10¢ PER COPY VOL. 15 NO. 50 THE BUGLE, THURSDAY, JUNE 1, 1972

OK RECORD $5,174,580 NILES BUDGET

At its May 23 meeting Niles village board okayed a record $5,174,580 appropriation for the upcoming fiscal year, increasing by 10% last year's "record" $4,662,653 budget.

The Budget has almost doubled since 1967 when it totaled $2,655,420. In '68-'69 it went to $3,032,246, then to $3,853,563, in '70-'71 $4,229,802 and last year $4,662,653.

Village Manager Ken Scheel, who annually makes a very professional presentation of the budget, noted payroll increases will average 5.5% for the '72-'73 year. Other added expenses include: holiday pay for policemen and firemen for the first time; the addition of 3 new firemen in the Fall; a new tape recorder for the fire department, similar to the recorder owned by the police department; improvement of the parking lot around the administration building, and the reservoir which includes additional parking lights; 4 trucks for the Public Works Department, which replace presently owned trucks.

Noting what he termed a "taxpayers revolt," Scheel told all department heads it indicates all waste must be eliminated from the budget which requires fiscal responsibility from all departments.

While admitting Niles is a rich village, deriving much revenue from sales tax returns, Scheel noted Niles has only 174 employees, which is one employee for every 186 people residing here. While not identifying the neighboring villages he showed figures which showed these villages varying in employee-population rations from 1 to 50 residents to 1 to 185 residents.

Scheel said there would be a slight property tax decrease in village taxes, a likely reduction of only a dollar or two, and then broke down the major sources of village revenue which is:

Sales tax 37.6%	$1,795,000
Water Sales 21.7	1,036,000
Utility Tax 9.1	435,000
Property Tax 8.1	386,100

The manager next broke down the disbursements:

GENERAL CORPORATE FUND	
Executive & Legislative Dept.	$ 20,170
Administration Dept.	119,708
Judicial Dept.	33,775
Finance Dept.	272,570

First O' The Month Meanderings .....

Niles trustees were rightfully concerned about the planned rock concerts scheduled for 12 weekly performances at the Ballard Sports Complex.

The park board gave the okay to former disc jockey Dex Card to run the program. He has successfully had similar concerts in Peoria, and proposed the Ballard location would be an excellent location for such a program here.

The park district will receive $200 for the use of the rink area, and also will receive 15% of the net profit. The entrance fee will range from $2.50 and up and bands imported into Niles may receive as high as $4,000 for the one performance. Card assured the park board he'll provide adequate security for the programs, pointing to his successful Peoria operation, as proof he can successfully do the job.

Niles officials are shook up by the thought up to 2,500 teens will attend the concerts. In addition to the security problem at the concert itself, attendant traffic problems, and the invasion of a couple of thousand teens from outside the community, may impose problems which they believe may prove burdensome.

While no one has the prescience to look into the future, Niles village officials said they will make a judgment after viewing the first concert.

District 64 Referendum Vote Monday

School District 64 Board of Education will hold a referendum Monday, June 5 and will ask for a 29¢ increase in an effort to ease a $1.3 million dollar deficit in the district's educational fund. Residents of Niles who live in School District 64 will be voting at Field School, Franklin School and Thomas Jefferson School. Polls will be open from 12 noon to 10 p.m.

Senior Citizens Homestead Forms Mailed

Eligible senior citizens of suburban Cook County should be receiving their application forms for property tax exemptions under the Homstead exemption law sometime this week. The forms should be completed and signed by the applicant and returned to Cook County Assessor P. J. Cullerton's office either in person or by mail.

The exemption law provides for a reduction of $1,500 in assessments (after equalization by the state multiplier factor) for persons 65 years old or older who own single-family houses, condominiums and cooperative apartments.

The exemption, Cullerton estimated, would mean an average reduction of $115 in property tax bills for the senior citizens. Cullerton has also established a Homestead Exemption Department in his office. Information may be obtained by telephoning 321-6151.

Niles Lions Club Officers

Embarking on the twentieth year of service, the Niles Lions club recently installed its new officers for the forthcoming year. The officers include:

President - Anthony Hubick; First Vice Pres. - Dominick Lo Verde; Second Vice Pres. - William Angus; Third Vice Pres. - James Matousek; Secretary - Vito Cappiello; Treasurer - Walter Zinn; Lion Tamer - Joseph Kaderabek; Tail Twister - Dennis Hill.

Incoming President Tony Hubick announced a dynamic program which promises to make next year one of the most challenging in the club's history. Mr. Hubick envisions the coming year as a year of service to our community emphasizing local community projects.

Past President William Wetendorf characterized last year as one of the most eventful in the short history of the club. "Our Lions club successfully weathered many unfavorable developments and turned in a strong performance with substantial achievements and progress in the area of sight preservation and participation in local community projects."

Further, Mr. Wetendorf stated that a club's financial performance, although important, is not the sole measure of its accomplishments in any given year. "The Niles Lions club gave over $4,000 to blind activities programs and community projects last year."

In summary, all of the members of the Niles Lions club wish to show their appreciation and thanks to the generous friends and neighbors living in Niles for the help and support which made this past year a real success for the club and the keystone of Lionism - "We Serve."

Golf Mill Junior Art Fair

Tom Burns, 211 Knowland, Glenview, winner of the Golf Mill Junior Art Fair in 1971, shows Judy Sokol, Golf-Mill Promotional Director, some of the paintings which made him last year's winner.

Burns, along with 100 teenaged artists will display his paintings June 3 along the Golf-Mill malls. This year's fair offers $175 in merchandise prizes, as well as the opportunity for young artists to sell their works.

Although only 16, Burns has had his oils displayed at the Chicago Civic Center and the Glenview Public Library.

Niles Art Guild

The Niles Art Guild is presenting John and Janet Kempster-Butler, who are visiting the U.S. and showing their hobby of brass rubbings, at their regular meeting on Wednesday, June 7, at 8 p.m. in the Niles Recreation Center, 7877 Milwaukee ave., Niles.

John, born and educated in England and Janet, a native American, have spoken before many organizations abroad. Both have studied under Dr. Perry, antiquarian of the Royal Pavilion in Brighton.

They are members of the Monumental Brass Society, a national organization in England devoted to the study and preservation of brasses. Having done much research and rubbings particularly in Sussex and Kent counties where the finest brasses in the world are found, they are very enthusiastic publicists of this graphic expression.

Guests are welcome and refreshments will be served.

MG Library Summer Reading Program

The Morton Grove Public Library is planning to have two summer reading programs for the children in the community from June 15 through Aug. 19. The theme is "Treasure Hunt." Children are welcome to search for treasures in the ocean of books.

For children from grades 3 through 8, an oral book report program is planned. They may report on whatever books they may have read in the summer from the library collection to the library staff. In order to earn their certificates, they are required to report on 10 books.

For children who have completed kindergarten through second grade, a program featuring stories, films and book talks is planned. Five meetings will be held at the library. The inclusive days are June 21, July 5, and 19, Aug. 2 and 16. Two sessions will be held on each of the above meeting dates; 10 a.m. and 2 p.m. Children may choose on session at the time of registration. In addition to attending meetings at the library, they are to make a list of books they have read to bring with them to the meetings. To earn their certificates, they are required to attend at least two meetings.

Registration for both programs will begin June 1 in the Children's Room of the library. A special film program will be presented to children on Saturday, Aug. 19 at 10 a.m. Certificates will be awarded to children who have completed the program.

In cooperation with the Morton Grove Park District, a preschool story program is planned. Four story sessions will be held on Monday mornings from 10:30 a.m. to 11:15 a.m. in Oketo Park. The dates are June 19, 26, July 10 and 17. No registration is required. Books will be available to be checked out at the park after story time.

