

Bode labels Hohns "Missing Trustee"

Speaking to an overflow meeting of the Citizens Party of Morton Grove Woman's Organization Sunday afternoon, Mayor Jule C. Bode labeled his opponent as the "Missing Trustee" who is seeking election to the Village Pres-

idency where he will be the "Missing Mayor." "Not only has his record of attendance been spotty at regular meetings," charged the Mayor, "but he has yet to attend a single one of the important meetings held Saturday mornings to accommodate people whose work keeps them away from the village during the normal hours of operation."

"I think the voters should also give careful consideration to the fact that in the unlikely event my opponent is elected, it will create an immediate vacancy on the board, meaning the successor who is appointed will not be chosen by the people of Morton Grove,

but by the party bosses of the Action Party," commented the mayor.

"As if this were not enough," continued Mayor Bode, "there is quiet speculation and rumor about the intended resignation of another member of the Action Party who presently served on the board in order to take another appointment."

"What a curious spectacle it would be if the night of election found two successors being named who had not even appeared on the Action Party slate. I challenge my opponent to answer now, so the voters will know, whom he would appoint to fill 2 possible vacancies," Bode concluded.

Student Career Night

District 207's "Project Big" Career Night gets underway tonight, March 22, at 7 and runs to 10 in Maine West High school in Des Plaines.

This evening high school and junior college students, as well as their parents, will be treated to information on future job potential in more than 200 businesses, industries and professions.

Representatives from firms in this area will be available at Maine West to describe in detail opportunities in their fields, as well as advise students on education and training requirements and job compensation.

The Cooperative Education & Guidance Departments of the 4 Maine high schools are responsible for all arrangements of Career Night in cooperation with interested area businessmen who serve on the Cooperative Educational Advisory Committee.

Sullivan is "active" write-in candidate for Niles mayor

Stating, "Niles is long overdue for a change," Park Board Commissioner Jerry Sullivan told The Bugle Sunday he would be an active write-in candidate for Mayor. Admitting he had no organization, nevertheless Sullivan said he would be giving voters a chance to register dissatisfaction with incumbent Mayor Blase. He said there has been "no groundswell" for him to run, and he would "love to be Mayor." Sullivan said he had no organization and financially, "I don't have a nickel one," for the purpose of campaigning.

Sullivan was released from Lutheran General hospital Thursday with a clean bill of health, after being hospitalized for back and stomach troubles in recent months. He said his primary concern is to get back to work by April 1. Because of his ill health he has not worked since Christmas.

Despite his personal problems Sullivan has been in the front line of the highly successful St. John Brebeuf variety show, an effort which requires year-round planning and working. In addition to

his park board activities he also is very active at Notre Dame High school.

In pointing out what he believes are Niles present Mayor's deficiencies, he said his running for Congress proved Blase wasn't primarily interested in Niles. Sullivan said he thought 12 years was long enough for Blase to hold the village president's office, and agreed with a Bugle column last week which noted Blase exploited his public office for private gain more than any politician in Niles' history.

Sullivan emphasized Blase has 'good people around him,' particularly pointing to village manager Ken Scheel, who Sullivan lauded.

In past months Sullivan had given serious consideration to running on a ticket for village office but said he backed off because of his family's interests. However, he said it would have been ridiculous for him to contest Blase since the Mayor has a great deal of money and workers to combat competition. He

also noted he wouldn't confront Blase 'eyeball to eyeball,' since Blase would bury him in such a confrontation.

In agreeing to have Nilesites write-in his name, as well as the box with an X alongside, Sullivan said he agreed to actively be a write-in candidate only after presenting a 5-point program which he would support. He said these issues included: 1. a 2 term limit in office; 2. repeal of the utility tax; 3. No more shopping centers; 4. Creation of a no conflict-of-interest law; and 5. Income tax disclosure.

TOWNSHIP ELECTIONS TUESDAY

From the LEFT HAND

By David Besser
Editor & Publisher
Reprinted from March 8, 1973

The past week we became hung-up on the word "anachronism" which refers to something which is out of another time.

We were at a downtown train station Friday, a huge cavernous building, with deep stairwells, brass railings and white octagonal floors, which were devoid of people. It was a scene out of a Rod Serling scenario, empty, chilling ... and of another time.

Saturday night we were at a party in a near northside hotel. The dining area was in a long angular room with one center aisle, as on a train. The dance floor was in an adjoining room, completely hidden from the diners. This fine old hotel room had seen better days. It was no match for its suburban counterparts. This dingy area was of another era. It was indeed an anachronism.

Next Tuesday Niles Township voters will decide whether or not to retain the Township form of government. While Democrats and Republicans are playing political football with this issue, more serious students of government may agree with us in Niles Township this form of government has become an anachronism.

In past years Niles Township government served an unincorporated area which has since become incorporated. In those former days services now rendered by individual villages were provided by the Township. When the villages annexed the surrounding areas it became only a matter of time before the Township government became expendable.

We believe the time has now come in Niles Township to close shop for a government that has outlived its usefulness.

We reported at a meeting last week, Charles Anderson, Niles Township supervisor, told us the past year's budget was about \$95,000. Emergency general assistance cost \$25,000 while about

BUGLE seeks newsboys in Lincolnwood

The Lincolnwoodian is seeking newsboys to deliver in their home area every Friday after school. For further information call 966-3900.

Township voters head for the polls next Tuesday with the Niles Township election holding center stage.

Our new addition 'The Lincolnwoodian'

The Bugle Newspapers welcome the fifth addition to its family, THE LINCOLNWOODIAN, which was born today, March 29, 1973. On its very first day it will visit every home and business in Lincolnwood, Illinois. The bouncy and feisty new-born has many of the same features as its older brethren including its most important feature, it out-circulates both of its competitors in its new hometown.

A second ballot will be for candidates for the SCOTS and TIPS parties. The SCOTS group was formed to eliminate township government, and it is likely voters favoring elimination of this government will vote "Yes" and for the SCOTS Party while those desiring to retain township government will vote "No" and in favor of the incumbent TIPS group.

The TIPS candidates believe

Consumer Fraud Division checks gas pumps

The Niles Consumer Fraud Division has begun testing all of the gasoline pumps in the Village of Niles. Shown above are: 1. to r., Thomas W. Flynn, William Hlavecek and Commissioner Frank C. Wagner, Jr. The pump being tested is the pump at the Niles Police Station.

This new service of verifying the amount of gallonage at each service station in the Village will assure our residents that all gasoline pumps are accurate. A 5-gallon test measure was purchased for this new service and was verified for accuracy by the State Department of Weights and Measures.

Some months ago the Niles Consumer Fraud Office purchased a professional weight auditing unit for use in verifying the accuracy of all scales

Fayva's new store demolished by auto

Joel Elzenstat, manager of Fayva Shoe Store, 9359 Milwaukee ave., Niles in the Millbrook Shopping center across from Golf Mill views the destruction in the store which occurred on Thursday, March 22.

A 1971 Ford driven by Dorothy Galm, 49, of 4440 Leland ave., Chicago pulled up to the cement abutment in front of Fayva Shoes. According to police, she apparently stepped on the gas pedal of the auto, jumped the cement abutment, hit pedestrian Lucy Stann, 29, of 18 E. Willow, Wheeling, crashed through two plate glass windows and drove 25 ft. into the store. Police said the 25 ft. of spinning skid tire marks indicate the auto was proceeding in a forward motion and not braking.

Ms. Stann was taken to Lutheran General Hospital by Niles Fire Dept. ambulance with severe injuries.

Library holds CampFire Girls display

The Niles Public Library wants to salute the Camp Fire Girls on their 63rd Birthday with their arts and crafts display at the library through the month of April.

The display consists of a beautifully decorated artificial birthday cake, dolls, flowers, animals, etc. made by the second and third grade Blue Birds from St. John Brebeuf and Oak schools under the leadership of Marge Blomberg. You are cordially invited to come and see their display.

The Campfire Girls including Blue Birds, Discovery Club and Horizon Club girls will hold their annual candy sale until April 9. It is a challenge for all and a chance for each to give service to their organization which means so much to our community.

Watercolor demonstration

Victor Hayes, a watercolorist, will give a demonstration at the Niles Art Guild monthly meeting on Wednesday, April 4, at 8 p.m. at the Niles Recreation Center, 7877 Milwaukee ave., Niles.

Mr. Hayes was born in Madison, Wisc. on Oct. 4, 1922. His studies include those at the Frederick Mizen Academy; Advertising Academy of Art in San Francisco; Ray-Vogue schools of Chicago; and American Academy of Art in Chicago. His is President of the North Shore Art Guild of Chicago and is a member of the Palette and Chisel Academy of Fine Arts; Municipal Art League; Swedish Artists of Chicago and Northwestern Michigan Arts and Crafts.

