## Citizens Party Seeks Trustee Candidates

Jules Bode, Village president representing the elected Citizens Officials and Maurice (Mickey) Goldberg representing the Board of the Citizens party jointly issued a call for resumes of prospective candidates for the three Trustee posts to be filled this coming April, 1971.

Resumes and qualifications should be typed double spaced and forwarded to the home of Kay Kummer, Secretary, at 9418 Osceola. Any resident of Morton Grove above 21 years of age is eligible and all residents who are interested in the Village and participating in its government should apply immediately. All persons will be given a hearing and a lengthy

interview by an impartial board composed of interested Citizens of Morton Grove.

Goldberg said, "that the person doesn't have to belong to a political party or have previous political experience. All persons who present their credentials will be contacted by phone and an interview date will be arranged." Interviews will begin Jan. 6. Mayor Bode pointed out that the first filing date is Jan. 11, so all interested residents are urged to submit their qualifications prior to Jan. 11. Further information concerning the screening of prospective candidates will be carried by this newspaper.

# A Century of Progress

Mrs. Margaret K. Lang is shown being congratulated by Village Clerk, Frank C. Wagner, Jr., on her 100th birthday. She celebrated her birthday at the Gross Point Nursing Home, 6601 Touhy Ave., Niles.

Mrs. Lang was born Dec. 16, 1870 in Westphalen, Germany and came to the United States when she was 9-years of age. In her family were 2 sisters and one brother. One sister, Molly, passed away at the age of 99 and her brother, Nicholas, deceased, also at the age of 99. Her only surviving sister, Katherine, resides in Joliet, Ill., and is 97 years of age.

Mrs. Lang's birthday was celebrated by many of the residents at Gross Point Manor along with other friends, and her twin sons, George and Edwin, who are 71 years old. Mrs. Lang states that she attributes her longevity to an even temper.

## Lions Hold Kids Yule Party

Old Saint Nick (Charles Pickup, 7953 Neva, Niles) makes his entry at annual childrens Christmas party given by the Lions club of Niles Dec. 12, in Niles Bowl Rathskeller.

The Lions club of Niles held their annual childrens Christmas party on Saturday, Dec. 12 in the Rathskeller of Niles Bowl, 7333 Milwaukee, Niles from 10 a.m. to 1 p.m. for the sons, daughters and grand children of the members. About 85 youngsters enjoyed colored movies the titles of which are "Mouse into Space," "It's great to Meow," "High Steaks" and "Just Pucky," after which the kiddies enjoyed a lunch topped off with milk, chocolate milk and ice cream. This was followed by the arrival of old Saint Nick in the person of Lion Charles Pickup, 7953 Neva, Niles, who presented each child with a gift. Santa was assisted by party chairman Mrs. Charles Pickup and her committee consisting of Mrs. Clarence Willert, 7913 Neva, Mrs. Joseph Kaderabek, 7949 Neva and Mrs. Walter Zinn, 9051 Clifton, all of Niles. Club president Edmund L. Zieliński, on behalf of the Lions club of Niles wishes to extend happy holidays greetings to all members and friends of Lionsism.

## A Neighborly Tribute

This photo demonstrates neighborly love and respect for one another. While Edward O. Remus, 7826 N. Neva was celebrating his 75th Birthday with his sons, daughters-in-law, grandchildren, brother and sisters in Oaklawn, his neighbors Ben Sosnowski and Ed Matayka made and put up these greetings for Ed on his return home. Ed was so happy with these kind gestures that he celebrated by treating his neighbors to a keg of beer the following evening. Good Luck, Ed and Many More Birthdays.

## Recent Graduate

Frank Wichlac, Niles Police department, is among graduates of a recent 2-week Police-Community Relations course conducted by the Police Training Institute of the University of Illinois division of University Extension at the U. of I. Urbana-Champaign campus. From L., Frank Manella, PTI assistant professor, with Wichlac.

## "Star Spangled Girl"

A comedy by Neil Simon, America's most acclaimed writer of the stage comedies of the 1960's, is coming to the Des Plaines Theatre Guild, 620 Lee St., for a 3-week-end run beginning Jan. 8 - 9 thru Jan. 22 - 23. It is "The Star Spangled Girl," sixth in the series of smash hits that Simon was providing theatergoers when he offered this one in the fall of 1966.

At that time he had 3 other shows running simultaneously on Broadway - "Barefoot in the Park," "The Odd Couple," and "Sweet Charity" - to give him a score of 4 that no other playwright had matched for 50 years.

"The Star-Spangled Girl" is a comedy that spins its fun out of the present day tendency of bright young men to dedicate themselves to dissenting from old-established American traditions. Paul Hawkins of Schaumburg and Doug Patterson (Andy and Norman) will portray a pair living in penury in San Francisco in order to publish a magazine devoted to social protest, while tending off appeals of their families to come home and go into their fathers' businesses.

Their frantic efforts to keep their magazine going are hilariously complicated by the unexpected intrusion of a cute corn-pone chick, to be portrayed by Marcy Vosburgh of Mt. Prospect (Sophie.) She is an athletic type, a former member of the U.S. Olympic swimming

team, who is so thoroughly 100% American that she is scandalized by their irreverence for her patriotic ideals.

The magazine's publisher is all for merely ignoring such an obvious square, but his collaborator falls so helplessly in love with her that he is unable to write any more heretical articles under his various pseudonyms. The editor's efforts to extract him from his mooning state lead to his own romantic entrapment, as hilarious complications ensue.

Reservations may be obtained by calling the box office, 296-1211 after noon daily. Curtain time is 8:30 p.m.

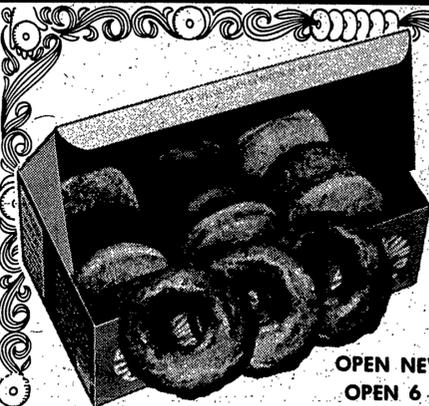

## Lions Care

The Lions club of Niles delivered one hundred and forty four decks of much needed playing cards to the sailors of Great Lakes Naval training Station this past week.

The \$60 that was hung on the Christmas tree for a C.A.R.E. program by members and guests at the adult Christmas party of the Lions club of Niles has been raised to \$100 through an added donation from the club treasury. The C.A.R.E. project chosen is sponsoring the young farmers of Uganda, in central East Africa. This is the counterpart of the American 4-H clubs.

## MTJC

Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, will conduct two Sabbath Eve services Friday, Jan. 1. An early sunset "Kabbalat Shabbat" Minyan will be recited in the Chapel at 4:15 p.m. The regular weekly Family Hebrew/English service will be conducted at 8:30 p.m. Rabbi Jay Karzen will officiate, assisted by Cantor Harry Solowinck.

Howard Kalov, son of Mr. and Mrs. Gerald Kalov, 9236 Dee Rd., Des Plaines, will observe his Bar Mitzvah Saturday, Jan. 2, 9:30 a.m., during traditional Sabbath day prayers. Afternoon Mincha will begin at 4 p.m., followed by the sunset dinner and Maariv-Havdalah.

Sunday Breakfast with the Club is sponsored by the Men's Club following the 9 a.m. Talit-Tefillin service. The Men's Club announces that a spokesman from Playboy Magazine will speak Wednesday evening, Jan. 6, 8:30 p.m., on the New Morality. Everyone invited.

7401 Oakton St., on Sunday, Jan. 3. Deacons-elect to be ordained and/or installed at 9:30 a.m.: Mrs. Karl Ehn, Mrs. Arthur Iverson, Mr. William Curtin and Mr. Karl Mueller. Elders-elect to be ordained and/or installed at 11 a.m.: Mrs. Donald Ross, Miss Luanne Larson, Mr. Quinten Argetzinger, Mr. W. Karl Honold and Mr. George Niesen. Care for toddlers through 2 year-olds will be provided during both services in the church kitchen. Church School classes for 4 year-olds through 8 graders will be held at 9:30 a.m., and for 3 year-olds through 8th graders at 11 a.m. The inquirers discussion group for high school students and adults will meet at 9:30 a.m. in the educational wing. There will be no high school fellowship group meeting that evening.

