Bizarre Park Board Election

LESKE'S AIM TO STOP CHAMERSKI

By David Besser

Another bizarre chapter in Niles Park board history is taking place this year with the announcement by Commissioner Jack Leske he is running for reelection to block the election of former commissioner Steve Chamerski.

Leske, perhaps the most honest and blunt public official we've ever known, told *The Bugle* Tuesday he didn't want to see Chamerski elected because he doesn't want to see the park district return to the years of 1965-66.

During the mid-sixty period Chamerski was in the center of the Tam O'Shanter Controversy, Chamerski, who told this reporter, "If it weren't for me there wouldn't be any TAM," was described by Leske "as just not big league." Leske said Chamerski operated with an iron hand and meddled too much in the everyday operation of the District, Leske said Chamerski doesn't understand the role of a commissioner is to provide leadership, not to enter into disputes with employees, telling them what to do, and getting into the everyday operation of the district.

Leske said Niles park district

Oakton Art Show

The first annual Oakton Student Art Show will be held in the Building 4, Interim Campus, from Feb. 5 through Feb. 28.

All students at Oakton Community college have been invited to submit art or photographs for the month-long exhibit. A jury will select the works to be shown.

Members of the jury will consist of the members of the art faculty. They are Ellen Griffith, Oak Park, Anita Kushner, Wilmette, James Kangles, Chicago, Bernard Krule, Skokie, and Robert Stanley, Chicago.

All art works must be submitted by Feb. 3.

From the LEFT HAND

By David Besser
Editor & Publisher

The subject is Parks

Morton Grovers head for the polls Saturday to vote on acquiring 13 to 16 acres of land in the Waukegan-Dempster area. A community center-indoor ice rink facility would be included among the park facilities which would include outdoor areas for recreation.

We will be voting in favor of the referendum, and hopefully enough other Morton Grovines will be joining with us to approve the recreation proposals.

In our 15 years of publishing *The Bugle* in Niles we've been involved in many park referenda. One time we opposed a large park where the Lawrencewood Shopping Center now stands. We will long rue our poor judgment in that effort.

In the early 60's we were dismayed at the poor judgments being used by Niles park commissioners. One board member was alleged to be hankering with park district funds, and another official was running around the village with municipal license plates on his car, replete with all the regalia of a self-appointed police chief. It was silly time in Niles where a middle-aged man was playing "top cop" with park district funds. Watching the officials week after week slugging it out with village officials over irrelevant problems, added up to a lack of confidence in these officials' actions, which led to our opposition of the park. It proved to be a mistake.

In subsequent years we've seen equally incompetent actions by park board members, quibbling over the Tam O'Shanter agreement, and the buying of property at outlandish prices. Nevertheless, despite all the costly mistakes, we've learned a hard and true lesson. The postponing the planning for parks, and the subsequent purchase of land for

Continued on Page 34

Campaign Co-Chairman

Todd Ewara, 7139 Ewen st., and Leonard Eorkowski, 7054 Crennan, Niles, have been appointed campaign co-chairmen of the Era of Challenge Party. Ewara (L) and Eorkowski (r.) are pictured with Village Clerk Frank Wagner, Jr. formerly filling the positions for the Era of Challenge Party.

Niles Mayor Nicholas Elise will head the ticket for re-election to a fourth term. Tomasz Kozicki is seeking his third term, Peter Paszko his second and Jerry Skaja his first full term. Completing the ticket is Frank Wagner, Jr. seeking his second term as Village Clerk.

Shaf Disputes "S.O.S."

(Shaf Builders News Release)
Rep. Shaf, beleaguered Morton Grove homebuilder, fought back at what he termed "misleading" statements from the Save Open Space committee.

Shaf, unwilling center of controversy because of his proposed "Morton Grove Greens" building development, lashed out at his opposition.

"In her statements to the press last week, Mrs. Joan Decker, continued to mislead the people of Morton Grove by quoting the

value of my property at the ridiculously low figure of just \$500,000," Shaf said.

"The key phrase in her deception is the value of the property as presently zoned. She knows very well that the Morton Grove zoning and plan commission has already recommended a re-zoning of this property and that substantially improves both the use and the value of this land," Shaf continued.

"I have already been offered — and have turned down — \$500,000 for just the small parcel fronting on Dempster st. Let me repeat what I said last week . . . I am confident that a just court settlement — which I shall seek — on just the value of this property will far exceed the total 2.9 million dollar bond issue!"

An angry Henry Ages, Shaf Home Builders vice president, pointed out that "this is just the beginning of the deception of the people of Morton Grove."

Ages cited some examples of the "deception" he claims is being carried on by both the park board and the "save open space" committee:

1. The people are being told that Morton Grove is "short" of open space.

The truth is that Morton Grove is one of the most "wide open space" communities in the Chicago area with almost 35% of the village devoted to both forest preserves and the present park district. "Other communities should be so fortunate."

2. The S.O.S. canvassers are using the scare term "high-rise" in referring to the Morton Grove Greens development.

The truth is that our project will be no higher than similar developments in Morton Grove already constructed!

3. The people are being told that the total cost of the bond issue will be 2.9 million dollars.

The truth is, as every voter knows, that interest must be paid on this loan — making the real cost to the taxpayer a total of \$4,500,000 over the next 20 years! And this figure does not include the cost of upkeep and maintenance of the loan — nor does it include the cost to you, and every time we want to make use of the facility!

Ages continued, "a good number of phone calls we have received at our offices are from residents concerned with our young people. Youngsters who have been born and raised in Morton Grove — are now getting married — but are forced to leave the community because of the high cost of homes in our area. "Morton Grove Greens" will also provide answers to our young people — the opportunity to remain in Morton Grove — in fine housing — but at a lower cost than having to buy a home."

Shaf concluded, "as every resident of Morton Grove knows, our cases are spiraling every year without a costly tax-eating sink. I'm asking my friends and neighbors not to throw a wrench in our community. I'm asking them not to reject \$4.5 million for another tax-eating sink. We simply don't need another increase in taxes — but we certainly do need an increase help in tax relief. The "Morton Grove Greens" development will provide just that!"

Flotilla 3-2 Election

Flotilla 3-2 recently held their election of officers for the year 1973. Elaine McCaffery of Morton Grove was elected to a second term as Commander. Her corps of officers are: William Comstock (Park Ridge) Vice Commander, Marjorie Comstock (Park Ridge) Secretary, Grace Munro (Palatine) Treasurer, Richard Volny (Chicago) Membership Training, John Fahn (Lake Zurich) Courtesy Examination, Stanley Kowalski (Niles) Public Relations, John T. Robertson (Joliet) Communications, Marlan Hansen (Niles) Fin-Var, Eugene McCaffery (Morton Grove) Public Education, Robert Lidinsky (Des Plaines) Operations, John Scott (Winnetka) Publications, Alice Verbeck (Prospect Heights) Membership Growth, John Johnson (Franklin Park) Career Coordination, Kenneth Munro (Palatine) Materials.

The motto for Flotilla 3-2 is WORK, and HARVEST as a result for the boating public.

The Coast Guard Auxiliary is composed of Flotillas, and is the civilian arm of the United States Coast Guard dedicated to the promotion of safety in recreational boating.

Rotary Initiates New Members

According to Morton Grove Rotary President, Syl Phuzynski, the Club recently accepted as new members, Ed Littrel and David Cohen. The Rotary is an international service club that boasts over 15,000 clubs throughout the world. Ed Littrel is a resident of Glenview but is employed by Illinois Bell in Morton Grove as their District Installation Manager for commercial and industrial phone services. He has worked for Bell for over 21 years starting out as an installer and gradually moved up the ladder to more responsible positions. He has been a salesman, sales manager and marketing manager previous to his present position. Littrel is still a reserve officer in the Marine Corp and served for 9 years in active duty in the Korean conflict. Combining both active and reserve services, Ed has 15 years total in the Marine. Littrel resides with his wife, Elaine and his 5 children at 1512 Davis st., Glenview.

David Cohen is a long time resident of Morton Grove residing on Keok st. across from Keok Park with his wife, Margie and 2 children. Dave is an attorney and is licensed to practice before the Supreme Court of the U.S., the U.S. District Court and all Illinois courts. Dave is a graduate of the University of Illinois obtaining a BS degree in Science in 1959 and his law degree in 1963. He has many civic activities to his credit and is presently a Trustee of the Village of Morton Grove and will soon be seeking re-election to that post this Spring. He was Administrative Assistant to the Cook County Board of Commissioners from 1966 through 1970. He belongs to some half dozen legal societies and fraternities connected with the practice of law.

The Morton Grove Rotary meets every Thursday afternoon at 11:30 a.m. at the home of Ed Littrel's wife, Margie.

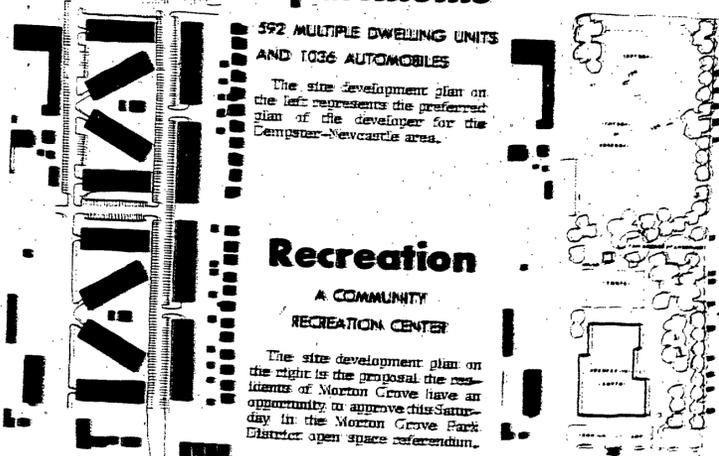

Howe more, Rotarian Dick Lewis, far a number as new Morton Grove Rotarian, Dave Cohen (dishes with the membership at the Morton House, New member initiated with Cohen was: Jack of Illinois Bell.

Hendee on School Magazine Board

Dr. Raymond E. Hendee, Superintendent of School District #4, along with five other outstanding U.S. educators has been

selected to serve on the Editorial Advisory Board of School Management magazine. The January issue says the following of Sgt. Hendee: "Dr. Hendee has had 20 years of experience as a teacher, principal, Assistant Superintendent and Superintendent. He is leader of one of the outstanding elementary school districts in the mid-west and a member of the Board of Directors of the Association for Supervision and Curriculum Development."

Legal Notice

Notice is hereby given that nominating petitions for membership on the Board of Education of Moline Township High School District #27, Cook County, Illinois, for members to be elected at the annual election on April 14, 1973, will be received by Harold Marlowitz, Secretary of the Board of Education. Petitions will be accepted by the Secretary at the High School Administration Center, 1131 South Dear Road, Park Ridge, Illinois, from February 12, 1973 through March 22, 1973, between the hours of 10:00 a.m. and 4:30 p.m. The office will not be open on Saturdays and Sundays. Nominating petitions forms may be obtained at the Secretary's office.

ND Foilsmen Midseason 13-0

With one meet beyond the midpoint in the season, the Notre Dame foilsmen are 13-0. Notre Dame faced Maine South for the second time this season and defeated them at both levels. The Hawks won one bout on the A like last time. The only difference is that the win came at the expense of the Captain, Terry McConville who ended his undefeated string at 34-1. The ND B team won the meet with Kirby Rassenfoss doing the honors, but the South team took the strip 6-3. This is the first time this year the B team lost the strip. Bill Kica, the only other undefeated fencer, also lost his streak at 27-1. There are no undefeated fencers on the varsity anymore, and there is only one on the frosh-soph, but he is not a starter. The varsity won 11-7.

The frosh-soph had a field day again. The A strip went 9-0, and the 3 starting B strip fencers were all 2-0. The 2 losses came at the hands of substitutes. The final score was a crushing 16-2. Maine South freshmen picked up one more bout over last time.

Leaders on varsity are: Terry McConville, 34-1, Pat Gerard, 27-8, Tim Glass 29-06, Bill Kica, 27-1. The frosh-soph leaders are: Mike Sciorino, 17-1, Mike Gerard, 16-2, Garry Gronke, 15-3, Steve Basista 11-1, Gary Brown 11-1, Chris Nickle 15 5-1 and has made a fine comeback in his 3 meets since suffering a major accident a month ago.

The 3 Gerard brothers were all undefeated for the day, 3-0, 2-0, 1-0, so they mustered 7-0 wins for the day on their respective strips and levels.

Varsity Wrestling

Maine East's varsity grapplers have now extended their win streak to 23. The team is 11-0 this season after a 39-3 victory over Glenbrook South this past weekend.

Jay Check at 98, who is 15-2-1, won by a fall in 1:58. Bob Boeman at 105, 11-6, won 13-5. Paul Board at 112, 15-2-1, won by a fall in 2:48. Jim Sylvester at 119, 16-2, won 5-0. Lou Capozzoli at 126, 1-1 was pinned in 3:01. Tony Raschillo at 132, 18-4, won 3-4. John Funovitz at 145, 7-3-1, won 9-5. Scott Vaughan at 155, 15-4, won 7-1. Mike Kan at 167, 7-1, won 2-1. Marc Grant at 185, 18-0, won 7-1 and is leading the team in pins with S. Mike Johnson at heavyweight, 10-5-1, won 13-2.

Dons Defeat Marist 57-54

Notre Dame came out with another upset last Friday night, and forced a four-way tie for first place. The Dons defeated Marist 57-54 and are now tied with Marist, Holy Cross, and St. Francis for 1st place. Once again, ND started slow, but ended with a flourish. At the end of one, ND was leading 20-10, with Marist being led by Russ Ratz. Ratz is second leading scorer in the conference. He had 8 points in this quarter, and ended with 21, but he couldn't stop the Dons. Notre Dame came out fighting in the second quarter, as they closed Marist's lead to 27-21. Mike "Swish" Cantero led this first charge. "Swish" Naughton led the second charge which started in the second half. Along with Mike "Swish" Naughton led the Dons into the lead, 45-39.

The fourth quarter presented the Dons with only one problem, 2 starters had 4 fouls and 1 had 3. ND had to become very cautious, still they opened their lead to seven points. When Dick Stack-well missed a shot, the Redemptists began a comeback. With less than a minute to play, they pulled to within 3 points. The Dons tried to start out the game, but they couldn't. With 3 seconds left in the game Marist's Kevin Hovick hit a tie-making basket.

