Oakton computer streamlines MONACEP registration

A shiny, sophisticated computer with a number for a name - S370/135 - now permits one of the largest adult and continuing education programs in the state to enroll more than 8,400 individuals in approximately 526 course sections quickly, accurately, and efficiently.

Oakton Community College as director of computer services in July, 1970 has supervised the smooth switch to the computer for the winter term of the Maine-Oakton-Niles Adult and Continuing Education Program - (MONACEP).

Gary Saben, a Northbrook resident who joined the staff of

The S370/135, which became operational at Oakton on October 17, 1972, has the capability to

serve three distinct functions simultaneously; registration and class assignments for the more than 3,000 students at Oakton Community College and 8,400 in MONACEP, the financial, budgetary, and business operations for Oakton; and instructional facility for both OCC and MONACEP.

Three video display terminals are stationed in the MONACEP

office at Oakton Community College during the registration period, Saben said. These provide information regarding available class space, up-date files of the more than 8,400 individuals enrolled, and record payment of fees. All this information is available to the operators within one second.

"During the fall registration

for MONACEP it took six people more than six weeks to get the filing and refunds up to date," Saben said. The economy of the up-graded computer is one of its more important features, he believes. Fewer people are employed for a shorter period of time to handle the temporary work load. Equally as important service to the public has been improved.

On the OTHER HAND

By Diane Miller

While our editor and "chief" is touring the Kremlin and checking on the efficiency of the Production and Sales Departments of Pravda, "guest-editing" on the part of those of us remaining behind is the order of the day. We're sure the "Left Hand" after his return will be both interesting and informative and is bound to have that special "Besser" touch.

Now that the village election is over, we thought it might be interesting to Niles' residents to know who the write-in candidates for the office of Village President were other than those who had announced their write-in candidacy, namely Gerald Sullivan who had 169 votes and Florian Kilpovicz who had 182. Many of the names will be familiar to you since these individuals are connected with many community clubs and organizations together with some of the members of the Niles Police Department and Fire Department. The following men had 5 votes or less: Ed Kemp, Frank DiMaria, Chester Peterson, Morgan More, Donald Swanson, Tamper Rowe, Lt. Frank Stankowicz, Jr., Leonard Borkowski, Joseph Miller, Adolph Foss, Charles E. Pickup, Richard Harczak, Max Bronstein, William Getsla, Fire Chief Al Hoelbl and Martin Hedrich.

The sense of humor of the Niles Police Department is certainly depicted in the picture recently hung on the wall by the front desk in the station. The picture shows two very "stink and pretty" pigs nuzzling each other in a very affectionate way and above the photo is the caption, "Who Cares? We Do." We have also noted that many of the members of the Police Department wear tie tacks with the head of a pig on them. We're sure their response to a term which is certainly offensive to many depicts the high quality of men in the department.

Niles Crossing Guard George Peters who was hospitalized recently after being struck by a car at his crossing station of Ballard and Milwaukee Avenues wishes to extend his thanks to the Niles Police together with his many neighbors and friends who remembered him during his stay in Lutheran General Hospital with many gifts and cards of well-wishes. Mr. Peters is now home and on the road to recovery.

Animal Warden John Morgan of the Niles Police Department asks us to remind residents that many calls are received at the station asking for help in removing animals who have nested in chimneys. Recently a very

Policemens' Ball

The Niles Policemens' Benevolent Association has announced that tickets are now on sale for the 10th annual Niles Policemens' Ball. This gala affair will be held on Saturday, June 9, at the brand new Allgauer's Fireside Restaurant, on the site of the famous Villa Venice.

Tom Ferraro, Association President, urges all residents who plan to attend, to order their tickets early, as they are very limited and will be sold on a first-come, first-served basis. No tickets will be sold at the door.

The Ball this year will be a dinner-dance with entertainment. Tickets are \$35 per couple. For more information or ticket delivery, call 825-2427 or 825-5248.

'A new broom sweeps clean'

With Spring cleaning and the long summer ahead to make repairs on the house and lawn, your old broom will receive a real workout. Will your broom make it? In the Fall you check the battery in your car. In the same way, your broom should be checked every Spring to insure its top performance. As a major company states "Don't get caught short without a broom."

MS. JONES OFF AND RUNNING

By Gary Goodfriend

Niles' newly-elected park commissioner, Millie Jones, was sworn into office Tuesday night and made her presence felt immediately. After taking her seat on the Board, Ms. Jones first requested to see a written policy which states clearly the relationship between the park director and the Board. She then asked if there had been any study undertaken concerning the feasibility of building a rink at Ballard.

Niles' first woman park commissioner also suggested that the District, before purchasing office and maintenance equipment, determine if such items can be bought or rented from the village at a less expensive rate than from an outside source.

The new Board member then made a motion, asking for three days notification of meetings other than regular meetings and 24 hours notice of emergency executive sessions. The motion

did not receive a second because the Board does have a more general policy on the subject.

Board President Walt Beusse instructed Director Helmut Dressler to call Village Manager Ken Scheel to explore any possibilities concerning the equipment proposal.

A feasibility study on the studio rink is currently taking place. Finally, Dressler told Ms. Jones a paper on the function of the director does exist and "if specific changes are needed, you should propose a change in the ordinance code." Beusse then requested that every bit of information about the park district be made available to Ms. Jones.

First public inspection of the 73-74 budget, previously scheduled to take place at Tuesday's meeting, was delayed until May 15. Still to be finalized are the

District 63 Board members

Three re-elected members of the East Maine School District 63 Board of Education were officially sworn in at the regularly scheduled School Board meeting on April 17.

Mrs. Arlene Nidetz, William Q. Allen and Larry Reiss are the three members who were elected to full three-year terms in the April 14 election. The official tally showed Reiss receiving the largest number of votes with 1352, Arlene Nidetz received 1224 votes and Allen 910. A total of 5 candidates had entered the race for the 3 vacancies. Mark M. Davis received 516 votes, while Dr. Thomas Kogos tallied 462 votes. A total of 1689 persons voted.

Free vision screening program

Vision Conservation Institute S.O.S. "Save Our Sight" vision screening program will be offered to the public free of charge on Sunday, May 20 from 10 a.m. to 4 p.m. at Notre Dame High school lobby, 7655 W. Dempster, Niles.

The program is sponsored by the Niles Health Dept.

According to Dr. Chester Nowak, Optometrist and "SOS" Chairman, the free screening program is offered to "persons of all ages from 3 to 100" and will include checks for near and far acuity, muscle balance or eye teaming, hyperopia, stereopsis,

near accommodation, color perception, field of vision, and glaucoma eye pressure.

"Persons having unsatisfactory checks in the screening will be referred to an eye doctor of their choice for examination and diagnosis," the spokesman said.

Other public-spirited service organizations who would like to sponsor a screening or have an "Eye Exhibit Vision Conservation Program" at one of their club meetings should contact the VCI, 1923 Elmore rd., Downers Grove, Ill. 60515.

Blase: Schlickman doesn't represent suburbs

Niles Mayor Nicholas Blase was among those suburban leaders who helped defeat House Bill #552 which would have redistributed sales tax revenues to municipalities on the basis of population. If passed bill 552 would have caused a loss of revenue for Niles, Morton Grove and Skokie and Mr. Prospect. The vote against the bill was 13-1 with Eugene Schlickman (R-4th District) the lone dissenter. The following statement is Mayor Blase's response to the Schlickman vote.