Circus Club Officers

Maine East's newly elected Circus club officers for the upcoming school year are president, Steve Jurczak of Niles; vice-president, Bonnie Gallagher of Morton Grove; and secretary, Jan Benson of Niles.

Circus club has been active for 3 years at Maine East, and sponsor Betty Axelson explains, "People join circus to get together and do stunts on equipment without the stiff competition from the gymnastics team itself."

The club members recently performed for grade schools within the district with such acts as the Spanish web, balance beam, free exercise, and the ever-popular clowns.

Niles Firefighter Exams

It was announced by the Fire and Police Commission that anyone interested in becoming a Niles firefighter will have his chance June 10, when an examination for that position will be held at 8 a.m. at the Notre Dame High school, 7655 W. Dempster st., Niles. Applications can be obtained at Fire Department headquarters, 8360 W. Dempster st.

An applicant must be an American citizen, between the ages of 21 and 34, and meet specific physical and mental requirements. At the time of the exam, residence in Niles is not required but will be after being appointed to the Fire Department.

The Niles Fire Department consists of 45 full time members and operates out of two stations. The Department boasts a Class 3 fire protection rating, a distinction shared by only a few other municipalities in Illinois.

Firefighters presently work the customary 56-hour week, 24 hours on duty and 48 hours off. There are liberal vacation benefits in addition to a full pension after 20 years of active service, as well as excellent hospitalization and life insurance coverages.

If there are any questions, Fire Chief Albert L. Hoelbl may be contacted at 827-2124 between the hours of 8 a.m. and 5 p.m.

MG Chamber Members Get Info on Security

The annual meeting of the Morton Grove Chamber of Commerce, held at Avon Products, Inc., on Wednesday evening, May 24, featured a program on security presented by Captain Larry Schey and Detective Thomas Schultz of the Morton Grove police department.

The officers presented interesting information and suggestions covering security measures for business places and private homes, and distributed material on the subject.

During the business session 3 members of the board of directors were reelected and two replacements chosen for a three year term. The three members reelected were Bariel Berrefato, Robert Eick and Mrs. Alyce Nasatir. The new members of the board are James Polera of Golf View Dodge, and R. J. Zuttermeister, President of R.C.H. Tool Corp. Five of the fifteen members of the board of directors are chosen for the three year term at each annual meeting.

President William B. Simkins announced that the officers of the Chamber will be elected at the next meeting of the board of directors.

Reports covering current activities were presented by Joseph M. Cooke, Executive Secretary, and various committee chairmen.

Frank Gorshin Names Golf Mill Ducks

Frank Gorshin, current star of the Mill Run Playhouse, draws the winning names of the Name the Duck contest at the Golf Mill Shopping Center in Niles assisted by Judy Sokol, the Center's Promotional Director.

The drawing culminates weeks of expectancy and care ever since a hen and drake decided to make the mill pond at the shopping center their home and place to raise their brood.

Employees and customers kept a watchful eye as Ma and Pa Duck hatched 18 eggs right in the middle of the Golf Mill Pond.

Shoppers were invited to name the ducklings as well as watch their progress since hatching 3 weeks ago. Prizes offered by the Merchants Association were given on a random basis for anyone submitting names.

Some names chosen were submitted by these winners: Waddles, from Anrea Mork of Glenview; Natty Bumppo from Sandy Hertzberg, Chicago; Rover, from Beth Arden, Des Plaines; Fluffy, from Jill Lebovitz, Des Plaines; Stausch, from Phillip Gilbert of Glenview; Snickle Fritz from Mark Stecher of Niles; Quacker from Kenny Katz of Des Plaines; Siggy from Shane Nugent of Niles; Swimderella from Sam Silverman of Chicago; Quackie from Darra Sue Dolinky of Des Plaines; Maxwell from Michael Ball of Niles; Little Quackstronaut from Mrs. Roberta Michael of Chicago; Haratio Hornblower from Marda Dunsky of Skokie; Dilly Duck from Joel Mandel of Des Plaines; and Wade Newton from Lawrence Castle of Chicago.

Wee-Y Camp

The little guys and gals are not left out of the Leaning Tower YMCA Day Camp program. The Wee-Y Camp for boys and girls who are five years of age or who have completed Kindergarten, is designed to meet the interests and capabilities of this specific age group.

The program consists of swimming, hiking, games, big muscle and co-ordination activities, crafts, special trips and many more. An excellent opportunity to introduce the younger child to outdoor activities with qualified supervision.

The Wee-Y, Junior, and Senior Camps are all offered on the basis of five, two week sessions beginning June 19. A child may enroll for any one session or any combination of the five periods offered.

The children are picked-up each morning within two blocks of their home and returned in the afternoon.

There are still some openings in all of the periods. Parents may call the Leaning Tower YMCA at 647-8222 or 774-8515 for a descriptive brochure and registration form.

Attends Symposium

Mrs. Kathleen Arns, director of curriculum at Oakton Community college, was one of 180 vocational educators, business, industrial and labor leaders participating in the Governor's Symposium on vocational education at the Palmer House in Chicago, on May 4 and 5.

Arthur A. Fletcher, executive director, United Negro College Fund and former Assistant Secretary of Labor, was the keynote speakers. Robert M. Worthington, associate commissioner of the U.S. Office of Education also spoke to the group.

Bar Association Golf Outing

Northwest Suburban Bar Association members and guests will hold their annual golf outing on Thursday, June 8, at Itasca Country Club.

Coordinating plans for the day are James S. Sheldon, vice president and trust officer of First National Bank of Des Plaines, chairman, and Richard Rochester, partner in the law firm of Friedman & Rochester, Chicago, co-chairman.

Prizes to be awarded at the dinner following the day of golf will include a large traveling trophy for the low net score, presented for the first time this year, says Sheldon. Reservations will be welcomed through June 5 by Sheldon, 827-4411.

Membership in the Northwest Suburban Bar Association includes over 300 lawyers residing and/or practicing in Chicago northwest and north suburban communities.

New Ministers for Jehovah

Mrs. Gretchen Heap (l.), 326 Nordica, Glenview, and Mrs. Patricia Seafield, 7213 Wilson terr., Morton Grove are shown in cafeteria line at recent 3 day training session at Chicago Assembly Hall of Jehovah's Witnesses. Mrs. Heap and Mrs. Seafield completed a period of intensive Bible study and ministerial training by being baptized in symbol of their dedication to God.

Two persons associated with the Morton Grove Congregation of Jehovah's Witnesses were baptized at a recent convention of ministers held at the group's Assembly Hall in Chicago. The baptism culminated a period of personal Bible study and advanced ministerial training according to Alexander Johnson, overseer of the congregation.

"Baptism," said Mrs. Gretchen Heap, 326 Nordica, Glenview, one of those baptized, "does not imply our joining a church or religious organization, but is a symbol of a private decision to dedicate our lives to Jehovah God through Jesus Christ."

Mrs. Heap pointed out that the baptism followed the pattern set by Jesus at the first Christian baptism. "Going under the water," she explains, "symbolizes death to one's former course of life, and coming out means the Christian is now alive to the doing of God's will."

Those baptized will continue in Bible study and ministerial activity with Jehovah's Witnesses in the Morton Grove Congregation. "This includes preaching and teaching from door to door as Jesus did," said Mrs. Patricia Seafield, 7213 Wilson terr., Morton Grove, "as well as making return visits to interested persons and conducting free Bible studies with them." Mrs. Seafield was one of those baptized after making an extensive study of the Bible with the Witnesses.

