BUGLE EXCLUSIVE:

Await Grand Jury's Decision Concerning Arson Charges Against Two Niles Policemen

Charges of "Politics" From Both Parties

SANDTRAP FIRE PROBE 10 MOS. OLD

By David Besser

(TUESDAY) . . . after 2 months of investigation, the digging thru myriad charges of "politics," and the desire for Niles "to protect its own." The Bugle learned exclusively the June Special Grand Jury is expected at any moment to reach a decision whether or not to indict 2 Niles policemen on charges of committing arson.

An abandoned building, the former Sandtrap Restaurant, on the southwest corner of Harlem and Milwaukee, had its 3rd or 4th fire, this time on Halloween night, 1971. Niles officials told The Bugle it was unusual four \$5,000 insurance policies were still in force on the abandoned building at the time of the 4th fire.

Investigation by Niles Fire Department, as well as the state fire marshal's office, indicated evidence the Halloween fire may have been deliberate. The state

fire marshal's office recommended to the state's attorney's office there was sufficient evidence of arson to warrant a grand jury hearing (arson is a state felony offense and all such charges are heard by grand juries). After several months of further investigation (from January until June) the Hanrahan office recommended the grand jury hearing. The special grand jury began hearings three months ago and while the jury can take up to 18 months to reach a decision it is expected a decision may be reached momentarily.

The Niles policemen who are under investigation were riding together on Halloween night. According to Niles police chief Whitney Emrickson, they were temporarily "relieved of duty." It was alleged the "regular" policeman had furnace trouble in his home.

Whenever I think of the first day of school I think of new corduroy pants which made a swishing noise when you walked between the seats in the narrow aisles.

The first day meant great anticipation and meeting all the kids you hadn't seen for many weeks. The first day meant girls' new dresses, and new or polished saddle shoes. And the still warm weather meant lagging pennies on the sidewalk in front of school. And heading for the bushes across the street where a crap game was camouflaged from the school officials.

The warm first day was always a good feeling. It was the feeling of running. You ran in the schoolyard. And you ran past the girls, brushing against them on the sidewalk. In hot pursuit of somebody who had grabbed something from you.

The first day had the smell of the new. The school was freshly painted, the books smelled new, and even the old teachers seemed new. They had on new smiles which somehow lasted thru the first day. And that meant the teacher the

Voter Registration

Philip Raffo, Maine Township Clerk, reminded citizens Oct. 3 is the last day his office will be able to accept voter registrations for the Nov. 7 election. The Township Clerk's office is open regularly on Tuesdays and Thursdays from 9 a.m. to 3 p.m. However, to accommodate Maine Township residents, Mr. Raffo has stated his office will be open for registrations on the last 4 Saturdays of September, Sept. 9, 16, 23 and 30, from 1 to 5 p.m. The office will also be open Monday, Oct. 2 from 9 a.m. to 5 p.m.

Precinct registration day will be Tuesday, Oct. 10. Every polling place in every precinct will be open on this one day as a place of registration from 8 a.m. to 9 p.m. This will be the last day on which registrations for the Nov. 7 election will be accepted.

Drive with Caution on Holiday Weekend

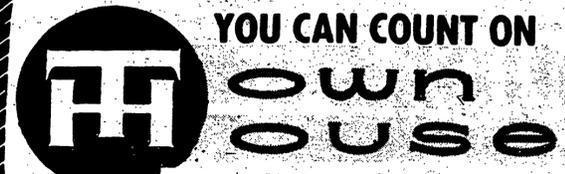

Labor Day, the last big summer holiday, is just ahead. Care-free, fun-loving people will rush

to go somewhere, away from home. Some will never return to enjoy another holiday, if last year's experience is any yardstick. In 1971, the weekend claimed 820 lives in car crashes. Those who leave home early this holiday weekend to beat the early morning rush will create their own pre-dawn jam on high-speed roads incapable of handling a glut of cars. The snarl will start early and is unlikely to ease until the middle of the following week.

If you plan a trip, try driving on the "by-ways" instead of the highways, cautioned the Insurance Information Institute. It may take longer, but chances are you will arrive without the harrowing experience of a near miss or in-

Seek Columbus Day Queen Contestants

Columbus Day Co-Chairman Fred Mazzei and Josephine Bianco issued an invitation to all young ladies of Italian American Heritage to enter the Columbus Day Queen Contest, that will see the winner reign over the Columbus Day Parade on State St. and serve as hostess at the various official functions of the Joint Civic Committee of Italian Americans during the 1972-73 year.

The young female entrants should be between the ages of 18 to 25, unmarried, and a resident of the greater Chicagoland area. The contest will be judged on personality, beauty, looks, and attitudes, and will not involve any phase of a bathing beauty contest.

All entrants will be screened by Mr. Mazzei, Mrs. Bianco, and her daughter Anita. Applicants need only send their name, address, occupation or education, with phone number where they can be reached, along with a photo taken recently. Applicants then should send this information to: Joint Civic Committee of Italian Americans, Room 1612, 127 N. Dearborn St., Chicago Ill., 60602.

Top prize for the queen will be a round trip to Italy, courtesy Alitalia Airlines, plus a host of gifts for the queen and her court from the merchants of Chicagoland.

Tower YMCA Announces Fall Classes

The Leaning Tower YMCA, your Community Center for "Human Development" announces the fall '72 schedule of classes has been completed. An interesting and varied program is available for area residents to choose from. Youth and adults will discover numerous opportunities for self-improvement, relaxation, and recreation during the ten week term scheduled to begin the week of Oct. 2.

Outstanding leadership is offered by the following departments: Hobby, Special Interest, Fine Arts, Aquatic, Sports and Physical education. Prospective students are encouraged to plan their fall program now, and register at least one week before classes begin.

Adult sport and physical education classes (10 week term) will include: Judo, Karate, Yoga, Fencing, American Self-Protection and Women's Volleyball.

Specials for women, "Trimnastics," tennis, and the popular "Lose Weight" program, also "Wait-a-Weys" (for expectant Mothers), "Cardio-Respiratory" conditioning classes for men are being continued with early a.m., noon or evening periods available. "Squash" will be offered for a four week term, and Adult Golf classes are scheduled for 6 weeks.

The Aquatic department (10 week term) for Adults will feature a "Boating Safety" course directed by the U.S. Coast Guard Auxiliary. Progressive Swim Instruction, Scuba Diving, "Aquanastics" (for women) and a swim course designed especially for those who have never learned to swim, called "Land Lubbers" are all set for the fall term including Life Saving classes, Skin Diving, and "Water Ballet" (for women).

Special Interest, Fine Arts, and Hobby classes for Adults (10 weeks), include: Decoupage, Macrame, "Delightful Cuisine," "Learn to Relax," Amateur Radio, "Coffee Talk" (a discussion group on the seven Liberal Arts), "Food Ideas Unlimited" (a consumer-oriented class), Dressmaking, Art, Guitar, Beginner Bridge, Hypnosis, Dog Obedience, Photography, "Modern Jazz Dance and Exercise," Acrobatic Social Dance, and Arabic "Belly-Dancing." "Principles of Successful Investing" a 5 week term (lecture and discussion) regarding the interesting elements, and importance of investing for sound money management is also scheduled.

Local youth will find a lively and outstanding program of classes to choose from. Ten week courses: "Theatre Workshop," Art, Guitar, Acrobatics, and Ballet. "Arts and Crafts" (for 3-5 year olds), and a pre-school program of "Music in song and Rhyme" are also being offered for fall. Youth sports and physical education classes (10 weeks) include: Judo, Karate, American Self-Protection, Gymnastics, Archery, Trampoline, Trimnastics (Girls), Body Building, Wrestling, and Roller Hockey (Boys). Youth Golf Classes are set for 6 weeks.

Youth Aquatic classes (10 weeks) include: progressive swim instruction, Diving, Water Games, Skin Diving, and Water Ballet (Girls).

The Pre-School "Gym and Swim" program for children four months to seven years, one of the Tower YMCA's leading activities is being continued. "Tiny Tots" and "Small Fry" (3 thru 7 years) may be enrolled in the Tower Tennis Club recently organized for this age group (10 week term).

Remember, all classes are scheduled to begin the week of Oct. 2. Early registration is advised.

Registration opens for members on Monday, Sept. 11. Non-member registration will begin on Monday Sept. 18.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, Ext. 536 or drop by the Leaning Tower YMCA, 6300 W. Touhy Ave., and pick up a "Program Services" brochure. (Baby-sitting services are available during daytime classes). The service desk is open daily from 9 a.m. to 9 p.m.

