## Is Blase's Party involved in District 63 election?

By David Besser

District 63 residents knocked the telephone off the hook last week when they noted two last-minute candidates submitted petitions for the school board election there. Tom Kogos, who is first vice-president of

the Maine Township Democrats handed in his petition just 2 hours before the closing deadline. A Mark Davis, from the unincorporated area followed Kogos during the last hour taking a similar action.

The telephone callers were convinced Maine Township De-

mocratic Committeeman Nick Blase is sticking his pudgy fingers in the school board election trying to get his voice on the board via his surrogate, Kogos. One caller said Blase was unhappy with annexation actions at the north end of the community and believed the Kogos bid meant

Blase would have his man there who would watch the goings on in District 63.

Neither Kogos or Davis had come before the Caucus when it made its candidate choice last month. According to the telephone

callers this seems to prove Blase has designs in the school district, implying the many precinct workers in the Democratic machine could turn out a vote for one of its own, they leave little doubt the last minute candidates are up to no good.

## From the LEFT HAND

By David Besser

Pete Pesole, the most volatile of Niles public officials, exorcised his wrath against Jerry Sullivan who announced he will be an "active" write-in candidate for mayor in Niles. At an open meeting last week in his party's campaign headquarters in Lawrencewood, Pete said it wasn't the "American way" for a candidate to become a write-in candidate and scoffed at Sullivan's rolling out of a hospital bed, and then making the announcement. Pesole left the impression it was sort of a backdoor ploy for Sullivan to take such action, and denounced Jerry with much hyperbole.

In past elections Niles Mayor Blase did all the denouncing, he called his opponents "liars" and generally waded the most heat from the podium. This time we received the impression Pesole was Nick's "hot" man, who has stayed above the battle. But the fact Pesole stomped and denounced Blase may be a bit miffed there will be an opportunity for residents to graphically oppose re-election.

In return to the write-in Jerry, Florian Klipowitz, who has been active in the Niles Fascist League, has also decided to be a write-in candidate. While Klipowitz and Sullivan will likely chop-up the district vote, the abuse began will rouse-up the party faithful. It should ensue a very dreary campaign. The more the news might suggest Klipowitz, a Democratic precinct captain was put up by the Blase Democrats to split the Sullivan vote. But knowing Florian, we believe he is his own man, and would doubt he'd be a party or such nervous actions.

The recent Carol Vernon, sent along a copy of Niles municipal ordinance to restrict books, literature, art and other similar activities in the community.

The law contains: "It shall be unlawful for any person to knowingly sell, loan for monetary consideration, distribute or exhibit to a minor:  
1. any picture, drawing, photograph, sculpture, motion picture film, or similar visual representation or image of a person or portion of the human body which depicts nudity, sexual contact or same-masochistic abuse and which is harmful to minors; or  
2. any book, pamphlet, magazine, printed matter, record, reproduction, or sound recording which contains any matter announced in paragraph (a) of subdivision 1 herein, or explicit explicit and detailed verbal descriptions or narrative accounts of sexual excitement, sexual

# RETAIN TOWNSHIP GOVERNMENT

## Meet the candidates

The Golden Triangle Home-owners Association of Niles is holding a "Meet the Candidates" night on Thursday, April 5 at 8:15 p.m. at the Niles Park District, 7877 Milwaukee Ave., Niles. All residents are invited to come and hear the candidates express their viewpoints.

## Village holiday hours

The Village of Niles Administration Building will be closed Saturday morning, April 21.

Niles Township voters overwhelmingly approved the retention of the Township Government Tuesday by an 18,479 to 8,712 vote.

Unofficial returns showed incumbent supervisor Charles Anderson winning re-election from Verna Beaver, 13,204 to 9,439. Louis Black won the clerk's post, 12,885 to 9,661; Dominic Fichera was elected assessor, 12,246 to 10,340; Alexander Lerner was elected collector, 13,166 to 9,365. Other members of the Republican TIP Party elected 4 auditors, Albert Nebart, 12,418; Earl Nurnich, 12,345; Margorie Sherman, 13,172 and Harold Feder, 13,111. Verna Beaver, the SCOTS candidate, who led the fight to eliminate township government, said the "county slim plan" led to her group's defeat and voters' retention of township government. She said the issue of the County machine taking over township functions aided her opponent's cause. At the SCOTS headquarters in a small studio storefront, 17

### Harvey Shapiro, OCC trustee candidate

Harvey I. Shapiro, age 44, has been a resident of Morton Grove for 14 years; he and his wife Marcia have 3 sons, ages 12, 11 and 9. He owns and operates a large insurance agency located in Niles. Mr. Shapiro attended grammar and high school in Chicago, the University of Illinois and Roosevelt university where he majored in economics. Mr. Shapiro has been asked to serve on several governmental committees and has been an officer for several charitable organizations. Some of these positions included an appointment to the Illinois Governor's Committee on Employment of the Hand-

capped which worked directly with the President's Committee on Employment of the Handicapped. He also served on the Technical Assist Group, Office of Minority Business Enterprise, Department of Business and Economic Development, State of Illinois. He also worked to help initially create the Multiple Sclerosis Society of America and served as a vice president. Mr. Shapiro has served as a senior corporate officer of several national corporations before he went into business for himself in the community of Niles.

He states: "College administrations to-

day are made up of various aspects: educational, business, student and community public relations. "Certainly the background and education of the trustees of the college should be somewhat varied as to give an interchange of ideas and creativity so that in the final advisory analysis, the trustees act as a catalyst towards various objectives so that the philosophy, quality and the direction of the college can be implemented.

"Oakton Community college has many things to be proud of; more experienced administrators are needed to facilitate many

of the problems that are presenting themselves today. As we all know, the college is still looking for a site to make its permanent home. The area which it is now occupying certainly is not adequate for fulfilling the future needs of the educational requirements for the students in our area.

"The disappointments in this direction met by Oakton Community college has impelled me to become involved and work hard towards solving these problems. Certainly there have been many reasons and a series of circumstances which have prevented the acquisition of a permanent site,

but nevertheless, the end result is that we find that our community after 3 years, has not acquired one. "I believe that much more could and should be done to involve the vast resources of the massive industry that make their home in this Oakton Community College District 535. Work-study programs should be expanded and improved for a better opportunity for employment in the area, if the students do not choose to continue their education after leaving Oakton Community college, I believe everyone should be proud of their community and proud of their community college."

## WE'LL SLIP YOU A \$5 CREDIT FOR TAKING YOUR PHONES WITH YOU ON YOUR NEXT MOVE.

You help us. We'll help you. That's what our new "Take & Save" plan for our residential customers is all about. Now you can earn a \$5 credit by taking your phone or phones along with you when you move.

All you do is snip the cord near the wall (or unplug portable sets) and hand the phones over to the installer at your new home.

Even if you're moving outside of Illinois Bell's territory, you can still qualify for the \$5 credit by dropping your phones off at a designated Illinois Bell drop-off location.

Most desk phones and Trimline® wall phones are eligible. And you can change the color of your phones if you have a new decorating scheme in mind.

The best way to get things moving is to call your Illinois Bell Service Representative just as soon as you know your moving plans. (The number is in the front pages of your Directory and on your phone bill.)

That way you'll know which of your phones are covered in the "Take & Save" plan. And whether you should take them along or drop them off.

"Take & Save" is one of those nice little ideas that helps everyone. You earn a \$5 credit and Illinois Bell cuts down on installation costs and lost telephones.

And, the way we figure it, every buck you can save these days is worth the effort. For you. And for us.

WE'RE A LOT MORE THAN JUST TALK.

# CHURCH & TEMPLE NOTES ...

## Niles Community Church

"Hymns of Holy Week" will be the theme of the Saturday, April 7, 7 p.m. and Sunday, April 8, 9:30 and 11 a.m. worship services at the Niles Community church (United Presbyterian), 7401 Oakton st. The fascinating stories of how several of the great hymns of faith came to be written will be reviewed and then these hymns will be sung by the congregation. Care for toddlers through 2-year-olds will be provided during both of the Sunday services. Sunday Church school classes will be held for 4-year-olds through adults at 9:30 a.m. and for 3-year-olds through high school students at 11 a.m.

Church meetings during the week of April 8 will include: Tuesday, 9:30 a.m. - League of Women Voters, 7:30 p.m. - Christian Education Committee; Wednesday, 7 p.m. - Rummage Sale (open to the public); Thursday, 9 a.m. Rummage Sale (open to the public); 7 p.m. Junior Choir rehearsal, 8 p.m. - Senior Choir rehearsal; and, Saturday, 9 a.m. Church clean-up day, 7:30 p.m. Metamorphosis (Youth coffee-house).

Activities for youth on Sunday afternoon and evening will consist of: 1:30 p.m. - junior high car wash (open to public); 3 p.m. "Sing!" for high school students

## Belden Regular Baptist Church

The Belden Regular Baptist church, located at 7333 N. Caldwell ave. in Niles will dedicate its new sanctuary on Sunday, April 8, at 3 p.m. Dr. David Nettleton, President of Faith Baptist Bible college, Ankeny, Iowa, will deliver the dedicatory address.

Special services will be held throughout the day. Dr. Raymond F. Hamilton, a former pastor of the church, will address the com-

bined Sunday Bible School at the 9:30 hour; Pastor Gordon L. Shipp will give the morning message at 10:45; and Rev. Vernon D. Miller of Church Building Associates, Glen Ellyn, will speak at the 7 p.m. service.

Open house for a tour of the building will be held on Saturday, April 7, from 7 to 10 p.m. The public is cordially invited to all services.

## Key 73 Evangelism at Edison Park Lutheran

Edison Park Lutheran church, Avondale and Oliphant aves., Chicago, will participate in the nationwide, Interdenominational, Key 73 Evangelism Program by observing "Action Weeks," April 22 through May 1.

Assisting in the Planning Committee is: Arnold Carlson, Niles, Rev. Talbert R. Rönning, Visitation Pastor at Edison Park Lu-

theran, will work with the planners.

Participating in Scripture distribution in the Edison Park area during "Action Weeks" will be the Church's teenagers, under the leadership of William Boettner, Youth Director.

At the April 29 Sunday Worship Services, 9 and 10:45 a.m., New Testaments are to be given to all attending adult parishioners. The Testaments will be used in "Operation Outreach" with acquaintances of parishioners, the recipients of the books. The Committee has selected Ken Taylor's fresh, modern version of the New Testament for this distribution.