Church activities during the week of Jan. 4th will include: Tuesday, 7:30 p.m. - Session meeting; Wednesday, 7 p.m. Communicants Class I; and Thursday, 7 p.m. - Communicants Class II & Junior Choir rehearsal, 8:10 p.m. - Senior Choir rehearsal.

## Pre-Marital Institute at Hospital

Engaged couples are invited to attend a pre-marital institute conducted by the pastoral care department at Lutheran General Hospital, Park Ridge. The four sessions will be held on Jan. 4, 11, 18 and 25 from 7:30 to 10 p.m.

A physician, psychiatrist, social worker, chaplain and financial adviser participate in the program which is designed to

supplement pre-marital counseling being conducted in local churches. The lectures and discussions cover the physical, emotional, spiritual and social dimensions of marriage. The tuition fee of \$20 per couple covers the cost of three textbooks and a "Sex Knowledge

Inventory" test. Enrollment cards may be obtained either from area clergymen or from the pastoral care department at Lutheran General Hospital.

This is another community service program sponsored by Lutheran General Hospital.

## BJBE

Special Family Services of Congregation B'nai Jehoshua Beth Elohim will be held on Jan. 1 at 8:30 p.m.

All Temple youngsters with birthdays in January will be called to the pulpit to receive a blessing and a gift. Rabbi Mark S. Shapiro will tell a story sermon. Cantor Harold Freeman will assist in the services. Saturday morning worship will be held on Jan. 2 at 11:15 a.m.

The Congregation will observe the Bat Mitzvah of Julie Boton, daughter of Mr. and Mrs. Ronald Boton.

B.J.B.E.'s Couplehood will have an evening of Fun and Games at the Temple on the evening of Jan. 2. For information call the office.

## Congregation Beth Ami

Congregation Beth Ami, 9006 Waukegan rd., Morton Grove, was host to over 300 children and their parents at their Chanukah party held Sunday, Dec. 20, at Ballard School.

The highlight of the afternoon was a delightful play presented by the Sunday School students and directed by their teachers. Mrs. Otto Wilner and Mrs. Richard Siegel.

Mrs. Irving Schreier, wife of the rabbi, lead the audience in an enthusiastic sing-a-long. Driedles and chocolate Chanukah gelt pleased the children and refreshments were enjoyed by all.

The Congregation has open house Friday night services at 8:15 p.m. and Saturday morning services at 9 a.m.

## Sisterhood Speaker

Rabbi Seymour Freedman

lations Office, Resurrection Hospital, 7435 W. Talcott ave., Chicago, Ill. 60631.

There will be a tournament fee of \$1.50 per person collected each Tuesday evening of play. In addition to recognizing grand champion winners, high scorers each evening will be presented a prize.

"The Swinging Jew" is the topic to be discussed by Rabbi Seymour Freedman, of the Concord Hotel, Kiamasha Lake, New York when M.T.J.C. Sisterhood holds its next meeting on Jan. 13, 8:30 p.m. at the Congregation, 8800 Ballard rd., Des Plaines, program chairman, Mrs. Sanford Schwartz announced.

A graduate of Trinity College, Hartford Conn., Rabbi Freedman holds an M.A. in Educational Psychology and is presently working for his Doctorate in Social Psychology at the New School for Social Research. He is also the author of a recently published book entitled: "The Book of Kashruth... A Treasury of Kasher Facts and Frauds."

Following the program, refreshments will be served by Co-chairman, Mrs. Stuart Zelden and Mrs. Arnold Friedlander.

The entire community is cordially invited to attend this Wednesday evening meeting.

Through 3,000 local chapters, March of Dimes volunteers in the battle to prevent birth defects are mobilized to initiate programs of prenatal care, public health information, professional education and community service.

## Bridge and Pinochle Tournament

The Men's Foundation of Resurrection Hospital will sponsor a bridge and pinochle tournament beginning Tuesday, Jan. 12. # Services Held For Michael J. Lochner, 101

MICHAEL J. LOCHNER

Michael J. Lochner, 101, Morton Grove's oldest resident, died Sunday, Dec. 27 in the home in which he was born, reared and lived all his life, 6724 Dempster st., in the suburb. Mr. Lochner, who had been village clerk of Morton Grove for 45 years until his retirement in 1945, had been the owner of the Lochner Florist Shop next to his home. He is survived by two daughters Mrs. Helen Hoffman and Gertrude, a son, Richard; a brother, John; 8 grandchildren; 29 great-grandchildren; and 3 great-great-grandchildren. Mass was said at 10 a.m. Wednesday at St. Martha's Catholic Church, 6523 Ogongians ave., Morton Grove. Interment St. Peter's, Skokie.

## Legion Juniors Help

The Junior Auxiliary of the Morton Grove Unit #134 of the American Legion are daughters, granddaughters and sisters of deceased veterans and Legion members, under eighteen years of age. They meet once a month with their advisor, Mrs. John Sapety.

The young ladies further the principles of the senior Auxiliary, rehabilitation. They fashion tray favors for the hospitalized veterans in the Chicago and VA hospitals.

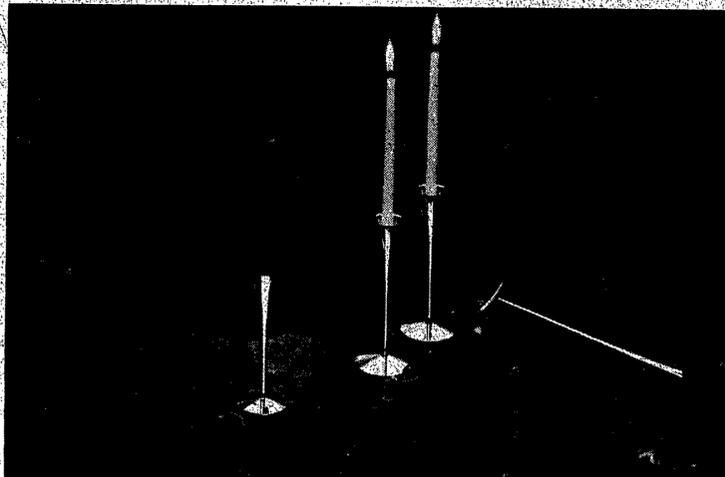

These girls also collect certain items such as box tops, labels, etc. for which they are given "Credit" in the monetary value of its contents. Stamps (cancelled) give credit

also, thus far this year they have \$108.73, \$272.30 in an additional amount added for the other items.

Dish washing is a chore at home frowned upon sometimes, but receiving good training, these good girls put it to use. Each Friday the Post Corp-sponsors a fish and chicken fry meal from 6-8 p.m. The girls and their counterpart, the S.A.L., rotate doing the silverware. The Sons of the American Legion do them two Fridays and the girls on the 2nd and 4th Fridays. The fish fries were not held the holiday weekends just upon us, but will be available once again Jan. 8th.

## G.E.H.A. Christmas Party

Once again G.E.H.A. welcomed Santa Claus at its annual Christmas Party held at Jefferson school on Dec. 17. The evening's entertainment began with a sing-a-long of Christmas songs followed by movies for the children. The climax of the evening was when the faint sounds of bells were heard in the distance and Santa Claus made his entrance. The children were in their glory as they each received a gift from Santa.

## Auxiliary Receives Dance Proceeds

Morton Grove Post #134, American Legion 1st Jr. Vice Cmdr. Frank Hilbert, chairman of the Post's Hallowe'en Dance, appeared at the Auxiliary Unit's last meeting and presented them with a check for \$200.00. This donation will be used for the Auxiliary's prime purpose, the rehabilitation of hospitalized veterans.

In accepting the check, Unit President Mrs. Herman Hack stated the many facets where

funds can be used; toilet and other necessary articles are distributed to the boys in the VA hospitals; at Christmas a "gift shop" is held whereby each hospitalized veteran may choose an article for his wife and each child which the Auxiliary wraps and he may present to them at the holiday without any charge to him; the former serviceman himself received a gift if he is hospitalized on Christmas Day; bingo and other party games

are played at the Chicago-area VA hospitals on the basis of twice a month by the Morton Grove Unit where they furnish cash prizes, door awards and/or refreshments.

COLDS - MODERN MAN'S  
INCURABLE HEADACHE

It's a fact! Man has been able to send space ships and men to walk on the moon, change the course of mighty rivers, chart the bottoms of the deepest seas, tame the beasts on the land and talk to and partially understand porpoises. But in the search for a cure for the common cold, it's been all headache and not much headway. The cold, commonest of all ailments, strikes 9 out of 10 people every year. It causes a loss of 160 million work days annually in the United States alone and costs through absenteeism, medical bills and production losses the fantastic sum of over five and one half billion dollars yearly. Research scientists, industrialists and doctors consider the common cold to be the most annoying and expensive health problem facing the nation today.

