Salad Bar Luncheon

The United Presbyterian Women's Association of Niles Community Church, 7401 Oakton st., is holding their annual Salad Bar Luncheon at the church on Tuesday, May 9, at noon.

Carolyn Stein Stillman, actress, reviewer and teacher, will present her interpretation of a one hour play entitled, "Roast Beef Medium", based on Edna Ferber character named

Emma McChesney, staged in costume. John Reich, Director of the Goodman Theatre, says of Mrs. Stillman: "Mrs. Stillman is a professionally trained performer giving a skillful rendition of well chosen material." Admission will be by reservation only and baby sitting service will be available. Contact the church office at 967-6921 for reservations.

What's New in the Arts & Crafts?

Once every decade or so, an art or craft is introduced that takes the entire country by storm. This doesn't happen very often because the majority of different arts and crafts generally appeal only to a particular sex or age group, has a limited use and doesn't provide enough of a challenge to the participant.

Well, the newest entry, three dimensional pictures, sometimes referred to as Paper Tole' or Vue d' Optique is the new intriguing art of Depth and Contour. Anyone from the age of 8 to 80 can learn the basics in 30-60 minutes. The subject matter is unlimited, the potential is infinite and the cost is nil.

Many gift situations that heretofore presented a problem, are now eliminated. Therapy for youngsters, something creative to do for the senior citizens, convalescents and shut-ins have found Paper Tole' to be an optimum in creativity. In fact, what the medical profession would say "aspirin is to the headache," we believe that "paper tole' is to tensions and anxiety."

Three dimensional pictures are accomplished by taking three or more copies of the same print, cutting and sculpturing or shaping certain parts, and then elevating these cut-out pieces in various degrees to give the illusion of depth and contour in a three dimensional setting.

Once a person has completed their first Paper Tole' picture, they will find that their own ideas as to how they want their pictures to look will come quickly. It will always be a work of art, "a one of a kind" original. This new form of art is so simple, yet, so intriguing, that the only drawback seems to be that one can easily become "addicted."

The "MOST EXCITING" CRAFT to sweep the ARTS & CRAFT category this CENTURY - - -

- * The finished pictures retail from \$25 - \$100.
- * A gift for someone who will cherish it for years.
- * Simple printed instructions are supplied with each set of pictures.

- * Anyone from the age of 8 to 80 can do it.
- * This craft provides excellent therapy for shut-ins and convalescents.
- * Makes excellent resale item for fund raising.

THREE DIMENSIONAL PICTURES

Sometimes referred to as PAPER TOLE' or VUE d' OPTIQUE

Several simple bits of instruction and anyone, yes, anyone can do a three dimensional picture which they will be most proud to display anywhere.

Many of the gift departments in your better stores have been selling these pictures at anywhere from \$25 - \$100. Not only can you make them for a fraction of this price, but more important is the FUN and RELAXATION achieved in doing one yourself. Every member of the family can enjoy this craft.

For those who desire it, a single two hour lesson is available on MON. or THURS. evening from 7 - 9 P.M.

A special lesson can be arranged for any organization or group at their convenience. Call 965-6661 for full information.

Jerusalem Lutheran School

The Second Grade Class of Jerusalem Lutheran School, 6218 Capulina ave., Morton Grove, on April 11 at 10 a.m., launched a balloon filled with helium with a note attached. They were very thrilled upon receiving a letter a few days later that the balloon had landed and had been found in Indiana. Mrs. Julius Raska of LaPorte, Indiana, reported finding the balloon torn in shreds with the note still in tact by her patio door. She found it about 3 p.m. on the same day the school children released it.

Last week the children were excited to receive from Mrs. Raska a newspaper clipping in which their story had been written. Now they are busily writing letters to Mrs. Raska to thank her for her help in their experiment.

If anyone reading this some day finds a balloon with an attached note, it may be ours. Would you please write to us, too?

Adas Shalom

A guest speaker will conduct 8:15 p.m. services Friday in Congregation Adas Shalom, 6945 W. Dempster, Morton Grove.

Sunday school children of members and non-members has begun for September classes. For further information, call Abby Moline at 966-9542.

A Lox Box will be sponsored by the congregation May 17. For details, call 965-3435.

Congregation Adas Shalom is a modern traditional synagogue. To receive the monthly bulletin, "Hakol," call 966-4139.

OLR Spaghetti Dinner Sunday

Our Lady of Ransom Church will hold its annual spaghetti dinner from 1:30 p.m. Sunday, May 7, in the school hall, 8300 N. Greenwood ave., Niles.

The proceeds from the fundraising dinner will be used to purchase theater props for the Kaleidoscope '72 show which will be held in the Fall. The spaghetti dinner may be purchased at the door. The public is invited.

Niles Community Church

"A Suffering God" will be the theme (based on the Apostles Creed) of the monthly Communion services at the Niles Community church (United Presbyterian), 7401 Oakton st., on Sunday, May 7, 9:30 and 11 a.m. Care for toddlers through 2-year-olds will be provided during both services. Church school classes for 4-year-olds through eighth graders will be held at 9:30 a.m., and for 3-year-olds through eighth graders at 11 a.m. The Inquirers Group for high school students and adults will meet at 9:30 a.m.

That evening, at 7 p.m., the Junior High Fellowship group will go on a miniature golf outing.

Church activities during the week of May 8 will include: Monday, 7 p.m. - Boy Scout Troop 62; Tuesday, 12 p.m. - Women's Association Salad Bar and Program; Wednesday, 7 p.m. - "drop-in" for high school students; Thursday, 7 p.m. - Junior Choir rehearsal, 8:10 p.m. - Senior Choir rehearsal.

St. Luke's Church

Rev. John P. Jewell, Jr. will speak on the topic "Getting On Top of Depression" at the 11 a.m. service of worship on Sunday, May 7 at St. Luke's United Church of Christ, Morton Grove. Child care is available and Sunday school is held during the same hour.

