Tuesday (before the election results came in) ...

In Morton Grove the Citizens Achievement Party wins this year's award for the "Crummiest tactic in the 1971 campaign." In a brochure which came out after the last local newspaper was printed before the election, it re-produced the flags (names) of all the newspapers in the area under the headline: "What They Say About The Citizens Achievement Party." Underneath the heading they have a smaller head which states "Endorsed By:" and leaves the impression all 4 newspapers endorsed their party. They clipped separate headlines from different stories placing them together in one story and then ran stories from the different newspapers which THEY themselves had written and sent into the papers. After they were published they reproduced the articles, leaving readers with the impression these favorable articles were endorsements of their candidates.

Such an action would give the guys behind this brainstorm a place of honor if they were part of the Dick Daley Democrats in Chicago. In the big city there's a no-holds-barred philosophy which allows precinct captains to get-the-votes, without regard for rules or niceties. Out here in the boon-

The one candidate who could give Nick Blase a run-for-the-money, Rich Harczak, led his powerful AIM Party ticket to a resounding victory Tuesday in Niles trustee race.

In the park election Bill Keener convincingly won the 2nd seat on the park board, winning decisively over incumbent Ray Eagan, while incumbent Jerry Sullivan clearly outgained all candidates by a wide margin.

In the village election Harczak was first in every poll except 2 and running mate Ang Marcheschi ran a strong second place following closely behind Harczak. Harczak and Marcheschi carried into office incumbent Ralph Bast who trailed Harczak's total by more than 1,000 votes and was behind Marcheschi by more than 500 votes.

The Niles First Party was led by Todd Bavaro who outdistanced his party ticket by 550 votes from 2nd candidate Bill Winter. Among the independents Joe Miller received a surprising 1,363 votes, which was the fifth largest total, trailing the AIM Party's 3 candidates and the top candidate in the NFP Party, Todd Bavaro by 240 votes. The Miller total was the largest

outpace opponent Harvey Morris from Morton Grove. The vice-presidential spot attracted three females all well qualified for the job. Elected as vice-president was Catherine Lasiewicz, 1810 Glenview ave., Park Ridge, who outran Marcy Seal, Park Ridge, and Christine PapaJohn, Glenview.

Running unopposed for the office of secretary was Janice Ackerman, 7615 Church st., Morton Grove. Named as treasurer from the two female candidates seeking the office was Wendy Yedor, 9239 Dee rd., Des Plaines. Her opponent was Patricia Grippo from Park Ridge. Results of the balloting, which ended last Thursday, were announced at the election banquet held at the Scanda House the following Friday evening and over Maine's radio station WMTH.

Retiring student council officers are president David Hiller, vice-president Harry Grossman, secretary Marjil Getz, and treasurer Patricia Fornall.

David Coymlk, director of the film study program at Notre Dame High School in Niles, recently appeared on Channel 2's program, "A Time to Live". Maine Township High school East's 1971-72 student council officers were selected last week by its 4,000 strong student body. Polls opened at noon last Wednesday at the conclusion of an all-school assembly where candidates were officially nominated and allowed to express their platforms. The effects of "women's lib" were

Ballard School Vision-Hearing Screening

The Suburban Low Incidence Development of Exemplary Services (SLIDES) and East Maine School District #63 announce that they will conduct a pre-school vision and hearing screening program on May 4 through May 14 for all children in the community age 3 through 5 years.

The program will be conducted at Ballard school from 9 a.m. to 11 a.m. and 12:30 to 2:30 p.m. in cooperation with the Illinois State Department of Public Health, the Illinois Society for the prevention of Blindness, and East Maine School District #63.

The purpose of the screening is to locate the preschool age children with possible visual or hearing problems and to identify children needing special educational services because of any limitations.

Because a child does not know how he should see or hear, he rarely complains. Parents may not be able to detect visual or hearing problems because the eyes and ears appear to be normal. Thus, it is very wise to have the vision and hearing of preschool age children checked. Technicians, trained and certified by the Illinois State Department of Public Health will perform the actual screening. Children evidencing any difficulty at the screening will be asked to return at a later date to be rescreened. If the difficulty persists, the parents will

be requested to take the child for complete diagnostic examination.

It is necessary to register children for the screening programs. At that time the parents will be given a vision readiness game to play with the children so that they will be prepared for the screening. Registration will be held on April 28 at the Ballard school mobile from 8:30 a.m. to 11 a.m. and 12:30 p.m. to 2:30 p.m.

The Office of SLIDES and East Maine School District #63 invites all the parents of preschoolers to take advantage of this preschool vision and hearing screening program which is offered as a free public service to the children.