### More Next Week

A lot of expense and loss of time due to colds can be avoided by preventive measures taken before the cold strikes. Remember, "an ounce of prevention is worth a pound of cure". BIRCHWAY DRUGS ... 7503 Milwaukee Avenue ... Phone 647-8337

## Maine North Purchases Pipe Organ

Bill Black of 306 Washington, Glenview, (r) and Tom Mueller (L) of 9780 Oak Lane, Des Plaines will help restore a 100 year old Tracker pipe organ which Maine North recently purchased. The organ has 270 pipes which range in size from 2 in. to 9 ft.

Jack Olander has been teaching music in the Maine Township high schools for 6 years. In the past Olander's Keyboard Ensemble classes built harpsichords, a clavichord, learned to tune pianos, and even rebuilt a piano.

But Olander's classes face a new challenge. They will re-build a 100-year-old Tracker pipe organ which Olander discovered in a central Wisconsin church a month ago.

"It's the type of pipe organ found throughout Europe which is now becoming popular in this country," Olander said. The pipe organ has 270 pipes which range in size from 2" to 9'.

Olander explained that in Sweden there are 800 Tracker organs over 150 years old still in use. "This type of organ has historically been found to last longer than other organs," he said.

While touring Sweden this summer, Olander had the opportunity to play a Tracker organ built in 1575. He said the 400-year-old instrument is constructed similar to the one Maine North purchased.

Olander explained the Tracker principle of organ building

was begun about 800 A.D. and used till the late 1880's when organ manufacturers decided to build organs using a combination of electricity and air.

"It's an art to play a Tracker organ," Olander said smiling. "With an electric action organ you are really just an operator."

Although Olander said the classes won't restore the instrument to its original disposition, they will restore it to meet the needs of Maine North.

His key ensemble class investigates the development of key board instruments and the new organ affords the students an opportunity to play the organ after its restoration.

"When we started to take it apart, I realized the work that was in store for us," said Tom Mueller of 9780 Oak Lane, Des Plaines. "I really enjoyed taking it apart and I will enjoy rebuilding it."

Another student, Bill Black of 306 Washington, Glenview, said, "I think it was quite fantastic how someone could have thought of all the details that are contained in an organ."

Mr. Olander and his wife live with their 2 children at 1449 W. Foster, Chicago.

## Niles North Students Tour Oakton College

Fourteen students from Niles North High School toured the Oakton Community College campus recently. It was announced by William A. Koehnline, college president.

"This is the first of many tours of the Oakton campus which will eventually be taking place," said Koehnline. "We feel that it is very important for future Oakton students to visit the campus while they are still in high school, to experience the college atmosphere at Oakton. We are pleased that

they have included our new college among their potential choices for college."

The tour was led by Oakton students, This is consistent with comments made by Ray Hartstein, chairman of the board of trustees, after a presentation by a panel of students at the December 1 board meeting, that students are the best salesmen the college has.

Among the Niles North students participating in the tour were Dolores LeBrun and Kathy Anderson of Morton Grove.

## ADULT EVENING CLASSES

### Data Processing

College credit courses and technical classes in Electronic Data Processing will open at the Maine Adult Evening School in January, in advance of the spring term of non-credit subjects.

The University of Illinois, Northern Illinois University, National College of Education, Northeastern Illinois State College, and Chicago State College will offer 48 courses through the facilities of the Maine Township high schools, beginning Jan. 5. A flyer giving complete information may be requested by calling the Maine Adult Evening School at 696-3600.

Electronic Data Processing courses are: Console Operation, scheduled to begin on Jan. 11; Data Process Math II, Jan. 14; and Assembly, Problem Oriented, and Special Computer Languages, Jan. 11. These are part of the 2 1/2 year certificate program, now in its second, fifth, and eighth trimesters. They may also be taken as individual courses.

The Spring 1971 term of some 300 non-credit courses begins Feb. 1 at Maine East, Maine West, and Maine South. Brochures describing the program will be mailed early in Jan. to all residents of Park Ridge, Des Plaines, Morton Grove, Glenview, Mount Prospect, Niles, and Chicago areas adjacent to Maine Township. Former students of 1970 classes will also receive brochures for the coming term.

## Oakton Tuition Applications

Applications for tuition reimbursement are now being received from residents of Junior College Dist. 535 who wish to attend public Illinois Junior Colleges other than Oakton Community College during the spring 1971 semester. Students who wish to enroll in a program conducted by another Illinois public junior college during the spring 1971 semester are being requested to apply immediately if they wish Dist. 535 to reimburse them for tuition charges. Applications must be received at least thirty calendar days prior to the first day that classroom instruction is to be offered in the program desired in the community college which the applicant wishes to attend.

All students presently having a letter of authorization for the fall and spring semester of the school year 1970-71 must renew their letter of authorization if they decide that they will be attending a public junior college during the summer of 1971.

Application forms for requesting tuition reimbursement are available at the admissions office of Oakton Community College, Building #3, 7900 N. Nagle ave., Morton Grove, Ill. 60053. Questions regarding tuition reimbursement are to be directed to the admissions office, 967-5120, Ext. 392 or 393.

## Maine Line

Going over plans for the next "Maine Line" broadcast scheduled for Jan. 7, 1971, are Mrs. Stanley Stevens of Niles, "Maine Line" hostess, and Mr. William Mitchell, station manager of WMTH-FM and instructor in radio and TV at Maine Township High School East. The "Maine Line" radio program is sponsored by the Maine East Mothers' club and is broadcast on the first Thursday of each month at 1:05 p.m. over the facilities of WMTH-88.5 FM, the radio voice of Maine Township High School Dist. 207. The half hour program deals with subjects of interest to parents of Maine high school students.

In October Mrs. Stevens interviewed two Park Ridge residents, Mrs. Theodore Grippo, Antique Show chairman, and Mrs. R. Erickson, Bake Sale chairman. The Antique Show and Bake Sale is the Mothers' club main fund raising event and all profits go to the scholarship fund. Appearing in December were Miss Agnes Brady, Dean of Girls at East, Mr. Alex Bergrowicz, Dean of Boys and Mr. George Krueger, Head Psychologist of high school Dist. 207, who discussed student behavior and attitudes.

Plans for the future, according to Mrs. Stevens, include an interview with the Maine North administration, a talk with the director of the Special Education facilities, and a program dealing with pollution.

## Dist. 207 Lunch Program Policy

Dr. Richard R. Short, Superintendent of Schools for Maine Township High School District 207, announced recently that the district's policy providing for free or reduced price lunches to those high school students whose families cannot afford to pay the full price of the meal has been revised in accord with the standards set forth in a recent bulletin issued by the U.S. Department of Agriculture and the Department of School Food Services.

In an effort to help meet the nutritional needs of all its students a well-balanced lunch is served each school day at Maine East, Maine South, Maine North and Maine West high schools. The charge to students who can pay is 45¢ daily. However, since some families find it difficult to pay the full price for their children, the school provides these lunches free or at a reduced price to students determined eligible. In each case, eligibility is based primarily on the family income level according to a national guideline used by participating schools throughout the United States and prescribed by the Secretary of Agriculture.

Family Size - Annual Gross Income: 1-\$1,920, 2-2,520, 3-3,120, 4-3,720, 5-4,270, 6-4,820, 7-5,320, 8-5,820, each additional family member \$450.

A letter giving information about the school policy regarding free or reduced price lunches, along with a copy of the application form and information regarding procedures for application, were sent to parents of all Maine high school students on Dec. 29. Families who believe that their children may be eligible are urged to apply.

The completed application, signed by an adult family member, should be sent to the principal of the high school the student attends: Maine East - John J. Clouser, principal, 2601 Dempster st., Park Ridge; Maine North - Robert A. Wells, principal, 9511 Harrison st., Des Plaines; Maine South - Dr. Clyde K. Watson, 1111 S. Dee rd., Park Ridge; Maine West - Herman L. Rider, 1755 Wolf rd., Des Plaines.

The applications will be reviewed within ten days and the family will be notified in writing of the decision made. Information provided on the applications will be held in the strictest confidence, and the anonymity of each student receiving a free or reduced price meal shall be insured. Any unusual circumstances or hardships which affect the family's ability to pay for the lunches will be considered.

