Political leftovers

... In the Chicago Today Monday edition, prior to last week's election, columnist Jack Mabley wrote Blase's campaign was the dirtiest he's seen in the more than 30 years he's lived in this district. We can only inform Mabley this year's campaign wasn't any different than past campaigns.

... The results of last Tuesday's elections destroyed several myths which politicians and local pundits have created thru the years. Both Skokie newspapers showed unbelievable analysis of the township elections. The Life's political writer was so far off base we wondered where prejudice left off and objectivity began.

... In the case of the politicians, we wonder how many political errors politicians are allowed before they're returned to the minors? Both Blase and Fuller ran unbelievably inept campaigns. Blase's winning his own township by only a 3 to 2 margin begs the question as to how astute he is. For years we've been listening to him make "off the top of his head" comments on politics, and always walked away in utter amazement at what he said. After last Tuesday's "bath" we must conclude he is a rank amateur, not unlike the political group which surrounds him.

... It would seem wise for Blase to stick close to home in future electioneering, since he did well here. Banging away at "racist" issues, à la George Wallace, may garner him votes in Niles. But moving outside Niles, even in his own township, is likely to cause him trouble. Even neighboring Des Plaines gave him a greater "no" vote than a "yes" vote.

... In reviewing the precinct totals Blase and Ed Hanrahan won the same precincts, while Ab Mikva and Donald Page Moore had similar togetherness. There was almost a unanimity of voting among these dynamic duos. It was obvious Blase and Hanrahan were the law and order candidates while Mikva and Young were the civil libertarian candidates.

... Looking back, after the passions of the campaign have faded, we feel much sympathy for Paul Simon. Even though one of my daughters worked downtown at Walker's headquarters, and a very close friend was a member of Walker's professional staff, we believe Simon was the much more qualified man for the governor's post.

Simon is such a rarity in Illinois politics, it was indeed sad he was defeated. Like the old Greek epic plays, Simon is a truly tragic figure. After 17 years of being the Mr. Clean in Illinois politics, he was struck down, just as he was to receive the garland which would have given him the position to put to use the high standards he represents.

Seventeen years of fighting the special interests in the state, after an exemplary record of fighting vice via his newspapers in southern Illinois, should have resulted in a better fate. As former Senator Douglas observed after Simon's defeat,

Bake Sale

Homemade pastries, pies, cookies, cakes, and bread... the Women's Auxiliary of the Niles Police Department is holding its annual Easter Bake sale on Saturday, April 1, from 9 a.m. till 12 noon at the Bank of Niles, 7108 Oakton, Niles.

If you are looking for a homemade dessert for your Easter table, be sure to stop in. Past patrons will attest to the fact the Auxiliary's bakery goods are the most delicious you can buy.

Ang Marcheschi. While the location cannot be divulged at this time, he did say the location would not be on Milwaukee Avenue. Lawrencewood Shopping Center had been under consideration but it was finally vetoed as a postal office location.

In a committee report Tuesday night Marcheschi reported a letter received by Senator Percy states the U. S. Army Corps has selected the site and the landowner has one more week to consider the offer of the government. Should the property owner turn down the offer the government would then enter condemnation proceedings. Marcheschi said because this is a federal building the construction could begin immediately, even be-

Niles Blood Day April 1st

Shown above, standing, l.-r.: S. Brandt, coordinator, F. Allen, library adm. Seated, l.-r.: A. Brandt, Trustee, N. Blase, Mayor.

Mayor Blase, after signing the proclamation making April 1 Niles Blood Day, urged all citizens between the ages of 18 and 66 and in good health, to participate in this blood drive. If 4% of the Village of Niles will donate a pint of blood, every resident of the Village will be covered for

all blood usage for one year. If we are unable to get the necessary 4%, the participants and their families will be insured under the cooperative blood plan.

If you are unable to donate on April 1, pledges can be honored at a later date at the Beverly Blood Center, 1739 Glenview rd., Glenview. Interested people should fill out the coupon on page 3 and send it to the Niles Public Library at 6960 Oakton st., to the attention of Mr. Allen.

LETTERS TO EDITOR

Blase Pleads Party Unification

First, I wish to congratulate my opponent Abner Mikva on his excellent victory in the 10th Congressional District. I wish to thank all of the people who worked many hours on my behalf and expended tremendous effort in our campaign. No words can truly tell my appreciation to them. Certain realities must be faced now by both victors and the losers regarding our possibility of winning in November. It must be obvious we drew out every democrat that lay hidden anywhere in the 10th Congressional District on March 21st. The Republicans obviously did not do the same. It will be some time before we can figure out how many cross overs there were and if they crossed over honestly voting for whom they wanted or whether they crossed over mischievously voting for such people as Lar Daly. We will have to evaluate the youth vote to see what part they played in the election. In the end, though we will have to evaluate what the over 90,000 people that stayed home are thinking about all of this. It seems to me that the Democrats have an excellent chance of winning a congressional seat in November

if we can unify our position and present an image that is acceptable to the majority of the people in the 10th district. I don't think we should delude ourselves into thinking that because there was such a tremendous democratic vote in the primary that this percentage will necessarily carry over into the fall. We can win, but only with a concentrated effort unifying the conservative, liberal, and moderate elements of our party.

Nicholas B. Blase

Note of Thanks

Dear Editor:
Just a small note of appreciation for the fine cooperation Sam Young and I received from you during the campaign. Lots of people seem to take things for granted these days, so we'd like to move out of the crowd a bit and say sincerely - thank you!
Cordially,
Hal Levinson

LWV Urges Passage of Referendum

To the Editor:
For the past two years, the League of Women Voters of Morton Grove-Niles has carried on a study of the local public libraries. As a result of this study, members concluded that all citizens should, ideally, reside in an area covered by public library services. Since many residents of the Village of Niles and surrounding unincorporated areas do not now have such service, the LWV recommends approval of the Niles Public Library District referendum to be voted upon Tuesday, April 11. This referendum seeks to include areas of the Village of Niles not now located in the Niles Library District because they were annexed to the Village after formation of the Library District. Also included in the six parcels to be voted upon are some sections immediately contiguous to the Niles Library District which are pre-

Named to Dramatics Fraternity

Thirteen Beloit college students have been named to National Collegiate Players, the national honorary dramatics fraternity. Election is based on outstanding work in acting, stage production, and academic courses. Those selected included: Michael Jennings, son of Mrs. Beulah Jennings of 7820 Lotus, Morton Grove.

There will be no tax rate increases for present residents of the Niles Public Library District if the referendum passes. The assessed valuation in the areas to be annexed will be added to the assessed valuation already in the district. The cost of servicing the new patrons will be more than offset by the increase in the district's assessed valuation.

Since library services in the State of Illinois are becoming

more comprehensive and effective due to the recent formation and growth of services of the State Library Districts (of which the North Suburban Library System is a part), the LWV members feel it is to the advantage of all citizens to be served by a public library, and urge all eligible residents to vote in favor of the referendum on April 11, 1972.

Mayor Has Decision Maker???

Dear Editor:
Niles is a great city! but, the time has come for one of the silent majority (?) to speak out about Mayor Blase and the Oakton Community college. Normally, these views would be expressed directly to His Honor, but he probably will read it quicker in the media. Mayor Blase on several occasions has expressed great solicitude concerning our young citizens and yet when he has an opportunity to further their interest by aiding in the establishment of the community college in an appropriate location, he allocates priority to a cemetery which the community does not need. Another cemetery with its shops and the attendant traffic problems of processions Niles does not need. Does someone else make the decisions for our Mayor?

LGH Warns of Poisonous Plants

With the warm weather of Spring approaching, the poison control center at Lutheran General hospital, Park Ridge, warns that many common house and garden plants are poisonous and could be fatal to small children. Plants which can be poisonous include the Lilly of the valley (leaves and flowers), larkspur (young plants and seeds), iris (stems), bleeding hearts (foliage and roots) and buttercups (all parts). Other potentially dangerous plants include the azaleas (berries), wisteria (seeds and pods), rhubarb (leaves), jack in the pulpit (all parts), daffodil (bulbs), and hyacinth (bulbs). Many other common garden and wild plants are potentially dangerous. A list of common poisonous plants is available without charge. To obtain the list, send a stamped, self-addressed envelope to: Public Relations Department, Lutheran General Hospital, 1775 Dempster st., Park Ridge, Ill. 60068.

**District 21
Conference**

The pre-convention conference of PTA District 21, entitled "Priorities to Action," will be held Wednesday, April 12, at Casa Royale, 783 Lee st., Des Plaines.

The conference will be a dress rehearsal to prepare delegates for the annual Illinois Congress of Parents and Teachers Convention in Chicago in April. All prospective delegates, administrators, teachers, parents and officers are invited to attend.

Following the call to order at 9:30 a.m. by Mrs. Arthur Wagner, Des Plaines, District 21 director, the morning session will feature a "rap session" with Dr. John G. Wargo, who will discuss school finance and related subjects. Dr. Wargo is Illinois PTA chairman of School Education and Finance, chairman of PEARL, and executive director of the Illinois Association of School Administrators.

