From the LEFT HAND

By David Besser
Editor & Publisher

We know big boys aren't supposed to cry but had we been capable of it we'd have dropped several tears at last Tuesday's Niles village board meeting.

Niles was about to accept the annexation of about 70 acres of land to the northwest which included all sorts of boondoggles for all sorts of guys.

Village officials could hardly wait until the dialogue ended so they'd okay the annexation which would mean from \$400,000 to \$750,000 annually for the village. School districts 63 and 207 representatives also said they had no objections to all the multiple buildings since they'd also be reaping a harvest of dollars for their dollar-starved districts.

The village would get "their's", the elementary district 63 would get "their's" and high school district 207 (Maine) would get "their's".

The attorney representing the developer was Louis Ancel, among the more successful attorneys. Obviously, representing such a huge project (an estimated \$67,000,000 in valuation) he also is going to get "his". And the developer, Suson, who has absolutely decimated the district by building multiples thruout the unincorporated area, is going to get "his", in great big fat green-back figures. So there it is. Everyone is going to get "their's".

After a couple of hours of expert testimony, and a minor bit of flak from the natives, who'll be overwhelmed by the new traffic and people problems there, a guy named Peterson, got up in the back of the room, and brought those tears to their borderline. He said he's new in the community, isn't familiar with the area, and he's depending on the officials to represent him. He said he lives near the proposed projects, he'll be the guy facing this sudden invasion of trucks, people, traffic and other problems, and he was asking the officials to help him. "We have our trust in you" he was pleading to the public men, and they sympathized and empathized, just as the applauding audience did. But the dollar signs were too overwhelming, and when the vote came it was unanimously approved.

What our guy Peterson did was ask the question which seems to be cropping up all over the landscape. Who speaks for the little guy? Who speaks for the people?

In the best seller, The Greening of America, it asks pretty much the same question. Are we being eaten up by the corporate state, by the industrial society we live in? Have we lost all sense of self? Is the individual going by the boards in our society?

What exasperated us was the twist of irony at the Board meeting. The developer, Suson, had come to Niles 10 or 11 years ago in pursuit of building multiple dwellings. Like Adlai Stevenson, he came with holes in his shoes (that's where the

Study Committee Opposes Recommendation, 3-2

TURN DOWN NILES PARK & VILLAGE MERGER

No Decision on \$250,000 Park Bonds

CARNIVAL

You are cordially invited to attend the 1971 City of Hope Carnival Sept. 8-10 from 6 p.m. to 10 p.m., Sept. 11-12 from 1 p.m. to 10 p.m. Located at the Steinberg-Baum Parking Lot Oakton & Milwaukee ave. Proceeds go for City of Hope Medical Research.

Park officials met Saturday afternoon with Bank president Richard Duca, Bank of Niles, regarding the \$250,000 bonds the park district is seeking.

No final decision has been made though the issue becomes increasingly complicated.

Park representatives believe the bank has made a definite commitment for the money. A verbal agreement was made according to park representatives, and it was witnessed by a member of a bonding house. Bank president Duca said reports from the park president and the park district that the district has financial problems dictates the bank study the problem before taking further action.

Village attorney Dick Troy presented an initial opinion which stated the village could not legally assume playground or recreational programs unless the park dissolved its district and the village took over park assets and brought them into the village district. This opinion was refuted by park district attorney Gabe Barra-fato and park board commissioner Jack Leske who pointed to the village of Skokie, which aids its park district.

The Troy opinion, which was presented at the initial meetings, actually ended any further pursuit of the matter. The original resolution, which created the committee, stated: "To probe financial assistance, acquisition, merger, consolidation, joint purchase and maintenance."

But since Troy stated such aid was illegal the only recommendation the committee voted on was the merger.

Chairman of the committee, Richard Duca, president of the Bank of Niles, repeatedly said the aim of the committee was to do what is best for the "citizens of Niles".

A report by village auditor Robert White was a major bone of contention at the meeting. It was White's opinion the inclusion of the park district into the village district would save \$85,000 to \$100,000 annually. Park Commissioner Jack Leske, chairman of its financial committee, said the figures were "heavy", and misrepresented the actual picture of the district. Leske said the figure was more likely \$19,000, actually ended any further

Services Held for Dr. Householder

Dr. Raymond Householder, 75 of 7002 Lexington L. Niles, chief surgeon for the Chicago, Milwaukee, St. Paul and Pacific Railroad Co. died Aug. 25 in Wesley Memorial Hospital, after a brief illness. He had maintained offices in that hospital and in Chicago Union Station for a number of years.

Dr. Householder first became affiliated with the Milwaukee Road in 1927 as assistant to chief surgeon. He was named Chief surgeon in 1952 and continued in that capacity until his death. He also served on the staff of Wesley Memorial Hospital.

He was born in Fairbury, Ill., on Jan. 19, 1896. He attended Illinois Wesleyan University and received his medical degree from Rush Medical College of the University of Chicago in 1922.

He is survived by his wife, Jean, and by three sons, Dr. James Householder, of Minneapolis, Minn.; Michael of Youngstown, Ohio; and Peter, of Niles, a daughter, Patricia, of Chicago, six grandchildren; and a brother, Clarence of Barneveld, N.Y.

Private funeral services for the family were held at the home.

Pesole Elected Maine Demo President

Peter Pesole, Political Director of C.O.P.E. (Committee on Political Education) for Illinois and Indiana, has been elected President of the newly re-organized Maine Township Regular Democratic Organization. Pesole, 8910 Merrill, Niles, also serves on the Village of Niles Board as Trustee. "It is an honor to serve alongside Committeeman Nicholas Blase as the first elected President of our new organizational structure. I believe this will open the party to all interested persons and provide us with more flexibility in continuing our drive to become the leading party in Maine Township. Committeeman Blase and I welcome the opportunity to better serve the community in a truly Democratic fashion," stated Pesole.

Elected to serve with Pesole are: Michael Lavin, Des Plaines, 1st Vice President (Chairman of the Ways and Means Committee); Dr. Tom Kogos, Niles, 2nd Vice President (Chairman of the Membership Committee); Mrs. Peggy Barry, Des Plaines, Treasurer; Mrs. Martin Ashman, Morton Grove, Recording Secretary; Mrs. Kenneth Lindquist, Des Plaines, Corresponding Secretary; Mrs. Homer Pawcort, Des Plaines, Sec. At Arms; and the Honorary position of Historian was awarded to Mr. John Byrne of Des Plaines.

The Maine Township Regular Democratic Organization has moved into its new headquarters at 8070 Milwaukee, Niles, and has full time personnel to answer questions and help any interested persons within the community.

Sam Bruno, Assistant Vice President of Marketing for Blue Cross and Blue Shield, has been elected Chairman of the Board of Directors and serves as 2nd Deputy Committeeman of the Democratic Organization. Elected Co-Chairman is Carmen Cassario, Morton Grove; Board Members are Mrs. Priscilla Berg, Des Plaines; Norman Dachman, Niles (Public Relations Director for the Organization); Alderman Thomas Kopple, Des Plaines; Kenneth Lindquist, Des Plaines; and Lawrence Wagner, Park Ridge.

Kenneth Cohen, Niles, was appointed 1st Deputy Committeeman of the organization and will serve in that capacity in the event of Committeeman Blase's absence. Appointed Administrative Assistants were Nick Constantino, James Puccio and Arthur LeTourneau. Mr. Puccio also serves as President of the Maine Township Young Democrats.

Consumer Protection Unit in GM

The Mobile Unit of Attorney General William J. Scott's Division of Consumer Fraud and Protection will be in the Golf Mill Shopping Center on Thursday and Friday, Sept. 2 and 3, from 10 a.m. to 5 p.m. It will be located near the fountain in the vicinity of Sears store.

The primary purpose of the Mobile Unit's visit is to acquaint the residents of the area, and the many shoppers who flock to the Golf Mill Shopping center, with the services performed by the Attorney General in the field of consumer protection. Golf Mill was selected because of its excellent facilities and its attractiveness to shoppers.

"By means of the literature we will distribute describing fraudulent practices we hope to alert the purchasing public to avoid becoming victims of glib salesmen who promise more than they can possibly deliver," declared Barbara Mitchell, Administrative Secretary of the Consumer Fraud and Protection Division, North Area Office.

