Tuesday Illinois voters will decide the fate of the new state constitution by either voting "Yes" or "No" for the proposed 1970 Constitution. A simple majority vote is needed to pass the new constitution.

There are 14 additional propositions which Illinois voters will see on the blue ballot, the traditional form of presenting constitutional referendums for Illinois, and their vote will only become the law of the land if the proposed constitution is approved.

The first proposition concerns the election of representatives to the general assembly. The first choice is for electing members as is presently done, have multi-member districts and voting for them by cumulative voting. The alternate choice allows balloters to elect representatives from single member districts.

It is our opinion the 1-seat districts are preferable. The present system of cumulative voting discourages competition. In 1,790 general elections since 1902, there have never been 6 candidates for the 3 seats in the district, and 5 candidates have run in only 17 races. Thus, in 99% or 1,733 elections, only 3 or 4 candidates have competed for 3 district seats.

Cumulative voting denies voter choices. Ninety-three of 177 representatives were elected without competition on November 3, and voters in 31 of 59 districts had no choice when they voted. By contrast, 57 of 58 Senate single-member districts had competition.

Cumulative voting leads to geographically monstrous districts. Under the new 1970 U.S. Census figures, population for each district will be 195,000. One district, the 54th, is larger than Rhode Island and Delaware combined, and in 14 districts constituents must travel more than 40 miles to see the nearest of 3 representatives.

Cumulative voting is confusing to the voter and it is possible 5 ways can be marked in splitting the vote among 1, 2 or 3 candidates.

Proponents of the present cumulative voting system contend it assures minority party representation in every district. While some of the Republican members from Chicago have been merely stooges for the Democrats, others have been among the best members of the legislature. The close division of the House which results from cumulative voting may be an advantage to Illinoisans. It is possible single-member districts will result in overwhelming majorities.

The second proposition is the judicial article concerning the selection of Supreme, Appellate and Circuit Court Judges.

Voters have the choice to retain the present system which is by election in primary elections, or by petition, or to allow appointment of judges by the Governor from nominees submitted by Judicial Nominating Commissions.

VOTE TUESDAY ON ILLINOIS CONSTITUTION

On Tuesday, December 15, the voters of the State of Illinois will decide the fate of the proposed state constitution. They will also vote on four additional propositions, namely, the election of representatives to the General Assembly; the selection of judges; the abolition of the death penalty and the lowering of the voting age to 18.

The first question on the ballot, "Do you approve the proposed 1970 Constitution?" is the most important since if it falls, none of the four separate ballot propositions pass.

The League of Women Voters of Morton Grove-Niles who support the passage of the recently completed Illinois Constitutional Convention was a unique experience for Illinois - the first time since the traumatic 1920's that the state's basic law has been reviewed and evaluated for its ability to form the base for effective state and local government.

It is a tribute to the representative delegation of 116 Con members that they were able to agree so substantially on the major changes needed in the Illinois Constitution. The "package" which they are recommending to us is worthy of their work and our support. Wisely, we believe, the Convention is offering four items separately from the body of the proposed Constitution, providing an opportunity for the voters to make the determination on those few questions on which the convention members were finally unable to agree.

In order for any of the options to become effective, the "package" must pass by a majority vote of those voting on Dec. 15. It is rather pleasant to visualize that package wrapped in red and green and topped with a bow - Christmas package for the people of Illinois.

It is no surprise package. Most of the work polishes and perfects a state Constitution to make it more useful to us. The innovative Local Government Article is new but overdue. It grants home rule powers to municipalities and counties which are able to assume these responsibilities and encourages the local control and autonomy which we ask for and believe in.

Support Illinois Constitution

Village of Niles trustees, l. to r., Richard Harczak, Ralph East, Keith Beck, Richard Gruenwald, Angelo Marcheschi and Peter Pesole are shown with Mrs. Jack Panek, Local Government Chairman of the League of Women Voters of Niles-Morton Grove, and Mrs. Kurt Keller, Constitution Chairman of the League. The Niles Village Board unanimously extended its support toward the upcoming proposed Illinois Constitution referendum which will be held this Tuesday, Dec. 15, from 6 a.m. to 6 p.m. The Niles trustees and the entire League of Women Voters urge all citizens to work for the passage of this new proposed Constitution. Information may be obtained by contacting Mrs. Keller at 272-5813.

Arrives Sunday

ton-Grove Post #134 of the American Legion will take place this Sunday, Dec. 13. Due to the large size of the town, Santa Claus will have a helper. Two convertibles will travel through the village to assure the man in the red suit's being able to get up and down Morton Grove streets in the event the weatherman doesn't cooperate with snow for his sleigh and reindeers

Santa will reign at the Morton Grove American Legion Memorial home from 1-5 p.m. Specially marked pieces of candy thrown to the youngsters on Santa's route may be redeemed there (6140 Dempster) for a present from Santa. These prizes must be picked up and by the child who receives the candy that will be especially inscribed.

Golf Mill Hosts Concert Choir

Golf Mill merchants will host a preview of Maine Township High School North musical production "She Loves Me" Tuesday and Friday evenings, Dec. 8 and 11 at 7:45 p.m. The group will also serenade shoppers with Christmas carols Dec. 21 and 23.

Forty voices from the concert choir and leads from the musical fantasy will sing in the malls at Golf Mill Shopping center accompanied by an electric organ, O.D. Premo, music department chairman reported.

Leads from the musical appearing at Golf Mill will include Brad Coles, Geoff Holmes and Kathy Papajohn from Glenview and Kathy Murray from Niles. Secondary leads and supporting roles are: Jeff Epstein, Claudia Ahrens, Kathy Kreisler, Nancy Oddi, Ellen Strba, Jill Greenwald, Sue Katz, Harriet Frost and Richard Hightower Des Plaines; Sandie Drizin, Nancy Brenner, Mary Engels, Ann Silberberb, Nancy Gildin and Cindy Altman from Niles; Kathy Dorolek, Andrea Flaxman, Harion Roman, Nadine Johnson, Pam Hanson, Cindy Panfil, Marion Roman, Cindy Brown, Cathy Santori, Ron Elliott, Gary James, Joe Lechner, Leah Daskalakis, Bob Kelly, Bill Black and Karen Vander Floeg from Glenview.

The production, opening Dec. 16 and continuing through Dec. 20 will be presented at Maine Township North, 9511 Harrison st. Des Plaines. Walter Wolodkin will direct the orchestra. Christmas week the Concert Choir will return to the festive Golf Mill Shopping center to sing Christmas carols—rarely heard compositions and old favorites.

Golf Mill Shopping center is located at Golf, Milwaukee and Greenwood in Niles.

Illinois Constitution 1970: The Options

The Sixth Illinois Constitutional Convention after heated debate was able to come to agreement on the vast majority of issues with which it was faced. In four areas agreement could not be achieved and the Convention decided to leave these decisions to the electorate. The four areas are (1) Single-member vs. multi-member representative districts (2) Initial selection of judges by election on a party slate vs. appointment on a merit selection plan. (3) The 18 year old vs. 21 year old right to vote, and (4) the abolishment of capital punishment.

First let's consider Option 1A - the election of 17 Representatives three each from 59 representative districts. The method by which these three members are elected is called cumulative voting. The voter may cast his vote for 1 each of 3, 1 1/2 votes for two or cast his three votes in favor of 1 candidate. Casting all three votes for one candidate is called "plumping". This is the method of selection we are now using. This method was designed to give the "minority party" representation and was originally designed to heal the wounds of the Civil War. The original intent was to have each party place three candidates on the ballot, a total of six, and since the minority party elector could "plump" for his candidate, his party was assured a seat. The practice, however, is for the majority party to select two candidates to run leaving one seat free to the minority party. The election of representatives is usually decided in the primary when few voters vote. The minority party usually selects one candidate to run except in "swing" districts where "plumping" might give the minority party an opportunity to capture two seats. In the Nov. 3 election one-half of the districts offered the voter no choice as only three candidates were on the ballot to fill three offices. The remaining districts offered the voter a choice of three out of four.