Niles Township Auditors Answer LWV Charges

Charles N. Anderson, Earl Numerich and Jack Slade, Niles Township Auditors, this week answered the charges contained in a letter printed in local newspapers two weeks ago, asking for abolishment of township government.

Ms. Kerchen, president of the Skokie League of Women Voters, and herself a resident of Park Ridge, says in her opening statement "If you were paying twice for the same service . . . a statement completely unsupported by fact" Anderson said. Governments have sought to render better service on a wider basis on every level. Bookmobiles come to those who can't come to the central library, outlying stations supply driver licenses and state plates so everybody doesn't have to go to Springfield and absentee ballots are provided for those who will be out of town on election day, all part of a long list of services. The people of Niles township are no more "victims" than people everywhere who get the services they demand.

"The argument that the township has become obsolete after 100 years of service because all of the township area is within villages is to argue that counties are obsolete because they lie within states and states are obsolete because the entire nation is made up of states," said Anderson.

"Ms. Kerchen says that villages and counties can perform township functions. Why then have villages or counties at all since the Federal government can perform the functions now being performed by villages and counties as well as townships," asked Anderson.

"The township is the only 'inexpensive' governmental body we have, Anderson commented; villages spend millions and counties spend hundreds of millions, and don't they want to spend more?" The argument that the township can "tax us whatever they wish" is jejune, because villages and counties have exactly the same power and always have had. When has a village or a county consulted a taxpayer when preparing its budget? asked Anderson. Until the Legislature changed the law in 1971, the township always had its budget approved by the taxpayers, the only agency to do so. Why now, should the township suddenly run amok in budgetary matters any more than the village or the county? Obviously the argument presented by Ms. Kerchen is fallacious.

"Taxation without representation" as advanced by Ms. Kerchen is just a smokescreen to distract voters from the fact that "our founding fathers" as she calls them, established the township because it performed necessary functions then as it does today.

"The scheme to abolish the township will open the floodgates for another Chicago political raid on suburban taxpayers, Anderson charged. A few years ago, these same elements who seek to abolish the township, sponsored another canard called "Judicial Reform." What does the record show? Hoards of political patronage employees, mostly from Chicago, are lounging around suburban courtrooms while costs have skyrocketed beyond belief. Has law enforcement improved? Not in the least, its just a lot more expensive, and provides more jobs for political payrollers."

"A few years back, these same elements applauded the decision of Judge O'Brien when he put the township collectors out of business. What has been the result? Since that infamous decision, the schools of Niles Township have lost over \$1 million they otherwise would have had.

Is this what we taxpayers who actually live here in Niles Township want? Anderson asked.

"Why hasn't Ms. Kerchen advocated the abolition of local school boards and the creation of one big happy one like Chicago has? Think of all the "duplication" this would save. Perhaps that's on the agenda for next year."

"When the collector was abolished, the county stated in writing that the cost of collecting taxes here in Niles Township was \$290,000 per year. Our township collector had been doing it for \$50,000 per year, said Anderson. Who is paying the extra \$240,000 per year? You, the taxpayers of Niles Township, but it is buried in your county tax bill where you can't see it."

On Dean's List

Northern Michigan University has named 1,266 students to its Dean's List for the spring semester of 1972, citing them for their academic excellence. Included was: Terri Seelos, 8743 Ozanam, Niles.

Initiated

One hundred six graduates in library science from the University of Illinois at Urbana-Champaign and 17 enrolled students have been initiated into the Alpha chapter of Beta Phi Mu, international honor society in library science.

Among the initiates is: Susan Dresback, reference and circulation librarian, Oakton Community college.

Jefferson School Principal

The Board of Education, School District 64, announces the appointment of Mr. Anthony Torres as the new principal of Jefferson school. Mr. Torres began his duties here on Aug. 14. The Board is pleased to be able to secure a person of such high caliber. Mr. Torres holds a B.S. degree in Education from Northern Illinois University, a Master of Education degree from DePaul University, an Educational Specialist Certificate in Guidance and Counseling from DePaul University, and will soon complete his doctorate in Education Administration at Loyola University.

Mr. Torres brings to Jefferson school and District 64 a great depth of experience and understanding of children and the educational processes. Under Mr. Torres' leadership, the Jefferson teachers will maintain and strengthen their fine educational programs and concern for students.

Faculty Orientation Held at Oakton

Faculty and student orientation programs filled the week of Aug. 21-25 at Oakton Community college in anticipation of the third academic year of the local community college. Classes began on Monday, Aug. 28.

"Our objective is to serve our community so well that we achieve recognition as one of America's finest community colleges," Dr. W. A. Koehnline, president, told both new and returning faculty members at a meeting on Wednesday morning, Aug. 23.

Dr. Lena L. Lucchetto, assistant to the president, outlined the steps which Oakton has taken to achieve full accreditation from the North Central Association. A team from the North Central Association will visit the Oakton campus this fall and the college hopes to become a recognized candidate for accreditation in March, 1973. The earliest date that Oakton can achieve full accreditation is March, 1975.

New faculty orientation was held on Monday and Tuesday, Aug. 21 and 22, under the direction of Dean of Faculties Richard Jordan. Dean Jordan addressed the new faculty on both days, discussing "What Oakton Is All About" on Monday and the state and local organization of community colleges in Illinois on Tuesday.

Dean of Student Personnel John Donohue described the student development functions and the student body at Oakton at the Monday afternoon session.

Other staff members who spoke at the new faculty orientation included Joseph Borowski, director of the Learning Resource Center; Peter Krupczak, assistant manager of business affairs; Mrs. Gladys Shute, associate director, MONACEP; Gary Saben, director of data processing; Walter Toporek, superintendent of buildings and grounds; and Robert Gilhe, chief of security.

The chairmen of the four college groups or clusters participated in a panel discussion on the goals and approaches in course planning and teaching. These chairmen are Dr. Edmund Dolan, Group I; John Tosto, Group II; Harvey Irlen, Group III; and Dr. James Butzek, Group IV.

Twenty-two full-time faculty joined the OCC teaching staff this fall. Of these, nine were employed part time last year. In addition, the five faculty members of the Licensed Practical Nursing Program have been transferred from the Manpower Development and Training Act to the college. This program has been housed on the Oakton campus for the past two years, but the college served only as a funding channel.

Oakton Community college will have 91 active full-time faculty members for the 1972-73 academic year and approximately 74 part-time teachers. The latter figure is tentative and subject to final enrollment in all sections of classes. Enrollment for the fall term is anticipated to exceed 3,300 students.

Student orientation and other activities were scheduled on Thursday and Friday, Aug. 25 and 26.

School Days are Here Again!

Rules for Bicycling

"Reading, 'riting and 'rith-metic" are not the only "R's" that students should be brushing up on this fall in preparation for going back to school. The fourth "R" is for rules for bicycling.

Many students will be riding a bicycle to school and between classes this fall; and the insurance information institute advises parents and students to review the many rules of bicycling before endangering their lives and those of others.

The most important rule for bicyclists is to remember to take the cycle seriously. The bike is a form of healthy, pollution-free transportation, and not a toy or plaything. Bicyclists are subject to the same traffic laws as the automobile drivers. These rules include: 1. Obey

all traffic signs and signals. 2. Signal turns clearly, an up-raised left arm for a right turn, an extended left arm for a left turn and a left arm bent downward at a 90-degree angle for a warning that they are stopping. 3. Ride to the side of the road with traffic, not against it. 4. Ride single file when with others on bicycles. 5. Ride singly on the bicycle unless it is a two-seater. 6. Use lights and reflectors on bicycles after sunset. 7. Wear light colored clothing, especially at night. 8. Walk the bicycle across busy intersections. 9. Obey all rules that drivers of motorized vehicles obey pertaining to right-of-way. 10. Maintain the bicycle in good condition so that it won't cause any accidents.

Careful bicycling will earn students at "A" in the fourth "R."

OCC Director of Accounting

The Oakton Community College Board of Trustees at its regular meeting of Aug. 15, authorized the employment of Mrs. Ginger G. Parker as director of accounting services, effective Sept. 11. Mrs. Parker, a resident of Des Plaines, has been an accountant for the city of Des Plaines since 1972. Her previous experience has been as an accountant with the Department of the Army, Joliet, Illinois, and St. Louis Missouri.

Mrs. Parker received her bachelor of science degree in business from Wayne State College in Wayne, Nebraska and has done graduate work at the University of Nebraska. She lives in Des-Plaines with her husband, Wesley.