At the final meeting of our "K" or Kolonea groups, 25 people held a celebration of their covenant. For three months these people have been in discussion and study of their individual and church renewal. These "K" groups are not ending, but building toward renewal in our church. The Church Council will meet Monday evening, May 8 at 8 p.m. at the church.

YMCA Open House

In commemoration of "Exceptional Children's Week" - Sunday May 7 to Saturday May 13 - the Leaning Tower YMCA, 6300 W. Touhy ave., Niles will hold an Open House for individuals interested or associated with Physical Fitness for the Learning Disabled, Mentally Retarded and Physically Handicapped Child.

You are invited to visit the Conqueror's Gym and Swim Physical Fitness Classes for the Handicapped.

Open House Schedule: Tuesday, May 9 - 2-3:15 p.m., Pre-schoolers (all handicaps); 3:30-5:15 p.m., Perceptually Handicapped (6 yrs. and up).

Thursday, May 11 - 3:30-5:15 p.m., Perceptually Handicapped (6 yrs. and up); 7-8 p.m., Swimming (all ages & handicaps).

Friday, May 12 - 2-3:15 p.m. Pre-schoolers (all handicaps); 3:30-5 p.m., Mentally Retarded and Physically Handicapped.

Classes will demonstrate how a physical activity gym and swim program can aid the child who has a learning disability or other handicap.

Under the volunteer leadership of Ray Newman (gym) and Hillard "Mike" Michalek (pool), the Leaning Tower YMCA is one of the few organizations that conducts gym and swim classes for the Handicapped Child.

Taxpayers' Protest Rally Saturday

A Maine Township Taxpayers' Protest Rally, called to object to Home Rule provisions of the State Constitution that allow unlimited taxation by governmental bodies without approval by the persons being taxed, will be held at 2 p.m. Saturday, May 6, at Geminal school in Niles.

The rally is co-sponsored by the Taxpayers Protest Committee of Cook County, Inc., seven local homeowner associations and the Consolidated Homeowners Association, an organization of representatives from area homeowner groups.

Spokesmen for rally sponsors, Hal Schwartz of the Consolidated

Homeowners Association and Richard Hechler, heading the Taxpayers Protest Committee, noted that the rally has not been called to specifically protest the automobile sticker tax for the unincorporated area.

"This is merely an example of what lies ahead for us if some controls are not placed upon the Home Rule portion of the Constitution. We soon may be faced with many other dreamed-up taxes imposed by the county and individual municipalities," Schwartz said. "And we won't have any say as to whether these taxes should be imposed. All we will be able to do is sit back and

take it - until election time. "As for the automobile sticker tax for the unincorporated area, we feel this tax is unconstitutional in that money will be raised exclusively from one area but be applied to who-knows-what anywhere in the county.

"But this rally of from 300 to 500 persons will serve a better purpose than merely to let off some steam. We have invited each of our legislators, township committeemen and even Governor Ogilvie to speak briefly at the rally and tell us what they plan to do about the unfair provisions of Home Rule."

On Saturday, May 13, a high school entry test for course placement, the Differential Aptitude Test, will be given to those students who have not previously taken the test and who plan to enter one of the four Maine high schools this fall as freshmen. The testing center will be at Maine North high school, 9511

Harrison st., Des Plaines, in the unincorporated area between Golf and Central Roads, just east of the Tri-State Tollway. The test will be administered from 7:45 a.m. to 12:15 p.m.

Students should report to the main entrance at Maine North, bringing with them two previously sharpened No. 2 lead

pencils with erasers. All other test materials will be furnished at the school. Parents desiring further information may call the Maine North school, 298-5500, and ask for the Guidance Center. Test results will be made available from the high school the student plans to attend.

Students should make prior arrangements regarding transportation to and from the testing center. Parents are asked to discharge and pick up the students at the main entrance of Maine North.

Students Science Awards

Three First Place and 3 Second Place were achieved by Our Lady of Ransom students at the annual Science Exposition sponsored by the Illinois Junior Academy of Science at the International Amphitheatre in Chicago on March 25. Over 700 projects were in competition from 100 Catholic schools.

Among the first place winners were Laura Vincolese and Gertrude Ganz for their project in Biochemistry entitled: The Effect of Shampoo on Hair; David Stavropoulos for his project in Electronics entitled: The Effect of Grid Leak Resistance on Oscillator Plate Current, Grid Current, and R.F. Output; and John DeChaud and Ramond Grymski for their project in Physics entitled: The Suspension of Metallic Objects by the Control of Magnetic Fields. These first place winners will now enter their

projects in the State Science Fair at Urbana, Illinois in May where they will compete on a state-wide basis.

Second place winners were Terry Killips and Pat Marcy for their project in Behavioral Sciences, The Hidden Persuaders; Fred Rickert for his project in Physics: Heat Conductivity of Various Metals; and Gerlame Reding and Cathy Campbell for their project in Zoology: The Influence of Diets on Trout.

Centel Cites 1971 as 'Year of Growth'

For the stockholders of Central Telephone & Utilities Corporation, 1971 was a year of growth. Highlight of the year was the installation on Sept. 23, 1971, of the Centel System's one million telephone or double the number served on Feb. 28, 1963. Growth for 1972 is estimated at over 73,000 telephones.

Net income for Centel stockholders for 1971 was \$25.9 million, as compared with \$23.3 million for 1970, an increase of \$2.5 million or 10.8%. Primary earnings per share increased from \$1.43 for 1970 to \$1.56 for 1971 or 9.1%. Dividends paid per share totaled 90¢ for 1971. Common stock traded on the New York Stock Exchange during 1971 totaled 2.6 million shares compared to 1.8 million traded in 1970. Operating revenues reached a new high of \$237.1 million, up \$25.5 million, or 12.1% over 1970. Net operating income increased to \$48.7 million, up \$6.1 million or 14.3% over 1970.

