SONY **Sweet 17**
TRINITRON COLOR TV

We've come a long way from Tummy TV. Today, we present Sony's big color set. The 17-inch* Trinitron. A couple of years ago, we introduced the Trinitron system (a totally different way of producing a color picture).

People said a lot of nice things about our 9-inch* and 12-inch* Trinitrons. They said our picture was brighter and sharper.

In fact, people liked our sets so much, sometimes we couldn't keep up with the demand.

In two years, the only complaint we ever had was, hey, how come you don't make a big set? Well, there's nothing to complain about anymore.

Today, there's a 17-inch Trinitron.

As long as you don't put it on your tummy, it's as good as the small ones.

Niles Family Service Open House

Mayor Nicholas B. Blase stated that Niles Family Service has provided a much needed service to families in crisis, and that he and the Village administration are very pleased with the work that is being done under the directorship of Larry Renetzky. Village Manager Ken Scheel said that the Family Service offices were especially designed to be conducive for counseling. Visitors to the Open House commented that they liked the family style decoration which made them feel at home, and that the office design and atmosphere was warm and cheerful which helped them to relax and be open to counseling.

Mr. Renetzky pointed out that he has been most gratified by the response to the office by clients and also by visitors to the Open House. However, he emphasized that he is even more pleased about the quality of counseling delivered by his trained staff of graduate social workers, a consulting psychologist and a psychiatric consultant. The staff handles a multiplicity of problems centering around marital discord, parent-child conflict, personality maladjustments, drug problems including the alcoholic, unwed mothers, vocational and educational breakdowns due to anxiety, and such crises as death and suicide. The agency has provided marital, family and mental health education as well as the opportunity to participate in workshops, group therapy, speeches, and seminars.

The Niles Family Service is now 3 years old and has served over 1,100 clients. It is a department of the Village of Niles and was the second such program in the state, perhaps the nation, according to Mr.

Renetzky. Its philosophy is "An Agency with a Heart - and the Most Important Person in the Agency is the Client." It stresses to Niles residents that "You and Your Family are Important." The director emphasized that Niles Family Service strives to enrich

and reinforce marital and family living and to serve individuals, couples and families in crisis. All a Niles resident has to do is call 966-1640 or come in to Niles Family Service, Professional Mall, Lawrencewood Shopping Center, Niles.

Melzer TAP Program

March 20 has been set as D-Day for the challenging program about to be launched at the Melzer Elementary school, 9400 Ortle, Morton Grove. Nicknamed TAP, Teacher Aid Program, it has been designed with one goal - to afford the Melzer children the maximum possible from their school, its staff, and their com-

munity. The program is two-fold: clerical assistants and instructional aides.

The TAP Committee, composed of Melzer parents and personnel, feels that there are enormous volunteer resources in our area.

Volunteers for the program need fill only two requirements - the wish to participate and a love of children.

GOLF MILL STATE BANK ... a bank on the grow!

After ten successful years of doing business at our present Shopping Center location, we're expanding by building a brand new bank handy and nearby to our existing quarters!

Ground has been broken for our new three-story \$2 million bank building that will feature complete motor bank facilities with six auto service lanes.

Construction is underway now at the site—immediately south of the Center. It's about 500 yards away from our present office at the southeast corner of Greenwood and Church Streets. Our Grand Opening will be on or about October 1.

This new building program has been made possible by the contin-

ued support and confidence of our thousands of customers who have helped us grow the past ten years to a bank of almost \$27 million.

For example, as of year-end 1971 our bank deposits reached an all-time high of \$25 million. That's 24% over the previous year's record mark of \$20.1 million!

Loans outstanding at year-end 1971 were 28.9% ahead of our 1970 total. Capital accounts increased by 16.9% in just one year from \$1.1 million to \$1.3 million.

That's how it's been ever since we opened our doors in 1961. We remember those days—when we were still in "knee pants" as a new bank.