Niles Elementary-North Receives Safety Honors

Niles Elementary School North has received a certificate of Exceptional Merit and has been placed on the National School Safety Honor Roll of the National Safety Council, George P. Murphy, Principal announced today.

This is the fifth time the school has received this honor. We are encouraged by this recognition of our efforts to build a good safety education program, "Mr. Murphy said. "We will continue to teach our young people to protect themselves and their fellow students as long as accidents remain the chief cause of death among school-age children."

The Honor Roll was initiated in 1944. To gain a place on

it, a school must present a detailed report of its safety program to a local committee, composed of the school principal, the president of the local parent-teacher association or similar parent group, a student leader, and the president of the local safety council or the school's safety education supervisor. Upon the recommendation of this committee, the report is forwarded to the National Safety Council to be listed on the Honor Roll.

For the first year of participation, the Council does not outline a specific program for a school to follow; but it does

recommend that the school adopt a safety policy statement and initiate a student accident reporting system.

In the following years, the school must up grade its program by continually adding safety activities in order to develop a well-rounded program which serves local community needs. Included among the activities of Niles Elementary School-North were: A student safety organization conducted safety activities throughout the year. One person was designated to channel safety information from the school system's safety education supervisor or ad-

ministrative office to the teaching staff.

An average of one fire drill a month was held at unannounced times under conditions simulating actual fire conditions. Safety committees were established to provide coordination between the school safety education program and the community safety program. Regular safety exhibits or bulletin boards were displayed. The school cooperated in a pedestrian instruction program and held supervised practice for younger pupils in crossing the street, using school equipment, and riding public and school

transportation. Special safety instruction was provided for holidays.

Regular safety inspections of buildings and grounds were conducted to eliminate hazards and to ensure that building conditions and fire safety activities complied with recommended standards in addition to state and local legal requirements.

With interested official agencies and lay groups, the school participated in periodic surveys to review school crossing protection needs. It provided, and instructed school safety patrols, adult crossing guards and police officers.

Niles Commends Scout Troops

The Niles Environmental Control Board would like to commend Boy Scout Troops #45, 62, 175, and 275, and in particular the boys involved in the project to clean up a portion of the North Branch of the Chicago River.

This endeavor has not only been a benefit to the citizens of Niles, but also to other communities. We hope that every citizen in Niles can be made aware of their efforts and that this will be an inspiration to those in the fight against pollution.

Only through the efforts and cooperation of everyone in the community can the air, water, and noise pollution problems be minimized. Although the problem is national, it is the community and in particular, each individual, who must do their part to achieve maximum success.

We again want to commend the leaders and scouts involved and sincerely hope their efforts in this area will continue.

Niles Bugle
Niles, Illinois

Dear Sirs,

I just had to write and tell you about the phenomenal response I received from my ad of March 11th in The Bugle Newspapers.

My sole expectations of this ad were to draw some of my following in this area, and maybe a new customer or two, but the response was terrific. Our actual sales for the two days following the release were about twenty times the cost of the ad, and we still have people coming in on an appointment basis, all due directly to your paper!

Our product is men's custom hairpieces, and we, therefore, can appeal to only a small percentage of your readers. Imagine if it were something more widely used!

I can think of no better way to insure the success of my business than to continue running ads in The Bugle Newspapers.

Sincerely,

James V. Canzolino

Objective Reporting Needed in Niles

Dear Dave:

After reading your April 15, 1971 "Left Hand" column in reference to your supporting candidates and the resultant loss in business, I couldn't help but think that everyone in Niles should subscribe to your paper if only for that one service you provide.

I then came to realize that our subscription had lapsed

some time ago and found myself writing the enclosed check for a 1 year subscription to the Bugle.

If I can help in any way so that you may continue the badly needed objective reporting, please call on me. Continued success.

Sincerely,
Len Szymanski

YOUR PARK DISTRICT Arbor Day Program

The Niles Park District president, Gerry Sullivan, announced today that the District will commemorate "Arbor Day" by holding an informal program at

the Oakton Manor Recreation Center on April 30, at 6 p.m. All residents are invited to attend.

Mr. Sullivan mentioned that "two Black Fastigate Locust will be planted during the program; however, the District has a total of 11 trees being planted on park property to enhance the beauty of the community." The list of the other units includes 3 Desert (Golden) Ash, 3 Japanese Lilac trees, 3 Golden Rain trees, and 1 Purple Leaf Plum.

This year the Niles Park District is cooperating with the Illinois Association of Park Districts in promoting community pride through beautification. Niles, as many communities, has suffered in the past from the uncontrollable Dutch Elm Disease that has been rampant in so many communities. "The Park District plans other plantings in the future," Sullivan stated.

