one of 20 district agency managers from the U.S. and Canada invited to attend. The conference was in the nature of a forum for discussion and demonstration of management principles, as well as an exchange of work ideas and experiences.

Mr. Cole lives at 8659 N. Harlem ave., Niles.

## Oakton Manor Officers

Oakton Manor Homeowners Association would like to announce that it has a new board for 1970-1971. It is: President; Jack Schoenler; Vice President; Sam Kayre; Secretary; Barbara Larson; Treasurer; Pat Class; Publicity; Nancy Klein and Editor; Pat Zajdel.

Space technology has cost the nation less than the money spent yearly on hard narcotics by known addicts; about the same as that spent on tobacco or cosmetics; about half that spent in one city—New York—on legal gambling.

# District 64 Votes on Referendum Tuesday

## VOTING PRECINCTS SCHOOL DISTRICT 64

"If the school district is to continue its present educational program, voters will have to approve the tax rate increase in the Education Fund next Tuesday," Ronald Holmberg, District 64 Board of Education member, said this week.

"If funds are not available to pay for our school program" he added, "it is inevitable that somebody will get hurt—children who will have to be transferred to other schools to reduce overcrowding of their home schools, children who will not get the individual attention or services they need."

"This is because more than 80% of our Education Fund budget goes for teachers' salaries—and the only way to keep the deficit in the Education Fund in line without more funds next year is in adjusting the number of teachers. This will mean larger classes and fewer educational services."

The referendum on Tuesday, Dec. 1, proposes to increase the tax rate in the Education Fund by 35¢ per \$100 assessed valuation. The present rate is \$1.67.

The Board of Education has urged the tax increase at this time in order that an amended levy can be added for the 1971-72 school tax levy. Money would then be available to maintain the present educational program for the 1971-72 school year. If this money is not available, Board members point out, the deficit in the Education Fund will grow at a rate in excess of \$400,000 annually.

School officials estimate that the deficit in the Education Fund at the end of the current school year will be about \$1,138,910.

## Glaucoma Screening Unit in MG

Arthur Smith, president of Morton Grove Lions club, reminds residents of Morton Grove that the mobile glaucoma screening unit operated by the Illinois Society for the Prevention of Blindness will be screening, without charge, for unsuspected causes of glaucoma on Dec. 11 from 9 a.m. to 12 noon and 1:30 p.m. to 5:30 p.m.

The unit will be stationed at Korvette's Shopping Area parking lot, Dempster and Waukegan rd. The project is sponsored locally by the Lions club of Morton Grove, which is interested in promoting a large turnout for this important screening.

Glaucoma is a leading cause of blindness in Illinois and is most often found in those 35 and over. If undetected it can eventually lead to blindness. It is estimated that there are 90,000 cases of unsuspected glaucoma in the State. Glaucoma may exhibit no symptoms in the early stages according to Derrick Vail, M.D., a Director of the Illinois Society for the Prevention of Blindness. That is why it is so important for those over 35 to be checked for this disease.

Glaucoma can be present without the victim suspecting that he has an eye disease which could eventually lead to blindness, if not found and treated promptly.

The Board has expressed its belief that this deficit should not continue to increase and that the community should have an opportunity to express its approval on the educational program now available in Dist. 64. The proposed tax increase will not eliminate the deficit, they explain, but it will enable the school district to meet annual expenditures and not go further into the red.

The Education fund supports the school district's instructional program. Salaries for teachers and supporting services, plus the purchase and replacement of instructional supplies and equipment, are included in this fund. It is the largest of the 9 funds provided by law to support the school district.

Ceiling on the tax rate for the Education Fund in Dist. 64 is \$1.67. Actual rate for the

1969 levy - this tax paid this year - was \$1.6525.

Any registered voter residing in Dist. 64 may vote in the referendum. A qualified registered voter is a person who has lived in Illinois for 1 year, in Cook County for 90 days and in his precinct in Dist. 64 for 30 days. Any resident who is qualified can register at the County Clerk's office.

Polling hours for the referendum on Tuesday will be from 11 a.m. to 9 p.m. Polls will be located in the 10 elementary school buildings.

HOTLINE! The switchboard at the Board of Education offices will be open on Tuesday, Dec. 1, for extended hours to answer any questions about the referendum. The hotline number is 823-1141 and will be open from 8 a.m. until 9 p.m. on Tuesday.