Minority party candidates often win election by 8 to 15% of the vote nevertheless they are assured a seat regardless of how small the minority party is in that particular district. In many cases, the minority party representative closely following the voting pattern in the House of Representatives of the majority party in his district for not to do so would open the door to a challenge perhaps by one of his own party members who more adequately reflects the views of the electorate. Illinois is the only State to use this unique system. At no other level of government is a minority party assured a seat with or without a contest-majority rule applies.

Let's look at the alternative, Option 1B. Option 1-B calls for the election of 177 members of the house elected from 177 single member districts. The present 59 multi-member districts would each be divided into three parts. These districts would be smaller in area and easier for a representative to cover. This is particularly important downstate since districts often cover several counties. District 54 has an area which covers 11 counties. The interests within a smaller area would be less diverse. Instead of a free ride to Springfield, the candidates would have to compete with each other on an issue and idea basis. In addition, the cumbersome selection process which the minority of the electorate does not understand would be replaced by the simplicity of the adversary system used at all other levels of government. The independent candidate who has only a limited chance of being

electd under cumulative voting by getting a "plumped" vote would, if he was an attractive well-organized candidate, have a greater chance to compete on an issue and idea basis.

Opponents of single member districts often cite outstanding state representatives elected as minority candidates from both parties as their reason for retention of the present system. Of the 177 Representatives only a few fall into this category. Thus in order to retain these few incumbents in office they are advocating that we must accept lower quality over all representation since party loyalty rather than voter choice has selected them.

Under the single member system it would be necessary for the political parties to field their best candidates which is most representative of the district at large since higher visibility of the candidates views and voting record could result in challenge and loss of the seat. The League of Women Voters recommends that voters adopt Option 1-B Single Member districts.

Now let's look at Option 2-A calling for the election of judges nominated in primary elections or by petition. This option retains essentially the present system with nomination by petition being new. Vacancies would be filled as provided by law or in the absence of a law by the Supreme Court. Appointees would serve until the next election or until a second election depending upon the interval between appointment and the next election.

Under this system the parties have almost complete control of the selection process. Judgeships are awarded as rewards for party word and support. Even though judges would now be able to be nominated by petition, voter interest in judicial elections is so limited that it would have a negligible effect on party control.

Under Option 2-B - The appointment of judges by the Governor from nominees submitted by judicial nominating commissions, candidates for judge would be interviewed, recruited and recommended by a nominating commission.

The Judicial Nominating Commissions will consist of lawyers and non-lawyers selected in the following manner. The speaker and Minority Leader of the house each will appoint one non-lawyer for each district or circuit as applicable. The Governor will appoint the remaining non-lawyers members. Lawyer members are to be selected by other lawyers in the same circuit or district by secret ballot. There is a safeguard to assure that nominating commissions are bipartisan and there are more non-lawyer members than lawyers.

If a vacancy exists the proper Nominating Commission is notified. Within 56 days the Nominating Commission must submit the names of three qualified persons for each vacancy to the Governor. The Governor must immediately make public the names and has 56 days from which to select one of the three to fill the vacancy. Lame duck governors cannot fill vacancies. If the Governor fails to act within 56 days, the Supreme Court makes the appointment.

This plan is the Illinois version of the Missouri plan which has operated well in one form or another in 20 states. It provides an orderly way to select men to serve as judges who have the highest qualifications and removes the judiciary from party politics.

Under either of these plans judges would run for retention of office without party label and on their record. It will

take a 3/5ths affirmative vote to retain a judge in office instead of the majority vote now required making it a bit easier to remove incompetent judges who are unknown to the public.

The League of Women Voters believes there is no Democratic or Republican formula of administering justice. Justice should be administered impartially without party influence and we encourage the voters to vote for Option 1-B, the merit selection of judges plan.

Now to Option 3 - This option requires a yes X or No X vote as to whether the death penalty shall be abolished. If the voters choose yes this statement will become a part of the Constitution. If the voters reject this principle, the death penalty provision will not become a part of the Constitution but will be retained as at present under statutory law. The League of Women Voters has not taken a stand on this proposition.

Option 4 - The Question of lowering the voting age to 18 requires a yes X or no X vote. If the electors vote to

lower the voting age to 18 or the existing federal legislation is upheld by the courts then this age requirement will be inserted into the Suffrage Article. If the people vote no, then the present requirement of age 21 will be inserted.

The League of Women Voters is in support of lowering the franchise limit to 18. Using the present age limit as an example, only 1 in 4 upon their 21st birthday are able to cast a vote in a presidential election. One-fourth are 25 before they cast their first presidential vote. We believe the gap between the high interest period of the school years and participation in the system is too great. Most young people today are well-educated, accepting responsibility and feeling an obligation as citizens at age 18. We think young people should learn early while they are eager to work through and with our system — to make it work to solve problems which affect us all.

The League of Women Voters urges your Yes X vote on the "package" and to put their X's before the B's on your ballot.

before the B's on your ballot.

Kennedy Fund

The Morton Grove Post #134 of the American Legion has gratefully acknowledged this week the donation of \$100 by the First National Bank of Morton Grove to their Bruce Kennedy Memorial Fund. Co-finance committee chairmen Tony La Rosa and Al Nehart say that Mr. Roland Dilg, president, and his secretary, Marlon Hollinger, have been terrific in administering the collection of contributions which will be presented to the Illinois School for the Deaf at the Legionnaires' regular Dec. 17 meeting.

In addition to proceeds of the Kennedy Memorial Dance held recently, businessmen and individuals have come forward with donations. Dilg is honorary chairman and is accepting contributions at the bank.

This past week financial aid was also received by the band from Monogram Models, Model & Tool Co., Lee Stone (Dempster Auto Stores), Nick Baumhart of Niles and the Woodland Estates Homeowners' Ass'n.

GLASSES and PASSES

So many of us wear glasses these days that we tend to take them for granted. Besides improving a woman's vision, glass can make her a vision if she chooses the proper style for her facial contours. Yes, glasses wisely worn are a beauty aid. You can bet that there's very little truth nowadays to the old saying about men, passes, girls and glasses, especially if the girl has taken the trouble to see to it that her eyeglass frames integrate with her facial contours, hair and complexion coloring. In addition to glasses for every facial type, there are special glasses for office, outside or evening wear. Let your professional hairdresser style your hair with your glasses on so that she can fit your coiffure to the complete you.

At any rate you won't need 20-20 vision to see that the most complete cosmetic and "SPECIAL GIFT" stocks in Niles are found at BIRCHWAY DRUGS at 7503 Milwaukee Ave. DO YOUR CHRISTMAS SHOPPING EARLY!

New Dist. 63 Libraries Open

Book Week, Nov. 15-21, was very appropriately celebrated throughout East Main School Dist. 63 Libraries. This was especially true at Woodrow Wilson School with the opening of its expanded and remodeled library resource center and the new library at Apollo Junior High.

The already popular facility at Wilson School was moved into expanded quarters during the summer. Attractive carpeting, new shelving and individual study carrels make the library inviting as well as functional.

School District 63's organizational plan is non-graded, team teaching in an effort to create learning situations appropriate to the learning needs of the students. The role of the librarians under the non-graded organizational plan in the District is to provide support for the instructional program of the school. This will entail providing a variety of materials and equipment required for their use as well as providing related services for students and teachers at all levels.

To avoid rigid scheduling of classes into the libraries, District 63 emphasizes flexible scheduling. Flexible scheduling permits children and teachers to use the well rounded book collections, audio-visual materials and non-book media at their convenience. Film-strip viewers and projectors, photographs, listening centers and 8 mm film loop projectors are available for their use in the library resource center or the classrooms.