Consideration will also be given to any unusual circumstances, such as family illness, unexpected expenses due to fire or similar disaster, seasonal unemployment, and similar emergency situations.

Those who qualify will be served a well-balanced, Type A lunch, which will consist of meat or an alternate protein rich food, a serving of two or more fruits and vegetables, bread, butter and milk. Planned to provide from one-third to one-half of the nutritional needs of school children, the meal will be identical to that served to paying students, who will be charged 50¢ daily for the lunch. The food will be well prepared, and every effort made to make it attractive to students.

A letter giving information about the district's free lunch policy has been sent to parents of all students. An application form and information regarding procedures for application have been included.

Families who believe that their children may qualify for the free lunch program are urged to apply. The completed application, signed by an adult family member, should be sent to the principal of the high school the student attends. Such applications will be reviewed within 10 days and the family notified in writing of the decision.

Dist. 207 Tentative Budget Presented to Board

The tentative budget for 1972-73 for the Maine Township High schools was presented to the District 207 Board of Education at its regular monthly meeting Monday evening, Aug. 21. The \$21,008,658 budget is down \$900,000 from last year's budget and reflects cost controls introduced in many areas of school operation.

Board members commended the administration, and especially Harold Markworth, business manager of District 207, for the work done on the budget. "Few people realize the tremendous effort that is involved in preparing a document of this kind," said William A. Bocek, chairman of the Board's Finance Committee. "Planning a budget for a school district as large as this is a monumental task at any time. This year the administration has been faced with an especially difficult job - providing for the needs of a still-growing school population, at inflated prices, yet keeping the district's anticipated expenditures in line with anticipated revenues."

In commenting on the budget, Dr. Richard R. Short, Superintendent of Schools, stated: "This has been a 'team effort' in every sense of the term. A continuing dialogue between district administrators, building principals, department chairmen and staff has resulted in program modifications that have enabled us to bring this budget into balance and still maintain a sound, effective program of instruction. However, while we will be able

to operate for awhile with less than adequate supplies, equipment, audiovisual and library materials, with a cutback in staffing, and with the many other economy measures that have been introduced, we cannot continue to operate under such budgetary restrictions for very long. With a still-growing school system, we cannot possibly keep our expenditures at the current level without doing irreparable damage to our educational program. As we look ahead, we must find ways to obtain additional revenue."

Township residents can view the budget weekdays during working hours in the district's Administration Center, 1131 S. Deer Rd., Park Ridge, until Monday, Sept. 18. A public hearing on the budget will be held on that date at 7:30 p.m. in the Faculty Study at Maine East High school. The budget will be presented for final approval at the regular board meeting immediately following the public hearing.

Matters pertaining to a new access road to Maine North high school were acted upon at Monday night's meeting. The Board of Education passed a resolution authorizing the Board's president and secretary to enter into an agreement with the Village of Niles and the Roadway Commissioner of Maine Township for the construction of a new road, which will be an extension of Deer rd. from the southeast corner of the Maine North campus to Harrison st. in Des Plaines. The Board dedicated a 66' wide

strip of land along the northern and eastern portion of the Maine North campus for the road, and agreed to the annexation of the Maine North site to the Village of Niles.

Funds for the road will be made available through the Township Roadway Commissioner's Office. At the time the school site is annexed to the Village of Niles, that municipality will share equally in the cost of the road.

In other action, the Board denied Student Council requests for the establishment of smoking areas either within the district's four high school buildings or on the school grounds. While recognizing the problems involved in enforcing the no-smoking ban, Board members felt that providing smoking facilities for students would give tacit approval to a habit they believe is a health hazard. The administration was instructed to continue implementing the district's no-smoking regulations.

The Board adopted a proposed resolution to enter into an agreement with the Maine Township Roadway Commissioner for a double seal-coat application on the existing parking lots at Maine North. The process involves spraying a heavy coat of liquid asphalt over existing rock base and covering the asphalt with a heavy layer of rock chips which is then rolled into the asphalt. The cost of providing this all-weather surface is not to exceed \$15,000.

Discuss Oakton Campus

Members of the Advisory Committee on Physical Education and Recreation for Oakton Community college met recently at the college with Dr. Stanton Leggett, educational consultant who is developing a master plan for a permanent campus. Attending the meeting were (l. to r.): O. K. Wilson, retired athletic director, Maine South High school; Robert Kunkel, Director of Parks and Recreation, Des Plaines; Dr. Robert Hale, Director of Athletics, Oakton Community college; James Kohler, Director, Park Ridge YMCA; John Lindberg, Director of Parks and Recreation, Skokie; Dr. Leggett; and Jack Kernan, Director of Parks and Recreation, Park Ridge.

Politte Joins Dist. 64

Alan J. Politte joins Park Ridge-Niles School District 64 as an administrative assistant. Alan, wife Lynn, and three-year-old son Jim, come to our community from Jacksonville, Ill. Mr. Politte's academic training was accomplished at Harris Teachers College and Southern Illinois University. His professional experience includes classroom teacher, elementary guidance counselor, school psychologist, and director of a Title III ESEA Project.

Along the way, Mr. Politte has served as a medic in the Air National Guard and has published several psycho-educational tests and booklets. He is concerned about school-community cooperation and as Title III director coordinated the efforts of the public schools with many community agencies and organizations in order to serve the needs of children. He has also spent some eleven years in scouting and three years as a scout master. In 1971, he founded the Lincoln-Douglas Heritage Trail, a nationally recognized Boy Scout hiking trail. He was recently named "Man of the Year" and received the Jaycees Distinguished Service Award.

As administrative assistant, Mr. Politte will be responsible for a large number of State and Federal projects and reports, assisting with communication and for a large number of State and Federal projects and reports, assisting with communication and research, and will serve as the administrator responsible for coordinating all professional staff employment.

Niles Saints Lose 7 to 0

A costly fumble on the Saint's 20 yard line cost them a victory over the Chicago Gladiators in Saturday night's game at the Notre Dame High School Stadium.

The Saints missed three field goals during the close hard fought game. The Saints out rushed their opponents with a 192 yards to a

100 by the Gladiators. The Saints first official league game will be held Sept. 7 against the Northlake Lions at Notre Dame High school, Kick-off at 8 p.m.

Dick Saint, disk jockey for WLS radio station will be the guest announcer at this game.

3000 Attend Free Fun Fair

An estimated 3,000 children and adults took part in the 1913 style free fun fair in celebration of the First National Bank of Des Plaines 60th year. The fair was held July 8 in the bank's new parking facility at the corner of Graceland and Prairie Streets.

Throngs of visitors enjoyed free refreshments and entertainment under a huge, colorful circus style tent. The children delighted in such attractions as Doodles the clown who distributed free animal shaped balloons, TV star Chief White Eagle who signed autographs and provided informative descriptions of the truths and fantasies of old Indian legends, Sam the Tintype Man took old time photos as free unique souvenirs to those in

attendance. Other big features included Les Marshall's Punch and Judy show; Bill Sweeney, the clown-magician-ventriloquist; and the music of Jimmy Cross and his 4-piece Dixieland band. An old-fashion fire wagon was also on display under the supervision of the Des Plaines Fire Department.

Arthur R. Weiss, bank president, described the turnout at the Fun Fair as excellent. "Now that we are entering our 60th year," Weiss stated, "we at First National have a grateful obligation to the growing Des Plaines community and the Fun Fair was one way of thanking the residents for allowing us to serve their banking needs."

Tynan Named Rubloff Sales Manager

John R. Hess, Vice President and General Manager of Arthur Rubloff & Co.'s North Side Regional Office, announced the appointment of Terrence R. Tynan to the position of Sales Manager of the firm's major regional facility at 2800 W. Peterson ave., Chicago.

Tynan, Assistant Vice President of the Company, joined the staff of Arthur Rubloff & Co. in August, 1962. He is a native Chicagoan and lives at 8020 Lyons in the northern Chicago suburb of Niles. He is a graduate of the University of Wisconsin where he won four varsity letters and was co-captain of the University boxing team. Tynan is a member of the Chicago Real Estate Board and North Side Real Estate Board and has been active as Chairman and member of various committees. He is also a member of the International Council of Shopping Centers,

Prior to joining the Rubloff firm 10 years ago, he was in the sales organization of Metropolitan Structures, Inc.

As Sales Manager of the North Side Regional Office, Tynan succeeds William A. Capraro who recently was named General Manager of the newly established Arthur Rubloff & Co. West Suburban Regional Office in Oak Brook.