### Letter to Editor A Grateful 'Lady in Distress'

Dear Sir:

I'd like it to be known that this world isn't all bad. Today I was in the Lawrencewood Shopping center when I locked my car keys and house keys in my car.

As you would guess, it was a cold rainy day and not a familiar face around, I stepped into the Lawrencewood Shoe Service and asked Mr. Hugo Horn, proprietor, if he might have a key I might try to open my car with. Can you imagine how shocked I was when he offered me the keys to his car.

Here I was, a complete stranger, and he made this most generous gesture. I had to go to school to get the house key from my son so I could get into the house where I had another set of car keys.

I can't thank him enough for his kindness, I'll never forget it.

## Mrs. Schutten Named Snowball Chairman

Mrs. John H. Schutten, 7708 Main st., Niles, has been reappointed Operation Snowball chairman for her community by Martin Paltzer, vice president of Chicago Federal Savings and Loan Assn. and general chairman of Operation Snowball. The Mental Health Assn. of Greater Chicago sponsors this annual holiday gift project in conjunction with 20 civic, religious and fraternal organizations. Mr. Paltzer said help is needed in collecting 100,000 items to be distributed to adult mental patients in the Chicago area state hospitals on Christmas Eve.

Mrs. Schutten will assist in the collection by informing individuals and organized groups in her community about Operation Snowball and by urging them to contribute the needed new items. She said, "For adult hospitalized mental patients whose home ties have been broken after years of seclusion, the holiday season can be a sad and lonely time. Individual gift packages distributed by Operation Snowball brighten the holidays and provide patients with badly needed items for day-to-day living which they might otherwise go without."

The majority of patients being helped by Operation Snowball are geriatrics. She suggested that suitable gifts for these older men and women include: sweaters, caps, gloves, shirts, underclothing, slippers, socks, warm sleepwear, bed jackets, hosiery (nylon or cotton) and hankies. Playing cards and grooming items such as soap, combs, brushes, make-up, etc. are always in short supply and welcome.

She continued, "Although Christmas is several weeks away, contributions are needed immediately so that there is time to individually gift wrap every present - 15,000 of them." Each package will contain a major gift plus necessities such as soap or grooming articles. She urges residents to add a mental patient to their holiday gift list and begin shopping early. Gifts of cash are also appreciated. Volunteers will do your shopping for you. Checks should be made payable to Operation Snowball and mailed to 407 S. Dearborn st., Chicago.

Gifts can be dropped off at the downtown Operation Snowball wrapping center, 407 S. Dearborn, 4th floor, or put into the convenient Operation collection boxes at neighborhood

Dodge Dealer showrooms. The location of the Dodge Dealer nearest you can be found in the yellow pages of the phone book or by calling the Mental Health Association, 922-0703.

# Illinois Constitution 1970 - Judicial and Education Articles

Illinois adopted a Judicial Article in 1962 which has been hailed throughout the country as having one of the best judicial organizations. The Illinois system of Supreme, Appellate and Circuit Courts was highly praised by witnesses to the Convention. In view of this, the Convention retained the structure but made some changes based on "experience". Under the new proposal there will be only two classes of judges: in the Circuit Court system instead of the present three. Judicial officers known as Magistrates will be called Associate Judges and will be appointed by Circuit Judges to fill four year terms. Present associate judges will become Circuit Court judges.

The convention could not decide whether the initial selection of judges should be by election under party labels as we presently do or appointed by a merit selection plan, so this position will be a separate option on the ballot and left to your decision. Whether or not we vote to have judges selected under the merit plan, judges will continue to run for reelection on the retention ballot. They must secure an affirmative vote of 3/5ths of the votes cast rather than the majority now required in order to remain in office. This makes it a bit easier to remove a judge who has done a

poor job but is unknown to the public.

All judges are required to be attorneys and must devote full time to their judicial duties. Supreme and Appellate Court clerks will be appointed rather than elected thus shortening the ballot to some extent. Circuit Court clerks will continue to be elected.

The Supreme Court is given the power to adopt rules of conduct for all judges and has general administrative and supervisory authority over all courts something which has been lacking in our present judicial system. Some of the present workload of the Supreme Court will be reduced by giving it authority to set the rules as to the cases heard by the Appellate Court thus freeing themselves from hearing unimportant cases. Cases involving the death penalty will automatically be heard by the Supreme Court.

