From the Left Hand

By David Besser
Editor & Publisher

Instead of taking a friend to lunch or smiling at a homely girl, the kindest thing you can do the next couple of weeks is infect some unsuspecting soul with basketball mania which sweeps across the land this time of the year.

High School basketball fans, who are a breed unto themselves, are trudging thru early March gales, fighting snow drifts in Minnesota, and combating their wives' howls thruout the land, as they move nightly from one gymnasium to another. It becomes a disease, Basketballitis, which diagnosticians say is a 3-week inflammation, which subsides and disappears about mid-March.

I remember precisely the moment I picked up the disease. It was at 7228 Indiana Avenue on Chicago's south side when I was 10 years, 3 months and 14 days old, I was with some of the big men in the neighborhood, Bill O'Connor and Dick Brosius and Jack Simpson and we were sitting around talking about the old days, in this rolling weed-laden vacant lot. We had a fire going, it was getting dark, and we were smoking those awful-tasting hollow reeds, which we pulled out of the ground. These serene moments were interrupted only by the crackling of the fire, and an occasional cough, when suddenly I contracted the ball once, tossed it against an uneven square board, and it sort of made a ricocheting echoed-sound as it looped several times around a rusted rim which hung limply from the board. It was one of those beautiful moments in a guy's life. The music of the bouncing ball against the cement, the one plunk off the board and the round and round the rim rhythm was rhapsodic.

The disease followed me from that day forward. At 46th and South Park, I spent an hour and a half every Sunday watching the clock in Sunday school waiting for the moment when I'd race upstairs and bounce that underinflated leather ball which made a dull thud every time it bounced off the backboard. It was a wonderful place to learn to play the game. It was dark and the floor hadn't been washed since the building was built. It was always cold and if you fell and cut yourself, only a tetanus shot could possibly save you.

Public Meeting To Be Held March 10 At Washington School

DISCUSS WIDENING OF GOLF RD.

A public meeting will be held March 10 at 8 p.m. at Washington School to discuss the widening of Golf Road. The proposed widening would eventually extend from Evanston to approximately Rand Road and would be considered a major thoroughfare for an east-west highway.

Residents residing near Golf Road in the Niles-Morton Grove-Glenview unincorporated area have consistently objected to the thruway listing dangers to health and to children crossing there as being detrimental to the community.

One resident, Harold Schwartz, 2510 Golf Road, active in the Washington PTA and in school district #63, has led the opposition against the proposed widening. The following is a letter he sent 'The Bugle' regarding the proposal:

Dear Editor:

As a resident along Golf, I have been fighting the widening plan since it first was announced last spring. My opposition is along several lines:

1. It will make homes along Golf virtually uninhabitable. The new lanes and a 14-foot divider will bring the highway's edge 10 feet
2. Lack of consideration by the state of a set of priorities. This widening, which eventually will stretch from Evanston to Rand Road and then on east to beyond Rand Road, will cost — by the Highway Department's own estimates — about \$1.3 million per mile. I contend that the needs of education and the cleaning up of our environment should take precedence to this project.
3. Dangers to children who have to cross Golf Road to go to school. Although the Illinois Division of Highways has "re-considered" its opposition to an overpass between Washington School and St. Isaac Jogues School and has agreed to its installation, it still is opposed to one at Golf and Western, where children cross to go to the Junior High and MARE FORTH elementary school.

closer to my home. And, with the attendant traffic increase, it will be a nearly impossible task to get out of one's driveway — to say nothing of the difficulties involved in crossing the three lanes and divider to head east. Noise and dangers to children would reduce any resale chances enormously.

MAKE-UP AND YOU #2

In the normal course of applying make-up, some women seem to forget or ignore a few of the basic fundamentals. For instance keep in mind, that lighter make-up tends to bring out the area it is applied to. Conversely, the areas you wish to show less prominently, are shaded with darker make-up.

You should always remember to use a light touch to avoid the heavy, spotty effect of make-up applied too vigorously.

What happens when you're offered \$16,000 for your \$22,400 pile of ashes?

