**Maine GOP Meets**

Township government, which has developed into one of the most partisan topics in the state, will be the featured subject of a public meeting to be held this Friday night in Des Plaines.

All Maine township residents who are interested in learning the "truth" about the controversy are invited to attend the "Know Your Township" meeting scheduled to begin at 8 p.m. Friday, Feb. 5 at 1566 Miner St. in downtown Des Plaines.

Maine township officials who will participate in the Friday

night discussion and explain the low-cost services they perform, not available from any other unit of government will include William C. "Bud" Ziehn, township supervisor and administrator of assistance services for the township's destitute, poor and needy; Philip Raffe, township clerk, keeper of records and sole voting registrar for the unincorporated area; Edward Koehler, road commissioner, who completely maintains and services township roads at a per-mile cost substantially lower than the county highway department; James Parks, township assessor; Milton Tuttle, township collector without portfolio; and Maine township's three outstanding auditors.

## CHURCH & TEMPLE NOTES...

### MTJC Dedication Sunday

The official dedication of the Maine Township Jewish Congregation was organized in 1962 by the first residents of the Golf Mill area. Today over 450 families are affiliated with the congregation; 20 suburban communities are served by MTJC. Approximately 500 children are enrolled in the Religious School and the Teen-age group (USY) has twice won the coveted United Synagogue Best Chapter Award. MTJC is also the only congregation in the entire area to have daily Religious Services both morning and evening.

A gala banquet will culminate the celebration Sunday, Feb. 7, 6:30 p.m. Rabbi Moses Mescheloff, President, Chicago Board of Rabbis, and Spiritual Leader of Congregation KINS, Rogers Park, Chicago, will be guest speaker and deliver the Dedication Address.

A cocktail party for all "Sponsors of the Dedication Weekend" will be held at the home of Rabbi and Mrs. Jay Karzen Saturday evening, Feb. 6, 8:30 p.m.

## LETTERS TO THE EDITOR

### A 'Burning' Fire Buff Steps Forward

Dear Mr. Besser:

"What's It Like to be Black and Jewish?" will be the topic discussed at a joint Maine Township Jewish Congregation Sisterhood-Men's club meeting, on Wednesday, Feb. 10, 8:30 p.m., at the M.T.J.C. auditorium, 8800 Ballard rd., Des Plaines, Sisterhood Program Chairman, Mrs. Sanford Schwartz announced recently.

Rabbi Robert Devine, Spiritual Leader of the House of Israel Hebrew Cultural Center, Chicago, will be the featured speaker. A question and answer period will follow his talk. An active of Port Gibson, Mississippi, Rabbi Devine attended the Ethical Hebrew school and Loop City college in Chicago. He is the father of 9 children, all of whom attend Jewish parochial schools.

Rabbi Devine has been a guest on Kup's Show. His is President of the United Leaders Council of Hebrew Israelites and spiritual leader of Temples in Gary and Indianapolis, Indiana.

The meeting is open to the entire community and all interested persons are cordially invited to attend. Special Tu B'Shvat refreshments will be served by Mrs. Stuart Zeldner and Mrs. Arnold Friedlander.

Saturday, Feb. 20 and 21 our Sisterhood will present an Art Fair. Over 50 artists and sculptors will exhibit their arts.

This Mr. Besser is what a Fire Buff is. All I can say is the individual who is your source of information may call himself a buff, but I call him a hanger-on and a trouble maker and would gladly denounce him, in person if he had the guts to step forward.

I am enclosing a copy of a letter of apology to Chief Hoebl, written by me on behalf of all Fire-Buffs, and I am asking you to publish both letters in your column.

Please feel free to contact me, should you desire, I would be most happy to discuss the situation further with you.

Yours Truly,  
Stuart D. Gootnick  
Director of Publicity

Sincerely like to get together with you in the near future. Perhaps you will be a guest at my home and view my collection of antique model fire apparatus.

I am well acquainted with a number of the buffs in this area, and since the story appeared in the paper I have been deluged with phone calls, asking me to do something about this.

Hoping to speak to you soon, I remain yours for better buffering, Stuart D. Gootnick

Editor's Note:

Mr. Gootnick's letter refers to the Jan. 21 Left Hand column in which it stated, "According to one fire buff," an \$80,000 aerial ladder fire truck was purchased by Niles without providing the personnel to man the truck.

The "fire buff" we referred to is a tried and true "buff." When he hears a fire bell he reacts like a punch drunk fighter. We're sure he has a siren in his cerebrum because he often acts like there's a whirring sound going on inside him. We've seen him in zero weather at local fires when most of the community is deep in the hands of morphine. He has all the qualities you cite are part of the fire buff's. He has one interesting quality which we also like. He tells it like it is.