Victor Hayes is a watercolorist who paints on location regardless of climatic conditions. He therefore creates a spontaneous sensitive mood to his paintings. His work has a light, delicate oriental touch.

During the month of April, he will be exhibiting at the Palette & Chisel Academy in a five man show.

Girls softball league and marathon registration

Again this year, the Niles Youth Congress will be sponsoring a Softball Marathon game and regular League season. The Marathon will be played Friday, Saturday and Sunday, June 22, 23 and 24 at Jozwiak Park in Niles.

This year the girls will be playing a record-breaking 54 hours of softball beginning at 4:30 p.m. on Friday and ending at 10:30 p.m. on Sunday.

Registration is open to any girl between the ages of 13 and 23 interested in participating in the Marathon, and any girl between the ages of 13 and 21 for the regular Softball League season. The dates for registration for both events are as follows: Monday, April 9 and Thursday, April 12 from 7 p.m. to 9 p.m., and Saturday, April 14 and Sunday, April 21 from 11 a.m. to 1 p.m., at the Park District Recreation Center, 7877 Milwaukee.

All registration fees must be paid at the time of registration and are as follows: Marathon - \$2 per girl to cover costs of registration and T-shirts; League - \$5 for residents of Niles and \$7 for non-residents to cover the cost of sweat shirts, balls, and all other equipment and services necessary to run the League.

For further information, please contact Niles Youth Commissioner Richard Machnowski at 966-9887, Chairman of the Committee for the League.

Welcome home banner

The Welcome Home banner directed to returning Viet Nam veterans has now been rehung by the Morton Grove American Legion Post #134 who originally posted it nearer their Memorial Home, but found the poles unsafe to withstand the weather conditions and other elements.

The Legion has now attached it to sturdier poles at the Marmona-Dempster intersection. The two-sided yellow banner, erected with the physical and moral support of the village, can be seen by pedestrians and drivers blocks down from both sides as travel progresses on Dempster.

Oakton courtmen honored by conference

Oakton college basketball players Craig Christiansen and Denny Phelus have been honored by the Skyway Conference for their efforts this past season. The Skyway Conference includes 7 junior colleges in and around the Chicago area.

Christiansen, a 6'2" forward from Maine East High school, has been named as a starter by coaches on the Skyway Conference all-conference team. He ended the season as fourth scorer in conference averaging 20.7 points per game. Christiansen was recently named the most valuable player on Oakton's basketball team this past season.

Phelus, a 6'1" guard and also a Maine East graduate, was awarded an honorable mention on the all-conference team. He ended the season averaging 21.5 points per game, good for third in conference scoring. Phelus was recently named honorary team captain for Oakton's basketball team.

Both men have completed their second and final year of competition at Oakton.

Rummage and Bake sale for 'music'

The "supersale," a combination Rummage and Bake Sale gets off the ground promptly at 9 a.m. on March 31, in the church basement on the corner of Austin and Lake sts. Yes, that's the community church in Morton Grove, where you will find bargains galore in toys, clothing, household items, books, records, sports equipment etc. Items will

be priced rock bottom for quick sale and there is no telling what treasures are hidden beneath the odds and ends. Co-chairmen for the event are Mrs. Robert A. Ladewig and Mrs. Lawrence Schulte, who are collecting all the goodies for the sale. Anyone wishing to contribute last minute items to the sale, may call the church office at YO 5-2962. The

The main purpose for the sale is to raise money for the magnificent new pipe organ to be installed in the church. The organ will be enjoyed not only by the members, but by all residents of the village who attend the many weddings and "ecumenical" services held in the church. The organ is very fine. Help us give Music a new home.

Doug Olson Receives Scouting's Highest Rank

Thunderbird District Chairman George Gauthier congratulates Douglas Olson upon receiving Scouting's highest rank.

The Oak School Boy Scout Troop 45 honored all their scouts who had made advancement at the Court of Honor but paid special tribute to Douglas Olson who had attained the Eagle Rank, Scouting's highest rank for a Scout.

Doug has been in Scouting for 1 1/2 years beginning as a Cub Scout in Pack 45 in 1967. He has earned 21 merit badges, is a member of the Order of the Arrow and has served the troop as Den Chief, Scriber, Quartermaster, Patrol Leader and Ass't

Senior Patrol Leader. He is 13 and in the 8th grade at Gemini Jr. High. Among the honored guests at the Eagle Court of Honor were Oak TPA Pres. Erwin Clepy, District Advancement Chairman James Ferris, S.M. Boh August, A.S.M. Rich Helmink and Don Schneider and I.R. Don Steinkne. Thunderbird District Chairman George Gauthier gave the Eagle Charge and Oath, Unit Comm. Phil Nilsson read congratulatory letters from many political figures including President Nixon. Honor Guard for the presentation included Pete Welsch Jr., Ron Friedman, Phil Nilsson Jr., and Jim Ignatius, Eagle Scouts from Explorer Post 45.

Proceeding the Eagle Ceremony the following Scouts were recognized for their achievements - Daniel Frank, Scout Award and welcome into the Flaming Arrow Patrol. Ray Bartolucci, First Class, Andrew Lietz and Marc Veltun, Second Class, Don Chis Warren, David Frank, Doug August earned the Printing, Rifle and Shotgun and Cam. of Nat. Resources Merit Badges. Paul August has Swimming and Joe Helmink, Safety. The Flaming Arrow Patrol, led by Ray Bartolucci, was awarded a Blue Ribbon with at the recent Dist. First Aid Meet. Refreshments were served and contributed by the mothers of the Scouts.

Legion verifies no dividends for vets

The Morton Grove, American Legion, Post #134, has issued a statement to veterans about false and misleading rumors which are sweeping the country. The purported hoax involves an incorrect story that dividends will be paid on GI insurance based on service in WW II. A representative of Post #134 says Congress has not passed a law giving these vets a dividend. The untruth further had former servicemen believe they could write the Veteran's Administration to request this refund. Post Commander Frank Hilbert asks all who read this item to pass it along to their fellow buddies.

He adds that the only dividends currently being paid to WW I and WW II veterans are to those who have continued their government life insurance. Furthermore, for these policies in force, the annual dividend is distributed on the anniversary date of said policy.

Move - Maine township government offices

Consolidation of four now-separate Maine Township offices into a centralized location, effective May 1, was announced today in a joint statement by Township Clerk Phillip Raffe and Assessor James A. Parks.

The township's new office will be located at 2510 W. Dempster, Des Plaines, and will house the supervisor, clerk, assessor, and collector. It will also provide meeting space for the board of auditors. Of the township officers, only Highway Commissioner Edward Koehler will remain at his present location.

"This consolidation will provide two distinct benefits," said

Raffe. "One, it will improve coordination between the township officers who are now in separate locations in Glenview, Park Ridge, and Des Plaines. Two, the new location is almost in the exact center of the township, making it convenient to the maximum number of citizens.

Raffe, who is a candidate for re-election in the April 3 Township election, said the move was necessitated by the increasing number of persons who use township services. Raffe also cited the anticipated increases that will result from adoption of the four-point proposal made by the Republican candidate for township

office. The proposal would provide assistance to senior citizens, make mental health and counseling services more readily available, improve library facilities throughout the township, and create commissions to utilize the knowledge and talents of concerned citizens.

Raffe, of 225 Valerie ct., Glenview, has been Township Clerk, a part-time position, since 1965, and is currently serving in his second term.

Parks, of 710 Forestview, Park Ridge, is also seeking re-election.

Bergquist GOP candidate for township collector

"The Maine Township Collector's office will be prepared to resume full operations, process tax collections promptly, and thereby save Maine Township residents many thousands of dollars, if I am elected," said Roy H. Bergquist, Republican candidate for township collector in the April 3 election.

Bergquist, a practicing attorney, stated that although the primary duties of the township collector are presently being performed by Cook County officials, an Illinois Supreme Court ruling,

expected this Spring, could return tax collection duties to township officials.

"Presuming that happens," Bergquist added, "we will be able to save township residents large sums of money, just as past Republican collectors have done. We will be able to process tax collections quickly and make disbursements without delay. Thus, we can spare township taxing bodies, such as our school districts, from the costs of extra borrowing to tide them over as sometimes happens now. There will be no more delays from downtown Chicago."

A World War II veteran, Bergquist is a graduate of Chicago-Kent College of Law, and a member of the Illinois and Chicago Bar Assns. He is also a past president of the Maine Township Republican Organization.

