Board receives estimate on Maine North expansion

At the District 207 Board of Education meeting Monday evening, Sept. 10, a progress report by Don Stillwaugh of Erickson, Kristmann, Stillwaugh, Inc., school architects, set a figure of \$6,147,836 as the probable cost of the contemplated Maine North expansion program. His report included refined cost estimates for 118,625 sq. ft. of new space, which will include an auditorium, woodshop, swimming pool, photo lab and new quarters for music,

speech-drama, and art. The \$6,147,836 includes fixed and movable equipment costs, site costs, and professional and contingency fees. During the past year citizen groups in the north part of the township have repeatedly voiced their concern about the uncompleted condition of the school, insisting that many of its programs are being handicapped by lack of proper facilities and that their children are being denied

facilities comparable to those enjoyed by students attending the other 3 Maine high schools. It is anticipated that in the near future the Board will hold a referendum for the issuance of general obligation bonds to acquire funds to complete the construction project. At Monday night's meeting the administration was authorized to have the architects develop schematic plans for this Phase II construction.

In an effort to aid the Board in its consideration for the financing of the Maine North addition, Dr. Richard R. Short, Superintendent of Schools, and Harold Markworth, District 207 business manager, presented a report on the bonded indebtedness of the district, projecting bond and interest estimates and tax rates on an estimated assessed valuation through 1986. The report indicated that the school district could issue up to \$7,000-

000 of school building bonds to pay for the Maine North construction project without increasing the district's present bond tax rate. In fact, Dr. Short brought out, even with the additional bonds the bond tax rate for the district will gradually decline in future years. Dr. Short also pointed out that recent action of the Illinois legislature to provide state support for capital improvements could

PARK VOTE ON TAM WILL BE NOV. 17

From the LEFT HAND

By David Besser
Editor & Publisher

A recent incident in our community concerning discrimination brought to mind the many forms it has taken in my lifetime.

Being a member of several minority groups the unending blows at my rights could take up reams of copy,

About 3 years ago I became a tea drinker. And while tea drinkers are in the majority in many parts of the world, in this country I joined a highly-persecuted minority. Discrimination is at a minimum at home, but in restaurants a civil rights lawyer could make millions taking on food dispensing owners. Inevitably, when you enter most restaurants a waitress will be shadowing you with her coffee holder as you slide into your seat. If you tell her you're a tea drinker, more often than not she won't re-appear until she takes your order. And when the second and third pourings of coffee are given to your table-mates you are more often ignored. When you seek the second round of tea, hot water rather than a fresh tea bag is all you receive. Or a waitress will ask you if you want another tea bag, and then proceed to slap another fee on your bill. Perhaps it shows my cheap Charley side, but a grill in Morton Grove charged me 50 cents for 2 cups of tea with accompanying tea bags. When I complained the boss pointed to the booze area and told me all these items cost him money, and I wouldn't expect a second alcoholic drink without paying, so why should I object to a second cost for tea. Well, I did and he's now one customer shorter than he would be, at least once a week.

Another minority group which I belong to has a worldwide membership of about 10% . . . left-handers. Among our more illustrious members include or have included Alexander the Great, Babe Ruth, Ted Williams, Harry Truman, Pablo Picasso, Bill Maldin, Betty Grable, half the Beatles (Paul and Ringo) Casey Stengel and fellow-Chicagoan Kim Novak. Left-handers are believed to be more imaginative than right-handers which explains why Michaelangelo, Raphael and Leonardo belonged to our group.

Centel hosts Open House Tuesday

Centel is big business and it is opening its doors to the public to show just how big it is. Central Telephone Company will host an open house at all its Des Plaines - Park Ridge facilities Tuesday, Sept. 25, between 5 and 9 p.m.

Central Telephone employs 1,300 persons locally. For the past several years, it has budgeted an average of \$18 million per year for construction and improvements. Last year, the company paid more than \$1 million in personal property tax and approximately \$225,000 for real estate taxes.

The telephone company operates out of 8 buildings in the Des Plaines-Park Ridge district, encompassing more than 250,000 square feet.

At Centel's Park Ridge building, 36 S. Fairview, visitors will see the switching equipment which goes into action when a telephone is dialed. This includes a new \$3.5 million Crossbar switching system put into service last June.

The Park Ridge building also houses directory assistance, which handles about 20,000 calls on an average business day. In addition to the present toll boards one will see 62 new TSPS cordless, all electronic switchboards being installed at a cost of \$5 million.

In Des Plaines, switching equipment may also be seen at the 767 Pearson st. building. A three story addition, costing \$1.3 million, is now being added to this building. Two of the new floors will house a fifth Crossbar Marker Group, while the third floor is earmarked for future expansion.

At 1536 Prairie ave. is the vital test center where all new service and repairs are tested without interrupting customer service. Nearby on Ellinwood is the data processing center where many of Central Telephone's operations are being computerized to effect more efficient and accurate billing, record keeping, resource control and to facilitate other service improvements. The print shop, engineering and drafting department and assignment center are also located at this site.

Gary Huff to be at Golf Mill

Gary Huff, quarterback for the Chicago Bears will be in the South Mall of the Golf Mill Shopping Center Monday, Sept. 4 from 7 to 9 p.m.

Gary Huff, second round draft choice, will sign autographs and have pictures available for those who come to meet him and talk football.

The first 200 league football players under 17 in uniform will receive a special gift, courtesy of the Golf-Mill Merchants Association.

Welcome Rabbi Berlat as Lutheran General Chaplain

On Thursday evening, Sept. 6, Rabbis and Presidents of the 15 member Synagogue Council of the Northwest Suburbs hosted a dinner meeting at Lutheran General Hospital to welcome Rabbi Norman Berlat as the first Jewish Chaplain at Lutheran General. Representatives from the Chicago Board of Rabbi's Commission on Jewish Chaplaincy, the Jewish United Fund, Lutheran General's administrative staff and Pastor Lawrence Holst, Director of Pastoral Services at the Hospital, joined with the local Synagogues and their Spiritual Leaders in highlighting this momentous cooperative endeavor.

In the 3 short months that Rabbi Berlat has been at Lutheran General, he has visited more than 600 Jewish patients there of all ages and from all walks of life. In a special dinner report, we learned that 70% of these patients have no Synagogue affiliation but Jewishly identify and thus are Jewishly cared for through the presence of a Rabbi on the permanent hospital staff.

Proposed water rate hike to affect suburbs

Chicago Mayor Daley's proposal for a 34% water rate increase for the urban city will affect suburban users as well. While Niles and Morton Grove pay as much as \$450,000 annually to Chicago the increase could cause the villages an additional \$200,000 cost to the now existing figure.

Morton Grove Business Manager, Fred Huber estimated the raise to individual residents may average about 20% or \$15 to \$18 annually. Niles village manager, Ken Scheel said the average Nilesite pays about \$48 annually, and while the increase could only be guess-timated it was approximately the same as Niles.

Bugleland communities receive their water from Chicago, Niles and Morton Grove receive water from lines on Harlem Avenue bordering Niles.

SPORTS

Six more stars added to TAM Tourney

Six more tennis stars, including Sweden's Bjorn Borg—who defeated Arthur Ashe in the recently-held U.S. Open—have been added to the list of players competing in the upcoming Tam International Open Tennis tournament in Niles Sept. 24-30.

Borg and his cannon-ball serve burst upon the international tennis scene last year when, as a 15-year-old, he defeated 4th-ranked Italian Zugarelli in Madrid's Melia Trophy meet. In 1972, he captured the Wimbledon Junior Invitational singles championship. Earlier this month, Borg ousted the seeded Ashe from the U.S. Open.

In addition to Borg, the following stars have signed this week to participate in the \$50,000 Tam Open to be held at the Tam Tennis Club, 7686 N. Caldwell, Niles:

— Gerald Battrick of Great Britain, former British and French Junior champion who was ranked 3rd in the WCT in 1972;

— Frank Froehling of San Diego, who returned to the tennis circuit in 1971 after giving up the game in the mid-1960's to concentrate on stockbroking;

— Charlie Ownes, a promising young player from Tuscaloosa, Ala.

Football results

by Joe Komperda

The Maine East Demons started their 1973-74 season with the ninth annual Blue and White intersquad scrimmage game. The Blue team beat the White 14-13.

The scoring was started by Terry Gilroy with a one yard scramble into the end zone. The touchdown climaxed a drive by the white offense that saw two 15 yard penalties in their favor. Kicker Paul Varco came in and kicked the extra point to give the white a 7-0 lead.

The blue struck back with a nice run by Mike Lausen. The attempt for a two point conversion failed, making the score 7-6. Blue kept fighting and despite many penalties came up with their second touchdown scored by Mike Donatucci. Quarterback Mark Franklin passed to Randy Jaaks for a two point conversion, making the score 14-7.

White, in an attempt to gain the lead, scored late in the game on a beautiful pass from Sam Carter to Scott Magnuson. The extra point attempt failed, making the final score 14-13.

Both the Blue and White teams showed the spectators some fine football that might prove to be the basis of a winning season. On the other levels, both the sophomores and freshmen demonstrated fine techniques. From their performances it looks like all the football teams are going to be something to be proud of at Maine East this year.

Maine East starts the season with Parents' Night on Friday, Sept. 14, against Forest View. The sophomores will be kicking off at 6 p.m. with the varsity kicking off at 8:15 p.m. All of the football action along with our cheerleaders and pom-pom squad will be in the Maine East stadium.

Looking ahead into the season the Demons play Evanston at Evanston on Saturday, Sept. 22. This will be the first chance to see the freshmen in an actual game. After Evanston it's back home for Homecoming on Saturday, Sept. 29, against Maine North.

Thursday, Oct. 4, will see Niles East on the home turf. Then on Saturday, Oct. 13, the Demons play New Trier West at New Trier. Friday, Oct. 19, it's back home again to play Glenbrook North. Glenbrook South is the opponent on Saturday, Oct. 27, at Glenbrook. The last game of regular season play will be at home against Highland Park on Nov. 3, Nov. 9 and 10 is the Central Suburban League playoff games, which will hopefully be seeing the Demons on the grid fighting for the championship.

— Terry Ryan of South Africa, an import agent who has played at Wimbledon and who owns a series of upset victories over some of the tennis world's greatest players; and

— Yash Singh of India, who wears a Sikh turban off-court and has become known for his aggressive play on court.

Players already signed to participate in the Tam tourney include: U.S. Open Champion John Newcombe, Ilie Nastase of Romania, Evanston's Marty Riessen, Belleville's Jimmy Connors, Clark Graebner, Cliff Richey, Tom Okkr, Roger Taylor, Owen Davidson, Andy Pattison, Torben Ulrich, Brian Gottfried, Bill Lloyd, Barry Phillips-Moore, Pat Cramer, Eddie Dibbs, Vitas Gerulaitis, Dick Crealy, John Barlett, Geoff Masters, Graham Stillwell, Phil Dent, and Kim Warwick.

Match play in the Tam event will begin among 32 players on Monday, Sept. 24. The top 26 stars will form the main draw with the six remaining berths being determined in qualifying round action slated for Sunday, Sept. 23. Pairings will be announced at drawing to be held Friday, Sept. 21, in the Ozark Room of the Hyatt Regency O'Hare, River rd. at the Kennedy Expressway, official headquarters for the tournament.

Championship play will be held Sunday afternoon, Sept. 30, with the singles action being televised live on CBS Channel 2, WBBM-TV. Singles winner will receive a \$9,000 prize with the runner-up \$4,600. Doubles winners will divide \$2,400.

All action in the tournament will be held in the newly built, air-conditioned Tam Tennis Club, 7686 N. Caldwell, Niles. Tickets for all events are still available at the box office at the Tam Tennis Club.

