District 63 schools open today

The 1973-74 school year for students in East Maine School District #63 will begin on Thursday, Sept. 6, 1973. All children, except kindergarten pupils, will attend a half-day of classes. All opening day procedures such as registration, distribution of textbooks, and orientation information, will take place at that time. Parents of kindergarten children are requested to bring their kindergarten child to school at any time during their assigned sessions to complete registration. Completed health and dental cards must be brought to school at this time. Friday, Sept. 7, will be the first regular school day for kindergarten children. The Scholastic Transit Co. will furnish bus transportation for East Maine School District #63 pupils. Parents are requested to pick up all bus registration information at their school office any time after Aug. 23, 9-3 p.m. Transportation will be provided for those pupils whose parents have requested bus service and have made the necessary arrangements with the Scholastic Transit Co. The school year is divided into two semesters. The cost of bus service is \$35 per semester, payable to the Scholastic Transit Co. For the first few days, transported students

Achievement tests for Maine seniors

Maine high school seniors will be given the Iowa Tests of Educational Development (ITED) on Wednesday morning, Sept. 19, at Maine East, Maine North, Maine South and Maine West high schools. While the testing is in progress, a faculty workshop will be held at each school. Seniors will report at the usual opening time at their respective high schools and will be dismissed for the remainder of the day at noon. Freshmen, sophomores and juniors will not be in attendance in the morning. They will report at 12:15 p.m., attend homeroom, and then proceed to afternoon classes. A modified bus schedule will be in effect and students will be advised by their respective high schools of this schedule. Because of space problems and the time periods for testing, the cafeterias in the schools will not be open to the students that day. Each year since 1963, as part of its education program, the Maine Township High School District has administered the ITED achievement test battery to all incoming freshmen. The tests are given again to students after they have been in high school three years. The areas covered in ITED test battery are: reading, language arts, mathematics, social studies, science, English, and vocabulary. Test results are particularly useful in helping students assess their background in specific academic areas. The tests give some tangible evidence of weaknesses and strengths which in turn enables students to make more effective decisions regarding course selection in high school for appropriate educational guide. In the senior year the test is given again to evaluate, on an individual and group basis, the degree of growth that has taken place. Although individual student assessment is the primary value of this program, the school district itself can make certain judgments regarding its academic program by studying results of the tests. From available materials comparisons can be made on a national, state and regional basis.

NFS-District 71 initiate outreach program

Niles Family Service in cooperation with School District 71 is initiating an "outreach" project in an attempt to reach and involve hard-to-reach children. One aspect of the program involves trying to reach these children through one of their major social institutions - the school. To initiate and develop a variety of school programs as a complement to the existing curricula directed towards assisting students to integrate into the overall school situation, the project is designed to provide after-school social experiences and activities to the student population. These will be in the form of rap groups, socialization and other interest groups. School personnel will assist the outreach workers in identifying those students who demonstrate social adjustment problems which inhibit successful academic involvement and social participation. Such students characteristically show poor peer relationships, minimal social and recreational skills and failure to integrate into the overall school setting. During school hours, the outreach workers will maintain limited involvement within the school and will work closely with school personnel in an effort to know the school environment, teachers, and students. Prior to the commencement of the program and during the program phase of operation, the outreach workers will familiarize school personnel with all aspects of the program such as drug education, family process, and juvenile delinquent behavior such as vandalism, in addition to the areas mentioned above. Involvement in community through developing interrelationships with other community resources is essential. Outreach workers will work in linking up students and parents to those services appropriate to their needs. In addition, groups such as the PTA will be involved in overall program content.

Five Aussies added to Tam Tennis roster

Five Australian tennis stars were signed this week to participate in the Sept. 24-30 Tam International Open tennis tournament, bringing to 28 the number of players already committed to play in the Niles event.

New additions to the roster are: Owen Davidson, Ian Fletcher, Dick Crealy, John Bartlett, and Geoff Masters. Davidson has appeared in numerous tournaments as mixed doubles partner to Billie-Jean King. Fletcher was ranked 8th in his country last year. Crealy is a former U.S. National doubles champion. Bartlett is another outstanding doubles player, having won 15 tournaments over a three-year period. Masters last year defeated Ken Rosewall in the semi-finals of the Australian Open.

The Australian contingent, with an even dozen representatives, is the largest national delegation in the Tam tournament thus far. The other Aussies signed up are John Newcombe, Ross Case, Phil Dent, Bill Lloyd, Kim Warwick, and Barry Phillips-Moore. Other nations represented at Tam, which is assuming a truly international flavor with eight countries flags, are the United States with six, South Africa with four, Great Britain with two, and Denmark, the Netherlands, Czechoslovakia, and Rhodesia, one each.

The Americans are Marty Rlessen of Evanston, Jimmy Connors of Belleville, Cliff Richey, Clark Graebner, Eddie Dibbs, and Vitas Gerulaitis. South Africans are Cliff Drysdale, Byron Berttram, Frew McMillan, and Pat Cramer. From Great Britain will be Roger Taylor and Graham Stilwell.

Other players signed up are Torben Ulrich from Denmark, Tom Okker from the Netherlands, Jan Kodes from Czechoslovakia, and the Rhodesian Andy Pattison, now a resident of Texas. Altogether, 32 players will compete for the \$50,000 prize money being offered in the Tam tourney. The top 26 will form the main draw with the six remaining berths to be determined in qualifying round play on Sunday, Sept. 23.

Seating capacity in the indoor, air-conditioned Tam Tennis Club for each match of the tournament will be 4,000. Box office sales are being conducted at the Tam Tennis Club, 7686 N. Caldwell ave., Niles, seven days a week from 8 a.m. to 5 p.m. Mail orders may be placed with Professional Tennis Management Inc., Suite 232, 15 Spinning Wheel rd., Hinsdale, Ill. 60521. Additional information may be obtained by calling 325-7660. Ticket prices range from \$4 for the qualifying and match rounds to \$7 for the Sept. 30 finals. Special student rates are available for all contestants from Sunday, Sept. 23 through Thursday, Sept. 27.

Bowling party

Single people ages 18 to 30, are invited to join the Young Adults Group from the Mayer Kaplan JCC for an evening of bowling on Sat., Sept. 22. The group will meet at the Twin Orchard Bowl, 944 Skokie blvd., in Skokie at 8 p.m. Admission (covers the cost of bowling) is \$1.50 for members, \$2.00 for non-members. For further information, phone Glenda Labman at the Kaplan JCC, 675-2200.

CHURCH & TEMPLE NOTES...

Niles Community

The regular fall-winter-spring schedule at the Niles Community Church (United Presbyterian) 7401 Oakton st., will resume on Sunday, Sept. 9. There will be two worship services at 9:30 and 11 a.m. with care for toddlers through two-year-olds provided during each service. The Sacrament of Communion will be celebrated during both services. Church school classes for three-year-olds through eighth graders will be held concurrently with the 11 a.m. service. There will be no youth group activities on this Sunday (the fall program will commence on Sept. 16).

Church meetings during the week of Sept. 10 will include: Tuesday, 8 p.m. - United Presbyterian Women's Association; and Thursday, 7 p.m. - Junior Choir, 8:10 p.m. - Senior Choir.

St. Luke's

In what had become a tradition in the fall, St. Luke's United Church of Christ, Shermer at Harlem, Morton Grove, will celebrate worship at 10 a.m. on Sun., Sept. 9 and retire afterwards to Harms Woods for a day of lively activity.

The sermon topic will be: "The Doctor Who Worked For Nothing," a discussion of the life and work of St. Luke.

On the same day, the Sunday Church School will begin its fall program under the leadership of laymen and Rev. Dave Wheeler, newly appointed Minister of Youth and Education, plans include an experimental, learning center approach to education for the second quarter.

Install first Jewish Chaplain at Lutheran General

Rabbi Norman Berlat will be installed as the first full-time Jewish Chaplain at Lutheran General Hospital during a special service of installation under the auspices of the Synagogue Council of the Northwest Suburbs to be held on Thursday evening, Sept. 6, at 8:15 p.m. in the Chapel of the Hospital, 1775 Dempster st., Park Ridge. Lutheran General becomes the only hospital in the Chicagoland area to appoint a Rabbi on its full-time Chaplaincy staff.

