## SPORTS

### Tae Kwon-Do Demonstration

A free demonstration by high ranking karate instructors will be held Sept. 29 at 2 p.m. at the International Tae Kwon Do Academy, 312 Lawrencewood Shopping Center, Niles.

### Jaycees to stage Punt, Pass and Kick

Local youngsters will be "dusting off" their footballs and loosening up their throwing arms soon for the 1973 Punt, Pass and Kick competition.

The Park Ridge Jaycees will again stage the local Punt, Pass and Kick competition for Park Ridge, Des Plaines and Niles boys. The event is sponsored by Marshall White Ford, 9401 Milwaukee ave., Niles. The local competition will be held on Saturday, Sept. 29 at Hinkley Field, Park Ridge.

Nationally PP&K, now in its 13th year, is co-sponsored by the National Football League and the Ford Dealers of America. Since it was started in 1961, the program has attracted more than 9,350,000 youngsters -- and participation this year is expected to top the 1,200,000 mark.

Participants in the Punt, Pass & Kick program compete only against others their own age. A youngster eight through 13 years of age, accompanied by a parent or guardian, may register to compete in PP&K at Marshall White Ford.

There is no entrance fee and no body contact during competition. No special equipment is needed and participation does not impair a youngster's amateur standing. Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance, and a point subtracted for every foot off a center line.

Twelve national finalists will compete for the National championships in their age group during the halftime of the Super Bowl Game in Houston, Texas Jan. 13, 1974. Winners will have their names permanently enshrined in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by Football Commissioner Pete Rozelle.

First, second and third place winners of the Park Ridge-Niles contest will receive trophies at a special banquet held in conjunction with the Park Ridge Jaycees membership meeting Thursday, Oct. 4. Local winners and their fathers will be guest of Marshall White Ford. Arrangements for a guest speaker is being formulated.

Registration will continue until Sept. 28. Official entry forms are available at Marshall White Ford in Niles and at Parrish Sporting Goods in Park Ridge. Entry forms -- counter-signed by a parent or guardian -- should be turned in at Marshall White Ford where PP&K Tips booklet are available. The booklets outline rules, scoring and conditioning exercises and punting tips from Jerrel Wilson of the Kansas City Chiefs, passing tips from

### Tam Tennis adds Youthful Star

Brian Gottfried, the 21-year-old student who upset Arthur Ashe to win the Alan King Tennis Classic in Las Vegas earlier this year, has been signed to play in the \$50,000 Tam International Open tennis tournament in suburban Niles Sept. 24-30.

Gottfried joins a field of other outstanding tennis stars headed by Ilie Nastase of Rumania and John Newcombe of Australia to compete for the \$9,000 first prize money at stake in the Tam event.

The youthful Gottfried, a student living in Ft. Lauderdale, Fla., crashed into the national tennis scene in 1970 when he won the National Junior championship. The following year he won the National Junior-Indoors title and in 1972 was added to America's Davis Cup team.

Qualifying round play among 12 players will be held at the Tam Tennis Club, 7686 N. Caldwell, Niles, on Sunday, Sept. 23. Match play among 32 of the world's top male tennis stars will begin Monday, Sept. 24, and continue through Sunday, Sept. 30.

The Tam International Open is the only major tennis tourney in Chicago this year to be held in one location, the newly-built air-conditioned Tam Tennis Club, sponsor of the event.

Ticket sales, according to Professional Tennis Management, Inc., producers, are brisk and a successful event is predicted. There are 4,000 seats available for each contest and ticket prices range from \$4 to \$7 for the Sunday finals.

### Maine East soccer preview

The Maine East varsity kickers are anticipating an excellent fall season in the Central Suburban Conference.

Returning lettermen who will form the backbone of the team include Bruce Teitelbaum and Bob Gullberg at the wing positions; Lou Massong, "Turtle" Stone, and Charlie Sellergren sharing the inside forward positions; halfbacks Dave Weisbecker and Phil Ludkowski; and Brad Bold and Bill Yedor footing the fullback positions. Steve Crifase, a junior, is the probable starter at center fullback. Bob Kosberg, also a junior, will probably inherit the third halfback position. Mike Tietz and Luis Zubillaga are promising sophomores who will definitely add depth to the team. In the goal will be either Cary Sakol, Mike Haber, Gary Beard, or maybe even the versatile Dave Weisbecker.

Other members of the varsity team include Jeff Briars, Roger Markham, Don Winters, Bill Foster, Jack Cravse, Ray Carlson, Ron Reeve, Jim Maloney, Randy Yaffe, Mike Foltz, Gerry McDonnell, Jim Jorian, Dick O'Shanna, R. Styne, J. McMahon, and David Kaniek.

Soccer has grown rapidly in popularity at Maine East and is continuing to do so. Many Americans are not familiar with the game of soccer, but according to Sports Illustrated on Aug. 30, soccer is the fastest growing sport in the United States.

So come out to the stadium and learn about the game. On Sat., Sept. 8, at 12 noon there will be intrasquad games, and the first home game of the season will be under the lights against Evanston on Sat., Sept. 15. The sophomores begin at 7 p.m., followed by the varsity at 8:15 p.m.

### CROSS COUNTRY PREVIEW

While the Maine East cross country team were conference and district champs as well as finishing eleventh in last year's state competition, Coach John Coughlan anticipates even a better season than last year because of his fine returning lettermen and a fine group of sophomores.

He pointed out the following boys - Lloyd Spitzer, the top returner in the conference; All-Conference lettermen Dave Slattery and Dave Jenkins; and returning lettermen Tim Cianosi, Bill Brown, and Mark Tomaskik. To support his hopes, Coach Coughlan pointed out that a group of 20 Maine East varsity and frosh-soph runners ran over 26,000 miles this summer as preparation for the upcoming season.

Outstanding sophomores are Mark Tomaskik, who ran on the varsity last year at the end of the season and who finished as one of the top five Maine East runners in sectional competition last year; Dave Saethre; John Hinterhauser; Steve Hohn; and Scott Wageman.

Fifteen freshmen have been running prior to school, and more are anticipated to come out for competition.

Competition will be keen on Thurs., Sept. 13, when the Maine East squads meet with Evanston and Maine North beginning at 4:30 p.m. Evanston is one of the two top teams in the Suburban League, and Maine North is a contender for the conference championship so the com-

petition will be keen that day. The Ottawa Invitational will be held Sat., Sept. 15, beginning at 10 a.m. Maine East has won the Ottawa Invitational the last four years in a row, but Coach Coughlan expects still competition from Riverside-Brookfield, which has three outstanding individuals.

### Swimming Program

The Niles Park District will be offering a winter swim program during the 1973-74 school year, however, fees and times have been revised. Following is a complete description of the 1973-74 Winter Swimming program for the Niles Park District.

Last Section - March & April.

Diving Team Workouts: Monday beg. 9 to 10 p.m., Wednesday adv. 9:30 to 10:30 p.m. Coach Art Belmonte. All participants will be tested the first day. Fees \$15 residents, \$24 non-residents. Synchronized Swimming: Wednesday 9:30-10:30 p.m., Saturday 11-12 noon. Note: due to school conflicts, on regular scheduled swimming days, swimming will be canceled upon the advice of the school district when these conflicts occur. Notice will be sent home with participants.

Registration: Register immediately at the Niles Park District office during regular office hours.

### Tennis tournament awards night

On Sept. 19, at 7:30 p.m. at the Niles Park District Recreation Center, awards will be given to the participants who placed 1st, 2nd, 3rd, and 4th in the Niles Park District Tennis Tournament.

Those finalists of the program are encouraged to bring their family and friends to the meeting to pick up their awards. A big congratulations to all winners and all the participants for a fine performance.

### Stewart M. Seaholm

Stewart M. Seaholm, son of Mr. and Mrs. David P. Seaholm of 525 S. Anita st., Des Plaines, participated in a four day program at the U. S. Coast Guard Academy at New London, Conn. This program, called Project Academy Introduction Mission, is designed to give selected high school juniors an intimate exposure to the routine of a cadet at the Academy.

He will be a senior at Maine Township High School West, Des Plaines, this fall.

### Maine East football preview

On Fri., Sept. 7, the Maine East football squads began competition with the Blue and White intersquad games.

The 1973-74 season opens with two non-conference games. For Parents' Night, Fri., Sept. 14, the Blue Demons host Forest View. The varsity contest begins at 8 p.m. In last year's game with Forest View, the score was a 20-20 tie, but two year's ago the Demons romped over the Falcons 28-6.

On Sat., Sept. 22, the Maine East squads travel to Evanston, which is generally ranked in the state's top five teams. The varsity game begins at 2 p.m.

The first conference game, which is also Maine East's Homecoming, will be Sat., Sept. 29, with the Maine North Norsemen.

Brian Monty and Ed Dembski are out for the season with injuries, but Maine East head coach Al Eck says that Len Symbal (an All-State candidate), Jeff Schuttler, Dale Casentino, and Mark Franklin will give fine performances for the varsity squad this year. These last four boys have lettered two years already.

Along with Symbal and Schuttler, Rick Pilas is a tri-captain. Hoping to improve on a 2-6 season record, Coach Eck said this is his best team in his five years as head coach because of a fine team attitude.

### Fall soccer

The Morton Grove Soccer Program, sponsored by the Morton Grove Park District, is off to a flying start.

Midget coach, Jules Spitz has been fortunate to have Mr. Paul Schreier, also a former soccer player and referee to assist in coaching the team.

Hopes are high in winning the championship in the Midget Division of the Young Sportsman's Soccer League. The team is led by returning "Veterans" goalie Greg Schneider, Fullbacks Tom Weisman, Steve Kueller, Jack Reiter and Kevin Luczak. The strong halfback line is anchored by Dave Goodman and flanked by Mark Otten and David Adkisson.

The entire forward line of Fred Schif, Eric Siegel, Mark Witt and David Schreier is back for the fall season.