The Tam International Open is being sponsored by the Tam Tennis Club division of the Tam O'Shanter Club, Inc., a development of J. Emil Anderson & Son, Inc. It is being produced by Professional Tennis Management, Inc., of Hinsdale, and is sanctioned by the United States Lawn Tennis Association and approved by the Association of Tennis Professionals.

Suburban girls track club

Suburban Girls Track Club, a new girls track and field club, has been formed and will be operating in our community.

The club has as members several national champs and numerous State and Central A.U.U. Champs. With the new outlook on women athletics in Illinois, this new club has been organized to give any girl an opportunity who has the desire to learn and be trained to compete in A.U.U. track and field meets. The club offers facilities to develop her skills.

We have obtained the services of one of the most competent women's track coaches in the area who will supervise the girls training.

We are looking for girls from our area who have an interest in track to come and join us. There are no dues or membership fees. If you are female and would like to develop your running and jumping skills, please contact Cary L. Miller, 827-4536 — or George Boesler, 823-9228.

Karate Students to exhibit skills

Students of the Korean Karate Academy, 9000 Waukegan rd. will exhibit their skills at the Academy 3 p.m. Saturday, Sept. 22, during their belt promotion examination.

President of the American Tao Kwon Doe Federation Nam Tae Hi and Academy director Nick Boodris will administer the 2 1/2 hour test, which will include board breaking and sparring, to 30 students ranging in age from 8 to 40.

Nam will also present Boodris with international certification as a fourth degree black belt at the test.

Admission will be free, spectators welcome.

a good deal on a new car deserves a good deal on a new car loan

Like a low cost, 1974 new auto loan from the friendly folks at First. With low interest rates that can save you money on your new car purchase. And no hidden charges. You see the exact cost—right to the penny—before you sign. You'll also love the convenient way First tailors your monthly payments to fit your personal budget. They can even be automatically deducted from your checking account, if you wish.

First also provides low cost credit life insurance which can be financed right along with your loan. And, as an added convenience, all loan arrangements can be made in advance. With financing taken care of, you can enjoy the bargaining power of a cash customer. So stop in at First and visit the friendly folks below. They'll see that you get the "good deal" new car loan your new car deserves.

Resurrection Hospital names Assistant Administrator

Sister Mary Gerard, C.R., the former director of nursing services at Resurrection Hospital, has been named Assistant Administrator in charge of Nursing Services.

Sister Gerard will now be involved in decision making and policy planning on the executive level of the hospital. She has also been appointed to the Sister Governing Board of the Resurrection Community.

"Her new position affords her the opportunity to take an active role in the administrative and advisory boards of the hospital, as well as any other administrative process," said Sister Bohaventure, C.R., Hospital Administrator.

"The promotion allows me to devote my clinical and academic training to the good of the entire hospital," said Sister Gerard, "and not just at the division of nursing services." "My goal is to be of assistance to the total hospital good," she said.

Sister Gerard was graduated from the Brooklyn Hospital School of Nursing in 1955. The following year she began work at Resurrection Hospital as a staff nurse. She joined the Congregation of the Sisters of the Resurrection in 1958.

From 1960 she held supervisory positions in Resurrection's emergency room, operating room, central supply, obstetrics

and medical-surgical departments. She attended DePaul and Fordham Universities and received her Master of Science in Nursing Administration in 1968. She is now involved in graduate work in business administration. Sister Gerard is a member of several local, state and national professional hospital organizations.

'Smile' signs

Stop—and smile! That's the thing to do when you approach the intersections of Merrill and Monroe, Oketo and Monroe, and Main and Osceola. The Village of Niles recently put smiling faces on the reverse side of the stop signs at these locations.

The 3 smiling faces above belong to Frank C. Wagner, Jr., Director of Community Services, "Mr. Smiley," and Mayor Nicholas B. Blase. Stated Mayor Blase, "We put the smile signs on the back of stop signs so as you approach an intersection, you would see a happy face smiling at you. We feel in our serious world atmosphere, that we would create an aura of cheer for motorists driving in the village."

Stated Wagner, who proposed the idea, "It appears that people enjoy seeing 'Mr. Smiley,' we might even get the reputation of being known as the village with a smile."

Mayor Blase remarked, "Perhaps the smiling faces go along with our Astro-Turf, hanging flower baskets and tree planting program that the village has undertaken recently. When you pass by the 3 locations mentioned, let us know if 'Mr. Smiley' makes you smile back."

Sutker 'Personality of Month'

Niles Township Democratic Committeeman Calvin R. Sutker (center) will be honored as "September's Personality of the Month" on the "John LaValle (right) Radio Awards Showcase," to be aired Saturday morning, Sept. 22 on W.E.A.W. Radio (1330 K.I.C.) at 8:45 a.m. Certificate of Merit was presented by Radio Co-hostress Polly Pancoe.

10th District opposed to federally subsidized housing

Responses to the constituent questionnaire of Rep. Samuel H. Young (10th, Ill.) show that residents of the 10th Illinois Congressional District disapprove of federally subsidized housing for their communities by a margin of more than 3 to 1.

Congressman Young's first questionnaire, mailed in late June to all 151,600 postal addresses in the 10th District, produced more than 16,000 individual responses from all parts of the District. The questionnaires were received by constituents in early July and returned later that month. Tallying was carried out during August.

In the questionnaire, constituents were asked to respond to the question: "Do you favor federally subsidized housing for your suburb?"

"No" answers came from 75.9 per cent of those constituents responding from across the District. "Yes" was the answer of 24.1 per cent.

On a community basis, returns from municipalities in the District are: Des Plaines, 23.7% Yes, 76.3% No; Lincolnwood, 32.5% Yes, 67.5% No; Morton Grove, 15.8% Yes, 84.2% No; Niles, 13.9% Yes, 86.1% No.

CHURCH & TEMPLE NOTES...

IJF High Holy Day season

The Independent Jewish Families, in cooperation with the Private Educational Center, will hold their fourth annual High Holy Day Services throughout Rosh Hashanah, beginning Wednesday, Sept. 26, and Yom Kippur, beginning Friday, Oct. 5, at Laramie Park Fieldhouse, 5251 W. Sherwin, Skokie.

Rabbi Dov Schwarcz, assisted by Rabbi Dantel Azulay, will conduct the services, which will be held at 6:30 p.m., Sept. 26; 9 a.m. and 6:30 p.m., Sept. 27; 9 a.m., Sept. 28; 6 p.m., Oct. 5; and 9 a.m. to 7:30 p.m., Oct. 6.

There will be adult services and special children's services.

Tickets are \$20 per individual seat or, if purchased in pairs, \$35. Children's service tickets are \$2 per child.

The Independent Jewish Families is an organization whose purpose is to serve the needs of all Jewish families who are not members of synagogues for various reasons. According to a spokesman for the group, the purpose in these special services is to make it possible for everyone, regardless of financial circumstances or religious background, to be able to worship and pray during the High Holy Day Season. A limited number of tickets are now available. Further information about the service and the Independent Jewish Families can be obtained by calling 677-8252 or 296-5644 during the day or 966-6930 in the evenings.

St. Luke's

The St. Luke's United Church of Christ-Edgebrook Community Church combined confirmation program began its year with a retreat for 50 young people at Tower Hill Camp in Sawyer, Michigan. Revitalization of the Youth Ministry is a special focus in programming for the parish this fall. The Christian Education department is looking forward to experimenting with new styles in Christian Education during the Winter quarter.

MTJC

The traditional midnight pre-High Holy Day services Selichot will be recited at Maine Township Jewish Congregation, 8800 Ballard rd., Des Plaines, Saturday, Sept. 22, 11:30 p.m. A pre-Selichot social and dance will commence that evening at 9 p.m. A full orchestra, cocktails and refreshments will be available. The entire community is invited to this free gala event.

Sabbath services this weekend will be recited at the following times: 2 services Friday evening, Sept. 21 - 6:15 (Hebrew service in the Chapel) and the main 8:30 p.m. service in the Sanctuary, conducted by Rabbi Jay Karzen and Cantor Harry Solowichik.

Steven, son of Mr. and Mrs. Edward Cohen, 8403 W. Oaks, Niles, will celebrate his Bar Mitzvah Saturday morning, Sept. 22, 9:30 a.m.

The Sabbath will end with the Mincha-Maariv-Havdalah service at 6:15 p.m.

Rosh Hashanah services Wednesday, Sept. 26, will begin at 6:15 p.m. A 1-hour pre-dinner service will usher in the New Year. No tickets are required for the special service. The community is invited to worship with us.

Bingo will be played Sunday, Sept. 23, 8 p.m. Everyone is cordially invited to participate in this weekly activity.

Niles Community

Christian Education Sunday will be observed at the Niles Community Church, 7401 Oakton st., on Sunday, September 23, during the 9:30 and 11 a.m. worship services. Care for toddlers through two-year-olds will be provided at both services. Church School for three-year olds through eighth graders will be held concurrently with the 11 a.m. worship service. A special men's breakfast will be served at 9 a.m. for all the men of the congregation; plans for the formation of a men's organization will be discussed.

Youth activities for Sunday, Sept. 23, will be: 2 p.m. Senior High bike hike and picnic, 6 p.m. Vesper service for youth, 7 p.m. Junior High fellowship meeting at the church.

Church meetings during this week of Sept. 24 will include: Monday, 7:30 p.m. - Committee on Stewardship; Wednesday, 7 p.m. - "drop-in" for 7th through 12th graders; Thursday, 7:15 p.m. Junior Choir rehearsal, 8 p.m. Senior Choir rehearsal.

Seek choir members

Audition dates are available for people interested in singing good choral literature in the chancel choir of St. Peter's United Church of Christ, Oakton at Laramie, Skokie. All voice parts are needed. Literature to be performed include compositions by Mozart (Missa Brevis, K. 194), J.S. Bach (Cantata, BWV 118, performed with historically modelled instruments), Palestrina, Schutz, Mendelssohn, Handel, Praetorius, Distler, and others.

The choir-master, organist, Dale Voelker, received his training in church music at the Westfälische Landeskirchen - musikschiule in Herford/Westfalen, Western Germany, and is presently a doctoral candidate at Northwestern university in church music. For further information and audition dates call 864-7824.

Adas Shalom

Congregation Adas Shalom, 6945 W. Dempster, Morton Grove will hold its final Open House of this month this Sunday from 1 p.m. to 4 p.m. in the synagogue. Residents in the community are invited to attend and meet Rabbi Marc Wilson in addition to members of the congregation. Information will be available on membership, high holiday tickets, sisterhood, Sunday and Hebrew school. For more details, please call 965-3435 or 967-7080.

Friday night services begin at 8:15 p.m. and everyone is invited to come and bring the children. An Oneg Shabbat will follow services, Saturday morning services start at 9 a.m. The traditional Selichos services will be held at midnight on Saturday, preceded by a social hour at 10:15 p.m. and a High Holiday workshop. Agata, everyone is invited.

On Sunday morning at 10:30 a.m., Pam Lazar, daughter of Mr. and Mrs. Seymour Lazar of Niles will be honored with a Bat Mitzvah at services.

The synagogue office will be open 7:30 p.m. to 10 p.m. on Monday and Tuesday, Sept. 24 and 25 for those wishing High Holiday tickets. For information, call 965-3435. High Holiday services will be held at the Fairview South school auditorium, 7040 Laramie, Skokie.

Sunday school registration is still being accepted for children from kindergarten classes thru 6th grade. For details call 966-1806.

The Little Country Chapel

The "Little Country Chapel" of Niles, 7339 Waukegan rd., is now holding double services every Sunday morning. The 9:45 a.m. service will be a Children's Church in which the children will lead in prayer, selecting the hymns and providing the music with their choir. Pastor McManus will deliver the sermons at the 9:45 a.m., 11 a.m. and 7:30 p.m. services.

Sunday School classes for young people and adults will be held in the classrooms of the church at 9:45 a.m.