Philip Dauber, president of the Synagogue Council of the Northwest Suburbs points out that this achievement would not have been possible without the assistance and foresight of Pastor Lawrence Holst, head of the Chaplaincy Department of Lutheran General Hospital; the Synagogue Council of the Northwest Suburbs, the Rabbinic Fellowship of the Northwest Suburbs; the Chicago Board of Rabbis and the Jewish Welfare Fund.

Resurrection Hospital new drug distribution method

Resurrection Hospital's new Unit-Dose system of dispensing drugs from the hospital pharmacy to the patient outdates older methods of drug distribution by giving the pharmacist information necessary to detect possibly dangerous drug-to-drug incompatibilities, according to Art Koenigsberger, Assistant Director of Resurrection's pharmacy.

The system also enables the pharmacist to notify physicians about allergic reactions certain prescribed drugs may produce in their patients, he said.

Koenigsberger said another advantage of the new system is that both the nurse on the floor and the pharmacist have the opportunity to interpret the doctor's drug order, reducing mistakes.

The Unit-Dose system also saves the patient money, he said, because he pays for only those drugs he uses, and not for whole bulk quantities of drugs that had to be ordered for his use under the old system. The cost of office work is lowered by the reduction of requisition forms and paperwork, Koenigsberger said.

Receive health scholarships

Three \$500 health careers scholarships have again been awarded to area students through the Service League of Lutheran General Hospital, Park Ridge. The 3 were selected from 64 applicants representing 16 area high schools. Two scholarships were given by the Service League; the third was the Erie Ross Memorial Scholarship.

The scholarship recipients are Karen Kuhn, Rolling Meadows; Michael Salinger, 7800 N. Linden ave., Morton Grove; and Delphine Wodka, Glenview. All 3 are 1973 high school graduates.

Salinger is a graduate of Niles West High school and will begin pre-medical studies at Northwestern university, Evanston. He received the Erie Ross Memorial Scholarship.

This is the seventh year the Service League has offered health career scholarships to area students. Pupils from 27 high schools are eligible to apply for the annual grant. The scholarships were established to encourage students to seek careers in the health field.

Edison Park Activity night

The annual Edison Park Lutheran Church Picnic will be held on Sunday, Sept. 9, starting at 12 noon, in Monument Park and the Church parking lot, Avondale and Oliphant aves. in Chicago. In the event of rain, the picnic will be held in the church's assembly hall.

Pony rides are scheduled for 12 to 1:30 p.m. A special feature will be a "jumping jack." Games are scheduled for all ages with appropriate prizes to be awarded.

Each family is asked to bring a picnic lunch and eating utensils. Grills and charcoal will be furnished for cooking. There will be free coffee, ice cream and ice cold pop. Tables and chairs will be set up in Monument Park and adjacent areas.

The picnic is sponsored by the Parish Board of Education, Heading up the committee working on the days arrangements are co-chairmen, Mrs. Donald Dwyer and Richard Dartywig of Park Ridge.

Singles of Skokie (S.O.S.), an affiliate of the Mayer Kaplan Jewish Community Center will swing into fall with an activity night on Sunday, Sept. 16 at 7:30 p.m. at the Center, 5050 W. Church st., Skokie.

Single adults ages 35 to 60 are invited to join the group fun with coed volleyball, ping pong or bumper pool. Refreshments, dancing and relaxed conversation will follow the more physical activities of the evening.

Admission is 25¢ for members and 50¢ for non-members. S.O.S. advises interested parties to reserve Sept. 30 at 7:30 p.m. when Dr. Jane Allen will discuss "Sex and the Single Adult."

St. Luke's

In what had become a tradition in the fall, St. Luke's United Church of Christ, Shermer at Harlem, Morton Grove, will celebrate worship at 10 a.m. on Sun., Sept. 9 and retire afterwards to Harms Woods for a day of lively activity.

The sermon topic will be: "The Doctor Who Worked For Nothing," a discussion of the life and work of St. Luke.

On the same day, the Sunday Church School will begin its fall program under the leadership of laymen and Rev. Dave Wheeler, newly appointed Minister of Youth and Education, plans include an experimental, learning center approach to education for the second quarter.

Install first Jewish Chaplain at Lutheran General

Rabbi Norman Berlat will be installed as the first full-time Jewish Chaplain at Lutheran General Hospital during a special service of installation under the auspices of the Synagogue Council of the Northwest Suburbs to be held on Thursday evening, Sept. 6, at 8:15 p.m. in the Chapel of the Hospital, 1775 Dempster St., Park Ridge. Lutheran General becomes the only hospital in the Chicago area to appoint a Rabbi on its full-time Chaplaincy staff.

Philip Dauber, president of the Synagogue Council of the Northwest Suburbs points out that this achievement would not have been possible without the assistance and foresight of Pastor Lawrence Holst, head of the Chaplaincy Department of Lutheran General Hospital; the Synagogue Council of the Northwest Suburbs, the Rabbinic Fellowship of the Northwest Suburbs; the Chicago Board of Rabbis and the Jewish Welfare Fund.

Resurrection Hospital new drug distribution method

Resurrection Hospital's new Unit-Dose system of dispensing drugs from the hospital pharmacy to the patient outdates older methods of drug distribution by giving the pharmacist information necessary to detect possibly dangerous drug-to-drug incompatibilities, according to Art Koenigsberger, Assistant Director of Resurrection's pharmacy.

The system also enables the pharmacist to notify physicians about allergic reactions certain prescribed drugs may produce in their patients, he said.

Koenigsberger said another advantage of the new system is that both the nurse on the floor and the pharmacist have the opportunity to interpret the doctor's drug order, reducing mistakes.

The Unit-Dose system also saves the patient money, he said, because he pays for only those drugs he uses, and not for whole bulk quantities of drugs that had to be ordered for his use under the old system. The cost of office work is lowered by the reduction of requisition forms and paperwork, Koenigsberger said.

Receive health scholarships

Three \$500 health careers scholarships have again been awarded to area students through the Service League of Lutheran General Hospital, Park Ridge. The 3 were selected from 64 applicants representing 16 area high schools. Two scholarships were given by the Service League; the third was the Erle Ross Memorial Scholarship.

The scholarship recipients are Karen Kuhn, Rolling Meadows; Michael Salinger, 7800 N. Linder ave., Morton Grove; and Delphine Wodka, Glenview. All 3 are

1973 high school graduates. Salinger is a graduate of Niles West High school and will begin pre-medical studies at Northwestern University, Evanston. He received the Erle Ross Memorial Scholarship.

This is the seventh year the Service League has offered health career scholarships to area students. Pupils from 27 high schools are eligible to apply for the annual grant. The scholarships were established to encourage students to seek careers in the health field.

Edison Park

The annual Edison Park Lutheran Church Picnic will be held on Sunday, Sept. 9, starting at 12 noon, in Monument Park and the Church parking lot, Avondale and Oliphant aves. in Chicago. In the event of rain, the picnic will be held in the church's assembly halls.

Pony rides are scheduled for 12 to 1:30 p.m. A special feature will be a "jumping jack." Games are scheduled for all ages with appropriate prizes to be awarded. Each family is asked to bring a picnic lunch and eating utensils. Grills and charcoal will be furnished for cooking. There will be free coffee, ice cream and ice cold pop. Tables and chairs will be set up in Monument Park and adjacent areas.

The picnic is sponsored by the Parish Board of Education. Heading up the committee working on the days arrangements are co-chairmen, Mrs. Donald Dwyer and Richard Darywig of Park Ridge.

Activity night

Singles of Skokie (S.O.S.) an affiliate of the Mayer Kaplan Jewish Community Center will swing into fall with an activity night on Sunday, Sept. 16 at 7:30 p.m. at the Center, 5050 W. Church St., Skokie.

Single adults, ages 35 to 60 are invited to join the group fun with coed volleyball, ping pong or bumper pool. Refreshments, dancing and relaxed conversation will follow the more physical activities of the evening.

Admission is 25¢ for members and 50¢ for non-members. S.O.S. advises interested parties to reserve Sept. 30 at 7:30 p.m. when Dr. Jane Allen will discuss "Sex and the Single Adult."