Then, one friend made another friend for us.

That's the way it all started. That's the way we still grow today.

It's nice to be a growing bank with lots of services and customers to use them. And it's also going to be nice to share with them and all the folks in this area our modern, new facilities in spacious, convenient quarters, when we move in next Fall.

So, as we grow both in size and scope of services, please remember that we always welcome and appreciate your business and invite you to do all your banking at Golf Mill State Bank ... a bank on the grow!

Niles Blood Drive Apr. 1

It's Blood Donor Month
Protect Your Family
Be a Blood Donor.

Representatives from all social, fraternal and community organizations met recently in the community room of the Niles Public Library to finalize the recruiting plans for the Niles Blood Assurance Plan. Angie Marcheski representing city government and Sid Brandt gave blood to show how easily it is done. Technicians from Beverly Blood Center did the drawing. After witnessing how easily it is done, almost everyone present signed up to give blood for the community of Niles. Representatives of all organizations will be recruiting blood donors from now until April 1 when the bloodmobile will be at the Niles Public Library.

95 beautiful trees were saved as a result of conscientious work on the part of students at Gemini school, East Maine School District #63.

Student members of the Junior Isaac Walton League, assisted by the Student Council at Gemini school, in their first conservation drive held on Feb. 18, collected a grand total of 5 tons of paper. The paper is to be recycled for future use.

This noteworthy drive was under the direction of Raymond

Donatelli, science teacher at Gemini. Plans are being made to have another spectacular drive in May.

Heiko Rommelmann
Navy Petty Officer Second Class Heiko Rommelmann, son of Mr. and Mrs. Heinz Rommelmann of 8839 Sayre ave., Morton Grove, returned to Alameda, Calif. Saturday, Feb. 12 with the nuclear powered aircraft carrier USS Enterprise, ending an 8-month deployment with the Seventh Fleet in the Western Pacific.

Gemini Paper Drive Huge Success

This blood drive will benefit all residents of the Niles Library District. It's purpose is to band together to help each other. What greater way to help each other than to give life to each other? One in every 10 persons will need a blood transfusion in

PARK DISTRICT NEWS

Winemaking

Everyone desires to do something a little different. Here is the perfect opportunity. Wines can be made from almost any fruit or vegetable if you know the technique. This class will teach fermentation techniques, what fruits or vegetables to use, length of time, bottling, etc. Each individual will make his own wine for his own use and share his knowledge and experience with the rest of the class.

Floor Hockey

For the first time, Golf Maine will be offering a floor hockey program. Floor hockey uses plastic sticks and plastic puck. Played with most of regulation hockey rules, this program for 7 to 12 year olds should continue the fun of winter hockey right through Spring. The only requirement necessary for playing is gym shoes. Boys interested in joining should contact the Park District Office.

Basketball League

For the first time Golf Maine is running a Men's Basketball League. Games are played at the Gemini Jr. High school South Gym on Mondays and Wednesdays beginning at 6:30 p.m. Ten teams are participating representing several commercial companies.

Rocketry

A rocketry course will be offered this Spring for all space enthusiasts. Included will be learning the fundamentals of rocket building, aerodynamics, and flight engineering. All these fundamentals will be geared to the age level (8 and up) participating. This program will also be on an advanced level for those adult rocket enthusiasts. Hopefully, participants will plan, build, and launch their rockets by the end of the program. This program offers those with experience a chance to exchange ideas, and for those newcomers a chance to learn.

Feminique

The announcement of tentative plans for a continuing program for women called Feminique brought so many calls, that a further announcement was felt necessary. The program has been designed for women who want to meet other women, go interesting places, and do interesting things. There are always exhibits, shows, talks, lectures and numerous other events that a woman would not think of attending alone. Feminique gives her a chance to join other women, share these experiences, and relate to more than just her house and daily work. Among tentative excursions are art exhibits, fashion shows, luncheons, topical lectures, and just afternoon get-togethers, what the Park District offers is to make arrangements for all these events, get the women together, and then let them proceed as they wish. Feminique can be whatever the people who join make it. If anyone wished to submit suggestions or ideas, or to get more information, please call 297-3000.