Last springs reserves Tim Luszak, Greg Wittenberg, Bill Gajewski, Rich Ladewit and Mike Wydra all should get plenty of playing time.

First game of the season is Sept. 15 against Menomonee Club of Chicago at Chicago. The Park District Office is still accepting boys for both age groups 8-10 and 11-13 years.

Practice is Wednesday at 5:30 till dusk for the Midgets and Thursday 5:30 till dusk for the Intermediates. Saturday either practice or games at 1 p.m. The home field for all activities is Harzer Park just east of the pool. For further information call the Park District at 965-1200, Mr. Shelton, 966-7449 or Mr. Spitz, 965-4872.

### Recreation programs

The new Niles Park District's Fall - Winter and Spring Program Brochure will be available around Sept. 15. Residents of Niles will be receiving their brochures at their doors from Sept. 15 - Sept. 17. Those Niles residents not receiving a brochure by Sept. 18 may call the Park District office at 967-6633 and a brochure will be sent to them. Please watch for your brochures to be delivered so you can choose the recreation of interest to you.

Registration for Session I will begin Sept. 20 at the Recreation Center, 7877 Milwaukee ave.

All the women of the parish are cordially invited.

**Church And Temple Notes**

**BIBE High Holiday services**

Jews all over the world are preparing to usher in the Hebrew year 5734, with the celebration of Rosh Hashana, the Jewish New Year, which begins a ten day period of repentance, culminating on Yom Kippur, the Day of Atonement. This year Rosh Hashana will be observed Wednesday evening and Thursday, Sept. 26 and 27; and Yom Kippur from sundown to sundown Oct. 5 and 6.

During Rosh Hashana worship, the ancient Ram's Horn, Shofar, is sounded in the synagogue. Its staccato notes are a reminder of God's commandments and a warning to do better next year. Yom Kippur is a full day of prayer and fasting in synagogues. The traditional plaintive chant "Kol Nidre" begins the evening service. The liturgy reflects man's need to confess his shortcomings, and God's willingness to pardon. Jewish tradition says that before a man can ask God's forgiveness on Yom Kippur, he

must first seek forgiveness from those he wronged during the year. This year, Congregation B'nai Jehoshua Beth Elohim will observe the High Holidays with special services: at the Temple, 901 Milwaukee ave., Glenview.

Many Temple members and the Temple choir will assist Rabbi Mark S. Shapiro and Cantor Harold Freeman in leading the services.

Services for Rosh Hashana are scheduled Wednesday evening Sept. 27 at 8:30 p.m. and Thursday, Sept. 27 at 10:30 a.m. The special children's service will be held Thursday, Sept. 27 at 2 p.m.

Yom Kippur services are scheduled as follows: Kol Nidre, Friday, Oct. 5, at 8:30 p.m.; Yom Kippur morning services, Saturday, Oct. 6, 10 a.m.; Children's Service, 1:45 p.m.; and Afternoon, Yozkor, and Nelloh Services at 3:15 p.m. For further information, please call the Temple office at 729-7575.

**Maine Township Jewish Cong**

Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, will conduct four Sabbath services this weekend, Friday evening, Sept. 14, the Sabbath will be ushered in with chapel services at 6:30 p.m. A Family Hebrew/English service will follow at 8:30 in the Sanctuary to be conducted by Rabbi Jay Karzen and Cantor Harry Solowinshik. Two Bar Mitzvah services will be celebrated on Sat., Sept. 15. Mark son of M. & Mr. Eugene Goodman, 9120 Hollyberry, Des Plaines, will be called to the Torah at the 9:30 a.m. service; David, son of Mr. & Mrs. Ephraim Siegel, 8043 Lake, Niles, will conduct the entire service at the Mincha afternoon ceremony, 6:30 p.m.

Religious School has already begun at MTJC. Late registration in all departments is still being accepted. Membership applications and High Holiday reservations can be made

through this week by contacting the Synagogue office, 297-2006.

The community is invited to a gala Selichot night dance and membership party Sat., Sept. 22 at 9 p.m. This social event will precede the annual pre-High Holiday services - Selichot - which will commence at 11:30 p.m.

Bingo will be played this Sun. evening, Sept. 16, 8 p.m. An invitation is extended to the entire community to participate in this weekly fun event.

**Niles Community**

Sunday worship services at the Niles Community Church (United Presbyterian), 7401 Oakton st., on Sept. 16 will be held at 9:30 and 11 a.m. Care for

toddlers through two-year-olds will be provided during both services. Church School classes for three-year-olds through eight graders will be conducted concurrently with the 11 a.m. service.

The church's Fall youth group program will begin on Sun., Sept. 16 with a barbecue at the Assistant Minister's home for high school students at 2 p.m. and for junior high school students at 7 p.m.

Church meetings during the week of Sept. 17 will include Mon., 7 p.m. - Scout Troop 62; 7:30 p.m. - Congregational Goals Steering Committee - Tues., 9:30 a.m. - League of Women Voters; 7:30 p.m. - Board of Deacons - Wed., 7 p.m. - "drop-in" for high school students; - Thurs., 7:15 p.m. - Junior Choir rehearsal; 8 p.m. - Senior Choir rehearsal; and Fri. 7:45 p.m. Cub Scout Pack 62.

A cordial invitation to participate in the life and work of Niles Community Church is extended to all who are not presently related to another congregation.

**St. Luke's**

Beginning the week of Sept. 16 at St. Luke's United Church of Christ, Shermer at Harlem, Morton Grove is beginning a parish wide program for revitalization of the life of the contemporary Christian. The program includes an intensive study of the Gospel of St. Luke in light of the contemporary world, an investigation of what it means to be the church in 1973 and a day of renewal of the Christian life style on the first Sunday in Advent.

Like a good neighbor, State Farm is there.

### MG Women celebrate 20 years of service

The Morton Grove Woman's club will open the 1973-1974 year on Sept. 13 at the Valley Lo Sports Club in Glenview. As the club is celebrating its 20th year anniversary, many new and exciting plans have been formulated. The opening program will be Dellamaria, a very talented musical satire star who has appeared before audiences nationally as well as in Europe.

September always is a most interesting month as chairmen report their finalized plans for the "big" events of the coming year. For instance, final plans for "Toast to the Twenties" will be announced. A gala day is planned for on Oct. 4 at the Fireside in Northbrook with a luncheon, a glamorous fashion show by Kanes at the Ambassador House, table prizes, door prizes and raffles all included.

Also, the Ways and Means Committee, with the clever title "HoBo-Tique" will announce what will take place at the Flea Market in March. And finally, reports will be given from the Golfing, Bowling, Sewing, Knitting, Literature and Bridge groups either announcing awards or their new schedules for this season.

## Wedding, Anniversaries mark triple celebration Wedding Bells

In an afternoon service at St. Juliana Church on Sunday, Aug. 19, Susan Marie Waldin Niles became the bride of Stephan Topczewski, also of Niles.

Susan chose a gown of peau d'ange lace with a fitted bodice, square neckline, long fitted sleeves and a hoop skirt. Mother of pearl sequins decorated the gown. Her veil was a two-tiered crown.

The maid of honor was the bride's sister, Sandra. The bride's other sister, Sheila and the groom's sister, Julie also were bridesmaids.

The bridesmaids gowns were a yellow, powder blue and mint green floral print organza. All wore large pastel hats to match.

Susan chose stephanotis and fuji mums for her bridal bouquet. The bridesmaid carried French carnations and natural straw.

The groom's men were Paul Topczewski, Mark Slussar and Loui Cashmore.

Father DelRae conducted the double ring ceremony.

Mr. and Mrs. Richard Krueger were especially happy because her daughter had chosen her grandparents' Golden Wedding anniversary for her wedding date.

The grandparents, Mr. and Mrs. Joseph C. Marzalski, Sr.

were married in Nanticoke, Penna, also on a Sunday afternoon, Aug. 19, 1923. They have resided in Niles since 1944.

The third party of the triple celebration was the bride's aunt and uncle, Mr. and Mrs. Roberto Costello who celebrated their 23rd wedding anniversary on the same day. Mrs. Costello is Susan's godmother.

The groom's parents, Mr. & Mrs. Joseph Topczewski were delighted that many of their friends and relatives from out of town were present including Valeria Pienka, Mary Strubczewski and son and Mr. and Mrs. Bill Goode, all from Dayton, Ohio and Mrs. Leonard, Mr. and Mrs. Edmund and Mr. and Mrs. Robert Topczewski, all of Milwaukee.

The reception was held at Przybylo's House of the White Eagle in Niles. Music was by Frank Fortuno's band.

Other out of town guests included Mrs. Valeria Kuchinski of New Jersey, Mrs. Celia Galvin of New York, Mrs. Rudy Wilde of Florida and Mrs. Victor Daniels and daughter from Michigan.

The newlyweds spent their honeymoon in Wisconsin and are now residing in Niles.

Selman - Stamm

Mr. and Mrs. Abe Selman of Niles have announced the engagement and approaching marriage of their daughter, Bonnie Sue to Marvin Stamm, Marvin is the son of Mr. and Mrs. Morris Stamm of Chicago.

The future bride graduated from Niles North High school and is currently employed at Montgomery Ward's.

Her fiance attended the University of Illinois, Circle Campus. He received a Masters in Business Administration from De Paul university, Chicago. He is presently associated with G. D. Searle Company, Skokie.

The couple are to be married next summer.

Kula - Tournier

Mr. and Mrs. Henry A. Kula of 8036 N. Odell ave., Niles, announce the engagement and approaching marriage of their daughter Marilyn Jean to Joseph Tournier, son of Mr. and Mrs. Joseph Tournier of Chicago. The wedding will take place at St. John Brebeuf church, Niles.

Miss Kula is a graduate of Illinois State university, Normal and is presently employed by Allstate Insurance as a programmer/analyst.

The prospective bridegroom is a graduate of Loyola university, Chicago and is employed by Shulman Air Freight at O'Hare Airport.

An early October wedding is planned.