A special thank you is given to Mrs. Dorothy Elliott, Wilson School librarian for her outstanding work in organizing and making a successful library program at Wilson school. In addition, a special thank you is given to Mrs. Bette Krebs for her efforts in the opening of the new library at Apollo School.

Furthermore, special commendation is given to all Dist. 63 librarians, Mrs. Shirley Barry, Mrs. Margaret Bickett, Mrs. Helen Burgener, Mrs. Donna Gibbons, Mrs. Connie Hayes, Mr. Maurice Julius, Mrs. Margaret Pratscher, Mrs. Iona Winick, Mrs. Wilma Wolk, library clerks, Mrs. Evelyn Clark and Mrs. Phyllis Hesselink, and all the PTA mother assistants, for their diligent work in organizing and making their library programs successful in their schools.

Candle Project at Melzer

The second grade children of Emma S. Melzer Elementary school will celebrate a facet of Colonial Boston homelife by holding a candle making project. The project is 3rd in a series of crafts productions that enable the children to creatively experience activities which their colonial counterparts engaged in.

The second grade team is especially grateful for the helpful support of the mothers of these children who have volunteered their materials and time to come and help the children successfully complete the project. The mothers have graciously agreed to prepare the wax prior to class. After it is melted, scented, and poured into tin cans, the children hand dip a candle wick, colonial fashion, until a real candle is formed. The mothers will hang up the candles once finished.

Scouts Aid Christmas Seal Drive

A 68-year-old businessman was found shot to death Friday in the office of his used car lot at 6504 S. Ashland Ave. Samuel Leibold, 8847 Washington st., Niles, owner of Ashland Motor Sales, was shot in the head and stomach, Sgt. George W. Leslie of Brighton Park homicide said the body was found by a mechanic who had been working in a nearby garage and heard the shots.

The motive behind the murder was unknown, Leslie said. Leibold's wallet, containing \$50, was intact and nothing else in the office appeared to have been disturbed. Leibold's son, Norman, also works at the lot, but was out to lunch at the time of the shooting.

Exhibits Paintings

Paintings by Gianni Clifone are currently on exhibit in the lobby of Lutheran General Hospital, Park Ridge. The paintings are part of the Art Originales project of the hospital Service League.

Twenty paintings are on exhibit. Many midwest scenes are included.

The exhibit will continue thru December and may be viewed from 11 a.m. until 7 p.m.

Getting set to do their good deed on behalf of the Christmas Seal campaign in Morton Grove are these scouts from Troop 75 and Troop 88. On Wednesday, Dec. 9, which was "Do It Day," the scouts distributed flyers at the First National Bank, Oaco Drugs and Korvette's urging people to send in their gift to Christmas Seals.

Receiving their supplies from Mrs. Frank Novak, 7212 Wilson ave., the local seal drive chairman, are: L. to R. Tom Daly, Troop 73; Jeff Pearson, Troop 88; Joe Turek, Troop 73; and Ken Mitsui, Troop 88.

CHURCH & TEMPLE NOTES...

Cardinal Cody to Celebrate Mass at St. Martha's Sunday

Celebrating their final Golden Jubilee event of the year, the St. Martha's church will hold a 12 noon mass at the Morton Grove Catholic church this Sunday, Dec. 13, at which time John Cardinal Cody will preside.

The con-celebrated mass will also be a spiritual commemoration to the Rev. Raymond Wilhelm who is celebrating 50 years as priest. Father Wil-

helm is pastor emeritus of the Morton Grove church.

Bishop Dempsey is to be the principal celebrant at the Catholic mass, assisted by former St. Martha pastors Father Martin Poole, Peter Franzen and Martin Schmidt; and current pastor, Father William Devereux, and his associate pastors, Father William McNulty and Father Robert Heindreich.

Lutheran Church of Resurrection

"A Carol Service in Ten Lessons" will be presented at Lutheran Church of the Resurrection, 8450 N. Sherman rd., Niles, on Sunday, Dec. 20, at 9 a.m. and again at 10:30 a.m. The Carol Service is a special witness to the Word in Jesus Christ as his Coming is celebrated through spoken word, dramatizations and song. Special anthems will be prepared by youth and senior choirs, along with solos, instrumental highlights and organ presentations.

The Service is built around the ten lessons, beginning with God's first creation through the prophecies of the Messiah and finally the birth of Christ and his significance. The lessons will be dramatized by members

of United Now, Resurrection's youth group, under the direction of Terri Doremus.

B.J.B.E.

Sabbath Services of Congregation B'nai Jehoshua Beth El-Him will be held on Friday Evening Dec. 11, 8:30.

Rabbi Mark S. Shapiro will conduct the service assisted by Cantor Harold Freeman.

Following the services the Temple's Social Action Committee will hold an Oneg Shabbat. Mr. Stanley Swig of BJB's Social Action Committee and a spokesman from the Jewish Defense League will speak and the topic will be "Is This A Job For A Nice Jewish Boy?"

Saturday morning worship on

The SPARES

On Saturday evening Dec. 19, at 8 p.m. the Spares Sunday Evening club will have its annual Christmas party. At this affair James Psaltis, of Chicago will play the role of Santa Claus and handle the gifts. Concert singer Bernadette Behm, of Arlington Heights will solo songs of the season accompanied by guitarist Michael Terrana of Chicago. Professional singer Jerry Vinar, of Glenview and Al Denis, of Winnetka, accompanied by accordionist James Bassuk, of Bellwood, will lead the club in Christmas carols. On stage will be comedian Joseph Turek, of Chicago and Julia Matan, of Niles, who will direct entertainment and games. Dance mixers at affair will be under the direction of professional dancing instructor Aileen Alderson, of Morton Grove. This gala affair will take place at the beautifully appointed recreation facilities of Olive Terwilliger, 922 E. Old Willow rd., Wheeling. For further information call Betty Zerbe, 724-5720.

The Spares club is a non-sectarian, non-profit organization for single, widowed, divorced and legally separated adults.

Dec. 12 will be at 11:15. During the services the Congregation will observe the Bar Mitzvah of Allen Paul Bierman, son of Mr. and Mrs. Seymour Bierman.

Sunday Dec. 13, Mr. Richard Young, Director of Ecology in Glenview, will lead a "Teach-in" for our Senior Youth Group.

Niles Community Church

The Church school students of Niles Community church (United Presbyterian), 7401 Oakton st., will present their annual Christmas program during both the 9:30 and 11 a.m. worship service hours on Sunday, Dec. 13. In addition to the presentations by the children, James Williams, the church's student assistant, will speak on the meaning of Christmas and the congregation will join in the singing of several carols. Members and friends of the church and their families are cordially invited to participate in one of these services. Care for toddlers through 2-year-olds will be provided. Refreshments for all will be served in the church basement following each service. The Church school students are asked to bring a 'white gift' of a toy, game or article of clothing to be taken to the Neighborhood Service Organization in Chicago for distribution among the people served by Christian neighborhood houses.

DRIVING SAFETY AND YOU #1

In 1968, fifty-five thousand + died as a result of traffic accidents. Two million + sustained disabling injuries. This is a new record.

Physicians know that an ounce of prevention is better than a pound of cure. When this is not possible, they advocate the next best thing, minimize the injury by getting the victim to the hospital as soon as possible.

Highway accidents involve the driver, vehicle, and medical care. Car manufacturers must and are continuing to improve safety devices including collapsible steering wheels, bumpers that give, shatterproof glass and other measures.

But, of greatest importance is the driver! Seat belts reduce mortalities 41% and shoulder harnesses help another 30%. Head injuries are common when these protective devices are not worn.