This year the State of Illinois has set aside April 30 as Illinois Arbor Day and the National Arbor Day is April 24.

Easter Party-- A Huge Success

Saturday, April 10, was an exciting day for about 350 of Niles' youngsters. They participated in the Niles Park District Easter Egg Hunt and Party, held at Grennan Heights Field, 8255 Oketo.

The main attraction of the Party was the arrival of the Easter Bunny, portrayed so fantastically well by Gregory Olsen, 8212 N. Oketo ave., that even the adults were held spellbound. The smiles and cheers of the youngsters prompted the Easter Bunny to distribute chocolate marshmallow facsimiles of himself to the little folk, so that he would be remembered year round.

The exuberance of the youngsters continued throughout the Party. An egg gathering contest was then conducted by age groups. The youngsters were instructed to gather all the chocolate eggs they could with the hope of picking up a specially marked "winner" egg. Smiles of delight appeared on the faces of the following 36 little folk:

- Rick Salerno, 5; George Norberg, 3; Mike Urban, 5; Laura Nitri, 3; Glenn Bianchi, 5; Mike Fritze, 4; Nancy Ignatius, 5; Brigit Walsh, 3; Linda Thomas, 5; Julianna Jajkowski, 7; Charles Norman, 8; Conrad Musleh, 8; Linda Friederich, 8; Sue Finkler, 8; Jeff Kroil, 8; Lisa Rogus, 8; Kevin McKervey, 8; Ann Marie Schlegel, 6; Julia Miller, 10; Brian Douglas, 8; Jack Ferrari, 9; Terry Byrne, 8; Joe Mahoney, 8; Janet Sineni, 11; Craig Bianchi; Laura Schoos, 9; Jerry Petersen, 13; Ann Marie Falbo, 10; Jack Walsh, 9; Sue Farber, 12; Tom Byrne, 13.

The youngsters received packages games as prizes.

The winners of the special contest "Make Your Own Easter Bonnet" were announced at the Party. About 40 youngsters created distinctive homemade hats. Arriving at a decision of which hats were most original, creative, and neat, was not easy for the judges as all the hats were very unique. After much pondering and discussion, the following decisions were made: The winners in the 4-6 year old category were: Tom Constantine, 6; Dawn Fritz, 6; Dan Parker, 5; Tim Woloszyn, 5.

The 7-9 year old winners included: Suzanne Sinacore, 9; Kenny Reeve, 7; Dawn Jensen, 9; Mary Constantine, 7.

Not many entries were made in the 10-13 year old category, thus the only winner was Mary Jo Lemanski, 11.

MG Park Theatre Plan Spring Show

The Morton Grove Park Theatre promised two shows for their Spring Program, and with Ethel Libkin's production of the "Fantasticks" already completed, rehearsal for "Barefoot in the Park" is well underway.

"The Fantasticks" which was presented in mid-March at the National Park Fieldhouse proved to be an event to remember for both artistic and financial reasons. The group being of such high caliber was asked to give a command performance of "The Fantasticks" at the Park Ridge Country Club.

Financially speaking the show was the most successful event in the history of Morton Grove Park Theatre Spring Program.

Spart Rosen, who has worked with Ethel Libkin for 6 years, will show his ability as director in "Barefoot in the Park". The show should prove to be of the same high caliber as all Morton Grove Park Theatre productions.

"Barefoot in the Park" will be performed at the National Park Fieldhouse, 9325 Maron, Morton Grove.

Showtime—April 23, 24, and 25 at 8 p.m. Since there are only 3 productions it would be wise to place tickets orders early by calling 965-1200. Tickets are \$2 for adults and \$1.50 for students through college.

Golf Mill Junior Art Fair

As a community service the Golf Mill Shopping Center will present its third annual Junior Art Fair on Saturday, June 5.

All area high school students are invited to exhibit their work in oils, water colors or sculpture. Award ribbons will be presented for first, second and third place in each category for outstanding work. In addition, the most coveted honor of all, a special ribbon for "Best of Show" will be awarded for the finest over all entry. Judging will be performed by leading art authorities.

The young artists will be in the Golf Mill malls from 10 a.m. to 5:30 p.m. to discuss and sell their work if they so desire.

"The merchants are enthusiastic about encouraging our young people in the arts." Mrs. Jane Brenner, Golf Mill Merchants Association promotion director reported, "So often high schoolers receive negative publicity. Those — the great majority — who are spending their time constructively are too seldom honored. Talent begins early in life, and the adult community needs to support and stimulate it in every way possible."

