District 207 1973-74 School Calendar

Parents who must make long range plans for family vacations will be glad to know that school will not start for Maine high school students until after Labor Day next fall. The 1973-74 calendar approved by the District 207 Board is as follows:
Opening day of school for all students will be Wednesday, Sept. 5, two days after Labor Day.

Teachers are scheduled to attend an all-day Teachers' Institute on Tuesday, Sept. 4.
The official school calendar will include 185 days - 182 days of instruction, and 3 Institute Days. It will include 7 legal holidays and 13 school holidays. The legal holidays are Columbus Day, Thanksgiving, Christmas, New Year's Day, Lincoln's Birthday,

Good Friday and Memorial Day. The 1973-74 school year will end on June 14, 1974.
Thanksgiving will be celebrated on Nov. 22. There will be a school holiday the following day, Friday, Nov. 23.
Christmas vacation will begin at the close of school on Friday, Dec. 21, and continue until Thursday morning, Jan. 3. Spring vaca-

tion will consist of Good Friday, April 12, 1974, and the five school days following Easter Sunday, April 14. School will reopen on Monday, April 22, 1974.
Institute Days for teachers will be held on Tuesday, Sept. 4; Monday, Jan. 28, 1974; and Friday, March 1, 1974. There will be no classes for students on those days.

The District 207 calendar was developed by a committee made up of school officials from both the high school district and the elementary districts, student representatives, and representatives from the Maine Teachers' Association. While not identical in all instances, the high school calendar is coordinated with the calendars for the elementary districts in the area.

STUDY PLANS FOR NEW ICE RINK

By Terry Cobbleland

Condition of injured crossing guard improving

Niles Crossing Guard George Peters, 7537 N. Nora, Niles is reported progressing satisfactorily after being struck by an auto driven by Carol Haddon, 7953 Foster, Morton Grove on Tuesday, March 15.
Mr. Peters was assisting children across the intersection of

Is Niles going to have another indoor ice rink?
The Niles Park Board Tuesday night approved initiating an engineering study on the feasibility of constructing an additional outdoor rink at the Hallard Sports Complex.
Commissioner Bill Keener said the rink "with safeguards means to the park district if a possible failure occurs with the main rink. It would mean extra income and it will insure maintaining our present staff at Hallard, which could leave during the main rink's shutdown."

Park Director Helmut Dressler stated the action shows a response to the hobby of the people. He also added, "The taxpayer would not have to pay a single penny. The rink would be financed by revenue bonds."
The long discussion vote was called by Commissioner Jack Laska. "We've been in the construction phase for five years now," he said. "Let us should reflect on what we've done and do more objective planning. More care should be given to individual park structures and facilities."

Mid-Month Menderings...
Niles Mayor Blase, forever playing to the grandstand, proposed taking an Oak Park radio station into court, over what Blase believes is an obscene radio show. According to the news story Blase is concerned young people may be listening to the program which is aired between 10 a.m. and 2 p.m.

It's really all a lot of nonsense, since the main body of young people at home during these hours is under 5 years old. But even if all the young people in the area were home during these hours it seems a bit ludicrous Blase should be the keeper of what residents should or should not listen to.

During the first years of Blase's reign Niles police grabbed Henry Miller's Tropic of Cancer off the bookstands in the village. We followed, the American Civil Liberties Union took action, and the courts ruled immediately such action was illegal.

There's no need to give you the pitch about your civil rights since the argument has been banged away at continuously in recent years. Those who agree with us say, "Write On," and those who don't either don't give a damn, or don't understand the tenuous nature of the need for vigilance against such infringements.

What is always ironic about these cases is the gentlemen who try to apply their muscle. We commented last year Blase made an off color remark in a church in Evanston, which made his most loyal supporters cringe when he expressed it before an audience there. Here is a guy who has made hundreds of speeches before many audiences thru the past years. He has developed a style while in the meetings which can be described as glibness. But with such easy, free-going verbiage, there should always be a restraint, which we call "good taste." Unfortunately, hundreds and thousands of speeches can't reach this quality. Yet, he wants his taste to decrease to all of us what we should or should not listen to and read.

A second letter to the editor writer questions the lack of competition in this year's Niles village.

Testimonial dinner for Committeeman Blase

The Maine Township Regular Democratic Organization will hold a testimonial dinner honoring Nicholas B. Blase, Committeeman of the organization, Saturday, April 7, at the Marriott Motor Hotel, 8530 W. Higgins, Chicago.
Michael Lavin, President of the organization, acting as spokesman of the group stated, "Nick Blase has through his foresight and leadership become an inspiration to all who know him. His concern is not just for the Democratic Party but the community at large."
With Blase and the executive officers and members of the Maine Township Democratic Organization discussing plans for the event, Top row (l. to r.) Michael Lavin, President; Milton Dachman, Public Relations Director; Blase; Kenneth Cohen, Deputy Committeeman; Dr. Thomas Kogos, 1st Vice President.
Front row (l. to r.) Mrs. Margaret Barry, Treasurer; John LaValle, 2nd Vice President; and Eileen Kenanery, corresponding secretary. Tickets for the testimonial dinner are available at 8074 Milwaukee ave. or for further information please call 692-3338.

Frank Wagner, Jr. — a study in innovation

Frank Wagner, Jr. Village Clerk of Niles, has brought innovative dimensions to that position in an unusually active first term of office. Having campaigned on the theme of new ideas for progress in 1969, Wagner completely reassessed the role of the Village Clerk, reducing it to a part time position with a salary of \$2400 per annum. He does not see any change in its status in the foreseeable future.

Frank was raised in the Village of Niles, his grandfather Anthony Zamiat served as a Village Trustee of Niles in 1920. His first term of office has

seen many new ideas being formulated such as the issuance of Data Pack, a complete kit of applications mailed to each resident for their vehicle, dog, and fishing license applications saving the resident time by allowing him to handle the entire transaction via mail. In addition this year's kit includes a bicycle application free of charge for the license.

The Village Clerk now provides free notary service to any Niles resident saving them the time and expense. Wagner recommended and received the boards support in reducing the vehicle license fee from \$10 to \$5 for our senior

citizens at age 62. First to reduce the fee at 62, other villages now allow similar discounts at age 65.

Wagner, in cooperation with the Attorney General's Office established the first Consumer Fraud Department in the Northwest Suburbs and serves as its commissioner at no additional fee. To date approximately 500 complaints have been attended to by Wagner and his staff. His department checks all the weights and scales in the various shops in Niles to insure accurate measurements for the consumer.

He will soon be checking the gas station pumps to determine

their accuracy. As an additional benefit to the consumer Frank issued a very detailed booklet written so the average person can understand what consumer fraud is in layman language.

In 1971 he created the office of Community Services and was appointed its director, again at no cost to the taxpayer. In this capacity he issued a detailed list of various problems one might encounter and the phone numbers to call for help. In addition he helps coordinate other village activities such as the essay contest sponsored by the Niles-Youth Commission.

As head judge of elections he

recently corresponded national boundary lines for election to that of the village; hence the confusion that exists during various elections is eliminated. Your precinct number remains the same and so does your polling place for all elections.

As Village Clerk Frank developed a job opportunity program with various listings available in the vestibule of Village Hall so that job hunters need not be embarrassed when seeking additional employment or a new position. Always new ideas for the benefit of Niles residents.

In addition to Village Clerk, Frank has served as editor of the Progress Report since its inception in 1962. It is published 6 times a year with pertinent news and information regarding village affairs. He is a 22 year veteran of the Niles Police Department serving as Director of Records.

