Describing Niles new park manager, Helmut Dressler, the phrase "a take charge guy" was the phrase most often mentioned to describe him.

In Morton Grove this past week two trustees, Houndt and Hilken, both publicly announced they opposed the upcoming village manager by referendum action which will go before the voters in early November.

Unrelated as the two news items seem to be, they're really out of the same bag. It can be assumed with fair accuracy the resistance to a village manager may be he too is a "take charge guy".

Perhaps one of the most difficult areas in public official-employee relationships is in the amount of authority the hired hand has. It seems to be the major stumbling block in Niles Park District, which has had 6 park directors within the last 6 to 10 years. And its the same stumbling block which has prevented the long-discussed village manager from taking his rightful place in our communities.

Perhaps one of the main problems concerning this area is the men who man our public offices or just working stiff, like the majority of us. As since most working stiff have to sweat for every buck they earn, they have a difficult time

Senior Citizens Commission

The newly organized Niles Senior Citizens Commission recently held its first meeting at the Village Council Chambers. All seven commissioners were present. They are Hal Golden, chairman; Barbara Borowski, secretary; Alfred N. Martin, President of the Huntington Social Club; Walter C. Scheribel, President of the Senior Citizen Club; Edna Guarin who is being replaced by Irene Felchner as the new president of the Grandmothers Club; Todd Bavaro and Anthony J. Scariati.

They reviewed certain areas which will enable them to assist the senior citizens of our community. Some of the topics under discussion were as follows:

TRANSPORTATION: This seems to be the utmost problem for the senior citizens of Niles. The commission will seek volunteers from various organizations in the Village, or private individuals who can give of their time to drive our senior citizens to certain destinations, such as, to religious services, doctors, etc. Public transportation, at this time, cannot provide for

OK DRESSLER FOR NEW PARK POST

The hiring of Helmut Dressler as general manager of Niles Park District at a \$15,500 salary was effected Saturday at a special executive meeting of the Niles Park Board. Dressler replaces Webbs Norman, who resigned as director of recreation and maintenance, after serving 18 months in the district. The Norman resignation was part of a wholesale resignation in which three recreation men quit the park district during the past month. It is expected the park board will also select an ice manager for the new ice rink at the Ballard Sports Complex as well as a manager for the Grennan Heights Gym.

The Dressler appointment ties together the loose seams of a park district which gave indications of falling apart. The mass resignations of the recreation men, plus the difficulty in the district receiving a bank commitment for \$250,000 in revenue bonds for completing the Ballard Complex, placed a great burden in the district. The overnight burgeoning of the district from a limited park facility into a multi-facility district placed strains in the district, which led to the money problems, which in turn caused the recreation people to seek other employment. Thus, a district with many facilities suddenly found itself burdened with money problems to complete its

Prior to the Miami post he was in charge of recreation and park land in a retirement project in Florida.

Dressler becomes the 6th man to head Niles Park District's programs during the past decade. One of the major problems which have confronted past heads of the park programs has been their lack of autonomy. The inability of park board members working with hired directors has caused this abnormal turn-over of personnel.

program, but had no one to man its major recreation stations. The hiring of Dressler hopefully will bring the district together.

For the past three years Dressler has been employed in the Wilmette Park District as its superintendent. He submitted his resignation about 2 months ago effective Nov. 7. He had been the top park administrator there until last Spring when the Wilmette Park Board hired a new director of parks. Dressler has strong background in maintenance and other park areas.

Prior to work in Wilmette he was employed as superintendent for the Miami park system. He supervised more than 250 maintenance workers. He worked there for two years, losing his job to another assistant director who had seniority in the district, and replaced Dressler during a budget squeeze.

Prior to the Miami post he was in charge of recreation and park land in a retirement project in Florida.

Lions Candy Day Friday

Niles Mayor Nick Blase signs the proclamation that officially makes the week of Oct. 3 through 9 Lions Week for the Visually Handicapped, with

Oct. 8 designated as Candy Day for the Blind. With Blase are Niles Lions Club members (from l.) Tony Hubick and Jim Matousek.

Community Services Offer Info to Residents

Village Clerk, Frank C. Wagner, Jr., has recently been appointed the Director of Community Services. The purpose of this new office is to provide information to residents in making them aware of the many Village, county, state and federal services that are available to them. This office shall also provide and disseminate information from various public and private agencies that serve the Village of Niles.

The new office will be open from 9 a.m. to 5 p.m. every Wednesday, and will be located in the Administration Building,

7601 Milwaukee ave. In addition, the office will also be open from 7 p.m. to 9 p.m. every Friday in the Police Building, 7200 Waukegan rd.

One of the main functions of this office will be to assist residents by giving them information and to advise as to what department or agency to approach for the solution of a particular problem or situation. This office is one of the first of its kind in the immediate area. Once again, the Village officials display the progressive attitude and interest they have in its citizenry.

N.Y. Times Praises N.D. Melodons

John Wilson, music critic for the New York Times, had high words of praise for the performance of the Notre Dame High School Melodons at their recent appearance in the Concert Hall of the John F. Kennedy Center for the Performing Arts.

The Melodons in the first jazz program to be presented at the Kennedy Center performed a variety of jazz styles that was characterized by Wilson as "the most adventurous program" of the evening. In describing the Melodons' segment he went on to state that "this band was not locked into any jazz style or period."

The first concert of the House of Sounds Festival produced by Willis Conover of the Voice of America featured four big jazz bands: Count Basie, the Al Cohn N.Y.-D.C. Band, the Towson State College Band and the Melodons of Notre Dame High School.

Basie sought out Bob Green, solo signer with the Melodons, after the concert and said, "You were just wonderful." Green's partner in Chicago's "Ballet" dancer Donna Tolosko was surprised while standing in the wings after some brilliant and emotional dancing in this major Melodons production number when Basie came up behind her, slipped his arm around her waist and whispered, "That was just beautiful, honey."

The Melodons, under the direction of the Rev. George Wiskirchen, C.S.C., made the trip to Washington under the sponsorship of the Kennedy Center. Their performance was taped for future world-wide broadcast by the Voice of America network.

Notre Dame High School, Niles, Glenview, Morton Grove, Park Ridge, Des Plaines, Skokie, Chicago and the State of Illinois can well be proud of the singular honor bestowed on the Melodons and of their representation of their school, communities and state at the John F. Kennedy Center for the Performing Arts.

Local members of the Melodons from Niles are: Henry Bleniek, 7124 Lill, John McCarthy, 7047 Grennan Pl, Richard Pask, 7953 Octavia, Michael Merchut, 8150 N. Farnsworth dr., and John Redman, 7614 Neva.

Other members from Morton Grove include: Bernie Bauer, 9429 Ozark, Marty Vinci, 7735 Churchill, Scott Beutler, 9243 N. Marlon and Don Moran, 7530 Beckwith and also Bob Mattison, 9120 Delphia of Des Plaines.