Committee reports will be given by Mrs. Phillip Samuels, Skokie, District 21 legislation assistant on conference rules; Mrs. John Thvedt, Des Plaines, District 21 publicity assistant, on publicity record book and poster selection; and Mrs. Lawrence Brettkopf, Northbrook, District 21 scholarship assistant, will announce the Golden Jubilee Scholarship winner.

Following lunch, Mrs. Wagner assisted by Mrs. Phillip Samuels, will conduct the plenary session on the legislation program of the National Congress of Parents and Teachers, the legislative platform of the Illinois Congress of Parents and Teachers, implementation and resolutions.

Hosts to the more than 100 units represented will be the Glencoe PTA under the direction of Mrs. William S. Keller, president, who will give the welcoming address.

Conference chairmen are Mrs. William S. Keller, general arrangements; Mrs. Charles Delphens, art work; Mrs. Mitchell Chuckerman, hospitality; Mrs. Larry Hochberg, packets; Mrs. Richard Hoffman, registration, all of Glencoe; and Mrs. John Thvedt, Des Plaines, publicity. Reservations will be handled by Mrs. E. J. Hammerschmidt, 617 S. Prospect, Park Ridge, and are to be made before April 5.

Oakton College Plans 'Open House'

The annual Spring Open House of Oakton Community college will be held on Sunday, April 16, from 1 p.m. to 4 p.m. The public is invited to visit the interim campus at 7900 Nagle (Oakton and Nagle) in Morton Grove, meet Oakton administrators, faculty, and students and become acquainted with the programs and goals of the college.

Oakton Community college is a two-year college serving Niles and Maine Townships. Approved by a referendum under the Illinois Junior College Act in 1969, it opened its doors to students at its temporary campus in September, 1970. Its enrollment has

increased from 832 in September, 1970 to 2,399 this Spring.

An Arts and Crafts Fair will be held on the campus in conjunction with the Open House on Saturday and Sunday, April 15 and 16, from noon to dusk. The Fair has been planned by the college as a showcase for artists living within the college district as well as instructors and students of the college. Jay C. Wollin, instructor in natural sciences at Oakton Community college, is serving as director of the Art Fair.

A wide variety of programs are planned for the Open House on Sunday. A highlight will be the Student Film Festival under the

direction of Elizabeth Kent. Projects and research of both faculty and students will be displayed in the chemistry, physics and biology laboratories as well as in the mathematics classrooms. The art and photo labs will also be open. A demonstration program is planned for the computer science area.

Representatives of the student government will be available to discuss the college program with the public.

Special programs are planned in the career and occupational courses, including practical nursing, radiologic technology and other health occupations.

MG Library Poster Contest

In conjunction with National Library Week, the Morton Grove Public Library invites all the primary and elementary school children to join the "If I Were the Artist" contest. The children are to color a poster by the artist, Kelly Freas, with the theme of "Something for Everybody in the Library." The poster form may

be obtained from the Children's Room on April 1 and returned no later than April 15. There will be 2 winners selected by the Morton Grove Public Library; one from the primary group, the other from the elementary group. The winners will be awarded art books at the Morton Grove Public Library on April 22 at 3:30 p.m.

Besides the local contest, the Morton Grove Public Library will forward all posters from the participants to the artist, who will judge the contest by May 1. There will be five winners selected by the artist and each winner will receive a set of the 20-volume World Book Encyclopedia. Names of winners will be published in American Libraries, Library Journal and Wilson Library Bulletin. Winners will be notified by mail.

National Library Week

The Morton Grove Public Library is planning a lively week of Family Festivals in observance of National Library Week, April 16-22.

Monday evening, Jim Brosnan will speak about Professional Sports and Sports Writing. An Open House is planned for Tuesday evening. At this time, Mrs. Joan Stewart, Chief Librarian, will discuss the results of the recent survey of the library. Wednesday afternoon a film "Elephant Called Slowly" will be shown for children and young adults. Thursday evening, Mrs. R. Bull will speak to parents about Recent Children's Books. A mini Arts Festival on Friday will consist of a lecture on Communication Through the Arts, an exhibit by the Morton Grove Art Guild and the Spring Quartet from Niles West will perform. On Saturday, there will be a film festival for the family.

Everyone is welcome. Please reserve these dates and watch for further details.

Dist. 207 Defines Proposed Adjustments

Proposed changes and adjustments in the instructional program of the Maine Township High Schools which will enable the school district to live within its high level of quality in its education program have been given to the Board of Education by Dr. Richard R. Short, superintendent of schools. It was announced at the district's regular monthly board meeting Monday evening, March 20th. In general, the proposed changes relate to increase in class size and in pupil/teacher ratio, some reduction in staff, the elimination of a few courses, and the combining of small classes.

Because Maine Township High School District 207's anticipated revenue for the next several years is expected to fall short of the amount needed to cover necessary expenditures, cut-backs in the current program are necessary if the district is to achieve a balanced budget for the 1972-73 school year and keep its already sizeable deficit from climbing higher.

An enrollment of approximately 35 students per classroom is proposed for courses involving large numbers of students, such as English, mathematics and social sciences. This change will mean that the staff of those departments will be working with larger numbers of young people.

Physical education classes will be set at approximately 40 students per class. In laboratory-type classes, however, class size will be controlled by the size of the laboratory, and classes scheduled at maximum capacity of the laboratory. In certain cases, consideration will be given to possible expansion and enlargement of the laboratory; but, in general, teachers of laboratory-type classes will have only slightly increased student loads.

The minimum number of students required to justify including a course in the schedule is to be increased from 15 to 20.

While final determination as to the number of teachers needed for the coming school year cannot be made until student registration is completed in April, indications are that, because of the proposed program adjustments and considering the estimated enrollment, there are 27 professional staff members for whom job assignments cannot at this time be defined for the 1972-73 school year. Of this number, 3 are in business education, 5 in counseling, 3 in driver education, 7 in English, 1 in home economics, 3 in foreign language, 2 in mathematics, 1 in boys' physical education, 1 in science and 1 in social science. All are first or second year non-tenure faculty members.

Since the board cannot now assure these 27 staff members of positions for the 1972-73 school year, it must, in accord with Illinois School Code, take action to advise them of their status. It is anticipated, however, that final enrollment figures for next year, plus normal attrition, will provide positions for many of the 27 unassigned people. Where re-placements are necessary for staff members who plan to retire or resign, the 27 unassigned teachers will be the first to be considered for such positions. As additional resignations are processed and final registration figures become available later in April, the district may be able to offer contracts to many of them.

Other reductions are being effected by redeployment of staff and through elimination of some part-time assignments. The proposed modifications in Maine's instructional program are the result of several months of work on the part of the administration and staff. High priority was given to the obligation to restructure the program in such a way that anticipated revenues and anticipated expenditures in the Educational Fund for the 1972-73 school year would balance.

Dr. Short assured the board that the proposed adjustments will result in a program which, while not reflecting the exemplary quality traditionally offered in the Maine high schools, will be a sound program. In many instances, he said, it will be of a level of quality significantly beyond that offered in most of the high schools throughout the Midwest and the State of Illinois and better than the instructional programs offered by many high schools in the suburban area. In addition to the program modifications, an analysis was made of administrative and support staff, both professional and non-professional. A study was made of the effect of class size criteria on the instructional areas. Costs regarding certain co-curricular activities are continuing to be analyzed, and restrictions have been planned on expenditures for equipment and supplies, for library and audiovisual material, and other areas of the instructional program.

April 12 is your last chance to make changes in the new phone book.

Maybe you'd like to change the way your name is listed. If your name isn't listed, maybe this year you'd like it to be. Or you might want to add a listing for someone else in your family, so friends can keep in touch. Now's the time to make your

change, whatever it is. The new phone book for Skokie, Lincolnwood, Morton Grove, and Niles goes to press April 12. So please call your Illinois Bell Service Representative at 673-9981 before then. For changes in business listings, please call your Business Service Center at 967-9981.

All Occasion Cards to Help Retarded

Orchard Center at 8600 Gross Point rd., Skokie, announced that attractive beige and green all occasion (birthday, anniversary, condolence, birth, etc.) cards are now on sale at \$5 for 5 and \$10 for 12. This is a meaningful way to send a greeting or a cheery note to a friend while aiding their program for retarded children and adults.

This program requires \$5,000 a year to operate, and the state has not funded this amount to the Center. The parents have stressed to the Board that they want this worthwhile program to continue and will do anything they can to help retain the program.

Interested people wanting to purchase the cards may call either the Center (967-7300) or Mrs. Harriett Bible (966-4960) who will be happy to deliver them.

"Scholar Bowl" at Mark Twain School

A panel of Team 6 students at Mark Twain school, East Maine School District #63, representing their home rooms participated in an exciting and stimulating academic event similar to the TV program "College Bowl."

Both participants and members of the audience, which consisted of

fellow classmates, students from Teams 4 and 5, parents, and teachers, found that knowledge can be as exciting an event as a basketball game that is played in overtime. Two of the panels, Team 6-2 and Team 6-4 went down to the wire in overtime, ending with Team 6-2 as the academic winner.

Team 6-2 was presented a permanent award for placing first, and Team 6-4 was given a 2nd place award from Curt Cherrv.

