Propose Referendum if Public Housing is Scheduled for Niles

VOTERS OK SOUGHT FOR ANY PUBLIC HOUSING

By David Sesser

Dist. 63 Caucus Seeks Candidates

The Nominating Committee of the East Maine Township General Caucus will meet on Jan. 12 and Jan. 14 at Ballard school to interview two persons who have consented to be possible candidates for school board election. Although the interviewing has begun, the committee encourages the general public to participate in this very important elective process by submitting additional names to the committee. Such assistance is asked of the public because the Committee recognizes its limitations to be aware of the many people who would qualify for board membership. Candidates, exceptional persons have been overlooked simply because they have not been called to the attention of the Caucus Nominating Committee.

Services Held for Joseph Vinci

Funeral services were held for Joseph Vinci, 59, of 7649 Church Hill, Morton Grove on Monday, Jan. 10 at St. Isaac Jogues church, Niles.

Mr. Vinci, who died Friday in Lutheran General Hospital was the recent decision by Judge Austin resulted in the by-passing of city council, in approving public housing. Blase said he believed the opinion by Justice to be an intrusion on residents, and he said the Board generally goes along with the majority desires of the community, and felt such a referendum would air these views.

Niles Mayor Blase sought the help from his village board in his bid for Congress Tuesday night when he suggested Niles consider an ordinance amendment on low cost housing. A public referendum would be held in the event any public housing was scheduled for Niles. He said it would be the last community to create such a law.

Blase has been on many Chicago TV and radio stations the past several months championing the cause against public housing in suburbs. Understanding the fears of many suburbanites, Blase has created the issue and has received a great amount of publicity, both in Chicago newspapers, as well as on the airwaves. Blase-watchers are suspicious his interests in this issue are related to his competing against a liberal Congressman, Abner Mikva.

In suggesting voter approval for any low-cost housing Blase noted the recent decision by Judge Austin resulted in the by-passing of city council, in approving public housing. Blase said he believed the opinion by Justice to be an intrusion on residents, and he said the Board generally goes along with the majority desires of the community, and felt such a referendum would air these views.

"Those Wonderful Years"

Niles Mayor Nicholas Blase purchases first tickets for opening night of St. John Eberhard's Festival '72 "Those Wonderful Years." Shown above with Mayor Blase are L. to R. Dan Croke and Frank Morvay, festival chairmen and Ray Bacchi, ticket chairman. This year's festival will be four evenings, Feb. 4, 5, 11, and 12.

There will be 7 wonderful shows with continuous entertainment. Skits, songs, comedy and dances are all part of the nostalgia as you go back to 1910, Chicago Today's Time Tunnel, the Roaring Twenties, The Remember When Minstrels, etc. Tickets are \$5 per person and may be purchased by calling 965-0831 or at St. John's Rectory at 8307 N. Harlem, Niles.

The Chicago main library will now include Sunday hours from 1 p.m. to 5 p.m.

We've long wondered why local libraries were not open on Sundays, as well as Saturday evenings. The decade of the seventies is a new frontier in our country and much of the busy thinking of the earlier decades is going to be overturned. Whether or not we may like it, the announced Sunday opening of department stores in the suburbs indicates the commercial community is adjusting itself to the habits of its consumers. And certainly with ever-increasing recreation time it would seem public park facilities and libraries are going to have to meet the needs of those whose free time doesn't correspond to the time many of these facilities are now available.

The hub-bub over 12-month schools in the Chicago-area resulted in a more limited trial period for fewer schools in the inner-city. In a report released the past week the parents who resisted the change-over now seem to be highly pleased with the results of the new school plan. Reduced classroom size has made school more desirable for teachers and students alike, and portends the likelihood Chicago's school system will soon enter into the full year program.

Certainly the economies of such a plan are obvious. And while the re-adjusting in the new school files may be gradual we expect full year-round schools for parochial schools, as well as public schools, such as those in District 63. The burdens to parochial parents would be lessened by such a plan, and the over-burdened taxpayers financing more and more school facilities has reached the point of no return.

We foresee all-year-round schools, libraries open 7 days a week, and full park facilities 7 days a week. It is practical and functional and meets the needs of 1970 residents, who have more time available but have reached the apex of paying higher taxes.

One of our favorite punching bags has always been doctors. While we bend our knee before them when we seek their help still the prices many of them charge is despicable. A couple of weeks ago our kids went in for a routine check-up and we wound up with a bill in excess of \$60. There were shots given, urinalysis taken, and the overburdened doctor was working at 110% of capacity. But charging a few bucks for a urinalysis lab fee, which is a routine look under a microscope by the girl in the office, plus several other add ons, is just plain gouging. A local dermatologist recently boosted his price \$2, and while the fee is standard today, this extra \$2 likely gives this guy another \$200 a day gross. A friend in the hospital recently told us the doctor sent him a bill for \$25 for each visit in the hospital. And since many of these guys have a list of 20 or more patients they visit daily such a fee is disgusting.

Doctors have long given us the pitch they spend years in school, which is supposed to justify their overcharging. But what they don't realize

Niles Days Reports

Don Jahns, former Chairman of the Niles Days Committee, was instrumental in saving a total of \$2,730.00 on the carillons which were installed at the Niles Administration Building.

An additional saving was realized by having the Niles Public Works Department install them for a nominal charge of \$300. The carillons which were originally quoted at \$8,000.00 cost Niles Days only \$5,270.00, and because of this saving, additional tapes were purchased for use during the various seasons and holidays throughout the year.

Exhibit Art Work

Lucille Huels, Morton Grove artist is currently showing her paintings at Glenview Guaranty Savings, 990 River dr., Glenview. Mrs. Huels has exhibited with groups at local banks, restaurants and at Lutheran General hospital. This is her first one-man show. Her media consists of pastels, watercolor and oils. She has studied under the fine direction of Gianni Cilfone of Park Ridge.

"White Elephant" Auction

Although some items to be sold at the Morton Grove Coin club's annual "white elephant auction" may be tinged with silver or green, there will also be plenty of trash, a few treasures and lots of junk.

The auction, one of the club's most popular events, will be held at 8 p.m. Friday, Jan. 21 at the Oketo Park fieldhouse, 8950 N. Oketo in Morton Grove.

Visitors and guests are welcome. All auction items are donated by club members. Proceeds go to the club, whose members are from all parts of the Skokie Valley and Greater Chicago area.

Lou Goldstein, the club's president, said the only restriction on items to be auctioned off is that they be portable enough to be moved into the meeting room. Some numismatic items will be included, but most of the lots to be sold will be a cross-section

of new merchandise and used household goods.

Some 50 persons attended last year's auction. They paid prices ranging from 5¢ to \$12 for a wide variety of goods that included a gas lawn mower, records, books, kitchen utensils and "mystery boxes."

Auctioneers for this year's event will be Goldstein and Sal Genualdi, who is show chairman of the club's 1972 Spring Coin Festival. This year's coin show will be held April 30 at the Leaning

Tower YMCA, 6300 W. Touhy, Niles.

The club meets the third Friday of every month. The Oketo Park fieldhouse is one block west of Harlem ave. and three blocks north of Dempster st.