If a family is not satisfied with the decision made regarding their application, they may appeal the request to Dr. Richard R. Short, Superintendent of Schools. His office is located at the Ralph J. Frost Administration Center, Maine Township High School District 207, 1311 S. Dee rd., Park Ridge. Dr. Short will review the application and try to make satisfactory arrangements. The district policy will be applied fairly and uniformly to all students and will be effective Jan. 1, 1971.

The Type A lunch served in the program is planned to provide from one-third to one-half of the nutritional needs of the student. It consists of meat or an alternate protein-rich food, a serving of two or more fruits or vegetables, bread, butter and milk. (The meal is identical to the meals served to paying students.)

## LETTERS to EDITOR

### Acting Before Thinking

Dear Editor:

This article is being written by a student of St. John Brebeuf as well as a citizen of Niles. I am writing this article because I feel that the city and the school are being unjustly ridiculed. I feel it's about time someone took a stand and I feel it's my duty to do so.

Mr. Charles Gomez accuses the students of St. John Brebeuf as well as the city of Niles of harassing his children. This may be true of a few punks but still we feel that he has no right whatsoever to ridicule the whole city.

We feel Mr. Gomez and the teachers are blind to the side we know of Carmen. We're not putting down Carmen because of her race, in fact we have just completed a five month visit from a Mexican exchange student who got along fine with everyone and had many friends. The point I'm getting at is Carmen's attitude toward other people which has been outrageously inconsiderate.

Carmen, as we know her as compared with some of her elders, must have a totally split personality.

Now there is a matter of

Charley and Rebecca whom I both respect because of their good attitude toward their friends. Charley and Becky differ from Carmen in a way from what we know of them, they are very nice kids and very easy to talk to.

Carmen has accused several of our classmates of harassing her such as calling her names, punching, kicking and spitting on her. We found out much of this is untrue. We have grown up with these kids for almost eight years and we know that most are totally incompetent of committing such crimes.

We do realize that many of these accusations are actually exaggerations on behalf of Carmen, such as in the case of the teacher who supposedly showed a film of Mexico that was really of Spain. Because of this we feel that the Gomez family should be totally sure of what they're talking about before they down a prominent city such as Niles.

This article is based on fact and only fact this is the true Gomez family as I see them.

## Kennedy Family Grateful to All

We would like to take this opportunity to thank all of our friends, neighbors, and members of the community for the concern, help, and love they showed toward our family. When sudden tragedy strikes close to home it suddenly becomes a reality. It happens all too often, but it takes on a greater dimension when it touches those close to you. Some react with totally unreasoning grief, some with indifference, and others with an unselfish desire to reach out and share the tragedy, possibly to somehow lessen it.

A close friend of the family wrote very soon after the death of our brother and son, Bruce, and said, "When something like this happens, it is best to go out and plant a tree." He meant, we are sure, that one should bring one's self back to an affirmation of life and future. Our friends, neighbors, and members of the community have helped to plant a tree both here and at the Illinois School for the

Deaf. They, through their efforts here have helped a family to reaffirm their lives and futures and through their efforts have helped to plant the most valuable type of tree at the Illinois School for the Deaf; the seed of knowledge and exaltation which grows in the soil of young minds, nurtured by thoughts brought to them in books. These books will be purchased with funds raised through the efforts of all these people.

We would especially like to convey our most heartfelt thanks and appreciation to Mr. Tony LaRosa and the members of American Legion Post #134. Tony summed up their feelings in his typically concise manner: "We felt something needed to be done and we did it." Once again Tony, thanks to you, our friends, neighbors, and the Village of Morton Grove.

## Hospital Signs Teaching Agreement

Lutheran General hospital, Park Ridge, and the University of Illinois Medical School are now formally affiliated for teaching purposes. The affiliation agreement was officially announced Dec. 2, at a luncheon in Chicago's Union League club.

According to Dr. Alexander Ruggie, medical director at Lutheran General, the agreement had received approval from the hospital's board of trustees earlier this fall. It has also received the unanimous backing of the Lutheran General medical staff.

The agreement is part of a plan of the University of Illinois to double the number of medical graduates in the coming decade. Lutheran General is one of five hospitals to join what is being called "The Chicago Metropolitan Group of Affiliated Hospitals."

Other hospitals are Illinois Masonic, Mercy, Ravenswood and Weiss Memorial. All are located in Chicago.

"This is a significant step for Lutheran General hospital. It emphasizes the deep commitment to education which the hospital has had since it opened," said T.L. Jacobsen, executive director.

According to University of Illinois officials the affiliation will mobilize resources not only for medical education but in all health sciences.

The affiliation means that there will be more teaching conducted at Lutheran General. University of Illinois Medical students are already taking physical diagnosis classes and serving clerkships at the hospital.

## Morton Grove Post 134 of the American Legion

The dance and frolics this year, as previously announced, will be Saturday evening, Jan. 16, at the American Legion Memorial Home. According to Lion Dick Winegard, Chairman, tickets will be mailed to all Lion members this week. The price which will include a buffet dinner, the Ham & Eggers annual production and dancing to the melodious melodies of Roy Bassaglia and his orchestra, is \$12 per couple. Cocktails and set-ups will be available.

Maestro Lion Rog Peterson has announced that this year's Ham & Eggers will feature the "Cold Duck" musical production by Lawrence Belch. A surprise guest will perform and the show should equal or surpass any of the previous Ham & Eggers productions.

Tables of 10 may be reserved by contacting Ticket Chairman Lion Paul Cosgrove. All Lions and friends are asked to get their reservations and money to Lion Paul as soon as possible.

## Panel Participant

Jerome Abern, Member of the Board of Education, School District #63, Niles, was an honored panelist at the 137th Annual Meeting of the American Association for Advancement of Science on Dec. 29, 1970 at the Pick-Congress Hotel.

Mr. Abern responded as a School Board Member to Dr. Carl Bereiter's address "Teaching What is Teachable." Other members of the panel were representing a parent group, an assistant school superintendent, a principal and two students.

Memories of former Morton Grove Lions Club winter dances linger in the minds of those who attend for years to come. Shown here L. to R. in the 1969 show are Lions Roy Peterson, Ed Artwick, Stan Czech, Bob Eick, Lion President Art Smith, & Lion Glen Quinn.

## Gifts for Handicapped Kids

Each Christmas and Easter the Morton Grove Post #134 of the American Legion visits the handicapped youngsters in town with a gift. Under the direction of the post Child Welfare Chairman, this year's such Morton Grove area officer, Tony LaRosa, is pictured second from right. He just returned from the hospital but felt it necessary to make sure the program was being carried out to its successful completion.

Posing with him before they distributed the 36 children's gifts are: L. to r.: Dick Hohn, co-Morton Grove area Child Welfare Chairman Bernie Williams, past commander Frank Selzer; and following La Rosa, junior past commander Al Nehart. The Christmas visit is timed with the Santa program as these handicapped kids are unable to stand on the street awaiting the man in the red suit. The Santa Claus Comes to Town program, also held the same day, Dec., 20, was a joint project; however, by the Legion and the Morton Grove Days Committee.

## East's Debate Teams Victorious

Lynn Hofmeister, L., and Ray Rittenhouse, Maine East novice debaters, pose with the championship trophy and speakers' certificates won last weekend at Southern Illinois University high school debate tournament. The other 2 members of the winning novice team are Collette Silberstein and Tom Laman.

Novice debaters from Maine Township high school East, by winning eleven of twelve debates, captured the championship trophy last weekend at Southern Illinois University where the largest high school debate tournament in the state is held. East's novice team, Lynn Hofmeister (Park Ridge), Collette Silberstein (Des Plaines), Ray Rittenhouse (Des Plaines) and Tom Laman (Morton Grove), competed against more than 300 students winning in addition to the team championship two outstanding debater certificates.

The varsity team, consisting of Neil Gershon (Morton Grove) and Neil Blumenfeld (Morton Grove), placed ninth in the competition missing the quarter finals by only a few points. Bob Feldhake (Des Plaines) and Harvey Morris (Morton Grove) experienced particularly tough competition but were still able to finish "500".

At West Leyden, East placed a second novice team in competition which won that contest. Team members were Mark Heiland (Morton Grove), Jeff Weingarten (Des Plaines), Judy Siegel (Niles) and Gary Kneller (Morton Grove). This was the first time in Maine East's history that two separate novice teams won in two different tournaments. The overall novice record for the weekend was 17 wins and 1 loss.