Youth Wins Special Olympics Medal

Joann Dina, a member of the Illinois Special Olympics Team from Leaning Tower YMCA in Niles won a silver medal (2nd) during the backstroke swimming event held last week in Los Angeles, part of the 1972 National Special Olympics for mentally retarded children.

There were 3,000 young people from throughout the U.S., Canada, and Europe, competing for medals at the National Special Olympics. They took part in field, track, and swimming events at UCLA Stadium on Aug. 14, 15, 16 and 17.

Conceived and developed by Chicago Park District in 1969, the Mentally Retarded Olympics is co-sponsored in Illinois by the Chicago Park District and the Mentally Retarded Olympian Program, Inc. It is co-ordinated nationally by the Joseph P. Kennedy, Jr., Foundation.

Income Tax Distribution Bozovsky Promoted

Gov. Richard B. Ogilvie today (Friday) announced the distribution of \$8,505,491.99 to Illinois counties and municipalities as their share of state income tax collections for June, and a final total exceeding \$84 million for the 1972 fiscal year.

Municipalities received \$7,205,297.86, and \$1,300,194.13 went to counties in June. Yearly totals were \$71,128,473.94 for municipalities and \$13,216,762.59 for counties, the governor said.

The income tax law requires distribution to these units of local government on one-twelfth the net proceeds of the income on a monthly basis.

The distribution is made on a per capita basis to municipalities while counties receive distribution on the basis of the county population in unincorporated territories. The Department of Local Government Affairs handles distribution of funds.

For the fiscal year which began July 1, 1971, \$84,235,236.56 was distributed to local governments. The total paid for the previous fiscal year was \$77,949,906.01.

The original estimate in the budget submitted in March 1971 of state income tax monies to be distributed to local governments for fiscal year 1972 was \$85 million, Ogilvie commented.

"The importance of this distribution lies in the fact that it was dispensed to the municipalities and counties with no strings attached. Local officials are free to use it for the needs they—and not a bureaucrat in Springfield—consider most pressing.

"This money represents either increased capacity for local governments to serve people, or unique opportunities to reduce local property taxes. In either case, it eases the pressure for increases in local property taxes.

Following is a list of Illinois counties and municipalities, their populations, and the money they have received this year and this fiscal year under the Income Tax Sharing Program.

Des Plaines: 57,239; 43,804.86; 434,393.89; and 405,076.86. Morton Grove: 26,369; 20,180.13; 200,117.60; and 188,336.81. Niles: 32,432; 24,820.13; 245,108.85; and 224,304.24.

846 Cadettes

Mary Ellen Kalas, Patti Weinzierl, and Marion Volencic will be welcomed into Cadettes by Leader Corrine Aklinski and her cadettes on June 8 at Miami Woods.

The entire Junior Troop No. 846 and their families will be there to witness the ceremony and to share the evening with the girls. In addition to the Bridging, Leaders Dottie Wielgus and Annette Plousek will hold Court of Awards and present badges for achievements during the year.

This ceremony will climax a very active year for the troop. They participated in the Living Rosary and worked on a service project during Fun Fair at St. John Brebeuf.

They hiked to and toured Boy Blue Ice Cream Parlor - the Review Newspaper. They enjoyed the Ice Capades at Chicago Stadium and are planning a trip to Springfield in June.

They worked hard on holiday projects, learned needlecraft, hosted and instructed a Borwnie Troop on Junior government, etc.

Ronald B. Bozovsky of Niles has been appointed an Assistant Cashier of the Skokie Trust & Savings Bank, 4400 Oakton St., Skokie, announced LeRoy J. Plazlak, Bank President, today.

Mr. Bozovsky, who started with the Skokie Trust in March, 1959, in the Installment Loan Department, has attended the American Institute of Banking.

Klaus Named Marketing Director

Raymond N. Klaus has been named Director of Marketing for three Lake County area banks.

According to Robert A. Sharpe, President of First National Bank of Mundelein, Grayslake National Bank and Libertyville National Bank, Klaus will direct marketing, market research and business development activities at the banks. The former advertising-public relations manager for Harris Trust and Savings Bank, Chicago, will also coordinate the group's advertising and public relations activities with its agency, Hughes-Martindale and Assoc., Inc.

Prior to his work at Harris Bank, Klaus headed up his own marketing communications company and served with several leading advertising-public relations firms in various capacities. He has been active in the advertising-marketing field since 1952.

But was not all work and no play, for they enjoyed a Costume Party at Halloween and a festive Christmas Party, and soon will be planning to welcome new Juniors into their troop.

The New Expanded Ice Rink Program

Ballard is a registered "Ice Skating Institute of America" Ice Rink and our staff will follow a program that will be beneficial for all people that are interested in learning the true form of "Ice Skating." Figure Skating not only looks like fun, but is fun. What other sport combines music, ballet, jumping, spinning and most important, the art of expressing yourself as an individual. Ice Skating is a sport that is both healthful and social. You don't even need a partner to enjoy yourself.

Skating at Ballard Ice Rink will be divided into different parts. For the very beginner we have our Recreational Program which includes F.S.I.A. Tests. For skaters who follow our program and show an interest in competitive skating, we have our advanced program. This program includes School Figures which are the basic edges, change of edges and turns. All of these movements are a must for further development. Figures require concentration and accuracy. If a child has the ability to obtain these points, he or she will do well in life, as these are the most important attributes for the molding of a young adult.

Our next program is called "Free Skating." Free Skating includes single jumps, double jumps, spins and footwork, all

done to music. This is the most expressive type of skating, the type everyone goes to ice shows to see and enjoy. Just imagine how proud a child or young adult becomes when he or she accomplishes the goal in skating. Our next program is "Dancing." This program will teach the graceful art of dancing on ice. Dancing on ice is great for the adult who feels he or she can't do jumps or spins. Ice Dancing does not require a partner just your enjoyment of music, stroking and edges. By now you are wondering how long it will take to master all the forms of Figure Skating. If you skate several times a week, which you will because it is great fun, it won't take long. Ice Skating depends on the individual's ability and accomplishments will vary with each person. Try skating and I'm sure you'll like it.

If you have any questions regarding this article please feel free to call upon our staff which consists of Siegfried Dursch, Judy Hickey, Pam Meyers and Dawn Himley. We are all interested in making you as comfortable with Figure Skating as we are. We hope to see you for registration Sept. 16, Saturday, from 9:30 a.m. - 11:30 a.m. and Sept. 23, Saturday, from 9:30 a.m. - 11:30 a.m.

Dedicates Washington Terrace Park

On Sunday, Aug. 20, the Niles Park District dedicated its new Washington Terrace Park at the 8900 block of Washington st. The dedication was the culmination of the determined effort and sincere cooperation of the Niles Park District and the Washington Terrace area residents.

The park is a 2-1/2 acre site which was purchased in November of 1970 with funds from the 1968 Park District Referendum. The improvements that have been made in the park include a baseball diamond, with backstop and bleachers, various playground equipment plus several trees which have greatly improved the landscaping.

Future plans call for double tennis courts on the south end of the park, a four foot fence along the east side and outdoor handball courts.

Attending Sunday's dedication were representatives of the Washington Terrace Townhouse Association, Village of Niles, Niles Park District and MEMCO Department Store along with many interested area residents.

The formal dedication ceremonies took place at 10 a.m. followed by a block party for the Washington Terrace residents. Those people who attended the af-

ter-dedication party enjoyed many games with prizes for the children and a carry-in dinner for all.

Swimmers

In weekend AAU swim meets, Niles Park District swimmers churned to victory in their individual and relay events. At the Junior Olympics held in Oak Park, Mike Norberg placed 2nd in the 200 IM and 4th in the 100 meter fly. Mike Borman took a first in that 100 fly and Bill Brennan was 9th in the 100 meter back. Relay teams manned by Mike Borman, Bill Brennan, Scott Bolin and Joe Lunkes placed 1st in the Medley and 4th in the freestyle relay.

At Lansing, Ill., Tim Thompson placed 2nd in the 100 meter fly. Bill Mitchell placed 10th in the 100 meter back, Ken Meyer placed 3rd in the 100 breast and Ray Wieser placed 1st in the 50 meter freestyle. Relay teams with Dan Boshold, Bill Mitchell, Tim Thompson, and Ken Meyer placed 3rd in the medley and 5th in the freestyle relay events.

