NILES DAYS FESTIVITIES BEGIN ON WEDNESDAY

On the Other Hand

By Diane Miller

While our illustrious editor and "chief" is out in California checking on the genius of a man called Disney and gathering a few meanderings for future columns, we thought we'd meander a little on people and events in our area.

While it is well known that the Indians have set up camp in Des Plaines, a few renegades invaded Niles for a while last week. Our family was awakened around midnite by a doorbell which rang so incessantly that we couldn't tell if it was the front or back door. After running around frantically searching for robes, etc. we all stood in the middle of the house trying to decide which way to go.

Upon turning on the front porch light, we saw a young man still leaning on the doorbell with his face looking downward and when we opened the door, he promptly looked up and we were quite amazed to see an Indian lad about 21 or 22 years of age. He appeared to be suffering from the effects of too much "firewater" and told us "I am a peace loving pure blood American Indian and I need help." He wavered unsteadily as he leaned against the railing on the front porch and since we were not really sure of his condition, we felt a call to the Niles police would be the best thing we could do for him at the time. The police arrived shortly after our call and after checking the lad over, took him to the station to sleep off the effects of his evening of fun.

After the police left, we found it quite hard to settle down and so engaged in a conversation about the Indians and their plight. It is a pity that these poor human beings have not been given their "civil rights" which they so justly deserve and have been treated so poorly by both the Federal and State governments. They certainly deserve prime consideration since this land was their land before it was our land.

* * * * *

We all have the spirit of adventure instilled in us and while we often think of faraway places and wild things we'd like to try, our ideas seldom get beyond the thinking stage. Well one Morton Groveite, Curt Swanson had a "dream" and is now in the process of making this dream materialize. Curt who is Explorer Advisor of Scout Explorer Post 73 from St. Isaac Jogues Church in Niles had the idea that a trip to Alaska would be quite an adventure for some of his explorers and when he found the boys were as enthusiastic as he was about the trip, they all began working toward raising funds to finance such a venture. There were spaghetti dinners, bake sales, etc. and finally enough money was raised to make the trip a reality. The boys Jamie Zimniewicz, Jeff Leazer, Greg Leazer, Wallace Tuten, Scott Swanson, Dean Jahnke, Bill Kica and Tom Haynes together with Curt and Tom Zimniewicz, institutional representative for Post 73 left June 26 with their destination being Fairbanks, Alaska. They

Garden Club to Present Flower Arranging

The Garden club of Illinois Garden center – Niles will present "Year Around Arrangements from Your Garden" by Mrs. Emil C. Walker, Jr. of Woodstock, at the Golf Mill theatre, 9210 Milwaukee ave., Niles on Friday, July 23, at 10 a.m.

Mrs. Walker, member of Countryside Garden club of Crystal Lake, nationally accredited master flower show judge, nationally accredited landscape critic, Illinois honor roll judge, teacher of flower arrangement and horticulture, plain-dirt-gardener for 20 years, member of American Rock Garden society, North American Lily society and Chicago Horticultural society, and chairman of the 1971 Chicago Flower show, will make many arrangements using all plant material grown in her garden showing how to use, treat and preserve your material. These programs are free to the public.

Fun for the whole family will be the bill of fare as Niles Days 1971 gets underway on Wednesday, July 21 and lasts through Sunday, July 25.

The five day annual carnival will be held at the Lawrencewood Shopping Center (Waukegan and Oakton) and will feature approximately 14 rides plus numerous booths, refreshments and entertainment. Why not plan on having a "Family Nite" for there will be something for every age group.

Prizes will be awarded each night for the early birds such as: Wednesday, July 21¢ a colonial dinette set; Thursday, July 22 – a Cassette tape recorder; Friday, July 23 – a clock radio and Saturday, July 24 – a case of whiskey. The climax will be Sunday night, July 25 with some lucky person driving off in the 1971 Plymouth hardtop which features power steering, air conditioning, etc. This year will mark another first in that all winners of nightly prizes need not be present.

Mrs. Delores Johns, parade marshall reports plans are progressing for the parade which will kick-off from Notre Dame High School at 2 p.m. on Sunday, July 25. Since there is no official theme for this year's parade, it will be interesting to see imaginations in action. The Black Horse Troop of Medinah, various Armed Forces Bands, a Carousel, Scotch Bagpipers and a host of other units will be marching in the parade.