The junior varsity at West Leyden won five of six debates and tied for second place in the tournament. Heather Peck (Des Plaines), Mike Ginsburg (Morton Grove), Aron Lampert (Niles) and Maureen Arendt (Morton Grove) comprised the junior varsity team which lost only one debate.

At the West Leyden tournament, varsity debaters Pat Hofmeister (Park Ridge), Judy Barrigan, Gail Lovinger (Morton Grove) and Hy Riebman (Morton Grove) took third place with a four win, two loss record. Gail was the fourth place speaker in the tournament and Pat placed sixth.

Robert Swanson, Director of Debate at East, was awarded the Outstanding Debate Coach of 1970-71 title.

Neil Gershon, L., jokingly points at the "The Grand Saluki" held by Robert Swanson, Director of Debate at Maine East, as Neil Blumenfeld looks on. Team members found the "Saluki" humorous but were proud of the title awarded their coach at Southern Illinois University - "Outstanding Debate Coach of 1970-71."

## Teen Beauties

Three of the 16 girls seeking the title of Illinois' Junior Miss in the state pageant to be held in Joliet, December 29-30, stop briefly for photographers during the orientation session. They are, l. to r., Patricia Fornall, Niles' Junior Miss; Gert Schneider, Northbrook's Junior Miss; and Maria Romo, Chicago's Junior Miss.

## Congratulations!

Announcements were made of the winners of the 11th annual competition of the Metropolitan Youth Symphony orchestra, which was adjudicated by a distinguished panel of judges, all members of the Chicago Federation of Musicians. Honorable mention was received by Roberta Goldberg, 15 year old cellist of 5525 W. Main st., Morton Grove.

Officers and representatives to the Engineering Council of the University of Illinois at Urbana-Champaign were announced recently. The council is the central organization for all students in the College of Engineering.

Maureen McConnell, prominent in cheerleading and student government at Maine Township High School East, will be the senior girl receiving the Daughters of the American Revolution (DAR) Good Citizen award at Maine's honors convocation next spring.

From 3 girls nominated by the senior class as best qualified for the award on the basis of dependability, service, leadership, and patriotism, the faculty had the task of making the final selection. Maureen, daughter of Mr. and Mrs. E. Hoy McConnell, 1710 Glenview, Park Ridge, was notified of the decision by Mrs. Walter Dahm, Good Citizenship chairman for the Park Ridge Chapter of the DAR.

## Niles Art Guild Meets Jan. 6

Karl Karalus

An outstanding program is planned for the Jan. 6 meeting of the Niles Art Guild. Mr. Karl Karalus, well known animal illustrator will present a demonstration on his opaque water color technique. Since his early boyhood days, Mr. Karalus has been fascinated with nature. Because of this early interest, he now possesses one of the largest collections of fur-bearing animals in the Midwest. His collection of butterflies, moths and beetles is in excess of 25,000. As a professional taxidermist, Mr. Karalus has a first hand know-

ledge of the animal few artists ever experience. It's this intimate knowledge which Mr. Karalus expresses on his canvases. Many of his paintings are from life studies.

Karalus' "Great Horned Owl" an oil commissioned by Mr. Reinauer, Asso. Producer of NBC's "Wild Kingdom" shows once again why Mr. Karalus is respected not only for his artistic abilities but his understanding and knowledge of his subject. Although oil is his favorite medium, Karalus works with acrylics, watercolors and pencil. Three books, American Birds by Grace Blake, Wild Season by A.W. Acker, and Crossbreed by A.W. Eckert, were illustrated by Mr. Karalus.

From the first row of feathers on the Eagle's wing, to the Jaguar's curled tail, you will delight in his every stroke and be amazed at his vast knowledge of the animal world. Be sure to attend this meeting and bring your friends. The meeting will be held in the Niles Recreation center, 7877 N. Milwaukee ave., Niles at 8 p.m.

# Notre Dame Fencers Take 2 Firsts

The Notre Dame fencers won their second dual meet of the season against Niles West last Thursday. The Varsity won 12-6 behind the 3-0 scores of Co-Captains Tom Alcock and Paul Quintiff. The varsity now has 20 wins in a row extending back to Feb. 1968.

The Frosh-soph matched the varsity with their 17th win in a row over the past three seasons by a score of 13-5 behind the 3-0 of Terry McConville and 2-0 of Randy Mikos.

Last Saturday, N. D. hosted their annual Fencing tournament for the A.F.L.A. There were 101 fencers all told. In the 17-19 age group, Paul Quintiff took 4th place. In the Under 15 age group, N.D. placed 5 fencers out of the final round of 12. Randy Mikos took 1st place and his teammate, Bill Kica, took 2nd. Dave Gonzales took 6th.

In the 15-16 age group, there were 60 fencers. Although 6 fencers made the cut to the elimination round of 32, only 3 made it to the quarter-finals. Terry McConville was eliminated by his teammate Tom Al-

cock. Alcock took 1st place with a record for the day of 15-1.

Tom Alcock has now won 3 first place trophies in as many major tournaments in fencers of 23, 49 and 60. Alcock has outlasted 132 fencers from around the state and has an enviable record for tournament play of 44-3 with an overall record of 60-15.

N.D. took home 3 trophies out of the 9 offered.

N. D. faces Maine South on Thursday and will host another tournament on Jan 2 at 9 a.m. This is open to the public - no admission charge.

## Legion Gun Club Officers

Many organizations hold their election officers in the spring to begin the club year after summer vacations; but the Senior Gun Club of the Morton Grove Post #134, American Legion held theirs Dec. 8. As is their usual custom, their officers run a calendar year.

New president is Deno Zucollo. Vice president, John Guthrie; executive officer, Joseph Zucollo; secretary, Edward Martin Jr.; and treasurer, Mel Watt.

Club officers say Deno Zucollo was instrumental in forming a new competitive pistol team. He is expected to add much in leadership to this Post subsidiary group. He has expanded "much effort and time in training junior shooters in the N.R.A. basic courses of the Junior Gun Club" said a spokesman.

The Gun Club feel that only combat men know the importance of excellent marksmanship. Countries behind the "Iron Curtain" know and show their efforts in international competition, but they feel the U.S. down our shooters. The Legion gun club wishes to uphold their own, the American Legion and our country's beliefs.

In January 1958 the U. S. put its first 21-pound satellite into orbit at a cost of \$100,000 per pound, not counting research and development or launch vehicle costs. Today the U. S. Air Force advises potential customers that it will put up to a 2,000-pound satellite into orbit for about \$700 per pound. That is the kind of technological development that can be achieved through aerospace industry and Department of Defense teamwork.

## MNLL-Registration

Boys who live within the Maine-Morthfield Little League boundaries, (Lake-Eucild rd., including Timber Trails and the Willows; Dempster st., and Shermer and River rds.), are being notified through their schools that MNLL registration will be held Jan. 9 and 10 and Jan. 16 and 17 at Flick Park in Glenview.

The registration hours will be from 9 a.m. until Noon on Saturdays and Noon until 3 p.m. on Sundays. Flick Park is located three blocks north of Glenview rd. between Pflingston and Longmeadow in Glenview.

Age limits are 8 years old before Aug. 1 through 15 years old by July 31. Each boy registering must be accompanied by a parent or guardian and all players must register whether they played in the league before or not. Later, new registrants and those changing divisions will be notified when to appear for try-outs.

This year, a limited number of boys in each age group will be accepted because of a league realignment which will provide for two major leagues, National and American, for the first time. Both leagues will be equal in all respects.

In connection with Maine-Northfield Little League's winter school for managers it has been announced that through the efforts of player agent Art Sepke, Prospect Heights, Lou Rosen, a former professional baseball player, will talk to all MNLL managers and coaches on how to teach boys to play baseball at the first session Jan. 6. Another professional is scheduled for a February class.

## Maine South Falls to Dons

N.D. Follmen defeated strong and previously undefeated Maine South on Thursday. The varsity was behind in the first round and the battle went back and forth in the second round. N.D. had a chance to win it in the last bout but lost the bout. A tie resulted, but ties are broken in fencing. The team that scores the most total points wins. This actually means that the team that has the poorer defense and allows more touches against itself loses. N.D. had 69 total points and Maine South 60. N.D. is now 3-0 for the season and 21 wins in a row. John Stobart went 3-0 for the day.

The frosh soph led 6-3 at the half but finally won it 10-8 after Terry McConville and Jim Stobart went 3-0 each. The frosh-soph are also 3-0 for the season and have an 18 game winning streak.

