## From the LEFT HAND

By David Besser  
Editor & Publisher

Two weeks ago Maine High School's board authorized the eliminating of 27 teachers jobs at the end of this school year. Niles board member Roy Makela said the cutbacks were needed because of the \$3.5 million dollar deficit in the district's budget.

Voters turned down a proposal to increase the tax ceiling from \$1.63 to \$1.90 per \$100 assessed valuation in the educational tax fund last December. Voters said "no" by a 2 to 1 margin.

The teachers association representing 700 faculty members, thru its president, Karl Miller had asked for a delay in the teacher cut. But Board President William Wuehrman said the law required teachers be notified by April 14 of the dismissal.

A couple of weeks ago we attended a meeting to hear the school district 63 candidates at Apollo school. The sponsors of the meeting said they had sent out 8,000 notifications to parents and only about 50 residents came out to hear the candidates.

Taking the two stories together I believe we may have reached that point in our school history when more parents and taxpayers are going to have to once more become more active in school matters. Particularly in the grammar school area, parents have not responded to the call to watch over its districts as they had in past years. The days of packing the old Ballard School for a rousing battle over a full-time kindergarten program, for music and language programs, and for the multi-problems experienced in the burgeoning district, have long since past.

At the high school level parents in districts 63 and 64 in our communities have never been involved as parents from neighboring Park Ridge. The same few parents are active year after year in the PTC at the high school, and we're sure the music and athletic boosters see the same people, who year after year support these activities.

Ironically, the same people who lived thru the upending battles in district 63, now have children in the high schools, and the cutting back there, must be contended by these same parents, who may have been battle-scarred at the lower level.

While the reduction of 27 teachers does not necessarily mean the quality of education will suffer, nevertheless, such action does not portend well for the future. With a heavy burden caused by the deficit and with voters resisting any tax increases, there's little doubt teacher cut-backs may continue.

Presuming the average teacher was paid \$10,000 the 27 teacher cut is only a savings of \$270,000. Based on the four schools in the district, this means an average of 7 teachers with a combined \$70,000 salary are being cut from each school. And the \$270,000 represents only about 8% of the present deficit.

The question which must be asked is, "Where do we go from here?" Certainly, increasing class size per teacher is not likely to handicap our

## Library Election & Referendum Tuesday

Voters will also go to the polls on Tuesday, April 11 to determine if the Niles Public Library District will annex 6 areas of the Village of Niles currently out of the library district. The passage of this referendum will make it possible for all Niles residents to be served by the Niles Library. This is currently not so.

The monies which will be made available to the library by its increased assessed valuation will assure no increase in the present tax levy since revenues received will more than offset the expense of servicing residents in the annexed areas.

Niles voters presently living in the Niles Library district will go to the polls Tuesday to elect two trustees while voters presently in the district, as well as Niles residents not in the district, will vote on the annexing of their areas into the library district.

Seeking re-election for the two openings for 6 years are incumbents Clarence Culver, 8206 Ozanam and Diane Hanson, 8028 Wisner. Two other candidates are Robert Doonan, 8648 Oketo and Jerome Krok, 8440 Oketo.

Residents presently living in the district are the only ones eligible to vote for candidates. All Niles residents will vote on the

## Health Board Lists Eye Exam Info

The Niles Environmental Health Board has been asked some questions in regard to eye examinations. A complete vision examination should be broken up into three categories:

1) The health of the eye, the tissues and the eyeball itself should be checked for disease and abnormalities.

2) The measurements of the eyeball itself should be checked for its refractive status. In our society there are two ways of measuring refraction of the eye. One is by the use of drugs and the other is by the use of non-drugs. It is generally accepted that the medical doctors will use eye drops when measuring the eyes and the optometrist will measure the eyes in their natural state. The end result is the actual measurement of the eyes which determines the lens.

# SCHOOL BD. ELECTIONS SATURDAY

Voters head for the polls Saturday between noon and 7 p.m. to vote in elementary, high school and junior college districts for school board candidates.

In the Oakton Community college district 535 race two slates of candidates and two independents vie for 4 openings. The controversial Maryhill cemetery location has triggered two slates opposing one another.

Incumbent Milton Falkoff of Lincolnwood is seeking a one year term which he vacated when he resigned from the Board recently from his unexpired term of 3 years. Falkoff's resignation was in protest of the state junior college board's vetoing the Maryhill college site, which Falkoff desired to be placed before residents for them to make a choice.

A second incumbent, Griff MacDonald of Park Ridge, who also resigned for the same reason, is now seeking to fill the remaining two years of his post. Meyer Kamin of Skokie, an incumbent and John Swalec, Jr., of Park Ridge, are running for 3 year terms, joining the Falkoff-MacDonald slate.

Other school races: MAINE HIGH SCHOOL (207) Caucus-supported candidates Edward Gregory of Park Ridge and Robert C. Claus of Des Plaines are running unopposed for the two 3 year terms for the Maine Township High School Board. Claus previously served on the Des Plaines (62) elementary board.

NILES HIGH SCHOOL (219) Candidates for the Niles Township High School Board include Thomas J. Sacomano, Skokie; Melvin B. Alexander, Skokie; Shirley Garland, Lincolnwood;

### Dist. 67 Caucus Candidates

The two Caucus selected Candidates for the District 67 Board of Education election on Saturday April 8, 1972, are Dr. Marvin Brotman of Morton Grove, a Professor for Urban Teacher Education, and Mr. Nicholas Buzby of Glenview, owner and partner in Consultants for Automation and Engineering.

The Caucus provides our School Board with candidates who are non-political, and the best qualified for all those interested enough to submit applications to the Caucus for their endorsement.

For the first time in its history, School District 67 faces financial difficulty. The question of setting priorities so that quality education will be maintained while finances are being used properly, requires careful consideration. Dr. Brotman feels his professional experience in Education will allow him to contribute to the making of the best decisions for the children and the District's School Program. The Brotman's have resided in the District for 15 years and have 3 children, one at Niles North High School, one at Golf Junior High School, and one at Hymes Elementary School.

Having 2 sons at Golf Elementary School, Mr. Buzby certainly has a personal interest in the quality of education available to them and their classmates. Mr. Buzby is concerned that the children in the community be offered teaching methods and curricula that will motivate them so that learning will become an interesting experience, and achievement in their studies, a personal goal.

### Citizens Endorse Oakton Candidates

The following candidates to fill vacancies as trustees of Oakton Community college have received the endorsement of the Concerned Citizens of Maine - Niles Township:

Dr. Leroy A. Wauck: A resident of 609 Vine St., Park Ridge, Dr. Wauck presents the following credentials which qualify him credibly and eminently for the trusteeship: Resident of Park Ridge for 14 years... incumbent trustee, District 535 (thus an experienced man)... father of 8 children, ranging in age from 8 to 27 years... chairman, Faculty Advisory Council, Loyola University... professor of Psychology, Loyola University with PH.D. ... teaches and in clinical practice in that field... member, American Psychological Association... Cook County representative, Illinois Psychological Association...