Other highlights of the "Action Weeks" are: Key 73 Kickoff Service, April 25, 7:30 p.m. at the church; April 27, Training Night; and April 30-May 1, Visitation in the Community.

Edison Park Lutheran church is one of the more than 150,000 congregations who are participating in the Key 73 Evangelism Movement.

## Congregation BJBE observes Passover

Jews all over the world will observe the beginning of the Festival of Passover on Monday evening, April 16. The 8 day holiday begins with a shared meal, called a Seder. Families join together at the Seder service to recall their ancestors' liberation from the slavery of Egypt 3,000 years ago.

Special foods are served at the Seder which symbolize the message of the holidays. The flat, unleavened bread, called matza, is similar to the bread the Israelites baked in their haste to leave Egypt. A sprig of parsley symbolizes both springtime and freedom, the bitter horseradish root reminds the participants of the difficulties of bondage.

The meal is accompanied by the reading of the Haggada, a book of prayers, songs and stories of the Exodus. During the Seder, the youngest child formally asks his father 4 questions about the meaning of the holiday. Fathers then tell their families the story of the Exodus. These "four questions" are chanted in a very ancient melody, and are one of the highlights of the Seder observance.

Passover (Pesach in Hebrew) lasts for 8 days. During this time Jews refrain from eating leavened bread or foods with leavening. Congregation B'nai Jehoshua Beth Elohim, 901 Milwaukee ave., Glenview, will observe the Pass-

Included was: May C. Shih, 9047 N. Mango ave., Morton Grove, who will study linguistics at Yale university. She was graduated from Wellesley college in Massachusetts.

### Sue Borkowski-glamour magazine contestant

Involvement is the key and Susan Borkowski of Western Illinois university hopes hers will win her national recognition as one of the Top Ten College Girls of 1973.

Susan, 19, and a junior psychology major from Niles, was chosen by the WIU Panhellenic Association to represent Western in the 1973 Glamour Magazine contest. The vice president-elect of the University Union Board, she is a member of its calendaring committee which schedules major events on-campus. When she first came to campus, she captained the dormitory floor softball team after helping organize a team at Regina Dominican High school in Wilmette. A 1970 graduate there, she also helped form a guitar club and the Niles Youth Softball team and was a member of the senior softball team.

An art major at first, she switched to psychology and has found several ways to work with it. She was a co-counselor during freshman orientation and worked to help 50 freshmen adjust. She also is a volunteer for the student-run Hotline program, which takes telephoned problems and refers callers to specialized help.

She believes the experience will be valuable as she nears her goal of becoming an industrial psychologist. After graduate school and a Ph.D., she would like to work with personnel problems.

On campus, she is a member of Psi Chi psychology honorary and the Alpha Sigma Alpha social sorority as well as the junior Panhellenic Association. She is the daughter of Mr. and Mrs. Leonard Borkowski, 7054 Grennan pl., Niles.

### District 64 absentee ballots

Russell D. Miller, secretary of School District 64 Board of Education has announced that people may now obtain an application for an absentee ballot for the April 14 election of Board of Education members. Persons wanting such an application may write: Russell D. Miller, Education Service Center, 164 S. Prospect ave., Park Ridge, Ill. 60068 or telephone 823-1141 until April 9. People coming to the Education Service Center in person may apply through April 11. To receive and use an absentee ballot the registered voter must be out of Cook County on the day of election.

An application is given upon request. When the application is completed, notarized and re-

turned to Mr. Miller then an absentee ballot is issued.

For the convenience of the voter the Educational Service Center office will be open on Saturday, April 7 from 9 a.m. to 12 noon. For further information call Russell Miller, 823-1141.

### Named to Honor Roll

Debra Kay Wood of Morton Grove, is on the University of New Mexico 1972 Fall semester honor roll for the University college bachelor of university studies program. To be named to the honor roll, a student must have a 3.0 grade point average on a 4.0 scale. She is the daughter of Mr. Harlan M. Wood, 7105 Beckwith rd.

### Lincolnwood Action Party

Shown above are the candidates of the Lincolnwood Action Party: (top row l. to r.) Carl Carlson, 4 yr. trustee; Helen Smith, 4 yr. trustee and Irving Katz, 4 yr. trustee. (Seated l. to r.) Louis Spagoletti, clerk; Arthur A. Bierman, President and Edward Dervishian, 2 yr. trustee.

The Lincolnwood Action Party would like to go on record as endorsing a limit of 2 terms on all 4 year offices.

Arthur Bierman, L.A.P.'s candidate for President, said, "This kind of restriction will prevent the abuse of power which so often results when public office is occupied too long by the same people. Once in office, we would take steps to put this policy into effect."

Helen Smith, candidate for Trustee, said, "This means that no public official could remain in office longer than 8 years, after which, evidence strongly shows, even those who originally had excellent motives, find it difficult to resist the temptation of making a power base for personal aims out of that office."

### Legion initiation party

Morton Grove American Legion Post #134 members will have a special party Saturday, April 7 when the annual initiation of new members takes place under the direction of Senior Vice Commander Tony La Rosa.

As membership chairman, he will present a full evening to both new members who will be formally inducted into the Post, their guests and the remainder of the Post.

The Ritual Team will issue the charges to these new members of the past year. La Rosa and his wife are concocting their specialty, a complete mostaccioli dinner to be served without charge following a cocktail hour.

Dancing will take place following the Public Initiation. Also in brief ceremonies during the evening, past commander Tad Kimura, blood donor chairman, will present awards to outstanding blood volunteers qualifying in this field.

First, tho, this weekend, April 7, under the hosting of squad commander and his wife, Bill Cunnally, the Post Rifle Squad will fetes their wives. The yearly function, a dinner-dance, is a closed event for the group. The Squad participates in Americanism endeavors, march in parades, post colors at Legion and other meetings and assist whenever possible.

### On Deans List

The Berklee college of Music announces that Michael W. Keefe (21), son of Mr. and Mrs. Robert E. Keefe of 8651 Normal ave., Niles, and a freshman Instrumental Performance major at Berklee has earned placement on the Dean's List for the Fall semester of the 1972-73 school year.

### Independent voters of Niles-Maine platform

We, the Independent Voters Association of Niles-Maine Townships in endorsing the following platform of common sense and flexibility:

- a. No squandering of taxpayer's dollars, utilization of the tax school dollar to the maximum.
- b. Move forward now to acquire a badly needed permanent campus for Oakton Community college.
- c. To be responsive to the needs of the entire community.
- d. To be concerned about quality education, including transfer and technical programs.
- e. To strive for more faculty, student and community involvement.

We do endorse the particular candidates that follow for the office of trustees of Oakton Community college, District #535 because we feel that they are most capable of fulfilling the above commitments.

Raymond F. Haysstein, and Paul D. Giason for the 3 year terms because of the wisdom and experience they have gained and exercised on the present board. We would consider this a great loss of talent if we would lose these candidates as trustees. Both men are residents of Niles Township.

Thomas William Flynn for the 3 year term, because of the stamina and new ideas he can bring to this board and the experience he has had on site selection committees; and various faculty organizations. He is a resident of Mafie Township.

Patton Lee Feichter for the remaining portion of the two year term because of his stable attitude for a comparatively young man, and the fact that he is a teacher and works well with young people and knows their attitudes and problems, as well as the faculty problems. He is a resident of Mafie Township.

We urge everyone able to do so, to vote in the upcoming April 14 school board election District #535, Oakton Community college trustees, and exercise their good judgment.

**Recital participant**  
A College Series Recital by students in the College of Saint Teresa Department of Music was held Sunday, April. Participating students included Beth Rakosky, Morton Grove.

## District 219 Caucus

The Caucus-endorsed candidates for the District 219 School Board, Evelyn Rosenzweig, George Hanus, John Carlson, and trustee candidate Emanuel Schechtman, are seeking the opportunity to meet the people. On April 10, they will appear at Old Orchard Junior High school at the North Central Homeowners meeting.

Rosenzweig and Hanus are seeking 3-year terms on the board, while Carlson, the incumbent, seeks to fill the unexpired term of the late Paul Black.

The Niles Caucus, which screened several candidates for the vacancies, chose Rosenzweig, Hanus and Carlson as the most qualified to serve.

The Caucus urges the community to get to know the Caucus candidates at these meetings before the election on April 14, and to vote for Rosenzweig, Hanus, Carlson and Schechtman.

## Reiss candidate for district 63

Larry Reiss, an architectural engineer with offices located in Morton Grove, has announced his candidacy for reelection to the District 63 Board of Education.

Mr. Reiss said, "During this past year the Board of Education has operated our school system within a balanced budget and our financial situation is no longer one of increasing debt. Nevertheless, our District still faces problems that I feel can best be solved by citizens of this community who not only have the best interest of our children and citizens in mind, but who are also well familiar with school district affairs. I feel it is important to have people on the school board who represent a diversified cross section of our community and are genuinely interested in school affairs. A school system can best be served by citizens who will ensure that lay control of our schools will continue undiminished."

In stating his educational philosophy Mr. Reiss said, "Education should serve all people in a democracy according to their individual capacities. Education deals with all aspects of life and should assist the student in living a moral and ethical life. Education should provide the student with economic competence. Our school curriculum should be suited to individual capacities and should provide the student with the ability to intelligently discharge his civic and social responsibilities."

Mr. Reiss has lived in Morton Grove for 8 1/2 years. He and his wife, Happy, have 5 daughters, two are presently attending Nelson school and one is attending Gemini school. Mr. Reiss is a graduate of Purdue university and did post graduate work at several universities. He is a registered structural engineer in several states and a registered real estate broker in Illinois. He belongs to various professional societies and was first elected to the Board of Education last year when he ran for an unexpired one year term.

Dr. Thomas P. Kogos is vitally interested in our community and greatly concerned with its

## Meet Dr. Thomas P. Kogos

He has been a vibrant president of the Oak school PTA. He is now serving on the Senior Citizen's Commission in Niles. He was a former commissioner on the Niles Health and Environmental Board and has been actively associated with youth clubs for the past 15 years.