### Niles mother returns to college

Paulette Gardner (Mrs. Marshall), 8507 Madison dr., Niles claims that returning to college has changed her for the better.

A student in Mundelein College's Continuing Education Division, Mrs. Gardner says, "I'm a different person. The courses have opened up so many new things for me."

With only a few hours of previous college credit, Mrs. Gardner started at Mundelein last fall. She's majoring in home economics, with a specialization in foods and nutrition, and thinks she might like to work in industry.

What are the problems of being a full-time student, wife and mother of 7 and 10-year-old children?

"It's not easy, but I arrange my schedule so that we leave together in the morning, and I'm home by the time the children get home from school," Mrs. Gardner says.

This fall, Mrs. Gardner is taking some background courses at Oakton Community College, then will return to Mundelein next fall to complete her degree.

Mundelein's Continuing Education Division is designed for women 27 and older who wish to obtain a college degree. Credit is given for life experience, and for all previous academic work. Special counseling, seminars, child center and babysitting services are available to Continuing Education students.

### "Slim For Fall"

Registrations are being taken for the new "Slim For Fall" weight reducing course at the Leaning Tower YMCA, 6300 W. Touhy av., in Niles.

First Meeting will be Thurs., Oct. 4 from 7 to 9 p.m. and Fri., Oct. 5 from 9:15 to 11:15 a.m.

The program is for women who want to lose weight but feel they need a sound program, and the company of other women, with the same problem, in order to do so.

Each class session is approximately two hours long and consists of discussions of menu planning, diet, low calorie recipes, slimastics, tips on walking and good posture, skin care and make-up, hairstyling, wardrobe planning, relaxation and many other things of interest to the ladies. Each lady's problem is given individual attention.

To date over 50,000 women have lost a total of 47 tons in the popular "Y" program. The largest individual weight loss was 175 pounds.

Any ladies interested in taking weight off are welcome to enroll by phoning the "Y" at 647-8222.

### Niles women sponsor foster child

The Woman's club of Niles 10th District, I.F.W.C., proudly announces that they are the foster

parents of a little girl named Hyun Sook Lee of Seoul, Korea. Dorothy Warnke, head of the Woman's club of Niles Public Welfare Dept. has completed the final details with the Pearl S. Buck Foundation. The Woman's club of Niles pledges their support for food, clothing and some medical care.

Hyun Sook Lee is an Amerasian child, which means Korean mother and an American father. She lives with her family in a small rented room. She is 12 years old and has dark brown eyes and dark brown hair. Hyun Sook Lee is an active healthy child and the Woman's club of Niles takes great pride in the knowledge that their support will help this child grow up with fewer problems than other not so fortunate Asian-American children.

### Legion raffle to benefit nurses

The location is a choice east stand one; and the game dates are Sept. 16 and 23; Oct. 21 and 28; Nov. 18 and Dec. 2 and 16.

### Loyola Moms Luncheon Sept. 21

Mrs. Ronald Eisenbeis, president of the Loyola Academy Mothers' Club, has sent invitations to all mothers of the academy students to attend the first luncheon of the new school year, Friday, Sept. 21, at 12:30 p.m., at the academy.

Members of the administration and faculty will be special guests at the event, which will include a formal welcome from the Reverend John H. Reinke, president of the academy, and the Reverend John J. Foley, Director of Parent Activities.

Local officers include Mrs. John L. Donlin (of Lincolnwood), Recording Secretary.

### Keeney St. Doesn't Look 'All American'

Dear Mr. Besser: I wish you would print this in your Bugle, the only paper that can tell these Niles Politicians the voice of some people who care about their property.

I wish to state my opinion about our so called All American City of Niles. The trustees decided to beautify some of our streets with trees and green carpets on Safety Islands. It sure looks wonderful, but I wish the Mayor and his trustees would take a ride down our Keeney Street from Waukegan rd. to Harlem ave. and vote on a code of how to replace our torn lawns and our dirty, filthy street. The trustees voted

on a housing inspection of our property. I would like for them to vote on an ordinance on a Street Inspection and torn lawns by construction work and take a good look at Keeney st. and Harlem ave.

There are 3 safety stands and only one has a light on. This has been this way for going on the third week and looks more like a street on the south side of Chicago where the slums are.

I am a tax payer and property owner on Keeney st. and would like to see some action from these politicians or the Mayor.

I wonder if the Mayor or his Trustees' streets and lawns look

like ours or don't you politicians care about us.

LoVerde knew how to tear up our street and rip and make a mess of our lawns on Keeney st. and then leave them to repair or replace by (whom) us - (Property owners).

It is understood that from the side walk to the street is City property. But our so called American City of Niles doesn't maintain it. We the property owners do. So if you politicians don't care how Keeney st. looks, neither do some of us property owners.

Sincerely,  
A Keeney Property Owner

## LETTERS to EDITOR

Dear Mr. Hanson:

I thought you might like to hear this story since you are always promoting good restaurants like ARVEYS in your column.

This summer when my husband, Abe and myself were in Spain, we met an attorney who lives in Atlanta, Georgia, who was on our tour with his daughter living in Chicago. When speaking of restaurants we frequented in Chicago, this attorney said his sister who lives here also, always goes to a nice restaurant that serves very good

food and it is in the northern suburbs, the name of it is ARVEYS. I told George Arvey about this and he laughed and thought it was very funny that I had to go all the way to Spain to hear of ARVEYS Restaurant. We are frequent diners at Arveys and I could easily see why it gets around about the good food.

I do hope that you will print this little story in your column, as George Arvey thought it was very cute.

### Enrollment at Oakton at new high

More than 3,250 students have registered for classes at Oakton Community college for the Fall term, according to John J. Gagnier, director of admissions and records. This is an increase of more than 550 students from the Fall term of 1972. Official Fall enrollment is expected to be higher than these totals because of additional late registrations. About half of the students are registered for full-time programs, he said. This repeats the pattern of last Spring when half of the student body was enrolled as part-time students. A part-

time student registers for less than 12 hours of academic credit. Classes began at Oakton Community college on Monday, Aug. 27.

### DISTRICT 71 SCHOOL LUNCH POLICY

Niles Elementary School today announced a free and reduced price lunch policy for District No. 71 school children unable to pay the full price.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Annual Gross Income	Family Size
\$2,740	1
3,600	2
4,460	3
5,310	4
6,100	5
6,890	6
7,600	7
8,310	8
8,960	9
9,600	10
10,240	11
10,880	12
640	Each additional family member

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for school lunches.

### Dr. Fletcher Ass't. Supt. of Dist. 64

By action of the Board of Education of School District 64, Dr. John W. Fletcher has been promoted to the position of Assistant Superintendent of Schools. This new title affirms most of the duties and responsibilities already in his job description. The title provides the additional authority needed to carry out his responsibilities.

The assistant superintendent holds a B.A. degree in History and Geography from Eastern Kentucky University, an M.A. degree in Educational Administration and Supervision from Eastern Mich-

igan University, and a Doctor of Education degree in School Administration from Wayne University. He has seven years of classroom teaching experience at all grade levels, ten years as a building principal, and four years as a curriculum director. Dr. Fletcher's professional educational experience has been gained in a number of communities. He has served in Madisonville, Kentucky, Monroe and Gibraltar, Michigan, and in Wheaton, Oak Lawn, and Hillside, Illinois prior to coming to Park Ridge in 1970.

In addition to his job assignments, Dr. Fletcher has given professional services to the National Association of Elementary School Principals, Illinois Elementary School Principals Association, National Education Association, Illinois Education Association, Association for Supervision and Curriculum Development. Dr. Fletcher has been an officer in the Phi Delta Kappa chapter of the professional education fraternity. He has also participated in many other community and professional associations.

Dr. Fletcher's title is now Assistant Superintendent and Curriculum Director for School District 64. As curriculum director, he is responsible for leadership and guidance in the realm of what is taught and how it is taught. In relation to that, he is responsible also for materials, equipment, and staff. In commenting upon this new appointment, Superintendent of Schools Hendee stated, "Dr. Fletcher has proved himself to be a dedicated and committed educator and school administrator. He has made a fine contribution to School District 64, and his continued positive leadership will assist in furthering a quality of education."

### Emerson P.T.C. Officers

Mr. and Mrs. Harry O'Brien will be the Co-Presidents for the 1973-74 year of the Emerson Jr. High School Parent Teachers Council.

Other officers include: Keith and Jeanette Bode, Vice Presidents; Sue O'Hagan, Secretary; Carol Adams, Treasurer; Herb and Romona Liebsch, Glen and Caroline Panches, Co-Ways and Means; Jackie York, Phyllis Crutchfield, Mrs. Diebold, Co-Social; Winnie and Don Selbert, Co-Publicity.

Pat Lester, Membership; Room Mothers' Chairmen, Marilyn Carolan, 8th Grade, Charlene Wagner, 7th Grade; Evening Bridge, Ginger Imig; School Aide, Linda Garnett; Book Fair, Susan Wells; Student Variety Show, Joan Ebner.

Caucus Delegates, Bill York, Dave Charewicz; Alternate, Bernice Widuc; P.T.C. Delegate, Keith Bode; Alternate, Laura Reiner.

Under discussion at the Board meeting on Aug. 23 were calendar plans for the forthcoming school year. The first event will be Emerson's annual Parents Nite on Oct. 2. The P.T.C. and General Meeting will be held Nov. 1 and the Fun Fair will be Nov. 3.

**Advisory Committee Meeting**  
At the August Board Meeting, the Board of Education, in its endeavors to improve communication within the District, established an Advisory Committee for the Improvement of Communications. This Committee is seeking representatives from all eleven of District #63's school areas. The District would like to invite parents to attend the organizational meeting of the Advisory Committee on Monday, September 17, at Agillo School, 10100 Dea Road, Des Plaines, at 6:00 p.m.

### SIB School in 'Project Start'

St. John Brebeuf school in Niles was one of 9 schools in the Archdiocese of Chicago chosen to participate in a program for self renewal called Project Start. (Schools That Are Renewing Themselves).