Pre-School 1972

There are 2 divisions, one playing Mondays, the other on Wednesdays. Monday night leaders are Eastern Airlines with a 4-0 record. The Wednesday night leaders are Gulf-Segals also with a 4-0 mark. Complete standings read:

Some of our weekly projects in Pre-School have been "The Family", "Snow Fun", "Outer Space Week", and "Valentine Fun."

Our bus trip to the Lincoln Park Indoor Childrens Zoo was a huge success with Brett Zimmerman being scared by a roaring lion, and David Singer, Steven Glazer, and Steven Fordham being pushed by a baby elephant's trunk. Lesley Krue almost fell asleep on the bus and Marc Foncher helped feed the baby camel.

We are eagerly awaiting our next "Special" which will be a visit by "Roxanne" and "Peggy", a folk singer and an artist. During outer space week, Eric Morris came as Capt. Matt Mason and drove our space ship, while Debbie Rosenthal, Alan Cohen, Richard Marx, Michelle Grossman, Sheryl Redman, and Diane Katzenberger were creatures from Mars.

The Golf Maine Park District is proud to announce that our experimental 2 year old program is an "overwhelming success", and will be offered again in the Spring.

Hockey

The Golf Maine Hockey season has finally gotten under way. The 3 teams are the Bruins, Rangers, and Blackhawks. Each team will be playing a 10 game schedule. The teams are composed of boys from 8 to 12 years old.

In the first round of play, the Blackhawks beat the Rangers 4 to 0. Mike Zwieg scored 2 goals, John Butenschoen 1 goal and Eric Rudin 1 for the Blackhawks. Ranger goalie Marc Wilder played an excellent game making 16 saves of shots-on-goal.

The Bruins beat the Rangers 5 to 3 on the strength of a 3 goal hat trick by Alan Teicher, 1 goal by Ron Trapper, 1 by Marc Singer, and 3 assists by Jordan Berkely. For the Rangers Barry Berg scored 2 goals and Jeff Rappaport had a goal and an assist.

'Mor Gro' Registration

Camp Mor Gro provides the girls and boys with a well-rounded program including Archery, Nature Study, Horsemanship, Riflery, Cookouts, Indian Lore, Swimming, Field Trips, Canoeing, and Campfire Ceremonials.

The children are bused from convenient bus stops near their homes to Harrer Park from where they are bused to their different activities. Campers provide their own lunch and soft drinks will be provided by the camp.

Registration will begin March 9 at 9 a.m. at the Harrer Park Pool building, 6250 Dempster. The camp is open to residents of the Morton Grove Park District only who have completed Kindergarten through 6th grade.

(clockwise): Edward Warman, Campaign Chairman and Deputy Committeeman of the Niles Township Democratic Organization; Calvin Sutker, Trustee of Skokie 1965-69; Jerome Lerner, Administrative Assistant to Committeeman 1960-61; Harold Berg, Prosecuting Attorney, 3rd District Court; Myron Greisdorf, Mayor of Skokie 1961-

65; Lawrence Ripes, Commissioner, Skokie Zoning Board of Appeals; Samuel Berger, Niles Township Collector and Skokie Trustee 1961-65; Niles Mayor Nicholas Blase, Democratic Candidate to Congress from the 10th District; and Kenneth Cohen, 10th Cong. District Co-ordinator for the campaign to elect Blase for Congress. The leaders have endorsed Nick Blase as being "the only candidate who will represent our suburban 10th district as our voice in the U.S. Congress."