"In these days of sky-high prices, everyone is anxious for a bargain," sympathized Mrs. Mitchell. "Yet, it is no bargain when the promised material purchased by mail or from a door-to-door salesman never arrives; the roof still leaks after workers went through the process of making 'repairs'; and the auto described as a 'steal' at a below-cost price with a so-called 'new car guarantee' stalls in the purchaser's driveway, despite repeated trips to the garage for repairs."

Even with the maximum of caution, under stress or persuasion anyone can become the victim of the small percentage of fraudulent operators. To

protect the purchasing public, the Consumer Fraud Act was passed by the Illinois State Legislature and signed into law in its original form in July of 1961. Since that time amendments to strengthen the law, both for the benefit of consumers and reliable businessmen, have been added.

To give the man or woman on the street, the information needed to avoid the pitfalls of fraudulent operations is the aim of Attorney General Scott's Mobile Unit. Questions relating to the Consumer Fraud Act will be welcomed. Specific problems, which normally require actual investigation, will be referred for action.

Cypress Chapter ORT

The open meeting of Cypress Chapter (Organization of Rehabilitation through Training) will take place on Wednesday, Sept. 8 at 6:15 p.m. The meetings this year are being held at the North Shore Rec. center at 8909 David pl., Des Plaines.

Our guest speaker for the evening will be Rabbi Karzen of the Maine Township Synagogue. He will speak about sex and marriage, and will also answer questions.

This being our first meeting gives us the opportunity to meet our president Linda Martin and our new officers for this year. Also you can learn the work of ORT, an organization which is the world's largest non-governmental vocational training agency. Its studies include the poverty-stricken inhabitants of underprivileged countries, refugees and immigrants seeking a new life, and youngsters trying to build a secure future.

LWV to Discuss Day Care Centers

Do we really care about our children? This question is at the heart of all the talk today concerning day care. Many people believe that if a mother places her child in such a facility she is ducking responsibility. Who really benefits from day care?

Under the leadership of Mayor Nicholas Blase, a day care center for Niles is under serious consideration. In an area such as this, is there any need for child care services?

Some of these provocative questions may be answered on Thurs., Sept. 9 at 12 noon at the Morton Grove Community Church, Lake and Austin, The League of Women Voters of Morton Grove-Niles has centered its fall kick-off luncheon around this theme. The speaker, Rachel Robbins of the HEW program popularly known as 4-C (Community Co-ordinated Child Care), will discuss the psychology of day care in ad-

dition to explaining the role of 4-C in helping communities establish and co-ordinate child care services.

Anyone interested is welcome to attend. Cost of the luncheon is \$1; baby-sitting is available for 75¢. For reservations call Mrs. Gerald Zwetz, 966-3648 by Sept. 6.

Auxiliary Participates in MG Carnival

The Morton Grove Auxiliary Unit #134 operated the Snoopy animal booth at the Morton Grove Days carnival. Chairing the committee for the Auxiliary for the 4 day event were Mrs. Anthony La Rosa and Mrs. Albert Nehart.

They report Mrs. Lois Miller drove a car during the huge Sunday parade which carried incoming president Mrs. Francis Selzer and retiring president Mrs. Herman Hack. The Rifle Squad of Post #134 also participated in the parade.

Helpers in the carnival booth in addition to Mrs. Miller, and Mrs. La Rosa, Mrs. Nehart and Mrs. Selzer were Mrs. Joseph Klemens, Mrs. William Cunnally, Mrs. James Campanella, Jim Campanella, Mrs. John Sepesy, Mrs. Fred Huscher, Mrs. Robert Perschon, Mrs. Ed Martin, Mrs. William Eaton, Mrs. Emil Gergitis, Mrs. George Abrams, Janice Abrams Mrs. James Quirk, Mrs. Dean Halling, Claude Martin, Mrs. Vincent Kopinski, Debbie La Rosa, Mrs. Ed Lange, Mrs. Ralph Hintz and Mrs. Howard Hoffman and Mrs. Charles Tegert.

Mrs. Campanella donated gum for those tiny winners who were not lucky enough to win a stuffed animal.

The Post itself and the Squad also each operated a booth at the Funtie Days event.

Foresters Aid Orphan

Representing the Independent Order of Foresters, Deputy Marie Kramer presents a check in the amount of \$180 to Donna Singleton, who now lives with her aunt in Tennessee. Miss Kramer drove from Chicago so that she would meet Donna's new parents and present the check personally. Sharing the joy in the happy occasion is Donna's guardian, Shirley Singleton.

In a cynical age, two year old Donna Singleton is one child who will grow up believing that there are some pretty wonderful people in this world.

Last January her entire family was killed in an automobile accident while driving from Tennessee to their home in Illinois. Her parents were Edsel and Alice Singleton of Elk Grove Village. Also killed in that accident were her brother, Michael, age 7 and her sisters, Sandra, 9 and Diana, 5.

Mr. Singleton was a member of the Independent Order of Foresters, a fraternal benefit society, which has several offices in the Chicago area, including the main office located at 261 Lawrencewood Shopping Center in Niles.

The society, which is non-sectarian and non-profit, has over a million members. It's history dates back several hundred years, but was founded in

Marine Cpl. Michael B. Holland, son of Mr. and Mrs. Elroy E. Holland of 7622 Church st., Morton Grove, Ill., has reported for duty with the First Marine Aircraft Wing at Iwakuni, Japan.

MTJC Sisterhood

Maine Township Jewish Congregation Sisterhood will be holding their membership meeting to kick off the new season Wednesday evening Sept. 8, at 8:30 p.m. at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, Ill.

Everybody is welcome. A lovely program has been planned and refreshments will be served. For further information call Lynne Safran 299-1860.

The new Sisterhood officers were installed at the culminating luncheon. They are as follows: President - Elaine Bloom; Ways & Means VP - Joan Levy and Myrna Pin; Membership VP - Lynne Safran; Cultural VP - Nan Friedlander; Program VP - Paula Stein; Financial Secretary - Barbara Sheer; Treasurer - Essie Lardsman; Recording Secretary - Jean Exel; Corresponding Secretary - Barbara Zinn; Merchandising - Anita Miller; Earning Fund Records - Yetta Caputo; Parliamentarian - Edith Goranson.

the United States in 1874. District manager George Skora, says that Donna is only one of many orphan children the Foresters have helped because her parents had the foresight to join the organization. Donna will never have to live in an orphanage because The Foresters will help her aunt take care of her by giving Donna \$60 per month until she reaches age six. At that time, she will start receiving \$90 per month, and that amount will increase to \$120 per month when she starts high school. The minimum amount of money that the I.O.F. will give her will be approximately \$18,000 plus a college scholarship grant of \$8,640. These amounts may be larger because the Foresters improve and increase their benefits from time to time at no increase in dues.

Besides the Orphan Benefit, the I.O.F. offers its members over twenty fraternal benefits, including the community for their aged members in the San Fernando Valley, Calif. This is the biggest, most beautiful and modern community of this type in the nation. At present the Foresters are building Foresters Haven #11, once a 53 acre site, near Disneyland in Florida.

Slim for Fall at the YMCA

A new weight reducing course for women will begin at the Leaning Tower YMCA, 6300 Touhy ave., in Niles, Thursday, Oct. 7 from 7 to 9 p.m., and Friday, Oct. 8 from 9:15 to 11:30 a.m. The program includes diets, nutrition, menu planning, low calorie recipes, relaxation, scientific massage, exercises, posture, makeup, wig techniques, hairstyling, wardrobe planning, plus many other things of interest to help complement the ladies new figures.

The program has helped over 43,000 women lose over 430,000 pounds. The group therapy program is for women who want to lose weight the easy correct way, and learn how to keep the pounds off, and will have fun while doing it.

To register, or obtain further information regarding the program, ladies may phone the YMCA at 667-8222. Baby sitting service will be offered on the Friday morning class.

Niles Children Sponsor Neighborhood Carnival

Patricia Kemp served as the artist drawing silhouettes of the carnival-goer's profiles. The inventive youths made badges out of the bottoms of coffee cans as prizes.

Proceeds from the carnival were used to purchase books, crayons and toys. They distributed the gifts to patients in Pediatrics at Resurrection Hospital. Sister Mary Imelda, C.R., Pediatrics Supervisor at the hospital, said the gifts will be available to young patients in the Pediatric Game Room. In recognition of the children's humanitarian effort, Sister Mary Imelda, representing Resurrection Hospital, awarded each child with a religious Miraculous Medal.