Bergquist is also a member of the Lions Club, Niles Chamber of Commerce, Niles Little League, and St. Luke's Lutheran Church, Park Ridge.

He and his wife, Violet, and children reside at 8403 Bruce dr., Niles.

TIP's Louis Black assails opponents

Louis Black, Township Improvement Party candidate for town clerk, this week charged that the Skokie-Lincolnwood League of Women Voters and the SCOTS Party are violating the interests of township taxpayers in their single-minded drive to abolish township government.

"They have been irresponsible and misleading in their statements," said Black. "They say Cook County won't take over Niles Township, but the SCOTS have repeatedly gone to Cook County courts to help them in their drive to abolish Niles Township and to pave the way for county takeover."

"In their disrespect for taxpayers, both LJV and SCOTS leaders are on record saying that they do not care about costs, they simply want to abolish the township. They are dedicated to a state-wide League cause, and not dedicated to the taxpayers of this community. Altogether they have discredited themselves, and have made a ridiculous sham of the referendum issue and the township election on April 3.

"Niles Township must be preserved to keep our suburban communities independent of Cook County and Chicago politicians," Black stated. "And that means voting 'no' on a township abolition referendum, and voting for the Township Improvement Party on April 3."

Jones and Selman pledge themselves to economy

Millie Jones of 7817 N. Odell and Abe Selman of 7111 W. Niles ave., candidates for Commissioners of the Niles Park District in the April 17 elections have dedicated themselves to effect measures of economy when elected.

The cost of providing services is constantly increasing and it becomes more and more imperative to attempt wherever possible to effect economies to continue the current level of activity or provide for additional activity.

One area that Jones and Selman intend to devote attention to is that of cooperation between the Niles Park District and the Village of Niles. The time has come to once and for all, put aside the differences that have existed between these two groups and establish a positive cooperative posture and attitude between the Niles Park District and the

Village of Niles to effect economies for your benefit.

A concerned effort at cooperation by the Village and the Park District could result in:

1. Economies through central purchasing of common goods and services used by both groups.
2. Economies through cooperative use of heavy equipment such as trucks and bulldozers and elimination of duplicate equipment and maintenance costs.
3. Economies through cooperative use of manpower for maintenance as well as security.

Millie Jones, with her woman's touch, and Abe Selman with his business background are two people who can and will rise above the petty bickering and address themselves to effecting cooperation which will result in economies in operating the Park District. They deserve your support on April 17.

Ted Tyse is an independent candidate for Niles Park Commissioner, and although this is his first attempt at serving the public office, he is no stranger to community service and involvement. As a dedicated worker with various youth groups, it is his aim to bring some of this experience to the Park District. Some of the past youth oriented jobs include: Niles Youth Commissioner, Chairman Job Opportunities Program for Teens, Chairman of Niles Softball Marathon, Chairman of Niles Teen King and Queen Contest, and presently he is Adult Advisor to Jr. Amvets Victory Post #34, and Personnel Director of the Niles Days Committee.

Commenting on his candidacy, Ted says, he's worked hard for the privilege of serving his village, and his chief concern is getting the voters to the polls. Since the village board ticket is unopposed the only real issue is the Park Board election.

Ice show

The Sports Complex Staff are busy these days preparing for their second annual Ice Show. If you visit the Complex you will find the maintenance personnel busy building back drops and props, the Pro Skating Staff working on costumes and arranging the production numbers, and the office personnel preparing the programs and making arrangements for sale of tickets.

Siegfried Drusch, Head Pro is very enthusiastic about this year's show. He is contributing years of skating showmanship as well as years of teaching experience. The sets and costumes he has designed add a real professional touch to the show.

Norman Goldberg, Rink Manager hopes the community of Niles will support this year's show which will be held the week-end of March 4, 5 and 6.

Tee ball

The Niles Park District Tee Ball program will start April 7. Tee Ball is the basic introduction to baseball, including catching, throwing, batting, running the bases, and general good sportsmanship. Tee Ball will meet at the Grennan Heights Park. During inclement weather the boys will meet in the Louis Schreiner gymnasium.

Tee Ball registration is being taken at the Park District offices. A registration fee of \$3 for residents and \$6 for non-residents is charged for the four-week course that meets on Saturday mornings from 9 to 11. The fee includes a Niles Park District Tee Ball Shirt.

Creative drama

The Niles Park District Creative Drama program, taught by Mrs. Maria Hosmer, still has a few openings in the Tuesday afternoon class. Mrs. Hosmer teacher the boys and girls the basic introduction to drama by letting them use their own imagination. The program is open to boys and girls in grades 3 through 6.

Registration is still being taken at the Park District offices located at 7877 Milwaukee ave. An \$8 registration fee for residents and \$16 for non-residents is charged for the program. Classes have already started, so anyone interested should contact the office immediately.

Baton lessons

The Niles Park District still has openings in the baton lessons offered on Wednesday afternoon at the Recreation Center. Mrs. Audrey Duda is the instructor. Classes begin April 11.

Anyone interested in registering for baton lessons should contact the Park District offices located at 7877 Milwaukee ave. in Niles. A registration fee of \$4 is the charge for resident participants. Non-residents may register, but non-resident fees are doubled.

MORTON GROVE PARK DISTRICT NEWS

Hockey benefit

Monday, March 19 was the setting for the annual Morton Grove Park District Hockey Benefit. Gary Smith of the Chicago Blackhawks was the guest of honor at the event held in St. Martha's auditorium.

After brief introductions of the Park Commissioners and Recreation Staff the trophies were dispersed to: Bantam Division: Most Goals, Al Quallardi; Most Assists, John Meade; Leading Scorer, Mike Lauesen; Pee Wee Division: Most Goals, Jeff Stelck; Most Assists, Berry Brenner; Leading Scorer, Jeff Stelck and Tony Kornfeind.

Goalie records show that in the Bantam Division Joe Duffy of the Red Wings and in the Pee Wee Division Alan Eriksson of the Cougars had the least total of goals given up to receive their trophies.

In the Bantam Division the Red Wings finished first with the Cougars taking the honors in the Pee Wee Division.

Shown above are: Paul Connolly, Park Commissioner and Gary Smith of the Blackhawks presenting the Golden Stick to Scott Socha and Steve Duffy for Most Improved Player Award.

Pre-school Open house and Art fair

The Morton Grove Park District Pre-School is holding its annual Open House and Art Fair on Sunday, April 8, from 1-4 p.m. at National Park fieldhouse, 9325 Marion st.

For 3 hours on Sunday, April 8, mothers, fathers, brothers, sisters, grandparents and friends will discover that the Park District Pre-School program is not a playschool, but a very real learning experience. They will discover that their pre-schoolers are bright, alert and extremely knowledgeable about the world around them.

Visitors will be able to visit the craft exhibits, discovery aids, science center, creative dramatics and childhood expressive work in almost all media. They will be able to view special readiness work that has been done throughout the year that will help prepare their child for future school years.

All work exhibited will be the work of the 200 children enrolled in the Morton Grove Park District program. At present there are 10 classes of between 15-20 pre-schoolers, or approximately 200 children. The classes meet at either Mansfield, Oketo, Austin or National Parks. The program is open to any Morton Grove youngster who will be entering Kindergarten the following September, the only stipulation being the mother of the child must assist the teacher six-half days during the school year. Registration for the 1973-74 school year will be held on May 16 at each park fieldhouse at 7 p.m.

In addition to supervising the program, Mrs. Garnet Fleming teaches classes at National Park. Her staff includes Mrs. Mary Ellen Baran, Oketo Park; Mrs. Roberta Garfinkel, Austin Park; and Mrs. Audrey Vishny, Mansfield Park.

Spring classes at Tower YMCA

The Leaning Tower YMCA has planned an active and interesting Spring schedule of classes: Aquatics, Sports, and Physical Education, for youth and adults. The ten week term will begin April 2. Individuals may plan a course of class instruction to fit their particular need, with emphasis on recreation, relaxation and self-improvement.

The Aquatic schedule for adults will include the following 10 week courses: Boating safety (presented by the U.S. Coast Guard Auxiliary), Skin Diving, Scuba Diving, Life Saving, Progressive Swim Instruction, Aqua-

nastics and "Family Water Safety." A "Landlubbers" program is being continued for those who never learned how to swim, but will be available to do so as they discover swimming can be fun!