Sources of operating revenues for 1971 were 70% from telephone service; 16.3% from electric service; 13.5% from sale of natural gas and 2% from water sales.

Centel's 1971 construction expenditures totaled \$130 million. The System's 1972 budget is estimated at \$133 million, with approximately \$124 million earmarked for telephone construction. At the close of 1971 Direct Distance Dialing was available to 91% of the System's 1,019,404

telephone stations, and it is estimated that DDD will be available to 98% of Centel's telephones at the close of 1972. Assets of Central Telephone & Utilities Corporation at the end of 1971 totaled \$743.6 million. CTU owns and operates telephone systems in parts of 10 states, including Illinois, Wisconsin, Minnesota, Iowa, Missouri, Virginia, North Carolina, Florida, Kansas and Nevada. It has natural gas systems in South Dakota and Nebraska.

All students who enter any one of the Maine high schools as freshmen are required to take an entry test for course placement. The majority of 8th grade students who plan to attend Maine next fall took the test when it was given in January. The May 13 test is a make-up test given for students who may have missed the testing date in January or who have recently moved into the district.

The test battery measures aptitudes of verbal reasoning, numerical ability, abstract reasoning, space relations, mechanical reasoning, clerical speed and accuracy, and language usage. It is helpful to the student and counseling staff in making decisions regarding course selection and placement. It is used only as one of the criteria, along with the student's past performance and the judgments of former teachers in deciding on the program of studies to be taken in high school.

Semi-Pro Football Coming to Niles

Semi-professional football is coming to Niles in 1972. The Niles Bears, winners of Chicago's Semi-Professional Football League in 6 of the last 9 years, have recently completed plans to move their franchise to Niles.

"We're calling the team the Niles Bears," explained Tom Quinn, president of the club, and arrangements have already been made to play our home games at Notre Dame High School of Niles.

The Bears will play in the Bears place and play in the tough Chicago Football League, competing against such formidable teams as the Berwyn Bears, the Northlake Lions and the Mt. Carmel Bulls.

"We think we'll bring alot of excitement to the Niles area," Quinn said. "We have a nucleus of about 20 players from the former champion Bears, and hope to improve the team by attracting local talent to our roster."

A Spring player-meeting and meet-work-out has been scheduled for 11 a.m. Sunday, May 7, at the Notre Dame High School practice field.

All men interested in playing for the Bears are invited to attend. Quinn continued, "We're planning to hold formal try-outs in August, but would like to get to know who's interested as early as possible."

Quinn concluded by saying that semi-professional football will add a new dimension and prestige to Niles, and the entire Northwest suburban area. It will also provide entertainment for fans who can't get tickets to the Chicago Bears games, but, most importantly, it will give some good athletes the opportunity to continue playing football. "Some pretty tough football."

Emerson Eagles Undeclared for 2nd Year

Undeclared Emerson Junior High Eagles 8th grade basketball team chalks up a 14 and 0 record. It was the second year in a row, tying the 7th and 8th grade team a total 28 game perfect record. Posing with sign are front row team: Greg Cannon, Mark Lannon, Jay Baum, captain; Scott Bergeren, second row: Carl Sorenson, manager; Eddie Smigiel, Mike Tietz, Mark DeLuca, Third row: Dave Walker, Tom Miller, Gaydon Brandt, William Chapek, coach; Bill Gersten, Bob Pullano, and Rick Barrera, manager.

For two years in a row an Emerson Junior High school basketball team, Niles, has been undefeated chalks up a 28 and 0 record. The Emerson eighth grade squad repeated the 14 and 0 perfect record it compiled as seventh graders last year.

William Chapek coached the Emerson Eagles to both undefeated seasons after 13 years as a teacher and coach at Lincoln Junior High, 200 S. Lincoln, Park Ridge. During his years at Lincoln, he coached a team that was undefeated for one year.

Emerson Eagles receiving trophies for their outstanding season were: the starting five - Mark DeLuca, Bob Pullano, Bill Gersten, Mike Tietz, Jay Baum; team captain and Scott Bergeren; Mark Lannon, Greg Cannon, Eddie Smigiel, Dave Walker, Gaydon Brandt, and Tom Miller; Carl Sorenson and Rick Barrera were team managers.

Members of last year's undefeated seventh grade team were: DeLuca, Pullano, Gersten, Tietz,

Baum, Lannon, Cannon, Brandt, Smigiel, Walker, Sorenson, Mike Wagerly, Jeff Collins, Bob Sullivan and Ken Hunter.

Emerson's eighth grade Eagles almost did not get the opportunity to prove or disprove their ability to go two seasons undefeated. In an economy move School District #4 officials canceled the basketball program at the two District Junior high schools after defeat of an educational fund bond referendum. But parents of students at Emerson and Lincoln and other interested citizens raised \$2,000 toward the \$3,500 cost of underwriting the program.

Gate receipts accounted for the \$900 balance. Chapek and Michael McCormick, who coached Emerson's seventh graders this year, were ferred by the players and parents at the Sweda House in Morton Grove. Each was presented with a jacket. The players from both teams were awarded trophies inscribed with Emerson Varsity Basketball. The cheerleaders were also honored. Final game of the year for the eighth graders was a cliff-hanger with the lead changing hands many times and the Emerson Eagles finally triumphing over Chippewa Junior High of Des Plaines, 44 to 40.

The Eagles were trailing Chippewa 38 to 36 with less than two minutes left in their final game for that 28 and 0 record. Baum made a basket to tie the score, and DeLuca, who led the Eagles with 20 points, sank two free throws to put the Eagles ahead 40 to 38. Tietz added another free throw with 55 seconds remaining. With 28 seconds left Chippewa scored making it 41 to 40. DeLuca scored another free throw bogging Emerson's slim lead to 42 to 40 with only 15 seconds to go.