Chet Gullnski: From the community of Niles, comes Chet Gullnski whose home is 9260 Calvero Dr. where he has been residing for 3 1/2 years. His credentials include: Member, Chicago Society, American Federation of Musicians... actively engaged in Kiwanis... college graduate, De Paul University with BA degree in English... producer of Radio & TV broadcasts... member, National Association of Broadcasters and Illinois Broadcasters Association... father of 4: one a graduate of Marquette University, the second a senior at Loyola University, the third a freshman at Northwestern University, and the fourth a junior in high school.

Leonard Estrin: who comes from 8242 Kolmar Ave., Skokie, where he has established himself for the past 9 years as a respected citizen. His credentials: film editor for CBS-TV... high school graduate, one year of engineering at IIT, 5 years of Marketing and Merchandising at Northwestern University Evening School... active member, Boy Scouts of America as executive and as district commissioner in Northwest Council... father of 3, one married, the second a senior at Northwestern, the third presently attending Niles East High School.

Endorsing a Platform of Common Sense and Flexibility. 1. No squandering of taxpayers' dollars - in futile face-saving lawsuits against Illinois College Board - in unrealistic attempts to take unavailable property. 2. To move forward NOW on acquisition of a badly needed permanent campus for expanding Oakton Community college. 3. To be humanely responsive and responsible to the needs of the ENTIRE community. 4. To be concerned for quality education, including transfer and technical programs. 5. To strive for more faculty and student involvement. 6. To utilize (TO THE MAXIMUM) the tax school dollar.

### Maine Township Jewish Congregation

Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, will observe Yom Ba-Shoa, the official Memorial Day for the six million martyrs of the World War II holocaust, at special ceremonies this weekend. The teenagers of the Synagogue (USY) will conduct an all-night vigil Saturday, April 8, beginning at 9 p.m. The program will feature speeches by survivors of the holocaust, prayers, films, etc. The community is invited. Students of the Religious School will observe this special day with memorial assemblies Monday-Tuesday, April 10-11. Sabbath services this weekend will be conducted by Rabbi Jay Karzen and Cantor Harry Solow-inchik. Two services will be recited Friday, April 7 at 6 p.m. and a Family Service at 8:30 p.m. During Sabbath morning services, April 8 at 9:30 a.m., the Bar Mitzvah of Mark Feldman, son of Mr. and Mrs. Donald Feldman, 9408 Potter rd., Des Plaines, will be celebrated. Afternoon services that day are at 6 p.m. Classes in the MTJC Religious School resume following Passover vacation, Sunday, April 9 and Monday, April 10. Bingo is played every Sunday night. Join the crowds for an evening of fun.

### Gordon Dist. 535 Candidate

Alex L. Gordon is a candidate for Oakton Community college Board of Trustees, School District #535. Gordon lives with his wife and 2 children at 7029 Carol Ave., Niles. He is employed as Controller of Alex Gordon, Inc., South Water Market, Chicago. Gordon's educational background is: Lincoln College, Lincoln, Illinois (Junior College) - completed the two year course with a business major. Received the Outstanding Business Student Award. Bradley University, Peoria, Illinois - Graduated with B.S. in Accounting. Investigated campus activities. Investigated university, Chicago - 24 hours toward M.S. degree in Accounting and Finance.

Mr. Gordon states "I feel that I am qualified to run for the board, and would be an asset to it if elected, for several reasons. First of all, I am a graduate of a junior college and am well aware of the need for good 2 year schools. Not every student is prepared for a 4 year university, and a fine junior college would enable this student to prepare properly for entrance into a 4 year school, or help him to gain skills that would enable him to enter the working world. The need also exists for a school to provide the adult community with education, either for those who wish to begin their education, or for those who want to increase their knowledge. Since I am a student, I feel that I understand the needs and desires of a student body. I feel a closeness to youth since I am still "under 30." I am presently serving the community on Dratt Board, Local #102. Lastly, but perhaps most important, I am a father and a taxpayer. I have lived in the district for 4 1/2 years and plan to remain. Therefore, I want a school to which I can be proud to send my children. However, I feel that one of the first duties of the new board should be site location. The college is in desperate need of more room in order to function properly.

### First Baptist Church

"How They Overcame The Dragon", based on Revelation Chapter 12, will be the topic of the sermon preached by Pastor Roger McManus at the 11 a.m. service on April 9, in the First Baptist Church of Niles, 7339 Waukegan rd.

Children's choir practice is held at 9:30 a.m. Sunday School classes for all ages - pre-school, grade school, young people and adults - convene at 9:45 a.m. The regular Sunday Evening service is held at 7:30 p.m. with Pastor McManus delivering the spiritual message and the newly formed Church Orchestra presenting musical selections. Wednesday Evening Prayer Service is held at 7 p.m. together with study outline in "How to Understand the Bible." The mixed choir and the ladies' choir practices at 8:30 immediately after this study.

Other church events: The Young People will have a party at the Church on Friday, April 7, at 7:30 p.m. Young people of the neighborhood are invited and welcome. On Sunday, April 9, at 6 p.m. Church members will visit the patients of Niles Manor Nursing Home and will present a program of singing and the gospel message. Care for babies and toddlers provided at all services.

### Irene Luck Seeking Re-Election

Mrs. Irene Luck is seeking re-election to the East Maine District 63 Board of Education. Mrs. Luck, currently serving as Board President, has been a member of the Board since April, 1963. The East Maine General Caucus has endorsed Mrs. Luck who states her reasons for running for re-election are as follows:

First, Mrs. Luck believes a candid and critical evaluation of existing programs in the district should be made. She comments, "Though we have gained nationwide recognition for many of our programs, we should constantly re-examine them to see if there are any areas in which we should make adjustments in order to reach our goal of quality education for all our students." Second, is the area of personnel. Search for a superintendent is now in progress. Mrs. Luck, as the senior board member who has assisted in such a search before, feels she could offer experience for this vital task in bringing an outstandingly qualified administrator to the district. Teacher negotiations are also underway and Mrs. Luck believes she can bring continuity

and experience to these proceedings also to enable the board and professional staff to continue to work cooperatively, with credibility, and still share mutual concerns. Mrs. Luck states, "I have a strong belief in seeking new sources of revenue for District 63 schools other than from the state. One such way is to continue to press for more equitable return of state revenue to our schools. Illinois is one of the 10 richest states of the 50 states and yet ranks within the 10 lowest in returning state funds to its schools." Another source of revenue is to be found in seeking the proper and fair assessment of large, income-producing properties in the district. "The tax favoritism shown certain large apartment complexes and shopping centers in District 63 has deprived our students of over \$330,000 in taxes for their educational needs according to the under-assessment objections filed by Jerry Abern on behalf of the Board of Educa-

tion," notes Mrs. Luck. "Pressure is now on the assessor's office to re-evaluate how such property is being assessed and, with the continued expressions of support from other taxing bodies and the public, the Board hopes to collect revenue rightfully due its district's students. Indications from the assessor's office this week point to an increase in assessment of these questioned properties."

