"This was the week that was" for three of the big boys in Niles, Louis Steinberg and Frank Baum, owners of the discount store at Oakton and Milwaukee, were indicted Friday by a federal grand jury for a check-juggling scheme that caused a \$6.7 million loss to the Cosmopolitan National Bank of Chicago. As of Tuesday morning Steinberg was reported to be in Europe and the government is studying ways to have him returned to the U.S.

Monday, Robert Krilich, developer of the Lawrencewood Shopping Center, the townhouse area behind it, and the Greenwood Estates area, was convicted of 2 counts of income tax fraud. Krilich was charged with evading \$66,879 in taxes in 1963 on an unreported income of \$149,223. He was also accused of understating a long-term capital gain by \$295,000. According to Krilich's attorney errors were made because the regular accountant was in Europe.

Among the more common folk, Niles Woman's Club desires to publicly locate a glass recycling container for glass storage, similar to the newspaper storage bin which is in the Niles Community church parking lot. They were turned down at the Niles village hall and turned to the Niles Park Board for help. Mandy Honold, representing the WC, requested the bin be placed in the park area where the swimming pool is located on Milwaukee ave. Park Board members said they'd study the matter.

While we can stand nose to nose with most people in the community we become downright cowardly when it comes to women's groups. Nevertheless, we believe placing an open glass bin in an area where many hundreds of children congregate doesn't make much sense. Mrs. Honold said the children would certainly co-operate in such a venture implying their interest in ecology would insure this.

In Des Plaines the glass receptacle is in the rear of the village hall fronting on a street east of the building. It would certainly seem Niles could find a similar location for the bin.

While we joke about taking on woman's groups it was an innocuous comment made here about 12

Caution Nilesites to "Beware"

Spring is a wonderful time of the year. The grass turns green. The buds are blooming and the trees are springing to life. It's a wonderful feeling as we leave the cold slumber of winter for the warmth of summer. However, Spring is also the beginning of the "huckster" selling season. More acts of consumer fraud are committed against the unwary during Spring than any other time of the year.

The door-to-door salesman blooms like the leaves on a tree, and like the leaves on a tree, he comes in all sizes and shapes. The Niles Consumer Fraud office recommends that you watch out for the following types of "huckster" who prey on the unwary.

The blacktop salesman who

4 Village Annexations Attacked as Illegal

NILES SUED BY NO. MAINE

Four annexations of territory by the Village were attacked as illegal in a petition filed in the Circuit Court of Cook County on April 26 by North Maine Fire Protection District.

Involved in the proceedings are the "Emerson Street Corridor" annexation, the Dempster Plaza Shopping Center, and a 42-acre area of residential homes, all of which were taken by Niles last year.

The fourth annexation under attack is a strip of Maryhill Cemetery property taken by Niles in 1966 without giving the North Maine Fire Protection District the proper notice as required by law.

The fire district's petition charges that the "Emerson Corridor" annexation lacked the necessary signatures of electors residing in the territory and did not have a substantial common boundary with the Village of Niles. The shopping center annexation is also alleged to be void for lack of contiguity.

The 42-acre area, lying east of Dempster st., was taken over by Niles despite objections by residents under a law permitting involuntary annexation of surrounding territory containing less than 60 acres.

The petition of the fire district claims that this involuntary annexation is void because it is dependent upon the validity of the acquisition of the Maryhill Cemetery property in 1966 and the Dempster Plaza Shopping Center, both of which annexations the North Maine Fire Protection District maintains are null and void.

The Village of Niles was ordered by Judge Edward J. Egan of the Circuit Court to answer the petition in fourteen days, and set the case for hearing on May 25, 1971.

What Do You Know About Tornadoes?

Do you know what kind of weather causes tornadoes? Do you know what to do if you're caught in such a condition? Here are a few helpful hints on preparing yourself to face the emergency of this type of natural disaster.

Knowing what causes a tornado may prove to be of great value to the citizen that is confronted by a quick decision to make at that time.

If you are at HOME: As most of the storms travel in a southwest to northeast direction the most safe position in your home is the southwest corner of your basement. This is the safest because of the direction of the storm. All the debris will be blown to the northeast and the safest place is out of the range of falling debris.

When the TORNADO WARNING is sounded, a person should take cover in a basement against the wall closest to the approaching storm. If no basement is available, the person should get against the wall on the first floor of a building.

If a person is in open country he should try to get out of the tornado's way and if that is impossible, to lie down in a ditch or depression at RIGHT ANGLES to the approaching storm. EVERYONE SHOULD KNOW THESE PRECAUTIONS AND FOLLOW THEM. You must be ready to do this immediately in the event of a Tornado. And PLEASE PAY ATTENTION TO THE BROADCAST WARNINGS!

We don't issue warnings for the fun of it. A warning is really a forecast based on positive indications that a severe storm exists.

REMEMBER THE SIGNALS ARE:
"TORNADO WATCH" - A radio message to inform you of

the possibility of a tornado in the area and information to WATCH for this possible storm.

"TORNADO WARNING" - A siren blast of the alert type or a radio message to inform you of the fact a tornado is actually approaching or is in your area and to TAKE COVER AT ONCE.

A few definite facts have been ascertained:

1. Most storms travel in a straight line.
2. The storms have all traveled southwest to northeast.
3. While the storms have occurred in various sections of the Chicago area, all of them have traveled along parallel paths.
4. All the sightings so far do show their true path to be from an approximate azimuth of 259 degrees toward an azimuth of 79 degrees with respect to due north. That is from 11 degrees south of due west to 11 degrees north of due east. Thus, the true path of those storms does not appear to be at the 45 degree angle as pictured by most people.

BE PREPARED - "THE LIFE YOU SAVE MAY BE YOUR OWN."

Niles Truck Stickers

Frank C. Wagner, Jr., reminds Niles residents who own trucks that the Niles Truck Stickers will be expiring on June 30, 1971. The 1971-1972 Stickers will be due on the trucks July 1 and will be sold at the Administration Department, 7601 Milwaukee ave., starting June 1, 1971.