Project Start weeks to validate the effect of building a faculty into an effective planning team by giving them the skills of good planning and the experience of healthy communications. It is believed that with this indispensable foundation the school will construct a plan of future growth with a greater chance of success and the increased possibility of sustaining the projects initiated over a long term. Once a school faculty team has internalized the skills of good planning and good communication the project intends to turn its attention to helping the schools involved search out consultants and other resources that will help each school shape its own plan.

As a result of being chosen, St. John will benefit from the assistance of educators and consultants from the Archdiocesan School Board, the University of Illinois at Circle Campus and the Consortium of Colleges.

### Invite St. Martha parents to meeting

Saint Martha Home and School Association invites all parents of school children to attend an open house and meet the teachers on Monday, Sept. 17, at 8 p.m.

The principal, Mrs. Robinson, will introduce the teachers. Then two 15 minute sessions will be held in the classrooms, where the teachers will talk about what the children will be learning, as well as what will be expected of them this year.

### Leaning Tower classes

The Leaning Tower YMCA "Skill School" Fall "73" term of classes includes an outstanding selection of Fine Arts, Special Interest and hobby courses available for area youth and adults.

Fall term classes scheduled for youth (10 weeks) include: Art, Guitar, Acrobatics, Ballet, "Model Workshop" for girls, "Arts and Crafts" program for Tiny Tots (3-5 yr.). New areas of interest are to be discovered by those participating in any of these classes. Personal attention is afforded the students by an unusually talented and trained group of instructors.

Special Interest, Fine Arts, and Hobby classes for Adults (10 wks.) include Decoupage, Crocheting, Dressmaking, Arabic "Belly - Dancing," Hawaiian Dance, Amateur Radio, "Food Ideas Unlimited" (a consumer oriented class with buying guides for the housewife), Art, Guitar, Beginners Bridge, Hypnosis, Dog

Obedience, Photography, "Modern Jazz Dance and Exercise," and Adult Social Dance.

Remember, classes are scheduled to begin the week of Oct. 1. Early registration is advised. Member registration opens on Monday, Sept. 10. Non-member registration opens on Monday, Sept. 17. Non-members will find the majority of classes scheduled are open for their participation.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, Ext. 556, or drop by the Leaning Tower YMCA, 6300 W. Touhy ave., and pick up a "Program Services" brochure.

Prospective students are asked to plan their classes early, and register one week in advance of Class starting date. Service desk is open daily 9 a.m. to 9 p.m. Baby-sitting services are available during daytime classes.

### Ed McCaskey awarded scholarship

Edward W. McCaskey, 257 Stratford rd., Des Plaines, has been awarded a Jewel Food Store scholarship in the amount of \$1,000 for the 1973-74 school year. Edward is the son of Mr. and Mrs. Edward McCaskey of the same address.

Edward has been working most recently at the Jewel Food Store at 5338 W. Main, Kalamazoo, Mich. He is a 1971 graduate of Notre Dame High School in Niles, and has attended Western Michigan University in Kalamazoo for the past two years as a co-op student.

Edward is active in Sigma Phi Omega, a professional business fraternity, and in intramural sports. This Fall he will return to Western Michigan working towards a degree in Food Distribution.

### Lessons for Young Bicyclists to Learn

Lesson No. 2 - Important Traffic Control Signs

Sign #1

Sign #2

Sign #3

Sign #4

Sign #5

Sign #6

People on bicycles MUST follow the instructions given on all road signs, the same as people operating automobiles. Why? Because all other traffic, and people operating other types of vehicles expect you to know this. Therefore, all other people on the road are driving in such a manner that would be dangerous to you if you are not following directions signs give you. For example, let's say you are riding down a street on your bike and you come to a cross street marked ONE-WAY, with an arrow pointing to your right. Now, if you were to turn LEFT on this particular street you would be going against oncoming traffic. Since the street is marked very plainly ONE WAY in the opposite direction the drivers coming toward you would not be expecting any traffic coming toward them. If a driver didn't just happen to see you, coming toward him on a one way street, you could have a very serious accident and possibly be hurt very badly.

The same holds true for all other traffic signs. Let's talk about the other ones shown above and what they mean. Sign No. 2: This is the sign you will see when you are approaching a railroad crossing. Always, without fail, slow your bike down until you almost stop, when you reach the crossing. Look both directions before going across the tracks. Sign No. 3: Of course, this is a 'stop sign,' and that is just what it means, S-T-O-P! Always come to a COMPLETE stop, near the right hand curb of the street, even if you can see for blocks in both directions, and there are no cars coming. This sign does not mean stop only if something is coming! Sign No. 4: Detour means that the road or street you are riding on is not safe to travel ahead. Even though you might be able to get through on a bike, NEVER disobey a detour sign! There may be heavy construction equipment working on the road ahead and they would not be expecting any traffic to be coming through a detour sign, not even a bicycle. Sign No. 5: DO NOT ENTER, could mean many reasons for not entering, but whether you should not enter is not for drivers or bicyclists to decide. This sign usually means the street or road ahead is one way traffic TOWARD you. Sometimes you will see a DO NOT ENTER sign on off-ramps which carry traffic off main highways. It is very dangerous to disobey any traffic sign, especially this one!

Sign No. 6: YIELD RIGHT OF WAY is another sign you will see often. It means if other traffic is coming, which will pass in front of you, YOU must stop or slow down until it passes. Yield means to "give up" your right to go forward, until other traffic or pedestrians are out of the way.

All signs along the streets and highways are placed there for your safety and the safety of others. Be SURE you obey each and every road sign you see. We will have another lesson on other signs later.

### QUESTIONS YES NO

- A STOP sign means to slow down and see if any other traffic is coming. \_\_\_\_\_
  - A ONE WAY sign, with an arrow, means you can only travel the direction the arrow points on that street. \_\_\_\_\_
  - A RAILROAD warning sign means to slow down if you see a train coming. \_\_\_\_\_
  - A DO NOT ENTER sign means you can go no further in the direction you are traveling on that particular street. \_\_\_\_\_
  - A YIELD sign means other traffic will let you pass first. \_\_\_\_\_
  - Traffic signs are to be obeyed by all drivers no matter what kind of a vehicle they are driving. \_\_\_\_\_

### MNLL News Roundup

Election of new officers for the Northfield Little League was scheduled for early this month along with plans for the annual installation and award program. Both activities will cap the league's 1973 season, although the board will continue to meet year around.

Late season events have included the MNLL fourth annual picnic at Harms Woods, which also was the scene of board elections for the coming year. As for the past three years, the picnic chairmen were Mr. and Mrs. Sam Bartalotta of Glenview, newly elected board members, who will be among those electing the new officers, are: Mr. Bartalotta; Sherman Klausner, Northbrook; Harry Sutphen, Glenview; Howard Bersh, Des Plaines; John Olszewski, Northbrook; Bill DiGilio, Northbrook; Marty Ellis, Niles; Bob Knauber, Mt. Prospect; Dick Ruske, Glenview; Ira Greenberg, Northbrook; John Wilcox, Mt. Prospect, and Stewart Addis, Glenview.

Other late season events were the All Star competitions and the senior league district tournament championship, which the MNLL All Stars captured for the fifth straight year, and the state sectional tournament, won by Northridge, in which MNLL defeated Forest Park in the first game but was eliminated by Skokie in its second pairing.

### Maine Demos plan slatemaking sessions

The Maine Township Regular Democratic Organization will hold two slate-making sessions for State and County offices on two consecutive Saturdays, Sept. 22 and 29, 1 p.m. to 4 p.m. at its headquarters, 8070 Milwaukee ave., Niles, announced Nicholas Blase, Committeeman of the organization, Larry Wagner, Park Ridge, and member of the Board of Directors. For an appointment or further information please call Democratic headquarters at 692-3388.

The selection of candidates will include those persons who are interested in seeking the Democratic nomination for State Representative and State Senator in the 4th and 5th Legislative Districts; and nominee for a seat on the Cook County Board of Commissioners. This does not preclude interested persons from seeking the Democratic nomination for other offices open for the 1974 election.

The slate-making sessions on Sept. 22 and 29 are in accordance with the Maine Township Regular Democratic Organization policy of providing an opportunity for anyone who wishes to participate. During the last several years many interested and extremely qualified persons have come forth to represent the Democratic Party in the 4th and 5th Legislative Districts. For an appointment or further information please call Democratic headquarters at 692-3388.

Going over preparations for the two slate-making sessions the Maine Township Regular Democratic Organization will hold on Sept. 22 and 29 are Norene Murphy, Secretary of the organization, Nicholas Blase (standing), committeeman and Larry Wagner, Park Ridge, chairman of the Slate-making Committee. All interested persons are requested to call 692-3388 for an appointment or further information.

### Maine Demos sponsor Senior Citizen program

The Senior Citizen community of Maine Township will be treated to a free series of games, refreshments, and prizes beginning in October thanks to a new program sponsored by Nicholas Blase and the Maine Township Regular Democratic Organization.

First event in the series will be held Wednesday, Oct. 17 at the House of White Eagle, 6835 Milwaukee ave., Niles, beginning at 3 p.m. Doors will open at 2:30 p.m.

Volunteers from all segments of the political spectrum have come forth to enthusiastically offer office assistance in preparation and participation of the games.

Co-chairmen Nick Costantino and Carmen Cesario of the Democratic Organization along with Committeeman Blase developed the idea for the series in an effort to give the Senior Citizens an opportunity to relax and enjoy an afternoon activity. This included several months of meetings with the various Senior Citizen groups within the township in order to coordinate the activity.

Since there are approximately 15,000 Senior Citizens in the township the games were divided into three sections, Niles, Des Plaines and Park Ridge, for convenience. However, due to limited seating capacity in each location, Senior Citizens are advised to obtain their tickets in advance. No one will be admitted without a ticket which is free.