You take it if you haven't increased your home insurance to keep pace with inflation.

This is the kind of problem you could face if you bought and insured your home for \$18,000 in 1963. See me to find out if your home is insured for its full value. I'll tell you about a low-cost State Farm Homeowners Policy that will insure your home for all it's worth... and keep it that way with automatic Inflation Coverage.

CAP Names Campaign Team

Charles N. Anderson of 8813 Bellefort was named campaign manager for the Citizens Achievement Party at a recent party meeting to be assisted by Fred McClory.

A Platform committee was appointed and Jule C. Bode, Frank W. McTier, Bill Kramer and Ed Wilander were chosen as well as Jack Terrazas, Bill Kaye, Marvin Wiener and Kaye Kummer.

Carson Gallagher and Earl Numerich were given leadership posts in the precinct organization and Peter Viveiros

was given the position of Social and Events Chairman. CAP President Maurice (Mickey) Goldberg was made Chairman of the Finance Committee.

A Women's Organization was begun with the naming of Gladys Novak, Marge Cohen, Beverly Bode, Kay McClory, Key Houndt, Jean Hilkin, Wanda Ames, Evelyn Foster, Juanita Goldberg, Delores Wilander, Janet McTier, and others will be added to the list as the campaign gets underway.

Anderson said he was overwhelmed with the enthusiasm

and the team effort already displayed, and was especially elated that the petitions handed out Wednesday and Thursday of last week were returned with such promptness that the CAP candidates filed their petitions last Monday morning, Feb. 8, at the Village Hall. Anderson continued, "Many people have volunteered their efforts to help retain good government in the village and all committees will be adequately staffed so the campaign is off to a great start. We hope to announce the opening of our headquarters in the

next ten days and want everyone to drop by and pay us a visit and meet and talk to our elected officials and our Trustee Candidates."

How to complain about your phone service. Call me.

You may think it's silly of me to invite your complaints, but that's what I'm here for. I'm a Service Representative for Illinois Bell. And taking care of your phone problems is part of my job.

To speed things up, I keep a complete file of your phone service records within easy reach of my desk. But there's still no way for me to know you're having a problem, unless you call.

Just in case yours is a really tough problem, there are a lot of good people behind me to help out.

Like my supervisor and the business office manager who've had years of experience in helping customers with unusual service problems.

And, of course, all the guys who install and repair phones.

We're all pitching in to help. The way we figure it, the telephone company is only as good as the service we give you. And that includes taking care of complaints.

If you ever have a complaint about your telephone bill, an installation problem, or a service question ... call me, your Service Representative. For repairs, call our Repair Service.

You'll find my number listed on your phone bill or in the front of your telephone directory.

For Repair Service, dial 611 in Chicago and most suburbs.

Elsewhere, look in the front of your directory.

We want to help.

We're a lot more than just talk.

Homeowners Protest Washington St. Rezoning

Some of the 100 protesters who came out on a very cold and windy Saturday morning, Feb. 27, at 11 a.m. are shown above walking along the narrow sidewalk adjacent to Washington rd, where children of two schools (Washington Elementary and St. Isaac Jogues schools) must walk 4 times daily. These children walk amidst the already heavy and hazardous traffic which exists on this street, especially at the 7:30 to 8:30 a.m. hour when people are going to work and children are going to school. The purpose of this demonstration was to illustrate that the present amount of traffic (with 77 reported accidents in 1970) is already high enough without the proposed rezoning which would allow an additional 1100 people with approximately 700 additional cars to further aggravate this hazardous traffic condition. As shown in the photo, the irate homeowners are against "people pollution" and added traffic problems that will affect their children.

Congratulations

January. The mid-year graduates will be honored at VU's 97th annual Commencement on Sunday, May 30, when the May graduates will be awarded their degrees.

