From the LEFT HAND

By David Besser
Editor & Publisher

We've passed this way once before.

Back in June, 1958, we had written about the boys and their parents who were a part of the state championship baseball game, Maine and Niles Township High Schools wound up in the championship game in Peoria in 1958 and the very sentimental column mentioned the devoted parents and the fine boys who participated in the game. A Mrs. Inne, who lived in the Kirk Lane area then ended the column by stating: "You never need worry about boys like these!" and the much younger "Left Hand" added: "You need never worry about boys like these who have participating parents like the Innes."

Some man somewhere said history repeats itself and here in baseball-minded Niles it can certainly be noted we have a re-play of what we noted in 1958.

While the Chicago newspapers reported Niles won 4 to 3 over Olney for the championship Friday, and Coach Jim Phipps capped his silver anniversary as a coach by winning a championship, which had eluded him in 3 previous championship games, and Niles' Barry Mueller was voted the most valuable player in the tourney, and the team stole 16 bases in the 3-game tourney, we sought to find a story you wouldn't find in the metro papers.

'Happiness Is' A Niles Days Parade

On Sunday, July 23, the Village of Niles will present its annual Niles Days Parade. This parade will be the culmination of the annual Niles Days Festival which will be held on July 19 (Wednesday) thru July 23 (Sunday).

In recent years many fraternal, cultural, civic, business, and religious organizations have participated in the Parade, either in the form of a float, musical group, decorated car or marching unit. Of course, the more participants that partake in this parade, the more recognition our fine village receives.

It is realized that many organizations are asked to join in many functions throughout the year. However, it would certainly enhance your organization's image to share in this annual occasion.

This year's parade theme "Happiness Is --" offers an unlimited range in ideas and imagination. Great things are anticipated in this year's display, but the more entrants, the merrier. So, have your organization or business join the festivities, and have some fun!

If you, your business, or your organization would like to be a part of the 1972 Niles Days Parade, just call or write: Mrs. Veda Kauffman, Parade Marshall, 8446 W. North Terrace, Niles, Ill. 60648, Phone: 825-5940.

Rock Concerts to be Held Indoors at Notre Dame

ND TO ROCK; NOT PARK DISTRICT

Residents living around the Ballard Park Sports Complex were given "summer relief" by the park board Tuesday night when it was announced the planned "rock" concerts have been transferred indoors to Notre Dame High School.

At a meeting Saturday morning with village officials park commissioner Jerry Sullivan proposed the Notre Dame transfer which ended the plans for the outdoor concerts.

Former disc jockey Dex Card received permission from the park board to hold about 12 concerts during the summer months at the Ballard Park Complex. The

Kirk Lane Picnic

The Kirk Lane Community Organization is reminding its friends and neighbors June 25, 1972 is the day on which they will hold their annual picnic.

The picnic will be held at Grove #15 in Bunker Hill Forest Preserve.

There will be more details in upcoming press releases. Remember the date, Sunday, June 25.

Blase Suit to be Appealed

Niles village president Nick Blase told The Bugle Wednesday he will appeal the ruling handed down in Judge Egan's court Tuesday in which he refused to define what "primary support of education" means. Blase instituted a suit last year against Maine High Schools and the State of Illinois in which Blase believed the majority of money for public education should be provided by the state, rather than by the present tax from local property taxpayers. The suit was instituted on behalf of Blase's daughter, who attends Maine East High School. Blase said his attorney, Niles village attorney Dick Troy may likely have the case appealed before the state supreme court.

BUGLENOTES...

Dist. 64 Voters Pass 29¢ Tax Hike

A 29¢ hike in the tax rate for School District 64 in Niles-Park Ridge was barely passed Monday by a vote of 4,382 to 4,053.

The increase in the district's educational fund will not be enough to pull the district's budget out of the red and the results of the new income won't be felt until the 1973-74 school year when the tax increase is payable. The funds provided by the increase will be used for such items as teachers' salaries and books.