On the lighter side of Wagner, Frank's wit has amused many a motorist traveling past the police station. His quips have appeared in National Magazines and many of Chicago's columns. One of his recent quips appeared in Readers Digest — "We salt our streets, we skid you not," Frank Wagner, always progressive, never stagnant, with only the best interests of his community in mind has brought new dimensions and pride to the office of Village Clerk.

Recreation registration

The Niles Park District is still taking registration for the third Session of Recreation classes. Classes will start the week of March 19. Registration is being taken at the Park District Office during regular office hours: Monday thru Friday 9 a.m. to 5 p.m., and Saturdays from 9 a.m. to 12 noon.

Most of the Recreation classes are still open, including the Tennis and Golf programs. For additional information, please call the Park District Office at 967-6633.

Legion meets tonite

The Morton Grove American Legion Post #134 will hold their regular monthly meeting Thursday, March 22 and hear proposal of by-law changes at that time. The 8 p.m. session is to be called to order by Commander Frank Hilbert in the Post Memorial Home, 6140 Dempster.

Junior Vice Commander Joseph Schmidt will serve hamburgers and chips as the post-business snack.

Service Officer. Ralph Hintz indicates sympathy has been extended to the family of Walter Walo, a member, who died recently. A donation to the Post's Poppy Day Fund was made in memory of member James Orphan's father who also died recently.

During this past month member Andy Miller has been confined to St. Francis; Frank Kintzel at Lutheran General; and Herschel Poland now at VA Research. In addition, mention is to be made of Police Officer Sam Spina's recent surgery.

Orchestra Members

The UIUC Symphony orchestra held a concert Sunday, March 18, in the Great Hall of the Krannert Center for the Performing Arts.

Members of the student orchestra included Dianna Durston, 5900 Crain st., Morton Grove, viola, and Robin Peller, 7838 Lotus ave., Morton Grove, flute.

Frank Wagner, Jr. — a study in innovation

Frank Wagner, Jr. Village Clerk of Niles, has brought innovative dimensions to that position in an unusually active first term of office. Having campaigned on the theme of new ideas for progress in 1969, Wagner completely reassessed the role of the Village Clerk, reducing it to a part time position with a salary of \$2400 per annum. He does not see any change in its status in the foreseeable future.

Frank was raised in the Village of Niles, his grandfather Anthony Zamiar served as a Village Trustee of Niles in 1920. His first term of office has

seen many new ideas being formulated such as the issuance of Data Pack, a complete kit of applications mailed to each resident for their vehicle, dog, and fishing license applications saving the resident time by allowing him to handle the entire transaction via mail. In addition this year's kit includes a bicycle application free of charge for the license.

The Village Clerk now provides free notary service to any Niles resident saving them the time and expense. Wagner recommended and received the boards support in reducing the vehicle license fee from \$10 to \$5 for our senior

citizens at age 62. First to reduce the fee at 62, other villages now allow similar discounts at age 65.

Wagner, in cooperation with the Attorney General's Office established the first Consumer Fraud Department in the Northwest Suburbs and serves as its commissioner at no additional fee. To date approximately 500 complaints have been attended to by Wagner and his staff. His department checks all the weights and scales in the various shops in Niles to insure accurate measurements for the consumer.

He will soon be checking the gas station pumps to determine

their accuracy. As an additional benefit to the consumer Frank issued a very detailed booklet written so the average person can understand what consumer fraud is in layman language.

In 1971 he created the office of Community Services and was appointed its director, again at no cost to the taxpayer. In this capacity he issued a detailed list of various problems one might encounter and the phone numbers to call for help. In addition he helps coordinate other village activities such as the essay contest sponsored by the Niles Youth Commission.

As head judge of elections he

recently corresponded national boundary lines for election to that of the village; hence the confusion that exists during various elections is eliminated. Your precinct number remains the same and so does your polling place for all elections.

As Village Clerk Frank developed a job opportunity program with various listings available in the vestibule of Village Hall so that job hunters need not be embarrassed when seeking additional employment or a new position. Always new ideas for the benefit of Niles residents.

In addition to Village Clerk, Frank has served as editor of the Progress Report since its inception in 1962. It is published 6 times a year with pertinent news and information regarding village affairs. He is a 22 year veteran of the Niles Police Department serving as Director of Records.

On the lighter side of Wagner, Frank's wit has amused many a motorist traveling past the police station. His quips have appeared in National Magazines and many of Chicago's columns. One of his recent quips appeared in Readers Digest — "We salt our streets, we skid you not," Frank Wagner, always progressive, never stagnant, with only the best interests of his community in mind has brought new dimensions and pride to the office of Village Clerk.

Recreation registration

The Niles Park District is still taking registration for the third Session of Recreation classes. Classes will start the week of March 19. Registration is being taken at the Park District Office during regular office hours: Monday thru Friday 9 a.m. to 5 p.m. and Saturdays from 9 a.m. to 12 noon.

Most of the Recreation classes are still open, including the Tennis and Golf programs. For additional information, please call the Park District Office at 967-6633.

Legion meets tonite

The Morton Grove American Legion Post #134 will hold their regular monthly meeting Thursday, March 22 and hear proposal of by-law changes at that time. The 8 p.m. session is to be called to order by Commander Frank Hilbert in the Post Memorial Home, 6140 Dempster.

Junior Vice Commander Joseph Schmidt will serve hamburgers and chips as the post-business snack.

Service Officer Ralph Hintz indicates sympathy has been extended to the family of Walter Walo, a member, who died recently. A donation to the Post's Poppy Day Fund was made in memory of member James Orphan's father who also died recently.

During this past month member Andy Miller has been confined to St. Francis; Frank Kintzel at Lutheran General; and Herschel Poland now at VA Research. In addition, mention is to be made of Police Officer Sam Spina's recent surgery.

Orchestra Members

The UIUC Symphony orchestra held a concert Sunday, March 18, in the Great Hall of the Krannert Center for the Performing Arts.

Members of the student orchestra included Dianna Durston, 5900 Crain st., Morton Grove, viola, and Robin Peller, 7836 Lotus ave., Morton Grove, flute.

Kaplan JCC Girls Sports Camp

In answer to the increasing interest of girls in sports, the Mayer Kaplan Jewish Community Center will offer for the first time a Girls' Sports Camp as one of their summer day camp programs.

Girls entering grades 4th, 5th, and 6th may enroll for either of the four week periods, June 25 through July 20 and July 23 thru August 17, or they may sign up for the entire eight week camp. The camp meets four days a week, Monday, Wednesday, Thursday and Friday.

The program emphasizes individual sports including gymnastics, cheerleading, cook-outs, team sports and crafts. Advanced swimmers will have the opportunity to improve their diving skills and to participate in water ballets.

Persons interested in registering for the Girls' Sports Camp may contact the Mayer Kaplan JCC, 5050 W. Church St., Skokie, 675-2200.

Training session for election judges

Morton Grove Village Clerk Fred S. McClory announced this week that he will conduct a school for Judges of Election who will serve in the April 17 village election.

The training session will be held in the Council Chamber, which is above the Morton Grove Police Station at Lincoln and Callie ave. The sessions will commence at 7:30 p.m. Friday, March 23.

McClory has invited Al Smedley, representative of Frank Thornber Co. specialists in election supplies and procedures to be guest speaker.

Although attendance is optional, we have had such an overwhelming response to our invitation that I doubt whether anyone who is planning to serve on April 17 will miss out except perhaps those who are ill or out of town on Friday," said McClory.