Combine Efforts

The Woman's club of Niles, a member of the 10th Dist. I.F.W.C., is presently combining their efforts with the Lions club of Niles in getting plans together for the new endeavor of a new Art Museum and Historical building. Pictured are Todd Bavaro of the Lions club and Mrs. Karl Honold, president of the Woman's club of Niles who originated the plans for the Museum. The Woman's club of Niles has undertaken various projects to raise monies for their big dream and started spearheading toward this by sponsoring the first Hobby, Flea Market along with an Antique show last month, have conducted a glass drop off trailer, and are presently on the production of the musical comedy called "The Merry Widow" which will be presented on May 20, 21, and 22. All these profits are being applied toward the building fund. Recently the Art Guild of Niles has joined forces to also make history and anyone party or parties interested in our endeavor please contact Mrs. Mandy Honold at 647-8779.

The trailer is remaining parked in front of Mrs. Honold's home and anyone wishing to drop off their glass containers minus the labels and hardware may do so by going to 6649 Harts rd., Niles.

Upcoming Legion Events

Many activities have been taking place at the Morton Grove American Legion Post #134, and many more are still on the schedule for the future. Post Commander Ray Harris would like the community to remember these special dates upcoming:

Memorial Day will be celebrated with a huge parade as is traditional with the Post on Sunday, May 30.

The week before, on May 20, poppies will be in full bloom in the village as Legionnaires will be stationed at shopping centers, restaurants, intersections and other strategic spots in the village with these beautiful flowers made by disabled and hospitalized veterans.

The Legion continues their weekly fish fries every Friday at the Post Home from 6-8 p.m. and for members, Harris reminds them the public initiation of their Post #134 new members will take place Sunday, April 25. Also Stan, the Man will entertain Friday, April 16 in the Post #134 upstairs lounge. His accordion music is sure to please Legionnaires and their guests.

The Post recently purchased new tables for the hall and this is a welcome addition. Rifle Squad Howard Karsten whose boys assisted at last week's Easter egg hunt co-sponsored by the Post and the Morton Grove Days Committee, was host recently for a closed party for the group and their wives. This is the annual custom of the Rifle Squad of treating their favorite girls to a social evening after a hard year of activities. The Squad march in parades, participate in carnivals, post colors at meetings, stand honor guard duty at their comrades' wakes and take part in burial services for members.

Science Fair Participant

Joan Burton, daughter of Mr. and Mrs. Richard E. Burton, 8353 N. Odell ave., Niles, a junior student at St. Louise de Marillac High school has been selected as a participant in the National Science Foundation - Student Science Training Program in Chemistry at

Northern Illinois university from June 14 to Aug. 21, 1971. Twenty-eight students were selected from the applicants who were required to have an A standing in both chemistry and mathematics and a rank of 95% or above in Math on their P.S.A.T. test with an IQ equal

to or greater than 120. Each student will be assigned to a graduate research group consisting of a professor and graduate students. After a short indoctrinary period, students will assume responsibility for a research project related to the overall group effort.

Honored

MR. CHUCK MORRIS (R.), CHAIRMAN OF THE NILES YOUTH COMMISSION, HAS BEEN HONORED BY JOURNAL-NEWS PUBLICATIONS, DES PLAINES, AS "MAY'S PERSONALITY OF THE MONTH." IN CONJUNCTION WITH THIS MONTHLY AWARD PROGRAM, MR. MORRIS WAS RECENTLY INTERVIEWED ON THE JOHN LA VALLE RADIO AWARDS SHOWCASE PRESENTED ON WEAW RADIO EVANSTON, SATURDAY MAY 1st AT 10:45 A.M.

Maine East Fashion Show

Julianne Millar (r.), student director of Maine Township High School East's 1971 fashion show, and Barbara Norman add a few finishing touches to Susan August's originally designed chiffon prom formal, one of the many garments that will be modeled in the show. The theme of the show is "From Time to Time" and features student made outfits to fit all occasions. Doors to the student cafeteria will open at 8 p.m. Wednesday, May 12.

On Wednesday, May 12, the Home Economics department at Maine Township High School East will present its annual fashion show tailored to the theme of, "From Time to Time." Time becomes the binding force in the show as models parade in outfits designed for specific times of the day and seasons of the year. Styles from fashion trends in different years will also be modeled.

At 8 p.m. the specially constructed runways in the Maine East cafeteria will begin to carry the more than 70 girls who will model garments they have made - some very basic, others tailored, and still others originally designed by the students.

Julianne Millar (Park Ridge), student director, Patricia Landeck (Des Plaines), publicity chairman, and Patricia Dahl (Park Ridge), stage set and decorations chairman, are working together to co-ordinate the various activities necessary in presenting Maine East's 1971 fashion show. Juli invites all to come witness "the spectacle of time and fashion at no admission charge."

The Home Economics foods classes will prepare and serve refreshments to all those who attend.

Debate Team Wins Again

Niles North High school's debate team captured 11 team trophies as well as numerous individual awards from the 15 invitational tournaments the team participated in this year.

Members of the debate team at Niles North are juniors Carey Witkov, Steve Lazar, Allen Mott, David Weissman, Mike Kaufman, Pam Stoller and Barbara Schmidt, Morton Grove; sophomores Randy Deutsch, Morton Grove, Andra Gombert, Mary Schubert and Matt Meis; and freshman Joel Africk.

Honor Student

Ohio State university has issued its honor roll for the winter quarter, listing names of undergraduate students who achieved high academic averages for that period. Included was: Kenneth Taylor, Misenar,

YOUNG PEOPLE WE SALUTE YOU!

Juniors Go Oriental

The theme for this year's Junior Prom at Maine Township High School East is "Sakura." The prom is scheduled to take place at 8:30 Saturday, May 15.

Work has begun a month ago in preparation for the gala event. Committees have been working on such specifics as refreshments, entertainment, decorations, and publicity.

Cherry blossoms, decorative scenery, and effective lighting will create the atmosphere for the Japanese tea garden. Oriental snacks will be served.

This year's prom will be free. All Maine East juniors are invited to attend what should prove to be a very memorable activity.

Science - Math Fair Winners

Science & Math Fair winners: 1. to r.: 2nd prize - Alan Cohn and Bill Brown, Comparative Anatomy & Evolution. 1st prize - Charles Bryda, Practical Electricity. 3rd prize - Charles Dickson, Conic Sections.

The annual Gemini school, East Maine School District #63, Science and Math Fair, held April 21, was a colossal success.