"It is regrettable that Eugene Schlickman has become the 4th District's albatross evidenced by his unrepresentative voting record this past month. He was recently the only State Legislator to cast a NO vote on HB 552. This bill would have resulted in financial chaos to villages such as Skokie, Niles, Morton Grove, and Mt. Prospect. The homeowner would be forced to assume the financial burden of higher real estate property taxes in order to replace monies previously earned through sales tax revenue.

"The second unrepresentative vote Mr. Schlickman cast this past month was his vote against the CTA subsidy bill. We all agreed it favored Chicago more than the suburbs and that it helped our own mass transportation systems, which are presently in dire financial straits. We also agreed the subsidy was temporary at best. However, responsible suburban representatives realized it was a compromise bill in order to keep suburban mass transit systems operating. If Mr. Schlickman is allowed to continue plundering down this unstable path the communities of Niles, Morton Grove, and Skokie will enter into fiscal erosion. His voting patterns are irrational and fiscally irresponsible.

"Inasmuch as the 4th District has been traditionally Republican I can only suggest to the GOP leadership that if Mr. Schlickman's present pattern persists, they should consider slating another Republican candidate to replace him. This district has never witnessed such unresponsive representation until Mr. Schlickman was gerrymandered into the 4th District.

Seek 4th of July Parade participants

The Village of Niles 4th of July Parade Committee announced its plans for its first annual Parade. The Parade will begin at 9:30 a.m. and end approximately at 10:30 a.m. The route is being designed to take the Parade through several different neighborhoods throughout the center of the Village.

Tom Flynn, Parade Co-Chairman, asked that the citizens of Niles plan to participate in the Parade. He asked for interested organizations to volunteer to build and enter floats in the Parade. The floats should be of a general patriotic nature with emphasis on various historical eras of American History. Flynn asked such organizations as Homeowners Associations, Block Clubs, Veterans Organizations, Social and Fraternal Clubs, Women's Clubs, Church and Temple Groups, the Chamber of Commerce and other such groups to contact either he or Village Clerk Frank Wagner regarding the entering of Parade floats. Interested parties should either write to Mr. Wagner at 7200 Waukegan rd. in Niles or call either Mr. Flynn or Mr. Wagner at 647-8433. Flynn stressed that the floats needs to be elaborate or expensive but that it was very important that as many organizations as possible enter floats.

Mr. Wagner next asked that organizations such as the Boy and Girl Scouts, Brownies and Cub Scouts march in the Parade. He said that those young people marching would be given small American flags to carry and under the direction of their Troop Leaders. The young peoples marching units will be interposed with Veterans Organizations and Military Units marching in the Parade. Wagner said that participation by young people is important because it shows their interest in the Viet Nam War Veterans and will inspire civic pride. He asked all such

organizations in Niles to contact him at 647-8433.

The Committee also said that anyone in the Village who knows of available Marching Bands should contact Mr. Wagner. It is difficult to locate marching bands for the 4th of July and any assistance given in locating bands will be appreciated by the Committee. Mr. Wagner also mentioned that any local groups who desired to organize a special marching band and march in the Parade would be more than welcome. He then said anyone or any organizations who desired to march in the Parade would also be welcome. The only qualification is that the person or organization remember that the theme of the Parade is to "Honor the Viet Nam War Veterans."

The Parade is the first annual Parade sponsored by the Village of Niles. There will be a reviewing stand reserved for veterans and American flags will be distributed to children along the Parade route. The Parade Committee consists of Tom Flynn, Frank Wagner, Jerry Skaja, Mike Provenzano, Veda Kaufman, Chuck O'Grady, and additional members are welcome. Anyone who is interested in serving on the Committee, acting as Parade Marshall, as a communicator or other capacity should volunteer his or her services by contacting Mr. Wagner.

Flynn said in concluding his remarks that the success of the Parade will be guaranteed by the residents of Niles themselves. He urged anyone and any organization in Niles interested in participating in the Parade to contact either himself or Mr. Wagner at 647-8433. No group of men in Niles deserve the honor of a Day in their Honor than the young men who served in the Viet Nam War. This is the opportunity to show your gratitude. Help us to Honor them, call 647-8433.

Niles Elementary PTA meets May 8

The Niles Elementary school North and South PTA will hold their last meeting of the year on Tuesday, May 8, 8 p.m. at the South school, 6935 Touhy ave. Cub Scouts and Webelos from Pack #62, under the direction of Scout Master Joe Koek, will conduct the opening flag ceremony. The new PTA Officers for 1973-74 will be officially presented and installed.

The guest speaker for the evening will be John Joyce of the Leaning Tower YMCA who will speak on the importance of the physical development of a child from birth through six and how this affects his progress in school.

Hostesses for the evening will be the fourth and third grade room representatives.

Blood replacement program

The Niles Blood Bank Program is now in full operation and all residents are completely covered for total blood replacement. Shown discussing the next blood drawing are Niles Blood Bank Chairman Myron Greisdorf; Blood Coordinator Doris Downs; Rita Kerz, representing Niles Elementary school; Carol Grabowski, Michael Reese Coordinator of Blood Replacement Program; Sheila Kellin, representing Nelson school PTA; and Norm Thelen, representing Jefferson school PTO.

The next blood drawing in the Village of Niles will take place at Notre Dame High school, 7655 Dempster st. on Thursday, May 10 from 5 p.m. until 8 p.m. (two sites have been chosen for the Bloodmobile, Notre Dame being one and St. John Brebeuf being the other). Stated Chairman Greisdorf, "It is imperative that we have the complete support and assistance from every resident in the Village of

Niles who is able to donate a pint of blood." He continued, "In order for the Village to be a participant in this program, we must have 4% (1297 pints a year) of the total population of the Village giving blood on a regular basis." It was stressed by Mrs. Grabowski that all residents will be com-

pletely covered for total blood replacement in any hospital of their choosing and anywhere in the United States; there are no exclusions.

If you wish to give blood, please contact the Niles Blood Coordinator for an appointment at 967-6100.

Free tickets offered to honor students

County Schools Superintendent Richard J. Martwick has distributed more than 12,000 applications to suburban schools participating in the White Sox-Chicago Tribune "Straight A and Perfect Attendance Program" for the 1973 baseball season.

In order to be eligible to see the White Sox play, a student must have a straight A or equivalent average for the most recent marking period in the first semester and perfect attendance for the first semester.

Niles Fire Department Exhibition

The Niles Fire Department will be among 35 area departments to participate in an outdoor exhibit and skill show at 1 p.m., May 12, at the Randhurst Shopping Center, Mt. Prospect.

The show will cap a week-long display of antique and modern fire equipment, fire service exhibits, puppet shows and firefighting and rescue methods. These exhibits begin each evening at 7:30 p.m.

The show and exhibits are all part of a national celebration of Fire Service Recognition Week, to acquaint the public to role of their firefighters in protecting the lives and property of Americans.