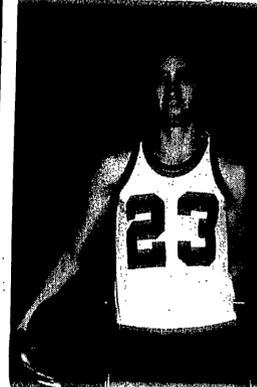

Notre Dame had but a second to score, and when it appeared that Naughton was fouled, the game seemed over. But the officials missed the call, and the game went into overtime with a 57 tie.

Although Marist took the lead, their downfall began; Naughton and Hovick hit a tie-making basket.

Notre Dame had but a second to score, and when it appeared that Naughton was fouled, the game seemed over. But the officials missed the call, and the game went into overtime with a 57 tie.

Although Marist took the lead, their downfall began; Naughton and Hovick hit a tie-making basket.

Raiders Defeat Niles College

The Oakton Raiders basketball team beat Niles College on Monday night, Jan. 22, by a score of 81-78.

Tom Borich, Oaktion coach, called it the best team effort of the season. Oaktion had a total of 31 rebounds and controlled the defensive board. Mike Norberg (Sr. Co-Capt.) led the Raiders attack with 28 points. His co-captain, Chris Callahan, scored 22 points and grabbed 13 rebounds. Roger Jones contributed 13 points and is rebounding in an extraordinary performance. Roger was 8 for 10 from the field for a 80% shooting average.

Pledges Sorority

Indiana University's 15 social sororities have indicated 401 pledges as pledges at the close of a five-day mid-year normal rush period. The pledges came from a registration of 812 women for informal rush, which ran from Sept. 18 to Dec. 9 under auspices of the Intercollegiate Association.

The new pledge from Niles is Joan A. Burton, 855 N. Odell Ave., Alpha Gamma Delta.

ND Swimmers Hold 7-3 Record

The Notre Dame swimming team has won two and lost one in dual meet competition since semester break and now stands 7 wins and 3 losses on the season.

A near perfect meet with ND defeating Elmwood Park 84-11, in the competition the Dons won all 11 events and took second in 10 events.

Prospect proved a tougher opponent and dropped the Dons 58 to 39. Tim Cimino of ND had his best times in the 200 and 400 freestyle. Another bright spot was Mike Norberg (Sr. Co-Capt.) a triple winner in the medley relay, 200 individual medley, and 400 freestyle. The only other winner for the Dons was Mike Borich (Sr. Co-Capt.) who took 1st in the 100 butterfly, swimming the first time since the middle of December because of illness.

in a suburban Catholic conference meet Notre Dame defeated Marist 31-30 and is now tied with Marist for second place in the conference behind St. Viator of Arlington Heights. Winners for Notre Dame were Tom Callahan with his best time in the 100 backstroke, Mike Norberg in the 200 freestyle, Tim Cimino in the 400 freestyle, Dan Hoshold in the 100 breaststroke, Mike Borich in the 50 freestyle, and diver Jim Brennan who set a freshman school record with 122 points.

ND travels to Marion Saturday with second place in the SCL at state.

The new pledge from Niles is Joan A. Burton, 855 N. Odell Ave., Alpha Gamma Delta.

An Open Letter from Ted Shaf

TO THE RESIDENTS OF MORTON GROVE

Next Saturday, February is a very important day -- for you and me as a homeowner and taxpayer -- and for me as a businessman.

On February 3rd we are being asked to vote on a Park Board referendum that would commit each of us who live in Morton Grove to another substantial increase in our yearly tax bill -- for the next twenty years.

Next Saturday the Park Board is asking you to approve the condemnation of the property at Newcastle and Dempster for another ice skating rink -- at a minimal cost of \$5 million to you and me over the next 20 years.

By doing so, the Park Board is also asking you to reject a beautiful addition to the growth and prosperity of our community -- the "Morton Grove Greens" center.

The "Morton Grove Greens" project will contribute millions of dollars to you and me as taxpayers -- the Park Board's new ice-skating rink will cost all of us millions of dollars.

Many of you who are reading this letter are friends and acquaintances of mine -- many are living in homes that I have built and developed for our community.

I am very proud of the contribution I have been able to make to Morton Grove in the past -- I am equally as proud of the contribution "Morton Grove Greens" will make to our future.

It will provide a much needed housing facility in our area to which many of us may one day want to move to -- after the families have grown and moved out.

Morton Grove today is well established as a community of beautiful homes -- and I have worked for 16 years in our area to help establish this fact. However, too many of your friends and mine are forced to leave Morton Grove when the large, and expensive, home is no longer required.

We should have the foresight -- and I believe we must have the foresight -- to provide a "Morton Grove Greens" for all of us in our community.

I, too, believe in "saving open space" -- but, let's save our space in a way that is practical, and meaningful, to the growth and prosperity of our Village. The "Greens" will incorporate 40% open space -- including a beautiful swimming pool, tennis court, playgrounds, and other recreational facilities at no cost to you.

On the other hand the 2.9 million dollar referendum you are asked to approve this Saturday is just the beginning, the "tip of the iceberg", of years of additional costs and taxes for all of us who live in Morton Grove. This is a facility that will cost us millions of dollars to build -- and will cost each of us every time we want to use it!

In conclusion, thank you for reading this "letter" -- it's the only way I could reach you. I hope that each of you will seriously weigh all the facts surrounding the February 3rd Park Board referendum

It's important to you -- and to all of us.

Please vote NO!

Sincerely,

In This Area Most People Read The Bugle

St. Luke's

Rev. John P. Jewell, Jr. will speak on the topic "Community Building" during the 10 a.m. service of worship Sunday, Feb. 4 at St. Luke's United Church of Christ, Sherman at Harlem, Morton Grove. He will talk about the fact that Christian faith has the potential for building the kind of community of concern, love, and support which is not available through any other institution in our society. Church school is held at 10 a.m. and child care is available.

Edison Park Lutheran Friendship Hour

The Friendship Hour at Edison Park Lutheran church, Avondale and Oliphant aves., Chicago, will present a travelogue on the South Seas, Sunday afternoon, Feb. 4, at 4:45 p.m. In the Church Assembly Hall.

Mr. C. Rudolph Sederstrom and his wife, Virginia, have traveled extensively and recently returned from a South Pacific Cruise, and will show their colored movie film.

The program of the Friendship Hours is now in its 35th season, bringing entertainment, educational and inspirational, at the Sunday afternoon fellowship hour. Refreshments will be served following the program. Visitors are cordially invited to attend.

Chicago Church Moves to Niles

The Belden Regular Baptist church held its first service in its lovely new sanctuary at 7333 N. Caldwell, Niles, on Sunday, Jan. 21. Formerly known as the Belden Avenue Baptist church, the congregation met in its 85-year-old building located at Belden and Halsted, Chicago, for the last time on Sunday, Jan. 14. Rev. Gordon L. Shipp is the pastor. Services are held each Sunday at 10:45 a.m. and 7 p.m. with Sunday school for all ages at 9:30 a.m.

Recently the church started a unique telephone ministry called Care Line. A new devotional message may be heard every 24 hours by dialing 647-8126.

CHURCH & TEMPLE NOTES...

MTJC Honors Pomerantz at Israel Bond Dinner

Maine Township Jewish Congregation will pay tribute to Mr. and Mrs. Sherwin B. Pomerantz, 8412 Oak ave., Niles, at the congregation's State of Israel Bond testimonial banquet, Saturday, Feb. 3 at 7:30 p.m. at the synagogue, 8800 Ballard rd., Des Plaines.

Serving as Honorary Chairman of the event will be former Illinois Governor Samuel H. Shapiro. Co-Chairmen for the event are William Kadetz and William H. Wise. Working with the committee to assure the dinner's success will be Melvin Dick, congregation president and Rabbi Jay Karzen, the synagogue's spiritual leader.

Guest speaker for the occasion will be Eleazer Lipsky, noted journalist, novelist and playwright.

Mr. and Mrs. Pomerantz are being honored for their work in the community, the synagogue and for their efforts in the economic upbuilding of Israel through the

Catholics United for the Faith

A local chapter of Catholics United for the Faith was formed recently with Gordon and Patricia Walter, Chicago, designated chair couple pro tem. Mrs. James O'Toole, Chicago, was named secretary pro tem.

Catholics United for the Faith (CUF) is a lay organization formed in response to Vatican II Council Documents on the Apostolate of the Laity. The motto of CUF is "To support, defend, and enthusiastically advance the efforts of the teaching Church." Reprints of Pope Paul VI blessing of CUF were distributed to those in attendance at the formation meeting. Holy Spirit, CUF's sixth chapter in the Chicago area, plans to meet on the first Sunday of each month at Drake Funeral Home, 635 Busse, Park Ridge, and invites all interested Catholics to participate. Full information may be obtained by calling 631-8129.

Adas Shalom

A nine-week session of adult education classes will be conducted by Rabbi Marc Wilson beginning Tuesday, Feb. 13 in Congregation Adas Shalom, 6945 W. Dempster, Morton Grove.

"Intermediate Hebrew" beginning at 7:30 p.m. will include some reading and conversational Hebrew. A second course, "Judaism's Approach to Contemporary Issues" will be held from 8:45 to 9:45 p.m. Issues to be discussed will be Jewish medical ethics, the Jew and his communal involvement and the Jew and signs of the times.

For more information, call 965-2186. Courses are free to members and \$5 for non-members.

A "First Annual Art Auction" will be sponsored by the congregation at 8:30 p.m. Saturday, Feb. 24. Antiques and original oil paintings will be auctioned in the synagogue. Donations will be \$1.50 per person. For more information, call 967-5838.

Friday services will be conducted by Rabbi Wilson at 6 p.m. and 8:15 p.m. Saturday services will begin at 9 a.m.

Niles Community

The Sacrament of Communion will be celebrated at the Niles Community church (United Presbyterian), 7401 Oakton st., on Saturday evening, Feb. 3 at 7 p.m., and Sunday, Feb. 4 at 9:30 and 11 a.m. Care for toddlers through 2-year-olds will be provided during both Sunday services. Sunday Church school classes for 4-year-olds through adults will be held at 9:30 a.m., and for 3-year-olds through high schoolers at 11 a.m.

Church activities during the week of Feb. 5 will include: Monday, 8 p.m. - UPW Executive Board; Tuesday, 9 a.m. - League of Women Voters, 7:30 p.m. - Session; Wednesday, 7 p.m. - "drop-in" for high school students, 7:30 p.m. - Contemporary Book group; Thursday, 7 p.m. - Junior Choir rehearsal, 8:10 p.m. - Senior Choir rehearsal; and, Saturday, 7 p.m. - Saturday evening worship, 7:30 p.m. - Metamorphosis (youth coffee-house).

The Little Country Chapel

Rev. Roger McManus and members of the Little Country Chapel, located at 7339 Waukegan rd., will conduct a door-to-door visitation of residents in Niles every Thursday evening, to witness and testify to the saving power of the Lord Jesus Christ.

The Chapel's Sunday services and activities are as follows: 9:45 a.m. Sunday school; 11 a.m. Worship Service with Rev. McManus preaching; 6 p.m. Youth Orchestra practice; 6:30 p.m. Young People's choir practice and Senior Young People's meeting; 7 p.m. Junior Youth meeting and 7:30 p.m. Worship Service. Prayer Service will be held Wednesday evening at 7 p.m., and Rev. McManus will continue his discussion of the book "The Trail of Blood." Choir practice will be held at 8 p.m.

Care for babies and toddlers will be provided at all services.

Choral Concert Participant

Miss Howe is a member of the North Central college Choir which performed in a choral concert at North Central college on Sunday, Jan. 28. Also performing were the Madrigal Singers and Collegians.

Tracy Brown, daughter of Mr. and Mrs. Herman Turchik, 9243 Maple, Des Plaines, will celebrate her Bat Mitzvah at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, during Family Sabbath Eve Services Friday, Feb. 2, 8:30 p.m. An earlier Sunset service in the Synagogue Chapel at 4:45 p.m. will also be recited.

Randy Moss, son of Mr. and Mrs. Joe Moss, 9209 Bumblebee, Des Plaines, will observe his Bar Mitzvah Saturday, Feb. 3, 9:30 a.m. Rabbi Jay Karzen and Cantor Harry Solowinichik will officiate. The Sabbath concludes with Mincha-Maariv at 4:45 p.m. that afternoon.

The Third Synagogue-sponsored State of Israel Bond Banquet will be Saturday, Feb. 3, 7:30 p.m. Mr. and Mrs. Sherwin Pomerantz will be Honorees at this tribute dinner. Reservations can be made at the Synagogue office.

Bingo is played every Sunday night at 8 p.m.

Edison Park Lutheran Womens Guild

The annual Birthday Party of the Women's Guild of the Edison Park Lutheran church, Avondale and Oliphant aves., Chicago, will be held on Thursday, Feb. 1, at 1 p.m. in the South Assembly Hall of the church. Each Circle will be decorating a table for the Birthday Party. The annual birthday meeting is traditional with the Guild, February being the month in which it was originally organized.

A very special program will feature a skit put on by the Grandmothers, following the birthday luncheon.

Hostesses for the afternoon are the members of the Naomi Circle, Chairman, Laura Reitzel, Co-Chairman, Alice Walledom.

Sitter service will be provided. Guests are cordially invited to attend.

EXPLORE.

At St. Paul Federal, we think of western Chicagoland as Our Town. That's because we have become Our Town's largest financial institution (our assets recently topped \$400 million).

We wouldn't swap Our Town for anyplace else we can think of. To us, Our Town means old friends and customers, good neighbors. Quiet streets, homes, businesses. Thriving suburbs. As well as one of the world's largest and busiest airports.

You can explore Our Town for days without exhausting its delights. Among which, in all pride, we include our own handsome building, with its handy Drive-In windows and big parking area to make it easy for you to come in and ex-

plore our wide range of financial services. These include everything from

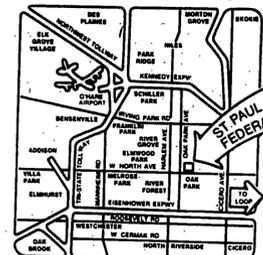

Travelers Checks to Passbook and Home Improvement Loans to convenient evening hours, expert financial

counseling and teller service with a smile. Also included: Our high-interest savings plans, with interest compounded daily to boost your actual earnings still higher. 6% Certificate; minimum 2 years, \$5,000 or more. 5¾% Certificate; minimum 1 year, \$1,000 or more. 5¼% Certificate; minimum 3 months, \$1,000 or more. 5¼% 5-Star Passbook Account; anytime deposits or withdrawals \$500 minimum balance. 5% Regular Passbook Account; the basic, long-time favorite.