The event was sponsored by the Gemini PTA and students entered projects in the following categories: Mathematics, Chemistry, Physics, Electricity, Botany, Zoology, Earth Science, Behavioral Science, Technology, and Model Making. 900 entries were submitted and 200 of these were on display in the cafeteria.

Special awards were given to the following students for the three outstanding projects: 1st prize went to Charles Bryda for his project on "Practical Electricity"; 2nd prize went to Alan Cohn and Bill Brown for their joint project on "Comparative Anatomy and Evolution"; and third prize went to Charles Dickson for his entry on "Conic Sections."

James Boesen, Principal, Harry Trumfo, Asst. Principal, and Gemini staff appreciated the enthusiasm shown on the part of the students, and special recognition was given to all the students who participated in the Fair.

RU Musicale Participant

A group of voice students at the Chicago Musical college of Roosevelt university who call themselves "The Philosophers" will perform in Ganz Hall Friday, May 7, at 8 p.m. A student, Michael Klostermann, 516 Oak, Niles, will participate.

Songs on the program range from Franz Schubert's "Holy, Holy, Holy" to Richard Rodgers' "You'll Never Walk Alone." The program is open to the public without charge.

Walk for Development Project '70

Although the walk for development will be Sunday, May 9, because the organizers of the hike are needed at check points, they chose to walk on Sunday, April 25.

Each organizer hiked the 30 miles carrying with them the food and supplies the walkers will receive from the check points on Sunday, May 9.

During their long march the hikers were inspired by the words of a former hunger hiker who said that she imagined that there was a starving child in her arms, and if she did not reach her destination, of walking 30 miles, the child would die. One of the hikers, Debbi Gorenstein, recalls, "After awhile we didn't feel the exhaustion. The only thing on our minds was finishing the hike. Nothing could stop us."

The knowledge that the money earned would help the Chicago area and all around the world kept them going commented one of the hikers.

For more information or if you wish to donate food or medical supplies, please call 673-7650.

The walk for Development will begin promptly at 8 a.m. on May 9 regardless of weather. Walker registration begins at Niles North parking lot at 6:30 a.m.

Dressing correctly can be the key to more miles. According to consulted doctors, one should bring an extra pair of socks and use a good foot powder in order to avoid excess moisture on the feet, which cause blisters. Sturdy tie shoes with arch supports are also recommended. Sandals and moccasins should not be worn.

For safety hikers should wear light colored clothes for visibility and a hat to prevent sun stroke. Also sun tan or preventive sun burn lotion should be carried along.

Voice of Democracy Contest

Niles VFW Post 7712 and Ladies Auxiliary were very impressed with the tapes entered in their Voice of Democracy Contest. Each participant gave a 3- to 5 minute speech, transcribed on magnetic tape, on the theme "Freedom - Our Heritage." Judging was based on content, originality and delivery.

First place winner was John C. McJannet of Notre Dame High school who was awarded a TV set (pictured above). Second place winner, also of Notre Dame, was Alan Brenner who was awarded a tape recorder. Also shown are (l. to r.) Oscar Meyer, past Voice of Democracy Chairman, Father Adamson of Notre Dame, and Cecile Penkala, Auxiliary Voice of Democracy Chairman.

Manaks Celebrate 25th Anniversary

Mr. and Mrs. James F. Manak of 7040 W. Madison st., Niles, were guests of honor at an intimate dinner held for them at the Millionaire's Club in Golf Mill on the occasion of their 25th Wedding Anniversary March 2. An anniversary mass was also held for them in the chapel of the Jesuits on the campus of Loyola university where their

daughter Connie is now completing her second year at the Lake Shore campus. Besides celebrating 25 years of "Wedded Bliss," Jim, in recognition of his 25 years in the employ of the Bell System, was awarded a gold wrist watch and gold belt buckle by his employers, the Teletype Corporation located on Touhy ave. in

Niles-Skokie.

A large number of Jim's friends were on hand to congratulate him for past service and wish him well for the future.

PTA Fashions

The last District 70 PTA meeting of the year will be held on Monday, May 10, at 8 p.m. at the Park View school. After a brief business meeting, the new officers for the coming year will be installed.

Spring Luncheon

The Niles Elementary School North and South PTA will hold their Spring Luncheon at the Millionaire's Club in Golf Mill on May 19, beginning at 12 Noon.

Tickets are \$5.00 a person and includes lunch and all liquid refreshments.

Honored guests will be Mrs. Zarnoti, librarian; Miss Krichke, first grade teacher; Mrs. Bacher, custodian; and Miss Davidson, home economic teacher. Tickets are available from any PTA Board member or by calling 966-9382.

Officers to be Installed

The Ladies Auxiliary of Niles VFW 7712 will hold their monthly meeting on Monday May 10 at 8 p.m. at Bunker Hill, 6635 Milwaukee ave.

The following new officers were elected for the coming year and will be installed on May 31; President, Mary Symer; Sr. Vice President, Virginia Klotz; Jr. Vice President, Adeline Wadas; Treasurer, LeVerne Kozak; Secretary, Martha Glavas; Chaplain, Barbara Callahan; Conductress, Theresa Fritze; Guard, Doris Walkerdorfer; and outgoing president Dorothy Fox was elected a Trustee.

The rest of the program will be turned over to Mary Simpson, who heads the Home Economics Department. Miss Simpson will then present the eighth grade girls modelling their own creations in the annual style show.

The theme of the show, which is Sphere Spanning Swinging Styles, suggests a wide variety of fashions for today's busy girl on the go. Highlighting the event will be the "super scene stealers" consisting of the little people we've all been so accustomed (and now look forward) to seeing each year. Mrs. Stanley Regula, outgoing President urges all to attend this very entertaining program.

Legion Past Presidents Meet

The bi-monthly luncheon meeting of the past presidents of the Morton Grove Unit #134 of the American Legion Auxiliary was held recently at Val's Restaurant. A St. Patrick's theme was used to salute the month of March.

A large group of the former leaders of the Auxiliary Unit turned out to enjoy lunch and a social afternoon. Games were played and beautiful prizes were part of the afternoon.

Mrs. Clarence Ross was hostess. A former president each session acts as the chairman to plan the day for her fellow past presidents. Mrs. Ross, 8519 School, serves the Unit this current year as Bowling Chairman; and she was their president for the 1956 term.