Coin Show

Oct. 10 is the next date for the Chicago Coin Bourse at the Leaning Tower YMCA, 6300 W. Touhy ave. Hours are from 10 a.m. to 6 p.m. There is no admission charge and plenty of free parking.

Fifteen experts will have exhibits on display including the new Eisenhower Dollar. A free appraisal and identification service will be offered for any coins, medals, tokens or paper money presented. All persons interested in coins are cordially invited to attend.

CHURCH & TEMPLE NOTES...

Lutheran Church of Resurrection

"The Gifts of the Reformation" is the theme of a month-long emphasis on the heritage of the Lutheran church being presented at Lutheran church of the Resurrection, 8450 N. Sherman rd., Niles, beginning Oct. 10.

The Reformation emphasis will consist of three Sunday evening programs and a celebration on Reformation Sunday morning and afternoon, Oct. 31.

The feature-length movie "Martin Luther" will be shown

on Sunday, Oct. 10 at 7 p.m. to kick off the series. "The Gifts of the Small Catechism" will be the theme of a talk and conversation led by the pastor of the church, Rev. Paul A. Tidemann, on Sunday, Oct. 17, 7 p.m. "The Gifts of Lutherans in America" will be highlighted on Sunday, Oct. 24, in a presentation by Rev. Dr. G. Everett Arden, dean of the graduate school and professor of Church History at Lutheran School of Theology at Chicago.

The community is invited to participate in these events throughout the month at Lutheran church of the Resurrection. There will be an opportunity for discussion and questions for those interested in learning more about the Lutheran church.

St. John Lutheran

The new "Pastors Adult Class" of instruction and information on teachings of the Lutheran church, will begin on Thursday, Oct. 7, at 8 p.m., at St. John Lutheran church of Niles, 7423 N. Milwaukee ave. Anyone may attend. There will be 14 sessions. The theme this year will be, "That I may know him." There is no charge or obligation to join the church involved, however, after completion of this course, interested persons are invited to become members. For further information, call Pastor Bussert, 637-9867. Should the first session be missed, come to the next Thursday's session.

Maine Township Jewish Congregation

The concluding days of the Sukkot Festival will be observed at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, with a full schedule of special religious services.

Niles Lion Club - Glaucoma Week

William Wetendorf, President Niles Lions club, announced recently that a screening to discover unsuspected cases of glaucoma will take place in Niles on Tuesday, Oct. 12, from 9 a.m. to 12 noon and from 1:30 p.m. to 5 p.m. A mobile unit professionally staffed and operated by the Illinois Society for the Prevention of Blindness will be stationed at the Village of Niles Administration Building, 7601 Milwaukee ave. and the screening will take place at that location. The project is sponsored locally by the Niles Lions club.

Once again a mobile glaucoma screening unit has been brought to this community and local residents are urged to take advantage of this unusual opportunity to have their eyes tested for glaucoma. The test will be given without charge to all residents of the area who are 35 and over.

The purpose of the screening is to find unknown cases of glaucoma which can lead to blindness if now discovered and treated promptly. The test is painless and takes just a short time to complete.

Letter to the Editor

Roses for the Police Blotter

Dear Editor:

Thank you for resuming the Police Blotter. I was on the verge of a letter to you requesting its reinstatement several times. Even tho' it is limited to Niles, it does give us all a better idea of what is really happening around us.

If other local papers were wise (and courageous) they'd follow you.

Sorry About That!

Dear Editor:

We are sorry that the following contributors were not included on page 64 in the "Know-Your-Town" booklet, recently received by Niles residents.

The industries are: Barr-Stalport, Grainger, Inc., Warwick Electronics, Inc., and Wilson-Jones.

Without their support, this booklet could not have been completed and we regret this technical error occurred.

Sincerely,
League of Women Voters of Morton Grove-Niles

Leukemia Fund Rummage Sale

Children's Leukemia Chapter, of the City of Hope, is planning a two-day rummage sale. It will be held at the Niles Park District, 7877 N. Milwaukee ave., Niles, on Saturday, Oct. 16 between 12 noon and 9 p.m., and continues thru Sunday, Oct. 17 from 10 a.m. until 2 p.m. The group will be selling clothing, small appliances, furniture, games, toys and other merchandise.

Citizens Work for Referendum

The Modern Government for Morton Grove Committee is drawing enthusiastic support from many citizens in Morton Grove as the Nov. 2 Manager Referendum nears. Among those endorsing the Council-Manager form of government is Trustee Ed Brice. A long-time resident of the village and recently re-elected trustee, Mr. Brice points out that trustees in Morton Grove have long been aware of increasing problems, but they need the professional "know-how" of the manager to assist them in finding solutions in the best interests of all the villagers.

Trustees David Cohen, Martin Ashman, and Richard Hols are also working actively in the campaign for voter approval of the Manager Referendum, as is William Kramer, 5800 Washington. A Citizen's Party candidate for village trustee last year, Mr. Kramer stated, "If you had a good village manager, you'd have more efficient and economical government. It's as simple as that."

Mrs. Richard A. Parmelee, 7450 Davis, a professional consultant on Personnel Administration to cities, counties and states, supports the Manager Plan because she is concerned by the lack of long-range planning under President Trustee government. "The increased complexity of municipal functions requires more than part-time trustees," says Mrs. Parmelee. She pointed out that the defects of President-Trustee government may not be apparent when village population is only 5,000, but are becoming increasingly obvious in recent years. Mrs. Parmelee expressed the hope that villagers could see beyond the regular pick-up of garbage to the more important long-range need to maintain in Morton Grove the kind of residential quality which makes Morton Grove an attractive suburb.

Another resident active in village affairs, Alvin Friedman, 7317 Foster, endorsed the Manager Plan, saying, "It is the modern, business-like way to govern. Citizens will get better service at less cost."

Village Manager Opponents Forming in Morton Grove

The ground swell of opposition to the Village Manager form of Government found its leadership recently in the announcement that a Committee of Opposition is being formed to urge the residents to vote "No" in the Nov. 2 Referendum.

Co-Chairmen of the newly formed non-partisan group are Village Trustees John Hilkin and Herbert Houndt. The drive is being coordinated by former Trustee Edward Wilander.

"Information provided the voting public thus far has made this a one-sided issue in favor of Village Manager," say Co-Chairmen Hilkin and Houndt. "We intend to present the other side of the story to the taxpayers of Morton Grove and the many reasons why the present system offers decided advantages to all taxpayers."

Further details and a full policy statement will be issued this week.

FOOTBALL

The Queen and her Escort

Maine East Homecoming Queen, Elaine Carlson, and her escort, Neil Rosenberg, promenade around field during halftime ceremonies.

Demons in Action

Running back John Wolff turns the corner for a substantial gain in the Saturday Homecoming game at Maine East. However, plays like this were too few for Maine East as they lost to the Downers North Trojans 55-2.

The Demons only score came early in the second quarter when A Trojan back was trapped in his own end jone for a safety. The game was still within reach at the half when Downers North led by 14-2. As the second half started the Demons showed a bried display of potential on defense but when they faltered the Trojans just overpowered them scoring six more touchdowns.