### Safe Trailering To The Snow

For most of us, snowmobiling requires that we frequently trailer our machines from where we live to more suitable operating locales, just to get to more or better snow or for special events such as rallies.

Because of this high frequency of trailering, the concerned recreation experts at Mercury snowmobiles have called attention to the fact that safe trailering is just as important as safe machine operation on the snow.

According to their observations, safety actually begins with trailer selection, in three important aspects:

1. The swivel-tilt type is safer (and easier) to unload than the tilt-only type, and worth its small extra cost.
2. A "bargain" trailer is likely to have "bargain" wheel bearings. And if bearings fail and you lose an axle at highway speeds, the result could be a badly damaged trailer - and snowmobile!
3. Be certain there are sufficient tie-down hooks.
4. Then, actual trailering requires observance of special cautions.
5. Pack those wheel bearings at least once a year.
6. Keep tires properly inflated.
7. Have a proper hitch for your car installed - not the unsupported bumper clamp type.
8. Load your snowmobile(s) onto the trailer so the weight is "largely forward" - if too much weight is too far back, there will be a tendency to whiplash.

# YOUR PARK DISTRICT

## Niles —

### Knitting

This winter the Niles Park District will be offering a number of creative programs for adults and children. Knitting will be offered for girls age 8 years and up at Grennan Heights Annex, 8255 Oketo on Monday afternoons from 3:45-4:45 p.m. Beginners and advanced knitters may register. The session will begin Jan. 11 and culminate March 8. A fee of \$3.50 will be charged. This class will cover the fundamentals of knitting, as well as advanced work instruction given on an individual basis. Knitting will also be offered to adult women on Tuesday evenings from 7:30 - 8:30 p.m. for beginners and 8:30-9:30 p.m. for advanced knitters. Classes will begin Jan. 12 and end March 9, 1971. The fee for the nine week course will be \$3.50. The beginners class will cover the fundamentals of knitting while the advanced class will teach how to improve knitting technique as well as instruction for more advanced work.

Crocheting will be offered by the park district this winter on Thursday nights from 7:30 - 8:30 p.m. at the Grennan Heights Annex, 8255 Oketo. Learn to make popular fashions for yourself and your family. The fee for this nine week course will be \$3.50. Beginners as well as advanced students may re-

gister now at the Niles Recreation center, 7877 Milwaukee ave. Instructor for all three classes will be Mrs. Hazel Hammelmann, an expert in the arts of knitting and Crocheting.

### Slimnastics

Exercising can be fun. Join the slimnastics class and treat yourself to an evening of fun and physical activity once a week. Classes will be held at the Louis Schreiner gym, Grennan Heights park, 8255 Oketo beginning Tuesday, Jan. 12 and culminating March 9, at 8 p.m. to 11 p.m. The program consists of various slimming and trimming exercises as well as informal volleyball games. Women interested in competitive volleyball will have the opportunity to play against various suburbs. The class is conducted by Mrs. Betty Miller, who has taught this class for several years for the park district. She is a physical education instructor and is well versed in all aspects of the program.

Register for this program at the Niles Park Recreation center, 7877 Milwaukee ave. The fee for the nine week session is \$3 for residents and \$6 for non-residents.

Fee: \$4 for six lessons (2 lessons a week for three weeks.) Weather permitting a second set of six lessons may be registered for.

Location: Hockey enclosure in Harrier Park.

Date: First Monday after ice is ready. Classes will meet twice a week. Students may enroll in the advanced classes only if they have had previous instruction. Register at the Park District office, 6250 Dempster - 965-1200. Classes will be limited to 20 students.

Baton Classes. Registrations are now being accepted at the Park District office for the second session of Baton which will begin the week of Jan. 4. Fee is \$5 per 10 week session. Classes are held at Austin, Mansfield and Oketo Parks at 3:45 and 4:45 p.m. For further information call 965-1200.

## Children's Art Class

The Niles Park District will once again conduct specialized art classes this winter. A class in pencil sketching for 8-11 yr. olds and a class in pastel drawing for 11-14 yr. olds, will be on Wednesday afternoons at the Niles Recreation center. Classes begin Jan. 6 and culminate Feb. 10. Pencil sketching will be held at 3:45 p.m. and the pastel drawing at 4:45 p.m.

The instructor for the class is Mrs. Karen Forzak, who has been with the park district for several years. She had recently completed sketching and

drawing the clowns on the puppet wagon which was seen throughout Niles during the summer. The clowns on the Game-Time wagon are also her creations. Mrs. Forzak is well known and respected in the art circle. Attending and participating in several local art fairs, the quality of her work is superb. Her techniques of teaching youngsters are unique and have proved to be responsible for tremendous results. Register your child now, at the Niles Recreation Center, 7877 Milwaukee ave. The fees for the classes are \$6.

### Poster Contest Winner

Recently Oakton Manor Homeowner's Association sponsored a poster contest for their Bake Sale, Nov. 21, at the Bank of Niles. The winners of the contest are (1. to r.) 3rd place, Janet Zajdel and her brother Richard; 2nd place Tracy Parker; 1st place Ronald Ostruzska and 4th place Tamara Class. They all received cash awards for their great efforts.

Before driving, 'SAFETY CHECK' your car... gas, oil, lights, tires, loose items on rear window deck.

## Golf-Maine

### Ready To Try Out Your New Skates

The Golf-Maine Park district will begin freezing the Dee and Emerson tennis courts as soon as weather and rink preparations permit, according to recreation director "Turk" Glazebrook. The rink is scheduled to open during the first week of January. Public is encouraged to watch the local papers for starting date. The district will maintain ice until the last week in February.

Hours-The rink will be opened and supervised for skating during the following daylight hours: Monday thru Friday, 3 to 5 p.m.; Saturdays, 1 to 5 p.m.; Sundays,

1 to 5 p.m. Passes to skate will go on sale starting Jan. 4, 1971 (Monday.) Fees are 25¢ daily, \$2 individual season pass, \$5 family season pass. Every attempt is being made to light the rink for evening skating. These additional hours will be announced at a later time.

## Civil Defense Sirens Info

I have been amazed and disturbed at the response the 10:30 a.m. Tuesday test of the Civil Defense Sirens have produced.

After all the years this sound has been heard on Tuesday at 10:30 a.m. (every Tuesday in Chicago and several surrounding suburban villages and towns and the First Tuesday of the month in Niles,) it seems strange so many people do not know the reason or meaning behind these sirens.

The reason for the blast on the siren is simple, it is to make sure the siren works! The reason for the test on Tuesday at 10:30 a.m. is also very simple, it is the nation-wide test for the test, set by the Federal Government.

Now, the reason for the sirens is also very simple, they are a warning device. A warning device to inform the public of some sort of danger that is at hand. There are two (2) signals the sirens produce, one is a steady blast for 3 to 5 minutes to get the attention of the people. This is the ALERT SIGNAL. The second signal is a 3 to 5 minute wavering sound on the sirens. This is the ATTACK

WARNING. This signal will only be used to warn of an attack against the United States by an enemy power.

The Alert Signal (3 to 5 minutes steady blast) is used to alert the people of a danger, a threatened or impending emergency. In Niles, and most other areas, the Alert Signal means people should turn on their radio or television sets to hear important emergency information being broadcast. You should find out now before any emergency occurs, what warning signals are being used in your community.

When you are warned of an emergency, get your information on the radio or television. Use your telephone only to report important events (such as fires, flash floods, or tornado sightings) to the local authorities (police). If you tie up the telephone lines simply to get information, you may prevent emergency calls from being completed. What about that siren blast at 10:30 a.m. on Tuesday? It may save your life!!!

# Instructions for Vietnam Phone Calls

Illinois Bell today offered residents some advice about exchanging holiday telephone greetings with servicemen in Vietnam.

"If you want to talk to a relative or friend in Vietnam, arrange to have him place the call from there," suggested Illinois Bell manager Al Blatner.

For a variety of reasons it is virtually impossible to reach a particular serviceman by calling from this end. Nearly all the calls completed between the two countries originate in Vietnam but are paid for in this country by having the charges reversed.

According to the American Telephone and Telegraph Company's long lines department, special arrangements have been made in Vietnam to help servicemen call home at their convenience. These arrangements were made through the cooperation of the U.S.O., the military, the Bell System and communications people in South Vietnam and Hong Kong.