Blase: New Climate in Maine Voting

"We have entered into a new dimension of politics in suburban Cook County, as clearly evidenced in the recent general elections," stated Nicholas B. Blase, Committeeman of the Maine Township Regular Democratic Organization at the first post-election meeting of the group last week.

"We have shown conclusively that Maine Township is no longer the safe ballcock of the Republican Party. Maine voters were not looking for party labels alone, but for high caliber candidates they felt would serve in their best interests. This campaign proved the voters are definitely becoming issue oriented rather than identifying with either political party. This election saw both an increase and a new high in percentage of independent voters. These independents have become the major factor that will eventually elect Democratic candidates in Maine Township as long as the party continues to slate the same quality of candidates presented to the voters in Nov.

"This evidence is in the results. On a state and county level, Adlai Stevenson, George Dunn and Michael Bakalis barely lost in total votes cast in townships that normally show heavy GOP majorities, and in fact, even carried a few. On a local level in the 4th District (Maine and Niles Townships) Alan Scheffres, Democratic candidate for State Senator was barely nipped by his opponent, whereas in 1966, the Democratic candidate for State Senator lost by 22,000 plus votes. In the race for State Representative, Democratic candidate Ken Lindquist also lost on a shoe string to his opponent, compared to his 17,000 votes lost in 1968 while running for the same office.

"The Maine Township Regular Democratic Organization has taken the lead among suburban Democratic organizations by showing that quality candidates can be elected to office in future elections. The new trends we have just witnessed; issue oriented voters, and the rise in number of independent voters, will be of tremendous importance to the future of political campaigns in the suburbs and particularly in Maine Township.

Of necessity, the GOP must slate qualified candidates in future races, commensurate with the quality candidates the Democratic Party presented in this recent election. We are on the way to balancing the two-party system in suburban areas of Cook County," Blase concluded.

DRIVING SAFETY AND YOU #1

In 1968, fifty-five thousand died as a result of traffic accidents. Two million sustained disabling injuries. This is a new record.

Physicians know that an ounce of prevention is better than a pound of cure. When this is not possible, they advocate the next best thing, minimize the injury by getting the victim to the hospital as soon as possible.

Highway accidents involve the driver, vehicle, and medical care. Car manufacturers must and are continuing to improve safety devices including collapsible steering wheels, bumpers that give, shatterproof glass and other measures.

But, of greatest importance is the driver! Seat belts reduce mortalities 41% and shoulder harnesses help another 30%. Head injuries are common when these protective devices are not worn.

Blase: New Climate in Maine Voting

"We have entered into a new dimension of politics in suburban Cook County, as clearly evidenced in the recent general elections," stated Nicholas B. Blase, Committeeman of the Maine Township Regular Democratic Organization at the first post-election meeting of the group last week.

"We have shown conclusively that Maine Township is no longer the safe balliwick of the Republican Party. Maine voters were not looking for party labels alone, but for high caliber candidates they felt would serve in their best interests. This campaign proved the voters are definitely becoming issue oriented rather than identifying with either political party. This election saw both an increase and a new high in percentage of independent voters. These independents have become the major factor that will eventually elect Democratic candidates in Maine Township as long as the party continues to slate the same quality of candidates presented to the voters in Nov.

"This evidence is in the results. On a state and county level, Adlai Stevenson, George Dunn and Michael Bakalis barely lost in total votes cast in townships that normally show heavy GOP majorities, and in fact, even carried a few. On a local level in the 4th District (Maine and Niles Townships) Alan Scheffres, Democratic candidate for State Senator was barely nipped by his opponent, whereas in 1966, the Democratic candidate for State Senator lost by 22,000 plus votes. In the race for State Representative, Democratic candidate Ken Lindquist also lost on a shoe string to his opponent, compared to his 17,000 vote lost in 1968 while running for the same office.

"The Maine Township Regular Democratic Organization has taken the lead among suburban Democratic organizations by showing that quality candidates can be elected to office in future elections. The new trends we have just witnessed; issue oriented voters, and the rise in number of independent voters, will be of tremendous importance to the future of political campaigns in the suburbs and particularly in Maine Township.

Of necessity, the GOP must slate qualified candidates in future races commensurate with the quality candidates the Democratic Party presented in this recent election. We are on the way to balancing the two-party system in suburban areas of Cook County," Blase concluded.

Jubilee Book Distributed to MG Residents

Bill Yates, Coordinator of the Diamond Jubilee committee announced the distribution plan for the Morton Grove Historical Program book recently published. "The books will be in every home this week, and no later than the 10th of the month to every business in addition," stated Yates.

Fred Huscher has been put in charge of the overall distribution. He announced extra copies of the book will be available at the nominal cost of \$2 each and according to Huscher, "extra books are on sale presently at the Village Administration Office, the Park district office in Harrer Park and the First National Bank of Morton Grove."

It is anticipated that the Morton Grove Library will be added to the list very soon, added Capt. Huscher of the Fire Dept. "Would you like an extra copy mailed to a loved one out of state, perhaps as a Christmas gift?" asked a committee spokesman. The Morton Grove Diamond Jubilee Committee will forward them directly for an additional charge of \$1 for postage and handling. Remittances in the amount of \$3 to cover this may be made payable to the MG Diamond Jubilee Committee and forwarded to P.O. Box #175 at the MG Post office. Just include the name and address, printed legibly, of the person you wish the book to be directed to.

Grandmothers Grateful

Dear Sir: On Behalf of the Niles Grandmothers club, I wish to express our appreciation for the excellent coverage you have given us in your paper over the past months.

It is such publicity which keeps the public informed of the many worthwhile activities we are engaged in.

Thank you again.

Sincerely,

Malinda Geistler, Corres. Secy.

Essay Contest Apology!!!

Dear Editor:

I publicly want to mention that the 2 lovely gifts that the first place winner of the Niles Junior High Essay contest received, were donated thru Mr. Goodfriend by Goldblatt Bros.

Department store at Lawrencewood in Niles.

Our publicity chairman inadvertently omitted this acknowledgment in previous press releases.

Dorothy Tyse, Chrmn. Niles Jr. High Essay Contest

Thanks

To the Residents of Morton Grove:

We wish to thank all residents of Morton Grove who supported our Sunday afternoon movie on Nov. 22.

The proceeds of this project will be donated to "Gifts for Hospitalized Veterans."

Since there seems to be a real interest in having family type entertainment at modest prices available on Sundays, we will continue to show movies on a regular basis.

The next show will be held on Dec. 6 at 2 p.m.

Chesterfield Park Site Too Small

Dear Editor:

This is a rebuttal to the Chesterfield Gardens open letter regarding the proposed park on Shermer rd.

First of all, the property in question is not in the Chesterfield area, it is located 2 blocks to the south in the Niles Gardens East area.

This, it would seem to me, entitles a large number of people outside of the Chesterfield Gardens organization to co-determine the development of the proposed playground. There are about 25 to 30 homes bordering the site, which is for its greater part only about 55' across.

We are all aware of the dire need for recreational facilities. But assuming that we can take about 1200 children off the streets and place them in a narrow strip of land such as this site, is absurd. It just is not large enough for a major park.

Whether or not the present park crisis is the result of poor planning is water over the dam now. But trying to solve the problem by putting one's children into the backyards of your neighbors isn't the answer.

With due respect to the needs of Chesterfield, the park board cannot be pressured into indiscriminate commitments to one group alone. Its function is to serve all the people of Niles.

Let us get together and find a solution that is fair to everyone.

Blase Speaks on Con Con Election

On Tuesday, Dec. 15, 1970 we will vote on what might be considered, for most of us, a once in a lifetime proposition, that is to change our Illinois Constitution.

The facts are that the Illinois State Constitution like most other state constitutions has over the course of time become outdated and requires considerable change in order to suit the needs of our day. Most of the states of our union have made these changes or are in the process of changing. In our State of Illinois the new constitution has been endorsed by every responsible group and both political parties. The changes it offers are too numerous to mention in one article, but the important thing is that the changes respond to the needs of modern day Illinois and give the tools to government so that we can operate as twentieth century cities and state.