James M. LaPaglia
Navy Airman Apprentice James M. LaPaglia, son of Mr. and Mrs. Salvatore LaPaglia of 8315 Gross Point rd., Morton Grove, has completed the Aviation Structural Mechanic school at Millington. He is a 1970 graduate of Niles West High school, Skokie.

LWV supports Equal Rights

The League of Women Voters of Morton Grove and Niles supports the Equal Rights Amendment which states "Equality of rights under the law shall not be denied or abridged by the United States or by any State on account of sex." The League is not alone in advocating passage of the Equal Rights Amendment, others being Presidents Eisenhower, Kennedy, Johnson and Nixon, and the platforms of the major political parties, which have supported the Amendment.

The U.S. House of Representatives passed the Amendment by a vote of 354 to 23, Oct. 21, 1971, and the U.S. Senate approved it 84 to 8, on March 22, 1972. In both cases, opponents tried to add qualifying language to limit the scope of the Amendment and were decisively defeated time and again. Illinois citizens voted overwhelmingly in favor of equal rights when they ratified our new state constitution in 1970. The Illinois Bill of Rights, Section 18, contains an equal rights provision that is stronger than the federal constitutional amendment now being considered because it extends to school districts and local governments. The fact that Illinois citizens are protected by their own constitution in no way lessens the importance of the federal amendment which will insure that all citizens of all states will have the same assurance of equal rights. A vote against ratification of the Federal Equal Rights Amendment this session will be a vote against the wishes of Illinois citizens. If the Equal Rights Amendment were to lead to all the frightening consequences predicted by the anti-ERA forces, these consequences would have been evident in Illinois during the past 3 years. To assure pas-

sage of the Equal Rights Amendment, everyone is urged to write their legislators. Questions are welcomed and information may be received regarding the Equal Rights Amendment from the E.R.A. Central office, 53 W. Jackson Blvd., Chicago, Ill. or call 939-3986.

election. He is rightfully concerned by the apathy of the natives and he wonders if there really are any issues in the community.

While we haven't been paying too much attention what's going on down at the village store, nevertheless we could offer several issues which would bear consideration.

Even though we agree the utility tax is equitable still opposition forces could ask why Niles must tax its residents for utilities, while retaining a village property tax year after year. The village continuously receives increased amounts of sales tax refunds from the state (around 1.5 million dollars annually), and has received another bonanza with the returns from state income tax which is used in the village. If neighboring Morton Grove can get along without the utility tax, why must Niles continue to charge the taxes it does to its residents?

If I was running against the incumbents I would wonder if the \$5,000 used to finance their holiday in Hawaii last year indicates there's a great deal of money floating around the village.

A ticket opposing Blase would have to ask whether 3 terms in office is enough. There have been many abuses of the Mayor's office thru the years, many which are highly questionable. In his private practice the Mayor has used uniform police to represent him. And certainly, it must be deemed a fair question to ask how the Mayor could zoom from a \$20,000 home to a \$100,000 home in such a short time. Certainly, no other public official in this area has exploited the public office for private gain in any way comparable to Blase. In

his initial campaign he led the cry against public officials making money off their public offices. Yet, no official in Niles history could match the Mayor's take in taking advantage of this job.

I believe the annexation actions in Niles deserves closer scrutiny which could well be an issue. And the spending of \$80,000 for a fire truck which sat in the station for sometime for lack of personnel to man it questions the judgment of those involved.

A 60 year old businessman reported he was beaten up by a Niles policeman half his age in recent weeks. While Niles contends the businessman threw the first punch, which he denies, nevertheless, is pummeling an older man accepted practice down at the station?

The policemen involved in the arson case last year are still under suspicion. It seemed from here the village had an obligation to give these men lie detector tests to determine whether or not they should stay on the force. But Niles officials refused to do this, which seems a bit frightening. If a law enforcement officer committed such an action it is the duty of the village officials to make sure these men are bone innocent. If they are not it places the entire community in jeopardy to have such men enforcing the laws they defy. We had the impression one of the policemen was "one of the boys" and the officials in the village family rallied around him. It seems an unbelievable action, and certainly would be an issue if there was alert opposition in this year's election.

Local Gymnast Receives Awards

Junior Mary O'Connell, a member of the girls' gymnastics team at Niles North High school, received two top awards in the Midwest Open Gymnastics Meet held recently at Northwestern university.

Mary took first place on the uneven parallel bars and sixth place in floor exercise and on the balance beam. Awards were given to the top six contestants in each event.

As a member of the girls' gymnastic team at North, Mary took second place in the all-around event at the league gymnastics meet, and third place in the combined all-around event.

Mary was a member of the Niles North gymnastics club for 2 years before the group began competing interscholastically as a team this year.

Soviet defector to give concert

A Russian Jew who defected from the Soviet Union in 1969 will perform the cello in a special concert Sunday, March 25 to dramatize his continuing attempt to convince the Soviet government to free his mother, wife and 5-year-old son.

Victor Yoran, the 36-year-old cellist who staged a one-man protest concert in front of the Russian embassy in Washington, D.C. last week will perform at the Northwest Suburban Jewish Congregation, 7800 Lyons st., Morton Grove. His performance starts at 8 p.m.

Yoran decided to make the special appearance in Morton Grove after he learned that the Synagogue had "adopted" his wife Stella as its "sister" and makes phone calls to her in Moscow twice a month.

Now a resident of Israel, Yoran has been trying unsuccessfully to convince the U.S.S.R. to grant exit visas to his family for nearly

4 years. He has been touring Europe, performing in concerts and seeking help for his family from various government officials.

The Synagogue, through its Soviet Jewry Committee, began placing phone calls to Yoran's wife last year after receiving a list of persons who had expressed their desire to emigrate from the Soviet Union. Stella's name was picked at random.

There will be a nominal charge of 50¢ per adult for admission to the concert to help defray the cost of Yoran's travel expenses.

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY

Oven cooking can save you money.

An electric oven runs only a part of each hour it is used. The rest of the time it coasts on stored heat because it is insulated on all six sides. Due to this stored heat, cooking in the oven can be more economical than cooking on top of the range. To take advantage of this insulation, you can cook a whole dinner—turkey and trimmings, vegetables and pie—in the oven

at once. You then use a fraction of the energy it takes to cook each separately. If you have three dishes to be cooked at slightly variant temperatures (say 325, 350 and 375 degrees) pick the mean temperature (350°) to cook all three. Remove each one as it's done. Of course, to keep your oven's insulation operating efficiently, avoid opening the door as much as possible.

Oven cooking is only one area where we have information that can help you conserve energy. If you would like our booklet "101 Ways to Conserve Electricity at Home," write Commonwealth Edison, Department AV, Box 767, Chicago, Illinois 60690.

Grateful Senior Citizens

Dear Sir: My sincere thanks to all who took part in making Feb. 28 a very enjoyable evening for all Senior Citizens, especially those at the Huntington. The perfor-

mance of St. John Brebeuf's Pot Pourri through the courtesy of Jerry Sullivan was a complete success. I also wish to extend thanks to the Kiwanis club and Leonard Happ for the transportation in the way of several buses to and from St. John Brebeuf. The carnival attraction of the carousel sure took us all down the path of memory lane.

Thanks again!

One party election doesn't provide a true choice Expresses thanks

Dear Editor:

As a resident of Niles for the last 10 months I have been duly impressed with the progressive atmosphere of the community in general and the vitality of its citizens in particular. However, of late, there has arisen a situation which I feel poses a present and very real threat to a continuance of that same progressiveness and vitality which has built Niles into a model community. That situation which warrants my concern is the lack of opposition to incumbent Nicholas Blase in the upcoming election.