Patricia Kemp, 13; Marian Reid, 10; Fiona Reid, 7; Paul Brumbach, 10; and Ronnie Voss, 9. Steve's four-year-old brother Mark also assisted the group. A nickel admission was charged for the carnival, and over 35 children participated in the fun. Wet sponges were tossed at a clown standing behind a cardboard sign, balls were tossed into buckets similar to the ones on the "Bozo the Clown" television show, and

The creative efforts of seven Niles children have made the "summer of '71" a rewarding experience. By sponsoring a back yard carnival, the children were able to raise over \$10 worth of gifts for the Pediatrics Department of Resurrection Hospital.

The carnival was held in the back yard of Steve Kurtzer, 10, of 7807 N. Odell. Working with Steve were his St. John Brebeuf School classmates: Pa-

tricia Kemp, 13; Marian Reid, 10; Fiona Reid, 7; Paul Brumbach, 10; and Ronnie Voss, 9. Steve's four-year-old brother Mark also assisted the group.

K. of C. Picnic Sept. 19

You might think that the season for picnics is just about over. Well, the fact is that it just isn't so. "You're kidding," you say? Not at all. The K. of C. North American Martyrs will hold its annual K. of C. Picnic on Sept. 19, at the Bunker Hill Preserve, Grove #1.

Ted Blenek, this year's chairman, promises a sensational time come rain or shine. Of course Ted is an optimist and expects a splendid 75-80 degree temperature; but just in case it should rain or hail, don't get alarmed because the St. John Brebeuf gym has been reserved.

Why don't you, your family,

and your friends turn on to a terrific time. Tasty redhots, savory roast beef, and ample liquid refreshments to satisfy everyone's taste-buds are just some of the goodies you can expect. Little Richard and his minstrels will provide live entertainment and truly lend a festive air to this year's happening.

Bill Wold will feature games galore for both young and old coupled with an array of fine prizes for all winners. There will also be a few special attractions for those lucky families who plan to attend. A highlight of the day will be the women's all-star softball game being planned by Betty O'Grady.

MG Post Office Receives Excellence Award

On Aug. 23, the highest award for outstanding results in cleanliness and employee environment was awarded to our Post Office in Morton Grove.

Messrs. Stanley Rakowski, Operations Manager, North Suburban Sectional Center and Daniel Maurer, Supv. Vehicle Maintenance Facility, represented Regional Director K.O. William Sandberg in presenting Bob Lutz, Postmaster, with the top recognition in the form of a plaque which read as follows: United States Postal Service Chicago Regional Office Regional Excellence Award. For outstanding achievement in exceeding the high standards set forth by this Region in the area of employee environment and which reflects credit on the United States Postal Service.

Postmaster Lutz in acknowledging the award, pointed out that the credit belongs to the public and customers of this office who cooperate in disposing the trash, etc., in proper receptacles in the lobbies, on the loading platform and in the parking areas. He praised the conscientious supervisors and the postal employees who keep their own working areas clean and maintain clean habits while working in the office in which they spend a great part of each day of their lives. He also made particular mention of the fine custodians, Ford Burgett, Bernard Wdowick and Robert Lump who take personal pride in our office and their work

and inspire us all to cooperate with them.

The Morton Grove Post Office employees want to please our customers. We are always trying to offer the best in efficient service. We do realize how important it is to present a clean, attractive appearance, to the citizens of our town, who are really "Our Boss".

Banners Offered to Servicemen's Families

The Morton Grove American Legion Post #134 offers service banners without charge to local residents who have a son or daughter in service. Many people do not know this until their offspring leaves for duties with Uncle Sam; and then perhaps begin to wonder where the patriotic looking banner with a star in it hanging in others' windows comes from.

There is also a "gold star" flag which the Legion presents to families who will accept it, to signify the loss of a son or daughter on the battlefield.

American Officer, Ralph Hantz, 5607 Carol, urges Morton Grove residents to give him a call at YO 5-3090; he will be very happy to deliver one to your home. He says there are also banner flags with more than one star available for families who have two, three or more children all serving in one of the branches of service.

Golf Mill Art Fair Sept. 18-19

Framing final plans for the Eleventh Annual Golf Mill Art Fair are committee members (from l. to r.): Bruce Duncan of Northfield, director of the Goodman Gallery, Mrs. Jane Brenner of Deerfield, promotion director of the Golf Mill Shopping Center, and Mrs. Georgia Collett of Glenview, chairman of the event to be held Sept. 18 and 19.

Mobile Unit Coming to Niles

The mobile unit of Cook County Board President George W. Dunne will appear the month of

Sept. in Oak Lawn, Melrose Park, Niles, Lansing and Park Ridge.

The unit, now in its second season of operation, is a remodeled bus, leased by the county. It is equipped with two built-in desks, a mobile radio-telephone and seats for up to four visitors at a time. It is supplied with informational materials about various county functions and with forms in common demand.

Members of Dunne's office will staff the unit, and citizens may come to the mobile office without advance appointment.

"I was pleased with the first operational season of the unit," said Dunne, "I feel that this office is doing a better job for the people when we go to them periodically, instead of always having them come to us."

The mobile office schedule for Sept. is as follows: Lawrencewood Shopping Center (Sept. 14-17) Waukegan rd. & Oakton, Niles, Sept. 14 (Tues.)-10 a.m. to 4:30 p.m. Sept. 15-10 a.m. to 4:30 p.m. Sept. 16-1 p.m. to 8 p.m. Sept. 17-1 p.m. to 8 p.m.

Holy Family Visiting Hours

Starting Sept. 1, visiting hours at Holy Family hospital have been extended from 2 p.m. thru 8:30 p.m.—with the exception of maternity and obstetrical patients. Visiting hours for this department remain 2-4 p.m. and 7-8:30 p.m.

Passes will no longer be required for medical-surgical patients, but will be required for children under 14 years of age who are allowed only 2 visitors per visiting period and patients on 25 where Board of Health permits only one visitor per period.

William F. Becker

Marine Pfc. William F. Becker, husband of the former Evelyn R. Craig of 9134 N. Mango, Morton Grove, was graduated from the Shore Fire Control Party Course at the Amphibious School, Naval Amphibious Base, Coronado, San Diego.

The well upholstered "lady" dangling her long legs is no longer the prototype of an art lover, nor is the hunched looking, bearded garage dweller. At the popular Golf Mill Eleventh Annual Art Fair you may see a long-legged dancer here and there and no doubt a few beards, but you will also meet young marrieds, children in tow and babies in arms. They may be standing beside a senior citizen, a society matron and her husband, a teenager, and a man who once took first in the Golden Gloves.

"Art is for everyone, and the Golf Mill Art Fair is for everyone," said Mrs. Jane Brenner, Golf Mill Shopping Center's promotion director. "Serious students of art and crafts find the Fair rewarding just as those who are really looking at art for the first time. It's a great family experience as well as a marvelous afternoon for the lover," she said.

The Golf Mill Art Fair is one of the oldest, largest juried fairs in the Midwest. Over 325 artists from all of the midwestern states will exhibit in the landscaped Golf Mill Mall Sept. 18 and 19 from 10 a.m. until 5:30 p.m. The finest in oil and watercolor paintings, sculpture, graphics, crafts and mixed media will be on display and available for purchase. \$1500 in cash awards including a \$250 purchase prize is offered for outstanding work.

Creative crafts have stimulated new interest in recent years," reported Mrs. Georgia Collett, chairman of the event. "Young people and men especially are drawn to these exhibits."

"It has been interesting to observe the development of some of the artists who have continued to exhibit through the years. Some have explored new media, others have grown in their preferred field. Many entries are coming from out of state now—Michigan, Wisconsin, Indiana, Missouri, Ohio, and art lovers are coming from great distances, too," Mrs. Collett added.

"There is a growing excitement about art, notably among young people. They are knowledgeable and discerning," Goodman Gallery director, Bruce Duncan, Art Fair committee member reported.

The Art Fair is sponsored by the Golf Mill Merchants Association as a community service. "The artists are welcome to sell their work but the merchants do not profit from these sales. The purpose of the Fair is to offer something worthwhile to the public in appreciation for their patronage. There is no admission charge," Mrs. Brenner explained.

The shopping center is located at Milwaukee ave., and Golf rd. in Niles.

Kenneth I. Shoemaker

Navy Airman Apprentice Kenneth I. Shoemaker, son of Mr. and Mrs. Irwin Shoemaker of 5805 Emerson, Morton Grove, was graduated from recruit training at the Naval Training Center, Great Lakes.

He attended Lea College in Albert Lea, Minn.