So come on over. You'll find it very much worth your while to go exploring. In Our Town - western Chicagoland.

Mitch Miller at Niles East

Mitch Miller, of "Sing Along" fame, will appear at Niles East as guest conductor of the entire East High Chorus and orchestra in the auditorium, on Wednesday evening, Feb. 28. Tickets for the 8 p.m. concert (at \$2.50 each), are now being sold by student members of the music department and are also available by calling the school at 966-3800, ext. 363.

In addition to the evening concert, Mitch will conduct a special 1 p.m. concert for commu-

ity Senior Citizens-only. No admission will be charged for that presentation - provided the senior citizen presents a membership card from one of the many senior citizen organizations in the area. Groups desiring more information on the free concert are urged to call Niles Community Relations Director Mick Herzog at 966-3860.

Highlighting both concerts will be a sing-along made famous by Mitch on his NBC television series.

Tryouts for 'Sweethearts'

Tryouts will be held Sunday, Feb. 4 at 2 p.m. at the Niles Recreation Center, 7877 Milwaukee ave., Niles, for the musical-comedy by Victor Herbert entitled "Sweethearts."

The show which is co-produced by the Niles Historical and Art Society and the Woman's club of Niles will be presented in the auditorium of the Niles West High school on Saturday, June 16 and June 23 under the direction of Gloria Lind Bently. Proceeds from this benefit will be used toward the establishment of a cultural center and museum in Niles which is a much needed community improvement project envisioned by both organizations.

The tryouts will call for singers (please bring sheet music for accompaniment) especially chorus singers, actors, dancers, and stage crew. Seamstresses, wardrobe assistants, usherettes will also be needed. A variety of talent from people of all age groups will aid in making this show a hit.

The selection of the Victor Herbert comedy with its beautiful musical arrangements and quaintly colorful story of life around the turn of the century is an introduction to the appreciation of the finer arts which the Society hopes to establish in its center.

THE CORNERS of Where it's at and What's happening.

By Ed Hanson

This issue of our four BUGLE newspapers carries the first of two financial sections we now publish each year. You will note that many of the area's leading financial institutions participated in it.

So what could be more fitting than a banking anecdote which happens to be true?

Some years ago the shrewdest and wealthiest man in town asked the local bank for a loan of \$10 at 5 percent interest. The rich man said he would put up \$50,000 in government bonds as security.

The banker thought it was goofy but decided not to argue with so rich and eccentric a customer. The rich man got his way and posted the \$50,000 in bonds as security for the ten buck loan. At the end of the year when the \$10 loan and interest were paid off, and the \$50,000 in bonds returned to the customer, the banker said, "The whole transaction still seems a strange one to me."

"Tell me," asked the eccentric rich man, "Is there any other way I could have had those bonds put into a safe-deposit box for a mere 50 cents?"

Last Saturday I attended the 60th birthday party of the FIRST NATIONAL BANK OF DES PLAINES. It was held in the bank lobby, and it was indeed a very fine party. All the directors, officers and shareholders and their wives together with the city fathers and other local dignitaries were present and everyone had a most enjoyable time. From Bill Kinnaird, V.P., I learned the FIRST NATIONAL BANK OF DES PLAINES first opened its doors back in 1913 with resources of slightly more than \$60,000. Today the banks resources are almost \$123 million. And Des Plaines at the time the bank opened — 1913 — had a population of only 1,800 people. It was a significant time in our country's history. For in 1913 European nations prepared for a war that was inevitable. Woodrow Wilson became the 26th president of the United States. Federal income tax became a reality through the adoption of the 16th Constitutional Amendment. . . . the Federal Reserve System established the National Banking and Currency System. . . . and the Indian or buffalo nickel was first minted. The First National Bank of Des Plaines has indeed had a long history of continuous growth. Stability has been a characteristic of the First National over its 60 years of service to the community.

In this time there have been only two board chairmen, Arthur L. Webster and Frederick F. Webster, the present incumbent. The current president, Arthur R. Weiss, typifies an interesting facet of the First National Bank of Des Plaines' operation. For the bank is more than 60 years old, its officers have an average age of but 41 years. You could say, "the First National Bank of Des Plaines is an old bank with young management and ideas."

Jake of JAKE'S RESTAURANT, 7740 Milwaukee ave., Niles can afford to smile all the way to the bank these days because he tells me he's enjoyed a very large increase in sales over last year . . . and last year was a very good year for Jake too. Next week, following on the heels of his successful Italian days, Jake will feature Polish days. Jake, in addition to being a very successful restaurant manager is also a highly trained chef and has made a study of the food specialties of many nations. For Polish days he's offering specials on Pierogi (dumplings), stuffed cabbage, Polish sausage, Sauer Kraut and spare ribs, and many other Polish favorites. (See his ad . . . this issue for details.)

Congratulations are in order to the Bank of Niles. They have now changed both their name and status to the 1st NATIONAL BANK OF NILES. This means they will be the only NATIONAL BANK in Niles. They have met the requirements of becoming a national bank and a member of the Federal Reserve System. As a result they've relinquished their State Bank Charter because they've been granted a National Charter. And as a result of their big increase in growth which I believe was more than 32% over the past year, they are in the process of expanding their facilities in order to provide this community with even finer service than they've done in the past. (There is a feature news-story and a full page advertisement in the financial section of this edition of Bugle newspapers. Be sure to read it.)

And you can bank some of the money with the 1st National Bank of Niles on what you can save on breakfast and lunch at ARVEY'S RESTAURANT, 7041 W. Oakton, Niles - in fact it's just across the street - so you can even save gas and shoe leather. For instance only at ARVEY'S can you get eggs Benedict for ONLY \$1.25. (You notice how I can mix up eggs Benedict and Banking and somehow it comes out all right - you have to be some sort of word chef to do this, I guess.)

And speaking of good chefs, everything that comes out of Angelo's kitchen, owner of the BEAM'N BARREL, 7136 Milwaukee ave., Niles, is terrific. Whether it's their prime steaks, savory seafood, chicken or sandwiches - it's got to be good if you get it at the BEAM'N BARREL.

We want to thank all the banks and savings and loans that participated in our financial section and our best wishes for their continued growth . . . See you next week . . .

DINING & ENTERTAINMENT

Historical Society Card & Bunco Party

Tired of bingo, never do win. Feel defeated before you begin. Looking for vistas that give you a chance. Then we have the party your life will enhance.

It's bunco and card games, most any you want. A prize for each table, now beat that you cannot. An evening of banter and so-cial chat. Now what could be more entertaining than that.

Then afterwards coffee, or tea for your sake. And simply delicious, some fresh home baked cake. Cella Kaderbek is the lady to call. For info and tickets, she gives you them all.

NWSJC Sisterhood 'Art Fair'

The Sisterhood of Northwest Suburban Jewish Congregation proudly presents Art Fair '73 to be held in the social hall of the Synagogue, 7800 Lyons ave., Morton Grove on Saturday, Feb. 24 from 8 p.m. to midnight and on Sunday, Feb. 25 from 11 a.m. to 5 p.m.

Over 50 artists and craftsmen will be exhibiting their wares including oils, pastels, metal and clay sculpture, hand forged jewelry, enamel painting and much, much more. Tickets are \$1.50 each and will be sold at the door. All ticket stubs will be held for door prize drawings at the end of Art Fair '73. Children 13 years and under will be admitted free. For any information or tickets, please call Mrs. M. Zuckerman, 965-1286. Purchases may be charged with Bank Americard.

'Dear Friends'

The play, "Dear Friends" will be presented live for the first time in the Midwest at the Linwood Community Theater, Farwell at Crawford. Curtain time for all performances is 8:30 p.m. on Friday and Saturday nights, Feb. 2, 3, 9 and 10.

Originally presented on television's CBS Playhouse, "Dear Friends" is a delightful blend of irony, humor and high drama as it reveals the "inside stories" of the marriages of 4 couples. Action revolves around a party arranged to help a couple in marital distress. In a series of plots within the plot we find out intriguing secrets about the "dear friends" who arranged the party. Tickets will be available at the box office on nights of the performances, or can be reserved by calling 679-4794. Special group rates are available. For information call 679-4724.

JTS Performs for Spaghetti Night

That's Entertainment? Is the name of the original musical comedy the Jefferson Theatrical Society will put on for Thomas Jefferson school's Spaghetti Night, which will be held at Emerson Junior High school, 3101 Comberland, Niles on Feb. 24. There will be a spaghetti dinner served at 5, with a floor show following, and another dinner at 7:30 with show following. Tickets are \$1.75 for adults and 75¢ for children. Anyone interested in tickets, contact Mickey Herbin 825-4858.

ITS Performs for Spaghetti Night

The Jefferson Theatrical Society was formed 11 years ago, by Jefferson school PTO Ways and Means committee to help raise funds. Jefferson school has benefited by over \$6,000 since then, from this not for profit group, and this is the Theatrical Society's 29th production. Their organization represents suburbs from Arlington Heights to Lincolnwood.

DINING & ENTERTAINMENT

Culinary Art Classes

The fun of cooking great food is the common ingredient in three different culinary demonstration classes to be taught by Elaine Sherman and sponsored by MON-ACEP (Maine-Oakton-Niles Adult and Continuing Education Program) in February.

The one-evening sessions, open to both women and men, will reveal the secrets of making super Omelettes, Souffles and Crepes Suzettes.

Elaine Sherman, noted throughout the Midwest as a lecturer on gourmet cookery, is a graduate of L'Ecole de la Cuisine Francaise, and an advocate of the theory that great cooks are taught not born.

She will demonstrate how to prepare crepes for special occasions on Tues. Feb. 6 and again on Thurs. Feb. 8, at Maine East High school, Dempster st. and Potter rd., Des Plaines.

During the following week, the popular teacher will show how to transform ordinary eggs into masterpieces when she teaches the art of soufflé and Omelette making. Students are given a chance to taste and test in all the classes.

The soufflé session will be held Mon., Feb. 12 at Niles North, 9800 Lawler, Skokie. The omelette demonstration will be given at Maine East on Tues. Feb. 13 and will be repeated Tues., Feb. 20.

Charge for the classes in omelette and in crepes suzette making is \$4 each; charge for the soufflé class is \$5. Classes are held from 7:30 to 9:30 p.m.

For further information, call MONACEP office, 696-3600.

"Immortal Poland"

"Immortal Poland" is featured at the next travelogue lecture sponsored by MONACEP at Maine East, Potter rd. and Dempster st., Park Ridge, on Wednesday evening Feb. 7.

The film and narration will be presented by Kenneth Richter, world traveler, photographer and observer of people. "Immortal Poland" is a picturelogue in 4 parts: Poland's Beginnings to the Present; Economics; The Agriculture of the Country; and Poland's People.

Richter has traveled over a million miles and covered 60 countries. He brings to the platform a skilled observer's insight into the lives and surroundings of other human beings in far-off, fascinating lands.

Single admission tickets may be purchased at the door at \$1 each. Senior citizens of Maine and Niles townships may purchase season tickets or single admission tickets for half price at the door.

Saturday Swimming Program at Maine East

Saturday swim classes are available to children in the area through enrollment in the "Learn to Swim" program at Maine Township High School East, Potter rd. and Dempster st., Park Ridge. The lessons are given by 35 excellent high school swimmers, all members of the school's Demon Guard swim organization.

Beginning, intermediate and advanced instruction is available. Lessons proceed from very basic skill instruction for non-swimmers through all swimming strokes to advanced instruction in diving and water ballet as well as speed swimming.

Group instruction is given with no more than four pupils per instructor. Each swimmer is initially tested and placed in his appropriate skill level, graduating to the next level on an individual basis.

The fee is \$7.50 for eight lessons of 45 minutes each. The sessions are held in the Maine East Natatorium - south field house entrance - each Saturday morning from 8:30 to 9:15 a.m. for girls nine years of age and over; from 9:30 to 10:15 for boys nine years of age and over; and from 10:30 to 11:15 for girls and boys eight years old and under. New pupils are registered on

Saturday morning immediately before their first lesson. Parents must accompany their children on the first Saturday to register them and sign a permission form.

Sixth Graders Attend Symphony

For the third year the sixth graders of School District 64 will have the opportunity to attend the Chicago Symphony Orchestra Youth Concerts at Orchestra Hall in Chicago. These concerts are especially structured for young people. The scheduled programs for these concerts with information about the music and composer have been received, and the music teachers will make every effort to acquaint the children with the music and prepare them for this excellent experience.

The sixth graders will attend on these dates: Feb. 20, Edison, Merrill and Washington; March 14, Carpenter and Roosevelt; April 3, Franklin and Jefferson. The concert time is 10:30 a.m.

Why is it, when I pull out of the lane of traffic that isn't moving into the lane that is moving-it stops dead?

Boys 15 and over - Two Lap Race, first John Beusse, second Scot Cole, third Rick Ruesch, fourth Ray Andjich.

Adult Ladies - Two Lap Race first Barbara Daehler, second Evelyn Gaertner, third Gene Gluth, Obstacle Race, first Barbara Daehler, second Gene Gluth.

Basketball League

On Jan. 24 in the opening game of the Niles Park District High School Basketball League the Cosmos moved into third place by crushing the Cavellers 97-51. Cosmos used the fast break effectively to break the game open in the second half. Al Swartz poured in 40 points for Cosmos while Ron Reeve led the Cav's with 17. In the second game, Riz and the Rockets played a close defensive battle for three quarters until the fourth quarter shooting of Dan Schmid and Jim Molezzi pulled Riz past the Rockets 66-41. Both players tied for the scoring honors with 19 points apiece. Warren Childs led the Rockets with 17 points the final game featured the Rednecks and Sharks in a contest of undefeated teams each with 4-0 marks. The high-scoring Rednecks could only post 58 points, however it was enough to win 58-54. The lead changed hands until the six minute

mark of the fourth quarter when the Rednecks pulled away for good. Once again Dan McDonnell led the Rednecks with 20 points and the Shark's Gary Baluta led his team with 16 points.