Niles Art Guild

At their monthly meeting at the Niles Recreation Center, 7877 Milwaukee ave., Niles, on Sept. 6, the Niles Art Guild is presenting Liliane Kirby, a portrait painter who is also equally known for her floral and still lifes.

She has had 6 one woman shows, the most recent at the Beverly Art Center, plus being in numerous group shows including the National Academy of Design in New York City.

She has received numerous awards among them the Gold Medalion Award at the Palette & Chisel Club, 2 bronze medallions and honorable mentions. Everyone is welcome and refreshments are served.

Drivin' 'n Draggin'

The Niles Youth Commission and Mr. Sid Polan of Mr. Phone, Inc., have prepared a program that will emphasize safety in driving and the sport of drag racing. The program, "Drivin' 'n Draggin'", will be held on Thursday, Sept. 7 at 7 p.m. Tentatively, Notre Dame High School for Boys at 7665 Dempster st., Niles, will be the location of this event.

Mr. Polan, whose company represents many racing and speed equipment manufacturers, has worked closely with Commissioner James S. Puccio in the coordination of this program. Over fifteen dragsters, accompanied by their racing teams, will be on display, as well as movies that will recapture the drag racing contests classical of this sport.

Heading the list of racing guests that will be present are: Gary Powell and his Denrom Pro Stocker; Roger Knox and the HJR Racing Machine; Gary Drenk and his E Modified Production record holder and many, many others. Also, free car decals, magazines and T-shirts will be available to those in attendance.

Commissioner Puccio has stated that "drag racing is a healthy, competitive sport, that requires great skill in driving, and mechanics, as well as sportsmanship. I would hope this program will educate our youth that there is a place for speed and fast cars. The drag strip provides people the opportunity to exercise their car's horsepower. Drivin' 'n Draggin'" will show our youth the drag strip is for safety and speed, while the street is to be used only for safety."

MTJC

Family Sabbath services resume at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, Sept. 1 at 8:30 p.m. This weekly Hebrew/English service creates a traditional Sabbath atmosphere. Rabbi Jay Karzen conducts each Sabbath service and delivers a timely sermonette. Cantor Harry Solowin-chik chants the liturgy. An Oneg Shabbat social hour is held following each Friday night service. MTJC also conducts an early Hebrew service each Friday at sunset in the Synagogue Chapel, Jeff Kneller, son of Mr. Melvin Kneller and Mrs. Annette Kneller, will celebrate his Bar Mitzvah Saturday, Sept. 2 at 9:30 a.m. Mincha-Meariv Saturday afternoon at 6:45 p.m.

Saturday night Sept. 2 is Selichot night. A gala dance and membership party, open to the entire community, begins at 9 p.m. An orchestra, entertainment, refreshments and fellowship are on the agenda. At 11:30 the special Selichot is recited. This solemn worship is the only mid-night service of the year — introducing the High Holy Days which begin that week.

Reservations for Rosh Hashanah and Yom Kippur can be made at the Synagogue office daily. Registration for the new nursery school, Hebrew school and Sunday school is in its final week. Membership applications are also being accepted for the new year. Bingo will be played this Sunday Sept. 3, but will be canceled on Sept. 10 and 17 because of the High Holy Days.

CHURCH & TEMPLE NOTES...

CONGREGATION BETH AMI

The Officers and Directors of Congregation Beth Ami extend a cordial invitation to a series of Open Houses starting Sunday afternoon — Sept. 3 from 1 p.m. to 4 p.m. Also, there will be Open Houses on Tuesday through Thursday evenings — Sept. 5 to Sept. 7 — from 7 to 9 p.m. The Open Houses will be held at the Synagogue — 9006 N. Waukegan rd., in Morton Grove.

At the Open Houses, both members and prospective members will have an opportunity to find out more about Congregation Beth Ami's planned programs and events. Such activities not only include Sunday school, Hebrew school, High Holiday Services, Sabbath Services, and Adult Education; but include Special Children's and Adult events. Also, at the Open House, those interested in joining the Congregation may register and enroll their children for Sunday school and Hebrew school as well as select and reserve their seats for High Holiday Services. Refreshments will be served, so try us; you'll like us.

Congregation Beth Ami is a Full Service Synagogue which is designed to meet the needs of modern Jewish families without placing or imposing an undue financial burden upon them. Congregation Beth Ami is dedicated to providing a warm, friendly, and personal atmosphere in which to practice and observe the customs of Judaism in a manner, consistent with our Jewish heritage. The emphasis is on maintaining Family Unity as well as providing an opportunity for Full Participation by all members of Beth Ami. It is a Congregation of People and not one dedicated to the stone and mortar or a building.

Family memberships — including High Holiday Seats — are \$125. Also members will receive free, additional High Holiday tickets for each of their children enrolled in the Hebrew school. High Holiday Seats for non-members are \$35 each. There are no building funds, no special assessments, and no appeals at Congregation Beth Ami.

Congregation Beth Ami will conduct High Holiday Services at the Seven Eagles Banquet Facilities in Des Plaines. Rabbi Byron L. Sherwin and Cantor Michael Farr will officiate. Also, there will be special Children's High Holiday Services.

Don't forget... the High Holidays are extremely early this year. Rosh Hashanah is on Sept. 8, 9 and 10. Yom Kippur is on Sept. 17 and 18. For more information about High Holiday Services and seats, please call Rich Stegel at 674-7487 or the Beth Ami Office at 967-6960.

This year the Congregation's Sunday school is under the expert supervision of Mrs. Otto Wilner and starts with Kindergarten. For more Sunday school information, please contact Mrs.

Wilner at 677-0177 or call the synagogue office at 967-6960. For additional membership information, please call Burt Lichterman at 729-5524 or the synagogue office at 967-6960.

For information about the Hebrew school and High Holiday Services, please call Rich Stegel at 674-7487 or the Beth Ami office at 967-6960.

A New Year Thought

By Rabbi Byron L. Sherwin of Congregation Beth Ami

As almost every Jewish religious holiday, Rosh Ha Shanah, or the Jewish New Year, derives from Biblical roots. During the post-Biblical era, the need to express communal contrition for social and individual sins apparently catapulted this occasion from being a comparatively minor festival to a position of prominence and centrality in the Jewish calendar.

The need for a similar season of national circumspection in the American civil calendar was aptly expressed by George Washington. His hope for a time during which "We may unite in most humbly offering our prayers and supplications to the great Lord and Ruler of Nations and beseech Him to pardon our national and other transgressions" could readily serve as a description of Rosh Ha Shanah.

In the Jewish liturgy, the confession of transgression precedes the request for absolution. The Jew, who recognized no intermediary between man and God, confesses directly to God; for only He can absolve. The confessional is always expressed in the first person plural — "For the sin WE have committed..." — despite the fact that a given individual may not have committed a specific sin mentioned in the communal confessional. This phenomenon expresses a basic assumption which American democracy derived from Biblical religion: all men are interdependent and mutually responsible.

It is now the time for Jewish religious insight and George Washington's hope to become reality. For just as there can be no individual who does not sin, so there can be no people, no nation not guilty of transgression. All America needs what the Jews of America have: a season of national contrition and repentance for the mistakes of the past and the present. Only in this way can we realize the American dream and prevent it from becoming a nightmare.

NWSJC

Informal Friday evening summer services will be held at Northwest Suburban Jewish Congregation on Sept. 1 at 7:30 p.m. Saturday morning, Sept. 2 at 9:15 a.m., Brian, son of Mr. and Mrs. A. Ivin Kaplan will be called to the Torah as a Bar Mitzvah. Mr. and Mrs. Kaplan will host a Kiddush in honor of the occasion.

Saturday evening, Sept. 2 at 11:30 p.m. Selichot services will be held in the new Bet Hamidrash with a social get-together half hour earlier.

First day of Hebrew and Sunday school is Sept. 3. Registration must be completed before that date.

There are still several openings for pre-school children in the Nursery school. For information, please call Rita Orpet at 965-0901. First day of Nursery school is Wednesday, Sept. 3.

A Labor Day Sunday worship service will be held at the Niles Community Church (United Presbyterian), 7401 Oakton St., on Sept. 3 at 10 a.m.

On Saturday, Sept. 9, the Couples Club will hold its opening meeting of the year — a steak-fry beginning at 6:30 p.m. Special guest and speaker will be the Rev. David Kidd, Jr., pastor of the Presbyterian Church of Cadwell, Kentucky, whose work the Niles congregation partially supports. All members and friends are invited to attend — singly or as couples. Phone reservations to the Vernon Johnsons (Y07-9495), evenings.