Students representing their home rooms on the panels were as follows: - Team 6-1: Andrea Brotzman, Captain; Paul Bokor, Carla Lanski, Alan Robin, Nancy Gregg and Steve Tachna; Team 6-2: John Malantis, Captain; Jeff Sirota, Judy Gardner, Ellen Dedodny, Lisa Winton and Julie Main; Team 6-3: David Swislow, Captain; Richard London, Carolyn Ferch, Mark Borchew, Cheryl Steinberg, and Scott Fegel; Team 6-4: Irwin Brodsky, Captain; David Pink, Jim Nankervis, Alden Stefel, David Narens, and Martin Buttlere.

Student participation along with the panelists on the teams were: Scoring and time - Mike Rotman, Tommy Kerkes and Kerry Truman; Music and Sound - Mark Meltzer, Scott Bigall and Jeff Willner; Invocation Reading - Scott Fogel and Susan McCorkle; Serving girls - Rita O'Connor, Paula Faber, Kelly Loth, Robin Neufeld, Elyne Litwin, Elizabeth Siddall, Shari Lebovitz, Joan Lineman and Holly Lipton;

All-electric living makes mobile homes completely modern.

A mobile home can't be completely modern when it has an unsightly storage tank, piping and chimney. Or the odors that come from combustion.

So more and more subdivision and individual mobile home owners are turning to all-electric living.

Electric heating is clean and quiet, and there's no flame to worry about. It's as safe as a light bulb.

And because all-electric mobile homes are better insulated, you have better year-round comfort. A modern way of life should have modern power. Mobile homes and electricity were made for each other.

Maine Students Tour France

Thirty students from Maine Township High School District 207 will tour northern France during Spring vacation, March 30 through April 9.

The group, composed of students of French from Maine East, Maine North, and Maine West, is being organized by Mrs. Louise Hobbs and Mrs. Margot Steinhart, District 207 French teachers.

During their 10-day stay in France, the students will visit Paris, Versailles, the beaches of Normandy, the Bayeux Tapestry, Mont Saint-Michel, Saint Malo, Chartres, Fontainebleau, and the chateaux of the Loire Valley.

Flight arrangements are being made by Tom France, Sales Supervisor for Air France, and travel arrangements within France, by Mrs. Marie-Pierre Griffin, President of Travel Plans International, Inc., Oakbrook. The tour is not supported by District 207.

Receives Typewriter Memorial

The Board of Education, School District #63, at its regularly scheduled meeting on Tuesday, March 21, had Roland Saberson present to Mrs. Irene Luck, Board President, an electric primary typewriter as a gift in memory of his wife, Doris Saberson. This typewriter will be used for partially sighted students in special education classes in District #63. The late Mrs. Saberson, who became partially blinded, was a

secretary to the Superintendent and had worked in the District for 13 years.

This memorial gift was made possible through the contributions donated by District #63 personnel. A plaque on the typewriter has the following inscription: "In memory of Doris M. Saberson for 13 years dedicated service to the children of East Maine Public Schools."

M.E. Student Council Elections

Maine East's Student Council is having its annual officer elections early this April. The elections will be for president, vice-president, treasurer, and secretary. Speeches will be given in the election assembly on April 11, with the actual voting on April 12 and 13.

Each candidate must have at least a C average, and the candidates for president and vice-president will have to be juniors and have served on Student Council for at least one year. Candidates will each submit a petition with a minimum of 150 names on it. The petitions will then be given to the organization committee.

The organization committee and the election board committee members were all elected by the Student Council representatives. Sue Reuter of Niles is the chairman of both committees.

During the election assembly each candidate will give a speech, which can be no longer than 5 minutes long.

Family Enrichment

(By Larry Renetzky)

Drugs and Your Role in Them

Mom - Dad are you on drugs? You are if you drink alcoholic beverages or smoke anything with tobacco in it. In fact, these are two of the most serious and widely used drugs in the U.S.A. Alcoholism is so serious that it is of epidemic proportions. There are over 7-1/2 million known alcoholics in varying degrees. Would you say that approximately 20 million people or even just 5-1/2 million alcoholics is not of such magnitude to call it extremely serious and of epidemic proportions?

There has been much pressure to curb the tobacco drug habit and with some success, but more needs to be done to curb the alcohol drug habit. What are you doing about either or both?

Your son and daughter notice what you are doing. You may think you are hiding it from them, but they eventually find out just like you do. Young people today are quick to pick up hypocritical behavior of parents or adults in general. I hear frequently from the younger generation, "Who are you (mom, dad, other adults) to condemn or to say I can't have a drug (marijuana) an upper (ex. amphetamine) or a downer (ex. phenobarbital) or LSD, etc.? You smoke and drink, don't you mom, dad?"

You as a parent may respond, "Ah - that's just a cop-out - after all, we are an adult and you're not." True, it may be a cop-out but we all have a tendency to learn by example, especially children as indicated in earlier article, "Children Learn What they Live."

Young people are also faced today with something that most of us adults were not faced with when we were young, a "drug society." Just take a look at your medicine cabinet. Pills to curb your appetite or increase it, to help you get started or to slow you down, or later to pick you up, to get over a headache, overeating, or to put you to sleep, etc., etc., etc. Doctors, pharmacists and drug companies are coming to readily recognize the danger of the drug society and the role they have played in helping to bring it about. Many are seriously trying to do something constructive about it. What are you doing?

You may ask - what can I do? Try to face your anxieties, frustrations, problems, concerns, etc., in ways other than always turning to a drug for the answer. Certainly, there are times that a drug is necessary to bring about a cure of some physical or mental illness, but even then it needs to be carefully controlled by both you and the doctor. Exercise some good common sense. If you don't know what can be the harmful and devastating effects, then find out from your doctor or other qualified professionals, or counseling agency like Niles Family Service.

Fortunately there appears to be more "Self Awareness" on the part of adult and young people to the immediate and far reaching consequence of drugs. However, we have to go beyond this first step to more effective controls and self-discipline. Are you?

Don't wait, mom and dad, until you discover your son or daughter is on grass (marijuana) or some drug before you take a good look at yourself. This is a dangerous and can be deadly game we are playing as adults and with the lives of our children. More needs to be done by the individual adult, your person and family as a whole. What are you doing?

Now I ask you, the reader, "Drugs - what is your role in them?"

Remember, feel free to call Niles Family Service, 966-1640 regarding this article or any concern you may have.

Next week - Special Request: "The Adult Pacifier."

Dist. 67 SLIDES Program

"Do you actually know whether your child is seeing and hearing normally?" is the question asked by the Office of SLIDES (Low Incidence Development of Exem- plary Services). The Office of SLIDES and the Illinois State Department of Public Health, the Illinois Society for the Prevention of Blindness in cooperation with School District 67 will conduct a preschool vision and hearing screening program for all 3 through 5 year old children at Golf Elementary school on Monday and Tuesday, April 10 and 11.

Parents are frequently not aware that a child could have "Lazy eye" blindness or amblyopia in one eye, or low vision in both eyes. They are also apt to be unaware of hearing problems in one or both ears. The purpose of the screening is to locate the preschool age children with possible vision and hearing problems and to identify those needing special educational services because of limitations. There is no charge to parents for the screening. The screening is for all 3 through 5 year olds regardless of the economic level of the family. It is necessary to register children for the screening program. Registration will be held on Wednesday, April 5 at Golf and Hynes Elementary schools from 9-11:30 a.m. and 1 p.m. - 3 p.m. At that time the parents will be given a vision readiness game to play with the children so that they will be prepared for the screening. Members of Golf PTO will serve as volunteers on the registration and screening days.

The two Zimmermans will be joined by junior Ed Passen at the three singles positions. Passen played first singles on the frosh-soph squad last year. The two doubles teams have not been decided on yet, with several boys fighting for a spot on the team. The Demon's toughest opponents will be Hinsdale Central, second in state last year, and the Dukes from York. The Red Devils have won the West Suburban Conference nine out of the past 10 years and are the pre-season favorites again this year. York finished second in the conference last year and have the material to offer Maine East the same stiff competition this season. The frosh-soph netters, according to Coach Dan Wilson, show promise of being the top sophomore team Maine East has produced in recent years. Though the doubles teams have not yet been named, Coach Wilson feels that the team will be stronger over-all than the sophomores have been in a long time.

Niles PARK DISTRICT

Ice Show 'Outstanding'

The Niles Park District's Ballard Sports Complex presented its First Annual Ice Show, "A Salute to Niles", which was an outstanding success. Both performances rendered Saturday and Sunday evenings played to a capacity house with standing room only.

The Learn to Skate Program produced the talent for the following acts: A Salute to Niles, Underwater Sea Western, Winnie the Pooh, China Town U.S.A., Hey Look Me Over. Each act received an enthusiastic ovation.

The program also included the following soloists: Kristine Miesinger, Cathy Barrett, Vicki Lampros, Sonja Bachmeier, Mark Kwasinski, David Santee, Julie Malman and Patty Barrett. A touch of comedy was added by Sol Benjamin and Larry Janus. The World Champion Barrel Jumpers, Richard Widmark and Chuck Burke gave their usual exciting performance.

All in all, the show was most enjoyable and the Niles Park District is looking forward to producing next year's show.