The Niles Park District Basketball Programs are well into mid season. The 3rd & 4th Grade Skeeter League plays on Tuesday afternoon, the 5th & 6th Grade Skeeter League plays on Wednesday afternoon, and the 7th & 8th Grade Intermediate League plays on Monday afternoons. All three programs meet from 4-6 p.m. at the Louis Schreiner Gymnasium.

N.D. Wins Intersuburban Tournament

The annual Intersuburban Fencing Championships were held at New Trier West last Saturday. Notre Dame fencers took first for the second year in a row by the score of 41-4, which is better than their last year's 39-6. Terry McConville went 14-1 as did Pat Geyard. Tim Glass went 13-2.

With this competition, Pat Geyard joined Terry and Tim in the Century Club by winning his 100th victory of the season against New Trier East's Weatherhead.

Notre Dame defeated Niles West 9-0, Maine South, 8-1, New Trier West, 7-2, New Trier East 9-0, and Niles East 8-1. The final standings were: Notre Dame 41, New Trier West 28, Maine South 22, Niles West 18, Niles East 12 and New Trier East 9.

The overall records of the team are 13-0 on the season with 5 meets to go, 5-0 at this tournament. Individual results are: Terry McConville is 48-2 in Dual Meet competition, Tim Glass is 42-8, and Pat Gerard 41-9. McConville is 138-25 (846) overall for the year, Glass is 114-48 (707), and Gerard is 105-46 (695).

The above fencers are looking forward to the U.S. Junior Olympics in Los Angeles in mid-February and then the State Championships in March. Dual meets will be scattered before and after the J.O.'s.

Oakton Matmen Split in Dual Meet

Oakton Community college's wrestlers split their meets in dual competition held recently at Oakton. The Raiders defeated Kenosha Tech. 30-24, but dropped to Sauk Valley 28-18 in the last Oakton home meet this year. Double winners for Oakton were John Donnelly at 126 lbs., Tim Haefke at 117, and Jim Buchholtz a heavyweight. Haefke pinned both of his opponents and Rich Cook and Irv Calvey won their matches against Kenosha.

Radio Personality Speaks to Gemini Students

Dave Baum, host of WIND Radio's evening Contact program, spoke to eighth grade language arts students from Mrs. Marcia Ashton's class on Jan. 22. The students, who are planning to present a radio program of their own, asked Baum questions about all aspects of radio work. Baum responded by giving specific suggestions about how the students could improve their own radio show.

Niles Hockey Association

Pee-Wee Division

Jan. 7
Amy Joy Donuts 1 - Fornastero Bros. 1. Amy Joy's Larry Gaertner almost handed Fornastero Bros. their second loss of the season. As it was Amy Joy held them to a 1-1 tie making the battle for first place in this division even closer than ever. Both teams played good hard hockey. Fornastero Bros. Bob Mueller scored their only goal late in the third period.

Jan. 13
Fornastero Bros. 6 - Upper Crust Pie House 1. Upper Crust put up a hard struggle even though Fornastero Bros. trounced them 6-1 this morning. Both teams had men in the penalty box for what amounted to more than one full period thus putting both of them shorthanded for most of the game. Upper Crust's Paul Storc scored their only goal. Scoring for Fornastero's was taken care of by Don and Bob Mueller with 2 apiece. Bob Prenner and Peter Schmidt each scored once.

Jan. 13
Amy Joy Donuts 6 - Bank of Niles 1. Amy Joy almost skated to a shut-out against Bank of Niles but the banker's Bill Sullivan put them on the scoreboard with just 30 seconds left in the game to make the score 6-1 in Amy Joy's favor. Amy Joy's Bob Lorch and Steve Mannina each scored twice followed by Larry Gaertner and Frank Angulo.

Jan. 20
Bank of Niles 4 - Upper Crust Pie House 1. Upper Crust's Paul Storc scored their only goal against the Bank of Niles in a hard checking, hard skating game. Both teams played good solid hockey which was reflected in the fact that there were no penalties against either team. Bank of Niles scoring was taken care of by Tom Anderson and Bill Madura who each scored twice.

Jan. 4
Fornastero Bros. 4 - Miller Builders 2. It was a hard fought, rough, fast moving game of hockey which saw the two teams that have been battling for first place so far this season come together to hopefully give one or the other sole possession for one full day at least. Fornastero Bros. did that very thing by skating by Miller Builders 4-2. Both teams seemed to realize the other's weak as well as strong points making for a very exciting game. Mike Paul and Jim Solan scored for the Builders and Bob Prenner scored twice for Fornastero, followed by Don and Bob Mueller.

Jan. 21
Very good passing and team work by both teams combined to leave spectators breathless after the game between Miller Builders and Amy Joy Donuts. The boys all played hard and proved that this sport at this level can be just as exciting as the pro games are. Scoring for Miller Builders was handled by Mike Paul and Jim Solan who each scored two followed by Bill Michael, Larry Gaertner, Frank Angulo, and Steve Mannina scored for Amy Joy.

Fornastero Bros. 4 - Upper Crust Pie House 1. This was the weekend for exciting hockey at Ballard. Paul Storc put the Plemen on the scoreboard again to keep the opposition from finding their goalie a shut-out. This team may not have won a game but with boys like Paul on the team and their spirit as a team and a unit don't be surprised if they come back to upset the standings in the second round coming up. They have the power and the ability and they are really starting to put it all together to give the fans one heck of a good game to watch. Steve Romano, Fornastero's goalie really had to work hard to save this game for his team. Fornastero's Bob Pren-

ner scored twice and was backed up by Gregg Giancola and Bob Mueller to round out the scoring.

Pee-Wee All Stars

Dec. 10
Niles 7 - Saddle and Cycle 6. This was a game that looked as though Niles would be severely beaten. They were behind 6-3 going into the third period when they suddenly seemed to realize that this was a hockey game and not a rest period and started to play a heads up game of hockey. Scoring for Niles was done by Paul Storc, who scored his first "hat trick" in All Star play, Bob Prenner, Bill Madura, Jim Solan, and Frank Pavel.

Dec. 18
Niles 6 - Schaumburg 0. Niles really gave Schaumburg's goalie a reason to reach for the Ben-Gay after this game, because if it wasn't for him the game would have been a real joke. Schaumburg played well but Niles outskated, out passed, and plainly out scored them. Niles goals were scored by Mike Paul with 2, Paul Storc, Ed Hoffman, Steve Cohen, and Mike Pinski.

Jan. 4
Park Ridge 4 - Niles 2. Park Ridge welcomed in 1973 with a hard fought well deserved win. Both teams passed well as put forth good team effort with Park Ridge coming out the victor. The only shadow in the game was that Niles goalie Scott Sandler suffered a fractured elbow while stopping a Park Ridge shot. Niles goals were scored by Don Mueller and Mike Paul. Park Ridge's goals were scored by J. Hultberg and T. O'Grady with 2 apiece.

Jan. 4
Niles 7 - Wilmette 1. Niles skated to a surprising 7-1 victory over Wilmette tonight. After the first period the score was 1-0 Niles. Wilmette's goalie was nothing short of incredible stopping shots that normally would have been goals at any other time. His playing was a thing of beauty to watch. Niles goals were scored by Mike Paul who scored a "hat trick," Paul Storc with 2, Steve Mannina and Don Mueller.

Jan. 15
Niles 11 - Winfield 2. Niles romped to an 11-2 win over Winfield. Despite the fact that Niles played the majority of the game shorthanded they had no problem containing the visitors. Winfield goals were scored by Kray-Bill and Kaper. Niles' Mike Paul had himself quite a night scoring 5 goals. Don Mueller scored two followed by Bob Prenner, Bill Madura, Jim Solan and Paul Storc.

Jan. 22
Niles 5 - Park Ridge 3. Hard checking, excellent passing, and fast skating by both teams made this game a joy to watch and a heart stopper, depending which team you were pulling for. Both teams had more penalties than is normal or usual in a game between this age boys. Goals for Park Ridge were scored by T. O'Grady, T. Peters, and S. Divito. Niles goals were logged by Mike Paul and Bob Prenner with two apiece and Don Mueller.

Band Concert Participants

Robert O'Brien, Director of Bands at the University of Notre Dame (south Bend), will be featured as guest artist at the annual Loyola Academy Winter Band Concert, to be held at the academy, 1100 N. Laramie ave., Wilmette, Sunday, Feb. 4 at 3 p.m. Band members include: Morton Grover, Robert Boro, Kent McLaughlin, Thomas Poterek, John Wagener.

Bantam

Jan. 20
F & G Electrical Supply Co., Inc. 6 - Ragnar Benson, Inc. 1. F & G Electric didn't get started until the third period but then they put everything together and scored 5 of their 6 goals. F & G Electric's goals were scored by Vito Senese, Rick Swierkosz, Tom Ackerman, Pat Corcoran, Marc Siegel and Doug Gilbo with assists by Rich Swierkosz 2, Vito Senese, Dan Zerbe, Steve Schaffer and Pat Corcoran. Ragnar Benson's only tally was scored by Tony Salemi, unassisted.

Martin and Marby Realtors 3 - Callero and Catino Realtors 1. The Martin and Marby team came out to play hockey and really proved they could do the job, they completely tore the Callero and Catino team apart. Martin and Marby's goals were scored by Marty Stankowicz, Dan Jendrych and Don Ott with assists by Larry Zyks 2, John D'Antonio and Ed Gwozdz. Callero and Catino's lone tally was scored by Russ Cannizzo, assisted by Tom Bondi and Scott Heller.

Jan. 21
F & G Electrical Supply Co., Inc. 2 - Minelli Brothers Specialty Foods 1. F & G Electric came out victorious in this hard fought game. Goals for F & G Electric were scored by Tom Ackerman and Vito Senese with assists by Steve Wells and Tom Ackerman. Minelli Foods was scored by Ted Hess, unassisted.

M.P.R. Construction Corporation 4 - Ragnar Benson, Inc. 3. M.P.R. Construction got back on the winning track again this week. Goals for M.P.R. were scored by Mike Schwase 2, Bob Koza and Mike Haines with assists by Ron Silwa and Mike Haines. Ragnar Benson's goals were scored by Bill Fick 2, and Joe Lazzara, assisted by Tony Salemi and Bryant Johnson with 2 each.

Midget All Stars

Jan. 2
Winfield 3 - Niles 1. Niles came out on the short end of this game. Both teams skated well but had too many penalties. Niles only goal was scored by Bob Mueller, unassisted.

Jan. 5
Saints 4 - Niles 3. Another close game between the Saints and Niles. The Saints were given a penalty shot which turned out to be the winning goal. Niles goals were scored by Ed Horgan, Jeff Blahnik and Bob Mueller with assists going to Joe Colastano, John Kusel, Tony Olita and Marlin Brtnsky.

Jan. 7
Niles 4 - Schaumburg 0. A shutout for Andy Geller, goalie for Niles. Goals for Niles were scored by Rick Ruesch 2, Marlin Brtnsky and Mark La Ponte with assists by Bob Mueller, Jeff Blahnik, Ed Radousky and 2 by Rich Larson.

Members of the Mothers club of Notre Dame High school for Boys, Niles, are planning their annual Luncheon and Fashion show, "In the Pink" Wednesday, Feb. 14 at 12:30 p.m. at the Marriott Hotel, 8535 W. Higgins rd. Fashion shows will be presented by Sherwins of Skokie.

A girl, Rebecca Lynn, was born to Mr. and Mrs. Paul P. Roche, 7817 N. Odell ave., Niles on Jan. 23. The baby weighed 9 lb. 2 oz.

A boy, Neal Russell, was born to Mr. and Mrs. Ernest P. Connor, 1331 Webster, Des Plaines, on Jan. 8. The baby weighed 4 lb. 8 oz.

A girl, Brandi Denise, was born to Mr. and Mrs. Bruce Holmberg, 2375 S. Magnolia, Des Plaines, on Jan. 14. The baby weighed 5 lb. 13 1/2 oz.

Mr. and Mrs. Samuel Maslovitz of Niles announce the engagement of their daughter, Rochelle, to Steven H. Jaffe, son of Mr. and Mrs. Leonard Jaffe of Skokie. Rochelle is a graduate of Niles Township West High school, and will be graduating from the University of Illinois, Champaign-Urbana, in June of 1973 as a math major and a James Scholar. Her fiance also attended Niles Township West High school and will be graduating from the University of Illinois, Champaign-Urbana, in June of 1973, majoring in Business Administration. The wedding is set for June 23, 1973.

Ladies, are you ever free on a Tuesday or a Thursday morning and wish for something to do that's mental, stimulating, and meaningful? Then come to a League of Women Voters discussion unit meeting and learn about county government on Feb. 6 at the Niles Community Church (Odell and Oakton) and Feb. 8 at the Morton Grove Community church (Lake and Austin). If you're more interested in jails and prisons, then come to the units on corrections held at the same respective places on Feb. 23 and Feb. 25. The League of Women Voters is nonpartisan but its members are encouraged to be politically active in their respective political parties. The League of Women Voters studies many governmental issues at the national, state, county, and local levels and a resource committee made up of league members presents each topic at small, informal discussion unit meetings like those mentioned above. When consensus is reached, the league takes action by informing their respective legislators and officials of their positions. Individual league members like knowing that their ideas travel upwards and work towards better government at all levels. You do not need an invitation to join the

ND Mothers Club 'In the Pink'

Members of the Mothers club of Notre Dame High school for Boys, Niles, are planning their annual Luncheon and Fashion show, "In the Pink" Wednesday, Feb. 14 at 12:30 p.m. at the Marriott Hotel, 8535 W. Higgins rd. Fashion shows will be presented by Sherwins of Skokie.

Co-chairmen, Mrs. Rudolph Basile, Park Ridge and Mrs. Richard Strass, Glenview, promise a very pleasant afternoon. Ladies assisting with the luncheon are: Mrs. Kenneth Scheel, Niles; Mrs. Phillip McCarthy, Niles; Mrs. Myles McDarragh, Chicago; Mrs. John Quirk, Norridge; Mrs. P.J. McConville, Niles and Mrs. James E. Coursey, Morton Grove.