Undoubtedly, there are parts of the constitution that do not have great appeal to different factions of our society, but the interesting thing is that most groups affected adversely by parts of the constitution are for it because of the overwhelming majority of the constitution is to their benefit. This holds true for both political parties who find certain reservations in endorsing all parts of the constitution but at the same time realize the benefit of adopting the whole constitution overall.

Let us get together and find a solution that is fair to everyone. It is a once in a lifetime opportunity, as if we don't pass this new constitution now, there is a good chance we won't have another opportunity in our generation. I urge you to con-

sider the simple fact that we live in twentieth century America and we need a constitution that fits our needs and not a document that fits the bill for eighteenth century America.

Vote YES on Dec. 15 on the general body of the constitution. On the four separate articles I suggest you vote your own feelings, as whether these four articles win or lose will not endanger the changes that will occur in the body of the constitution.

New Jonquil Terrace Officers

Jonquil Terrace Civic Association began its 18th year by electing a new slate of officers at its annual dinner meeting held at Lone Tree Inn. They are: President - Armand Plaza, 7501 Mulford; Vice President - Ken Kay, 7514 Kirk; Secretary - June Haase, 7453 Mulford; Treasurer - Diana Szymanski, 7459 Mulford; Publicity - Joan Murray, 7441 Mulford; Sgt.-at-Arms - Vlad Bagel, 7807 Oleander; Chairman of the Board - Bob Murray. These officers invite comments, suggestions or information which pertain to the Village of Niles and in particular to the JICA area bounded by Howard, Oriole, Oakton and Milwaukee. They cannot handle your problems if they do not know what the problems are.

A very successful membership drive has begun, highlighted by a drawing held Nov. 23, with a turkey and two bottles of champagne as the prizes.

Mike Sedjo Receives Player Award

The Wheaton college football team held its annual awards banquet Saturday night at Indian Lakes Country club in Bloomington. Receiving the Most Valuable Player award was sophomore standout Owen Grogan, who contributed to the team in a number of areas. The speedy halfback from Roanoke, Virginia gained 448 yards rushing and 80 yards pass receiving on six catches from his offensive halfback position.

Also receiving awards were linebackers John Mulder and Mike Sedjo. Mulder, a junior from Racine, Wisconsin, received the Most Improved Player award. Freshman Sedjo, a native of Niles, Illinois, won the award for the most tackles during the season.

Des Plaines Theater Guild Aids M.O.S.

What happens when a community theatre is suddenly exposed to total loss by fire? Des Plaines Theatre Guild has partially helped Music on Stage solve that biting problem. Several weeks ago, M.O.S. was slugged with total loss of the flats, props and furniture which was stored in a rented barn. Flames demolished the barn and all its contents. M.O.S. was suddenly out of their land of magic and plunged into reality. A musical was coming up shortly after the first of the year and nothing to use for a set. This seemed like ample time but not so when a complete new set of flats had to be constructed from phase 1 and no place to build them.

Des Plaines Theatre Guild then offered the use of the Guild playhouse and manpower to join in a build-along with M.O.S.

Jim Gutzmer, president of M.O.S. had planned on building them in his garage. "They had to be built somewhere", Jim said, "and almost immediately. The only available place was my garage. Building them in winter weather in an unheated garage did not put a twinkle in my eye, so when D.P.T.G. offered the use of the playhouse and manpower, I felt there had to be a Santa Claus."

And so there was. Last Saturday, the Guild and M.O.S. merged their construction talents and built 18 new flats. It will take several more man hours to get the job done but this will come about with the same congenial attitude that has made the musical efforts of these two groups so successful in the past.

To further the community theatre spirit, Theatre First has given several of their flats to the downcast but not undaunted group of Music on Stagers. A little repair work and paint job will give them the new look.

Musical Films of the '30's

Two highly contrasting films depict the mood of the 1930's in the next showing of "Of the Ground to Underground - 70 Years of Film". It will be held at 7:30 p.m., Friday, Dec. 18 in the Cinema Theater of Oakton Community college, Oakton and Nagel, Morton Grove.

"Musicals of the 30's" features excerpts of music and extravagant dance sequences from "Rio Rita", "42nd Street", "Gold Diggers of 1933", "Flying Down to Rio", "Music in the Air", "Gold Diggers of 1935", and "In Caliente".

"Our Daily Bread", produced in 1934 by King Vidor reflects the grim facts of the great depression. Karen Morley and Tom Keene star in this portrayal of a "back to the land" cooperative. The final sequence ranks among the finest examples of cinematography.

be the best way to solve problems. The Bill of Rights, astoundingly in this era, is better than the present one in its determination that the individual shall be protected from the state and in turn be aware of his obligation as a member of that state. The Education Article makes a great statement of the responsibility of state and individuals to educate to maximum capacity. The Executive Article sets the stage for an effective and efficient administration responsible to the people and elected in the non-presidential year for most emphasis on state problems and issues. The Legislative Article will prod the General Assembly into being the truly representative body and the creative problem-solver it should be. The Judiciary Article confirms that the Illinois court system is a good one, given the extra insurance of a better method of disciplining

judges. The Revenue Article neatly solve problems which loomed large when the Convention began its work in December, 1969. It combines the flexibility which a Constitution ought to have with the protections which assure that the people can have a role in determining just how many services they are willing to pay for through taxes. The unfair and unmanageable personal property tax will go. The graduated income tax is prohibited. And we can, at last, have an honest sales tax, one which can grant exemptions for food and medicines. And the classification of real property which has worked to the advantage of home owners in some counties will now be legal and can be used in counties of more than 200,000 people.

The New Suffrage Article recognizes that in this age of communications people can be informed voters without having lived a year in the state. The residency requirement is down to six months, and can be less for voting for President and Vice President of the United States. A State Board of Elections will be set up to assure uniform and tight administration of election laws throughout the state. And the mechanism for future amendments to the Constitution has been clarified and eased so that we can make changes without waiting another 100 years.

The separate submissions offer straightforward contests between ideas. You will vote on whether to have 59 three-member House districts with the use of cumulative voting or to change to electing one representative from each of 177 smaller single-member districts. You may choose between continuing to elect judges through party nomination or adopting a system of appointment from a list submitted by nominating commissions. You will decide whether or not to give the vote to 18-year-olds and whether or not to ban the death sentence in Illinois.

Whatever your choices on the options, the League of Women Voters stresses the need to vote YES/X on the first question on the Dec. 15 blue ballot.

Do you favor the proposed 1970 Constitution?

The answer to that must be YES if we in Illinois are to demonstrate that in a time of crisis and strain we have the courage to move ahead, the determination to solve our own problems right here.

Information on the referendum may be obtained by calling the LWV of Morton Grove-Niles at 272-5813 or the LWV of Skokie at 674-5436.

Magic of Chemistry at Mark Twain

On Wednesday and Thursday, Nov. 4 and 5, the second graders of Mark Twain school, East Maine school Dist. #63 were introduced to the science of chemistry by Mrs. Morton Kalin. Mrs. Kalin presented a "Magic of Chemistry" show which involved such things as magically blowing up balloons, the burning of steel, mysteriously changing the color of water, secret messages, and many more interesting demonstrations.

Besides the demonstrations, the second graders were introduced to some chemical vocabulary such as "reaction", "acid", "base", and "physical and chemical change".

Mrs. Kalin made a very meaningful presentation of the "Magic of Chemistry" to the second graders of Mark Twain School.

Constitution Campaign Ending

The Morton Grove-Niles citizens committee is in the end of wrapping up its campaign for the new constitution by reminding all registered voters to go to the polls on Dec. 15.