Senior Citizens residing in Des Plaines-Park Ridge area can call Mrs. Mary Alberding after 4:30 p.m. at 823-1202 for tickets. In the Niles - Morton Grove-Glenview area call Nick Costantino or Carmen Cesario at 692-3388 for tickets.

If early enthusiasm is any indication, the series of programs should meet with remarkable acceptance and success by the Senior Citizens of Maine Township. It is advised to call for tickets early since there is a limited seating available at this time.

**Local Planning Executive's to meet**

The Skokie Valley Chapter of the Planning Executive's Institute will meet on Thursday, Sept. 13 at 6 in the Kenilworth Inn, Lincolnwood. Addressing the group will be Peter A. Pyhr, Associate, Management Analysis Center. The subject of his presentation will be "Zero-Base Budgeting" which is a new planning and budgeting tool that concentrates management's time on evaluating operations and alternatives rather than concentrating on numbers in requested increases above last year's budget. Mr. Pyhr developed the Zero-Base approach while controller of the staff research divisions of Texas Instruments.

Mr. Pyhr received a BSIE and MBA from the University of Illinois. He has served as operational auditor for the suburbs of Skokie, Morton Grove and Glenview.

Mr. Pyhr resides in Glenview with his wife and son.

**State Police to use speed guns on expressways**

The Illinois State Police have obtained 80 speed guns to be used on a statewide basis. Six speed guns have been assigned to District Three in Des Plaines and will be operating on the expressways in Northern Cook County.

In the past, speeders have contributed to the high toll of traffic accidents on the expressway system. The State Police have found it difficult to operate a radar speed detecting program because of the heavy volume of traffic. Now with the speed gun, selective enforcement of the speed laws can better aid in the reduction of traffic accidents.

The speed gun operates on the conventional doppler principle which has been used in previous radar units. However, the speed gun enables the Trooper to zero in on the possible violator without getting a reading on other vehicles; then the speed is recorded on a digital readout module in which the violator can view if he wishes.

Captain William P. Gentile, District Commander, has expressed great confidence in the speed gun because of its reliability in all areas of testing. He added that not only will the speeders be detected but that it will serve as a deterrent.

**Appointed Marywood press rep**

The Marywood Alumnae Association has announced the appointment of Mrs. James Holohan, 7336 Carol st., Niles, as suburban press rep for the suburbs of Skokie, Morton Grove and Glenview.

Mrs. Holohan, the former Carmen Vitullo, is a 1965 graduate of Marywood High school and has attended Wright Junior college. Mrs. Holohan's first concern will be publicity for the annual Marywood Alumnae Fashion Show to be held Saturday, Oct. 20, at the Marriott Hotel. More than 350 alumnae members are expected to attend.

Any members of Marywood's alumnae who have not been contacted by the Association are urged to contact Mrs. Holohan, 966-0621, or Sister Virginia, moderator, Mother Theodore Guerin High school, 8001 W. Belmont ave., River Grove.

**Niles Family Service meets Mondays**

The Niles Family Service will hold the first fall meeting of its Board of Commissioners on Monday, Sept. 17, in the agency offices in the Professional Mall, Lawrencewood Shopping Center, at 8 p.m.

Newly elected officers, Sylvia McNair, chairman, and Virginia Haave, vice-chairman, will begin their terms of office at that time.

"I would like to remind the residents of Niles that these meetings are open to the public, as are all meetings of public officials," said Mrs. McNair. "We welcome constructive suggestions from all interested citizens. We are most anxious to make sure the agency is performing all possible services within its scope that can be helpful to Niles people of any age or situation."

In addition to offering personal consultation and counseling to individuals, couples and families, Niles Family Service conducts special workshops in a number of areas, such as Preparation for Marriage, Preparation for Retirement, and Marital and Family Enrichment. During the summer months the agency has conducted a pilot "Outreach" program for young people, which will continue at least until May 1, 1974. Part of the total "Outreach" program includes two second-year master's of social work students working with staff and students of School District 71, as well as the two Outreach Workers working in the community.

Mrs. McNair has been a resident of the Niles area for the past 15 years, currently living at 8150 Davis st., with her husband, Wilbur, and their three sons and a daughter. She has long been active in local and civic affairs, including service for six years as a member of the Board of Education of School District 63 (East Maine). She is employed as Senior Travel Editor at Rand McNally and Company in Skokie, and is active in various professional groups, such as the Society of American Travel Writers, Chicago Women in Publishing, and the North Shore chapter of Women in Communications (formerly Theta Sigma Phi). Mrs. McNair was appointed to the Niles Family Service Board in 1971.

Mrs. Haave, who lives at 6935 Keeney st., with her husband, Howard, and two sons and a daughter, has been a member of the Niles Family Service Board since 1969. She is a member of St. John Brebeuf parish, she is a member of the Catholic Women's Club and the Couples Club, and has been a director of the parish Festival Days for five years. Her interest in mental health has been long established. About twelve years ago she initiated the first Recovery program in the north-west suburbs - a part of a nationwide organization set up to help people who have had nervous breakdowns or other serious mental problems. She was a panel demonstration coordinator for the organization and the publicity chairman for new groups being started in various suburbs.

Other members of the Board include two former chairmen, Rev. Douglas Seelen and Jerome Santowski, as well as Dr. Stanley Frank, Marie Kurtzer, Sheldon Mantel, William Sanz, Edward Vodvarka, and Lorraine Zielinski. Director of the agency is Larry Renczyk. Niles residents who would like information about the agency's services are invited to drop in at the Professional Mall, Lawrencewood Shopping Center, or telephone 966-1640.

**Mental Health Chairman**

Mrs. Bertoline Viani, 898 South Golf Cul-de-Sac, Des Plaines, recently represented the Mental Health Association of Greater Chicago at a special Rotary Luncheon which featured mental health as a topic. Making the principal address at the meeting was Brian O'Connell, executive director of the National Association for Mental Health in Washington, D.C. Mrs. Viani, who is a community chairman, is active in the Associations Bell Ringing Campaign and Operation Snowball.

**Receives pilot's license**

Fifty-two aircraft pilot licenses and certificates earned by students in the University of Illinois at Urbana-Champaign during the 1973 Summer Session have been announced by Prof. Ralph E. ## Des Plaines Theatre Guild plans new season

Des Plaines Theatre Guild, putting the finishing touches on their season's opening production, "South Pacific," needs some assistance in the costume department. If you have a lead, call the box office, 296-1211 and they'll check it out.

Specifically they are looking for a French planter Emile DeBeque to wear in the scene where he returns from his dangerous secret mission on a remote Pacific Island in World War II. They also need a light colored summer linen suit for the character of Emile, played by Tom St. Legier, 2218 N. Mason, Chicago.

For nurse Nellie Forbush in the "Honey Bun" number, DPTG needs a white sailor uniform large enough to "hang" on pretty Pat Piper of Arlington Heights, who plays the leading role in the popular Rodgers and Hammerstein musical.

Des Plaines Theatre Guild, one of the oldest and most active community theatre groups in the entire Chicagoland area, is presenting eight performances of "South Pacific" at the Guild Playhouse in Des Plaines, beginning with a champagne opening on Friday night, Sept. 7,

and running every week-end thru Sat., Oct. 6. Curtain time is 8:30 p.m., and tickets may be reserved by calling 296-1211 from noon to 8 p.m.

The season continues with the comedy "Forty Carats" Nov. 16 thru Dec. 8; "The Night Thoreau Spent in Jail" next January; "You Know I Can't Hear You When the Water's Running" in March; and winds up with "See How They Run" next May.

Try-outs for "Forty Carats" will be held Sunday, Sept. 9 at 2 p.m., and Monday, Sept. 10 at 8 p.m., open to anyone in the area interested in participating. The cast of this Paris-to-Broadway hit comedy includes five women and six men, all ages, shapes and sizes.

Guild Playhouse is located at 620 Lee St. (intersection of Highways 12 and 45) in downtown Des Plaines.

Season subscriptions for all five productions may be ordered by writing Des Plaines Theatre Guild, P.O. Box 84, Des Plaines 60017. The cost for five Friday night performances is \$10.50. Saturday evening series costs \$13, representing a \$5 savings over the single admission price for the five shows.

## Mill Run Children's Theatre to open Sept. 15

After a summer hiatus, the Mill Run Children's Theatre in Niles is once again waving its magical wand and giving children of all ages the opportunity to experience professional theatre. The fall season opens on Sat., Sept. 15 with the presentation of "Rumpelstiltskin." Subsequent shows will be staged on Saturdays only on Sept. 22, Sept. 29 and Oct. 13. Due to Yom Kippur, "Rumpelstiltskin" will not be shown on Oct. 6. Showtimes are scheduled for 1 p.m.

Tickets are priced at \$1.75 and may be purchased on the day of the performance at the Mill Run Box Office or in advance by mail. For group discount reservations and information, call 298-2333.

The Mill Run Children's Theatre is located at 600 Golf Mill Shopping Center in Niles and is easily reached via expressway. Free parking surrounds the theatre.

## BIBE art festival

There are still a limited number of openings for artists and craftsmen who wish to participate in the 3rd Annual Art Festival of Congregation B'nai B'rith, 901 Milwaukee Av., Glenview.

Scheduled for Sat. and Sun., Oct. 27-28, artists from an eight state area will be exhibiting paintings, sculpture, graphics, pottery, photography and jewelry.

Artists and craftsmen who wish to be considered for participation in the art festival, should contact David Hirsch, Chairman, 6601 W. Maple, Morton Grove or call 965-1132.

## THE CORNERS of Where it's at and What's happening.

By Ed Hanson

"Well, Florence," I said, "it's been 23 years."  
"Yes," she replied, "That's a long time."  
"You haven't changed much -- you look about the same."  
"Wish I could say the same for you."  
I laughed. "Your same old needle is showing. How have I changed?"

"You're much heavier. And with that cookie duster you look more like an old man than you did before."  
"Compliments will get you everything, Florence. Anyway, it's nice seeing me again, isn't it?"  
"Same old line - you'll never change."  
"And how is Michael, my dear?"