Dr. Kogos, when elected, promises that he will assist our schools in obtaining necessary and vital Federal and State financial support. This support will dramatically lower our local property taxes. He will work to improve the school budget by eliminating wasteful spending which results in increased taxes to

every home owner. He will also spearhead a drive towards a more comprehensive drug control program.

Dr. Thomas P. Kogos will be a great asset to School Board District 63. He needs your support on election day, Saturday, April 14. We urge you to elect this qualified man of dedication and sincerity, for Dr. Kogos has the courage of his convictions.

### Police chief's son convicted as drug pusher

Kenneth Emrikson, 22, son of Niles Police Chief Clarence Emrikson, was convicted yesterday on two counts of delivering narcotics to underground agents, Judge Kenneth R. Wendt of Circuit Court canceled young Emrikson's bond and ordered him held in County Jail pending sentencing on April 13.

Emrikson was arrested on a warrant Jan. 19, 1972, during a raid at the home of a Lincolnwood family who were away on vacation at the time. He was charged with two counts of delivering heroin, possessing a narcotics needle and syringe, and possessing marijuana. The arrest was made by agents of a metropolitan police force composed of policemen of various suburbs and headed by young Emrikson's father.

Authorities said young Emrikson's record showed five arrests in California in 1969, 1970, and 1971. One of the arrests was on June 1, 1971, at Newport Beach, Cal., and authorities said he was given 60 days in jail and placed on 3 years probation.

### Bode reaffirms opposition to multiples

Mayor Jule C. Bode, speaking on behalf of his fellow Citizens Party candidates as well as the Citizens Party, this week reaffirmed his opposition to high rise, multiple apartment complexes when he announced that as the first plank in his party's platform.

The mayor highlighted the platform objectives by saying "this is a single family, residential community with a reasonable balance of commercial and light industrial to help keep taxes down."

Mayor Bode pledged that his party will repeal the 1968 apartment ordinance which was passed by his opposition, the Action Party.

Other planks include a pledge to fight re-imposition of the utility tax, which Bode says his opponents have said they will put back on if they are elected. "Our pledge is to continue fiscal responsibility to ease local tax burdens and practice sound management of local, state and federal funds which become available to the village."

"We will complete prudent development of our master plan for a new fire station, police station and village hall, as well as an off-street parking program to ease traffic congestion."

"I read a brochure Sunday from our opponents, the Action Party, and I was amazed to see them taking credit for the accomplishments of our administration, although I was pleased to see they recognize the good job we have done in the past four years," said Mayor Bode.

"The fine community service programs which they praise are for the most part, the work of Trustee John Hilkin, especially the blood replacement and paramedic programs, assisted by Fred McClory, our clerk and others of our board."

"Our platform includes the completion of the work we have done on the flooding problem. When we finish the program we have under way, flooding in both east and west Morton Grove will be a thing of the past."

"We are proud of our beautification program, really a novel community accomplishment, and

### Psychological lecture

"All in the Family," a program on transactional analysis will be presented by Stan Dale, on Tuesday, April 10, at 8 p.m. in the Maine Township High school South cafeteria, 1111 S. Dee rd. in Park Ridge.

The program is part of the series titled "Living Is: Everybody Doing It." It is co-sponsored by the Maine-Oakton-Niles Adult and Continuing Education Program and Forest Hospital Foundation.

Mr. Dale will discuss the relationships between parent and child in the biological, psychological and transactional analysis sense. This relationship is complicated and often baffling. Stan Dale believes that the best parenting is very little or no parenting at all.

Tickets for the program will be available at the door. For further information call 696-3600.

### Des Plaines bank offers calculator

First National Bank of Des Plaines is now offering a complete pocket-size electronic calculator, adapter and battery for only \$54.95 including sales tax to savers opening a new \$300 4-1/2% regular savings account or adding a like amount to existing savings accounts including the 5% Red, 5-1/2% White and 5-3/4% Blue Investment Savings, announced Arthur R. Weiss, president.

Weiss explains that the Rapidman 800 pocket-size 8-digit calculator is covered by a one year warranty and weighs only seven ounces for easy carrying in pockets or purses. "It is especially ideal for businessmen, shoppers, home bill paying or student use," he stated, "since the unit adds, subtracts, multiplies and divides any numbers up to a million with a fixed, two place decimal. It also performs chain calculations."

Powered by a replaceable 9-volt alkaline battery, the easy-to-operate calculator can be used almost anywhere and comes complete with a plug-in adapter for home or office use, which lengthens the life of the battery. Further details can be obtained by phoning 827-4411 or visiting First National Bank of Des Plaines, 733 Lee st.

### MG art guild

This month the Morton Grove Art Guild will have as its special guest, an artist from South America, who now makes his home in Winnetka. The April 11 meeting will present Manuel Muroz Ruiz. He is well known in South America and will become more noted here when he displays his works at the Golf Mill Theater, in April.

We invite all members and anyone interested to come and watch this fine demonstration. Refreshments will be served. The meeting is on April 11, 8:30 p.m., at Mansfield Park, 5820 Church.

### Centel urges 'calling before digging'

Underground cable may eliminate the hazard of hungry squirrels gnawing in contention with greedy gophers, weekend landscapers and construction workers.

While repellents are being developed to combat the gopher and other rodents, the elimination of the human hazard requires only the dialing of 611 to find the location of underground cable.

Persons planning to do any digging — be it for buried treasure, a backyard tomato patch or a multi-storied apartment building — are urged to give Central Telephone Company at least 24 hours notice.

If necessary, the locator is radio-dispatched and can arrive on the scene within minutes.

The hazard of the unaware digger affects not only the telephone company, but the "entire health, wealth and welfare of all," according to Robert Neetz, Outside Plant Engineer for the Park Ridge District.

A cable cut not only results in the loss of phone service to a wide area but can also mean the disconnection of fire and burglar alarms and other vital services.

Even a small slit or pinhole in underground cable can result in the loss of service once water seeps into the break.

And it is not exactly an easy job to repair cut cable! A single cable can contain from 25 to 2,700 pairs, each representing one telephone line. Each of those pairs must be matched up, tested and spliced together.

Repair time, depending on the size of the cable, ranges from a few hours up to days and even weeks. Much of the cable is made according to Central Telephone's specific needs and must be re-ordered. Delivery might take 30 days even on an emergency basis, according to Neetz.

Another hazard in some locations is the burying of telephone cable next to electrical and other utility cables. The cable

is similar in appearance and difficult for the layman to distinguish.

"With all the underground cable nowadays, you almost have to dig with a spoon," says John Perkins, who locates cable for Central Telephone.

Today, up to 90 per cent of all Central Telephone's new installations are going underground.

In addition to the hazards, a cable cut can prove to be expensive. Underground cable in the Des Plaines area amounts to \$10 million.

The person cutting the cable is assessed for the cost of repairs which range from \$14 to more than \$2,000 per cut during 1972. However, the loss of phone service can never be fully recovered, Neetz points out.

"I've had contractors tell me frankly that it is cheaper for them to cut the cable and let their insurance company worry about it than to hold up a job until the cable is located," Perkins says. "They don't realize the inconvenience they might cause and the danger, in some cases."

Notices are hung on the doors of affected customers informing them of the temporary interruption and the repair efforts. Spot announcements on radio and notices in the local newspapers might also be arranged.

If the interruption is to last more than several hours, mobile telephone units might be brought to the area. Emergency radio equipment might also be put into use.

All in all, the moral of the story might be: Unless the role of neighborhood villain looks appealing, don't dig before calling 611 for the location of underground cable!

### Skokie Bank names VP

Ronald P. Pederson has been appointed Vice President, Loan Department, First National Bank of Skokie, Skokie. It was announced by Erman G. Kramer, President of the \$130 million north Suburban institution.

A graduate of Southern Illinois university where he received a bachelor's degree in 1963, Pederson began his career as a credit analyst with a large loop bank. Subsequent to joining First National of Skokie, he served in official capacities with two other Chicago area banks.

In addition to this banking experience, he has served as a director of the Chicago Chapter, Junior Chamber of Commerce Industry, and also worked as an advisor to a Junior Achievement Bank Operation.

### Niedert offers daily truck rental

Nearly any type truck is available to Northwest suburban truck users for rental by day or week from Niedert Leasing, Inc. of Des Plaines.

Besides long term leasing, according to Gerald T. Niedert, executive vice president, Niedert now offers a full line of hundreds of trucks for daily rental to supplement a firm's existing fleet or to replace an out of service truck. Vehicles for rent include jumbo straight trucks, compact econolines, volume vans, sleeper trailers and flat bed trailers. Niedert also is open round the clock to provide special service as well.

In addition, Niedert maintains complete facilities for maintenance, washing and fueling of vehicles. To service all trucks, the firm operates a 20,000 sq. ft. building devoted to equipment maintenance, including truck parking and driver rest facilities with excellent security. Niedert carries a huge inventory of spare parts to assure fast, efficient handling of any emergency repair job.

The only automatic drive-through truck washing service in the Northwest area is also provided by Niedert. This facility, along with many other services assure the daily renter of top performance and upkeep on any equipment he chooses. For further information, contact Niedert at 200 W. Jarvis ave. in Des Plaines or telephone 297-8040.

### 'Safety Day' at Glenview State Bank Saturday

"Safety Pays" is on its way to being the biggest day to hit Glenview this spring. On April 7 the Glenview Safety Council in cooperation with Glenview merchants, Service Clubs and Police and Fire Departments will present "Safety Day" from 1 to 4 p.m. at the new Glenview State Bank Building, 800 Waukegan rd.

There will be a variety of booths manned by scouts, police, fire officials and your friends

and neighbors. Among the events planned are rope slide demonstration, films and talks on drug abuse, home safety programs, bicycle safety checks and registration, bicycle safety course, industrial safety programs, first aid demonstrations, self-defense instructions, fire safety cartoons, breathalyzer demonstrations, operation EDITH, baby-sitter first aid registration, hostel club registration and operation theft

guard. Among the equipment on display will be the Aerial Ladder Truck, Snorked Units and the American Red Cross Disaster Unit.

There will be free gifts for all including: the new Glenview bicycle route, eye glass safety straps, balloons, coloring books, back-packs, litter-bags, Emergency phone stickers, safety reading lists, literature, 15 bi-

cycle beacons and even a Schwinn 5-speed Collegiate Tourist bicycle donated by Glenview Insurance Agency.