No true buff will openly criticize any Fire Department, its officers or members. A true buff is dedicated to the promotion and advancement of the Fire Service. He would sooner cut his throat than cast aspersions on the service. He works in close harmony with his local department, and is an asset to both them and his community. The reason he does this is a love of the Fire Service. Though he is employed elsewhere, at heart he would rather be a firefighter and, indeed many a buff has become a professional fireman.

The meeting is open to the entire community and all interested persons are cordially invited to attend. Special Tu B'Shvat refreshments will be served by Mrs. Stuart Zeldner and Mrs. Arnold Friedlander.

I feel that my position has merit and I would like to share my views with other residents of Morton Grove.

Dear Sirs:

I am opposed to the use of plastic bags for the purpose of garbage collection for the following reasons.

First: Plastic is not biodegradable. Thoughtful men of vision are avoiding the use

of any material which will remain as a contaminant to the environment of future generations.

Second: Although I understand that there might be an initial saving in the cost of the garbage pickup contract, it will soon be eaten up regardless of the use of plastic bags — wages go up — that won't change. Landfills are used up and become more difficult to find — that won't change. The time saved in picking up bags and throwing them into the truck doesn't amount to enough to cost each resident \$30.00 for the first year and \$20.00 for each year thereafter. I estimate that the first year's

Our efforts to contribute to the growth of Niles and the progress of the community take active participation on the part of all of us individually and institutionally at Goff Mill State Bank. The Niles area is a dynamic, progressive and prosperous area; and we intend to keep pace with it."

Goff Mill merchants celebrated the year end and forecast a strong 1971 at their annual dinner meeting at the Millionaires Club Jan. 20.

Eldon Ray of the J.C. Penny Co., retiring president of the Goff Mill Merchants Association reviewed the past year. He congratulated the merchants on the success of their endeavors in the face of poor economic conditions nationally and growing competition. Ray attributes this success to the value-service consciousness

### Need Help With Your Income Tax?

Here's how H & R Block, America's largest income tax service used huge amounts of coffee and crayons to help them prepare an anticipated fifteen million returns this year.

Block has 6 tax offices in the Northwest suburbs which are part of a nation-wide organization of over 5,000 offices. During the 105 day filing period, these H & R Block offices will consume 200 tons of coffee or the equivalent of 20 million cups. At least 300,000 crayons and coloring books will be handed out to clients' children, 1,800,000 radio hours of music

will be played. Over 6,500 telephone instruments are required to handle verbal communications.

In these same 105 days, Block offices will use in excess of 180 million sheets of paper, weighing over 1,000,000 lbs. In writing on these papers, over 30,000 "lifetime" refillable mechanical pencils will be used. These pencils will eat 3,400 inches of electronic lead. Some 12,000 adding machines will use up 21,000,000 feet of tape. Completed returns will be fastened together with more than 160 million staples. In order to prepare these returns more than 1,600,000 man hours of intensive study, training and research will be required.

Robert S. Gorski, local H & R Block manager, comments, "to prepare a tax return, all you need is an income tax blank which is furnished by the government, a pencil and some knowledge. Luckily for us, most

people have learned the convenience of having their taxes quickly and accurately prepared at a nearby H & R Block office."

Nationally, H & R Block prepares both Federal and State returns for as little as \$5. Their schedule of charges is not related to a client's income nor the size of his refund. Instead Block charges are solely based upon the complexity of each return. In addition, the firm pioneered a guarantee of accuracy.

If the company makes any error which costs a client penalty or interest, that penalty or interest is paid by Block. They also remain open all year to handle audits at no additional charge to their clients.

And what is the purpose of all this? Mr. Gorski smiles and replies, "So that 9,000,000 taxpayers and their families can have an easier and more pleasant time of paying Uncle Sam his just tribute."

## Active Incumbent Members Party

The Active Incumbent Members Party, held by Richard Herczak and Angelo Marcheschi, was attended by candidates for the offices of Trustee, with Father James J. Vitek, Clergy, and others. Each stated their interest in continuing to make Niles one of the most progressive villages in the area. They expressed their concern in maintaining firm control on expenditures despite rising economic conditions that every governmental body faces today.

### DON'T RUSH-BRUSH

Believe it or not - the difference between having a nice hairdo and a beautiful hairdo can very often be attributed to a brush.

The brush is a necessary aid to keeping your hair healthy, neat, and shiny. And that's the basis of beauty. A brush also is the greatest styling tool you can use to infinitely better comb through not only a comb tangle, but part the hair, however, it is the brush that polishes your hairdo.

1971 was cited as a year of challenge by Ray who urged merchants to double their efforts to satisfy even more discriminating shoppers.