"Your son is a fine young man of 23. And as I told you over the phone he's married."  
"My, my, I believe you said he married a young lady from South America."

"Yes, they're both at college finishing their education, Michael's at DeKalb, his wife is at Illinois, getting her PhD in psychology."

"And what's Michael plan to be, Florence?"  
"An attorney, Eddie."

"I'm glad you finally remembered."  
"Remembered what?"  
"My name, Eddie, it makes me feel young to hear someone call me 'Eddie'."

"Well, you don't look it. What have you been doing with your self all these years?"

"Having a good time, Florence."  
"I should have known better than to ask. You never married again, did you?"

"Heavens no! I decided why should I make another woman miserable when I could make so many happy. So I made the supreme sacrifice and remained single."

"Oh, brother! Your good looks may have faded, but your conceit is still fabulous."

"And so is my gall, Florence. But let's digress a moment - tell me who does Michael look like, is he tall or short, thin or fat?"

"Like you, Eddie. That is, like you looked about 28 years ago."

"You mean before the ravages of slow horses, fast women, cold dice and hot cigarettes and the pruning knife of time cut me down, eh, Florence?"

My ex-wife Florence shook her head, stared down at her Manhattan and made no reply.

Finally, I said, "A penny for your thoughts?"  
"Things could have been different," she said quietly and then added, "if you had been different."

This is part of the dialogue that took place at the fashionable FIRESIDE RESTAURANT, 9101 Waukegan rd., Morton Grove last Wednesday at lunch. The woman named Florence was once upon a time, like 26 years ago, my wife. My second wife, I hasten to add, I never count my first one because that marriage lasted two weeks. However, my marriage to Florence, considered in the light of the present track record for marriages in this country was of considerable duration. For you see it survived for 5 full years.

And whether a marriage lasts 5 years or 50 years, one can be just as expert on the subject of marriage after 5 years as one can be after 50 years. This is because, marriage, like any other activity (except the pursuit of pure pleasure) has a repetitive quality, and repetition becomes a bore, whether it be a marriage, job or any other unpleasurable activity in which the human being engages.

While marriage counselors and psychologists may or may not agree with me, I believe that boredom (routine) is one of the great contributors to divorce. And in all human beings, like the inherent fear of death, there is also the inherent desire to be free. To be free to pursue that, regardless of what 'that' may be, or what one wants from life, whether good or bad.

And people are never the same. Just as no two snowflakes are the same nor anything in nature is the same, humans too, have different personalities, wants, desires and ambitions. Marriage which is predicated upon the "oneness" premise - two different people-becoming "one" is baloney. That's why it rarely works and of those 1 out of 3 marriages in this country that end in divorce, it's reasonable to assume that many of the few that survive are unhappy. But because of religious reasons, children, money, property, etc. they put up with the boredom they inflict upon each other.

50 years from now, perhaps less, marriage as we know it today will be for the most part "gone with the wind." The younger people are changing this because today they are better educated and highly aware of the mistakes of former generations.

Perhaps my ex-wife showed profound perspicuity when she said, "Things could have been different - if you were different." What she meant, of course, was that if I were the same as she, then things could have been different.

But this is impossible because no two people nor anything in nature is the same.

Incidentally, there was one thing my ex-wife and I agreed upon. And that was the excellence of the place where we held our belated meeting. She agreed and I concur that the food, service and beverage of the FIRESIDE RESTAURANT in Morton Grove is top-drawer. And I may say that the atmosphere at the Fireside Hotel is very conducive to romance. Perhaps, if more area husbands took their wives there, or more area wives took their husbands there, they both would find something without reservation they could be in total accord with.

P.S. However, if you plan to visit the FIRESIDE in Morton Grove, particularly on the weekends you should have reservations.

## W.E.A.W. Guest Personality

## Speak-out on E.S.P.

An evening of excitement, enlightenment and perhaps a little mystery is planned for the Mayer Kaplan JCC's opening "Speak-Out" at 8 p.m. on Thursday, Sept. 20.

Psychic, Penny South and Dr. Winfred Hill, Chairman of the Department of Psychology at Northwestern university, will approach the subject "E.S.P. Does it Exist?" from two unique standpoints.

Ms. South, who has served as psychic consultant to businesses, news agencies and law enforcement agencies, will relate some of her rather extraordinary experiences in communicating with the past and other areas of parapsychology. She will ask persons interested in participating in a demonstration to write questions on a sheet of paper, using only their social security or driver's license numbers as a means of identification. She will then answer those questions, without divulging the questioner's name so as to avoid embarrassment.

Dr. Winfred Hill, author, research consultant and President-Elect of the Midwestern Psychological Association, will discuss research in the field of E.S.P., and will explore what is known about parapsychology.

Skeptics and believers alike are promised an unusual evening on Sept. 20 at the Kaplan JCC, 5050 W. Church st., Skokie.

Admission to the "Speak-Out" is free to members, \$1 for non-members and 50¢ for students.

## Photo Exhibit

"Students See Students" is the theme of the photography exhibit that will open in the William A. Koehnline Gallery, Building 4, Oakton Community college, on Monday, Sept. 17.

The photographs, the work of Oakton students during the past year, will be displayed through Monday, Oct. 15.

The exhibit will be open to the public during the hours that the campus is open. The hours are from 10 a.m. until 8 p.m. Monday through Thursday, and from 10 a.m. until 5:30 p.m. on Friday. The gallery is closed on Saturday and Sunday. There is no admission charge.

## Brief Lives

Roy Dotrice, distinguished member of England's Royal Shakespeare Company, brilliantly portrays the 17th century diarist John Aubrey in "Brief Lives" opening Tuesday, Sept. 25 at 8 p.m. at Arlington Park Theatre. An exclusive limited engagement, "Brief Lives" will play two weeks only through Saturday, Oct. 6.

For this unique presentation (a play for one player), the stage set will be comprised of over 2,000 genuine antiques - from the petrified kidney of Sir Thomas Harcourt to the jaw-bone of Sir Thomas More, a four-poster bed, a stuffed bear, Jacobean tables and chairs, tapestries, a real log fire, and over \$5,000 worth of pewter-together with several other "eccentric" items, complete with cobwebs.

Each piece has been carefully packed, unpacked and packed again since "Brief Lives" opened at London's Criterion Theatre in 1969 - where it played to standing-room-only, broke all existing box office records and earned Roy Dotrice the Actor of the Year Award.

To transform himself into John Aubrey is a long and arduous task for Roy Dotrice. The makeup requires over 3 hours every evening, and an additional hour afterwards to remove... an achievement so magnificent, that recently a full length photograph of Mr. Dotrice in makeup and costume went on sale as a collector's poster in London.

For ticket information, call 392-6800.

## Woman's Club of Niles to host 'Genie'

"The Genie" is coming to Niles. The Woman's Club of Niles, member of I.F.W.C., will host a most interesting guest at the Sept. 19 meeting.

Jean Bonnell of Des Plaines, known as The Genie, regularly appears at the Flying Carpet Motel and her programs are a combination of astrological interpretation, palmistry and ESP, the program will include participation of volunteers from the audience. Members and guests are sure to enjoy this charming and talented entertainer.

The program will follow the regular meeting which begins at 8 p.m. There is a 50¢ guest fee and refreshments are served. All regular meetings of the Woman's Club of Niles are held in the Bunker Hill Country Club, 6635 Milwaukee on the 3rd Wed. of each month.

A word of thanks from the membership to Chief Tahuee of the Embassy Hotel, Terri Kehe and Nancy Wilson who entertained at the August membership Luau.

## United Crusade

The goal for the Skokie Valley United Crusade 1973 campaign has been set at \$72,000.

John N. Matzer, Jr., campaign chairman, who made the announcement said, "Our local campaign will again be conducted as part of the metropolitan Crusade of Mercy offering residents the opportunity to make one gift—where they work or, if they are not solicited at their place of employment, at home. In either case, Golf, Lincolnwood, Morton Grove, Niles and Skokie will benefit from the gift."

The local drive will begin on Oct. 4 and will concentrate on contributions from local firms and businesses, school and municipal employees, professional people and residents who are not solicited where they work.

The 13 local agencies that benefit from the Skokie Valley United Crusade are: Orchard Center for Mental Health, Family Counseling Service, Boy Scout Council, Girl Scout Council, Learning Tower YMC, Visiting Nurse Association, North Suburban Homemaker Service, North Shore Association for the Retarded, Niles Township Sheltered Workshop, Skokie Valley Welfare Council, United Service Organizations, Maine Township Mental Health Association, and Jeanine Schultz Memorial school.

### Maine Township allocates Revenue Sharing Funds

Maine Township will receive \$190,029 as its first payment of federal revenue sharing funds, Maine Township Supervisor James J. Dowd, Des Plaines, announced today.

According to an executive proposal formulated by Dowd, the money will be used for six purposes allowed by the federal government: social services for the aged and poor, \$50,000; health, \$20,000; library assistance, \$10,000; public safety, \$5,000; environmental protection, \$2,000; multi-purpose and general government, \$103,029.

"This initial allocation, when received, will enable us to begin the programs of aid to senior citizens, mental health and counseling, and library assistance we campaigned for in April," said Dowd. "As these programs develop, and as additional revenue sharing money is forthcoming, we intend to expand the services of Maine Township government where they are needed."

"To insure the most economical and efficient use of federal funds, we hope to be able to use the expertise and interest of concerned citizens," Dowd added. "Therefore, the Maine Township government is now studying the legal aspects and feasibility of creating citizens' advisory committees and commissions to assist us. As soon as our study is completed, we expect to ask residents of the township to offer their services to their fellow citizens."

### JAFFE: SUBURBANITES WANT DECENT PUBLIC TRANSPORTATION

"It is time for certain members of the legislature in Springfield and the political welders of power to recognize that suburbanites are tired of being treated like second-class citizens when it comes to providing us with public transportation. It has been obvious to all of us that the political power wielders have been playing games with public transportation. While they pretend to give RTA support, they have been, in fact, holding a Regional Transit Authority hostage in the battle for their own personal political gain. It is really about time to demand that they cut out the in-fighting, and the wheeling and dealing, and finally get about the business of serving the people's needs for a change.