Many of the calls home are placed from the U.S.O. center in downtown Saigon. However, a number of hospitals and service centers at bases in the Vietnamese countryside. Five years ago only about 30 calls a day were being completed over two high frequency radio circuits that were in service four hours daily. These are still the only circuits that handle calls into Vietnam. But by providing special facilities at the Saigon U.S.O. center, approximately 25 times as many outgoing calls are now being completed daily. These calls are carried by radio to Hong Kong and then to the U.S.A. on undersea cable or satellite circuits.

Vietnam is 14 hours ahead of central standard time.

# Dist. 64 to Discuss 'Shared Time'

The District 64 Board of Education will meet as a "Committee of the Whole" on Monday night, January 4, to discuss the shared-time proposal recently made by the St. Paul of the Cross School. The meeting will start at 8 p.m. in the Lincoln Junior high school Library.

Representatives of the St. Paul School Board presented their request for a shared-time program to the Dist. 64 Board of Education at a regular meeting of the Board on Monday, Dec. 14. St. Paul is the only local non-public school making a shared-time proposal for the 1971-72 school year, according to the representatives of the Association of District 64 Non-Public Schools.

The proposed program would serve 430 children who, according to the school's projection, would be enrolled in the 4th through 8th grades at St. Paul next year.

The proposal, as outlined by the St. Paul Board members, requests: 1. District 64 to undertake responsibility for teaching certain subjects, possibly mathematics, science, reading and foreign language. 2. The program would involve approximately 50% of the last five grades curriculum, which represents approximately 35% of the total school program. 3. Based on present private school classroom size, the program would require about 15 half-time teachers and classrooms, or 7 1/2 full-time teachers and classrooms, plus any required administrative personnel. 4. Scheduling of curriculum, teachers, and classrooms, on a departmental basis, would be implemented by administrators of the respective schools. 5. The entire St. Paul of the Cross Junior High School, a separate building located at Washington and Summit sts. in Park Ridge, would be leased to Dist. 64. Rental rates would be negotiated. The facilities, consisting of seven classrooms and a basement hall, would be under the control of St. Paul other than regular school hours.

Members of the St. Paul Board of Education stated to the Dist. 64 Board members on Dec. 14 that they believed the parents and congregation of St. Paul of the Cross would support a facility of all-day teachers. The nuns of the Sisters of Mercy who have taught at the school for many years are withdrawing at the end of the current school year.

The St. Paul spokesmen also pointed out that for the first time there is no commitment to open the school next year. They said they must make a commitment to their teaching staff within the next 30 days. The meeting on Jan. 4 is open to the public.

# Lions Aid Fund

Roland Dilg, President of the 1st National Bank of Morton Grove, for 1, is seen last week in his office receiving a \$200 donation to the Bruce Kennedy Memorial Fund from the Morton Grove Lions club president Art Smith.

Between them is Paul Anthony, Dist. 1-F governor; and following Smith, 1, to r., Stanley Czech, past president and Dist. 1-F secretary-treasurer; Robert Eick, local businessman and past president of the Lions club; and John Campton, of the Lions' sight conservation committee.

The Morton Grove American Legion Post #134 is conducting a drive for the Illinois School for the Deaf in Jacksonville. They became involved in this project when the child welfare committee visited the handicapped son of the David Kennedys of Morton Grove. Jimmie Kennedy's brother, Bruce, deaf as are the parents, was a student at the school when he was fatally burned in January of this year in a hotel fire while on a school outing.

# Kennedy Funds Being Accepted

The Morton Grove Post #134 of the American Legion once again publicly acknowledges with gratitude donations made to the Bruce Kennedy Memorial Fund. Solicitation of funds will take place until Jan. 27 at which time a check will be presented to the Superintendent of the Illinois School for the Deaf in Jacksonville.

Monetary contributions received this past week include those from High Low Grocery, Carousel Hair Stylists, Guild Press, Lamp City and the Morton Grove Glass & Mirror Co.

The Legion also thanks with grateful appreciation the \$25 donation from the Morton Grove Women's Club.

Honorary chairman of the project is Mr. Roland Dilg, President of the 1st National Bank of Morton Grove. He is accepting the donations for the Legion at the bank.

Original plans called for a check presentation at the Legionnaires' Dec. meeting. However, Post Child Welfare Chairman, Tony La Rosa was taken ill at the time. The Post felt it only fitting for Tony to make the presentation himself as he was Bruce Kennedy Memorial Fund Dance Chairman.

# Pack 251

The Cub Scouts and Webelos of Pack 251 held their X-mas meeting at Jefferson school on Friday, Dec. 11, at 8 p.m. Dens 3 & 5 led the pack and guests in singing "Joy to the World" accompanied on guitar by Mr. Paul Betts, faculty member of Jefferson school. The flag ceremony was presented by Webelos Den 2, Cubmaster, Dom Caminiti asked Mrs. Panches to report on candy sales and profits. The top salesmen were: Bob Jajkowski, 133 boxes; Lowell Panches, 70 boxes; Robert Hollberg, 55 boxes. The profits of \$312 earned from candy sales will be spent in part on a trip to Cubs park in the spring for all participating scouts in Pack 251.

Mr. Betts led the group in the singing of X-mas songs and Mr. Ray Schwandt read an X-mas story. A skit was presented by Den 4 titled "The Night before X-mas." Santa Claus visited with goodies for the visiting children and gifts and goodies for the scouts.

Mrs. Caminiti presented the Parents attendance awards to Dens 3 & 4. With the aid of Santa Claus, the following boys received awards: Den 5-Keith Panuce, gold & silver arrows; Den 6-Darren VanPuybrouck, wolf badge and gold arrow; Jerry Sullivan, silver arrow; Webelos Den 2-Chris Cairo, Brian Caminiti, Bob Jajkowski, Sportsman awards. A new bobcat, Peter Fortuna, was welcomed into Den 3. Mrs. Ginni Caminiti was recognized for her years of service as a den mother, now retiring.

A collection of canned goods was held for needy people to be disbursed thru the Common Pantry.

A swimming outing was announced, to be held on Monday, Dec. 14, from 7 - 9 p.m. at Maine East high school for all scouts and fathers.

A rousing "Happy Birthday" was sung for Mr. Betts before the retiring of colors and refreshments were served.

# Maine Ridge Klondike Derby Jan. 30

The Maine Ridge district of the Boy Scouts have scheduled a Klondike Derby or Winter Camporee for Sat., Jan. 30, at Camp Dan Beard, Portwine rd. and County Line rd., Wheeling.

Activities chairman Norb Harz has issued instructions for the construction of a klondike sled, with seven sled dogs (scouts). The race will be over a prescribed course and run in heats with winners of each heat competing for the Klondike Derby championship. In order to qualify as a winner, sled must finish race intact. (Instructions say nothing about the sled dogs (scouts)).

Other events include pitching a tent and preparing sleeping bag for cold weather sleeping; staking a gold claim; crossing a long deep ice crevasse on the Arctic Trail which the entire patrol and sled must cross over. The Mayor of Fairbanks will demonstrate how to get one scout over the crevasse and the patrol must determine how to handle the rest of the group.

Each patrol is to build a fire using a fuzz stick and a home-made prepared solid fire starter or natural tinder, no paper or liquid fire starters allowed. Judging will be based upon proper and safe use of knife and axe and proper fire lay. Also a ice rescue (simulated) from the boy scout handbook and fieldbook will be accomplished as quickly as possible.

There will also be lunch including a hot beverage. Have fun scouts and scouters.

# AREA SCOUT NEWS

## Registered Scout Troops

The Northwest Suburban Council Boy Scouts recently registered three units in Niles. Kermit Turner, 43 Elm, Glenview, is committee chairman of pack 4 of St. Isaac Jogues Catholic church, James Eischen, 2917 Jerri lane, Glenview, is cub master and Wm. B. Dautremont, 9229 Oketo, Morton Grove, is IR. This 9 year old pack has a membership of 53 boys and 19 adults, 6 of which are den mothers.

In troop 45, scoutmaster Sam Konklos, 8517 Oleander, Niles, has 17 boys and 10 adults. Sponsored by Oak PTA, this 16 year old troop has IR Phil Rothenberg, 7733 Maple, Morton Grove and committee chairman Ben Ignatius, 8343 Oriole, Niles.

IR Allan Kaufmann, 9285 Homan, Des Plaines, handles troop 107 at Our Lady of Ransom Catholic church. The troop has Peter Brodner, 1824 Weegway, Park Ridge, as committee chairman and Lawrence West, 8709 Park lane, Niles, as a scoutmaster. 32 boys and 13 adults are members. The troop was organized in 1963.