The January auction program will also feature numismatic exhibits and refreshments.

Demos Holiday Party 'A Ball'

'And a good time was had by all' when the Village of Niles Regular Democratic Club recently held their annual holiday party at the Golf Mill theatre, ending the year on a cheerful note. Santa Claus (Mr. Ed Wehmeyer of Niles) is surrounded by a mini portion of the overflow crowd of children who attended the party and were

treated to movies, door prizes, candy and special gifts. Shown above with the children and Santa are (rear, l. to r.) Aaron Brill of Glenview, Democratic Candidate for State Representative (4th Dist.); Tom Flynn of Niles, Democratic candidate for State Senator (4th Dist.); and co-sponsor of the Party, Niles Mayor Nicholas Blase, candidate to Congress (10th Congressional Dist.)

Blase Speaks in DesPlaines

Mayor Nicholas Blase, the Democratic Candidate to Congress, (10th Congressional District) will speak at a cocktail party in his honor hosted by Mr. and Mrs. Michael Lavin, 9240 Fern Ln., Des Plaines at 8 p.m. on Wednesday, Jan. 19.

That same evening from 7 - 7:30 p.m., he will be the featured speaker on WEEF Radio, (live) (AM-1430; FM 103.1).

Blase, who has been Mayor of Niles since 1961 presently serves as Education Chairman of the CCCC (Cook County Council of Governments), a bi-partisan organization involving school districts, governmental bodies and municipalities throughout all of Cook County. An authority on funding education, Blase presently awaits a decision on his law-

suit (Blase vs. Ogilvie, et al) challenging the State of Illinois on the use of real estate property taxes as a means of financing education.

Income Tax Book

A booklet that gives information on how to fill out Federal tax returns will be sold at the Morton Grove Post Office, Postmaster Robert R. Lutz announced recently.

"Your Federal Income Tax" was written by the Internal Revenue Service and contains many examples to illustrate how the tax law applies to actual situations. A special feature of the booklet is the sample, filled-in return, Form 1040, keyed to pages where explanations can be found for each entry on the return.

The 160-page booklet is now on sale and costs 75¢ a copy. "By selling this booklet at the Post Office in Morton Grove, we are offering a convenient service to our customers," Postmaster Lutz said. "We are participating in a nationwide program to make the tax booklet available to the public in 15,000 postal facilities."

Phase II Publications

A new service for business people is now available at the Niles Public Library. It is the Government Control of Business publications published by Prentice Hall.

It alerts you to new developments of Phase II; tells you exactly what action Phase II demands.

This service would answer most questions on new wage-price controls, vital decisions affecting profits and rents, new dividend and interest rate developments, medical cost controls and other current matters.

Not only business people but all in the area will find these publications helpful in their day-to-day activities.

B.J.B.E. Offers Fun Doubleheader

Congregation B'nai Jehoshua Beth Elohim in Glenview will provide members, guests and their youngsters with a day-night double-header, Sunday, Jan. 16.

The opener at B.J.B.E. will be for both young and old and will feature the Borger Circus for 2 performances, 11:45 and 2:15 p.m. Later, at 7 p.m., the temples' men's club and sisterhood will hear Dave Baum recreate his provocative WIND show, "Contact."

Baum will tell his fellow B.J.B.E. members and their friends how his popular radio format was originated, how his program is produced and some of the unusual things that have happened during his broadcasting career. The public is invited at no charge.

The professional Borger group will present many classic acts including trained animals, daring aerialists and clowns. It also promises a few special surprises. Cotton candy, hot dogs, potato chips, pop corn and cold drinks will be available. Admission is \$1 and parents are invited to plan their youngsters' birthday parties in conjunction with the circus. Further information may be obtained from Mrs. Arthur Kraus, 729-4454.

Blase Issues Statement on Low Income Housing

Nicholas Blase, Mayor of Niles and the Democratic Candidate for Congress from the 10th Congressional District has issued the following statement regarding low income housing:
"Judge Austin's Jan. 3, 1972

ruling to the Chicago Housing Authority which orders the CHA to present schedules for the insertion of low income housing units in the Chicago area without the Chicago City Council's approval of locations will produce dramatic problems if he insists on this course of action.

Obviously, his overall intention is to place low income housing units throughout the metropolitan Cook County area. The Federal Housing Authority working through HUD and the Cook County Housing Authority have continuously indicated they will not become involved in such a program unless requested by the local municipality. The Supreme Court of the United States has ruled that referendum for approval of low income housing units in neighborhoods are proper.

Therefore, Judge Austin's decision appears to be departing from the intentions of HUD and possibly the present Supreme Court ruling. Attempting to force low income housing units where they are not wanted will create considerable problems for the people moving into these units and for the neighborhoods generally. Judge Austin must, at some point, realize that this kind of forced social change will produce more problems than it will solve."

Rubin Candidate for 4th Dist. Representative

Gerald M. "Jerry" Rubin, Skokie, has announced his candidacy for the office of Representative of the newly-remapped and controversial 4th Legislative District of the State General Assembly. He will run as an Independent Republican in the March 21 Primary Elections.

Well known in local political circles over the past 12 years, Mr. Rubin currently serves as Assistant Corporation Counsel and Prosecutor for the Village of Skokie, and maintains a private law practice. He is a member of the Chicago Bar, Illinois State Bar, and North Suburban Bar associations.

Soon after his arrival in Skokie in 1959, Mr. Rubin became deeply interested and involved in problems facing suburban homeowners, and joined the North Central Homeowners Assn., serving on its board of directors. He became a member, and later a delegate and member of the board of directors of the Skokie Caucus Party, and since 1965, when the Caucus Party aligned with the Regular Republican Party of Niles Township, has served as

a precinct captain and campaign planner.

Among other issues to be vigorously pursued in Rubin's campaign will be that of the attempted removal of local zoning prerogatives from local control, due to the actions of one of the incumbents. "Only the residents of the community can be fully aware of local problems and desires," Rubin claims.

Mr. Rubin will work for establishment of an additional commercial airport facility to diminish O'Hare Field's heavy volume of air traffic, whose noise and air pollution threatens neighboring communities.

Rubin, 41, is married, and the father of a son, Jonathan, 12, and a daughter, Sheryl, age 10. He is a Neighborhood Commissioner for the Boy Scouts of America, and is a licensed pilot. His wife, Davida, is Chairman of the Primary Dept. at William Gray Elementary school in Chicago, a member of the board of directors of the North Central Homeowners Assn., and Devonshire PTA Representative to Oakton Community college.

Summer Employment

As the winter storms begin it may seem strange to be thinking of next summer — but the staff at the Niles Public Library has been thinking about it. They already have materials for those who want to plan a working summer: The "1972 Summer Employment Directory of the U.S." is on the shelves, listing vacation employment in camps, parks, hotels, resorts, restaurants, theatres, business and industry, and government.

Jobs are available to high school seniors, college students, professors, and foreign students and are located in all regions of the United States and Canada.

The Directory includes instruction on how to apply for any of the 90,000 vacancies listed and counsels an early application; so, why not start thinking of a busy and happy summer while copying down addresses in the Library this week.