He will now be serving at the Naval Air Station, Glenview.

James L. Herman

Navy Fireman James L. Herman, husband of the former Carol A. Auerbach of 8919 Oconto, Morton Grove, recently visited Singapore aboard the amphibious dock landing ship USS Dubuque, while deployed to the Western Pacific.

His ship is the flagship of the Amphibious Force now operating with the U. S. Seventh Fleet.

Dist. 207 Holds Budget Increase to 4.45%

Despite the necessity of providing an instructional program for 500 additional students and coping with higher costs in all educational areas, Maine Township High School District 207 has managed to keep its 1971-72 tentative budget of \$21,995,477-.81 to within 4.45% of last year's adopted budget, according to Harold Markworth, business manager of the district. This is less than a "cost of living" increase.

By keeping a tight rein on planned expenditures and trimming all expenses in accord with the district's austerity program, Mr. Markworth states that his office has prepared a budget that, while it anticipates

a sizeable increase in its Educational Fund expenses, shows reductions totaling \$398,391.70 in the amounts budgeted for the Building Fund, Bond and Interest Fund, Health and Safety Fund, and Special Education Building Fund.

"In spite of this 'tight money' budget, our expenses are again expected to outstrip our income," said Markworth. "Revenue from taxes, state and federal aid, and all other sources is expected to be \$20,131,716.01, an amount which falls far short of our needs." He added that the district, already struggling with a \$3,925,000.00 debt, will need to continue deficit spending until a tax levy increase is voted.

Markworth pointed out that, unless other sources of revenue become available, the school district will need to draw on about \$5,321,400.00 of its 1971 tax receipts in order to meet budgeted expenses for the second semester of the school year. These are taxes paid by the taxpayer in the spring of 1972.

"If tax money is not available to the school district before next June 30, District 207 will again need to sell tax anticipation warrants to pay its bills," he said. This past year, the district sold tax anticipation warrants in the amounts of \$3,500,000.00.

A public hearing on the tentative budget will be held at 7 p.m. on Sept. 23, in Room A-208 at Maine North high school. Until then it is available for public viewing at the district's Administration Center, 1131 S. Dee rd., Park Ridge, and at public libraries in Niles, Park Ridge, Morton Grove, and Des Plaines. Official consideration will be given to the budget at an adjourned Board of Education meeting immediately following the Sept. 23, 1971 public hearing.

Of the nine separate tax supported funds contained in the document, the largest amount to be budgeted - \$16,037,571.00 - is earmarked for the Educational Fund which provides for teachers' salaries, textbooks and other material related to teaching. Up \$997,159.00, it reflects salary increases, including scale increases and

professional growth increments, contemplated before the national wage-price freeze. Wage negotiations between the Board of Education and the District 207 Teachers' Association had been under way at the time the wage-price freeze went into effect.

The \$2,209,990.00 Building Fund budget is \$14,070.00 lower than last year. Monies in this fund keep the school district's physical plant going, and take care of building maintenance expenses and custodial salaries. While amounts needed for custodial salaries has increased \$85,920.00, and maintenance costs for the four Maine high schools are up \$107,337.00, there has been a \$227,877.00 drop in amount needed for capital outlay.

The Bond and Interest Fund budget is down \$116,321.70. The amount allocated for this fund - \$2,329,882.81 - is for the retirement of the bonded indebtedness incurred for the construction of Maine high school buildings.

The 1971-72 budget also shows a sizeable decrease in the Health and Safety Fund - \$131,000.00 less than last year - due mainly to the fact that most of the Life Safety Code work needed at the four Maine high schools has now been completed. The Special Education Building Fund is down \$137,000.00 from last year's \$283,000.00. This fund repays construction costs on facilities built at Maine East for handicapped children.

The Junior College Tuition Fund is \$220,000.00, compared with \$150,000.00 last year. This fund provides tuition payments, made on a "charge back" basis, for District 207 residents living south of the Kennedy Expressway, an area not included in any junior college district. Most of this year's \$70,000.00 increase, however, will go to reimburse the Education Fund for money borrowed from it in prior years. Before Oakton Junior College District #535 was formed, District 207 was legally responsible for tuition payments of all district residents attending public junior colleges, and made tuition payments which far exceeded the money received from the Junior College Tuition Fund levy.

Oakton Fall Classes Registration

Late registration for fall classes at Oakton Community College was announced today (Aug. 26), by Dr. William A. Koehnline, college president. Registration has been scheduled for a period extending from Monday, Aug. 30, through Thursday, Sept. 2, 1971. The hours of registration are from 3 p.m. through 7 p.m. for part-time students only.

A full range of courses is still open for part-time students for day, evening, and Saturday classes. Tuition is \$10 per

semester hour for residents of District 535.

Oakton Community College serves the residents of Niles Township High School District 219 (Golf, Lincolnwood, and parts of Glenview, Morton Grove, Niles and Skokie) and the greater part of Maine Township High School District 207 (parts of Des Plaines, Glenview, Morton Grove, Niles, Park Ridge, and Rosemont). It is located at 7900 N. Nagle ave. (Oakton at Nagle), in Morton Grove.

Maine Adult Evening School

Stop Smoking Clinic

Help in breaking the smoking habit is on the way!

The 5 Day Plan to Stop Smoking, developed by the Hinsdale Sanitarium and Hospital, and sponsored by the Maine Adult Evening School, begins at 7:30 p.m., Sunday, Sept. 12. It will be held in the auditorium of Maine Township high school, East, Dempster and Potter, Park Ridge.

The course consists of five consecutive evening programs which include films, lectures, exhibits, and a variety of printed materials. These are designed to give day by day instruction and encouragement to those who "choose not to smoke."

Tickets for the entire course are \$5, and may be purchased by mail or at the door on the opening evening. Coupons for ordering tickets by mail may be requested by calling the Maine Adult Evening School at 696-3600.

College Extension Classes at Maine Evening School

College extension classes open Sept. 9 to Sept. 22, in advance of the fall term of the Maine Adult Evening School. The University of Illinois, Northern Illinois university, Northwestern Illinois State college, National College of Education, and Chicago State university offer a total of 28 courses, in the areas of Education, Business Administration, Home Economics, Sociology, and Philosophy.

Classes will be held evenings at the three Maine Township high schools - Maine East, Dempster and Potter, Park Ridge; Maine West, Wolf and Oakton, Des Plaines; and Maine South, Dee and Talcott, Park Ridge.

Illini Guides

Helping each new student in his or her personal adjustment to college life is the job of more than 400 Illini Guides in the University of Illinois at Urbana-Champaign this Fall. Illini Guides are volunteer orientation leaders for the more than 5,000 new students who come to the U. of I. each year. They live in the residence hall where they serve as a guide to 10-15 new students.

Among those serving as Illini Guides: Morton Grove - Ellen Atzuss, 9029 Meade, Marsha Gassman, 5832 Reba, Niles - Craig Karpiak, 7421 W. Lawler, Barbara McNab, 8246 Neva, Suzanne Moel, 7029 Carol, Greg Wray, 8223 Western Ave.

How to Grow Orchids

If you have ever said "I wish I could grow orchids," now you can! The Maine Adult Evening School is offering a course in Orchid Growing this Fall. A husband-and-wife team of experts will give the course, which will meet 7:30 to 9:30 on Tuesday evenings, for eight weeks. The class will be held at Maine Township high school East, Dempster and Potter, Park Ridge., beginning Sept. 28. Dorothy and Frank Kuper, who live directly south of Maine East's parking lot, will conduct the class, including "laboratory" sessions in their greenhouse.

The course will take in various ways on growing orchids - in a greenhouse, on windowsills, under lights, (often in a basement), etc. It will have working demonstrations of making centerpieces, decorations and corsages, using orchids - all of which can be applied to other flowers as well.

Frank Kuper twice was president of the Illinois Orchid Society and also was president of the Mid-America Orchid Congress, which holds its Spring, 1972 show in the Chicago area. Dorothy Kuper is this year's president of the Illinois Orchid Society, and both are official judges of the American Orchid Society.

Information on tuition and registration for the class may be obtained by calling the Maine Adult Evening School, 696-3600.

Registration for Nilehi Evening School

Twenty new courses are being offered in the fall term of the Niles Adult Evening School. Some of these are astrology, German, defensive driving, gemology, history of feminism, karate, learn the metric system, self and the culture struggle, and stationery engineering.