Judges who violate judicial ethics or become incompetent on the bench can be disciplined, suspended or removed by the Courts Commission. In addition, probably in response to the public outcry over the recent Supreme Court indiscretions, a new provision establishing an independent Judicial Inquiry Board has been established. This board will receive or initiate complaints against judges and conduct investiga-

tions. The results of their findings will be turned over to the Courts Commission for judgement.

In amending this article, the Convention seeks to create an independent judiciary, subject to removal for cause and to improve the administration of the court system.

EDUCATION. The scope of education has been broadened from providing all children with a good common school education to providing "the educational development of all persons to the limits of their capacities". Education from kindergarten through high school will be free, with such further free education as the General Assembly may provide.

The Constitutional Convention was concerned with improving and equalizing opportunities for education. The proposal gives the State primary responsibility for the costs of public education. Schools at present receive their primary financial support from local real estate taxes resulting in wide discrepancies in per pupil expenditures from school district to school district dependent on that district's local wealth.

The proposed Education Article makes provision for a State Board of Education with members to be appointed or elected on a regional basis or a combination of the two to be

determined by the General Assembly. The Chief educational officer has been removed from party politics and will be appointed by this State Board. Its primary responsibilities will be to establish goals, determine policies, plan and evaluate education programs and to make recommendations with regard to school financing.

The section regarding public funds for private education has been retained exactly as it appears in the 1870 Constitution. This provision is more stringent than the federal requirement and allows for some assistance to private schools while reserving the states primary role to support public schools. This reaffirms the traditional principle of separation of church and state, but will allow programs now in effect such as the State Scholarship program, pupil transportation, school lunch and industrial training programs to continue. Retention of this article was accepted by delegates on both sides of this controversial question and public support of private education did not become an issue at the Convention.

Local school board officials will have only those powers given them by the General Assembly, which is a stipulation of the Local Government Article, thus retaining our present

## Elected to Board

The Illinois Institute of Technology freshman class has elected its Fresh Board for 1970-71. The five-member group represents the class on the Illinois Tech Student Assn. Board of Control and plans class activities.

The five, selected from a slate of nine candidates, included: David Epstein, 6627 W. Davis st., Morton Grove.

system. They may not incur any debt payable from real property tax receipts for a period in excess of 40 years and they may not make any improvements to property by special assessment. The General Assembly is authorized to fix the bond limits of school districts by law. It can reasonably be anticipated that unit school districts will be given greater bonding power than districts maintaining only elementary or secondary schools.

According to Paul E. Mathias, Chairman of the Committee on Education "The proposed Education Article establishes the goal of public education, provides for the structure and flexibility which will enable the General Assembly to further improve our educational system."

The League of Women Voters, a nonpartisan organization, after study and consensus of its members urges all citizens to support the proposed Constitution. Information on this article or other articles in this series may be obtained by calling Mrs. Kurt Keller at 272-5813.

## CHICAGO HAS A GIFT FOR YOU

TONS and TONS of SALT

Courtesy of CAR LIFE

The Salt that saves your life destroys your car's life by rusting it out long before it wears out. The U.S. Department of Commerce reports that corrosion loss in this country is estimated at a whopping \$10-billion a year. In fact, one seventh of our yearly iron production goes toward replacing rusted metal.

This means simply that rust costs you money. How? For one thing, your car depreciates at least \$100 yearly and rust alone is responsible for most of that.

Don't sit back and let rust eat away your \$200 fenders and blister your \$175 paint or poke holes in your \$50 rocker panels. Not when you can stop rust completely with a ZIEBART rustproofing job—even if your car isn't new.

Remember, no car is rustproofed at the factory, any factory — and undercoating alone promotes rust. Bring your car to experts. Our rustproofing works!!

Cars we rustproofed in 1965 are still rust free and going strong. If you want proof, visit our shop at 1920 Lake Ave., Wilmette.

Womens Federation, The Woman's Club of Niles which is featuring handmade and handcrafted articles at reasonable prices with Christmas gift giving in mind. Also will be featured many homemade bakery goods.

The bazaar will be on Dec. 4 at 9 a.m. till 7 p.m. and Dec. 5 at 9 a.m. to 12 noon at the Niles Savings and Loan at 7077 W. Dempster st., Niles.