Youth also have an interesting Swim program for the Spring season. Ten week term includes: Progressive Swim Instruction, Diving Instruction, Life Saving, Water Ballet (Girls), "Skin Diving" (for those 12 yrs. and above), and "Family Water Safety". The Pre-School "Gym and Swim" classes for children 4 months to

7 yrs. continues to be popular and is being offered again.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 556 or drop by the Leaning Tower YMCA, 6300 W. Touhy ave. and pick up a "Program Services" Brochure. (Baby sitting services are available during daytime classes). The service desk is open daily 9 a.m. to 9 p.m. Master Charge and Bank Americard Credit cards are honored at the Tower "Y."

Action party launches campaign

Action Party candidates for village offices in the Morton Grove election of Tuesday, April 17, launched their campaign with introduction of their own platform and an attack on the incumbent administration.

At a party general meeting Thursday night at Morton Grove Park, Mayoral Candidate Richard P. Hohns told volunteer workers that "Action speaks louder than words" and charged the opposition, which currently holds the majority vote on the village board, with "indecision and vacillation."

On the Action Party ticket with Hohns are William G. Zimmer for clerk and Leonard J. Ash, Ralph E. Hintz, and Don Snelder for the 3 trustee positions.

Hohns, at present a trustee, was elected to the board 2 years ago when the Action Party captured 3 seats. The Action Party's other 2 trustees, Martin Ashman and Edward Brice, also appeared at Thursday night's meeting to endorse the party's candidates for the April 17 election.

Zimmer, in a unique approach for volunteer precinct workers, presented what he called a "four-week Action program for physical fitness" in which leg muscles could be flexed, index fingers exercised through ringing of doorbells, and jaw muscles loosened by talking to voters.

"Success of our program," Zimmer concluded, "will also reduce the dead weight — some 650 pounds of it — from the village board. And election of the Action Party ticket means satisfaction guaranteed to the people of Morton Grove."

Hohns said, "The issues in this campaign are clear. The Action Party is not soft in its stands against nepotism, or against apartments and the increased density our opponents have allowed, or against the original locations plans of the community college."

In citing the accomplishments of the Action Party, Hohns stated, "Morton Grove wouldn't have a new park in the western area of town if it hadn't been for the strong stand of the Action Party." Hohns himself was instrumental in leading the way for construction of the village's new fire station, a project he announced last

month.

Charging the opposition with indecision and vacillation, Hohns maintained, "Our opponents stand on the utility tax is an excellent example of what I'm talking about. It took them 8 months to abolish the utilities tax. Then, 2 weeks later, they raised water rates to residences."

Independence from national political organizations and influence was pledged by Hohns and his running mates. The Mayoral candidate pointed out that Action Party candidates include an independent Republican, two avowed Republicans, and two loyal Democrats.

"Our opponents," Hohns said, "are clearly servants of Niles Township Republican Committeeman and State Senator John Nimrod of Skokie and his machine. Our opponents' campaign chairman was Nimrod's senatorial campaign manager. Two years ago, their campaign chairman was rewarded with the township supervisor's post. The trend is clear."

Summer programs

Look for Golf Maine Park District's summer schedule soon to be announced. There will be day camps, playground activities, trips, tennis lessons, and special events for a full active summer for all residents. Our Summer 1973 brochure will be available by the end of April and registration for all summer programs will begin at that time.

Spring programs

All Spring programs will begin the week of April 2. There is still time to register for many of these programs. Offered this Spring are: Baseball Clinic (boys 6-9), Sports and Games (2 classes for girls, 2 for boys), Soccer Clinic (6th grade thru high school), Golf Instruction (High School thru Adult, co-ed), Spring Tennis (Adults only), Ballet (girls 5 and up), Horseback Riding (Jr. High thru Adult), Belly Dancing (Adult Women), Knitting and Crochet (Adult Women), Decoupage (Adult Women), and Dog Obedience (all dogs).

To obtain full information about all the above listed programs, please call the Park District Office.

Dist. 64 Teacher to Retire

Pearl Rogman, principal of Carpenter school for 22 years, has announced her plans to retire from public school work at the end of this school year.

In her letter to the Board of Education, she wrote, "Teaching in District 64 has been an exciting and challenging experience which has given me much personal satisfaction. Carpenter school has been the center of my interest, concern, and activity for 22 years. It has been my privilege to work with an administrative staff of great integrity; a district faculty of exceptional dedication; parents who truly care about the education of their children; and last, but not least, my children who respond and learn eagerly as we identify and meet their needs. I have loved my job and still do. It will be difficult to leave."

Miss Rogman came to District 64 when Carpenter was first opened and is the only principal that has served in that school. Prior to coming to District 64, she taught in Monroe, Michigan, Highland Park, as well as in the Children's school at National college of Education in Evanston,

Gutow outlines park district deficiencies

VILLAGE	TAX SUPPORT		RATIO OF MORTON GROVE TAX SUPPORT TO OTHER VILLAGES
	PARK ACRES PER 1000 PERSONS	PER 50 PARK ACRES PER 10,000 PERSONS PER \$10,000 ASSESSED VALUATIONS	
Des Plaines	5.3	\$.86	11.0
Glenview	17.5	1.25	7.6
Highland Park	15.8	.58	16.3
Lincolnwood	2.6	10.39	.9
Morton Grove	1.8	9.48	1.0
Niles	1.8	9.49	2.3
Northbrook	7.2	2.89	2.9
Park Ridge	2.5	3.31	9.6
Skokie	2.6	.99	

The table gives a statistical comparison between selected villages and Morton Grove. Morton Grove is among the lowest in park acreage per person and among the highest in per capita tax support. The last column gives the ratio of Morton Grove's park tax support to other villages. For example, Morton Grove pays 9.6 times the equivalent cost in Skokie.

Bernard Gutow, candidate for Commissioner of the Morton Grove Park District, has conducted a study and compiled some basic facts about park districts in Morton Grove and nearby communities. Among the communities studied, Morton Grove's Park District is one of the lowest in park acreage per capita. The

accepted norm is 10 acres per 1000 population, but with the addition of the new 16 acre parcel, voted for in last February's bond referendum, the acreage per 1000 population rises only to 2.5. This is still far below the accepted standard and does not compare favorably to surrounding communities, as shown in the Table. "Previous administrations

have lacked appropriate funds to acquire needed land to upgrade park acreage. With limited open space available in Morton Grove, the use of existing park land must be optimized. Fortunately, the forest preserves are nearby. However, we pay for the forest preserves as a separate and distinct tax."

In addition, the Morton Grove Park District is among the lowest in facilities on a per capita basis. For example, there are only 5 playable tennis courts in Morton Grove, Skokie and Glenview have 32 tennis courts each and Niles has 8 courts.

Morton Grove has only 4 basketball courts while Skokie has 39 and Glenview has 21.

"Given the fact that the Morton Grove Park District is among the lowest in park acreage per person and is the lowest in facilities per capita it is disconcerting to note that the taxpayers in Morton Grove pay among the highest park taxes."

Illustrated in the table is the present tax support for each of the selected park districts. Taxpayers to the Morton Grove Park District clearly pay among the highest, yet have the least of facilities.

In bringing these facts to light, Gutow is emphasizing the importance of a professional approach to Park Board management, and recognizing that opportunities for improvement exist, he pledges to give the taxpayer his dollar's worth.

Gutow is a management consultant with a Masters Degree in Business Administration and is also a registered professional engineer in the State of Illinois. The Park Board election will take place on April 3.

Sewing classes

The Morton Grove Park District will be holding registration thru April 6.

Classes will be \$15 for an 8 week session at Austin Park Fieldhouse, 8336 Marmora ave. Mrs. Theresa Goppert will be the instructor for these classes.

Beginners class will be held on Wednesday night from 7 p.m. to 9 p.m., starting April 11. Advanced Beginner will be held on Monday night from 7 p.m. to 9 p.m., starting April 9. Advanced classes will be held on Thursday afternoon from 12:30 to 2:30 p.m., starting April 12.

You may register at the Park District Office, 6250 Dempster st., Morton Grove.

GOLF MAINE PARK DISTRICT

Boys baseball

Registration for all boys baseball programs is currently being taken at the Golf Maine Park District, 9229 Emerson, Des Plaines. There is a program for every boy from 6 to 18, offering a summer of recreation fun. For information concerning all available programs call the Park District Office to have the brochure "Baseball 1973" mailed to you.

Men's softball

Men's softball leagues are now forming at the Golf Maine Park District. There will be two 6 team leagues this summer with each playing a 10 game schedule on Sunday mornings. Twelve teams can be accommodated in this set-up and the first twelve teams to submit a completed registration form will comprise the leagues. Fee for this year will be \$125 per team (at least 50% must accompany the registration form). To obtain a registration blank and further information concerning these leagues please call 297-3000.