Registration continues by mail or in person through the end of Sept. at the Central Office, 7946 Nagle ave., Morton Grove, 60053. Classes begin on Monday, Oct. 4. They will be offered on Monday and Wednesday nights at Niles North and on Tuesday and Thursday nights at Niles West.

Additional registration times will be on Wednesday, Sept. 22 from 7 to 9 p.m. and on Saturday, Sept. 25 from 9 a.m. until noon at the Central Office. According to Gladys Shute, director of the evening programs, brochures and additional information may be obtained by calling 966-3890 or 967-5140, Ext. 25 or 26 from 8:30 to 4:30, Monday through Friday.

Lions Candy Day Chairman

The challenge of breaking another record has been accepted by A.G. "Ang" Marcheschi, 7943 Nora, Niles, by again taking on the state chairmanship of the Lions Candy Day drive on Oct. 8. Marcheschi is taking on a dual chairmanship in the campaign. In addition to serving as state chairman, he will also head up the drive for all clubs in District 1-F. He is chairman of the Illinois Lions Blind Activities Committee headquartered in Oak Park.

In tribute to breaking all previous Candy Day collection records last year, Marcheschi was honored by the Lions State Council of Governors. Total collection in the state hit the \$700,000 goal set in the "700,000 for '70" campaign. Marcheschi also has the distinction of being a 100 per cent District Chairman in last year's campaign. District 1-F encompasses all Lions clubs in Lake county and northern portions of Cook county.

A. G. Marcheschi

A member of the Niles Lions Club, Marcheschi has served as Club President and as 1-F District Governor.

A long-time dedicated worker for the blind, Marcheschi expressed optimism in meeting the new record goal of \$800,000 for the entire state. He also expressed confidence that clubs in 1-F would meet the District goal of \$100,000.

Besides his proven record of getting the job done for Candy Day, Marcheschi has made valuable contributions to many other Lions' projects.

"Our clubs are again demonstrating a great interest in the Candy Day campaign, so I'm certain we'll reach our District goal. Achieving our state goal will depend on the dedicated efforts of each and every Lion. And as the pre-campaign work gets underway, I find enthusiasm snowballing. All Lions are proud of Candy Day and what it accomplishes," Marcheschi said.

Joel A. Bloom

Airman Joel A. Bloom, son of Mr. and Mrs. Eli D. Bloom of 7108 Enfield, Morton Grove, has graduated the motion picture photography course at Fort Monmouth, N.J.

Airman Bloom was trained in the operation and preventive maintenance of motion picture cameras and allied equipment, and to take indoor and outdoor motion pictures of ground and aerial subjects for technical, tactical and informational purposes. He is being assigned to Norton AFB, Calif.

The airman is a 1966 graduate of Niles.

Niles Men's Softball Leagues End

The two male softball leagues conducted by the Niles Park District have been completed. The Di Paolo Company team won the Men's league and La Margarita was the winner in the High School division.

Di Paolo had an excellent record of 13 wins and 1 loss and La Margarita had the impressive record of 11 wins and 3 losses.

Play was spirited and enjoyable during the entire season. Many excellent low scoring games and run away contests were viewed by the team fans that attended games played at Jozwiak Park and Notre Dame. The crowning game came during the last week of the season when Di Paolo Company overwhelmed Garry's Gulf, 40-0.

Nash heating was the runner up in the Men's league, very close to Di Paolo with a 12 and 2 record. Both of these losses were to the winner. In the high school league, the story is somewhat the same with La Margarita clinching the title with two weeks to play, and Skaja Terrace a close second. We of the Niles Park District would like to thank all concerned for a fine season.

Pre-School Registration

Registration for the 30-week regular preschool program or the Morton Grove Park District for the year 71-72 will be held at 7 p.m., Monday, Sept. 13, at Austin, Mansfield, National and Oketo Parks. Each registration must be accompanied by a written proof of birthdate as only children who will be four years old on or before Dec. 1 will be enrolled.

The fee this year will be \$60 payable at registration or one half the fee may be paid at registration with the remainder due by Nov. 1. Mothers are asked to assist in classrooms six half days in the year, and should come prepared to sign up for the days they want to assist. The orientation meeting for mothers which was scheduled for after registration has been cancelled. Mothers will be notified later as to the new date.

Registration is on a first-come basis, with each adult being able to register only one child, except in the case of twins.

Goldfish Day

The Morton Grove Park District has announced that the day for Goldfish Day will be Sunday, Sept. 5. This place is Oriole Pool; the time is 1 p.m. Harrer Pool will be open for regular swimming. Both Pools will be open Monday from 1 to 5 p.m.

The pools will close at 5 p.m. on Labor Day, Sept. 6, for the season.

SPORTS NEWS

St. Martha Girls Win All the Marbles!

The girls teenage softball team overcame their untimely vacation schedule, illness to some key players, a "won" game taken away, and a make-up schedule of playing four games within five days, in the final week to walk away with all the trophies!

Following a regular schedule record of 6 wins and only 1 loss (by a single run!) the girls took on the Austin Park "Unknowns", and having an equal record, for a two game set. The St. Martha girls, coached by Chuck Conlon and his able stand-in, Bob Paika, played the series in terrific fashion, taking both games by two runs!! Timely hitting by Maureen Coursey, Janet Bilmaduer, Cindy Imhoff and Cathy Simkins, and the pitching of Kathy Overt, sparked the wins.

Winding up with a regular season record of 8 wins and 1 loss, the girls wound up in an inter-league play-off against the Senior women winners of past three years: the "Jojo Jets". Before a crowd of some 200, at Harrer park under lights, on Friday night, with the two top park umpires; the St. Martha teenagers dumped the Jets 3-2.

Weight Watchers

Now is the time to get into shape for the Fall. There's a Weight Watchers class in your area that is open every week to new members. Weight Watchers is where you learn how to eat properly and lose weight at the same time. A skilled lecturer is at the meeting to help you. She was overweight at one time too, so she knows exactly what you're experiencing now. Upon joining Weight Watchers, you will discover that you can have three tasty, satisfying meals a day plus snacks. You will also discover that Weight Watchers can motivate you, not only to lose weight, but also to keep it off forever. Before long, controlling your weight could even be a labor of love, especially when you start looking better and feeling better.

In Niles, Weight Watchers meet at Niles Community Church, located at 7401 West Oakton, on Thursdays at 10 a.m. and 8 p.m. For more information regarding the program and the location of classes, feel free to call the organization's main office at 312-325-8700.

Pop Warner Needs Boys

The Niles Pop Warner teams finished their summer practice session last week and will begin their twice weekly fall session on Aug. 31 at Jozwiak Park. The teams' coaches are preparing them for a traveling schedule that starts Sept. 12 and lasts till Nov. All games are played on Sundays.

The football turn-out this year has not yet reached the anticipated number of 70 boys, especially in the 110-135 lb. 12 thru 14 yr. old, Jr. Bantam division. Coach Nick DiNapoli feels that with school starting and vacations over, the next week or so will see the roster filled. He urges interested boys from Niles and surrounding suburbs to contact the team at 698-3547 before the league cut-off date, Sept. 7.

Terrific defensive action (not seen too often in this league) brought the Donettes down by one run, into the last inning mainly on the beautiful pitching of Jean Schauwacker. A couple of hits by Barbara Bartlett, Cathy Weibel and Joanne Kornfiend, tied the score, with runners on second and third with two outs! Under unavoidable pressure, Lorrie Memhardt slapped a shot over the infield to sink the Jets and bring the girls the top trophy in their maiden season!!

The second game of the evening, featured the Women/Girls All Stars, select from the 4 teams in each league, in an inter-league tiff. The teenage girls of the Wednesday night league representing St. Martha were: Paula Grear in left field, Cindy Bilmaduer first base and Betty Hupperich catching, plus several other parishioners

St. Martha's Golf Tourney a Success

So great was the response of golfers at St. Martha's Parish for the Saturday, Sept. 11 event that Men's club President Al Nehart has arranged for two additional dates for golf. The Men's club sponsoring the affair, was formerly the Catholic Church's Holy Name Society.

Nehart says he has made available times for golfers on both Saturday, Sept. 4 and Sunday, Sept. 12 at the beautiful Four Winds Country Club. Those interested in golfing (you need not be a Catholic or a member of the Morton Grove Church) should phone Jim Katerly, 965-7080 or Don Weld, 967-8783 immediately for starting time. Awards and trophies will be awarded at the dinner dance to be held in conjunction with this

representing the "Unknowns" and "Val's". Once again the teenagers overran the ladies by an 8-4 score. The evening ended in the presentation of a team trophy to Conlon/Paika and individual trophies to all 19 girls, plus special All Star awards to Paula, Cindy and Betty.