Mr. W. Bremer, director of the Right Idea Advertising Bureau, presented the advertising and events calendar for 1971. Each month will carry a theme. The theme for January is "Safety and Fire Prevention,"

and consumers are warned

as never before. Not that they are seeking cheap merchandise, but rather quality merchandise at fair prices.

Ray said, "I am aware of the latest in styling, special feature innovations, as well as products coming. It is our job to keep up with this discriminating market."

## Awarded Institutional Membership

Oakton Community College has received formal notification that it has been awarded Institutional Membership in the American Association of Junior Colleges (AAJC) according to an announcement made by Dr. William A. Koehnlein, college president. The notification came in the form of an institutional membership certificate and a letter from William C. Shannon, acting executive director of the AAJC.

Having been granted "full Institutional Membership" as indicated in Shannon's letter, Oakton Community College is now entitled to define its status of affiliation as "an Institutional Member of the American Association of Junior Colleges."

By joining the AAJC Oakton Community College shares membership with more than 850 similar institutions. The AAJC has helped to bring about increasing cooperation among junior colleges and universities. It has brought about an increased recognition of the important and educational endeavors of junior colleges. Through its commissions, consultants, publications and annual meetings, the AAJC provides a helpful exchange of ideas and information.

In the four years that the Morton Grove Fire Department has been submitting entries they have won two 1st place awards and two 2nd place awards in the Chicago judging for their class and have never received an award less than a Certificate of Commendation in the National judging.

Chief Hildebrandt stated that many hours went into the compiling and editing of the entry by Firefighter Albert Pitts under the supervision of Captain Fred N. Huscher and that the cover of the winning entry was designed and prepared by Firefighter Richard Meler. Other local area communities which placed in the top ten in Illinois are Skokie, 5th Evanston, 6th Niles, 7th and Mt. Prospect, 9th.

operation will cost the residents \$810,000 over and above the tax monies already used for the garbage contract. It is kind of a way of increasing tax monies without re-referendum.

Third: What does each resident do with present garbage cans? Create more waste?

Fourth: Did you ever try to keep a cat out of a plastic bag which may carry the odor of sardines or liver sauce?

Fifth: Last fall I was very disappointed to find 8 bags lined with leaves, broken and their contents scattered on the driveway. Imagine the fun, if the bags had contained garbage. If it had been garbage and I hadn't picked it up, the garbage men wouldn't have but our small children might have.

Answers to garbage disposal problems must be found, but I submit this plastic bag answer is not only unsound from a conservation standpoint but economically unsound as well.

The evening was climaxed with an election of officers. Stanley Ellman, secretary, George Van Ness, president, William Rand, Rand's Jeweler, resumes his post as vice-president, and Leonard Hupp, Galt Mill State Bank, treasurer. George Cook, Cook's Cars, will serve as the new secretary.

Officers include: Bryan Ray, William Johnson, Vernon's, Albin Sersota, Little Miss and Mrs. Shop, Charles Sherman, Carol's, A.A. York, Carl Mill Development Corp., Norbert Rosenthal, Sears, Rossback and Co., and Moses Witkampen, Woolworth's.

## SC AREA SCOUT NEWS

### Scouts Plan Month-Long Celebration

Boy Scout Week in 1971 is out, but it will be replaced by a month-long anniversary celebration in February, according to Harold B. Smith, Jr., President of the Northwest Suburban Council, Boy Scouts of America.

The yearly observance of the founding of the nation's largest youth organization will now provide one entire month for Cub Scout Packs, Boy Scout Troops and Explorer Units to schedule meetings and other events to focus attention on the 61st anniversary of the Boy Scouts of America.

### Troop 73

There's good news from Troop 73 of St. Isaac Jogues School of Niles.

On Dec. 16, there was a wonderful Christmas Party complete with grab bag, a mechanical Santa who delivered the grab bag gifts, coke and cookies for the boys, and skits and songs performed by every patrol.

In the month of November, the Troop had a Flare Sale, new camping equipment to fill the troop needs, and prizes were awarded.

The individual winners were:

1st - Greg Migacz - 30 boxes prize; Camera; 2nd - Jim Rasmussen - 70 boxes prize; Telescope; 3rd - Tom Reider - 62 boxes - prize: Camera; 4th - Ed Goodman - 45 boxes prize; Watch.

Patrol Standings: Boxes Sold Crusaders - 152, Pink Panthers - 144, Flaming Arrows - 141, Staff - 135, Bats - 132, Hawks - 85, Ravens - 60, Cobras - 45.

On Jan. 30, Troop 73 will have its Klondike Derby Day. This means each patrol will build its own sled and compete against one another in sledding, ice rescue, learning to cross a deep ice crevice and many other scouting needs. There will also be a cook-out. Good luck to all the boys.

See you next month with more news.