The results at District 64 schools where Niles residents voted were: Field School, 737-552; Franklin School, 444-504 and Jefferson School, 276-431. It is interesting to note that voters in the Oakton School area turned down the referendum by a vote of 122-180. This school is scheduled to be closed at the end of this school year and the students will be bused to other Dist. 64 schools in the fall due to the lack of funds.

Niles West Baseball Champs

Nilesites Barry Mueller (r) and Paul Klipowicz (l) led Niles West baseball team to the state championship Friday, defeating Olney, 4-3 in the final game. Left-handed Mueller, who posted a 12-0 record this year, pitched Thursday and Friday and was chosen Most Valuable Player in the state tourney. Klipowicz, Niles' third baseman sported a .340 batting average for the season.

Maine Democrats Back Champions

A \$400 check from the Maine Township Regular Democratic Organization will enable the Maine East High school champion debaters to represent Illinois in the National Finals at Winston Salem, North Carolina, June 18-24.

The champion debate team clinched the Illinois State Finals in a two-day tournament last March at Bloomington, Illinois, defeating all Chicago area schools.

Because the Maine East High school Board's policy does not

allow for financial provision outside the state of Illinois, it was unlikely that champion debaters Neil Blumenthal of Morton Grove and Bob Feldhake of Des Plaines would compete in the national finals this month.

Mayor Nicholas Blase, Democratic Committeeman of Maine Township, on hearing of the team's plight contacted Robert Swanson, Director of Debate at Maine East High school, and offered financial assistance, assuring the team's presence at the North Carolina competition.

Blase said, "The Maine Township Democratic Organization has contributed these funds in the spirit of helping our community and its members. We are very proud of our young State Champions and honored to assist them into national recognition."

According to Director Swanson,

"both Neil and Bob have established a record previously unequalled; they are the only two debaters who have ever won all 3 competitions on the State level: the Tournament, state sectionals and finally, state championship. Both senior students have been chosen for the All Chicago area Debate Team and the All-State Debate Team."

The Maine Township Regular Democratic Organization wishes Neil Blumenthal and Bob Feldhake every success in the national competition.

Shown above is, to r. Mayor Nicholas Blase, Democratic Committeeman, Maine Township Neil Blumenthal, Maine East High school champion debater; Robert Swanson, Director of Debate, Maine East High school; and fellow champion debater, Bob Feldhake.

We sat in the living rooms of the Hank Muellers and Florian and Nancy Klipowicz and wondered what made these boys champions. There's hundreds, perhaps thousands of good high school baseball players in Illinois, who never come close to a championship. But Barry Mueller and Paul Klipowicz made it to the top, and we wondered about, "Why?"

In the championship game Hank Mueller, Barry's father, noted his son wasn't pitching well. Hank told him between innings about kicking his foot higher during his pitching motion, and Barry corrected it and went on to pitch a fine game. But Hank Mueller's advice in the title game wasn't what made a champion. Hank has been a part of Niles Baseball Leagues for many years, serving as a commissioner and chairman of the Board during this period. And while the father's dedication led to the son's championship game, there's a level-headedness about the father which has rubbed off on the son. When Barry was pitching badly Friday in the biggest game of his life, the father asked him how his arm was feeling. He told him if there was any pain, he should leave the game. Hank told us: "No game is worth a possible injury."

Mrs. Mueller noted: "Barry listens to his father," and told how he always sought his advice, asking him to pitch with him, when he needed some help.

The Muellers and the Klipowicz' both noted the scholastic standing of their sons as well as the entire Niles West baseball team. The team has about a 3.2 average (4.0 being an A) with Barry and Paul both exceeding the average. While desire and dedication were mentioned several times as contributing to the boys' winning ways, one of the fathers used the 1970's expression, "They have the smarts." While there's no measuring stick to gauge the differences, one father noted the better students seem to carry their efforts onto the playing field. He noted the student-athletes seem to have better learning habits. He thought they seem to apply themselves, make better use of their time, "not dodging away their time."