Ski and Skate Sale

Jefferson School will hold its 3rd annual Ski and Skate sale on Friday, Sept. 10 starting at 9 a.m. in the school auditorium. The hours will be 9 a.m. to 9 p.m.

We sell your outgrown items. You get half the price and we keep the other half. It is a good way to dispose of items no longer needed and also make some money.

Bring all items to Jefferson on Thurs. Sept. 9 from 8:45 a.m. until 3 p.m. Once the sale starts we won't accept items for sale. Be sure to bring them in early. We will also accept items before the sale starts Fri. morning.

Some of the items you might have or be interested in are: Water skis, skates, ice roller, skis, poles, boots, football and hockey uniforms & sticks.

Any items not sold by 9 p.m. Fri. must be picked up by 9:30 p.m. Any items not claimed will be given to charity. All items sold during the sale will be tallied and the money will be available at this time. Money not claimed will be put in the FTO.

Carroll Frosh

Marilyn Anne Horvat, 7025 Seward, Niles, participated in the registration and orientation program of Carroll college, Waukesha, recently.

The program is designed to facilitate registration of freshmen and to help them become acquainted with the college. The incoming freshmen and their parents attended one of the three two-day sessions during the week.

Classes will begin at Carroll on Sept. 9.

Bank of Niles Creates New Service Dept.

Richard Duca, President of the Bank of Niles, announced the creation of a new department to act as a direct liaison between the bank and various community groups in their civic undertakings and community affairs.

Charter Issued

The Dempster Plaza State Bank, Dempster Plaza Shopping Center, Niles, has been issued a charter by H. Robert Bartell Jr., commissioner of banks and trusts.

Bartell said the bank will have a capitalization of \$1 million consisting of \$400,000 in capital stock, \$400,000 surplus and \$200,000 reserve for operating expenses. There will be 40,000 shares of stock with a par value of \$10 each.

Officers are Gilbert E. Lewis Lake Bluff, president, and Donald N. Brown, Chicago, acting cashier. Directors are Lewis, Dr. James J. Callahan, Oak Park; Fred C. Griffiths, Charles H. G. Kimball, Harold J. Burke and Michael Lutz, all of Chicago.

Charles Barbaglia, Vice President of the bank, was named to head up this new Special Services and Community Relations Department. Mr. Barbaglia has a long history of community service to the village of Niles. In the past he has served as chairman of the Heart Fund, Director of the American Cancer Society, been active on the Niles Easter Seal and Christmas Seal Drives. He is a member of Lions Club and is currently serving as President of the Niles Chamber of Commerce.

As part of the bank special services, Mr. Barbaglia will be involved in expanding Master Charge and computer automated Payroll Services to business entities in the area, as well as making special travel arrangements for bank customers and community organizations.

Named Manager

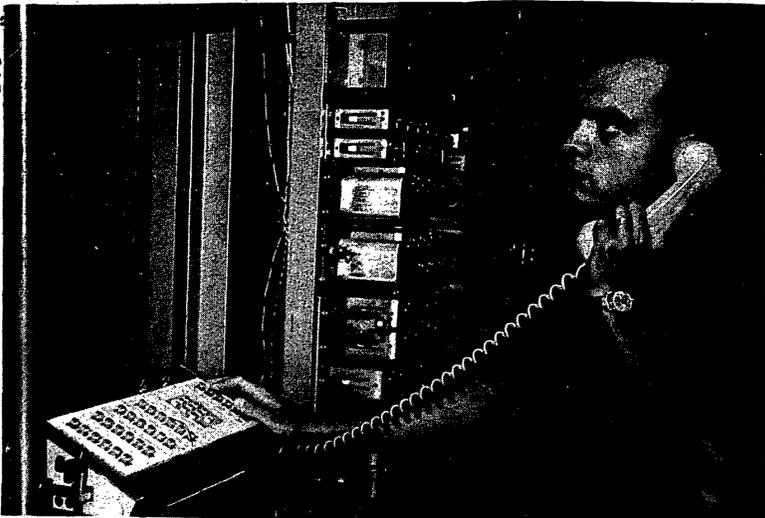

Jerome G. Santowski has been named product manager of consumer electronic products for Bell & Howell's Consumer Products Group, according to an announcement today by Thomas Q. Fisher, vice president of product and marketing planning.

In his new position, Santowski will be responsible for the development and profitability of Bell & Howell's entire line of consumer electronic and audio tape products.

Prior to joining Bell & Howell, Santowski was manager of audio product planning and product planner at Admiral Corporation and a project leader in the development of console stereo at Warwick Electronics, Inc., in Chicago.

Active in community affairs, Santowski is chairman of the board of directors of the Niles Family Service and assistant cubmaster of Cub Scout Pack 275. In 1966, he was chairman of the Niles crusade of the American Cancer Society.

The new product manager resides with his wife, Mary Ann, and four children in Niles.

Completes Study Course for Centel

Craig A. Johnson, 7226 Crain, Niles, Ill., an installer for the Central Telephone Company of Illinois, recently completed a special study course on the function, operation, testing and maintenance of GTE Automatic Electric's new Type 300 Private Automatic Branch Exchange, a telephone system used by business and industry.

The course—which included trainees from all parts of the United States—was conducted in the

training center of GTE Automatic Electric, one of the nation's leading manufacturers of telephone and communications equipment, at their headquarters in Northlake, Ill., a Chicago suburb.

Johnson, who has been with the company five years, has received on-the-job training in key systems installation. A graduate of Maine Township High School and a veteran of the U.S. Army, he is married to the former Judith Hofrictor of Chicago.

Mobil Participates in Program

Under Roosevelt university's Business Occupational Opportunities Student Training Program (BOOST) Jesse Pettyway, 7981 S. Martin Luther King dr., has been spending the summer in an internship program at Mobil Oil Corporation, 7280 N. Caldwell ave., Niles, learning to become a dealer-salesman or an accountant for the corporation.

In addition to providing Pettyway with summer employment Mobil, a new sponsor in the BOOST program, has presented the junior business student with a scholarship to Roosevelt. Started in 1964 to prepare minority students with high business potential but limited financial resources for meaningful positions in business, BOOST is an unusual program because it offers work opportunities as well as full-tuition four-year scholarships.

Logsdon Completes 30 Years with Prudential

John P. Logsdon, CLU, 7460 Waukegan rd., Niles, recently marked 30 years of service with the Prudential Insurance Co. He is an agent in the company's Northwest Suburban district agency, located in Park Ridge at 747 Devon ave.

District Agency Manager Grover G. Guthaus, CLU, said that Mr. Logsdon began his Prudential career in the Lincoln Park district agency in Chicago. He was transferred to the Park Ridge office in Sept., 1958.

Mr. Logsdon is a World War II Army veteran and served in the New Guinea and Philippine area with the 31st division. He received four battle stars and the bronze arrowhead.

Allison Helps Allocate Funds

There is more to the Crusade of Mercy than the Fall fund raising campaign. George K. Allison, Niles, can tell you that.

The Crusade raises money. Allison, vice-president, First Federal Savings and Loan Association, helps make sure the money is used effectively. As a member of one of the Community Fund of Chicago's five volunteer review panels, Allison is one of 200 business and civic representatives who were involved in the allocation of \$17 million to the 79 voluntary health and welfare agencies who are members of the Fund. The money represents the Fund's share of the \$29 million raised in the 1970 campaign.

Emory Williams, vice president and treasurer, Sears, Roebuck and Co., who serves as president of the Community Fund — and who, like Allison and all other volunteers, serves without pay — commended him when he said, "The volunteers on our operating committees are the heart of the Community Fund — the unsung heroes, if you will, who devote a great deal of their time and effort to very necessary but what, at times, can be very tedious work. They insure that the money given by generous contributors is used wisely and well. We are very much indebted to them."

Allison reviewed and made recommendations on the programs and budgets of the twelve agencies in the Group and Community Services Division of the Community Fund. These agencies are: Ada S. McKinley Community Services, Altgeld Nursery School, American Indian

Fire Girls, Chase House Nursery School, Chicago Area Project, Gads Hill Center, Hyde Park Neighborhood Club, Marcy - Newberry Association, Mary Crane Nursery School, and the Northwestern University Settlement.