Mr. Lincoln R. Dowell, co-chairman, stated "The 1970 Illinois Constitution was carefully worked out by a group representing all of us to protect the rights of each citizen, and to provide for fair representation of the interests of all citizens. You owe it not only to yourself, but also to your fellow citizens, to take the time to vote on this important question, and to vote "yes".

A vote for the 1970 constitution is a vote for: The best Bill of Rights in any constitution of the fifty states. A state board of education with an appointed state chief educational officer. Power for local voters to change the structure of their local government. A reduction of the residency requirements for voting. A bi-partisan state board of elections to guarantee fair elections and uniform elections laws. Annual sessions of the legislature. A written record of sessions of the General Assembly. Election of the governor and lieutenant governor as a team. Mandatory reapportionment of legislative districts every ten years. Essen-

tially the same judicial structure as was adopted in 1962 but with the addition of a judicial Inquiry Board to investigate complaints and a Courts Commission to discipline judges. Liberalized requirements for passing amendments to the constitution; and a chance to vote on the question of calling a constitutional convention every twenty years. State commitment to quality education. The right of the General Assembly to set local debt limit. Clearing the way for a true sales tax, with exemptions on food or medicines. In summary, Mr. Robert Wordel, co-chairman, said "The 1970 Constitution shows a distrust in government by placing strict limitations on state and local governments." In contrast, the 1970 Constitution seems to be based on a trust in government and the need to provide flexibility to keep pace with the times."

Information on the proposed constitution may be obtained by calling Mr. Kurt Keller, 272-5813, Action Chairman of the Morton Grove Niles League of Women Voters.

General Progressing Construction Registration Saturday

Registration day for all Niles Park District winter classes, except pre-school, has been set for Saturday, Dec. 12 from 9 a.m. to 2 p.m. at the Niles Recreation Center, 7877 Milwaukee ave. Some of the programs have set limits on the number of people who may register for a session. For this reason, we must use a first come first served basis for some programs. All fees will be doubled for non-residents of the Niles Park District. If you cannot register on Dec. 12, you may register any time after Dec. 12, but before the starting date of the program you wish to attend. The Park Office is located at 7877 Milwaukee ave. and is open Monday through Friday, 9-12 noon and from 1-5 p.m., and on Saturday from 9-noon. For information on any programs call 967-6633.

Santa Claus will be visiting the little folk of the Niles Park District on Saturday, Dec. 19. His arrival is expected to take place at 1 p.m. at the Louis Schreiner gym, Grennan Heights Park, 8255 Oketo.

Highlighting the party will be a live stage production of the Christmas play "The Mouse who was stirring." It is a fun-filled short play which should be enjoyed by young and old alike. It will begin promptly at 1 p.m. Seasonal games, Christmas caroling, and refreshments will be offered to all. Santa will be anxiously awaiting to meet and greet the youngsters. Don't miss the fun. Join the party on Dec. 19. Free to all. For further information call 967-6633.

Shown above is some of the cement work being completed at the Ballard Park swimming pool - ice rink complex.

Shown above is some of the grading work being done on the "Little Tam" nine hole golf course.

Pre-School Registration

Once again, the Niles Park District will sponsor a pre-school program. This program under the qualified leadership of Mrs. Dolores Conley, Mrs. Pat Staudt, Mrs. Barbara Kennedy, and Mrs. Nancy Hughes, is designed to help pre-school age children become accustomed to a group situation such as will exist when the child starts school. The program is varied, with an emphasis being placed on learning skills, enjoying the company of children their own age and having fun. The program is open to children who are now four years old, or will be four by March 1, 1970.

Registration will be on Dec. 15, at 9 a.m. at the Niles Recreation center, 7877 Milwaukee ave. Birth or hospital certificates are required at the time of registration. Only residents of the Niles Park District may register on Dec. 15. Non-residents must wait until Dec. 16. Registration is on a first come first serve basis. Fee for the 10 week, two days a week, 2

Slimnastics
Exercising can be fun. Join the slimnastics class and treat yourself to an evening of fun and physical activity once a week. Classes will be held at the Louis Schreiner gym, Grennan Heights Park, 8255 Oketo beginning Tuesday, Jan. 12 and culminating March 9, at 8 to 11 p.m. The program consists of various slimming and trimming exercises as well as informal volleyball games. Women interested in competitive volleyball will have the opportunity to play against various suburbs. The class is conducted by Mrs. Betty Miller, who has taught this class for several years for the park district. She is a physical education instructor and is well versed in all aspects of the program.
Register for this program beginning Dec. 12 at the Niles Park Recreation Center, 7877 Milwaukee ave. The fee for the nine week session is \$3.00 for residents and \$6.00 for non-residents.

YOUR PARK DISTRICT

Golf-Maine Holiday Excursions

The Golf Maine Park District has scheduled a series of excursions for children over the holiday season. All buses will leave from the Park office at 9390 Dee rd., Des Plaines. Registrations for all programs must be in advance and after the closing dates no new registrations will be accepted.

The first trip will be on Monday, Dec. 21. We will be going to the Museum of Science and Industry to see the Christmas around the World Festival. The bus leaves at 12:30 and returns at 4:30. All 1st thru 6th graders are eligible to see giant trees decorated to reflect the history and traditions of various countries. Christmas choral concerts

by students from Chicago area schools will be presented in the main rotunda. There will be a \$1 bus fee. Five volunteer parents are needed. Registration closes Saturday, Dec. 19.

The second trip will be on Wednesday, Dec. 23. We will be going roller skating at the Playdium in Glenview. The bus departs at 1:30 and returns at 3:30. All second graders and older are eligible. The fee is \$2 bus and admission and 50¢ additional for skate rental. No blue jeans are allowed and each child should know his skate size. Registration closes Monday, Dec. 21.

The third trip will be on Monday, Dec. 28. We will be going ice skating at the Indoor Oakton rink. The bus departs at 12:45 and returns at 3:30 and 4:30. All ages are eligible as long as the participants can skate. Children must know their skate size. Fee is \$1 for the bus, \$1.25 admission, and 75¢ skate rental. Registration closes Saturday, Dec. 26.

The fourth trip will be on Wednesday, Dec. 30. We will be going to Fox Trails for skiing. The bus departs at 10:30 and returns at 4:00. All 5th graders and older are eligible, including adults. The fee is \$10.

Park Name Chosen

At its regular Board meeting, the Commissioners of the Golf-Maine Park district passed a resolution naming the park located at Dee & Emerson, "People's Park."

After a lengthy discussion, the Board passed the resolution by a 3 to 2 vote. Opposition to the name centered around the opinions that it may have wrong overtones or that the people may not understand the reasons for which the name was chosen.

The 2 guests present at the meeting stated that they would come to the next meeting with other residents to protest the Board's action. The Board rejected the lone bid received for the second phase of construction on the Dee & Emerson Park site and set a special meeting for Thursday, Dec. 10, 1970, at 8 p.m. at the Park district office to authorize bids. The Board rejected the bid because it was 18% over the architects estimate and had several technical errors.

In other action, the Board passed an ordinance dedicating the West side of Dee rd. to Cook County. Payment of \$14,563 to C.W. Gasrud for construction was authorized.

The next regular meeting of the Board of Commissioners of the Golf-Maine Park district will be held on Sunday, Jan. 3, 1971, at 7:30 p.m. in the district office at 9390 Dee rd.

Mrs. Edie Terry, an expert in the field of gymnastics will be the instructor of the programs. She has taught tumbling at several institutions and is well known as an expert in the area. The class will begin Jan. 19 and culminate March 16, 1971. Plan to register and join the fun. Registration will be held at the Niles Park Recreation Center, 7877 Milwaukee ave., beginning Saturday, Dec. 12 and after. Fee for the nine week session is \$3.00.

