VILLAGE TURNS DOWN PLANNED UNIT MULTIPLES

By Diane Miller

Approximately 100 residents from Jonquil Terrace gathered Tuesday evening in the Council Chambers to hear a petition from Edward Beaulieu, 8058 Milwaukee ave. requesting a change in the zoning of the property located at 7900 N. Oriole from R-1 to R-2 under Planned Unit Development. Beaulieu's request for rezoning had been previously denied by the Niles Zoning Board on July 21, 1971 and he appeared before the Village Board seeking an overruling on the Zoning Board's decision. He stated that although he previously had planned erecting 103 condominiums consisting of 80 two-bedroom units and the balance one-bedroom units, he was willing to settle for 90 two-bedroom units after reconsidering the possible difficulty in reselling a one-bedroom unit. The property consists of 4.5 acres of land which is approximately 200,000 square feet. Of this, 60,000 square feet would be occupied by buildings and the balance of 140,000 square feet would be used for parking, walkways, etc. The property is fronted on Oriole st. and extends east to Steinberg Baum. It is located to the rear of the land purchased for the building of the Candlelight Playhouse. Trustee Pete Pesole questioned Beaulieu as to whether he had contacted the School Board in that area to see if they had any objections to his proposed condominiums. He said that he had talked to them and although he had no document from them to substantiate his reply, he did say they had no adverse opinion and they felt that the building of two-bedroom units would be inconsequential as far as the School District was concerned. When Beaulieu had finished his presentation to the Board, Jerome Santowski, 7444 Kirk Drive, who was the spokesman for the Jonquil Terrace homeowners said the main objection they had to the proposed condominiums was the high density they represented. "The density is 4 to 6 times as many people as in the surrounding area," said Santowski. "We don't want it in our backyards." He suggested that Beaulieu could place his Planned Unit Developments north of Niles in the Susan area if he was intent in building them. He then asked Continued on Page 22

A week ago Wednesday we attended a meeting at Maine East High School in which the public was invited to express their opinions regarding an "open campus" policy in district 207. The predominantly student audience voiced overwhelming approval for a policy which would allow students to move freely in the hours not attending classes. Rather than being bottled up in study halls during in-between class time, they would have the choice of utilizing their time as they saw fit. Likewise, during the lunch period, and subsequent periods, they would have the right to move off campus if they desired.

Students, including the presidents of the senior class and the student council, all voiced sentiments favoring the opening up of the school-time. They also received unanimous support from teachers who spoke at the meeting.

While the student support was obvious adults participating in the hearing were sparse. Only three or four parents spoke at the meeting, one lawyer favoring the students' requests, while three other parents questioned the wisdom of the pre-proposed policy.

Nilesite George Leddy, who is a teacher in a Chicago high school, presented one suggestion we consider has merit. Rather than extend the day thru many hours he believed school time should be about 4 hours, and then students could leave the school area for the day. He said some students might attend school from 8 until 12; others from 9 until 1 and so on thru the day.

Here in suburbia high schools have acted as baby sitters for our teens. The schools have acted as a surrogate parent, marshalling the kids around their building thru many hours. There has always been an underlying feeling busy kids in school are less likely to cause problems, so better they should spend most of their daytime hours in school.

If a total open campus policy is approved (which is unlikely) parents accustomed to this public baby sitter will be up in arms over the kids being on the streets for so many hours.

Among parental fears are the car-oriented teens will cause havoc driving around during the former hours they'd spend in school. Roaming along Dempster Street and into the shopping centers nearby is a concern both parents and businessmen may have if the wonderkind are given their freedom.

Students cited studies which showed grades did not have any correlation with the number of hours spent in school. In studying neighboring districts they not only found classroom grades did not deteriorate, but there was less vandalism in the schools as the result of an open policy.

The teens also believed using study halls as a punishment was wrong and even distracting to those genuinely desiring to use these halls for study.

Liberal as we like to think we are we hope and expect the new policy will be a gradual one. Continued on Page 22

Mayor Blase on Maine Line
 Going over the format for the season opener of the Maine Line radio program is Niles Mayor Nicholas B. Blase and program hostess Mrs. Stanley Stevens also of Niles.
 The Maine Line is sponsored by the Maine East Mother's club, under the direction of William R. Mitchell, and is broadcast on the first Thursday of each month at 1:05 p.m. over the facilities of W.M.T.H. 88.5 FM, the radio voice of Maine Township High school District 207.
 During the half hour program which will be aired on Oct. 7 from 1:05 p.m. to 1:30 p.m., Mayor Blase and Mrs. Stevens will discuss school related programs and projects of interest to parents in the district.

Voter Registration Still Open
 Philip Raffe, Maine Township Clerk, has stated that his office is still open for voter registration, and will remain open until 28 days prior to the 1972 Primary election. Since the cities and villages closed for registrations on Sept. 20, there seemed to be some confusion on this point, he said.
 The Township Clerk's office is open regularly on Tuesdays and Thursdays from 9 a.m. to 3 p.m. However, to accommodate any students who did not have an opportunity to register before going away to school, Mr. Raffe has stated that he plans to hold a special registration day on Nov. 27 from 1 p.m. to 5 p.m. This is the Saturday after Thanksgiving when most students will be home for the holiday. Of course anyone who is qualified may register on that day also.
 The new qualifications for registration are that one be a citizen, 18 years of age, a resident of Illinois for 6 months and election precinct for 30 days.
 The office of the Maine Township Clerk is located at 2600 Golf rd. (east entrance of building) in Glenview.

In The Spotlight

There's a warm spot in the hearts of Beautification Committee members for Malko Electric Company (electrical contractors), 6200 Lincoln ave., Morton Grove.

The M.G. committee was in its infancy when Malko was under construction and its suggestion of a bordering hedge to soften the harshness of cement and brick was well received by company president Roy Diamond. In addition to a hedge of yews in a white stone base, Mr. Diamond had touches of beauty added to the garage entrance on Georgiana ave. in

the form of decorative rocks and additional evergreens.

Concealment of mechanical equipment above the roof does much to eliminate another common eyesore.

The committee takes this opportunity to publicly thank Mr. Diamond and his associates for their cooperation and the immaculate manner in which building and grounds are maintained. Malko is a credit to the community and a pleasure to feature in The Spotlight.

'Gemco' Changes Name to 'Memco'

Niles Art Guild Guest

An excellent program is planned for the Wednesday, Oct. 6 meeting of the Niles Art Guild. Albert Alfredson, the first place winner at the Lawrencewood Art Fair, will give a demonstration on oil painting. The artist is a traditional painter with many awards and medals to his credit. He studied at the Art Institute, the Chicago Academy of Fine Arts, and the Palette and Chisel Academy.

Mr. Alfredson will demonstrate his painting technique and also answer questions. The meeting will be held in the Niles Recreation Center, 7877 Milwaukee ave., Niles at 8 p.m. Visitors are welcome.

L. to r.: Albert Alfredson, Myra Steinbrink, Niles Art Guild President, Judges Sabina West and Beverly Ellstrand.

Three prospective Gemco department stores, slated for completion in Niles, Arlington Heights, and Lombard within the next year and a half, will now be called "Memco" according to Robert Margulies, Lucky Stores Vice President and Regional Manager for the Midwestern Region.

"The name change was made for two reasons," Margulies said. "Memco seemed a preferable name because of the wide acceptance of our Memco stores in the Washington, D.C. area, and because it suggests the membership aspect of our business." Memco perpetuates a philosophy of becoming completely community orientated, particularly thru the Charitable and Scholarship fund. "It is our desire to grow with the community we serve and become an integral part of that community's growth," Margulies said. "We feel a name that signifies our store and its members that best indicates our desire is appropriate. We hope to serve the communities involved in the very near future and to participate in each community's continued growth."

The Memco store in Niles is already under construction at Milwaukee and Dempster, with completion expected in March, 1972. Construction on the Arlington Heights Memco is scheduled to begin this month with completion planned for May, 1972. Construction on the Lombard Memco is expected to begin in June of 1972 with expected completion date of March, 1973.