### Cub Pack 45

Happy holiday was the theme of the Dec. 17, 1970, Pack 45 meeting at Oak School. Colors were presented by Den 6, and the following boys were recognized for their achievements: Den 1: Marc Peltier-Bear; Mark Steinke-Bear, Asst. Denner; David Steier-Denner; Den 3: David Frank-two Silver Arrows; Ken Berninger-Silver Arrow; Den 4: Robin Klein-Gold Arrow; CarlSteinke-Gold Arrow; Shane Nugent-Gold Arrow; David Heimlinak-Denner; Kenneth Eld-Asst. Denner; Den 6: James Becker-Wolf; Den 7: Raymond Foley-Wolf, Denner, Gold Arrow; Frank Harsla-Denner, Asst. Denner; Michael Walder-Wolf, Gold Arrow; Den 9: Billy White-Denner; Paul Stempinski-Asst. Denner; Den 10: Richard Schweig-Bear; Richard Deverey-Bear, Asst. Denner; Alan Richmond-Denner; Webelos 2: Raymond Bartolucci-Forester, Traveler.

Skits were presented by Dens 1, 6, 7 and 9; and the boys, and their parents, joined in the holiday spirit with a selection of songs. At this point in the evening, our honored guest, Old St. Nick, arrived and distributed gifts to all of our young people. The evening ended with refreshments, and an exchange of happy holiday wishes.

Current events for the Pack include: In December, Den 4 enjoyed a pizza party and entertained friends as they sang Christmas Carols in their neighborhood.

On the evening of January 18, many of the cubscoots enjoyed an evening of swimming with their dads at Maine East high school. On Feb. 4, the boys of Den 6, will visit Salerno Biscuit Company in Niles, Ill. Thursday, Feb. 25, will represent a very important evening for all the boys in Pack 45 as they attend the annual Blue and Gold Dinner at the White Eagle Restaurant, 6845 Milwaukee ave. in Niles. The evening will feature recognitions, awards and a film about scouting.

### Merit Badges

An important part of advancement in boy scouting is the earning of merit badges. There are more than 100 merit badges that entails certain requirements which must be met by the boy.

The Maine Ridge district has issued a revised listing of over 100 local merit badge counselors which cover 86 merit badges. These men assist and test the scout on the requirements. They volunteer their services in the area of scouting.

Winter Camping is high on the agenda for Troop 62 in the weeks ahead, with a ten mile snow hike along the Des Plaines River planned for January 16 to Camp Dan Beard. The troop is finishing their new Klondike sleds in time for a try-out at the Maine-Ridge District Klondike Derby on January 30. In February, the Troop is planning a camp-out at Camp Alphonse, near Barrington, March will find the boys wintercamping at Camp Potowatomi, near Wheeling.

Boy Scout Week was valid in the old days, but now we need something that more accurately describes the celebration of our anniversary," Smith said. "The actual birthday anniversary, Feb. 8, will still be observed as a part of the month's activities."

Highlight of the celebration in the Northwest Suburban Council will be the launching of Project SOAR (Save Our American Resources), the year-long

### Scout-O-Rama Announced

New records in service to boys were chalked up by the Northwest Suburban Council, Boy Scouts of America in 1970, according to Harold B. Smith, Jr., Council President.

"Details to the preliminary figures will be given in a report to the community in connection with Boy Scout Anniversary Month during February, the 61st anniversary of the Boy Scouts of America," Smith said.

According to an application to the Boy Scouts of America for the annual charter to provide Scouting in the Northwest Suburbs, the Northwest Suburban council serves 300 religious, school, and community organizations with a total of 426 Scout units and 17,500 registered members.

"The success that we note in our annual report are the result of 7,000 volunteer adult leaders who have given dedicated leadership to boys from 8 to 18," Smith said. "With this report as our foundation, we expect to expand our Scouting membership and increase our program quality as part of 'Boypower '76,' the 8 year, long-range plan of the Boy Scouts of America." The Boypower Program began in 1969 and will continue through 1976, the 200th anniversary of the United States.

The annual Scout-O-Rama of the Northwest Suburban Council, Boy Scouts of America, will be held at the Arlington Park Exposition Hall on March 27 and 28, 1971, it was announced by Reed Sterling, 891 Sterling rd., Palatine, Scout-O-Rama chairman.

Purpose of the Scout-O-Rama is to stimulate and strengthen the program of Cub Packs for boys 8-10, Boy Scout Troops for boys 11-14, and Explorer Units for boys 14-18, and to provide the opportunity for Scouts to demonstrate their Scouting skills to the public as part of the character building purpose of the Scouting program Davies explained.

Tickets for the Scout-O-Rama will go on sale by Scouts in the Northwest Suburban council on Wednesday, Feb. 17.

### Pack 251

Project SOAR, the 1971 National Conservation Good Turn of the Northwest Suburban Council, Boy Scouts of America, will provide an opportunity for Cub Scout Packs, Boy Scout Troops and Explorer Units to qualify for special awards.