A parade of equipment from most of the departments involved will meet from 3 different locations at 9:30 a.m. at Randhurst on May 12, and then go on display. Between the parade and the start of the show, a waterfight involving many of the departments, will be held. And then, at 9 p.m., that night, a fireman's ball will be held on the Mall for the public with refreshments to be served.

The skill show will involve the simulation of actual firefighting tactics at a major fire featuring pumps, ladder trucks, rescue squads, ambulances, helicopters, and snorkels.

Fire Service Recognition Week is celebrated from May 7 through May 12.

TB and poverty most often go hand in hand. In the poverty areas of Chicago and Cook County, the TB case rates are 7 to 8 times the national average.

Del's fish story

Del Vague, 7441 N. Overhill, Niles, won angling recognition in the Metropolitan Miami Fishing Tournament when he landed a 54 lb. sailfin in the general division. He was fishing out of Miami Beach with Capt. Randy Smith on the Good Time IV as guide. He will be awarded a Citation for his catch.

Boys' Bowling

The competition remains close between teams in Maine East's Boys' Bowling club, but the first place team in the blue division with 51 wins and 18 losses is comprised of captain Dave Contorno, Paul Hujer, Glenn Shipp, and Kevin Cooney. All reside in Niles.

With 49 wins and 20 losses the first place team in the white division is comprised of captain Scott Friedman of Morton Grove, Steve Stein of Des Plaines, Frank Vecchio of Des Plaines, and Arnold Fishman of Morton Grove.

Best series were bowled by Dave Contorno of Niles with a 606, Arnold Fishman of Morton Grove with a 579, Carl Edelman of Des Plaines with a 532, Guy Marshall of Park Ridge with a 511, and Bryan Lipson of Morton Grove with a 504.

Best games were bowled by Contorno (222, 201), Edelman (215), Fishman (201), and Rich Roherty of Niles (201).

Girls' Bowling

Mary Plain had a great day of bowling on April 18 with those participating in Maine East's Girls' Bowling club.

She had the high individual game of 191 and the high individual series (two games) of 362.

The team high series (two games) of 1,590 earned the Mary's Muffets an eastern style pizza.

Glenn Beckert opens boys baseball camp

A special camp to help boys 8 to 15 develop and improve their baseball skills has been established in the Niles area by Glenn Beckert, All-Star second baseman with the Chicago Cubs.

The camp will be conducted at Notre Dame High school under the direction of Ken Maziarzka, head baseball coach at Notre Dame.

The Glenn Beckert Baseball Day Camps, a division of Sports Stars of Tomorrow, Inc., is designed to compliment and supplement local baseball programs, according to Beckert. The main purpose of the camp is to give more boys the opportunity to get the right start in baseball by receiving individualized professional instruction early in their career, he said.

The same instructional methods developed at the famed Mickey Owen Baseball school in Miller, Missouri, now in its 14th year as the nation's leading authority on boys baseball, will be used at the Day Camps and at a very modest fee, the Cub infielder said. Incorporated in the instruction are safety factors which make baseball a safer game. These safety factors have been recognized and supported by the "National Safety Council," Beckert added.

Concentrated lessons and supervised practice on key fundamentals and techniques of hitting, pitching, catching, fielding and baserunning will be emphasized on a non-competitive basis. No skill level is required. Boys can inquire and enroll for sessions beginning in mid-June by calling 282-8032. Tuition for a two-week, 20-hour session is \$35.

Summer basketball class

Maine East will conduct a summer recreational basketball class for junior high school students. A class for students who will be in the sixth, seventh, or eighth grade next Fall will be held at the Maine East fieldhouse and outdoor courts beginning Tuesday, June 26, and running through Friday, July 13. The program will run from 9:30 a.m. to 11:30 a.m. four days a week for a 3 week period. Fundamentals will be stressed with games and scrimmages being provided after the first week. A swim in the Maine East pool will cap off each session.

Boys who will be in the ninth grade next Fall are invited to an identical three week class running from Tuesday, July 17 through Friday, Aug. 3. The classes will be run by Paul McClelland, head basketball coach, and other members of the Maine East basketball staff. The cost for all boys is \$21. This will help defray the cost of the program and provide special equipment for all participants. Applications can be obtained by writing Paul McClelland, Maine Twsp. High school East, Dempster and Potter rd., Park Ridge, Ill. 60068 or by dropping by the athletic department office at the Park Ridge school. Any boy who fits the age requirements is welcome regardless of the school he is presently attending or will attend in the Fall. If any boy can only attend 1 or 2 weeks, he is welcome; and the cost will be \$7 per week.

SCOTS thank voters

Dear Mr. Besser:
The SCOTS Party would like to thank the many people who voted for us in the April 3 Township Election.

We also want to thank The

Bugle for keeping its readers informed about the complex and confusing issues involved. That the SCOTS received over 42% of the total vote was due in large measure to the energetic coverage of the campaign by the newspapers of our community.

Sincerely,
Verna Beaver
for the SCOTS Committee

Flynn extends thanks to voters

Dear Editor:

I would like to take this opportunity to thank the citizens of Niles and Maine Township for electing me Trustee of Oakton Community College. Oakton is a good college and with the continued support of the community it will be a better one. It can and should be the finest Community College in Illinois. I hope to assist you in making Oakton just such a college in the next 3 years. Let me also say that the other candidates are just as interested in Oakton and they were just as worthy of your trust as I am. I hope they will not fade away but rather volunteer to work to improve Oakton Community college.

The most important thing for all of us to remember is that Oakton will grow and mature in the next 3 years. The work will be difficult and not every one will agree with the actions of the Board of Trustees. You can make the task less difficult by taking an active interest in the college and working for its success. Please come forward and help us on the Board in the difficult time ahead. The college will in the final judgment only be as good as the input that makes it up. The Board will accept and

Dear Mr. Besser,
Your "Left Hand" column of April 26, 1973 as well as other Letter to Editor remarks about "Abe Selman" really worked. By that I mean that I am so upset by these remarks, it is necessary to let you know a few things so that I can blow off some steam. Usually I read your paper with delight, sometimes reading between the lines so that your thinking is interpreted to my liking. But of this latest column, all I can feel is insulted, I felt that you accused me of not voting for Abe Selman because he is a Jew. I want you to know, as well as Mr. Abe Selman, that I voted

the readers write

Did Selman lose because he's Jewish?

for Jack Leske and Ted Tyse because it was my opinion that they had a much better record to stand on, than any of the other candidates. I did not think Mr. Abe Selman was in a class by himself; well educated, yes; articulate is again your opinion; and everyone did not believe Abe best-qualified, as witnessed by this letter.

You speak about the sadness of his not being elected because Abe feels inefficiencies exist, and that we have a gun in our ribs and don't even know it. You have Abe show us a place where inefficiency doesn't exist and I'll show you paradise.

If someone is dishonest on the Park District, come right out and tell us. State the facts! But don't tell us voters we won't accept a person because he is a Jew. As a voter, I like to be presented with the facts, and then try to find out which facts are true and which facts are false. The source of the facts also influence my thinking. Most of the time the Bugle is a good source, but today in this matter I feel your column scored a big "ZIP."