Any donations are welcome, from the actual ingredients needed for the preparation of approximately 60 gallons of spaghetti sauce, to cakes, cookies, wine, fruit or any other type of meatless dishes, will be greatly welcomed. If you wish to help with this unique undertaking, please call 965-4237, 692-2833, or 965-0487.

For ticket reservations contact: Mrs. Scheel at 967-8731 or Mrs. McCarthy at 966-5891. Mrs. Jerome C. Lunke, Niles, is the President of the Mothers club.

League or sit in on a unit meeting. Any woman who enjoys participation in governmental matters can join the league. We urge women to drop in at a league meeting and see how invigorating it is to meet other women interested in learning and doing something about important issues. Refreshments and siter service are available. For further information call Joan Goldberg at 823-5682 or Ruth Baum at 965-4634.

Skating Party The Mystical Rose Guild of Our Lady of Ransom Church is sponsoring a roller skating party on Tuesday Feb. 6 at the Glenview Playdium, 1766 Glenview rd., Glenview, from 7 to 9:30 p.m.

Admission is \$1 per person, payable at the door. The Playdium rents shoe skates for 50¢. Playdium management will not open doors until 7 p.m. exactly, so please do not arrive too early. Also, no cut-offs, blue jeans or levis. Playdium doors close promptly at 9:30 p.m. Smaller children stop skating at 9 p.m., and everyone else at 9:15 p.m. Please pick up your children promptly at 9:30 p.m. or before.

La Festa San Guiseppi

The Northwest Italian American Society held their first official meeting on Jan 2, to formulate their plans for the St. Joseph Table which will be held March 18 and 19 at St. John Brebeuf church in Niles.

Chairman of the event is Andrew Ciabattari, 8326 Olcott, Niles, although the actual cooking and preparation for the tremendous amount of food required is under the capable leadership of Mrs. William Keener, 8292 N. Merrill, Mrs. Tom Imburgia, 7636 W. Greenwood, Morton Grove and Mrs. Andrew Ciabattari.

Any donations are welcome, from the actual ingredients needed for the preparation of approximately 60 gallons of spaghetti sauce, to cakes, cookies, wine, fruit or any other type of meatless dishes, will be greatly welcomed. If you wish to help with this unique undertaking, please call 965-4237, 692-2833, or 965-0487.

At their last St. Joseph Table in 1971, the Northwest Italian American Society served approximately 4,500 people, and their expectations for attendance this year is even greater.

Heart Disease Detection

Taking the theme, "Ways to a Healthier Heart," North Cook County hospitals and the Heart Association of North Cook County have jointly planned heart disease detection-education beginning in February. Unlike the Heart Health fairs held in the past, which encouraged guests to avail themselves of educational materials which only primarily interested them, emphasis this year is on personal counseling and small group discussions, and will include blood pressure screening, risk factor evaluation tests, questions and answers, as well as personalized education. Nursing staffs are coordinating the programs in their respective hospitals, with cooperation and assistance from other departments. Dates and locations for detection-education are: Resurrection hospital, Chicago, Friday, Feb. 2, from 2 - 8 p.m. Lutheran General hospital, Park Ridge, Saturday, March 3 from 11 a.m. to 4 p.m.

Drug, Smoking, Dental Programs at Wilson

Several programs will be presented for teachers, parents, and students at Wilson school, 8257 Harrison in Niles, to support health education units being taught at Wilson.

A panel presentation on Drug Education by the County Superintendent's Office will be held on Feb. 6 from 3:30-4:30 in the all-purpose room. Teachers and interested parents are invited. On Feb. 27, Aaron Spitzer, Director of Public Education for the American Cancer Society, will present a program on the hazards of smoking to fifth and sixth grade students. Parents are invited to attend this program beginning at 10:30 in the all-purpose room. Dr. Alfred Soffer, Director of American College of Chest Physicians and a member of the President's Committee and HEW-Surgeon General's Committee on Smoking, will present a classroom program for fifth and sixth graders on March 8.

Following classroom units on dental health, the Women's Auxiliary of the American Dental Association will present a dental health puppet show to students at Wilson on March 1.

Letter to the Editor Select Candidates on Merit First

Dear Editor: The purpose of the Oakton Community College District 535 Convention, recently formed in November of 1972, is to seek out and endorse candidates for the college board of trustees. The convention is district-wide and has representation from all areas in the district.

As a member of the convention, I would like to state my own personal opinion on a question that has been an issue since the inception of the college - geographical representation on the college board. This question has been the subject of further discussion in recent months. I would like to try to put it in a broader perspective.

I believe there are three basic criteria to be considered in the selection of a candidate for the college board. The first is the individual's capabilities and qualifications. The second is the needs of the board itself (does it need someone strong in finance? knowledgeable in real estate and construction? well-versed in educational curricula and administration?). The third is geographical balance.

In my view, the candidate's capabilities and qualifications are the most important. I would not vote for a less qualified person just to give the board geographical balance. Nor would I vote for a less capable individual just because he happens to have some knowledge or experience in a particular field.

If two candidates appear to be relatively well qualified, however, then I would look at the other two selection criteria. All other things being comparatively equal, geographical balance could be the deciding factor.

I would like to emphasize that I am expressing my own opinion and not the views of the Convention delegates. However, I have discussed my ideas with several delegates from both townships and found their thoughts similar to mine.

Sincerely, Gene G. Sjostrand Chairman, District 535 Convention 1485 Everett ave. Des Plaines

Jakes 'Italian Days' Successful

Shown above is Jake Joseph (l) smiling at the success of his "Italian Days" recently held at Jakes Restaurant, 7740 Milwaukee ave., Niles where hundreds of customers waited in line to take advantage of the special "Italian" menu and special prices which were featured during this celebration.

Also shown with Jake are l. to r. Don Rossi, owner of Rossi Pizza and his lovely wife; Debbie Joseph, Jake's daughter and Bob Mazzone, owner of the Italian Ice Co.

'73 REVIEW & FORECAST
Factory-Built High-Rise

With high hopes in the marketing uncertainties, the high-rise field as part of the investment in factory housing.

Contract winners in the high-rise field are slowly moving forward. Breakthrough in producing high-rise buildings is the key to the industry's survival. The application of modern technology to the housing industry is the key to success.

Westinghouse Electric Corporation is the first company to take the lead in this field. Its new product, the "Americanized" version of a housing system called "Factory-Built High-Rise," is being tested in a pilot project in New York City.

The system is designed to be built in a factory and then transported to the construction site. It is expected to reduce construction costs and speed up the building process.

Sponsored By The Areas Leading Financial Institutions

First National of DP Gains in 60th Year

1972, the sixtieth consecutive year of serving the Des Plaines area, was a record year for the First National Bank of Des Plaines, according to Arthur R. Weiss, president. Deposits, at year-end reached an all-time high, totaling \$109,312,950, an increase of \$9,360,308 or 9.5% over the previous year. Loans increased by \$12,362,443 to \$65,986,162 in 1972, a 24.2% increase from \$53,123,719 in 1971. Income before securities gains increased to \$1,209,521 or \$2.47 per share in 1972 from \$1,109,154 or \$2.23 per share in 1971.

Total resources were the greatest in the bank's history, reaching a record \$122,924,108, up 9.8% from \$111,917,667 at year-end 1971.

"These attainments are possible because of operating efficiencies, services and facilities expansion during the past year," continued Weiss. "We are constantly on the alert to find ways to provide better banking methods and procedures to meet the growing needs of this great North-west community. Our record this last year and for the past 60 years is evidence of the First's forward thrust and continuing determination to be in the leadership position. We are grateful for the support and recognition citizens and businesses have given the First. We look to 1973 as a year of economic growth and as an opportunity to renew our dedication to complete financial service."

Glenview State Bank Reports 17% Asset Gain

Glenview State Bank reported a gain of 17% in total assets to a record \$97,535,175 for the year ending Dec. 31, 1972.

In commenting on this increase, Paul Jones, Chairman, stated "1972 was a year of exceptional growth in all areas of the bank. Loans increased 23% to \$50,915,393 providing for re-employment of an 13% gain in total deposits which reached a record \$86,350,104."

Mr. Jones also revealed an increase in the legal lending limit of the bank from \$600,000 to \$750,000 enabling it to better serve the needs of its borrowers. The legal lending limit of any

bank is the maximum amount which it may lend to a single borrower and is the equivalent of 15% of the total capital and surplus of the bank structure.

In an accompanying move the Board of Directors of the bank approved a 3 for 1 stock split distribution to further facilitate the expanding capital structure of the bank.

John H. Beaulieu, President of the bank, indicated completion and occupancy of the bank's new headquarters building currently scheduled for Feb. 3, which will enable it to greatly increase the scope of services available to the people of the community.

Skokie Federal Reports Record Growth

Skokie Federal Savings and Loan Association recently reported a record growth during 1972.

John R. O'Connell, Skokie Federal president, said that assets held by the Skokie savings institution climbed to \$67,961,000 on Dec. 31, an increase of 23 percent from the \$55,155,000 total at the close of 1971.

The peak asset growth was the result of record increases in savings and mortgage lending during the year.

Savings balances at Skokie Federal rose from \$50,129,000 to \$60,000,000 during the year, while mortgage loan balances climbed from \$48,552,000 to \$60,432,000.

Overall, Mr. O'Connell characterized 1972 as a "very good year" for the savings and loan business in general and Skokie

Federal in particular. He said that people continued to save at a favorable pace during the year and that the residential real estate market remained vigorous and strong.

The Skokie Federal official said that 1973 should be another good year, though he foresaw some slowdown in personal savings as the business recovery continues and consumer optimism rises.

"On the other hand, the central problem for the American economy in 1973 will be inflation, the same problem which has prevailed for some years," he added.

"As in the past, some consumers will find that their most effective personal response against inflation will be to save more, and to increase their income from these savings."

St. Paul Deposits Up \$51 Million

Net savings deposits rose 16% or \$51,151,254 in the year ended Dec. 31, 1972, it was reported today by St. Paul Federal Savings and Loan Association of Chicago.

Faustin A. Pipal, board chairman, noted that this is the second year in a row that savings deposits have risen in excess of \$50 million. "This strong savings inflow, added to regular mortgage payments, enabled us to disburse \$84 million in mortgage loans primarily to assist in the purchase of homes," he said.

Total savings increased to

\$368,726,234 at year end from \$317,574,980 at the close of the preceding year.

Assets of St. Paul Federal moved up to \$416,573,945, compared with \$380,349,395 a year ago. General reserves and surplus amounted to \$21,114,720, an increase of \$2,085,798.

First mortgage loans and contracts showed a gain of \$36,234,104, reflecting an increase to \$368,565,066 from \$332,280,962.

St. Paul Federal is located at 6700 W. North ave., Chicago.

Skokie Federal's 11 ways to save and make things happen

1. Make it a habit to save some dollars every payday... and "take it off the top." In other words, pay yourself first, before you spend.
2. Hang on to all your dimes or quarters. Go through your pocket or purse every night, and set these coins aside for your Skokie Federal savings account.
3. If you're like most of us, you have some regular expense you'd be just as happy without (like smoking?). Put the money into savings instead.
4. Try keeping track of your expenses for just one month. You may be surprised at where your money is going. You can probably eliminate some nonessentials.
5. When you get a raise, save it. Overtime pay, too.
6. Save at least some portion of any "extra" money you receive—like a bonus, tax refund or gift.
7. If you've been paying on a car or some other "big ticket" item... when you've made the last installment, put the same amount monthly into your Skokie Federal Savings account.
8. If more than one member of your family is working, try to save one paycheck, or at least a substantial part of it.
9. Avoid the unnecessary cost of credit buying, by saving ahead. Be prepared for expenses like Christmas buying, vacation trips, tax and insurance bills.
10. Every once in a while, step up your savings program for a month or more. There is always some luxury spending we can cut out temporarily without hurting too much.
11. Leave your earnings in your Skokie Federal account to compound every quarter. Compound interest helps build your balance faster.

Savings Officer Says Home Financing Good

Home financing in 1973 looks favorable again in Park Ridge and the surrounding community. Families in the Northwest Suburban area continued to save their money in 1972, though not at quite the same rate as 1971. Robert L. Zeches, chief executive officer of 1st Savings and Loan Association of Park Ridge, said recently.

Zeches predicted continued increase in savings deposits to supply ample mortgage funds for the year 1973, in reporting to the Northwest Chicago and Suburban communities, he stated that 1972 was nearly as great as 1971 for the savings and loan industry as a whole; and 1st Savings reflected a healthy growth well above the national average.

"Business conditions look highly favorable for the next year. The American people have regained a new confidence and are willing to invest in successful enterprises. The 1973 prospects are, of course, dependent upon the final outcome in the war in Vietnam and the nation's continued struggle against inflation. With the 'peace' treaty comes optimism that there will be an easing in the rate of inflation."

"The Savings and Loan business reflected a 25 percent increase over the year 1972 making it a \$250 billion industry. This again is a remarkable achievement for any system of financial institutions, 1st Savings, in line with the National average, en-

joyed a 24.8 percent increase in resources for the year." Zeches stated that on the basis of present estimates, mortgage interest rates would remain at approximately their present levels. Savings interest rates likewise would probably remain the same. It must be remembered however, that all interest rates are dependent upon the manipulation of government monetary controls and sudden changes in policy could have a definite effect.

"The rate of savings influx may not reach the peaks of 1971 and 1972, but most institutions have a sizable unused borrowing capacity from the local Federal Home Loan Bank making positive the availability of home loan funds. Home buyers and real estate people may be assured of financing at competitive rates."

The Park Ridge savings and loan manager reported that 1st Savings, located at 123 N. Northwest Highway in Park Ridge, had passed the \$31,000,000 mark and anticipated continued healthy growth to better serve Park Ridge and the surrounding community.

Collect your interest once a month or let it ride. It's your choice.

It's something new here at First Federal Savings. We call it

monthly income.

We now pay you the interest you've earned each month if you like. On certificates of deposit of one year or more or investment accounts with balances of \$5,000 or more, monthly income means a nice tidy sum. An extra paycheck each month, mailed like clockwork. And, now we compound interest daily, so your interest payment will be higher than ever, whether you take it in monthly income or let it accumulate. Daily compounding and monthly income from First Federal Savings. It makes quite a difference.

