10¢ PER COPY VOL. 14 NO. 30 THE BUGLE, THURSDAY, JANUARY 14, 1971

From the Left Hand

By David Besser
Editor & Publisher.

The transfer of David Graham to southern Illinois gives the school district 63 area another opportunity to place "one of its own" on the Maine High School Board. It tried last year when the local caucus chose Sylvia McNair as the best qualified candidate. But Sylvia, who had the backing in district 63, was swamped at the polls by Park Ridge and Des Plaines voters, who received half-truths and less, by those who chose to defeat Mrs. McNair.

This year is another ball game and we're hopeful one of the members of the elementary school board will seek the high school board post which is being vacated by Graham.

The tremendous effort of a very few people, particularly the district 63 school board members themselves, is a story of much sweat and intelligence, which changed the district from a 2 building district, to a 13 building district in 10 short years. Groping with a lack of money plus multiple dwellings plus the sudden 6,000 student population problems, was a gargantuan task. And those who put in the man (and woman) hours seem to be the best qualified people to move onto the high school board. The coming years, with the fast-changing mores of our society requires experienced young adults moving up to the high school board. Certainly, forty-year old people are finding it difficult understanding what the younger generation is all about. We're quite sure fifty year olds (whom we're closer to) are utterly bewildered by much of what is tabbed the generation gap.

The transfer of Reverend Graham brings back a mixed bag of memories which leaves a very uncertain image. We were at the County police station a couple of years ago when several teens were brought there after a meeting was postponed at Graham's church on Ballard rd. There was a protest meeting scheduled there by Maine East High school students. When neighbors received information about the meeting they questioned it being held there, resulting in its postponement. When the students arrived for the evening the cancelled meeting resulted in many of them milling outside the church. Residents phoned the police who brought several youngsters to the station. While Graham left the impression of being concerned about the teens' problems and opening his church to them, he also left the impression he was easily persuaded to buckle under to neighborhood critics.

He was later appointed to the high school board to fill a vacancy which existed there. After one year he chose to run for the post but

Neighbors Send Wishes to Injured Postman

Postman Howard Borman, 8612 N. Ozark, Niles has been delivering mail in Niles since September, 1948 and for the last 15 years, has delivered exclusively to the residents of Jonquil Terrace.

On Dec. 18 Mr. Borman was struck down by an auto in front of the Niles post office and was seriously injured. He has since undergone surgery in Lutheran General Hospital and although he has been taken out of intensive care, his condition is still serious. According to Mrs. Borman, "Right now I'd say he's doing as well as can be expected."

Many of the residents of Jonquil Terrace were not aware of Mr. Borman's accident over the holidays and many of them had Christmas envelopes, cards and presents for him according to Mr. E. W. Gaul, 7721 N. Oriole. "Mr. Borman has been a good friend as well as our mailman," said Mr. Gaul and since he cannot receive any visitors at the hospital other than his wife, Mr. Gaul has stated that any residents who would like to convey good wishes to Mr. Borman in the form of cards or gifts, should contact him at the post office.

Begin Steps to Annex Northeast Corner

25 ACRE PROJECT ACROSS FROM GOLF MILL

A J.C. Penney subsidiary, Treasure Island, a discount department store, will be built on the northeast corner of Golf and Milwaukee avenues, and will become a part of Niles, according to an announcement at Tuesday night's village board meeting.

The application for pre-annexation and rezoning will go to the Niles Plan Commission prior to action by the village board. The 25-acre plat will include a 150,000 sq. ft. building, which along with the parking facility, will cover 17 acres. The additional 8 acres is scheduled for offices.

Along with the 110,000 sq. ft. GEMCO store, which will be built this spring in the old trailer camp area at 8900 Milwaukee, Mayor Blase said this increased building will make Niles the "retail capitol" of the northwest suburban area.

Prior to the Penney action, the Niles board okayed an auto and tire service facility for the GEMCO area, a comparable structure of Sears and Penney's buildings in Golf Mill. The service station will only service products sold by GEMCO.

In a general discussion of the GEMCO area, it was reported GEMCO will build the extension of Ballard rd., which will continue east from Milwaukee ave. to Washington st. Niles will build the sewers there and along with the state will provide a stop light at the Milwaukee-Ballard intersection. Also, there will be no ingress or egress from the service station onto Milwaukee ave. Autos will use the regular GEMCO inlets and outlets that will be used for the entire center. While Bast questioned whether a left turn should be allowed for cars moving onto Milwaukee ave., trustees said they could take action later if a traffic problem develops.

In other actions.....

Niles will be represented at a County hearing for a 12.66 acre site at Foster ln. and Washington sts., where the owner desires to build multiple dwellings. The former owner was turned down for a similar request.