"This kind of aggressive searching for funds other than from the small taxpayer and conscientious, economy-minded budgeting will help us continue our program of quality education in District 63," Mrs. Luck asserted. Mrs. Luck, her husband Frank, and their 3 children have resided at 3352 Thornberry dr., in Glenview for the last 14 years. She attended the University of Illinois and Northwestern University, majoring in psychology and social work, and graduated from North Park college with a B.A. with Honors in 1969 and Illinois Teaching Certification. She currently is a teacher in Park Ridge District 64.

### Schwartz Lists Issues; Urges Large Turnout

Hal Schwartz, caucus-endorsed candidate, warned at a recent coffee that likely turnout in this election will be 700 persons or less. Schwartz then proceeded to restate the issues "in the hope that, whether you agree with me or not, you will urge your friends and neighbors to inform themselves and vote. Then, if I win or lose, I will know that decision was made for the right reasons: my positions on the issues. Here are the issues as I see them:

The school system currently is nearly \$800,000 in debt and is considering budget figures for next year that would add \$300,000

to \$400,000 to that amount. Significant cuts must be made in the budget, cuts which won't affect the quality of education but which will let the public know that the board is trying to come close to living within its income.

Each individual board member and the board as a whole should seek out the public. They should attend meetings of PTA and homeowner groups other than their own to demonstrate their interest in the public and their willingness to answer questions. The board also should call special meetings — in each local school and of the 'town meeting'

variety — to hear from the public.

The board needs balanced representation, persons with as wide a variety of professional backgrounds as possible. Currently the board has 3 teachers as members and no businessmen.

As a result, perhaps, of the imbalance of teacher representation, the board has involved itself in administrative duties, instead of leaving them to the well-paid administrators. This has resulted in considerable confusion among teachers and principals as to who they are responsible to, and it has resulted in the board's

paying less attention to its responsibilities of policy-making and financial management.

Nine years in office for any board member is, in my view, three years too many. One current member has served for 9 years and is seeking a fourth 3-year term.

"I want you here at this coffee to prove me wrong about the probable turnout I've predicted. Show me that at least 25 per cent of the residents of District 63 care enough about their schools and their tax dollars to at least vote. That's about 3,500 voters, and that's the way I want to win or lose," Schwartz concluded.

### Seeks Dist.71 School Board Position

Seeking re-election to the Board of Education of District #71 (Niles Elementary Schools North and South) is Robert G. Bianchi. Mr. Bianchi and his wife Shirley make their home at 8336 Caldwell ave., Niles. They are the parents of 4 children — Glenn, a first grader at Niles South; Craig, a sixth grader at Niles North; Beth, a senior at Niles West and Bruce, a junior at Augustana college.

Incumbent, Mr. Bianchi is 47 years old. A Navy veteran of World War II, he received his Bachelor of Science Degree from Franklin and Marshall college, Lancaster, Pennsylvania. He has been associated with the firm of G.D. Searle & Co.—Pharmaceutical Researchers in Skokie for 25 years.

Mr. Bianchi is a member of the Parish of St. John Brebeuf; the North American Martyr's Knights of Columbus; Past President of the Formarty's Knights of Columbus; the Niles PTA and a booster of Boy Scout Troop 175.

On the Board of Education, Mr. Bianchi has served as President on the Board; as District #71's representative on the Niles Twp. Board of Special Education; the Finance Committee; as Chairman of the Hot Lunch Program; and at present is serving on the Teacher-Board Negotiating Committee.

Everyone is encouraged to vote on Saturday, April 8 between 12 noon and 7 p.m. at either 6935 Touhy ave. or 6921 Oakton st.

### Krok Seeks Library Trustee Post

It's FREE!

**QUESTION: BETTY, CAN I REALLY AVOID ALL THOSE ANNOYING MONTHLY SERVICE CHARGES?**

**BETTY:** Absolutely. In fact, you could avoid them completely... just by keeping as little as \$200 in your Free Checking Account here.

**QUESTION: BUT IS THAT TYPE OF CHECKING PLAN JUST AS GOOD AS THE KIND WITH THE SERVICE CHARGES?**

**BETTY:** Actually it's much better. You have all the advantages (no standing in long lines to pay bills, keeping better track of your money and having cancelled checks as legal receipts). And yet, with all those features, you still cut out those monthly service charges... which can often run as high as \$1.50, \$2.00 or even \$3.00.

**QUESTION: ISN'T THERE SOME LIMIT ON THE NUMBER OF CHECKS I CAN WRITE?**

**BETTY:** No limit whatsoever. With just \$200 in your account throughout the entire month, you can go ahead and write as many checks as you want and there's still no monthly service charge.

**QUESTION: WHAT HAPPENS IF MY ACCOUNT DROPS BELOW \$200 DURING THE MONTH?**

**BETTY:** It's still a bargain. A flat charge of

\$2 will be made for that month only. And you can still write as many checks as you like.

**QUESTION: IS THERE ANY CHARGE FOR MAKING DEPOSITS?**

**BETTY:** There's never a charge for making deposits... regardless of what your balance may be and no matter how many deposits you make to your account.

**QUESTION: WHAT ABOUT CHARGES FOR THE CHECKS THEMSELVES?**

**BETTY:** Your checks and checkbook of your choice are distinctively imprinted with your name and provided at cost. Your address may also be imprinted on your checks at no additional cost.

**QUESTION: SOUNDS GOOD, BETTY HOW DO I GET STARTED?**

**BETTY:** That's easy. Just fill out this coupon and forward to me at the bank. Better yet, give me a call at 824-2116 and I'll be glad to personally help you get your account opened.

**QUESTION: BETTY, YOU'RE A DEAR. HOW CAN I EVER THANK YOU?**

**BETTY:** You are thanking me and Golf Mill State Bank by opening your account with us. And we'll try to show our thanks by giving you FREE Checking Account Service. It's one more reason why Golf Mill State Bank is "A bank on the grow!"

Yes, I am interested in your FREE CHECKING ACCOUNT SERVICE.

## Money Saving Notice

Have you taken all the deductions for family health needs allowed you under Federal Income Tax law? Most people don't... simply because receipts get lost or misplaced and very few people know the wide variety of pharmacy items which are deductible.