Balloon lift marks Rally Day

Hundreds of students from the three sessions of Sunday School at Edison Park Lutheran Church, Avondale and Oliphant av., Chicago, will join together in the Balloon Lift set for Rally Day, Sun., Sept. 9. The names of the students and personnel of the Sunday School are placed on cards which are attached to the balloons. The people who find the balloons then post the cards for return to the Sunday School. The owner of the balloon that travels the greatest distance will receive a special prize, as will the person who returns the card.

In the past, some balloons have travelled far into Canada. The Balloon Lift will mark the opening of the Sunday School for its 1973-74 term. Chandler H. Voorhees, Sunday School Superintendent, announces sessions will be held beginning at 9, 10 and 10:45 a.m. in the Chapel. Rev. A. Gordon Nasby, Senior Pastor of the Church, will preach on the theme, "Christian Love." Broadcast of the early service will be heard over Radio Station WOPA - 1490 kh, beginning at 9:30 a.m. Regular worship services are 9 and 10:45 a.m.

Lifeguards deserve praise

Dear Mr. Besser: I am glad to see that the lifeguards are watching over our children. The man who is shook up about his child being punished should be grateful, too. Running around the pool is very dangerous to someone else and the child itself.

As to shaking up a child - well, some parents don't get to do it and it is very nerve wracking when children come out winners - if you get what I mean, I see it too often - parents do not want to hear what their child is doing. They are both wrong, child and parents, but when those children come out of their house, they are all smiles and you are put up as the one who is wrong. I have four children who use the pool daily and if I weren't at ease that they are watched and punished, I wouldn't send them. I believe in punishment (even a little shaking). They are there and I'm not.

This is a tragic matter to me and that is why I am writing. If we let our children get away with a little, they will go farther. Please everybody, we want this world to change - where rules mean something again. Take care of our children - teach them the right morals. We might make it yet.

Thank you lifeguards - you are doing your duty, your eyes are on our kids.

Thanks for publicity

Dear Mrs. Miller:

For the past six months, nearly 200 people from 13 suburbs dedicated themselves to present the Morton Grove Music Theatre's production of "Sound of Music". We feel that our show was a success, and that our success is somewhat due to you.

Thank you so very much for the publicity your newspaper has generated. Because of your support, hundreds of people have enjoyed "The Sound of Music", and the future is indeed bright for all community theatre.

King and his Court to play at Thillens

On Sept. 7, 8, and 9, the fabulous King and His Court will be appearing at Thillens Stadium, Devon and Kedzie aves. in Chicago. For those who are unfamiliar with the California fast pitch team, let their record speak for itself. The King, Eddie Feigner, pitches a 12 inch ball underhand at a clocked speed of 104.5 miles per hour. His 25 years on the road has compiled an amazing record of 4,115 wins against only 640 losses. He has collected 1,365 shutouts, 708 no-hitters and 194 perfect games.

His team consists only of 4 men who will be playing against a regulation 9 man team from Evanston. The game will be filled with laughs and thrills as the "King" delivers the ball from behind his back, between his legs and even blindfolded.

Pre-sale tickets of \$2 are now on sale at Thillens Stadium after 6 p.m. or at Thillens Currency Exchange, 2351 W. Devon ave., from 8:30 to 5 p.m.

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

Set your clothes washer and dryer for savings.

Using the correct settings on your automatic washer and dryer can cut your laundering costs. On both your washer and dryer, adjust the setting for each type of item. Less hot water in your washer and a lower temperature in your dryer means less energy is consumed. For example, a permanent press item can be washed in warm water and dried on a warm setting. Higher settings waste energy and often do an inferior job.

Also, you may be able to regulate the operating time on your washer or dryer to save energy. On your washer, partial-load settings use a shorter cycle to clean smaller loads. A "damp dry" setting on your dryer not only reduces the energy used but also prepares the clothes for

immediate ironing without sprinkling—cutting down on your laundry time, too. These hints are included in our free booklet "101 Ways to Conserve Electricity at Home." Resurrection Hospital Explorers

Resurrection Hospital's Medical Explorer Post 9963 walked away from the 1973 Explorer Olympics with 12 gold and bronze medals. The city-wide Olympics were held July 13 and 14 at the University of Illinois Circle Campus. The following Monday evening an awards banquet was held at the Conrad Hilton Hotel in honor of the medal winners. Olympic competition included track and field events, golf, tennis, handball, rifle marksmanship, volleyball, softball, weightlifting, archery, basketball, chess, table tennis, swimming events, bowling, sailing, public speaking and a bicycle race. Scores for a general knowledge test were also in competition. Members of the Resurrection post who won gold medals are Douglas Webster, for chess, Jim Kassner, for table tennis, Brian Burgy, for the swimming medley relay and for the swimming freestyle relay, and Rocco Malandrino, for the medley relay and for the freestyle relay. Winners of bronze medals from the post are Rocco Malandrino, for the swimming 100 yard butterfly, and, for volleyball, John Walters, Mark Dumais, Bruce Sarul, Bill Sullivan and Frank Lasala. There are 31 high school-aged Explorers in the Resurrection post. The program is a division of the Boy Scouts of America. Resurrection's sponsorship of the post gives the boys an opportunity to acquaint themselves with a variety of medical and paramedical hospital vocations, according to Warren Nelson, Post Advisor.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic Inflation Coverage.

United Conveyor Corp. welcomed by Deerfield

Shown above is an architect's rendering of the new United Conveyor Corporation headquarters, located at 300 Wilnot rd., Deerfield. The three-story building is scheduled for occupancy by October of this year.

Featuring a bronze-tinted insulated glass facade, the reinforced concrete structure contains 78,000 sq. ft., 18,000 of which will be devoted to laboratories and research, with the balance utilized for administrative and engineering offices.

The new headquarters is set in an extensive landscaped area which will provide ample, paved parking for employees and visitors. The total site consists of fifteen acres, five of which are being developed at this time, with the remaining ten set aside for future expansion.

United Conveyor manufactures pneumatic and hydraulic pipe line conveyors for the conveyance of abrasive materials. Principal clients include electric utility companies and large industrial installations.

Historical Society donation

Though time marches on for Park Ridge, creators of the community's newest housing development help to remember the rich past reflected in this year's centennial celebration with a \$500 contribution to the Park Ridge Historical Society. Accepting a check from Dennis Miller (r.), representing The Venterra Group, developer of Park Lane, are Peter Malone (l.), of 201 Grand Blvd., chairman of the historical society and Paul Carlson, of 425 S. Lincoln, society president. Both are sporting centennial-inspired beards.

Malone, senior design engineer at Honeywell, Inc., is grandson of a former Park Ridge mayor and chairman of the Park Ridge centennial. Carlson teaches history at Maine Township East High School.

'Prevention of Heart Disease'

"Prevention of Heart Disease" will be Dr. Jack van Elk's topic when he speaks to the Park Ridge Nurses' Club on Wed., Sept. 12 at 8 p.m.

Nurses and others who are interested in this subject are cordially invited to this meeting, which will be held at Lutheran General Hospital on the 10th floor. Discussion and refreshments will follow Dr. van Elk's presentation. Nurses in this area are welcome to join our club, which holds its meetings on the second Wednesday of each month. Please call 692-2596 if you have any questions.

German Language

The long established German Language School in Skokie, headquartered at the St. Timothy Church, 9000 N. Kildare, serving all of North Cook County is opening its new Weekend School Year.

Old and new students should register at the abovementioned location Saturday, Sept. 8, 1973 between 10-12 a.m. Registration is from 6-16 years of age.

First National of Skokie appoints new VP

Erman G. Kramer, President, First National Bank of Skokie, 8001 N. Lincoln, Skokie, has announced the appointment of a new Vice President for Commercial Banking Services, and the promotion of two other personnel.

John Willut was appointed Vice President, Commercial Banking Services; Stana Ann Grim was advanced to Director of Employee Relations; and Ronald J. Walczyk was named Administrative Assistant, Advertising and Public Relations.