Yours Sincerely,
Bob Miller

Commends Niles officials, obscenity law

Dear Mr. Besser:
According to Public Law 90-100, "The Congress (of the United States) finds that, 'the traffic in obscenity and pornography is a matter of national concern.' Because of this the Commission on Obscenity and Pornography created by the above named public act found, 'ample evidence that our nation is imperiled by a poison which is all pervasive.'" Due to the fact that our Village is a part of, "our na-

tion" we should rejoice that our Mayor, Nicholas Blase, has taken action to suppress the distribution of this pornographic poison in our community.

To use the tactic of trying to put the "Prince of Righteousness," namely, Jesus Christ, on the side of distributing obscene materials simply so we may, "not eliminate choice" is a perversion of what the "Prince of Righteousness" said, "Riotous living" and "sinning against heaven" are firmly equated in Luke, chapter 15. To say that Jesus Christ would stand for the distribution of smut just so individuals could experience the "urgency of choosing" is the height of scriptural perversion.

As the Pastor of a church new to this community, I have found our Village officials to be men of integrity with the good of the

community in their interest. This is a most refreshing quality. I wish to go on record as firmly supporting this action against Obscene Literature. In doing this, I am proud to stand with our Congress, Bible-believing churches and people of integrity in seeking to upgrade the wisdom of folk in this community.

Sincerely,
Pastor Gordon L. Shipp

Hunger hikers seek donations

Project '70 the local sponsor for this year's Hunger Hike is asking for donations that are needed for the walk.

The Project '70 office which is located at 5010 Harvard in Skokie has already received some donations but more are desperately needed.

Medical supplies for treatment on walkers are needed. This would include rubbing alcohol, bandages, foot powder, foot pads, and cotton balls.

Also needed are food supplies for the checkpoints at which walkers receive lunch. Normally in other walks this consisted of peanut butter and jelly sandwiches, and pre-sweetened drinks.

Garbage cans and plastic garbage can liners are necessary so that the route will be cleaned after the walk is over. These garbage cans and liners will also serve as a means for preparing the drinks.

If you would care to volunteer your services for the day of the walk, either at checkpoints or as a "toe-truck" driver the walk can use many of these people. The "toe-truck" drivers pick up walkers who decide not to walk any further and return them to Niles North. At the checkpoints people are needed to serve drinks and the food and to stamp pads.

The donations are tax-deductible and may be dropped off at the office at any time. If there are any questions concerning volunteering or donating supplies, contact the office at 679-6355.

Active in civic organizations as well as in school activities, Mr. Rider was past president of the Kiwanis club and currently a member of its Youth Services Committee and Visitation Committee; a member of the Des Plaines Chamber of Commerce, and of the Des Plaines Round Table for Youth. He was the first part-time recreational director of the Des Plaines Park District.

Mr. Rider lived at 300 Oxford rd. in Des Plaines. He leaves his wife, Pearl, a member of the

faculty of Mount Prospect Elementary School District #57, and one daughter, Mrs. Gretchen Seagrin, of El Paso, Texas. A special memorial program was held for Mr. Rider at Maine West on Monday afternoon, attended by faculty and students. Burial services were held Tuesday at Des Plaines Congregational church. James L. Coburn, Assist. Principal in charge of staff, has been appointed acting Principal of Maine West.

Community mourns death of Maine West Principal

The northwest community has been saddened by the death on Friday, April 27, of Herman L. Rider, principal of Maine Township High School West. The well-known school administrator and civic leader passed away at Lutheran General hospital after a short illness.

Mr. Rider had been a resident of Des Plaines for the past 27 years, coming to the area with his family in 1946 to join the science staff of the Maine High school (now Maine East) as a teacher of physics. He became chairman of the science department in 1949. When Maine West High school opened in 1959, Mr. Rider was appointed an assistant principal and science department chairman at the new school. One year later, in 1960, he became principal.

Mr. Rider was born in Westfield, Ill., spent his boyhood there, and was graduated from the Westfield Township High school. He then went on to Indiana Central college in Indianapolis, where he received his Bachelor of Arts degree. His Master of Arts degree was earned at the University of Iowa, and further graduate work done at the University of Chicago, University of Wisconsin and at Northwestern university. He was honored by being awarded a National Science Foundation Scholarship to attend the Foundation's Summer Institute at the University of Connecticut in 1958.

In commenting, Dr. Richard R. Short, Superintendent of Schools of District 207, said, "The whole community has suffered a great loss. Mr. Rider has been a dedicated and conscientious administrator, who for many years has made significant contributions to this school system and to the students of Maine Township. The

magnitude of the responsibilities he held as principal of an educationally renowned school such as Maine Township High School West can be understood only by those of us who work closely day by day with the problems. We have always been most appreciative of the leadership he has shown, and he will be sorely missed on our administrative team."

Active in civic organizations as well as in school activities, Mr. Rider was past president of the Kiwanis club and currently a member of its Youth Services Committee and Visitation Committee; a member of the Des Plaines Chamber of Commerce, and of the Des Plaines Round Table for Youth. He was the first part-time recreational director of the Des Plaines Park District.

Santa Fe College grad

A Morton Grove student at the College of Santa Fe, Patricia Ann Pearson, is among 189 students who are candidates for graduation this May. Degrees will be presented Sunday, May 13 at 3 p.m. in the college gymnasium.

Miss Pearson, an elementary education major and a candidate for a bachelor of arts degree, is the daughter of Mr. and Mrs. Arnold B. Pearson, 5710 Capulina. She is a 1968 graduate of Niles West High school, Skokie. The College of Santa Fe is a 4 year coeducational liberal arts college conducted by the Christian Brothers.

St. Martha's Mens Club

Current St. Martha Men's club President Joe Sweeney (l.) presented a plaque to immediate past organization president Al Nehart at their recent meeting. Nehart was commended for doing an outstanding job during his presidency. Sweeney announced the men's group will conduct their annual picnic once again this year for the Catholic parish, The Morton Grove Church's men's organization is the former Holy Name Society. The group incorporated a name change some time ago to broaden their phase of endeavors and accept more individuals as members. They meet for a breakfast meeting following the receiving of Holy Communion in a body usually after the 7:30 a.m. mass each second Sunday of the month. A recent session was held for daughters and sons; and offspring were treated to a special meal, prizes and viewed some interesting kids' films.

Israel Day celebration and parade

Mayor Albert J. Smith and Representative Sam Young are two of the dignitaries heading up the Israeli Independence Day Parade in Skokie on May 6 from 1 to 2 p.m.

Floats, cars, bicycles, bands and marchers will assemble at 12:30 at the Mayer Kaplan Jewish Center, 5050 W. Church st. to rev up for the gala event. The parade route is as follows: From the JCC east on Church to Skokie Blvd.; south on Skokie Blvd. to Davis; west on Davis to Gross Point rd.; north on Gross Point rd. to Church; west on Church back to the Kaplan JCC. Families and individuals are invited to join in the parade as either riders or marchers. Flags, streamers, hats and other decorations may be purchased, at cost, at the Kaplan JCC on the morning of May 6.

The parade is part of a day-long celebration in Skokie of Israel's 25th Anniversary as proclaimed by Mayor Smith. Throughout the afternoon, the Mayer Kaplan Jewish Community Center will be presenting festive programs relating to the occasion. Dancing, singing, dramatic presentations and refreshments will fill the halls of the Center.