Seamanship Class

Flotilla 2-9 W.R. of the U.S. Coast Guard Auxiliary, will be conducting a class in Basic Seamanship, at the Niles Park District, 7877 N. Milwaukee ave., on Thursday evenings, 8 p.m. to 10 p.m.

A comprehensive, but practical study, this course will cover seamanship, aids to navigation, plotting (charts and compass), rules of the road, safe motor boat operation, and accident prevention.

The course will consist of lectures and demonstrations, with individual practice in chart work, knot tying, etc.

Those successfully completing the course will be awarded the U.S. Coast Guard Auxiliary Basic Seamanship Certificate.

MORTON GROVE PARK DISTRICT

Register for Camp

Camp Mor Gro still has a few vacancies for six through twelve year old boys and girls.

The camp is located in the heart of Morton Grove. Activities including swimming, canoeing, horseback riding, cook-outs, archery, riflery, crafts, nature study, field trips, a family affair and many other events.

Counselors are all highly qualified and most of them have college degrees. Many have been with the camp for several years and know how to encourage fun in a safe and enjoyable manner.

Bus service is provided for Morton Grove Park District residents. Registration is limited.

Maine East Tennis Preview

Maine East's racketeers are gathering their net volleys, blistering forehands, and service aces awaiting the 1972 tennis campaign.

Coach Charles Sears and his young group of varsity netmen hope to equalize their 1970 team performance when they captured third place in conference. That finish was Maine East's best in 10 years. This year's squad boasts two returning lettermen, brothers Jeff and Jerry Zimmerman, as well as two other seniors, Jeff Kritzman and Ian Wolinsky. The two Zimmermans will be joined by junior Ed Passen at the three singles positions. Passen played first singles on the frosh-soph squad last year. The two doubles teams have not been decided on yet, with several boys fighting for a spot on the team.

The Demon's toughest opponents will be Hinsdale Central, second in state last year, and the Dukes from York. Hockey Clinic

A very specialized and successful Spring Hockey Clinic was held at the Ballard Sports Complex March 20 thru March 25. A total of 80 boys enrolled in this 2 hour nightly program. The boys had the very best of instructors, were shown movies, had lectures, and had an hour and a half of instruction every evening. Howie Young was one of the major reasons this Hockey School was such a success. The Niles Park District plans on offering more specialized programs such as this next season.

Auxiliary Hosts Party at Molloy School

Each year a party is held for the special students at the Julia Molloy school by the Morton Grove American Legion Auxiliary Unit #134. This year's such event was under the chairmanship of Unit Child Welfare Officer, Mrs. George Howe.

#134 commander William Cunally in the Sunday afternoon affair. Ladies assisting Mrs. Howe were Mrs. Ed Lange, Mrs. Clarence Ross, Mrs. William Rembacz, Mrs. James Campanella, Mrs. Barbara Cozzo and Mrs. Jack Bartholmy, a past president of the Morton Grove Unit who is now serving the 7th Dist. as their president.

Art Display

Paintings by Mrs. Marian Carlson, Morton Grove are on display in the lobby of Lutheran General hospital, Park Ridge. The exhibit is part of the "Art Originals" project of the hospital's Service League. Twenty-three paintings make up the exhibit. They include Spanish scenes, seascapes, florals and still life.

The exhibit is open to the public without charge. Hours for viewing are from 11 a.m. to 7 p.m.

Dist. 67 SLIDES Program

The Suburban Low Incidence Development of Exemplary Services (SLIDES) and School District 67 announce that they will conduct preschool vision and hearing screening program on Monday and Tuesday, April 10 and 11 for all children in the community age 3 through 5 years. The program will be conducted at Golf Elementary school from 9-11:30 a.m. and 1 p.m. to 3 p.m. in cooperation with the Illinois State Department of Public Health, the Illinois Society for the Prevention of Blindness, and Golf Parent Teacher Organization of School District 67. The purpose of the screening is to locate the preschool age children with possible visual or hearing problems and to identify children needing special educational services because of any limitations.

Because a child does not know he should see or hear, he rarely complains. Parents may not be able to detect visual or hearing problems because the eyes and ears appear to be normal.

MG Garden Club Spring Luncheon

The Garden club of Morton Grove will hold its Spring luncheon on April 26 at the Hyatt House, 7200 Lincoln ave., Lincolnwood. Cocktails will be served at 11:30 and luncheon at 12:30. Donation is \$6. Citizens for Schaffner

Morton Schaffner, the first 18-year-old to seek public office in Illinois, appeared in the Circuit Court of Cook County on March 14 to present his case for appearing on the April 8 ballot for Board of Education in Niles Township, District 219, Skokie.

Schaffner was denied his place on the ballot. Judge Edward F. Healy ruled that Mrs. Vivian Medak, secretary of the 219 Board of Education, was justified in denying Schaffner's place on the ballot, despite her refusal to comply with procedures established by the Illinois election laws for challenging Nominating Petitions.

Schaffner, a senior at Niles North High school, has been extremely active in community politics and educational reform. His decision to run for school board was motivated by his desire to see progressive educational changes made in the operation of the district School System. Schaffner has been involved in various school activities including Student Senate, the School Board appointed Problem Sensing Committee, the Steering Committee for the Implementation of Modular Scheduling at Niles North, and Co-Chairman of the Schools Human Relations Committee. He presently serves as a member of "School Government," a decision making administrative council at Niles North.

Dist. 219 Caucus Candidates

The Caucus-endorsed candidates for the District 219 School Board, Paul Black, Shirley Garland and Jim Moore are seeking the opportunity to meet the people this week.

They will appear at the Lincolnwood Women's Club on April 3, Golf Junior High April 4, Niles West High School April 5, and at Oakview and Old Orchard Junior High Schools on April 6.

The Niles Caucus, which screened several candidates for the three vacancies on the 219 Board chose Black, Garland and Moore as the most qualified to serve.

The Caucus urges the community to get to know the caucus candidates at these meetings throughout the week, and to vote for Black, Garland and Moore on April 8.

LGH Holding Nursing Info Day

Students interested in a career in nursing are invited to attend a student information day and tour at the Lutheran General and Deaconess Hospitals School of Nursing, Park Ridge. This begins at 9 a.m. Saturday, April 15. There will be an opportunity for students to get information on nursing as a career. Prospective students will be able to talk to students presently enrolled in the school.

A tour of Lutheran General hospital and the school of nursing will be included. Faculty members will be available for counseling. The program will conclude at 12:30 p.m.

The school of nursing is located at 1700 Western ave., just east of Lutheran General hospital. It offers a 3-year fully accredited diploma program. Additional information can be obtained by contacting the school.

Janice Bloomfield District 70

Janice Bloomfield announced her candidacy for School Board member of District 70, Mrs. Bloomfield and her husband, Leonard, reside at 8711 N. Central, Morton Grove, with their two sons Geoffrey, 6 and Neal, 3. Mrs. Bloomfield is a 1959 graduate of Northwestern University with a Bachelor of Science in Business Education. She also received graduate training in the field of Guidance and Counseling at Loyola University. Professionally, Mrs. Bloomfield taught classes in Business Law, Accounting, and Economics at Von Steuben High School in Chicago for six years.

She is presently a member of the League of Women Voters and for 1970-71 served on the Committee to Study Village Organization appointed by Mayor Bode. Questioned as to her reasons for running in opposition to three incumbents, Mrs. Bloomfield

said: "First of all, I feel I am qualified due to my educational background both as a student and a teacher, second, my major field of study would enable me to fulfill the financial and legal functions that require Board action."

Five candidates have filed for the 2 three-year vacancies. They are Meyer Kamin, incumbent from Skokie, Bob Gutschick of Morton Grove, John J. Swalec, Jr. of Park Ridge, Leonard Es-

trin of Skokie and Alex L. Gordon of Niles. Three candidates have filed for the one two-year vacancy. They are Griffith MacDonald, incumbent from Park Ridge, Chester J. Gulinski of Niles, and Barry Benveniste of Des Plaines. Two candidates have filed for the one one-year vacancy. They are Milton Falkoff, incumbent from Skokie and Dr. LeRoy Wauck, incumbent from Park Ridge.

Oakton Board Candidates Meet

A candidates' meeting for those running for the position of trustee of Oakton Community College is going to be held at 8 p.m. on Thursday, April 6. The meeting place is Oakton Community College, Building 3, 7900 Nagle ave., Morton Grove.

Four Leagues of the League of Women Voters, Skokie, Park Ridge, Des Plaines, and Morton Grove-Niles, and two PTA Councils, Skokie Valley and River Ridge will sponsor the meeting. Each candidate will be given a chance to state his position.

Mr. Robert Del Prato Bugle Publications 9042 N. Courtland Niles, Illinois

Dear Mr. Del Prato; We'd rather "switch"... than "fight" low sales totals! Several weeks ago we decided to switch our advertising. We had been using 2 different newspaper chains that came into this area from neighboring towns. Upon switching to the Bugle publications our sales figures immediately began to soar. Each succeeding week we had increases of 50% or more over the previous week's sales. Two consecutive weeks we broke all previous sales records.