NINE COMMANDMENTS FOR HEADACHE SUFFERERS

By Wally Motyka

- 1.. Stop Smoking!
- 2.. Approve of yourself. You are as good as the next fellow. If you are given a compliment, take it and make good use of it.
- 3.. Do not be a slave to the clock. Work at your own pace. Trying to meet too many deadlines only creates tension.
- 4.. Tolerance makes understanding of the other fellow a little easier.
- 5.. This is not a perfect world. Perfection is rarely attained, so be satisfied with less.
- 6.. Speak up if you want to. Honesty and directness break down barriers and make friendships easier.
- 7.. Be efficient, yes, but not to the extent that perfection becomes a burden.
- 8.. Stop feeling guilty. We are all human and we all make errors. Give a little and you will get a lot, maybe even a reduction of that pain in your head.

If headaches persist you should CONSULT YOUR FAMILY PHYSICIAN ... If a prescription is called for, consult BIRCHWAY DRUGS (where you and your health comes first.) BIRCHWAY DRUGS ... 7503 Milwaukee Ave ... Phone 647-8337.

26 Morton Grove Girl Scouts of Troop 494 of the Edison school in Skokie School District 69 work towards their service badges by filling "patient kits" which are handed to all in-coming patients at the Skokie Valley Community hospital.

Troop 494

Troop leader Mrs. Robert McCown, 5520 Washington and her co-leader Mrs. Walter Peterson, 7907 Central are happy to have "our girls" fill hundreds of these kits with materials such as soap, kleenex and information pamphlets which are supplied by the Skokie Valley hospital.

The entire troop quickly did its work at the hospital and was thanked by the Director of Volunteers, Mrs. Gene Kellman. The scouts learned that a hospital such as Skokie Valley could not survive without the help of volunteers, like Girl Scouts, who give their time and efforts freely.

Leader McCown is particularly pleased to have had Troop 494 help at the hospital because "it isn't often the girls can actually see where their efforts are being used."

Happy Birthday Girl Scouts

Their program consisted of the Presentation of Colors by the Pussy Cat Patrol, the girls are: Kathy Wilson, Kathy Matlak, Carolina Soler, Therese Berrigan, Janet Kubas, Eileen Ludkowski, Barbara Sweeney.

A song, "Raindrops" by the Groovy Gollies and the Catoanoga Cat Patrols, the girls are: Diane Chesrow, Carolyn Kauten, Susan Brenner, Cynthia Majewski, Susan Aklinski, Cheryl Paschke, Cynthia McHale, Linda Watson, Sheila Huelsman, Linda Schoos, Maura Ann Borrelli, Kathy Zanko, Suzanne Swanson, Michele Majewski.

A Tinkling Dance by the Green Phantom Patrol, the girls are: Donna Hasp, Linda Kleich, Joyce Kasprzak, Ellen Paine, Teresa Vieira, Mary Uhlig, followed by a Candlelight Ceremony and the Awarding of Badges by the leaders Mrs. Martin Aklinski and Mrs. Donald Kleich.

Most of the girls received the troop camper badge after spending a weekend in November camping at Happy Hollow, Wisc. Many of the girls also received Cypsy after their Happy Hollow Trip. As outgoing leader Mrs. Aklinski received a corsage and a gift from the troop.

Brownie Troop 905

Brownie Troop 905, Barbara DeLorenzo, Jeanne DeLorenzo, Kim Drehobl, Suzanne Gabel, Kathleen Hanna, Karen Haywood, Jacqueline Jurica, Alice Kozanecki, Carol Schoose and Sharon Sok and their leaders, Lucille Kozanecki and Audrey Haywood, have enjoyed a busy schedule during the months of December and January.

On the 5th of Dec. the girls went to the Golf-Mill Christmas program, at which time they learned how to make several different decorations. Among them were Christmas corsages for their mothers.

On Dec. 9, the girls enjoyed a tour of Salerno Cookie company, observing how cookies are made. At the end of the tour each Brownie received two boxes of cookies and a Salerno Cookie game.

A Christmas party was given for the Brownies, along with their sister troop on Dec. 17. Caroling and a grab bag were included in the activities of the evening.