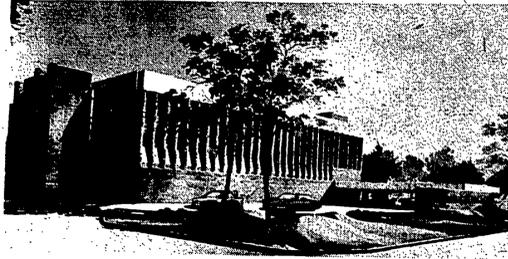

and the difference is a nice nestegg.

Move to New Bank Building Highlights Golf Mill State's Record Year

Highlight of 1972 year for Golf Mill State Bank was move into new \$2 million bank building at the southeast corner of Greenwood ave. and Church st. Bank's facilities include six drive-up service lanes, two walk-up windows and a spacious modern lobby.

1972 was a year of significant expansion and progress for Golf Mill State Bank.

This can easily be seen in our new building facilities, new banking services introduced and record high totals attained in assets, deposits, loans and capital accounts.

Highlights of our 1972 activity were:

- Total deposits increased 15.6% during the year to an all-time high of \$28.9 million.
- Total resources reached a record high of \$31.5 million, 17.1% ahead of the \$26.9 million mark as of Dec. 31, 1971.
- Total loans and discounts reached \$15.4 million as of year-end 1972 compared with the previous year-end's figure of \$11.9 million — a gain of \$3.5 million.

Capital accounts, including reserve for losses, increased 12.4% to \$1,480,425 as against \$1,316,576 for the previous year.

- In December, we moved into our new \$2 million bank building at the southeast corner of Greenwood ave. and Church st. The bank now occupies the first floor and lower level of the 3-story building which is approximately 500 yards south of our former location.

We have been most pleased with customer response to these modern quarters, particularly with our installation of six tollway-style drive-up units. These six service lanes provide us with a greater capacity to handle more transactions efficiently and conveniently as customers can pull up and conduct their banking right from their cars.

- With the opening of our new bank building Dec. 18, our sched-

ule of banking hours was expanded to give customers the most convenient times to conduct their banking business — from 8 a.m. to 8 p.m. every Monday through Friday plus 8 a.m. to 3 p.m. on Saturdays.

- A new "Personal Touch" photo check service was introduced for those checking account customers wanting better identification for check-cashing purposes.

- We launched several other projects designed to help the local community areas we serve such as our bank's sponsorship of a complete financial education program for students at local schools.

For Golf Mill State Bank, 1972 was indeed a good year and we believe 1973 holds great promise, too. To all our many customers and friends in the various communities we serve, we extend our appreciation for the opportunity to be serving you.

Any record of growth and expansion such as our bank has enjoyed this past year has to be the result of quality performance backed up by a continuing and sustained effort. In that regard, we would like to thank our many customers for their confidence in Golf Mill State Bank and our entire staff for their excellent help and cooperation.

In 1973 we look for continued growth and innovation at Golf Mill State Bank. Several new services in our savings, loan and checking account departments should assist us in maintaining our pattern of steady growth over these recent years.

We pledge our efforts to continue providing quality banking service to our trade area during 1973 and for the years ahead.

St. Paul Tells Savings and Loans Success

How quickly savings funds can be profitably utilized in the mortgage market is the newest yardstick of success for Savings and Loans, along with growth in savings and assets, Leo B. Blaber, Jr., president of St. Paul Federal Savings and Loan Association of Chicago, told the annual meeting of the Association.

"Over the past 4 or 5 years, increased savings rates, and irregular rates on mortgage loans and liquidity instruments, have made it necessary for management to concern itself not only with receiving and prudently investing saving accounts, but also with eliminating or at least minimizing the lapse of time between their receipt and their disbursement," Blaber told depositors and mortgage customers.

Discussing the halt in funds for federal housing subsidies and redevelopment grants, Blaber observed that, while this will have some impact on mortgage demand since there will be greater competition in the conventional market, he felt that it will not have a material effect through the first three quarters of 1973. "In any event, the effects of the curtailment of Government programs should have a lesser impact in the Chicago market than in some other markets nationally since Chicagoland is one of the most viable markets in the country."

Mortgage rates, he added, should remain stable throughout much of the year, although the upward trend in the Prime Rate, and on yields in Government securities, might drive them up slightly. "If there is any increase I would not anticipate it before mid-year, and do not believe that it would be in excess

of 1/4 of 1 per cent."

The St. Paul president anticipates a continuation of good savings inflow, indicating that the savings rate will approximate 7-1/2 per cent of disposable income. Additional funds, he added, will be channelled into the economy by increased social security payments, and by anticipated Federal income tax refunds during the first quarter of the year.

He said that St. Paul Federal should have approximately \$100 million to invest in 1973, up almost 20 per cent from the preceding year.

Referring to "challenges and complexities" expected during this year, Blaber singled out the recently authorized de novo branching in Illinois. "It appears that in the near future we will be operating out of multiple locations. We look forward eagerly to this challenge since it gives us the opportunity of better servicing our existing customers, and of bringing the St. Paul Federal message and image to those who are not currently members of our institution."

Casting a "long shadow on our future" is the Hunt Report and legislation which might be introduced to implement some of its recommendations, Blaber said. "Before too long we might have the opportunity to offer financial services that have not heretofore been available. When these powers are granted, we will utilize them just as quickly as possible and thus move closer to being a full service financial institution."

St. Paul Federal is a \$400 million institution located at 6700 W. North ave., Chicago.

Skokie Trust Buys Park District Bonds

Mayor Albert Smith watches as Allan Weissberg, President of the Skokie Park Board, receives a check for \$89,000.00 from LeRoy J. Plazlak, President of the Skokie Trust and Savings Bank, 4400 Oakton St., in Skokie. The check represents the purchase of Skokie Park District General Obligation Bonds.

Glenview Guaranty Grows 68 Per Cent

Glenview Guaranty Savings and Loan Association announces that their total resources have now reached 32 million dollars, an increase of more than 13 million over last year.

Richard W. Wilde, Jr., President, stated that this growth of 68 per cent is remarkable in that it exceeds the previous year's record of growth of over 60 per cent. This record increase makes the Association the fastest growing savings institution on the North Shore and also one of the largest. Mr. Wilde attributed Glenview Guaranty Savings growth, as well as that of other suburban financial institutions, to the increased awareness on the part of the public that a full array of services are available right here in the community and, therefore, convenience and personal attention are primary factors.

Glenview Guaranty Savings, founded in 1956 by a group of Glenview residents, has recently expanded their entire operation, necessitating the addition of new parking facilities and the enlargement of the lobby and mortgage loan department. They are also developing the adjacent parcel of land out to Waukegan rd. into a landscaped "Savers Mall" in conjunction with future expansion plans.

Honored for 25 Years of Service

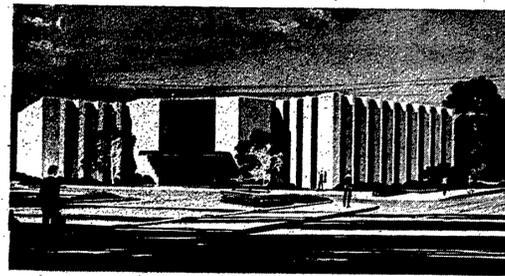

Oliver E. Saari, 8260 Dempster, Niles, has been honored by the Contract Engineering Division of Illinois Tool Works Inc., Chicago. In a ceremony at the plant Jan. 15, Saari was presented a gold engraved wristwatch to commemorate his 25th service anniversary.

A graduate engineer of the University of Minnesota, Saari later earned a masters degree

in mechanics at the Illinois Institute of Technology. He served as a tool designer at ITW, where he has been the originator of a number of economically successful patents.

Norwood Savings Reports Increase in Assets, New Facilities

The year 1972 was by all odds the most memorable twelve-month period in the more than 45 years Norwood Savings and Loan Association, 5813 N. Milwaukee, has been serving the financial needs of area savers. Not only was it a year of significant growth for the Association, but it also was the year in which the Association's new \$1.5 million building was completed and occupied. One of the most unusual, visually striking structures on the Northwest side, the building encloses more than 25,000 sq. ft. in a most unique manner. The exterior is characterized by a combination of rough, aggregate panels, interspersed with window panels of solar bronze glass. On the inside, visitors are struck by the coordination of teakwood plus carpeting and drapes that combine to create an atmosphere of warmth not normally found in the usual, sterile structures that seem to predominate financial institutions. Even the artwork—both paintings and sculpture—was carefully selected to blend with the all-new furnishings.

Physically, the building has two full floors, plus a lower level area that houses an ultra-modern Safe Deposit facility. The main floor is devoted to customer service areas and executive offices. Every detail of this space was designed to be customer oriented. For example, aware that women have to set their purses down when making transactions, special niches were built by each teller window to serve that particular purpose. Also, a drive-up window is conveniently located on this floor, permitting people to do all their savings business without having to get out of their automobiles, a special benefit during inclement weather.

The top floor contains some rental area plus a fully-equipped kitchen and dining room for the use of the staff. Elevator service to all floors is available, and of special interest to the ecology-minded, the entire building is cooled and heated electrically, making it a virtually pollution free structure.

The Association's former building that was located in the

apex of the juncture of Milwaukee ave. and Austin has been razed. To show its civic attitude, Norwood Savings has planned an attractive mini-park for the locale that, when fully landscaped next spring, will serve as a small oasis for neighbors, bus riders, etc. Another complement to the building is an ample parking area capable of handling 125 cars, and attractively dotted with planters that serve both to regulate traffic flow and add a decorative touch to the entire site.

The building was opened early in Dec., and the occasion was celebrated at a reception for local dignitaries and other friends, hosted by Norbert F. Babicz, President, and Donald J. Babicz, Executive Vice President.

At the time, the Babicz brothers observed that just eighteen years ago, Norwood Savings had assets of \$2 million, while at the present time, the Association has total assets in excess of \$48 million.

The move to the new building was also heralded by a month-long celebration that featured free gifts for every visitor plus a drawing for 45 prizes (one for each year the Association has been in business), the Grand Prize being a \$1000 complete home entertainment center.

It was, indeed, an eventful period for Norwood Savings. Commenting on the year, President F. Babicz stated: "It has been our privilege to serve the northwest side and adjacent suburban area for almost a half-century, and we wish to say 'thank you' to the thousands of people who have helped us grow through the years. We hope that now that we are well-established in our new quarters, we will have an opportunity to be of even greater service in the months ahead."

"We can think of no better place to invest your hard earned savings dollars. Our record of sound management coupled with full-insurance on accounts up to \$20,000 by an agency of the Federal government, assure depositors of a high return plus complete safety. No one has ever lost a penny that was entrusted to Norwood Savings care," Babicz concluded.

Get your '73 license plates over-the-counter and maybe win a Model A Mini-Car!

Year after year, you order by mail and wait and wait and wait for the plates. And why?

At Glenview State Bank you get fast, courteous, while you wait service AND your '73 license plates in 60 seconds! All you do is complete a license plate application (which we make available) or simply sign the form you received from the State. Present with your automobile title or your current license identification card and we hand you your '73 plates. It's just that simple. Service charge \$1.00. Isn't it worth it? A limited number of license plate frames are also available for \$1.00 each.

As an added bonus Make sure you bring in your automobile registration title when you get your '73 plates, because this qualifies you for our gasoline driven, Model A Mini-Car drawing in February. The lucky winner will treasure this 1/2 scale Model A Ford which retails for \$500.00! So come in and get your '73 license plates at 1825 Glenview Road. This service is also available at our Motor Bank and the Glenview Naval Air Station. Come in today!

Member: Federal Deposit Insurance Corporation. Each account insured to \$20,000.

Glenview State Bank 800 Waukegan Rd./United States Naval Air Station/1825 Glenview Rd./729-1900 Open 7 a.m. to 7 p.m. every day except Sunday

LOOKING AHEAD

Des Plaines Bank Open Wednesday

Have you ever rushed to get to the bank to make a deposit or cash a check only to discover when you arrive at the bank that it's closed because it's Wednesday?

Well, this is no longer a problem at the Des Plaines Bank, Oakton and Lee (Mannheim) in Des Plaines.

Wednesday, just like any other day, is a work day at the Des Plaines Bank. You can pull into their spacious parking lot and go into the bank and transact your business. For the management of the Des Plaines Bank decided that if other people work on Wednesday, why should a bank be any different.

And along with being open on Wednesdays the Des Plaines Bank is different in other ways too. For example, they pay daily interest on regular savings accounts (and the maximum interest at that) and their auto rates are among the lowest in the country and they hardly ever turn down a worthwhile loan request. In addition they provide ALL the many services with a smile which a good community

bank should provide. The growth rate of the Des Plaines at Lee and Oakton in Des Plaines attests to the fact that area people like to bank with a bank they can bank on - even on Wednesdays.

Honored by Beltone

Mrs. Loretta Krenmyre, 8538 N. Austin ave., Morton Grove, has been awarded a gold pin set with diamonds in honor of her 10 years of service with Beltone Electronics Corporation, 4201 W. Victoria st., Chicago. Beltone is world leader in hearing aids and electronic hearing tests instruments.

The pin was presented by Beltone President S.F. Posen at a special dinner held in appreciation of the effort all Beltone employees put forth during 1972.

In making the award Posen paid special tribute to the contributions Beltone's many long term employees have made to the company's outstanding growth.

St. Paul Federal Sponsors Art Contest Winners

St. Paul Federal Savings and Loan recently sponsored two prize winners in the Illinois Savings and Loan League "Thrill" Art Poster Contest. Maryanne Duszynski, the 6th grade 3rd prize winner at the state level is shown receiving her award from Bob Wyatt of the Illinois League while

her St. Constance school art teacher, Sr. Mary Therese and Mrs. Quinlan and John Corvino of St. Paul Federal proudly watch. Not shown is Guy Wolek of St. Gertrude school's 8th grade who received a Cook County Honorable Mention Award.

Director of DPMA Research

John A. Guerrieri, Jr., 8522 N. Okato, Niles, has been appointed director of research and professional services of Data Processing Management Association (DPMA). It was announced by Donn W. Sanford, DPMA executive director.

Guerrieri formerly was assistant director of the education department whose name has been changed to research and professional services. DPMA is the largest professional association in the data processing and computer management community.

Since he joined DPMA 4 1/2 years ago, Guerrieri has been involved with the administration of DPMA's Certificate in Data Processing (CDP) examination program.

