## Police Nab Area Men Operating O'Hare Gambling Ring

A \$47,000-a-day gambling operation, which operated from pay telephones in the passenger terminal at O'Hare International Airport, was broken up yesterday, Chicago police reported. Three men were charged with syndicated gambling.

Working on a tip, four members of the vice squad's gambling unit went to the bank of public telephones near the Trans World Airlines ticket counter early yesterday to watch for unusual activities.

Within an hour, according to investigator Richard Shimmers, 3 men answered the phones more than 100 times.

Those arrested were identified as Gerald Glickman, 55, of 9055 Federal Ct., Des Plaines; his nephew, Joel, 37, of the same address; and Edward Masor, 30, of 3930 N. Pine Grove ave.

When arrested, according to police, the men were carrying betting slips indicating \$47,000 worth of business for the morning. Police answered the telephones for a short time and reported taking \$50,000 worth of bets from unsuspecting callers.

# PARK PLANS HOCKEY WEEK IN NILES

By Gary Goodfriend

The Niles Park Board recommended Tuesday night that National Ice Skating Month be celebrated in Niles the week of November 20.

"In the interests of our own rink and in conjunction with the national proclamation, we should participate in the national celebration," Board President Walter Beusse said.

Park Director Helmut Dressler said "special exhibitions, demonstrations and in conjunction with the

You had to be there to believe it.

A week ago Tuesday night we arrived about 10 minutes late at the Maine Township meeting which was held in the high rise building next to Talsman Village on Golf rd. In the township office, a cubicle about 12 feet by 18 feet, 5 township officers were conducting a meeting which bordered on the ludicrous. As we attempted to enter the room a secretary met us at the door and asked if she could help us. When we told her we were there to attend the meeting she climbed over bodies as she returned to her seat. The bodies consisted of one other newsman, as well as about six or seven ladies jammed into the room. We wandered down the hall to a neighboring room where we borrowed a chair, maneuvered it back to the "meeting room" and then placed it in front of the door to the room, where the only empty space large enough for the chair could be found.

## Senatorial Race Finger-Pointing Battle

# Flynn-Nimrod Attack Each Other's Integrity

By David Besser

At 2 separate press conferences the past week 4th district Senatorial candidates Tom Flynn (Dem.) and John Nimrod (Rep.) exchanged accusations which have opened wounds concerning their honesty and integrity.

Thursday, at a luncheon at La Margarita Restaurant in Morton Grove, Nimrod accused Flynn of misrepresenting himself as being an "active member of the American Bar Association and Illinois Bar Association."

Monday, Flynn answered Nimrod by stating all Flynn's literature shows he is a law student though he is an active member of both bar associations, being in the student division of the Illinois Bar Association.

Flynn, angered by Nimrod's charges, revealed he has turned over to the state's attorney information concerning a break-in of County offices which Flynn attributed to Nimrod. Flynn said when the break-in occurred some time back, the offices were "rifled" by those who gained entrance to the offices.

Other charges which flew back and forth between the candidates include the charges of bossism and patronage. Flynn quotes Chicago newspaper articles in 1967 and 1970 which referred to Nimrod as a "longtime payroller and former patronage dispenser of Cook County." A 1967 Chicago Tribune article referred to Nimrod as a "patronage dispenser of Cook County."

## THE CORNERS

of Where  
it's at  
and What's  
happening...

By Ed Hanson

D. Posey who owns some race horses now running at Sportsman's Park told me a funny story. He says he once owned a race horse named Speedy Boy. But it seems "Speedy Boy" had a bad case of the "slows". After entering his horse in race after race for three years "Speedy Boy" never won. In fact, he didn't even come in the money in 50 starts. So the owner dropped into the barn one morning and said to the horse, "Speedy Boy, you're entered in the fourth race today. If you don't win, you'll be pulling a milk wagon tomorrow."

The next day in the fourth race as the horses entered the stretch, the jockey aboard "Speedy Boy" pounded him with the whip furiously. Speedy Boy turned his neck back and said to the jockey, "Take it easy, Mac - I've got to get up at three o'clock in the morning."

So what's so unusual about a talking race horse?