For the benefit of our new residents of Niles, Niles Days is sponsored by 33 local organizations who send representatives and they meet once a month. These individuals have devoted endless hours of their time and energy to make each year's affair a success. Through their efforts, plus the cooperation of all residents and friendly neighbors have provided a Fire Ambulance, a helping hand to the start of our Library, and assisted after it was built, and also to retarded children, Boy Scouts, Little League, as well as the various groupings of Baseball Teams, Senior Citizens, Village Flags, Niles Art Guild and many other worthwhile projects.

Resurrection Nursing Staff

Realignment of Resurrection hospital's Nursing Services Department has resulted in promotions and the filling of key positions for Sister Mary Evelyn, C.R. (l.), Mrs. Constance Smith, C.R. (center), and Sister Mary Florence, C.R. (r.). The department also promoted registered nurses Mrs. Lena Manley and Regina Gramza.

Realignment of nursing staff positions at Resurrection hospital has resulted in promotions and the filling of several key positions in the department of Nursing Services. Sister M. Gerard, C.R., Director of Nursing Services, recently announced the staff changes in her department as the hospital prepares for its expanded service.

Former Operating Room Head Nurse Regina Gramza will assume the duties of Coordinator of the Operating Room, Recovery Room, Emergency Room and the Out Patient Department. Miss Gramza has been on the hospital's staff for the past 18 years.

Replacing her as Operating Room Head Nurse is Mrs. Constance Smith, R.N. She joined the Resurrection hospital staff in March, 1970.

Mrs. Lena Manley, R.N., will join the P.M. Nursing Supervisory Staff. She came to Resurrection hospital in 1953 and has worked in the Coronary Care Unit since 1968.

Anticipating the need for expanded floor supervision when the new patient wing is completed later in the year, the director of Nursing Services has announced the assignment of Sister Mary Florence, C.R., as Supervisor for the fourth floor medical patients and Sister Mary Evelyn, C.R., as Supervisor for the second floor surgical patients.

The department anticipates new full-time staff positions will be added as the hospital nears completion of its expansion program later in the year.

LITTLE LEAGUE STANDINGS

NILES NATIONAL DIVISION MAJORS

It looks like a shootout at "O.K. Corral" for the Colts, Astros and Phillies as the Niles Little League National Division leaders took on all comers in the past week and came out without a loss.

The showdown battles will come in the final weeks. The Astros meet the Phillies this coming Saturday at Lawrencewood, then take on the Colts on Monday at Grennan. The Phillies play the Colts a week from Saturday, July 24, at Grennan in a game that may well determine the pennant winner on the next to the last day of the season.

The Standings through July 7	W-L-T
Colts	11-3-1
Phillies	10-4-1
Astros	10-4-1
Cardinals	8-7-0

Contenders Remaining Games:

Colts – July 17 with Pirates at Jozwiak; July 19 with Astros at Grennan; July 24 with Phillies at Grennan.

Phillies – July 17 with Astros at Lawrencewood; July 20 with Cubs at Grennan; July 24 with Colts at Grennan.

Astros – July 17 with Phillies at Lawrencewood; July 19 with Colts at Grennan; July 23 with Redlegs at Jozwiak.

Cardinals – July 15 with Pirates at Grennan; July 18 with Braves at Jozwiak; July 22 with Mets at Grennan; July 25 with Dodgers at Grennan.

The Week's Action:

The Colts barely hung onto first place as the upstart Mets battled them to a 5-all tie. The Mets jumped on Colt starter Dave Alibone for 4 runs in the first and added another in the third. Alibone helped bale himself out, however, with 2 triples sparking 3 run rallies in the first and 2 runs in the sixth.

The Colts bounced back with a convincing victory over the Giants as Alibone and Keith Mueller blanked them, 7 to 0, on a yield of just 3 hits.

The Phillies got magnificent pitching as they allowed opposition just 1 run and 3 hits total in their 2 victories. Joe Allegretti and Brian Ptasek held the Pirates to 2 singles in a 6 to 1 victory. Allegretti then came back with Brian Ptaszek to blank the Braves, 9 to 0, on a 1-hitter. Allegretti banged out 6 hits for the week, including a home run and a triple.