LETTERS TO THE EDITOR

Machine Politics in Niles

Mr. Dave Besser, Editor
The Niles Bugle
9042 N. Courtland
Niles, Illinois

Open Letter To Niles Citizens:

Hurrah! The All American City has decided in favor of machine politics as usual. Rather - a third of approximately 16,800 eligible voters so decided.

The machine, well oiled with power, money and patronage

workers will again run things as they see fit, with you, the citizen, having nothing to say as usual. Keep silent, you 11,000 voters and pleasant dreams! The machine thrives on your inactivity. And yet - how many times have you heard your grumbling displeasures with the "leader" and his "yes men" trustees. Apparently, unlike your founding forefathers, you like taxation without representation. Especially since you know that additional revenue

is realized from State Income Tax and Sales Tax, and these "yes men" still have the gall to say we must continue the utility tax, which other municipalities have abolished. Prior to the election when I attended the candidates meetings throughout the village, the unfair utility tax was brought into focus by the two independent candidates. In retaliation, the machine candidates replied that they felt it the most fair tax everybody pays. Which

men - industry, businesses, professionals, churches, the schools and even the hospitals. Here is their breakdown: 51% industry; 20% business; and the balance ... Mr. and Mrs. Niles citizen.

What they do not point out is that the manufacturer processes this tax into his product cost, and the consumer ... you.. pays it in the end. The retail business man figures this additional tax into his items, and the consumer ... you again ...

pays in the end. Even the Doctors and lawyers incorporate this tax into their fees. We are the ones that contribute to our churches and pay the school taxes, in order for them to meet the utility taxes imposed upon them. Take your phone bill as an example. Why should I have to pay 10% Federal Tax, and then the Village comes along and taxes me 3% more, and the Utilities charge me a nominal fee to compute this tax. Why can't the Village release to me the 20, 30 or 40 dollars in yearly taxes so I can help the schools and other tax agencies?

Keep in mind, also that when the school does ask for additional funds, they come to the public with a referendum and we have the privilege to vote for or against their proposed tax increase.

If there was no other alternative, then the utility tax is a must, but with the additional revenue now being received, perhaps their calculus is wanting.

It is a published fact that the village budget rose from \$2,500,000 to \$4,200,000. What improvements have you seen for this difference? We have always maintained an excellent police, works and fire department. We had the nucleus of this fourteen years ago when I moved into Niles.

A few elections ago, they promised better lighting for the ENTIRE village, Milwaukee ave. and Waukegan rd. are now lit, but what about the rest of the city - still as dark as ever! Has the taxpayer ever realized that the Village received a 5-1/2% increase for Chicago water, but - the Village in turn soaks us 15% more? (And the water fund is prospering tremendously).

Other villages receive trees for a small nominal fee, but we pay 20, 30 or 40 dollars, depending on the seedling we get. Sidewalks cost 50-50. Why, not 25-75?

So continue to keep silent you 11,000 voters who don't make the effort to walk to the nearest polling place. Or else, next time, take some interest in your Village. Speak out, and let the Village officials know how you feel!

Annual Appeal

All 11 Neighborhood Catholic churches will have a special collection next Sunday, May 9, for the Catholic Charities of the Archdiocese of Chicago to provide financial support for Charities' 91 vital services for men, women, and children - many of whom are from this area. Monsignor Vincent W. Cooke, administrator of Catholic Charities, and Donald W. Kent, executive director, remind us that Catholic Charities' services include homes for dependent children; homes for brain-damaged; emotionally disturbed, socially maladjusted and mentally retarded children and unwed mothers; settlements and day nurseries; training for the blind, deaf, and mentally retarded; homes for the aging as well as home nursing care and community services for the aging; services for families in distress, refugees and minorities; and counseling programs for the addicted, the disturbed, and others. The Mother's Day collection is the Charities' once a year appeal.

Maine East Debaters

Shown in front of Maine Township High School East's Debate trophy case are Bob Feldhake (l), Des Plaines, and Neil Blumenfeld, (r.) Morton Grove. The Maine East juniors are varsity debaters who, because of their record, qualified for the State Debate Tournament held in Bloomington, Illinois, last weekend. This was the first time in Maine East's history for debaters to achieve the honor of going to state. The team placed a respectable 8th in the state. Another team of Harvey Morris and Neil Gershon, both of Morton Grove, also had a winning record but failed to qualify for the tournament by a few points. Both teams have worked extremely hard this year under the fine coaching of Robert Swanson, East's head debate coach.

District 207 Financial Crisis

The serious financial crisis facing the Maine Township High Schools was the major point of discussion at the District 207 Board of Education meeting Monday evening, April 19, at Maine East High School. John L. Means, chairman of the Board's Finance Committee, read a statement on the worsening financial condition of the school district, and the necessity of asking the citizens of Maine Township for additional revenue to take care of school district expenses.

Although reluctant to do so, he said, the Board would need to go before the public with a referendum this Fall, asking for an increase in the educational fund and building fund tax levies. He indicated that the date of the referendum and the amount of the increase would be set within the next two months.

In speaking of District 207's accumulated deficit of over 3 million dollars forecast for this year, Mr. Means explained that much of it had accumulated in the past because of the increasing student population, with resulting increase in staff, supplies, equipment and plant. "Maine East, Maine South and Maine West High schools had to be greatly enlarged, and our fourth high school, Maine North,

was opened at a much higher cost than was anticipated," said Mr. Means. He added that another factor in the accumulation of the deficit was the extremely large amount of money that District 207 had to pay in tuition charge-backs for junior college students until District 535 came into being.

District 207 administrators, according to Mr. Means, will continue to meet with department heads and principals of the Maine high schools to find ways to conserve funds. "Changes are being made, and a great more will be made, to balance our staff needs in each area of our schools."

"However, in spite of all possible savings, in our long-range forecast on both the educational and building funds, we forecast trouble down the line. Recent court action may, indeed, bring us to our knees much sooner than anticipated. The Personal Property tax case could quickly put us on the border line of disaster. Our loss of over 50 million dollars in our tax base would take over a million dollars of income from our total budget. Besides this, there is the over-65 exemption credit matter. Just what effect this will have on us is hard for us to determine as yet, but certainly it will add to our financial problem."