But speaking of the unusual, here's some info about an unusual place. It's the GROUND ROUND, Dempster & Waukegan, Morton Grove. When you're hungry for good food and thirsty for a good time... here's their lineup: On Fridays, the GROUND ROUND offers a Happy Hour from 3 to 6 p.m. And they feature live contemporary rock music from 8 p.m. to 12:30. For the kids its "Yo-Yo" the clown, 6 p.m. to 8 p.m. On Saturdays, in addition to "Yo-Yo" the clown from 12 noon to 8 p.m., there's old time movies of Laurel & Hardy, AND folk entertainment, 8 to 12:30 plus Kiddy meals for 95¢ and a Happy Hour from 3 to 6. Sunday is the GROUND ROUND'S "family fun days" with old time movies, a player piano and free balloons and toys for the kids, AND on Sundays you can watch all the Chicago Bear games. On Mondays the GROUND ROUND presents a fashion show at lunch time with door prizes and the ever popular "Yo-Yo" the clown. Want to get in show business? Tuesday is Amateur night at the GROUND ROUND. You can display your talents or watch those of others. And on Tuesday they offer Chaplin & Keystone cop movies and a special cocktail hour from 3 to 6. (Yes, "Yo-Yo" the clown is around too -- he's always there). And on Wednesday they again provide a luncheon fashion show and door prizes plus a continuous showing of old time movies. An unlimited "fish fry" -- all you can eat for only \$1.49 is offered every Thursday, plus old time movies and other interesting events. Yes, the GROUND ROUND at Dempster & Waukegan Rd., Morton Grove, offers something for everyone every night of the week, in addition to great food and beverages. Tony Bellino is your genial host.

An unusually good play, "The Lion In Winter" starts its third week before capacity crowds at the Country Club Theatre in Mount Prospect. Presentations of "The Lion In Winter" are being staged on Tuesdays through Fridays at 8:30 p.m., Saturdays at 8:30 p.m. and 10:50 p.m., and Sundays at 7:30. To reserve your tickets to this unusually great play call 255-2025.

That unusually good producer of thrillers, Alfred Hitchcock, scores with "Frenzy" a hit-flick currently appearing at Golf Mill Theatre NO. 2. Saw this movie over the weekend and I guarantee it will hold your interest from start to finish. It's the old master Hitchcock at his best.

For unusual values in all types of carpeting, shags, cut-piles, nylons, woods, etc., drop into ANTHONY'S, 3002 Waukegan Rd., Morton Grove. They're holding a big fall warehouse carpet sale during October. They are offering tremendous values on polyester shag heavy carpeting, plush Nylon and DuPont 501 Sculptured and many other types of carpeting... so if YOU need carpeting, ANTHONY'S is the place to go.

An unusual HALLOWEEN PARTY will be held by Jake of JAKE'S RESTAURANT, 740 Milwaukee ave., Niles, on Oct. 31st for all his many friends and customers. Jake, who never stops thinking of new ways to promote his restaurant, told me about a new idea he is already working on. This new promotion will be held in early December, I understand. "What's it about, Jake", I asked him. "It's my first anniversary on December 6th," Jake answered. "I suppose Jake will pull out all the stops on this occasion, judging from his past promotions."

The Angelo family tells me that their new BEAM'N BARREL is doing the volume of business they had hoped it would do before they completely changed their former image. According to Mr. Angelo, senior, their present business volume is far more than he had hoped possible in so short a period of time. The fact that the BEAM'N BARREL has captured the public's fancy so quickly proves that they have the right format and "know-how" for restaurant success.

See you next week...

On Saturday, Nov. 4, the District 67 Parent-Teacher Organization will hold its annual Fun Fair from 10:30 a.m. until 3:30 p.m. in the Golf Elementary school, 9350 Oak Park, Morton Grove.

Everyone is invited to take a chance at playing Bumper Car, Alley Oop, Jar Game, Mini High Striker, Fish Pond, and many more exciting games. The Pocket Lady will be on hand with her pockets full of prizes for the children to pick; and be sure to bid at the auction on an object belonging to a favorite teacher.

"The Bakery Shop" will offer a wide variety of homemade baked goods, including cakes, cookies, breads and pies.

Refreshments, including hot dogs, potato chips, soda, milk and coffee will be served. So, come to "The Land of Alakazam"

and join the fun! Ways and Means co-chairmen are Michael and Diane Zidman of 9138 Bellefort, Morton Grove.