Glenview Art League Craft Fair

Due to the overwhelming response to its first Craft Fair held last Fall, the Glenview Art League will sponsor a second Craft Fair this Oct. 21 and 22 in the halls of Glenbrook South High school, 4000 W. Lake ave., Glenview.

The Fair is open to anyone wishing to display and sell original, handcrafted items. No commissions will be taken on any sales made. Display spaces of approximately 8 feet x 5 feet will be sold for \$15 per space. A special student section will be made available to those 16 years of age or younger with spaces selling for \$5. These spaces will also be 8 feet x 5 feet.

The Fair will be held from noon until 6 p.m. on both Saturday, Oct. 21 and Sunday, Oct. 22. Among the items being sold are jewelry, macrame, pottery, Christmas decorations, floral arrangements, rugs, patchwork and weaving.

Further information on the Fair is available from Craft Fair Chairman, Mrs. Edward White, 2250 Greenfield dr., in Glenview or from the Glenview Park District, 2320 Glenview dr., The Park District sponsors the Glenview Art League.

Bakalis to Open New Mikva Headquarters

The Northfield Township Citizens Committee to Re-Elect Congressman Abner J. Mikva (D., Ill.) will hold a grand opening at its new headquarters Saturday, Sept. 2, from 3 to 5 p.m., at 1810 Shermer rd., in Northbrook. Dr. Michael Bakalis, State Superintendent of Public Instruction, will be the special guest of Congressman Mikva and the

Northfield Township residents active in his campaign for Congress.

The new township office will be the headquarters for all the Mikva volunteers in the area, who will work with Tom and Elizabeth Polenzani, 4721 W. Lake, Glenview, the political action coordinators in Northfield Township.

Dr. Bakalis said he is supporting Congressman Mikva's campaign for re-election because of the Congressman's experience, knowledge and work in the field of education.

Dr. Bakalis said Congressman Mikva's Fair School Funding Act proposal was an example of his commitment to improving the quality of education for all children.

The bill would generate badly-needed federal aid for local education and take some of the load off local property owners who now bear an unfair burden of the cost of public education.

For more information on the grand opening, contact either Mickey David or Jennie Goldschmidt at the new headquarters, 272-7550.

The Citizens Committee to Re-Elect Congressman Abner J. Mikva now has headquarters in every township in the district. Included are: Maine, 716 Center, Des Plaines, 297-1760 and Niles, 4157 Main st., Skokie, 679-6450.

Flynn.. Honor Carroll for Fine Service

Thomas W. Flynn, the Democratic Senatorial Candidate in the 4th District, recently suggested that the Democratic and Republican Parties of Maine Township join together and honor the 16 years of service Senator John Carroll has given us in Springfield. He said, "I did not and do not agree with Senator Carroll philosophically but I recognize the sacrifice he made in going to Springfield for those 16 years. I think that it is only appropriate that the two political parties offer a testimonial to John Carroll. I suggest that the two Township Organizations organize a Testi-

Pucinski at Maine Demos Meeting

Congressman Roman Pucinski will open his campaign in Maine Township Friday, Sept. 8, at the regularly scheduled meeting of the Maine Township Regular Democratic Organization, to be held at the Bunker Hill Country club, 6635 Milwaukee ave., Niles, announced Michael Lavin, President of the Democratic organization.

Pucinski will be the first of many Democratic candidates to appear before the organization. gubernatorial Candidate Dan Walker is scheduled to appear at a later date along with Congressman Abner Mikva, States Attorney Ed Hanrahan, Michael Howlett, Candidate for Secretary of State, Thomas Flynn, Candidate for State Senator (4th District) and Aaron Brill of Glenview, candidate for State Representative (4th District).

"We consider it an honor to have an outstanding U.S. Congressman and a great candidate for U.S. Senator such as Roman Pucinski at our opening meeting for the Fall campaign. He has been a fighting congressman and will make a great United States Senator," stated Michael Lavin. The public is invited to attend the meeting scheduled to begin at 8:30 p.m. with coffee and refreshments served following the meeting. For further information please call 692-3388.

"Jesus Christ Superstar"

For those who have been awaiting the return of the Electronic Messiah to Chicago... it's almost here! "Jesus Christ Superstar" is less than two weeks away. The celebrated rock opera is arriving at the Mill Run Theatre in Niles on Tuesday, Sept. 5 and continuing through Sunday, Sept. 17.

This is the original concert presentation of "Superstar," produced by Robert Stigwood. "JCS" is the brainchild of two young talented Englishmen Lyricist Tim Rice and Composer Andrew Lloyd Webber. Fascinated by the incredible drama of Christ's life, they recorded a rock opera based on the Greatest Story on Earth. The album outraged some and pleased others, and sold well into the millions. Then almost a year ago, "Jesus Christ Superstar" opened onstage with one of the largest advance

sales in Broadway history. What led to the rock opera's success was its chemistry combining controversy, wit, splendid music with contemporary lyrics, frenetic staging, and drama with the most famous cast of characters in history. As Time Magazine stated, "Jesus Christ Superstar" is "a show that must be seen to be believed — or doubted."

Showtimes are as follows: for the week of Sept. 5 — Tuesday through Friday at 8:15 p.m., Saturday at 7 p.m. and 10 p.m., and Sunday at 4:30 p.m. and 8 p.m.; for the week of Sept. 12 — Tuesday through Thursday at 8:15 p.m., Friday and Saturday at 7 p.m. and 10 p.m., and Sunday at 2 p.m.

ENTERTAINMENT GUIDE

The SPARES

The Spares Sunday Evening club is planning a "Country or Western Party" to be held 8 p.m., Saturday, Sept. 16 at 7306 Palma In, Morton Grove. Our hostess is Jo Glazier.

If you enjoy suburban living with blooming flowers, green grass, blue skies, barbecuing, etc., dress up in your western attire for outdoor living and join the Spares in this yard festivity with dance mixers and games. A sing-a-long is planned with country and western songs directed by Thelma Beard of Rosemont, accompanied by Mildred Rampke of Waukegan. The cost of the party is \$6.

The Spares Sunday Evening club is a non-sectarian, non-profit organization for single, widowed, divorced and legally separated adults. Meetings are held at 7:30 p.m. on the second and fourth Sundays of the month at the Holy Trinity Lutheran church, 2328 Central rd., Glenview. The club serves residents of Lake, McHenry, Cook and DuPage counties with visitors welcome. For further information and reservations call Mrs. Ranes, 724-4267.

Settle Oakton Site Problem

Dear Editor:
The Oakton Community college site problem seems to be forever with us. Isn't it about time that we all recognized that the college must not only be built but be built soon before our state share of funds is allocated to another site? It seems to me that with all the elected officials we have in the seven towns of Maine and Niles Townships that a reasonable site can be selected and a college built for our sons and daughters.

now there, I am not advocating this site but am merely suggesting that it be considered.

Sincerely,
Thomas Flynn
Democratic Senatorial Candidate, 4th District

Find Out What's Going On

Dear Sir,
On Aug. 22, I attended the Niles Village Board meeting. At this meeting was postponed a final decision on the proposed shopping center to be established on Golf near Milwaukee.

A non-resident of Niles spoke out regarding this center saying that it is about time the Village sat down and took a long hard look at itself to decide just what the village's needs and desires are. Do we need more shopping centers? Certainly tax monies from these centers are very beneficial. But what of the traffic and other problems they create?

Not only should we consider the area of shopping centers but all aspects of village planning. Where are we going? The remarks of this non-resident were brushed aside by the board because he is not a Nilesite. I am a resident of Niles and I am sorry that it took an outsider to say what one of us should have said a long time ago.

It is time we took seriously the many changes that are taking place all around us instead of just watching. We can be heard! Attend the Village Board meetings, the Zoning Board hearings or the Park Board meetings. Let your feelings be known. It is so sad to go to these meetings and see only the newspaper reporters who are assigned to attend.

Sincerely,
Mille Jones

Oakton's Foreign Language Classes

Students registering at Oakton Community College have a wide range of foreign language classes to choose from. Classes are available in beginning and intermediate French, beginning and intermediate German, intensive oral German, and beginning and intermediate Spanish.