The new Memco store in Niles will have over 100,000 square feet all on one floor under one roof and completely air conditioned. Acres of free parking and the

store will have over 200,000 items on display. It will be a completely self-service department store. Shoppers will find a combination laundry and dry cleaning, pharmacy and snack bar. This combination will be blended together by fine quality, everyday low prices, wide selection, services, pleasant surroundings and membership.

The new Memco store will be a stimulation for further business development in the Niles Area. We are a reliable and convenient family department store and will take an active interest in the future of Niles and the adjoining area.

Our supermarket will feature nationally advertised quality foods at low prices. Quality meats and fresh produce will be available. Within the department store there will be men's and ladies' fashions together with fashions for the entire family from toddlers to teens. A complete show store for the entire family where fit is important. An appliance department featuring name brand large and small appliances. Delivery, terms and installation will be available. All appliances will carry a double guarantee, from the manufacturer and from Memco.

A jewelry department will feature name brand watches and diamonds. A camera section with leading brands and film developing service available. A complete luggage department, health and beauty aids center, and variety and giftware section will also be featured.

A complete garden and patio center with lawn and garden needs, swimming pools and accessories. Also included will be a drapery and linen center, sporting goods,

supermarket, auto center, department store, jewelry, cameras, lawn and garden center, paint and hardware, record shop, home lighting center, books and magazines, auto accessories, toy and bicycle shop.

An auto service center will offer gasoline, tires, batteries, and accessories. Services will include brake relining, tuneups, shock absorbers, mufflers, and wheel alignments.

Membership in the new Memco store will be available to home and property owners; city, county and state employees; personnel of public utilities and franchise transportation employees; members of non-profit organizations; persons receiving pensions, social security or disability compensations; federal employees and members of the armed forces active or retired; union members and veterans.

North Maine Observes Fire Prevention Week

This year Fire Prevention Week will be observed, throughout the United States, the week of Oct. 3-9. The North Maine Fire Department is asking its citizens, in the North Maine Fire Protection District, to not only observe the week of Oct. 3-9 as fire prevention week, but to also make every week fire prevention week.

In addition to the many fire prevention activities conducted throughout the year by the department, they also conduct activities during the period of National Fire Prevention Week.

The department's Fire Prevention Bureau would again like to mention some of the major causes of fires, and ask the residents of the District to make a special effort in regard to these causes.

SMOKING ranks near the top of the list as a cause of fire. Proper precautions should always be taken. Watch where you discard smoking items and matches. Check cushions before retiring. Never smoke in bed.

ELECTRICAL DEFECTS and misuse and abuse of electrical devices rank second as causes of fires. All installations and repairs should be done by a competent electrician.

HEATING EQUIPMENT HAZARDS. Hazards arise from faulty equipment, improper installations, poor maintenance, or misuse of equipment.

Remember, the fire department should be notified as soon as a fire is discovered, regardless of how small the fire may be or regardless if you think the fire is out. Let the fire department check it.

Make sure that you and your family practice fire drills in the home. This is where the majority of persons lose their lives due to fire. AGAIN, LET'S MAKE EVERY WEEK FIRE PREVENTION WEEK.

Arts at Melzer

The boys and girls in teams one and two at Melzer school, East Maine School District #63, are eagerly awaiting the arrival of Jerry Warshaw on Thursday, Oct. 6.

Mr. Warshaw is a native Chicagoan, long established as a free-lance artist and designer. He has illustrated a number of children's books, and in addition has illustrated for numerous magazines and advertisements. His own book, "The I-Can't Draw Book" is due for publication late in 1971.

With a deft turn of the chalk or felt-tip marker and his own mischievous view of the world, Mr. Warshaw will show the pupils how to make a picture grow from the simplest sort of beginning. It will be a drawing lesson for those who don't believe

Blase: Consult Village on Low Income Housing in Unincorporated Areas

The following news release was received from the office of Mayor Nicholas B. Blase.

"It was announced last week that through the cooperation of the Cook County Housing Authority and the Chicago Housing Authority, 500 low income housing units would be built in the suburban areas. It was also announced that many of these would be built in unincorporated areas where there is not present government to express satisfaction or dissatisfaction with the projects.

I have written to Mr. George Dunne, President of the Cook County Board, today, insisting that the cities and villages abutting any unincorporated areas where low income housing is anticipated be consulted before such project permits are issued. At present the County allows

cities and villages abutting unincorporated areas to intervene in any petitions regarding rezoning in unincorporated areas. The theory here is that any rezoning in unincorporated areas obviously has an effect on communities immediately abutting the rezoned area and therefore these cities and villages should have a voice in that zoning. The same logic exists here. The putting in of low income housing in an unincorporated area could have an adverse affect on the communities immediately abutting and therefore these communities must be consulted. In the end, all unincorporated areas will end up in some city or village and it is only proper that these cities and villages have something to say about what will happen now and not after the change."

CHURCH & TEMPLE NOTES...

St. Martha's Dinner-Dance

Shown above are part of the group who attended the St. Martha's dinner dance at the Morton Grove Legion Memorial Home a week ago. Sponsored by St. Martha's Men's club, the event concluded the largest golf tournament the Catholic Church ever held. The Morton Grove church evening event was chaired by club president Al Nehart and John Mueller; with the golf portion handled by Don Weld and Jim Kaferly. "Best" golfers were awarded prizes. The Men's club, formerly the Holy Name Society, usually receives communion in a body at the 7:30 a.m. mass the 2nd Sunday of the month; however, in October the date has been advanced to the third week. A breakfast meeting will follow.

Niles Community Church

World - Wide Communion Sunday will be observed by the members and friends of Niles Community Church (United Presbyterian), 7401 Oakton st., on Oct. 3, during the 9:30 & 11 a.m. worship services. Care for toddlers through 2-year-olds will be provided at both services. Church school classes for 4-year-olds through Eighth Graders will be conducted at 9:30 a.m. and for 3-year-olds through the Eighth Grade at 11 a.m. The Inquirers' Group for high school students and adults will meet at 9:30 a.m. There will be a "coffee" between services beginning at 10:30 a.m.

That afternoon the Pastor, the Rev. D. Douglas Seelen, will meet at 3 p.m. with those young people interested in church membership. The Junior High Fellowship will meet at 7 p.m. for fun and fellowship.

Church activities during the week of Oct. 4 will include:

Monday, 7 p.m. - Boy Scout Troop 62;
Tuesday, 7:30 p.m. - Session;
Wednesday, 6:30 p.m. - high school 'drop-in'; 8 p.m. - adult Bible discussion group;
Thursday, 7 p.m. - Junior Choir rehearsal; 8:10 p.m. - Senior Choir rehearsal.

BIBE Couplehood

The B.J.B.E. Couplehood is sponsoring a "Good Times Are Coming" night on Saturday, Oct. 2 in the Temple Youth Lounge, 901 Milwaukee ave., Glenview. There will be sing-alongs, old time movies, free food, free beer and fun for all. Admittance for prospective members is just an old fashioned smile at the door. For old members, \$5 per couple paid-up dues will get you in. You may dress in an old-fashioned manner or if you desire "mod" dress will also be admitted.

Congregation Beth Ami

Congregation Beth Ami, 9006 N. Waukegan rd., Morton Grove, is conducting a new member brunch on Oct. 3.

Services for Succoth and Simchat Torah will be conducted. Congregation Beth Ami, although designed primarily for young adults, welcomes members of all age groups and provides a great variety of religious and social activities. For further information about membership, please contact Rich Siegel, our membership vice president at 674-7487.

MTJC

The major Jewish festival of Sukkot will be observed at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, with special holiday services throughout the week.

Sunset Services, Sunday, Oct. 3, 6 p.m. will be led by Rabbi Jay Karzen and Cantor Harry Solowinichk, with morning worship Monday-Tuesday, Oct. 4 - 5, at 9:30 a.m. Kiddush refreshments will be served in the Synagogue Sukkah - the temporary hut - commemorating the fragile dwelling of our ancestors during the 40-year sojourn in the desert following the exodus from Egypt. The highlight of the Synagogue service is the traditional procession and waving ceremony with the Lulav (palm branches) and the Eitrog (imported Israel citron).