The Youth Group and "Teens Out for Christ" will meet Sunday at 6 p.m. Wednesday prayer meeting will be held at 7 p.m., followed by Bible Study in Practical Christian Living conducted by the Pastor.

The Ladies Club will hold their first meeting of the season on Thursday, the 20th at 7:30 p.m. Mrs. Rieser, president, will outline the goals for the year and Mrs. Jan Morley, librarian, will talk about the many books available in the Church library.

Pastor McManus and some of the Deacons will conduct a door-to-door visitation in the community on Thursday at 7 p.m., and the Youth Group will go out in the community on Friday at 7 p.m. Crib and toddler nurseries provided at all services. Bus transportation is available by telephoning 537-1810 or 647-8751.

NSJC

Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, will hold Friday evening services Sept 21 at 8:15 p.m. at which time Lori, daughter of Dr. and Mrs. Gerald Spector will become Bat Mitzvah. The Oneg Shabbat will be hosted by the parents in honor of the occasion.

Saturday morning, Sept. 22, at 9:15 a.m. Steven, son of Mr. and Mrs. Mark Keigan will be called to the Torah as a Bar Mitzvah. Rabbi Lawrence H. Charney will conduct the services and deliver the charge and Cantor Martin Baum will chant the liturgy.

A social hour at 10:30 p.m. will precede the Selichot services Saturday evening, Sept. 22, at 11:30 p.m.

M.G.W.C. Luncheon

In the past 2 or 3 years the fashion scene has been pointed toward the very young, completely ignoring the adult woman . . . the woman who truly cares about her appearance and has the money to spend. This year the Morton Grove Woman's Club has taken a step toward correcting that . . . by selecting Kanes' in the Ambassadors East as their fashion house. They feel that the women attending their luncheon, Toast to the Twenties, will enjoy viewing the original designs of such world famous couturiers as Geoffrey Beene, Donald Brooks, Trigere, Larry Aldrich, Cardin, Bill Blass, and Adele Simpson to name just a few. Even if the originals are beyond the means of some of us, we can learn

about the newest fashion trends and adapt them to our own wardrobe. Garments such as the ones to be modeled by top Chicago models in this showing are not seen hanging racks . . . and will be a treat for fashion conscious women.

This elegant showing, combined with a delicious luncheon can all be enjoyed at Toast to the Twenties . . . on Oct. 4 at Allgauer's Fireside in Northbrook. Cocktails at 11 a.m. and luncheon at 12. Just a few tickets are still available and may be obtained by calling the Chm. Mrs. Kelly Brown at 966-5113.

Proceeds from this affair each year are used to a large extent locally . . . and one of the projects in the focal point this year is the Morton Grove Paramedics . . . your life line between sudden illness or accident, and the hospital . . . the middle man who can keep you alive until you reach the hospital. Other projects are teaching and nursing scholarships, needy children, Hadley School for the blind, Orchard School to name just a few.

...of Interest to Women...

Honored for 25 years OCC Secretarial Science Lab

Phyllis White of Morton Grove, has been honored by Walgreen for 25 years' service.

Ms. White, a member of the Accounting Department in charge of travel expense at Walgreens Corporate Headquarters in Chicago, joined the giant, nationwide drug store chain in 1948 and has spent her entire career in the Chicagoland area.

In presentation ceremonies she received a gold watch and emblem marking her years of service.

Donna Weaver (standing), new assistant professor in the secretarial science program at Oakton Community College, offers assistance to Eva Klinger, Skokie, in the new secretarial science learning lab at the college. The facilities, organized by the secretarial science faculty, possess dictaphones, typewriters, electronic calculators, and 10-key adding machines. The lab is open every afternoon from 12:30 to 4. All Oakton students are welcome to use the lab for practice. The secretarial science faculty, in addition to Mrs. Weaver, includes Judith Gerhart, coordinator, Jan Skinner, instructor, and Susan Jaffray, para-professional.

Macrame at Kaplan JCC

Macrame is alive and well and living at the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie.

The display case in the lobby of the Center houses beautiful and unique macrame art work, created by Linda Bailey.

Ms. Bailey is teaching macrame at the Kaplan JCC this Fall to teens and adults on Wednesday evenings from 7:30 to 9:30 p.m. Interested persons may register now for instruction in this exciting art form. Classes begin Oct. 3. For further information, phone 675-2200, ext. 214.

ILLINOIS TRAFFIC SAFETY ALERT

Don't read your map while driving. If you're lost, stop a minute. It could save you years of time.

Rummage sale

The Women's Guild of the Edison Park Lutheran Church will hold its annual Rummage Sale on Wednesday, Sept. 26, at 9:30 a.m. in the church basement. The Church is located at Avondale and Oliphant Avenues in Chicago.

Those who have donations to make for the sale may bring them to the Church on Monday evening, Sept. 24, or early Tuesday morning, Sept. 25. There will be a "Specialty Shop" for the "like-new" items.

Mrs. Lydia Olson is the Chairwoman in charge of the sale.

Police Auxiliary Seeks Donations

The Women's Auxiliary of the Niles Police Department will sponsor a Garage Sale at Joe LoVerde's, 7042 Milwaukee, on Saturday, Oct. 20.

Niles residents who have any worthwhile household articles they would like to donate for the Garage Sale are asked to contact a member of the committee.

Committee members are as follows: Pat Ferraro, 825-2427; Bernadine Reid, 966-9335; Joan Emrikson, 967-6222; Marge Fucarino, 965-6342; Jane Polinski, 965-1336; and Pat Berresheim, 966-6432.

Rummage sale

The Women's Association of the Mayfair Presbyterian church, 4358 W. Ainslie st., will hold their semi-annual Rummage Sale on Wednesday, Oct. 10 and Thursday, Oct. 11 from 9 a.m. to 9 p.m. and on Friday, Oct. 12 from 9 a.m. to noon. Shopping bag sale will be on Friday only. Refreshments are available. Mrs. Marilyn Neil is Chairwoman.

Marywood fashion show

Alumnae of Marywood High school, Evanston, will be gathering on Saturday, Oct. 20, at the Marriott Hotel for the 10th annual Luncheon and Fashion Show. Fashions will be presented by the Ida Mae Shop, 5555 Sheridan rd., Chicago.

More than 350 alumnae members from Chicago and surrounding suburbs are expected to attend. Any alumnae who have not received tickets are urged to contact Sister Virginia at Mother Theodore Guerin High school, 8001 Belmont, River Grove.

Birth Announcements

A boy, Paul Willard, Aug. 27, to Mr. & Mrs. Paul Marvucic, 6960 Touhy av., Niles. 6 lb. 10 3/4 oz.

Dons down Schurz 37-0

(by Mike Lemański)

Notre Dame's fighting Dons came out of their first two games with an even .500 record. N.D. was defeated by Rockford Boylan 7-0 in a defense dominated game, and came back with a rousing 37-0 win against Schurz a week later.

Against Rockford Boylan, neither team could mount much of a scoring threat. The 2 defenses forced a total of 3 fumbles.

Notre Dame's closest attempt to any points was Mike Weiss' 42 yard field goal attempt, which was just short. The Don's only other shot was from a sustained drive which carried them to the Titans 2 yard line. On the next handoff, halfback Mark Mandolini was hit hard and fumbled.

Rockford finally broke the ice with 8 minutes left to play.

Titan QB Steve Zarembki hit Kurt Stellern with a pass over the middle. Stellern then raced 68 yards for the TD. The extra point was good, and Rockford Boylan held on for the victory.

ND looked good on both offense and defense. QB George "Jorge" McCaskey led them well, and showed promise passing. Halfback Mandolini and Bob O'Donovan ran well both up the middle and around end.

Against Schurz, ND could do nothing wrong. The defense forced 4 turnovers, 3 that blossomed into touchdowns. The third string got into the game before it was over, and effectively moved the ball.

On ND's first possession, they scored, with Mark Mandolini rambling over from the four. Weiss' XP was good, and ND led

7-0 with only 3 1/2 minutes gone.

On Schurz's next possession, halfback Mike Amundsen rambled 68 yards, only to have Schurz throw an interception. Tim Jackson making the pickoff. Jackson rambled 44 yards before he was stopped at Schurz's 48. Three plays later, QB McCaskey hit end "Buzz" Naughton for a 42 yard gain to the 2. On fourth and goal, Bob Kengott went attack to make the score 13-0. Weiss' XP was good, and it was 14-0.

Again Schurz took over, and once again, an interception was thrown. Duane Palumbo intercepting and going 33 yards and scoring a TD to make it 20-0. Weiss made the third of his 5 successive XP. At the end of the first quarter ND led 21-0.

Schurz tried again to mount an attack at the beginning of the second quarter. The tough Don defense forced another turnover this time Brian Burke intercepting on the Schurz twelve. Mandolini took the handoff on the first play and went around end to make it 27-0. A second later it was 28-0.

On the following kickoff, Schurz could not move. On fourth and 6, the Schurz punter went back to punt, only to have the ball sail over his head into the end zone, where he fell on the ball for a safety, making the score 30-0. ND got one more sustained drive going, but couldn't score before time ran out at the half.

In the second half, the game settled down to a defensive game. Coach Fran Willett decided to show a little mercy by removing the first string. Notre Dame did get one sustained drive for score. Al Marzano going over from the 15. With Weiss' kick, the score turned out 37-0. Neither team could get inside the others 30 after this.

Offensively Mandolini led all rushers with 47 yards rushing in 10 carries. He was followed by O'Donovan with 31 in 5 carries. McCaskey was 6 for 11 passing totalling 110 yards. Naughton caught 5 of these for 99 yards.

Defensively, the Dons had control over Schurz's running game. The kicking game was superlative, with Weiss, a soccer style kicker keeping Schurz bottled up. Weiss kicked up to 60 yards each time he kicked off.

Friday ND plays Sullivan. The game should be a battle of defenses, last year neither team scoring.

S.V.S.

membership drive

The Skokie Valley Symphony Orchestral Association is currently in the midst of their annual membership drive. Membership in the Association is available for as little as \$15.

Membership entitles one to two season tickets to the four-concert series. Dates for this season are Oct. 7, 1973, and Jan. 6, March 31, and May 25, 1974. For further information, write the Association at P.O. Box 767, Skokie.

According to Orchestral Association President David L. Kantor, "plenty of seats are still available, but they are going fast."

Niles Saints defeat Chicago Lions 13 to 6

After a shaky start, the Niles Saints bounced back to beat the Chicago Lions 13 to 6.

The first quarter was dominated by the Lions, with the Saints never getting to the Lions 20 yard line. With 11:33 left in the first quarter, Dennis Maulner threw a 7 yard screen pass to Lion's Ed Off for the first touchdown of the game. Altho the kick was short, the score made the Saints' chances for a victory look bleak.

With three minutes to go in the first quarter the Saints began to pick up steam with the able ball handling of Ron Olestak and Jim Greenhill. Five minutes into the second quarter Gus Williams, the Saints quarterback threw a touchdown pass to Jim Greenhill from the Saints 26 yard line. Greenhill caught it on the 35 yard line and out ran four Lion linesmen, two who were out ahead of him. Wally Schulz' kick was slightly off and the score at half-time was 6-6.

The second half began with the Lions steady drive to the Saints 35. Given the ball for the first time in the second half, Gus Williams was unable to score a first down and his pass intended for Jim Greenhill was intercepted by Bob Savage of the Lions, who returned it all the way to the Saints 7 yard line. A penalty brought the ball back to the 15.

At 7:12 the Lions fumbled, and Charlie Marston the Saints veteran linebacker, recovered to start the drive that eventually won the game for the Saints. Gus Williams picked Ron Olestak as his target, and the two steadily drove the ball down the field to the Lions 13 yard line, where Wally Schulz attempted a field goal and was only off by inches.