On Jan. 17, while their leader, Lucille Kozanecki, was enjoying the warm sunshine in Hawaii, co-leader Audrey Haywood and Gert Schoose braved the cold and took the girls to Grennen Heights park for an Ice Skating party. After everyone took a few falls, cupcakes and hot chocolate were enjoyed by all.

Troop 428 Nelson School

Proud recipients of an American flag presented by the Morton Grove American Legion Post #134, are these three young ladies, who represent Nelson school's Girl Scout Troop 428. From L to R., they are: Terri Reiss, Iris Greenberg, and Tammy Zimmerman, all of Morton Grove.

In addition to being girls who show respect for their country and its flag, the Troop has shown its awareness of and respect for others. Some of Troop 428's recent activities include a visit to the Niles Fire Department and baking cookies for the firemen, as well as making rings out of colored telephone wire that were sold at a bazaar to benefit the patients at Children's Memorial hospital.

In February, the Troop visited Great Lakes Naval Base with Valentine's Day gifts for the hospitalized veterans.

SJB Junior Girl Scouts

It was dad's turn to escort his favorite girl in green when the Junior Girl Scouts of St. John Brebeuf school held their first annual Father-Daughter dinner at Bunker Hill Country club on Jan. 21.

Each dad was presented with a paper boutonniere made by the Scouts as he arrived with his daughter or, as in many cases, daughters.

The evening began with a flag ceremony in which representatives of the five Junior troops, 105, 569, 595, 613, and 846 presented the colors. After dinner everyone enjoyed a humorous film about the Girl Scouts of 1918 and some of the troops performed songs for their dad's entertainment.

Door prizes were graciously donated by the Millionaires' Club, Vosno's Restaurant and Riggio's Pizza. The lucky winners were Stan Prak, a year's membership in the Millionaires' Club; Frank Gorski, dinner for two at Vosno's Restaurant; and Joe Volpe, a pizza from Riggio's. The evening was brought to a close when each Scout held her dad's hand and sang "Hello Daddy" followed by each dad putting his arm around his Scout and singing "Let Me Call You Sweetheart."

All agreed it was indeed a fine evening and one that should be repeated again next year.

Brownie Troop 238

Under the capable direction of its new leaders, Mrs. Natalie Ciccone and Mrs. Joyce Penner, Brownie Troop 238 wound up 1970 with a flurry of interesting activities.

After completing their sit-ups, the girls enjoyed a cook-out at Miami Woods with their sister Girl Scout Troop, visited the Lizzard Lapidaria, and enjoyed and flower arranging demonstration and tour at Amling's.

At the Investiture Ceremony, the girls presented a puppet play depicting the Brownie Story. The second year Brownies (Laura Ciccone, Lynn Cicero, Lori Durston, Pamela Gregory, Gail Kaczynski, Carol Krugan, Esther Partipilo, and Janet Zajdal) acted as narrators while the first year Brownies (Lisa Ciccone, Gina and Lori Cappiello, Nancy Erickson, Barbara Feldman, Nancy Schmidt, Mona Werdemann, and Cindy Zywicki) appeared in paper bag costumes.

Girl Scout Leaders Needed

Junior Girl Scouts are waiting but there are no leaders in sight at Golf and Hynes School in Morton Grove. By May of this year, 12 Brownies will join the many other waiting Juniors who have had no leaders at Hynes School this past year; at Golf School, 20 Brownies will join a leaderless 14 Junior Scout Troop. What a shame they are missing the fun of Scouting, not to mention the Scout Community events such as the Father-Daughter Square dance, Scout week luncheon, Ice Capades trip, and Outdoor Skill Day just to mention a few.

We're appealing and hoping that former leaders, teachers, mothers or adults who believe in the Scout program will come to the rescue of these waiting girls. The Troop Organizer at Golf School is Lillian Lusk, 965-2329 evenings and at Hynes school, Natalie Cohen, 965-2095

Maine East's "Antigone"

Students enact a scene from "Antigone," Maine Township High School East's Spring play sponsored by the Thespian club. From l. to r. are: Jim Grimes (Glenview) as Haemon, Antigone's lover; Rick Rose (Niles) portraying King Creon; Jerry Marzullo (Niles) the 1st guard; Linda Krueger (Des Plaines) as Antigone and Gary Wilkins (Park Ridge) a guard.