The Astros were hard pressed to keep pace with the leaders, but managed to come out on top in both their games.

Jerry O'Donnell and Robby Smith delivered key blows as the Astros barely edged the Cubs, 3 to 2. Bob Fergus and Pat Donahue held the Cubs to just 2 hits, but it took a key defensive play by O'Donnell to nip a Cub rummer at the plate late in the game to preserve the win.

Against the Cardinals, the Astros were down, 5 to 4, after 3 innings, but put 4 runs across in the 4th and held on to win. Pat Donahue, pitching brilliantly in relief, got the save, Ken Jensen got the win. 7 out of the Astros 8 hits were for extra bases. Ken Jensen got a double and triple; Bob Keener, Dave Styrcula, Mike Kroll and Tom Miller all slammed doubles.

Good base running by Dominick and McCarthy aided the scoring punch.

Legion Aids Fireworks Display

The Morton Grove American Legion Post #134 wishes to compliment the Morton Grove Days Committee on their fine 4th of July fireworks program which was held a day later unfortunately due to rainy weather. Erroneously it was published in some areas that the Legion actually sponsored this show and this was not the case.

Post #134 traditionally has financially aided the annual celebration, believing in the cause of a free event such as this. They have cooperated once again this year with a $500 donation. In addition the Post's Rifle Squad contributed an additional $50.

This yearly commemoration of the national holiday on a local basis is just one more example of the projects with which the local Legion involves themselves.

Avoid Rush For Birth Certificates

Edward J. Barrett, Cook County Clerk, requests all parents of children born in Cook County, who will register these children for school this fall to come in, or write to his Bureau of Vital Statistics, 130 Wells st., Chicago, in order to avoid the last minute rush for birth certificates.

Barrett said that if the parents cannot come in to the office, they can mail their request in.

Particulars, on written requests, should include the name of the child, date of birth, father's name, and the maiden name of the mother, as well as the name of the hospital where the child was born. Delivery by return mail, can be made in 48 hours.

Under the law, a fee of $2 is made for the search. No charge is made for the certificate. Money orders should be made out to: County Clerk Edward J. Barrett and mailed to him at the Bureau of Vital Statistics, 130 N. Wells st. Chicago Ill., 60606.

Students Study Cars Firsthand

Mrs. Cathy Chapman, teacher at Dist. #63 Washington school, decided to use race cars and a race to spur her 5th team reading students into better achievements.

As luck would have it one of her student's father is the chief mechanic for another Niles resident, Ed Hoffman, 8251 N. Orole, who drives in both USAC and short track stock car races.

As a wind-up for the year, Mr. Hoffman's mechanic, Mel Mueller, 8153 W. Lyons, Niles, brought the 1971 Camaro, #1, which has won 9 out of 10 races and placed 2nd in the 10th to school on May 21 so the students could see first hand how a real stock car was built and answer any questions they might have about the cars and racing in general.

Ed Hoffman, the owner and driver of the car, has been racing short track in the area for the last 5 years and set the track record at Soldiers Field in 1968. Last year as a rookie on the USAC circuit he did commendably well and hopes to do even better this year in his blue and white 1969 Chevelle.

They will be doing a lot of racing this year both at short track in the area (Lake Geneva, Wisc., and Illiana Speedway in Shearerville, Ind.) with the Camaro and with USAC with the Chevelle.

"Fiddler on the Roof"

Two Skokie residents have been selected to portray the impoverished milkman of Anatevka and his wife of 25 years in Morton Grove Music Theatre's production of "Fiddler on the Roof." Irwin Gothelf is Tevye, whose wife Golde will be played by Gerry Horwich.

Mr. Gothelf's face and form are well-known to community theatre-goers. A former B'nai Brith parody show actor, he went on to portray Mr. Pondue in "High Button Shoes," and Frankie in "Flower Drum Song," both the the Community Music Theatre. As the lead role of Pseudelous in "A Funny Thing Happened on the Way to the Forum," Mr. Gothelf amply displayed his natural wit. It bloomed fully when, as Sancho in Morton Grove Music Theatre's "Man of La Mancha," he gave a performance which received critical and public acclaim.