Friday evening services, Oct. 1, will be recited at 6 p.m. in the chapel, and 8:30 p.m. in the Auditorium. Ronald Glickman, son of Mr. and Mrs. Marvin Glickman, 9245 Aspen dr., Des Plaines, will observe his Bar Mitzvah at the Sabbath afternoon services Oct. 2, 5:30 p.m.

Sisterhood Meeting

The October meeting of M.T.J.C. Sisterhood will be held at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, on Oct. 14, at 12:30 p.m. A lovely afternoon has been planned. A movie will be shown, and Rabbi Jay Karzen will give an enlightening talk on his recent trip to Israel. Everyone is welcome to attend. Refreshments will be served, and babysitting service will be available for children 3 years and older. For further information contact Paula Stein at 827-0815.

YMCA Program for Handicapped

Physical Fitness, gym, sports, games and swimming are utilized as part of the Leaning Tower YMCA's Conquerors program for Handicapped Children. It is one of the most comprehensive programs for Handicapped Children in Chicagoland.

Mike Michalek, swimming director and Ray Newman, gym, sports and physical director (both volunteers) are starting their 7th year at the "y" directing and supervising this program. Six classes are held at the "y" each week for handicapped children between 18 months and 14 years of age.

The swimming class is designed with the primary emphasis placed on helping the child to overcome fear and become ad-

justed to the water and prepare to learn to swim. The volunteer instructors do their utmost to encourage the youngsters to learn how to swim. The Leaning Tower YMCA is in need of more volunteers for the Conquerors gym and swimming program.

More information can be had about this program by calling The Leaning Tower YMCA at 647-8222.

'Wait-A-Ways'

The Leaning Tower YMCA is continuing an exercise class which is new to its service to the community. "Wait-A-Ways" is an exercise program for expectant Mothers and will be conducted by a Registered Nurse, Mrs. Ingrid Waggoner.

Exercise routines are designed especially for the expectant Mother and will include exercises for breathing, relaxation, and toning.

All registrants must complete a medical card that states the individual has consulted her doctor about participating in the class. "Wait-A-Ways" will meet mornings, twice a week for 45 minute sessions (10 week term). The Fall term will begin the week of Oct. 4.

Baptist Church

Young people and their parents are looking forward to the fine program which the First Baptist Church of Niles, 7339 Waukegan rd., has scheduled for its Family Night meeting on Thursday Oct. 7 at 7:30 p.m.

"Sketch" Erickson will present his illustrated talk entitled "Pop Goes America." Mr. Erickson appeared in over 300 high schools as well as many large churches last year and is in constant demand.

The church feels fortunate in being able to secure this outstanding speaker and invites everyone to join them for a stimulating evening. No admission charge. Refreshments served.

Carl Hintz Honored

Carl A. Hintz, FIC, 8400 Mason ave., Morton Grove, district representative in this local area for Aid Association for Lutherans, has completed twenty years of service with AAL.

He has earned the Fraternal Insurance Counselor designation. Hintz is a member of St. Paul's Lutheran Church and is an associate of the George C. Douglas Agency, Park Ridge.

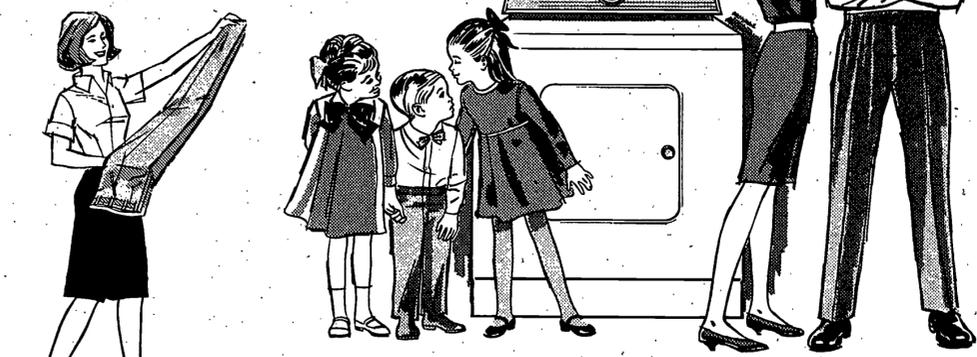

LGH Rehabilitation Center Completed

Landscaping has been completed on the new lobby and entrance of the Rehabilitation Center at Lutheran General Hospital, Park Ridge. A

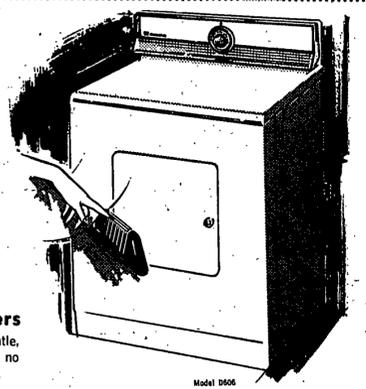

grant from the A.D. Johnson Foundation made possible the construction of the addition. The 70-bed center is a national center for treatment, education and research in alcoholism.

ports that the Betty-Chester and Kirk Lane Projects are moving along nicely at this point, with a strong effort being made to develop the Washington-Terrace Park site. This last project depends upon the immediate cooperation of the GEMCO organization.

Grading is in process at the two sites, using top soil made available from the Ballard Sports Complex site as previously planned in the contract.

Pictured above are children in the area of the Betty-Chester park site playing on a mound of dirt during the development.

Foreman Filiberto Almandarez and his crew prepared the Betty-Chester site for development.

Open Hockey Meeting

The Niles Park District will conduct an informal hockey meeting on Friday, Oct. 1 at 7 p.m. at the Grenman Heights Gym, 8255 Oketo. One of the main purposes of the meeting is to discuss with interested individuals the possibility of their offering their services as coaches or helping with other duties that will help insure the hockey program of its success.

A discussion will also be held on all division in the hockey league. Questions regarding the hockey program will be answered at the meeting.

Registration for the Hockey Clinic and the Hockey League will be taken at the meeting.

Skating Classes

Anyone ages 5 thru High School with a talent for figure skating is invited to join the Niles Park District Figure Skating Club.

Classes for beginners will be held on Friday from 4 to 4:45 and for advanced students from 5 to 5:45 p.m. at the Ballard Skating Rink located on the corner of Ballard rd. and Cumberland ave.

Classes start in mid-October. The fee for 8 week session is \$8 for Park-District residents. Non-residents pay a double fee. For further information please call 967-6633. Registration is being accepted at the Park Office at 7877 Milwaukee ave.

Halloween Painting Contest

A contest is being planned to give 6th, 7th, and 8th grade boys and girls of Morton Grove an opportunity to show off their artistic talents at Halloween in a wholesome manner.

Teams of two or more must register at the Park District Office in Harrer Park, Monday thru Friday, beginning Oct. 4 and no later than Oct. 15.

Contestants will be given a 4 x 2 1/2 sheet of white paper and a set of points when they register at the Park Office. The painting will be done at home and must be completed and turned in to the Park Office by Oct. 22 for judging.

Paintings will then be placed in the store windows. Contestants must supply their own brushes. If additional colors are needed the park will supply powdered paints if the contestants bring their own jars.

Three prizes will be awarded in each grade level: 1st Prize - \$5; 2nd Prize - \$4; 3rd Prize - \$3.

Golf-Maine Park District Referendum

On Tuesday, Oct. 12, the voters in the Golf-Maine Park District will go to the polls and decide whether or not to accept \$400,000 in bonds for acquisition and development of land. The land to be acquired if the referendum passes is approximately 3 to 5 acres lying directly to the west of the People's Park site at Dee and Emerson rds. Lane to be developed includes the site already owned by the Park District at the Kathy and Western undeveloped site.