After that things began to happen fast. Jack Tebode intercepted a Lion pass on the Saints 37 yard line, and the next play, Gus Williams threw a 63 yard touchdown pass to John Pecaro. Wally Schulz' kick was good and the score remained 13 to 6 thru the end of the game.

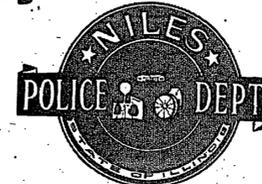

Ron Olestak the Saints new running back was the star of the day with a whopping 98 yards for 23 carries.

Next week the Saints return home to play the Brighton Park Hustlers one of the Chicagoand League's oldest and toughest teams. Kickoff time will be 8 p.m. at Notre Dame H.S., 7655 Dempster, Niles.

Half-time entertainment will be presented by the talented kids from Gymnastics Unlimited of Addison, Ill.

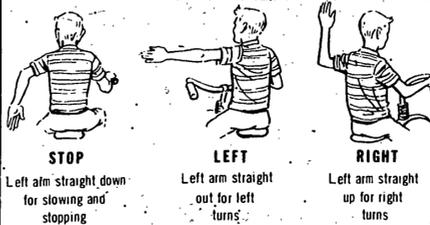

Saturday the 22nd at 9 a.m. the Saints will hold another football clinic. This one will be at Jozwiak Park, 6851 Touhy, Niles. This clinic will be held for all registrants of the Punt, Pass and Kick contest, and the people from Norwood Ford will be on hand to sign up kids the day of the clinic. John Pecaro, Wally Schulz, and Gus Williams of the Saints will be there to help the boys to polish up their form and instruct basic fundamentals of the contest.

Lessons for Young Bicyclists to Learn

LESSON No.3 - HAND SIGNALS

One very important practice that bicyclists frequently overlook is giving proper hand signals before making a turn to change directions. The illustrations below show how a person on a bicycle must signal when intending to turn.

As I have said in previous lessons, when you are riding a bicycle on the streets or highways you must follow the same rules that any other driver follows: This is for YOUR safety as well as the safety of other people. Let's suppose that a person is riding a bike down the right hand side of the road and decides that at the next corner he will turn left. If he gives the proper left hand turn signal then the other vehicles behind him know what he intends to do and they will not pass him. Knowing what YOU are planning to do is very necessary to the drivers of automobiles that may be behind you. If you were to turn left on your bike, without giving a signal with your hand, a driver behind you might be trying to pass you and then you would be crossing in front of his intended path. This type of situation can mean BIG TROUBLE!

Study the hand signals in the pictures above. Then practice them while standing still. Start immediately to use them when riding your bike on any street or road where traffic travels. When you do this you will find that automobile drivers will be courteous to you and you will have a lot fewer "close calls."

When riding your bicycle on public streets always remember that automobiles travel at a much higher rate of speed than your bike. Therefore, when you need to use your hand signals give the signal in plenty of time for the drivers behind you to react to your signal. It does little good to start signals when you are ready to make your turn. A car traveling even at a slow speed cannot react to your signals on such short notice. It is best to start giving your hand signals right after you pass the middle of the block at the end of which you plan to make a turn. Also remember, if you are giving a hand signal and a driver blows his horn behind you, this means he cannot slow down in time to allow you to make your intended turn. So, you must wait until he has gone around you to make your turn.

The hand signals above, indicating your intention to turn right or stop, are just as important as the signal to turn left. Always use them, even if you are out on a country road and there is very little traffic. You never know when some other driver will come up behind you quickly, before you have a chance to notice him.

QUESTIONS	YES	NO
The proper hand signal to indicate your intention to turn LEFT is to extend your left arm, straight out.	___	___
The proper hand signal to indicate your intention to turn RIGHT is to extend your left arm out, away from the body, and down.	___	___
The left arm should be held out and up to show your intention to make a right turn. (From shoulder to elbow straight out, from elbow to hand is straight up.)	___	___
To show your intention to stop, you must extend you LEFT arm slightly out away from your body and DOWN.	___	___
Automobiles travel much faster than bicycles, therefore a bicyclist must give hand signals well before he is actually ready to make a turn.	___	___
It is all right to make a turn, without giving a hand signal, if you see no traffic coming.	___	___
When riding on a country road it is all right to forget about hand signals.	___	___
Using hand signals prevents accidents because the signals tell motorists behind you what you are going to do.	___	___

Young backs flood insurance

Rep. Samuel H. Young (10th, Ill.) took an active part this week in House passage of a bill to expand the national flood insurance program and to open it for the first time to owners of erosion-damage shoreline properties.

Congressman Young also supported legislation approved by the

House to make businessmen, homeowners and farmers eligible for 13 Federal loans to repair disaster damage to their properties, including that caused by erosion.

Owners of properties along Lake Michigan's shoreline have suffered extensive losses because of erosion damage caused by unusually high water levels.

Congressman Young participated in House debate on Wednesday on an amendment to extend the national flood insurance program to erosion-damaged properties. His action established in the legislative history of the amendment that it would cover damage from the type being caused by Lake Michigan's current high water levels. The amendment was adopted by voice vote.

Pignato awarded Doctorate

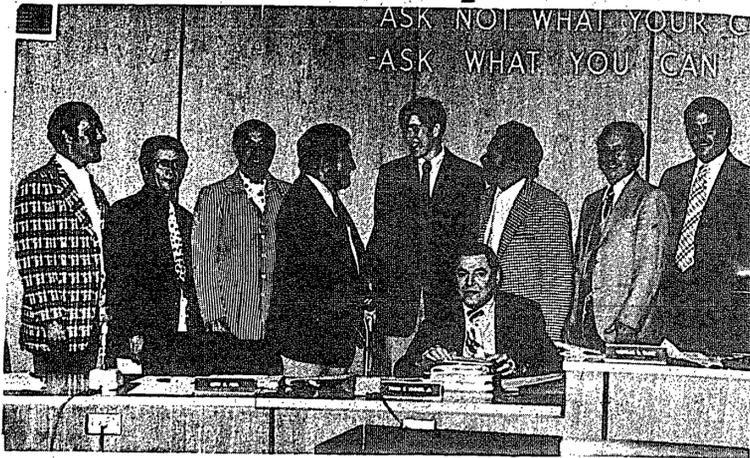

Ralph A. Pignato of 7813 W. Greenleaf st., Niles, was awarded the Doctor of Philosophy in Education Degree in commencement ceremonies on Aug. 11, from Laurence University, Sarasota, Florida. Dr. Pignato is the son of the late Mr. Ralph Pignato and Mrs. Mildred Pignato of Chicago.

He received the Master of Science Degree from DePaul University and the Bachelor of Science Degree from the University of Illinois in Urbana.

Pledges sorority

Debra Anne Edington, daughter of Mr. and Mrs. James M. Edington of 7344 N. Nora ave., Niles, was pledged to the Kappa Kappa Gamma social sorority at Drake university, Des Moines, Iowa, at the close of the Fall rush activities.

Honor junior olympic fencing champion

Tim Glass, son of Mr. and Mrs. Robert Glass of Niles, was publicly acknowledged at a village board meeting recently for his outstanding champion's performance in state and national competition in fencing.

Tim, a June graduate from Notre Dame high school in Niles, and now attending the University of Notre Dame at South Bend, Indiana, helped lead his high school team to their first state fencing championship in the Illinois State Champions award home to Niles. (The official title is referred to as National Epee Championship, under 19 years of age. There are 3 classifications in fencing: foil, epee and sabre. The Illinois Champions compete in foil only and Tim's other awards are in epee.)

Under the coaching instruction of Father Lawrence Calhoun of Notre Dame H.S., Tim learned the art of fencing and in February, 1973, he won the Under 19 Epee Championship at Los Angeles, California. In April, 1973, he earned the right to be a member of the U.S. Fencing Team in Epee in Buenos Aires, Argentina, the youngest member of the U.S. team.

In June, 1973, competing in Tucson, Arizona, Tim became the National Under 19 Epee Champion (the first person from this area ever to win in Epee competition under 20 years of age). In order to win the Tucson competition Tim fenced from 8:30 a.m. straight through until 6 p.m., compiling a stunning record of 15-1. And his awards go on, Most

coveted is his membership in the Century Club in 2 weapons (epee and foil) recording 100 wins within a year.

As to the future, Tim Glass will compete next Easter, 1974 at Tallahassee, Florida for the privilege of representing the U.S. in Olympics in Smyrna, Turkey. The Village of Niles is indeed proud of this young man's honors and wishes him good luck and good fortune.

I.T.E.D. Testing

Maine Township High School East freshmen were administered ITED tests through the guidance department on Sept. 4. The Iowa Test of Educational Development is a battery of tests measuring various academic achievement areas as in mathematics, English usage as well as natural and social sciences.

Test results are used by the district for purposes of comparing growth of students from junior high school through the junior year in high school. Freshmen of the class of 1977 will be administered ITED tests the beginning of their senior year. In addition, results are used to evaluate curriculum and compare the performance of Maine East students with other students statewide and nationally.

Maine East counselor George Vukovich added, "These tests also help guarantee the proper placement for students and to better enable the counseling staff to offer them courses of beneficial study."

After the ITED testing was completed, the freshmen toured the Learning Resource Center, familiarizing themselves with its use and materials, and had an opportunity to orientate themselves to the building before the first full day of classes on Sept. 5.

Members of the class of 1974 will be given the ITED tests through the Maine East guidance department on Wednesday, Sept. 19.

S.O.S. open meeting

The Save Open Space Committee will hold an open meeting in the upper level of the Recreation Center, 7877 Milwaukee, Niles, on Tuesday, Sept 25 at 8 p.m.

The public is invited for an open discussion on items to be included in the November Referendum.

Maine Township Bicentennial Committee

Maine Township Auditor Margaret Wirsen has been named head of the township's newly-formed Bicentennial Committee, Township Supervisor James J. Dowd announced today. The action follows Tuesday night's township board decision to create the committee and to join the Illinois Bicentennial Commission's celebration of the nation's 200 anniversary.

Mrs. Wirsen said her committee will also be responsible for organizing the celebration of Maine Township's 125th anniversary in 1975, and has already outlined several activities for that event. Wirsen also said she intends to cooperate with the Bicentennial commissions of municipalities within Maine Township, and has received a favorable response from Des Plaines Bicentennial Commission Chairman David R. Wolf.

Area artists scheduled for Oakton lectures

Chicago-area artists have been scheduled as lecturers for the Thursday, Sept. 20, and Tuesday, Sept. 25, sessions of the "Who is Chicago?" series at Oakton Community College.

Jerry Peart, a sculptor who moved to Chicago within the past year, will discuss the process of "breaking in" to Chicago's artistic community at the session on Thursday, Sept. 20, at 9:30 a.m. Peart has already achieved recognition for his Chicago work. He will show slides of his own work and that of other Chicago sculptors.

Anta Kushner, a watercolorist and printmaker, and Edith Altman, a sculptor who creates "minimal" wood construction, will lecture on Tuesday, Sept. 24,

at 9:30 a.m. In addition to illustrating their own work with slides, they will discuss the difficulties confronting women who seek recognition as artists in Chicago.

The lectures series, in the Focus: Chicago program at Oakton, is part of a course in Modern Culture and Arts, taught by Dick Storing, assistant professor in humanities. The series is held weekly on either Tuesday or Thursday mornings in the Lounge of Building 4 at the Interim Campus of Oakton Community College, 7900 N. Nagle, Morton Grove.

Featured speakers included are politicians, journalists, musicians, architects as well as artists and sculptors. Open to the public, there is no admission charge for the lectures.