Teens Present Variety 70 - Vol. 2

"Variety 70-Volume II" is the Morton Grove Teen theatre's annual variety show. It is directed by Mrs. Ethel Libkin, well known in this area for her outstanding work with teens and with the Morton Grove Music theatre, whose most recent success was "Man of La Mancha."

"Variety 70-Volume II" features talented young people in musical numbers ranging from old time favorites to a medley from the current rock musical "Hair." Also included in the program are songs from the newest Broadway Shows, dance and piano solos.

The show, sponsored by the Morton Grove Park district, will be presented at the National Park fieldhouse, 9325 Marion, Morton Grove. Dates are Dec. 11, 12, 18, 19 and 20. All Friday and Saturday performances are at 8 p.m. Sunday, Dec. 20 will be at 7:30. Tickets priced at \$1.50 and .75 for children, will be available at the door, or by calling the park office at 965-1200.

Inquiries can be made at the Park District Office, 6250 Dempster, 965-1200 or with Mr. L. Shelton, YO 6-7449 evenings.

Indoor Soccer Program

Once again the Park District is sponsoring an indoor soccer program starting Jan. 9, 1971 at the Golf Junior High school, 9401 Waukegan rd., Morton Grove. The indoor soccer season will run till Feb. 27 and will meet every Saturday morning from 9 a.m. till 12 noon.

The program is open for boys from 9 thru 14 years. The boys must furnish their own gym shoes and shorts, the Park District will provide jerseys.

A Soccer Tournament will be held and trophies awarded to all players.

The registration fee is \$4.00 and registrations will be accepted at the Morton Grove Park District Office from now until Dec. 23.

Inquiries can be made at the Park District Office, 6250 Dempster, 965-1200 or with Mr. L. Shelton, YO 6-7449 evenings.

Norberts Offers Mini-Bike Safety Program

In line with its civic obligation to youthful purchasers of its motorized Mini-Bikes, Norbert Pools Stores in the Greater Chicago area are establishing a Mini-Bike Safety and Familiarization Program, to properly indoctrinate riders in the safe use of their equipment before driving. "We propose to teach safety in handling the Mini-Bike by familiarizing the rider with the mechanics and capabilities of his vehicle," Herman Glendon, president of Norbert Pools stated. "Through the use of visual aids and demonstrations on a real, stationary bike, the rider will gain a respect for the machine and understand the safety measures that must be employed in its handling and operation as well as the city and state laws governing its use." Safety First is the primary lesson to be taught. Riders will be urged to keep their speed down and to become skillful in handling before racing the vehicle. They will be taught to make sure their bike is in good operating condition and check it out completely before each day's use. How properly to keep command of one's bike, to leave an imaginary air cushion of space on all sides, plenty of room to insure a safety stop and room to the right and left in order to maneuver if the situation warrants, will also be taught. Always to wear a safety helmet is another "must" for safe riding. Among other safety measures taught, is never to fill a gas tank with the engine running or to leave the engine running unattended, to always disconnect the spark-plug when working on a machine, never to touch the muffler after using the machine (it gets very hot), and never to run the bike without chain or clutch guard. These important details and many more will be explained and demonstrated in the free Norbert Safety School for Mini-Bike Riders. One of the facets to be discussed will be "The Mini-Bike And The Law," which takes up the rules and regulations regarding Mini-Bike operation, principal of which is that Mini-Bikes are made for off-the-road driving and are not allowed for use on public roads, highways or city streets. All three Norbert Pools stores sell Mini-Bikes. These are located at 9141 N. Milwaukee ave., Niles; 5525 St. Charles rd., Berkeley and 664 Barrington rd. in Hanover Park. Anyone purchasing a bike in any of these stores is eligible for and must take the free course in the Mini-Bike Driving School before the bike is delivered. A handsome 2 1/4" Safety Button will be issued to the owner upon successful completion of the Safety Course.

Santa-Eyed

Although Debbie Jo Kapolnek, 3, is looking forward to a visit from the real Santa Claus, she would also like to own this 5 ft. tall plush Santa being given away by the Golden Nugget restaurant in the Lawrencewood Shopping center on Thursday, Dec. 24 at 1 p.m. Chances are free to any child accompanied by an adult and winner need not be present at the drawing.

Christmas comes early, this year, to the north shore's newest high school, Maine Township North, when the students present the frothy, funny musical comedy, "She Loves Me," Dec. 16-20, just two weeks after the school opening. The romantic, music-filled comedy takes place in a quaint, little perfume shop just before Christmas when the excitement of the season is at its peak. Under the supervision of O. D. Premo, chairman of the music department, the faculty director is Jack Olander, assisted by two student directors, Sher Watts and Sandie Dribin. The orchestra, made up of 29 student musicians, from Niles, Glenview and Des Plaines, is under the baton of Walter Wolodkin, music director. Roger Kleinfeld, chairman of the speech and drama department, as technical director, has selected 72 students to make up his production crew to work on every aspect from costuming and make up to actual set construction. As stage manager, Mr. Kleinfeld has chosen Robin Borlek of Glenview. In the romantic male leads are: Brad Coles and Geoff Holmes of Glenview, as George, also double cast are Kathy Murray of Niles and Kathy Papajohn of Glenview as Amalia, the leading lady. Cast in the secondary leads and supporting roles are: From Des Plaines, Jeff Epstein, Claudia Ahrens, Kathy Krissel, Nancy Oddi, Ellen Strba, Jill Greenwald, Sue Katz, Harriet Frost and Richard High-tower, from Niles, Sandie Dribin, Nancy Brenner, Mary Engles, Ann Silberberg, Nancy Gildin and Cindy Altman, from Glenview, Kathy Dorolek, Andrea Flaxman, Harold Pallack, Nadine Johnson, Pam Hanson, Cindy Panfili, Marlon Romano, Cindy Brown, Cathy Samtori, Ron Elliott, Gary James, Joe Lechner, Leah Daskalakis, Bob Kelley, Bill Black and Karen Vander Ploeg. Specifically set to play Wednesday, Dec. 16, Friday, Dec. 18, and Sunday Matinee, Dec. 20 are: Brad Coles, Kathy Murray, Kathy Dorolek, Harold Pallack, Ellen Strba, Gary James and Cindy Altman. On the alternate dates, Thursday Dec. 17, and Saturday Dec. 19, the players will be: Geoff Holmes, Kathy Papajohn, Andrea Flaxman, Jill Greenwald, Ron Elliott and Leah Daskalakis. Tickets may be purchased at the box office prior to each performance for \$2 general admission. Free parking will be available for all. The school is located at 9511 Harrison st., Des Plaines, Ill., just south of Central Rd. at the intersection of Harrison ave. and Meadow Ln. An art show, under the supervision of the Art Department chairman, Mr. Kermit Lindberg, will be displayed in the lobby, and refreshments will be available.

Berkson Receives Designation

Theodore D. Berkson, 8046 W. Lyons, Niles, of the Equitable Life Assurance Society of the United States was one of 70 men receiving the designation of Chartered Life Underwriter from the American College of Life Underwriters at a luncheon in Chicago.

All 70 had successfully completed a five-year program of study sponsored by the American College of Life Underwriters in Bryn Mawr, Pennsylvania. Each man had passed five major examinations and met the difficult standards of experience and ethical practice established by the college. Diplomas stipulating the coveted designation were presented at a special luncheon for the graduates at the Conrad Hilton Hotel, Chicago. The luncheon was sponsored by the Chicago Chapter of the American Society of Chartered Life Underwriters and the Harris Trust and Savings Bank of Chicago. The diplomas were presented by John B. O'Day, Insurance Economics Society, president of the chapter. Featured speaker at the event was Beryl W. Sprinkel, Senior Vice-President and Economist, Harris Trust and Savings Bank.