Children are reminded to bring their bicycle registration numbers written on a piece of paper to eliminate the delays in registering their bicycles.

We urge everyone regardless of age to attend this entertaining and informative event.

## Jack wants back

Jack C. Leske, an independent straight talking, straight thinking man who has served you as Niles Park Commissioner for 12 years is seeking re-election. Jack's conservative posture has provided some degree of restraint to Niles Park Board expenditures. He believes that priorities for development must be adhered to and that these should take precedence over pet projects. Leske is investigating methods that other states use to fund recreation.

One of Jack's most dynamic accomplishments was his personal 5 year effort to transfer certain Niles Industrial property from the Skokie Park District into the Niles Park District. This annually brings an extra \$40,000 into the Niles Park District. This is comparable to taxes paid Niles District by all single family homes from Dempster to Harlem to Monroe to Milwaukee.

Leske has held every major position in the Niles Baseball League executive structure between 1957 and 1967. He is a member and past-President of Niles Rotary and a member of the Board of Directors of the Niles Chamber of Commerce and Industry.

Jack wants back! Back Jack! You too will be proud of him.

### Tyse outlines aims for park district

Thaddeus (Ted) Tyse, an independent candidate for commissioner of the Niles Park District, disclosed his aims for seeking a seat on the Park Board, and they are: 1. To save the Tam Golf Course for Niles residents. 2. Expansion of Senior Citizens activities and programs. 3. Promote, expand, and innovate recreational activities for all members of the family. 4. Encourage dialogue and study the rapidly changing recreational needs of the Niles teenagers. 5. Seek land acquisition for future growth (through adoption of a recreational master

plan which will enable the park district to become eligible for state and federal matching

### Apollo Girls Start Competition

For the first time in the history of Apollo school in Des Plaines, girls competed against girls from another school in sports. The interscholastic volleyball match was played against Our Lady of Ransom school and included a seventh grade team and an eighth grade team.

The seventh grade team won their match 15-1 and 15-8. The eighth graders from Apollo also won, 15-9 and 15-8. Both teams are coached by Nancy Anderson. It is hoped that girls from Apollo school will compete in other areas of interscholastic sports in the future.

### Jones, Selman express concern for balance

Millie Jones of 7817 N. Odell, the first woman candidate for Niles Park Commissioner and Abe Selman of 7111 W. Niles ave., candidates for Commissioners of the Niles Park District at the election to be held April 17, spoke last week at a Candidates Night sponsored by the Kirkland Homeowners Association.

Millie Jones expressed to those present the reasons why she feels that a woman on the Park Board is vitally important if a proper balance and perspective are to be maintained. "Men have a tendency to lean too heavily toward sports and structured programming. A woman sees the need for equal emphasis in each and every area of recreation so that all of the needs of our children are met. Athletics are important to any community but we must never become so involved in this aspect of reservation that other areas such as safety and supervision are neglected."

A mother's concern is for her children, their well being and security. Millie Jones as a concerned mother cares about the needs of the children of the Niles

Park District. Millie Jones can bring something to the Niles Park Board that it has never had before -- A Woman's View Point -- A Mother's Approach.

Abe Selman then presented his viewpoints on the needs and direction of the Park District for the coming decade and the areas in which he as a commissioner on the Park Board would provide strength.

Fiscal responsibility and Planning -- Drawing on his professional training as an accountant and business experience as Budget Director for a large corporation, Abe could provide the kind of leadership and experience that will be vitally needed by the Park Board in the years to come.

Cooperation with the Village -- to effect economies through elimination of duplication of expenditures for equipment and maintenance thereof, cooperative use of manpower for maintenance as well as security.

Representation for all members of the Park District Abe and Millie will make a vibrant voice on the Park Board and deserve your support on April 17.

### Park District seeks tennis instructor

The Niles Park District is accepting applications for all summer recreation positions, specifically full time and part time tennis instructors. The Park District will have a number of life guards, playground leaders, day camp counselors, and gym supervisor positions open for the upcoming summer.

There will also be a few part

time positions available, including evening and weekend gym supervisor, morning custodian, scorekeepers, umpires, and concession workers. Anyone interested in full time or part time summer work should contact the Niles Park District, 7877 Milwaukee ave., Niles, phone 967-6633.

### Baton lessons

The Niles Park District still has openings in the Baton Lessons which begin April 11. Mrs. Audrey Duda is the instructor. Classes meet Wednesday afternoon from 3:45 to 4:30 p.m. at the Recreation Center, 7877 Milwaukee ave. Girls must be 6 years of age and provide their own baton. Anyone interested in registering for the program may do so at the Park District Office during regular office hours.

**William J. Schwartz**  
U.S. Air Force Sergeant William J. Schwartz, son of Mr. and Mrs. Arthur J. Schwartz, 9700 Addison st., Franklin Park, has arrived for duty at Moody AFB, Ga.

Sergeant Schwartz, an aircraft radio technician, is assigned to a unit of the Air Training Command which provides flying, technical and basic military training. His wife Lynda, is the daughter of Mr. and Mrs. Robert Zblkowski of 1987 Lee st., Des Plaines.

### MG park board

At a continuation meeting held March 26, the Park Board moved to start its regular April 9 board meeting at 7 p.m. instead of at 8 p.m. in order to sell bonds totaling \$2,750,000.00 and hold its canvass for the April 3 commissioner election.

### 'Guys and Dolls'

Bob Chase as Sky Masterson explains the life of a gambler to Sgt. Sarah Brown, played by Marcia Hirsch. The Morton Grove residents can be seen in BJB's production of "Guys and Dolls" at the Howard school in Wilmette on April 7 and 8, 14 and 15. For tickets and information, call 729-7575.

### 'Music Man' dancers rehearse

Maine East dancers. Lee Goldstein, Morton Grove, Mira Mandler, Des Plaines, Kevin Kwiatkowski, Des Plaines, Julie Hillebrand, Park Ridge, Brian Miku, Des Plaines and Cindy Clark, Niles rehearsing for the production of Meredith Willson's Music Man.

Meredith Willson's "The Music Man" has all the elements that go to make a great musical -- a good story, music, romance, humor and great dances. It is a glimpse into life in the early 20th century, nostalgic to senior citizens and something really different to those too young to remember.

One of the dances in "Music Man" guaranteed to get your toes tapping, is the Shtoppole-always a "show-stopper."

Dancers have been chosen for the musical which will be given April 27-28 and May 4-5 in the

Maine East Auditorium. They are: Cindy Clark (as Zenetta), Brian Miku (as Tommy), Mira Mandler, Sue Howard, Bonnie Brown, Holly Kamlok, Julie Hillebrand, Debbie Hanks, Gary Chapman, Larry Klenstien, Kevin Kwiatkowski, Lee Goldstein, John Klein and Steve Wolszczak.

Tickets will go on sale at Maine East High school on April 9, prices \$2.75, \$2.50, \$2 and \$1.50. Be sure to get your tickets early.

## 'The Circus is coming'

The Maine East High school Circus club is again holding its annual Gymnastics Circus Revue on Friday, April 6 and Saturday, April 7 in the girls' gymnasium. There will be an afternoon dress rehearsal benefit performance for youth groups on Friday at 4:30 p.m., and the evening performance begins at 7:30 p.m.

One of the most exciting new acts this year is the swinging teeter board, Daring front and back somersaults and other breath-taking feats will be performed along with aerial artistry on the Spanish webs and flying trapeze. Other circus acts include unicycles, revolving ladder, juggling, stunts, and of course, clowns. Members of the men's and women's Gymnastics teams will perform dazzling routines on the uneven parallel bars, balance beam, trampoline, rings, vaulting, and tumbling.

So Hurry! Hurry! Join the fun at this year's Circus Revue. Tickets will be on sale at the door. \$1.25 for adults and 75¢ for children under 12.

### Creative cooking

East and mid-east will meet in the kitchen this spring when the Mayer Kaplan Jewish Community Center offers a course in Chinese Cooking.

Under the direction of Chef Barbara Grunes, the cooks will learn to prepare delicious Chinese and Cantonese dishes within the limitations of a kitchen. The class meets the 2nd and 7th Wednesdays of each month from 10 to 11:30 a.m.

For more basic cooking, the Kaplan JCC is offering a course in Bread Baking with a Jewish Accent. Participants will learn to bake bagels, challah and onion rolls, eliminating those Sunday morning trips to the delicatessen. Bread Baking meets the 1st and 3rd Wednesdays of each month from 10 to 11:30 a.m.

In addition, classes in Jewish cooking and international cooking are offered at the Center. All classes begin the last week of March and the first week in April. Late registrants will be accepted. For a complete listing of all activities, phone 675-2200, ext. 218.

## MG library film

The Morton Grove Public Library will present the English comedy, *The Man in the White Suit*, on Friday, April 13 at 7:30 p.m. In this 1952 film, Alec Guinness represents a textile enthusiast who is determined to invent a cloth that will not soil or wear out. He manages to rig up a contraption for converting unprofitable molecules into eternal fabric and finally discovers a textile to end all textiles. The public halls him as a genius until textile factory owners and workers alike realize that his discovery can mean ruin for all of them. Since neither group trusts the motives of the other, Guinness is caught in a desperate tug-of-war between capital and labor. The film will be shown in the meeting room of the library. Admission is free.

## THE CORNERS

of Where it's at and What's happening.

By Ed Hanson

People have improved. Today they are chiefly concerned about the higher things of life -- like prices.

Doctors say people should have pleasant thoughts at meal time. Obviously, these rich doctors are not aware of meat prices these days.

No wonder it's cash-and-carry in super marts these days. Most people can easily carry as much as they have cash to buy.

And rents are getting higher. Many people find themselves living in a more expensive apartment -- when they haven't even moved.

If you don't know what's up, Doc -- you haven't been shopping lately.

Meat prices are so high that when I'm in a restaurant, I watch my steak rather than my hat and coat.

Today many people have discovered the best way to live within their means is to borrow money to do it.

There was a time when only a fool and his money were soon parted. Now it happens to everyone.

Look at it this way -- the more it costs, the more green stamps you get.

A woman pointed to a large steak asking how much it was and the butcher replied, "\$4.95." "But how can you tell without weighing it," the woman asked. "Lady, that steak has been weighed 10 times this morning," answered the butcher.

Today in food stores, even a bargain costs money.

Nowadays, the secret of financial success is to make money faster than the supermarket check-out clerk can ring it up.