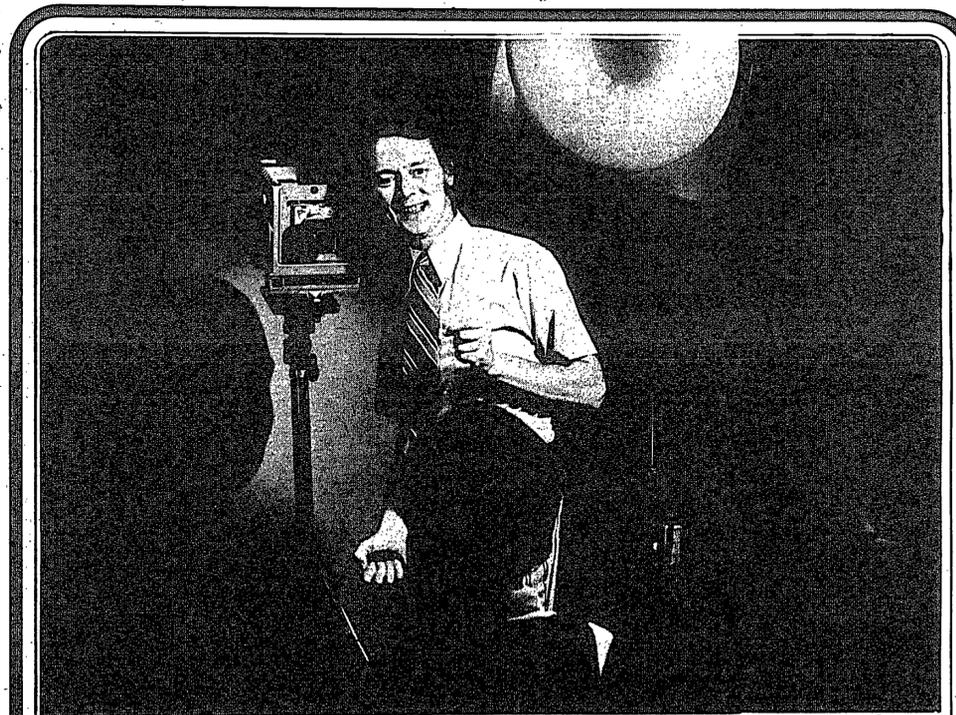

Cheerleading awards

Recently Maine East's varsity cheerleaders won the first place spirit award as well as the first place cheerleading championship.

The varsity squad consists of Debbie Kramer, Debbie Anderson, Karen Hanrahan, Julie Olson, Patti Laman, Leslie Leske, Jayne Hurley, Julie Silverstein, and Kathy Albano.

The Maine East sophomore squad of Sue Board, Pat DiVita, Val Pearce, Diane Stecher, Mary Ellen Hanrahan, and Georgia Becker also took the second place cheerleading championship.

People start pollution. People can stop it.

MONACEP special registration days

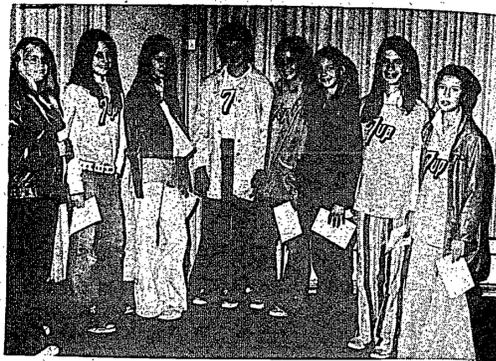

Special evening registration hours for MONACEP (Maine-Oakton-Niles Adult and Continuing Education Program) courses will be held at the Maine and Niles Township High schools from Sept. 20 thru Sept. 26, and at Oakton Community college on Saturday, Sept. 22, from 10 a.m. until noon.

The schedule for the evening registration hours from 7 p.m. until 9 p.m., will be as follows: Sept. 20: Maine East high school, Dempster & Potter rd., Park Ridge; Sept. 24: Maine South high school, 1111 S. Dee rd., Park Ridge; Sept. 24: Niles North high school, 9800 Lawler ave., Skokie; Sept. 25: Niles West high school, Oakton at Edens Expressway, Skokie; Sept. 26: Maine West high school, 1755 S. Wolf rd., Des Plaines.

MONACEP registration will be held in Building #3 at Oakton Community college, 7900 N. Nagle, (Oakton and Nagle), Morton Grove.

Classes for MONACEP will begin during the week of Oct. 1. Early enrollment is preferred but registration will be accepted as late as the first evening of classes if maximum enrollment has not been reached.

For further information about the MONACEP schedule, call 696-3600.

Treat for Marathoners

A group of the girls who played in this year's Niles Youth Congress Girl's Softball Marathon wait in the lobby of the Golf Mill Theater to see "Live or Let Die". They were treated to the movie in appreciation of their efforts during the Marathon weekend and hold in their hands Certificates of Appreciation presented to them by the Niles Youth Commission.

The arrangements for this party were made with the compliments of Mr. Bene Stein of the Golf Mill Theater and each girl received popcorn through the efforts of Mayor Nicholas Blase and the Niles Youth Commission.

MONACEP offers travel lectures

Three travel-lecture series will be offered by MONACEP in 1973-74 at Maine East High school, Maine West High school, and Niles North High school, beginning Oct. 2 at Niles North, the color travelogue film series will be held monthly in each of these 3 high schools.

The programs at Niles North, 9800 Lawler ave., Skokie, are held on Tuesday evenings; at Maine East, Dempster and Potter, Park Ridge, on Wednesday evenings; and at Maine West, Wolf and Oakton, Des Plaines, on Thursday evenings, according to

Alex Krusel, director of the Maine-Oakton-Niles Adult and Continuing Education Program.

The speakers personally narrate their films, bringing the thrill of exploration and the insight of their worldwide experiences. The programs are suited to all ages.

Season tickets for the 1973-74 series may be purchased for \$5 each from MONACEP, 1131 S. Dee rd., Park Ridge, or from the following locations: Dolmar Pharmacy, 7628 Dempster, Morton Grove; Oakton Drugs, 8006 Lincoln ave., Skokie; Rennecker's Pharmacy, 1836 Glenview rd., Glenview; Scharringhausen Pharmacy, 110 Maine st., Park Ridge; and White Oak Drugs, Oakton st. and White st., Des Plaines.

Senior citizens of Maine and Niles Townships (over 60 years of age) may purchase either season or single admissions for 1/2 price. Season tickets at \$2.50 may be purchased by mail only. Single admission for senior citizens is 60¢ at the door; \$1.20 for all others.

LWV discussion

The League of Women Voters of Morton Grove-Niles hosted a "Meet Your Legislators" panel discussion, Tuesday, Sept. 11. Present from the 4th district were representative Juffe, representative Blair, assistant to representative Schlickman and Ms. Nimrod, wife of Senator Nimrod.

President Carol Panek conducted a short business meeting preceding speeches by guests. The Equal Rights Amendment which failed to pass in the Illinois Legislature was of particular importance to League members. The support of equal rights is a Human Resources position of the League of Women Voters.

Questions were directed to representative Juckutt on the E.R.A. to determine his reasons for opposition. Representative Juffe supported passage of E.R.A. Representative Schlickman and Senator Nimrod cast negative votes on this issue.

Legislators' opinions were also sought in the area of campaign financing and the question of cumulative or single member districts for the House. As a service to the voters of Morton Grove and Niles the Voters Service chairwoman of the League will answer questions concerning local, state or national government. If you want to know when the local park board has its meetings or what congressional district you are in, call Elizabeth Matteoni at 966-5096.

MEMBER FDIC

Congregation greets New Year with devotions

The Niles Township Jewish Congregation, 4500 Dempster st., Skokie, will usher in the High Holy Day Season with Rosh Hashanah Services on Wed., evening, Sept. 26, at 8:30 p.m., and continuing for two days, both Thurs. and Fri. mornings, Sept. 27 and 28, beginning at 9 a.m. It was announced by Dr. Aaron M. Rosenthal, President, and Jack S. Richter, Chairman of the Board of Religious Services.

Rabbi Neil Brief will lead the High Holy Day Services. Hazzan Emanuel Abrams and the enlarged Synagogue Choir, under the direction of Dorothy Klein, with Sheldon Rosenbaum as Organist will chant the musical portions of the service. Mr. Samuel Weiss will serve as Torah Reader, and Mr. Arthur Hackin, as Shofar Sounder.

A special Children's Service, open to the entire community, will be held on Thurs. afternoon, Sept. 27, at 3 p.m. Rabbi Brief will preside and will be joined by Mr. Samuel Weiss, Director of Religious Education and Mrs. Sara Zucker, Director of the

Gan Yeladim (Nursery School). The Annual Rosh Hashanah Reception will be held on Fri. afternoon, Sept. 28, from 3:30 p.m. to 5:30 p.m., in the Kaplan Youth Lounge of the Synagogue, when Rabbi Brief, the Officers and the Board of Trustees will extend Shanah Tovah Greetings to the Synagogue Family and friends.

Rosh Hashanah begins the ten-day period known as the "Days of Awe," ending with Yom Kippur, a day of fasting and atonement. The Jewish New Year is greeted with prayerful self-examination and introspection.

A most dramatic moment in the Rosh Hashanah service comes with the sounding of the Shofar, a piercing, powerful blast, tearing away the old year and serving as an alarm to awaken the worshipper from apathy.

A hope for a year of goodness and fulfillment is symbolically expressed at the evening meal when families dip a fruit in honey, that "sweetness" will flavor the year to come.

Maine Demos candidate screening

Screening and slating candidates for State and County offices will begin Saturday, Sept. 22, 1973 and continue through Sept. 29 at the Maine Township Regular Democratic Headquarters, 8070 N. Milwaukee ave., Niles.

The announcement came from Committeeman Nicholas Blase, and Chairman of the Slatemaking Committee Larry Wagner of Park Ridge. Wagner also serves at a member of the board of directors of the organization.

Candidates who desire to seek the Democratic nomination for State Representative and State Senator from the 4th and 5th Legislative Districts are invited to appear before the Committee for screening between the hours of 1 p.m. and 4 p.m. on the above two dates and address. The Committee will also screen for slating a nominee for a seat on the Cook County Board of Commissioners. However, this will not preclude interested persons from seeking the Democratic nomination for other offices open for the 1974 election.

In accordance with the MTRD Organization's policies, the slating sessions provide interested persons with an opportunity to participate in the political arena on State and County levels.

For information contact Democratic Headquarters, 692-3388.

The Maine Township Regular Democratic Organization's Slatemaking Committee prepares to screen candidates for the State Legislature along with County offices. Members of the Committee are pictured (l. to r. and seated) Sam Bruno; Nicholas Blase, Maine Committeeman; and Carmen Cesario. Standing (l. to r.) Larry Wagner, Chairman; Tom Flynn, and Veda Kauffman, secretary. Slating sessions will be held Sept. 22 and Sept. 29 at MTRDO Headquarters, 8070 Milwaukee ave., Niles, 1 to 4 p.m.

U of I summer graduates

Diplomas are being prepared for 1,383 summer graduates of the University of Illinois at Urbana - Champaign. The total includes 482 undergraduate degrees and 901 advanced degrees.

There is no summer commencement ceremony. Preparation of diplomas is begun only after all grades have been reported and verified. The diplomas will be mailed about Oct. 15. Among those to receive degrees were:

Lincolnwood: Jeffrey Bruce Rose, 7013 N. Tripp.
Morton Grove: Terry G. Berke, 5937 Monroe; Mark A. Cowin, 9241 Normandy; Lawrence L. Guzy, 7104 Dempster; James J. Wiczer, 5650 W. Lyons st.
Niles: Pamela W. Mueller, 8328 Oketo; James R. Phillips, 8620 W. North terr.; Frederick E. Kozio, 7730 N. Octavia.

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY

Proper insulation can mean a savings for you in winter.
And in summer, too.

The better your insulation, the less heat you lose in winter. Your heating system doesn't have to run as often, or as long, to keep you warm. You save.