Not only is Nicholas Blase running unopposed for the office of mayor, but his entire party, the New Era party, remains unchallenged for the 3 trustee positions and the office of village clerk. There can be but 2 reasons for the existence of the incredible situation. The first is that the candidates are so popular, so overwhelmingly strong, that opposition would be futile, if not ludicrous. Evidently, Mr. Blase and company must believe this to be true since the press reports that the New Era party, wishes to extend its thanks to the citizens of Niles for their support, the implication being that lack of opposition is proof of that support. Though I am a relatively new resident of this community and I cannot attest unqualifiedly to this popularity and/or strength, I find it difficult to believe that even one (and certainly not all 5) of the candidates is so universally well-liked and esteemed so as to warrant a free ride to the public office. The alternative reason for this lack of opposition concerns voter apathy.

It is possible that no one is interested in running for public office anymore, or that the public no longer cares who controls the forces of local government? I hope not. It is necessary that we have opposition candidates for the office of mayor as well as for the lesser elective offices. Our entire democratic system is based on the hypothesis that the will of the majority as depicted by the vote of the individual is determinative of who indeed shall govern our future. Of what value is this vote when it can be exercised in only a single direction, for a single candidate, or not at all? Was such intended by the learned drawers of our constitution? Was such intended by the pioneers of women's suffrage? And more recently yet was that the intent of those who campaigned so vigorously for the 18 year old? Again, I hope not. Fortunately there is a solution, though it is of limited utility. The law provides that every ballot must contain a space for a write-in candidate. Unless a bona fide candidate emerges before the April 17 election, this law would provide no relief to alleviate this distressing situation. A legitimate write-in candidate, one who cares about preserving the backbone of our political system, would give us our choice, and thus lend real strength to our vote. I would undertake this task myself but unfortunately I am handicapped by inexperience with regard to local government administration.

Therefore I call upon some concerned citizen or citizens to provide that opposition which forms the foundation of American politics. Some concerned citizen must emerge as a serious candidate so that the voter may exercise a true vote on April 17. This demand is meant as no reflection on the qualifications, or their absence, of Nicholas Blase

and the New Era party to hold public office. Indeed, if they are as qualified and as popular as they represent and the emergence of a bona fide write-in candidate would only serve to drive more voters to the polls to show their support of the present administration.

Furthermore, I call upon this newspaper to publish, before election day, one or more articles detailing the correct ballot procedures for indicating the choice of a write-in candidate. Such publication may help instigate affirmative action on the part of some individual or individuals, thus providing a true choice of candidates for the voters on election day, April 17.

Respectfully submitted,
Lawrence P. Seiwert

'The Time Has Come to Work Together'

Dear Editor:

The smoking issue at the Mathe schools is now settled and closed. However, the controversies revealed that everyone needs to look at the problems and issues of the District schools rationally and intelligently.

The extreme amount of emotionalism exhibited on all sides during this issue is proof that there is a gap somewhere that needs to be bridged.

For example, at the Feb. 19 meeting of the School Board, member William Bocek commented on the issue, "We had better not give in on this one (smoking issue) like we did on the dress code." (Reported in the Feb. 22 issue of the Park Ridge Herald.) Actually, the dress code controversy was decided by the courts, and not "given in" by the School Board.

On the other hand, the students have tried pressure tactics and violations of the rules. Little is gained. At times we tend to view the administration as "the enemy," as they apparently view us.

For example, Mr. Louis Grazien replied to Michael Bartos' request to investigate a ban on all smoking for everyone on school property, "I can't tell adults what they can do. Students, yes, but not adults." The students have asked for a ban on all smoking in the schools, based on the reasoning that smok-

I want to thank you the editor very much for having my letter published in the Bugle and I want to thank all the wonderful people from Morton Grove and the surrounding areas for sending me get well cards, letters and birthday cards. I received a good bit of mail and it sure made me a disabled veteran very happy. I am the man that had 4 operations before I had my left leg amputated and I had 7 more operations after I had my left leg amputated. I am a disabled veteran of World War 2, I fought in the Battle of the Bulge. I was wounded 3 times in action. Any-one still wishing to send me a get well card or letter would make me very happy.

Thanks to all

ing is as detrimental for a forty-year-old as a 17 year old. This would be fair and equitable. The recent sit-down at South got people involved. But it seems that it usually takes walk-outs and sit-downs for the students to get people involved.

What I'm proposing then is that the students and parents get together and discuss the issues and problems of the District schools openly and rationally. The times are a'changing. With change comes many problems, but ignoring the problems will never solve them; it will only make them worse. It takes courage to face the realities of change. Smug complacency, or disdain, on anyone's part, is foolish ignorance, and ignorance only leads to misunderstanding.

The time has come to work together. What we need now is for everyone to get involved in the school processes in a constructive manner. Let's set up parent-student committees at the four schools and work with the Board and the Superintendent, in an attempt to deal with the numerous and varied problems in the District. If anyone is interested, please call me at 823-0223.

Remember, we all have to understand and care.
Sincerely,
Dan Grippo,
President; Maine East Student Council

Concerned About Young's Campaign Contributions

Dear Editor:

As a constituent of Rep. Sam Young (R-10), I was disturbed by a news report about the freshman Congressman having accepted campaign contributions last year from employees of a major American oil producer, and his being co-sponsor of a measure which would remove natural gas prices from government regulations.

Rep. Young, who sits on the House Committee on Interstate and Foreign Commerce, which will consider the bill, said he was a co-sponsor of the legislation in response to complaints from oil and gas dealers and from consumers in his district. I'm curious as to who these consumers are, and whether they could possibly have been complaining about prices not being high enough!

I would appeal to Rep. Young to consider that it has been these kinds of situations which have made the public grow cynical about their elected officials, and to remember that the voters of the 10th Congressional District sent him to Washington to represent their own needs and interests, not those of wealthy and powerful businesses and industries.

Invitation to senior citizens

Dear Senior Citizen, It was wonderful to see so many of you at the recent Mitch Miller concert at Niles Township East High school. The auditorium was completely filled and we are sure everyone had a wonderful time. I know Mitch himself did!

Because of the splendid turnout and the great interest in our offering other kinds of performances, we have made arrangements for a "Senior Citizen Only" special free performance of the famous Broadway musical "Mame." You know most of the songs, I'm sure. Plus "Mame," there's "If You Walked Into My Life," "My Best Girl," "Open a New Window," and several others -- all set in the 1920's in New York. Performed by our talented students, the show is sure to leave you with the same warm feeling as the Mitch Miller concert.

We invite you and any of your senior friends to join us on Wednesday afternoon, April 4, at 1 p.m. in the Niles East auditorium, Lincoln and Niles ave., Skokie, for the free performance. In addition to again having our students assist you in finding a good, comfortable seat, we will have coffee in the lobby before the show and during intermission. For those who can come early (between 12:30 and 1), special arrangements are being made so that you can have a real "school-cooked" meal with our East High students in the cafeteria for the special student price of 75¢ or regular a la carte prices.

All this has been made possible with the cooperation of the following people: Jerry Proffitt, Drama director at Niles East; Mrs. Kathy Leslie, of the Dance department; Leo Provost, Band Master; and Robert Anderson, Choral director. Jeanne Madaus, our cafeteria director is responsible for the lunch and coffee arrangements. We certainly thank and congratulate each one of them -- as well as the 200 students who will participate in "Mame," for their hard work and their thoughtfulness.

If you know anyone who is not a member of the Niles Township High school's Senior Citizens club and who would like information on joining, please have them call me at 966-3800, ext. 447. There is no charge for joining but the benefits are many.