Fayva Shoes holds Grand Opening

G.S.B. Travel Center opens
Paul Jones, Chairman of the Board of Glenview State Bank, announced the opening of G.S.B. Travel Center, Inc. This full service travel agency is a subsidiary of Cummins-American Corp., a holding company of which the bank is a part.
The new travel bureau will be located in the bank's new main offices at 800 Waukegan rd. and will be open during bank lobby hours, six days per week.
The addition of this service, Mr. Jones noted, will provide bank customers with a one stop opportunity to do banking, book airline, steamship, or train tickets, make hotel reservations, arrange for rental cars and book package tours to such popular areas as Europe, the Caribbean and the Orient.
John W. Pahl, with 2 years of continuous travel experience will act as sales manager and Mrs. Priscilla M. Livingston will be in charge of reservations for the new firm.

Now in its grand opening week, the new Fayva shoe store at Millbrook Shopping Center, 9355 Milwaukee ave., offers an all-new concept in fashion footwear retailing in the Chicago area. Fayva is the first shoe store whose entire inventory consists only of the most wanted, up-to-the-minute fashion shoes for men, women and children. The new Fayva in Niles is one of 7 new openings in greater Chicago of a nationwide chain of self-service shoe stores designed to offer the family the opportunity to select exclusively from highly desirable, first quality collections of shoes, and save money at the same time.
"We view Fayva as a real breakthrough," explains regional director Richard Trevehan. "With 7 new Fayva stores surrounding the metropolitan area, Chicago residents can now find the most wanted shoe styles on the fashion scene and also realize genuine savings of \$2-\$5 or more per pair for the same quality sold elsewhere."
"At Fayva, customers will never find old or unwanted styles left over from last year. Men, women and children will enjoy the excitement of choosing from thousands of pairs of first quality shoes, boots and footwear of all kinds. Shoppers will also find every style displayed by size on open shelving for fast convenient selection. This self-service reduced overhead, which helps keep Fayva prices low. Also, our company sells millions of pairs of shoes annually and can therefore afford to sell for less."
Fayva shoe stores stock hundreds of fashion imports from Europe and Latin America, plus the latest looks from scores of American designers. Handbags, hosiery, belts and shoe care products are also offered.
"Our policy of giving customers the fashion shoes they want for dollars less has been so well accepted in other Fayva stores, that we felt further expansion into the Chicago market was warranted," said Trevehan.

Mallinger Named Personnel Director

Imperial-Eastman Corporation, Chicago, has announced several changes in the personnel department of its Imperial division. Included is Donald Mallinger, who joined the company earlier this year, has been promoted to Personnel Director of the Imperial division.
Mallinger is a graduate of the University of Illinois, Champaign, with a bachelor of science degree in administrative science. He is a resident of Niles.

Candidates night

The President's Coordinating Council of the East Maine School District 63 Parent-Teacher Associations will host a Candidates' Night on Wednesday, April 4, at 8 p.m. Candidates for election to the District 63 Board of Education have been invited to share their views with the public at that time.
According to Phyllis Glassman, President of the Nathanson school PTA, this will be an excellent opportunity for voters to find out more about the candidates who are running for election. The school board election will be held on Saturday, April 14. Three vacancies are slated to be filled.
The meeting will be held in the South Gym of Genoa school, 8955 Greenwood ave., Niles. Parents and interested community members are invited to attend. Refreshments will be served.

Quota Club Members

Marshall Eisenberg of 9026 N. Oleander; Alvin Golub of 9007 N. Meade ave.; Stewart Wendorf of 7814 Lake st.; and Edward Friz of 7604 W. Suffield, all of Morton Grove, were honored at the Reuben H. Donnelly Corporation telephone directory division's 11th annual Quota Club dinner for top Yellow Pages sales people in the Illinois and Cincinnati directory areas. The dinner was held at the Chicago Playboy Club Penthouse on Friday, March 9.
This is the sixth year of membership for Mr. Wendorf; the fourth year for Mr. Friz, both premise sales representatives, and the fifth year for Mr. Eisenberg, district sales manager, and Mr. Golub, premise sales representative.

Breakfast at McDonalds

Breakfast-eaters looking for a "break today" can get one at any of the more than 130 Chicagoland McDonald's restaurants starting Monday, April 2. On this day the doors will open at 7 p.m. and a new item will appear on the menu boards. "Eg McMuffin," the newest McDonald's sandwich, features a fried egg, a slice of Canadian bacon and a piece of American cheese, all on a toasted English muffin. Also part of the McDonald's breakfast will be orange juice, regular English muffins, coffee, milk, and hot chocolate.
Breakfast at McDonald's is a new concept that has been extensively tested across the nation during the last year. Chicagoland is the nation's largest McDonald's market to open for breakfast. Local McDonald's are: Des Plaines - 9815 Milwaukee; Niles - 7937 N. Milwaukee.

Senior Citizens receive 'Mame' invitation

Members of the Gold Card club of Maine Township High School District 207 have been invited by a neighboring school district, Niles Township High School District 219, to join with Senior Citizens club members of that district in enjoying a free, special performance of the Broadway musical, "Mame," the afternoon of April 4. The play, performed by 200 Niles East high school students, will be at 1 p.m. in the auditorium of Niles East High School, Niles and Lincoln

avenues, Niles-Coffee will be served in the lobby before the performance and during the intermission. Membership in Maine's Gold Card club is made up of persons 65 years of age or older who are residents of the Maine Township High School District. Members may attend free of charge many plays, concerts, athletic events and other entertainment sponsored by the Maine high schools, and may register for most adult evening school classes for one-half price tuition rate, including the Travel Series.

Senior citizens who wish to obtain a Gold Card need merely fill out a membership application blank in the main office of any of the four Maine high schools or at the district's Administration Center, 1131 S. Dee rd., Park Ridge. There is no charge for joining.

Roller skating party

"The Mystical Rose Guild of Our Lady of Ransom Church is sponsoring a roller skating party on Tuesday April 3, at the Glenview Playdium, 1766 Glenview rd., Glenview, from 7 to 9:30 p.m. Admission is \$1 per person, payable at the door. The Playdium rents shoe skates for 50¢. Playdium management will not open doors until 7 p.m. exactly, so please do not arrive too early. Also, no cut-offs, blue jeans or levis. Playdium doors close promptly at 9:30 p.m. Smaller children stop skating at 9 p.m., and everyone else at 9:15 p.m. Please pick up your children promptly at 9:30 p.m. or before."

'Private Lives'

David Lonn, Managing Director of the Arlington Park Theatre, will present Louis Jourdan and Barbara Rush in Noel Coward's "Private Lives," previewing on Thursday, March 29 at 8 p.m., and opening Friday, March 30 at 8:30 p.m. The production will play through Easter Sunday, April 22.

A resident of France, Mr. Jourdan was flown from Paris by Mr. Lonn expressly for this engagement, and will make his Chicago stage debut in this production. Mr. Jourdan is perhaps the best known for his portrayal of Gaston in the MGM film "Gigi," which also starred Leslie Caron and Maurice Chevalier.

Lovely actress Barbara Rush further enhances the Arlington's production of "Private Lives" as Mr. Jourdan's co-star. Aside from her numerous motion picture and television roles, Miss Rush endeared herself to Chicago theatre audiences several seasons ago while doing the national tour of "Forty Carats," for which she received the Sarah Siddons Award.

Joining Mr. Jourdan and Miss Rush in this marital melee about a man and woman who can't seem to live happily together of apart, are Francis Bethencourt as Victor, and Elizabeth Swain as Sibyl. Performance times and ticket prices for "Private Lives" are: Tuesday-Thursday: 8 p.m., \$6; Friday: 8:30 p.m., \$8; Saturday: (two performances) 6 p.m., \$8 and 9:30 p.m., \$8; Sunday: (two performances) 3 p.m., \$6 and 7 p.m., \$8.

Arm and Hammer at Brass Rail

By popular demand, the "Arm and Hammer," a contemporary music duo, has returned to the Brass Rail Steaks 'N Stuff, 2121 S. Arlington Heights rd., Arlington Heights, for an indefinite entertainment tour.

Operated by the Interstate United Corporation, the suburban Steaks 'N Stuff features a popular menu and entertainment schedule.

The "Arm and Hammer" will be "on stage" from 8 p.m. until 1 a.m. Tuesday through Saturday.

THE CORNERS of Where it's at and What's happening.

By Ed Hanson

This is being written Sunday, March 25, therefore I have no way of knowing who the Oscar winners will be Tuesday night, March 27, as selected by the Academy of Motion Picture Arts and Sciences.