The winning float in the Homecoming parade was designed and built by the Senior class of Maine East High School. The float depicts King Midas presenting a Maine East football player with the 'touch of victory.'

Actions Taken by District #63 Board

The East Maine School District #63 School Board, at its regularly scheduled Board Meeting held on Sept. 21, took the following actions:

.....Approved the appointment of two clerical positions: one for Gemini School and one for the Central Administration Office.

.....Approved the revisions on the free and reduced price lunch policy. The original policy was approved by the Board of Education on January 12, 1971. The revisions are as follows: Deleting the Assistant Business Manager as the agent; adding the Business Manager; and deleting the Business Manager as the appeal agent, and adding the Superintendent; and changing the number of days for consideration of the application from five (5) to ten (10) days.

.....Unanimously adopted the approval of tax levies for 1971 taxes. The District requires the sum of \$3,258,000 to be levied as a special tax for educational purposes, and the sum of \$675,000 to be levied as a special tax for

building purposes, and the sum of \$115,000 for transportation purposes, and the sum of \$90,000 for working cash purposes, and the sum of \$256,500 as a special tax for Illinois Municipal Retirement Fund purposes, the sum of \$5,970 for fire prevention and safety purposes, and the sum of \$36,000 to be levied as a special tax for special education purposes on the taxable property of our school district for the year 1971.

.....After careful review of a report about a hearing on rezoning, given by Jerome Robbins, Attorney for the District, the Board directed the school attorney to file formal objections to the planned unit development at the northwest corner of Ballard Road and Delphia Ave. and on the east side of Potter Road, approximately 30 feet north of Dempster Street, Cook County, Illinois. The Board's action is based on increased density of traffic, failure to provide sidewalks and proper safety means to control vehicular traffic coming in or out of the proposed project.

a letter which was to be sent out to the citizens informing them of the issue in the coming referendum. After hearing the letter Mayor Bode said he felt that the letter should mention the duties of the Village Administrator and John Hilkin agreed stating that he felt our funds should not be used to send out a mailing such as this. Herbert Houndt said he felt that a letter stating pros and cons of the Village Manager issue should be the only kind sent out by this board. The matter will be further studied by board members. Mayor Bode mentioned that the Open House held by the Fire Department last Sunday was a huge success. The mayor then proclaimed Oct. 22-29 as Niles Township Mental Health Week. Mr. Victor Walchick from the C.H.A. was present and told those in attendance that "If a community has sufficient interest in a program for Senior Citizen Housing we could probably support this and submit an application to HUD." Jim Dahm, Act. Supt. of Public Works said that all trees under the 50/50 replacement program have not been sold. Ed Brice announced that the police

department will continue its program with the Park District for pre-schoolers. Mr. Brice also said that 8 men qualified on the exams for the Police and Fire Departments. Phillip Makoola and James Halas were chosen by the Police Dept. David Cohen reported \$22,468.95 for our August State Income Tax allotment. The Sales Tax for June was 6,967.87 and \$154,918.57 was received for General Property Taxes.

John Hilkin told the board that Dr. Karl Moore, head of our Air Pollution Commission was at Holy Family Hospital suffering from a heart condition. Mr. Hilkin also announced that the Beautification Committee would meet at the American Legion Hall on Oct. 6 at 8 p.m. There was a joint meeting of the Sign Ordinance Committee and businessmen which Hilkin called very rewarding. Trustee Hilkin said that there were 21 Health inspections made in Sept. and that 8 dog bites were reported last month.

adjusting to hiring an employee who will be making more money than they do.

Up and down the North Shore nearly every community there has had village-manager governments-by-referendum for many years (some dating back to the '90s). The public officials there, many who are high-salaried professionals, are most pleased they are able to hire a manager who relieves them of many burdens. Certainly, the high salaried public officials don't have time to spend several nights weekly attending village or park functions. They're involved in a myriad of other activities, and devoting 1 to 4 nights a month in the public sector is all they care to handle. Simply, they're willing to pay a substantial salary to a professional manager or park director or manager, who can run the district with some authority. He is given the authority he needs to make decisions without having to contact the elected officials on each decision. And it gives the public officials the chance to do the job they're elected to do . . . legislate and administer.

In both Niles and Morton Grove, we used to see public officials get involved in the everyday mundane activities of the individual departments. And as late as two weeks ago, we saw two Niles park board commissioners working in the district offices there. And while they spend much time and effort in these areas, they're not serving their function by undertaking work which is outside their province.

On the Niles park board Walt Buesse is deeply committed to the upcoming ice hockey rink and

its accompanying program. He spends hours and hours working toward the program there. And while his hard work must be admired, nevertheless what he doesn't understand is while he spent so many hours in this area, the entire park district was in jeopardy of going down the drain.

It seems the primary function of public officials is to create policy which should be carried out by those they hire. It's the mark of leadership to be creative, and have this policy administered by people who are paid to make it work. It is not leadership, when public officials don their work clothes, and dig into areas which should be left to those hired for the job.

Regarding paying high salaries for those carrying out policy, public boards which have low-salaried public officials tend to hold down the salaries of those they hire. In so doing they're lessening the efficiency of the district they're running, and the inevitable turn-over of personnel does not bear well.

While no man should be measured by the amount of money he makes, nevertheless, when competing for top professional people, whether in the school, park or village districts, the most able people will be reaching for the top dollars. There really is nothing to hold them to a job, if a comparable district is holding out higher salaries for the same job. And if the public officials hesitate paying these higher salaries, because they may exceed their own salaries, then the public district they represent is being short-changed.

the complete needs of our senior citizens and it must be remembered that these people cannot afford the luxury of tax cuts. The commission is also exploring other avenues of transportation.

MERCHANDISE DISCOUNTS: The possibility of obtaining discounts on merchandise, commodities, and recreational admissions will be sought for our senior citizens. Some of the discount items needed are medicines, food products, theater passes, etc. Those businessmen willing to cooperate are asked to contact the commission. It should be noted that the Village of Niles, two years ago, reduced the price of its vehicle sticker to \$5 for any citizens 62 years of age or older.

The commission was designed to serve all senior citizens of the Village and will attempt to make these citizens aware of its activities. If you know of any senior citizen who is not aware of this new commission, call telephone #967-6100, or write to the Niles Senior Citizens Commission, Administration Building, 7601 N. Milwaukee ave., Niles, Illinois 60648.

The commission also plans to hold social activities, field trips and forums where topics of interest will be discussed. Identification cards are planned and will be issued to those the age of 62 and over so that they might avail themselves to the services and programs that are contemplated.

Cont'd from Niles-E, Maine P.1

More recently, the Norman fiasco reached its boiling point last Spring when Norman publicly submitted a report questioning the handling of the district's financial problems and intimating the district might better merge with the village to solve its problems. When Norman also said the district was in deep financial problems, it caused a local bank to have second thoughts about issuing much-needed revenue bonds to the district. The money is needed to complete the Ballard Sport Complex ice arena.