The most important question voters will ask is, what does this acquisition and development mean to the people of the Golf-Maine area? The answer lies in two areas, cost and services. What will the return be on the resident's investment and what is the investment?

The cost per homeowner per year will be approximately \$10. This is an average cost, the actual cost will be based on the assessed value of a homeowner's property.

The return on this investment can be seen in terms of greater facilities and services to residents. More developed area means expanded sports and recreation programs, room for family events, and general beautification and improvement of the

Sewing Classes

The Morton Grove Park District will offer sewing classes for Beginners and Advance Beginners at National and Austin Park Field Houses.

The eight week sewing course will start the week of Oct. 11 with each class limited to 8 people. The classes will be instructed by Mrs. Copper.

Beginners class will be held on Tuesdays at 12:30 p.m. in National Park and Wednesday evenings at 7 p.m. in Austin Park.

Advance Beginners class will be held Tuesdays at 9:30 a.m. in National Park and Wednesdays at 12:30 p.m. in Austin Park.

Registration Fee is \$15 per person. Anyone interested may register at the Morton Grove Park District office Monday thru Friday from 9 a.m. to 12 noon and 1 p.m. to 5 p.m.

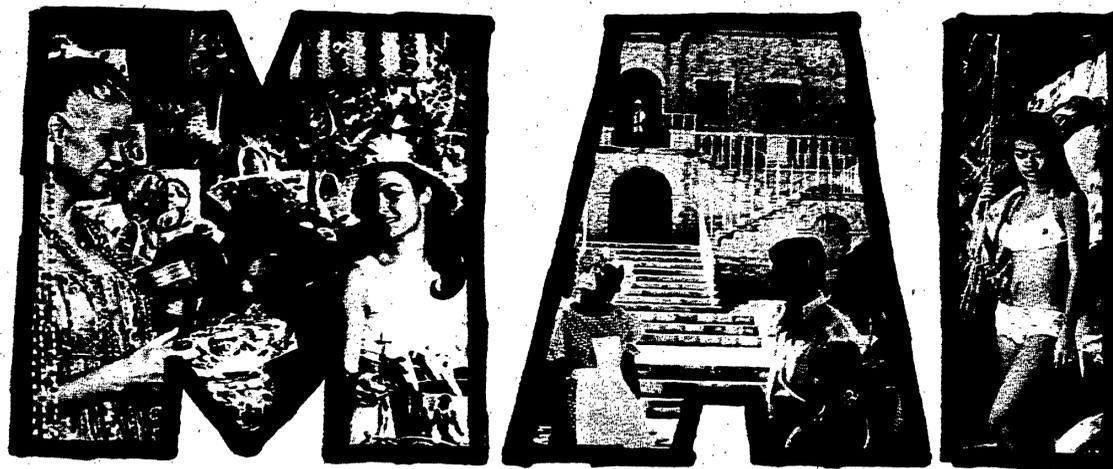

Fall Programs

The Fall programs for the Golf-Maine Park District have begun or are beginning this week. In full swing are football orientation, Pre-school, and adult volleyball. Soon to start are the sports camp, tumbling and gymnastics, knitting, crochet, and open basketball for 4th graders through adults.

Adult volleyball, continually one of the most successful programs the Park District offers, enters its Fall season this week. Due to a boost in registration volleyball is now offered at both the North Shore Trace gym and the Gemini Junior High school.

The program not only gives its registrants a chance for exercise and competition, but a chance for both singles and couples to meet people and have fun in a relaxed atmosphere.

Golf Mill Art Fair Announce Winners

Judges for the Golf Mill Art Fair pronounced their duty an especially difficult one this year and spent more time than usual selecting the winners. The eleventh annual event was held in the Niles shopping center, Sept. 18 and 19.

Purchase prizes went to Sharon Jaunsen for a unique wall hanging of yarn and lamb's wool and to Cheryl Greco for her title, "Four Planes of a Bone Structure" done in mixed media.

Barbara Schlenker took the blue ribbon for best in traditional oil, Edward Jaunsem for best in abstract oil. Other winners in the oil painting category were: Walter Park, second; Patricia Corbett, third; Dor Taylor and Frank Rankoncy, honorable mention. First prize in water color was awarded to Thomas Thlery, second to Jerry Stangl and third to Joanne M. Wank; honorable mentions to R. Shellenberger and Robert Johannsen.

Jane Dalton took a first in mixed media, followed by Walter Moskow second and Villa Hamm, third. The blue ribbon in the graphics category was presented to Joyce Moskow, second to Sally Davis, third to Mari-Anne Hartnett.

A unique group of social protest sculptures by Joe Rodenski took a first in the sculpture and crafts category. Chris Bragg won second and Bonnie and David Schwarting third. An honorable mention went to Jeanne Samper. Fifteen hundred dollars in prizes was offered by the Golf Mill Merchants Association, 331 artists exhibited and were rewarded by large crowds who ignored the elements to enjoy the varied displays. Judges for the event were: Judith Macomber, David Laughlin and Sidney G. Rafilson. Georgia Collett served as chairman of the Golf Mill Art Fair, one of the largest and oldest juried fairs in the Midwest.

Entertain Legionnaires Saturday

"The Shy Guys" will entertain this Saturday, Oct. 2 when the 17th annual Past Commander's and Past President's Dinner and Reunion is held at the Morton Grove American Legion Memorial Home. Formerly known as Har-old, Verne and Uncle Jess, the trio have performed for Legionnaires in the past at a Holiday Open House and Legion Ladies' Night Meeting. They present their own special brand of country pop tunes. The reunion yearly honors the two leaders of the Post and its Auxiliary who have just retired from their year in office. The pair this year are Mrs. Herman Hack and Raymond Harris. Traditionally special guests are the current heads of Post #134 and its Unit. This particular instance the duo are William Cunnally and Mrs. Francis Selzer, both formally installed in joint ceremonies last weekend. The event by invitation only to former presidents and commanders is planned by the retired leaders of the one full term past. Chairing this year's event are the 1969-70 past commander and Auxiliary Unit president, Al Nehart and Mrs. James Campanella. The evening will include a roast beef family style meal also.

Veteran's Day Dance Tickets
As is their custom, tickets to various social events sponsored by the Morton Grove Post #134 of the American Legion are usually offered only to their members first as the Post makes a "package deal" price such a good social evening that the hall capacity only must be reached for comfortableness. Presently tickets to this year's Veteran's Day Dance are available only for members, but chairman Tony La. Rosa, 8520 Frontage, says he soon will place them on sale for the residents of the community also. The post 1st Jr. Vice Cmdr., has these Legionnaires as members of his committee: 2nd Jr. Vice Cmdr. Jerry Brice, past commanders Ed Martin, Jerry De Berthier and Al Nehart; and Bernie Williams, Al Abuja and Charles Tegert. The "Fun Makers" Committee says the Saturday, Oct. 23 event, with a price of \$12 donation per couple, will begin at 9 p.m. A 5 piece band, Dick Them's Continentals, will play and a late evening buffet will be served. As in the past also, proceeds are donated to the Auxiliary Unit for their fine work in the rehabilitation field of the hospitalized veterans.

Jefferson School Children's Carnival
The Jefferson school will hold its annual Children's Carnival on Saturday, Oct. 2 from 11 a.m. to 4 p.m. at the school, 8200 Greendale. The carnival will feature many attractions including a Cake Walk, Putting Green, a Train, and a Gold Fish Bowl game. There will be prizes and good things to eat. Refreshments and lunch will be served under the direction of the Social Committee headed by Mrs. Jeanne Hazen and Mrs. Barbara Gagliardi. The entire Carnival is under the direction of the Ways and Means Committee headed by Mrs. Lella Wooley and Mrs. Judy Weiss.

Jefferson Theatrical Will Perform for OLR

The Jefferson Theatrical Society will perform for Our Lady of Ransom Church, on Oct. 15, 16, and 22, 23.

They are putting on an original production, entitled: "The Glorious Ages of Man - or - How To Grow Old Gracefully?". It is a musical comedy, and was written by the theatrical society's writing staff.

