We tried to find a gift for you to match the elegance of our new building

We have the building
Our new Norwood Savings building has been designed to match the elegance of our new building. It's something that we've been building up for years, continuously adding to it with new features. The building is equipped with everything a customer could want, from a state-of-the-art security system to a comfortable lobby. We think you'll love it, and we think it will certainly impress you. We know you will love it.

We found the gift
The beautifully styled, distinctive gift that goes well with our magnificent new building is the Norwood Savings gift. It's a perfect addition to any home, and it's sure to make a statement. The gift is available in a variety of colors and styles, and it's perfect for any occasion. Whether you're looking for a gift for yourself or someone special, the Norwood Savings gift is the perfect choice.

How to become KING of the castle

with a comfort-making AUTOFO MIXER POWER HUMIDIFIER

There's a unit to suit your heating system, your living conditions, automatic, and easily maintained. With waterlines and humidifiers, your home will be perfectly humidified. A comfortable and healthy home is just a step away.

New services are the keynote of Norwood's splendid new facility. There's a new large office space, to house customers, with new privacy-control counters. Walk-up teller service. Drive-in service. Here, expanded parking for 125 cars. A new telephone banking is a feature that allows you to do your banking at your convenience. You can call and have a representative bank for you. And the little park we plan out front is a feature that we think you'll love. It's a perfect place to relax and enjoy the new building.

When you come in to celebrate our exciting Grand Opening, you'll receive a gift. We've arranged for you to have everything you need. We're open from 9 am to 9 pm on Saturday, and we're open from 9 am to 5 pm on Sunday. We've also arranged for you to have a gift for yourself. And we think you'll love it. We've arranged for you to have a gift for yourself. And we think you'll love it.

We’re changing at First National Bank of Skokie. Changing
for you. Changing for the better.
As the interim phase of our new construction nears comple-
tion, we’ve taken on a new look in many ways. Expanded
offices. Expanded customer service areas. Expanded parking.
And all of these are a tribute to the growing financial stabil-
ity and sophistication of our customers.
Our new symbol attempts to re-create that progressive, dy-
namic and modern sophistication. We like to feel that our
new mark represents what you might think of us.
We hope you like it. After all, it was designed for you.

The college maintains an "individualized program" that allows credit equivalency for these learning experiences other than formal instruction. The program operates through instructors, and credit may be awarded for non-transferable credits earned at non-traditional educational institutions. Advanced Placement Program credit earned by examination or non-recognized institution credit for health and physical education in non-traditional ways, such as military service schools, may be accepted by examination in a departmentalized manner.

Any veteran who has completed 45 credits or 18 months of active duty in the armed forces may later attend Oakton to gain credit for learning experiences other than formal instruction. This credit is a means of demonstrating college-level education In non-traditional ways and is not included in the grade point average.

Individual students are able to proceed at their own rate of the College Entrance Examination Board of Trustees on Nov. 21. Students should contact their high school counselor for information about these programs. Students may also be advised for group projects or extracurricular activities taken through the United States Armed Forces Institute. In addition, certain learning experiences other than formal instruction may be granted credit equivalency. A student's curriculum are candidates for college level credit earned by the College Level Examination Program. These students should contact their counselor for information about these programs. Students may also be advised for group projects or extracurricular activities taken through the United States Armed Forces Institute. In addition, certain learning experiences other than formal instruction may be granted credit equivalency.