First priority for the Community Fund's share of Crusade of Mercy money goes to the voluntary agencies that can help break the vicious cycle of poverty. These are the agencies which provide the services giving the disadvantaged the knowledge, the skills, the training, and the motivation to make their own way. Agencies serving the economically disadvantaged — the lives of people in poverty — receive special consideration.

Children, young people, and families are a first priority concern because of the life-long advantages of a good home and a stable family life. For these reasons, adoptions, foster homes and family counseling are among the services that have first claim for funding. Day care for children of mothers who must work ranks as a first priority service.

The Community Fund of Chicago is the largest of the three partners in the Crusade of Mercy. It receives 69% of the funds raised. The Mid-America Chapter of the American Red Cross receives 16% of the funds raised. The Mid-America Chapter of the American Red Cross receives 16% of the money — the Suburban Community Chest Council, on behalf of its 91 suburban community chests and united funds participating in the metropolitan drive, receives

Undergraduates qualifying for the Dean's List had to attain a grade point average of 3.25 out of a possible four points and earn credit in a minimum of 12 semesters hours of class study. Students from out-of-state receiving 3.25 grade-point averages or better are as follows: Niles - Terri Seelos, 8743 N. Ozanam st.

A Salute To Those Who Serve

Steven L. Williamson

U.S. Air Force First Lieutenant Steven L. Williamson, son of retired USAF Colonel and Mrs. William F. Williamson, 2470 Fleetwood ave., Cincinnati, has been named PRIDE (professional results in daily efforts) Man of the Month at Grissom AFB, Ind. Lieutenant Williamson, a personnel officer, was recognized for his outstanding efforts in the PRIDE program to reduce U.S. Air Force operational costs and increase unit efficiency and combat readiness.

He is assigned to the 305th Aerial Reconnaissance Wing, a unit of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles.

A 1965 graduate of Yorktown high school, Arlington, Va., the

Lieutenant received his B.S. degree in 1969 from Ball State university at Muncie, Ind.

Lieutenant Williamson's wife, Ann, is the daughter of Mrs. Frederick Kuhn, 9120 Birch ave., Morton Grove.

Thomas D. Cochrane

U.S. Air Force Captain Thomas D. Cochrane, son of Mr. and Mrs. James B. Cochrane of 945 S. Wolf rd., Des Plaines, has arrived for duty at Andrews AFB, Md.

Captain Cochrane, a pilot, is assigned to a unit of the Military Airlift Command which provides global airlift for U.S. military forces. He previously served at Scott AFB, Ill., and has completed a year of duty in Vietnam.

A 1957 graduate of Maine Township high school, the captain received his B.A. degree in political science in 1962 from Drake university, Des Moines Iowa, where he was commissioned upon completion of the Air Force Reserve Officers Training Corps program.

Captain Cochrane's wife, Mary Ann, is the daughter of Mr. and Mrs. George A. Voth of 5644 S. Waterbury rd., Des Moines.

Heiko Rommelmann

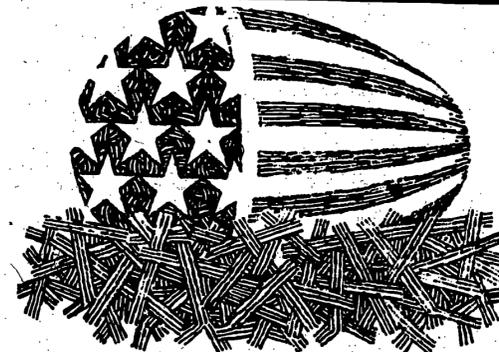

Navy Petty Officer Second Class Heiko Rommelmann, son of Mr. and Mrs. Heinz Rommelmann of 8839 Sayre ave., Morton Grove, participated in the first night operation which simultaneously employed dual methods to refuel and resupply and underway aircraft carrier.

With the hazards of two ships steaming together at close refueling quarters intensified by South China Sea darkness, Rommelmann's ship, the nuclear powered attack aircraft carrier USS Enterprise, took fuel from the combat stores ship USS Sacramento by the familiar "highline" method.

At the same time, in another critical operation, the "Big E" was receiving vital supplies by helicopter transfer from the multi-mission Sacramento.

Rommelmann is a graduate of Niles Township high school, North Skokie, Ill., and attended the University of Illinois, Champaign, Ill., before entering the service.

CHURCH & TEMPLE NOTES...

Niles Community

Labor Day Sunday will be celebrated at the Niles Community Church (United Presbyterian), 7401 Oakton St., on Sept. 5th during the 10 a.m. worship service. The Pastor, the Rev. D. Douglas Seleen, will preach on the Christian attitude toward work. Care for toddlers through 3 year olds will be provided. All other children and young people are urged to attend 'church' with their parents. Mr. Seleen will present a youth sermon for their benefit.

Church activities during the week of Sept. 6 will include: Tuesday, 7:30 p.m. - Session; Thursday, 7 p.m. - Junior Choir rehearsal, 8:10 p.m. - Senior Choir rehearsal; and Saturday, 9 a.m. - church landscaping day, 6:30 p.m. - Couples Club steak-fry and program.

Maine Township Jewish Congregation

The new season of Sabbath Family Services begins at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, Friday, Sept. 3, 8:30 p.m. Rabbi Jay Karzen and Cantor Harry Solowitchik will officiate at these Hebrew/English Shabbat Eve services. Teme Rosenbloom, daughter of Mr. and Mrs. Harry Rosenbloom, 9307 Hamlin ave., Des Plaines, will celebrate her Bat Mitzvah at this first service. The community is invited to participate. An Oneg Shabbat Social Hour follows the religious ceremony.

Other Sabbath services at MTJC will be recited on Saturday at 9:30 a.m. and 6:45 p.m. The latter evening worship includes the traditional sunset meal and the Havdalah ritual.

The Synagogue will sponsor a Labor Day Picnic, Monday, Sept. 6 at Northwestern Woods in Des Plaines, beginning at 11:30 a.m. Food will be available. A full program of

sports and games for the children will be featured. All are invited to this outing.

Religious School begins this week. Classes in the daily Hebrew School begin Tuesday-Wednesday (Sept. 7-8); Sunday School classes commence Sept. 12. Registration is being accepted daily and Sunday mornings at the office. Reservations for the High Holidays can also be made by contacting the Ritual Committee.

Lutheran Church

Lutheran Church of the Resurrection, 8450 N. Sherman rd., Niles, will resume its Fall schedule on Sept. 12. Services will be 9:15 and 10:30 with Sunday School for 3 yr. olds through 7th grade at 10:30.

Lutheran Church of the Resurrection will have a Holy Communion service at 9:30 on Sept. 5.

St. John Lutheran Confirmation Class

On Saturday, Sept. 18, at 9 a.m., confirmation classes for public school children will resume at St. John Lutheran church of Niles, 7423 N. Milwaukee ave. Confirmation ritual is always on Palm Sunday. Children in the seventh grade should now also attend the classes, since all must attend courses for two years. Classes are over at 11:30 a.m., thus giving freedom for the rest of the day. For further information call the

church office at 647-9867.

The Sunday school at St. John is beginning a new course of study called "Mission Life," on Sunday, Sept. 19, from 9:15 to 10:30 a.m. All pre-school grade school, high school, and youth are invited to attend. More information may be had by calling the Sunday school Supt. Mr. Rudolph Makowsky, RO 3-8724, or Mr. and Mrs. Elmer Klein, 966-5568.

Employees Receive Pins

29 Employees of Skokie Valley Community received pins noting their 5 years of service at an employee reception held in the hospital's East dining room.

They are now part of the 114 nurses, technicians and staff who already received their 5 year pins since the hospital opened its doors in 1963.

Mr. Walter Tinter, President of the Board of Trustees joined Ralph G. Hutchings, hospital Administrator who made the presentation. He expressed his appreciation for the "Diligence and loyalty you have shown the hospital. It is unique in this

time of tremendous job mobility that so many employees at Skokie Valley Hospital elect to stay at their jobs".

Included were: Niles-Mrs. Suzanna Dedo, Mrs. Gisela English, Mrs. Carol Mattes, Miss Sharon Pontius, Des Plaines-Elizabeth Feladin, Eleanor Nero.

similarity ends). And Niles would not trek with his plans to inundate the area with multiples. So he moved north and built them in the County where the laxity of enforcement and ease of receiving zoning, was admitted by officials at Tuesday's meeting. Susan came into the area, built his menage which caused havoc in the school districts. Interestingly, he built his buildings, made his money, but didn't send his own children to the schools here. Like the wandering carporters during the antebellum days after the Civil War, he came here, made his buck, left the area in complete disarray, forced residents to build more schools which caused their own taxes to soar, and he ran back to his home. Certainly, we couldn't refer to the attorney as

a carportager, but again, these people don't live here. But they devastate an area for their personal gain, and then they run.