A hamburger by any other name always costs more.

One man's meat is another man's peanut butter.

Today's meat and food prices are frustrating. I must admit. You know what the height of frustration is? Well, did you ever hear about the octopus who fell into a cement mixer? I suppose you could say he was a crazy, mixed up squid.

Incidentally, octopus or squid is very tasty and not too expensive. If you spread some peanut butter over the octopus and put it between two pieces of bread, it makes a nice sandwich. You mean you've never heard of an octopus-peanut butter sandwich before?

By serving octopus-peanut butter sandwiches to your husband and kids, not only will you beat the high cost of meat, but you'll ultimately get out of the kitchen. Your husband will begin taking you and the family out to restaurants, like JAKE'S, ARVEY'S, the new FIRESIDE, the LONE TREE, HOWARD JOHNSON'S, BEAM 'N BARREL, GO TO BLASES, ALPHY'S, etc.

In this way you'll be doing your patriotic bit in bringing food and meat prices down because you won't have to do any shopping at the food stores for your evening meal. In fact, you and the family can eat all of your meals out and if all of us do this, it will force the food stores to lower their meat prices and ultimately we'll all benefit.

If your family budget should be strained you can always get a loan from your bank or friendly finance company during this fight-the-high-cost-of-meat campaign. Remember, you can always borrow all the money you want if you can prove you don't need it.

Yes, the "in-thing" is to eat out now. Not just once a week, but every day and every night until we all run out of money.

And when we run out of money?

Well, there's always octopus and peanut butter sandwiches.

## Oakton to present 'The Cage'

The Cage, an 80-minute one-act play written and performed by ex-convicts, will be presented at Oakton Community College on Monday, April 9, in Building 6 of the interim campus.

Sponsored by the Board of Student Affairs at OCC, The Cage will be performed both on Monday afternoon and Monday night. Following the performances, which include 4 ex-convicts from San Quentin, the actors will discuss their experiences in prisons with the audience.

## Knights present check

The handicapped children of the Jefferson school in Niles will benefit from the check for \$1,000 presented by North American Martyrs Council of the Knights of Columbus. The check was presented to Principal, Dr. Anthony Torres, by Grand Knight, August Pranske, while Chairman, Don Walgren, and Co-Chairman, Edward Privratsky, look on.

## Intramural gymnastics

Gymnastics is a popular intramural activity at Niles Elementary School-North. Pictures above are the girls executing a warm-up pose before they work out on the apparatus and mats.

## Pom Pon invitational

The Pom Pon Squads of Maine North and Maine East High schools will be participating in the First Annual Downers Grove North Drill Team-Pom Pon Invitational competition to be held at the Downers Grove North High school on Saturday, April 7.

Girls drill teams and pom pon squads from 17 Illinois high schools will be participating in the 2 categories of competition. One category is for squads of less than 25 members; the other is for squads of 25 or more. First, second, and third place trophies will be awarded in each category. Also, a "Best Captain" trophy will be given to the girl judged as the outstanding squad leader.

The competition, which will be held in the D.G. North High school gym, will begin at 11 a.m. and continue until 4 p.m. Tickets can be purchased at the door for \$1 for adults and 50¢ for students.

## Belly dancing

This Spring a very special program will be offered by the Golf Maine Park District. Belly Dancing is for all women who would like to learn a new and different form of exercise and fitness, while acquiring the basic skills of an ancient art started by Sallome. Debi Mozdzen will be the instructor for this class which begins April 19 at 8 p.m. and will run every Thursday night for 8 weeks. Ms. Mozdzen has been an instructor for several of our neighboring park districts and assures a program of both fun and worthwhile activity for everyone. Fee for this program will be \$12.

## Legion essay contest

The Morton Grove American Legion Auxiliary has judged essays from school students and forwarded them to 7th Dist. for judging. The Seventh District competition is between a dozen units in the north shore suburban and Chicago area.

Unit #134 Americanism Chairman Mrs. Howard Karsten reports the winners' names will be kept secret as most elementary schools desire to present these awards in the form of recognition at pre-summer school closing assemblies or graduation dinners.

According to Mrs. Karsten, more than 30 entries were received. She especially thanks Jerusalem Lutheran and St. Martha's for their support, cooperation and many announcements of the yearly program.

## Niles Elementary in district science fair

The district Science Fair was held at Wheeling High school on March 24.

An outstanding award was given to David Joseph, Paul Nawlesniak, William Meier, and Joel Brasch received first place awards.

Second place awards went to Charles Dubas, Elaine Weaver, Mary Greis and Keith Wurzbacher, Rita Calbow, Rita Mueller, Cindy Rupinski, Christine Mikkelsen, Debbie Treutelaar, and Debbie Gwozdz received third place awards.

David Joseph and Paul Nawlesniak will represent Niles Elementary in the State Science Fair finals at the University of Illinois at Champaign May 12.

## Weitzenfeld Oakton trustee candidate

Stanley C. Weitzenfeld, candidate for Trustee of Oakton Community College, yesterday discussed the problems of campus development and site selection that have been frustrating the college and the community. He stated first that he basically agrees with the general opinion of present facilities.

"Improvement is certainly needed," Weitzenfeld said. "Noise levels, space limitations, and library location are among the many problems. Parking facilities and traffic congestion are terrible. The North Central Association, the regional accrediting group, tells us that our plant is far from the worst, but that is little consolation, I am happy that the college administration agrees with the NCA."

"I am not so happy with the action taken to solve the problem," Weitzenfeld continued. "More should be done now to alleviate the situation."

Professor Norman Harris, of the NCA evaluation team, noted an "overemphasis on permissiveness in the classroom." "This attitude no doubt influences the noise and housekeeping problems," Weitzenfeld added. The North Central team was also critical of staff attitudes towards messiness, and extremely critical of custodial services in the housekeeping area. Smoking, in terms of a cleanliness problem, was of concern, Weitzenfeld continued. "This administration does not seem to be able to find a difference between freedom and license, of to understand that self-responsibility is an excellent

goal that is not achieved without guidance and that does not include the right to so mistreat the taxpayers' property."

Addressing his comments to the automobile problem, Weitzenfeld pointed out that "parking is not the only problem." "Dr. Koehnline's plan to purchase several acres for parking is not desirable for an 'interim' campus, and would only increase traffic congestion. I see an expansion of shuttle-bus service, keeping the cars off the campus, as a possible solution, at least until the campus site question is answered."

"And that question is another major reason for my candidacy," Weitzenfeld emphasized. "We hear of this site and that, of sites involving Northfield and/or Evanston, vacant sites and the present site. Over \$66,000 has been spent on investigation, yet a good facility by 1975 is still impossible according to a NCA interpretation of an Illinois Junior College Board statement. That \$66,000 seems to have purchased only a way of greatly antagonizing an important segment of our population. That must never happen again. I do not take any pre-judged position on any specific site, but I do insist that greater community participation occur. And it must occur early, not after a decision has been made."

"The North Central Association stressed the need for greater self-evaluation before full accreditation is possible," Weitzenfeld finished. "That self-evaluation must include major opinion surveys of the community at large and much community participation. The same is true for campus site selection. The community college does not seem much interested in the will of the community, that is intolerable, and there must be a change."

## Welcome home banner comes down

The Morton Grove American Legion Post #134 sadly announces the removal once again of their Welcome Home banner directed to returning Viet Nam veterans. The two sided yellow banner, which had originally been erected west of the Legion Home at 6140 Dempster, was transferred to the Marmora - Dempster intersection.

However, this proved to also be an unsafe location. Residents in the area were experiencing electrical power problems due to its weight in hanging. Post Commander Frank Hilbert indicates he would not want an action of Post #134 to inflict a hazard or inconvenience to any villager.

Although the idea of publicly showing the local Legion's enthusiasm for the vets returning from service is an important one, the American Legion by the same token, would not endanger or hamper the living of the area homes for the sake of showing their organization's happiness over the end of the war.

### LWV of Des Plaines forms childrens dental aid

A Children's Dental Service is being established to serve the Northwest Suburban area, organized by the League of Women Voters of Des Plaines and the Cook County Public Health Department.

On March 19, members of the Board of the Children's Dental Service met at the Westminster Presbyterian Church in Des Plaines to examine the dental chair already secured and to make plans for an early September opening. This service is for indigent and medically indigent children under 16 years of age and will be open one or two days a week.

The Westminster Presbyterian Church, 800 S. Beau dr., Des Plaines, has donated two rooms for the Dental Service, and a dental chair and unit has been obtained through the U.S. Health Education and Welfare Department, Cook County Public Health Department will pay for the dentist and the every day supplies needed. The total amount needed, as determined by the Board, is \$7500. This amount will secure the rest of the needed equipment, installation, and operating fund.

Anyone interested in offering donations, services, or equipment may call Mrs. Donald E. Rose, Health Chairman of the League of Women Voters of Des Plaines,

From l. to r.: Mrs. Addie Renniger, representative of Cook County Department of Public Health; Mrs. Ann Artemenko, Coordinator for Westminster Presbyterian church; Mrs. Richard D'Hondt, President of the League of Women Voters of Des Plaines; Dr. Lowell Sherman, Advisor of the project; Mrs. Donald Rose (seated) Health and Project Chairman of the League of Women Voters of Des Plaines.

824-4946, or Mrs. Richard D'Hondt, president of the League of Women Voters of Des Plaines, 824-6914.

The establishment of the Children's Dental Service is the result of the Des Plaines League of Women Voters' program on the health facilities available to indigent members of our community. Dental care for children was found to be one of the pressing needs.

A target date of early September 1973 has been set.

### Flynn favors drug education programs

Thomas W. Flynn, OCC Board candidate, recently disagreed with the findings of the President's Commission on Drug Education. Flynn stated, "This Commission was made up primarily of rich upper class persons who solve their children's drug problems by increasing their allowance or sending the kids off to Europe. The Commission has little experience with middle or working class America and obviously doesn't understand the magnitude of the drug problem in suburban America." Flynn said that what is needed in Cook County is more and not less drug education. He called for a countywide drug education and awareness program directed at the student and teacher and also the local officials such as Mayors, Trustees, PTA members, and community and social organization members. He said that drug ignorance by our local leaders is the most evil part of the drug problem because that very ignorance is what allows a Presidential Commission the license to sweep the drug problem under a rug and suggest we forget it. However he warned, "You cannot hide, ignore or do away with the hooked high school student, teenage prostitute, teenage burglar or runaway. One can look to MEG (Metropolitan Enforcement Agency) to see the magnitude of the problem. The solution is always more enforcement and more rehabilitation and never preventive education."