**BUT NOW** our pharmacy has a free Tax Information Plan which could mean dollar savings at income tax time. Remember, a taxpayer whose medical expense deductions exceed one per cent of his income gets back 16 cents on every \$1.00 spent on health needs.

Our customers now receive a monthly and annual total of all tax deductible purchases. This very same information is important in substantiating expenses under a medical insurance program.

Most people remember that health supplies ordered by a physician qualify, but below there is a list of some of the thousands of products which are also deductible.

Remember, the Federal Government wants you to pay only what you actually owe... no more... no less. Use **TIP** for accuracy and to assure yourself of the maximum dollar benefit allowed by law.

**IF YOU ARE A TAXPAYER** you may be eligible to save 16% or more on hundreds of drug store items.

Our special service can help you do it.

On Tuesday, April 11, at 8 p.m. the Thomas A. Edison school PTA of Skokie School District 69 will have an Arts & Crafts Fair in their multipurpose room, 8200 Gross Point rd., Morton Grove. It will be open to the public.

The Arts & Crafts Exhibition will follow a short PTA business meeting at 7:30 p.m. at which time there will be the installation of officers and the awarding of special service awards.

There will be demonstrations of jewelry-making, china painting, bottle-cutting, decoupage, antiquing, paper toys, macrame and many, many more. Come and join us for new ideas on "How to Spend Your Leisure Time."

## Project '70 New World Center

Project '70, a group of high school students, has established a New World Center, at 6742 N. Kilpatrick, in Lincolnwood, to serve the Niles Township area.

This year Project '70, with its 65 student members from Niles high schools East, West, and North, specified goals of educating and involving the community in working toward developmental action programs, programs that would make constructive social changes. To make these goals a reality, Project '70 started the New World Center.

## Tennis Complex Approved

Robert A. Dwyer, Midwestern Regional Director of the Small Business Administration, today announced that the SBA has approved a \$1,350,000 lease guarantee which will permit the construction of an indoor tennis complex in north suburban Niles.

Involved is Tam O'Shanter Racquet Club, Inc., a corporation headed by Neil E. Stenhold Jr., 2201 Birch Lane, Park Ridge. Stenhold said the SBA action would permit construction to begin soon on the racquet club facility at 7847 N. Caldwell ave., Niles. He said the club expects to begin operations by mid-September.

According to Dwyer, the SBA has agreed to guarantee the

Club's lease of the Caldwell Avenue land for a 15-year period. "A lease guarantee," Dwyer said, "is an insurance policy issued to a businessman, guaranteeing to his landlord that rent payments will be made."

"Small businesses are often excluded from prime commercial space because they lack the Triple-A credit rating required by developers," Dwyer added. "Now, however, under a lease guarantee program made operable under the current administration, the SBA is able to help small businesses obtain leases in choice business locations."

Stenhold said plans call for the new club to have six indoor courts and a well-furnished clubhouse.

### Dist. 207 Changes Code for Physical Exams

Officials of the Maine Township High Schools are reminding parents of the advisability of making an early appointment with a physician for the physical examination required for all students planning to enter high school next Fall. A recent legislative amendment to the Illinois School Code allows the required physical to be made up to 6 months before entering school rather than immediately before entrance.

A second amendment passed by the 77th General Assembly adds rubella (German measles) to the list of communicable diseases against which immunizations are required. These immunizations now must be given to every child entering the fifth

and ninth grades. Previously, rubella immunizations were required only for entrance to kindergarten or first grade.

A vision screening test is now required as part of the student's physical examination. The legislative amendment to the School Code relating to this part of the examination states, "Vision screening tests may be given by a registered nurse or other qualified person. However, if such a test indicates any abnormality, the pupil shall be referred to a physician licensed to practice medicine in all of its branches specializing in diseases of the eye or to a licensed optometrist for a vision examination."

Physical examination blanks have been distributed by the Maine Township High Schools to incoming freshman students.

High school students - both boys and girls - who plan to participate in competitive (interscholastic) sports any time during the school year are reminded to have their physician mark their physical examination card appropriately.

### Maine East Debaters Win State Title

Two debaters, Neil Blumenfeld and Bob Feldhake who won eight straight matches to lead Maine East to the state title last Saturday are shown above with the trophy which they won. They defeated defending champ Evanston and both boys were named to the all-state team which consists of the ten best debaters in the state. Joe Passarella placed sixth in radio-speaking in his second time in competition.

### WMTH-FM Program Schedule

A revised program list has been released by WMTH, 88.5 FM the non-commercial, public service radio station of the Maine Township High Schools.

Highlighting the day are local news reports at 10:35 a.m. and 12:30 p.m. Also on the local scene are two Community Bulletin Board slots where local community projects are announced at 10:45 a.m. and 12:45 p.m. daily.

Interview features are heard daily on "Current Comment" at 11 a.m. Some of the programs are call-in as most are broadcast live. Announcements of guests for "Current Comment" are printed in this newspaper.

Music programs are big on the program listing of WMTH-FM. Music, news, and sports are featured on "Kaleidoscope" from 11:30 a.m. to 1 p.m. A Classical music program, "Great Composers - Great Music" is aired every Monday through Thursday at 1:05 till 2. Also on the WMTH FM music scene is "Curtain Call" at 2:05 each day, where a musical is featured for 55 minutes.

WMTH-FM music switches to the young scene at 3:05 with "Sounds From the Underground." Progressive rock is played daily until 4 p.m. Top 40 teen hits are heard at 4:05 until 4:50.

In all WMTH-FM is on the air from 10:30 to 5 p.m. daily. From 12 p.m. news is heard on the hour to keep WMTH listeners in turn with the happenings of the day.

Special programming includes coverage of Maine East, West, South and North sports games. This spring the baseball schedule will soon be announced. Also, WMTH-FM covers local elections as a news service to Maine Township.

Several observations are made in the program listing: "WMTH FM is the only radio station exclusively serving Maine Township." Also, "WMTH-FM was one of the first high school radio stations in the country."

Attention Niles Residents . . .

# YOU MAY BE ABLE TO USE THE NILES PUBLIC LIBRARY BUT SOME NILES RESIDENTS CAN'T!!

SIX AREAS PROPOSED FOR ANNEXATION

1. Dakton-Caldwell Area
2. Nelson School Area
3. Church St.-Washington Ave. Area
4. Washington-Harrison-Greenwood Area
5. Emerson-Greenwood-Golf Area
6. Maryhill-Parkside Dr. Area

Incongruous as it seems, some residents of the Village of Niles are not eligible to use the Niles Public Library. And here's why:

The Niles Public Library is a district library and only residents of the district may obtain resident library cards. At one time the boundaries of the Village of Niles and the Niles Library District were the same. But in recent years the Village of Niles has grown through annexation while the Niles Library District has remained as originally established. This means that some Niles residents do not reside within the current boundaries of the library district and are thus denied the privileges enjoyed by those that do.