The Sophoclean play, adapted by Jean Anouilh is the story of a young girl and the conflicts in her life when she opposes state laws. Little or no scenery will be used in order to break down established conventions of illusion and make-up will follow a metaphor of skin versus clothing. This is achieved by body make-up painted on the chests of male characters to represent tuxedos, police uniforms or whatever costume is required. Original music with dissonant sounds and rock elements have been composed by students to compliment the play and help heighten the relevancy gap.

Performances will be given March 4, 5, and 6 at 8 p.m. in the school auditorium. Tickets are \$1 for students and \$1.50 for adults.

Help Wanted

At least 165 residents of Junior College District 535 will be needed to help conduct the election of Board of Trustees for Oakton Community college. These persons are needed to act as judges in the election precincts of the district on election day, April 10, 1971.

According to information received from Raymond E. Hartstein, chairman of the Board of Trustees, judges must have been residents of their precinct in which they act since April 10, 1970, and must be qualified to vote in the election on April 10, 1971. Polls will be open from noon to 8 p.m. and the judges will be asked to report to the polling places no later than 11 a.m. They are expected to remain on duty after the polls close until all ballots are counted and the results reported to election headquarters. Those who are not familiar with the duties of election judges will be given instructions by the college before April 10.

Qualified persons who are interested in serving as judges are asked to contact the Office of the President of Oakton Community college. Such persons may either mail their name, address and telephone number to Mrs. Virginia Strandell, Oakton Community college, 7900 N. Nagle ave., Morton Grove, Illinois 60053, or telephone the college offices at 967-5120, Ext. 381, Monday through Friday. Judges will be paid for their services.

During the next years we played in most of the gyms on the southside. At 74th and Chappel, we played in a basement gym which had a 10-and-a-half foot high ceiling. To shoot the ball in the basket required a line-drive shot, hard against the board. An arc of more than 5 inches would bounce against the ceiling. Architects in these early southside days built the walls of the gyms 6 inches behind the backboard, and often you'd lose two or three guys a game, who were staring blankly into space, after charging head-on into the wall when driving toward the basket.

By the time we'd reached 7th grade, we began taking our disease seriously. Christmastime we'd sit thru 8 games from early morning until late at night at the Stagg Fieldhouse at the U. of C. And when March came around we began hitchhiking into Indiana, where the Hoosiers claimed they invented this disease. During their play-off time we once saw a ball balance on top of the backboard. It's significant because we've mentioned this hundreds of times to other aficionados, and they all turn us off with sheer scorn for inventing such a fantasy. To be a member of the fraternity it required telling reasonable lies, not outright fabrications.

Through the years we've met many diseased-laden guys but none so true as a group of coaches who were in the Chicago high schools for many years. There was one man, Tony Maffia, a great high school coach at South Shore, who we often saw on Friday afternoon at the Amphitheatre

in Chicago, in the evening in Arlington Heights and the next night at the college doubleheader at the stadium. The last time we saw him was in a Gary, Indiana restaurant. He was sitting with a high school coach from Hyde Park, our old alma mater. When dinner was over, we met them outside the restaurant waiting for a taxi-cab. Our former coach, a man of 60, had refereed the Notre Dame football game that afternoon in South Bend, and when we offered him a ride he asked if we'd take him to a Gary game that evening. While driving him there he told me he had coached his team at a Thursday afternoon game, had "ref'd" on Friday at Eckersall Stadium and tomorrow, Sunday, he would be there again as head linesman at a Catholic League game. When I chided him about this heavy schedule, he looked at me with incredulity, and said, "Bud, this is my life, I love it."