"Fiddler on the Roof" will be presented at Niles West auditorium on the weekends of Aug. 13 and 19. For tickets, call 965-1200.

Behr's performance gave Toriumi Insurance a 5 to 0 victory over Yorktown-Sertoma. Hitting for the winners were Bob Polizzi, who tripled; David Martina and Jim Meyer, who doubled, and Scott Meyer, who had two singles. While shut out at the plate, Yorktown-Sertoma managed to execute two double plays. Toriumi also collected another win in a 7 to 4 victory over George's Fix All 66. were traveling in a Dodge Van Sportswagon with a sign on the front of the van stating that they were "Alaska Bound."

The efficiency with which this trip was planned certainly will make it a memorable one for everyone concerned. After their itinerary was carefully laid out, letters were written to the Chamber of Commerces in many of the cities they were passing through telling them of their venture. Many of the replies they received were invitations to march in parades, or to be guests of the Chamber for dinner.

Each boy was insured for $10,000 for a period of 25 days in case of any mishap. One boy would call home every third night and the parents would then start a "round robin" notifying all of the other parents where the group was and how they were faring.

The group is camping out and cooking all their own meals with the exception of the gratis ones which they were offered. After they arrive in Fairbanks, they plan to take a plane to the Arctic circle. The entire trip will last three weeks and we are sure will be permanently embedded in the memories of these boys and their leaders.

tants and cleaning agents.

The Health Department urges citizens to follow these basic precautions:

1. Read and follow label instructions.
2. Keep containers closed and stored in a cool, dry, well ventilated place.
3. Use glass or metal cups for dispensing chemicals.
4. Do not pour water on chemicals - dry chemicals should be dissolved in water.
5. Measure out chemical in an open and clear area.
6. Wash away spilled chemical with plenty of water.
7. Rinse out empty containers before discarding.
8. Wash hands before and after using chemicals.
9. In the presence of concentrated gas formations and move into open air area - seek medical help for any person overcome with gas.

In respect to electrical hazards, the Health Department cautions against light installation directly over a pool and suggests that all appliances and electrical equipment be kept away from the pool area. This includes record players, TV, power mowers, radio, etc.

Concerts

The Golf Maine Park District proudly announces the fourth in its series of Summer Band Concerts. On Wednesday, July 21, from 7 to 8 p.m. the Maine North Summer Band will play a medley of light classical and show tunes, at Peoples Park, 9229 Emerson, Des Plaines.

The Arlington Park Theatre adjacent to the Arlington Park Towers opened July 1st with Joan Fontaine in the British comedy, "Relatively Speaking." Ian Martin who stepped in on short notice to replace Ray Milland in the cast as Miss Fontaine's husband carried the part very well and certainly came off better than anyone in the cast. The play itself, while mildly entertaining, never quite got off the ground, but local theatregoers will enjoy the plush new 775 seat theatre. The seating arrangement and acoustics are excellent and ticket prices range from $4.50 to $5.50.

After the play a cocktail party was held for the opening night guests and although meeting Miss Fontaine (who is a very attractive and stylish lady) was quite pleasant, we have to admit the thrill of the evening came when we met WGN's very talented Ray Rayner and his lovely wife. Most of our local teenage population have grown up with Bozo and Oliver O. Oliver (portrayed by Rayner) and The Ray Rayner Show each weekday morning at 7 a.m. can usually bring a smile to the face of this "early morning grouch" when he pantomines a hit song or uses 8 ounces of glue on a do-it-yourself project which normally would require 1 ounce.

Rayner certainly is a man of many faces and talents.

David B. Drake

Navy Petty Officer Third Class David B. Drake, husband of the former Miss Patricia J. Truesdale of 5929 Capulina ave., Morton Grove, Ill., has reported for duty aboard the fleet oiler USS Mississinewa at Newport, R.I.

Robert W. Dillon

Navy Airman Apprentice Robert W. Dillon, son of Mr. and Mrs. James E. Dillon of 9143 N. Austin ave., Morton Grove, was graduated from Naval Air Technical Training Center, Naval Air Station, Millington, Tenn.