So here are my selections:
Best X-rated film: "Deep Throat."
Best X-rated actress: Linda Lovelace.
Best X-rated director: Wakefield Poole for "Boys In the Sand."

Best X-rated cartoon: "Fritz the Cat."
Naturally, some problem may arise if the Academy follows its policy of previous years in showing film clips of the above pictures. However, this has been solved by showing them on closed circuit TV in all the washrooms of X-rated movie houses throughout the world. There will be no charge for this special showing. But to cover the Academy's "nut," autographed copies at five bucks a piece will be available depicting action scenes from Marion Brando's newest picture, "The Last Tango."

And remember, it takes two to Tango.
Now for the dirty pictures:
Best picture: "The Godfather."
Best actor: Marlon Brando.
Best actress: Liza ("wid a Z) Minnelli (for "Cabaret," X-ting)

Best supporting actor: The horse in all John Wayne '72 movies.
Best supporting actress: Shelly 'Fats' Winters, for "The Poseidon Adventure" (she - not the tidal wave - actually sunk the ship). She had a big part.
Best director: Francis Ford Coppola for "The Godfather" (the Mafia arranged it).
Best foreign film: "The Discreet Charm of the Bourgeoisie." (I may blow this one because most of the distinguished members of the Academy of Motion Picture Arts and Sciences will have trouble spelling the last name).

There is a simple rule to follow in selecting the Oscar winner each year. It's always the one with the name that's easiest to spell. This year's nominees were: "The Godfather," "Deliverance," "Cabaret," "Emigrants" and "Sounder." Naturally, all the brilliant members of the Academy could spell "Godfather" - so how could it miss?

Something you don't want to miss is the 5th Anniversary of Joe and Lorraine Stroka, owners of the LONE TREE INN, 7710 Milwaukee ave., Niles. Tonight is the first night of their big 3 night celebration. Invitations have been sent to all the Oscar winners and losers, too. So who knows, you may get a chance to Tango with Brando, or hear Liza Minnelli sing a song, even if you have to play the juke box. Thursday night "The Lively Ones" will play for your dancing and listening pleasure, and Friday night, the famous Polka band, "The Monumentals" will be there in person. There's a free cocktail with your dinner and free hors d'oeuvres will be served after 11 p.m. Fun for every member of the family is guaranteed. Aloha - be there! Thursday, Friday and Saturday, March 29, 30 and 31 - you're guaranteed a memorable evening. (See the big full page ad in this issue of all 5-BUGLE newspapers.)

A local celebrity we plan to see at the Lone Tree celebration is Bill Kenney. Bill is the owner of KENNEY ALUMINUM PRODUCTS, 7570 N. Milwaukee ave. and he tells me he's just got to relax because he's been so busy filling his many orders for doors, awnings, canopies, enclosures, patio doors plus siding, soffit and many more things to improve area homes - so don't forget to remember Bill Kenney, when you need home improvements.

Everyone in the area is invited to GO-TO-BLASES 7th birthday party to be held Friday, Saturday, and Sunday, March 30, 31 and April 1. Joe and Sophia are celebrating their 7th year of ownership of their popular GO-TO-BLASES pub. There'll be free hors d'oeuvres and free birthday cake too. Even the "lunch" crowd can have a piece of birthday cake on Friday, Saturday and Sunday. GO-TO-BLASES serves excellent food, and everyday they feature a luncheon special I'm sure you'll enjoy - so don't forget to drop in during their 7th anniversary party.

Everyone likes to go to a new restaurant. And one of the newest and finest this area has to offer is the NEW FIRESIDE RESTAURANT & COCKTAIL LOUNGE, 9101 Waukegan rd., Morton Grove. Although recently opened for lunch and dinner it has already gained a reputation with the most discriminating of people as being one of the finest in the world. Its food has no peer and its atmosphere is elegant yet quietly relaxing. The NEW FIRESIDE offers top entertainment nightly and its spacious cocktail lounge has both a splendor and a personality all its own. For a real adventure in good eating, you can be proud to take your family or business associates to the NEW FIRESIDE INN. But don't take my word for it, discover the Fireside for yourself and you, too, will sing its praise to others.

ALPHY'S DRIVE-IN, 9219 Waukegan Rd., Morton Grove has a coupon worth 40¢ on a second Vienna hot dog in this issue... send in the whole family, all the relatives, the neighbors, kids, etc., - let's run ALPHY'S out of hot dogs.

St. Isaac's takes first place in science

St. Isaac's school in Niles, serving Glenview, Morton Grove and Niles students, received the first place award for having the highest average of points for their science fair projects entered in the Regional Science Fair of the Northeastern Illinois Nonpublic Science Association held at the Museum of Science and Industry on Feb. 24-25. St. Isaac's had entered 6 projects and 5 papers in to the fair with amazing results. There were about 300 projects and 55 schools participating that week-end.

Thomas Zillner, a seventh grade student, was given a special award for having received the highest amount of points for his project in the category, Conservation, among the grammar school students presenting projects that weekend.

All of the students having worked long and hard for achievements in science were chosen to attend the regional fair through school competition held under the direction of Sr. Anastasia and Mr. Stack.

All the first place winners will be presenting their projects and papers at the IJAS State Science Fair held in Urbana on May 11 and 12.

OK Oakton parking land purchase

Oakton Community College has received formal approval of the Illinois Junior College Board to negotiate the purchase of 2.3 acres of land adjacent to the interim campus in Morton Grove for student parking.

Trustee Paul Gilson, chairman of the Site and Facility Committee, and a team of consultants and administrators presented the request in an executive session to the IJCB during a meeting held on March 16 at Joliet Junior College.

Mr. Gilson advised the IJCB that the need for parking is urgent and the purchase price should be recovered when use of the interim site is discontinued. He stated that if negotiations can be completed at an early date, the parking area can be improved for early fall classes.

SJB math contest winners Kindergarten registrations

Three students from St. John Brebeuf school participated in the North Suburban Math Contest held at Resurrection High school on March 17. Thirty six contestants from area schools were present. Working together as a team, Mary Brennan, Suzanne Kemmer and Judy Traxler won the first place school trophy. Mrs. Linda Swanson, junior high mathematics instructor at St. John Brebeuf, helped the girls to prepare for the tournament. Shown above, top row, l. to r., are: Mary Brennan, Mrs. Swanson, bottom row: Sue Kemmer, Judy Traxler.

Kindergarten registrations will be taken at District 67 (Hynes and Golf schools) on Thursday, April 26 and Friday, April 27 from 9 a.m. to 11 a.m. and from 1 p.m. to 3 p.m. Registrants must be 5 years of age or before Dec. 1, 1973. The child's birth certificate or a photostatic copy must be presented. Hospital records, baptismal certificates or registration receipts are not acceptable. For children born in Cook County, a copy of the birth certificate may be obtained from the Bureau of Vital Statistics, Cook County, 130 N. Wells St., Chicago for \$2.

It will avoid delay if the parent is prepared to give the child's physician's address and phone number and father's business address and phone number. There will be a parent orientation meeting at Golf on Monday, May 14 and at Hynes on Tuesday, May 15. Kindergarten rooms at Golf and at Hynes will be open to parents and kindergarten registrants on May 21 and 22.

Support for Connelly

Commissioners; Vice President John Roddy, Thomas Bodkin, "Bud" White and President John Mueller stand in firm support for Paul Connelly who is the incumbent candidate running for reelection to the Morton Grove Park Board April 3.

Paul has served the board the past 12 years and has been instrumental in the formation of many new programs from Pre-School through Senior Citizens; from Swimming Pools to Hockey Programs. Paul would like to see these programs continue and increase with the completion of the Park's proposed Sports Complex at Dempster-Newcastle.

Loutsch endorses SCOTS party

Art Loutsch, 54 Park In., Golf, Niles Township Tax Collector for 16 years until his retirement in 1969, endorsed SCOTS Party candidates for township offices in the April 3 Niles Township election. With Mr. Loutsch are Verna Beaver, candidate for Supervisor, George Marz, the incumbent Township Assessor who is running for reelection on the SCOTS Party Slate, and Phyllis Young, candidate for Township Auditor. The SCOTS Party favors the orderly phasing out of township activities with township functions to be transferred to the villages.