Oratorical Contestants

Americanism Chairman Ralph Hintz, 5607 Carol, has reminded high school students in the area this week the deadline for his receiving their entry into the Legion Oratorical contest is next Tuesday, Dec. 15. Hintz may be reached at YO 5-3090. He thanks the local schools whose speech instructors have been cooperating and who also have details. They are Bruce Pagni at Maine East, Father Adamson at Notre Dame, Mr. LaForge at Niles North and Ken Reiter at Niles West. Girls as well as boys are eligible and the contest is to be held at the Morton Grove American Legion Post #134, 6140 Dempster on Jan. 31. The contest is open to all high school students in Morton Grove.

Debutante to Bow Jan. 2

Christine Marie Gocke, daughter of Mr. and Mrs. Jack Gocke, 7301 Mulford st., Niles will be presented at Holy Family hospital Auxiliary's benefit presentation ball, Cotillion V, Saturday, Jan. 2, 1971, in the Gold Coast Room of the Drake Hotel. Miss Gocke will be presented to Msgr. Thomas J. Holbrook, associate director of the Catholic Charities of Chicago. She will be introduced by James J. Slattery of radio and TV fame and will dance to the music of Dick Judson, appearing in the Camille Room of the Drake Hotel. "Chris" is a senior at Marillac High school in Northfield and an honor student interested in Drama and Speech. She is a member of the Jugglers and the Spotlighters, both drama clubs and has appeared in several of their productions. Her brother, John Gocke, who is a Junior at the University of Notre Dame will be one of her escorts for the evening. Proceeds of this event will be used to provide "Breadth of Life" care equipment. Seemingly harmless drugs like aspirin, "diet pills," tranquilizers, nose drops and even vitamins are under scrutiny as possible causes of birth defects, the March of Dimes reports.

Maine North Presents 'She Loves Me' Dec. 16-20

Jeff Epstein, Kathy Murray, Brad Coles, Harold Pallack, Kathy Papajohn, Andrea Flaxman, Geoff Holmes and Kathy Dorolek on a rehearsal break from their lead roles in the Maine High school North's production of, "She Loves Me," being presented Dec. 16 thru Dec. 20.

Build A Santa Contest

Art Club at Maine Township High school east has sponsored a contest open to clubs, home-rooms and individuals at the school in which Santas of all kinds and types will be constructed. As in past years, Santas are to be 3-dimensional figures with a height limit of 6'. The only other restriction is that cost of building the Santa cannot exceed \$12.50. From that point on students may use their full creative powers in choosing material to be used and the type of figure to be constructed. Staff and administrative members at the school will judge the Santas on the basis of originality and how well the figure is constructed. After a week's display in the school cafeteria lobby, Dec. 7-11, the Santas will be distributed by the Red Cross to children's homes, nursing homes, and hospitals. Sponsor of Art Club is Mr. Peter Bel-pulis, Donna Marquardt, Morton Grove, is chairman of the "Santa to Me" building contest.

Chick Evans Scholarship Winners

Chick Evans college scholarships for the 1971-72 school year have been awarded by the Western Golf Association to 31 outstanding Chicago area boys. The awards announced today by Mark H. Cox, president of WGA, are among some 230 scholarships to be made on a national basis this winter by WGA's Evans Scholars foundation. About 35 more also will be made in the Chicago area. The new Evans Scholars bring to 2,945 the number of former caddies who have received scholarships since this program was initiated by famed amateur golfer Chick Evans in 1930. Each scholarship covers full tuition and housing and is renewable for four years. Its value ranges from \$3,500 to \$7,500. To qualify for a scholarship, each boy caddied at least two years, ranked in the upper 25 percent of his high school class, and required financial aid to attend college. The scholarships were awarded on a competitive basis using these factors: The list of new scholarship winners, by universities, follows: Northwestern university, Jerome E. Krammen, 17, son of Mr. and Mrs. Fred J. Krammen, 5117 Brammel st., Skokie, a senior at Notre Dame High school, caddied at Evans-High school, caddied at Park Ridge Country club; University of Wisconsin, Grady E. Foster, 17, son of Mr. and Mrs. George W. Foster, 9101 Austin, Morton Grove, a senior at Niles Township West High school, caddied at Glenview club.

Aid Kennedy Fund Drive

Denise and Cathy Rossman visit with Mr. and Mrs. David Kennedy of Morton Grove. The young girls have studied sign language to be able to talk to their deaf neighbors. The daughters of Mr. and Mrs. Jack Rossman of Frontage rd., the Morton Grove American Legion Post #134 is very grateful for their assistance during their Bruce-Kennedy Memorial Fund drive. The young ladies helped interpret messages to the Kennedys when Child Welfare chairman Tony LaRosa was planning a Memorial dance in honor of the late Bruce, as student at the Illinois School for the Deaf. Proceeds of that dance and the drive still being conducted by Post #134 will be presented to the superintendent of the Jacksonville school at the Legionnaires' regular Dec. 17 meeting.

Post Office

Robert R. Lutz, Morton Grove's Postmaster, urged everyone to mail their remaining local and nearby area Christmas greeting cards this week.

"Morton Grove's Post Office now serves close to 28,000 people, which means Christmas mailings become heavier each year, both going out and coming in for delivery by your carrier. "Clearly, the postal employees have an immense job to do, but with the public's help we can succeed," the Postmaster said.

He asked the public to cooperate by mailing their remaining cards now and use ZIP CODES, ZIP CODE expedites your mail not only at Christmas but throughout the year. Make it a habit to use ZIP CODE.

"If people complete now their mailings we can prevent any problems or delay in handling the mails," he said. To date, the public's co-operation had been tremendous and your postal employees certainly appreciate it.

LEFT HAND.

Continued from Page 1

The past week-end, professors from all 5 law schools in the Chicago area came out in favor of the appointment of the Judges, Northwestern University's entire 31-faculty law school unanimously approved the appointment system.

While voters may be inclined to think the election by voters is a more democratic method, law authorities thruout the country recognize Cook County and Illinois' judicial system is poor. While voters do cast a vote, they are limited to voting only for the men nominated by the Party. Thus, the political ramifications are obvious.

Mayor Daley and Judge Boyle are fair examples of the way the entrenched machine politicians are trying to retain a system which is advantageous to machine politics, but which is contrary to the interests of the people they are representing.

The best example of the election of judges is to note 2 judges who formerly were Niles village attorneys. Walter Dahl and James Geocaris are both judges in Chicago, and both men moved up as the result of support from the political machine. Dahl was sponsored by the committeeman in Wheeling Township, who is an important cog in the Democratic Party, and Geocaris is the brother of Angelo Geocaris, who is a major contributor to the Democratic Party and is a major functionary. While both judges may be well-qualified, the connections necessary to become a judge speak poorly for the system.

The appointment of Judges is patterned after a system used in Missouri since 1940 and has

proven highly successful. Legal authorities recognize the superior quality of the judiciary there is due to this system.

Provision 3 seeks the abolishment of the death penalty in Illinois. We join with those who favor the abolishment. The death penalty is a vengeful inhuman practice which is archaic and a left-over from the dark ages. In neighboring states which have abolished it, there has been no increase in murders, relative to increases in states which have retained this penalty. And as many know, the death penalty in Illinois is a punishment only for the poor. History shows no rich men are ever sentenced to death. The Leopold-Loeb-murder in the mid-20's pointed to this. The hiring of a Clarence Darrow saved their lives. Poor people are not usually defended by Clarence Darrows.

The 4th provision concerns the lowering of the voting age to 18. While this is an emotional issue, there's little doubt the education and maturity of today's 18-year-olds plus their involvement in this country demands they have a voice in it. Elections in states where the age has been lowered has shown that neither liberal nor conservative elements have been aided by the younger adults' votes. But this point is irrelevant. The age asked to participate in this country and thus deserve to determine the policies under which they live.