I hope to see you on Wednesday, April 4. If I can be of any help, please call me at the number above.

Sincerely,
Mick Herzog

To Whom It May Concern: My husband and I attended the Senior performance of Mitch Miller at Niles East High school. We want to go on record as saying thank you for a delightful afternoon under the most pleasant surroundings. The Young Folks sure did themselves proud. They were wonderful. And Mitch Miller was wonderful.

In the evening we attended the St. John Brebeuf Pot Pourri. And that also was wonderful. Thank you for giving the time to our benefit. Niles sure does a wonderful job taking care of its Seniors.

Sincerely,
Henry & Florence Holzapfel

LETTERS to EDITOR

Alessi takes exception to Left Hand

Dear Mr. Besser:

In your March 15 column, "From the Left Hand," I take great exception to your referral to me as "a very partisan Democratic worker in Morton Grove." Although I do admit to being very partisan, you have the wrong party. Ever since 1951 when I voted for President Eisenhower in the primary, I have been an active -- and vocal -- Republican in my national party affiliation.

In Morton Grove, however, I am a most avid -- and, again, vocal -- non-partisan. It is my firm belief that national politics has no roll to play in local suburban affairs. Because a man is either for or against apartment building construction does not mean that he is either a Republican or Democrat. Issues at the local level are generally clearly defined. They assume great importance because they touch each of us so closely and in our daily lives in such visible means as street repair, police and fire protection, zoning practices, water supply, and flood control.

Because I firmly believe that local issues cross national political party boundaries, I have become an outspoken opponent of Niles Township Republican Committeeman John Nimrod and the current majority party in Morton Grove, a group which rides Nimrod's coattails and answers

Thanks for Blood Donor Publicity

Dear Mr. Besser:

As President of the Cooperative Blood Replacement Plan, I want to express the sincerest thanks of everyone in our organization for the support you and your fine newspaper have given our program during January Blood Donor Month, and throughout the entire year of 1972.

As you know, the giving of blood is a vital and life-saving act, made even more important by recent legislation. Yet it still requires strong motivation for those who do not know of the need for blood from their own experience. Your responsible efforts to tell of this important need and the advantages of joining CGRP, have persuaded an increasing number of donors to give blood and receive replacement benefits through CBRP membership.

Last year in Jan., we processed approximately 3,000 applications for membership. This year in Jan., through the help of magnificent people like you, we processed over 6,000 applications for CBRP membership. This record proves that your newspaper has again been an even greater -- and much appreciated -- influence for the good of the community. Seven out of every ten of these Family donor members will be back again next January, just when we need them.

I am indeed proud that we have gotten your support during Jan. Blood Donor Month and 1972, and cannot help but feel that we owe a debt of gratitude to your newspaper for helping us in our community work of public education.

I hope that we will continue to merit your help in 1973 to urge people to give blood and serve themselves by joining the Cooperative Blood Replacement Plan.

Sincerely,
Frank E. Trobaugh, Jr., MD
President

All candidates should speak at public school meetings

Dear Editor:

I read to day of 2 meetings, March 28 and April 5, being held to allow the voters to hear the views of the convention-endorsed candidates for the Oakton Community college Board of Trustees. While the convention and its candidates certainly have the right to hold meetings, may they rightfully use the public schools (Niles West and Maine

West) without inviting ALL candidates to speak.

While I was not a candidate in time to seek convention endorsement, I most definitely am a candidate. There are major issues in this election that most certainly will not be raised when 3 endorsed candidates speak and 3 seats are up for election. If there is to be a meaningful contest, with a real choice for the people to make, these issues must be raised and the other candidates must be heard. This should always be the case, it must happen when public facilities are used for campaign purposes.

Respectfully,
Stanley C. Weitzenfeld
Candidate for Board of Trustees, Oakton Community college

Quit smoking clinic

Resurrection hospital will again offer an "I Quit Smoking Clinic" free to the public. The clinic will be held on 4 successive evenings beginning Monday, April 9, in the ground floor conference rooms at the hospital. Registration can be made by sending a post card with name and address to: "I Quit Smoking Clinic," Resurrection Hospital Public Relations Office, 7435 W. Talcott ave., Chicago 60631.

The evening programs will include a thoracic surgeon who will discuss the effect of cigarette smoking on the lungs; an otolaryngologist will talk on how smoking affects the mouth and throat; and an internist will speak on blood pressure and body functions which are affected by smoking.

A psychologist who is an expert in the field of addiction will help participants "kick" the habit, and a field representative from the American Cancer Society will give a presentation and be available to answer questions.

Receives Degree

Kenneth Haase, son of Mr. and Mrs. Frederick Haase of Niles, is one of more than 300 students who received baccalaureate degrees during the 76th annual mid-year commencement exercises held at Bradley University, Peoria, on Dec. 20, 1972. Mr. Haase was graduated with a bachelor of science degree.

Selman speaks out on Park fiscal policies

Abe Selman of 7111 W. Niles ave. and Mildred "Millie" Jones of 7817 N. Odell, candidates for Park Commissioners of the Niles Park District in the forthcoming election April 17, met with a group of interested citizens last week to discuss their positions on several issues. In response to a query about what was meant by a need to improve present fiscal policies, Abe Selman responded—

"Everyone's viewpoint is colored by his or her personal or professional experiences. I've had 20 years of business experience and professional training as an accountant, I, therefore, have a tendency to more closely look at the business aspect of the Park District activities.

"I become concerned when the Park District encounters difficulty selling revenue bonds to obtain funds needed to complete a facility.

"I become concerned when I hear the Niles Park Board talk about proposed capital expenditures for park improvements without having discussed the expenditures with the professional staff or provide for funding of on going operating and maintenance cost associated with the project.

"I become concerned when the Niles Park Board says if we need

more money to run the park district, we'll ask the public to raise the tax limit.

"I become concerned when I see the Niles Park District tax rate and Village of Niles tax

rates are identical and I see the disparity of services being offered by the two taxing bodies.

"I become concerned about these events and you the taxpayer, should also."

Running a park district has evolved into a big business involving millions of dollars every

year. It requires planning for fiscal responsibility similar to that carried on by large corporations.

Planning is essential for fiscal responsibility and solvency. Planning is essential to the success of any and all undertakings of the district. For a recreational program to be successful, funds must be available to develop the program to its utmost. In the end, all the activities of the Park District boil down to two things, planning and fiscal management.

Abe Selman has the professional training with a Masters Degree in Accounting and the practical everyday experience as Superintendent of the Budget Department to effectively deal with these important aspects of Park District activity.

Abe Selman will bring those attributes to the Park Board when elected, along with Millie Jones, on April 17.

Fornasiero Brothers 2 - Bank of Niles 0. This week's games were very exciting and identical in scores with both winners getting "shutouts." Fornasiero Brothers blanked the Bank of Niles team by 2 goals, but taking nothing away from the Bank of Niles goalie Andy Sagen who did a very good job holding Fornasiero Brothers scoreless for 2 periods. At the 4 minute mark of period 3, B. Frenner, unassisted, scored the first goal. Eight minutes later P. Schmidt assisted by J. Salemi finished the scoring of this game.

Amy Joy Donuts 2 - Miller Builders 0. What proved to be a very exciting and nail biting game, Amy Joy Donuts "shut-out" Miller Builders. Outstanding "team play" by Amy Joy was very evident in this game. After 2 goals were scored in the first period, one by S. Mannina, assisted by F. Angulo and L. Gaertner and the second by F. Angulo

Gutow 'bears' his candidacy

Bernard Gutow, ecologist candidate for Commissioner of the Morton Grove Park District, has received the support of the local wildlife. Gutow's plans for the Park District will be sensitive to the interests of the community and will maintain a proper balance between park and recreational land use.