First Baptist Church

Have you ever driven or walked by and wondered about the white frame, country-style church building at 7339 Waukegan Road? The next time, plan to step inside for worship or prayer. The over 100-year old building is the home of the First Baptist Church of Niles.

Pastor McManus preaches the sermon at the 11 a.m. Sunday service and conducts the adult Sunday School class at 9:45 a.m. There are also Sunday School classes for pre-school, grade school, high school and young people. The women's class, taught by Mrs. McManus, is one of the most popular as the ladies not only receive instruction but participate in lively and profitable discussions concerning Christian principles.

Other activities and services of the church are; Sunday at 6 p.m. the Youth Orchestra practices and the Young Peoples Group meets. The Sunday Evening Service is held at 7:30 p.m., and the Pastor is continuing his message on the parables of the Bible.

Wednesday Evening Service commences with Prayer from 7 to 7:30; Bible message 7:30 to 8; Mixed Choir Practice at 8 and Ladies Choir practice at 8:30.

Care for babies and toddlers is provided at all services.

Dist. 207 New Data Processing Co-Op

Beginning Aug. 1, the data processing needs of the Maine Township High Schools will be served by a new cooperative data processing system, IER-TIES, to be housed in the district's Ralph J. Frost Administration Center, 1131 S. Dee rd., Park Ridge. The new cooperative will provide Maine Township High School District 207, the elementary and high school districts of Hinsdale and Downers Grove, and the Elmhurst elementary school district with a greatly expanded, yet more economical, educational data processing information service. The self-sustaining regional center will be administered and operated by the Institute for Education Research, with the participating school districts sharing the cost of the service.

The six school districts to be served by the cooperative have a total school population of about 30,000 students. It is hoped that within the next two years other school districts will join the consortium and that the system will be expanded to serve the needs of 60,000 students or more.

At a special meeting on May 8, the District 207 Board of Education approved an administration recommendation to lease to IER-TIES approximately 3,000 square feet of space in the district's Administration Center to house the new project for at least the next two years. The lease agreement now being developed will specify that all building modifications and improvements, including new air conditioning, ventilation and humidity controls and equipment necessary for the project, will be paid for by the Institute for Educational Research in lieu of the first year's rent, and will become the property of District 207 when IER-TIES vacates the space. It is estimated that the cost for on-site improvements will be no less than $17,500.

The second year's rent of $17,500 will be realized by District 207 through a reduction in cost per student for IER-TIES services. The cost for the 12,000 Maine students to be served will be reduced from $10 per student to approximately $8.50 per student for the 1973-74 school year.

"Locating IER-TIES in the data processing area of the administration facility will be a real advantage to the school district," stated Dr. Richard R. Short, District 207 Superintendent of Schools. "It will speed up services, reduce courier costs, and offer many conveniences to the Maine high schools. In addition, by having the computer in the immediate vicinity, the district will save approximately $1,000 each year in telephone costs."

The new cooperative data processing system will make instantly accessible to all participating school districts a wealth of educational information to aid them in their instructional programs. It will also provide extensive business, administrative and research services as well. School personnel will have direct access to all computer information by using a cathode ray tube terminal located in each school building.

The IER-TIES cooperative venture was developed to help the participating schools more economically meet their administrative and instructional data processing requirements.

How You Influence the Nation's Economy

By Henry L. Ford
Executive Vice President
NILES SAVINGS

Do you realize, Mr. and Mrs. Average American, how your spending and saving habits affect the nation's economy?

You can begin to appreciate your impact when you digest these facts:

— The average person in this country spends between 94 and 95 per cent of his disposable after-tax income for various goods and services.

— This consumer spending accounts for two-thirds of the nation's total outlay for goods and services. The other third is expended by business and government.

— A small change (such as from the average 5.5 per cent savings rate to 7 or more per cent) can mean $9 billion not spent in the nation's market for goods and services.

This can be good or bad, depending on whether you are a businessman with an inventory of unsold goods, a family head with increased financial reserves, or a government economist studying means of braking inflation.

You can understand, therefore, why businessmen and brokers, politicians and promoters lie awake nights asking themselves, "What mood will you be in tomorrow?"

Most businesses depend for their very existence on consumer needs and desires. This dependence makes consumer attitudes and inclinations tremendously important.

Will wives and daughters respond to new dress and skirt styles? Will the yen for a new car be strong enough to produce a bumper car year? A giant industry's profits will hinge on predictions that the American consumer will buy and that, when he does, he will go first class.

Other industries are equally influenced by whether Americans will save enough to help finance the purchase of their goods. The home construction industry, for example, is heavily dependent upon savings that are available for home mortgages.

What causes this ebb and flow in the spending and saving patterns of the average American? Whether he thinks deeply about it or not, he is strongly influenced by the economic and political conditions existing at the time he considers what to do with his money.

If he is uncertain, he is likely to save. If he is confident, he is willing to spend. If inflationary forces are at work, putting heavy demands on goods and raising prices, he will resist spending. In so doing, he helps to ease the demand for goods and increases the supply of money, both of which are deflationary factors.

Thus, the more intelligent the average American becomes in his spending and saving habits, the more he helps to stabilize the American economic system.

Kathy Kelly Film Festival Winner

Kathy Kelly who lives at 6928 Seward in Niles, was one of the prize winners for her film, "Defeat of Dracula," at the 4th annual High School Film Festival, it was announced by Robert Edmonds, chairman of the Motion Picture Department at Columbia college (Chicago), sponsors of the Festival.

A student at Marillac High school, Kathy Kelly competed with 34 other Chicago-area high school students in the film competition. For her entry she received a half semester's tuition to Columbia college ($400), donated by George W. Colburn Laboratories.

West Park: Monday - Wednesday - Thursday mornings, 9:30-11:30 a.m.; Tuesday - Friday mornings, 9-11 a.m.; Monday - Wednesday-Thursday afternoons, 1-3 p.m.

Maine Park: Monday-Wednesday mornings (3 yr. old), 9-11 a.m.; Tuesday-Thursday-Friday mornings, 9-11 a.m.; Monday - Wednesday afternoons, 1-3 p.m.; Tuesday-Thursday afternoons, 1-3 p.m.

There are 20 children per class with the exception of the 3 year old class which has 15. Each class has 1 instructor, 1 high school helper, and 1 helping mother. The school is certified by the State of Illinois. Children register for a full year which included two 15 week sessions. The first session is Sept. 25 - Jan. 19. The second session - Jan. 29 - May 13. Fees for the 2 day a week class per session is $45. The fee for the 3 day a week class per session is $65.

The program's objective is for the child to achieve self-respect. The child discovers he is able to learn and to relate to other children in a productive manner. In the process he develops a love for learning new things. In this way he is prepared for school by developing a strong, positive attitude toward himself. The instructors for this coming year will be Mrs. Cohen, Mrs. Grant, and Mrs. Reichard at West Park, Mrs. Goldberg, Mrs. Hughes, Mrs. Nelson, and Mrs. Waters (Pre-School Director) at Maine Park. For further information call South Park 692-5127.

Big Turnout for Pre-School Open House

Nearly one thousand people turned out for the Morton Grove Park District Preschool Open House and Art Fair recently. All work exhibited was the work of the 200 four-year-olds enrolled in the Preschool program this year.

Among the most popular exhibits were the building area with the oversized tinker-toys and the painting corner, where children could spin a picture using a twirl-o-paint machine.

Of particular interest to the visiting public were the readiness table and craft exhibits, which proved again that the Park District Preschool Program is not a playschool but a very real learning experience.

Preschool staff members for the current year are Mary Ellen Baran, Roberta Garfinkle, Garnet Fleming and Audrey Vishny.