For those who are unable to visit the Library, "1972 Summer Employment Directory of the U.S." can be purchased at \$5.95 through any bookstore or by mail from National Directory Service, 266 Ludlow ave., Cincinnati, Ohio 45220.

Stop Smoking

The 5-Day Plan to Stop Smoking developed by the Hinsdale Sanitarium returns to Maine Township High School East, Potter rd. and Dempster st., Park Ridge, under the auspices of the Maine-Oakton-Niles Adult and Continuing Education Program. Five consecutive meetings will be held from 7:30 to 9:15 p.m., Sunday, Jan. 23 through Thursday, Jan. 27 in Room 330 at Maine East.

All five sessions should be attended to benefit from the series of films, talks, and exhibits designed to help those who wish to stop smoking.

Cost for the series is \$5 each and registrations may be made at the MONACEP offices at Maine

Library Features "Third Man" Film

The Morton Grove Public Library invites its patrons to attend the showing of our feature film, *The Third Man*, on Friday, Jan. 14 at 7 p.m. in the meeting room of the library.

The Third Man, a 1949 English movie thriller, was created by the skillful director-writer team of Carol Reed and Graham Greene.

The hero of the story is an American writer who comes to post-war Vienna to visit an old friend, Harry Lime. He is told that Lime has been killed in an automobile accident. There were two men at the scene; later he hears there were three. Who was the third man?

The all-star cast includes Joseph Cotton, Orson Welles, Valli, and Trevor Howard. The real stars of the picture are the camera, which does everything but stand on its head to re-create the grotesque shadows of the bomb-shattered city and the background music played by Anton Karas, a Viennese zitherist.

Admission is by ticket only. These are available, free of charge, at the main desk of the library.

Travel Film on Jamaica

Maine, Oakton, Niles Adult and Continuing Education Program in co-sponsorship with Niles PTA's will present Jamaica, America's Newest Vacationland on Tuesday, Jan. 18 at the Niles North Auditorium, 9800 Lawler, Skokie at 8 p.m.

Mr. John Moyer formerly of the Field Museum staff will present his beautiful color film and give the lecture. Mr. Moyer visits not only the historic spots such as Port Royal and Fort Charles, but also pays visits to night spots, bauxite mines, coffee plantations, and banana estates. In the midst of lush, green forests, blue mountains, and white sand beaches, the gaily colored villages produce natives indulging in various arts and crafts such as straw weaving and even practicing "pocomania," a revivalist religion meaning "little madness."

Single admission tickets for \$1.25 are available at the door as well as season tickets for \$2.25 which are good for the remaining four travel films. Students with an I.D. card are admitted for 50¢.

The remaining films include Yankee Sails Scandinavia, Taste of Israel, and Colorado.

East, Maine West, Maine South or at the Niles District office, 7946 Nagle in Morton Grove. They may also be purchased at the door the evening of the first session. For further information call 696-3600 or 966-3830.

Flynn Criticizes Spending

Thomas Flynn, the Democratic Senatorial Candidate in the 4th District, criticized the Governor's spending of millions of tax dollars for public relations to improve his image.

He stated "I am appalled at the recent disclosures in the newspapers that the State of Illinois is spending millions for public relations when the State supposedly does not have enough money to supply food and clothing for ADC children or to adequately finance the public school system of Illinois." He commented that if Illinois had money for public relations that it had money to accomplish genuine welfare reform. He suggested that the money would be better spent on such State projects as job training for welfare recipients and day care centers for ADC children while their mothers were receiving job training or actually working.

Illinois had performed no meaningful reform of the welfare system in the past twenty years. He also accused the Republican administration in Springfield and Washington of trying to make the misery of welfare people a political issue in the upcoming elections.

Mr. Flynn then mentioned that it has been four (4) weeks since he issued his challenge to Mr. Carroll to meet him in public debate and Mr. Carroll has refused to answer him with either a positive or negative answer. He accused his opponent of being a "talented senator" who has refused to meet the people of the 4th District. He then repeated his challenge to meet with Mr. Carroll in each of the seven municipalities of the 4th District in the auspices of the League of Women Voters. He then offered to rent and pay for the halls just so long as Mr. Carroll is present.

...of Interest to Women... Service League Passes Million Dollar Mark

One Million Dollars — that's what's on display here and that represents total giving of the Service League to Lutheran General Hospital. Presenting a \$60,000 check which put giving over the \$1,000,000 mark is Mrs. Robert Bjork, president of the Service League. In the center is Norman Olson, chairman of the board of trustees and on the right is Dr. N. M. Nessel, hospital president.

First Federal Savings and Loan, Des Plaines, made special arrangements to have \$1,000,000 brought in for the photograph.

A Million Dollars — that's what the Service League has now given to Lutheran General hospital, Park Ridge. With the presentation of a \$60,000 check in December gifts to the hospital passed the \$1,000,000 mark since the Service League was organized in 1959.

Among the major gifts made to the hospital were \$250,000 for the hospital expansion in 1964-66, \$200,000 for construction of the rehabilitation center, \$180,000 for special equipment and \$50,000 for remodeling and refurbishing areas in the hospital. Funds have also gone to aid research, to provide scholarships, to provide free television sets for all patient rooms, and other special purposes. Funds are raised through the gift shop, snack shop and thrift shop operated by the Service League, through member dues and donations and through services such as baby photos and others.

"The hospital is deeply appreciative of what the Service League has done for the hospital and the community which the hospital serves," said N. M. Nessel, hospital president. "Their support has played a vital part in the development of Lutheran General hospital."

The Service League has more than 900 members representing all faiths and come from throughout the north and northwest suburbs and Chicago. Volunteers work in 75 areas of the hospital providing more than 150,000 hours of service annually.

Niles Woman's Club Meets Wednesday

The Woman's Club of Niles, 10th District, I.F.W.C., will meet Wednesday, Jan. 19, at 6:30 p.m., at the Bunker Hill Country Club, for their annual Men's Nite and Pot Luck Supper.

The program that evening will be John Mosiman who has developed a fascinating new form of cultural entertainment called "Musical Paintings." He creates large paintings while drawing in rhythm with music. In his performances he is accompanied by synchronized orchestral sound tracks and theatrical lighting effects. The sound system and lights involve 200 pounds of special equipment.

Born in Elgin, Illinois, he lived in South America for ten years after completing his studies in college. It was in Ecuador that he discovered the close relationship between music and art, and he began to develop the techniques he uses now. In 1966 he resumed his residence in the U.S. and currently lives in Elgin. When he returned to North America, he intended to teach art and perform his "Musical Paintings" as the demand arose. The response was so great that within one year he was dedicating all of his time to the performances. The paintings which will be featured in his coming performance include: "Song of Norway", "Sunrise, Sunset" and "Granada".

The public is invited to attend the program which will start at 8:30 p.m. The price of admission will be a 50¢ guest fee. For more information phone 847-8779.