Mikva Legislation to Aid Soviet Jews

Congressman Abner J. Mikva (D., Ill.) has co-sponsored legislation authorizing the United States to spend \$85 million helping Jewish refugees from the Soviet Union to resettle in Israel. The Congressman said up to 50,000 Jews may be able to leave the Soviet Union this year, and their arrival will place a great financial burden on Israel, which must devote substantial resources to protect itself from

outside aggression. The administration of the financial aid would fall under the jurisdiction of the Department of State through the 1962 Migration and Refugee Assistance Act. Congressman Mikva pointed out that since the Second World War this country has spent more than \$2.8 billion on refugee aid, including more than \$600 million to help Cuban refugees. Congressman Mikva has been one of the leaders in Congressional efforts to convince the Soviet Union to free the Jews who wish to leave the country and to insure that the United States opens its doors to any of them desiring to come here. "Now that we have helped at least some Jews leave the Soviet Union," the Congressman said, "we cannot abandon them when it comes to helping them start life over again."

Citizens for Simon

Voters from 7 near north suburban communities honored Paul Simon, Democratic gubernatorial candidate, last Sunday in Des Plaines with a fund raising dinner and auction at the International Machinist Hall.

The local political event was organized by the Near North Suburban Citizens for Simon Committee which encompasses the Des Plaines, Park Ridge, Niles, Morton Grove, Skokie, Lincolnwood and Glenview areas.

After a "99 Cent Spaghetti Dinner" Simon spoke to his backers stressing the need for credibility in government, indicating that one of his main concerns in the campaign was to restore the faith of the voters in their elected officials.

Simon stated that he had no secret commitments to any individual or organization, and suggested that part of the current lack of credibility in government had to do with campaign promises made before election day.

The Lt. Governor went on to say that while his probable Republican opponent, Richard Ogilvie, took a strong stand for fiscal responsibility and suggested a state income tax was not needed before his election, the current Illinois budget is by far the largest in history, and the income tax is an established reality.

Roy Schneider, chairman of the local citizens committee stated later that he was extremely pleased with the turnout, and suggested anyone interested in the Simon campaign call 966-5778 for more information.

Volunteers for Young

Samuel H. Young, Republican seeking the 10th District's Congressional seat, has announced the appointment of 3 Volunteers for Young Chairmen.

Theodore W. Grippo, 1621 Haberton, Park Ridge, was named Chairman, Park Ridge Volunteers for Young. Two well-known Republicans, Howard Goss, 9729 Kedvale, Skokie, and James F. Connelly, 8114 Kildare, Skokie, were named Co-Chairmen of the Niles Township Volunteers for Young.

Young, at his headquarters, 9701 Kenton, Skokie, said he would name chairmen for Evanston and New Trier Townships within a few days.

Rubin Invites Officials

Gerald M. "Jerry" Rubin, Independent Republican candidate for State Representative from the 4th District, breaks with political tradition on March 5, when he holds a cocktail meeting for campaign workers at Yee Wall Restaurant, River rd. and Milwaukee ave., Wheeling. The meeting will be unusual, in that along with his workers, Rubin has specifically invited every elected official from all 9 communities within his district, regardless of party affiliation, or endorsement.

Rubin, who is campaigning for one of two nominations in a 3-way Republican race in the March 21 primary, promises those officials who attend the opportunity to discuss the problems created by the newly formed 4th District and those already faced by homeowners in their communities.

Rubin's campaign is built around retention of local zoning rights, relief to the homeowner on real estate taxes, reduction of noise and air pollution from O'Hare Field, and a more representative mapping of the 4th District.

Blase, Mikva Debate

Mayor Nick Blase of Niles and Congressman Abner Mikva, the two Democratic candidates for the office of Congressman from our district will speak and answer questions at the Niles Township Jewish Congregation, 4500 Dempster st., Skokie, on Sunday afternoon, March 5, at 2 p.m. The discussion is open to the general community as a public service. This is sponsored by the Board of Social Action of the synagogue, Carroll Goodman, chairman.