Prior to joining DPMA, he had been an analyst with Leasco Systems & Research Corp., and, previously, a program analyst with International Harvester Co. He began his business career as a systems engineering trainee at IBM Corporation.

He has a bachelor of arts degree in mathematics from Northwestern University (1964) and a masters degree in business administration from Loyola University (1969). He is the author of several magazine articles on computer-related subjects and of the DPMA seminar text "Business and Management Principles—A Computer-Based Information Systems Orientation."

He and his wife Penny Anne have three children, Karen, 5; Jeana, 4; and Matthew, 1.

Real Estate Activity Up 11% in 72

County Recorder Sidney R. Olsen reported that real estate activity in Cook County in 1972 eclipsed the hectic pace of 1971, but showed signs of slowing down in the final months of the year. Recorder Olsen said mortgage indebtedness posted another record, climbing to \$4,251,176,873, an 11% increase over the old record of \$3,818,754,066 set the previous year.

In other categories showing housing trends, the number of mortgages reached the second highest level in county history while the number of transfers amounted to the third highest.

Last year there were 99,765 mortgages, a rise of 4.6 per cent over the 95,328 in 1971. Highest ever was 102,144 in 1955.

Transfers totaled 82,327, up 5.7 per cent from the 77,889 a year earlier. Most transfers ever filed was 101,168 in 1955.

Activity continued stronger through the Spring and summer, but began edging downward in the Fall, indicating a firmness in the housing market. Busiest month was August with 8,750 transfers and 10,407 mortgages. Least active month for transfers was February with 4,681, and for mortgages, January, with 5,936.

The year was also marked by the filing on Aug. 2 of the 22 millionth document, less than 3 years after the 21 millionth document.

Recording of military discharges attracted less attention during the year with only 776, compared with 904 in 1971.

North West Federal Record Growth Mark

North West Federal Savings, 4901 W. Irving Park rd., established record growth marks during 1972.

John D. Reed, president, reports all-time high assets of \$254.1 million and savings of \$204.6 million as of Dec. 31, 1972. These totals reflect growth of \$56.9 million in assets and \$40.3 million in savings capital for the year. This compares to an average annual growth rate over the past 5 years of \$27.7 million in assets and \$21.7 million in savings.

More than \$10 million in sav-

ings interest was paid savers in 1972, another record high. North West Federal pays the highest certificate and pass-book savings rates permitted by law.

Reserves reached a high of \$13.4 million on Dec. 31.

"Loan volume also established a new record," Reed said. "Mortgage loans totaling over \$59.9 million were added to the loan portfolio in 1972. Currently, North West Federal's loan portfolio includes over 10,290 home loans with a value of \$229.6 million."

Skokie Man Promoted

A local resident, Alan Mendelsohn, 7452 N. Keystone, Skokie, has been promoted to Assistant Vice President at Lakeside Bank, 2269 Martin Luther King dr., it was announced recently by John R. Montgomery III, President.

A former Chicago school teacher who holds both bachelor and master degrees in education, Mendelsohn left the educational field in 1968, taking a position as Account Executive with a computer management consulting firm. He joined the Lakeside Bank in 1970 as a Business Services Consultant, and was advanced to Commercial Services Offices in 1972, the post he held until his recent advancement.

In his new position, he will continue to advise the Bank's commercial customers in all matters of computer and electronic data processing services.

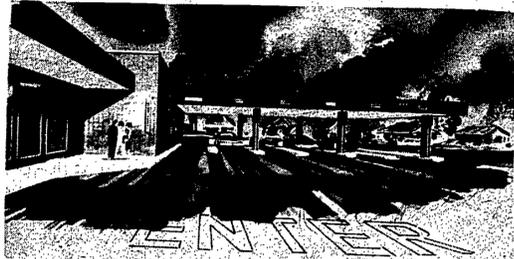

First National of MG Deposits Increase

Marvin von Aswege, President of First National Bank of Morton Grove, announced a 16.5% increase in deposits during 1972. At year end, the bank's total deposits were \$54,088,172 and its total assets stood at \$58,389,931, a growth of 14.2% over 1971 figures.

The BUSINESS Picture

Many New Firsts at 'The First'

The ultimate in banking facilities and services are now underway at the First National Bank of Niles, 7100 W. Oakton st.

Formerly the Bank of Niles, the organization just received its national charter and membership in the Federal Reserve System on Feb. 1, 1973, becoming the first bank to be granted this in the suburb of Niles. The conversion from a state chartered bank to a nationally chartered bank requires that a financial institution maintain larger reserve requirements, or more "ready" cash availabilities.

Brenton J. Emerick, President, announced that he would soon be "cutting the ribbon" to initiate six new automated drive-through windows, which will provide high-speed services and efficient traffic flow for their many customers.

The First National Bank of Niles, which is the largest in town, and one of the most well-known in the north suburban area, will undergo extensive remodeling within the next 6 months, offering some of the most modern banking innovations in the Chicago area.

Mr. Emerick explained that these new and exciting changes are all in keeping with the entirely new bank image which is being established, particularly since the bank's name and status have changed.

In addition to the six drive-through windows, which will contain an efficient automated operation, Mr. Emerick disclosed that a full addition to the main build-

ing is underway, with a new lobby entrance that will house four walk-up windows, a spacious parking lot has been added for 100 cars, and they will erect a new bank sign, which will provide the time and temperature for the community. Furthermore, a new vault is under construction, which is protected by the latest model in electronic doors; thus providing additional safety deposit box area in the old vault.

The bank, which had a growth of 32% in 1972, feels that the new expansion will be more than adequate to meet the needs of many new customers. Mr. Emerick stated that the bank has retained London and Associates, Inc., a Chicago based advertising agency, to help them fulfill their anticipated image with a new logo and a totally new approach to advertising in all forms of media.

In keeping with the many changes within the bank, three of its personnel have been promoted, effective immediately. James F. Smith was promoted to Cashier; Roger Verany to Assistant Cashier, and Michael Jamriska to Auditor.

"Welcome... for the second time, this time bigger and better!" stated Mayor Nicholas B. Blase of Niles. "As the Bank of Niles and now the First National Bank of Niles, you have always offered leadership and integrity in this community, and your new charter, achievements and plans are even more an indication of the bank's success and popularity throughout the northern suburbs."

Glenview State Bank Gains in Total Assets

Glenview State Bank reported a gain of 17% in total assets to a record \$97,535,175 for the year ending Dec. 31, 1972.

In commenting on this increase, Paul Jones, Chairman, stated "1972 was a year of exceptional growth in all areas of the bank. Loans increased 23% to \$50,915,893 providing for re-employment of an 18% gain in total deposits which reached a record \$72,812,884."

Mr. Jones also revealed an increase in the legal lending limit of the bank from \$600,000 to \$750,000 enabling it to meet the needs of all borrowers regardless of size. The legal lending limit of any bank is the maxi-

mum amount which it may lend to a single borrower and is the equivalent of 15% of the total capital and surplus of the bank structure.

In an accompanying move the Board of Directors of the bank approved a 3 to 1 stock split distribution to further facilitate the expanding capital structure of the bank.

John H. Beaulieu, President of the bank, indicated completion and occupancy of the bank's new headquarters building currently scheduled for Feb. 3, which will enable it to greatly increase the scope of services available to the people of the community.

Congratulations! To the First National Bank of Niles...

from the Bank of Niles.

For several years, the Bank of Niles has been known as the "Big Bank in Town". As of Feb. 1st 1973, we have changed our name and status to The 1st National Bank of Niles ...

After meeting the requirements of a National Bank and becoming a member of the Federal Reserve System we relinquished our State Bank charter and were granted a National Charter.

Consequently, as the only National Bank in Niles, we are expanding our services and facilities to provide the community with more complete bank services than ever before.

Banking for Tomorrow... TODAY.

A Good, Serviceable House

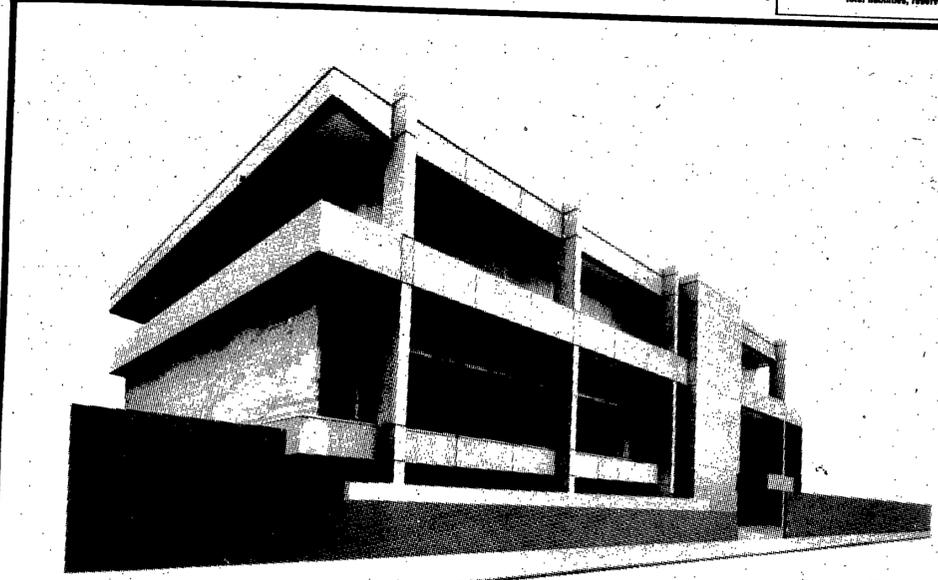

Pictured here are what will most likely be the last photos of our existing bank building, which has served us and our customers well for more than 60 years. Constructed solidly, with widespread use of such enduring and symbolic materials as marble and oak, the building has many features that, because of economic and engineering advances, would be impractical to include in present-day construction. In its day, the structure was a landmark in downtown Skokie, and we

are pleased that we will have many photographs available to remind us of what can only be described as an old friend.

We are certain many Skokie residents will share our poignant sentiments as we watch the venerable building come down. Though it may seem frivolous to some, we would like to take this opportunity to bid a fond good-bye to a building that will be remembered by us all as a durable and comfortable place to work and conduct our daily business.

Financial Editorial

By George W. Barker
Vice President of Marketing
St. Paul Federal Savings & Loan

From all indications the year 1973 will be another good business year. May be not quite as good as 1972; but still a year of prosperity.

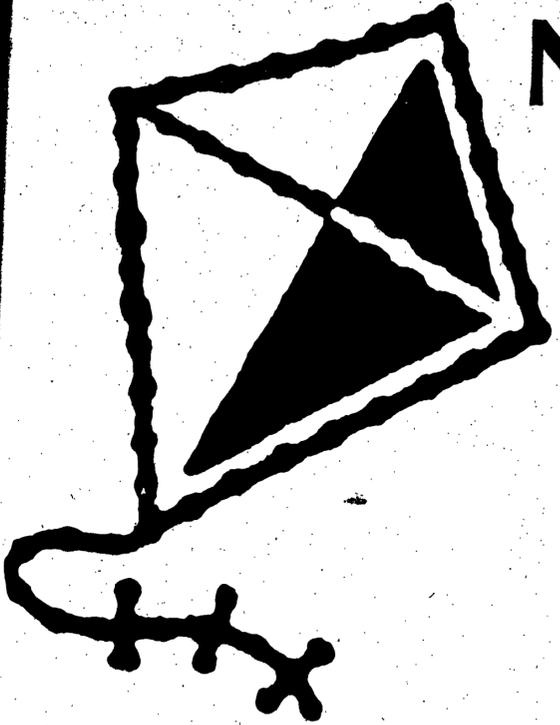

The difference in expenditures will change the type of economy. The war in Viet Nam should be terminated and the billions spent there will be used elsewhere—housing, roads, education and additional welfare. If the full retirement age in the Social Security program were reduced it is possible there may be as many as 1.7 million jobs being vacated and available to the job market. Our national interest in the problems of Europe will increase along with our withdrawal from the Asian picture. These are my observations taken from the consensus of economists' view points along with our own historical experience.

Locally, we have expressed our feelings in letters, ads, and in person. We have confidence in our immediate area and believe that this confidence is justified. New home sales evidences the desirability of living in "Our Town." Local merchants had an excellent year and as I mentioned earlier, seem to be ready for another good one. Naturally, conditions outside our own area will affect us. My brief comments are these:

1. Money generally may be a little tighter; but will still be available. This of course will keep the housing industry moving.
 2. There should be, as I mentioned, a slow continual rise in the broad trend of business.
 3. If the pace of inflation goes beyond the expected 3% there again may be further government controls.
- We at St. Paul are optimistic. While 1973 will not be the biggest boom year we have ever seen, it will be a good year.

On Dean's List

Ronald Siplora, sophomore at Augustana college, Rock Island, has been named to the Dean's Honor List for the Fall quarter. Siplora, a political science major, is a son of Mr. and Mrs. Richard Siplora, 8458 W. Clara dr., Niles.

NO STRINGS ATTACHED WITH A DEMPSTER PLAZA NO-NO CHECKING ACCOUNT

That's because a Dempster Plaza No-No Checking Account is truly free in every sense of the word. No monthly service charges. No minimum balance requirements. Let your account drop to as little as a few cents, we still won't charge you even one of those pennies for servicing the account and keeping it open.

Moreover, there's no limit on the number of checks you may write. Write one a year or 500 a month, every one of those checks will be processed absolutely free of charge.

All of which means that if you're the average check writer, a Dempster Plaza No-No Checking Account can save you up to \$25 or more each year in service charges alone.

No-No Checking. Truly a modern service from a modern bank.

Dempster Plaza Motor Bank

Motor bank facilities for Dempster Plaza State Bank are progressing on schedule, according to R.B. McFeely, President. The new facility at Dempster and Grace st. will feature four toll-booth type stalls plus a walk-up window and new account desks inside the two story building. Parking space for several cars will be available for those people who wish to open accounts during the hours when the main bank at 8720 Dempster st. is closed.

"We are reviewing the anti-

ipated operating hours of the Motor-Bank now," McFeely said, "and expect to offer deposit and new account services up to 12 hours a day Monday through Friday with 6 hours of service on Saturday. The exact hours will depend on the needs of our customers."

Completion of the construction, depending on weather conditions, should be in late spring. The second level of the two story structure will be used for record retention and other storage.