Maine Moms Scholarship Fund Drive

Last Fall Bill Johnson packed his trunk and took an extended trip from his home in Niles to the University of Illinois at Urbana. Measured in miles, the distance between Niles and Urbana is insignificant. Measured by the yardstick of self growth and opportunity the distance is infinite.

The Maine East Mothers' club with the help of organizations has for many years served as a local agent to deserving Maine East graduates. Last Spring the club awarded grants-in-aid totaling \$4,400 to 10 graduating seniors and continued help to two 1970 graduates. These students attend colleges and universities throughout the country. The awards were made by the scholarship committee of the Mothers' club in cooperation with the high school counselor and based on the student's individual merit and financial need.

The scholarship fund is financed through many money making projects sponsored by the Maine East Mothers' club. However, the fund has been substantially through the donations of many fine organizations.

We are very much in need of financial assistance and hope any organizations with a philanthropic project and funds that are not committed, would consider our students needs.

For further information and/or donations, please contact Carolyn Erickson, scholarship chairman at 825-5720.

Letters to the Editor

Senior Citizens Support Blase

Dear Editor:
 Honorable Nicholas Blase is a Candidate for Congressman from the 10th District.
 Mayor Blase is a Honorary Member of the Senior Citizens club of Niles. Advice and generosity has been great. He made his Office open to the club, members, and others for advice and help. Also helped on their papers and copies for the Homestead Act.
 Would like to request support for Mayor Blase for Democratic Congressman 10th District.

Past President Senior Citizens Club of Niles
 Harold E. Hoelt

God Bless These Generous People

Dear Mr. Beser,
 There are many thoughtful and kind people in this world, many being as close as Lutheran General hospital. I had occasion to visit my niece, Sheila Harrold, a victim of MS (multiple sclerosis), at the re-habilitation section of the hospital during the holidays. Bonnie Springer was doing an excellent job of entertaining these patients by community singing and Mrs. Ruth Sunderlin of the Service League made sure every patient had a gift waiting for them from Santa. Not only the patients but their children as well. Also delicious home-made goodies were served. God bless these generous people!

Sincerely,
 Mrs. John A. O'Connor

Exhibits Art Work

Dorothy Furmanski, 7319 W. Lee St., Niles is holding an art exhibit of her work at the Niles Public Library, Oakton and Waukegan, Niles.

The exhibit consists of pictures made of material and then stuffed and sewed on a backing which is then covered with glass and framed. Mrs. Furmanski has been doing this type of work as a hobby, but through the encouragement of her friends decided to display her work.

This unusual type of art work was Mrs. Furmanski's original idea and will be on display at the library until the end of January.

Blase Endorses Warman

Mayor Nicholas Blase, Democratic candidate for Congress, (10th Congressional District) and Committeeman of the Maine Township Regular Democratic Organization has endorsed the candidacy of Edward Warman, Skokie, for State Representative (15th Legislative District).

Blase commended the former State Representative (4th District), "Warman has been an outstanding legislator serving with distinction in the best interests of his suburban constituency. We must address ourselves to the issue — the suburbs must be represented by a suburban legislator. As suburbanites, we cannot allow ourselves to be governed by city

politicians who seek to usurp our independence by slating only Chicago candidates. This suburban area accounts for 30% of the district, and as such requires at least one representative from suburbia. Ed Warman knows our community and relates to our specific problems. His experience and background best qualify him to serve the people of the 15th District in the State Legislature."

Presently the Deputy Committeeman of the Niles Township Regular Democratic Organization, Warman was voted "Blue-Ribbon Legislator" during his freshman term in Springfield and twice won reelection to the office by comfortable margins.

Robin Hood Players at Ballard School

A literary classic "Treasure Island" came to life for boys and girls at Ballard school, East Maine School District #63, when they had the Robin Hood Players present the play on Jan. 6.

The four member troupe portrayed this classic giving two performances, one for the primary students and the other for the intermediate students.

Arrangements for this entertaining program were made through the efforts of the Ballard P.T.A.

Niles West PTA Meets Jan. 20

The Niles West PTA meeting for Thursday, Jan. 20, 8 p.m., Oakton Lounge, will discuss the subject "What Changes in Educational Policy are Being Discussed for the Niles Township High Schools?"

Members of the Educational Policy Development Committee will discuss some of the proposals which are currently being presented. The panel will include Dr. Gilbert Weldy, Niles North principal, Chairman Graduate Requirements Committee; Dr. Nicholas T. Mannos, Niles West principal, Files Committee Chairman; Mr. Howard Pearl, Niles East student, Student Fee Committee; Mr. Richard Miya, Niles East teacher, Chairman Teacher Evaluation Committee.

Mrs. Beverly Schaeffer Niles West PTA delegate to the EPDC will report on some of the curriculum changes which are being considered by the committee. Bring your questions.

Earth Science Classes

by Myra Rutstein

The Earth Science class at Maine East is a combination of many sciences — geology, astronomy, paleontology, which is the study of fossils, and meteorology. It deals with general concepts and comparisons on a local and continental basis.

Instructor Richard Guthrie says of the course, "It's a course that deals with events that people come across daily. The subjects covered are all inter-related. The course is very open-minded and inquiry oriented. You can go as far and as deep as you want."

Mr. Guthrie has an extensive background in the sciences he covers in the class. At Northern Illinois university he majored in chemistry, biology, and geology. One purpose of the course is "to have people appreciate this beautiful country. I don't see why people dwell on the beauties of Europe. We have places in the United States that will compare with anything you might see there 'and beyond.'"

Two imaginary field trips are taken to the mountains during the year. Students study (vicariously) how the mountains developed and how they have changed with time.

Discussing the course, Mr. Guthrie mentioned that it is a good introductory course for all students. At present the enrollment is mainly juniors and seniors, but he would also like to see it on a freshman basis.

"People are missing something by not having a basic background of the earth sciences. There are so many things of which they aren't aware." One example he used was that not many people in Morton Grove and Niles know that they live either on an ancestral bottom of the present Lake Michigan or glacial moraines deposited by glaciers 12-15,000 years ago.

Hugh O'Brian in "A Thousand Clowns"

Producer David Lonn has announced that Hugh O'Brian, star of stage, film and television (Wyatt Earp fame), will begin the New Year by starring in "A Thousand Clowns" Jan. 13 through Feb. 6 at the Arlington Park Theatre.

"A Thousand Clowns," by Herb Gardner tells the story of a bachelor uncle rearing his precocious nephew, and how their relationship is upset when a social service team comes to investigate the uncle because of his free-thinking, non-conformist way of

life. The production will be directed by Harvey Medlinsky, who directed the national company of "The Odd Couple," with Jack Klugman and Victor Spinetti and "Plaza Suite," with Paul Rogers and Rosemary Harris. Mr. Medlinsky most recently directed Shelley Berman in "The Last of the Red Hot Lovers."

"A Thousand Clowns" will preview Wednesday, Jan. 12 at 8 p.m. and open Thursday, Jan. 13 at 8 p.m. The production will run through Sunday, Feb. 6.

Williamsburg Curator to Speak

On Wednesday evening, Jan. 19, at 8 p.m. in the home of Mrs. Donald Landwer, 2332 Lafayette, Arlington Heights, the Northwest Suburban Alumnae Chapter will hear Malcolm Dunn, Williamsburg curator speak.