Part of the working crew are pictured standing - Mrs. Paulette Gardner, Mrs. Marcia Keith, Mrs. Estelle Boyk (chairman of philanthropy), Mrs. Barbara Hedrich, and Mrs. JoAnn DiCicco. For further information call Mrs. Dotte Krause, 827-1973.

## SPARES Honor Alice

On Sunday evening Nov. 8, The Spares Club honored Entertainment Chairman Aileen "Smitty" Alderson, of Morton Grove for her outstanding effort in behalf of the club.

Mrs. Alderson, an outstanding Ballroom, Square and Round dancer, joined the Spares Club in November 1969, three months after her husband's cancer death. Upon joining the club she soon assumed the job of Entertainment Chairman.

It is in the area of Ballroom Dancing that Mrs. Alderson went beyond the call of duty and earned this award. This fall the Club contracted for Basic and Intermediate Ballroom Dancing instructions. Fifty-four people registered for intermediate lessons and twelve for Basic instruction. Since the tuition from twelve people would not be enough to pay the instructors, the basic ballroom dancing was cancelled. Mrs. Alderson, upon cancellation of this phase of this instruction

## Auxiliary Luncheon

Helping to insure a merrier holiday for the hospitalized veterans will be the Morton Grove American Legion Auxiliary unit #134. Their annual Christmas Cheer luncheon party set for next Wednesday, Dec. 2 derives funds for this worthy cause.

Mrs. William Eaton, Unit 2nd vice president, is chairman of the event. She indicates the 11:30 event will feature Santa with gifts from his pack for boys, girls and adults! The popular "Rose Bowl" will be available and special prizes including canned goods will also be prominently a part of the afternoon. After a delicious luncheon, cards may be played for the remainder of the afternoon. There will be table prizes and door awards.

Pictured are Messrs. Marilyn Kramer, Elaine Bergeron and Gerri Boehlke all of Niles.

## Ski Program

The Golf Maine Park District invites the public to a ski orientation program on Dec. 7, Monday from 7 to 8:30 p.m. at the Stevenson school gymnasium. The professional ski director, Keith Chew, will answer questions pertaining to purchase of equipment, what to look for, ski safety, proper clothing, what will be covered in our ski lessons, question and answer period, and a free ski movie. This program is offered in advance of the ski program being offered by the Park district beginning Jan. 7, 1971. All 5th graders thru adults may attend. Lessons will be held on Thursdays.

Our bus will leave from the park office, 9390 Dee ed. at 4:30 p.m., taking us to Fox Trails, in Cary, Ill. Once there, we will receive a 1-hour lesson, and then be allowed 2 more hours of free hill time in which to practice. Registration fee will include transportation to and from, all equipment, five 1-hour lessons, and 2 hours of free hill time after each lesson. If you are undecided as to taking lessons, it would be a good idea to attend the Orientation program. It is free and will make for an enjoyable evening. Come and bring your family. For further information, please contact the office, 297-3000.

## Bulls-San Diego Game

On Saturday evening, Dec. 12, the Golf Maine Park district will present the first of its scheduled trips to the Bull's games. The Bulls promise a real blast off as they team up to stop the San Diego Rockets, sparked by Elvin Hayes and Larry Siegfried. Eight fathers are needed as supervisors on our trip. The first 8 to sign up will get free tickets and travel arrangements. The bus will leave from the Park office at 9390 Dee rd., Des Plaines, at 6:30. All boys and girls in the 4th grade and up are welcome. Cost of transportation, ticket and supervision is \$3.00. Sign up early, as registration is limited. Those wishing additional information should contact the park office, 297-3000.

## Maine Antique Show Smashing Success!

Viewing the crowds from the refreshment corner at the Maine East Mothers' Club Seventh Annual Antique Show and Bake Sale, held November 6, 7 and 8 are (from l. to r.) Mrs. C. Miller (Niles), Mrs. M. Guarriero (Park Ridge), Mrs. R. Erickson (Park Ridge), bake sale chairman, and Miss Patricia Grippo (Park Ridge), a student from Maine East who helped with serving refreshments. The specially designed floral centerpiece was provided by Audrey's Flower and Gift Shop of Park Ridge. "Another smashing success!" is how Mrs. Theodore Grippo, show chairman, described the affair which has become such a popular event that she had a waiting list of over fifty area antique dealers anxious to display their wares. The net proceeds from the show go to the Mothers' Club Scholarship Fund. Mrs. R. Berquist (Niles), Awards' Chairman, reports that she is eagerly looking forward to adding the names of more deserving students to the list of those who have benefited in the past. The Maine East Mothers' club wishes to thank all people who contributed to the success of the Seventh Annual Antique Show.