And what about the public officials? Niles officials need ever-more money to keep the huge village machine running. The school board members need the same kind of oil to keep their mammoth machines alive. So they heard the testimony, listened attentively to rebuttals from the little guys (who pay the bills), and then okayed the annexation.

It was enough to make a big boy cry. Who speaks for the little guy?

Village-Park Merger . . .

Continued from Page 1

and then it might be accomplished by reducing park personnel (the recreation director alone is paid \$18,000, and this post might be eliminated if the park activities came under the village manager's auspices"). Leske pointed out if some personnel was eliminated other personnel would have to be hired by the village. He said the village manager would have to have an assistant to run recreational activities, and this likely would be a savings of perhaps \$3,000 annually.

It was pointed out park director Webb's Norman said the park district might have a deficit of \$100,000 by 1975. It was also pointed out the village may have financial problems of its own within the next 5 years. Leske and park president Jerry Sullivan both pointed to the deficits school districts have, noting the \$26,000,000 deficit in Chicago (Maine Township High School district also has a deficit which is around \$3,000,000). Other points brought out at the meeting included:

Commissioner Leske: the report presented at the meeting poorly represented the park district. Contrary opinions concerning the financial plight of the park district came from park district auditor Phillip McDermitt.

Village trustee Keith Peck: He served on both boards and said he did not favor the districts joining together. He believed they should remain autonomous and contented there should be other ways of getting help for the park district. He cited joint purchasing, public works aid including help in providing ice, as examples of how the village district could aid the park district.

Committee chairman Duca: favored the merger of the dis-

trict citing the economical advantages. He said it would give a broader borrowing base if the lender was the village. He said programs now held back by the park district could be put in motion. Leske refuted programs were being restricted. Duca also emphasized he believed a "penny saved was a penny earned" citing the need for savings in such a merger.

Hanging over the entire meeting was the political implications manifested by Mayor Blase. It was said several times Blase wanted "all or nothing at all". It meant Blase was not interested in partial aid to the district but desired the village take over the park activities or else refrain from aiding the district.

Park recreation director Norman and village manager Scheel were both members of the committee but at Leske's suggestion they were ruled ineligible to cast a vote on the merger recommendation.

Park Attorney Gabe Barafato suggested outside professionals including a member of Chapman and Cutler bonding house, the general counsel for the Municipal League and a representative from the state park association be brought in to discuss the matter. Chairman Duca said the committee did not have such authorization nor the financial means for such action, implying it would be the duty of the public boards to make this decision.

In the 3 to 2 vote opposing recommending merger of the 2 districts park commissioners Leske and Sullivan were joined with village trustee Peck in turning down the merger. Village trustee Pesole and chairman of the committee, Duca, favored the merger.

Niles Firemen Distribute MD Cannisters

Niles firefighters have begun distributing muscular dystrophy cannisters throughout the village in an effort to raise funds for Muscular Dystrophy Associations of America. Every year firefighters across the country undertake this and other projects for MDA as a public service which will benefit millions afflicted with dystrophy and related neuromuscular diseases.

Funds collected in this area have been used to support a diagnostic and evaluation clinic at Evanston Hospital, a summer camp for patients in Lake Villa, and to purchase braces, lifts, wheelchairs and other essential orthopedic equipment for area victims.

Chief Albert L. Hoelbl stated his men are pleased to be able to contribute their time to help the victims of this disease. Last year, he said, firefighters in northern Cook and Lake counties raised over \$2700 for MDA.

He urged local residents to contribute what they could when they see the little plastic cannisters in local business establishments.

LGH's Emergency A Busy Place

For three months in a row, the emergency department of Lutheran General Hospital, Park Ridge, has been the busiest in the hospital's history.

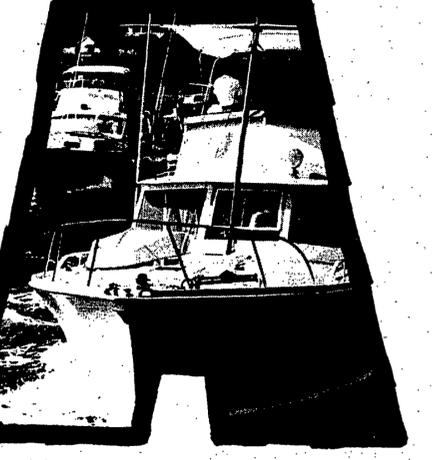

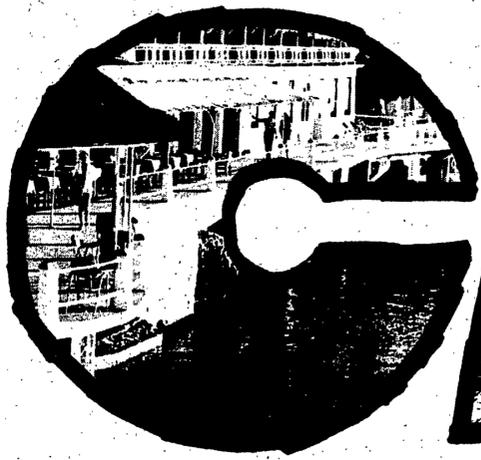

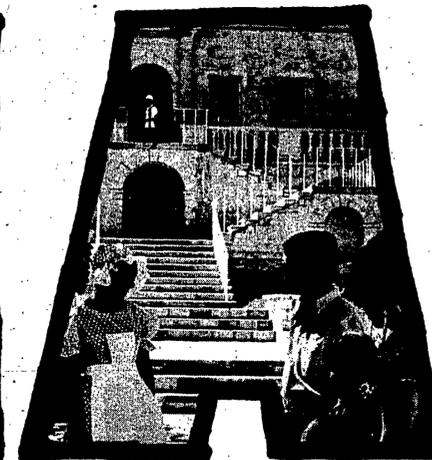

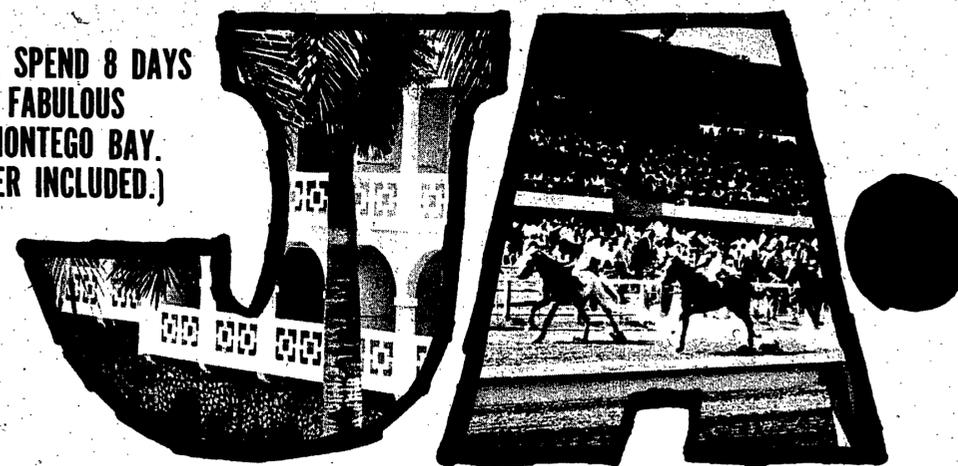

An average of 2,939 patients a month have come to the hospital's emergency department during May, June and July. In May there were 2,878 patients, June brought 2,940 patients and 2,998 patients came to the department in July. During the accident-prone summer months, 2,500 patients is about average at the hospital.

As many as 130 patients a day are coming to the emergency department. The usual peak is between 5 and 11 p.m. when people are coming home from work and when husbands return home to take wives and children to the hospital who have suffered less serious accidents. Wednesday afternoons are also busy because some physicians' offices are closed.

for the support of Morton Grove residents in their campaign. "Lots of little contributions in the muscular dystrophy cannisters which we are placing in businesses all over town can add up to quite a bit," said Chief Hildebrandt.

Last year firefighters in northern Cook and Lake Counties raised over \$2,700.00 for MDA. They hope to top that this year.