Dressler was highly recommended by his former boss in the Miami City park area. He was known as a "take charge" leader and was considered very efficient and budget-minded. He has a Masters degree in horticulture from the University of Hanover and has a second master's degree in business administration from the University of Miami. He has three children, ages 17, 15 and 12, and his wife is a biochemist in Northbrook.

plated.

A public forum will be held for all senior citizens at 8 p.m. on Oct. 20 at the Council Chambers in the Police Building, 7200 Waukegan rd. The purpose of the forum will be to hear suggestions and ideas on the needs and desires of our senior citizens so that the commission can better assist them.

District College Night

In addition to Maine East's college and university visitation schedule, interested students and their parents are urged to attend District 207's annual College Night, Oct. 14 at Maine West, beginning at 7 p.m.

Over 200 colleges and universities from across the country will be represented, and students and their parents will be permitted to make direct contact with the school of their choice.

Maine East career counselor Keith Honn suggests, however, that they try to limit themselves to the types of schools and various locations. He adds that students should question representatives about the composition of the student body, school regulations and policies, and required courses for attendance and graduation. In addition, they should inquire into the comprehensive cost of attending the college or university as well as asking about the availability of financial assistance.

Maine East seniors discuss District 207's College Night program, scheduled Oct. 14 at Maine West, with Maine East career counselor Keith Honn. (Seated, l.-r.) Larky Zonka of Des Plaines, Andrea Borgeson of Park Ridge, Jim Hendrix of Des Plaines, Mr. Honn, and Jim Fujimoto of Niles. (Standing, l.-r.) Jeff Castles of Park Ridge, Cary Sakol of Morton Grove, and Lora Finato of Morton Grove.

'Open Campus' Report on Display

The wealth of open campus information gathered by a 25-man ad hoc fact-finding committee for the Board of Education of Maine Township High School District 207 is available for review at the Des Plaines, Park Ridge and Niles public libraries. The report is also available at the district's administration center, 1131 S. Dee rd., Park Ridge, and in the principal's office at the four Maine high schools.

The report includes a compilation of in-depth studies of visits made by the committee to open campus schools in northern Illinois and the results of a survey on the effects of an open campus policy on student performance and conduct at these schools. Also included are replies to letters sent to administrators and teachers in other school districts throughout the

country, requesting information concerning open campus practices at their schools and any problems that may have been encountered. Data on many areas of concern relating to each of the Maine high schools are also part of the report.

The fact-finding mission was begun last May when the District 207 Board appointed an ad hoc committee comprised of a chairman, Jack O. Hedrich of Park Ridge, four administrators, eight students, four teachers and eight parents to obtain factual information that would be helpful to Board

members in making an ultimate decision regarding student proposals for open campus at the Maine high schools. Students are requesting a change in policy which would allow them to leave the school building and grounds during their free periods and at lunchtime.

At present the Board is carefully studying the material in the committee's detailed report, and also considering the views of citizens in the community as they were expressed at recent public hearings on open campus, before making a decision on the matter.

Nilehi Enrollment Down From '70

First week enrollment in the three Niles Township high schools was down slightly from a year ago, school officials said recently.

Niles West, still the District's largest school, had an enrollment of 2,933 as of Friday, Sept. 3. That figure represents a decrease of 207 students as compared to a similar date last year. School officials indicate that enrollment at West will continue to decrease, but at a less rapid rate, due to boundary changes approved by the Board in the Spring of 1970.

Niles North, projected to become the District's largest school in 3 or 4 years, had a first

week enrollment of 2,686 - up 30 students from a year ago. At Niles East the enrollment as of the beginning of September was exactly the same as last year at a similar time - 2,295.

Total District enrollment as of the beginning of September was 7,914 compared with 8,103 last year.

Niles Rotarians Hear Dwyer Speak

Robert A. Dwyer, Midwestern Regional Director of the Small Business Administration, recently stressed the availability of SBA for persons in the northern suburbs. During an address to the Niles Rotary club in the Lone Tree Inn, 7710 Milwaukee ave., Niles, Dwyer described the North Suburban area as one "so blessed that it has not had to rely on the aid of a government agency." "However," he added, "that aid is there whenever it is needed."

Dixieland at Golf Mill Anniversary

Jimmy McFarland and the Carpetbaggers, noted six piece Dixieland Jazz Band will appear Friday, Saturday and Sunday, Oct. 15, 16, 17 at Golf Mill Shopping Center to celebrate the center's eleventh anniversary.

A Showboat Float carrying the costumed musicians will course the Golf Mill malls Friday evening from 6:30 until 9:30, and on Saturday and Sunday afternoons from 1:30 until 4:30. Girls, also in costume, will be giving balloons to the crowds for the festive occasion.

The Maine North Township High school Concert Band will appear Friday evening at 5 in the North Mall and again Saturday morning at 10:45 in the South Mall. The Maine North Pom Pom girls will join the band with cheer numbers and special dances.

"Lucky Eleven" is the theme of Golf Mill Shopping Center's eleventh anniversary, the biggest celebration in its history. The merchants, anticipating the birthday for many months, will offer specially priced merchandise, new fashion features and special services.

"Eleven years ago Golf Mill was just a huge field, part farmland, part swamp. Today it is one of Chicagoland's major shopping centers serving communities for miles around. We like to think of Golf Mill as the easy place to shop — easy to reach at Milwaukee ave. and Golf rd., in Niles — easy to park — and where the service is unusually friendly and helpful. With over 70 stores and services of all kinds, it's easy to find what you're looking for, but not so large that it has lost the personal touch," said Mrs. Jane Brenner, promotion director for the center.

Why is electric heat being installed in Chicago's proudest landmark?

Simple. Chicago's chilling winds and changing temperatures are tough on everything, inside and out—including 102-year-old landmarks like the Chicago Water Tower. So to help protect against these elements, electric heat is being installed. When it's completed, the inside of the Water Tower will have a constant temperature and even humidity, protecting the plaster and masonry from further erosion.

Commonwealth Edison is proud to have a part in preserving the Water Tower as a permanent tribute to the spirit and vitality of the people who rebuilt this city.

Maine East Soccer Results

by Howard London
On Sept. 22 the Maine East varsity soccer team won its third victory in as many games, as it subdued a tough Oak Park team by a 3-1 margin.

Neither team was able to penetrate the opposition's goal during a tightly played first quarter. The early moments of the second quarter saw Maine's Bill Linden converting passes from Howard London and Mike Strahler into a goal, sending the Demons into a 1-0 lead. Oak Park, capitalizing on a Maine East defensive lapse, tied the score at 1-1 in the closing minutes of the first half.

The Demons suddenly came to life in the third quarter, as they struck for two goals. Ed Chalyadej scored what proved to be the game winning goal on a pass from Strahler. Maine's Russ Anderson then closed out the scoring as he drilled a shot over the head of the Oak Park goalie, with Roy Adamski and Terry Sirrell assisting on the score. Goalie Doug Moorad, with help from the tough Demon defense, protected the two goal lead as Maine East emerged victorious with a final score of 3-1.