## Pack 45

Halloween was celebrated early as the cubscouts in Pack 45 arrived at the Oct. 29 pack meeting in their Halloween costumes. Colors were presented by the young men in Den 10, and Cubmaster Rich Helmfink, disguised as a hobo, directed the festivities for the evening.

The judging of outstanding costumes produced the following winners: Den 1-Bob Pisani, Den 3-Bob Webber, Den 4-Robin Klein, Den 6-Bob Berg, Den 7-Ken Miller, Den 9-David Pisani, Den 10-Richard Devery, and Webelos 2-Ray Feldman, Den 7 received an outstanding recognition as a group.

The main attraction for the evening was a tour thru the "Chamber of Horrors." All cubscouts and their families enjoyed this very outstanding experience which was created by Mr. & Mrs. Robert Klein, parents of Den 4.

After the singing of a song by the boys of Den 4 and the playing of "Hot Potato" which was won by Den 7, the following cubscouts were recognized for their achievements: Den 4-Shane Nugent, denner; Gary D'Ascanio, asst. denner, Den 6-Danny Frank, 2 silver arrows; Billy Koukos, 2 silver arrows; Michael Roseri, 1 silver arrow; Jeff Rendina, work, 1 gold arrow, 1 silver arrow; Bobby Berg,

White was inducted as a new Bobcat and will join his fellow cubscouts in Den 9. Looking forward to the Nov. 19 pack meeting, all boys are to wear their gymshoes in order to participate in the 1970 Olympics. Cubscouts will compete in many competitive events and all victors will receive a feather to symbolize their victory.

## New Girl Scout Offices

Girl Scout council of Northwest Cook County has a new office located at 444 Lee st., Des Plaines. The girl scout council employs six clerical workers, six field advisors, 4 functional staff members and an executive director. The council serves 17,109 girls in the Northwest Cook area with 3,747 adults working in volunteer capacities.

Local membership figures for Morton Grove: 1,097 girls and 196 adults.

Local membership figures: Niles: 697 girls and 175 adults.

## Girl Scout Council Meets

Three hundred fifty Girl Scout adults and girls gathered for the annual meeting of the Girl Scout Council of Northwest Cook county Monday, Nov. 23, at the Holiday Inn, Elk Grove.

Elk Grove Village manager, Charles A. Willis, welcomed the delegates followed by the business meeting. The program consisted of president, Mrs. Chester Polak's report which included Cadette and Senior Scouts' presentation on activities that took place during 1970.

## Troop 846

Junior Troop 846 held their investiture and rededication ceremony at the home of Mrs. Flock. The mothers of the new Juniors attended as guests and witnessed their daughters, Heidi Flock, Linda Gallo, Barbara Buck, Mary Therese Burke, Coleen Murphy and Annette Pilousek receive their troop crest.

The patrol leaders were presented their gold cords after which refreshments were served and an entertaining musical program was enjoyed. The leaders Mrs. Burke and Mrs. Volenc have provided a very active year for the girls, which included many projects and outings. Probably the most exciting event this year was the recent Halloween party held at the Burke's Haunted House. The "Spook House" left nothing to the imagination - it had everything including cob-webs, ghosts hanging in mid-air, vampires hidden in corners but what really was the highlight of the evening was a real, honest-to-goodness "green faced" witch who appeared from out of nowhere and her delight was to capture little girls and take them away with her. The evening was a "screaming" success.

## Brownie Troop 378

Eight new Brownies; Cheryl Barbaglia, Suzanne Bligh, Julie Burke, Sheri DeGeorge, Rebecca Gomez, Marge Martin, Kimberley Lake and Nadine Trznadel were welcomed into the Brownie ring at their investiture directed by their leader, Mrs. George Martin and the assistant leader, Mrs. Frank Mucha. Following the Brownie skit put on by the two second year Brownies, Teresa Martin and Monica Mucha, the mothers present were served refreshments and entertained by their daughters. One week later, Troop #378 welcomed another new Brownie into their ring, Laura Hamrahan. Her mom was our special guest.