Mr. Willut previously was associated with the Menomonee Falls Bank, Menomonee Falls, Wisconsin. He was later Executive Vice President of Deerfield State Bank, Deerfield, before assuming his present position. He attended St. Louis university, St. Louis, Mo., and the Graduate School of Banking, Madison, Wisconsin. He is a Director of the Walpak Company, Wheeling; member of the American Institute of Banking and Deerfield Lions club.

Stana Grim, a graduate of Northern Illinois university, began her banking career as Secretary in the Trust Department, and then Secretary to the President, advancing to Employee Relations Manager. She has now been named an officer - Director of Employee Relations. Miss Grim is presently attending Northwestern university Graduate School, and belongs to Alpha Xi Delta Sorority, Gamma Pi Chapter.

Ronald Walczyk trained in several departments of the Bank since his graduation from Northland college in 1970. He has been promoted to Administrative Assistant, Advertising and Public Relations. Mr. Walczyk, a Skokie resident, is a member of North American Art Guild Association, and served as Chairman of the Chicago Art Fairs.

Ford service training

Henry F. Petersen of Marshall White Ford, Inc., 9401 N. Milwaukee ave., Niles, was one of 130 Ford and Lincoln-Mercury dealership service personnel to undergo training in servicing the company's 1974 models recently at Ford Customer Service Division's Chicago District Training School in Melrose Park. He is shown here studying the new emission control system on one of Ford Motor Company's 1974 models with the help of a videotape unit (background) being used by Ford for the first time this year to train dealership service managers and technicians. As a result of refinements to emission controls, Ford's 1974 vehicles should offer improved driveability over 1973 models and, despite added vehicle weight imposed by Federally mandated safety and damageability equipment, no deterioration in fuel economy is anticipated.

Social security increase next June

Social security beneficiaries will receive an increase in their monthly benefits of 5.9% next June instead of the 5.6% initially estimated when the benefit increase legislation was enacted early in July.

Donald B. Schneider, manager of the Des Plaines Social Security Office said the 5.9% increase represents the percentage increase in the consumer price index for June 1973 over the consumer price index for June, 1972, the two months to be considered in fixing the amount of the benefit increase called for in the legislation, Public Law 93-66. The 5.6% figure was an estimate widely discussed during development of the social security amendments in a bill providing for the extension of the Renegotiation Act of 1951. The exact increase could not be determined until the consumer price index figure was calculated. This figure was announced on July 20.

The increase becomes effective with monthly benefit checks for June that will reach social security beneficiaries in July 1974, Schneider said.

Management agent for Baldwin Court

In addition to serving in their present role as exclusive sales agents, Wm. L. Kunkel and Co., Realtors have been appointed management agents for Baldwin Court Condominiums in Palatine.

It was announced that Mrs. Betty Jean Conley will represent Kunkel as Project Manager of the 132 units, two-bedroom condominium complex. Previous to joining the Property Management Department of Kunkel earlier this year, Mrs. Conley was resident manager for 15ml Management Co. in Skokie and has also served as rental agent for both the Scarsdale Apartments and Stanton Arms Townhouses in Arlington Heights.

To reach Baldwin Court, take Rand rd. (Rt. 12) to Baldwin rd., 1/2 mile northwest of Route 53 in Palatine. Models are open Monday thru Friday from 10 to 8 and Saturday and Sunday from 10 to 6.

Purchases local property

H. F. Philipsborn & Co., a wholly-owned subsidiary of Illinois Central Industries announces the purchase and lease-back of a 350,000 square foot manufacturing and office building on 19 acres for the Allen Group, Inc., Pathfinder Div. The property, located at 6201 W. Howard st., Niles, was sold to an institutional investor represented by H. F. Philipsborn & Co. A 25-year lease was simultaneously executed by the Allen Group, representing a term rental of approximately \$9,000,000.

Dickinson fills PR post at Resurrection

Steve Dickinson, a June graduate of Kent State University, Ohio, and Corning Community College, Corning, New York, recently assumed duties as a public relations assistant at Resurrection Hospital.

Dickinson, a native of Elmira, New York, was married on Aug. 18 to the former Mary Makarowski, also of Elmira. Following a brief honeymoon, the couple will reside in Des Plaines. Mrs. Dickinson also attended Corning College and will assume a nursing position at Resurrection Hospital in September.

Murray State visitors

The Joe Allegritti family of Niles, is welcomed to the campus of Murray (Ky.) State University during the annual President's Reception for new students. Shown with them is Johnny Reagan (2nd from l.), baseball coach at the university. Dick Allegritti (l.), who has enrolled at Murray State this fall, will be a pitcher with the Racer baseball team. Also shown is young John Allegritti. Classes on the campus began Wednesday, Aug. 29.

MONACEP crafts classes

New arts and crafts courses have been added to the MONACEP program this fall, according to Alexander Krugel. Instruction will be offered for the first time in such crafts as paper flowers, corn husk dolls, apple sculpture, quilting, basket weaving and chancery italic writing.

Brochures for the fall term of MONACEP (Maine-Oakton-Niles Adult and Continuing Education Program) were mailed to all residents of Maine and Niles Townships during the last week of August, Krugel said. Registration is open daily from 9 a.m. until 4 p.m. at the three Maine Township High Schools and at Oakton Community College, Oakton Community College, 7900 N. Nagle, Morton Grove.

Classes for most of the courses will begin during the week of October 1. However, the college-credit extension courses offered by the University of Illinois, Chicago State University, Northeastern Illinois University, and the National College of Education begin in September. Extension courses of Northern Illinois University began August 27.

The arts and crafts courses range from 3-week to 10-week sections. Classes will be held at Maine South High School, Deere and Talcott rd., Park Ridge; Maine East High School, Dempster st. and Potter rd., Park Ridge; Maine West High School,

Wolf and Oakton st., Des Plaines; Niles North High School, 9800 Lawler av., Skokie; and Niles West High School, Oakton at Edens Expy., Skokie.

In addition to the new arts and crafts courses, MONACEP will continue to offer such popular stand-bys as drawing, sketching, landscape painting, macramé, pottery, needlepoint, crewel embroidery, furniture repair, and candlemaking.

Krugel said that more than 500 different courses will be offered by MONACEP this fall in such areas as technical education, psychology and self-understanding, leisure-time activities, college-credit courses, and home making.

For further information about MONACEP programs, call 696-3600.

DISTRICT 207 ANSWERS MTA COMPLAINT

An answer and counterclaim to a complaint filed in Circuit Court on July 27 against the Board of Education of Maine Township High School District 207 by Dewane Barnes and the Maine Teachers' Association has been filed, according to Robert C. Claus, Board president.

In its complaint the Maine Teachers' Association alleged that the Board of Education violated the district's Procedural Agreement for Negotiations and requested that the Court order the Board to conform to the provisions of the Procedural Agreement.

Claus stated that in requesting the Circuit Court to dismiss the complaint, the Board contended the MTA had itself violated the provisions of the Procedural Agreement for Negotiations. In its answer to the complaint, the Board referred to the conduct of the Association in releasing information about negotiating meetings without the approval of the Board, as the Procedural Agreement required. The Board's answer also referred to conduct of the MTA in urging teachers of the district to refuse to render services in the normal and expected manner, which would have the probable effect of disrupting and impeding school activities. This conduct, too, the Board claimed, violated the obligations undertaken by the MTA in the Procedural Agreement for Negotiations.

According to Claus, the Board's answer also alleges that the MTA demonstrated bad faith, prevented the Board from proceeding further with the negotiations on salaries and fringe benefits in accordance with the Procedural Agreement.

OCC HUMAN RESOURCES POOL

Does your organization need a speaker or a series of speakers this fall? A call to every car is washed, at St. John Brebeuf Teen Club Parking Lot, 8301 Harlem.

The Human Resources Pool, organized by Oakton Community College in 1972, consists of more than 100 volunteer speakers who are experts in fields ranging from acting to Zen Buddhism. The Administration of the Human Resources Pool has been transferred this fall to the Maine-Oakton-Niles Adult and Continuing Education Program.

Alexander Krugel, director of MONACEP, points out that the Human Resources Pool acts as a catalyst in bringing together experts in various fields and community organizations, clubs, and educational institutions who are seeking speakers for their program. It also enlarges the "pool" of volunteer experts available to present programs to the community.