We are most pleased with the tremendous "pull" the Bugle advertising has in this market. Customers tell of its remarkable readership in these communities and how they look forward to "next Thursday's issue." We're glad we switched.... to a better advertising medium... and to new record sales.

Sincerely, Arnold J. Zbrunck Manager

Jerusalem Ev. Lutheran School Begins Enrollment

It's that time of the year again. Jerusalem Ev. Lutheran school, Fernald and Capulina, Morton Grove, is beginning plans for the 1972-73 school year.

This school is sponsored by Jerusalem Ev. Lutheran church, a member of the Wisconsin Evangelical Lutheran Synod. There are 250 schools in this Synod with an enrollment of 26,450 pupils. This is a conservative church body, firmly believing that the Bible is God's inspired Word and that every teaching and principle of this Church must be determined by that Word of God. Except for a brief period between 1935 and 1946 Jerusalem Ev. Lutheran church has always maintained its own school. It does this because it believes that a Christian Day School is a real aid to parents in training their children to grow up a generation which will give glory to God. The staff is well qualified. High standards in education are constantly sought. Among its graduates are many college graduates, college students, and good citizens who are living the Christian faith which was nurtured by the Word of God used daily in this school.

All who desire a Christ-centered education for their children are encouraged to inquire about

The Jesus Women Are Here!

The "Jesus Women" are in suburban and north Chicago! The Jesus Women ministry, an interdenominational women's Jesus movement (in empathy with the Jesus People Youth Revival of the time) relying upon the Holy Spirit in beginning its work. Revival of personal encounter with the Person of Jesus Christ in hearts, homes, churches and communities is the foremost goal. Women of all ages and backgrounds are welcome. Area Jesus Women Revival Rallies and weekly Bible Study Services will provide opportunity for Christian growth, learning and sharing. Ministering to needs be they spiritual, healing, or personal will also be available. As Jesus enthrones women's hearts so will revival fire shine forth into suburban and north Chicago homes, churches, and communities. The Jesus Women theme is "A Flame of Revival."

The Jesus ministry provides a unification in Jesus for all women believers and offers non-believers opportunities to get to know Jesus personally. Spiritual growth and group encounter awareness of the power and presence of the Person of the Holy Spirit in each life is a vital factor.

The Get-acquainted Rally Session will be launched April 24 at 10 a.m. The first Bible Study Service will be launched the following day April 25 at 9:45 a.m. The Jesus Women "Heartline for Intercessory Prayer Requests" is (302) 965-5683.

An outstanding example of a Jesus Woman in action is Kathryn Kuhlman currently seen on Channel 26, Sunday nights at 9:30 p.m. who will be holding services at Arle Crown Theatre, McCormick Place, April 12 and 13 at 7 p.m. Admission is free.

For further information write "Jesus Women" P.O. Box 8, Morton Grove, Illinois 60053.

Tower YMCA Continues "Wait-A-Ways"

The Leaning Tower YMCA is continuing an exercise class which is new to its service to the community. "Wait-A-Ways" is an exercise program for expectant mothers and will be conducted by a Registered Nurse, Mrs. Ingrid Waggoner.

Exercise routines are designed especially for the expectant mother and will include exercises for breathing, relaxation, and toning. The YMCA does not contend that an expectant mother can not exercise alone at home, but the value of group participation is realized in regular exercise and the esprit developed among a group of people who are "all in the same boat." All registrants must complete a medical card that states the individual has consulted her doctor about participating in the class. "Wait-A-Ways" will meet mornings, twice a week for 45 minute sessions (10 week term). The Spring term will begin the week of April 3.

Information regarding class schedule, fee and registration procedure may be obtained by calling 647-8222, ext. 556 or drop by the Leaning Tower YMCA, 6300 W. Touhy and pick up a Program Services brochure.

Baby-sitting services are available during daytime classes.

Attention Niles Residents . . .
YOU MAY BE ABLE TO USE THE NILES PUBLIC LIBRARY BUT SOME NILES RESIDENTS CAN'T!!

Incongruous as it seems, some residents of the Village of Niles are not eligible to use the Niles Public Library. And here's why:

The Niles Public Library is a district library and only residents of the district may obtain resident library cards. At one time the boundaries of the Village of Niles and the Niles Library District were the same. But in recent years the Village of Niles has grown through annexation while the Niles Library District has remained as originally established. This means that some Niles residents do not reside within the current boundaries of the library district and are thus denied the privileges enjoyed by those that do.

But this can be rectified. The referendum on Tuesday, April 11, 1972, proposes that the library district be expanded to include those Village of Niles residents --- and some others in logical service areas --- now excluded. Your "Yes" vote can make it come true.

SIX AREAS PROPOSED FOR ANNEXATION

1. Oakton-Caldwell Area
2. Nelson School Area
3. Church St.-Washington Ave. Area
4. Washington-Harrison-Greenwood Area
5. Emerson-Greenwood-Golf Area
6. Maryhill-Parkside Dr. Area

Husbands and wives and groups are encouraged; but singles will be placed with others for games of their choice. There will be a table prize for each group.

The event is scheduled for 2 p.m. at the Legion Memorial Home. Co-chairmen are Mrs. James Campanella and Mrs. John Sepsy. There will be other special prizes and also a "put and take table game. President Terry Selzer may be reached at 966-8154, for tickets and more information. Donation is \$1.50.

Easter TV Show for Children

Theatre For and By Children - featuring the Repertory Company of the Tom Thumb Players will be seen on Easter Sunday, April 2 at 8 a.m. on the "Why and Otherwise" program, WMAQ-TV. Mobile units and camera moved into the theatre, 2323 W. Devon ave., Chicago to shoot on the spot scenes from the musical, "Dick Whittington." The TV-Special which includes young people, 8 through 18 years, is an adventure in how creative acting can help develop a child's personality as well as make him a professional performer. Shown in the picture is director Lester Netzky with local youngsters, Shelly Goldstein, Marl Cristiani and Robert Shanfeldt.

Vactions for Two At Pheasant Run

Two special vacations for couples are being offered at Pheasant Run this Spring and both vacations are in conjunction with the play that is scheduled for the dinner-playhouse.

The first vacation, the Cure for the Seven Year Itch, is offered from April 18 through May 14. It includes a room for two nights, two tickets to have dinner and see William Shatner in "The Seven Year Itch" and a special gift for each couple. In addition, any couple who brings a marriage license indicating that they were married in 1965 and are celebrating their seventh anniversary in 1972, will receive a complimentary bottle of champagne.

The second package, a Girl Could Get Lucky, is available from May 16 through June 11. In addition to the room for two nights, each couple receives tickets to the dinner-theater where Sally Struthers will be appearing in "A Girl Could Get Lucky." There will also be a "get lucky" gift for every girl.

Each two night and three day vacation is \$35.50 per person. Activities at the St. Charles resort include golf on an 18-hole championship course, swimming in the indoor outdoor year-round pool, tennis, health club and sauna, game room and entertainment on Bourbon Street and in the Baker's Wife Lounge. The resort hotel has 4 shops, 4 restaurants and 3 cocktail lounges. Reservations may be made by calling 584-6300 or the Chicago number, 261-7366.

'Charlie Brown' Closes Saturday

Last time to see the musical hit "You're a Good Man, Charlie Brown" at the Mill Run Children's Theater is on Saturday, April 1 at 1 p.m.

The next production will be "Peter Pan" with weekend presentations on the following days only: Sunday, April 9; Saturday, April 22; Sunday, April 23. (Showtime: 1 p.m.)

All tickets for "Peter Pan" are \$1.60 each. There are also special discount rates for groups during the week. For information, call 298-2333.

THE CORNERS of Where it's at and What's happening. By Ed Hanson

This type of column was first spawned by that etymological master, the late Walter Winchell. He had no peer. His genius created words which wormed their way into our language and slang.

Example: Winchell created that popular Americanism, Maitre d', because Rumyon like Broadwayites pronounced Maitre d' Hotel, as three separate words without the French elision, Dlg?

Speaking of Maitre d's -- Pete or John, or Gus or Bill Mandas are great hosts at their ritzy BLACK RAM, 1414 Oakton, Des Plaines . . . dine, dance, drink and listen to top drawer entertainment.

Another Winchell-like genius in the restaurant business is Jake, of JAKES RESTAURANT, 7740 Milwaukee ave., Niles. It reminds me of Lindy's in New York. Winchell made Lindy's famous but JAKE'S RESTAURANT is already famous for its wonderful cuisine, modest prices and superb service. An in-depth profile about Jake, the super successful restaurateur will appear in THE BUGLE NEWSPAPERS soon! Watch for it!

Winchell loved fish. That's why he stayed so slim and trim. HOWARD JOHNSON'S, 7201 Caldwell ave., Niles offers a "Fish Fry" every Wednesday and Friday -- try it -- you'll love it!

Step right up, folks, I've got something for everybody, it's the GOLF MILL THEATRE managed by my good friend, dapper Bene Stein. This guy got more suits, I hear, than Sinatra. The GOLF MILL THEATRE features first run movies and it's a great place to visit. In fact, I'd like to live there. And I will if Bene ever sends me my '72 pass. (It was lost in the Xmas mail.)

"Hello, Ed Roberts -- you got a great place there in Morton Grove. I'll be moving in sometime in late May. Do I dig those pictures of those pretty ladies above the south bar?"