## Cub Scout and Webelo Pack 251

The monthly meeting of Pack 251 of Jefferson school was held on Friday, Nov. 13, at 8 p.m. Cubmaster, Don Caminiti, opened the meeting with the flag ceremony presented by Den 5 and 6 based on the theme of the month, "Pioneer Days." A candlelight ceremony to welcome new Bobcats, Tim Biancalani, Robert Hollberg, Dean Caminiti, Jamie Cairo, Tom Humrickhouse, was held. Peter Marsalli was accepted as a transfer scout at this time. The following cubscouts were presented their awards by advancement man, Andy Cairo, Den 6, Jim Jajkowski, Paul Brumbach, Eric Gallo, wolf badges; Lowell Punched, Greg Cairo, silver arrows. Webelo Den 2, Chris Cairo, Brian Caminiti, Bob Jajkowski, scientist awards. The cubmaster recognized Joan Stenger, Fran Frankenberger, and Ginny Gallo for completing four weeks of den mother training.

The scouts in Pack 251 will be selling boxes of chocolate candy between now and Thanksgiving week, with proceeds going into the pack to be used for scout outings, etc.

## Troop 601

Brownie Troop 601 of St. John Brebeuf school held its investiture ceremony at the Recreation center on Oct. 22. Mary Lee Berresheim, Barbara Boss, Geraldine Christie, Lucille Kebab, Margaret Larkin, Susan Majewski, Nancy McCabe, Mary Ellen Smith, Pamela Sparkowski, and Julie Turk were welcomed into the troop. Kathleen Maher, who was unable to attend the ceremony, was invested later at a troop meeting. Awarded Membership Stars for being Brownies for a full year were Mary Beth Dulen, Marianne Henson, Paula Kalembe, Eileen McCabe, Nadine Paschke, and Lori Schoos.

The Brownies entertained their parents and friends at the investiture by presenting a play "The Secret of the Brownie Name." Refreshments were prepared and served by Mrs. Fred Berresheim, Mrs. John Dulen, and Mrs. William Henson, with additional help from Mrs. John Christie, Mrs. Martin Majewski, and Mrs. Conrad Sparkowski.

The leaders of Troop 601, Mrs. Thomas Paschke and Mrs. Donald Smith, have planned many interesting and varied activities for the girls in the coming year and are looking forward to a tour of the Salarno Cooke Plant and a trip to Bozo's Circus in the near future.

## Pre-School Registration at Maine Hi

Applications will be taken beginning Dec. 4 at each of the Maine high schools for anyone wishing to register his child for pre-school classes to be held at Maine East, Maine South and Maine West during the second semester. The classes, conducted by junior students under the direction of a certified child development teacher, are part of the "on the job" training program for the schools' Child Care Occupations course.

About 10 to 12 youngsters of pre-school age will be enrolled in each class. Children in the Maine North area will attend pre-school classes at Maine East. To be eligible for acceptance, children must be between 3-1/2 and 4-1/2 years of age on Feb. 1, 1971.

The second semester pre-school classes will be held three days a week, from 12:30 p.m. to 2:30 p.m., beginning the week of Feb. 1. Because the "on the job" training of the Child Care Occupations class will be dependent upon the presence of pre-school children, regular attendance by the children will be expected. The official calendar of District 207 will be observed for holidays. Parents must provide transportation to and from the schools.

Applications will be available in the main office of the high schools on Dec. 4. Anyone wishing to enroll his child in these pre-school classes may come in person to the Maine high school in his area and obtain an application blank. These applications will not be sent through the mail. The deadline for them to be returned is Dec. 16.

All those applying for enrollment will receive notification the first week in January concerning the possible enrollment of their children. To defray the cost of supplies and refreshments, a registration fee of \$15 will be charged.

On Friday, Jan. 29 a registration day will be held to enable children and parents to see the facilities and to meet with the coordinator and members of the Child Care Occupations class. Children selected for enrollment must have obtained a physical examination before registration.

The Child Care Occupations course, a new facet this year of District 207's Cooperative Education program, has been developed in response to strong student interest in exploring careers in the care and teaching of children.

are under the direction of Mr. Tabur Kelly and Mr. Jack Olander.

## Stevenson School Circus Show Friday

The Adlai E. Stevenson school gymnasium, Ballard rd. and Capitol dr., Des Plaines, will again be transformed into a circus Big Top, Friday, Nov. 27, for the appearance of Berger Bros. circus, again presented by the Adlai E. Stevenson school PTA. Two performances, both matinees will be given at 12 and 3 p.m. Admission is \$1 for both adults and children.