The speakers are drawn from Oakton Community College and other educational and professional institutions as well as business, industry, government and labor. Additional information about the Human Resources Pool is contained in the MONACEP brochure for Fall, 1973, which was mailed to all residents of Maine and Niles Townships late in August.

Individuals who wish to become volunteer members of the Human Resources Pool or who want to engage a speaker through the "Pool" should call Miss Valerie at MONACEP office (696-3600 Ext. 50).

reement, and sought to compel the Board to delegate its statutory powers and authority to the Association. In its answer, the Board stated that MTA did so by conditioning any agreement in the negotiations on the Board's first complying with the MTA demands that the Procedural Agreement itself be changed to greatly enlarge the subjects on which the Board would be forced to negotiate with the MTA in the future.

Claus said that the Board, in its answer, questioned the propriety of the Association designating as its spokesman in the negotiations an outside negotiator who was not a member of the negotiating committee.

Further, Claus said, in its answer the Board has raised certain legal questions that need to be satisfied. One of these relates to the enforceability of the Agreement, with the Board alleging that the Agreement is not enforceable because of the want of, or a subsequent failure of, consideration for that Agreement. The Board also questions the right of the MTA to bring suit, pointing out that as it appears the MTA is an unincorporated association, in the eyes of the Court it has no legal standing to bring suit. The Board's answer also points out that as the MTA complaint is not explicit as to the relationship between Dewane Barnes and the Association, it questions the legality of his bringing suit to enforce the Agreement.

The Board also filed a counter claim against the plaintiff, Claus said, asking the Court to enter an order declaring the Procedural Agreement terminated and null and void.

Oakton opens late registration

Interested students may still apply for admission and register for the Fall semester at Oakton. Late registration is scheduled through Sept. 7, 4-5 p.m. (closed Labor Day). Classes and sections are still open in a number of programs.

Information is available by phone, 967-5120. On campus (Oakton st. at Nagle in Morton Grove) offices are open for inquiry during the day. After 5 p.m. information may be requested at the Bursar's Window in Building 3.

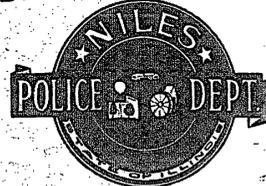

For the Fall semester Oakton Community college will begin the fourth year of operation with enrollment considerably above any previous term, according to John Donohue, Dean of Student Development. Regular classes began Monday, Aug. 27.

Oakton is a two-year public community college offering college-transfer, vocational/technical, general studies and community service programs. This year more than 20 vocational/technical programs in the areas of health, business, industry, and public service are being offered.

Residents of the college district pay \$10 per semester hour plus nominal fees. Residents of Illinois living outside of the Oakton District are charged \$40 per semester hour. Many non-residents are eligible for "charge-back" tuition aid through their local high school or junior college.

Lessons for Young Bicyclists to Learn

Safe Bike Lights And When To Use Them

One of the most important things to remember about safe biking is that your bicycle MUST have proper lighting if your ride is after dark! This may not seem important to the person on the bicycle, but is very important to the people driving automobiles because the only way automobile drivers can see someone on a bike at night is if the bike has lights. If you have ever ridden in your parents' car at night, and come upon a person on a bicycle that did not have a light, you will remember that it is practically impossible to see the bike until you are almost on top of it. If you ride without a headlight or proper rear red reflector, the chances of being hit by a car are very high!

Standard lighting for every bicycle should be a headlamp on the front of the bike, pointing straight ahead, which can be seen from a distance of 300 feet. Also, a red reflector on the rear of the bike is essential and should be visible from 300 feet behind the bike. It is always best to have a lighted RED light on the rear of the bike, in addition to the red reflector. No other colored light should be displayed on the front of the bike, other than your white light. No other colored light, except red, should be displayed on the rear of the bike.

Since your bicycle is usually out in all kinds of weather, the batteries in your bike lights should be removed about once each week, and wiped clean of dampness, dirt and corrosion. Batteries deteriorate very rapidly if not kept clean and dry. While the batteries are out of the lights, it is best to wipe out the inside of the lights with a clean cloth before replacing batteries.

Riding at night, even with proper bike lighting, is very dangerous. Always make certain that you are wearing LIGHT COLORED clothing when riding at night. Never, under any circumstances, carry a passenger on your bicycle after dark. This makes the bike much more difficult to control, and cuts down on your ability to respond quickly to an emergency situation on the street or highway.

ANSWER THE FOLLOWING QUESTIONS Yes No
A red light is the only colored light which should be on the front of your bike _____

Any colored clothing is all right for riding your bike at night _____

A person driving a car can easily see a bicycle after dark even if there are no lights on the bike _____

A RED reflector on the rear of your bike MUST be displayed if you are riding at night _____

All bicycles being ridden after dark MUST have a WHITE light which can be seen from 300 feet away, on the front of the bike _____

The rules for riding a bike safely at night apply to EVERY person riding a bicycle, no matter whether they are in grade school, high school, college or older people _____

#207 BOARD DISCUSSES MAINE EXPANSION

The greater portion of the District 207 Board of Education meeting Monday evening, Aug. 27, was devoted to considering alternative plans for the expansion of facilities at Maine North high school. Maine North parent groups are insisting that the Board take immediate steps to add facilities needed to enable the school to provide their children with the same educational opportunities available to students in the other three Maine high schools.

Architects William Steely and Reinhard Schneider of Caudill, Rowlett & Scott, Inc., a Houston Texas, architectural firm, and Don Stillwag, architect, of Erickson, Kristmann & Stillwag, Inc., Park Ridge, presented three alternative building plans.

After considering the merits of each of them, and studying the school administration's analysis of program and capacity at Maine North, the Board voted 6 to 1 to proceed with a construction program which would provide an auditorium, swimming pool, wood shop, print shop and photo laboratory as well as new facilities especially designed to satisfy the unique functions of music, speech and drama, and art. These departments are now housed in facilities designed for other purposes.

Mr. Schneider stated in his presentation to the Board that such a construction program would add about 110,000 sq. ft. of space to Maine North and cost in the neighborhood of \$6.1 million. Board members were assured that such a program would provide facilities comparable to those in the other Maine high schools and would release enough additional space in the existing Maine North building to provide for a balanced education program for any foreseeable increase in enrollment.

The school administration and the architects were instructed to develop plans and costs for the project.

In casting the dissenting vote on the construction issue, Leonard R. Graziop, Board member from Morton Grove, emphasized that he enthusiastically supports the idea of completing Maine North but felt that as presented, the plan included more than was necessary.

"The school needs an auditorium, wood shop, swimming pool, print shop and photo lab to make it comparable to our other schools. Considering the tenor of the times and the high cost of

construction I do not think the people will give us money to build more than this, and I do not like to see us have a referendum that will fail," he said. In other action Monday evening, Harold Markworth, the district's business manager, presented the 1973-74 tentative budget for Board consideration. Totalling \$23,826,650, the proposed budget is up \$2,501,638 over last year's adopted budget of \$21,325,012, reflecting present economic conditions and a continuing rise in the cost of school operations.

NW Symphony invites members

The Northwest Symphony Orchestra, Perry Crafton, conductor, invites prospective playing members to attend its first rehearsal of the 1973-74 season at 7:30 p.m. on Wed. evening, Sept. 12, at Maine West High School, 1755 South Wolf rd., in Des Plaines.

The community orchestra, embarking on its twenty second year of bringing live symphonic music to the northwest suburban area, is comprised of non-professional musicians of all age groups and from varying backgrounds. Further information may be obtained from Mr. Michael Jao, who can be reached at 296-6611 during business hours.

Preparation will begin for the opening concert which will be held on Sun. afternoon, Oct. 28, at the Maine West High School Auditorium. The orchestra has planned three programs in addition to the Oct. 28 concert: Dec. 9, Mar. 29 and May 19. These last three programs will be presented at Maine East. All concerts begin at 3:30 p.m. except the Mar. 29 performance which is scheduled for 8 p.m. Fri. evening.

Alumni of Tom Thumb Players include: Kim Milford of Winnetka, who played the lead in the musical, "Jesus Christ Super Star," Larry Buchman, award winning news reporter NBC-TV, Sandi Holt, a Second City Player, Lynn Holly, the role of Helen Keller with Rita Moreno at Ivanhoe Theatre, Barbara Minkus of the popular TV show "Love American Style."