Members of the cast will be: Steve Miller, Master of Ceremonies; Marilyn Anderson, Ralph Bast, Scotty Bast, George Becker Dorothy East, Barret East, Bob Burns, Loretta Burns, Marge Beyer, Art Ennis, Pat Ferraro, Joe Foltz, Jan Foltz, Bonnie Gardner, Cwen Grandquist, Howard Herbin, Marton Johaneck, John Johaneck, Kathy Hagemann, Veda Kaufman, Rita Koepl, Ciel Keats Wayne Keats, Marilyn Miller, Betty Miller, Brad Miller, Harry O'Brien, Millie O'Brien, Chester Peterson, Chris Peterson, Marton Stiff, Martha Shuster, Gary Warner and Pat Zaehler. Scouts Thank Niles Park Board

President and Board of Commissioners Niles Park District Niles, Ill.

Gentlemen:

On behalf of the Boy Scouts in Niles, may I express our appreciation and thanks to your Board and its staff for once again helping make the scouts' summer swimming program at the Niles Park Recreation Pool an outstanding success.

The Niles Scouts used the pool for ten consecutive Sunday mornings, when the pool was not otherwise in use, and reimbursed the extra cost of attendants, thus

causing no additional financial burden on Niles taxpayers.

The swimming program was under the direction of Don Schneider of Troop and Explorer Post #45, and Ralph Kozeny of Troop #175, assisted by adult leaders and instructors from the participating 14 scout units. Niles scouts availing themselves of this program represented units sponsored by Niles Community church, St. John Brebeuf church, Oak school PTA, Our Lady of Ransom and St. Isaac Jogues churches, and many boys fulfilled their first class scout swimming requirements as a result.

In addition, some 15 Webelos Cub Scouts attained the rank of Aquanaut, swimming merit badges were awarded to 29 boys, life saving merit badges were

earned by 21 boys, and 3 completed the necessary requirements for canoeing merit badge.

Six boys completed the One Mile Swim, traversing the length of the pool, and countless boys overcame their fear of the water, all the while having fun in the process. In all, an attendance of 496 boys was recorded, with the help of 118 leaders.

The Boy Scouts of Niles thank the Niles Park District and its staff, particularly life guards Richard Ekhaus and Kevin Mulcrone, for their assistance and cooperation in making this program a success for the fifth consecutive year. We're all quick to criticize our public officials these days; when a Board such as yours does something quietly and unheralded showing its true community spirit, it is only proper

for the community to thank its Park Board, which the Niles scouts do hereby now do.

Explorer Post 73 'Alaskan Bound'

Shown above receiving a blessing from Rev. Leo Spring of St. Isaac Jogues church are the members of Scout Explorer Post #73 from St. Isaac Jogues as they prepared to embark on their Alaskan journey on June 26. The venture was financed by various fund raisers throughout the year and lasted three weeks. L. to r. are: Rev. Leo Spring, Tom Zimmlewicz, Institutional representative for Post #73, Curt Swanson, Explorer Advisor of Post #73; Jamie Zimmlewicz, Jeff Leazer, Greg Leazer, Scott Swanson, Tom Haynes, Wallace Tuten, Bill Kica and Dean Jahnke.

Upon their arrival in Fairbanks, Alaska, the members of Scout Explorer Post #73 took a plane to the Arctic Circle and were greeted there by the Scoutmaster of the Arctic Circle troop. The members of Post #73 presented an American flag and case to the scoutmaster as a memento of their visit.

Troop 428

Shown above are Troop 428's leaders: Mrs. Paul Zimmerman, Mrs. Donald Greenberg and Mrs. Larry Reiss and the troop from the American Indian Center (leader: Mrs. Loretta Hegay) at a recent cook-out at Lincoln Park.

Troop 428 had a taffy apple sale at Viola Nelson school to raise funds for the cook-out and also supplies for the American Indian Center Troop.

Uniforms donated from the Niles and Morton Grove area and the supplies were presented at a craft meeting at the Indian Center.

In appreciation for the cook-out and gifts the scouts from the center have invited Troop 428 to be their guests at a meeting of Indian customs and dances this Fall.

Celebrates 80th Birthday

It was a surprise and gala occasion when Charles E. Murray (of the Senior Citizens Bldg. at 9201 Maryland) came for a visit to the home of his daughter and son-in-law, Mr. and Mrs. Harry Gustafson at 8734 N. Ozanam, Niles. There to greet him were thirty of his relatives and friends to help him celebrate his 80th birthday.

Shown with him are his grandchildren and great-grandchildren (l. to r.) back row, Jeff, John, Beverly Brady, Charles Gustafson and Jay Brady. Bottom row, John Brady, Evelyn Gustafson, Charles E. Murray, Harry Gustafson and Jodi-Sue Brady.

Dist. 71 Free Lunch Policy

Niles Elementary School recently announced a free and reduced price lunch policy for Dist. #71 school children unable to pay the full price.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches

Maine East National Merit Semifinalists

Congratulations are in order for 33 Maine Township High School students who have been notified that they have been named Semifinalists in this year's National Merit Scholarship Program. In addition, 79 other Maine students have been named Commendation Winners.

Semifinalists named by the Merit Program are considered among the nation's most intellectually able high school seniors constituting less than one percent of the graduating seniors in the country. Commendation Winners are in the upper two percent of the nation's graduating seniors, scoring just below the Semifinalists on the National Merit Scholarship Qualifying Test given last February to more than 650,000 eleventh grade students.

Maine East's Semifinalists are: Joseph Alper, 7337 Lyons, Morton Grove; David Brown, 7838 Foster ave., Morton Grove; Ronald Burton, 9058 Church st., Des Plaines; Lea Meine, 8843-B Robin dr., Des Plaines; Marcy Seal, 1816 Marguerite Terrace, Park Ridge; Carole Shapiro, 9228 N. Maple ct., Morton Grove; James Stockfish, 7503 Foster ave., Morton Grove; and Jeannine Stolton,

Dist. #63 Free Lunch Program

East Maine School Dist. 63 announces the establishment of a policy to determine children eligible to receive free or reduced price lunches. The school district has long recognized the need for helping meet the nutritional needs of students.

The charge to students who can pay is 40¢ daily. However, since some families may find it difficult to pay the full price for their children, the school will provide these lunches free or at a reduced price to those children determined eligible. James E. Bowen, Business Manager, is the authority responsible for making determinations.

Families who believe that their children may be eligible for free or reduced price lunches are urged to apply. Copies of the application form and information regarding procedures for application were sent to parents on the first day of school. Additional copies may be obtained or the complete district policy may be reviewed by any interested person at 8320 Ballard rd., Niles. The completed application, signed by an adult family member, should be sent to James E. Bowen, Business Manager, 8320 Ballard Road, Niles, Illinois 60648. Such application will be reviewed within ten days and the family will be notified in writing of the decision made. Information provided on the application will be held in the strictest confidence. Decisions for approval will be based primarily on the family income level according to a National guideline used by participating schools throughout the United States and prescribed by the Secretary of Agriculture.

Any unusual circumstances of hardships which affect the family's ability to pay for the lunches will also be considered. If a family is not satisfied with the decision made regarding their application, they may appeal the request to Frank Dagne, Superintendent of Schools, who will review the application to try to make satisfactory arrangements.

M.E. Soccettes Chosen

Maine East women have found their place in the boys' soccer team. Perhaps you may have seen them running up and down the sidelines of the soccer field during games. They are Maine East's very own soccettes.

Varsity soccer coach Robert Dolaske remarks that the soccettes have a very important job. "Many important seconds can be lost throughout the game when players have to run after balls which go over sidelines. The soccettes aid both the referees and team members by retrieving and flagging down balls which go out of bounds."

Notre Dame National Merit Semifinalists

The Rev. Donald Haycock, CSC principal of Notre Dame High School, Niles has announced that two students enrolled at Notre Dame have been named Semifinalists in the 1971-72 Merit Scholarship Program.