GOLF MAINE PARK DISTRICT

Registration for all Spring programs has begun at the Golf Maine Park District, 9229 Emerson, Des Plaines. For information concerning these programs and the fee schedule please call 297-3000. The following are some of the programs offered for this Spring. Unless otherwise stated all programs will be held at the North Shore Trace gymnasium, Senate and McArthur.

BASEBALL CLINIC will be held on Wednesdays at 3:45 for 6-7 year olds and 4:45 for 8-9 year olds. This is a program designed to teach new baseball skills, develop old ones, and serve as a warm-up and introduction for further baseball participation. Activities will move outdoors as soon as weather permits.

SPORTS AND GAMES is a program for fun and excitement. A variety of games, contests and activities are planned to offer a full afternoon of recreation. Girls 6-7 years old will meet Tuesdays at 3:45 while 8-10 year olds will meet at 4:45. Sports games for boys will be on Mondays with 6-7 year olds at 3:45 and 8-10 year olds at 4:45.

SOCCER CLINIC is a brand new program offering a chance for boys to learn the skills of this fast paced sport as well as to further develop the skills they may already have. For boys with experience this will be the perfect opportunity to sharpen their skills for the upcoming Fall season. Boys in the 6-8th grades will meet at 4 on Mondays and Thursdays while high school boys will meet at 5. All classes will be held at the Maine East soccer fields and will be taught by the Maine East soccer coaches.

GOLF will be offered on Thursday evenings this Spring. All high school boys and girls, as well as adult men and women are welcome. Gene Zuccarini from Maine North High school will give instruction in the use of each club. Classes will be from 7-8 p.m. If you cannot wait till summer to get your game in shape this is the ideal program for you.

VOLLEYBALL for high school students begins April 6 at 8 and will be held every Friday evening till May 25. High school students will enjoy this co-ed program as both an athletic and social activity.

TENNIS for those players with experience is offered on Saturdays 10-12 a.m. from May 5, to June 9. This gives advanced men

and women reserved court time as well as playing tips from an instructor.

BALLET is offered to develop poise and grace in young girls. Every Friday from April 6 to May 25 girls 5-6 years old will have lessons at 4-5 and for girls 7 and over 5-6. Once again these classes will be instructed by Mrs. Sharon Caccopio.

HORSEBACK RIDING will be conducted at the Don Feebles stables this Spring. Classes for both beginners and advanced riders will take place both around an indoor rink and along wooded trails. Included in the \$25 registration fee is transportation from the Park District Office and back.

BELLY DANCING is another new addition to the Park District program. This program will not only offer plenty of exercise but good clean fun. Every Thursday evening for 8 weeks beginning April 5 at 8 our instructor will teach basic warm-up exercises and routines.

KNITTING AND CROCHETING will be both an instructional program for technique and a discussion of yarns, patterns and other pertinent information for creativity. For adult women this program will be on Thursday evenings from 7:30-8:30 at the Park District office.

DECOUPAGE is the art of applying prints to wood finishes. There are thousands of variations to this exciting art. Each one will be a welcome decoration to your home or make wonderful gifts. The decoupage class will meet at the Park Office on Tuesdays at 7:30.

DOG OBEDIENCE is a class offering the opportunity to teach your dog the basic fundamentals of discipline. All dogs who enter the class must be at least 6 months old and have had their rabies shots. Monday evenings at 7 p.m. Kurt Lemke will help you train your dog according to American Kennel Club rules.

The following is a schedule of our Spring vacation specials:

March 24 - Open Gym
March 26 - Floor Hockey Day
March 27 - Open Gym
March 28 - Arts and Crafts (1-3rd grades . . . 9:30-11:30 4th and over . . . 1-3)
March 29 - Open Gym
March 30 - Supervised Gym (same schedule as for Arts and Crafts)
March 31 - Open Gym

THE CORNERS of Where it's at and What's happening.

By Ed Hanson

There'll be no baseball this year at Wrigley Field, Oh, the Chicago Cubs will be there but they'll just be going thru the motions like they did last year, and the year before.

In fact, if you have to see a baseball game in the worst way - go watch the Cubs.

For the past 28 years most of the people that go to Wrigley Field go there for the hot dogs and some sun, not to watch the Cubs. Wrigley Field has become famous as being the largest hot dog stand in the world. It's the 'hot dogs' that attract the crowds - not the Cubs. It also provides an excuse for many men to get away from their nagging wives so they pretend to be Cub fans. This, in a large measure, accounts for the large crowds that a losing ball club, like the Cubs, attracts.

In fact, one could count the total number of Cub fans by the fingers on one hand. There's maybe five or six die-hard Cub fans in all of Chicagoland; the rest have long since given up any hope of the Cubs being a serious pennant contender. And a great many Cub fans have died, you must remember, during the past 28 long, long years.

Advance scouting reports offer no encouragement for the pennant hopes of the '73 Cubs. The only ones who are gleeful about the '73 Cubs are opposing major league teams. For these opposing players know from past experience that their manager's always let them 'break' training and stay out late the night before they're to face the Cubs. The advance scouting report also points up the fact that most of the 'old' Cub players will be in the starting line-up again this season. And, of course, most of these are receiving their monthly social security checks, so they have little incentive or the 'pep' to hustle on the playing field. You see, most of the old familiar Cubs have found a home at Wrigley Field. And most of 'em have been with the club so long that they have cooking privileges in the locker room.

In today's baseball circle, the Chicago Cubs are known as the Senior Citizens of the baseball diamond, and they make plenty of money during their off season doing 'Geritol' TV commercials.

So, if you want a hot dog - to Wrigley Field. If you want to see a baseball team - go watch the Chicago White Sox.

If you don't like hot dogs, have you ever tried a hot oven grinder? They're great - and you can get one at EASTERN STYLE PIZZA at Golf Mill lanes, in the Golf Mill Shopping Center. This delicious sandwich is served on a large piece of French Bread with a combination of tasty sliced meats, fresh onions, green peppers, tomatoes, provolone cheese and seasonings and baked to a golden brown in a Pizza oven. And these Grinders are available in many variations. There's a cheese grinder, Italian combo, pastrami and even a corned beef grinder. They're all truly delicious. Harry Markellos and his partner, Nick Dalamagas, think so much of their 'Grinders' that they have registered the "Hot Oven Grinder" trade mark with the State of Illinois. So this summer, before or after the ball game, drop into EASTERN STYLE PIZZA in Golf Mill 'an have a Grinder or two.

And while you're there peek in the GOLF MIL LANES and see the new look that's been created in the cocktail lounge. The new remodeling going on at GOLF MIL LANES will be completed about the middle of April according to the new owners, Fred Fikes and James Kopulos.

Speaking of Cub fans, one of the remaining ones is Tony, the day bartender of the LONE TREE INN, 7710 Milwaukee ave., Niles. Of course, Tony is young, being only 26 so the Cubs haven't won a pennant in his lifetime. After a few more years pass by I'm sure that even Tony, rabid Cub fan tho' he is, will switch to the world champion White Sox. By the way, the 5th anniversary of the LONE TREE INN, draws closer. Just a week away, it starts on Thursday, March 29, and lasts thru March 31st. During the 3 big birthday days, Lorraine and Joe Stroka have planned a gala celebration. They're offering a free cocktail with dinner and hors d'oeuvres, served after 11 p.m. There'll be live entertainment and you can have a ball. And believe me, a lot more fun that watching the Cubs ...