## Musical 'Zorba' at 11th St. Theatre

Sounds of the bouzouki are in the air! It is the musical "Zorba," emerging soon on the Chicago entertainment scene for the first time at the 11th Street Theatre.

Starring in this tender and turbulent musical hit is Gerald Winer, who will play the lead of Zorba. Mr. Winer is well suited for this ethnic role. It's not his first. On three separate occasions, he has starred as Tevye in "Fiddler on the Roof." Playing opposite Mr. Winer is Helen Hansen as Hortense. She has a professional singing background and has appeared in nightclubs in New York, Chicago and other major cities.

Tickets for "Zorba" are on sale at the 11th Street Theatre Box Office. You may also obtain your tickets at all Sears Chicagoland Stores and by mail order. For ticket information, call 922-2941.

The 11th Street Theatre is located at 62 E. 11th St., just one-half block off Michigan Ave. Free parking is available for all theater-goers.

### First National of Des Plaines Posts Operating Gains

The First National Bank of Des Plaines registered an 8% increase in net operating earnings for the first nine months of 1972 compared with the 1971 period.

According to Arthur R. Weiss, president, net operating earnings were \$859,708 as compared with \$796,422 a year ago. Earnings per share amounted to \$1.75 as compared with \$1.64 adjusted for a 2 for 1 stock split, Jan. 9, 1972.

Deposits rose 9.4% to \$103,249,792 as compared with \$94,369,718 for the similar date a year ago, an increase of \$8,880,074. Total resources for the nine months ending Sept. 30 were \$115,999,263 compared to \$109,929,273, same day a year ago.

Reflecting the growth in demand for credit being reported by banks generally, First National's loans increased 27.4% to \$64,407,936 from \$50,544,992. Noted in this gain is the strong activity in the home mortgage area.

Mr. Weiss predicted continued

### Sheldon at Trust Conference

National Bank of Des Plaines, attended a seminar on "Alternatives to Probate" conducted by the Illinois Institute for Continuing Legal Education. The program, held in Highland Park, was attended by over 50 area attorneys.

The past few years have seen an increasing interest by the public in alternative to the formal probate of an estate. Most frequently the property owner is seeking ways in which he can gain protection during his lifetime and simplify the need for administration of his estate with the consequent cost savings.

Participation in programs of this nature is necessary, says Sheldon, to insure that the First National Bank of Des Plaines is prepared to meet the requirements of its customers in the ever changing areas of investment management and taxation.

## LWV Charges 'Needless Delay'

Maine Township Leagues of Women Voters charged township officials of deliberately thwarting the democratic process by causing needless delays on the township referendum.

Mrs. Lorelei Weller, a member of the league's research committee stated that, "It is ironic to hear township proponents claim this form of government is responsive to the will of the people. It is even more ironic to hear them claim this is 'the last bas-

tion of democracy.' After our attendance at Tuesday's township meeting, we are convinced they will use every stalling tactic possible."

At Tuesday's township meeting, the officials unanimously voted not to place the question of dissolving township government on the ballot, virtually ignoring the 6000 people in the township who signed petitions. The leagues in Maine township, as well as Niles, Northbrook and Palatine, are supporting legal action which will force the township officials in the four townships to allow the democratic process which will permit township voters to decide the issue. Another research committee member further stated that "By their actions township officials have demonstrated they are afraid to let the people vote."

## From the LEFT HAND

Continued from Page 1

While the collector, who also happens to be the attorney for the Board, recommended the Board not to approve a referendum to determine whether or not to eliminate township government, the telephone rang several times, which required the secretary to climb over bodies and chairs and speak while the attorney continued uninterrupted. Meanwhile, people were trying to open and close the door, which resulted in my moving my chair several times, while the attorney played on. It was all sort of Keystone Kops' Comedy time. The telephone rang, the door banged against my chair, the climbing secretary answered my chair, the climbing door, and the meeting played on. When the attorney finished, the Board voted unanimously to reject the 6,000 person petition for the referendum, and within minutes the meeting was adjourned.

We told the Board members it was unusual there was no public discussion prior to the adjournment but we were told this is the way it's done at these meetings. When we mentioned the village meetings we cover they allow time for such discussion we were immediately placed on the defensive.