The Adlai E. Stevenson school PTA is again presenting Berger Bros. circus as a service to its students, friends and the community and will use the proceeds from the circus for its many activities that benefit the school and the community.

Berger Bros. circus will present all new cast of Spangleland's choicest talent, including aerialists, acrobats, clowns, trained dogs, jugglers, balancing artists, and all the wonderful paraphernalia that only a circus has. Shown above, Miss Trudy Luvas and her amazing poodle review will be among the many acts to be seen.

## Outstanding English Student

James Parker Grimes is congratulated and presented an achievement certificate by John J. Clouser, principal of Maine Township high school East, for having been cited as one of the outstanding high school students of English in the country. The National Council of Teachers has named him a 1970 national runner-up in its annual Achievement Awards competition. Roy E. Howarth, English department chairman, proudly looks on.

Last spring a committee of English teachers from the high school nominated Jim to represent Maine East high school in the competition. The school was allotted one entry from the junior class for every 500 students in the total school enrollment, according to Howarth.

After nomination each student submitted samples of his best writing, including an autobiographical sketch; completed two standardized examinations on general English knowledge and skills and on literary awareness; and wrote a one-hour impromptu essay. These materials were evaluated and scored by state judging teams of highly qualified college and high school teachers directed by state chairmen.

In announcing the winners, Robert F. Hogan, Executive Secretary of the NCTE, said that the Council recommends these students, now seniors, for college scholarships in 1970, should they need such assistance. The names of these students are sent to every college and university admissions officer and English department chairman in the country. In previous years 99 percent of the Awards winners entered the college of their choice. Approximately 80 percent of those applying for scholarships received them.

The NCTE sends to all winners and runners-up scrolls of recognition and honors their high school English department with certificates of merit, reports Principal Clouser.

Mrs. Ellen Van Laningham, Phillip Loveall, and Richard Leafort have been Jim's English instructors at Maine East high school. Jim lives with his mother, Mrs. Marjorie Grimes at 2448 Victor in Glenview.

## 'Messiah' Soloists

December 6 at 3:30 p.m. Maine Township high school East will again present its traditional George F. Handel's "Messiah" concert.

Approximately 250 Maine students and four professional soloists will participate in the twenty-third consecutive choral concert. Theodore Vargas, music department chairman, has announced that the 16 recitatives and arias will be sung by Miss Peggy Smith, soprano; Miss Carol Cornelson, contralto; Mr. Dennis Sinclair, tenor; and Mr. Michael Skarry, bass.

Also participating will be the Concert Orchestra of Maine East and the combined voices of the Concert Choir, Girls' Glee club, Boys' chorus and Girls' chorus. These students

the Board petitioning the Illinois Association of School Boards to continue its effort to encourage the General Assembly to correct the discriminatory practices of distribution of state aid. The resolution further petitions that future state support of public education be equal for all districts, regardless of organizational pattern.

A second resolution was passed petitioning the Illinois Association of School Boards to organize a meeting for all dual districts in the State of Illinois and other interested parties, planned in connection with the association's 1970 annual convention to be held Nov. 21, 22, and 23 at the Sherman House in Chicago. The purpose of the meeting would be the development of a state-wide organization to explore, develop and work toward the development of a state aid formula which will provide equal educational opportunities and financial assistance for both dual and unit school districts.

#### THINGS YOU SHOULD KNOW #5

12. Don't trust your memory when taking medicine. Always read the label three times; once as you remove the medicine from the cabinet, again before you actually take the medicine, and a third time after you've taken it. Never take a medicine in the dark. THAT'S A NO-NO, ACCIDENTS HAPPEN.

13. Do not try to guess what is wrong with you or select your own medicine. Certain temporary symptoms can be relieved by medicines you can buy without prescriptions. Consult your pharmacist about these, and follow directions on such "over-the-counter" medicines just as you would with prescription drugs. BUT IF A SYMPTOM DOES NOT RESPOND PROMPTLY OR RECURS FREQUENTLY, CONSULT YOUR PHYSICIAN.

14. Be sure the label stays on (or in) a prescription container until the medicine is used or destroyed. Each prescription box or bottle label shows the name of the patient, the physician, and the pharmacist; the prescription number, date of purchase and the directions.