There's little doubt when young 17-18 year olds reach the finals of any tourney they've a certain "cra!" needed for championship play. Paul Klipowicz has been a great athlete since his grammar school days when he starred on the CYO basketball championship teams at St. John Brebeuf. He learned to play under pressure then, and the championship experiences continued thru the years. A couple of years ago the Lincolnwood Little Leaguers won the national championship and Paul was on that team. The next year they finished second, and both Paul and Barry played in the finals down in Florida. As Paul Klipowicz mentioned: "I know how to pack my suitcase."

And these boys received trophies and awards which kept mounting thru their young years. Paul received a huge baseball trophy this year from the Chicago Old Timers Club, comprised of former major leaguers and their followers. The youth award was given to him alone among Chicagoand athletes for "excellent character and scholastic ability."

Barry Mueller also had an award given to him in 1969, which graces his living room wall. He was selected the most valuable player in a Bell-

wood baseball tourney, an honor he received at 14 years of age.

But the boys played down their awards, as did the parents. When we walked in on the Klipowicz family, there was a Saturday afternoon calm in the house, which was not unlike your home or mine. Mrs. Klipowicz, bandana around her head, was vacuuming the bedrooms. Paul was sitting quietly on the couch with his girlfriend, and Florian Klipowicz greeted us as if it was just another Saturday afternoon. But despite the outer calm, there was much pride in Florian and his Nancy, who joined us in talking about their son's big game. But the talk again drifted away from baseball, as they proudly spoke of their son's scholastic ability. Like the Muellers, their values were on more important matters, though certainly not dismissing the great athletic honors their boy has achieved.

Florian Klipowicz has been a manager and coach in Niles Baseball Leagues for a dozen years, and the entire family has been involved. But they mentioned many people have had a hand in Friday's championship game. Both the Muellers and the Klipowicz' mentioned young Danny Kosiba, who has coached at Brebeuf and in the park district, had much to do with aiding young athletes in Niles. And a Tad Wojcikowski, who coached the boys during their 11-12 year old days. *(Niles coaches credited to the resulting boys' successes.)*

Still another help to the boys was the man upstairs. Mrs. Mueller said Barry has a deep faith in God, brought his Bible along with him to the games, is an active member in the Young Life religious group, and remarked Barry has been given the honor of giving the invocation at tonight's sports banquet.

In a separate interview Paul Klipowicz mentioned prayer several times. Many newspaper people tend to approach this area with a degree of cynicism. But when we asked Paul if he "really" engaged in prayer during the final game he said proudly, indeed he did.

So, Friday's championship game was really a victory for many people. All the men in Niles Baseball Leagues, who've contributed so much thru the years, were in that game Friday. And coaches like Danny Kosiba, who were there thru the years, greatly inspiring the younger kids, were on that field too. And all that past championship experience, with its accompanying confidence sort of culminated the many years in this championship. And there were truly fine human beings, clean-cut boys like Klipowicz and Mueller who have deep abiding faith, who are fine students, and have their priorities in the right order, as they move on in life. And then there's the Hank Mueller and the Florian Klipowicz families, who were all on that field also, whose close relationship with their children has taught them well, and inspired them to such achievement.

It's a truly good story, which transcends baseball. And as Mrs. Inne noted 14 years ago: "You needn't worry about boys like these." And we might add: "You never need worry about boys like these who have participating parents like the Muellers and the Klipowicz'!"

THE CORNERS of Where it's at and What's happening...

By Ed Hanson

As a man who eats all his meals out I know about waitresses. Most of 'em have a TYPICAL smile. Waitresses come, like many food dishes, in assorted sizes and ages. And they vary in temperament and nature, like the weather. Recently I said to a waitress in a posh Niles restaurant, "Are you the same waitress who took my order? Gosh! I expected a much older woman."

Waitresses all have one trait in common. They wait until your mouth is full of food before they ask: "How is everything, sir?" (I've come close to strangling attempting to answer this one.)