One township officer lambasted the village of Niles, stating Niles annexed unincorporated residents into the village without their approval, and it was more expensive, and it would be better if all residents lived in unincorporated areas rather than incorporated ones. Then, township clerk Raffé wondered why we ran a picture 4 years ago which reflected poorly on the township government, and next he began a tirade against Nick Blase, who he said was behind the abolition movement. Here we were, just trying to defend the people's "right to know," and we're suddenly supposed to defend Niles annexation actions and Committeeman Blase.

In reflection it all seemed somewhat unbelievable. Here are these township guys, trying desperately to hang on to their piece of the action, holding this crammed meeting amidst sheer confusion. Attorney-collector Tuttle noted the summons which were received at the secretary's office were not presented personally to each individual, and thus they were improper, and could be ignored.

In our somewhat naive way we thought since they recognized at a public meeting, summons were issued for the appearance of these officials in court to determine whether or not to hold a referendum, they would acknowledge them. Public officials, who try to avoid the "laws and orders" of the system, certainly should be questioned whether they should represent the public.

We have long believed township governments in our areas should be eliminated. A highway commissioner, taking care of the roads in unincorporated areas is absurd, and a duplication of County efforts. A few guys, trying to squeeze a few more bucks out of an unnecessary government, is nothing short of boondoggling. And the arrogance of officials trying to block a petition, which would allow the taxpayers to determine whether or not they need such a government, is a sad reflection on these men.

No doubt there's a Democratic-Republican confrontation here. But the guys who foot the bills couldn't care less which party has which bits of patronage jobs. And if the Oct. 20 court hearing results in a referendum, which is quite likely, these people who run this closed society deserve little support.

When we attend a hokey meeting, without any discussion or debate, in a room not accustomed to having the public present, we can't help but have a case of antipathy toward these people.

Government conducted in the shadows is no government at all. It's merely a meeting by a bunch of guys and a gal, who use public moneys to perpetuate themselves.

Township government here is an anachronism. It belongs in a past era in another time. We're now in the seventies. These guys who drink at the public trough for their sole benefit should be confronted by the people who serve their drink. Hopefully, Oct. 20, Judge Comerford will agree to place the referendum on the Nov. 7 ballot.

Airman Kevin P. Stowe, son of Mr. and Mrs. Fredric O. Stowe of 7910 Foster, Morton Grove, has been graduated at Sheppard AFB, Tex., from the U.S. Air Force aircraft mechanic course conducted by the Air Training Command.

Airman Stowe, who was trained to repair current Air Force jet

fighters, is being assigned to Peterson Field, Colo., for duty with a unit of the Aerospace Defense Command which protects the U.S. against hostile aircraft and missiles.

The airman is a 1971 graduate of Maine Township East High school, Park Ridge.

### North West Federal's 'Rusty Rooster'

Among other political campaigners at the Cicero-Milwaukee-Irving Park rd. intersection the past few weeks was Rusty Rooster, mascot for the young savers club at North West Federal Savings, 4901 W. Irving Park rd. Here Rusty Rooster just missed shaking hands with Governor Ogilvie who campaigned at six corners an hour earlier.

Rusty Rooster is involved in a campaign to elect the president of the North West Federal Territory. All youngsters under the age of 16 are invited to cast their ballot in the election to be held at North West Federal on Saturday, Oct. 28.

In his campaigning Rusty distributes buttons, posters, and deals to youngsters and signs autographs. He makes personal appearances and greets youngsters in North West Federal's lobby on Monday, Thursday, and Friday evenings and Saturday afternoons.

John D. Reed, president, explains that "the 'Rusty Rooster for President' campaign is aimed at stimulating interest and involvement in current events by boys and girls. Youngsters are helped to get an early start in practicing good citizenship."

## AN OPEN LETTER FROM SAM YOUNG TO THE PEOPLE OF THE 10TH CONGRESSIONAL DISTRICT ON CRIME AND DRUGS

The recent shocking murders in Skokie, Morton Grove and Evanston, all in our District, highlight the need for a Congressman who will be truly representative of our views, and who will support Federal programs to help local government confront and solve the crime and drug problems. Please keep in mind that crime and drugs, while essentially a local problem, also have major state and national aspects.