The Maine East sophomores lost 3-2, despite goals by Bob Gullberg and John Divita.

On the following Saturday, the varsity Demons outscored their opponents from Morton East in a rain-soaked, 6-2 victory. To the amazement of everyone, including the frustrated Morton East players, only two members of the Demon squad accounted for all six of their goals. Ed Chalyadej dazzled the opposition as he compiled an unbelievable total of four goals. Russ Anderson contributed two goals of his own to the Maine East cause.

Chalyadej put Maine into a 2-0 lead with his first two scores of the game. The relentless Demon attack continued into the second quarter as Chalyadej and Anderson increased the lead to 4-0. Morton East finally got on the scoreboard near the close of the second half to cut the Demon lead to 4-1.

Neither team was able to score in the third quarter, but a persistent Morton East squad scored quickly in the fourth quarter. The Demons destroyed any possibility of a Morton East comeback, as Chalyadej and Anderson broke loose for a couple of quick scores in the game's final moments. The 6-2 victory marked the fourth consecutive victory for Maine East.

Meanwhile, the Maine East

sophomores added their own 2-1 victory to turn a dismal morning into a bright day. Goal scorers for Maine were Louis Massong and Bob Gullberg.

On Sept. 22 the Maine East freshmen defeated a Proviso West team by a score of 2-1.

Notre Dame Ski Show Sunday

The National Ski Patrol will have a presentation at The Other Ski Show on Sunday, Oct. 10, from 5-11 p.m., at Notre Dame High School, 7655 W. Dempster, Niles.

Along with the latest in ski equipment, ski fashion and ski tours, the National Ski Patrol, an organization devoted to the safety of skiers on the slopes, will have three lectures and film presentations on their organization.

The ski show also hosts a resale shop where a skier can bring in his used equipment in hopes of selling or trading it.

For the over 21 crowd there will be a beer garden with ski films and a ski fashion show.

Oakton Baseball Players

Twenty baseball players from Oakton Community College were selected to make the trip to Lincoln, Illinois, for scrimmage games against Lincoln College on Saturday, Sept. 10. The first game of the doubleheader was won by Lincoln by a score of 8-4. Oakton won its first game of the practice season with a 7-3 victory in the nightcap.

Members of the team selected to make the trip included Jim Bucholz, Gary Warren, and Roger Spencer of Des Plaines; Bill Guenther, Dave Pinter, Scott Johnson, and Frank Kochevan of Morton Grove.

LaGrange Crushes

Maine East Gridders 32-6

Defending West Suburban champion LaGrange opened its 1971 conference schedule successfully at the expense of Maine East's Demons, 32-6. A sparse number of Maine supporters braved the inclement weather and saw a powerful LaGrange squad wear down a stubborn group of Demon gridders.

For the second week in a row, Maine looked impressive in the game's early stages. Bruce Hoefnagel's opening kickoff sailed through the end zone to start the contest. LaGrange was unable to dent the Demon defense and was forced to punt. Maine's first offensive play from scrimmage resulted in a 14 yard gain for running back John Wolff. But any notions that the Demons had of an upset were quashed by a LaGrange interception.

A tough Maine defense held the Lions until the second. Quarterback Steve Erickson gave LaGrange the lead on a one yard plunge. The conversion made the score, 8-0. Later in the period, Brad Wintler hauled in an Erickson aerial for a touchdown to give the Lions a 16-0 lead. Half-time stats showed LaGrange ahead in total yardage with 113 yards to a meager 13 for Maine.

But the Demons were only 16 points behind on the scoreboard. The Lions put the game away in the third quarter, though, with two touchdown runs of one and nine yards by LaGrange half-back John Karras. The Lions' defense was just as tough, forcing the Demons into a minus 13 yards on the ground.

Late in the game, Maine put together a sustained march that ended in Bob Lloyd's scoring run of two yards. Highlight of the drive was quarterback Greg Maloney's third down pass completion of 20 yards to Jim Cromer. However, the final tally read "LaGrange 32-Maine 6" and the Demons that turned out despite chilly temperatures and a slight rain were sent home disappointed.

LaGrange simply had too many guns for Maine to handle. The Demons must develop some offensive firepower if they are going to win any games this season although they have several boys that can be rated legitimate all-conference candidates. Hopefully, they will play the type of football that they displayed in the first quarter and come through with an upset win over Downers North for Homecoming, Oct. 2.

Hoffmann Receives MNLL Service Award

Robert Hoffmann, Glenview, was named recipient of this year's annual Bill McCarty Award for outstanding service to Maine-Northfield Little League at the League's annual Father-Son Awards dinner last week.

Hoffmann, who is confined to Holy Family hospital recovering from a heart attack, was cited for his understanding, integrity, ideas and innovations contributed to the group's welfare, and his unselfish interest in and dedication to the boys who play MNLL baseball.

The award, introduced last year and to be awarded annually, was named in honor of the MNLL publicity representative who, at this year's affair, was installed as league president for the next year. In addition to McCarty, Des Plaines, other officers seated were Jerry Mendralla, Des Plaines, vice president; Len Pearson, Glenview, secretary, and Harry Sutphen, Glenview, treasurer.

Highlight of the evening was the awarding of trophies to winning team members plus a talk, question and answer period and autograph session by guest of honor Milt Pappas, Chicago Cub pitching star.

Pappas departed from "baseball" talk to touch on the serious problem of drug use among young people. He said that in looking into all the young faces at the dinner program, he was compelled to dispel the myth that "athletes are using drugs," and to set them straight on the unhappy results of using the various drugs available to them at even the age of ten. The star pitcher did field many inter-

Oakton Fall Baseball Candidates

Fifty-five prospective candidates for the 1972 varsity baseball team reported to the two-week Fall practice which launched Oakton Community College's baseball program at the beginning of the Fall semester. It was announced recently by Dr. William A. Koehline, college president. The program is under the direction of Dr. Bob Hale, Oakton's Director of Athletics and baseball coach. Five scrimmage games were played during the second week of the Fall practice. The Oakton team met the Northeastern Illinois State university team at Harrer Park, in Morton Grove, on Sept. 8 and 9. On Sept. 10 Oakton met the Lincoln college team

in Lincoln, Illinois. The Oakton team won its first ball game when Bill Guenther of Morton Grove pitched a 7-3 victory in the double-header nightcap against Lincoln. Other highlights of the games were home runs by Kevin Klett of Park Ridge and Eric Smetana of Glenview.

Area students trying out for Oakton Community College's Baseball Team shown above are:
Row 1: Herb Houndt, Morton Grove; Roger Spencer; Jim Ros, Niles; John Slapke; Tom Klett; Scott Johnson, Morton Grove; Kevin Klett.
Row 2: Assistant Coach Tom Shields; Tom Scarpell; Jim Buchholz; Gary Summerhill; Bill Clark;

Steve Paul, Morton Grove; Jay Winer; Mark Allen; Gary Fellman; Phil Olsberg; Richard Murphy; Niles; Coach Dr. Bob Hale.