And waitresses, like policemen, are never around when you need one. Oh, they provide wonderful service, extra cups of coffee, keep your water glass full and just "pamper" you with service BUT when you're ready to leave, you discover they've given you everything but a check. Then try and find 'em. Then there's the waitress with the "coffee kick." She brings you coffee right off the bat. When you get the meal the coffee is either gone or cold — and the waitress? Why she's on her coffee-break.

Then there's another type of waitress I refer to as the "slammer." She just can't place anything down in front of you without "slamming" it down. From the type of waitress you get her specialty which is half-and-half coffee. That's half in the cup — half in the saucer.

Ever been in a real good but very crowded restaurant? The waitresses w-h-l-z by your table like Olympic speed champions. After waiting 20 minutes recently I yelled at one of the waitresses as she whizzed past, "Say, the food looks pretty good — I'd like to eat here some time." The waitress slammed on her brakes, looked down her nose, saying, "Sorry sir, this isn't my station."

Then there's the tough t-y type. This waitress is usually built like a Sherman tank and has more mileage on her than a model T Ford. She's so fed up with the public and men, in general, and dirty old men, in particular, that she paints a smile on her face with lipstick. And besides, her feet hurt her.

This tough type is usually very efficient because old pro that she is, she's learned to pace herself and save herself trips. She brings the menu, water, coffee and the table setups first time around. She's been known to bash-in the heads of men who send their steak or eggs back causing additional mileage on her poor aching feet. I urge extreme caution in dealing with this type of waitress. I always accept anything the 'tough' type waitress sets before me, tip her generously and leave quietly. I take no chance on having her catch me in a dark alley some night.

Then there's the TYRO TYPE waitress. She's young, inexperienced and just embarking upon the adventurous and rewarding career of "hash-slinging." She's pretty with the bloom still on the rose and she reminds one of a frightened fawn. When she speaks she sounds like she's slightly out of breath. Which is true because she's just done 6 laps around the kitchen trying to stay out of reach of a dark, hairy, beetle-browed chef. But her footwork is so highly developed that even tho this type is inexperienced you get good service from her because of her speed alone.

"Hey Jake, why don't you feature in your fine restaurant, JAKES in Niles, this type of breakfast special: 75 cents HA NG-OVER BREAKFAST, one jumbo orange juice, two aspirins, and our sympathy." Seriously, JAKE'S RESTAURANT features some wonderful "specials" and the service is excellent...

A place that has some real dolls for waitresses is the DOLL HOUSE, 9223 Waukegan rd, in Morton Grove. They're having a "GRAND OPENING" June 9 and 10 and BOB & REG ARE YOUR HOSTS. You'll be entertained by the NO NAMES, and their dining room features Lobster, Steaks, Fowl and Pizza-in-the-pan. Any pretty and shapely young ladies (under 30) who care to give me their autographs can line up in the lounge and if you qualify, I might accept your autograph. Anyway, be at THE DOLL HOUSE June 9 and 10 and forever after...

A place where all the waitresses are superb is ALIPIO'S RESTAURANT, 6474 N. Milwaukee ave., Chicago. ALIPIO'S had a feature write-up recently in CHICAGO TODAY, and every word about the charming decor, food and service was the truth... try it!

Last Friday, June 2 at the LONE TREE, 7710 Milwaukee, Niles, Tony De Vito night was a big smash. And there were surprises such as a belly-dancer, named Francine Chvalovsky who gave two impromptu performances. This gal not only shakes she undulates... she told me she was a Polish-Greek, my, my...

UNCLE MILTY'S sandwich place plans a grand opening if the county ever gets the highway in front fixed... had a hamburger with "everything on" — that was right on...

Another place that has charming and efficient waitresses is "DOWN THE STREET", 6913 N. Milwaukee ave., Niles. Had a snack after 2 a.m. last Saturday at Down The Street and I recommend both the food and service highly.