I guess this bald-headed little guy summed it up for all sports fans who are hooked on their sport. Certainly, those howls you'll be hearing across the land the next week are not March's non-like winds, or Chicago's windy welcome to spring. It's the mating call of that odd bird who sits nightly amidst shrieking teens. He hears only a symphony everytime that round-ball beats against the hardwood, and swooshes thru its final movement. Beethoven could never have put it on paper.

Music Festival at Apollo

A unique experiment in cooperation between two new schools Apollo and Maine North High will be in the Spring Music Festival on March 10 at 8 p.m. in Apollo school.

Basketball Tournament at Maine East

Maine East is fortunate to have been selected by the Illinois High School Association to host an 8-school Regional Basketball Tournament this year. In 1966, the last time we hosted a Regional, Maine East beat Notre Dame High school in two overtimes 47-45, beat Maine West 52-51, and beat Maine South in the finale 46-45. Thus, in winning three Regional games by a total of four points they became our "Cinderella Team."

They advanced to the Sectional Tourney and beat a good North Chicago team 70-57 and moved to the finals where we were eliminated by a strong New Trier East team.

St. Patricks of Chicago is seeded #1 in the tournament and with a 23-4 record up-to-date, they are 7th rated in the Chicago area. Maine East is seeded #2. Pairings of teams and game times as follows: Monday, March 1, 7 p.m. - St. Patrick VS Proviso West; Monday, March 1, 8:30 p.m. - Maine South VS West Leyden; Tuesday, March 2, 7 p.m. - Maine East VS Holy Cross; Tuesday, March 2, 8:30 p.m. East Leyden VS Elmwood Park District Winner; Wednesday, March 3, 7:30 p.m. - Winners of Monday's games play; Thursday, March 4, 7:30 p.m. - Winners of Tuesday's games play; Friday, March 5, 7:30 p.m. - Final Game.

Admission is \$1.50 for adults and \$1 for students with school I.D.

SPORTING EVENTS

Baseball League Registration

The Second session of registration for the 1971 Niles Baseball Season will be held on Sat., March 6, at the Niles Recreation center, 7877 Milwaukee ave. On this date the remainder of the alphabet, i.e., those boys whose last name begin with the letters "N" through "Z", will have the opportunity to register for the Niles Baseball League. This is positively the last day for any boy to be assured a playing berth on a team for this year. The schedule for registration is as follows:

| LAST NAME BEGINS WITH | TIME ON MARCH 6 |
|-----------------------|-----------------|
| N,O | 1:00 pm |
| P,Q | 1:30 |
| R | 2:00 |
| S | 3:00 |
| T,U | 4:00 |
| V,W | 4:30 |
| X,Y,Z | 5:00 |

Again, we appeal to our registrants to observe this schedule and alleviate all unnecessary confusion.

Our fee for the coming season will be \$14 per boy or \$20 per family registering two or more boys. As a reminder to our new boys, PLEASE, bring some proof of age. This is needed to establish League placement. The signature of a parent or guardian is also mandatory at time of registration. No application will be accepted without it.

We wish to encourage all boys of Pony League age to consider participating with us this season. As previously noted, a two division Pony League is contemplated for this coming season. The success of this venture cannot be realized without your cooperation. Give the Niles Baseball League a chance to provide you with summer long enjoyment.

And don't forget those uniforms. No one will be allowed to register unless his uniform

from previous seasons is returned. Said uniforms will be accepted on the day of registration. For further information, please contact the NBL Registration Chairman, Mr. John Petersen, 967-5348.

Don Fencing String Ends

Last Wednesday, N.D. defeated New Trier East, 10-8 at both levels to extend their varsity winning streak to 28 in a row going back to February of 1968. The frosh-soph extended their streak to 22 going back to the Fall of 1967. The combined dual meet wins over this period was 50 in a row. All of this came to an end on Friday when Maine South defeated the varsity 10-8 in the final hour, and the frosh-soph, 11-7. The varsity team is now 10-1 and the frosh-soph is 7-1.

On Saturday, some of the Don fencers were invited up for an individual tournament in Wisconsin. Terry McConville took first, Randy Mikos, second, Jim Burkart, third and Russ Rempe, sixth in the 14-15 age group.