The real issue under consideration is not who will be top banana in the political parties in Illinois, nor who will be a candidate for governor in 1976. The question is really whether we can have convenient, reasonably priced transportation in the six-county Chicago metropolitan area, I am convinced we can.

The people of my district know that I voted for the only RTA bill that was allowed by the leadership to reach the floor of the House during the last session. I intend to support any future bills that offer us a realistic opportunity for a viable system.

But I give notice right now that my support will go only toward those programs which incorporate far-reaching goals that include service to the suburbs. A Regional Transit Authority should not and must not be created solely as an excuse to bail out a bankrupt CTA. We also cannot expect to gather a group of defunct bus lines, red ink commuter railroads, and a debt-

ridden CTA under one battered financial umbrella, then inject it with minimal state money, christen it RTA, and foist it off on the public as a transportation cure-all.

The RTA that I envision is quite different. First of all, I propose that our RTA be structured on a strictly non-partisan basis -- That this system be completely removed from the political arena, with management and control placed in the hands of competent non-political transportation experts. Our RTA should not be a political football.

The system must be granted its own power to operate autonomously. It should be given as much local power as it needs for funding and sustaining itself without running into crisis after crisis, which is the sad experience we have had with the CTA. The state must supplement the local funds that are raised.

I recognize, as do other people who study government today, that a healthy, progressive urban six-county area is essential if we are to have a state that continues to be healthy and progressive. One cannot survive while the other deteriorates.

An RTA should cover the entire area, crisscrossing through and serving every community, Chicago and suburbs alike. It will not be sufficient for Chicagoans to be able to get to the suburbs, or for suburbanites to reach the Loop. The RTA we want must also get residents easily and quickly from Niles to Arlington Heights, or from Park Ridge to Skokie. They should also be able to get about within their own villages or cities. Businesses, schools, libraries, and recreation within the borders of a suburban town ought to be made accessible to its own citizens by means of a good public transportation system.

Life in the suburbs today is not the same as it was years ago, and suburbanites know that they no longer have to "make do" or sit back and meekly accept crumbs that are doled out by self-serving political coalitions.

My constituents in the northern suburbs tell me they want better public transportation, and they expect the state to start moving to give it to them. I agree."

### Physician Teacher of the Year

### District 207 College Night

Plans are now being finalized for the Maine Township High School District 207 "College Night", to be held on Tuesday evening, Sept. 25, from 7 to 10 p.m., at Maine Township High School South, 1111 S. Dee rd., Park Ridge.

According to Ken Reese, Career Counselor at the host school, representatives from over 150 colleges and universities from all over the country, as well as junior college representatives, will be on hand to give as much information as possible about their colleges -- size, location, facilities, entrance requirements and course offerings. Students and parents will have an opportunity to talk directly with the representatives to get all necessary information that must be considered before applying for admission.

Since this will be the only "College Night" during the 1973-74 school year, students and parents are encouraged to set aside the date and make plans to attend.

# NSMTD to move ahead on Bus Grant

At its regularly scheduled August meeting, the Trustees of the North Suburban Mass Transit District heard a report that the District will move ahead as quickly as possible with its application for Federal funds with which to buy new equipment for Glenview Bus Company and United Motor Coach Company.

Richard T. Newman, Vice-Chairman of the District and Chairman of the Bus Operations Committee, in giving his report, stated: "While the District was very close to fulfilling Federal requirements, probably within two or three days, and the Evanston agreement with the CTA was disappointing, we are moving ahead with the other parts of the program to improve bus service throughout the areas served by United Motor Coach and Glenview Bus Co." Newman indicated that he hoped to have an answer on this part of the application by the next meeting.

A spokesman for Amalgamated Transit Union Division 241, which includes drivers for CTA and Evanston Bus Co, drivers had voted to remain on strike and that drivers for CTA would not cross the picket lines. Newman thanked the Union for this information and for their cooperation in the past and added: "The District can not get into these labor situations. The Evanston

City Council was faced with a dilemma - they felt time had run out and were very concerned about the possible loss of the CTA "L" stations. The decision was not the District's but we have no recriminations, no regrets, and we look forward to cooperating with Evanston in future planning."

Joseph DiJohn, trustee from Skokie, presented a statement from Albert J. Smith, mayor of Skokie in which Smith said: "I wish to emphasize my support for NSMTD, which Skokie helped to create, and the concept of mutual cooperation among our neighboring suburbs. NSMTD is the best available hope for sub-regional transportation." DiJohn also pointed out that Skokie had formed a task force to search for methods of replacing routes lost in the Evanston-CTA agreement. At the suggestion of Newman and Bart T. Murphy, Trustee from Niles, all communities facing loss of bus service from Evanston Bus Co. were encouraged to instruct NSMTD on their needs and wishes so that NSMTD could work with CTA and other carriers to supply necessary service.

In summing up the present bus situation, Newman said: "While there have been several unfortunate results, including a blow dealt to inter-government relations, we have had too many successes to be swayed from proceeding with our overall plans to improve transportation service in our area."

In other Bus Operations business, DiJohn and Murphy reported that the two experimental bus routes operated by United Motor Coach along Milwaukee ave, and Dempster st, are showing, encouraging increases in ridership and that slight revisions in scheduling will cut costs 30% to 40% so that the costs can be continued longer. The Board also approved a resolution offered by Raymond Drymalski, Jr., Trustee from Northfield, authorizing a loan of \$8,000 to the Glenview Bus Company so that the company could continue bus service. Drymalski stated: "This is an emergency and the loan is being made in the spirit of the previous loan agreements with Glenview Bus." The loans are supported by liens on equipment. Regarding legislative matters, the Trustees heard a statement by James W. Cotter, Trustee

from Lincolnwood and Chairman of the Legislative Committee in which he supported the creation of a six-county Regional Transportation Authority and urging Governor Walker to meet with Mayor Daley, Speaker Blair, Senator Harris and others "to work out the details of this very complex, but extremely important legislation." There was some discussion among trustees regarding methods of funding RTA but expression supporting the need for RTA and the need for immediate action was unanimous.

In Rail Operation business, Edward W. Walbridge, trustee from Libertyville and Chairman of the Rail Operations Committee, announced that options had been initiated for the purchase of two diesel locomotives and five cars for the commuter service of the Milwaukee Road. The Milwaukee Road is also contributing seven locomotives to the District. This equipment purchase is the result of state and federal approval of the Capital Improvement Grant Application previously filed by the District. Delivery of the locomotives is expected in March, 1974 and the delivery of the cars will begin shortly thereafter.

The Board authorized trustees Newman and Walbridge to negotiate the final lease arrangements with the Milwaukee Road. Walbridge also reported that the Rail Operations Committee is still studying the alternatives of constructing either a tunnel or an overpass at the Deerfield station and that a study will begin concerning the enlargement of the Lake Forest station for a future grant application.

In other business, Murphy, Chairman of the Finance Committee, reported that audit of the District's funds will be completed by Sept. 15, 1973 and that copies of the audit will be sent to member communities within a week or two after completion. The next meeting of NSMTD will be Wed., Sept. 26, 1973, at the Northfield Village Hall, Willow rd, and Eden's Expressway, at 7:30 p.m.

# From the LEFT HAND

Continued from Page 1

Chicago fandom would be a great project for some study for some graduate school. Laying the sports nuts on a group couch, and trying to figure what makes them think their guys are winners, might be a lifetime project for a whole school of psychologists.

This past year sports writers have been aghest the baseball Cubs can't be winners. They bleat, and bleep, and suggest the guys choke in the clutch. They have no more conception of the makeup of athletes than they do of what makes dumb guys become sports writers.

In bygone years I was a 4 week member of a college fraternity. One of the fellow members was a 6 foot adonis, who could play every sport with grace and ease. He played high school basketball at Von Steuben and in a playoff game single-handedly destroyed a great South Shore team in the 1945 playoffs. At Illinois he was superb; He could kick 200 yards, pass and he could shoot a 3 cornered bank shot off a basketball backboard, while getting a rubdown in the locker room. He was a superb tennis player whose son today is number one or two at Michigan. But this guy lacked what the Cubs lacked. He just didn't have that little bit extra which separated first place from all the rest. Sports writers called it the killer instinct. Chicago sports writers would have said the guy choked. But he just lost by two yards, or one run, or in the last ten seconds, or by the wisp of a ball against the base line. He was one nice guy, but he epitomized Leo Durocher's "nice guys finish last". Only he always finished second. He was 25 years ago what the Cubs are today.

As part of this Chicago Sports Fans Love Pain column we have another team in town, which is all guts, but which will never win, no matter what the type-setter sets into the hot box... the Bulls.

Year after year these well-paid cagemen play their hearts out in hopes they'll reach the brass ring. And year after year they miss it by the length of a referee's whistle blow.

Last year Herman Glendon, from Norbert's Landscaping told us he was at a dinner in Milwaukee with Will Chamberlain, who did a bit of off the cuff conversation with the guys at his table. Chamberlain said it was a waste of time coming down to Chicago, implying the Bulls weren't in the same league with his Los Angeles team. Sports pros don't normally speak so freely to guys they've just met. But Chamberlain was probably tired, and said what any fans outside Chicago know.

Well, this column is somewhat rambling. But while you sports hungry nuts are getting ready for the kickoff of another championship Chicago season, we thought you'd like a few words from Bugleland, which may buoy you over as you become mired in another losing year... they are simply the Bears and the Bulls and the Cubs and the Sox have the worst combined city championship record of any major city in the country. The Sox have won 1 pennant in 54 years, the Cubs' 1 pennant in 28 years, and neither has won a world championship since 1917. The Bears last won in 1963 and the Bulls are still striving for their first winning season.