Harold B. Smith, Jr., Council President, announced the requirements for the awards that may be earned by the 426 Cub Scout Packs, Boy Scout Troops and Explorer Units in the Northwest Suburban Council.

The Conservation Good Turn will begin with unit kick-off activities in February during the 61st anniversary celebration of the Boy Scouts of America.

Project SOAR Plaques will be presented to every Scout unit that meets the following requirements: (1) Hold a unit kick-off activity during February; (2) Launch a conservation project on March 20 and continue it or other activities during April, May, and June; (3) Participate in Keep America Beautiful Day on June 5; (4) Participate in camp conservation projects or summertime conservation or beautification activities at home; (5) Conduct a concluding event in the Fall.

The Northwest Suburban Council will also present pocket cards to all individuals who participate in a significant project.

Squirts-The Maple Leafs suffered their first loss of the season, 3-2, at the hands of the Bruins in a very close and exciting game. Leafs B, Madura and J. Sliwa each scored once in the first period to give their team all the goals they were to get in the game. Bruin K. Russotto ruffled the nets once also making the score 2-1. As a result of a careful play by both teams, this held until the third period when F. Ebner of the Bruins tied the score and teammate K. Lakin put them ahead. The Leafs pulled their goalie in the final minutes, but J. Rivard, with more excellent net minding, helped the Bruins withstand the pressure and was immediately mobbed by his overjoyed teammates.

**CONVULSION**  
Due to teething? No. Doctors discarded this notion a long time ago. It is something to be expected, hence "natural." No! Should the doctor be called? Definitely yes!

Convulsion is commonly due to high fever. Panic is no help. Restraining the child is wrong. A calm loosening of the clothing followed by a sponge bath of alcohol and water is usually effective. BUT THE DOCTOR MUST KNOW. Fever is not the only cause. The doctor must eliminate other factors such as brain injury, epilepsy, meningitis and several others. Especially if convulsions recur.

A child has little danger sense and takes many a little spill. But be wary of the hard spill from chair or crib or table top that can cause head injury. Watch the child. BE SURE TO TELL THE DOCTOR!

Squirts-The Maple Leafs, playing solid basic hockey and using position play, defeated the Red Wings 8-0. Sharp passing and heady playmaking accounted for the high scoring. It was a full team effort as the goals were widely spread among the Leafs with J. Pritchard, J. Sliwa, B. Madura, L. Roberts, E. Hoffmann, and M. Pinski getting one apiece and L. Gaertner getting 2.

Peewee-Despite a hard hitting game the North Stars went on a scoring spree to beat the Flyers 7-1. North Star B. Fick produced his second hat trick of the season. B. Stetz, playing his usual all-out hockey, once again came close to doing the same, as in two other games, when he scored 2 goals. T. Re and J. Lazzaro each added one. The only Flyer tally came from the stick of W. Beusev.

Peewee-The North Stars snapped the five game undefeated streak of the Kings as they won 2-1 in a very evenly played game. It appeared as though it might be a 0-0 contest until R. Sliwa lit the lamp for the Kings in the second period. North Star B. Bacci in position in front of the net pushed one past the Kings' goalie early in the third period to tie it at 1-1. The balance of play between the two teams was broken when, with just two minutes remaining, North Star B. Fick gained control of the puck, came racing down the boards, and was converged upon by three Kings. Fick managed to pass to D. Doody who was breaking down the left wing.

# Niles West Swimmers

The Niles West pool was a busy place Saturday afternoon with the Indians hosting 2 northwest area teams in double dual competition. It was a close battle to the end with a tough Elk Grove team with West winning in the end scoring a victory. Varsity breaststrokers Herb Shepard and Calvin Chow took first & second place with 1:08.2 and 1:10.4 respectively a 76-19 sophomore win.

Scores of the Elk Grove meet were: Niles West Varsity, 59-23; Elk Grove 34-1/3; Sophomore Niles West, 62; Elk Grove, 33.

Indian divers figured heavily in the victories on both varsity and sophomore levels.

Bantams-The North Stars' great defense, which is fast becoming their trademark, held the stubborn Canadiens scoreless and registered another shutout, 6-0. The Stars scored two in each stanza led by M. Berrafato and F. Stroka with 2 each, and J. Herold and A. Scheer with 1 apiece. Once more, victory was a result of fine play by all.

Bantams-After two sluggish periods of hockey, the Maple Leafs were able to overcome the Hawks 3-2. Hawk D. Dickson scored first but this lead disappeared as the Leafs came back with one goal each by S. Svenne in the second period and B. Mueller in the third. Action picked up considerably when M. Donash of the Hawks tied the score and both teams applied solid checking. The winning goal by Leaf T. Rozanski came at 10:38.