Another anniversary is coming up, too. It's the 7th birthday of GO-TO-BLASES, 7015 Milwaukee ave., Niles. Joe and Sophia owners of the popular local pub plan to have their celebration on March 29, 30 and 31st. Everyone is invited to join them to celebrate their 7th year in Niles. More about this in next week's column ...

See you next week

DINING & ENTERTAINMENT

'The Desperate Hours'

David Lonn, Managing Director of Arlington Park Theatre, has signed Constance Towers for the role of Eleanor Hilliard (Hugh O'Brian's wife in the play) in the suspenseful drama "The Desperate Hours," which opened Friday, March 2, and plays thru Sunday, March 25.

Miss Towers achieved eminence in the supper club field, and went on to distinguish herself in the theatre in productions of Showboat, Carousel, The King and I, The Sound of Music, Cactus Flower, Camelot, Kiss Me Kate, Guys and Dolls. She made her Broadway debut in Anya, and more recently played the female lead in Ari.

Ticket prices and performance times are as follows:
 Tuesday, Wednesday, Thursday - 8 p.m., \$5.
 Friday - 8:30 p.m. - \$7
 Saturday - 6 p.m. AND 9:30 p.m. - \$7
 Sunday - 3 p.m. (Matinee) \$5 AND 7 p.m. \$7
 Student discounts are available at the box office.

'Marion the Librarian'

Weitzenfeld candidate for Oakton College Board

Stanley C. Weitzenfeld, mathematics teacher at Niles East High school in Skokie, announced that he has become a candidate for the Board of Trustees of Junior College District 535 in large part because of a deep concern for the quality of the educational program.

Weitzenfeld, 30, father of 2, has been a resident of Skokie and now lives at 1643 Stockton st., Des Plaines.

This Board operates Oakton Community college, now housed on an interim campus at Nagle ave. and Oakton st. The election, to fill 3 seats and an unexpired term, will be held Saturday, April 14.

"While Oakton has been praised for its innovative and individualistic approach, it has also been criticized for questionable standards of achievement," Weitzenfeld said. "Method and organization of instruction should not invalidate a goal of student competency."
"My candidacy is based largely on this issue. The direction of the

Notre Dame Fencers win State Title

The Notre Dame Fencing team took 1st place at the State Fencing Championships Friday and Saturday in Champaign. Notre Dame advanced all 6 fencers for the first 3 rounds with wins of 26, 26, 18 bouts. Ken Lavelle and Russ Rempala were eliminated in the Quarters, but Terry McConville, Pat Gerard, Tim Glass and Bill Kica made it to the semi-finals. Terry, Pat and Tim made it to the finals where they finished: Tim Glass 3rd, Terry McConville 4th and Pat Gerard 6th. All 3 fencers are All State Honors, and Bill Kica is Honorable Mention.

The total of 86 wins sets a new tournament record set in 1969 by Marshall (78 wins). With this tournament Terry McConville hit 517 wins-184 for a career, and a seasonal total of 206-46. All fencers did well and fenced intelligently. The overall results of the meet were:

1. Notre Dame 86; 2. New Trier West 60; 3. Niles West 46; 4. Maine South 40; 5. New Trier East 38; 6. Champ. Centennial 38; 7. Pleasant Plains 35; 8. Niles East 28; 9. New Berlin 21; 10. Glenwood 12; 11. John Marshall 11; 12. Dixon 8; 13. Galesburg 0.
- Total Achievements of the Fencers this season are: 1. Varsity undefeated season; 18-0 and with team tournaments, 23-0. 2. Varsity Conference Champions;

Golf Mill Merchants host Scout exhibits

The Thunderbird District, Northwest Suburban Council, BSA will hold Scout-O-Rama runoffs at Golf Mill on Sunday, March 25. Exciting competition among troops from Niles, Morton Grove, Des Plaines and Glenview, will feature Pioneering Skills, Bridges, towers, Luxenberg Swings, and many other structures, will be constructed by the Scouts. The only materials they will be permitted to use, are logs and rope. Judging will be based on the neatness and soundness of the entry. Each patrol competing will submit a scale model. Judges will be especially interested in the Scouts skill in using Knots and Rope lashings.

While our Scouts are "making like Dan'l Boone and Davy Crockett" our Cubs will be racing their Pinewood Model Cars. The Derby will pit the top 3 winners from Cub Pack Competition against the survivors among all other Cub Packs in the Thunderbird District. The Pinewood Cars are made from a solid block of Pine and are designed and finished by the Cubs. We understand that Cub Dads are allowed to give consultation and a little help here and there.

The Scouts invite all visitors to Golf Mill to watch their events . . . bring all the family . . . Grandma too.

Jack Flaherty of 2800 Virginia ln., Glenview, General Ch. of the events announces that all events will begin at 1 p.m. and conclude at 3:30 with the Presentation of Awards. Assisting Mr. Flaherty will be Ray Shurson, 6940 Keeney, Niles, Ch. Pinewood Derby Pioneering Runoffs; and Mike Foley, 8633 N. Olcott, Niles. Other members of the committee are: Pioneering, Wm. Reidler, 9536 Oleander, Morton Grove; R. Smedberg, 8205 Menard, Morton Grove; George Gaulther, District Chairman, 6852 Keeney, Niles; and Al Kaufman, 9285 Home, Des Plaines.

Assisting Mike Foley on the Pinewood Derby, will be: James Eischen, Thunderbird District Commissioner; 2917 Jerrile ln., Glenview; and Eugene Swift, 7912 Waukegan rd., Niles.

What Is Obscenity?

Dear Mr. Besser:
Sometimes I feel like a voice crying out in the wilderness, but I will continue to exercise my rational faculties trying to filter out prejudice and its corollary, fear, and let my opinion be heard.

I am very uncomfortable living in a community in which the moral climate is reactionary, self-righteous, and hypocritical. I had thought the pernicious idea of government censorship had been laid to rest sometime ago. But it seems that Niles has decided to join the Nixon bandwagon, the Mayor Daley bandwagon (re: movie censorship) and all the forces which are conspiring to deprive me and my family of our freedom to make our own judgments in the free marketplace of ideas.

I would like to quote from a classic work by John Milton called *Areopagitica* written in 1644, on the subject of censorship. The Great Books foundation considers it an enduring work, most applicable to the year 1973, and even to our "children."

1. "Read any books whatever come to thy hands, for thou art sufficient both to judge aright, and to examine each matter."
2. "To the pure, all things are pure; not only meats and drinks, but all kinds of knowledge whether of good or evil; the knowledge cannot defile, not consequently the books, if the will and conscience be not defiled."
3. "Bad meats will scarce breed good nourishment in the healthiest concoction, but here in the difference is of bad books, that they serve in many respects to discover, to confute, to forwarn and to illustrate."
4. "God trust him (man) with the gift of reason to be his own chooser."
5. "He that can apprehend and consider vice with all her baits and seeming pleasures, and yet abstain, and yet distinguish, and yet prefer that which is truly better, he is the true Christian."
6. "The state shall be my governors, but not my critics; they may be mistaken in the choice of a licenser, as easily as this licenser may be mistaken in an author."
7. ". . . and a forbidden writing is thought to be a certain spark of truth that flies up in the faces of them that seek to tread it out."
8. "How many other things might be tolerated in peace, and left to conscience, had we but charity, and were it not the chief stronghold of our hypocrisy to be ever judging one another?"

My questions to you are:
1. Who are to be the censors? What are their criteria? Don't forget the Supreme Court has been struggling with the legal definition of obscenity for years and must rule on each case individually.