The name of the game is to win. All other positions are last place. But Chicago, fandom has one abiding grace: "Wait 'til next year"

Dist. 207... Continued from Page 1

ment of Dr. Benka, Dr. Richard R. Short, Superintendent of Schools, told members of the Board of Education that he had been selected after a careful screening of more than 100 applicants for the position.

Dr. Myers, in his position as administrative assistant to Dr. Short, has served as a liaison officer between the district's central office administrative staff and the administrative staffs of the four Maine high schools in decision making regarding the instructional program. He has also been involved in the development and expansion of programs to serve young people with unique special needs, and has assisted in a program management role necessitating careful fiscal analysis of the school system to maintain the traditional level of quality in the instructional program while redefining and real-locating financial resources.

He will now have expanded responsibilities in his new assignment as Assistant Superintendent-Instruction. Dr. Myers joined the District 207 administrative staff in August, 1969, coming to this area from Alton, Illinois, where he was director of research projects at the Supplementary Education Center. Prior to that he served on the Advisory Council of the Department of Research, Office of the Superintendent of Public Instruction, Springfield, and as director of research and community information for the Springfield Public Schools.

While studying for his doctorate in education at New York University, Dr. Myers assisted in research projects funded by the U.S. Office of Education. His background of experience also includes teaching positions at the secondary level and serving as an assistant principal at a junior high school.

want any apartment buildings there. One man, Richard Vician of 8500 Menard said some of the residents were told this would be an ideal spot for low income housing and they should sell their homes before this happens. "To me this is just panic peddling" said Vician. Mayor Bode said, "I think this may be just hearsay."

In regard to the parking lot near Frank's Nursery in the Korvette parking lot, David Cohen said he would like to condemn the lot until it's improved, but that Frank's has built a very nice building and he feels it's unfair to penalize them. Richard Weiner, representative of Arlen Realty said his company is late in starting work, but that it has now begun and should be completed within 45 days. Cohen moved to have the Arlen Realty Company post a 45 day Surety Performance Bond for \$200,000, and a \$200,000 non-surety bond for one year to guarantee their work. The trustees agreed with this, however, they also agreed to let Frank's Nursery open on Friday since Mr. Joel Rosenthal said they have said going in on Thursday night for a proposed Grand Opening on Friday.

It was reported that complaints of noise have been made about customers who are at the Jack-in-the-Box drive-in on Waukegan and Golf rd, during the late hours. They are open all night and Police Chief Glauner suggested that the problem might be solved by limiting the business hours to 1 or 2 a.m. instead of all night. John Nordberg read an ordinance making it legal to sell wine and beer to those 19 years of age or older beginning Oct. 1. This complies with the state law. The board adopted the ordinance.

Ed Brice said there were several broken water mains last week and said we may get a 34% increase in our water rate from Chicago.

David Cohen said the Social Services Department had 6 cases in August for a total of 44 1/2 hours of time. Chief Glauner informed the board that beginning Oct. 1, 1973 the Ride-a-Long program will resume for boys and girls 14 to 18 years of age. This is from 7 to 11 on Friday and Saturday nights. John Hilkin noted that we received 125 pints of blood at our last drawing.

Mayor Bode announced the appointment of Lester Brownstein, 52, to be the new Enforcement Officer. Martin Ashman moved to table discussion of the appointment till next week.

The continuing skunk problem was again discussed at great length and the board finally decided to take some action on the matter. The Ballantine Pest Control Company will be retained to send out mailings to residents and do some investigation and try to rid villagers of these pests for a fee of \$35. per skunk. The village will pay the cost.

In new business, John Hilkin moved to have the board meetings changed from Tuesday to Monday and from every week to twice a month meetings. The board voted to try meeting on the 2nd and 4th Mondays of each month, beginning Oct. 1. Ed Brice noted that this method was tried some years ago and that at times meetings lasted until one or two in the morning. When one of the citizens tried to comment on this new method of holding board meetings he was ignored and it seems as though the trustees had already made up their minds to do this.

**TAM . . .** Cont'd from Niles-E, Maine P.1

After Tuesday night's village board meeting Trustee Keith Peck told The Bugle, "If I have anything to say about it (TAM) we will go after it".

Peck's remark was just a one-line comment but it indicated the feeling of several village board members TAM should stay within the village's borders, as far as who should own the property.

Interviewing village president Nick Blase, he told The Bugle he did not want to get in the way of the park board's plans. And while he did not care to discuss the matter because of a possible village-park conflict, he left the impression the village of Niles might get into the recreation field.

A recent Bugle editorial suggested Oakton College might consider the area for its permanent home. It noted if the park district did not exercise its option during the coming year any public body within the area served by TAM would be eligible to purchase the 35 acre property at a bargain rate of about \$15,000 per acre. This agreement was reached with the owners of the land 7 years ago. Tuesday night Trustee Peck said he thought the village had a priority to buy the land within 6 months after the park district option ran out.

Understanding the make-up of Niles village board there is no doubt Niles village officials would unanimously support the purchase of the land. And with the large amount of revenue the village receives, it is conceivable the purchase could be made without taxing its residents. The village hall purchase was made without putting a dent in taxpayers' pockets, and it is quite likely this 1.3 million dollar purchase could be bought with present revenue now being produced within Niles.

In other village board actions:

Twice-defeated park board candidate Abe Selman was selected to fill the trustee post left vacant by the resignation of Jerry Skaja. He was approved by all trustees except Keith Peck, who passed on the roll call. Peck said he had nothing against Selman but felt former trustee, Tod Bavaro should have been selected.

Village president Blase did not reveal the names of other candidates but said several people were under consideration for the post. Based on Peck's comments Bavaro seemed to be the most serious contender for the post.

Okayed ordinance for indoor customer seating for the McDonald's Drive-in at 7939 Milwaukee.

Will seek the vacating of alleys in the swimming pool area behind the swimming pool south of Oakton street.

Approved ordinance restricting building height for commercial and industrial buildings to 36 feet.

Okayed Blase request for package liquor license for Penney's new Treasury store at Golf and Milwaukee. Trustee Haczak asked why large companies should automatically receive package licenses extending it was unfair to smaller businessmen. Blase, who is also liquor commissioner, said the village agreed to give Penney's the license they they agreed to annex their property into the village. Blase said the revenue from this store was a paramount consideration in the agreement. Haczak questioned whether this agreement was in writing, and Blase implied it was verbally agreed to. Trustee Pesole voted against the issuance and village officials agreed to study future license issuances regarding the points brought up by Haczak.

Accepted bids from 3 firms for the widening of the intersection of Milwaukee and Oakton. Bids ranged from \$40,452 to \$49,016 and were to be studied by Niles officials.

Pesole's suggestion Niles review all insurance policies and subject them to bids has already been undertaken. Blase said consultants are already working on this.

Flag Football Program

It has been brought to my attention that flag football will be starting in Lincolnwood, Sept. 8 thru 29 and Oct. 13 thru 27. Check with your gym instructor or Mr. Mau for details. It looks like more sports and activities will be underway in Lincolnwood.

Lincolnwood Men's Club

The Lincolnwood Men's Club will be hosting Lieutenant Janecek of the Narcotic Detective Division who will be giving a talk on drug abuse. All members and wives are invited to attend. New members wishing to join may come also with their wives. The date Sept. 17, Mon, at 8:45 p.m. Buffet will be furnished. An interesting program for all parents, at Kenilworth Inn, 7110 N. Lincoln av., Lincolnwood in Buton Room, downstairs. Yearly dues \$12 entitle you to all benefits of the club.

700 Mile Trek By Camper

The Zimmermans, Roberta and Harold, Danny and Rachel, all left in their camper to see the wildlife in the western states, visiting many interesting places and taking many pictures of their tour. Their comments were "It was breath-takingly lovely" and they would like to do it again next year. The Zimmermans live at 6423 N. St. Louis av.

Village Board Meetings

Don't forget when the village board meets and you have a problem, let it be known to the board. This is your constitutional right as an owner of property in Lincolnwood. For so long there was a silence and then suddenly a voice is heard. Let it be heard always. Mark the date on your calendar.

American Legion Post 1226 Bingo

Lincolnwood American Legion Post #1226 features Bingo every Wed. night at 7:30, with a \$500 Jackpot Bingo. Twenty-two games in all with cash prizes offered totalling over \$1,000 each week.

district administrators about an increase in the number of children in the classes.

Two adults, one teacher and one aide would serve about 25 children under the new system. The adult to child ration would be one adult to approximately 13 children than to 17 or 18 children as it was in previous years.

Teacher aides have not been used before at the kindergarten level. By making the classes larger and hiring the aides, it was possible to reduce the number of kindergarten teachers from three to two.

Teacher aides are paid about 40% of what a teacher is paid, and must have at least two years of college and special training in child care.

Cadette Troops 176 & 100

Morton Grove Cadette Troops 176 and 100 ended their variety of summer activities with two August events. On Aug. 24 the 30 girls were taken by Leaders Mrs. T. Irmen, Mrs. R. McKay, Mrs. T. Gibbons and driving mothers Mrs. Z. Kernes, Mrs. D. Doninger, Mrs. A. Weisberg and one driving father Mr. Johnson to see the Osmond Brothers at Arlington Park's Future of a Merit.

On Aug. 29, 26 Cadettes from both troops showed up for an afternoon of bowling competition with Leaders Mrs. W. Koss and Mrs. R. McKay at Classic Bowl. First place prize went to Monique Levy of Niles from Troop 176. Second place to Dede Harshfeld of Troop 100 and third place to Susan Koss of Troop 176.

All future events will be discussed at the first Cadette meeting for the combined two troops, consisting of 85 Scouts at this time, at St. Luke's church on Tuesday, Sept. 11 at 7:30 p.m. After this first meeting, Troop 100 will again meet at Melzer school and Troop 176 will continue to meet at St. Luke's church.

The main objective is to work for the hospitalized veterans at Hines and the Veteran's Research Hospitals.

It's a fun evening open to everyone. Located at 6900 Lincoln av., in Lincolnwood.