Any high school student wishing to enter, whether or not he is enrolled in an art class, should apply to the Golf Mill Merchants Association, 308 Golf Mill Professional Building, Niles, Illinois 60648 before May 17. There is no entry fee. The student should give his name, address, phone, school, year in school and type of art to be exhibited, i.e. oil, water color or sculpture.

Mrs. Georgia Collett of Glenview, chairman of the event, predicts a strong response. "The first Junior Art Fair was very well received. And last year was even better. Now that the Fair is better known we anticipate still more participants, both artists and art lovers. It is fascinating to study what these young people are doing. It's almost like looking into a crystal ball and seeing the art of tomorrow." Mrs. Collett said. The showing will be in the malls at the Golf Mill Shopping Center at Golf rd. and Milwaukee ave. in Niles.

docs there's always been sort of a tacit agreement the game is played above board according to the rules.

The publishing of the misleading brochure, AFTER all newspapers had been published, preventing them from refuting the distortion, ain't exactly cricket; While the guys on the ticket will cop out by saying they knew nothing about the tactic we can only focus a journalistic evil eye on these guys and place a curse on their political house.

We could re-produce this next paragraph after each election.

The poor turn-out of the masses makes the more cynical say: "The people are not deserving of the candidates they have represent them." Two weeks ago in school district 63 the winning candidate received 350 votes. Considering there are approximately 20,000 votes in the district the paltry number of voters manifests a great apathy. Yet, residents are always bemoaning their high tax

vote ever received by an independent candidate, exceeding the 1,000 vote total Ken Scheel received in 1959.

While the Harczak-Marcheschi combination was a great one-two punch on any ticket, the Blase-supported ticket received much help from the many precinct workers who aid the Mayor in his campaigns. Combining this well-oiled political machine with two top names in the village on one ticket, was a powerful combination, which defeated the less-organized and less-known second ticket.

In the park board race incumbent Jerry Sullivan topped the second victorious candidate, Bill Keener by 800 votes. Keener and former park commissioner Steve Chamerski ran a close race most of the evening in their bid to defeat incumbent Ray Egan. Keener's 400 vote lead over Chamerski was decisive until the last few precincts were recorded.

The Keener victory was quite decisive all over the village. He defeated Egan by a 19 to 5 margin with one precinct tied and topped Chamerski by 20 to 6 in the precincts, Sullivan, was a run-away victor in all precincts.

When they can have a direct voice in matters concerning their own pocketbook, they're too damn lazy to trudge to the polls.

When we see and hear the teens protesting, and when we see the adults treat the vote with such indifference, we wonder if the younger generation's view of us oldsters isn't without merit. While that's an easy tack to take, in the last national election even the youngsters stayed away from the polls in the same droves reserved for their elders.

Some weeks back we moderated a meeting which included more than 20 candidates from different school, park and village districts, including the candidates, their spouses and campaign managers, the total in attendance was about 45 people. We were disappointed since the hosting groups included 3 homeowners groups at the north end of Niles, which represented perhaps 2,500 people, all of whom were contacted. Since we missed the final Bulls basketball game we had tickets for we told the hostess at the meeting, "Next time, don't call us, we'll call you." I hope she's not waiting by the telephone.

Schreiner Gym Dedication Sunday

Mr. and Mrs. Louis Schreiner will be honored guests at the ceremony. Serving as a Commissioner of the Park District Board from 1957 to 1969 and as Board President for 3 terms, Mr. Schreiner was responsible for the Park District's

growth in the areas of programs, facilities, and park site development. He will long be remembered for his efforts in making the 1968 referendum a success.

Other dignitaries attending the dedication will include Park Officials and Staff, Village Officials, Church Leaders, and Representatives of various Civic and Local groups in Niles. The program will include a brief official dedication program, a tour of the facility, and refreshments.

Legion Public Initiation Sunday

The Morton Grove American Legion Post #134 will hold a double event day this Sunday, April 25. Sr. Vice Cmdr. Bill Cunnally will hold the annual Public Initiation of new members that day, a short ceremony inducting all new members who joined the Post since last year.

A ritual team perform the ceremony, telling the inductees about the principles of justice, freedom and democracy, the concepts of the American Legion.

Coupled with these services as they have been in the past, will be the Post's yearly Awards Presentations. Legionnaires

and members of the community will be singled out for their outstanding service and recognition paid to them.

Past commander Jerry De Bertler, Awards Chairman, is directing that portion of the program.

In addition, a free real Italian mostaccioli dinner is to be served at 5 p.m. During the dinner hour, Jo Ann Karl will entertain at the organ. She has appeared at the Legion previously.

As if this gala day wasn't fun-filled and full up to this point, Cunnally has also announced a combo will play from 8 - 10 for the dancing pleasure.