St. Pat's Day Dance

It isn't too early to be thinking of St. Patrick's Day, says the Morton Grove American Legion Post #134. Each year a traditional party salutes the Legion's birthday as well as the "wearing of the green" holiday.

Presently tickets for this social event are available only for Legion members, as there is always such a demand for them. As in the past, sale is open to the public at a later date, until the capacity of the Legion Home is filled.

First Lt. Vice Comdr. Tony La Rosa, 8520 Froitage, is chairman of the Saturday, March 18 dance. The per couple "package" price is only \$14.00 per couple, with a special discount for Legion and Auxiliary members only.

The entertaining event being planned by Tony and his Fun Makers Committee includes dancing to Dick Themis' Orchestra, a corned beef and cabbage late evening buffet, liquid refreshments, a special floor show and other surprises.

Circus Coming to Town!

"He's got the whole world in his hands!" Or that's the way it seems to Medinah Temple's Potentate Thomas C. Roberts. He's obviously getting a "lift" from one of the ponderous pachyderms which will perform nightly at the Medinah Temple Shrine Circus, starting March 1st. Afternoon matinees will start daily at 2 p.m., with 7 p.m. evening performances. Special Saturday and Sunday matinees will be at 12:15, 3:30, and 7 p.m.

Lumbering elephants, roaring lions, thrilling high-wire dare-devils...and little fingers sticky with cotton candy holding on to Mommie's hand in excitement.

And the whole town will have a chance to see one of the greatest extravaganzas of all when the 30th Annual Medinah Temple Shrine Circus pitches its tent in the Medinah Temple, 600 N. Wabash, March 1-19.

Assembled under the direction of Clyde Brothers Circus, this year's show features many exciting acts: Acrobats, astonishing animals, loads of crazy clowns, and the daring feats of Malikova, lovely Queen of the high-wire, to the rousing Grand Finale, this year's circus promises to delight both young and old alike.

Among the featured animal acts are: The Barrada Boys' Performing Brulna, Syd More's Mess O'Mutta, Derrick Rossire and Tony the Wonderhorse, the Kirby Family Chimpanzees, and a fantasy of rare tropical birds—along with the traditional elephants and big cats.

OLR Theatre Party

A gala theatre party is being planned by the Ave Maria Guild of Our Lady of Ransom Parish. On March 25 members and guests will attend the production of *The Rainmaker* at the Arlington Park Theatre featuring Burt Reynolds and Lois Nettleton. After the play, a party will be held in the parish hall, 8300 N. Greenwood, Niles. Drinks and a buffet supper will be served. 'Variety '72'

An "unusually versatile set design" is Bill Wagenaar's description of an exciting extra for the Morton Grove Music Theatre in its performances of "Variety '72," at 8 p.m. on March 2, 3, 4, and 5 at the National Park fieldhouse, 9325 Marlon, Morton Grove. Wagenaar, noted for his designs for "Fiddler on the Roof," "The Fantasticks" and "The Diary of Anne Frank," has constructed a set made of clear plastic, constantly shimmering with the movement created by the cast on stage. Not only will the actors be lit, but the cave-like set itself will penetrate beams of light from backstage through the plastic. Forming different moods with this technique are Barry Sucherman of Skokie and Cary Libkin of Morton Grove.

Mrs. Ethel Libkin, director of the fourth annual variety show is "thrilled out of her mind" with Nancy Grab, a very active sophomore at Niles North High school in Skokie. Nancy, alone is the choreographer of a segment from Roger and Hammerstein's "Cinderella Ballet" and several musical numbers in the show arranged by Steph Waller. Waller has acted as music director for the Wilmette Recreation Board's "Bye, Bye, Birdie." After performing with the Mill Run Playhouse in '69, Waller held lead roles in many of the Theatre's productions. One which was "The Fantasticks" sponsored by the Morton Grove Park District.