Row 3: Skip Bowles; Rich Miller; Phil Slapke; Dave Pinter, Morton Grove; Stan Bernstein; Bob Wolfgram; Michael Cross; Jerry Madelstan; Al Chargo.

Row 4: Mike Schlobohm; Frank Kochevar, Morton Grove; Bob Jacks; Rich Kohn, Niles; Paul Keefe; Ken Guzzetta; Parnell Murray; Perry Stricker; Steve Tiltz, Morton Grove; Gary Warren; Bill Guenther, Morton Grove; Bob O'Grady; Eric Smetana; Gordon Frano; Larry Gawaluch; John Schwartz; Don Feiz; Ed Guss; and Steve Brin.

Notre Dame Hosts National Tournament

The Notre Dame High school Varsity fencing coach, Rev. Lawrence Calhoun presented a program for the approval of the Board of Directors of the A.F.L.A. at the New York Athletic Club this past week-end.

Fr. Calhoun was confirmed in his appointment as National Chairman of the Junior Olympic Development Committee. This post oversees and approves all fencing programs for boys and girls under 19 years of age. Fr. Calhoun's proposal was accepted as proposed and provides:

1. A national tournament to be named the United States Junior Olympic Championships, to be held at Notre Dame High school on April 7-8-9, 1972. This tournament will qualify the champions in boys' and girls' foil, sabre and epee to the U.S. National Championships to be held in Boston in June.

2. A national age-group fencing program to be started in all 53 Divisions of the U.S.

3. A national ranking system is established to aid in choosing and seeding fencers around the country.

4. A national emblem system to designate the ranking of fencers.

5. A point system to aid the choosing of fencers in the case of multiple Under 19 tournaments.

It is in recognition of the growth of fencing in Chicago that the first U.S.J.O. meet is held in the area, and Notre Dame has led the area schools in sending representatives to the sectional and national championships. Two N.D. graduates, 70, made the fi-

nals in foil and epee at San Francisco last July.

Any parent wishing to assist in the housing of fencers from around the U.S., or donating time or money to the tournament can contact Rev. Lawrence Calhoun, care of the high school. All donations are tax deductible if made out to the A.F.L.A.

Finally, I asked Rick about workouts and practices. "Because of our rough schedule last week (three meets in five days), we went really easy at practice. In fact, the amount of work has lessened since the meets started. But right now, we're about as good as last year's team, and we should definitely do better in the state meet."

For the first time in four years, our sophomore team failed to win the Invitational; they finished second, behind Addison Trail.

Despite the start, our barriers finished quite well. Rick was fourth, Seifert was sixth with Lovasz following; Gary Marshak was eleventh, and Jim Molezzi finished twenty-seventh, totaling 55 points. Larry Gnapp of Lane won, Jim Hurt and Paul Adams from Proviso West ran second and third, and Francisco Flores from Bloom ran fifth.

Nilehi Homecoming

"Burn the Birds" will be the chant as the Niles West Indians prepare to beat the Thornwood Thunderbirds at the traditional pep rally on Friday night Oct. 8, at 7:30 on the West football field. The court of 4 senior and 3 junior girls will be presented and the queen will be chosen. The

pep rally will later move to the gym where a 1930 ice cream parlor and live band will be featured. An admission charge of 50¢ will be charged at the ice cream parlor.

At 8 on Saturday morning, Oct. 9, floats, cars, and bicycles will leave Niles West parking lot to participate in the homecoming parade. The route of the parade is Niles West to Skokie Blvd. to Touhy to Crawford and back to Oakton.

The Tribe will take on the Thunder birds at home with the varsity game beginning at 2 on Saturday, soph. at 12 and frosh at 9.

On Saturday night at 8 the traditional homecoming dance will be held. The theme of the dance is "Those Are the Days" and it will be set in a 1920 style. Bids are now on sale for \$5 a couple.

Cross Country Results

By Bill Wilson

This week I talked with cross country ace Rick Phalen about both the meets from the past week.

"We had no trouble with Downers North on Sept. 23. In fact, we let only our second top 7 run, and they took the first 4 places; Pat Moyer won, Mike Bell was second, Joel Aven came in third, and Chris Bednarowicz finished next."

"But last week our big meet was at Bloom, where 25 schools ran. Our team finished first, but I think it was our worst race of the year because we made too many mistakes. First of all, our pack (the group the runners run in) started off too slow; 5:10 for the first mile in a race that big is a terrible start. The ground was slippery, and it was raining out, but the conditions were the same for everybody. We usually run the first mile about 4:50."

When I asked Rick why the team started so poorly, he replied, "We were too conscious of everyone else's pace. When John (Lovasz), Mike (Seifert), and I saw the leaders take off at the half mile, we thought they were 'rabbiting,' and we stayed right where we were, instead of following."

Despite the start, our barriers finished quite well. Rick was fourth, Seifert was sixth with Lovasz following; Gary Marshak was eleventh, and Jim Molezzi finished twenty-seventh, totaling 55 points. Larry Gnapp of Lane won, Jim Hurt and Paul Adams from Proviso West ran second and third, and Francisco Flores from Bloom ran fifth.

Hoffmann Receives MNLL Service Award

Robert Hoffmann, Glenview, was named recipient of this year's annual Bill McCarty Award for outstanding service to Maine-Northfield Little League at the League's annual Father-Son Awards dinner last week.

Hoffmann, who is confined to Holy Family hospital recovering from a heart attack, was cited for his understanding, integrity, ideas and innovations contributed to the group's welfare, and his unselfish interest in and dedication to the boys who play MNLL baseball.

The award, introduced last year and to be awarded annually, was named in honor of the MNLL publicity representative who, at this year's affair, was installed as league president for the next year. In addition to McCarty, Des Plaines, other officers seated were Jerry Mendralla, Des Plaines, vice president; Len Pearson, Glenview, secretary, and Harry Surphen, Glenview, treasurer.

Highlight of the evening was the awarding of trophies to winning team members plus a talk, question and answer period and autograph session by guest of honor Milt Pappas, Chicago Cub pitching star.

Pappas departed from "baseball" talk to touch on the serious problem of drug use among young people. He said that in looking into all the young faces at the dinner program he was compelled to dispell the myth that "athletes are using drugs," and to set them straight on the unhappy results of using the various drugs available to them at even the age of ten. The star pitcher did field many interes-

ting baseball questions in the Q & A period and, among other things, predicted that he believed Ernie Banks would one day have an opportunity to manage the Cubs. In addition to signing autographs,

The administrative structure of MNLL will be changed somewhat in the coming year and will include a full board of directors which will guide the league's activities and be available to hear player, managerial, and parental suggestions, questions and complaints.

Oakton Fall Baseball Candidates

Fifty-five prospective candidates for the 1972 varsity baseball team reported to the two-week Fall practice which launched Oakton Community college's baseball program at the beginning of the Fall semester. It was announced recently by Dr. William A. Koehnline, college president. The program is under the direction of Dr. Bob Hale, Oakton's Director of Athletics and baseball coach.