Now a place that also has it ALL is the LONE TREE, 7710 Milwaukee ave., Niles. Drop in for lunch or dinner and tell Lorraine and Joe that Eddie sent you. The food is 'out of this world' and Tony Divito's music is groovy, man. So spend an enchanting evening in the LONE TREE. Live it up. (Remember, early to bed, early to rise, and you never meet the regular guys -- or gals, for men often make passes at girls who drain glasses.)

A guy I'd like to do a full column on is the "Rivet." He's appeared as a character in many of my stories. I keep his identity, like some competitive weekly newspapers keep their circulation figures, a deep dark secret. The reason I never reveal the true identity of the "Rivet" is because I don't look well wearing cement.

Speaking of wearing apparel, both men's and women's -- here's a tip. CHUCK'S FASHIONS, 3421 Church st., Skokie is featuring 100% wool knit suits for men for \$69 and \$79. A certain famous brand gets \$252 for the same type suit -- including silk lining.

Once upon a time when I was a very young man selling newspaper ads I dropped into a clothing store called, "Wolf's Clothing." It was near Chicago and Ashland. I said to Mr. Wolf, "Run a page ad like this, be a Wolf in Sheep's clothing." Wolf replied, "But my name is Wolf not Sheep." "Change it," I said, "Your image is wrong." The next day a big sign went up over the men's clothing store saying: "SHEEP'S CLOTHING." Underneath appeared this slogan, "Be A Wolf In Sheep's Clothing." It's true. Have I ever lied to you? See you next week . . . P.S. "And hello, Walter, wherever you are. . ."

Pheasant Run Plans Mexican Fiesta

It's Buenos Amigos at Pheasant Run for a Mexican Fiesta on April 21 and 22. Dashing senoras and senoritas in colorful fiesta dress will hear the sounds of castanets, maracas and tambourines and shout "Ole" from the dance floor. They will choose from a selection of spicy Mexican dishes including tacos, enchiladas and chile and imbibe on Margaritas and other native beverages.

The fiesta will be held on Friday and Saturday evening in the newly refurbished New Orleans Ballroom which has been renamed the Casa Mexicana for the occasion. It is open to the public and there is no charge for admission.

MNLL Las Vegas Nite

Tickets were being distributed this week and the prize list was growing for Maine-Northfield Little League Auxiliary's Las Vegas Night Saturday, April 29 at the VFW Hall, 2067 Miner, Des Plaines.

According to party chairwoman Mrs. Neal Wadiphan, many unusual and interesting prizes including a puppy, antique bottles and a light fixture have already been donated and other unique items are being received daily.

The public is being invited to attend the party which is being held to help the women's group purchase and equip a mobile refreshment stand, the proceeds from which will help defray league expenses. Tickets will be available through MNLL Auxiliary officers, team mothers, or by calling the ticket chairman at 724-4166.

'Naughty Marietta'

Friday, April 7 and Saturday, April 8 will be the benefit performance of "Naughty Marietta," a musical by Victor Herbert. The play will begin at 8:15 p.m. at the Niles West Auditorium at Oakton and Edens, Skokie.

The production will be directed by the famous former opera soprano Gloria Lind. The musical will star John Bentley, an internationally known dramatic baritone and Miss Joan Ramsey, an accomplished soprano who will be making her Chicago area debut. Tickets are \$3 and can be obtained from any ticketron office or by phoning Dorte Krause 827-1973. Groups of clubs interested in getting tickets can contact 967-7786. There will be student tickets at \$1.50.

Morton Grove Engineer Honored by Honeywell

Edward Gut, 8925 N. Major, was honored by Honeywell, Inc. for his outstanding engineering work on a pneumatic control device.

Powered by compressed air, the new control motor will be used in large industrial, commercial and institutional building systems all over the country.

Besides Gut, 12 other Honeywell employees were honored at a recent engineering awards dinner. Mr. Gut works at Honeywell's new engineering facility in Arlington Heights.

Teletype Instructor

Henry E. Moy, 7655 Waukegan rd., Niles, an instructor for the Teletype Corporation, recently moved into the Company's new Technical Training Center at 110 North Wacker Drive, Chicago. The school educates customer representatives from around the world in the maintenance of data communications equipment being manufactured at the Company's 104-acre site located in the Skokie-Niles area.

A veteran of four years with the Center, Moy specializes in teaching model 28 and model 35 equipment - rugged, heavy-duty teleprinters designed for continuous operation at speeds up to 100 words per minute. He utilizes the latest in training techniques at the Center's new headquarters which occupies 12,000 square feet on the first floor of the Morton-Norwich Office Building.

'Plant for the Future'

A new marketing contest with an ecological theme is underway for the Park Ridge District of Central Telephone Company of Illinois. For every extension, additional main line or touchtone service sold by any Centel employee a tree will be planted in his or her name at Boy Scout Camp Lakota near Woodstock, Illinois. Cooperating in the planting will be some 300 Boy Scouts attending a Northwest Suburban Council Jamboree at Camp Lakota May 5-7. Trees to be planted will be 16-inch, 4-year-old Norway Pine transplants.

Shown at the kickoff of the "Plant a Tree for Ecology" program is (l.) District Commercial Superintendent Clay E. Rawl, First Class Scout Keith Duncan of Troop 38 in Des Plaines, and Roger Kapp, Algonquin District Executive of the Northwest Suburban Council, B.S.A.

Centel's environmental concern is evidenced by the burying of more than 90 percent of its new telephone wire construction, saving trees while helping maintain the beauty of the landscape.

OAKTON COMMUNITY COLLEGE APPLICATIONS FOR TUITION REIMBURSEMENT

(SUMMER 1972 AND FALL-SPRING 1972-73)

The Board of Trustees of Junior College District No. 535, County of Cook and the State of Illinois (Oakton Community College), will receive tuition reimbursement (charge-back) applications from residents of the college district who desire to attend a recognized public junior college in another district to enroll in a program not offered by Oakton Community College, in accordance with the following instructions:

CHARGE-BACK FOR SUMMER SCHOOL 1972

All students who desire a charge-back must file a Letter of Intent and application in the form and manner prescribed by Oakton Community College by 5:00 p.m., thirty (30) calendar days prior to the first day of classes at the college where the student intends to enroll.

Letters of Intent and applications may be filed by mail. If mailed, the envelope must bear a post mark no later than midnight of the thirtieth calendar day prior to the first day of classes at the college that the student desires to attend.

All students previously granted charge-backs to attend a recognized public junior college in the State of Illinois for the Fall 1971 and Spring 1972 must apply for a charge-back which will be valid only for Summer 1972.

CHARGE-BACK FOR FALL-SPRING 1972-1973

All students who desire a charge-back must file a Letter of Intent and application in the form and manner prescribed by Oakton Community College by 5:00 p.m., thirty (30) calendar days prior to the first day of classes at the college where the student intends to enroll.

Letters of Intent and applications may be filed by mail. If mailed, the envelope must bear a post mark no later than midnight of the thirtieth calendar day prior to the first day of classes at the college that the student desires to attend.

All students previously granted charge-backs to attend a recognized public junior college in the State of Illinois through the Summer of 1972 must apply for a charge-back which will be valid only for Fall-Spring 1972-1973.

Letters of Intent and application forms are available at the Admissions Office, Building No. 3, 7900 North Nagle Avenue, Morton Grove, Illinois 60053. Questions regarding tuition reimbursement are to be directed to the Admissions Office of Oakton Community College. Phone: 967-5120, extensions 392 or 393.

Jerry M. Abern

"I consider it a moral obligation to present my views on some items that have become campaign issues," says Jerry M. Abern. First is the objections to the underassessment of large apartment complexes and shopping centers filed by the board of education in my name. Initial research was done by three housewives who are members of the Golden Acres Homeowners Association. They brought the information they had uncovered to the attention of the District 63 Board. The board's attorney further investigated the matter before taking appropriate action.

Thirty-seven (37) objections in regards to underassessment were filed by him in December, 1971. I feel very strongly about owners of large blocks of income-producing property not carrying their fair share of the tax burden. Therefore, I intend to see that this case, filed in my name, gets a fair hearing whether or not I am reelected.

The second item is that of budgeting. It has been proposed that half of any unspent funds in the budget for substitute teachers be returned to the regular teachers. Such logic can also be applied in other situations. If the school cafeteria can cut down on the quality of food fed the students, the employees should get half the money saved. In effect, when money is returned to the employees because they did not use all the funds allotted them, in some circles it is called a kick-back. I believe there are many more ethical ways a school district can save money.

The third issue concerns qualifications. Yes it is true that I have spent four years as a member of the District 63 school board. Yes, it is true I have 13 years experience as a full-time educator. But a few facts have been overlooked. I have taken many college courses in accounting. I have had the responsibility for the implementation and operation of general stores budgets on two destroyers. For eleven years I have had total business responsibilities of a department in a retail operation. My budgeting and business background qualify me to offer as much or even more than any other candidate.