IN HER ATTIC or basement she has an endless supply Of tuna cans, egg cartons, hangers, and Easter Egg dye. She has bleach bottles, juice cans, boards, paint, glue, and such— She is patient and kind—never hollers —well, not much!

BUT CUB SCOUTS, beware when it's your turn for a skill! She wants one with meaning and also some wit. So she worries and works and you rehearse loudly for weeks— But when you're onstage, your voice merely squeaks!

A DEN MOTHER is proud of all of her boys (Even though her eardrums have burst from their noise). She helps them earn the badges worn on each shirt— She cheers for their triumphs and feels bad when they're hurt.

A DEN MOTHER is something that money can't buy— And if you have one, you're one lucky guy!

So here is to Den Mothers throughout the land— Let's all jump right in there and give them a hand!

Also Owen Shurson and Don Winter from Niles Community church troop 62; Mrs. Fran Kylan of Shelley Nathanson PTA pack 202 of Des Plaines and Mrs. Bridget Meyers and Mrs. Helen Reider of St. Isaac Jogues Catholic Church pack 73 of Niles.

Junior Girl Scout Troops 906, 725 and 92 from Melzer School in Morton Grove gave a Good-will Concert of Songs at Skanda House in Mt. Prospect on Dec. 19 for their luncheon patrons. The Scouts sang Christmas Carols along with their wishes to everyone of "Let There Be Peace on Earth", "A Plea for One World" and "It's a Small World". After singing they all enjoyed a delicious Smorgasbord lunch with their leaders Mrs. W. Koss, Mrs. F. Kon, Mrs. R. McKay, Mrs. R. Pino, Miss L. Koss, Mrs. R. Harris and Mrs. N. Goldman. Before coming home the Scouts also gave greeting cards they had made to all the shoppers in the shopping center and wished them a Happy Holiday too.

After singing and reciting various holiday selections each girl took part in the candle lighting ceremony. They then received world friendship pins and proficiency badges in selected areas of endeavor.

On Friday, Dec. 18 the girls, along with Brownies from troop 236, went to the Bethany Terrace Home in Morton Grove. They sang carols and passed out various gift items to the residents. The gifts were donations from local merchants, and without their help this project could not have been such a success.

A Merry Christmas and Happy New Year to all... from the Girls of Troop 242 & 236, and their leaders.

## Dist. 207 Faces Serious Financial Problems

Dist. 207's ability to finance its educational program for the Maine Township High schools through borrowing will be exhausted in the 1973-74 fiscal year, according to John L. Means, Board of Education member and chairman of the district's Finance committee. At the regular monthly board meeting Monday evening, Dec. 14, Mr. Means reported a review of a five-year forecast of Educational Fund finances by his committee determined that, "Unless additional revenue is received from other sources we may have to appeal to the good citizens of our community to help us if they want us to continue to provide the excellent educational program for which the Maine schools are noted," Mr. Means stated a review of Building Fund finances will be made early in January.

Approval was given by the board for the establishment of a centralized food purchasing program for the school district. Mr. C. E. Mills, assistant business manager in charge of purchasing, working with the 4 Maine high school principals and cafeteria managers, is expanding the central purchasing of materials and supplies for the operation of the school cafeterias. The new program will require meal planning over a period of months. This, in turn, will give the school district better budget and fiscal control over food purchases and will reduce the number of vendors, the number of invoices and the amount of records, paperwork and telephone calls. The school district will also benefit by the standardization of products and the lowered unit costs resulting from volume buying and the pooling of common items of use.

Commendation was given Robert A. Wells, principal of Maine North High School, for his outstanding work in the development of the new school. The Maine North staff was also praised by the Board for its dedicated efforts in providing an excellent educational program for Maine North students in the period prior to the opening of the school, while both students and staff were assigned to the other Maine high schools.

Mr. John J. Clouser, principal of Maine East, reported to the board that Maine East has been accepted as a chapter member of the National Forensic League. In a letter notifying the school it had been accepted for full membership in the league, Larry Kennedy, chairman of the NFL, complimented the school on the high quality of its speech courses and the number of extra curricular speech opportunities for Maine East students. "For years it has been known throughout Illinois that Maine East has hard-working, dedicated, highly qualified speech personnel," wrote Mr. Kennedy. "Most importantly, the student body that takes part in extra curricular speech activities has reflected brightly upon Maine East by their skills and their conduct."

Merlin W. Schultz, coordinator of pupil personnel services for the district, reported to the Board on senior plans after graduation. A recent survey shows that almost three-fourths of Maine seniors (71%) intend to continue their education at a university, college or community college. About 80% hope to attend a state supported school in Illinois. Teaching was the most popular choice of career.

The board approved the purchase of acoustical draperies for the wall of the music area of Maine North. Gilbert Force Company's low bid of \$1,346 was accepted.

Two teachers were appointed to the professional staff; four resignations were accepted and seven non-certified personnel were approved.

The date of the February board meeting was changed to Feb. 15 instead of Feb. 22, as originally scheduled.

## A.F.S. Applicants Chosen

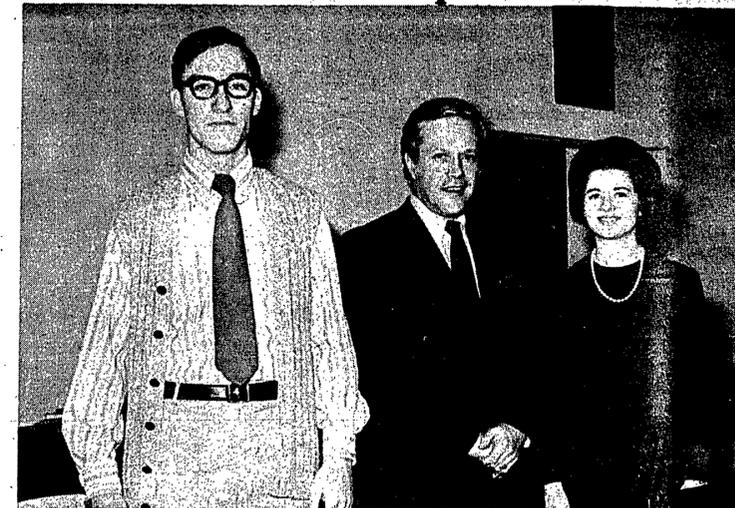

Miss Jane Simmons, center, faculty liaison for A.F.S., discusses possible countries where applicants Debra Stern and Scott Williams may be sent as foreign exchange students this summer.

The Adult American Abroad Committee for Maine Township High School East closed its final screening of American Field Service (AFS) applicants by selecting Debra Stern of Morton Grove and Scott Williams of Park Ridge to represent Maine East. Both applicants are juniors at Maine East. Each student's application

application from all over the United States will be in competition with theirs. Announcement of selection will be made in March. The American Field Service selection began at Maine East in September when all application from interested students were due. Next came the screening and the discussions between

will be sent to New York where the applicants and East's adult A.F.S. committee from which the 2 students were chosen. The A.F.S. allows each student chosen a chance to go abroad during the summer for 10 to 11 weeks or for one year. This past summer, Ted Grippo, senior from Park Ridge, spent approximately 10 weeks in Germany.

## French Consulate Speaks at East

Monsieur Jean de Gras, French consulate, recently spoke to Maine Township High School East French students concerning the youth movement in France. De Gras characterized the movement as a "blind revolt against injustice in a century where equality is proclaimed everywhere." The French consulate spoke in his native tongue to approximately 50 students studying French at East. Pictured are (l. to r.) Calvin Hainzinger, French club president; Monsieur Jean de Gras; and Mrs. Margot Steinhart, French club sponsor.

## Con Con Meets at Oakton College

Students of Oakton Community College who are members of Con Con met on Thursday, Dec. 10, to define their working plans for the year. In an afternoon session the students came to several important decisions.

First, Con Con members decided to put in writing their individual suggestions for the Preamble to the Constitution. Second, they decided to write to other colleges and universities to request copies of their constitution. The constitutions

from other colleges and universities will be placed in a special library collection to be used as source material in developing the Oakton student government Constitution. Students will then form committees to work on different sections of the Constitution. Con Con members also decided to invite suggestions concerning the Constitution from other Oakton students. These suggestions will then be incorporated into the Constitution. Students present were Sam

Grossi, Pete Whitson, and Pete Wagner of Des Plaines; Rich Cohen and Bari Kerbis of Skokie; Larry Friedman and Karen James of Morton Grove; Steve Bederman and Chris Mak of Glenview; Andy Wilson of Park Ridge; and Don Tadish of Niles.