As a part of the celebration, the Sager Solomon Schechter school's Chorus and Folk Dance Troupe will perform at the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie. The Sager Solomon Schechter Chorus, under the direction of Roz Eibstein, will present a program of Israeli music, beginning at 2 p.m. The Schechter Folk Dance Troupe, directed by Edna Friedman, will perform at 2:45 p.m.

A telephone conversation with Prime Minister Golda Meir, broadcast over loud speakers throughout the Center beginning at 5 p.m., will highlight the day's festivities.

Everyone is invited to share in this exciting celebration wishing Israel a happy birthday. All events are free.

OLR Women hold final meeting

Our Lady of Ransom Catholic Women's Club, 8300 Greenwood, Niles, will hold their final meeting for this year Tuesday, May 8, at 8 p.m. in the parish hall. Closing reports for the year will be given and election of new officers will take place. Incoming officers are: Rosemary Goetz, President; Lorraine Zelisko, Secretary; Clare Fox, Vice-President; Jean Golemba, Treasurer.

Elections will be followed by a Mass in church, during which the new officers will be installed. A "Dessert Party" will follow.

Girls' physical education

All of you women's lib advocates will be pleased to know the Maine East girls' physical education department has taken a step in your direction.

Since the Illinois High School Association recently ruled in favor of girls' interscholastic competition, Maine East girls have been competing on a much larger scale than ever before in field hockey, tennis, swimming, volleyball, basketball, badminton, softball, and track and field. They are now allowed to have four sports days in each event.

Changes have also been made in the regular gym classes. This year for the first time first semester freshmen, sophomores, as well as juniors and seniors, can participate in the elective program. Every six weeks the girls can choose a different class in which they would like to participate. Over a 3 year span, only 7 of the 18 units require a specific type of class. Advanced classes have been added in volleyball, basketball, and fencing for the more highly skilled students.

If the droops and the bulges have started creeping up, the revitalized Maine East girls' physical education department might be the answer.

'Romper Room' Visitor

Wendy Mikkelsen, daughter of Mr. and Mrs. Sheldon Mikkelsen of 7113 Seward, Niles, was a recent visitor on WGN's "Romper Room" with "Miss Elizabeth" Trench, seen Monday through Friday, 8:30-9 a.m. on TV Channel 9.

SJB presents health education program

St. John Brebeuf Parish is cooperating with Lutheran General hospital in bringing a series on health education to the community. The first program "Heart Disease: It's Cause and Preven-

tion" will be presented on May 16 in the school hall at 8301 Harlem.

Other programs in the series will follow from September, 1973 thru May, 1974. They will include the topics of: Alcoholism, Cancer, Nutrition, Adolescent/Parent Relationships and Modern Man.

It is a great service to the entire Village of Niles. All are invited and urged to come. Refreshments will follow.

Do you have questions about ERA?

The League of Women Voters of Morton Grove-Niles will answer this question and many others at its next free discussion meetings.

Topics included will be human resources, congress and the Equal Rights Amendment.

There will be 3 opportunities to attend. May 7 at 8 p.m.; May 8 at Niles Community church, Oketo and Oakton, Niles; May 10, Morton Grove Community church, 8944 Austin, Morton Grove.

The public is invited to participate in these free discussion units. Child care facilities are available on the premises for pre-schoolers.

The League of Women Voters does in-depth studies on issues ranging from local to national interest -- from, for example, pollution control, child care, civil rights and education -- and actively supports measures in the public interest. Information about the League is available by calling Joan Goldberg at 823-5682.

Niles Grandmothers' card and bunco party

The Niles Grandmothers' club No. 699 will sponsor a card and bunco party Friday, May 4 at the Niles Recreation Center, 7877 Milwaukee ave. at 7:30 p.m. Donation \$1.50.

Homemade cake and coffee will be served at 9 p.m. In addition to a beautiful table prize, there will be 50 table prizes and over 20 raffle prizes worth from \$5 to \$35.

Skokie Valley La Leche

The Skokie Valley Chapter of La Leche League is meeting at the home of Mrs. John Kurinsky of Morton Grove on Thursday, May 3 at 8:30 p.m.

Proper nutrition for baby and other members of the family and weaning the nursing baby are among the topics to be discussed. Interested mothers and mothers-to-be are invited to attend. Babies and toddlers are welcome. Please call OR 5-4358 for information.

Presbyterian women hold salad luncheon

The United Presbyterian Women's group of the Niles Community church, 7401 Oakton st., Niles, is sponsoring their annual Salad Bar Luncheon, May 8, featuring Sadie Stern Merle in "Prisoner of Second Avenue," a current Broadway production.

Tickets for the luncheon and performance may be obtained by calling the church at 967-6921.

Longer wait for Social Security cards

Local Social Security Offices will no longer be issuing social security numbers, according to Donald B. Schneider, manager of the Des Plaines social security office. "This may sound about

the same as Lake Michigan running out of water, but the fact is that our office is all out of original numbers," Mr. Schneider stated. "There's a good reason for it. In the future they

will be generated by our central computer in Baltimore," he explains.

The change is a part of a continuing program to modernize and update methods used in administering the Social Security program. Computer operations have reached the stage where it is more economical, and in the future will become faster than the former practice of issuing numbers for local offices across the United States.

"All of this means that the person who has never had a social security number should apply for one before he has an actual need for it," Mr. Schneider advised. "All our requests for original numbers and duplicates will now be sent to Baltimore for checking and for the actual typing of cards. Until the program is fully operational, this will mean an added delay in issuing the number. It will now take from 4 to 6 weeks, rather than the week to 10 days it used to take," he said.

"We hope the public will be understanding, and will co-operate as they have in the past. Anybody who feels he will need a card soon should think ahead and apply for his number as early as possible," Mr. Schneider concluded.

Tommy's trial and tribulations

Little Tommy Beierwaltes, 6, of 7673 Grennan pl., really got himself or rather his leg in a tight situation last Saturday afternoon and it took some very kind and concerned neighbors, the Niles firemen and policemen to help Tommy out of his predicament. As curious little 6 year old boys will do occasionally, Tommy decided to explore the height of a tree on the property at 7650 Grennan pl., and it didn't take long for him to find out that he was going to be spending more time than he had planned in the tree.

Tommy's leg slipped down and became wedged between the fork of the two branches as shown in photo no. 1 and unhappy Tommy was consoled by neighbors Richard Cass and Patsy McGrath while awaiting the arrival of Niles firemen. The firemen used a jack to spread the branches apart and photo no. 2 shows a happier Tommy checking to make sure all the merchandise is still in the right place. (Photos by Tom Perzentka, Jr.)

WMTH Field Trip

Rounding out the students participating are Mike Richter, Ed Rush, Mike Ruttenberg, Jim Schnadter, Andrea Silver, Larry Tachna, Margo Terman, Kevin Tucker, Mike Van Hecke, Mike Voss, Mike Walsh, Lura Wells, and Michele Zarr.

SCHOOL NEWS

District 71 Parent Teacher conferences

April 6 was designated as the day for parent-teacher conference in School District 71.

In the district's North school all teachers were assembled in the gymnasium so that a parent could confer with any teacher he chose in addition to his child's homeroom teacher. The response was most favorable as parents felt the opportunity to speak with the subject area teachers was most beneficial.