He will take the group on a tour of colonial Williamsburg. Mr. Dunn has been associated with colonial Williamsburg for 11 years. As curator, he is involved in restoring and cataloging the Williamsburg collections, searching for authentic pieces, writing and lecturing. Since 1965 Mr. Dunn has been an adviser and style researcher for Sears Roebuck and Co.

Mr. Dunn will explain methods used during the restoration to insure authenticity, such as inven-

tories of things kept in each building. He will also explain how some of the rare pieces of American furniture were acquired.

This should be a very enjoyable evening for all concerned with antiques or interior decorating.

All alumni in the area are welcome to attend and may obtain more information by calling Mrs. Landwer at 392-8535.

Alvin G. Koehler

Navy Chief Petty Officer Alvin G. Koehler, husband of the former Barbara S. Firmis of 7011 Fargo, Niles, was awarded his second Navy Achievement Medal during ceremonies aboard the destroyer USS Eversole, homeported at Long Beach, Calif.

He received the award for his meritorious service as Chief Gunners Mate aboard the USS Eversole.

"Cinderella" Returns to Mill Run

The delightful musical hit "Cinderella" is returning to the Mill Run Children's Theater due to popular demand. This classical fairy tale, adapted for the stage by Don Driver, is scheduled to open on the weekend of Saturday, Jan. 15-Sunday, Jan. 16 and run through the weekend of Saturday, Jan. 29-Sunday, Jan. 30. Music is by Richard Rodgers, lyrics by Oscar Hammerstein II.

The general admission price for both children and adults is \$1.50, with Saturday and Sunday afternoon shows at 1 p.m. There are also special rates for

groups of 30 or more. For information, please call 298-2333. The Mill Run Children's Theater will be delighted to add your name to the mailing list of future productions.

When "Cinderella" was staged at the Mill Run during October-November '71, Mary Daniels, Chicago Tribune critic, described it as "... the most lavish children's production I'd ever seen here in Chicago, and the display was as much of good taste as money spent." Furthermore, she commented: "Not only does one rarely see musicals for kids, one rarely sees a play for them that has employed so much well-developed talent as has this production. Everyone, even the pretty faces, can sing and dance as well as act."

Harry Lee Rogers, Producer-Choreographer-Director of the Mill Run Children's Theater, is coordinating the production of "Cinderella," utilizing the expert services of Tiffany Players, a company of professional adult actors and actresses.

Den 7 - Pack 273

Den leaders Carole Wilstein and Karen Teitelbaum of Pack 273 get their boys from Den #7 out and working. The boys worked hard digging up the ground, planting the tree and watering it down. The planting was their idea of getting an extra den feather and also to make the school grounds a little nicer. The tree was planted at the Nelson school, sponsor of the pack. The boys planting the tree are Jeff Wilstein, Ben Teitelbaum, Paul Mang, Leonard Gail, Brian Less, Scott Gauss, Donald Fox and Daren Romanek.

Troop 33

Celebrates 3rd Birthday.

Boy Scout Troop 33 sponsored by Good Shepherd church celebrated its third birthday with a Court of Honor ceremony at Mark Twain school.

Scoutmaster Charles Thompson and Senior Patrol Leader Mitch Gnatowsky welcomed 4 new boys to the troop. The boys who earned the rank of Tenderfoot were Jim Dash, Bill Factor, Irwin Sheer and Michael Sheer. Second Class was earned by Jim Dash, Bill Factor, Jay Glass and Irwin Sheer.

Joe Burros gained the rank of First Class. The rank of Star Scout was achieved by Ross Bottner, Phil Factor and Fred Leist.

Merit Badges awarded were: Public Speaking - Phil Factor, Mark Gotthelf; Firemanship - Ross Bottner; Safety - Bill Factor; Hiking - David Barish, Randy Bernstein; Citizenship in the Nation - David Barish; First Aid - James Kylen, Dog Care - Jay

Brownie Troop 828

Representatives of Brownie Troop #828 are seen lining up with their chaperones watching, at a recent Morton Grove American Legion Post #134 meeting. The occasion was when the Legion presented them with a new American flag for their troop. This is another in the Americanism programs of the Post, and Chairman Ralph Hintz may be contacted for donations of flags to other groups who desire them.

The Post #134 Rifle Squad, an honor guard group, is seen, lining up to escort the young ladies to

the rostrum where Hintz and post commander William Cunnally were waiting for the presentation.

Troop No. 508

On Wednesday, Nov. 24, the girls from Brownie Troop No. 508 delivered food baskets to the American Indian Center to be distributed for the holiday. The girls decorated their baskets and collected food to be given to the Indian Center. Troop No. 508 is under the excellent leadership of Mrs. Tina Brasch and Mrs. Mary MacDonald.

Explorer Officers and representatives from 18 Explorer Posts and Sea Explorer Ships of the Exploring Division - B.S.A., Northwest Suburban Council with headquarters in Arlington Heights, participated in the planning conference held at Fort Sheridan, Illinois, this past weekend.

During the conference, Joe Bucalo of Post 340, Wheeling, was elected Chairman of the Post Presidents Association of the Exploring Division, Nancy Ames of Post 83, Lake Zurich/Barrington, was appointed Secretary of the Association.

Tom Cope of Post 13, Des Plaines, served as Chairman of the event and opened the conference on Saturday afternoon to the 70 delegates and advisors. Jack B. Blane, Vice President

of Ekco Products Company of Wheeling was introduced as the new Exploring Division Committee Chairman.

Arthur J. Allen, Scout Executive of Northwest Suburban Council keynoted the closing session on Sunday morning. Special guests at the conference included, Captain Robert Largent, United States Air Force Liaison Officer at Ft. Barry Trump Fort Sheridan Special Service Officer. Advisors to the Conference were Conrad Henkle of Des Plaines and L. Erik Torrison, Explorer Executive.

Pack 273 Pinewood Derby

Cub Scout Pack 273 had its first Pinewood Derby Nov. 30. The Pack consisting of 97 boys all entered the races with some really sharp looking cars. The cars were weighed in and then there was a contest for the best designed cars. Three trophies were given away for that event. The winners for the Best Designed cars were Brian Latal, Greg Schultz and David Rice. Judges for the contest were Mr. Karp, Mr. Giorgi and Mary Cohen, the pack's Neighborhood Commissioner.

Before the races began Mr. Kornick, Cubmaster, held a short regular meeting with activities report and awards that the boys had earned that month. George Gauss, Activities Chairman, gave a report on the last Pack trip which was to the Bull's Basket-

ball game. Attendance at the game from the pack was 168 people. All seemed to have a good time and want to go back for another game.

After regularly scheduled meeting, the Pinewood Derby was started. Everyone had one trial run and the second run counted. Time finally came and the winners were announced, Webelos Scout Jim Berglund was the first place winner, followed in second by Greg Mork and third place to Scott Schmarek. Congratulations to the boys and trophies were given out to them by Mr. Giorgi, Asst. Cub Master, and Al Fox, Chairman of the Pack. A special thanks to Vince Giorgi for building the track for the boys, and thanks to Mr. Gallatz for the use of his truck in transporting it from Lake Villa.