Then Pullano, who tallied 15 points, stole the ball and scored making it 44 to 40. And he stole the ball again just before the final buzzer sounded, Smigiel and Baum cut down the nets as souvenirs, and the jubilant Eagles dinked Chapek, dressed in street clothes, in the shower.

Emerson cheerleaders, directed by Linda Flannes, were Georgia Becker, Valerie Pearce, Cindy Davito, Pat Davito, Gloria Holt, Kathy Phillips, Linda Van Puymbroek, and Robin Steiner. Parents and interested residents hope to repeat the fundraising to keep the basketball program a live or to re-institute the cozier \$11,000 intra-mural program, at least in a modified form.

The King and I

Laura Stevens, Skokie, and Gayle Pinch, Chicago, are seen here in a dramatic moment in the Rodgers and Hammerstein's musical "The King and I". The local teenagers will play feature roles when the Repertory Company of the Tom Thumb Players will present the popular musical for eight performances in the theatre, 2323 Devon Avenue. The show is scheduled for weekends beginning Saturday, May 6 through Sunday, May 28. Producer-director is Lester Netzkof of Lincolnwood.

Northwest Symphony Holding Auditions

The Northwest Symphony Orchestra will hold auditions for instrumental soloists for the 1972-73 season in Des Plaines on May 13. Anyone interested in auditioning should please contact Mrs. Peter Fox at 299-1696 for audition time scheduling, location and/or further information. In the past the orchestra has often used community soloists with considerable success and

thus encourages as many performers as possible to audition. This Fall the Northwest Symphony will begin its 21st concert season under the able leadership of Perry Crafton, who has not only been its music director for the past twenty years, but is also one of its founders. Mr. Crafton and the orchestra rehearse every Wednesday evening from September to May and present four concerts annually.

Luau Planned by MG Legion

Presently tickets are available only for members of the Morton Grove American Legion Post #134 last "fling" of the season; a Polynesian Hawaiian Luau, The Holiday dance will take place Saturday, May 6.

As is the custom, ticket donations are available for the general public after the local Legion's members have the opportunity to purchase them. Ticket donation is \$22.00 per couple.

It will be a "package" evening including everything: cocktails and other liquid refreshments both before and after dinner, a Hawaiian buffet meal, two full hula dancer shows by Pearl's of the Pacific and dance music to be furnished by Prince Poki's Band. Favors will also be presented to all in attendance.

Chairman is Legion First Junior Vice Commander Tony La Rosa who heads the Fun Makers Committee and is concluding a most successful year of fund-fund making events.

Spring Drama Classes at Mill Run

The Mill Run Theater in Niles is offering an eight-week drama class session, starting on Saturday, May 6. The plans-to-be may now register for beginning, intermediate and advanced classes.

According to Harry Lee Rogers, Producer-Director-Choreographer of Tiffany Productions at the Mill Run, these sessions are open to anyone from ages 8 to 80 and are scheduled to be held on Saturday mornings. For more information, call 298-2333.

Choir Concert

The Niles college Choir and Symphony Orchestra are presenting Ludwig van Beethoven's "Missa Solemnis in D" — for four voices, chorus and orchestra.

The performance, conducted by Rev. Stanley Rudick, will be held at Holy Name Cathedral, located at 730 N. Wabash ave., on May 7, at 8 p.m.

Admission will be \$3; tickets are available through the mail or at the door. For more information please call 631-1017 or 647-8028.

80 STEPS TO JONAH

Best Show Buy In The Area

The other day a shabbily dressed middle-aged woman walked into an area bank. She politely said to a V.P., "I'd like to open a joint account with someone who has lots of money."

Perhaps she understood today's definition of cash. For cash today is the poor man's credit card. And remember, hard cash is the softest thing to fall back on.

Or as the man said, "I can't afford it — all my money is tied up in cash."

Don't believe a fool and his money are soon parted — he's invited please!

I remember when you could get a lot more for ten cents — today, dimes have changed.

But money isn't everything — it isn't too plentiful, for instance.

Particularly if a man is married. For a man who doesn't know where his money goes obviously is married.

But then too, single men discover that money doesn't grow on spruces.

But even if money did grow on trees, some people wouldn't shake a limb to get it.

One place where money buys a lot, in these days of inflation, for food and lodging amid pleasant historic surroundings is ED ROBERTS COLONIAL HOTEL, 9101 Waukegan rd., Morton Grove. The site of Ed Roberts hotel was once called Battle Hill. Indians, in war paint and tomahawk in hand, once watched for the "white eyes" — for this is one of the highest spots within miles around.

Yes, at this old Colonial Homestead the very roof over your head is held in place by huge oaken beams and tough wooden pegs. The walls are as thick as those in a fort. They don't build strength into buildings like this anymore. But don't worry it'll last for at least another 150 years.

Ed Roberts has added to the strength and character of this old historic homestead all the modern comforts such as: TV, soft, restful mattresses, tiled colorful bathrooms; in fact all the "pampering" our modern society demands but which those ancient Indians who once roamed the grounds would have scorned.

Overnighters, weeklies, or permanent residents will be AMAZED at the low rates offered in this spacious, gracious historic place called ED ROBERTS COLONIAL HOTEL. (I just moved in as a permanent resident — so I must believe my own copy, right?)

If you're budgeting your money — why live below your yearnings. JAKE'S RESTAURANT, 7740 Milwaukee ave., Niles offers quality food specials at prices lower than you can, in many instances, prepare your own meals for. Just check the "specials" in Jake's ad that appears in the BUELE NEWSPAPERS.