Tom Thumb Players open new season

The curtains are going up for the 28th season at Tom Thumb Players Company, 185 Skokie rd., Northbrook.

Beginning Sept. 10, young people, 4 through 20 will participate in an enriched theatre experience. Grouped according to age and advancement, classes in acting, speech, singing and ballet will be offered. The season will open with the Broadway musical version of "Peter Pan" and "Tom Sawyer."

Tom Thumb Players can be seen on stage and movies. Helen Horowitz, age 10 of Chicago, a Tom Thumb Player of three seasons, plays a feature role in Universal-Playboy movie, "The Naked Ape" which opened Aug. 30 at Playbox Theatre, Jedd Nabansol, age 12, is currently playing the role of Oliver at Candlelight Theatre. Jedd has had unanimous praise from all drama critics.

Other members of the Board of Directors are: John Grabowski of Prospect Heights, technical director; Ranae Jenc of Lincolnwood; Jim Curren, Des Plaines; Tom Wagner, Elk Grove Village; Julie Tobias of Des Plaines, recording secretary; and Ed Sauer, Niles, past president.

Des Plaines Theatre Guild opens 28th season

Eight performances of the ever-popular Rodgers and Hammerstein musical play, "South Pacific" will open Des Plaines Theatre Guild's 28th consecutive season beginning Friday, Sept. 7. "Some Enchanted Evenings" continues at Guild Playhouse on Saturday, Sept. 8, and on the following four weekends, Sept. 14, 15, 21, 22, 29 and Oct. 6. Curtain time is 8:30 p.m. for all performances.

Following "South Pacific" DPAG will present the delightful comedy "Forty Carats" on Nov. 16, 17, 23, 24, and Dec. 1 and 8. Try-outs for this second production of the season will be held at Guild Playhouse on Sunday, Sept. 9, at 2 p.m., and Monday, Sept. 10, at 8 p.m., under the direction of Nancy Kole.

Parts for five and women and six men of varying types and ages are available in the comedy which Jay Allen, author of "The Prime of Jean Brodie," has adapted from a French play by Pierre Barillet and Jean-Pierre Gredy, authors of a previous "Paris - to - Broadway smash, "Cactus Flower."

Try-outs for "Forty Carats" will be open to anyone in the area interested, whether active members of Des Plaines Theatre Guild currently or not. Guild Playhouse is located at 620 Lee st. in downtown Des Plaines.

Three other productions in Des Plaines Theatre Guild's busy season are "The Night Thoreau Spent in Jail," to be presented in January, 1974; "You Know I Can't Hear You When the Water's Running," scheduled for March; and "See How They Run," which winds up the '73-'74 season with six performances next May and June.

Old Orchard art festival

The 16th Old Orchard Art Fair will be held Saturday and Sunday, Sept. 8 and 9. The faculty of the North Shore Art League and last year's winners have been invited to show their current work.

The ten jurors have completed the difficult task of selecting the 1973 show from the entries which almost reached the 400 mark this year. Over 75 more entrants were screened, attesting to the popularity of the show. Approximately 150 out of all who entered this year were chosen, one of the limiting factors being space consideration in the two Old Orchard shopping malls where the fair will take place.

This year's panel of distinguished jurors were Richard Florsheim, Joseph Durlini, Barbara Crane, Ellen Lanyon, Herb Nipson, Meta Fleisher, Barbara Housekeeper, Lillian Desow-Fishbein, Don Irving and Robert Glauber. The final judges and awards will be announced shortly before the festival. Their task will be to choose the finest entries in painting, graphics, and sculpture, who will receive cash and ribbons for their outstanding displays.

Shown above is Morton Grove artist Victor Ing, who will be exhibiting his works.

'Follies' at Mill Run on Sept. 11-16

When the Broadway musical hit "Follies" comes to the Mill Run Theatre on Tuesday, Sept. 11 thru Sunday, Sept. 16, audiences will have the opportunity to look in a rear view mirror at the glorified golden age of show girls and the men they dated.

In 1971, "Follies" won the New York Drama Critics' Circle Award for "Best Musical," and in 1973, it ran away with no less than seven Tony Awards. Credits go to Director-Producer Harold Prince, Composer - Lyricist Stephen Sondheim and Playwright James Goldman, all recognized as important forces in today's world of popular theatre.

The action takes place in a half-dismal, once-festive playhouse where the Follies girls had once sparkled in Ziegfeld-like extravaganzas. A producer is giving a reunion party there for the girls he had once glorified in his shows. Now matronly, these former show girls bring along their husbands and hang-ups, and compare their imperfect present with their rosy past.

Vivian Blaine and Jane Kean (Phyllis and Sally) are playing the roles of two former Follies chorus girls who relive their past, and Robert Alda and Don Liberty (Ben and Buddy) are portraying the men who waited at the stage-door to take them out on the town, and later married them. Also featured in this production are Mary Small, Selma Diamond, Lynn Bari and Hildegarde who are presenting songs Sondheim created to capture the flavor of a "Follies" of olden days.

Des Plaines Art Guild outdoor art fair

Artists from Chicago and over 30 surrounding communities will be showing original paintings, sculpture, ceramics and crafts this Sunday, Sept. 9, at Des Plaines Art Guild's 18th annual outdoor art fair.

Over 125 exhibitors are expected. Among the local artists participating are: Joan B. Heinz, 7913 Lotus, Morton Grove, crafts of papier mache and wood; Carol Garast, 7636 N. Nora, Niles, photography; Stuart D. Gootnick, 8877 Grand st., Niles, reverse stained glass paintings; Sally Zuckerman, 8616 N. Oleander, Niles, flower assemblages and crafts; Marilyn Ferch, 9310 Delphia, Des Plaines, oils; and Arlene Zoellick, 1022 Walter, Des Plaines, painted wood and tinware.

Exhibits will be displayed in the Ellinwood parking lot along the Northwestern railroad tracks between Lee and Pearson sts. in downtown Des Plaines. The fair is open to the public at no admission charge from 11 a.m. to 6 p.m.

In case of rain, it will be rescheduled for Sunday, Sept. 23, at the same time and location. Purchase awards totaling \$650 will be offered by Spiegel's Department Store, Allen's Store for Men, and Des Plaines National Bank, while Des Plaines Art Guild will present ribbons and cash awards totaling \$150.

Win Jones, assistant professor of art at Northern Illinois University in DeKalb will judge the exhibits. A native of Park Ridge and graduate of Maple Township High School East, Jones taught high school art in Barrington for 9 years before joining the faculty at N.I.U., where he teaches watercolor and intermediate drawing.

Inquiries about the art fair are being handled by Milvi Wheeler, vice president of Des Plaines Art Guild, 945-2576, and Marilyn Ferch, secretary, 296-7572. Exhibitors will be accepted as long as space permits. Entry blanks accompanied by an \$8 fee, should be sent to Des Plaines Art Guild, 1101, Box 81, Des Plaines, Ill. 60017.

In music recital

Paul Busby, senior student in the Department of Music at Northwestern University, will present a chamber recital on Thursday, Sept. 6 at 8:30 p.m. in the Fine Arts Auditorium.

Mr. Busby plans to do his student teaching at Maine East, and will continue his studies at Northwestern in the Fall of 1974, pursuing a Master's of Music Degree in Trumpet Performance.

The recital is open to the public without charge; tickets are not required.

THE CORNERS

of Where it's at and What's happening.
By Ed Hanson

It's always difficult to get back to work after a vacation... A vacation is what a person needs after they take one... This is particularly true if one is a salesperson. Getting back to the grind of the six hour week is tough... It's the long coffee breaks and lunch hours during the work week that wear one out.

Now that I'm back from my vacation I can get some rest again. I spent my vacation in the parks, Parks called "Hawthorne" and "Maywood."

A lady I know who lives at the same hotel, the Fireside, as I do, named Marge, won an \$11,000 trifecta. I was lucky too. I won a \$6,200 daily double at Maywood and it only cost me \$40 to get it. I was hoping that I'd get lucky during my vacation and break even because I need the money.