Executive Promotions Made at Kunkel

At the annual corporate meeting of Wm. L. Kunkel & Co., Ralph H. Martin was named president and Wm. L. Kunkel moved up to chairman of the board. Formerly vice president and sales manager, Mr. Martin will be responsible for directing all activities of the Des Plaines real estate firm, which for the second year in a row reached record high sales in 1972 with a volume of \$13,234,122.

Other executive changes made at the annual meeting held Jan. 3, were: James R. Duncan was elected vice president; and Edna P. Carlson steps up to secretary from the post of assistant secretary.

Mr. Duncan will continue to function as Kunkel's director of the Residential Sales Division and Marvin Kingdon as director of the Commercial-Investment Division.

A Pretty Good 1973

This year should stack up pretty well compared to 1971 and the first half of 1972. The consumer has regained confidence and has once again begun to spend money on all types of goods and services. While more consumer spending increases the demand for installment credit, there seems to be ample funds available so as not to increase interest rates on this type financing to any great extent.

With the war in Asia coming to a long overdue end and the appearance of a warming of relations between the USA and Mainland China and Russia we could see the beginning of a period of peace and prosperity starting in 1973. Increased trade with these two immense countries with their gigantic populous awaiting con-

sumer goods could solve our balance of payments problem as well as increasing employment enough to absorb the returning service personnel and the over 5% unemployed at present. Inflation is the one shadow that remains with us. We certainly have not licked the problem but in my opinion industry has done a commendable job of trying. If our elected officials on the local level as well as in Washington, would do their best to operate on a balanced budget and the trade unions would base their wage increase demand on productivity I believe the problem would be solved. Right now, as I see it, inflation is the big thing with which we must be concerned.

Joins Berns Advertising

William L. Jirkovsky has joined Robert J. Berns Advertising, Morton Grove, as Director of Art and Photography.

He was formerly with the Art Staff at Wilson & Company and more recently the Society for Visual Education, Chicago.

He resides in Berwyn and is a graduate of the Ray-Vogue school of commercial art in Chicago.

First National of Des Plaines Antique Display

As part of its 60th anniversary celebration, the First National Bank of Des Plaines is presently featuring an unusual antique display in its lobby. The display, for the enjoyment and information of all bank patrons and visitors was created from a wide variety of antique items provided by Connie Blanchette of A Little Bit Antique Shop in Des Plaines.

The display features an assortment of fascinating collectors' items that represent the history and growth both of Des Plaines and the bank. Featured are clocks, cameras, a Safeguard check writer, bound volumes of the popular, old "St. Nicholas" magazines, self-sealing canning jars, a unique animal shaped nut cracker, vases, tiffany glass pieces, paintings, a lighting lithopane, cut glass pieces, photographs and various other antique items.

First National was organized on Jan. 28, 1913 and has continued to grow at a rapid pace ever since. 1972 resources reached nearly \$123 million and the bank now provides over 40 different banking services to the community.

Morton Grove Executive Forms Advertising Agency

James T. Lucas, 9220 Odell, Morton Grove, has formed Lloyd Advertising Services, a local Advertising Agency to serve the needs of residents of Morton Grove, Niles, Glenview and Skokie who are engaged in business and who need professional advertising help.

The new Agency provides Advertising, Sales Promotion, Public Relations and Marketing Services in the areas of planning, creation, production and media placement.

Mr. Lucas says the philosophy of his firm is to provide services to businesses that spend a goodly portion of their gross income in advertising and who thus need professional help, yet cannot quite afford the services of a large downtown agency.

Before forming Lloyd, Mr. Lucas compiled an extensive background in both corporate and agency advertising, marketing and sales promotion having served as Marketing Director for National Market Reports, Inc., Advertising and Sales Promotion Manager of Belton Electronics Corporation, with Teletype Corporation, Eddie Advertising and Montgomery Ward. He attended Northwestern University and is graduated with a Bachelor of Science degree in Marketing/Advertising and resides at 9220 Odell in Morton Grove, with his wife, Valoise, daughter, Laura, and son, James.

Real Estate Transfers

Des Plaines' 43 property sales led activity in the first 1973 Maine township real estate transfer report from County Recorder Sidney R. Olsen.

There were four in Morton Grove and 3 elsewhere in the township.

The transfers are:
DES PLAINES: 8630 Lyons, Carl Zang to Louren L. Lewis; 9630 Golf terr., George Adamczyk to Christos Dravilas, et al.; 9404 Noel, Geo. H. Klotter to Harold R. Newman; 9452 Potter rd., Jacobus F. Suykerbuyk to Juan A. Lopez; 8974 W. Church, Gerald H. Brin to Alan M. Weis-

man;
MORTON GROVE: 8901 N. Oketo, Allan J. Kaplan to Tad C. Sliwinski; 9046 Harlem ave., Andrew A. Castelluzzo, Jr. to LaSalles Marckwardt; 7505 W. Palma ln., Joe Brutzkus to Benjamin Lessick; 7517 Foster, Robert G. Schwarting to Nicholas J. Engels, Jr.;
NILES: 9811 Maynard terr., Ronald B. Harris to Jimmie C. Nelson; 8620 Stotling rd., Edward Marzalek to Stephen Aberton;

DES PLAINES: 10050 Potter rd., Raymond C. Juern to Kenneth T. Kosach.

From the LEFT HAND

Continued from Page 1

parks costs the guy who foots the bills, the taxpayer, a great deal more money years later when he attempts to make up for past years' mistakes.

Niles park district was pressured into purchasing a narrow strip of land alongside Lawrencewood by residents who rightfully should have had a decent park in the center of their home area many years before. The thin strip, which runs east from Waukegan rd. costs around \$300,000. It is at best an oversized kiddie park which can only be used after crossing a major intersection by most of the residents. An equally absurd purchase was behind the present MEMCO building on Milwaukee ave. The small area also costs around \$250,000, and was purchased because residents said for years they were paying for parks in other areas, but had none in their own neighborhood. The sins of past year's residents failure to act resulted in these absurd purchases in recent years.

Rather naively believing we can learn from the past, we believe in retrospect officials 15 years ago could have insisted the large land developers contribute park area to be set aside in each development. Builders could have passed the nominal cost onto homeowners at the time of purchasing their homes, and the cost would have

been only a small fraction of what land now costs. If the Mort Robbins, the Valent Builders, the Callero and Catinos, Adreanni Builders, Ches-terfield Builders and Krich and Dreyfuss Builders had all been asked to contribute land in their areas to be set aside for parks, I'm sure they would have been happy to co-operate with the officials who had to approve their building plans. We would have had our parks at a minimal cost, and the facilities we all desired could have been built at a later date, but still at a fraction of the subsequent costs.

We know it's easy to sit at a typewriter at this late date and show such great hindsight. But the lesson has been a costly one for all of us.

As expensive as Saturday's park referendum is, it's still less costly than it will be next year, and only a fraction of what it will cost in the coming years. Many of us will not be having children using these facilities. But many of us have been fortunate in having others share the cost of our schools, which they never used, to enable our children to receive the education they've had.

Certainly, all of us have a debt to the future, and one small payment of it would be for more and better parks and recreational facilities for the coming years.

Park Election.

had a "shallow" reputation during Chameriski's period in office. At conventions he said the district had a poor reputation, partly due to the high turnover of Park directors (during the sixties the district had several directors and the implication was it was impossible for a hired director to work with the park commissioners because of their meddling).

Looking to the coming year Leske said the present director, Helmut Dressler, could never work with Chameriski, Dressler, a rather volatile personality, has had several public clashes with commissioners at park board meetings. He's a tough, blunt speaking man who believes in "telling it like it is," without concerning himself with his role as an employee hired by the commissioners. He refuses to be deferential to the elected officials. Chameriski is somewhat volatile himself.

In summation Leske said Chameriski's behavior and his non-professional attitude is an obstacle for progress in the park district. "I've put in 12 years in the park district," stated Leske, and he was deeply concerned about the return to the old days. He cited Chameriski's hiring of Alper and Alper for a feasibility study for TAM, which later led to the firm's being hired as park architects. He said the subsequent problems the district had with the Oakton Manor and Grennan Heights buildings are examples of poor judgment laid at Chameriski's feet. Chameriski answered this by stating he was on the Board for the hiring of the feasibility study but was off the board when the firm was re-hired for architectural work for the park buildings. Leske was the lone commissioner who opposed re-hiring the firm, but he admits he voted in favor of the firm for its initial study.

Leske noted Chameriski has run for some village or park board seat, at every election except one since 1963, noting his running for Mayor, as well as his running for park seats. "He is well known and has done very well in past elections," noted Leske in commenting on Chameriski's popularity. Chameriski stated the purchase of TAM will take place soon and he feels he was the leader in receiving the option on the TAM purchase. He contends he was defeated by Mayor Nick Blase when he tried to run for re-election.

Leske in noting the 5 candidate race for April's park election, believes candidate Millie Jones will win election to the board. Candidate Thaddeus Tyse is a newcomer, who Leske said attended his first meeting last week

Cont'd from Niles-E, Maine, P.1

and thus is unknown. He said candidate Abe Selman, who is very well qualified unfortunately can't win in Niles "because he goes to the wrong church." Selman, who had run previously, lost overwhelmingly, even though he was one of the best qualified candidates ever to run for the Board. Leske agreed with a previous comment in The Bugle that Selman's religion contributed to his landslide defeat.

Leske's assessment of the candidates concluded Jones would fill one vacancy, and it was likely if Leske didn't run Chameriski would have easily won the second seat. Chameriski told The Bugle he filed for the election just 4 minutes before the deadline for filing. He asked if Leske had filed and was told he had not but he found out later Leske had also filed for election the last day. That evening, Leske told Chameriski he would withdraw from the election if Chameriski would but Steve said he wouldn't.

In closing Leske said he believed 12 years on the park board was long enough. Except for the preceding reasons he did not believe a candidate should run for a third term. He believes the election of Mrs. Jones would bear well for the park district. He said the present make-up of the park board manifests they are "too sports-minded," implying it needs a more balanced perspective.

Voters.

Continued from MG P.1
Increased congestion of motor vehicles, apartment buildings and increased population the character of the community will be altered from a quiet suburb to a congested city atmosphere. Passage of this proposal will protect and increase property values of present Morton Grove residents. Open Space will maintain the ecological balance by retaining water and helping to prevent future flooding.

Total cost of the proposal will not exceed \$2,900,000. Only the amount of bonds necessary to purchase the land and to construct the facilities are to be sold. Construction work will be by competitive bidding. It will cost the average taxpayer in Morton Grove \$17.25 a year or 33¢ a week to finance this proposal. Tax figures have been determined by a professional planning firm from experience in similar projects in the Chicago metropolitan area; the proposed costs are considered extremely realistic.

The polls are open Saturday, Feb. 3 from 6 a.m. to 6 p.m., and all registered voters 18 years and older residing in the Morton Grove Park District are eligible to vote.

Solicitors.

Continued from MG P.1

taking orders for future delivery must comply with the following: An application must be obtained and filled out at the Police Station. Item for sale must be noted. Type of car (if any) used must be noted. Agree to fingerprinting if requested. Police Dept can issue certification or deny it. Must carry certification when calling on people. Must leave deposit (refundable) for badge. Hours are from 9 a.m. to 9 p.m.

The other amendment passed dealt with Food Delivery Vehicles. It provided for a license to be obtained for each and anyone using a vehicle for storage, selling or delivery of food for retail sales in MG. All vehicles must be kept clean, no unwrapped foodstuffs will be permitted and all handlers must be in good health and show a chest x-ray card at the time of inspection.

Polling Places

For the Morton Grove Park District Special Election on Feb. 3, polls will be open 6 a.m. to 6 p.m. Listed below are polling places and descriptions where to vote.

Austin Park fieldhouse, 8336 Marmora ave., Morton Grove - all that part of the Morton Grove Park District lying east of the center line of the Chicago and Milwaukee Railroad tracks and south of the center line of Dempster st.

Mansfield Park fieldhouse, 5830 Church st., Morton Grove - all that part of the Morton Grove Park District lying east of the center line of the Chicago and Milwaukee Railroad tracks and north of the center line of Dempster st.

National Park fieldhouse, 9325 Marion ave., Morton Grove - all that part of the Morton Grove Park District lying west of the center line of the Chicago and Milwaukee Railroad tracks and east of the center line of Harlem ave.

Ortolo Park Pool Bldg., 9201 Ortolo st., Morton Grove - all that part of the Morton Grove Park District lying west of the center line of Harlem ave. and north of the center line of Church st.

Oketo Park fieldhouse, 8950 Oketo ave., Morton Grove - all that part of the Morton Grove Park District lying west of the center line of Harlem ave. and south of the center line of Church st.

Leifer residence, 8531 Hamilton dr., Skokie - all that part of the Morton Grove Park District lying east of Edens Expressway and north of the center line of Lincoln ave. and being in the Village of Skokie.

Variety Club's Man of the Year

WGN's Wally Phillips (2nd-left) shown here surrounded by members of the (l.-r.) crew-board of governor Irv Kupcinet, Phillips, Chief Barker, Gene Stein, board of governor Jack Brickhouse, and press guy Andy Nickols, who are helping make elaborate plans for the Variety Club appreciation luncheon to Wally, for his dedication to the Variety Club's children's activities - DeHilde

Hospital, Tuesday, Feb. 6 at the Conrad Hilton Hotel. Kup and Jack will also serve as co-toastmasters. The public is invited but more than 2500 can be accommodated in the International Ballroom. 'Ways to a Healthier Heart'

"Ways to a Healthier Heart," the North Cook County Health Association's "Heart Month" display, will open at Resurrection Hospital Friday, Feb. 2. Emphasis of the exhibit this year will be heart disease detection and education. Registered nurses and hospital personnel will be available from 2 p.m. to 8 p.m. to give personal counseling to visitors. A medical staff member will be available for counseling in the evening. The exhibits will include in-depth educational information on diet, definition of what a heart attack is, and explanation of risk factors such as high blood pressure, habitual cigarette smoking, over weight, diabetes and hypertension.

Through Feb., which is Heart Month, the exhibit will be free and open to the public at suburban hospitals. After being at Resurrection Hospital, the exhibit will be at Lutheran General Hospital in Park Ridge, Saturday, March 3 from 11 a.m. to 4 p.m.