Okayed a special use for a new Mobil Gas station to replace the car wash-gas station building at Milwaukee ave. and Oakton sts.

A committee headed by Tr. Ang Marcheschi will join with local post office officials in seeking a site for a new post office. The serious injury to Niles postman Howard Borman, who was struck by an auto in front of the post office a few weeks ago, has heightened the urgency for creating the new PO facility. Tr. Rich Harczak and Keith Peck will join Marcheschi and postal officials on the committee.

A Park District Official Welcome

Shown above are members of the Niles Park District and staff welcoming Jack Philbrick to the staff. From l. to r. are: Ray Eagan, Board Vice-President, Jack Philbrick, newly appointed Superintendent of Parks and Special Facilities; Gerald Sullivan, Board President, and Webb's Norman, Park District Director.

POLICE REPORT . . . Page 3

ROMANOFF & JULIET . . . Page 2

Romanoff and Juliet

Seniors at Maine Township high school East, (l-r) Keith Ellis (Morton Grove), Tom Palmer (Glenview), Scott Seldman (Park Ridge), and Bonnie Bierman (Morton Grove) rehearse a scene from "Romanoff and Juliet." The hilariously satirical play, sponsored by the senior class, will be presented in the school auditorium at 8 p.m., Jan. 14 and 15. Tickets are on sale at the school for \$2., \$1.75, and \$1.50.

Services held for Frances Porto

Funeral services were held for Mrs. Frances Porto, 69, 7600 N. Nora, Niles on Jan. 5 in St. Juliana church. Mrs. Porto passed away on Jan. 1 after a lingering illness. Survivors include her husband, Joseph; one son Andrew; two daughters Toni Duncan of Chicago and Audrey Johnson of Arlington Heights; 12 grandchildren and one great-grandchild. Interment was in Queen of Heaven cemetery.

Pardon Our Error

While explaining the up-trim in building in the village in 1971 last week in The Bugle, it was erroneously reported that the former Mister Kelly's would become a Hasty Tasty drive-in. The correct name of the new drive-in is Tasty Pup and is in no way connected with the Hasty Tasty operation.

Trip to Nowhere Discussion

PTA meeting - Trip to Nowhere. Much has been said and written, films have been shown expounding the dangers of drug abuse in our community. Still our young people are experimenting in ever increasing numbers. Does the school have a responsibility in this matter? What is the student's responsibility? Where does the parent fit into this whole picture? Let's talk about it with people who might be able to shed some light on the subject.

On January 20 at 8 p.m. in the Oakton Street Lobby the Niles PTA will sponsor a meeting to discuss drugs and their abuses in our community. The program will feature members from ANOTHER WAY INC., a group consisting of people whose lives have been touched by drugs - either through their own addiction or through the equally sickening experience of watching someone in their own family become addicted. Becoming aware of the symptoms of drug usage will be a first step in correcting a problem before it gets out of hand.

Jefferson P.T.C. Meeting Features Santo

Chicago Cub All-Star third base personality Ron Santo will speak at the Jefferson School regular P.T.C. meeting to be held Monday, Jan. 18. Santo, who was honored as Chicago Cub "Rookie of the Year" in 1961, has since set 4 major league records including the club record of 33 home runs for a third baseman and a 28 game hitting streak. He has won the Golden Glove fielder's award 5 times and played on the All Star team six times.

The P.T.C. meeting is scheduled to start at 7 p.m. with the regular order of business. Mr. Santo will follow as guest speaker. He will give a talk pertaining to sports, followed by a question and answer period. Children are welcome to come to the P.T.C. meeting but they must be accompanied by their parents. Children will not be admitted without adults.

Washington School PTA

On Wednesday, Jan. 20 at 8 pm in the Washington School gym, a movie, "Your Amazing Mind" and discussion symposium with Sgt. Wichlac of the Niles Police Department and the Washington School 6th Graders on the above title.

Hear Mary, a former 18 year old drug addict, discussing her experiences and answering questions from our 6th grade pupils.

Resurrection Hospital Expansion

Resurrection hospital's multi-million dollar expansion program receives an inspection by Sister Bonaventura, C.R., Administrator (L.) and Sister Mary Paul, C.R., Associate Administrator. A new patient wing (background) will add an additional 144 urgently needed patient beds for a total capacity of 411 beds. The \$19.6 million expansion will include greatly expanded areas for emergency room care, coronary and intensive care, surgical operating suites, laboratory, and for the radiology and dietary departments. Completion date is slated for the Spring of 1972.

MG March of Dimes Drive Jan. 22-26

"Stand up and be counted in the fight against birth defects," urges Mrs. Bernard Katz, March of Dimes chairman for the 1971 Mothers March in Morton Grove. The traditional door-bell ringing will take place Jan. 22 thru Jan. 26. Men, as well as women, are included in the summons.