Waitresses have discovered that money grows on trays. But waitresses do have to put up with some real flakey people at times and do not always receive a fair reward. Some time I'll do a piece on certain types of "dingalings" that waitresses have to put up with. For remember, all waitresses do not get big tips...

Amata, executive vice-president. The circus funds will also enable the hospital to expand its electroencephalography and electromyography patient care services.

Some of the more popular coins included in the new display are \$20, \$10, \$5 and \$2.50 U.S. gold pieces and U.S. silver dollars. Dod Pieper, the winning pitcher held the Phils to one hit in three innings. Giant pitching and hitting downed the Cubs 5-4. Mike Chin hit a solo home run and Phil Wax hit a two run homer. Phil Wax along with Bob Peterson held the Cub bats silent, allowing only 3 hits for the Cubs, two of which were as a result of Don Pieper's continued hitting streak. The Pirates, after their loss to the Reds bounced back and slaughtered the Dodgers 16 to 1. This game was marked by the fine pitching of Dave McCarrell and Tony Thompson. The Cards lost to the Dodgers 12 to 9 and then nudged the Phils 5 to 3 on a bases loaded triple by Steve Morgan. Ray Pindras, veteran manager of the winless Braves has stated that he is developing some fine young players and will soon be in the win column.

The National Division established itself as the stronger of the 2 Niles Pony League divisions as the schedule called for a heavy dose of interdivision play this week. The Nationals won all 5 games over the Americans. This resulted in the oddity of only 2 teams playing better than .500 ball in the American, while no teams are below .500 in the National.

In the upset of the week, the unheralded Lions of Niles Cubs handed the Sony Dodgers their first defeat, 2 to 1. In an air-tight pitching duel between Placko and Albione of the Cubs and Marshall and Patton of the Dodgers, the game was not decided until the final inning. The Cubs then squeezed across the winning tally to give the victory to Albione. Placko and Albione limited the hard hitting Dodgers to only 1 hit.

The MacCleen's Cardinals took advantage of the Dodger loss by sweeping their 2 scheduled games handily, and moved into a tie for first place.

The Cards blasted out 19 hits in whipping the Uniform Prtg. Expos, 16 to 6. Tom Spino led the attack with 4 hits, including a triple. Rick Ruesch and Bob Wood had 3 each as all Cards got into the hitting column. Bob Fergus picked up the win, yielding on 1 hit over the first 3 innings.

NILES BASEBALL LEAGUE

The Nick Blase White Sox held the Cards to a "mere" 11 hits in the next game, but alert play by the Cards resulted in a lopsided, 17 to 1, victory. Tom Spino, Bob Fergus and Jim Filipiak combined to limit the Sox to 1 hit. Jeff Jendrick slammed a home run, and Tom Spino continued his heavy hitting with 2 triples, a single and 6 runs batted in. Meanwhile, in the American Division, the Joe LoVerde Angels clung to first by splitting a pair. They dumped the slumping Lone Tree Inn Tigers, bouncing back from a 12 to 5 licking at the hands of the Blase White Sox.

In the White Sox game, the Angels were handcuffed until the final inning by pitchers Donahue, Renalds and Ury and some fine Sox fielding. The Sox hitters were also in top form as they built an insurmountable lead.

The Niles Pony-Grad Baseball League began their season with a triple-header on Sunday, May 28.

The first game of the season was an exciting one with the Artistic Trophy Pirates facing the N.B.L. Red Sox. Three innings of relief pitching by Dennis McEneryne striking out eight batters and allowing only 1 run, to hold off the Pirates who would not quit after falling behind 6 to 1. Two hits each by Mike Foltz and Mark Florczak, and a booming triple by Todd Peterson, driving in two runs. A clutch single by Jerry Petersen, with bases loaded, drove in two runs. The final score 6 to 5.