Golf-Maine Tennis Court

The Golf Maine Park District has three tennis courts at its Dee and Emerson site. Due to the need of serving all residents fairly, certain rules for the use of the courts have been initiated: All courts that someone is waiting for, must change on the hour. If you want to reserve a court you must place your racket in the place provided and at the hour the court is yours for at least 60 minutes. All the courts will be used for the Park District classes Monday through Saturday 9 a.m. to 1 p.m. They will be available for public use from 1 p.m. to 9 p.m. Monday through Friday and all day Sunday.

Bicycles

Due to the large number of people that use the Dee and Emerson park site, the Park District asks everyone to please walk their bikes through the park or park them in the bike racks around the park. This is for the safety of everyone especially the little children.

at Ballard school. He is presently on the staff of Northern Illinois university as Director of the University Laboratory schools and Professor of Education.

Dr. Gogo is a renowned and respected educator. During the past four years he has served as consultant to numerous school districts throughout the state. He has been an honored speaker at numerous educational functions. In addition, he was a moderator for 13 radio programs entitled "Your Schools," authored many publications, and has conducted research projects for Northern Illinois university. His action research projects with teachers at all grade levels over the past several years have resulted in adoption of new courses, and the development of new instructional materials.

His career covers the entire educational spectrum ranging from elementary to the university level. His career began in the Detroit Public Schools as an elementary teacher in 1956. From 1958 to 1960 he was a teacher at the junior and senior high levels for the Lake Shore Public Schools, St. Clair Shores, Michigan. In 1960 he was appointed Assistant Principal at the Lake Shore Junior High school, St. Clair Shores, Michigan.

During 1961-62 Dr. Gogo was Curriculum Associate for the "Greater Cities Project," Detroit Public Schools. From 1962-65, while in Spain for the Department of Defense Schools, he was Principal for a Junior High school, an Elementary School, and was a Supervising Principal for the nine Unit Schools, K-12.

Dr. Gogo's academic training is extensive. After serving in the U.S. Army in Korea, he was briefly employed by the Ford Motor Company as a quality control analyst prior to entering college.

He received his B.S. Degree in Elementary Education from Wayne State university. From the University of Michigan he received his M.A. in Secondary Education and Educational Specialist K-12 Curriculum; and his Ph.D. in Educational Administration.

Dr. Gogo and his wife Betty, are the parents of 7 children and they have one grandson.

feel it necessary to do this, but he felt Mr. McTier was perfectly right in his actions. The mayor then accepted the resignation with regret.

Chief Glauner of the Police Dept. thanked the Civil Defense for their help on Memorial Day. Pete Vivieros noted the regular meeting of the Beautification Committee would be held this Thursday in the Legion Hall. Administrator Fred Huber said a letter was received from the Morton Grove Park District saying they intend to build three tennis courts at National Park and would like permission to use some of the curb space for 15 parking spaces which will be needed. After much discussion it was decided to turn the matter over to the Traffic & Safety Committee for their recommendations. Trustee Ed Brice announced last week the Police Dept. had 206 complaints; 20 traffic accidents, 8 burglaries and 3 assaults. The Fire Dept. handled 28 calls, 20 ambulance and inhalator calls.

John Hilkin said copies of the new Sign Ordinance are in the hands of all trustees and he would like to see it come up for consideration on June 20. Mr. Hilkin then announced the Julia Malloy School for the Handicapped will be the site of our Blood Donor Program. For the kick-off he proposed a Press Party at which members of the board and the committee who are able will donate blood. This will probably take place on June 13. The blood drawing will be on the first Thursday of each month starting with July 6.

Dick Hohs said he received the contraft from the Bennet Architects for the new Fire Station. He noted that he met with the committee for the proposed Railroad Improvement Program including Jerry Schwan, Pete Vivieros and Irwin James. When Trustee Hohs said the possibility of moving the station further south was discussed, Herb Houndt said, "I feel that moving it north of Dempster would be a much safer and a much wiser move."

In other actions at the meeting Niles trustee Pesole sounded off about Niles Park District. He said he was "bugged" about the district. The Board was discussing the upcoming rock concerts which are scheduled for the Ballard Park Complex. Pesole was wary of such a program, which he noted would need many policemen to patrol the area. Village president Blase said the village would watch the first concert before reaching any decision regarding future programs.

Pesole, in criticizing the park district, was concerned about the way they went about operating their areas. He noted his personal effort in straightening out the TAM problems and stated "If I didn't get involved there wouldn't be any golf course."

With rising anger Pesole noted, "They did this last year . . ." referring to a last day request for crossing guards by the swimming pool. Pesole noted the lack of cooperation on the part of the park district and said, "they don't relate to anything." He noted they should consult with the village board and said with emphasis, "they'd better learn this!"

Without slowing down Pesole added, "I'm teed off . . . they charge for everything," referring to the $2.50 and up charge for the rock concerts.

Blase agreed a meeting should be held with the park board and the rock concert impressario which is scheduled for June 13. A committee of Keith Peck, Ang Marcheschi and Pete Pesole will contact the park board before the meeting.

In still other actions Tr. Bast reported the Youth Commission filled 30 jobs needed by local employers. Tr. Harczak reported 50 more trees will be planted on Milwaukee ave. and Waukegan rd., and Tr. Peck reported a 9 month report on environmental health will be studied before action is taken.

. . . . . Saturday, June 17, the Girls Softball League will sponsor a Muscular Dystrophy Day, followed by their marathon softball game June 23, 24 and 25.

. . . . . Scheel reported a $15,750 federal grant was okayed for inter-governmental cooperation between Niles, Skokie and Evanston in the managerial field.

. . . . . Blase asked the Board to consider supporting the June 5 district 64 referendum, but the endorsement would be too late since it wasn't approved last week.

. . . . . Niles will consider joining a noise abatement group which is protesting the O'Hare Field noise abuses.

. . . . . Will draw up an ordinance to tighten controls on solicitations, defining profit and non-profit groups. Complaints concerning magazine subscription solicitors and others who abused their sales privileges led to the discussion.

Noting religious, charitable and newspaper groups can't be restrained, Blase asked the village attorney if newspapers couldn't be charged a $5,000 permit fee before soliciting. It was assumed he was joking. We hope he was joking. He was joking . . . we think.

Bank of Niles-Indians: The Indians 12-0 shut-out over the Red Sox was the results of great pitching by Nick Solano, Frank Angiulo, and J. O'Brien. Four hits by Frank Angiulo. Scott Ury and Mike DeBarto with three hits apiece. D. Schmack with two hits. A fantastic catch by F. Berquest in right field which saved the Indians shut-out.

Bobs Package Goods - White Sox: The White Sox lead the fantastic first inning with 5 runs, only to have the Angels equal the score in the second. The big lift of the third inning was a double play by McCarthy to Solan following 6 more runs by the White Sox to win over the Angels 11-6.

Carvel-Twins: The Twins 6-5 win over the Orioles was topped by great defensive catching by Jim Mahoney. Pitchers Mike Tait and Bob Guziec teamed up to hold the Orioles to 11 hits. Mike Tait made a fantastic defensive play at first base. A great fielding catch by Tim Helander. Ed Steek hit his first home run of the season.

Riggios Pizza - Orioles: A very exciting game played well by both Orioles and Twins with Tony Cecchin and Jim Baranowski had four hits apiece. Phil Shemrosi drove in three runs for a losing cause, while the Twins won 6-5.

N.B.L. Yankees: Yankees beat the Athletics 13-4 with a triple by Firszt. Doubles by Ochsenrieter, and McNab. Great pitching by Quattrocchi, Firszt and McNab teamed up giving only 1 hit.