Tickets for "Variety '72" are \$2 for adults and \$1 for children. For further information call the Park Office: 965-1200.

National Barrel Jumping Champions - Northbrook

Christina Metzinger, Niles is shown performing one of her figure skating fetes.

Friday evening was something very special for the residents and guests of the Niles Park District. The Park District formally dedicated its new Sports Complex to the Community and an exciting program was presented before a crowd of more than 1200 enthusiastic people.

The President of the Park Board, Mr. Sullivan spoke to the well-wishers and pointed out some of the pertinent facts about the programs at the Complex. President Sullivan noted that some of our Olympic skaters were trained on a Park District facility in Northbrook, Illinois. He went on to explain the possibilities of our Park District producing the skaters to accomplish this outstanding Olympic status.

Sullivan also emphasized the growing enrollment in all the programs at the Complex showing the expansion of the hockey program from 70 boys in 1961 to 250 boys at present. The first season of skating lessons brought the program over 800 interested skaters. Sullivan went on to say that more than 21,800 visitors paying daily admissions or token holders have come to the Ballard Complex since Oct. 15, 1971 and also mentioned the Park District offers 2 1/2 hours of public skating weekly.

In closing his speech, Mr. Sullivan explained the approval by the Board the sale of up to \$250,000 in Revenue Bonds for the enclosure of the ice rink. Mr. Sullivan thanked the many neighbors who supported this facility.

The events following Mr. Sullivan's speech were very colorful and exciting. The figure skaters exhibited some of their fine techniques and the World Champion barrel jumpers were a sight to behold. The barrel jumpers performed daring and unbelievable jumps and at one point, jumped through a flaming hoop while clearing 10 barrels. Other performing guest stars included figure skaters Vicki Lampros - Chicago Figure Skating Club; Scott Sherman - Skokie Valley Figure Skating Club and Christina Metzinger, a Niles resident. The Northwest Speed Skating Club demonstrated some of the styles associated with indoor and outdoor speed skating. Al Chlepaty is president of the club.

The Park District is planning its first annual Ice Show entitled "Salute to Niles" on March 25 and 26 at 7:30 p.m. The Ice Show should be another colorful and exciting demonstration of the fun people can have on ice.

Commissioner Walt Beusse being presented with an award for outstanding achievement in the development of the Ballard Sports Complex and its Hockey program, Mrs. Beusse looks on.

Niles girls registered in the 'Learn to Skate' program at the ice rink demonstrate for spectators the skills they have accomplished during their first eight weeks of classes.

the other candidates, but it didn't eliminate the injustice caused by the caucus-judgment. For years Arnie sat until midnight or better at the long exhausting meetings. Yet, when he sought to serve officially, the once-a-year caucus members said he wasn't qualified.

Arnie is a small round guy, and I think in those days they were choosing tall angular guys. Or guys who had cowlicks. Or double breasted candidates during a single breasted era.

If my memory serves me Arnie had 2 degrees from Columbia University but that year it took 98.6 degrees as the major qualification.

In those halcyon years we always suspected one guy was stacking the house in favor of the candidates he preferred. A telephone call to ten or twelve representatives was enough to bring his boys home. And while we could never substantiate our suspicions we always thought there was a decided anti-ethnic vote when this guy showed up once a year, to root his team home. This guy was a pillar in the community. And boy, was he sneaky.

All this bit of trivia is pointing to the superficial judgments of those whose knowledge in school

doings certainly questions their choosing school board candidates.

We remember one year in school district #71 the choosers were overwhelmed by two PHD's who sought election to the Board there. The short-lived caucus at the south end of Niles, asked only 3 or 4 peremptory questions of the very knowledgeable candidates. But when a middle-aged blond housewife with only housewife-mother credentials went before this group, she received a grilling from caucus members which would have been worthy of the guys at 11th and State. To the ever-lasting good judgment of the residents in district 71, they folded the tent of that caucus right after that fiasco.