But this can be rectified. The referendum on Tuesday, April 11, 1972, proposes that the library district be expanded to include those Village of Niles residents --- and some others in logical service areas --- now excluded. Your "Yes" vote can make it come true.

**AND REMEMBER!**

### Gestalt Concept Next on Series

"In the course of our upbringing we lose our naturalness but we can change that and learn to become responsible for ourselves and not have to depend on the rules we've been taught to follow."

This concept of Gestalt therapy will be discussed at the next lecture of a series on Human Potential co-sponsored by the Forest-Hospital Foundation and the Maine-Oakton-Niles Adult and Continuing Education Program (MONACEP). The program will be held in the auditorium of the Maine Township High School South, 1111 S. Dee rd., Park

Ridge, at 8 p.m. on Tuesday, April 11.

Richard Cook, M.D., president of the Gestalt Institute of Chicago will present "Now You Are Here -- Inside Outside, All Around You." This is a lecture-demonstration on Gestalt Therapy, the experiential approach to the behavior of people.

"I will demonstrate how a person can give free play to his own inventiveness and imagination," Dr. Cook explained. "I will also explain how I've found the rules I want to live by and how I have learned to be responsible for myself. The goal of growing to a

### Need Sidewalk Repairs?

The Village of Niles is again reminding residents that if they are in need of sidewalk repairs that the Village will share the cost on a 50/50 basis. Only a

point where you can stand on your own two feet is primary in gestalt."

Dr. Cook is a graduate of the University of Chicago medical school and has been in private practice for more than 20 years. He received his training in gestalt therapy from the late Fritz Perls and at the Gestalt Institute of Cleveland.

For further information call 696-3600.

A minimum of two squares are needed to participate in this program.

This opportunity is given you to not only beautify but to also make the sidewalk in front of your home new looking again.

Won't you take advantage of your share costing project by examining your sidewalk and if it needs repairs, please contact the Niles Public Works Department, 6948 W. Touhy ave., Niles, or call 647-8565.

**A Safe Bet: You Have Not Written Your Will**  
By Henry L. Ford  
Executive Vice President  
NILES SAVINGS

Have you written your will? If we were of a betting mind, a safe and profitable wager would be even money that your answer is no. An estimated two-thirds of American property owners die without making a will.

Yet making a will is as much a part of the thoughtful person's planning for the happiness and well-being of the family as is a sound savings and investment program for the children's education and old-age security.

A will is one of those things that we are absolutely going to get around to doing some time next week or month. No one of us believes there is any crashing hurry.

It is a tremendously important legal document. Essentially, it is an instrument that fixes the way you want your assets used after your death. It does three things: It directs who shall share in the estate, to what extent, and when. It makes provision for management until the time comes for distribution. And it designates who shall administer the estate.

Every time you and I hear the word *estate* we conjure up images of vast acreages with private driveways leading up to tree-hidden mansions. Or we think in terms of stocks and bonds and real estate so plentiful that the owner needs lawyers and accountants to keep in touch with his holdings.

Actually, \$5,000 worth of assets is an estate. If you don't

think so, glide around after you've sprouted wings and listen to the haggling that goes on about your estate among some of your dear cousins.

Right now, you would probably be surprised to know how much you are worth. This is something for you and your spouse to figure out some evening after the kids have been put to bed.

Even if the estate is modest, the will is still an important document. When funds are slim, it is vital to use them wisely. And don't think that joint ownership of all your assets is the complete answer to whether you as a couple should write your wills.

If your objection to drafting a will is a matter of cost, keep in mind that for most couples a pair of wills can be drawn by an attorney for a matter of \$25 or \$50. The more complicated they become, of course, the higher the cost—but, at the outside, we are talking of \$200 to \$350, with potential savings in such involved instances running into many thousands of dollars.

A will is a technical document that must be precisely drawn, executed, and witnessed. It requires the services of a competent lawyer.

Considering the red tape and costs that are involved in disposing of even the small estate of an individual who dies without one, a will is indispensable to thoughtful family planning and management.

### Judges Night April 12

April 12 will be the annual Judges Night for Northwest Suburban Bar Association, according to Raymond W. Edwards, president of the organization.

Forty-five area judges have been invited to join members of the NWSBA on Wednesday night for dinner, beginning with a social hour at 6:30 p.m., in the Elks Club, 495 Lee St., Des Plaines.

Lawrence C. Gabriele, attorney with McLennon, Sklodowski, Nelson & White, Assoc. in Park Ridge is chairman of the event. Reservations are being taken by the Bar Association's executive secretary, Judith C. Bush, 253-2562.

Among the guests to be honored are Judge John S. Boyle, Chief Judge of Cook County, Judge Robert Dumbo, Chief of the Probate Division, and Judge Joseph Butler, Chief of the Law Division, and the Presiding Judges of the nearby municipal districts are also expected to attend.

These include Eugene L. Wachowski of the First District in Chicago's Civic Center, Harold W. Sullivan of the Second District in Skokie, Anton A. Smigel of the Third District in Niles, Norman A. Korflist of District Four in Forest Park, and Irving W. Elserman of District Five in Oak Lawn. Judges Sullivan, Smigel and Elserman are honorary members of the NWSBA.

Fourteen Appellate, Circuit and Associate Judges who are also honorary members of the association have been invited to Judges Night, one of the highlights of the Northwest Suburban Bar Association's season, says Gabriele.

Following their Judges' Night dinner and program, Northwest Suburban Bar Association members will turn their attention to the annual observance of Law Day on May 1. Speakers from the organization are available to appear before area schools and clubs to explain the meaning of

the event, says Edward R. Conroy, Law Day chairman for the NWSBA.

Law Day is set aside May first each year by joint resolution of Congress and Presidential proclamation as a special day of celebration by the American people in appreciation of their liberties, and as an occasion for rededication to the ideals of equality and justice under law, Conroy states.

"The annual nationwide event is not a 'lawyers' day,' but rather

an occasion for honoring how the law and our legal system operates, and for examining how the law can better serve our people and nation," he adds. Conroy is vice president and trust officer of O'Hare International Bank.

The Northwest Suburban Bar Association is serving residents of all north and northwest suburbs who have legal problems or need legal advice through its Lawyer Referral Service. For information regarding this public service call 253-2562.