Now think about this: the same insulation that helps keep heat inside in winter helps keep it outside in summer. Even if you don't have air conditioning, insulation puts a barrier between you and the heat outside. If you have air conditioning, you'll find it doesn't have to work nearly as hard to keep you cool. You save again.

What is proper insulation?
Recommendations vary with the

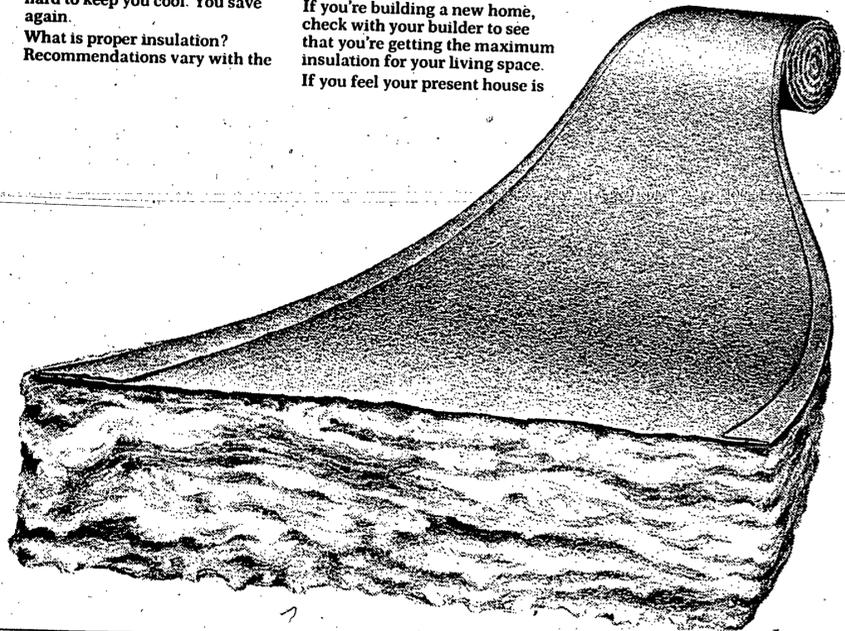

type of construction. The ability of an insulating material to resist the flow of heat is measured in a unit called R-Value. The higher the R-Value the better the thermal resistance of the insulation.

With electrically heated homes, we recommend the equivalent of R-19 in the ceiling, R-11 in the walls, and R-11 in the floor. In all cases, the better the insulation, the more efficiently the heating and cooling systems will operate.

If you're building a new home, check with your builder to see that you're getting the maximum insulation for your living space. If you feel your present house is

under-insulated, an insulating contractor or supplier can show you how to improve it. This hint is included in our booklet "101 Ways to Conserve Electricity at Home." For your free copy, write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

Bike Safety Flag Kit at First National Bank

Youngsters depositing \$10 or more into a new or existing Junior Savings Account at First National Bank of Des Plaines will receive a \$3.75 retail value bike safety flag kit for only \$2, it was announced by Arthur R. Weiss, president.

In addition to the full 5% interest the youngsters will earn on their savings, they receive the flag kit consisting of an 8"X 18" brilliant, colored pennant, a lightweight tapered 7" pole and holder that fits all bikes. An installation instruction sheet

Groundbreaking for new Le Ronde office building

Participating in groundbreaking ceremonies for the new Le Ronde Office Building in Des Plaines, are from left: Don Erickson of Erickson & Stevens, Architects; Alfred Prickett, Des Plaines Building Commission; Mayor Herbert H. Behrel; Ralph H. Martin, president of Wm. L. Kunkel & Co., Realtors; Arthur R. Weiss, president of First National Bank of Des Plaines; and Denny Stevens of Erickson & Stevens.

Olson named Centel Project Manager

W. R. McGrew, Vice President and Division Manager of Central Telephone Company of Illinois, has announced that Roger Olson, a 14-year employee with the company, has been named Project Manager at the Centel System's Operating Headquarters in Lincoln, Neb.

Mr. Olson, a resident of Des Plaines, began with Central Telephone in 1959 working in the Central Office, repairing and installing telephones. In 1966, he became a Communications Consultant. Since 1968, he has served as Special Service Supervisor working with data processing and computer programming.

Named to Centel Marketing Dept.

Terry Woth, a resident of Elk Grove Village, has been named to the new Division Marketing Department as Central Telephone Company of Illinois, according to an announcement by W. R. McGrew, Vice President and Division Manager.

Mr. Woth has been with Central Telephone since 1971 when he began as a Division Commercial Engineer. Since December, 1972, he has served as District Commercial Assistant.

Mr. Woth will become a member of the new Marketing Department which was established by Central Telephone to provide its customers with a complete range of communications.

Niles man organizer of Palos Hts. Bank

An application for a permit to organize the First State Bank of Palos, Crestwood, 127th and Ridgeland st., Palos Heights, has been filed with the Commissioner of Banks and Trusts, Commissioner H. Robert Bartell Jr. announced recently.

Organizers are Gerald G. Goldberg, Niles; Ju Hyun Kim and Michael V. Fox, both of Palos Heights, and Cornelius A. Vander Laan and Jorge A. Quel, both of Palos Hills.

PUNT, PASS AND KICK COMPETITION

The Park Ridge Jaycees will again stage the Punt, Pass & Kick competition for Park Ridge and Niles boys, aged 8 through 13, on Saturday Sept. 29, 9 a.m. to 12:30 p.m. This event is sponsored by Marshall White Ford, 9401 Milwaukee ave., Niles and will be held at Hinkley Field, Busse hwy., Park Ridge. This is the first of 6 levels of competitions in the nationwide Ford Dealer's National Football League Punt, Pass & Kick Program. The finals will be held at half time of Super Bowl Game in January.

First, second, and third place winners of the Park Ridge-Niles contest will receive trophies at a special Awards Banquet held in conjunction with the Park Ridge Jaycees' meeting Oct. 4. Local winners and their fathers will be guests of Marshall White Ford at the banquet.

Registration will continue until Sept. 28. Official entry forms are available at Marshall White Ford, Niles, Klein's Sporting Goods in Niles, Parrish Sporting Goods in Park Ridge, Park Ridge YMCA, and Norse Trader Ski Shop in Park Ridge. All entry forms must have signature of parent or guardian and all forms should be returned to Marshall White Ford.

Oak PTA holds first meeting

Oak school PTA will hold its first meeting on Monday, Sept. 24 at 8 p.m. in the school gymnasium. The members of the faculty will be introduced by Mr. Kenneth Johansen, Principal of Oak school.

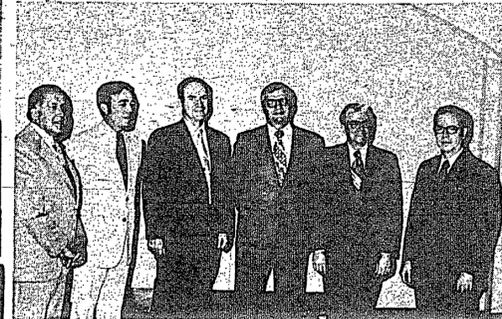

Mr. E. Gaydon Brandt who heads the Special Education Services in Maine Township will lead a panel discussion on those services at Oak school. Others on the panel are Mrs. Joyce Christiansen, the area chairman of Instructional Programs, Mrs. Jacqueline Fleming and Mr. Louis Petrizzi, the special services teachers at Oak, and Mr. Johansen.

The Boy Scouts will present the colors for this meeting.

SCHOOL NEWS

Maine Principals remind parents of 'College Night'

Shown above l. to r.: John J. Clouser, principal, Maine East; Dr. Michael J. Myers, Asst. Supt. Instruction; Robert Wells, principal, Maine North; Dr. John T. Benka, Asst. Supt. Gen. Adm. & Personnel; James Coburn, principal, Maine West; and Dr. Clyde K. Watson, principal, Maine South.

Maine Township High School South will host District 207's Fall College Night on Tuesday, Sept. 25, beginning at 7 p.m. Maine East career counselor Keith Honn said that over 150 junior college, college, and university representatives from across the country will be accessible to district parents and students. The program is also open to students attending private and parochial schools who live in District 207.

The evening will be divided into four 30 minute periods, and the only restrictions concerning the visitation of representatives will be limited to the state schools because of the large

number of students wishing to obtain information. The printed program will indicate the visitation periods and room assignments, and these programs will be distributed at the door.

Mr. Honn suggests that parents and students note college size, costs, entrance requirements, available financial aid, and available curriculums as well as graduation requirements. Students should also request information concerning campus visitations.

Questions concerning the Sept. 25 Fall College Night can be answered by the career counselor at any of the four Maine schools.

Dist. 63 to employ negotiator

In an effort to establish a negotiations agreement the Board of Education of East Maine School District #63 and the East Maine Education Association have held 18 negotiations sessions, representing more than 100 hours, during the past year. These efforts have resulted in very little progress.

As a consequence of this lack of progress the Board's negotiating team last night informed

the East Maine Education Association that effective as of the next regular scheduled negotiating meeting, Sept. 25, it will employ the services of a negotiator to represent its interests in all future negotiating activities between itself and the EMEA.

The Board indicated that its decision is based upon several factors:

1. The Board believes that negotiation can be an effective means of resolving differences and will therefore continue to employ such a process in an effort to complete an agreement with its teachers.
2. The Board recognizes that negotiations is an extremely demanding and time consuming process and it therefore cannot continue to invest so much of its total efforts in this process at the expense of its many other responsibilities.
3. The Board believes that it is time to introduce some new thinking and fresh approaches in an effort to overcome the present difficulties between the parties.
4. The Board firmly believes that the introduction of a negotiator will lead more rapidly to a mutual agreement between both parties.

In announcing its decision the Board's negotiating team indicated that although negotiations can at times be quite frustrating it can neither condone nor accept several of the recent actions of the EMEA. The Board stated that it fails to see how harassment of its members, threats to disrupt the schools, threatened interference with the orderly process of the education of children and other forms of intimidation can possibly result in a solution to the present differences between the Board and the EMEA.

Further, the Board indicated that if the EMEA persisted in pressure tactics such as demon-

Public hearing on District 207's tentative budget

District 207 residents are reminded that a public hearing on the proposed 1973-74 budget for the Maine Township high schools will be held in the Maine East Faculty Study on the evening of Sept. 24 at 7:30 p.m. Interested persons are invited to attend and to ask any questions they may have about the budget. Explanatory material has been prepared and will be distributed to members of the press and to all visitors at the hearing.

Copies of the tentative budget will remain on display and available for public inspection at District 207's Administration Center, 1131 S. Dee rd., Park Ridge, and at libraries throughout the township until the evening of Sept. 24. Official consideration will be given to the adoption of the budget at the Board of Education meeting immediately following the public hearing.

The proposed budget, totalling \$23,826,650, is \$2,501,638 higher than last year's budget. Designed primarily to protect the quality of the present educational program of the Maine high schools, it has built into it sufficient resources to expedite curriculum development and to continue curriculum evaluation. The largest portion of the budget—\$16,637,500—is for the district's Educational Fund which provides for teachers' salaries and instructional materials.

The anticipated revenue for the 1973-74 school year is expected to be \$24,827,973, according to Harold Markworth, business manager of District 207. Based upon an estimated assessed valuation for 1973 of \$768,000,000, he said, the estimated 1973 tax levy for the Maine Township High schools will be \$2.52 per \$100 of assessed valuation, up only slightly from the 1972 tax rate of \$2.48.

Beloit College rep to meet ND students

John Lind, Beloit college admissions counselor, will meet with interested high school juniors and seniors at Notre Dame high school, Niles, at 7:30 p.m., Wednesday, Sept. 26.

He will discuss the college's year-round program, which has a flexibility that permits a student to complete his college work in 3, 4 or 5 years.

In addition to 29 areas from which to choose a major, a student also may design his own program with assistance of Beloit faculty. Beloit offers pre-professional tracks in dentistry, medicine, veterinary medicine, and law, and co-operative programs in engineering, forestry, nursing and other allied health professions.