N.B.L. Red Sox: The Red Sox lost to the Indians 12-0.

Vapor Corp. Senators: The Senators had a 2 run lead at the end of the first inning while the Indians came from behind and won the game 20-8.

Knights of Columbus - Knights: Despite 4 strong innings of 1 run, 1 hit ball by lefty Larry Maggio, Knights pitchers gave up 15 walks as the Tigers rallied to win 8-6. The Tigers picked up 3 runs on no hits in the first. The Knights came back with 6 in the third on hits by John Sauber, Bill Mairson and Dale Walder. Two fine fielding plays by Jerry Shanz kept the Knights ahead until the Tigers exploded for 4 runs in the last of the 5th.

Niles Chamber of Commerce - Athletics: An exciting game between Athletics and Orioles. Great defensive plays by Rory Zale. Good timely hitting by Brian Liebman and Scott Wallach. Rory Zale was foiled by a last inning rally scoring 4 runs to give the Orioles a 5-4 victory.

Harig Mfg. - Tigers: The Tigers beat the Knights 8-6 when Jay Fine had a double and single, and also pitched 2 scoreless innings. Roman Henko also had two great scoreless innings and a hard hit single. Paul Brumback, Jim Ratcliffe and Joe Santowski each had 3 bases on balls.

THE CORNERS of Where it's at and What's happening...
By Ed Hanson

Of love, marriage & children....

Love, is like our government — a two party system.

MARRIAGE: "The one union, according to Pete Pesole, our esteemed village trustee and champion of the under dog, " in which the male has no voice in management."

And Pete knows about unions.

CHILDREN: Something parents mistakenly believe they love. Actually what they love is merely an extension of themselves.

CHILD PSYCHOLOGY: What children use to manage parents with.

A baby rabbit once asked his mother rabbit about the 'birds & bees'. Replied the mother rabbit, "A magician pulled you out of a hat — now stop asking questions."

Children always have to be bribed. A mama mosquito said to her children: "If you're good — Mama will take you to a nudist colony tonight."

Regarding places to take your momma, wife or whatever, how about the COUNTRYSIDE INN, at Ballard west of Potter, Des Plaines. Two former great basketball players, Sam Vukovich and Cliff Rautenberg, long ago combined their talents, to appeal to your breadbasket. Their steak (only $2.25) is like they were once, an unbeatable combination. It's a family type place, "a friendly neighborhood tavern," and neither Sam or Cliff tolerate any nonsense. Their sandwiches & draft beer are tasty and reasonable. Their slogan is, "Where the sports experts congregate" ...the greatest of which is ME.

Love that new job! Thomas W. Forsberg who recently joined BELL & HOWELL entertained a sales group at ANGELO'S RESTAURANT last week. Said Forsberg, "The food and atmoshere at ANGELO'S (7136 Milwaukee Ave.) is perfect for sales groups and the service is superb." Everyone in my group enjoyed it immensely."

Jake of JAKE'S RESTAURANT loves his business. In fact, you could say he's married to it. JAKES is featuring those "specials" again — so enjoy & save at Jakes.

"Love is a many 'splintered' thing."

You'll love the food at "Down The Street", 6913 N. Milwaukee Ave. And early or late, particulary if you have a "date", you can always get food or beverage service at DOWN THE STREET.

According to dashing Don, the Mgr. of Des Plaines Theatre, his business has doubled since he began advertising in BUGLE newspapers. "I whish I had twice the seating capacity" sighed Don.

And don't miss that great Latin lover-boy, TONY DEVITO! For Fri. June 2, is TONY DEVITO NIGHT AT THE LONE TREE INN, 7710 Milwaukee Ave, Niles. It's a salute to a great entertainer, TONY DEVITO. Phone 967-8939 NOW for reservations! There'll be Hors D'oeuvres (I spelled it!) and fun and frivolity for everyone.....

Incidentally, the "BACK ROOM" is located in back of the HiWay Lounge, 7620 Milwaukee Ave., Niles. Several ladies, according to the mgr., with the BUGLE ad in their hands came into the HiWay Lounge but wondered where THE BACK ROOM WAS? It has it's own rear entrance and parking facilities adjacent to the HiWay Lounge.....

The only time a wife never interrupts her husband is when he's talking in his sleep...

Love that home-cooked food at the CHAMBERS, 6881 N. Milwaukee Ave., Niles, and love the service...and love the charming decor...try it — you'll love, love, love it."

I once said to my second wife: "Cobra, you may pick my suits but quit picking my pockets!"

MARRIED MEN: Want to buy a Bikini for your wife? See 'em at the SAFARI, 9111 Waukegan Rd., Morton Grove. It's amazing what they can put into a Bikini these days.

While on the subject BOOBY'S has the BIGGEST & BEST hamburgers that are fairly bursting with juice...which reminds me——

A 32 year old lady friend of mine who works at O'Hare Inn, went on a fish diet. She didn't lose any weight — but, boy - can she swim.

Love seafood? Try the DOLPHIN RESTAURANT & MINNOW LOUNGE, 8550 Golf Rd., Niles ...their seafood is terrific — infact, all foods at the DOLPHIN are great!

Ed Roberts of the Colonial Restaurant & Lounge, 9101 Waukegan Rd., Morton Grove, eats in his own restaurant.

Senior Week Activities

Many important events and activities are scheduled before Maine East's Class of 1972 graduates.

During homeroom on June 1, seniors will report to the auditorium for Alma Mater practice. The next day seniors having courses in English, math, and social studies will take their final exams. Also that day Baccalaureate tickets will be distributed in homerooms to seniors who have requested them.

On June 5 final exams will be given in foreign languages, science, and home economics. During homeroom commencement tickets will be distributed. The next day finals exams will be given in music, art, business educations, and industrial education. After school lockers will be cleaned out.

The Seniors Honors Assembly will take place in the auditorium on Wednesday, June 7. After the assembly marching practice will be held for Baccalaureate and commencement. After practice caps and gowns will be distributed in the fieldhouse.

On Thursday, June 8, instead of having the senior breakfast in the cafeteria, it will be held, beginning at 7:45 a.m., at Henrici's O'Hare Inn, Higgins and Mannheim, in Des Plaines. Following breakfast will be the senior superlatives.

June 9 will be a night to remember. The Senior dinner will be from 7-8:30 p.m. and the senior prom from 8:30-11:30 p.m. in the grand ballroom of Henrici's O'Hare Inn.

Sunday, June 11, the Baccalaureate will be held in the auditorium at 8 p.m. Seniors should report to the cafeteria at 7 p.m.

June 13 will mark the end of the seniors' high school career. That night commencement will be held in the fieldhouse, beginning at 8 p.m.

On Dean's List

James Bode, son of Morton Grove's Mayor and Mrs. Julie C. Bode, is on the Dean's List at the University of Chicago's Graduate School of Business. He is a 1971 graduate of Lawrence university, Appleton, Wisc. Jim has also been selected for summer employment by the Morgan Guaranty Trust Co.

Awarded Fellowship

Clayton Press, Jr., son of Mr. and Mrs. C. M. Press of Hickory Hills, Ill. former residents of Niles has been awarded a teaching fellowship by Southern Illinois university to complete his doctoral studies in anthropology.

A 1967 graduate of Maine Township High school East, Mr. Press received his B.A. from the University of Rochester, Rochester, New York, and his Masters degree in the Behavioral studies of children from the University of Pittsburgh, Pittsburgh, Pa.