# LETTERS TO THE EDITOR

## Flynn Expresses Thanks

Dear Editor:  
I would like to take this opportunity to thank the Democratic, Independent and Republican voters of the 4th District for nominating me for State Senator. The honor you have bestowed upon me is awesome. You have placed me in the respected company of Dan Walker, Ab Mikva and Bob Mann. I pledge to you to live up to your expectations. Your trust will not be misplaced. All the newspapers of our District except those owned by my opponent were most kind in printing my statements on the issues. I sincerely thank all those publishers and editors of the 4th District who printed my materials. They truly understand the meaning of Freedom of the Press and Freedom of Speech.  
My opponent in the Democratic primary, Steven D. Corwin, proved to be an able opponent. He and those like him are the future and strength of the Democratic Party. Together we shall move forward to restore confidence in Illinois Government. A

confidence that is missing as evidenced by the voters of Illinois on March 21.  
I ask all those Democrats, Independents and Republicans who voted on March 21 to join with me in supporting the candidates of the Democratic Party. We all must go on together or surely we shall go nowhere individually.  
I thank Mayor Nicholas Blase and Congressman Abner Mikva for proving that the Democratic Party is truly the party of the people. I thank each and every precinct captain and volunteer worker who did so much for me. The hours, days, weeks and months will not be forgotten. I shall continue to speak out and write on the issues of importance to us all.  
It is a thankful Thomas Flynn who read that Governor Ogilvie will meet Dan Walker in open debate. I once again ask my opponent to meet me in open debate. I will meet him anywhere and anytime. The choice is his. If he is unwilling to meet me then I challenge Robert Juckett to de-

bate me. The time is now to meet the people.

Sincerely,  
Thomas Flynn  
Democratic Senatorial Candidate, 4th District

## Memco Lake

Dear Mr. Besser,  
Instant Memco Lake is back again and again and again. Last week they pumped it dry. This morning it looks as if the same thing is going to happen. Is this their solution to the problem? How were their parking lot specifications approved? The engineer must be an avid swimmer or Memco management must plan to have life guards on duty whenever heavy rains occur. Maybe they plan to lease it to the Park District as a wading pool. Can you find out what's the score? Niles does not need another eyesore!

## MNLL Auxiliary Party

A Las Vegas Night is being planned by the women's auxiliary of Maine-Northfield Little League to raise funds for a mobile refreshment stand.

A carnival atmosphere will prevail when the party is held Saturday, April 8, at the VFW Hall, 2067 Main Street, Plaines. Chairwoman of the party is Mrs. Ginger Wadipani of Glenview. Auxiliary officers and members assisting her in planning the evening are Mrs. Shirley Cooper, Mt. Prospect; Mrs. Joyce Jacobson, Glenview; Mrs. Kaye Schipacasse, Northbrook; Mrs. Rosemary McCarty, Des Plaines; Mrs.

Marge Nelson, Glenview; Mrs. McConnell, Glenview and Mrs. Carol Hall, Glenview.

The women have been collecting prizes and planning activities which they hope will help them to help the league. Most little leagues meet many of their expenses with the funds received at a refreshment stand. Maine-Northfield's Auxiliary does not have a permanent stand and has been limited in what it could do to assist the league financially.

The public is invited to the affair and tickets are available by calling 724-4166. Admission is \$2.50 per person.

## Winter-Field

Mr. and Mrs. LeRoy A. Winter of Niles, announce the engagement of their daughter, Carol Jean to Stephen John Field, son of Mr. and Mrs. Eugene Field of Glenview.

Miss Winter attended Maine East High school and received her A.A.S. Degree in Food Service from Harper college. She is presently employed as a food supervisor. Mr. Field attended Notre Dame High school and after serving 4 years in the Marine Corps, he is now employed as an insurance underwriter.

A June wedding is planned.

## Grand Prize Winner

Seven-year-old Christine Cosentino of 9055 Chester in Niles, should look happy — she is the grand prize winner in a national sweepstakes sponsored jointly by Kenner Products and Hotpoint.

As the winner, Christine won the Kenner Easy-Bake Oven she is holding, the Hotpoint Hallmark double-oven electric range next to her mother, and another item any child would envy — a \$250 shopping spree at the J.C. Penney store in Niles.

Looking on is Kenner Chicago district sales manager Bob Rosenbaum. The sweepstakes was initiated as part of Kenner's celebration of the sale of its 5 millionth Easy-Bake Oven, and Hotpoint's commemoration of the sale of its 6 millionth range.

As the retailer where Christine submitted her winning entry blank, the manager of the Penney's in Niles, Eldon Ray, also received a Hotpoint Hallmark range. He donated it to the Lutheran General hospital in Park Ridge, where it is being used in the psychiatric ward as an aid in rehabilitation therapy.

## YMCA Summer Day Camps

We're looking at you with a new face this year — NEW and IMPROVED. Yes, the Leaning Tower YMCA Day Camps have had a complete overhaul this year. New and improved program, staff and facilities. A few of our changes include an extra hour of camp each day (we'll be starting at 9 a.m. this year with no additional camp charge), all campers will be swimming at the Leaning Tower YMCA, and all campers will be located on one camp site near the "Y."

Tower Day Camp has always prided itself on its excellent quality of staff — but this year's staff will consist of only the finest counselors who come through strict interviewing and rigid training sessions. Emphasis this year is on training each counselor to know the characteristics, abilities, and interests of specific grade levels.

Program improvement has come about in many ways. For many months now, related "Y" staff has been researching specific areas of camp activities so we can be prepared to present to each camper excellent opportunities for fun, excitement and learning in each and every activity they participate in.

We know that within time, even the best needs to improve, and that's what we have done. In order to facilitate all the changes we have made this year, we have had to cut back on our camp enrollment. Places are limited. Early registration will guarantee you a place in the periods of your choice. Further information is available by calling 647-8222.

Some come with us this year — come see our new face!

## MNLL Parents Night

A calendar of events for Maine-Northfield Little League was mailed to all MNLL families this week and announced the second annual Parent's Night as the next major occasion.

The evening will be held Tuesday, April 11, at 8 p.m. in room 221 of Gemini Junior High School, Greenwood and Ballard, Niles. The agenda calls for a brief session during which all officers, board members, field officials, committee chairmen and auxiliary officers will be introduced to the membership, will outline their responsibilities and will be available to answer questions.

Last year, an overflow crowd attended the session and many points were clarified before the season started, making it much more understandable and enjoyable for all. The officers are hoping for another large attendance this year.

David R. Carlson

Navy Airman David R. Carlson, son of Mr. and Mrs. Roy F. Carlson of 8101 Parkside ave., Morton Grove, is a member of Patrol Squadron 26, based at the Naval Air Station, Brunswick, Maine is battling the winter, the sea and the "enemy" in exercise "Snowy Beach" being conducted off the Maine coast.

The operation, involving some 30 ships and 15,000 men, includes exercises in anti-submarine warfare, mine warfare and close air support as well as a moderate scale amphibious assault on Maine's Reid State Park.

"Snowy Beach" is the first Atlantic Fleet exercise held for several years to test the Fleet's capability to operate under adverse winter weather conditions.