Nitz also will tell the high school students about Beloit's sliding-scale tuition program, the college's new approach to pricing a college education that has replaced the single, fixed tuition rate.

strations, picketing, slow down and related activities they are seriously jeopardizing the Board's interests in continuing to seek a negotiation agreement through the negotiating process. The Board wished to make it quite clear prior to the close of the meeting that it was not terminating negotiations with the EMEA but rather taking a different approach which it believed would result in a negotiated agreement.

Like to cook?

Culinary courses have always been popular among the MONACEP offerings and this fall more one-night and short courses of three or four weeks have been added, according to Alexander Krugel, director of the Maine-Oakton-Niles Adult and Continuing Education Program.

The old favorites of Basic Gourmet Cooking, Cake Decorating, Continental Soups, Cooking for Company, Crepes Suzettes, and Yeast Breads will again be offered along with All About Meats, Holiday Breads, Strudel, Indian Cooking, Chinese Cookery, Food Preservation, Food Technology, Health Foods, Wines and Their Uses, Wine Making, he said.

All of the culinary courses at MONACEP are taught by experts in their fields Krugel said. The schedule for the courses can be found in the MONACEP brochure for Fall, 1973, which was mailed to all residents of Maine and Niles Townships early in September.

Classes for MONACEP will begin on October 1 or later. Classes are held in three of the Maine Township High Schools and two of the Niles Township High Schools. Registration is now open from 9 a.m. until 3 p.m., Mon. thru Fri. at the three Maine High Schools or at Oakton Community College from 9 a.m. until 4 p.m., Mon. thru Fri., Building 3, 7900 N. Nagle, Morton Grove. Evening registrations will be held at Maine East High School on Sept. 20; at Maine South High School and Niles North High School on Sept. 24; at Niles West High School on Sept. 25; and at Maine West High School on Sept. 26, 7 to 9 p.m.

For further information, call MONACEP at 696-3600.

St. John Lutheran book fair

St. John Lutheran school in Niles will sponsor a student book fair from Sept. 21 to Sept. 22. Students will be able to browse and purchase books. The book fair will be open during the hours of 7-9 p.m. Sept. 21 and 10 a.m. - 2 p.m. Sept. 22. Books will be on display in the gym.

The book fair committee invites all students, parents and visitors to attend the fair. The fair will encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project. All profits will be used for the school library.

The P.T.L. (Parent-Teacher League) is sponsoring this event, with Betty Simms serving as book fair chairman. The committee includes Fran Williams, Helen Linden, Pat Wendland, Mary Mittelbrun and Lorraine Zaber.

The book fair display will include attractive new books from many publishers in all popular price ranges - wonderful books to read or to give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. The committee is working with Educational Reading Service, a professional book fair company, to furnish an individual selection of books for the fair.

Circle Honor Students

University of Illinois Chicago Circle campus Honors Program has announced that 179 freshmen have been accepted as Edmund J. James Scholars for the Fall quarter.

They are: Regina Crouse, 9098 Church st., Des Plaines; Henry A. Schoenberger, 9301 W. Ballard rd., Des Plaines; John V. Jurica, 8115 Osceola, Niles; and Gregory H. Wisniewski, 8516 Ottawa, Niles.

SCHOOL NEWS

Psychology courses

MONACEP, the Maine-Oakton-Niles Adult and Continuing Education Program, will expand the number of courses in psychology in its fall term, according to Director Alexander Krugel.

New psychology courses include Transactional Management, Gestalt Psychology in Marriage, Gestalt Methodology for the Helping Profession, Adlerian Psychology for child development, Behavior Modification of Children, Psychology of Human Dilemma, and goal setting behavior.

Most classes for the fall term of MONACEP will begin during the week of October 1, Krugel points out. Registration is now open. Participants in MONACEP courses may register by mail, using forms found in the Fall 1973 MONACEP brochure, or in person on week days between 9 a.m. and 3 p.m. at the three Maine High Schools or at Oakton Community College, Building 3, in Morton Grove from 9 a.m. until 4 p.m.

Krugel pointed out that former offerings in psychology, including Psychology in Everyday Living, Transactional-Analysis, Group Dynamics, Roles and Challenges for Men and Women and Motivational Psychology in Business, are still available.

Some sections of several of these courses will be offered during the day at the Niles Community Church. The remainder will be offered at the five participating high schools in the area: Maine East, Dempster and Potter rd., Park Ridge; Maine South, Dee and Taicott rd., Park Ridge; Maine West, Wolf rd. and Oakton st., Des Plaines; Niles North, 9800 Lawler ave., Skokie; and Niles West, Oakton st. and Edens expy., Skokie.

For further information about MONACEP programs call 696-3600.

Dr. No-No's helpful hints on how to save natural gas & money:

"Aha! A seldom noticed no-no. Cracks like this let cold air in, heat out. Caulk them up, friends. And be sure your doors and windows are weatherstripped. You'll be warmer. And richer!"

Check your door and window frames before every heating season. Replace caulk that's cracked or missing outside. And replace weatherstripping that's worn or missing inside. Get materials and instructions from your hardware dealer. And get a pleasant surprise on your gas bill.

"Close those cracks and give yourself a break on heating costs."

OCC Slates Artists For Lecture Series

Chicago-area artists have been scheduled as lecturers for the Thursday, Sept. 20, and Tuesday, Sept. 25, sessions of the "Who is Chicago?" series at Oakton Community college.

Jerry Pearl, a sculptor who moved to Chicago within the past year, will discuss the process of "breaking in" to Chicago's artistic community at the session on Thursday at 9:30 a.m. He will show slides of his work and that of other Chicago sculptors.

Anita Kushner, watercolorist and printmaker, and Edith Altman, a sculptor who creates "minimal" wood construction, will lecture on Tuesday, Sept. 25, at 9:30 a.m. In addition to illustrating their work with slides, they will discuss the difficulties confronting women who seek recognition as artists in Chicago.

The lectures series, in the Focus Chicago program at Oakton, is part of a course in Modern Culture and the Arts, taught by Dick Storing, assistant professor in humanities. The series is held weekly on either Tuesday or Thursday mornings in the Lounge of Building 4 at the interim campus of Oakton Community college, 7900 N. Nagle, Morton Grove.

Meets with local fire chief

Carl E. McCoy, executive director of the Fire Protection Personnel Standards and Education Commissions of the State of Illinois, recently met with the Fire Science Advisory Committee of Oakton Community College, the Fire Science Instructors, and the fire chiefs of the communities in the Oakton area. McCoy spoke on the progress of the commission in developing standards and training for certification of fire fighters at various levels. At the right of the photo are Paul Gilson, chairman of the OCC Board of Trustees, and Christ Hildebrandt, chief of the Morton Grove Fire Department.

Lens photography and sale information

Starting Sept. 20 through Sept. 28, Maine East seniors who did not have their portraits taken or want retakes for the Maine East yearbook, LENS, may sign up for an appointment before home-room or during periods three, four, six, seven, eight, or nine in the yearbook office (room 234). The retakes will be then taken on Oct. 1 and 2 in the girls' P.E. Conference room.

Lens adviser Barbara Witkiewicz points out that pictures will be taken only if students have made an appointment. In addition all seniors should have their pictures taken by Oct. 31 to insure that they will get their photograph in the yearbook. There is no charge and no obligation for taking the pictures.

Yearbook sales will be held Oct. 29 through Nov. 9 in the cafeteria during all lunch periods. The cost their year is \$5.50.

Michael Cole at Pheasant Run

Michael Cole, star of Mod Squad, has been signed to appear at Pheasant Run Playhouse in "Wait Until Dark" Oct. 23 thru Dec. 2. This will be Cole's first Chicago stage appearance.

"Wait Until Dark" follows "The Marriage-Go-Round" starring Dana Andrews and his wife Mary Todd, which runs Sept. 11 thru Oct. 21.

Irv Kupcinet Day in Chicago

Monday, Sept. 24, has been designated as Irv Kupcinet Day in Chicago, by proclamation of Mayor Richard J. Daley, for all citizens to take cognizance of the inaugural Variety Club Irv Kupcinet Open, a prestigious celebrity-amateur golf championship tournament honoring the noted columnist and television personality.

Destined to take rank as one of the finest and most important in the Midwest, the tournament will be an 18-hole competition, Monday Sept. 24, at the Dominion Golf and Country Club, Wood Dale, Ill. Already the entry list at \$350 entry per golfer is most imposing as is the list of celebrities who will compete or participate through the day.

Past Chief Barker Bill Margolis, who is the originator and managing director of the tournament, has named Robert Dachman as associate director, in charge of entries. Other members on the executive committee include Les Lear, Aaron Cushman, Jack Greenberg, Jerry Lipow, Henry Markberg, Andy Nickols, Bob Gedman and Harry Pezzullo.

Kup, who is a board governor of the charity organization, is delighted and thrilled to be so honored. "I am sure it will be a great event. I am very pleased to have it named for me," he said.

Des Plaines art fair rescheduled

Des Plaines Art Guild's 18th annual outdoor art fair, originally scheduled for Sept. 9, has been postponed to Sunday, Sept. 23.

Time and location remain the same - 11 a.m. to 6 p.m., in the Ellwood parking lot between Lee and Pearson sts. in downtown Des Plaines.

Any artists interested in displaying their works at the DPAG fair may contact Mrs. Thelma Spain at 296-2106, or secretary, Marilyn Ferchl, at 296-7572, or write Des Plaines Art Guild, P.O. Box 81, Des Plaines, Ill. 60017.

Cash awards totaling \$150, plus ribbons, will be presented by the local art guild. Winners will be selected by Win Jones, assistant professor of art at Northern Illinois university in DeKalb.

'The Skin of our Teeth'

David Lonn, Managing Director, takes great pride in announcing that Sarah Miles will make her American stage debut at the Arlington Park Theatre this October in Thornton Wilder's Pulitzer Prize-winning play, "The Skin of our Teeth."

Sarah Miles, one of England's most respected young actresses, has distinguished herself on stage from her London debut in "Dazzling Prospect," under the direction of Sir John Gielgud, to "The Crucible" at the National Theatre of England, to her most recent triumph as Mary Queen of Scots in "Vivat! Vivat, Regina," written by her husband, Robert Bolt.

Miss Miles' debut at Arlington Park Theatre precedes her, much heralded, appearance for Robert Fryer at the Ahmanson Theatre in Los Angeles in the coveted role of "St. Joan," with Richard Thomas opening Jan. 29, 1974.

The vibrant Miss Miles made her motion picture debut opposite Laurence Olivier in "Term of Trial," followed by "Those Magnificent Men in Their Flying Machines," "The Servant," "Blow-up," "Ryan's Daughter," (with screenplay by Robert Bolt, and for which she received an Academy Award nomination for Best Actress), "Lady Caroline Lamb," "The Man Who Loved Car Dancing," and "The Hireling," award-winning entry at this year's Cannes Film Festival.

Yet another aspect of Miss Miles' talent will be revealed in this production of "The Skin of Our Teeth" with her portrayal of the zany Sabina in Wilder's classic, unconventional spoof of mankind's indestructibility thru the ages.

Mr. Miles also directed the award-winning film "The Virgin and the Gypsy," by D.H. Lawrence, starring Joanna Shimkus and Franco Nero and, more recently, "Time for Loving," with Susan Hampshire, Joanna Shimkus and Mel Ferrer. In March of next year, he will again direct Sarah Miles in Robert Bolt's screenplay of D.H. Lawrence's "The Plumed Serpent" to be filmed in Argentina.