Flynn suggested that the Oakton Community college sponsor a series of drug education and awareness seminars for local officials, PTA members, community and social leaders, primary and high school teachers and administrators, student lead-

### Present \$3,000 check

The Parent Teacher League of St. Paul Lutheran school, 5201 Galtz, Skokie, recently presented a check for \$3000 to Principal Joel H. Schmidt (seated, second from l.) to purchase additional equipment for the school's Learning Center. The money was earned by selling Christmas cards and decorations.

Members of the PTL Board are: (seated, l. to r.) Mrs. Donald Hacker, Principal Schmidt, PTL President George Wendt, Christmas Card Chairwoman Mrs. Edward Holmblad, and Mrs. Allen Wilken; (standing) Joseph Hedricks, Lee Herbold, Mrs. Herbold, Mrs. Joseph Hedricks, Mrs. Juanita Klaus, Mrs. Gerald Loftus, Mrs. Gerald Bonkoske, Mrs. Robert Stahlecker, and Edward Fromm.

### Kaplan JCC adult classes

In answer to the Spring syndrome of "I really want to do something different," the Mayer Kaplan Jewish Community Center is offering a variety of exciting new adult education classes.

In the area of self improvement, "Sensitive Listening" is a course designed to help people tune in to others, and is based on the theory that we talk too much and listen too little. The class meets the 1st and 3rd Wednesdays of each month from 8 to 9:30 p.m. under the leadership of Dr. Jerry Forzemyk.

Two courses for "Weight Worriers" are scheduled every Tuesday from 1 to 2:30 p.m. and on Wednesdays from 7 to 8:30 p.m. Diet drop-outs will learn to understand the psychology of eating... what makes food irresistible... why diets sometimes don't work. The philosophy of the course is based on Dr. William Shipman's study on obesity.

Once again, "Survival Kit for Parents of Adolescents" will be offered to help parents understand their teen-agers and their own reactions to adolescent behavior. "Survival Kit" is scheduled for the 1st and 3rd Tuesdays from 8 to 9:30 p.m.

For the adventurous soul, Chinese Cooking in a Kosher Kitchen is guaranteed to challenge and stimulate. Although participants will not be preparing kishke chop suey, the chef promises to add creative recipes to menu planning. The course meets the 2nd and 4th Wednesdays of each month from 10 to 11:30 a.m.

Back to the basics in cooking, "Bread Baking" with a Jewish accent is offered on the 1st and 3rd Wednesdays from 10 to 11:30 a.m. Why run out to the delicatessen each Sunday when you can prepare your own bagels and onion rolls, not to mention challah with no preservatives added.

Classes begin the last week in March and the first week in April. Late registrants will be accepted. For a complete listing of all classes offered during the Spring semester, pick up a brochure at the Mayer Kaplan JCC, 5050 W. Church st., Skokie or phone 675-2200 and ask for Adult Education.

Orchestra Members

Orchestra members for "Bye Bye Birdie," the Spring Musical to be presented at Niles North High school the last two weekends in March, were selected recently by Louis Magor, music director.

Students chosen to play for the production include junior Ted Shlachter, Morton Grove, on the french horn, sophomore Dean Miller, Morton Grove, will play trombone, and juniors Dan Albert, Morton Grove, and Roberta Kasman, Niles, will play clarinet. Junior Fred Lewin, Morton Grove will play saxophone.

### Bloodmobile to visit Oakton college

The Michael Reese hospital Bloodmobile will visit Oakton Community college on Monday, April 16, and on Monday, May 1, between the hours of 11 a.m. and 3 p.m. at Building 4 of the interim campus.

Its first trip to OCC, on Oct. 26, 1972, met with great success, collecting 250 pints of blood. This blood was used to help save the lives of many involved in the tragic Illinois Central crash in late October.

"I hope we can get at least 600 participants involved in this drive," says student coordinator Carol Lampert. "We're shooting for 300 pints of good blood and need at least 20 percent of the student body and others wishing to donate to join us in this goal."

Participants may donate blood under 4 different programs; for themselves, for themselves and their family, for a friend, or to the blood bank anonymously. Once the blood is donated, the participant, his family, or the person designated will be assured free blood for a year, according to Miss Lampert.

The blood is used to replace blood lost in the case of childbirth, victims of accidents, shock and major operations, as well as other medical needs.

"The procedure is simple," Miss Lampert points out. "Just call 967-5120, ext. 313, for an appointment and state the date and time you wish to donate. Any questions about the drive can be answered then."

## Supports Selman-Jones candidacies

Dear Editor:

In Niles, as in many communities, a primary concern is the youth of today. We hear talk of vandalism, loitering, drug abuse, and an over-abundance of free time leaving the youth open to antisocial tendencies. These antisocial acts are but symptoms of a deep lying problem of problems.

One such problem is the lack of planning on the part of the Niles Park officials for planned activity, supervised meeting centers, and neighborhood parks. Since our last park bond referendum was passed some years ago, the park district has had funds available for neighborhood park sites. Some land was acquired and left to the weeds; money was spent (in bad faith) in other areas never discussed prior to the park referendum; and the youth of Niles were left to the streets. Can a community truly be called progressive or "All American" when they ignore their youth and then blindly look for the causes of delinquency? Niles residents are taxed by

## Time for 'Father Figure' to step down

Dear Editor:

Do the people of Lincolnwood understand what is actually at stake in the April 17 Village election?

For the first time in many years, citizens of this Village have a real opportunity to replace a stale, self-serving, non-responsive administration which has become more interested in real-estate manipulation than in the needs of Lincolnwood, with an energetic and qualified group of candidates who are representative of the Village, and who are committed to ethical and responsive government.

We are appalled by the arrogance of a man like Proesel who has not had the moral inclination to resign after 42 years. We are disturbed by adults who feel that no one but this father figure could possibly take care of them or this Village. We are frightened by the concept of what these people might be willing to accept, inconsistent with democracy, on broader levels of government. We are convinced that

the park district for nothing but promises made years ago by the bond issue; the park district is not responding to the needs of the citizens.

Patience can last just so long; the people of Niles should feel the time has come to let their voices be heard. New candidates are seeking election to the Niles Park Board on April 17. Two candidates who think as we do are running. They are Abe Selman and Mrs. Millie Jones, both interested in neighborhood park sites and the future of our youth and not in special interests only, as is the case with our current park commissioners.

This is an election of vital concern to us all. I urge all concerned voters to come to the polls on April 17 and vote for our future and our children's futures - vote for Abe Selman and Millie Jones as your next park commissioners.

## An open letter

Dewane Barnes, President  
Kenneth Lindquist, Legislative  
Chairman  
Maine Teachers' Association  
1755 Wolf rd.  
Des Plaines, Ill. 60018

Gentlemen:

Recently the undersigned, incumbent board members of Maine Township High School District 207 received a questionnaire from the Legislative Committee of the Maine Teachers' Association. Your union, an affiliate of the Illinois Education Association, seeks our answers to questions posed by you to determine whether you will endorse us for re-election in April.

We do not now seek, nor have we ever sought the endorsement of the teachers' union for re-election.

We, as incumbents, feel that a joint reply to your request will be in the best interests of the citizens of Maine Township. Our experience as board members has shown us the value of working together in matters of common interest.

As candidates for re-election to the Board, we stand ready to answer questions of the voters of Maine Township regarding student freedom, communication, school finance, curriculum, accountability, and educational leadership. We also stand ready to discuss frankly and openly the strengths and weaknesses of our schools. We are concerned that an organized body of teachers, most of whom do not live or vote in this district, have taken upon themselves this right of in-district citizens. Obviously, teachers who are citizens of this district have the right to ask questions of us the same as any other citizen. We will be pleased to discuss all these matters with teachers who reside in the district at meetings open to all Maine Township citizens.

We are increasingly concerned that the teachers' union has a mistaken impression that it is an equal partner with the Board of Education in policy-making and administration. The teachers cannot have carte blanche in running our schools. We do not desire to interfere in teaching and we want to adhere to the policies, regulations, and by-laws of this district.

This board and previous boards

have always worked with teachers and administrators for the benefit of education. As you may recall, teachers were involved along with board members and administrators in formulating the Policies-Regulations-By-Laws of this school district. (Copies of the two-volume Policies-Regulations-By-Laws are available to all citizens of the district and teachers at any of the 4 high schools or in any of the local public libraries.) May we direct your attention to the policies concerning Teacher - Administration-Board Relationships (policy #4135 a & b and regulation #4135.1).

This policy (in effect since April 15, 1968) sets forth a separation of responsibilities in this district as follows:

"A. The Board, under law, has the final responsibility of establishing policies for the school system.

"B. The superintendent and his staff have the responsibility of carrying out the policies established.

"C. The professional teaching personnel have the ultimate responsibility of providing the best possible education in the classroom."

District 207 maintains its fine reputation and its high standing not only in this community, but also nationwide, because the Board and the professional staff have adhered to this policy as closely as possible. No board member, to our knowledge, has ever made any attempt to interfere with teachers in their classrooms.

Board members are always ready, willing, and able to discuss with teachers matters relating to salary, welfare provisions, working conditions, and other problems of mutual concern, as outlined in Regulation 4135.1. We suggest that the teachers' union familiarize itself with this procedure and with the provisions of the Professional Negotiating Agreement of which the union is a signatory.

Serving as a member of a board of education is a lonely and uncompromising job. We cannot attempt in any way to ingratiate ourselves to any organization and at the same time hope to perform our duties unselfishly. For example, how can board members honestly and fairly handle a student's or parent's complaint involving a teacher, nor how can board members negotiate in good faith a contract with a union while, at the same time, be concerned with whether or not they will receive that union's endorsement for re-election?

Board members by law, must always vote in public on all matters that come before the board. Board members express their views openly at all public meetings. Attendance at public meetings of the board is open to everyone, but there are few teachers who regularly attend these meetings. On some occasions, there are no teachers present.