## MG Coin Club Show April 30

The annual Spring Coin Festival of the Morton Grove Coin Club will be held from 10 a.m. to 6 p.m. Sunday, April 30, at the Leaning Tower YMCA, 6300 W. Touhy, Niles.

The show will have a 25-table bourse section and exhibits of United States and foreign coins, for which prizes will be awarded.

It will also feature a "coin origin and evaluation booth," where the public can bring U.S. or foreign coins to be identified and to have their value estimated.

The "coin origin and evaluation booth" first tried at last year's show, was so successful that it was decided to offer the service again. It will be manned by club members using the latest coin reference books.

Out-of-town visitors to the show may also want to see and tour the world's only replica of the Leaning Tower of Pisa, which adjoins the YMCA building. Completed in 1933, the tower has attracted visitors from all over the world and is a faithful reproduction of its European counterpart.

## Film Tour of Sweden

Nel Douglas, international traveler, film producer and lecturer, will present in person his "visualventure" portrayal of "Sweden" at the coming Maine East Community Lecture. Beginning at 8 p.m. Wednesday, April 12, the program will be held in the auditorium of Maine Township High School East, Dempster and Potter, Park Ridge.

The travel films are part of the Maine-Oakton-Niles Adult and Continuing Education Program.

## Variety Club Celebrity Ball

Film star Forrest Tucker was the celebrity guest seated at the table of Bene Stein, general manager (l), and Mort Fink, owner of Golf Mill Theaters 1 & 2, at the 5th annual Variety Club Celebrity Ball, Friday, March 24, at the Guild hall, Ambassador West. The glamorous dinner-dance, the swingiest gala of the Chicago Social Season, will raise close to \$10,000 for Little City's mentally retarded children at Palatine, Illinois.

## Sponsors Needed

Morton Grove Little League is looking for sponsors for its 14 Pony League teams which consist of boys 13 thru 15.

All games are played on the 2 hardball diamonds in Harrier Park from May until Aug. 1.

The name of the team will carry the sponsor's name and all publicity in the papers will carry the sponsor's name. The sponsor name and address or telephone number will be on the back of the uniform and the sponsor of the winning team will receive a trophy. The deadline is April 16. The fee is \$200 per team. We also will have one team in Lincolnwood Big League of boys 16 thru 18, and that fee is \$350.

If interested please call President Joe Schmidt 965-0739 after 6.

## Coin Show

The next Chicago Coin Bourse will be held at the Leaning Tower YMCA, 6300 W. Touhy, on Sunday, April 9 from 10 a.m. to 6 p.m. All coin collectors are invited to attend.

### 'Naughty Marietta'

Niles Cultural and Museum Center moving ahead, just one year ago the Woman's club of Niles, a member of the 10th District I.F.W.C., spearheaded a drive to build a museum and cultural center. They raised monies by sponsoring the great operetta-musical "The Merry Widow" in 1971 which was done by local talent and professional name players. It was directed by the famed Gloria Lind of many show talents. This year the great play "Naughty Marietta" will appear on April 7 and 8, 8 p.m. to be held at the Niles West High school on Oakton ave., Niles. Again the play-musical by Victor Herbert will be directed by Gloria Lind. This year the sponsor for the "Naughty Marietta" will be the Woman's club of Niles and the Niles Cultural and Historical Society. Tickets for the evening benefit will be \$3, student tickets will be \$1.50.

### 'It's Academic'

Maine East recently participated in tapings of the NBC television show, "It's Academic." These tapings will be broadcast on television Saturday, April 8, and Saturday, April 22, at 4:30 p.m. on channel 5. "It's Academic" is a weekly show in which each of three Chicagoland schools is represented by a panel of three students that compete in a contest of knowledge. The first four times Maine East won the first contest while losing the second. Last year Maine East won twice before falling the semi-finals. Dave Brown added, "As a result of our performance, the school received \$125 in United States Savings Bonds. We received a \$100 savings bond for our victory and a \$25 bond for competing in the second show."

Miss Simmons selected the "It's Academic" team members through an audition at the NBC television studios with 150 oral questions given to all who tried out. The contestants were required to answer questions quickly and sharply. ### THE CORNERS of Where it's at and What's happening...

Does culture ignore you? Want to be a 'vulture for culture?' For 15 bucks a year you can become a member of Chicago's Art Institute. When among snooty friends at social gatherings you can casually impart this fact. It's a better status symbol than owning a 'Picasso!'... and much cheaper. Recently attended Milt Cully's, "Authentic Antique Auction," at the Red Gavel in Des Plaines. You know what antique bargains are, don't you? ANTIQUE BARGAINS: "Some old junk you cannot use at a price you cannot resist." Attended another auction last week because I read an ad headlined: "Antique Stripper to Demonstrate Wares at Store" I was disenchanted, it turned out a former antique dealer discovered a foolproof way for quickly stripping polish, wax, paint, shellac or discolorations from furniture. And I thought it might be the venerable Sally Rand. Saw a 'sleeper' at the Des Plaines theatre this week. It's called "Snow Job." It should be up for an Oscar... you can still catch it tonight and I'm not giving you one.

Bought a three foot stuffed colorful rabbit at the SUGAR BOWL in Des Plaines. What a dazzling display of Easter goodies they had. Candies, colorful Easter baskets and stuffed animals. Be sure to get Mom something from the SUGAR BOWL for next "Mother's Day." Incidentally, both Ernie and Phil of Sugar Bowl fame told me they received an excellent "pull" from the ad they ran in BUGLE NEWSPAPERS. (They could tell by the many checks they received from Niles and Morton Grove — plus the new faces.) See! Advertising isn't 85% baloney and 15% commission! Gave the three foot rabbit to my 86 year old mother who's in a wheel chair at the GROSS POINT MANOR HOME in Niles. She was overjoyed. My mother's name is Alice. When she was 10, her father gave her a book called, "Alice in Wonderland," the Carroll classic. She loved it and read it a thousand times. And she's getting more like the little 'girl' Alice with each passing day. I still have her cherished book. I shall never part with it.

After that bit of bitter-sweet nostalgia I wanted to be alone. But alone amid an atmosphere of quiet elegance. An atmosphere that could ignite the tiny sparks of creativity into a blazing flame. I found such a place. A place whose walls are adorned with the excellent paintings of S. McCaslin, an artist of talent. And a place whose decor is that of quiet elegance. For ALIPIO'S RESTAURANT, 6474 Milwaukee ave. is such a place. I thoroughly enjoyed my delicious Easter Dinner of roast leg of lamb, green mint and a glass of ruby-red wine. I talked to Reno and his mother, both very gracious people, studied the excellent paintings and took my leave on that Easter Day in the Spring of '72.