Bantams-The Maple Leafs posted a superb 6-0 shutout over the Blackhawks at the Flying Carpet as a result of fine offensive teamwork. The scoring was shared by S. Spina, G. Marshall, T. Gallasini, B. Mueller, and J. Szil with 2 goals. In addition to this great effort, the Leafs play was marked by outstanding defense on the part of S. Svenne, R. Koziol, S. Spina and T. Gallasini.

Bantams-The North Stars played another strong game against a fired up Canadian team and emerged victorious 3-1 with all scoring coming in the first period. T. Durava and J. Bielski tallied once each for the North Stars, Canadian G. Babich made it 2-1 until A. Scheer produced the goal that was to be the last of the game. Great defense by K. Grubba, J. Bielski, and A. Scheer, and persistent digging by F. Stroka proved the difference.

## Tryouts

Following a limit-plus registration for the 1971 Maine-Northfield Little season, league officers announced that this year's tryouts will be held indoors for the first time on Feb. 21 and 28 at Main Township high school East, 2601 Dempster st., at Potter rd.

All boys requiring tryouts will be notified as to exact time and date to appear and will be requested to enter at the southeast end of the fieldhouse. The two major leagues will hold their drafts Feb. 24, at which time boys in this division will be assigned to teams. Senior players will be drafted Feb. 28 following tryouts.

MNLL's Managers' and Coaches' school continues to attract a standing room only "students". Meeting in Flick Park fieldhouse every Wednesday night, the men responsible for guiding the boys this year have, so far, heard from Lou Rosin, a former player in the New York Yankee organization, speak on "Teaching Boys to Play Baseball"; Marvin Rothblatt, formerly with the Chicago White Sox, offering hints on pitching, and Maine East pitching coach Max Liggett talking on game procedure.

Classes also will begin shortly for all umpire candidates. Slated to instruct is MNLL major league player agent Art Sepke, who is a former professional baseball player. Scheduled, tentatively, for March 31 is a League-Parents meeting.

## Dist. 70 PTA Meets Monday

District 70's PTA meeting will be held on Monday Feb. 8, at the Park View school auditorium, 6200 Lake St., Morton Grove at 8 p.m. Dr. Vernon Fraze, Executive Director of Special Education for Niles Township will be the guest speaker.

He will describe the many services available through this department and how they interact to provide a balance to the total education of a student. He will also speak of encouraging continuing support for sound mental and emotional health programs (his area of expertise) in the schools. He will also show the relationship between good mental health and community growth.

Dr. Fraze, who has had extensive training and experience in all areas of Special Education is not a newcomer to District 70 schools. Parents and friends are invited to attend one of the most interesting and informative programs of the season.

## LEGAL NOTICE

NOTICE is hereby given that a public hearing will be held by the Plan Commission and Zoning Board of Appeals of the Village of Niles, Illinois, on Thursday, February 18, 1971, at 8:00 P.M., at the Municipal Council Chambers, 7200 Waukegan Road, Niles, Illinois, for the purpose of considering the following matters:

(71-ZP-1) to hear the petition of Charles J. Stevens, 8709 W. Normal Avenue, Niles, Illinois 60648, for a zoning variation of the rear yard requirement to permit an extension and room addition to present residence. Property legally described as follows: Lot 78 in Callero and Catino's Ransom Ridge Subdivision, Unit Two, being a subdivision in the N.W. Quarter of the S.W. Quarter of Section 24, Township 41 North, Range 12 East of the Third Principal Meridian, in Cook County, Illinois, and commonly known as 8709 West Normal Avenue, Niles, Illinois 60648.

(71-ZP-3) to hear the petition of L.E. Sladek, 70 St. Mary's Parkway, Buffalo Grove, Illinois, for rezoning of the property located at 8142 Davis Street, Niles, Illinois, from R-1 Single Family to R-2 Single Family District, with lot variation. Property legally described as follows: Lot 30 in Niles Center Realty Company's Church Street Subdivision of the North 693 feet of the N.E. Quarter of the S.E. Quarter of Section 14, Township 41 North, Range 12 East of the Third Principal Meridian, in Cook County, Illinois, and commonly known as 8142 Davis, Niles, Illinois 60648.