1) President Nixon, in a major thrust against organized crime, sponsored in Congress "The Organized Crime Control Act of 1970." It provided for special grand juries, immunity for witnesses, prohibition against use of crime syndicate funds in legitimate business, and penalties for bombing of public places. It passed the House of Representatives by a vote of 341 to 26. My opponent, Abner Mikva, voted against this law. On the contrary, I stand solidly for it.

2) President Nixon proposed extremely important legislation aimed at drugs, entitled "The Comprehensive Drug Abuse Prevention and Control Act of 1970." This law categorizes drugs into degrees of danger as to use, it provides for prevention and rehabilitation, and it strengthens enforcement of our anti-drug laws. This Bill passed the House of Representatives by a vote of 341 to 6. My opponent, Abner Mikva, failed to vote for this legislation even though he was present in Congress on the day the bill passed. I am unequivocally in favor of it.

If you support President Nixon and his efforts to bring crime and drug abuse under control, give him a Congressman who will work with him to achieve that great and urgent goal.

Sincerely,  
SAMUEL H. YOUNG

### Young: Ceiling on Scouts Report Camping Record Government Spending

Sam Young, the Republican candidate for Congress in the new 10th District, has reiterated his support of legislation which would set an annual ceiling on federal spending, saying he favors the principle of a balanced budget and elimination of continued reliance on deficit spending.

Young urged his Democratic opponent, Chicago 2nd District Congressman Abner Mikva, to "clarify his position" with respect to the spending limit bill. Young noted that a bill giving the President authority to hold spending to \$250-billion this fiscal year, no matter how profligate Congress may be, was approved this week by the House Ways and Means Committee.

Young challenged Mikva to tell the residents of the 10th District whether or not he is in favor of Congress setting an annual spending limit such as the measure presently under study. Young pointed out that Congress has resorted to deficit spending for 32 of the past 40 years. "Appropriating and spending money without regard to income,"

More than 2180 Scouts from 151 troops in this area have participated in a long-term camping experience, at least from consecutive days of camping — during the last year, according to a report released today by Arthur J. Allen, Scout Executive of the Northwest Suburban Council, Boy Scouts of America.

A total of 1190 Scouts camped with their troops at Camp Neponaw, and 500 Scouts camped with their troops at Namekagon Scout Reservation, and other Scouts made trips that took them to such areas as Canada — Northern Wisconsin — and Phillmont at Cimarron, New Mexico.

In addition to the record number of Scout campers, the Exploring Division of the Northwest Suburban Council reports that 15 Explorer posts with 129 young men and women participated in superactivities totaling at least 5 days and nights. These trips took the high-school-age Explorers to such localities as Phillmont — Boulder Junction — Wisconsin — Canada and the Bahamas.

Allen explains, "A long-term camp is the highlight of the troop's

year when the Scouts may apply the skills they have been learning and dreaming about all year. It is a year's worth of adventure compressed into 6 or more days."

### Warman Supports Mikva

Former legislative colleagues Abner Mikva and Edward Warman enjoy a lighter moment during their respective campaigns. Warman, Democratic Candidate for State Representative (4th District) endorsed Abner Mikva for Congressman of the 10th Congressional District. "A review of our respective records when we served together in the State Legislature will show our voting records to be very similar on most issues. While I didn't support Ab during the primary campaign because I felt at the time a middle of the road philosophy would be more acceptable to the voters in the district his decisive victory proved him to be the people's choice. "I am proud to add my name to those who support Abner Mikva and it is my sincere wish that all who support me will also support a great U.S. Congressman. The voters can have two fighting voices to speak out on the issues for them, Mikva in Washington and Warman in Springfield."

### Flynn Endorsements

The Committee to elect Thomas Flynn State Senator in the 4th District is proud to announce the following endorsements for Tom Flynn.

The Illinois Education Association today endorsed Tom Flynn for State Senator in the 4th District. The endorsement was based upon Mr. Flynn's responses to the IEA questionnaire covering many varied subjects related to education. Mr. Robert Burgess said that Mr. Flynn's concern and interest for quality education in Illinois was evident throughout his responses.

The Illinois Federation of Teachers recently endorsed Tom Flynn for 4th District State Senator. The IFT endorsed Tom Flynn because of his outstanding record as College Professor of Business and Law, his contributions as the Faculty Council President at Amundsen City College, and his excellent relationship with the College Community as the faculty representative for community affairs. Mr. Flynn is a member of the American Federation of Teachers.