Want your money to put some glamour and gayety into your life? Before or after the show at the MILL RUN PLAYHOUSE dine like a king (Alan was there last week) at the DOLPHIN RESTAURANT AND MINNOW LOUNGE. Evan and John Archos, your hosts will see that you have an enchanting evening.

When money talks it's never interrupted. You won't want to be interrupted when you're eating the speciality of the house, spaghetti or pizza, at RIGGIO'S RESTAURANT, 7530 Oakton, Niles. For it's so delicious you just can't put your fork down.

Robert Redford and George Segal swipe a \$100,000 diamond in "HOT ROCK" showing at the GOLF MILL THEATRE (2) in Niles. But after seeing this "terrific thriller" you'll wonder if it was worth it. It does prove, however, one way to jingle coins in your pocket is to shake your leg.

Once there was a bandit who stuck a gun in a movie cashier's face and growled, "The movie was lousy — gimme everybody's money back!"

Money has no repeat value — you can only use it once. But one place where you'll repeat, and repeat again is TIJUANA TACO, 7830 Milwaukee ave., Niles. This is where you can "get the best Taco's money — I mean — pesos can buy."

Facilities for large or small groups — parties, banquets, etc. can be made to fit your money budget at the LONE TREE, 7710 Milwaukee ave., Niles. And this is where I heard from Tony, the bartender, about a semi-pro football team coming to Niles. The team will be called the "Niles Saints" and the "Saints may come marching home" with the title even though they're playing in the tough Chicagoland Football League. There's a story about it in this issue . . . read it! See yuh next week . . . Nice to have heard from me again.

From the LEFT HAND

Continued from Page 1

One of the girls in the office brought this to my attention when she said she'll move out before she'll endure the ever-increasing traffic jams.

Since I've been a young boy I've been going to the Indiana-Michigan area during the summer-time. But recently, I've been going there many week-ends during the March-April period. Obviously, it's running away to a much more peaceful area where the pace of living is toned down.

What's missing at the village hall in Niles is a basic philosophy of just what kind of community is desired.

Why is there a need to make the town larger? And why is there a need to have more and more shopping in a town which already has more stores and services than it needs? Increased business means more revenue which requires more police, fire and public works services which means more revenue must be provided for these services. More police and firemen means more vehicles which means more revenue. And more people require still more village workers, and more village vehicles, again requiring the need for more revenue. It becomes an endless cycle. It takes more businesses and people which provide more revenue for more services needed for the businesses and the people.

We've always chided Park Ridge in particular for its refusal to move forward with its neigh-

bors. But with Niles new invasion of stores, a contemplated 40-60 store center at Milwaukee and Golf, a similar announced center for Oakton and Milwaukee, another center on the golf course on Golf rd, west of Milwaukee, the MEMCO center at Milwaukee and Dempster and the Treasure Island complex on the old Vinci property in the Golf-estate neighbor may have the right idea in controlling their community.

At breakfast Tuesday we heard one Nilesite announce he intended moving out of the village when his children are grown. I'm sure he speaks for many residents who will have spent a generation here raising their children. And if his feelings for "moving out" represents many residents' views, than Niles is doing something wrong in expanding at the expense of losing its old timers.

We're sure those quieter communities have lifetime residents, whose children also become lifetime residents in their communities. It's highly unlikely this will happen in Niles. It's becoming more of a swinging gate community, where it trades newer, more transient residents, for the departing older residents.

Perhaps this movement is a sign of the times. And perhaps it's due to our not sitting down and asking ourselves just what kind of a community we'd like this one to be.

Fire Station

Continued from MG P.1

Chief Norman Glauner of the Police Dept. said he and Fire Chief Hildebrandt attended a very informative conference on radio-aided materials. He noted that in eight years the need for electricity would be doubled and these materials would be needed.

Atty. John Nordberg read two ordinances, one making Church-ill st. and Merrill a 4-way stop and one designating the alley one-half block long at Austin and Marmora westbound a one-way.

The board approved both ordinances. Fred McClory said on May 20 at 1 p.m. the Morton Grove and Niles Youth Commissions would hold a Dog Show in the Jewel Parking Lot and Dempster and Harlem. He urged all board members to attend. McClory also read a request from the National Cystic Fibrosis foundation to conduct a door-to-door campaign for funds here on Sept. 10-17. The trustees approved the request.

Mayor Bode stated that if anyone lives near the alley that is vacated and they wish to have the request the better for all concerned. If those involved in the controversy at Mansfield and Menard had done so sooner all the present problems could have been avoided. David Cohen reported the 1971 real estate taxes as \$13,570.16. He also told the board he attended the meeting of the Lerner Communications concerning Cable TV. Mr. Cohen then told the trustees they had all received copies of the ordinance.

Mental Health Benefit

The Maine Township Mental Health Association held their first annual benefit on Sunday, April 23 at Mill Run Playhouse. Almost 500 people enjoyed the performance of Alan King and Lena Horne, and the anticipated funds raised is about \$1,500.

The drawing held in conjunction with the benefit had 6 lucky winners; Michael B. Piever won a weekend for two at the O'Hare Inn; John Kowalski a weekend for two at the Regency-Hyatt House; Kathy Franchi, a Panasonic portable TV; Howard W. Gutfanson a \$50 U.S. Savings Bond; and Dawn Minor a \$25 U.S. Savings Bond.

The Maine Township Mental Health Clinic, located at 1032 Lee st., Des Plaines, is the recipient of the benefit money. The clinic, which served all of the residents of Maine Township, is partially supported by state funds, contributions from organizations and individuals, and nominal patient fees. The funds from the Benefit will be used to defray expenses at the clinic.

emergency calls. The outside boxes, similar to the fire and police emergency boxes now in operation, would be available all year-round, and would be used for emergency use. Rental would cost \$531 per year and installation would cost \$24 for the three boxes.