(71-ZP-4) to hear the petition of Gene Neupert, Lawrencewood Shopping Center, 211 Lawrencewood, Niles, Illinois 60648, for rezoning of the property at 812 and 314 Lawrencewood Shopping Center from E-I to E-B Special Use - Family Billiards. Property of Lawrencewood Shopping Center legally described as follows: That part of the Northwest Quarter of Section 30, Township 41 North, Range 12, East of the Third Principal Meridian bounded and described as follows: Beginning at a point on the North line of Section 30 aforesaid at its intersection with the Southerly line of Chicago and Little Fort Road (also known as Waukegan Road), thence East along said North line 445.21 feet to a point 1212.17 feet West of the East line of the Northwest Quarter of said Section 30; thence South along a line parallel with said East line of the Northwest Quarter 651.69 feet; thence East along a line parallel with the North line of the Northwest Quarter 398.88 feet; thence South parallel with the East line of the Northwest Quarter 1104.74 feet, to a point which is 13.87 chains (915.42 feet) North of the South line of said Northwest Quarter as measured at right angles thereto; thence West parallel to said South line 1005.48 feet to a point on the East line of said Chicago and Little Fort Road (also known as Waukegan Road), then Northerly 141.37 feet to a bend in road; then continuing in Northeast direction along said Easterly line of Chicago and Little Fort Road (also known as Waukegan Road) 1036.45 feet more or less to the place of beginning (excluding the North 33 feet taken for Oakton Street and excepting a rectangular area on the Northwest corner thereof fronting 200 feet on Oakton Street and 200 feet on Waukegan Road) in Cook County, Illinois, and commonly known as Section E, 312 and 314 Lawrencewood Shopping Center, Niles, Illinois 60648.

(71-ZP-5). To comply with the recommendation of the Board of Trustees, of the Village of Niles, a public hearing of the Plan Commission on a Preliminary Draft of Zoning Ordinance Changes and Planned Unit Development, will be held on February 18, 1971, at 8:00 P.M.

## LEFT HAND

Continued from Page 1

In retrospect, perhaps the greatest lack in district 63 thru the years has been the leadership which was needed to block such building as far back as the late fifties. At that time district 63 school board member Earl Epstein led the fight of the encroaching multiples and warned positive steps were needed to prevent an avalanche of multiple building here. The school board has been the main force thru the years in objecting, but the eventual success of the landowners is evident from what has happened. From the beginning many persons worked with Epstein but the verbiage outweighed the action.

Political types made the headlines on many occasions but their leadership abilities were no greater than the non-political types. It seemed obvious then, and in retrospect, the only answer, that incorporating the area into the surrounding communities would have controlled the zoning. But many meetings were held no active attempts were made for such annexations.

Niles Mayor Blase was the most active of local politicians, tho we always had mixed emotions about his efforts. On the one hand he had little support for annexing the areas, and thus was in a difficult position for leading annexation actions into Niles. On the other hand when he ran for congressman the first time he was alleged to have sent uniformed Niles policemen into the area, supposedly interviewing unincorporated residents concerning a "traffic survey."

## Homeowners Irate . . .

Continued from Page 1

ington and Golf Roads.

The area is already far too congested on Foster Lane and Washington as well as on Washington and Golf — intersection of a primary and secondary road.

This intersection is 500 feet from the site of property proposed for re-zoning. Two grade schools on Golf — namely, Washington school on the north-west corner of Golf and Washington and St. Isaac Jogues on the southwest corner of Golf and Washington are an important part of this traffic problem which I plan to further explain as follows:

During the past several years with increased housing and traffic in this area, it became necessary to install an additional traffic light in addition to the crossing guard at Michael Manor and Golf. This is only 1/2 block west of the traffic light at the intersection of Golf and Washington. It was installed to safeguard children crossing to St. Isaac Jogues. In addition to the light, they too must be aided by a crossing guard. The traffic light at Golf and Washington also needs a crossing guard to aid children crossing to St. Isaac Jogues and the Washington school. Believe me, when I say that those two crossing guards take their lives in their hands in those two locations. To this already hazardous intersection with its many accidents throughout the year, of which I can see and hear from my location, the developer plans to add the mere sum of 366 apartments with a conservative estimate of 1 and 1/2 cars per apartment unit. This would add to the traffic problem already here, 543 additional vehicles going in and out of a narrow, dead-end street (Foster Lane) onto a two-lane street (Washington St.) attempting to exit the neighborhood going north to Golf and Washington or south to Dempster and Washington. Dempster Street only allows traffic to go west to Milwaukee Avenue, which is about 150 feet west of Washington St.

In the morning hours when hundreds of adults are going to work and hundreds of children are going to school, this problem is a serious one. Washington being a secondary road, with all of the side streets from Morton Grove and Niles exiting to it, provides pick-up locations for school buses going to Maine East High School, Maine North High School, Gemini Jr. High School, parochial schools in the area, etc. Children either trying to cross Washington to go to grade schools or those

covering ground which has absorbed such rainfall to date. We can expect to have flooded basements throughout Morton Grove and Niles even where there has never been any flooding problems.

This can only result in ultimate additional taxes in order to add additional storm sewers.