The Notre Dame students are John W. Grow, son of Mr. and Mrs. Fred J. Grow, Niles and Richard P. Steinken, son of Mr. and Mrs. Fred Steinken of Des Plaines.

Grow and Steinken are two of approximately 15,000 semifinalists appointed in the scholarship competition. They will compete for some 3,000 Merit Scholarships to be awarded in 1972. The Semifinalists were the

highest scorers in their states on the National Merit Scholarship Qualifying Test, which was given last February to more than 655,000 students in about 16,800 schools nationally. They constitute less than 1% of the graduating secondary school seniors in the United States.

Terry R. Senf

Specialist 4 Terry R. Senf, son of Dr. and Mrs. O. R. Senf of Morton Grove, has recently completed his tour of duty with the Signal Corps of the U.S. Army in Viet Nam. He has returned home to Morton Grove and will return to college this Fall.

Manager Government...

Continued from MG P.1

prove municipal management. The Board supplies to the ICMA, information about the village and the qualifications it desires for its manager. Interested applicants apply directly to the Village Board, which selects a manager who meets their qualifications and with whom they can work harmoniously.

Qualifications for a manager usually include a college degree in municipal management or its equivalent. Experience in city management, as an assistant to a manager of a large city, or as manager of a smaller community, also is a desirable qualification for manager candidates. This background and experience makes sense when hiring a manager. Just as we hire a Sanitarian who has training and experience in Public Health, or a Building Commissioner who has

an engineering background, so we need a manager who is qualified in overall municipal management.

A professional manager, coming from outside the village, has no local political ties. He hires department heads on the basis of merit and fitness, and is responsible through them for the efficient operation of village services. Other duties include preparation of the budget for the approval of the Trustees. He has no vote in Council Meetings, but makes recommendations to the Board on the needs of the village as he observes them in the course of his daily work.

One of the commonest misconceptions of the Manager Plan is the belief that the manager will fire a lot of village employees. Mr. Robert H. VanDeusen, Village Manager of Glenview, pointed

ed out in a telephone interview that a manager must win the support and cooperation of village employees. He can't build a loyal and enthusiastic team by wholesale firing. The National Municipal League confirms this in its publications endorsing the Manager Plan, and points out that municipal employees benefit by improvements in personnel practices.

Some citizens also question the fact that a manager works without a contract. The professional manager's Code of Ethics specifies that managers do not have contracts, maintaining the total accountability of the manager to the elected officials. As in business or corporation, the employee must do a satisfactory job or he is replaced.

Fears that village government will become impersonal and unresponsive to the individual citizen and his problems are also groundless. In fact, the Manager Plan makes problems about routine village services more quickly correctable. Citizens continue to contact individual Board members and to attend Board meeting to make their suggestions or ask questions.

Thus, the Manager Plan brings modern management to the village, while maintaining the policy and planning goals of the citizens as expressed through their elected officials.

Open House...

Continued from MG P.1

The Officers and Men of the Morton Grove Fire Department extend their most cordial invitation to all the residents of the area to attend the Open Houses on the 3rd. They will present a program which should prove interesting and informative to all age groups. The theme will be to make the residents fully aware of the many and varied services which are available to them from the Fire Department and to acquaint them with the well trained and willing men who are a part of the first line of defense for the Village.

Seek Oratorical Contest Entrants

Rules and regulations for the 1972 American Legion Oratorical Contest have recently been announced. Once again Morton Grove American Legion Post #134 is looking for participants to represent them in the 7th Dist. contest to be held in January of 1972.

Last year, Joel Levin, 7932 Lake st., Morton Grove, a student at Maine East, was Post #134's representative. Joel won the county and State of Illinois contests and competed in the Regional Finals in Louisville, Kentucky. In addition to various scholarships, he also received the Gold Scroll Award from the Readers' Digest Association and a trip to Philadelphia for presentation of the award.

The local program is under the direction of Post #134 Americanism Officer Ralph Hintz, 5607 Carol. For more information, contact him at YO 5-3090. The heads of the Speech Departments of any of the local high schools will also furnish additional information.

Students may be girls or boys, and do not need to be a Morton Grove resident or have any family affiliation in the Legion.

M.E. Soccer Results

By Howard London

On Sept. 15 Maine East's varsity kickers exploded onto the 1971 soccer scene with the fury of a volcano as they erupted for 5 goals in a 5-2 victory over Taft. Russ Anderson and Chiraskid Chalyadej scored 2 goals apiece while Amon Benjamin booted a single goal for the explosive Maine East squad.

On that same day the Maine East sophomores lost to Proviso West 3-1 with Bob Gullberg scoring the lone goal in a losing cause.

Then on Sept. 18 Maine East's varsity and sophomore teams treated an enthusiastic home crowd to a thrilling double sweep over powerful Evanston teams.

The varsity surprised the fast-moving Evanston team as they upset the former state champs by a 3-2 margin. Evanston who had not lost in their last 30 ball games took an early 1-0 lead. A suddenly aroused Maine East team retaliated with goals by Ed Briggs and Jerry Marcus to give Maine a 2-1 halftime lead. Early in the second half, Mike Strahler ripped a 30 yard blast over a leaping Evanston goalie to increase Maine's lead to 3-1. Evanston scored again late in the fourth quarter, but Maine East

stubbornly held on for a hard-earned victory.

The sophomores led by Louis Massong and John Divita whipped a tough Evanston squad for a 2-1 win.

The freshmen and j.v. squads hosted Niles West on Sept. 16 and the frosh were defeated 1-0, but the j.v. team salvaged a 1-1 tie on a goal by Steve Ludkowski.

On Sept. 18 the freshmen battled Evanston to a 2-2 tie on two goals by Charlie Sellergren. The junior varsity lost by a score of 1-0 despite a fine performance by goalie Jeff Lundius.

Shown above Maine East's Ed Chalyadej dribbles ball in for a score while a Taft defender attempts unsuccessfully to stop him. At the Sept. 15 soccer meet against Taft, the Maine East varsity won 5-2.

Gridders Lose to Forest View, 16-0

by Jim Fujimoto

Maine East's 1971 opener was not as successful as the previous year's, with the Demons coming out on the short end of a 16-0 score at the hands of Forest View's Falcons. Coach Al Eck's varsity gridders put up a fine defensive effort, though they lacked any offensive punch.

Forest View received the opening kickoff, but was unable to sustain a scoring drive. The Demons took over and, with the Falcons expecting a barrage of passes from Maine's new double-slot offense, they proceeded to grind out good yardage on the ground, due mainly to the rushing of Mike Kan and Bob Lloyd. A pass to John Wolff accounted for another Maine first down, but the drive stalled and Bruce Hoefnagel's try at a field goal was deflected. The first quarter ended in a scoreless tie.

Maine's John Wolff gave the home crowd something to cheer about when he outran three Falcon defenders en route to an 87 touchdown punt return that

was nullified by a clipping penalty. The Demons could not sustain any kind of offense in the fourth quarter either, and the game ended with the Falcons still on top, 16-0.

The statistics showed Forest View's superiority on the ground, with the Falcons running up a total of 169 yards rushing to Maine's 61. But Demon quarterback Greg Maloney completed 10 out of 14 passes, including a 35 yarder to Jim Cromer. The Falcon quarterback was only able to complete one of six passes against a fine Maine defensive secondary led by captain Guy Buck. However, Forest View took advantage of the breaks it received and consequently won the game.

The varsity gridders showed promise at times, but will have to come up with an inspired effort in order to defeat either LaGrange or this year's Homecoming opponent, Downers Grove North, on Oct. 2.

Maine East Cross Country Meets

by Bill Wilson

The harriers of Maine East continued to dominate the cross country circuit by winning three meets last week, thus solidifying their rating of best in Illinois.

During what was considered to be their hardest week of the season the Demons runners came thru in their best style and out ran

York, 23-32. Rick Phalen won with a time of 13:00; York runners ran second and third, while Mike Seifert, John Lovasz, Gary Marshak, and Jim Molezzi rounded out our score. The Dukes of York had a second-in-state rating and ran "their best race of the year" according to the team members.