By the way, the FIRESIDE INN, 9101 Waukegan rd., Morton Grove, is really doing the business these days. The restaurant, lounge and bar are loaded every night and Dick Hogan is as busy as a one armed paper hanger with the livers. Dick is here there and everywhere... behind the bar, in the restaurant, lounge and on the phone accepting reservations. Incidentally, many people have told me that Dick Hogan has one of the nicest personalities you've ever shown them to a table or served 'em a drink. The Fireside Hotel has become THE place to be seen at in the northwest suburbs for their food, decor, service and beverages is just excellence. Have dinner or lunch thorough you'd better make reservations, particularly on the weekends.

During my vacation I, of course, dropped into the Fred Astaire Dance Studio on Fridays to attend the parties of the 'Single-Mingles' Club. And by the way, you can still get two free dance lessons by mentioning my name, "Ed Hanson" to Bob Carvey, the owner of the dance studio. Bob tells August was the best month in his history and they signed up more new members than ever before. Bob said, "August because of vacations is normally a slow month. Ed, but we still broke all previous sales records and I look forward to the best quarter in our history. And, as you know, Ed, we are expanding our present facilities to accommodate this growth."

Ever since I can remember, people have been complaining about high prices, taxes, etc. I remember my mother when I was a kid complaining about paying 16¢ for a dozen eggs and 25¢ for a pound of pork chops. thru the years people are always bellyached about high prices and taxes. Nothing will ever change, prices will continue to go up, so will wages and taxes. I saw a projection in a magazine during my vacation which stated in the year 3500, people will still be yacking about the same things they've harped on for years, high prices, taxes, wages, politics, the younger generation, etc. Nothing ever changes except change. And change, as you know, is the only constant.

Nobody should complain about the price of lobster at the BEAMN BARREL, 7130 Milwaukee ave., Niles. For only \$6.75 you can have a lobster dinner, and you can sing along with their 'rinky dink' player piano that grinds out all the old time song favorites. Angelo says that since they installed this old time player piano, their business has never been as good.

Business was never so good... car sales have reached an all time high, the gross national product will hit a new peak and the restaurant business is booming too. In fact, George & Tommy Arvey report business has been so good that they've been forced to expand their facilities to accommodate the increase. So they've opened their luxurious new Continental Room about which a news story appears in this issue. During their Grand Opening last week they served a FREE Caesar Salad with all dinners and the response was fantastic. ARVEY'S at 7041 W. Oakton, Niles has asked me to thank all their customers and friends for making their business so successful in the three short years they've been in Niles.

Steve of Steve's OLD WARSAW Restaurant, 4504 Miner St., Des Plaines, also reports a big upswing in their business during the past two months. "It's baraboo-ibuzee, which in Polish means 'very good,' said Steve. I can see why because their Polish Style Smorgasbord, is not only good - it's great.

During my vacation I visited with my 86 year old mother who is now in the Northbrook Nursing Home, in Northbrook. This is a very fine home for elderly people. My mother who is confined to a wheel chair receives excellent intensive care there. She's in what they call the new Pavilion section that has complete facilities in a home-like atmosphere for the care of their patients. This new, modern 150 bed addition of the Northbrook Nursing Home combines all the features of trained nurses, physical therapists and social workers. And facilities for relaxation including television, libraries, lounges and secluded outdoor patio, beauty and barber shops plus a thoroughly professional full time staff. My mother who will be 87 her next birthday is a gentle soul who looks 50 but has never lost her smile. Nor does she ever complain and her chief interest in life has never changed either, for it's still the well-being of her only son - me.

Had dinner at the LA VENECE, 8743 Milwaukee ave., Niles and their food was excellent. Andy tells me that no increase in prices will be made because his volume is on the increase. Andy says he'd rather make less profit than add to his very reasonable present prices.

See you next week... Jenny.

Rose Society meets

Chicago Regional Rose Society District One will hold a meeting on Thursday, Sept. 6 at 7:30 p.m. in the Oakton Center, 4701 Oakton St., Skokie. The program will be a general discussion on preparing roses for show, in anticipation of the Society's annual Rose Show, which will take place on Sunday, Sept. 16, at Brainswick Corporation, One Brainswick Plaza, Skokie.

Everyone is encouraged to bring a rose or two (in soft drink bottles with water) to the Sept. 6 meeting so that Consulting Rosarians can show you how pruning is done. They may also be able to tell you what you're doing wrong in rose grooming. Both experienced rose exhibitors and complete beginners can benefit from the informal discussion, coffee, cake and socializing will complete the evening. Everyone interested in roses is welcome; there is no charge.

Resurrection assists drug network study

Resurrection Hospital has agreed to assist the Drug Abuse Warning Network (DAWN) conduct its comprehensive study on drug abuse for one year.

Resurrection is now part of a network of 29 standard metropolitan statistical areas who report in detail the histories on all drug abuse-oriented incidents to the DAWN study on a weekly basis.

All reports are done by use of code numbers and no names are given to the DAWN program, said Sister M. Gerard, C.R., Director of Nursing Services at Resurrection.

The DAWN study is being conducted by Lea, Inc., a survey firm hired by the federal government to gather, tabulate and analyze reported information concerning drug abuse episodes.

Lea, Inc., is operating under the direction of the Special Action Office of Drug Abuse Prevention (SOAP) and the Bureau of Narcotics and Dangerous Drugs (BNDD).

DAWN's contact with each of the 29 reporting areas will include reports by hospital emergency rooms, in-patient departments, crisis intervention centers and medical examiners or coroners.

The covering of these reporting areas will present a census of drug deaths and drug abuse emergencies within the areas.

From the facts obtained through this network, the Lea company says it hopes to identify drugs currently being abused, new drugs as they enter the drug scene, relative harm to the individual user and the patterns or trends developing among abuse cases in such categories as age, sex, economic status, locality and user motivation.

The program is aimed at improving the means of drug abuse education, prevention and rehabilitation. It is also attempting to improve methods of controlling the source of abused drugs by legal controls and by advising better means of security in handling and prescribing drugs.

Pre-school registration Fall programs

Golf Maine Park District's fall pre-school registration is now open. Registration is being taken at the Park Office at 9229 Emerson, Des Plaines, during regular office hours, 9-5.

The pre-school program offers children 3, 4, and 5 years old a variety of activities including music, painting, games, crafts, and storytelling. The program has been geared to offer children group play experiences prior to kindergarten. sponsor blood donor program

The Young Democrats of Cook County, as a special service to the community, is sponsoring a Blood Donor program for use by any and all who wish to participate.

"Blood Donor Week", Sept. 10 thru the 15th, is being

handled through the Cooperative Blood Replacement Plan, and its member hospitals throughout Cook County.

For additional information contact Geraldine M. Jensen, Blood Drive Chairman, at 263-0757 or call the CDRP office at 477-7500.

Michael Cole at Pheasant Run

Michael Cole, star of Mod Squad, has been signed to appear at Pheasant Run Playhouse in "Wait Until Dark" Oct. 23 thru Dec. 2. This will be Cole's first Chicago stage appearance.

Cafeteria . . .

Cont'd from Lincolnwoodian P.1 this year than in the past. In general, the price of most sandwiches, salads, entrees, and desserts will increase by 5 to 10¢

in September, while the price of a few other items such as chicken, roast beef, and pizza will increase 15 to 25¢. Beverages, vegetables, bread, ice cream, and other snacks will increase from 2 to 6¢ per item.

Daily specials will be run 3-5 times weekly on items that have been purchased at a special price. In addition, supplies of certain items are limited and we may not have the entire selection of items we had previously.

"We hope each student and parent understands the reasons for the increases," Miss Madaus said. "We still feel school cafeteria prices are very competitive."

Pack 107

Scouting continues to be a year-round activity for Our Lady of Ransom's Pack 107 as a full schedule of summertime activities has shown.

Initial credit goes to the Scouts themselves, but credit is also due to the excellent cooperation of the parents and families and certainly to the outstanding leadership of the Scout Leaders and Officers.

On June 24, members enjoyed a trip to the Cantigny War Memorial; the Webelos held a Camporee at Napawan on July 21; there was a bus trip (Lakota) on July 18 and a picnic also was held earlier.