Brownie Troop 79

On Jan. 12, Brownie Troop 79 (Hynes school) visited Lutheran General hospital at which time they presented 100 "bubble bath sodas." The sodas which will be used as tray favors for the patients, were made by the girls as a community service project.

Members of the troop include Kelly Alesia, Setta Asorian, Sherri Braidman, Beth Brunelli, Lisa Christensen, Stacy Cohen, Jodi Epstein, Dawn Evans, Debra Filgelman, De Ann Gerhardt, Lisa Glantz, Julie Heuck, Mary Hill, Cheryl Hollander, Barbara Jericho, Carolyn Lammersfeld, Laura Lober, Joimarle Maguire, Ronda Immergluck, Lana Redini, Tammy Schaeffer, Susan Schaden, Marie Soble, Beth Solomon, and Susan Zimmeroff.

The troop leaders are Mrs. Marianne Redini and Mrs. Sandy Schaeffer.

Patty Wieser. Our deep gratitude to the mothers who helped with refreshments and with the cheerleaders who were Mrs. Babcock, Mrs. Deutsch, Mrs. Di Napoli, Mrs. Drozd, Mrs. Fouty, Mrs. Pacilio, Mrs. Sliwa and Mrs. Vitro. Thanks, Mom, the boys love you. The Niles Falcons played in the Pop Warner Junior Football League, 5 games at home in Jozwiak Park and five games away from home. If you are interested in joining the team next year, watch your local papers for the details. The following played with the Niles Falcons: John Laurie, Tom Drozd, Neil Deutsch, Vince Oliva, Bill Serantoni, Sam Rea, Ed Smitgel, Joe Mores, Pat McInerney, Paul Basista, Barry Ruby, Bill Fouty, Andy Ciabattari, Mike Papeck, John Conklin, Domenic Vitro, Marty Steele, John Papeck, Jeff Hode, Greg Dvorak, Tom Orvos, Ron Sliwa, Frank Laurie, Lee Walker, Barry Brodsky, Jeff Hill, Mike Babcock, Don Mueller, Bob Zahorak, Nick Solano, Joe Rizzo, Vito Masi, Randy Goldfein, John Centella, Dennis Ferrarelli, Orle Colby, Tom Kowalski and Mark Kowalski, Ray Weiser, Steve Pacilio, Scott Sandler, Greg Kuda, Lou Matsie, Oliver Dati, Dave Matterna, Bill Sullivan, Tom Stenger, Guy Chastain, Larry Edington.

The Niles Falcons Football teams concluded their season with a banquet at the Lone Tree Inn with over 150 people in attendance. Starting last August these boys practiced 5 nights a week and Saturdays and Sundays. Each boy was awarded a trophy for his efforts and 6 of the boys who had maintained a "B" average or better received special scholastic awards, namely, Neil Deutsch, John Laurie, Don Mueller, Steve Pacilio, Ron Sliwa and Bill Sullivan. The coaches, who had worked very hard with the boys, were also presented with trophies and plaques. The teams and their parents wish to express their

thanks to Nick Di Napoli, head coach for the Bantams and his assistants, Frank Ruffolo, Harry Ruby, Dean Strzelecki and Ron Strzelecki; also to Bob Babcock, head coach for the Midgets and his assistants, Bill Fouty and Ted Sliwa. The Niles Falcons also thank their cheerleaders who supported and inspired the team, namely, Marge Babcock, Lisa Di Napoli, Lory Feld, Judy Fouty, Linda Durham, Carol Kramer and Sylvia Mase. The Midgets also thank their loyal cheerleaders Ann Marie Basista, Cheryl Cards, Joann Ciabattari, Lora Di Napoli, Lori Kowalski, Sue Sliwa and

Freshman Swimming

In all high school athletics, coaches on the lower levels prepare their players for the time when they will be the varsity. Swimming at Maine East is no exception. Fresh-soph swimming coach Paul Nelson feels that there are three major points in training his team. Although his swimmers do possess generally good form, improvements must be made in their stroke to increase endurance and speed. Also, many of the strokes are uncommon and seldom practiced prior to joining a swim team. Many good swim-

William Erb Rolls a 299 Game

William Erb who bowls with the 79ers Bowling League at the Golf-Mil Lanes and holds a 157 average, rolled a 299 game. Erb was robbed of a 300 game by the stubborn #4 pin in the 12th frame. Erb threw what appeared as a perfect pocket hit and all his team mates shouted "you've got it" while the ball was rolling down the lane. Henry Aronson owner of the Golf-Mil Lanes was delighted. He will present Bill Erb with an award. "This is the second 299 game bowled in Golf-Mil Lanes within the last 30 days," said Aronson. According to Mr. Aronson there has been a surge in bowling popularity and he expects that the number of high games will reach a record this year. It seems that today people are trying to flee from the "Idiot box" and from the sight and sound of the never ending football games. "The excitement of all the bowlers present who watched Bill Erb roll his 299 game is proof that bowling is a real fun thing," said Aronson.

An Invitation

Niles Amateur Hockey Assn. invites all mothers and dads, brothers and sisters, grandparents to attend and lend their moral support at all of their boys' hockey contests. We know it's cold out there at least for this year but these kids play for an audience whether they are 7 or 17. Nothing sounds better to their ears than a loud volley of cheers for their teams' effort. Ice hockey is an exhilarating sport and once you are caught up with it you won't let go. Hot drinks are available in the warming house, so bundle up, bring the family out to Ballard Park and cheer on the House Leagues and All Star teams. Who knows? We may be developing future state champions!

Bantam

"A" Golf Mill Chrysler Plymouth 3 - "B" Soffit King 2. The undefeated "A" team won its 9th game by the narrowest of margins against hard checking and stubborn Soffit King. "B" team goals came from Mark Donash (un-assisted) and Mike Nitri, Premier assisting. Ruesch, Kirby, and Radovsky tallied for the "A" team with a lone assist from Jaroszewski.

Midget

"B" Fornasiero Bros. 4 - "A" Miller Builders 3. "B" team spotted the "A's" a three goal lead but came roaring back in the 3rd period with 4 goals to put the game away. Larson lit the lamp 3 times in a row to bag the hat trick. Crisci scored the 4th goal and picked up 2 assists along with Mesci, Laird, Shear and Peterson.

Honor Students

A total of 907 Eastern Illinois university students received academic honors for the Fall quarter. It was announced. Of the total, 333 students received high honors and 574 students received honors. Included were: Des Plaines - Harry Harvey, Karen Stolle, Susan J. Pasco. Morton Grove - Kathleen Dougherty, high honors. Wheeling - Linda Fluder.

Maine Placement Tests Saturday

Placement tests, given annually in Maine Township High School District 207, will be given at the four Maine high schools on Jan. 15. The district will again administer the Differential Aptitude Test (DAT) for this purpose.

All students who plan to enter the Maine high schools next September as freshmen are required to take this test prior to enrollment. No other general testing date will be scheduled. Students are to take the test at the high school they will attend next year.