A third aid in the Grennan Heights area is to increase the lighting. Neighbor complaints reduced some light there in the past but the need for more light for safety factors versus the nuisance caused by the lighting will receive further study.

In other actions John Schuster was hired for \$11,500 as manager of the Ballard Sports Complex. He will manage the swimming pool as well as all activities at the center including the new roller skating program.

At the May 16 meeting of the new superintendent of recreation will be announced. Two candidates, one from New Jersey and the second from Ohio are the candidates chosen from more than 100 in still other actions commissioners deferred any action to build an office at Grennan Hts. where the stadium is now located. Other improvements are needed and the limited budget restricts the expenditure.

Director Dressler will get quotes for parking lot improvements at Ballard Park to be used when funds become available.

A \$1,200 stipend is allotted for project equipment for Kirk Land and Betty-Chester Parks. Comm. Leske announced \$572,000 of tax monies will be available for this year, an increase of \$14,000 over the past year. The valuation of the park dist. increased from \$183,000,000 to \$189,790,486.

Okayed the purchase of \$2,500 for roller skates to be used during the spring - summer - fall months at Ballard. A 75¢ daily fee will be charged for the recreation for residents.

Okayed the purchase of 5-gang lawn mower for \$2,140, a back-stop for Washington Tr. Park for \$1,000 and a pick-up truck for \$2,353 from White and Cronen.

Former Disc Jockey Dex Carr proposed renting the Sports Complex for 12 Thursdays during the summer for live music programs for teens. Final decisions will be reached at the May 15 meeting. Carr would bring music groups into Niles and charge from \$2.50 to \$3.50 for sessions. He said an average of about 1,400 people can be expected and he

would hire police and teachers to chaperone affairs. He would pay \$200 rental for each performance.

Softball league now has 8 teams and 7 more local teams plus teenage team is seeking to join summer program. Lack of fields has hindered enlarging the league although a Buesse suggestion for Sunday play may alleviate the field shortage.

Flynn's Metro Transit Bill

Thomas Flynn, the Democratic Senatorial Candidate in the 4th District, yesterday congratulated Representative Schlickman for having the foresight and vision to introduce the Thomas Flynn Northeastern Illinois Metropolitan Transit District Bill in the Illinois House of Representatives. Mr. Flynn stated, "A wise and old Sage once said that imitation is the most sincere form of flattery. Politicians have been following this advice for centuries. Back on Jan. 26 of this year I proposed that a creation of a six county transportation system built around the existing CTA, all commuter railroads and suburban bus lines. My proposal was printed in the Skokie Life, Skokie News, Niles Eagle, Niles Review, Paddock Papers, Reminder Publications and Pioneer Press. Mr. Schlickman must not only have read the story he must have studied it in the time honored fashion of a Sage or at least a scholar. He must have liked it so much that he couldn't resist the opportunity to make it a law because he introduced the concept in the Illinois House, I am most grateful that there is at least one Republican Legislator in the 4th District who recognizes a good idea even if it came from a Democrat."

Mr. Flynn concluded his remarks by offering to supply the Republicans with additional proposals for the people if they will agree to offer them as laws. He stated that they could write him at his home for the proposals or simply see him in the Illinois Senate in January 1973. He added he would be sitting with the Senate majority on the Democratic side.

LETTERS to EDITOR

Open Letter to Niles Residents

Concerned Citizens of Niles

"Bad men are elected to office only because Good men do not take the time or trouble to vote". Author Unknown.

It has been a long time surfacing, the results of the recent primary election gives positive evidence in some cases that the Power of the people's vote is being recognized by the People and the People are asserting themselves by voting for, in their opinion, the best man ... The Champion of the People ... The Independent.

What is an Independent? I find them to be real people like your parents, your friends, your neighbors or yourselves. Generally, they are available in all sizes, shapes, sexes, colors, young, middleaged and senior citizens. Since Independent Candidates are exact reflections of yourselves they mirror the same wants and desires you hope for and need for your community, your family and your children.

Contrast the foregoing capsule definition of hope for good government to the machine Politicians whose main objectives are to perpetuate themselves in office at all costs, regardless of fairness, justice or concern for the individual whether they be man, woman or child, I ask the question that means the most to all of us; what kind of government do we have in Niles; one that represents the people or a Perpetual Motion Political Machine that represents itself and a

chosen few???

I was very pleasantly pleased recently when I heard that our generally silent Village Fathers suggested that the people of Niles be permitted (Permitted mind you) to maybe be allowed to vote on a referendum concerning the acceptance or rejection of low cost housing.

I had suggested during my campaign that the referendum approach be used in all cases of major importance and interest to the Taxpayers. Was this clearly another case of dangling the "Carrot" in front of the voter prior to an election? I rather doubt that our "Current" Village Officials will put public housing to a test vote. Could it be that maybe someone is afraid of admitting the terrible truth, that as long as "Planned Unit Development" is legal in Niles there is no way in my opinion to keep out low cost housing, if that is your preference.

The immediate revocation of the "Planned Unit Development" philosophy would be the solution, but it also would present an unacceptable situation for Landowners, associates and financial supporters of the already planned future constructions of more and more and more Niles in the Village of Niles.

As time goes on it appears to me that the term "Planned Unit Development" favors and was devised for the sole purpose and benefit of the outside building developers, and their favored friends with the taxpayer's picking up the tab for reduction of real estate values, higher taxes for schools and Village services, unbearable traffic congestion and lastly, the personal inconveniences we must suffer as individuals.

Where will it all end, Who can tell? But a good place to start is at the ballot box.