The latest of the activities took place on the evening of Aug. 24 when a wienee roast, the second of the summer, was held at Northwest Woods, and a full-scale meeting was held. Colors were presented and four new Bobcats were inducted.

They were: Ray Frake, Harry Lagent, Bob Mateski and Mark Schwarz. Ed Babka and Chris Graham were inducted into Webelos; Bill Patterson and Jeff Scholly into Troop 107.

Wébelo Craig Swinson earned and was presented with the Arrow of Light Award for Scouting.

Other awards were presented as follows: Outdoorsman & Traveler - Jeff Epstein; Wolf Badge - Brian Fitzpatrick; Artist, Scientist, Cub Day Camp - Jerry Guglielmo; Outdoorsman - Mark Hoffman; Outdoorsman & Traveler - Jeff Kotz; Athlete, Outdoorsman & Traveler - John Rademacher; Cub Day Camp - Jeff Scholly; Naturalist & Outdoorsman - Matt Sledz; Aquanaut & Athlete - Phil Uhrich.

Communion Pins for Church Attendance were awarded Martin McKenna, Phillip Novak, John Rademacher, David Uhrich and Phil Uhrich, Circle of Award Segments were awarded Mark Ciszek, Mike DiNino, Jeff Epstein, John Frey, Ned Frey, Jerry Guglielmo, Tom Kaufmann, Bill Patterson, John Rademacher, Jeff Scholly, Ray Schwarz and Joe West.

Those who participated in one or more of the trips of Camporee were: Mark Ciszek, Jeff Epstein, John Frey, Ned Frey, Chris Graham, Jerry Guglielmo, Tom Kaufmann, Jeff Kotz, Steven Kotz, Martin McKenna, Phillip Novak, Bill Patterson, Mike Patterson, John Rademacher, Jeff Scholly, Ray Schwarz, Jeff Stachelek, Rich Stachelek, Craig Swinson, Jeff Weiss and Joe West.

Legion group to donate blood

The Morton Grove American Legion Post #134 recently resigned the blood contract for their second year with the village.

Under the stipulations of the Morton Grove Blood Program, each resident and their family are eligible for an unlimited supply of blood as needed.

To begin this required donation, the Legion Post have signed up in a body to give blood at this week's drive, Thursday, Sept. 6 as usually scheduled, from 5-8 p.m. at the Molloy Education Center.

Tad Kimura, post past commander, is blood chairman, and reports the Legion will also participate later en masse again during the winter.

Phil Cancellieri, village blood recruiter, himself is a Post 134 member, and has told organizations even non-residents are covered by the privilege of receiving blood as required if quota is made during the fiscal year.

In the Legion's case, for instance, this amounts to only 130 pints. The Legion membership stands well at 700 presently.

"It was suppertime and the number 1 daughter had very little for lunch so Little Mother said we'd take her out for a bite... but naturally, she wasn't hungry, and I gave Little Mother the "Let's get out of here and leave her alone" look.

She kissed us goodby and Mother remembered she needed a few dollars cash. She kissed us again and I even counted a 3rd time, which was some sort of a record. It must have been that good clean corn-bearing DeKalb air.

As we left I borrowed an old standard bromide from a friend by telling the girls, "Have a good time and be good girls...but not necessarily in that order." They all laughed and then they all told me what their old Dads said and I realized all old Dads are much the same..pretty corny.

As we started the drive home we mulled over whether the school was too large. "Maybe we should've considered a smaller school," Little Mother worried because she missed supper and she wouldn't have anything to eat. "The least I could have done was left her some fruit," she worried and soon Mother was dozing as we headed for the tollway.

Exiting at Dempster Street I told Little Mother, "Look at it this way, 'You didn't lose a daughter, you gained a car.'" I thought it was kind of funny but she ignored the little morale booster.

When we arrived home the younger brigade peremptorily asked us 2 or 3 questions about "her school" and then reviewed the sprinkling fight they'd had, and lapsed into a finger-pointing battle over who did what to whom.

There's now 1 less finger-pointer at home... and we're going to miss her... but I realized as we sat down to dinner... it's only a matter of minutes before someone spills something. And I was right ... and I suddenly had a lump in my throat.

Maine budget . . .

Cont'd from Niles -E, Maine P.1 tion Fund and from interest earned by the Working Cash Fund. The Special Education Construction Fund expenditures are budgeted at \$200,000, an increase of \$120,000 to allow for this repayment.

The Bond and Interest Fund budget is \$3,104,900. Payments for Debt Service are up \$802,583, reflecting the first payments of principal and interest on the May 1, 1972, Working Cash Fund Bond issue plus an increase in the number of bonds retired on bond issues sold prior to May 1, 1972.

The Working Cash Fund appropriations of \$250,000 are \$150,000 greater than last year since the income from investments will be more in 1973-74 than in 1972-73, mandating a greater transfer to the Educational Fund and Operations, Building and Maintenance Fund.

The Fire Prevention and Safety Purposes Fund's planned expenditures are listed at \$315,000, an increase of \$109,300. Monies from this fund pay for approved Life Safety projects in the Maine high schools.

Transportation Fund expenses are expected to be \$138,700 up from \$134,200 for 1972-73. Liability Insurance Fund expenditures are budgeted at \$21,000, just slightly above last year's figure.

The district's Illinois Municipal Retirement Fund remains at last year's level, \$440,000. Appropriations for the Junior College Tuition Fund are \$137,250. This is \$27,750 less than the amount budgeted for 1972-73.

It is expected that local taxes will account for 78.37%, or \$19,458,725, of the district's total anticipated revenue of \$24,827,000.

usage of this land, Joe Swee-ney of the Plan Commission said many of those who opposed this request hired a lawyer who represented them at the hearings.

Mr. Al Kamikow of 7915 W. Church St., Morton Grove, said for three years now, he has had a continuing problem with skunks on his property and he feels the village has no real program to combat this. He said there were about 150 skunks in a small area and only about 25 or 30 of them have been destroyed so far.

Orkin exterminators who were hired by the village have called on about 21 homes and found three to have a problem according to a report. Martin Ashman moved to engage an exterminating firm and to have the village pay for it. David Cohen said, "I don't know what our liability is if some people don't want us on their property for this purpose, or what the cost would be."

Cohen moved to table the motion and it was decided to do that. However, Mr. Kamikow said that Ballantine Pest Control could trap and remove a skunk for \$15, and the board agreed to contact them to see what they can do.

Fire Chief Christ Hildebrandt presented the board with the Annual Report of the Fire Department.

Police Chief Norman Glauser said our three new officers have completed their basic training at Lake, Ill. The Beautification Committee will meet on Sept. 6 at 8 p.m. at the Legion Hall.

Mayor Bode announced the re-appointment of Robert Lutz & Harley D'Eath to the Plan Commission and Zoning Board. The

Mick Herzog, a school board spokesman said the board wants teachers to supervise students in corridors and lunchrooms for 40 minutes a day, two to three times a week.

Shirley Garland, president of the District 219 board declared that the board expected the 460 teachers to be at their schools, Niles East, West and North - for the teacher's preparation day Tuesday. Absent teachers would lose a day's pay.

appointment was approved but Ashman voted no saying that although he knows these men did a fine job in the past, he felt the board needed new blood. Dick Hols agreed with this line of thinking.

John Nordberg, Village Attorney, read an ordinance creating an Ordinance Enforcement Officer who will work under the direction of the Village Administrator and submit monthly reports to him. This will aid the police and other departments.

The ordinance was adopted. David Cohen said Rod Lechwar, our representative to the Attorney General's office, has handed in his resignation. Mr. Cohen said that Mr. Lechwar has done an outstanding job for us in the past two years and the board will send him a letter of thanks. Cohen also reported

that Roy Lee Yarborough who was arrested by Sgt. McKenna and officers this summer has been sentenced to one to five years for robbery. John Hilkin noted that on Thurs. Sept. 6, we will have our Blood Drive at the Julia Malloy School.

Dick Hols announced that the corner stone will be laid at the new Fire Station on Lincoln av., this Sun., Sept. 9 at 11 a.m. Ed Brice reported that the Water Department pumped over 48 million gallons of water last week.