SCOTS oppose Township government

Shirley Shevick, SCOTS candidate for Township Clerk, said, "We don't like corrupt politicians at any level of government. Now is your chance to eliminate at least one set of payrollers. In 1972, Niles Township government spent about \$97,000 of which \$23,000 was for General Assistance. The rest was for salaries and expenses. That's spending about \$3 for our tax money to give us \$1 back. "We don't like corrupt Cook County officials, but we can't vote the County out of existence. We don't like self-serving Township officials, and we can do something about them. "Don't we have enough payrollers? Haven't we seen enough waste? Haven't we been taxed enough? "Now is your only chance to cut your own tax bill - take it. The politicians certainly won't do it for you - you must do it for yourself. "Thirty years ago there may have been good reason to have Niles Township government, but today there are none. We have a Township Collector who collects no taxes, Township Auditors who hardly audit anything but their own payrolls and a list of other offices whose real duties ended years ago. Yet, those in office would have you believe they are performing a vital job. "What they are saying is 'We want to keep our jobs at your expense.' "It's time to eliminate the obsolete, the antiquated... those people in Niles Township government who no longer administer anything but their own payrolls."

Township elections.

Cook County Democrats would take over the function of the now-existing township government. The present office-holders are Republicans. While the party contention is an issue for the politicians more-independent voters agree with those opposed to township government there is no longer a need for it in Niles Township. Operating on an approximate budget of \$95,000 only about 30% of this money was spent for emergency general assistance aid. The remaining budget was used for salaries and building maintenance to retain this government. Because there is no unincorporated area in the township opponents believe the villages fulfill the government needs of its constituents. Formerly, the township collected property taxes but the courts ruled this should be a function solely of the County. The township collector's job became unnecessary with this decision. Also, the highway commissioner's job was eliminated when there were no more unincorporated highways to maintain. Township forces believe they can still serve a useful purpose by working in social service areas such as drug abuse programs, as well as in pollution and health areas. Opponents contend local villages now fulfill these needs which eliminates the reasons for township government. There are 72,129 registered voters in Niles Township, and the expected large turnout is partly due to the election runoff.

Blase: Schlickman's interests are political

Niles Mayor Nicholas Blase has charged State Rep. Eugene Schlickman (4th District) of irresponsibility in his definition about what a State Representative should be. "Schlickman is apparently very sensitive about something. He isn't able to cope with criticism about a public position. His only response is his usual 'cop out' about Daley and the Chicago Democrats. It seems to me he really doesn't understand his duties as a State Representative but justifies his negative votes with his usual Daley syndrome. In repeating my personal position with regard to Schlickman's vote against the CTA mass transit subsidy bill it favors without a doubt the CTA. Most important it helps our own beleaguered mass transit systems with much needed funds. At best it is only temporary but it is better than nothing. If Schlickman were responsible in his attitude and duty he would realize we can not always separate Chicago from the suburbs. No clear thinking State Representative can be only for the suburbs and not for Chicago. He must take both into consideration on the issues. "Mr. Schlickman's interests are purely political, not public. I suggest he reassess his thinking and begin to realize our problems are not all Republican or all Democrat. If he sticks to his usual trivia of Daley and Chicago then I suggest he really study his role in the State House."

Norman J. Fry
Midshipman Norman J. Fry, son of Mr. and Mrs. Walter J. Fry, of 7232 Lake st., Morton Grove, has begun his eighth semester of instruction in the Naval Reserve Officers training Corps program at the University of Illinois, Champaign. He is majoring in Political Science and after graduation will be commissioned an officer in the Navy or Marine Corps.

From the LEFT HAND

Continued from Page 1

\$35,000 was expended for salaries and building costs to administer this money. The figures were revealing. More money was needed for salaries than was needed for the one major service the Township offered. More graphically, 35 cents out of every 60 cents spent for general assistance was used for administration. This is bureaucracy at its worst. In past years the Township collected real estate taxes and a small percentage was returned for use here. But the courts upset this action and now the county offices in Chicago administer this service exclusively. Similarly, personal property tax action has largely been taken out of Township hands. In neighboring Maine Township there are approximately 30 miles of unincorporated roads which are administered by the Township. In Niles Township the highway commissioner's job has been

abolished because he has no roads to watch over. Belatedly, Niles Township attempted to undertake a drug prevention program, but the villages have been capable of administering such a program, thus making any Township effort unnecessary. While neighboring townships may be able to score points in favor of retaining their township government, Niles Township has little to support its retention. As the guy who started this column mentioned, he's been hung-up on the word "anachronism" all week. We believe the best example of the word is Niles Township Government, which we believe - its time has long since past. We believe voters east of Harlem Avenue should vote in favor of ending this form of government next Tuesday.

2-Way Mobile Radio for Morton Grove

The Illinois Department of Transportation has announced approval of a highway safety project which provides for a two-way mobile radio for the Morton Grove Fire Department. This is another of several efforts which Morton Grove has undertaken under the Illinois Highway Safety Program to further traffic safety at the local level. The total cost of the Morton Grove project will be approximately \$1,451. One half of this will be reimbursed to the Village upon completion of the project from federal funds made available to the State of Illinois under provisions of the Federal Highway Safety Act. This Act was passed and signed into law in 1966 to assist the states in accelerating highway safety programs. This local project is one of more than 950 county and municipal projects being conducted as part of the Illinois Highway Safety Program. A number of other projects are also being carried out by various State agencies to promote greater highway safety.

Candidates night

The League of Women Voters of Morton Grove-Niles is sponsoring a Candidates meeting for the Morton Grove Village election on April 9 at 8 p.m. at St. Martha's Catholic church, 8523 Georgiana, Morton Grove. This is a good time to hear and meet candidates running for the offices of Village President, Clerk and Trustee. There is no charge and refreshments will be served. Question and answer periods will follow. Everyone is welcome. For information regarding the League of Women Voters or the Candidates Meeting, please call Joan Goldberg, 823-5682 or Mim Barlett, 965-2075.

Absentee ballots for district 207 election

Applications for absentee ballots for the April 14 Niles Board election can now be made in person or through the mail. Voting age adults who will be out of the community on election day (Spring vacation for Niles students begins April 13 and runs through April 22) may apply now for the absentee ballots by phoning their name and address to Mrs. Fran Shaffer at 966-3800, ext. 422, or picking them up in person at the Educational Service Center, 7700 Gross Point rd. in Skokie. The ballots themselves will be available on April 4. The final date for application by mail is April 9. The final day for application in person is April 11. Both the application and ballot must be notarized.

Mrs. Shaffer said that her office - which is open from 8:30 to 4:30 for filing purposes - can furnish the voter with applications and ballots for High School District 219 only. Persons voting absentee in the elementary or junior college elections should contact those offices for information. Persons desiring information as to "where to vote" on April 14 are urged to call Mrs. Shaffer at the above number.

Nilehi board absentee ballots

Any qualified voter who wishes to vote in the Maine Township High School District 207 school board election on April 14 but who will be out of the district on election day, or who through physical incapacity will be unable to go to the polls, may vote by absentee ballot by contacting the office of Harold Markworth, Secretary of the Board of Education. The office, located in District 207's Administration Center, 1131 S. Deo rd., Park Ridge, is open weekdays from 8 a.m. to 4:30 p.m. Applications for absentee ballots will be accepted until April 9 by mail and until April 11 in person. The last day to vote by absentee ballot is April 9 by mail and April 11 in person at the Administration Center.

There are 3 vacancies for full, three-year terms on the board. To date, four persons have submitted nominating petitions: Roy O. Makela, Leonard R. Grazian, Michael W. Barros, and Thomas W. Crites. Nominating petitions can be accepted by the Secretary of the Board through March 23. On April 14, polls will be open from 12 noon to 7:30 p.m. in the elementary schools in the township.

OCC submits long-range plan

Dr. William A. Koehnline, president of Oakton Community College, has announced that a preliminary long-range plan for the college was submitted to the Illinois Junior College Board on the March 14 deadline.

The IJCB had asked every public community college in Illinois to develop long-range plans so that it could draw together individual plans to create a system-wide master plan for the public community colleges in the state. The IJCB will present the individual master plans and the system-wide plan to the Illinois Board of Higher Education.

The plan considers the financial, academic, and construction needs of Oakton for the coming five years and projects needs in general terms for an additional five years.

The multi-year plan was prepared with the assistance of Stanton A. Leggett Associates, Inc., educational consultants.

Melodons concert

The Melodons of Notre Dame High school in Niles will present their annual Music For Moderns concert with guest artist Doye Creighton on March 30 at 8 p.m. in the Marrillac High auditorium. Music for Moderns will feature all styles of big band jazz, from Basie to rock, and will include combo performances in both the modern and Dixieland idioms. Highlighted will be music from Chicago and Blood, Sweat, and Tears in the rock idiom and everyone from Glen Miller to Count Basie to Buddy Rich in the jazz style.

Guest artist, Dave Creighton, formerly played piano, clarinet, and tenor sax with the Melodons, and has recently been touring with the famed Warren Covington orchestra.