We reiterate our willingness and desire to speak on educational matters at any public meeting in the township. We are seeking the opportunity to continue to serve all of the citizens of Maine Township by being interested, active, knowledgeable, and concerned board members.

Sincerely yours,  
Michael W. Bartos  
Member of the Board

## Keep bossism out of Niles

Dear Editor:

Occasionally school district 63 has had its problems - but now I think it has problems that it never dreamed that it could have. The sad part of the whole thing doesn't even realize what is about to happen.

Everyone knows that power in the hands of the wrong person or persons is a very dangerous thing. The mayor of Niles, Nicholas Blase, for some reason has begun to think of himself as all-powerful. He has the audacity to try to take over 2 seats of our 7 man school board (he tried for 3 but couldn't swing it). These 2 men, Dr. Thomas Kogos and Mark Davis are running on the Era of Challenge Party. Our pride in our suburban school system is that our school board candidates run on merit alone and not on any party affiliation - bossism of the Mayor Daley type can stay in Chicago.

If Blase is allowed to take over 2 seats this year with his political organization (and it is considerable) what will happen next year when 2 more seats are up for election?

They say that people get the kind of government they deserve - let's all hope that we don't deserve this. Please stop Blase now before it is too late.

## Participate in meat boycott

Dear Mr. Besser:

In regards to the prices of meat flying skyward in today's society, wrecking most if not all family budgets, our class (Consumer Economics - at Niles West High School) is working with every effort to bring back down the unbelievable prices of meat.

With it, we believe that rather than forgetting about the whole situation of boycotting meat prices and believing it wouldn't work - like most people, we have asked, "You've got to try it, and maybe in the end you'll like it." We feel that everyone should help out and contribute something in the first week of April.

## Meatless Week

Dear Editor:

I am taking a consumer economics course at Niles West High School. We are talking about the high price of meat and what could be done to lower the prices. If you would be so kind as to tell your readers not to eat, buy, or sell meat the week of April 1 to 7. Thank you.

Sincerely  
Bruce Greenberg

## Smoking Dangers

Fifth and sixth grade students at Woodrow Wilson school in Niles heard Dr. Alfred Soffer speak on the hazards of smoking on March 8.

Dr. Soffer is the Director of the American College of Chest Physicians. His talk to the students, was intended to point out the health dangers of smoking. Hopefully, this type of health education will help discourage young people from developing the smoking habit.

Dr. Soffer's appearance was arranged through the Volunteer Bureau of East Maine School District 63.

## Blase testimonial dinner

Niles Mayor Nicholas Blase will be honored at a testimonial dinner Saturday, April 7, at the Marriott Motor Hotel, 8535 Higgins rd., Chicago. The testimonial will be presented by the Maine Township Regular Democratic Organization. Blase has twice been elected Committeeman of Maine, the largest township in the 10th Congressional District.

In addition he serves as a Director of the Cook County Council of Governments, Vice President and Chairman of the Implementation Committee of the Illinois Municipal League and has been Mayor of Niles since 1961. During his administration the village was awarded the coveted title of "All America City" in 1965.

Sam Bruno, former Village of Niles Trustee and Chairman of the Board of Directors for Maine Township spoke for the group. "We are honoring Nick Blase for his total commitment to the community at large. Through his leadership the suburban communities have become a viable force in Cook County. It is our privilege to be associated with this dynamic and responsive person. He is honest and frank; he is not afraid to take a position on an issue. His dedication to good government is recognized by this testimony to him."

Tickets to the testimonial dinner are available at the Maine Township Democratic Headquarters or by calling 692-3388.

## Girl's softball registration

The Niles Youth Commission and girls of the Niles Youth Congress have been working on this year's Softball Marathon and regular League season for several months and are now ready to register any girl interested in participating in either or both events.

The Softball Marathon will be played during the weekend of June 22, 23 and 24 at Jozwiak Park in Niles, but will be for a record-breaking 54 hours this year, beginning at 4:30 p.m. on Friday and ending at 10:30 p.m. on Sunday.

The Softball League will be divided into two divisions this year, with the younger girls beginning on June 11 and the older division starting on June 18.

Registration is open to any girl between the ages of 13 and 23 for the Marathon and any girl

between the ages of 13 and 21 for the League. You may register on Monday, April 9 or Thursday, April 12 from 7 p.m. to 9 p.m., or Saturday, April 14 or Saturday, April 21 from 11 a.m. to 1 p.m., at the Park District Recreation Center, 7877 Milwaukee in Niles.

This year, however, all fees will be collected at the time of registration and are as follows: Marathon - \$2 per girl to cover costs of registration and T-shirts; League - \$5 for residents of Niles and \$7 for non-residents to cover the cost of sweatshirts, balls, and all other equipment and services necessary to run the League.

For further information, please contact Niles Youth Commissioner Richard Machnowski at 966-9887, Chairman of the Committee for the League.

Nancy Giometti, Jamie Brosnan, Sealy Laman, Melinda Sealy, and Mary Cartland. The Terrapin show is themed "From Head to Toe."

## Action Party charges opposition with outside influence

Action Party candidates for village office in the Tuesday, April 17, Morton Grove election have charged that their opponents are dominated by the outside influence of Niles Township Republican Committeeman John Nimrod. Action's Mayoral Candidate Richard P. Hols told a volunteer workers rally that "our opposition is clearly dancing the tune played by Nimrod, the township Republican committeeman who lives in Skokie." On the Action Party slate, Hols pointed out, are a mixture of Republicans and Democrats. "We have three Republicans and two Democrats. We have our individual beliefs when it comes to national politics, but when we talk about Morton Grove, local issues must of necessity cross political party lines in the common cause of community advancement for the village's growth and progress." Running with Hols on the Action Party ticket are William G. Zimmerman for clerk and Leonard J. Ash, Ralph G. Hintz, and Don Sheider for the three trustee positions. Ash, a life-long Republican, has served as township clerk for the past 16 years. He is leaving that post to campaign with the Action Party as one of its trustee candidates. "My expectations of bipartisan village home rule were completely shattered on election evening four years ago," Ash said. "It then became obvious the Nimrod-Bode machine, which received only 38% of the vote, was about to be completely dominated by those outside our village. You only have to see what's happening now on the Niles Township board. Supervisor Charlie Anderson, who is John Nimrod's hand-picked man, two years ago was our opponents' campaign chairman. To prove his point, Ash cited a letter by opposition Mayor Jule Bode in which Bode wrote that his party's candidates "owe no obligation or allegiance to anyone other than the people of Morton Grove." Ash then read a post-election newsletter dated May 8, 1969, and distributed to all Republicans by Nimrod in which the Republican committeeman wrote of the April 15, 1969, Morton Grove mayoral campaign, "I would encourage many of you to take an active interest in your local government. There are boards and committees in which you can participate. Anyone interested, please call LaVern at Headquarters-667-5150." This number happens to be that of the Niles Township

## Niles West PTSA meets

A PTSA meeting of Niles West High school will take place in the Oakton st. lobby of the high school on April 24, at 8 p.m. with Mrs. Lois Greenberg, chairman. The title of the program will be "I'm O.K.; You're O.K." with Dr. Nancy Klahm Byram, speaker. Transactional Analysis (TA) was developed by Eric Berne as a method of understanding why each of us feels and behaves this way and how it affects our relationship with others. In the process of developing this type of awareness, most people discover they have many more options in life than they had realized. The current T.A. best seller is "I'm O.K. - You're O.K." by Thomas Harris. Dr. Byram is a registered psychologist and has had advanced training in T.A. She earned her Ph.D. at Northwestern.

## Installation of officers for 1973-74 for Niles West Parent Teacher Association will take place at this meeting. To be installed and accepting the oath of office are: President - Mrs. Seymour (Florence) Mandel; Vice-President - Mrs. Bernard (Dottie) Widen; Vice - President - Frank J. Mustari; Corres. Secy. - Mrs. Edward (Dorothy) Klempner; Record, Secy. - Mrs. Peter (Margaret) Reinhard; Treasurer - Mrs. Al (Dee) Stein.

## Debate Competition

Two Maine East debaters, Jon Cwaygel of Morton Grove and Ira Helgott of Niles, were second place winners of the University of Illinois competition with 87 other debate teams. John was also named first popular speaker in the junior varsity division.

# Park District to open teen center

By Gary Goodfriend

Recreation center equals teen center - thus reads the Park Board's formula for a summer teen facility in Niles. The Board decided Tuesday night to establish, on a trial basis, a teen center in the basement of the park district building at 7877 Milwaukee ave. The Niles Youth Commission and Bill Hughes from the park district will work together on the project. Mid-June is the target date for the center's opening.

The Board and the Youth Commission had long been aware of the need for another teen facility in Niles. The problem was where to locate it. Village Trustee Jerry Skaja, representing the Youth Commission, told the Board, "We have enough people to staff a five night a week program, management will be no problem, we have a jukebox, we can get a coke machine and an icebox. We have everything but a place and it belongs in the parks."

An alternate site discussed was the Ballard Sports Complex. But Board President Walt Beusse had misgivings about its immediate use. "Currently, Ballard is not conducive to a teen center," Mr. Beusse said. "It needs air-conditioning, sinks and a new ceiling." However, the Board's vote did leave the door open at Ballard if the project proved successful. The Board could then project the money needed for improvements at Ballard in order to house the center.

In other actions, Commissioner Jack Leske reported professors at the University of Illinois claim park vandalism can be prevented by building playgrounds with more novelty and more complex equipment. Leske attended a seminar in Champaign last weekend where the educators and park officials differed greatly in their opinions. The professors look at a simple swing and ask what a child can do with it. They answer either, swing on it or destroy it, Leske said. They concluded vandalism

ends up as the ultimate activity at a playground, he added.

Beusse told the Board the bus tour of all park sites taken by the "Save Open Space" Committee on Sunday was "a very informative excursion." "Now more people know what our park system is all about," he remarked, "and maybe the tours should continue in order to educate more residents."

Beusse also reported volunteers of high school age can now sign up to serve the Maine-Niles Recreation for the Handicapped day camp. Those interested should call Director Larry Reiner at 674-1500.

The Board President also announced Assistant Park Director John Hedges will resign as of April 30 so he can accept the position of Director of Parks and Recreation of the Franklin Park District.

The Board also agreed to provide bus service for senior citizens today at noon from the recreation center to Golf Mill for the senior activity scheduled there.

conduct or sadomasochistic abuse and which, taken as a whole, is harmful to minors.