In district 63 we're not sure of any answers. Certainly, hearing all the candidates at an annual meeting is worthwhile. But allowing a bunch of guys and gals, mostly who are woefully uninformed about school board matters, choose the school board members every two years, is a bit much.

We wish we had as much wisdom today as we thought we had 10 years ago. But we don't have it today . . . and we didn't have it 10 years ago. And neither do the self-selecting caucus-members.

Thank Niles. . . Niles Days Fund Requests

Cont'd from Niles-E, Maine P.1

In other actions Tuesday night Tr. Pete Pesole told of more plans to improve the village streets. Bids will be let out for the improvement of streets running off Milwaukee Avenue. Seward and Keeney will have diagonal parking, and a raised curb on Milwaukee Avenue will eliminate parking there. A turn-bay type curb will be placed at Cleveland and Milwaukee and astro-turf will be placed inside the curbing. On Milwaukee Avenue the south side of Cleveland, both sides of Keeney, and the south side of Seward will have parking eliminated to be replaced by diagonal parking and striping of the lanes.

Pesole reported four alleys in Jonquill Terrace will likely be vacated by homeowners, preventing the paving by the village, resulting in the area being retained as lawn-parkways. In still other actions approved the clarifying and modernizing the zoning ordinance, which according to Mayor Blase, "clarifies and defines more specifically" such zonings for dry cleaners, locksmiths, as well as tightening the laws, defining zoning for companies with varied number of employees as well as spelling out zoning for commercial use with its accompanying parking requirements.

Carnivals. . . Continued from MG P.1

from Mr. Liss (who was present) of the Jewish Peoples Convalescent Home requesting permission to hold a carnival here June 7-13, David Cohen moved to approve the request but only for 5 days. Hilkin said he'd agree but only for 4 days and Dick Hols said he'd like to see the request denied. However, the trustees voted to grant the request for 4 days.

Martin Ashman moved to advertise for bids to paint the two water tanks inside and out since they are badly in need of painting after 5 years. He moved the bids be returned by March 14. The board concurred. John Hilkin said he'd like to see the Morton Grove Zip Code painted on the tanks and this was to be decided later.

Ed Brice said that the new Burglar Alarm System was in and operating.

David Cohen reported the November Sales Tax to be \$68,092.20. Dick Hols attended a meeting

of the NSMTD and said that Deerfield was still without a representative, but would appoint one this month. Herbert Houndt said that Supt Jim Dahm of the Public Works Dept. informed him that all damaged signs have been replaced or repaired, and that old and dead tree branches have been removed. Mr. Houndt told the board that the old street-sweeper needed repairs that would cost nearly \$7,000. He felt that it would be much wiser to buy a new one.

John Hilkin moved to establish a Weights & Measures Ordinance in conjunction with the one existing in the state. The board agreed.

Mayor Bode read a letter from the League of Women Voters requesting clarification of the Morton Grove personnel policies. They stated that they were not satisfied with the answer given by the administrator at the board meeting.

Oakton Falls to Triton

The Oakton college basketball team had a tough weekend as the Raiders lost to Triton last Friday night (2-11) and the following Monday (2-14) to Harper. The scores were: Triton 77, Oakton 57; Harper 75, Oakton 53. The losses dropped the Raiders record to 3 wins and 10 losses.

In both games Oakton used their delay game, it worked especially well against the fast moving Triton team. At half-time the Raiders trailed only by 3 points 23-20. Against Harper the Red, White, and Blue were having troubles in the first half as they missed 5 layup attempts and missed 10 free throws as at half-time the Oakton team was down by 5, 32-27.

In the second-half in both games the Raiders delay game was broken as both Triton and Harper guards stole the ball away from the Raiders as the Raiders just could not run with both teams. The Raiders especially looked good against the Triton team as the Raiders held the Red and White to their 2nd lowest point total of the season.