This area is not in need of apartments since there are many more vacancies than the developer would care to state in his report. The real estate witness for the developer checked only a minute sampling of this area. He admitted answering a question from the opposition that he did not check the Susan or Kassuba developments. There are many more vacancies in these developments as shown in newspaper "apartments to rent" and as displayed on signs all along Golf Road from Milwaukee Avenue to Potter Road . . . within a mile of said location to be re-zoned.

To sum up my opposition to this re-zoning in Maine Township this day of Jan. 24, 1971, I appeal to the Board of Zoning in Cook County to reject the proposal of the developer since it benefits no one in Maine Township or in the area concerned except the developer. We are here in Maine Township to keep the community safe and sound and as homeowners to serve and support the community in only a way that can be done by homeowners.

Legally, the developer has no right to do this. Practically and logically, we all know this is not so today and especially in the suburbs with no other means of transportation. I would like to submit my more realistic estimate based on a count I personally made of cars parked (not visitors on a Sunday), in the evening hours in an area of apartment buildings in Maine Township to be closer to 2 cars per apartment.

As a high tax payer in Maine Township, I do not feel we should (1) bear the brunt of additional taxes for such developments as widening streets to accommodate additional traffic; (2) to pass referendum upon referendum to help defray school costs in Dist. 207 and 63 due to overcrowding and need for additional schools; (3) to bear the expense of flood control — such as can occur when only a 1 inch rainfall cannot be handled by the storm sewers we now have and are adequate for us. However, with so much asphalt paving going into such a development as proposed by the developer,

pre-school paraphernalia will be presented by the Washington school PTA on Monday, Feb. 8 at 8 p.m. in the kindergarten rooms. Everyone is invited with a special invitation to parents of children entering kindergarten in the next few years. Washington school principal Milo Hellman will explain the special services offered. The kindergarten teachers will discuss preparation for kindergarten and answer questions about the kindergarten curriculum.

## LEGAL NOTICE

NOTICE CONCERNING THE FILING OF NOMINATING PETITIONS FOR THE ELECTIONS OF TRUSTEES ON THE BOARD OF TRUSTEES OF JUNIOR COLLEGE DISTRICT NO. 535, COUNTY OF COOK AND STATE OF ILLINOIS

PLEASE TAKE NOTICE that an election will be held in Junior College District No. 535, on April 10, 1971, for the purpose of electing two Trustees to the Board of Trustees of such District for full terms of three years each.

All persons who desire to file nominating petitions for nomination to such offices shall file their petitions with the Secretary of such Board of Trustees, or her designated representative, as follows:

PLACE: Suite 3-41, Building No. 3  
Oakton Community College  
7900 N. Nagle Avenue,  
Morton Grove, Illinois

PERIOD WITHIN WHICH  
TO FILE: Not earlier than 8:30 A.M.  
February 24, 1971, and not  
later than 4:00 P.M., March 19,  
1971.

OFFICE HOURS:  
8:30 A.M. to 4:00 P.M.,  
Mondays through Fridays,  
school holidays excepted.

The procedure to be used by the Secretary (or her designated representative) for the receipt and filing of nominating petitions and accompanying statements of candidacy is to be substantially as follows:

(1) Persons who wish to file nominating petitions must enter Building No. 3 on the Oakton Community College campus at 7900 N. Nagle Avenue, Morton Grove, Illinois, by the door to be designated by the Secretary, and are to follow the route within Building No. 3 from such entrance to the place in the Secretary's Office where such petitions will be received as is designated by the Secretary. The entrance and route are to be conspicuously marked.

(2) At the place in the Secretary's Office, the Secretary will receive such petitions in the order presented and will mark upon such petitions the date received and the numerical sequence in which they were received.

Dated at Morton Grove, Illinois, this 25th day of January, 1971.

The Morton Grove Post #134 of the American Legion, as announced previously, will hold their annual queen contest once again this year in conjunction with the St. Patrick's Legion Birthday Party Dance. However, 1st Lt. Vice Cmdr. Frank Hilbert, dance chairman, now has tickets available for the event; and this week is announcing it for members. Non-Legionnaires may also obtain reservations after Feb. 6.

Hilbert, YO 6-3593, says the Saturday, March 13 social will have a package price of only \$10 per couple. In addition to the queen judging, the evening includes dancing to Roy Balmer, liquid refreshments and a late buffet snack. The party sauntered the Legion's national birthday, which this year is 52 years.

Girls resident in Morton Grove between 16-18 years of age this 4th of July are eligible to enter the contest. They need not have any family Legion affiliation. Photos should be sent to the Legion, 6140 Dempster, giving their name, address, school or place of business, birthdate, parents' name and phone number.

The Morton Grove winner then competes in district judging where that ultimate choice goes on to Legion county competition. The Cook County American Legion queen reigns over their 4th of July fireworks extravaganza held in Soldier's Field.