Five scrimmage games were played during the second week of the Fall practice. The Oakton team met the Northeastern Illinois State university team at Harrier Park, in Morton Grove, on Sept. 8 and 9. On Sept. 10 Oakton met the Lincoln college team

in Lincoln, Illinois. The Oakton team won its first ball game when Bill Guenther of Morton Grove pitched a 7-3 victory in the double-header nightcap against Lincoln. Other highlights of the games were home runs by Kemlin Klett of Park Ridge and Eric Smetana of Glenview.

Area students trying out for Oakton Community college's Baseball Team shown above are:
Row 1: Herb Houndt, Morton Grove; Roger Spencer; Jim Ros, Niles; John Slapke; Tom Klett; Scott Johnson, Morton Grove; Kevin Klett.
Row 2: Assistant Coach Tom Shields; Tom Scarpelli; Jim Buchholz; Gary Summerhill; Bill Clark;

Steve Paul, Morton Grove; Jay Winer; Mark Allen; Gary Pellikan; Phil Olsberg; Richard Murphy, Niles; Coach Dr. Bob Hale.

Row 3: Skip Bowles; Rich Miller; Phil Slapke; Dave Pinter, Morton Grove; Stan Bernstein; Al Wolfgram; Michael Cross; Jerry Madelstan; Bob Chargo.

Row 4: Mike Schlobohm; Frank Kochevar, Morton Grove; Bob Jacks; Rich Kohn, Niles; Paul Keefe; Ken Guzzetta; Farnell Murray; Perry Stricker; Steve Tiltz, Morton Grove; Gary Warren; Bill Guenther, Morton Grove; Bob O'Grady; Eric Smetana; Gordon Frano; Larry Gawaluch; John Schwartz; Don Felz; Ed Guss; and Steve Brin.

Notre Dame Hosts National Tournament

The Notre Dame High school Varsity fencing coach, Rev. Lawrence Calhoun presented a program for the approval of the Board of Directors of the A.F.L.A. at the New York Athletic Club this past week-end.

Fr. Calhoun was confirmed in his appointment as National Chairman of the Junior Olympic Development Committee. This post oversees and approves all fencing programs for boys and girls under 19 years of age.

Fr. Calhoun's proposal was accepted as proposed and provides:
1. A national tournament to be named the United States Junior Olympic Championships, to be held at Notre Dame High school on April 7-8-9, 1972. This tournament will qualify the champions in boys' and girls' foil, sabre and epee to the U.S. National Championships to be held in Boston in June.

2. A national age-group fencing program to be started in all 53 Divisions of the U.S.
3. A national ranking system is established to aid in choosing and seeding fencers around the country.

4. A national emblem system to designate the ranking of fencers.
5. A point system to aid the choosing of fencers in the case of multiple Under 19 tournaments.

It is in recognition of the growth of fencing in Chicago that the first U.S.J.O. meet is held in the area, and Notre Dame has led the area schools in sending representatives to the sectional and national championships. Two N.D. graduates, 70, made the fi-

nal in foil and epee at San Francisco last July.

Any parent wishing to assist in the housing of fencers from around the U.S., or donating time or money to the tournament can contact Rev. Lawrence Calhoun, care of the high school. All donations are tax deductible if made out to the A.F.L.A.

This week I talked with cross country ace Rick Phalen about both the meets from the past week.

"We had no trouble with Downers North on Sept. 23. In fact, we let only our second top 7 run, and they took the first 4 places; Pat Moyer won, Mike Bell was second, Joel Aven came in third, and Chris Bednarowicz finished next."

"But last week our big meet was at Bloom, where 25 schools ran. Our team finished first, but I think it was our worst race of the year because we made too many mistakes. First of all, our pack (the group the runners run in) started off too slow; 5:10 for the first mile in a race that big is a terrible start. The ground was slippery, and it was raining out, but the conditions were the same for everybody. We usually run the first mile about 4:50."

When I asked Rick why the team started so poorly, he replied, "We were too conscious of everyone else's pace. When John (Lovasz), Mike (Seifert), and I saw the leaders take off at the half mile, we thought they were 'rabbiting,' and we stayed right where we were, instead of following."

Despite the start, our barriers finished quite well. Rick was fourth, Seifert was sixth with Lovasz following; Gary Marshak was eleventh, and Jim Molezzi finished twenty-seventh, totaling 55 points. Larry Gnapp of Lane won, Jim Hurt and Paul Adams from Proviso West ran second and third, and Francisco Flores from Bloom ran fifth.

Nilehi Homecoming

"Burn the Birds" will be the chant as the Niles West Indians prepare to beat the Thornwood Thunderbirds at the traditional pep rally on Friday night Oct. 8, at 7:30 on the West football field. The court of 4 senior and 3 junior girls will be presented and the queen will be chosen. The

pep rally will later move to the gym where a 1930 ice cream parlor and live band will be featured. An admission charge of 50¢ will be charged at the ice cream parlor.

At 8 on Saturday morning, Oct. 9, floats, cars, and bicycles will leave Niles West parking lot to participate in the homecoming parade. The route of the parade is Niles West to Skokie Blvd. to Touhy to Crawford and back to Oakton.

The Tribe will take on the Thunder birds at home with the varsity game beginning at 2 on Saturday, soph, at 12 and frosh at 9.

On Saturday night at 8 the traditional homecoming dance will be held. The theme of the dance is "Those Are the Days" and it will be set in a 1920 style. Bids are now on sale for \$5 a couple.

Cross Country Results

By Bill Wilson

Finally, I asked Rick about workouts and practices. "Because of our rough schedule last week (three meets in five days), we went really easy at practice. In fact, the amount of work has lessened since the meets started. But right now, we're about as good as last year's team, and we should definitely do better in the state meet."

For the first time in four years, our sophomore team failed to win the Invitational; they finished second, behind Addison Trail.

Committee States Need for Modern Government

Members of the Modern Government for Morton Grove Committee are continuing their campaign for approval of the Nov. 2 Manager Referendum. Committee members Marty Ashman, Dick Hohn, Mrs. Leonard Bloomfield, Mrs. Al Nehart and Mrs. Joe Barlett spoke this past week about the proposed change to Manager government, at several meetings in the village.

Committee members have made a detailed study of the village operation under the President-Trustee form of government and are concerned about inefficient methods of operation, lack of coordination and opportunities for mismanagement.