Don't Question Religion, Check Qualifications

Dear Mr. Besser:

Regarding your Left Hand column of April 13, I thank you for finally coming out with a column like this one. We all know why Abe Selman lost the Niles Park District Election. We all know that he was highly qualified, and he did indeed put many hours into the park meetings and being in the accounting field he has the experience and know-how of how to handle and budget money and I am sure that he would have been a great asset to the park board. He felt very badly to see how poorly the park district is spending our money. He tried to go back to his meetings, but got so thoroughly disgusted with their ways that he gave up once more.

Yes, Mr. Besser, we all know that our name and our heritage were against us. However, ask these same people who voted against Abe, if they ask their

doctor, dentist, lawyer, car dealer, home builder, etc., if they question the religion of these people before going to them, I personally know of several people who use Jewish Doctors and Dentists in the neighborhood. What about when one needs emergency care at our local hospital, do they question the religion of the doctor before they will allow the emergency aid to be administered. It is odd to think that religion plays such an important part when it comes to our village and the spending of money, your money and my money fellow taxpayer.

Perhaps next time you won't question the religion when it comes to the village and the public will vote for the most qualified man who will do the job right.

Sincerely,
Mrs. Abe Selman

Walk For Development Sunday, May 7

An expected 70,000 people will participate in the North Suburban Walk for Development on Sunday, May 7. Registration for the walkers will be in the parking lot of Niles North High School beginning at 6:30 and the hike will begin after opening ceremonies at 8.

To register for the Walk, you should go to the table bearing the first letter of your last name. The "registration copy" of the walk card will be torn off and "your copy" is the part of the walk card that you keep and is stamped along the route.

If you drive to the start of the Walk, park only in the north side of Old Orchard Shopping Center, because the stores there will be open the day of the Walk.

Opening ceremonies will include entertainment by a local rock group, and U. S. Congressman Amer Mikva and people from the American Freedom From Hunger Foundation will attend.

The proceeds are divided three ways: 42.5% goes to domestic projects, 42.5% to international projects, and 15% to the national

Walk sponsor, the American Freedom From Hunger Foundation. The ten projects being funded are: Self Help Action Inc., Committee of United People, Day Care Crisis Council of the Chicago area, Chicago Welfare Rights Organization, Cornucopia, Federation of Appalachian Mountain Effort, International Rescue Committee; Bangladesh and India, International Institute of Rural Reconstruction, Binder-Schwitzer Foundation, and Helfer Project Inc.

It is advisable to wear light colored clothes for easy visibility at night, and a hat to avoid sunburn or sun stroke. Sun tan lotion should also be carried along.

Some food will be available at checkpoints, but you should bring some sandwiches and fruit along with you.

Along the Walk route, you should obey the police, Walk marshals, and traffic regulations. There will be Walk vehicles labeled "toe trucks" that will take you back to Niles North if you can't complete the route. To assist the organizers of the Walk resident that live along the Walk route are urged to set up food and drink booths for the walkers. Also leaving out garbage cans for clean up and water hoses to provide water for the walkers will be appreciated.

Checkpoints are set up at two to four mile intervals along the path of the hike. Volunteers from the surrounding neighborhoods can help at any one of these checkpoints on the day of the Walk. People would help stamp walk cards and pass out food to the walkers.

Two trucks that drive the route and return tired walkers to Niles North can register at Niles North for any part of the day. As you near the end of the route, it will relieve the pressure at Niles North if you call for your rides before you finish walking. Most people complete the route between 3 and 10. To call for a ride when you reach Niles North, where will be a "message center" set up. You write down a phone number and one line message and contribute a dime to cover the expense of the call, and a checkpoint worker will make your call.

After the Walk, money should be collected as soon as possible and sent in the envelopes provided at registration. Money should be sent to the Bank of Lincolnwood, 4433 Touhy, Lincolnwood, 60046. All contributions are tax deductible if paid by check.

The Walk still needs medical supplies, sandwiches, and drink mixes donated. If you have any supplies or services to offer to the Walk, or desire any further information, call the Project '70 Walk office at 679-6355.

Maine Township Mental Health Clinic

Dr. Baranowski holds a staff briefing session with (from L) Janelt Ruthhart, social service director; Bill Hall, business

manager; and Dr. Louise Tumarkin, psychiatrist.

Two hundred came to dinner. Mayors, police chiefs, state legislators, educators. And there were other VIP's from Des Plaines, Park Ridge, Niles, Glenview and Morton Grove. Their presence in a banquet hall last month meant the Maine Township Mental Health Clinic had come a long way since its humble beginnings in 1966.

The dinner was to raise funds, not to maintain a one-time budget of \$5,000 which a handful of civic leaders kicked in, but to support a \$206,000 budget this year. Treating a few child patients six years ago was a lot less costly to the clinic than taking care of the 700 children and adults who last year walked through its doors at 1032 Lee St. in Des Plaines.

The clinic's 11-man staff and its 18-member board of directors made it abundantly clear to their guests that night that the clinic was deep into its mission. Which was to treat the emotionally disturbed among the township's 160,000 residents. Would anyone question the need for such a clinic when there were already 17 mental health-related agencies here which last year, according to the agencies' records, treated 4,744 people with serious emotional problems? Well, if so, someone was always ready to quote more than one mental health authority who had estimated that three out of every 100 Maine residents should be seeing a psychologist or psychiatrist.

Staff and directors would say it premature to call their small, seven-room clinic a success. There still remain new programs to shift into high gear, the dream of a Mayo-like clinic to realize and — far more important — the reaching out to those three in every hundred who need help.

With an average of 23 patients coming in daily, mental health could be a big business for the clinic if it charged the actual cost of \$26 an hour rather than the \$6 it receives from the typical patient who has just spent an hour with a psychiatrist, psychologist, or social worker.