Tom Flynn joins a select group of Democratic and Republican candidates for public office such as Dan Walker, and Chuck Percy in receiving these endorsements.

### Walker for Governor District Coordinator

Bob Kooz has been appointed Coordinator of the 10th Congressional District Dan Walker for Governor Campaign. Mr. Kooz replaces Steve Gifford, who is now coordinating Mr. Walker's 12th District campaign. Mr. Kooz graduated from Maine West High school in 1968 and recently received his B.A. degree from George Washington University, Washington D.C.

This past summer Mr. Kooz was involved in the National Young Democrats Voters Registration drive. During the 1966, 1968 and 1970 elections he worked as a volunteer for various candidates in Maine Township, his family has resided in Des Plaines for the past 19 years.

The 10th Congressional District includes Evanston, New Trier, Niles, Maine and Northfield Townships. Mr. Kooz's Political Action coordinators in these areas include Niles Township — Jack Burke, 5851 Lincoln Ave., Morton Grove. During the last few weeks and

Mr. Flynn is the only 4th District candidate to receive both of these coveted endorsements.

The Retail Clerks Union representing over 2,000 clerks in the 4th District and the State of Illinois AFL-CIO today endorsed Tom Flynn for State Senator in the 4th District. The AFL-CIO represents over 13,000 union members in the 4th District.

The candidacy of Tom Flynn was previously endorsed by the Independent Voters of Illinois and the Northeast Illinois State University Legislative Advisory Committee. The endorsements are evidence of the strong advocacy for Mr. Flynn by Republican, Democratic and Independent organizations. His candidacy which is aimed at representing all of the citizens of the 4th District is continually gaining broad based support. A group in Independent Republicans recently formed to assist Tom Flynn. The group is headed by Jim Hansen, a former 4 year member of the Young Republicans, and is interested in hearing from other Republicans who wish to help Tom Flynn. They may reach him by writing Jim Hansen c/o Tom Flynn Headquarters at 8074 N. Milwaukee, Niles, Ill. 60648.

In the next month Dan Walker, or various members of his family, are speaking in the area at Niles East and West, Glenbrook North and South and New Trier High Schools, also the Old Orchard Art Festival, as well as a number of local organizations.

### Troop 82 Paper Drive

Scout Troop 82 of Morton Grove Community church has another paper drive in progress. The paper drive, part of the Troop's environmental program, will end on Saturday morning, Oct. 21.

On this day, those living east of the Forest Preserve to Edens Highway, and north of Lincoln Ave. to Capri Ln. — scout members will make door-to-door pick-up. Please leave the newspaper on the parkway.

Others, living elsewhere, please call anytime: Walter Hildner, 966-5923; Henry Hojnacki, 965-1092; or Larry Schutte, 965-5331.

Marine Sgt. Scott R. Johnson, son of Mr. and Mrs. Sherman W. Johnson, 7443 Main st., Niles, was promoted to his present rank while serving with the Marine Corps Development and Education Command at the Marine Corps Base, Quantico, Va.

A 1969 graduate of Maine Township High School, Park Ridge he joined the Marine Corps in July, 1969.

Trusted David Cohen, active in local Republican township politics, was the first to object to the Ashman motion. He said he thought the action was improper for the village board to take. Mayor Bode supported Cohen contending it was not the function of the Board to "coach" the electorate nor to "editorialize" on the matter. He said it was Board function to provide leadership.

After the League presentation Bode said there should be an opportunity for those opposed to the resolution to state their case and thought another meeting should be had when those opposed could speak. Township auditor Charles Anderson was in the audience but he declined to offer any comments on the matter. Resident Elaine Witt suggested Board members opposed to the resolution should take the opposition position and speak on the matter. But Trustee John Hilkin said, "I'm too busy (with

rod as "Ogilvie's patronage boss..." Nimrod contends Flynn is a "patronage employee" in the Cook County Planning Department and he works for the Cook County and the County Democratic Organization. Nimrod also accuses Flynn of being a "full time" job holder while being classified as a "full time" student at Kent Law School.

Flynn says he attends the school as a special student, taking six hours a week of law school studies. Flynn contends he works after hours to make up for the one hour classes three times a week in the morning and uses his lunch hour to make-up the other classes at 1 p.m.