And speaking of Easter — there is still another next Sunday. Many, many of my fine Greek friends will be saying to each other "CHRISTOS ANESTE!" Or Christ has risen. So "Christos Aneste to you and yours, my friends." Later and somewhat lighter of heart I dropped into ARVEY'S RESTAURANT, 7041 Oakton st., Niles. I had a taste for some of that delicious and artistic Greek pastry they serve. I plan to go there on Wednesday night which I understand is Grecian Night. And two shoe artists I know who do something about "fitting" you right when you need shoes are Louie and Joe Capozzoli of the SQUARE DEAL SHOE STORE, 1516 Miner st., Des Plaines. Why all the waitresses, policemen and mailmen — and most everyone from all over the area buy their shoes at SQUARE DEAL. Need I say more?

Once I heard a woman keep demanding that the clerk show her more and more shoes. When the clerk left to find her more shoes I asked her why she did this? "Why?" She retorted to me, "If I don't see everything, how do I know what I don't want?" I asked my rich, rich, widow friend, "What's a secret, Dottie?" She shrugged her sexy shoulders. "A secret, Dottie, is anything a woman doesn't know." Still later, I dropped into the LONE TREE, 7710 Milwaukee ave., for a nightcap. Nancy Taylor (Cricketer) and her husband came in. They bought me a drink and I asked "Cricketer" to sing a few numbers with Tom Davito. She did — and brought the house down — for she's quite a "thrush." P.S. See you later alligator and you too, Barbars...

children, though I'm sure teachers will contend their effectiveness is less. But the bigger question is, "How do we stem this continuing tide of higher costs resulting in higher deficits and prevent a second teacher cut-back next year?"

Since the school districts belong to the residents it would seem some citizen action, comparable to groups which work on behalf of referendums, should begin to work with the schools in studying these problems. There's little doubt another referendum will loom up again and it's very possible that voters will knock it down again.

In other school districts around the country, cut-backs in athletic, band and other extra-curricular programs have forced residents into supporting referendums. But such a scarce tactic here would at best be only a temporary measure, with the problem rising again in the immediate years.

No problem is insurmountable. But allowing it to become larger will only make the correction more difficult.

Now is the time to actively come to the aid of your schools.

3) The muscle study. This is important in youth as well as in adults. In youth, the muscle study of the eye can give us insight into how normally the eye is developing. In elderly citizens it is very important because now we can see how much of a senile change is occurring to the muscles. The proper way to develop strength in muscles is thru a visual training program. Many times people are misled as to the true value of an eye test by just simply getting their eyes measured for glasses which, in reality, is only one-third of a

## R. Warren Burns Elected Auditor of Four Banks

R. Warren Burns has been officially elected Head Auditor of four banks, according to Robert A. Sharpe, president of the banks. The four Illinois banks are First National Bank of Mundelein, Golf Mill State Bank, Grayslake National Bank and Libertyville National Bank.  
Burns succeeds Anthony Palusis, former Auditor, who recently retired (as of Jan. 1, 1972). Palusis served as Auditor for the four banks since 1960 and was assisted by Burns, who joined the banking group in May, 1968 as Assistant Auditor.  
Burns is a graduate of Libertyville High school, attended Wisconsin State college and majored in business there. He had previously served with the Wauconda National Bank as officer in charge of loans, operations and auditing from 1965 to 1968.  
Burns lives in Libertyville with his wife, Judy, and two daughters. He is presently serving as Finance Chairman of the Northwest District, Boy Scouts of America and is active in the Grace Lutheran church, Libertyville.

## Moore Named to Frigidaire Dealer Council

appointment has been made by Robert W. Fincher, general sales manager at the company headquarters in Dayton, Ohio. Ten other leading dealers from across the nation make up the membership of the council.  
In announcing the new council, Mr. Fincher said that the special activity is designed to improve communications between the company and its national dealer organization.  
The first meeting of the group was held recently at Las Vegas, Nev., in conjunction with a national sales meeting conducted by the company. Other meetings of the council will be scheduled periodically throughout the year. Membership is for one year.  
Townhouse TV & Appliances, a Frigidaire dealership, was franchised in 1959 with Moore as president. Annual volume is in excess of \$1.5 million. The company has a fleet of 12 delivery and service vehicles and sales and service facilities cover more than 15,000 square feet.

## Washington School Boasts Basketball Champs

A successful basketball season at Washington School, East Maine School District #63, was highlighted with an Awards Night and Father and Son Basketball game, held on March 28. Fathers of the boys on the team at Washington learned how good their sons were when they dragged their old gym shoes out of the closet and played an exciting game with their sons. The final score was Dads: 50, Sons: 52. The teams, over a three year period, coached by Perry Johnson, Physical Education teacher, have an outstanding record which can be compared with Thorntide High school, Illinois State High School Champions. The Washington teams have won 57 consecutive games. Receiving first place patches

as champions of the 6th grade basketball team in District #63 were the following boys: Dennis Fuller, Brian McAvoy, Bruce Keller, Steve Chase, Steve Danielak, James Downum, Scott Toriumi, and Tom Plassios. Receiving second place ribbons in the School District awards were: Larry Bezrouch, Marc Hibnick, Mark Fliske, Mike Greenfield, Jon Kamerman, Skip Lombardo, John Lopiccio, Mark Hoster, and Tim Kelley. In addition to being school champs within their school district, the following boys were league and tournament champions in the Glenview Park District. Receiving individual trophies and league tournament trophies from the Glenview Park District were: Mike Greenfield, Jon Kamerman,

Bruce Keller, Steve Chase, Steve Danielak, Mark Hoster, Scott Toriumi, and Tom Plassios. Second place individual trophies were given by the Glenview Park District Basketball League to: Larry Bezrouch, Dennis Fuller, Marc Hibnick, Brian McAvoy, Mark Fliske, Skip Lombardo, John Lopiccio, James Downum, and Tim Kelley. Coach Perry Johnson received the "Coach of the Year" award from the Glenview Park District. Steve Danielak, father of Steve, received a trophy as "Coach of the Championship Team." Ed Godecki, 6th grade teacher, was presented a basketball keychain for his services as referee. Congratulations are in order for all these fine sportsmen.

## Gemini Award Winners

The annual Gemini school, East Maine School District #63, Science and Math Fair, held March 15, was a colossal success. The event was sponsored by the Gemini PTA and the students entered projects in the following categories: Mathematics, Chemistry, Physics, Electricity, Botany, Zoology, Earth Science, Behavioral Science, Technology, and Model Making. Students of Gemini school had vigorously and enthusiastically been active in developing their Science and Mathematics projects for the highlighted event of the year. 275 entries were submitted by 487 student participants. Their projects were on display in the cafeteria. Donal Huebner, Principal, presented ribbon and certificate awards to all the participants. There were 18 first award ribbons, 27 second award ribbons, 58 third award ribbons, and the remainder of students received fourth award certificates. The first place winners and their projects are: Mike France - Photography and Dark Room