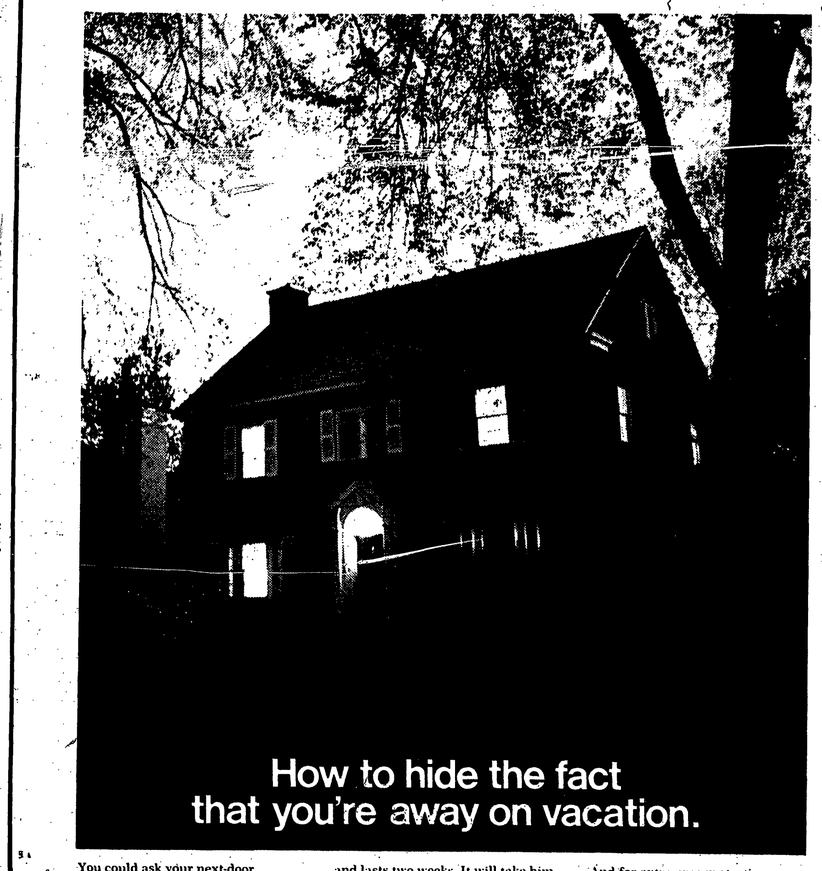
WMTH Honors Seniors with Super Rock Day

WMTH radio (88.5 FM) which serves the Maine Township area will honor the 1972 graduating classes from Maine West High school, Maine East High school, Maine North High school, and Maine South High school on Saturday, June 3 with a Senior Super Rock Day. The programming will take place from 9 a.m. until midnight.

The graduating seniors have voted for the most popular songs during their four years of high school. From the voting, WMTH has selected the top songs of the past four years and also included the top 40 songs of this year for the format of the Senior Super Rock Day.

Students from all four Maine schools and the radio stations participate together for this annual production. The production will be broadcast from Maine East with seniors from all four schools doing the broadcasting and the engineering.

"Senior Super Rock Day is a broadcast for Maine Township High School seniors which will be produced by seniors, I hope everyone in the community will listen to the broadcast to find out what has happened with music during the past four years," commented Gene Dyer, Maine West senior and program director of WMTH at Maine West.



You could ask your next-door neighbor to come in and switch on a lamp. But that's tough on him if you live in the country. And if you live in the city, you may not even know your neighbor. Besides, who'll turn it off?

Install an electric timer instead. Even better, install several. By now an average burglar is wise to the lamp that goes on at dusk and goes off at bedtime. Especially if the performance is confined to one room and lasts two weeks. It will take him much longer to figure out the living room lamp and the TV or radio going on at dusk and off at 10:40. And the bathroom light switching on from 10:30 until 11:00. And the bedroom reading lamp from 11 until 11:20. And if the kitchen overhead switches on at 2 a.m. for 15 minutes, he'll never figure it out.

Added advantage: this tricky timing uses about the same amount of electricity as one steadily burning lamp.

And for extra area protection anytime, an electric eye to light up your yard automatically from dusk till dawn, so you can see everyone who approaches your home.

Give your neighbor a break and just let him collect the mail and read your magazines.

Imperial Eastman Cubs 10 - Lawson Products Phillies 5. After taking a 4 run lead in the first inning, the Lawson Phillies defense collapsed and last year's champions suffered their first loss. Tom Rotunno did more than his share at 3rd base making 2 fine stops and throwing to 2nd for force outs. But neither his effort nor the adequate pitching of Piaszek, Cardella and Piazzi were enough.

Hollywood Perforators Pirates 8 - Norwood Savings Giants 10. Home run by J. Detloff, 3 singles by Bob Di Lorenzo, double by Don De Louise and singles by Steve Danielak, Glenn Wilson and Ed Hoffman for the Pirates all went for nothing in a losing cause. The Giants L. Callero and T. Kowalski pitched shutout ball. L. Callero had 3 hits and T. Kowalski, Mark Augustyn and Steve Kuzminski had 2 hits.

Imperial Eastman Cubs 5 - Lone Tree Inn Braves 4. The Cubs got 2 runs in the top of the 6th to beat the Braves. Dale Haetr lead off the 1st inning with a home run. Joe Marino got 3 hits and scored 2 runs. Mike Miller went 2 for 2 driving in 2 runs.

Steinberg-Baum Dodgers 1 - N.B.L. Cards 1. Good play by both teams. There were no outstanding plays on either team. Good pitching by Weber and Chaffin for the Dodgers and Laurie, Livorsi and Schumacher made this an exciting game to watch.

Cowboys 7 - Pipers Carpet 2. The pitching of Larry Gaertner, Dean Gluth and Russell Donash held Pipers Carpet to two runs and three hits. Base hits by John Sullivan, Mark Zielke, Bob Daehler, Mark Panchisin and Larry Gaertner got 4 singles.

For Pipers Carpet Martin LaSusa went 2 for 3 and Pete Miller had a bunt single. That's all the Cowboy pitchers allowed Pipers Carpet.

Cowboys 7 - Hawks 3. Cowboys won again with the help of the good pitching of Larry Gaertner, Russell Donash and Dean Gluth who held the Hawks to just 3 hits and 3 runs. Dean Gluth and Russell Donash each had two hits apiece. Good catching of Steve Kurtzer helped Cowboys win.

Hawks 13 - U-Do-It-Products 4. Tom and Tony Palchek got 3 hits each for the Hawks. Kogus, Kale and Lober each pitched 2 innings to hold U-Do-It-Products to 4 runs.

Plaza Tool 5 - Pipers Carpet 3. Bob Massong went 2 for 2 with two singles and Pete Miller went 2 for 3 with a home run and a single for Pipers Carpet. Plaza Tool had 6 hits with Fagerson going 2 for 4. Raymond Ogren, Reed, Brander and Slamnotiz each had 1 hit for the Plaza Tool. John Ciszek at 2nd tagged the runner going to second and threw to first for a double play. Pipers Carpet had two double plays from Pete Miller at 2nd tagging the runners going to second and threw to first for the successful double plays.

Golf Mill State Bank 11 - Plaza Tool 10. A triple and a home run by Frank Tubikanec was the power that won the game for Golf Mill State Bank. David Plambeck made the game winning play at second base for the final out. Game was called after the 5th inning.

N.B.L. Bronco's 24 - Przybylo's 2. Good pitching and hitting was the title of this ball game, 15 hits in all. Bronco's scored 11 runs in the first inning, after that it was no contest. Bob Zahoeck got 2 hits for Przybylo's.