The last, but not the least important issue is that of communications. I am a taxpayer. I want to know what's happening where the action should be. However, I don't want to hire somebody to do a job and then end up by doing it myself. I consider every taxpayer's time valuable. The question is: Should we find better ways for the board and the community it represents to exchange ideas, instead of having a town meeting? For example, the school board nine o'clock session is a town meeting on a small scale. But there are still complaints about lack of communication. I favor a more productive method as was suggested by Hermine Levin at the Apollo School Candidates Night. Mrs. Levin suggested "rap sessions" between board members and the community at each school in the district. Such sessions would present an excellent opportunity for exchange of ideas and information on a small group basis.

Dist. 63 School Board Candidates

Hal Schwartz

"After some careful investigation, I have come to the conclusion that any proposal by the District 63 School Board to file a law suit challenging assessment procedures would be ill-advised," said Hal Schwartz, caucus endorsed candidate for a board position.

"It wasn't easy for me to come to that conclusion. I do support the board's attempt to build public support for its efforts thus far, and I agree with the board that a number of large landowners and owners of income producing property are not paying their fair share of taxes.

"This inequity is costing each of us far more than our share, and is depriving the school district of money it justly deserves. At the same time, I cannot see throwing available money after lost money - especially when this district is already nearly \$800,000 in the red and when the chances of winning such a suit range from zero to slim.

"I'm not that much of a gambler. Such a law suit, which would set a precedent nationally, could be carried as high as the United States Supreme Court and cost as much as \$40,000 to \$50,000 before it's ended. This estimate was given to me by lawyers I know," Schwartz explained.

He said that although he thought the idea of a law suit sounded good when first presented at a recent school board meeting, certain "inconsistencies" made him take a second look. "First of all, there appeared to be little enthusiasm for a law suit being expressed by school district attorney Jerome Robbins. Secondly, when the board was asked by a reporter whether high school District 207 would join in the suit, only double talk came from the board.

"And since District 207 board members were invited to a special closed meeting prior to the District 63 announcement, I can only conclude that District 207 is less than enthusiastic about the suit possibilities.

"If this is so - if the cost of such a suit will not be shared by District 207 and others - I cannot see how the District 63 board would even consider the suit.

"Friends of mine have suggested the possibility that the suit idea is merely a grandstand play to get votes for three incumbents at election time. Although I find it difficult to attribute such a motive to the board, I'll admit I'm hard-pressed to fathom the reasoning that has brought the board to this point. "Perhaps, for the first time, the board will let the public in on its thinking and planning and give us an opportunity to present a case against betting on such a long shot.

"In this instance, principle should be defended when you have the principal to do it. It's too bad we're in the financial fix I mentioned, but we are there and should begin facing that reality and doing something about it instead of engaging in pie-in-the-sky dreaming."

Larry Reiss

Larry Reiss, an architectural engineer with offices located in Morton Grove, has announced his candidacy to fill a vacancy on the District 63 Board of Education. There remains one year to serve of the 3 year term.

Mr. Reiss said, "Our school district is presently incurring a debt that will reach as high as \$800,000 by the end of this year. My experience in private practice as an architectural engineer has engaged me almost constantly with budget matters. I feel this experience will be an asset to the Board and help save money for the public. I am sure I can make a contribution toward helping to keep our district out of deficit spending without impairing our educational programs. I feel that at the present time our Board of Education lacks balance of personnel. Of the 6 elected members presently sitting on the Board, not one member is in the business field. I feel a Board can best be served by people who represent a diversified cross section."

In stating his educational philosophy Mr. Reiss said, "Education should serve all people in a democracy according to their individual capacities. Education deals with all aspects of life and should assist the student in living a moral and ethical life. Education should provide the student with economic competence. Our school curriculum should be suited to individual capacities and should provide the student with the ability to intelligently discharge his civic and social responsibilities."

Mr. Reiss has lived in Morton Grove for 7 1/2 years. He and his wife, Happy, have 5 daughters, three are presently attending Nelson school. Mr. Reiss is a graduate of Purdue university and did post graduate work at several universities. He is a registered structural engineer in several states and a registered real estate broker in Illinois. He belongs to various professional societies and has taken an active interest in Board of Education affairs for some time.

District 63 Absentee Voting

In order for a person to be qualified to vote at this school election, he must be a citizen of the United States, above the age of 18 years, must have resided in the State for 6 months, and in the School District for 30 days immediately preceding the date of the election, and be registered to vote in general elections from a residence located in the school district.

Absentee voting may be done in person or by mail, after March 29. In person: go to the School Board Secretary's Office, 9 a.m. to 4 p.m., Monday-Friday, 8320 Ballard rd., Niles. April 5 is the last day an application may be filed in person. By mail: call James Bowen, 824-1102, Ext. 231, or Mrs. Pat Kolvek, Ext. 234, for information. April 3 is the last day an application may be accepted by mail.

Hermine Levin

Hermine Levin has announced her candidacy to fill the one year vacancy on the District 63 School Board which was created in January when board president, Bill Gurolnick, resigned. At that time, the board unanimously appointed Mrs. Levin to fill that vacancy until the April 8 election. Since announcing her candidacy, she has received the endorsement of the East Maine General Caucus.

A resident of the district for the past 10 years, Mrs. Levin has been active in school and community affairs. She is presently serving her second year as president of Mark Twain PTA and as Legislation Chairman of Apollo PTSA. She also served this past year as President of the Coordinating Council of District 63. Last month Mrs. Levin coordinated the services community volunteers with the SLIDES program to provide vision and hearing testing for pre-school aged children.

According to Mrs. Levin, the district is currently facing a number of problems such as safety, re-evaluation of its educational programs and promoting better means of communication between the board and the public. "The number one problem facing us all, however, is in providing quality education with limited resources. The citizens of this district have taxed themselves again and again as proof of their willingness to keep up with the growing demands of our community and the economy. I feel the board must now work long and hard to make economies in the budget that will not seriously impair our educational programs. We will be calling on all interested parties including the public, teachers and administrators to help make these decisions."

In the area of safety, Mrs. Levin has been an outspoken voice for improving conditions and has just recently taken part in efforts to secure an over-

pass on Golf near Michael Manor. Because our schools are located in 3 different villages plus the unincorporated area, we have a great number of police departments and public officials with whom we must work. The task is enormous, but one that must be undertaken, according to Mrs. Levin.

Mrs. Levin has long been an advocate of parental participation in the schools. She believes the public has both the right and responsibility to know what is happening in their schools. She further feels that school board members have an obligation to take part in an on-going dialogue with the public and to be responsive to their desires. "The board must also keep the public informed as to the goals it sets, the priorities it lists and the results of the educational programs it supports."

Elected Officer

Nine students at Western Illinois university have been selected officers in the General Assembly of Higgins Residence Hall. Among them was: Connie Chandler, daughter of Mr. and Mrs. Joe Chandler, 8110 Monroe.

Golf Mill State Bank Donates Education Materials

To prove that bankers are just like everyone else, Golf Mill State Bank is sponsoring a program of education in the area schools, to familiarize students with banking in all its facets.

Materials for the new course have been donated by Golf Mill State Bank to Maine Township North, Notre Dame High School, St. Isaac Jogues and Gemini Jr. High School, for their continuing use.

According to Leonard W. Happ, vice president of the bank, "the materials simplify the story of banking so that the students can see that the thousands of local

banks in the U.S. are really at the grass roots of our country's financial system."

Materials for the course, titled "You and Your Community Bank," were recently presented to the schools by the bank's officials.

All banking functions are covered including interest rates, loans, car financing, how to write checks, notes, bonds and other points which are usually unfamiliar to most banking customers and the general public.

Simon is an exceptional man in Illinois politics, and has received Douglas' support for 20 years. The Senator said he was crushed by the news of Simon's defeat.

While nobody questions Walker's 'recent' credentials a fair question must be asked how he was furthering the public good during the past 20 years. Walker supporters criticized Simon joining hands with the party machine, yet Walker had sought this same support in the past. And now, after the election, Walker's aides indicate they are most interested in getting together with the Daley

The Walker campaign centered around his walk thru Illinois. While it was a great public relations gimmick, that's all it was. He said it proved he cared about people. Well, we thought Simon's more mundane efforts working for 17 years in Springfield indicated a more sincere effort in his caring about people. It begs the question, 'Where was Walker during all these years, which would show he cared about people?' Working for \$125,000 annually as a corporation lawyer for Montgomery Ward is not our idea of showing how a man 'cares about people.'

fore the condemnation action has been completed. Marcheschi explained there have been three appraisals completed up to this point - an independent appraisal, one by the Army Corps of Engineers and by the Regional Office of the Post Office.

In other actions at Tuesday night's village board meeting rezoning was approved for a drive-in bank facility for Dempster Plaza State Bank at Dempster and Grace Streets, Restrictive left and right turns into the facility and out onto Grace were included as well as a no parking restriction on the west side of Grace.

Tr. Ralph Base announced the 3rd annual girl's softball marathon will take place June 23, 24, and 25. The 53 hour marathon will be at Jozwiak Park and girls from 13 to 23 will be eligible for the game. Bast also announced the girls' softball league registration will take place April 5, 7 and 8 at Grennan Heights.

Tr. Pesole reported the vacation of alleys between Jonquil and Howard was okayed by 57 residents with only one dissenting and 14 not answering the request, though 7 of the 14 said they agreed to the vacation.