Before setting any specific amount of increase in the tax levy, Mr. Means felt that the Board should want to see if any legislative action is taken on increasing the amount of state aid, and also should await developments on the Personal Property tax case and the over-65 exemptions.

He further recommended that the Board should have time to continue to search for, and to effect, further changes and savings in school operations before setting a definite date for a referendum. With this additional information, and knowing the outcome of legislative action, he felt the Board would then be better able to present a reasonable request in line with the projected needs of the district in order to continue its program of quality education for the students in Maine Township.

"How To Get It Published"

"How to get it published in the newspaper" - this can be learned by publicity chairmen when three suburban newspaper editors hold a special workshop, Thursday, May 13. The class will meet 7:30 to 9:30 p.m. in room 143 of Maine Township High School East, Dempster and Foster, Park Ridge.

Sponsored by the Maine Adult Evening school, the workshop will show why some photographs and stories never get in, and why others make page one.

Not only publicity chairmen, but authors of letters-to-the-editor, and those who simply want to have something constructive published, will find this single evening session informative and helpful.

The \$5 registration fee may be paid for at the door. For further information, call the Maine Adult Evening school, 696-3600.

Fortran and Accounting

Fortran IV and Accounting II open the first week in May as part of the Electronic Data Processing certificate program offered by the Maine Adult Evening school.

Fortran IV will meet from 7 - 10 p.m. two nights a week, Mondays and Thursdays, May 3 through Aug. 19. The class will be held in Room A117 at Maine Township High School South, Dee and Talcott, Park Ridge. The students will study the functions and capabilities of the IBM 360-25 computer, and will become familiar with some of the tools and raw material necessary for becoming a programmer. They will perform programming drills, exercises, and case studies which will bridge the gap from the theoretical to the real world of data processing. The 6-hour-per-week laboratory session will further reinforce basic principles by providing practical applications. This is the first of a series of computer languages taught in the program. COBOL, BAL and Assembly languages are studied in following courses. Dalward Debruzzi will instruct.

Accounting II, conducted by David Reedy, carries 3 semester hours from Chicago State college. It begins Tuesday, May 4, in room 236, Maine Township High School East, Dempster and Potter, Park Ridge. It will meet 6 to 10 p.m., Tuesdays, May 4 to Aug. 17. This lecture and practice course in Principles of Accounting covers: partnership and corporation accounting; payroll, departmental, and elementary manufacturing accounting; elementary ratios, funds statements, cash flow, and break-even analysis. Ransom Students Achieve Honors

The 1971 Chicago Catholic Region Science Exposition was held at DePaul university on April 17. Over 800 Science Projects were competing for 1st, 2nd and 3rd honors. Our Lady of Ransom had projects entered from the fields of Botany, Conservation, Mathematics, Microbiology, and Behavioral Science.

Richard Haas and Tom Werner won first place honors and will represent Our Lady of Ransom school at the State Science Fair at Urbana, Illinois. Loran Kobetz and Don Hoschett won Second Honors.

In addition, Tom Werner received the Air Force Award for his science project, "How to Kill a Lake Without Trying, or the Effects of Detergent Phosphates on the Growth of Spirogyra."

The Seventh Annual Spelling Bee sponsored by the North American Martyrs Council, Knights of Columbus, no. 4338, was held at Our Lady of Ransom school, the defending champions, on Saturday, April 24, at 10:30 a.m.

Mr. E. Burton, assisted by Mr. Ptak, moderated the contest. They are both past Grand Knights. Also present was Mr. Quedens, present Grand Knight. Teams of five eighth grade students from St. Isaac Jogues, St. John Brebeuf, and Our Lady of Ransom competed for a team trophy as well as first and second individual honors.

For the second consecutive year, Our Lady of Ransom won all three honors. To Tom Werner goes the \$50 savings bond as top speller, and to Katherine Kowalczyk, the \$25 bond as runner-up. The accumulated efforts of the Our Lady of Ransom team consisting of Tom Werner, Katherine Kowalczyk, Bob Griesser, John McMahon, Maureen Ball and alternate, Don Hoschett, resulted in winning the team trophy.

gins at 8 p.m., Wednesday, May 12, in the auditorium of Maine Township High School East, Dempster and Potter, Park Ridge. Tickets will be available at the door the evening of the lecture. For further information call the Maine Adult Evening School, 696-3600.

SCHOOL NEWS

Apollo School Arts & Science Fair

Apollo school, East Maine School District #63, will be launching its first Arts and Science Fair on Wednesday, May 12, at 8 p.m.

This event is sponsored by the Apollo PTA, The Apollo PTA, Frank McGowan, Principal, Robert Jablon, Assistant Principal, and Staff anticipate an illuminating and entertaining evening and cordially invite all parents to the Fair. Students of Apollo school have been vigorously and enthusiastically active in developing their

projects for this evening. The Fair will have exhibitions in industrial arts, technical drawing, girl's P.E., boy's P.E., art, home economics, and science. The industrial arts department will have on display examples of projects accompanied by power equipment demonstrations. Technical drawing will include practice, architectural, and machine drawings. The boys and girls P.E. departments will demonstrate a few of the activities that are included in Apollo's P.E. program.

The boys will participate in a gymnastics and wrestling demonstration. Girls will perform modern dance and ball gymnastic routines. Boys and girls will square dance.

Art students will show their work in the art room. Drawing, sculpture, and texture designs will be exhibited. Portraits will be drawn at the Fair and hand made rugs displayed for all to see.

The home economics department will have cookies and candy prepared by the students in the foods center. In the sewing lab, there will be samples of students' achievements.

The Science Fair will have entries ranging from fossil collections to astronomy and from plant experiments to model engines. Students will be competing in three different categories - model building, collections, and controlled experiments. In all cases, accuracy and scientific procedure are the most important factors in evaluation of the projects.

Special commendation is given to Harold Kaufman, Science Teacher, Coordinator of the program and for the cooperation of the Apollo teaching staff.

Kindergarten Orientation

Washington school, East Maine School District #63, held a Kindergarten Orientation Program for incoming kindergarten students and their parents, on April 28.

The children were treated to a balloon and booklet about kindergarten activities. The two kindergarten teachers, Mrs. Charlotte Leclerc and Mrs. Elaine Granstrom, were instrumental in the planning of this enlightening program and booklet.