The parents were asked to follow a time schedule which had been set up alphabetically.

Oakton commencement program

Oakton Community college will hold its second commencement for graduating students on Sunday, May 13, at 3 p.m. in the auditorium of Niles West High school, Skokie.

About 225 students will receive associate of arts or associate of science degrees or certificates from the college, according to Oakton officials. Oakton is completing its third full academic year.

Louise Neyhart, a member of the Illinois Junior College Board, will be commencement speaker. An author and former teacher, Mrs. Neyhart was appointed to the Illinois Junior College Board in 1970. She served two terms as a member of the Board of Trustees of Highland Community college, Freeport, and chaired the first committee that promoted interest in a junior college under the auspices of the Freeport Adult Education Council.

Maine grad receives honors

Maine East's principal, John J. Clouser, was recently notified by the Faculty Honors Council at the University of Illinois that Maine East graduate Kevin Klotter of Des Plaines was awarded University Honors for 1972-'73.

Students receiving University Honors (bronze tablet) are those students who have maintained a cumulative grade point average of 4.5 or better for all work taken at the University of Illinois and rank, on the basis of their cumulative averages, in the top 3 per cent of the students in their college who will graduate when they do.

The names of the University Honors students are inscribed on a bronze tablet which is mounted permanently in the south corridor of the University Library.

MORTON GROVE PARK DISTRICT NEWS

Pee Wee Baseball

With sounds of baseball in the air, the Morton Grove Park District will open registration for its Pee Wee Baseball program on Tuesday, May 1, 1973.

Pee Wee ball is an instructional baseball program plus league play for boys 7 to 10 years of age. The baseball program will not interfere or compete with the Village's present Little League program. Instruction will be given on the fundamentals of batting, fielding, throwing, base-running, relays, cut-offs and backup plays. After learning the basic fundamentals teams will be formed in league play.

Teams will be formed at Oketo Park, 7 and 8 years, Monday and Wednesday at 9 to 10:30 a.m.; Mansfield Park, 7 and 8 years, Tuesday and Thursday from 10:45 to 12:15 - 9 and 10 years, Tuesday and Thursday from 1 to 2:30 p.m., Austin Park, 7 and 8 years, Tuesday and Thursday from 9 to 10:30 a.m.; and National Park, 7 and 8 years, Monday and Wednesday from 10:45 to 12:15 and 9 and 10 years, Monday and Wednesday from 1 to 2:30 p.m.

Games will be played on Fridays at Harrer Park. The program will begin on June 18 and conclude on Aug. 10. For further information call the park office at 965-1200.

Pre-school registration

The Morton Grove Park District will hold pre-school registration for the 1973-74 school

season on Wednesday, May 16, at 7 p.m.

A two-day-a-week program will be offered at \$60 and a three-day-a-week at \$90 will also be offered.

The registration will take place at the Austin, National, Mansfield and Oketo Park fieldhouses.

Preschool staff members for the current year are Garnet Fleming, Pre-School Supervisor, Mary Ellen Baran, Audrey Vishny, and Roberta Garfinkel.

Golf lessons

The Morton Grove Park District is now accepting registrations for their summer Golf classes.

Classes will be held on Tuesdays at Harrer Park at 6:30 p.m. and 7:30 p.m., which will be taught by a professional instructor. Fundamentals of the game will be taught including: grip, stance, swing, etc.

Fee is \$15 for those 17 and over and \$10 for those 12 years and over. All students must provide their own clubs.

The 8 week session will begin on June 19 and last through Aug. 9. Pre-registration is necessary at the Park District office, 6250 Dempster st.

Classes will be limited to a maximum of 12 and a minimum of 8 will be required to open a class. Registration for non-residents is one half more than the resident fee. Registration will begin on June 1 for non-residents.

GOLF MAINE PARK DISTRICT

Day camp registration

Day camp for 3 and 4 year olds, 5 and 6 year olds, and 7 and 9 year olds will be offered this summer by the Golf Maine Park District. All day camps will be held at Dee Park, Dee and Emerson, Des Plaines, Registration is taken on a first come-first served basis and classes will be limited. Registration deadline will be June 1. Camps are divided into 3 three week sessions for a full summer of enjoyment. Children can be registered for any one, two or all three sessions. The first session begins June 18 and runs through July 6. The second session will be July 9 through July 27. The third session will be July 30 through Aug. 17. Every camper will be under the supervision of trained counselors who will direct such varied activities as sports and games, arts and crafts, music, cookouts, and special events. All camps have been planned to offer each child as many different outlets as possible, while enjoying the fresh air of summer, and working and playing with children of their own age. Day camp for 3 and 4 year olds will be held from 9 a.m. to 11 a.m. Mondays, Wednesdays, and Fridays. These day camps will be led by experienced preschool instructors who have designed this camp especially for the interest of the age group. A brief refreshment will be served every day. Fee for this camp is \$18 per session (\$22.50 for non-residents). The 5 and 6 year old day camp will be held on Monday, Wednesday, and Friday from 12:30 a.m. to 3 p.m. A trained arts and crafts instructor will be on hand to direct this part of each child's day camp activities. Refreshments will also be served every day to each camper. Fee for this camp is \$22.50 per session, \$28 for non-residents). The 7, 8, and 9 year old camp will contain many extra features this year. This camp will meet on Tuesdays and Thursdays from 9:30 to 1:30. An added attraction for these campers will be swimming to start each day. The 7-8-9 yr. olds will also be expected to bring a sack lunch to each meeting and a picnic will be held every day with drinks supplied by the Park. Athletic activities plus an advanced arts and crafts program are just part of the program, that has been readied for the campers. Fee for this camp is \$24 per session (\$30 for non-residents).

Swimming registration

The Niles Park District will be taking registration for all swimming programs and season pass I.D. cards starting May 15. Registration will be taken according to the following schedule:

Tuesdays at the Recreation Center, 9:30 to 11:30 a.m. and 7 to 9 p.m.
Thursdays at the Sport Complex, 9:30 to 11:30 a.m. and 7 to 9 p.m.
Saturdays at the Recreation Center, 10 a.m. to 12 noon.

Last names which begin A through M - May 15, 17, and 19. Last names which begin N through Z - May 22, 24, and 26. All letters - May 29, 31, June 2, 5, and 7.

Final registration for picture I.D. cards will be held June 11 through June 25, Monday through Friday only.

Niles Park District Park District Ice Show

Shown above is Sigfried Dursch, Head Pro for the Niles Sports Complex.

The tickets for the Niles Park District's second annual ice show, "There's No Business Like Show Business" went on sale this week. Show times are Friday, May 4 at 8 p.m., Saturday, May 5 at 8 p.m. and Sunday, May 6 at 2 p.m. Tickets are \$1.25 for children and \$1.75 for adults. Tickets may be purchased daily at the Sports Complex.

Although the show is built mainly around Niles resident skaters, the program will have a very special attraction in the form of "Ventia" an internationally known skater and personality with a great deal of showmanship.

Ventia will perform a precision skating number involving fiery batons. This number is extremely dangerous and any mistake could cause injury to Ventia. The action is superb and should please all.

Another main attraction of the ice show will be the performance of Siegfried Dursch and Ann Lloyd doing an exciting adagio number.