If Blase's brown shirt law is taken seriously Michaelangelo, Shakespeare, The Bible, and all sorts of names of comparable value would have to be excluded from the grubby mitts and eyes of Niles younger set.

Instead of submitting such an unconstitutional law why doesn't the same man who wants to protect Niles youngsters pass a conflict of interest law, which would give the young people a new respect for public officials. Never in recent memory has the politician been placed in such disfavor as he has in recent months. Watergate, Kerner, Barrett, and Paul Powell have placed all public officials in an unfair and unfavorable light. Rather than pull a lot of hokey, an honest public figure would try to raise the image (and sights) of public officials. If Blase was really serious he would voluntarily release his income tax, as Senator Douglas did in his years in Washington. And Blase would lead the way with a conflict-of-interest law which would bar public officials from profiteering as the result of their activities around the public trough. This would certainly protect the younger generation from becoming distrustful of men in the public office, and perhaps even convince them the public office can be a noble aspiration. Certainly, such an effort would be of unestimable value, cleansing away cynicism, and replace such thoughts with those of high-mindedness.

## Absentee ballots

Frank C. Wagner, Jr., Village Clerk, wishes to remind Niles residents that absentee ballots for the Village Election on Tuesday, April 17, are now available at the Administration Building, 7601 Milwaukee ave. Anyone who will be out of the County on that date may apply for a ballot to be mailed to them, out of County, or come in to the Administration Building to apply in person. The last day to apply by mail is April 12; the last day to apply in person is April 14.

The hours at the Administration Building are from 8:30 a.m. to 5 p.m. daily and 8:30 a.m. to 12 noon on Saturdays.

## District 63 Absentee voting

Any resident of East Maine School District 63 who is a citizen of the United States, 18 years of age or older and who has resided in the State and School District for 28 days preceding the date of the election, may vote in the School Board Election on April 14. He must also be a registered voter to be eligible to vote.

Absentee voting may be done in person or by mail. To cast an absentee ballot in person, apply in the Business Office of East Maine School District 63, 8320 Ballard rd., Niles, between the hours of 9 a.m. and 4 p.m., Monday through Friday. Wednesday, April 11 is the last day application may be made for absentee voting in person. Monday, April 9 is the last day for application for absentee voting by mail. Information may be obtained by calling Board Secretary James Bowen, 824-1102, ext. 231, or Mrs. Pat Kolvek, ext. 234.

## Gabriel Richard Institute

The Gabriel Richard Institute, a non-profit organization, whose purpose is to help people in all walks of life improve communications, develop personality, discover hidden talents, and broaden motives, announced recently the graduation of over 200 people at 10 neighborhood Chicago locations.

Spring classes will begin the week of April 22 at the following: Tuesday, April 24, Morton Grove Community church, 8944 N. Austin, Morton Grove.

For further information, please contact Verona McCarthy, 775-2361.

Oak School's principal, Ken Johannsen sent me a copy of the February issue of Oak Leaves, the school's monthly publication edited by Jo Borowski, Jean Reeve, and Dorothy Olson. The 17 page publication is crammed full of news concerning all school activities as well as scout programs and other news pertinent to Oak School area residents. We envied the full coverage the school receives and take our hats off to three girls, who really do a great job.

A second publication sent our way came from Millie Jones, who sent along Niles Senior News and Views, a newsletter for Niles Senior Citizens. The initial 6 page brochure is the beginning of a great idea which should prove helpful to many residents. Included in the newspaper is a list of merchants who offer discounts to senior citizens. It's a most worthwhile service and Niles Senior Citizens Commission deserves the doff of our journalistic cap for their fine efforts.

Another correspondence came from Chester Peterson, who was an independent candidate for trustee a couple of years ago in Niles. Chet gives us a "So What's New?" salutation regarding articles in a past Bugle. A letter to the Editor writer suggested an independent write-in candidate should make himself available in opposition to the incumbent candidates. Our good friend Chet, did just this the last time out. And when he read in The Left Hand that sage columnist suggested "annexation actions deserve closer scrutiny", Chet circles this very issue in his campaign literature which was passed out in the community during the last election.

We get a message Chet is asking where we've been the last couple of years and we answer, "We've been here Chet, a bit muffled, but we've been here." I'm not sure Chet will believe that.

## 50-50 sidewalk replacement

The Village of Morton Grove announces that the 1973 Sidewalk Replacement program is now in progress.

All interested homeowners who would like to participate may do so by calling the Department of Public Works at 965-4100 and registering by giving name, address and telephone number.

A representative from the Street Department will make a survey and leave a contract stating the homeowners share of the cost.

If the contract is acceptable, the signed contract, accompanied by the check in payment should be returned to City Hall at 6300 Lincoln ave. The homeowners cost this year is 53¢ per square foot.

Homeowners are advised to get their requests in as soon as possible.

## Tour of Latin America

A family's trip from the United States to Tierra del Fuego at the southernmost tip of South America will be featured in the MONACEP travel lecture at Main Township High School East, Dempster st. and Potter rd., Park Ridge, on Wednesday, April 11, at 8 p.m.

Featuring the photo journalists and lecturers the "M's Wirth" - Michael E. and Maria Alicia Wirth - the film details their 38,000 mile journey by motor home.

During their journey the Wirths never once stayed in a hotel and seldom ate in restaurants. The Wirths feel that they made many true friends for themselves and the United States during their time in Latin America.

Title of the travelog is "Latin America; Many People - But One Heart." Single admission tickets will be sold at the door the evening of the program for \$1 each. For further information, call 696-3600.

## Boss rule. . .

where, probably on the telephone. Proesel said: "I would rather have the finished product. I have always refrained from making an announcement before I could see it carried thru."

Bierman claims that a vote for Proesel and the Village Party's slate of incumbent trustees is a vote for high rises.

An ordinance passed in 1962 allows high rises in areas zoned business, with certain restrictions. Amendments to that ordinance, proposed a year ago by the mayor and trustees were strongly opposed by a citizens' group which filed a lawsuit. The amendments were dropped, but the original ordinance is still on the books.

Proesel who has a reputation for handling public funds more carefully than his own said that Lincolnwood "has one of the lowest rates of a community in Cook County." The municipal tax rate

is \$5.67 per \$100 of assessed valuation.

"The low tax rate has nothing to do with Proesel," countered Bierman, a first-time candidate. "Local industries keep it low because they pay substantial taxes."

Proesel was elected to his first term in 1931 at age 37. A reluctant candidate at that time he was drafted by a group of citizens who were worried about subdividers gobbling up property. He was a developer himself then.

Lincolnwood's population has grown from 450 in 1935 to just under 13,000 today and Proesel's interest in government has grown with it.

Four persons calling themselves "four independents for responsive government," also are running for trustee posts. Tho their platform is similar to the L.A.P.'s they have no mayoral candidate and have endorsed Proesel.

## Hunger Hike

An estimated 50,000 people are expected to walk in this year's Walk for Development, Hunger Hike. As in years before the walk will cover a 30 mile course through the northern suburbs, starting and ending at Niles North.

The walk, which will be held May 6, will be similar to past walks. The walker obtains sponsors who agree to pay a certain amount for each mile the person walks. This could be a friend, relative or business.

Following the walk, the walker should return to the people who agreed to sponsor him. After collecting the money, it is sent to the Bank of Lincolnwood, where it is held before being sent to projects previously selected.

These projects are selected by need in help for projects in helping disadvantaged people. 42.5% of the money goes to domestic projects, while another 42.5% goes to international projects. The remaining 15% is sent to the American Freedom from Hunger Foundation (AFFHF) which coordinates similar walks throughout the country.

Project '70 is the local sponsor of this year's hike. Their offices are located at 5010 Harvard in Skokie. If you would care to volunteer your services or want more information about the walk, the office is open after school and weekends or it may be contacted at 679-6355.

## Molloy students at Shrine Circus

The Morton Grove American Legion received N.R.A. National Championship trophies at a recent meeting from Joe Brown, chairman of the Cook County American Legion Marksmanship program. Commander Frank Hillbert received a plaque of appreciation for the Post's support of the S.A.L. Rifle Team.

The Sons of the American Legion, as their name indicates, are Legionnaires' boys. Known by the initials, S.A.L., the Post #134 youth outpost all posts in the country. The boys winning this award and individual trophies were Joe Ferstl, Ron Wolflick, Gary Walo, Nick Cellini and Tom Klemens.

## Absentee. . .

Cont'd from Lincolnwoodian P.1 Keeler. Anyone who will be out of the County on that date may apply for a ballot to be mailed to them, out of County or come into the Administration Building to apply in person. The last day to apply by mail is April 12; the last day to apply in person is April 14.

The hours at the Administration Building are from 9 a.m. to 5 p.m. daily, but for the convenience of the residents, we will be open on April 11, 12, 13 and 14 until 9 p.m. in order to distribute absentee ballots to those who request them.

people including two children were munching on sandwiches and accepting defeat rather good-naturedly by 7:30 p.m. There was general agreement they didn't stand a chance against the well-organized Republican machine. The SCOTS had no organization and few workers were able to man the precinct polls.

Calmly Mrs. Beavers told the Bugle, "It's really kind of sad they now have carte blanche to spend the township moneys."

At the Republican headquarters on Dempster Street in Skokie, precinct workers were joyfully turning in their tabulations which showed their overwhelming victory. Winner Al Nehart was telling everyone how he brought in his precinct with a one-sided victory. There was a low-key confident feeling among these Niles Republicans, from State Senator John Nimrod down to all the precinct workers.

Morton Grove Mayor Jules Bode, who was part of the vicelation issued a statement released to all the newspapers on the eve of his own bid for reelection. Bode said, "The devastating defeat of the efforts of Cook County to take over the suburbs was a victory for the people of Morton Grove who led the voting totals." Bode then allied Leonard Ash and the Action Party of Morton Grove to the County's effort, which Bode

said had joined together to change the township form of government. Continuing, Bode said, "I strongly urge our residents to look directly at Ash and his gang and see them for what they are... people who sell out our community for selfish political gain."

"I am proud to say the Citizens Party worked to keep the County out. Now, we ask the voters to help us in the next two weeks to see that Ash and his Action group don't sneak the County in through the back door on April 17 (in the Village election)."

## Tour Tribune