Peterson Glass 12 - N.B.L. Vikings 9. Dave Murray did a fantastic job in relief pitching while Don Polinski did an outstanding job of catching. Dave Seigel rounded out the team on great defense and pitching. Kevin Boyle went 4 for 4. Vikings Dave Kolbaska got 3 singles, Tom Bastian got a triple. Mike Kern got a single and Criss Linhart got a single.

Pipers Carpet 13 - N.B.L. Bronco's 11. Pipers Carpet finally broke into the win column by defeating the Bronco's. The big guns for Pipers Carpet were Bob Massong, 3 for 4 with a triple, Pete Miller 3 for 3, Martin LaSusa 2 for 3, John Wojnar 2 for 4. Scott Hoffman pitched 4 innings. 10 runs in the first inning for Pipers Carpet made it a difficult ball game for the Bronco's, but they never gave up and fought back all the way.

U-Do-It-Products 13 - Przybylo's 5. Great pitching by Guy Taglavia, Dan Anderic and good hitting made this an easy game for U-Do-It-Products. Great hit by Daniel Woloszyn brought 2 men home but was tagged out himself.

Peterson Glass 13 - Golf Mill State Bank 1. Don Polinski made great play at home. Dan Paul turned a line drive into a double play which Bruce Hammerberg playing first base had to really stretch for to make the second out. Paul Papierski had a good defensive day at 3rd base. Jeff Lemajeur threw a man out at home from right field.

The Niles Pony League race began to heat up as the Sony Dodgers and the Joe LoVerde Angels swept to the lead of their respective divisions.

The Dodgers were the only team with an unblemished record as, with blazing bats, they won all 3 of their games during the week to bring their record to 4 and 0.

Scoring an unbelievable 48 runs in their 3 games, the Dodgers shaped up as the team to beat. They warmed up with a close 12 to 9 decision over the Minelli Bros. Yankees, despite some heavy hitting by Blair and Zaelenga for the losers. However, a home run by Tony Abbate and a great day at the plate for Mike Bernarwicz and Gary Marshall provided the margin of victory.

The Dodgers really exploded in their next outing as they scored a record 15 runs in one inning to break open a tight game against the Uniform Printing Expos and win, going away, 28 to 4. Abbate and Marshall again had hot bats and were aided by Rick Domzalski with 5 straight hits.

Pitching highlighted the Dodger's 4th straight win, an 8 to 1 drubbing of Roy Rogers Braves. Tony Abbate and Bob Patton combined to scatter 7 hits, 3 of them by Dati of the Braves.

Meanwhile, the Joe LoVerde Angels picked up 2 wins without a loss during the week to take over 1st place in the American Division. Spitalny and Maloni pitched them to a narrow 6 to 5 win over the Lions of Niles Cubs despite hits by Mueller, Green, Placko, Hadjuk and Majeski. Their other victory came easier, 8 to 3, as they sent the tough Minelli Bros. Yankees down to their 2nd straight defeat.

The Lone Tree Inn Tigers stayed on the heels of the Angels, despite their first loss of the season, 13 to 4, to the hard-hitting Lions of Niles Cubs. John Plako blanked the Tigers for 3 frames to pick up the win. Callero and Mueller held the Tigers at bay over the last 4 innings, with the only growl coming on a homer by Gary Amato.

The Tigers, however, came to life in the 5th inning of their game with the Uniform Prtg. Expos. Down 8 to 4, the Tigers clawed away with 2 runs each in the 6th and 7th to salvage a tie after being thoroughly out played. A major part of the credit goes to Mike Babcock for blanking the Expos over the final 2 frames.

Krajewski nearly became the goat as the Tigers held on the edge the Nick Blase White Sox, 7 to 6. He seemed to lose his radar as the Sox walked to 4 runs in the final inning. But, he regained his cool just in time to put out the fire.

Back in the National Division, the MacCleen's Cardinals, whose only loss came on opening day, swept to their 3rd straight win and were only 1 game behind the leading Dodgers.

Tom Spino, Bob Fergus and Jim Filiplak fanned 14 Athletics enroute to a 12 to 3 win. The Cards were then hard-pressed to nip the Lions Cubs, 5 to 4. In a thrilling contest, marked by the fine 6-hit pitching of Bob Fergus and Tom Spino and the fielding of Kevin Gerhardt, Frank Gambro and Larry Bender. Big guns for the offense were Rick Ruesch, Tom Spino, Jeff Jendryk and Les Goldstein, who drove in the winning run.

Other scores: Lions Cubs 4, Hi-Way Sports Athletics 4; Roy Rogers Braves 9, Blase Sox 6.

Tigers 2 - All-Star TV 0. Tigers John Rupkey threw a 2 hitter.

Indians 6 - Brewers 5. Indians Mark Edwards winning pitcher. Jeff Zolek drove in the winning run with a double in the 7th inning.

Yankees 7 - Athletics 0. Brian Lucca pitched a one hitter. Jay Marcus had three runs batted in. Bob Markin and Ralph Dynek had two hits apiece for the Yankees.

All-Star TV 6 - Orioles 4. First win of the year for All-Star TV. Extra effort was put into this game by all, to win for their teammate Craig Somach, having surgery the day of the game. Winning pitcher was Brian Pesko. Gary Walens struck out the three batters he faced in the last inning to save the game for Pesko.

Brewers 12 - Athletics 1. Cris Kutseles of the Brewers struck out 9 batters, had 5 RBI's and two stolen bases. The Brewers had a total of 15 stolen bases.

Tigers 4 - White Sox 2. Kurt Mass pitched a 3 hitter and struck out 10 batters. Mike Stone hit a bases loaded home run to win the game in the last inning. Jeff Mueller struck out 11 Tiger batters. Wayne Morwitz had a triple.

Indians 12 - Orioles 10. Jeff Zolek winning pitcher. Gary Miser hit a home run for the Indians.

U-Do-It-Products 6 - Peterson Glass 6. U-Do-It-Products were down by 3 runs when Dennis O'Donavan hit a grand slam to tie the game up 3 to 3. Great catches by the outfield Mark Pelini and Peter Schmidt kept the game close.

Al's Standard 7 - N.B.L. Bronco's 6. Gregg Satinover 3 hits, Mike Rudy 4 hits. A real close game.

Natives who reside around the sports complex are disturbed by the concert invasions, and have been telephoning officials with objections to the scheduled programs.

It seems from here in Bugleland all sides have legitimate reasons for their actions. The park district, eyeing every nickel they can get their hands on, figures this is an easy way to pick-up three or four thousand dollars. The concern of the village over the sudden invasion of outside youngsters certainly deserves consideration. And the residents who endured one hockey season with all its noises during the long 18 hour daily programs, are not in any mood to put up with the cacophony of amplifiers and steel guitars, to go along with their summer barbeques.

While all sides have merit in their positions there seems to be a question not yet raised concerning the park district's using public property to provide private profit, and likely for the use mostly of non-residents.

In Skokie the park district has held such concerts. But they've been smaller programs geared for the use of its own residents. They've been using the publicly owned park property for its own residents, at either a nominal cost or no cost at all.

Using park property, paid for by the taxpayers, to line the pockets of an outside entrepreneur, and for the benefit of many outside residents, seems an improper use. Since Niles voters approved they're being taxed for the creation of the Ballard Sports Complex, it seems from here Niles residents should derive the use of the facility, and at as low an additional cost as possible.

School district 64 residents will head for the polls Monday from noon until 10 p.m. to vote on an increase of the educational tax fund of 29¢ per $100 assessed valuation. This is the third time around for the vote, having previously lost 43¢ and 35¢ increases.

While we hope all local district 64 residents will get to the polls Monday, and will support the obviously needed revenue, we decry the poor public relations of the school district.