Township residents pay what they can, and the huge operating deficit is made up by state funding (the lion's share), and the \$5 and \$100 checks which come from individuals and service organizations.

hosted by Gus Allgauer in Chicagoland. The new Fireside will be the most elegant restaurant in the Mid-West; according to Gus Allgauer. No expense will be spared to give the diners the most beautiful settings and greatest service together with the finest cuisine available anywhere; said Gus.

New Allgauer on Villa Venice Property

The new Allgauer's Fireside Restaurant is a 30,000 square foot contemporary structure of masonry and solar bronze glass on 7.3 acres located on Milwaukee ave. just east of River rd. near Northbrook on the former Villa Venice property. The atrium effect will bring the surrounding Forest Preserves into the dining area.

The three level main dining room will have a 26 foot Cathedral ceiling and seat 300 diners. The cocktail-show lounge, which will seat 225, is also on a multi-level. With banquet facilities for 700 guests, the new Fireside will have a capacity of over 1,200 diners. There will also be outside garden facilities, utilizing the beautiful wooded landscaping, where the winding Des Plaines River borders 2/5ths of the property. A 40 foot chimney will have 16,000 bricks. There will be parking for 425 cars.

Many thousands of Chicagoans still remember the old Fireside at Lincoln and Touhy aves. in Lincolnwood as well as the many other fine restaurants

hosted by Gus Allgauer in Chicagoland. The new Fireside will be the most elegant restaurant in the Mid-West; according to Gus Allgauer. No expense will be spared to give the diners the most beautiful settings and greatest service together with the finest cuisine available anywhere; said Gus.

Gus Allgauer started in the restaurant business in Chicago in 1934. Some of the other restaurants he had besides the old Fireside are the Villa Modern, in Highland Park, the Old Heidelberg on Randolph st., Downtown; and Allgauer on Ridge.

The opening for the new Fireside is planned for November of this year, and the Allgauer's (besides Gus there is his wife Kathie, and their son Frank) have already accepted reservations for banquets and wedding receptions in December as well as throughout 1973.

The Allgauer's will of course continue to operate their restaurant and banquet facilities in the O'Hare-Concord Motor Inn, at Mannheim rd. and Higgins, in Rosemont.

Maine East Hosts State Relays Meets

This Friday, May 5, Maine East will host the 12th annual Maine East Relays which is undoubtedly the strongest outdoor relay field assembled in Illinois. In the 12-school field are such track powers as Bloom and Glenbard East, which are both undefeated to date. Evanston, State Champions of the past two years; LaGrange, Proviso West, and Oak Park are other strong entries.

Standout individuals performing in the field events will be Stanek of Proviso West who has high jumped 6'9" this year. In

the Pole Vault, McGrath of LaGrange has leaped over 23' and Jines of Bloom 22.4". Leuder of Bloom has also thrown the Shot 57'7-3/4".

Outstanding individual performers in the running events will include Glenbard East's hurdler, Hanlon, and Bloom's Wyckoff, both of whom have bettered :15 seconds in the High Hurdles. Jones of Evanston, defending State Champion in the 100 (at :09.5) and the 220 will anchor Evanston's 880 Relay Team.

Glenbard East has a best time of 1:29.9 in the 880 relay, and Bloom a 3:24.2 Mile Relay time. The super-field in the 2-mile Relay with Bloom, Oak Park, LaGrange, Proviso West, and Maine East almost assure breaking of this record.

Golf-Maine

TENNIS

The park district will offer a Spring and summer tennis program.

The Spring program is geared toward the slightly experienced player. This refresher course will meet Saturdays from 10:30-12 beginning May 6. The program lasts 6 weeks and offered to those in 5th grade to adults. The cost for the program is \$4.

The summer programs will be on two levels, beginner and refresher. The course will be offered to those in 3rd grade to adults and features 16 hours of instruction over the 8 week period.

Registration is still open for all baseball programs. The baseball season opens June 19.

Two "Promotional Nights" for baseball will be held in May at Nathanson school. A guest speaker will give a short talk and show a brief film. Warren Crayson, Baseball Supervisor will discuss league rules and organization. The public is invited to attend. Coffee and refreshments will be served.

MOTHER'S DAY SUNDAY, MAY 14

Maine East Art Festival

Ecology sets the theme for the sixth annual Maine East Art Festival on May 20-21.

In previous years Maine East has had many themes, which have been incorporated into the tradition of fashion shows, artsales, and displays of jewelry and crafts made by Maine East art department students.

This year, in keeping with the ecology theme, there will be displays and sales of flowers and plants. This will be a first and will help bring out the May 20-21 Spring feeling.

The flower clubs of Niles, Des Plaines, Park Ridge, and Morton Grove have been invited to participate in the Art Festival, and they will each have their own displays.

In addition, many organizations outside of the local flower clubs, are donating pots, plants and flowers for sale.

And there will naturally be the fine foods of the International Cafe, managed by foreign language department students, to tempt visitors to the Art Festival.

J.T.S. Honors Cast Volunteers

On Saturday evening May 6, the Jefferson Theatrical Society will hold its yearly cast dinner. This year, however, is special for this group of men and women who volunteer their varied talents and services. It marks the 10th year that the J.T.S. has put on their original productions for the enjoyment and benefit of others.

In the 10 years since its first production, the group has had 22 productions and more than 166 performances.

At the dinner on May 6, the J.T.S. will be honoring its 5 and 10 year veterans with trophies. The 5 year members who are to receive awards are Herb Liebsch and Jerry Waters. The 10 year awards will go to Veda and Charlie Kaufmann, Cell Keats, Chester and Phyllis Peterson, Elmer Stiff, Art Ennis, Marion Johaneck, and Marilyn Miller.

Wood Carving Exhibit

From May 1 through May 20, Marlon Zwierszowski, 7626 N. Osceola ave., Niles, will have a showing of his woodcarvings, mainly coin replicas, at the Niles Public Library, Oakton and Waukegan, Niles. This exhibit is open to the public.