With barely one day's rest, the boys over-ran LaGrange by a score of 19-36. Again Phalen defeated everyone, with a time of 12:53 for 2.75 miles. Seifert was second, Marshak was fourth, followed by Lovasz. Jim Molezzi finished our scoring by placing seventh.

Finally, two days later, at the Ottawa Invitational, they capped their week off by winning the race by 108 points less than the second place team. Rick Phalen, who stayed off a strong race and excellent kick by Pat Blaney from Benet Academy, again ran in fine fashion won the race with a new course record. Mike Seifert and Gary Marshak finished fourth and fifth, John Lovasz was eleventh, and Pat Moyer was nineteenth. Thus the Demons ended their hardest week of the year with three more victories under their belts.

Ski Show at Notre Dame

Tired of summer bar-b-ques? Thinking about taking the skis out of the closet and sending them to the shop to have the bindings checked? Looking forward to the International Ski Show but leary about the crowds and the general rat race pace of the show?

Well, you have an alternative. There is another ski show and it's called "The Other Ski Show." It's happening Sunday, Oct. 10, from 5-11 p.m. at Notre Dame High school, 7655 W. Dempster, Niles.

At "The Other Ski Show" you can see the latest in ski equipment, ski fashion, and ski everything in a relaxed atmosphere. No big sales pitch. You'll go home with a headful of information about skiing, not a handful of pamphlets.

For 50¢ you can see the latest ski films, have a few beers in the Apres Ski Lounge and watch a ski fashion show. Or, you can talk to the manager of your favorite ski shop and find out why the most expensive equipment may not be the right equipment for you.

Designed to let the skier have a good time in a party atmosphere, "The Other Ski Show" will provide you with many fun filled hours.

Resale Shop

Have an old pair of skis you'd like to sell or trade in? Like to pick up a good pair of used skis at a good price? Well, if you were planning on coming to "The Other Ski Show" at Notre Dame High school on Sunday, Oct. 10, bring your skis, boots, poles, etc., and your check book. You may be able to pick up a bargain.

Added on to the fashion show which will be taking place in the APRES SKI LOUNGE for the over 21 crowd, and the ski films which will be shown throughout the show, THE RESALE SHOP, a room where you can leave your used ski equipment with a price tag on it and come back at the end of the show to find a check written out for the amount you had put on the equipment. Or, from 5-11 p.m. you can go bargain hunting and hope somebody has that certain pair of skis you're looking for.

All of this is taking place at "The Other Ski Show," Sunday, Oct. 10, from 5-11 p.m. If you have an extra 50¢ bring a friend.

Pop Warner Jr. Football

The Pop Warner football teams began their season against the Hyde Park Rams Sept. 12 at Jozwiak park. The home opener was marred by a 19 to 7 defeat for the Midgets and a 19-0 defeat for the Jr. Bantam squad.

The midgets lone T.D. was set up by a 30 yd. pass from Mike Babcock to Jeff Hill on the Rams' 7 yr. line. Two plays later Babcock scored on a Q.B. sneak. The extra point was scored on a run by Ron Silva.

The Bantams, though held scoreless, had one serious threat on their first offensive series after the half. Trailing 6 to 0 Q.B.'s Rea and Smigel with hard running by Laurie, Deutsch and Sarantoni moved the team to the Rams 1 yard line, however, two

successive penalties killed the drive and their scoring for the rest of the afternoon.

Hockey League

The Morton Grove Park District is opening registration for boys 17 and 18 years of age interested in entering a team in the Niles Hockey League.

Registration will be \$60. per person which will include an 18 game schedule on Sunday evenings at the Niles Ice Rink.

Anyone interested in registering on the Morton Grove Park District team may register at the Park District office from 9 a.m. to 12 noon and 1 p.m. to 5 p.m. Monday through Friday. The deadline to register will be Oct. 15.

Fire Prevention Week October 3-9

FIRE HURTS is the slogan this year for Fire Prevention Week. This year marks the 100th anniversary of the Great Chicago Fire. We are reminded again that the number one cause of fires is human carelessness and that especially during Fire Prevention Week it is time to realize that a fire-free society is up to us. Shown above is Niles Mayor Nicholas Blase signing the proclamation naming the week of October 3 through October 9 officially as Fire Prevention Week in Niles. Looking on is Lieut. Gordon Nilsen, director of the Fire Prevention Bureau of the Niles Fire Department.

Salary Package Dist. 207

A new 1971-72 salary package for Dist. 207 teachers has been agreed upon by the Board of Education of the Maine Township High Schools and the Executive Committee of the Teachers' Association and has now been sent to district teachers for approval. However, implementation of the new pay scale will depend

upon provisions set forth in phase 2 of the President's wage-price freeze. The new salary schedule represents an approximate 5% increase over the 1970-71 scale. This is in addition to the annual one-step increment which is based on experience, evaluation of services and additional training. In dollars, the total increases will range between \$400 and \$890 per teacher which will be only partially realized because of the wage price freeze announced by President Nixon on Aug. 15.

The new salary schedule is the culmination of 9 months of negotiations between the Teacher's Association and the Professional Relations Committee of the Board of Education. The district has a professional staff of 769 with a total enrollment of 11,650.

denly releasing all grades of students into the community is not doing the students themselves a favor. We agree with a fellow-worker, who inferred at the meeting 13 and 17 year old students are 2 different kinds of cats.

We believe in the early high school years study halls and supervision are important. Likewise, we believe as students progress they should have more and more control over their lives. Certainly, seniors, who will be on their own the following year, should have freedom to make choices which is all a part of maturing. And juniors should have relative choices which go with their growing years.

One aspect of the conflict concerns the nature of the communities involved. Geographically, Maine South parents may have concern for the forest preserve area, which is across from their school. Roaming in this area would make many parents apprehensive and we're sure this problem should be resolved differently than at the other schools.

Planned Unit Multiples

Cont'd from Niles-E, Maine P.1

the Village Board in behalf of the homeowners to uphold the Zoning Board's denial of the construction of these units. Although Trustees Gruenwald and Peck were absent, a quorum was present and upon taking the vote, Beaulieu's request for rezoning was denied. Mayor Blase then asked Beaulieu if he had considered a B-1 Business use for this property and Beaulieu replied that "business was his ace in the hole." He said that food chains, drug chains and a cleaning store chain were interested in the property, but he had not explored any of them in detail since he had hoped to get the necessary zoning change for the condominiums. Blase then suggested that if and when Beaulieu received a definite commitment from a business interested in the property, he should meet with the homeowners and discuss this with them. The Mayor said this certainly would create good will between Beaulieu and the area residents.

In other actions, Howard Kane, regional counsel representing the J. C. Penney Co., requested authorization from the Niles Village Board to enter into a pre-amexation agreement regarding the 24.6 acres of land on the northeast corner of Golf and Milwaukee for the purpose of construction a Treasury store which is a subsidiary of Penneys. He explained the store would occupy 19 acres and that 5.6 acres would be set aside for future development. The drawing of the proposed building was exhibited for the board and audience to see and was a most attractive building. Mr. Kane stated this was "not a typical discount store" and all appliances would be name brands while the soft goods would be the private Penney brand. An extra wide center aisle would be featured which would give the appearance of a mall with the various departments on each side set up as small individual shops. There will also be a grocery store section which will feature a new concept in the handling of groceries. "Once a customer pays for their groceries," explained Mr. Kane, "they will be put on a conveyor belt which will take them to a pickup area where attendants will pick them up and place them in the customer's car.

Ken Scheel, Village Manager said the plans for the Treasury store had been checked by both the Fire Department and Building Department and found to be in compliance with the village code. Mayor Blase then questioned one of the two Penney representatives present at the meeting as to the amount of sales tax return the Village of Niles would realize from this store. The Penney representative said that based on preliminary figures, Niles would receive between \$150,000 and \$200,00 a year. He also

likewise, Maine East's concentrated traffic problems, and high density areas and shopping center areas, are a concern which should be considered. We're sure Maine North and West also have problems attendant to their areas. Thus, it would seem each school would have to regulate part of this "campus" policy.