A Monday night meeting with residents in the Harlem-Oketo area will be held to solve a parking problem among the multiple and single family residents there.

The 1972 zoning map was approved. Okayed a plan of subdivision for builder Welter at 8735 Park Lane.

Marcheschi and Attorney Lawin agreed the new drive-in bank facility at Dempster and Grace would have water drained to a center point in the parking area, rather than have the water retained alongside it which might cause a mosquito problem during the warm weather.

BaBarra and Chuck Morris were awarded an outstanding achievement award for their work on behalf of Niles youth. Ambrose Panico presented the award for the departing Morris couple who are moving to Massachusetts.

Atty. John Nordberg said the Weights & Measures Ordinance was ready, but upon hearing that it was 6 pages long, Trustee Ashman said he'd like to defer action on the ordinance till next week so he could study it. Dave Cohen noted the Sales Tax for Dec. of 1971 as \$79,923.22 and reported the income tax receipts of Feb. 1972 as \$24,791.65. Cohen said he'd like to have 12 copies of all plans and specifications for proposed buildings. These should be submitted to members of the Plan Commission so that each one may have a copy and have one copy on file. Ed Brice said he felt there was no need to add this to our ordinance as Cohen suggested, but Atty. Nordberg said he felt it was safer to put this into our ordinance. It was decided to discuss the matter with the Plan Commission members. Trustee Cohen said he discussed the Solicitation Ordinance with members of the Chamber of Commerce.

Frank McTier announced the 46th Annual Celebration of Morton Grove Days would be held June 30, July 1, 2, 3 and 4th. George Iwicki of the Flood Control Committee said the government needs help from local municipalities before they can make much headway in the area of wa-

ter pollution, etc. Capt. Larry Schey presented the board members with copies of the 1971 Annual Police Report, Jim Dahm, Supt. of Public Works said the truck received from the Fire Dept. is now being used in the Sewer Dept. He also said the paper pickup is next week. Dick Hohn said there were 9 architects who met with Village Officials concerning the new Fire Station and there were two still under consideration.

Herb Houndt said there have been several complaints from people on the southeast end of town about the sewer system. One complaint was about stoppage which was found to be in the main sewer. It was nearly closed up by heavy tree roots. This was corrected and now is flowing freely. Houndt said the village should enter into a program to examine and repair sewers as recommended by Supt. Dahm.

Further, they must be able to recognize and properly diagnose any number of injuries and illnesses and administer the correct emergency aid. They are tested in their prowess in the use of splints and bandages and other devices which are used to immobilize a serious injury and prevent further injury while the victim is being transported to the hospital.

Chief Hildebrandt also announced that the test would be held on April 13 and 27 and that the Morton Grove Fire Department was going to host the test and were presently in the process of obtaining a location in the Village large enough to accommodate the necessary testing facilities.

Fireman Pitts has obtained the cooperation of the Northwest Trauma Committee which runs an annual School at Holy Family hospital and of Lutheran General hospital by getting them to allow his organization and the Fire Departments who are sending men to take the test to use their training aids and films.

Niles Art Guild

The Niles Art Guild is presenting Hans Bittner, a miniature silhouette artist, for their program Wednesday, April 5, at 8 p.m. Meetings are held at the Niles Recreation Center, 7877 Milwaukee ave., Niles.

Mr. Bittner studied art in his hometown of Breslau, Germany and graduated from the Kunst Academy in Munich. While working as a designer, he began the silhouettes or scissor-cuts as a hobby. Soon he had his work displayed all over Europe and these United States, including the collection of Crown Prince of Wilhelm of Germany.

After coming to the United States in 1926, he continued working in the art field. Since 1951 he has been with the Wilding Studios, the oldest movie studio in this country. His art exhibits are numerous and he has also appeared on T.V. Chicago's famous Palette and Chisel Academy of Fine Arts is honored to have him as a board member.

He is one of a very few men left in the world who create scissor-cuts as a fine art. So intricate is his work that a slip of the scissors could ruin hours of work. Everyone is welcome. Refreshments will be served.

Niles Elementary Schools

District Number 71

All parents of children kindergarten through eighth grades, teachers, and community members of Niles Elementary Schools are invited to attend a parent education meeting. The purpose of this meeting is to introduce the new curriculum written by the faculty, parents, and students of District #71 concerning drug and drug abuse education for the elementary school child. The parent education meeting is sponsored by the Niles Elementary Schools Parent Teacher Association and the Niles Elementary Schools. The meeting will be Tuesday, April 4, at 8 p.m. The program will be held at the North school, 6921 Oakton st., Niles in the gymnasium. Members of the curriculum de-

velopment committee which was involved in the development of the drug abuse education guide will conduct small group discussions with the parents and members of the community.

The curriculum will be introduced by Clarence E. Culver, Superintendent of the Niles Elementary Schools, District #71. There will be two speakers, a representative of the pharmacists professional group to explain the use and abuse of over-the-counter medications. The second speaker will discuss alcohol's place as the most widely abused drug in the country. There will follow a question and answer period.

The coffee hour will follow the summary of the group discussions.

Skill School Library Referendum April 11 Registration Can Only Benefit Niles

Local youth and adults are busily engaged this week at the Leaning Tower YMCA registering for the Spring "72" term of Skill School classes due to begin the week of April 3. The 10 week term offers a wide variety of classes to choose from.

The Aquatics, Sports, and Physical Education departments have expanded their class schedules. Individuals may plan a course of class instruction to fit their particular need, with emphasis on recreation, relaxation and self-improvement.

The Aquatic schedule for adults will include the following 10 week courses: Boating safety (presented by the U.S. Coast Guard Auxiliary), Scuba Diving, Life Saving, Progressive Swim instruction, Diving instruction, Aquanautics for Women (designed to take inches off those problem areas while enjoying a relaxed type of water exercise), and "Water Ballet" for Women. A "Landlubbers" program is being continued for those who never learned how to swim, but will be able to do so as they discover swimming can be fun! An adult course in Canoeing has been scheduled.

Youth also have an interesting Swim program for the Spring season. Ten week term includes: Progressive Swim instruction, Diving instruction, Canoeing, Life Saving, Water Games, Water Ballet for Girls, and Junior and Family Skin Diving for those 12 years and above. The Pre-School "Gym and Swim" classes for children 4 months to 7 years continues to be popular and is being offered again.

Sport and Physical Education courses for adults (10 weeks) will include: Yoga, Karate, Judo, Fencing, American Self-Protection, Women's Trimnastics, and Volleyball. "Lose Weight" the Y's Way, Tennis for Women, Fitness for Men, and Wait-A- Ways" (an exercise program for expectant mothers), Cardio-Respiratory Conditioning classes for Men (geared for the individual regardless of age) is also scheduled for the new term. A 6 week Golf course is available.

The Youth Sports and Physical Education department will offer (for 10 weeks) Judo, Karate, American Self-Protection, "Gymnastics and Trampoline," "Gym and Special Fitness," Archery, Boys Body Building, Trimnastics (Girls), Trampoline, Roller Hockey (Boys). The Tennis club for Tiny Tots, and Small Fry (3-7 years) will be con-

Over \$19,000,000 in assessed valuation will be added to the Niles Public Library District if the annexation referendum on April 11 is approved by the voters. The library district's current assessed valuation is almost \$187,000,000.

The figures, obtained from data in the Assessor's Office, represent assessed valuations for the year 1970. Passage of the referendum, therefore, would mean that the enlarged Niles Public Library District's assessed valuation, with revenues accruing to the library at the rate of 15 cents per \$100 of assessed valuation, will amount to approximately \$207,000,000. When 1972 data is available, it is expected the total assessed valuation will be greater.

"To put it simply," said Carlyle Esser, president of the Niles Public Library Board of Trustees, "the monies which will be made available to the library will assure no increase in the present tax levy, since revenues received will more than offset the expense of servicing residents in the annexed areas."

The referendum proposes that 6 areas of the Village of Niles be annexed by the Niles Public Library District so that all residents of Niles be serviced by the Niles Library. This is currently not so. When established, the Niles Public Library District and the Village of Niles had identical boundaries. However, the village has grown through annexation while the library district has remained static. According to Illinois law, library districts may not enlarge their boundaries or service areas unless a referendum requesting expansion is approved on the basis of total votes cast in the referendum by those residing in the district and those in the areas proposed for annexation.

According to library officials, a question-and-answer pamphlet covering all aspects of the referendum and illustrating the six annexation areas is now available at the library and in addition will be sent to all residents in the voting areas during the first week in April.

This is a training program for anyone interested in Day Camping experience. From these people, we will be looking for good, well-trained counselors for our future Day Camps. There is no cost for participation in this program. The number of students we can enroll in this program is strictly limited. If you are interested in an application or further information, call Chris Bozovsky, Program Assistant, at the YMCA - 647-8222.

Continued, Golf (6 weeks) is scheduled for youth 8 through 16 years. Information regarding class schedules, fees and registration procedure may be obtained by calling 647-8222 Ext. 556, or drop by the Leaning Tower YMCA, 6300 W. Touhy ave. and pick up a Program Services Brochure. Babysitting services are available during daytime classes.