The second game on opening day between the N.B.L. Senators and the Golf Mill Chrysler Red Legs, proved to be a real pitcher's duel. Each team yielding 4 hits apiece. Bill Keener allowed only 3 hits and no runs and struck out 11 batters in 4 innings. Frank Cernak followed with 1 hit, a triple by Krippinger with Turk on, by way of a walk, which accounted for the 1 run. Cernak struck out 6 batters. Sam Rea collected 2 hits and Ralph Nagrodes and Chuck Malochieb a hit apiece. Erickson and Fursanski allowed but 4 hits, while striking out 8 Red Legs. A total of 5 walks, 3 by the Red Legs and 2 by the Senators.

The night game featured the Artway Mfg. Astros against Lums Giants. The victor of this game was Lums.

In their first game of the season, it was the Northwest Honda Twins over the Artistic Trophy Pirates 6 to 4. 5 hits, including 2 homeruns, by the Capazzoli boys, Lou, Steve and Bob, was the power that won the game for the Twins over the Pirates. David Eillin and Steve Chamness pitched for the victors. They were backed up by 2 outstanding defensive plays by Craig Christell and Mark Condotti. Bob Schmidt and Art Auffman pitched for the Artistic Trophy team.

In another close game for the Senators, again the big word was "pitching." Excellent pitching by Scott Erickson and Rick Fursanski and two timely hits by Erickson and Mark Parr, enabled the Senators to beat the Lums Giants by a score of 4 to 2.

In a 9 to 3 ball game, the Artway Manuf. Astros were the victors over the Northwest Honda Twins. Dave Scher and Ron Salata pitched the Artway team to victory.

Oakton Ends Season with Win

Front row, l. to r.: Roger Spencer, Larry Teschner, Tom Klett, Pat Fullen, John La Porta, Frank Kochevar, Herb Houndt, Dan Moss. Back row, l. to r.: Bob Egebrecht, Mark Allen, Coach Bob Hale.

Oakton college ended its first baseball season ever with a rousing victory over Wauaubsee college of Sugar Grove, by a score of 12-2. The Raider hitters finally got rolling as they banged out a record game total of 20 hits against 3 Wauaubsee hurlers.

Leading the attack for the Raiders was Kevin Klett who had 3 hits, one being a 350 foot home run to leftfield.

Oakton started their scoring in the first inning as leftfielder Pat Fullen (who was Oakton's leading hitter this year with a 340 average) singled to center and then proceeded to steal second base. Third baseman Jim Buchholz then drew a base on

balls and centerfielder Bob Egebrecht singled to right field scoring Fullen for Oakton's first run.

The Raiders added 3 more runs in the fifth inning as rightfielder Kevin Klett and left fielder Scott Johnson opened with base hits. Oakton put the game out of reach in the sixth inning as second baseman Dan Moss was safe on an error and stole second, Klett then produced his long home run scoring Moss in front of him making the score 6-2. Johnson followed with a triple to center and Buchholz (Oakton's leading RBI man with 14) singled him home. Egebrecht followed with a double scoring Buchholz, and Olsberg hit a sacrifice fly to plate Ege-

brecht for Oakton's fifth run of the inning.

Oakton ended the scoring in the eighth inning as every man in the lineup batted.

Oakton's righthander, Larry Gwaluch started on the hill for the Raiders and went the distance recording his fourth win of the year against four losses. He struck out 13 Wauaubsee hitters upping his season strikeout total to 62. He also had a very impressive 3.05 earned run average on the year.

Oakton finished the season with an 8 won - 10 loss overall record and a 6-8 Skyway Community College Conference record which was good for a fifth place finish in the standings.

Chamber to Print 'The Niles Story'

"The Niles Story" in words and pictures will be published in book form by the Niles Chamber of Commerce and Industry, President Charles L. Barbaglia announced this week.

"We're going to put a new sales tool in the hands of the Chamber," Mr. Barbaglia said. "This book will tell the whole story of Niles and will give us a chance to put our best foot forward in attracting new industry and residents."

"Cost of publishing the book will be underwritten by advertising space purchased by members of the Niles business community," Mr. Barbaglia explained.