Trustee Dick Hohn pointed out that action is often delayed when several trustees must be consulted on administrative problems. Implementation of decisions is also delayed. Uncoordinated purchasing procedures add to the inefficient operation. Trustee Marty Ashman stressed the need for professional business-like management in a village of 27,000, with an

annual appropriation of over \$4,000,000. "Under the President-Trustee form of government, the trustee is required to make decisions on technical matters outside of his personal knowledge. The professional manager, on the other hand, is knowledgeable in all areas of municipal management and the trustees use his expertise in making decisions," Mr. Ashman explained. "The trustees are so involved with administrative details under the present form of government that they do not give plan-

ning the time it needs," he said. Citizens who are interested in learning more about the proposed change to Council-Manager government may contact Mrs. Leonard Bloomfield, 966-1538, to attend a "Committee Coffee" in their neighborhood. A brief presentation by MGGM Committee members is followed by a question and answer period. "The investment of an hour to learn why Morton Grove needs modern government is one that will pay dividends to villagers for many years," says Mrs. Bloomfield.

they may enter as a team. All games will be refereed and a tally of scores will be kept. Individual trophies will be awarded to the 1st, 2nd, and 3rd place teams. Each girl in the league will receive a personal jersey. Registration for the program will be held on Monday, Oct. 11 from 7 p.m. to 9:30 p.m. at the Grennan Heights Annex, 8255 Oketo. The fee for Niles Park District residents is \$6 - non-resident fee is \$9. For further information call 967-633.

Suburban Juvenile Hockey

The Niles Park District is now organizing a Suburban Juvenile League that will play on Sunday evenings between 5 p.m. and 10 p.m. at the Ballard Ice Rink located on the corner of Ballard rd. and Cumberland ave. The teams will represent the Niles Park District in league competition between Morton Grove, Notre Dame Varsity, Chicago Royals and others every Sunday evening. A limit of 2 teams with 16-20 men per team from Niles is projected at this time. Registration is on a first come first serve basis. The Niles Park District plans to send an All Star Team composed of men from the Niles Teams Rosters to the Illinois State Hockey Tournament. This juvenile league promises fun, plenty of ice time, and keen competition to all its players. Registration is now being accepted at the Park Office, 7877

District Seeks Homeowners Aid

A Citizens Advisory Committee has, in recent months, been established by the Park District. Its purpose is:

1. To study the overall needs of the district.
2. To improve communications between the district and citizens.
3. To assist the board in setting priorities for each park area as well as district wide needs.

In order for this committee to function effectively they MUST have the cooperation of the homeowners in Niles. Only you know your neighborhood park problems and needs. Meetings are held the second Monday of the month. At the Oct. 11 meeting a representative will be on hand to answer your questions and hear your suggestions. For all those interested in making the Niles Park District the best possible be at the Grennan Heights Field House, Oct. 11, at 8 p.m.

Golf-Maine

In a discussion with Park District residents, Martin Katzenberger, President of the Golf-Maine Park District Board of Commissioners, responded to questions on the forthcoming referendum. When asked what specific acquisitions the Park District intends, Katzenberger answered, "It is our intent to purchase as much land as is possible with the monies obtained through the approval of the taxpayers. We know that we need 3 acres to complete the park site at Dee and Emerson rds. and we would like to purchase at least 5 or more acres so that these facilities can be expanded and relieve the overcrowding that exists."

The referendum is Tuesday, Oct. 12 at the park district office, 9229 Emerson, with the hours of 6 a.m. to 6 p.m. for the convenience of Park District residents. The football orientation program has had an extremely successful start this season. Both the 1-2 grade and the 3-4 grade classes are filled and instruction has begun with passing, pass catching, and running. The rest of the program will include blocking, defense punting, place kicking, and other offensive skills. All boys receive instruction in all skills. The various fundamentals are taught using a variety of games, relays, and other events to make the fundamentals fun.

Morton Grove Hockey League

The Morton Grove Park District will open Hockey registration early for the upcoming Hockey program. Registration for this program will begin Tuesday, Oct. 12, at the Park District office. Registration fee will be \$20 per person. Those having more than one child in the program: \$16 for second child, and \$12 for third child. Hockey leagues for various age groups will be formed according to the American Hockey Association Age Division, Pee Wee - Under 12 years of age and over 9 years of age as of May, 31, 1971. Bantam - Under 14 years of age as of May 31, 1971. Midget League - Under 16 years of age as of May 31, 1971. Players must supply their own Hockey skates, sticks and protective head gear. The Park District will furnish goalie equipment and jersey. All games will be played at Harrer Park and Flying Carpet when weather permits.

Park Referendum Tuesday

land. Isn't this then a much needed thing in our area?" The referendum if accepted would also call for development of Kathy-Western park site. Katzenberger added, "Kathy-Western is a greatly needed facility and could do much in providing some good sound additional recreation facility." President Katzenberger also pointed out that the Golf-Maine Park District has applied to the Department of Housing and Urban Development (HUD) for matching funds.

When asked what specific acquisitions the Park District intends, Katzenberger answered, "It is our intent to purchase as much land as is possible with the monies obtained through the approval of the taxpayers. We know that we need 3 acres to complete the park site at Dee and Emerson rds. and we would like to purchase at least 5 or more acres so that these facilities can be expanded and relieve the overcrowding that exists."

Fall Programs

The football orientation program has had an extremely successful start this season. Both the 1-2 grade and the 3-4 grade classes are filled and instruction has begun with passing, pass catching, and running. The rest of the program will include blocking, defense punting, place kicking, and other offensive skills. All boys receive instruction in all skills. The various fundamentals are taught using a variety of games, relays, and other events to make the fundamentals fun.

Swim Program

There are still openings in several of the Fall programs. The Learn-to-Swim program has been re-organized due to initial lack of registration. Lessons will now be held from 11:30 to 12:30 Saturdays at the Maine East pool. From 12:30 to 2:30 a free swim program will be offered for 75¢ per Saturday. The lessons will be \$5 per session and will include the availability of the pool for free swim at no extra charge.

Niles Squares Classes Begin

On Friday evening, Oct. 8, at 8 p.m., Square Dance classes will commence. Niles Squares has engaged Al Schaffner, regular club caller, to teach the class. Schaffner is a favorite among square dancers.

Modern square dancing is a "just for fun" recreation which does not require terpsichorean expertise. Anyone interested is cordially invited to attend the classes.

The lessons are held at the Niles Park District Recreation Center at 7877 N. Milwaukee ave. Further information may be obtained by calling Bob or Dor Deger at 967-5285.

Niles Squares regular dances are held at the center on the first and third Saturdays of each month at 8 p.m.

Students May Cast Absentee Ballot in Manager Referendum

Eighteen year old registered voters who may be away at school should know that they can cast an absentee ballot in the Village Manager referendum on Nov. 2. The application for this ballot may be made either in person or in writing at the Morton Grove Village Hall no later than one week before the election.

The citizens' committee, appointed in early 1970 by the Board of Trustees to study village government reached the conclusion that the Council-Manager form would be advantageous for Morton Grove. The League of Women Voters in an earlier study also agreed with this finding. The League is cooperating with the MGGM (Modern Government for Morton Grove) Committee in seeking passage of the referendum on Nov. 2.

'London to Venice'

"London to Venice" with Thayer Soule opens the 1971-72 series of Maine East Community Lectures Wednesday, Oct. 13, at 8 p.m. The first of eight travel films, with personal narration by photographer-speakers, will be held in the auditorium of Maine Township High School East, Dempster and Foster, Park Ridge. Thayer Soule, long a favorite of Maine Community Lecture patrons, returns for his fourth season.