Please support your Park District and all the neighborhood children that have worked so hard to make this show a success. For additional information regarding the ice show, kindly call the Sports Complex: 297-8011.

Jake's Assyrian Days May 8-9

At the far end of the Mediterranean Sea, you will find the country of Syria, bordered by Turkey, Iraq and Jordan. It is from this geographical area that Jake's restaurant will feature authentic menus on Tuesday, May 8 and Wednesday, May 9.

To capture the wonderful flavor of Assyrian cooking, Jake is having an expert chef in the act of Assyrian cooking supervise the food preparation of this very special menu.

You will find entrees of Lamb and Rice, Fried Chicken, Stuffed cabbage and the use of grape leaves in the varied menu.

The flavor is not like the German or Southern Fried Chicken as we know it, but a flavor that is most unique.

For entertainment, The Mid-

Easterners, a five-piece music group that specializes in music from the Assyrian region will be on hand from 6 p.m. to 9 p.m. each day during the festivities to add to the authenticity.

So be sure to stop in at Jake's Restaurant, 7740 Milwaukee ave., Niles and enjoy the Assyrian food and entertainment.

SJB plans Fun Fair

Pony rides, games, balloons, clowns and fun are the featured attractions of this year's St. John Brebeuf Fun Fair Day. This once a year outing will be held on the school grounds, 8301 Harlem, Niles, on Wednesday, May 9, from 10:30 a.m. - 1:30 p.m. All mothers, fathers, grandparents and children of any age are cordially invited to attend this event. The School Committee promises the day will be filled with fun and surprises. For all who are not dieting, there will be hot dogs, hamburgers, pizza, soft drinks, donuts, sno-cones, popcorn, and cotton candy. Circle May 9 on your calendar now and plan to spend a few hours at the SJB Fun Fair.

'Joan of Arc at the Stake'

"Joan of Arc at the Stake" Honneger's dramatic Oratorio will be presented in English, in its full dramatic form, at 8 p.m. Sunday, May 6, at Holy Name Cathedral, State and Superior, Chicago, by Niles Concert Choir and the Niles Symphony Orchestra, directed by Rev. Stanley R. Rudcki. Niles Symphony Orchestra is composed of members of the Chicago Symphony, Lyric Opera and Grant Park Symphony Orchestras.

Rev. Stanley R. Rudcki, Professor of Music at Niles college, 7135 N. Harlem, and the Niles Concert Choir and Niles Symphony are well known for their ambitious programs, and their high standards of excellence; and also for the series of free professional concerts that are presented throughout the school year on Niles campus with the Niles Symphony Orchestra.

This is a special production to mark the 10th anniversary of these annual concerts by Father Rudcki and the Niles Concert Choir. Cardinal Cody has confirmed that he will attend. The French Consul and his wife will be there. Joan of Arc was probably the first woman Liberalist - a young French teenager who, 500 years ago, was burned at

the stake for donning trousers, uniting her people against the English, and hearing "voices." These concerts were conceived, not for profit, but to enable Seminars studying for the priesthood at Niles college to make a significant contribution to the cultural life of their community. The chorus comprises about 130 voices, seminarians from Niles college and adult voices, semi-professional, from Chicago and suburbs.

Several members of Niles college Chorus reside in Niles: Sister M. Dulceda and Sister M. Martin Kilonska are active in helping the residents of St. Andrews Home, Janet Gellert, 7326 N. Oconto and Pat Martin, 7426 N. Olcott are high school student members of the choir.

Other members include: Des Plaines - Marilyn Seitz, 731 E. Polynesian dr., Vittorio Grammaruso, tenor solo, 748 Sandy ln.

Lincolnwood - John Cina, Assistant Conductor; Emily Cina; Christine Cina, 6226 N. Keating. Tickets, \$3.50 each, may be obtained at Niles college of Loyola, 7135 N. Harlem ave. or at the door the night of the concert, or by phoning Niles college, 631-1017.

Maine North variety show

Ed Henzel and Teppi Dachman rehearse a comedy skit entitled "Child's Play" for Maine North's annual variety show, "SRO '73 IS BORN." The show opens May 3 and will run for 3 days. The two hour performance will feature 23 student acts including comedy skits, vocal solos, and Maine North's Jazz Ensemble and Swing Choir. Faculty directors Roger Kleinfeld and Judy Castaldi have added a unique concept to this year's show, "SRO '73 IS BORN" will become a play within a play as senior Otto Dube and junior Carol Olsen will play the roles of directors which will provide continuity for the show.

"Fiddler on the Roof"

The popular musical "Fiddler on the Roof" will be performed by a cast and crew totaling 85 students of the Statesmen Quad of the Adlai E. Stevenson school, 9000 Capitol dr., Des Plaines, East Maine School District #63. There will be 4 performances - two during the day at 9 a.m. and two in the evening at 7:30 p.m. on May 3 and 4 in the school gym. Parents and friends are invited. Sixty of the students, all 4th to 6th year students, will have stage roles while the remaining students will be involved in the crew.

Jeffrey Bersh will play Tevye; Andrea Lubelfeld and Dana Dlugatch will play Golde. Others in the cast include Marla Gamze as Tzeitel, Melissa Luburich and Nancy Heller as Hodel, Marci Manaster and Andrea Strauss as Chava, Mark Malter and Brett Livengood as Motel, Kenny Rice

Pheasant Run Playhouse

Janet Blair will star in the Chicago area premiere of "Who Killed Santa Claus?" at Pheasant Run Playhouse June 5 through July 8. It was announced by producer Carl Stohn, Jr. The play is a thriller by Terence Feely.

The current production, Ben Murphy in "The Tender Trap," runs through June 3.

Quadruplets at Washington school

Children in Miss Barrett's first grade classroom at Washington school in Glenview recently became the temporary adopted parents of four baby rabbits. The children found the rabbits huddled in the grass outside a classroom window on one of our recent cold, rainy, windy, April days.

They brought the rabbits inside where they were forced milk to help them regain their strength. In a few days, they were able to eat baby spinach and greens, and were quite a bit more healthy looking than when they were first found.

After a week of caring for the rabbits, including taking them home each night, Miss Barrett took them out to a wooded area and released them.

The experience gave the children and opportunity to learn how to care for animals. They were able to see how the rabbits developed and were able to take care of themselves.

Sutter honored by Martin-Senour

Robert C. Sutter (l.), 7356 Palma In., Morton Grove, recently was honored by the Martin-Senour Company for 25 years of service with the paint manufacturer.

Sutter is national sales manager—automotive division. One of five employees achieving the landmark anniversary, he received an inscribed gold watch and certificate from M.W. Hurdelbrink (center), president, at a special awards reception and dinner recently, as Mrs. Sutter looked on.

A total of 109 people have achieved the 25-year mark in the 95 year history of Martin-Senour.

Centel to install Electronic Toll Switchboards

ON THE SPOT INSPECTION . . . Inspecting the new TSPS (Traffic Service Position System) units as they arrive is Jon Tammen, assistant to the division traffic manager for Central Telephone Company of Illinois. Manufactured by Western Electric, the new, all-electronic toll switchboards will provide even faster, more efficient handling of operator assisted calls. The 62 units recently positioned in the Park Ridge building are expected to be operational by September, 1974.