Testing will begin at all 4 testing centers at 7:45 a.m. and should be completed by 12:15 p.m. It is important that students arrive and be seated before 7:45 a.m. Late arrival will jeopardize the individual's test performance.

At the Maine East testing center, students, from the following schools will be tested: Gemini, Apollo, Emerson, Chippewa, parochial and private.

The Maine North testing center will test students from Apollo, Chippewa, River Trails, River Road, parochial and private schools.

At the Maine West testing center students from Algonquin, Chippewa, Iroquois, Our Lady of Hope, St. Mary's St. Zachary, St. Emily's, St. Stephen's, Immanuel Lutheran (Des Plaines), and all other parochial and private schools will be tested.

Students should arrange for their own transportation to and from the testing center and bring with them two sharpened No. 2 lead pencils. Parents should arrange to pick up their children

at 12:15 p.m. or shortly thereafter.

The testing program is identical in all Maine high schools and will be administered by members of the counseling department of each school. The areas covered by the test are: verbal reasoning, numerical ability, abstract reasoning, space relations, mechanical reasoning, clerical speed and accuracy, and language usage.

According to Merlin W. Schultz, Coordinator of Pupil Personnel Services for District 207, the Differential Aptitude Test helps students, parents and counselors in making decisions regarding course selections which meet the needs and interests of the student. It is used as only one of the criteria, along with the student's past performance and judgments of former teachers in deciding on a program of studies to be taken in high school.

The test results help evaluate relative strengths and weaknesses in a variety of aptitudes which are important to educational progress and the making of career choices. The results help to decide what courses should be taken next year? College, business or technical course? More science and math? How about languages? Do the student's abilities jibe with his interests? What careers should be considered?

Parents desiring additional information should call the guidance office of the high school at which their child will be tested. The telephone numbers are: Maine East, 825-4484; Maine North, 298-5500; Maine South, 825-7711; Maine West, 827-6176.

SCHOOL NEWS

New District 63 Board Member

At a special meeting of the Board of Education, East Maine School District #63, held on Wednesday, Jan. 5, at Ballard school, Mrs. Hermine Levin was unanimously appointed as a new member of the Board of Education to fill a vacancy created by the resignation of Board President William Gurolnick. She will retain the appointment until the Board of Education election

scheduled in April.

Mrs. Levin attended the University of Illinois - Champaign, majoring in journalism. She wrote a weekly column for the Des Plaines Journal concerning activities and interests of the entire unincorporated area of School District #63.

Mrs. Levin has been very active in civic and school affairs beginning 9 years ago when her

daughter started Kindergarten at Ballard school. She has been a member of the Ballard and Washington school PTA's. In 1966 her children were assigned to Mark Twain school where she has served on the PTA Board for 6 years. She is currently serving her second year as President of the Mark Twain PTA.

With the opening of the new Apollo school, Mrs. Levin served on a parent's committee that helped formulate a PTA for Apollo school. She is currently serving as Legislation Chairman for the Apollo Parent-Teacher-Student Association.

Maine North Varsity Debate

Maine North High school will enter its first varsity debate tournament on Jan. 22 at Maine East High School.

"We have been preparing for this opportunity to enter debate competition on the Varsity level since last Fall," said Dawn Plotter, Maine North's head Varsity debate coach. "Our combined season's winning record of 22-16 assures me that our new Varsity Division can meet the new demands of cross-examination and debating both sides of the topic," she said.

Varsity debaters who will represent Maine North are Gini Henkels, 3441 Ashley, Glenview; Jan Fritsche, 1330 Rand, Des Plaines; Edie Busija, 772 Timothy, Des Plaines; and Otto Dube, 9744 Dee, Des Plaines. Their topic will be "Resolved: That the Jury System in the U.S. Should Be Significantly Changed."

In competition last week, Maine North's Novice Division placed fifth in a field of 23 Illinois high schools at Wheaton North, representing Maine North in the

Novice Division were Bill Hurlbutt, Chris Jenner, Brad Rovin, and Patty Gales.

In the Novice Division, Brad Rovin and Patty Gales compiled a 4-0 record and in the Junior Varsity Division Jan Fritsche and Gini Henkels also compiled an impressive 4-0 winning record.

The debaters placed fifth by defeating Maine West, Wheaton North, Thornton, Sterling, and Elk Grove.

Maine North's current debate record is 22-16.

AFS Benefit Dance

"Woodrose" will play at the Benefit Dance for American Field Service Friday, Jan. 14 at 8 p.m., Niles West High school, Oakton at Edens. \$1 donation. Tickets available in advance at the Record Shack, 4724 Oakton, Raymond's, 4535 Oakton, Sunflower Health Food Market, 8041 Lincoln. Call 673-2427 for additional information.

The handsome posters advertising the scholarship dance were designed by West alumni Bruce Weitzman.

Monies raised by the dance will cover scholarship expenses for the student program which includes bringing a foreign student to our local school and sending one of our students on the Americans Abroad program.

The weekend of the dance is also "AFS Weekend," other area foreign students will be visiting our school and homes, living temporarily with West families. At the dance students from our area will have the opportunity to meet the foreign exchange students and share an evening of conversation, listening and dancing to "Woodrose."

LEGAL NOTICE

The Board of Trustees of Junior College District No. 535 will receive sealed proposals for Offset Printing Equipment and Drapes up to the hour of 2:00 P.M. on January 24, 1972, at the Administrative office of Oakton Community College (Building No. 3), 7900 North Nagle Avenue, Morton Grove, Illinois.

Bids will thereafter be publicly opened and read aloud. Specifications of services to be furnished and quality and quantity of items to be supplied may be obtained from the office of the Manager of Business Affairs at the College's Administrative Office (Telephone No. 967-5120).

Public Housing

Niles village attorney Richard Troy said a Supreme Court ruling would allow such a vote for public project. Troy noted low cost housing, sponsored by the government, is exempt from taxation, thus placing a burden on the community. He said this reason gives the decision validity.

While Blase's action would likely receive the support of most residents, Niles trustee Rich Krzak questioned whether this action wasn't in conflict with Niles support of open housing. Blase stated the Board supported open housing but said the recent home section of the new state constitution would allow villages to take this independent action.

Since Blase has a keen eye using the media, the nature of this proposal during Blase's bid for Congress, will likely receive headlines through Chicago and newspapers just as it will receive a headline in The Bugle. Blase-watchers, who've seen him maneuver the press before elections, only to watch the pre-election issues fade away afterwards. And even while he's getting tremendous mileage over the issue it will be interesting to note his interest in it after the March 21 ballots are counted in the upcoming primary race.

Osceola and Olcott area north of Main Street will have flooding problems there alleviated by grading and plotting of alleys there.

Tr. Ralph Bast reported Niles South Commission results in studying drug problems will result in a library of drug information being created at the administration building, and will be available for self-help, both to individuals and school groups.

Bast also reported a study of recreation facilities is being undertaken by the Youth Commission.

Tr. Feck reported much of the noise at the Ballard Park Sports Complex has been eliminated by the nylon curtains there. Niles fire department recorded noise about December 15 and recommendations by the village aided in the noise reduction. Blase said another study will be undertaken in the future.