Many student soloists will be featured during the concert. Among them are Mike Merchut on alto sax, Mark Basile on baritone sax, John Kornegay on tenor sax and flute, Bob Sutter on piano, Richard Stagl on trumpet, John

Wehlta on trombone, and John Kuchta on tenor sax. Featured on the program will be arrangements by Korengay, Merchut, Sutter, and Kuchta.

The evening program will be under the direction of Gregory Mullen who himself is a former Melodon and has been teaching in the ND jazz lab for 4 years. Multi-media effects will augment the program.

Tickets for Music for Moderns will be available at the door of the Marrillac auditorium, 315 Waukegan rd., or by calling 965-9508, Adults \$2; students \$1.50.

Melodons include: Niles: Dan DeIippo, 8548 N. Ottawa; Dave Delorenzo, 7411 Main st.; Steve Darda, 7825 Oleander; John Kuchta, 8203 Wisconsin; John Lunkes, 7053 Grenner; John McCarthy, 7047 Grenner; John Michael Merchut, 8150 Farnsworth; John Thode, 8243 Odell. Des Plaines: John Kornegay, 2032 Welwyn. Morton Grove: John Wehlage, 6837 Beckwith.

Library pre-school storytime

The Niles Children's Library pre-school storytime for children aged 3 and 4 years old resumes in April. Three sessions will be offered: Wednesday April 11 at 11 a.m. and 2 p.m. and Thursday April 12 at 11 a.m.

Advance registration is required and begins in the Children's Library on Monday, April 2. Participants must live within the Niles Library District and not be enrolled in kindergarten.

A special story-time for pre-school children will be held on the Niles Public Library Bookmobile at the Golden Acres stop on April 6 at 2 p.m. The Golden Acres stop is located at Glendale Lane and Wendy Way. Mrs. Sharon Levine will be there with stories and finger plays for 3 and 4 year olds. Story-time will also be held at this stop on May 4, May 18 and June 1.

LETTERS to EDITOR

What are the real issues?

Dear Mr. Besser: "Will the real 'Issue(s)' of the Oakton Community college Board of Trustees race please stand up?"

I originally entered the College election to encourage other Independents to run for the office and present the voters with a choice. A choice of viewpoints and positions have appeared but there is still no choice of viewpoints and positions on critical issues. Every single candidate so far in this election has told us he is "vitaly concerned about the quality of education at Oakton" or he is "vitaly concerned about the permissive attitude of the students or faculty." Not only have the candidates not opened up but the Coalition has chosen to conduct so called open candidates meetings and then refused to invite the Independent Trustee Candidates. I submit to the voters that the issues cannot be discussed when only the Coalition backed slate is allowed to speak. To overcome the inequity of not being allowed to speak at a public meeting, I offer the following positions for the consideration of the Oakton Community college voter.

1. A permanent site; now!
2. An improved senior college transfer program.
3. An extended vocational training program.
4. A special program created for culturally interested housewives, working students and veterans.

Make April 1-7 a meatless week

Dear Editor,

I have seen articles in the newspapers and on television telling about a plan to not buy meat from April 1 to April 7, and to limit the consumption of meat during this time. The organizers feel that this will lower the price of meat. I feel that if all of us do this then we will help cause of lower meat prices and even if we fail to lower the prices this will show us how to save money by eating less meat.

Area group confirms fund raising plans

Thillens Stadium at Devon and Kedzie aves. in Chicago will play host to local organizations seeking an easy method to raising funds. The 2000 seat baseball park is donated free of charge to worthwhile groups. The entertainment can be as simple as boys baseball games or as complex as professional attractions. The non-profit groups supply the event, and keep all the receipts for their various causes.

St. Martha's Grammar school, 8519 Georgiana in Morton Grove, has already selected their date of May 23 for their Thillens event. Busy making plans. Is chairman of the night, Pete Stackman. Two softball games are planned and a variety show in between. The highlight of the evening will be the last game when the faculty take on the 8th grade students in a game of softball. The donation of \$1 for adults and 50¢ for students will go directly to St. Martha's school fund. Any community support will be well received. Other non-profit organizations interested in learning more about the free Thillens facility are to call 743-5140. Only a handful of nights are still available.

OCC site committees review alternate plans

Trustee Paul Gilson, chairman of the Oakton Community College Site Committee, presented six alternative plans for the possible development of the interim campus area in Morton Grove as a site for a permanent campus at a joint meeting of the OCC Site and Facilities Committee and the Ad Hoc Advisory Site Subcommittee on Thursday, March 22.

The plans were prepared by the firm of Perkins and Will, architects for Oakton Community College.

These plans were the final study in a series of site studies suggested by the Illinois Junior College Board (IJC), recognizing the unavailability of centrally located large tracts of undeveloped land in the OCC district, the IJC stated its agreement to consider a highly developed smaller site on industrial property.

Consideration will be given to minimal on-site athletic facilities and, if necessary, a multi-level parking facility.

Chairman Gilson stated that recent, revised student population figures indicate the adequacy of a 30-acre campus with a parking structure which, if necessary, can be constructed at some later date.

He advised the joint meeting that any decision now on a final site for a permanent campus could seriously be affected by decisions of the adjoining townships with regard to annexation to District 535.

Gilson discussed the various advantages of annexation in reduced unit cost of operation, increased program offerings, and the opportunity to increase the number of available campus sites.

Oakton's Hartstein Seeks Re-Election

Raymond E. Hartstein, who served as founding Chairman of Oakton Community College for 2 years from 1969 to 1971, announced that he will seek re-election to the Board of Trustees in the April 14 election. He has not only served on the Speaker's Bureau and aided in referendum efforts for the establishment of the college, but has also been involved, as a member of the Board of Trustees, in every aspect of the establishment, growth and development of the college to date.

Mr. Hartstein has a good understanding of University and College environments. He is a competent businessman-educator who has vast experience in establishment of educational institutions. He has handled all aspects of operations including policy formulation, staffing, curriculum, site selection, facilities and equipment. Mr. Hartstein is presently Director of Personnel and Industrial Relations for Brunswick Corporation and previously served with the U.S. Embassy, Tel Aviv, and was an executive with General Motors. He holds an MS from the University of Illinois and has

Niles Obscenity law to include radio-TV stations

By Gary Goodfriend

In the face of objection from two lawyers and a Niles resident, the Niles Village Board Tuesday night voted to include radio and television stations under the village's Obscenity Ordinance.

Any description, which in printed form would be harmful to minors as obscene materials, violates the ordinance explained Board Attorney Richard Troy. "We are looking for a test of this with the Fem Forum show," said Mayor Nicholas Blase, "and we are prepared to take the case to a ruling body."

Trustee Richard Hareczak cast the only vote against the amendment. "One can't correlate visual materials with the airwaves," he told The Eagle. "With the airwaves, the rights are different. And the FCC does have the power to censor while there is no comparable board with magazines."

Ms. Karol Verson of 8149 Davis told the Board the implications of the ordinance goes beyond the protection of youngsters. Ms. Verson said the Board is "conspiring to deprive me and my family of our freedom to make our own judgment in the free market-place of ideas."

"If you want to get into a tussle with the FCC on Fem Forum, why not the violence shown on TV?"

Attorneys Michael Rotman and Louis Elovitz representing Books & Cards, Inc., of Niles were concerned with the visual materials restrictions. "The ordinance is totally and clearly unconstitutional," Rotman said. "It allows any individual to determine if a book is obscene and also involves attempts of prior restraint." Rotman also objected to threats of harassment directed at his client from the village. Elovitz believed Playboy and similar magazines should not fall under the ordinance. "Playboy is sent through the mails and has never been judged obscene. It is the Mayor and this Board that has judged it obscene," he said.

After receiving from the village a printed list of publications to be sold under the counter, a final decision on possibly violating the law and going to court will be made, Elovitz added.

In other actions, the Board delayed approving a rezoning request made by Ed Beaulieu for property at 3117-3141 Maynard Glenview rd., Glenview, North Cook County fund raising chairman.

Happ will direct the efforts of area workers in the month-long drive. He has been active in Heart Fund work for many years and holds a number of other positions in community work.

Last year's drive resulted in a total of \$163,000 being raised for the North Cook County area, and during 1972 a total of \$166,805 — excluding administrative costs — was spent in that same area to underwrite research, community programs, casework services for area heart victims, heart health fairs, a speaker's bureau getting started, but we hope to and distribution of educational literature to the public.

Happ expressed the hope that Niles residents will again respond to the drive in a generous way. The so that additional Heart Association programs may be undertaken old flood plain map and tighten to benefit all area residents, up the code concerned with the filling up of the land.