Parents of children entering kindergarten in September are also cordially invited by Milo Hellman, Principal, Mrs. Leclerc and Mrs. Granstrom, to attend kindergarten classrooms to observe the routine and activities of a kindergarten day on May 12, during the school day, 8:20 a.m. to 2:50 p.m.

Granted Fulbright Scholarship

John J. Clouser, principal at Maine Township High School East, congratulates one of his staff members, Robert O. Grotola (L) of the Language department, on his selection as one of 18 educators throughout the country chosen to study in Italy this summer. The Fulbright scholarship was made available through the International Educational and Cultural Exchange Program. It includes a six-week seminar to be held at the Facolta' di Magistero of the University of Rome and will consist of classes at three levels - discussion of teaching methods and materials, courses in modern Italian literature and history, a brief lecture series on art and contemporary affairs, and visits to places of cultural interest.

Grotola, a native of Chicago, lives with his wife and two children at 254 Cottonwood dr. in Elk Grove Village. He received his B.A. degree from Illinois Wesleyan university and was awarded the M.A. degree from the University of Missouri. Grotola has been teaching at Maine East for five years.

All scholarship winners must agree not to be accompanied by dependents for the duration of the seminar. The Fulbright scholar remarked, "Even though I must leave my family for the summer, I'm thrilled about receiving the scholarship since I have never been to Italy and I know the many wonderful opportunities available to me will enable me to teach my Italian students more efficiently and knowledgeably."

Dist. 63 Cultural Arts Festival

A "Cultural Arts Festival" extravaganza as a culmination of the year's program in East Maine School District #63, in Art, Music and Physical Education, will be presented on May 7, 7 p.m. at Gemini school, 8955 Greenwood ave., Niles.

The theme of this gala Festival is student involvement. Students and staff of District #63's elementary schools will present an insight into their creative activities planned for the evening.

An art exhibit is planned to show student work at all age levels in a variety of art media. Students will demonstrate throughout the evening, various art activities such as printmaking, stitchery, painting, design and construction.

The art exhibit, including murals and projects, will exemplify the interrelationship between the subject areas and art. Social studies and science exhibits vividly demonstrate a "beautiful way" to learn. Many teachers in the District encourage children to create their own books - writing, illustrating and binding. These, along with illustrated stories and poems, show how art and language activities complement one another.

Dist. 63 Board Meeting Cancelled

The Board of Education, School District #63, at its regularly scheduled meeting on Tuesday, April 27, unanimously passed a motion to amend its meeting schedule whereby the next Board Meeting of May 4 would be cancelled.

Melzer Fun Fair

A gala Fun Fair will be held at Melzer school, East Maine School District #63 on Saturday, May 8 from 11 a.m. to 3 p.m. Melzer school is located at 9400 N. Oriole, Morton Grove.

The Fun Fair will be in the all purpose room of the school. The Melzer PTA, Daniel Cunniff and staff cordially invite students and parents to attend this joyful event with games, refreshments and amusements for all ages.

Recently adopted by the Niles Township High School District 219 Board of Education was its annual schedule (tentative) of Board meetings. The meeting dates are listed below. Regular Board meetings are held, beginning at 8 p.m., in the Niles North High school library, 9800 Lawler ave., Skokie.

Dist. #63 Honors Gordon Kopald

The Board of Education, School District #63, at its regularly scheduled meeting on Tuesday, April 27, had William Guroinick, Board President, present on behalf of School District #63 Board of Education to retiring board member, Gordon Kopald, a commemorative plaque stating, "Be It Resolved For Helping the Educational Standards of Children, The People of District #63 are Deeply Grateful to Gordon E. 'Buddy' Kopald, Member Board of Education 1962-1971. President 1963-63, 1965-67."

Mr. Guroinick and Frank Dagne, Superintendent of Schools, were lavish in their praise of the constructive efforts of Mr. Kopald to make School District #63 a truly education model and to his dedication to a conviction of constantly striving to improve qualitatively the public education of children living in the district. With the acceptance of the plaque by Mr. Kopald, there was a standing ovation by the entire audience.

After the Board Meeting adjourned the audience was invited to share with the Board cake and coffee commemorating the occasion.

District #63 School Calendar 1971-72

Following is the East Maine School District #63 School Calendar for the 1971-72 school year. The first day of school for the students is Monday, Aug. 30, 1971, and school will be dismissed for the summer on June 16, 1972. The two major holidays, Christmas and Spring Vacation, have been coordinated on a township basis. The beginning and ending of school (although not identical) is closely coordinated with Maine Township High School District 207. This calendar was developed after careful analysis of the data received from parent and teacher survey forms.

'SRO 71' at Maine North

Area residents will have an opportunity to enjoy 30 entertaining student acts when Maine North introduces 'SRO 71' (Standing Room Only), a variety show, May 6, 7, and 8 at 8 p.m.

The theme of the first annual 'SRO' show at Maine North will be "We've Only Just Begun." The production is being sponsored by the school's Student Council.

Acts will range from traditional Barber Shop Quartets and Laurel and Hardy comedy skits to folk and Spanish guitar music.

"This is a variety show, not a talent show," Mr. Roger Kleinfeld, co-director of the production said. "The purpose is not to audition in front of the public, but to offer entertainment to the audience."

A 45 foot Viking ship, designed after Maine North's emblem, will serve as the setting for the show.

Clare Rinnac, freshman, will act as student director and Jill Greenwald, junior, will serve as V-Show committee chairman. Maine North faculty members involved with "SRO" include Mr. Roger Kleinfeld and Miss Dawn Plotter, Co-Directors; Miss Susan Tobiansky, Costumer; Mr. O.D. Premo, Band Director; and Mr. Jack Olander, Vocal Arranger.