Flynn accused Nimrod of holding three political jobs at one time but Nimrod admits to only two. He said he is elected Niles Township supervisor and the assistant chairman of the Illinois Industrial Commission. When Nimrod says he worked 60 to 70 hours a week on these jobs Flynn scoffs at the hourly amount saying: "Who is kidding who?"

Flynn, angry at the Thursday Nimrod meeting, said he is "stuck and tired of what this... is doing to me." Flynn then cited several telephone calls he has received late at night, said his opponent and his wife have campaigned in Skokie, and said opponents such as "Communists" and to Flynn as having emanated from the Skokie meetings.

Flynn has accused Nimrod of not being actively on the job at his Illinois Industrial Commission job and Nimrod said it is not true, that he has had a leave of absence since October 1, but had been present every day until then.

Flynn also accused Nimrod of being in charge of past political

**MG Board**  
introduced the resolution which was supported by trustees Ed. Brice and Richard Hols. But after several attempts to delay the vote until after all sides aired their opinions on the matter village president Bode broke a 3 to 3 tie by voting the decisive dis-senting vote.

League of Women Voters president Ruth Baum read a position statement seeking to receive support from village officials. The local LWV has been studying township government for the past three years and has concluded Maine and Niles Township governments have no justification for being retained. In seeking support from the Board she noted the elected officials are concerned about tax relief and urged them to support the resolution. She said Niles Township spends \$97,000 a year but only \$23,000 for services not rendered by the villages. In Maine Township she cited residents will pay a half million dollars for services which are duplicated by the incorporated areas.

Trustee David Cohen, active in local Republican township politics, was the first to object to the Ashman motion. He said he thought the action was improper for the village board to take. Mayor Bode supported Cohen contending it was not the function of the Board to "coach" the electorate nor to "editorialize" on the matter. He said it was Board function to provide leadership.

After the League presentation Bode said there should be an opportunity for those opposed to the resolution to state their case and thought another meeting should be had when those opposed could speak. Resident Elaine Witt suggested Board members opposed to the resolution should take the opposition position and speak on the matter. But Trustee John Hilkin said, "I'm too busy (with

fund-raising which resulted in the absence of \$40,000. He also said Nimrod "defied the Internal Revenue Service" which Nimrod also denies.

Nimrod was also accused by Flynn as being a part of the Kenron Company in Niles which became bankrupt about three years ago. Flynn left the implication Nimrod's mismanagement contributed to the bankruptcy.

Nimrod said Flynn calls himself a "professional planner" and he is not even listed in the 1972 directory of the only planning association in the United States. Flynn displayed a certificate which he said proves his status as a planner.

Nimrod also contends Flynn has listed himself as a "professor" in a League of Women Voters compilation but he was only an "instructor" in a Chicago Junior College. Flynn said he didn't know where the LWV received their information but pointed to his campaign literature which showed he used the term "teacher."

strations and hockey games will highlight activities during the week."

"We also want to create a greater interest on the part of girls and women in the sport, especially figure skating. I think they sometimes feel neglected by our other sports programs," Mr. Dressler said.

Dressler also told the Board the Ballard rink will be open past midnight as soon as the enclosing project there is completed.

In other actions, the Board approved the relocation of an emergency alarm phone from the front entrance at Grennan Heights to a utility pole southwest of the baseball field on the parkway. The phone was moved due to vandalism and false alarms by juveniles.

The Board also approved the Maine-Niles Association of Recreation for the Handicapped. The approval will be presented at the Association's next meeting on November 14.

Commissioner William Keener told the Board the fencing pro-

ject at Kirk Lane should have started yesterday. The project had previously been delayed by bad weather.

A request by the Orion Model Rocketry Club for park area for a public launch was temporarily denied by the Board until the club adequate insurance for any possible mishaps. President Beusse did tell Ryan Grimm, of 7519 Nora, who was representing the club, that the Board encourages

the club activities and will provide space as soon as the club acquires the necessary insurance.

Beusse also announced the Annual Halloween Parade and Concerts will be held at 1 p.m., Saturday, Oct. 28, at the Oak School, 7640 Main st.

The Board decided to cancel its next meeting, which was scheduled for Nov. 7, Election Day. The Board will meet next on No. 21.