Oakton's foreign language faculty members are skilled teachers trained in the most up-to-date methods and teaching techniques. Some are native speakers of the language which they are teaching. Mrs. Monika Patel, who will be teaching the intensive oral German course, is a native of Germany. The first foreign language teacher to be employed by the college, in fall, 1970, Mrs. Patel holds degrees

from Gutenberg University, Mainz, Germany, and the University of Caen, Caen, France. Mr. Mario Lopez, of Morton Grove the first Spanish teacher to be employed, came to Oakton in fall, 1971. A native of Santiago, Chile, Mr. Lopez is a doctoral candidate at the University of Chicago. Mr. Lopez cites among reasons for encouraging persons to study foreign languages the expansion of the individual's knowledge and culture. He also states "whether you are a doctor, lawyer, salesman, real estate broker, or mechanic and you deal with the public in general, you can increase your business and your profits by appealing to a larger clientele."

At Oakton emphasis is placed upon the development of all four language skills — reading, writing, understanding, and speaking, with special emphasis upon the development of skill in speaking.

Open registration at the college will be held on Aug. 24 and 25 from 9 a.m. to 12 noon, and from 4 p.m. to 7 p.m. Classes will begin Aug. 28.

The college, which serves Niles and Maine Townships, is located at 7900 N. Nagle ave., Morton Grove.

Persons interested in enrolling should contact the Office of Admissions, Building 3, or telephone 967-5120, ext. 392 or 393.

The King and His Court

"You don't have to be a softball fan to like the "King and His Court," according to Eddie Feigner, founder, mentor and star performer of the diamond's awesome foursome.

The fun will begin at 7 p.m. on Sept. 12, 13 and 14 when the jolly jesters take on teams from Evanston at Thillens Stadium, Devon and Kedzie avenues, in Chicago.

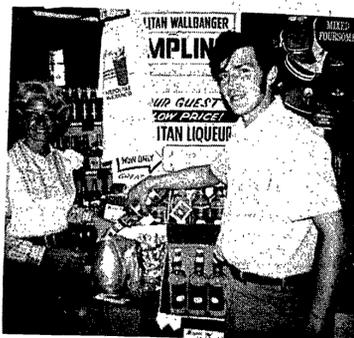

More than half a million fans a year turn out to watch the court entertain, but so far as opposing teams are concerned it is a game to be won. It would be quite a triumph to beat the court, especially when they have chalked up over 4900 victories while suffering less than 10% of their games in defeat.

That record has been compiled since 1946, when Feigner — who is internationally famous as the World's Greatest Pitcher — founded this peerless organization. The 4 man team has brought their brand of comedy in softball to 49 states and have thrilled and delighted ball fans and non-fans on four continents. Pre-sale tickets of \$2 are now on sale at the ball park after 6 p.m.

Niles Nationals vs. Berwyn, Aug. 12. Steve Furmanski pitched Niles Nationals to a 2 to 0 victory over Berwyn. Pitching again dominated with Niles collecting 4 hits and Berwyn only 3 hits. Niles won the game in the fourth inning when Steve Furmanski singled, Brian Scheffler doubled and Jim Berg and Mark Ribenberg singled for Niles 2 runs.

win, Pitchers for Park Ridge were Reibel and Viola and Manuil and Shanley for Arlington. Niles Americans vs. Edison Pk., Aug. 12. The combined pitching of Mike Antonini and Jim Les led the Niles Americans to a 4 to 2 victory over Edison Pk., the Niles team scored all their runs in the first two innings and held the Edison team to 2 runs, with Steve Hanrahan of the Niles team making two great catches in center field.

Arlington Hts. vs. Niles Americans, Aug. 19. The game was the 4th straight victory for Niles 9 to 5. Dan Bustel pitched 6 innings and was aided by great defensive play. Scott Ayers was on base every time at bat and scored 3 runs. Arlington's big hitter was C. Hoffensger with 3 hits.

Park Ridge vs. Arlington Hts., Aug. 12. Arlington Hts. defeated Park Ridge 7 to 6 in an extra inning game. It was a good hitting game for both sides with Arlington Hts. coming through in the seventh inning to take the win.

Park Ridge vs. Berwyn, Aug. 13. Park Ridge defeated Berwyn 7 to 1 behind the pitching of Viola who went 6 innings for Park Ridge giving up only 2 hits, Park Ridge scored 6 runs in the 3rd and 1 in the 4th to take the win.

Arlington Hts. vs. Berwyn, Aug. 20. A close game was played with Arlington getting 2 runs in the last inning to beat Berwyn 3 to 2. The pitcher for Arlington Hts. was Shanley and Swade for Berwyn.

Niles Nationals vs. Niles Americans, Aug. 13. The Niles Americans out pitched and out hit the Niles Nationals to win the game 18 to 1. It was the 3rd consecutive win for the Americans in the tournament. Pitchers for the Niles Nationals were Steve Furmanski, Lane Steek and Goczeski. For the Americans it was Jim Les with a great job of catching by Mike Santowski. The Americans had a total of 14 hits, Steve Hanrahan, Dan Bustel and Jim Sherwood had 3 hits, Scott Ayers and Mike Antonini 2 each.

Niles Nationals vs. Edison Pk., Aug. 20. The Niles Nationals defeated Edison Pk. 9 to 2 behind the pitching of Lane Steek. 17 boys on the Niles team got to play and did a fine job. The Niles Nationals are now tied for second place in the tournament.

Park Ridge vs. Niles Americans, Aug. 20. This final game of the tournament was a team victory for Niles 6 to 1. Niles jumped out to a 3 to 0 lead in the first inning on Dan Bustel's single with Scott Ayers & Steve Hanrahan on base. Niles' increased their lead to 5 to 0 when Jim Sherwood walked, Pete Leddy singled and Jeff Majewski doubled them home. The Niles team accepted the first place trophy, and individual trophies from Dan Kostba the tournament director. The team coaches Bob Majewski, Dan Bustel, Dave Ayers & Marv Jensen gave the game ball to pitcher Jim Les for his pitching performance in this final game.

LWV Files Petition for Referendum

Three Maine Township Leagues of Women Voters, Des Plaines, Morton Grove-Niles, and Park Ridge and members of the Maine Township Citizens Committee filed some 5,890 names requesting a referendum on the dissolution of Maine Township Government. In order to call for the Nov. 7 referendum 4,895 registered voters were needed, 10% of the number voting at the last general election.

With this filing Maine joins three other townships, Niles, Northfield, and Palatine, in calling for a referendum on township government. The League of Women Voters in the three townships and their respective citizens' committees will be mapping a coordinated plan for taking the facts and issues of township government to the people prior to

the November referendum. Also working with the local leagues will be State and County members of the Illinois League of Women Voters. The League has a State position favoring the elimination of township government which the League in its study has found to be a level of government duplicating services. League feels that the remaining services can be easily absorbed by other existing governmental units.

Niles Pools Open Over Labor Day

The Niles Park District announces that both swimming pools (Recreation Center and Ballard) will be open Saturday, Sunday and Monday for the Labor Day Weekend during the regular hours. Labor Day is the last day either pool will be open.

The Park District reminds everyone that purchased a season picture identification card not to throw it away over the winter. That same I.D. card will be used for the public ice skating at the Sports Complex Ice Rink and for public swimming over the next 3 years. The card will be re-evaluated at registration each season which will indicate the fee has been paid.

Fund Raiser

"September Supper," a fund-raising buffet, is set for Thursday, Sept. 7 at Sam Young for Congress headquarters, 9701 Kenton Ave., Skokie.

Frank W. Considine, 165 Thorn Tree In., Winnetka, and Young's sister, Mrs. Richard A. Winter, 885 Waveland rd., Lake Forest, are in charge of the 6:30 p.m. buffet, which will be served on the patio behind Young's headquarters.

Naylor Guest at MGAG Fall Meeting

The Morton Grove Art Guilds first fall meeting will be held Wednesday, Sept. 13, at 8:30 p.m. in the Mansfield Park fieldhouse. This month's meeting is an outstanding one, as we have as our guest speaker, the young, but well known artist, John Naylor. Mr. Naylor is a portrait artist and works in oils. He was raised in Colorado, and studied at the American Academy of Art in Chicago. He is also a graduate of Art Instruction schools in Minneapolis, Minn. John has won many awards and has collections of his paintings hanging in many distinguished places.

Please plan on being there for this fine evening. Refreshments will be served. Members and non-members are invited to attend.

Sandtrap Fire

was dropped off there by the police reservist who then went to his own home to gather some tools, and returned to aid the regular officer. Between 10 p.m. and 11 p.m. allegedly a furnace accident resulted in the regular policeman being severely burned, and he was taken to Lutheran General Hospital, where it was reported he remained for a couple of weeks. There was no report of the incident in the police or fire departments' reports. He had been burned on the hands as well as on his face.