Lastly, the students should be aware the schools reflect their communities. The Maine district has been quite conservative compared to neighboring districts. It manifests the communities it is in. Whether the atmosphere in the Maine High Schools is healthier than those in Niles Township is debatable; still, we who live in Maine feel the upheaval there is less desirable than the relative calm we have here. Yet, the problems concerning a dress code, which didn't result in radicalizing the Maine student body, and now the open campus debate, may of themselves be tenuous and superficial issues.

Tony Hubick Lions Candy Day Chairman

The Lions club of Niles is mobilizing for the Oct. 8, annual Candy Day Campaign with the appointment of Tony Hubick, 7127 Breen, Niles as the club's general chairman. Serving with Mr. Hubick, announced President Bill Wenzendorf, 1204 Grove, Park Ridge, are four committee chairmen. Heading up the manpower committee is Steve Dawiec, 7133 Breen, Niles; Jim Manousek, 8558 N. Olcott, Niles is publicity chairman, Mayor Nicholas Blase, 8424 Peter terr., Niles is underwriters chairman, and Dom LoVerde, 7540 Nora, Niles is material and equipment chairman.

The Niles Lions' goal is \$5,000 toward this year's \$800,000 statewide goal. Funds raised go toward the Lions support of the Hadley School for the Blind, Waukegan, Leader Dogs for the Blind, Rochester, Michigan, Illinois Camp Lions for visually handicapped children, Dialogue, a recorded service for the blind and Illinois Society for the Prevention of Blindness.

dle of October, at which time we may learn from them of any possible financial help we may expect from the State."

Means emphasized the reluctance of the Board to go to the public with a request for a tax levy increase, pointing out that the Board had held back over a year in setting a referendum date.

"Now we have come down to the wire," said Means. "We desperately need additional funds. The district has a cumulative debt of almost \$4,000,000. This deficit will not diminish, but will continue to grow unless we obtain more revenue for the Maine high schools. We have searched in vain for additional state and federal funds - now we must turn to the citizens of our community. Our only alternative is to drastically cut the educational quality of one of the finest school systems in the country."

Citing the substantial saving already made in the operation of the schools, Means continued, "For well over a year we have worked with our administrative members - and they with us - to conserve funds in every way possible. This, I promise, we will continue to do. But in spite of all possible savings, I see no way to cut our deficit without a tax rate increase. We are starting now to make our plans to go to the citizens with facts and figures and an explanation of our needs.

Approved appointment of Bart Murphy to the North Shore Transportation Council
Approved appointment of Sylvia McNair and Barbara Bowen to the Niles Family Service.
Mayor Blase proclaimed Oct. 3 to Oct. 9 as Fire Prevention Week.
Mayor also proclaimed week of Oct. 11 as Glaucoma Week. Trustee Ang Marcheschi noted that on Oct. 12 from 9:30 a.m. to 5 p.m. a glaucoma testing unit would be in front of the village hall for the purpose of providing residents with free glaucoma tests.
At the request of Trustee Marcheschi, Mayor Blase also proclaimed Oct. 4 to Oct. 8 as Lions Candy Days and Services Days.
Agreed to handle bidding for traffic light at Ballard and Milwaukee at request of State of Illinois. State will pay total cost for traffic light.

Kauffman - Nelson Nuptials

Nancy Kauffman, daughter of Mr. and Mrs. George Kauffman of Niles, became the bride of Lt. Bradley Nelson, son of Mr. and Mrs. Theodore Nelson of Rock Island, Illinois, at 4:30 p.m. on Aug. 7. The Rev. Donald Rydbeck of San Leandro, California, uncle of the bridegroom, officiated at the ceremony in St. Andrews Lutheran Church, Park Ridge. The bride's gown was of silk organza, scattered with pearl and lace appliques, styled with lantern sleeves, illusion neckline and cathedral train trimmed in lace. Her pure silk illusion veil was attached to a headpiece of lace flowers and she carried a colonial bouquet of white carnations, white garnets, lilies of the valley and baby's breath. The "something old" was a 53 year old lace handkerchief from her grandmother.

Kathleen Kauffman, sister of the bride, was maid of honor. Bridesmaids were Leanna Nelson, Rock Island, sister of the bridegroom, Mrs. Dave Sauer, Wheeling, Mrs. Charles Stahlman, Kenosha, Wisconsin. All wore sleeveless beau ganza gowns in Nile green, trimmed with white floral embroidery. They carried colonial bouquets of green tinted poms and white daisies. Mark Wilgus, Wauwatosa, Wisconsin, was best man, Lee Nelson, Rock Island, brother of the bridegroom, Joseph Nelson of Boston, Massachusetts, and John Anderson, LaGrange, Ill. were groomsmen.

A reception was held at the Marriott Hotel, after which Lt. and Mrs. Nelson left for Columbus, Mississippi where the bridegroom is in jet pilot training with the Air Force.

The bride was graduated from Niles West High School and Carthage College, Kenosha, Wis., and has been teaching first grade in Waukesha, Wis. Lt. Nelson is graduate of Rock Island High School and Carthage College.

A boy, Mark Richard, was born on Sept. 7 at Lutheran General Hospital to Mr. and Mrs. Wayne L. Robinson, 8447 Oak ave., Niles. The new baby weighed 6 lb. 14 oz.

A boy, Justin Michael, was born at Lutheran General Hospital on Sept 7 to Mr. and Mrs. James M. Singer, 9588 N. Terrace place., Des Plaines. The new baby weighed 7 lb. 6 oz. at birth.

A girl, Julie Ann, was born on Sept. 9 to Mr. and Mrs. Frank R. Lemanski, 7010 Niles Terrace, Niles. The baby was born at Lutheran General Hospital and weighed 6 lbs. 3-1/2 ozs. at birth.

A girl, Jennifer Ann, was born at Lutheran General Hospital on Sept. 10 to Mr. and Mrs. Robert M. Geary, 9116 Cumberland, Niles. The new baby weighed 7 lb. 8 1/2 ozs.

A boy, Todd Jeffrey, was born on Sept. 12 at Lutheran General Hospital to Mr. and Mrs. Robert A. Metler, 9232 National ave., Morton Grove. The new baby weighed 7 lb. 12 oz.

Peter Pan Playhouse

Two drama teachers turned suburban housewives are returning again to past pursuits as they re-open Peter Pan Playhouse for the third consecutive year. Mrs. Judi Temarkin and Mrs. Ellen Hoffenberg, co-directors of the playhouse, ask, "Have you heard about the Peter Pan Principle? That principle asserts that there is a relationship between the arts, simple enough to be understood by four year olds, challenging enough to be practiced by teenagers, and fun enough for your children."

Included in the program are puppetry, music interpretation, acting out nursery rhymes and children's stories, pantomime, improvisation and costuming.

The playhouse is located in the north suburban area. For further information please phone 724-4462 or 634-0453.

Legion Auxiliary Holds First Meeting

The Morton Grove Unit #134 of the American Legion Auxiliary recently held their first meeting of the Fall year. Opening the session was Mrs. Herman Hack, the retiring president.

Girl's State Representative Catherine Kopinski told of her summer experiences on the campus of Mac Murray college while participating in the week's leadership course. The convention report was given by Mrs. William Cunnally, 1st vice president-elect. Mrs. Cunnally, last year's historian, read the Unit history which was greatly enjoyed by all. Then followed the installation of new officers. Mrs. Ed Lange,

former 7th Dist. president and past president of the Morton Grove Unit was the installing officer. Mrs. Clarence Ross, another Morton Grove past president, performed installing duties. The 7th Dist. is composed of a dozen Auxiliary Units on the north shore area of Chicago and the suburbs. Mrs. Francis Seizer was installed as the president. Although formal ceremonies are held jointly with the Post, tradition has it that when the Unit holds a meeting in September prior to the weekend installation services, a separate installation is held for the members.

Niles Elementary PTA Meeting