Mrs. Katz reports that volunteers are needed to handle the many tasks that go into this annual appeal. "If you are unable to make door-to-door collections for us, there are countless other ways in which you can help this drive," she notes. These include preparing the kits, telephoning volunteers to coordinate activities, planning March routes and tallying contributions.

Mothers' March collections are used to support birth defects prevention programs of research, education and community service conducted by the voluntary health organization, which now strike some quarter of a million American infants annually. Is the challenging goal of the March of Dimes. Joining the Mothers' March is an ideal chance for those who care about the quality of life to step forward. Call Mrs. Katz at 966-3728 for further information.

Morton Grove Post 134 of the American Legion

Soon the Bruce Kennedy Memorial Fund will reach its conclusion. The Morton Grove Post #134 of the American Legion through its Child Welfare Chairman, Tony La Rosa, wishes to publicly acknowledge the

of Armour & Co. is to be commended for furnishing not only bread, but chicken and roast beef for the buffet table at the recent fund raising dance. Jack Wendell, Howie Hoffman of Val's the Niles Twp. Republican Organization and the Niles Twp.

dinner bucket from Chicken Unlimited at 5906 Lincoln, buns from the Park Ridge Home Bakery, a shadow box from Louis Rossman, a basket of fruit from Robert Foster and a bottle of liquor from Morton Grove Mayor Jule Bode. La Rosa

Thanks for Kennedy Fund Success

contributions of merchandise which helped make the dance held to begin the campaign such a success. He is sorry due to the holidays thanks has not been issued previously.

The Kennedy Memorial Fund drive will conclude in two weeks. The Superintendent of the Illinois School for the Deaf will be present at the Morton Grove Legionnaires' meeting to accept the proceeds.

The Jacksonville School's library is to benefit from the funds solicited. Post #134 became involved when La Rosa visited the David Kennedy family. They lost their deaf son, Bruce a year ago, on an outing from the school where he was a senior. The Kennedys, themselves also deaf, have a cerebral palsy-handicapped son, and La Rosa in his role, visited the boy with gifts from the Post. The Kennedys indicated their desire to help the school at that time.

Roland Dill, president of the 1st National Bank of Morton Grove is honorary chairman of the drive. Donations are still being accepted there, which are tax deductible.

La Rosa says Bob Foster

Democratic Organization all each contributed one half case of liquor; and Lincoln Bottling Co. contributed 15 cases of mix.

In addition to the use of the hall, donated by the Legion's Corp. Board of Directors, many door awards were contributed. These prizes were a sleeping bag from Home Makers Industries; 3 cases of packaged drink mix from Wyler's, a radio and bottle of bourbon from Gloria and Louis Maurrella, a chicken

without the help of all these wonderful people, the event would not have been successful.

Other individual donors will be listed here next week, through the courtesy of this newspaper. The Legion Kennedy Committee adds the paper has been "fabulous" in promoting the affair prior to its scheduling and for the after-publicity regarding the campaign, and they publicly thank the editor.

New Years Sellout at Legion

Morton Grove Post #134 American Legion Commander Raymond Harris, (L.), is seen congratulating Frank Hilbert, post 1st Jr. Vice Cmdr., on New Year's Eve. Hilbert, chairman of the group's annual party, witnessed a sell out.

Those who filled the Legion Memorial Home enjoyed dancing to Joe Fontan's orchestra and the delicious buffet, in front of which the duo of Legion officers are posing.

European Study Tour Program

EPIC is the name: Educational Participation in International Culture. It is a European study tour program for high school and college students during the summer months.

EPIC is a completely bonded program, formulated by a group of leading educators in Europe and America in 1961. Academicism is the specific purpose but combined with travel throughout Europe. It is a non-profit organization dedicated to presenting a unique combination of study and travel. In the future, scholarships will be made available to those deserving students who could not otherwise participate in study-travel.

EPIC will take students to a minimum of five countries spending most of the time in London, Paris and Rome. They will leave in the middle of June and return in the middle of August. The groups will be small, no more than 45, to permit greater personal interaction with teachers and counselors and to make possible a good and enjoyable academic program. Students can earn credit for the 6 week program.

The Contemporary Governments program (\$995 for junior high school student, 35 days; \$1075 for high school students, 40 days) will take the group of 45 students to Rome, Florence, Milan, Montreux, Zurich, Heidelberg, Paris, and London.

Other programs are available. Sister Mary Constantine, SSJ, Associate Professor of Loyola University, is Academic Advisor for EPIC.

For further information, please contact Mr. Zlatko Belli, 5528 North Kenmore ave., Chicago 60640 (Tel. 275-1878)