During this same 10 p.m. to 11 p.m. period the Sandtrap Restaurant burned. Because there had been several fires in the abandoned building previously, Police Chief Emrikson, who was riding around the village during the Halloween vigil, told The Bugle he did not consider it serious enough to go to the fire scene. Since 1970 Niles had attempted to have the building torn down. Two days after the Halloween fire it was condemned. The property is owned by T.C. Flanagan, a former Park Ridge resident, who now lives in Wisconsin. Niles records show he has owned the building since 1944 or before. In 1941 these records show the restaurant was owned by H.H. Dunbar and in 1937 Lester Peters was the owner of the property.

In 1939 the building on the property was a gas station, and it was then converted to a restaurant and bar. Niles records show on May 8, 1939 the name of the building was the Hack Wilson Home Run Club. In more recent years it had been Sunshine's Restaurant, prior to it being sold to the Sandtrap Restaurant interests.

In its initial efforts to report this story The Bugle was thwarted on all sides. The arson investigator for the state fire marshal's office originally said this reporter could review the minutes of the investigation. But this decision was overturned and The Bugle reporter was told he would have to go to the state's attorney's office to see the report. An assistant state's attorney said he could not read the report because the case was still under investigation. He said this after the case had already gone to the grand jury.

The political ramifications concerned the men directly involved. The state fire marshal is appointed by the governor who is a Republican. The attorney general's office, under the Republican aegis, is the attorney for the Republican - appointed state fire marshal. When a recommendation comes from this office it goes to the state's attorney's office, which is Democratic.

The lawyer working for the attorney general on this case was Bernard Carey, who is running for state's attorney. Because the Hanrahan office had the case from January to June it was implied it might be held up because of "politics." Niles village attorney, who was representing Niles' interests at the fire marshal's hearing, and who referred to the hearings as "an inquisition," is Dick Troy, one of the attorneys who defended Mayor Daley at the Miami convention, the son-in-law of a major domo of the Cook County Democrats. And since Niles is represented by Democratic Committeeman Blase, and by Democrat direct line into Democrat Hanrahan's office may have delayed any recommendation to the grand jury, which was first recommended by Republican Carey and the Republican - appointed state fire marshal's office.

Oakton Site

ing from door-to-door showed up and gave blood. For this fine work, Chris received a Certificate of Merit. The next blood drive will be held on Thursday at the Julia Malloy School and all are urged to volunteer.

Once again the Shaf Case for a Planned Development Program came before the board and Mr. Marks, atty, for the builder said Marks, attorney for the builder said his client would consider one of the plans recommended by a firm hired by the village to submit alternate plans to the ones proposed by Mr. Shaf. The plans previously submitted by Mr. Shaf called for rezoning for which they seek a Special Use Permit. This was approved by the Zoning Board who made the recommendation to the Village Board. Mr. Marks said if one of his proposals was accepted or if the board would approve the proposal they favored as submitted by the board's expert, Mr. Shaf would then drop the lawsuit he now has pending in the courts. He also said if they can determine the areas in which streets and alleys are to be vacated, they would cut the number of units to be constructed. Martin Ashman moved to deny the request for Special Use and Dick Hols seconded the motion. John Hilkin then said, "I appreciate Trustee Ashman's feelings, but I feel we must take into consideration how the court may rule in a case such as this. If the case is heard in court we can wind up with more than the number of units now proposed." Davis Cohen moved to table the motion for two weeks in order to give all trustees a chance to further study all aspects of this case. The motion to table was carried and a decision was reached to meet on Wed. Sept. 6 in order to go over all of the information presented.

Regarding the vacation of the

older kids had told you about wasn't half as bad as they said she was . . . at least for the first day.

The candy man was a more welcome sight the first day than he was during last spring's days. Somehow you had more money the first day and you bought Mary James or malted milk balls, red hots and jawbreakers, or even a hot dog.

And the first day meant lots of sitting around in restaurants and drug stores and ice cream shops. It meant walking home from school with an endless pack of first days. It meant bags of french fries, with lots of catsup. The first day also meant breaking away from the pack. If the girl of last spring was still the girl for the fall (which seldom happened) you'd stroll away toward home, often taking 2 hours to make the 20 minute walk. We had a park to walk thru, a lagoon to wander down to, and it was warm, and the girl of spring still looked pretty good, and it was the first day of school.

The first day of school meant a new beginning. Every first dayer was pledged to getting good grades, doing all his homework . . . it was a new beginning. And after school, first dayers began throwing around a football. It was hot and sweaty in those long corduroys, but you ran . . . it was a thrill and you caught and you played the first game of the new year.

The first day saw you dressed in those white underwears - like gym suits, and if it was your first year and you hadn't been in a gym suit before you stood around self-consciously, joined in laughing at the fat guys, and the skinny guys. The athletes seemed more noble, grabbing the ball . . . baseball, softball, volleyball or basketball, and did their thing with incredible ease.

The first day before the bell rang we'd all get to school early. While hundreds of first dayers milled about someone would drop a pencil, and contagiously we yelled and hooted at the pencil on the ground. Someone hooped and hollered, someone else danced Apache-style around the yellow stick, and everybody laughed because it was senseless and fun and everyone was together again.

The first day after World War II was a bit different. Freshmen came in all sizes and forms. The green 17 year olds were fellow-classmen with 30 year old fathers. The white bucks and the cashmere sweaters sat next to the GI faded khakis and the washed out field jackets. Leather jackets with worn-out Disney figures and squadron numbers painted across the back sat next to burr-headed high school jocks who had loads of pretty girls surrounding them in the beer hall. First day beer

drinkers included the liberated youngsters, and their first beers which could be drunk out in the open, and the bulky football players from Gary, who must have been majoring in brew-meistering. It's doubtful they saw the inside of any classroom except the gymnasium during the entire semester.

The first day in school also meant taking the kindergarten to her class. And when you came home from work and heard she wouldn't stay in school you just laughed and told her mother to try again tomorrow. When she came home with mother for the second day father took over and stayed with her the third day. You stayed in the room, gradually walked out the door, while those terribly sad blue eyes watched you, ever-fearful she'd never see you again. Outside the door, you peered in, making sure she could see you, and then after awhile you slipped outside, waited awhile, and then slowly walked home just a little bit sadder.

The first day meant riding your bike to school, and riding to a new job after school. You were only 14, but it was much older than 13, and you were in high school, and you had a job . . . which you knew made you older.

First day meant you went up to the gym after school and watched the varsity taking shots long before the practice season started. You just watched, because they were the older guys, and they were the stars of the team, and the familiarity of the past summer on the playground court was soon forgotten when they re-joined their teammates. You'd wow when you were in their gym shoes you wouldn't forget the younger kids just starting out, but they did, and you did, some three years later.

The first day you found one guy who drove a car to school and he was a man to know. And the teachers said to stay out of the car during school hours, and some didn't, and the policeman dragged them before the principal, who called for their folks, who were told their daughters' good names had been jeopardized, just by sitting in the car, and wrestling away some harmless energy.

First days meant after-school notebook shopping, and scissors and paste-buying, those stickers for the notebook paper rings. And first day meant a quick game of pool down the block, juke-box playing, and lots of talk about the summer of '35 or '38 or '42 or '47.

Paraphrasing that old Frank Sinatra song, "It was a very good first day." They were nice to have. And we hope today's first dayers will enjoy them every bit as much.

struction by vacation of 9.2 feet of property which they own and the village agreed it was possible. Hilkin moved to grant the building permit contingent on the carrying out of all proposals made by the builders regarding the vacation of the above mentioned property.

7 General Election will be accepted. The new qualifications for registration are that one be a citizen, 18 years of age, and a resident of their election precinct for 30 days.

Drive Safely

Continued from Page 1
volvement in a multiple-car crash on an expressway. And you may just avoid a monumental traffic jam.

In a national survey last year, the Institute found that people relate higher insurance rates to the large number of accidents occurring throughout the country. To help control costs, each driver is urged to drive "defensively," not only during the holiday but each time he gets behind the wheel.

Not enough drivers are heeding this advice, the Institute pointed out, judging from the fact that 1972 already has set a record for the most traffic deaths during the first six months. The toll of 25,960, a 5 per cent increase from last year, has put 1972 on the road to the dubious distinction of perhaps becoming the deadliest year in U.S. highway history.

Being part of the solution rather than adding to the problem is just another way of helping others - and yourself - to survive.