General admission will be \$2 and tickets may be purchased at the door. The school is located at 9511 Harrison, Des Plaines, just east of the Tri-

SPORTING EVENTS

M.G. Youth "Fit"

Six Niles North High school students have established seven new school records in the American Association of Health, Physical Education and Recreation (AAHPER) Youth Fitness Test which was administered to all North boys last September. The test, which is taken during the first two weeks of each school year, consists of seven events: sit ups, pull ups, shuttle run, softball throw, standing long jump, 50-yard dash and 600-yard dash. Students compete on their own class level. Four sophomores broke existing school records in the freshman-division of the test. Steve Sosman set a new school record with 29 pull ups while David Bader set the standing long jump record with a jump of 9'3". Reid Romer, Morton Grove, and Ron Schaffel tied in the softball throw to set a new record of 298 feet. Seniors Alan Poznansky and Bob Powrozniak established 3 new records in the junior-senior division. Poznansky set a new record of 36 pull ups while Powrozniak broke two school records by running the 600-yard dash in 1:22 seconds and the shuttle run in 8.3 seconds. Freshman award winners are Scott Frumm and James Devine, M.G., pull ups; Paul Blakey and Dan Weldy, M.G., shuttle run;

Scott Serota and Larry Rosin, softball throw; Karminder Dhalwal and Mitch Zvolner, standing long jump; Karminder Dhalwal and Barry Gribow, 50-yard dash; and Steve Goebel, M.G., and Ed Jen, M.G., 600-yard dash.

Winners on the sophomore level are Steve Sosman and Gary Scholter, pull ups; Fred Amstater, M.G., and Ron Gray, shuttle run; David Bader and Reid Romer, M.G., standing long jump; Gary Rosenberg and Marc Weisberg, M.G., 50-yard dash; Reid Romer, M.G., and Ron Schaffel, M.G., softball throw; and Hank Daar and Marty Magda, 600-yard dash.

Junior winners are Dave Schwartz and Robert Wolflick, M.G., pull ups; Marty Schwartz and Mark Klesman, shuttle run; Mark Kotlick and Ralph Rieser, M.G., standing long jump; Dennis Friedrichs, M.G., and Dan Levenson, 50-yard dash; Matt Menze, M.G., and Dennis Cooper, softball throw; and Mike Steffek and Jerry Lelkin, 600-yard dash.

Top performers on the senior level are Alan Poznansky and Bill Tanker, M.G., pull ups; Bob Powrozniak and Bill Johnson, M.G., shuttle run; Mike Schwartz and Bill Johnson, M.G., standing long jump; Bob Powrozniak and Mark Katz, 50-yard dash; Rick Zindell and Dennis Malone, M.G., softball throw; and Bob Powrozniak and Roger Kuhnle, 600-yard dash.

WSC Competition

Maine East's Varsity Tennis Team was one and one in West Suburban Conference play last week. Powerful Hinsdale Central came calling on Tuesday, April 20 and left with a 5-0 decision over the Demons. In third singles, senior Calvin Hainzinger put up a valiant fight before losing 4-6, 6-3, 6-2 to Tom Tillson.

On Thursday, April 22, the Demons travelled to Proviso West and eked out a 3-2 decision over one of the weaker WSC teams. Although it was a dual meet victory, the match was disappointing in the loss of points in both doubles matches. This puts the team at a severe disadvantage in WSC standings as places are determined by total points. Another disappointment to the team this week was the loss of senior Dave Goldberg for an indefinite period due to illness.

On Saturday, the Blue and White placed third in a four team quadrangular meet at Wheeling finishing behind Hersey and Glenbrook North. Singles players Cal Hainzinger and Jeff Zimmerman won second places in second and third singles matches and teamed up to finish second in first doubles play.

AMUSEMENT GUIDE

Water Color Classes

Russ Flory winds up his 10 week watercolor course sponsored by the Morton Grove Art Guild. The classes met once a week at the Morton Grove Community Church.

Future classes are planned for the fall. They will include a watercolor class taught by Russ Flory as well as an acrylic class and a course in modern art. The Morton Grove Art Guild conducts the lowest cost art classes anywhere in the area.

Art Exhibitor

Key Groh is having a "One Man Show" of her beautiful oil paintings in the Niles Village Hall during the months of April and May.

Key attended oil classes at Maine East Evening School, studying with Edith Goodale for two terms. From there she took all painting classes at the Village Art School in Skokie for two years, and is currently studying with Julian Gilbert of the New Renaissance Gallery.

Key is a member of the Niles Art Guild and has served as Ways & Means Chairman and Membership Chairman.

Coin Show

Sunday, May 9, is the next date for the Chicago Coin Bourse at the Leaning Tower YMCA, 6300 W. Touhy ave. Hours are from 10 a.m. to 6 p.m.

Fifteen experts will have exhibits on display and will be available to appraise and identify any coins, medals, tokens or paper money presented.

Golf Jr. High Concert Tuesday 'Hello Dolly'

A bit of America in music will be presented in the 10th annual Spring concert at Golf Junior High school.

The performance by massed choruses and the school band will be Tuesday, May 11, at 8 p.m. in the school gym.

S.J.B. Hosts Piano Auditions

The world's largest piano playing auditions will be represented in the Niles area at St. John Brebeuf parish school for 8 days, starting Sunday, May 9.

Chorus members from Niles are Kathy Shock, Mindy Jankofsky, Marcia Gorov, Doreen Zachelmeyer, Lance Rubin, Andy Stein, Lorie Hefter, Andrea Jankofsky, Alyse Losser, Leslie Stein, Sherri Stein, Gayle Troop, Linda Gorov, Ellen Polan, Scott Wallach, Sandy Schaffel, Cindy Schwartz, Tracie Meyer, Karen Pilgelman, Eydie Bartenes, Sheryl Davis, Sharon Brandt, Mitchell Braidman, Rochelle Lebovitz.

The annual auditions are sponsored by the National Guild of Piano Teachers to stimulate interest in artistic piano playing with goals and awards for all levels of achievement—students, hobbyists and professionals.

Y.M.C.A. Antiques

129 students from St. John Brebeuf will be entering. St. Mary of the Wood students will also participate, as will pupils of some private music teachers.

"The Ultimate in Elegance" will be featured in the first semi-annual antiques show to be presented by the House of Williamsburg of LaGrange, at the Leaning Tower, 6300 W. Touhy ave., Niles, on May 7, 8, and 9.

The Guild, founded in 1929, annually awards prizes to more than 60,000 piano students who pass their audition in this event.

Thirty five professional antique dealers from 10 states have been selected by special invitation for this show on the basis of their reputation and the outstanding quality of their merchandise.

Judging the event at St. John will be June Oda, a graduate of De Paul university's School of Music. She has since attended workshops and master classes at Northwestern university, Sherwood Music school, Julliard School of Music, and the Prague Academy of Musical Art.