The decision to publish a book was reached by the Board of Directors of the Chamber when this program was presented to the Board for approval by Windsor Publications, specializing in the preparation of books on cities throughout the United States.

Shortly, an editorial team from Windsor will begin gathering facts and shooting pictures in Niles. They will cover transportation, utilities and commerce in the city, plus the schools, churches, residential and recreational areas of the city.

The entire project will be directed by a special committee of the Chamber of Commerce and Industry. Gordon R. Fallier of the Yorktown Insurance Agency is Chairman of the committee. Also serving on the committee are: Kenneth R. Scheel, Village Manager; Charles L. Barbaglia of the Bank of Niles and President of the Chamber; Denise Pomeroy, Editor of the Niles Spectator; Robert C. Wordel, Jr., of Teletype Corporation and Mrs. Robert C. Wordel, Jr., Secretary of the Chamber of Commerce.

Anyone interested in obtaining further information should contact the Chamber of Commerce and Industry office at 966-1805.

LEGAL NOTICE

The Board of Commissioners of the Niles Park District will accept sealed bids until June 14th at 12 noon for the paving of the parking lot at the sport complex, 8435 Ballard road. Bids can be delivered to the administration building, 7877 Milwaukee Avenue, Niles. Specifications can also be obtained at the administration building. Questions regarding the specifications should be addressed to Helmut Dressler, 7877 Milwaukee Avenue, Niles, Ill., phone 9676633.

Rock Concerts.

In a third action, which caused much debate, concerned the upcoming roller skating program at the Ballard Park Sports Complex, Park Commissioner Jerry Sullivan suggested all purchasers of swimming season tokens be allowed free admittance to the roller skating rink, Director Helmut Dressler strongly objected to the plan, citing the need to recover \$8,000 cost for the program, Sullivan and Mike Provenzano then withdrew their motion and second. But Commissioner Leske carried on the Sullivan proposal, noting there is a 50¢ charge for roller skates, and he said the tying in the swimming tokens with the free skating admission may hypo the sagging token sales. Leske said the program must be merchandised, and thought such a plan was a good one. But Dressler cited the need for making the program a paying one, noting the purchase of revenue bonds, with the promise maximum revenue would be devised from the program.

Leske disagreed the program had any connection with the bond purchase but commissioners sided with Dressler. Admittance on a daily basis will be 75¢ plus the 50¢ shoe skating cost, with non-residents paying \$1.25 for admittance. A family fee of \$16 for the season can also be purchased.

City of Hope...

Refreshments will be served throughout the evening and orchestra will play for dancing after the second performance, beginning at approximately 11:30 p.m. The Legion Home is conducive to both seating for such a play and intimate dancing. The band will also offer musical selections between performances.

The Bobby Blechman City of Hope Chapter aims to find a cure and assist those suffering from catastrophic diseases. "Glorious Ages of Man" traces in music such segments of man's life as the Newborn, School days, Bar Mitzvah, Matchmaker, First Date, Love and Marriage, the Delivery, Parenthood, Middle Age and Senior Citizenry.

If you are celebrating your Golden Wedding Anniversary in June, go to the attic and dust off your marriage certificate.

The 72 Foremost Liquor Stores in Illinois are awarding six-bottle gift cartons of Royal Monopole champagne to couples residing in the state who are observing their 50th anniversaries in June and who live within 100 miles of any Foremost outlet.

To receive your Foremost Golden Wedding champagne, you'll need your original marriage certificate or certified copy of it and proof of Illinois residency. Application forms for the champagne gift, available at Foremost stores, must also be completed.

This marks the fifth consecutive year that Foremost has played Cupid with champagne gifts to Golden Wedding couples.

And to enable the lucky "newlyweds" to conveniently share their gifts with family and friends, Foremost will make available a gold punch bowl and glass cups at no charge to each Golden Wedding couple who reserves the glassware at least one week in advance.