The last time around we did not receive one news release from the district, and noticed only the Park Ridge newspapers published news about the upcoming referendum. Again, we did not receive any news releases this time as well, and had to re-write news from Chicago newspapers which we came across belatedly.

If we did not receive news from the district the rest of the year we wouldn't have reason to air our displeasure. But when they twice seem to want to hide the referenda from Nilesites, we think it should be called to your attention.

While there's little doubt Niles district 64 residents are likely to give greater resistance to votes than her Park Ridge neighbors, nevertheless, these same Nilesites pay their tax bills in support of these schools, and deserve the same consideration as all other taxpayers. To try to pass votes in such an ill-shod manner certainly reflects poorly on the district and demands Nilesites in district 64 should pay closer attention to this taxing body.

* * *

Since this is being written on Tuesday, we suggest readers check other newspapers which come into Niles and determine whether or not The Bugle is venting unnecessary hot air. If there's no other newspaper which mentions the referendum you can conclude the district preferred Nilesites were not made aware of what they're being asked to pay for.

In the '72–'73 budget Niles is considering having a mini-bus in its community. It's a welcome addition in the community and should aid senior citizens in particular, who can use such a service.

Thruout the years we've often asked thru this column why local shopping areas don't consider such a service. Possibly, combining its efforts with local villages could result in an hourly bus service to all the areas here. Certainly, the cost would be minimal, and the booster shot to business would merit consideration. The approval by the ICC might be an obstacle, but if an intra-community service could be worked out, it would certainly benefit hundreds of villagers.

MG Board Meeting of May 23

By Phyllis Weisberg

On Tuesday night the trustees deliberated for more than an hour on David Cohen's Village Administrator's Ordinance and the final result was a motion to table by John Hilkin. The ordinance stated that the administrator shall be appointed by the President for one year at a time and he dismissed with cause if deemed necessary by the "Corporate Authorities." He shall be chosen on merit and his executive and administrative qualifications and abilities. Several points were argued back and forth and finally Fred Huber said that he agreed that the trustees themselves should appoint their own citizens committees. Herb Houndt said that if this ordinance passed as is the board would be creating a Village Manager, under a different name. It was then decided to table the motion till next week. Mayor Bode commended Trustee Cohen for his time and effort in drawing up this ordinance.

John Hilkin announced the Official Signing Ceremony last Saturday morning of our Voluntary Blood Donor Program. Village officials were there along with Mrs. Grabowski from the Michael Reese Blood Center. Heading up this program will be Marge Thuerk (RN) Village Coordinator. She is the Village Nurse. Mrs. Marty Erickson (RN) will be the Mobile Service Coordinator. Recruiting Coordinator will be Phil Cancellari and Bob Bell will serve as Publicity Coordinator. All four will attend a training session Thursday at the Village Hall. Perhaps the first drawing will be sometime in July. Mr. Hilkin then noted that the village is training men to assist in mobile intensive care and will buy additional equipment for the Fire Dept. for this reason. He said that there was a bill hung up in committee in the Ill. State Senate that would provide certification for these trained men. Trustee Hilkin then proposed a resolution to support this bill. The board passed this motion. Dave Cohen said he felt it was very important to have this bill passed since we are investing in equipment and we want our trained personnel to use it.

Dick Hohs said that he will serve along with Jerry Schwan and Pete Vivieros and an architect on the committee to help devise plans for the future improvement of the Milwaukee Rd. station in Morton Grove. Awards were given to five Morton Grove policemen for the apprehension of a burglar when they answered an alarm at 9202 Waukegan rd. on May 17. The Kroner T.V. Store had been burglarized and 2 RCA color sets taken. Awards were given to Sgt. Martin Barrett, Stanley Kubas and Ernest Kezios, who were present to accept them and to Pete Peterson and Jim Corsey also. Fred Huber said that he and Trustee Ed Brice met with Mr. McClain of the State Dept. of Highways and asked for light poles from Lincoln to Dempster. Mr. Brice said that the Fire Dept. had 15 calls last week. He then read a letter from a grateful citizen who wished to thank Officer James Corsey for returning a lost purse. Mr. Brice said that in meeting with Mr. McClain of the Dept. of Highways he asked for a 3-way stop at Ferris and Lincoln. The Legion Parade will be held on May 28 for Memorial Day at 12:30. Dave Cohen said that Richard Zembron Director of Social Services reported 4 new cases in April.

Herb Houndt read a letter from Tom Birmingham of the Public Works Dept. regarding brush pick-up. This should be in bundles 4 to 5 feet long and tied up. Mayor Bode said he wished to remind citizens that there are separate pick-ups for garbage and grass clippings by the scavenger service and another by the village for other items. The mayor then stated that he attended a Job Fair session last Thursday in Niles. He said that the board met last night with members of the new Planning & Development Committee and gave them their assignment. The mayor said that the Dog Show last Saturday was a great success and that our village was better represented than Niles. Dick Hohs said that he felt the Public Relations director was not doing a very good job and that that position could be eliminated. Ed Brice agreed to the fact that we could have a better man for the job, but said he felt the position should not be eliminated. Hohs then withdrew his original motion. Martin Ashman said that after consideration he could not vote on all the Mayor's appointments because he felt the Planning and Zoning Committee needed "new blood." He moved to table the appointments of Wm. King and Lee Tamraz till all cases now under consideration were settled. Mayor Bode said he felt this was a very late hour to do this and by a split decision with Bode's vote breaking a tie the appointments were all accepted.

Lloyd Rainero, League Director, reports that the league opened the week of May 15, with all teams in action.

Wednesday, the Phillies won over the Dodgers, 11 to 6. Bill Egan hit a 2 run homer, and a 2 run triple, for the winner. Scott Boden hit a grand slam homer for the losers.

Thursday, the Reds beat the Giants 9 to 4. Mike Zachary was the winning pitcher.

Friday the Cards beat the Pirates, 9 to 7, and the Cubs were victorious over the Braves, 11 to 8. Steve Frank hit a 3 run homer in a losing cause for the Braves. Phil Bauer batted in 5 runs with 2 triples for the Cubs. Don Pieper pitched a 1 hit ball game and was the winning pitcher for the Cubs.

MNLL Results

Maine – Northfield Little League's senior division opened its season with a shut out, the year's first home run and an extra inning game. George Kaufman allowed only three hits as he pitched Semmerling Fence to their 8–0 shut out over Golf Mill Bank. Kaufman also singled. Tom Knauber and Rick Johnson each doubled and singled and Mark Zoerner had two singles. Danny Sepke and Chris Nuzzo each singled. Wally Pinas collected two singles and Rick Pellegrini one for Golf Mill Bank.

Distinction for hitting the first home run of the senior season goes to Robbie Marcus who belted a long drive over the right field fence for Pilgrim Chrysler Plymouth who defeated R. Ruske Storm Windows 7–6. Mark Taub pitched the first home run ball of the year. Marcus also singled, had 1 RBI and came in to relieve Mitch Glickman on the mound. Glickman had two singles and stole home. Steve Sutphen singled twice and drove in a run and Eddie Radowsky's single drove in two. Alan Mc Avoy and Mickey McCarty each singled in a run and Dave Mac Arthur singled. For the losers Gary Ruske doubled and drove in a run. Taub singled twice driving in one run as did Mark Zoll. Pat Cerney singled twice and John Volpe and Ron Wodka each singled.

In the final senior opening day game it took two extra innings for Polcyn Construction to eke out a 3–2 win over Martin and Marbry Realtors. Al Marabotti was the winning pitcher and Mitch Feldman doubled. Al Willner doubled and singled for Martin and Marbry and Mike Orlando played outstanding defensive ball for the constructors.