An important historical event occurred recently at Central Telephone Company of Illinois when 62 TSPS positions were delivered to the Park Ridge exchange building.

Other improved features of TSPS include allowing customers to request automatic notification at specific times during their conversation.

The initial installation will cost close to \$5 million. Central Telephone Company is one of the first independent telephone companies to use TSPS equipment manufactured by Western Electric.

After months of wiring, testing and training, the new units will be in operation in September, 1974. Training has already begun on six training consoles which are identical to live positions and use programmed tapes to simulate live call handling.

The 62 TSPS positions will serve all Central Telephone customers in Park Ridge and Chicago in addition to Des Plaines hotel and coin phone customers.

When the installation is completed, the toll office will have the appearance of a business office due to the attractive spacing of the positions. The newly decorated toll office, with its white and bright blue walls and modern glare-free lighting system, will look entirely different from the traditional toll office with operators sitting side-by-side.

Promoted

Mrs. Adelyn J. Nixon, 8953 Natoma ave., Morton Grove, has been promoted to a regional manager for Field Enterprises Educational Corporation, publisher of The World Book Encyclopedia, Childcraft — The How and Why Library, and other reference works.

Mrs. Nixon joined the Company in 1962, and since then, she has been promoted 3 times. Her sales territory will cover the northern part of Chicago, and the northern suburbs.

There is no way known to prevent pneumonia. Since pneumonia often follows ordinary respiratory infections, the most important preventive measure is for a person to be alert to any symptoms of respiratory trouble.

Good health habits — proper diet and hygiene, rest, and regular exercise — increase resistance to all respiratory illnesses.

Centel urges 'calling before digging'

With the arrival of the construction and gardening season, Central Telephone Company of Illinois is again urging residents to "call before you dig."

C. Eskrich, District Manager, said, "A phone call to 611 might forestall disrupting communications to a vital community service, such as a hospital or police or fire department, or the inconvenience of cutting off your own phone service or the service of a neighbor."

"About 65 per cent of all our cable today is underground," Eskrich said. Underground cable, he pointed out, serves to help beautify an area and is less subject to damage during severe storms, but it is vulnerable to misdirected tools and construction equipment.

Eskrich urged anyone planning to dig to call Repair Service 611 at least 24 hours before they start to work. Personnel in the company's repair service will be able to tell callers whether there is likely to be buried cable in the area and, if so, the company will send someone to the area to point out the cable location. There is no charge for the service.

Eskrich also urged residents to notify the company's repair service if a cable is accidentally damaged while digging is underway.

"A slight nick might not immediately disrupt service," he said. "But it often makes it possible for water to get into the cable during the next rain storm and then the problem becomes much more severe."

matters of salary structure and fringe benefits. Finance chairman Jack Leske's proposed changes to the preliminary budget has also stalled the public revelation.

In other actions, Commissioner Bill Keener asked Dressler if the field at Jougull Terrace will be ready for the Niles Baseball League's Opening Day on May 12. Keener said the field is of utmost priority and regardless of budget structure, every effort should be made to have the field ready. Dressler answered that with weather permitting, all work should be completed.

President Beusse issued three announcements. One, the "Save Open Spaces" Committee will meet next Wednesday at 8 p.m. at the Recreation Building. Two, brochures on the district's summer program will be distributed to every resident after May 10. And, three, opening day of the swimming pools will be on Saturday, June 16.

The induction of Ms. Jones to the Board marked the completion of the six year term of Commissioner Mike Provenzano. Mr. Beusse told Provenzano "it's difficult to effect in words the dedication and effort you have put in your job as park commissioner."

Provenzano was then presented with a gavel and a plaque from the Board. After thanking the District and retiring from the podium, Provenzano told the audience "its the first time I've been replaced by a woman."

Niles fire fighters join MD campaign

Members of the Niles Fire Department will be distributing Muscular Dystrophy Canisters to all places of business in Niles. In an effort to raise money for the fight against muscular dystrophy. This is just one of the projects Fire Fighters nationwide undertake as a service to the millions afflicted with muscular dystrophy and related neuromuscular diseases.

Chief Hoelbl, spokesman for the Niles Fire Fighters pointed out that Fire Fighters have long been friends of Muscular Dystrophy Associations of America, Inc. in the Chicagoland area. M.D.A.A. maintains six Muscle Clinics, 3 research grants, a summer camp held each year in Lake Villa, Ill.; provides all essential orthopedic equipment for area victims; and provides other necessary services.

Chief Hoelbl, and the other members of the Niles Fire Fighters want to help all the children and adults afflicted with muscular dystrophy and call for the support of the residents of Niles.

S.O.S. committee meets May 9

The next meeting of the Niles Park District Save Open Space Committee will be held on Wednesday, May 9 at 8 p.m. All meetings of SOS are held in the rear of the Niles Park District Office adjacent to the swimming pool on Milwaukee ave.

SOS has been formed to assist the Park District pass a referendum this Fall. The Committee will also assist the Park District decide how the referendum money shall be spent.

Representatives from all areas and factions within the Niles Park District are needed to attend SOS meetings from now until the Fall referendum.

frantic housewife discovered a nest of raccoons in her chimney and fortunately in this instance, Officer Morgan was able to entice the mother raccoon out of the chimney and remove the family. However there are many instances when success of this nature is not possible and a private exterminator has to be called to do the job. Officer Morgan suggests that residents place a spark screen over their chimney in order to keep these raccoons, squirrels, birds, etc. from nesting in them.

Most residents received a letter in their mailboxes this past week from the Niles Policemen's Benevolent Association telling them of their special 10th Anniversary Ball being held this year on Saturday, June 9th. It is being held at the brand new Alliguer's Fireside Restaurant which just opened last week and is truly the largest and most beautiful restaurant to open in the area in years. Lt. Frank Stankowicz told us the all the deluxe trimmings. Entertainment will be furnished by the ever popular "Peg O' My Heart" group, Niles' own Jerry Murad and the Harmoncats. There will also be the Carnevals who recently starred with Phyllis Diller at the Empire Room. Dinner and dance music will be furnished by Peter Palmer and his orchestra.

Tickets are \$35.00 per couple and for that, you will receive an A-1 dinner in an A-1 restaurant with A-1 entertainment; a hard combination to beat. Tickets are limited and none will be sold at the door, so get yours early and enjoy an evening of fun together with the knowledge you'll be helping our men in green with their life insurance fund. In their only action of the night, the Board unanimously voted to grant a variance permitting Carl W. Carlson, the defeated Board candidate, to build an air conditioner on the front of the house he is building at 6500 Nakomis ave., at the corner of Nakomis and Iona. Construction of outside air conditioners is forbidden without a variance because of the noise they produce.

The location represents a compromise between the wishes of Carlson, who unsuccessfully requested permission from the Board March 1 to build the air conditioner on the side of his home, where no one would see it, and his neighbors, who said they'd be offended by the noise. Trees shield the new site, thus satisfying Carlson's aesthetic concerns, while the site's distance from the property line satisfies the neighbors.
There was no other action at the meeting, postponed six days because of the election, because most board members had been giving the bulk of their time to the campaign, Haring said. The next meeting will be held tonight at 8 p.m. in the Lincolnwood Village Hall at 6918 Keeler ave.