Each booth and each exhibitor will be screened prior to public viewing by a committee of experts to insure that only items of antique quality will be sold.

The Piano Teachers Guild is a non-profit organization dedicated to high standards in teaching and performance—and Niles' teachers and their students are prime examples of this dedication.

An Appraisal Booth open daily from 4-6 p.m. which will provide an opportunity for the public to bring in antiques for free identification and estimate of value will be available.

Other features include a Seminar on French Cameo Glass at 7 p.m., Friday, and a Lecture-Demonstration on European Art Pottery at 7 p.m., Saturday. Included in the collections on display will be a complete selection of signed bronzes by

Bonnie Bierman (Morton Grove) enacts the role of Mrs. Molloy in the Broadway musical comedy, "Hello Dolly." Arranging one of her many hats, Bonnie practices singing her solo, "Ribbons Down My Back." The popular musical will be presented by Maine Township High School East students at the school April 30, May 1, 7 and 8. More than 200 students are involved in the production.

Cast Party

The Jefferson Theatrical Society will hold their annual cast party on May 22 at Heuer's Restaurant in Rosemont.

The party is for all past and present cast and crew members of the J.T.S. Mr. Mel Cohn, 7917 N. Octavia, Niles, the present chairman of the J.T.S. will officially turn over his chairmanship to the newly elected 1971-72 General Management Committee.

For reservations or information call Mrs. Herb Liebsch, the Cast Party Chairman at 698-3462.

recognized artists such as Barye, Mene, etc. Antoine Barye sculptured the famous pair of lions that guard the steps leading to the entrance of the Chicago Art Institute. Also included will be an authenticated and documented collection of the earliest of Oriental objects of art and an early and complete collection of dolls by recognized French and German makers, as well as brilliant Period cut glass and many other special items.

The show will be held on Mother's Day week-end. Ornaments will be presented to the first 100 mothers each day and the 10 door prizes will be awarded to mothers. The show is open to the public for viewing and purchasing from 11 a.m. to 10 p.m., closing on Sunday at 6 p.m. The admission is \$1.50.

YOUR PARK DISTRICT Niles

Summer Day Camp

A new program has been added to the Niles Park District's Summer Activities. A day camp program for boys and girls age 7 through 12 will be conducted this summer at a local forest preserve.

Three - two week sessions will be held: June 28 - July 9, First Session; July 12 - July 23, Second Session; July 26 - Aug. 6, Third Session. The camp will meet on Monday through Friday. Chartered buses will pick up the youngsters beginning at 8:30 a.m. and will bring them back home by 4:15 p.m. Youngsters will be divided into groups by age and sex. Competent leadership will be provided.

Activities will be nature oriented including campcraft skills such as firebuilding, rope craft, compass reading, etc., nature study, Indian lore, hiking, nature crafts, woodland games and many more. Some program highlights include a weekly cookout (meals prepared by campers), weekly field trips to points of interest, and an evening Family council on the last day of camp.

The fee for a 2 week session is \$32.50 for Niles Park District Residents. Non-residents are required to pay a double fee (\$65.00). Youngsters may register for more than one session. The fee includes transportation, insurance, milk daily, a camp tee-shirt, craft projects, all field trips, and cook out meals.

Registration is now being accepted at the Park Office, 7877 Milwaukee ave. For further information call 967-6633.

Player limit is 15 in the high school league. No more than 1/5 of the players listed on the roster can live outside the Niles Park District. Fee for this league is \$80.00. Sponsors may be obtained.

Men past high school age may join the Senior Men's League, also a 16" slow pitch league. Player limit is 18 in the men's league. No more than 1/3 of the players listed on the roster can live outside the Niles Park District. Fee for this league is \$110.00. Sponsors may be obtained.

League games will be on Monday, Wednesday, or Friday. Teams will be scheduled at Notre Dame or Jozwiak Park on one or two evenings per week. We are limited to eight teams in each league. Register at 7877 Milwaukee ave. on a first come-first serve basis. You must pay your entrance fee when registering. For more information call 967-6633.

Softball

The Niles Park District is offering two evening softball leagues for your summer enjoyment.

High school boys interested in playing 16" slow pitch softball may join the Niles Park District Teen Softball League.

Girls Softball

This Spring the Niles Park District will conduct a softball clinic for girls ages 9 - 14 years of age. This clinic will be held at Nico Park (Keeney and New England) on Saturdays from 9 - 11 a.m. The clinic begins May 8 and ends June 5.

Harry Klocker, P.E., instructor at Oak school will conduct the class. A registration fee of \$2.00 will be charged for residents of the Niles Park District. Non-residents must pay double. Register at the Park Office, 7877 Milwaukee ave. or at the Grennan Heights gym, 8255 Oketo. For more information call 967-6633.

years ago which made us raise the white flag over our office. Both the Woman's Club and the Garden Club were holding meetings at one fieldhouse which in Niles was shared with youth groups. In our most inoffensive manner we suggested the ladies should go find another place to hold their meetings allowing the kids to use the recreational facility. Not too many days later the president of the WC confronted us and said she would have our newspaper boycotted. While we looked on in disbelief, remembering the Woman's Club had its birthpangs in our house, we knew the axiom that there's no greater fury than a woman's wrath wasn't quite accurate. We knew there's no greater

work is often shoddy and, occasionally, it is a racket with no work performed after payment is made. To avoid this, get several price quotations and compare the materials being used. Don't sign a contract the first time you meet the salesman, think about it.

Air conditioning, carpet cleaning, drapery cleaning, magazine sales and swimming pool installations are, among others, a few of the door-to-door products to be wary of. Talk it over before you sign on the dotted line. Any legitimate businessman does not object to your thinking about the contract.

The Niles Consumer Fraud office is here to serve you. Take advantage of it. If you have any questions, or are in need of information on a particular firm or business, call Frank C. Wagner, Jr. at 647-8433. The Consumer Fraud office is open every Saturday from 9 a.m. until noon. It is located in the Police Building at 7200 Waukegan rd.

During the same four-week period freshman and sophomore students (and 8th grade graduates) can increase their comprehension and speed, gain more effective study skills, and grow in vocabulary by taking the regular Reading Development course which will be held from 10:05 to 12:10.

To register for either course, call 825-4484 and ask for the Summer School office or register in person with Mrs. Parker in the Guidance Center.