2. How can we possibly interrupt the airwaves which indeed mirror our contemporary approach to life? Some would say we are afraid of Truth of our world as we've made it.

Receive Superior Ratings

For the ninth consecutive year, the Niles North High school Clarinet Choir received a superior rating at the Illinois High School Association State Solo and Ensemble Contest, held recently at William Fremd High school in Palatine. Soloists who received superior ratings in the competition included juniors Dan Alpert and Ted Shlachter, both of Morton Grove.

Des Plaines

Dear Chief Hinz:
I am writing this letter to you as well as the Chiefs of Niles and Park Ridge in hoping that something can be done to lower the speed limit on Dempster st. Since my coming to this bank in June 1972 I have seen a great number of traffic accidents between the toll road to the west and Milwaukee ave. to the east. It seems that at least one every Saturday not to mention the other days of the week.

The accidents in question are not just "fender benders," but seem to require ambulance calls, and wrecker assistance. While I believe in the fastest flow of traffic possible I do think 40 to 45 M.P.H. is much too fast considering the high school, Lutheran

ities, I feel we owe the "little people" something." Leske went on to say the district has been progressive enough to now take some time to look things over. He believes the Board should be concerned with preparing itself with the Fall referendum.

Keener added "the proposed rinks at Tam O'Shanter and in Skokie will certainly not hinder any future developments of an additional rink." Board President Walt Beusse announced the Ballard rink will be closed for its three month shutdown on May 6th. This will be immediately after the ice show to be held that weekend.

Dressler said within a week after the shutdown, facilities will be set up for roller skating. A roller skating program similar to last year's will be instituted at this time.

Larry Reiner, executive director of the Maine-Niles Association of Recreation for the Handicapped outlined to the Board his group's summer day camp program. "We will have an educational-recreational program using recreation as a tool for education," Reiner said. He did emphasize, however, the program has a day camp structure and will not be a summer school. There will be specific programs for children from the following mentally handicapped, educable mentally handicapped, learning disabilities and emotional disturbances. Eighty per cent of the camp's staff will be certified teachers with an additional strong corps of volunteers. The camp will run for 6 weeks, Monday through Friday, starting

Absentee Voting

Village Clerk Frank C. Wagner wishes to remind Niles residents that March 19 is the first day for absentee voters to apply for absentee ballot for the Village election to be held on Tuesday, April 14. The last day for absentee voters to file application for ballot by mail is April 12. However, the last day for absentee voters to apply for ballot in person is April 14. Applications may be obtained by contacting the Administration Department, 7601 Milwaukee ave., or by phone, 967-6100.

In other actions, the Board passed an ordinance calling for the April 17 election for two park commissioners. Beusse announced the last date for picking up absentee ballots at the park district office for the election is April 13.

Dressler reported the District will comply with the request made by Mrs. Gerri Goomick of the Suburban Art League to hold an art fair at the Sports Complex. Keener also reported spring tree plantings will take place at Washington Terrace, the Sports Complex, Kirk Lane and the park office building.

Continued from MG P.1

D'Earth is listed in Who's Who in the Midwest. Mr. Schneider said, "The Board of the Morton Grove Chamber of Commerce feels that the Chamber is extremely fortunate to have been able to obtain the services of a dedicated, vigorous man of Harley D'Earth's achievements to take over the active management of our Chamber at a crucial time in the Chamber's development. Schneider also announced with regret the retirement of Joseph M. Cooke from his post with the Chamber and said, "The Board is deeply grateful to Joe Cooke for his dedication and effort these past 2 years in our behalf and we all hope that the situation in Mr. Cooke's family which has recently developed which necessitated his stepping down may be speedily and happily rectified. The Board hopes, and Joe has agreed, that he will be available for future consultations appropriate to his experience and expertise."

In its budget, Bids were received from Morby & Sons of Evanston, Milo Construction of Niles, Zero Construction of Evanston, Corona Construction Co. of Glenview and Schroeder & Schroeder of Mt. Prospect. They will be turned over to Administrator Huber and Supr. Dahm for their recommendations. Bids were also opened for garbage disposal. They were as follows: Monarch Disposal of Elk Grove Village, \$3.65 a month per dwelling, Browning Ferris Industries, Inc., Barrington, \$3.67 a month, Hoffman Scavenger Service, Morton Grove \$2.84 a month and Glen-Golf Disposal, Inc., Berwyn, \$3.55 a month. These bids will also be studied by Fred Huber and Jim Dahm for their recommendations. Architect Harold Steed told the board that he recommends accepting the low bid of the Aspen Co. for construction on the new Fire Station. Mr. Steed said that according to the research he had done Aspen had very good recommendations and was said to be a very reliable firm. He has seen samples of their work and said that they were very acceptable. After some discussion it was decided to table further discussion and consideration until the findings of the Plan Commission were made known to the board. Fred Huber suggested that the board advertise for four new squad cars for the Police Dept. The board agreed and bid openings will be held on April 3.

John Nordberg, Village Atty. read an ordinance providing for the holdings of a Village Election on Tuesday, April 17, from 6 a.m. to 6 p.m. It was approved. Ed Brice noted that during the week of March 11 - 17 the police had 227 complaints. A letter was received by the Police Dept. com-

mending Lt. Vic Pearson for his aid regarding an accident case where someone was killed. The law firm representing the boy's family sent the letter. The Fire Dept. had 51 call during March 11 - 17. There were three calls for the paramedic equipment. Last week a girl injured while horseback riding who suffered a broken back sent a letter of thanks to the two firemen who aided her so well. They were Alan Weinstein and Rudolph Malone. David Cohen reported the December sales tax receipts as \$83,609.77. M.F.T. funds collected for Sept. were \$21,811.89. Trustee John Hilkin told the board that a substantial check was received from the Avon Company for the Beautification Committee.

Youth . . .

Continued from MG P.1 about how the young people can get involved in local government in a meaningful way. The group plans to work on the programs mentioned above, and also on voter registration and absentee voting for students who too often lose their vote because they don't know how to go about the voting by absentee ballot. Citizens Youth Movement will work out of the headquarters at 6046 Dempster st., Morton Grove, phone 967-8751. Volunteers are welcome to phone after 6 p.m. or to come into the headquarters. A welcome meeting has been scheduled for Thursday, March 22 at 7 p.m.

Enjoy cruise

A week-long cruise to Freeport, Port-au-Prince, and Montego Bay, Kingston and Port Antonio, Jamaica on board the M/S Starward of Norwegian Caribbean Lines was part of a recent Florida vacation for Mr. and Mrs. Mike Zizzo and Jim Zizzo of Niles.

Women returning to work institute

Carol Kleiman of the Chicago Tribune will be the Keynote Speaker at a day long institute for women entitled "Back to Work: Choices and Chances" at the Mayer Kaplan Jewish Community Center, 8050 W. Church St., Skokie on Tuesday, April 10 from 9:30 a.m. to 2:30 p.m.

The institute, which consists of several seminar workshops, will deal with the rational and not so - rational concerns and anxieties, life styles and general implications involved when mama considers returning to work. Time will also be given to the women who prefer to stay at home despite the pressures of women's lib.

Topics to be covered during the day include: Does it pay to go back to work? How does working affect my children? My husband, Commuting; Can I conquer the expressway? Back to school; The job market, new careers and choices; Working at home; Volunteer work; Community attitudes toward the working mother; and The new self image and life style. Luncheon will be served, and baby sitting service is available at a nominal cost. Fee, including lunch, is \$4 for members, \$7.50 for non-members. Interested parties may register by filling out a form at the Kaplan JCC. For further information, phone 675-2200, ext. 218.