Tom Alcock took first, Paul Quintiff, second, and Gary Berkak, fifth in the 16-18 age group. The N.D. fencers took five of the possible trophies. In the process, Tom Alcock earned his 100th win for the season and is now 109-24 in overall AFLA and dual meet competition. This first place trophy is another to add to his other 4 firsts which got his picture in Sports Illustrated magazine last week in Faces in the Crowd.

Men's Softball

The Golf Maine Park District announces that registration is now open for its Men's Softball program. The season will begin on June 20. There will be 10 weeks of games, held at Peoples park. LETTERS TO THE EDITOR

Words of Praise From A Park Board Booster

Dear Mr. Besser:

I was very disappointed in your article about the Niles Park Board. These men are devoting many long hours with no salary to make our park programs the best for everyone. We boast of programs from our toddlers to our senior citizens. Many are enthusiastic about what Niles Park district has to offer its citizens.

Yes, they do have closed meetings, because there are times when important matters come up and they must call a meeting immediately and not when it is convenient for Mr. Besser to be there. As for their mistakes, they are on open record and not concealed. These men are human and we all make mistakes, but they certainly try to correct theirs so that all will benefit and not just a few.

As for your singling out Mr. Besser, there are many people who know he is one of our finest commissioners. As for his credits, Walt has done research for 3 years on hockey. Many people are not aware that Walt and his wife Lorraine took their family to Canada on his vacation for 2 weeks to study their hockey programs, which are excellent. He wanted to start a good program here and went to Canada to see the best. He took pictures, talked with coaches, hockey players and in general wanted to find out what we needed to have a good program here. You said he was obsessed with hockey. I'd like to say enthusiastic. If he is more enthusiastic about hockey, it's because it is a new sport to Niles and takes alot of hard work and organization to start such a program. He is working so hard for this sport because there are a few men like you, Mr.

NFP Trustee Candidates Note Existing Problems

Dear Sir:

A good trustee should look out for the welfare of the residents of his community and solve problems that affect their lives even before they occur.

The proposed rezoning of the Washington St./Foster In. site is one case in point. Although this area is unincorporated, the Village of Niles should have voiced a strong objection to the rezoning last March when a hearing was held on the matter, and when the objection would have carried some weight. Instead, they did nothing - a tactic they used before when areas were rezoned without meaningful objection when it was known that the Village of Niles would annex, but before annexation actually took place.

This rezoning will do all that community leaders say it will and will create a dangerous condition in the area as well as being a tax burden on the residents, but it is only part of a situation that ultimately spells disaster for the whole area unless strong measures are taken to stop it.

This is one reason the Niles First Party was formed, and hereby pledges to do all in its power to clean up this mess, as the incumbent trustees have indicated they do not have the desire or the inclination to act responsibly in this matter.

The other part of their irresponsibility that can spell disaster for the area if not controlled is the proposed Gemco store on Milwaukee ave, near

Open Letter to Jefferson Theatrical

The Northwest Italian American Society once again wishes to thank the members of the Jefferson Theatrical Society for sharing their time and talents in the "How to Start a Revolution" room at St. John Brebeuf's recent International Festival, 1971.

To the director, Mrs. Chester Petersen, head seamstress, Pat Zaehler, script writers and cast (many of which are neither Catholic or members of the parish) we are very grateful... your patience, expense of baby-sitters, hours of rehearsing and dedication on the 4 strenuous show nights makes accepting the Chairmanship's job so worthwhile.

Sincerely,
Bill Keener

Each year our air, land and water becomes increasingly polluted. What will you do in the interim? As a matter of fact, what can you do? If you care about your world and the one you leave to your children, attend the District 70 Schools PTA meeting, on Monday, March 8, at 8 p.m., it will be held at the Park View gymnasium, 6200 Lake st., Morton Grove, Warren R. Murr, Chairman Executive committee, guest speaker, will inform us of our part in helping to reverse the tide which is bringing us close to disaster.