Pesole report hopes to eliminate parallel parking on Milwaukee Avenue between Seward and Kenney by February 1. Barriers in the Foremost parking lot will hopefully be eliminated to aid the traffic problem in the Oakton-Milwaukee area.

A daily car count of 16,000 resulted in a resolution for a temporary stop light during school hours at the Clara-Greenwood intersection for school children crossing there. The car count on Greenwood was reported to be greater than on Harlem Ave.

In other actions at Tuesday night's village board meeting Edward Walsh, Jr., 8100 Davis, received support from the village board for his proposal to build two condominiums in the Chester-Grace-Greenwood area. After meeting with residents and District 63 officials they all agreed to the plans which will include 16 and 17 units. There will be 12 two-bedroom apartments and the balance will be one-bedroom. A fence will be built between the building south of the junior high school at Ballard and Greenwood and one of the condominiums, and will be given to the school.

In still other actions village officials okayed \$7,500 for a stoplight in front of the YMCA. While Marcheschi noted the commercial activity at the Y, he voted with the rest of the Board in granting the money. Chicago and the state will complete the payment for the lights.

.....Okayed the \$19,800 bid for a stoplight at Ballard and Milwaukee which will be paid by the MEMCO Company.

.....Vehicle sticker deadline is the same as the state license deadline, February 15.

.....Waukegan and Harlem are now designated as emergency streets if one or more inches of snow fall, resulting in autos being off the street.

A.F.S.

What do you think of being a brother or sister (or mother or father) to a student from a foreign country? Imagine having a boy from Brazil or a girl from Sweden living in your very own home!

Of course, A.F.S. is not limited to only Brazil and Sweden and the United States. It involves more than 50 countries around the world, and Maine East alone has had students from Germany, the Philippines, Denmark, Brazil, Spain, Japan, the Netherlands, Norway, Chile, Iran, Uruguay, and Turkey.

Mrs. Mary August is heading the committee to interview applicants for host families. The family must be willing to give all the love it can to a student away from his own family for 10 months.

Discuss the idea with your family and have your son or daughter pick up applications in the Guidance Center. Or if you would like more information, call Mrs. August at 825-6865.

gates at the meeting of the Caucus on Feb. 10. The Committee must also prepare a brief descriptive statement of each nominee selected by the Committee, giving full information concerning his qualifications for membership on the school board; such information must be mailed to all members of the Caucus prior to the February meeting, at which time the delegates will elect the candidates that will be supported by the Caucus for election.

Board vacancies to be filled this year include two 3 year terms for the Board of Education of Elementary School District 63; to be filled also is the remaining one year of the 3 year unexpired term of Board President Bill Gurolnick who resigned from the board on Jan. 3, 1972. No vacancies exist from the East Maine area for the High School District 207 board of Education this year because of the "gentlemen's agreement" which exists between the caucuses in Maine Township in which area representation is honored.

Information or additional nominations may be submitted to Mrs. Grace Riley, chairman of the Nominating Committee. Please call 824-8750, or contact any of the following committee members: Mrs. Ruth Foster, Des Plaines; Henry Winograd, Des Plaines; Al Klein, Des Plaines; Art Fumarolo, Niles; and Mrs. Lois Bunt, Niles.

Scouts to Hold Appreciation Dinner

The Maine Ridge District Boy Scouts will hold their appreciation dinner on Sunday, Jan. 16 at Przybylo's White Eagle Restaurant, 6845 Milwaukee ave., Niles.

Newly elected district chairman George Gauthier, other officers and members at large will be installed. Unit leaders will be recognized and training badges awarded. Highlights of 1971 operation and 1972 plans will be presented.

All cubbers, scouters, their wives or husbands are invited. Dinner chairman Ken Rowe is taking reservations at \$5 each at the Northwest Suburban Council Service Center, 1622 N. Rand rd., Arlington Heights, 60004, through Wednesday, Jan. 12.

is most people have spent many years learning their trade or craft at reduced wages, but now receive a wage which is minute when compared to medical. And since doctors are generally rated by non-medical patients as being one step below the guy upstairs, few of them ever know the level

of competency of these men. They don't operate in the marketplace, where ability and competition determine their wages, and thus they are in the position of being able to gouge to their wallet's content. Such abnormal fees is one reason, we believe, for the government regulating the medical profession.

he would send some information regarding that subject to all the trustees.

Dick Hohns announced that by the end of the month negotiations for the purchase of the property for the new Fire Station should be completed. Herb Houndt announced that the Street & Sidewalk Committee would meet tomorrow night. Atty. John Nordberg read a portion of the ordinance governing dangerous trees

that stated that "any tree or shrub that overhangs a street or sidewalk shall be trimmed by its owner". Atty Nordberg then read the ordinance amending the Municipal Code for meeting dates of the board. This was approved. Mayor Bode announced that the response from citizens for serving on the proposed Planning & Development Committee has brought forth 17 replies to date.

Dist. 219 Caucus

The District 219 Caucus executive committee has completed screening of several residents who sought Caucus nomination as candidates to the Niles Board of Education.

The executive committee selected 6 applicants for further consideration by the full Caucus on Feb. 21. At that time, 3 candidates will be chosen to fill the 3 vacancies on the Board of Education.

Those selected by the executive committee for further consideration are:

Milton Berzock, 4439 Fitch, Lincolnwood; Paul Peter Black, 3800 Cleveland st., Skokie; Irving S. Fishman, 5041 Fargo, Skokie; Shirley Garland, 4456 Lunt, Lincolnwood; Lionel B. Gilbert, 9716 N. Keeler, Skokie; James K. Moore, 6437 Kilpatrick, Lincolnwood.

Final screening by the full Caucus will take place on Feb. 21 at Niles North at 7:30. The public is invited to observe, but only

qualified Caucus members will be eligible to participate in the voting.

Speech Team Results

The Maine East speech team captured its first team trophy of the year on Saturday, Dec. 11, as they placed third out of 40 schools in the Peoria Richwoods Forensics Tournament.

Eleven team members qualified for the final round while 7 of these 11 went on to place in the tournament. Cathi Karp and Dave Novak, both of Morton Grove, were first in duet acting for the fourth time this season. Barb Gorgot of Des Plaines was second in verse reading; Gary Wilkins of Park Ridge was second in serious reading; Mike Gallante of Park Ridge was third in both after-dinner speaking and original monologue; and Joel Levin of Morton Grove was third in extemporaneous speaking.

Student Teachers at Maine East

Four student teachers, all from Northern Illinois university, are currently working with the students and faculty at Maine East. They will complete their work here on Jan. 21.

Two of the four are assigned to the English department, Paula Garland is working with Richard Luckritz, who teaches four classes of English I, Mary Novak is assigned to work with Mrs. Betty Press and Beattie Pavlinsky.

Assigned to the social studies department are Robert Lorz, working with David Renz and Paul Carlson, and Daniel Sauber, working with Steven Davidson and Norman Kirby, social studies department chairman.

The four student teachers began their work assignment on Nov. 8.