"The Skin of Our Teeth" will preview on Thursday, Oct. 11 at 8 p.m., and open at Arlington Park Theatre on Friday, Oct. 12 at 8:30 p.m. The production will play thru Sunday, Nov. 18. Performance times and ticket prices follow (please check carefully, as scheduled times differ slightly from previous productions): Tuesday, Wednesday, Thursday-8 p.m.-\$6.50; Friday-8:30 p.m.-\$8; Saturday-6 p.m. and 9:30 p.m.-\$8 both performances; Sunday-3 p.m. (matinee) \$6.50 and 7:30 p.m.-\$8.

Maine North Wind Ensemble concert

Maine North's Symphonic Wind Ensemble will open the Fall concert season on Thursday, Oct. 4, in Maine North's spectator gymnasium.

"Members of the Symphonic Wind Ensemble have begun the year with a great deal of enthusiasm," said director Mr. O. D. Preno.

The Oct. 4 performance will include the following selections: Marche Symphonique by Savino; L'Arlesienne by Bizet; Jupiter from the Planets by Holst; Lads of Wamphray; La Gazza Ladra (The Thievish Magpie) by Rossini; First Movement from the Second Symphony by Borodin; and Dixie by Norton Gould.

Admission to the concert is \$1 for adults and 50¢ for students. Fine Arts Booster memberships will be honored.

Maine North's Marching Band will participate in Northwestern university's Northwestern Band Day on Saturday, Sept. 29. The Pom Pom Squad and twirling corps will also participate in the event.

OCC Film Society to feature 'Open City'

The classic Italian movie on the German occupation of Rome during World War II will be presented by the Oakton Community Film Society, and MONACEP, on Friday, Sept. 14, at 7:30 p.m. The film will be shown in Room 108-109, Building 1, OCC Interim Campus, 7900 N. Nagle, Morton Grove.

Ed Hanson

"What product that is used in practically every home today is cheaper now than it was 15 years ago, Ed?"

Bill Kenney, owner of Kenney Aluminum Products, 7570 Milwaukee Ave., asked me that question at lunch at the Back Room last week.

I thought for a while and replied, "I give up, Even chewing gum has doubled in price. What is it, Bill?"

"It's storm doors and windows, Ed. They're the only things I know that are cheaper today than 15 years ago."

And Bill Kenney should and does know whereof he speaks. For Bill has been in the business of storm doors, windows, siding, soffit, fascia, caulking, etc., for more than 20 years.

After Bill left the U.S. Navy ('42 to '47) where he'd been a radioman and earned 5 battle stars, he went into this business and learned it from the ground floor up so to speak.

About 11 years ago he went into business for himself, starting in Norridge (Harlem and Lawrence) and he's been at it ever since. Home construction work has been Bill's business-life and he's been super successful in his chosen career.

18 months ago Bill moved his business here to 7570 N. Milwaukee Ave., and he is today probably the largest in the middle west. Bill not only does business direct with the public but also with some of the largest home builders in America such as Centex, Camporelli, Cantino, Frediani, Pulte and many more.

His show room features the largest display of windows and doors to be found anywhere.

Bill tells me his sales have increased each year since he started in business for himself. I asked Bill what he attributed his success to and he replied, "Hard work and the sincere desire to make every customer 100% satisfied."

Bill Kenney who spends most of his advertising budget in the 5 Bugle Newspapers tells me his sales for the current year are more than 20% ahead of last year.

Bill resides in suburbia with his wife Lillian to whom he's been married for 18 years. He has 6 children, 3 boys and 3 girls. Bill's hobbies are golf, hunting and fishing.

If you have need for home improvement work -- and now's the time -- you can't find a better place to do business with than KENNEY ALUMINUM PRODUCTS, 7570 N. Milwaukee Ave. You can also get free estimates . . . just phone Bill at 792-3700 and tell him "Eddie" sent you and you'll get a special discount.

Another instance where hard work and excellent products have paid off is PINOCCHIO'S PIZZERIA, 9700 N. Milwaukee Ave., Niles. Their family operation headed by Vince and his son, Mike has been so successful they've expanded and now you can eat in, carry out or have their wonderful Italian foods delivered (after 5 p.m.).

In addition to their Italian specialties, Pinocchio's offers a complete large variety of all types of sandwiches and dinners. Drop in or phone 299-1022 -- they're open at 11:30 a.m. daily (except Mondays) in their new restaurant or you can get deliveries after 5 p.m.

A lot of folks are beating a path to LA VENECE, 8743 Milwaukee Ave., Niles these days to save money on breakfast, lunch and dinner. For La Venecia refuses to raise their prices despite rising costs of just about everything their suppliers sell them. "No decrease in our quality -- and no increase in our prices," says Andy . . .

Like Caesar Salad? Every Sat. you can get a FREE one with dinner at ARVEY'S, Oakton and Waukegan, Niles, ARVEY'S slogan that their foods are internationally famous is true. Recently Mrs. Leta Selman and hubby Abe, Niles' newest trustee of 7111 W. Niles Ave., traveled all the way to Spain and an attorney they met in Spain told them about a restaurant named Arvey's which his sister is very high on. So you see ARVEY'S fame has spread all the way to Spain . . .

Speaking of Spain, . . . there was an 80 year old Spaniard who decided to marry a young lady of 22. So the old boy went to a Gypsy doctor who made for him a powerful potion. "Take two teaspoons of this each day prior to your marriage -- it will make you young again. . . be sure to follow my instructions -- only two teaspoons a day for this is very powerful medicine."

But the old boy of 80 was forgetful . . . so the first night of his honeymoon he drank the whole bottle of the powerful youth giving elixir vitae and fell into a deep sleep.

Finally in the morning the bridegroom of 80 was awakened by the making of his young wife who said, "Wake up -- Wake up! It's after 9 in the morning. . ."

"So what! exclaimed the old man sleepily, "I'm not going to school this morning anyway."

And then there was the 85 year old Spanish gentleman who married a young Senorita of 23. . . it seems after a few months of marriage he was accused by his young wife of cheating on her with a 60 year old widow.

"What's this 60 year old woman got that I haven't got?" the curvy young Senorita demanded.

"Patience -- patience, my dear", he replied.

Long before time was the age of the gods, There was but one. Desire arose in the heart of the one. He wanted to become many. So he created a consort. After which he became many. And then desire arose in the many to become more. More added to many has become too much. That's why it is so difficult to find a parking space.

See you next week. . .

Inaugurates piano class program

Dr. Leon Stein, Dean of the School of Music of DePaul University announces the appointment of Delphine Tabor of 7921 Linder, Morton Grove, to inaugurate the program of class piano instruction at the preparatory level.

Using only "Ivory" instruments, the course employs the most recent developments in class piano pedagogy. Mrs. Tabor, a graduate of DePaul University School of Music, has studied class piano procedures with Raymond Burrows of Columbia and Guy Duckworth of Northwestern, as well as the methods of foremost class piano authorities. Much of the material used has been specifically arranged for these classes. Enrollments are now being accepted at the school of music.

Mrs. Tabor of 7921 Linder, Morton Grove, has been teaching piano in the Morton Grove area for the past 25 years and is also currently handling class piano programs for the adult education division at New Trier High school in Winnetka and for the Chicago School system.

JCC music department

The Mayer Kaplan Jewish Community Center at 5050 W. Church St., Skokie will offer a voice workshop for adults and teens beginning Wednesday, Oct. 3 at 8:30 p.m.

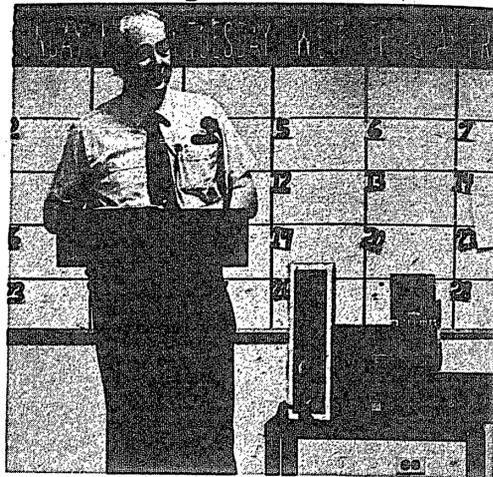

Ms. Vergene Miller, lyric soprano and well known performer and teacher, will help singers in the development of voice production and voice techniques. Students will become familiar with vocal repertoire while receiving valuable training.

The Center Chorus, which began meeting last year, will continue with its program on Thursday evenings, beginning Oct. 4 at 8 p.m. Director, George Pevovich has planned an exciting repertoire of music, consisting of classical, musical comedy and Israeli songs.

Interested persons may register for Voice Workshop and for Chorus now at the Kaplan JCC at may phone 675-2200 ext. 215 for further information.

Chicago culture and arts begin at Oakton

Dr. William A. Koehnline, president of Oakton Community college, was the first in a series of guest speakers for the Focus: Chicago seminar on Chicago's social and artistic life last week. He described his own discovery of the city's artistic community as a newcomer to the area 3 years ago. The public is invited

to attend the weekly sessions when speakers from the artistic, literary, and political life in Chicago will discuss their roles and work. The seminar meets in the Lounge of Building 4 at the Interim Campus at 7900 N. Nagle, Morton Grove, at 9:30 a.m. on Tuesday or Thursday mornings.

'Rumpelstiltskin' postponed

"Rumpelstiltskin," the upcoming show at the Mill Run Children's Theatre, is opening one week later than originally announced. The opening date has been re-scheduled for Saturday, Sept. 22. The 1 p.m. showtime remains the same. Other weekend performances will be held on Saturday, Sept. 29 and Saturday, Oct. 13, also at 1 p.m. "Rumpelstiltskin" will also be presented on two weekdays: Thursday, Oct. 11 and Tuesday, Oct. 16 at 10 a.m.

Tickets for weekday performances should be arranged in advance by telephone reservation.

Tickets for Saturday performances may be purchased on the day of the show at the Mill Run Box Office. Tickets are priced at \$1.75.

For group discount reservations and information, call 298-2333.

Library pre school storytime

The Children's Department of the Niles Public Library will begin its autumn session of pre-school storytime on Oct. 3. Registration begins Sept. 24. Storytimes are scheduled on Wednesdays at 11 a.m. and 2 p.m., and on Thursdays at 11 a.m. The sessions consist of stories, finger-plays, songs and short films of children's stories. Three, four and five year old children, living in the Niles Library District, are eligible to attend. Registration is required.

Oakton offers English as second language

English as a second language is now being taught to students at Oakton Community College, according to college officials. The class this fall is a section of the developmental communications course taught by Diane Keeley.

Instruction concentrates on speaking but also stresses reading, writing, spelling, vocabulary development, and grammar and structure of the English language, Miss Keeley said. The course is open to people of all ages speaking any native language.

"We feel there is a real need for a program teaching English as a second language in this community," Dr. Harvey Irlen, chairman of Group III, explains. "Several students have already been identified as needing this program now, and we hope to have an on-going program organized."

Miss Keeley is employed at Oakton as a part-time instructor in communications and consultant in setting up the English as a second language program. She has taught English as a second language in MONACEP and in Elementary School District 62 and Maine Township High School District 207. Miss Keeley was also employed as an English teacher in Japan, Korean, and Okinawa.

A graduate of Indiana University, she has earned M.A. degrees at both Indiana University and at the University of Hawaii. For information about enrolling in the English as a second language course, call Dr. Irlen at 967-5120.

New women at Oakton welcomed

Mrs. William A. Koehnline, wife of the president of Oakton Community College, welcomed new women on the faculty and staff and wives of new faculty at an annual morning coffee on Thurs., Aug. 30. In the photo, Mrs. Koehnline, (second from right) serves (l to r) Mrs. Sue Jaffray, who joined the Oakton staff this fall as a paraprofessional in the secretarial science program; Mrs. Ron Smith, whose husband is a new assistant professor in the radiologic technology program; and Mrs. Donna Weaver, a new assistant professor in the secretarial science program at OCC.

Maine North . . . Continued from Page 1

mean that the district will receive some state funds for Maine North's construction project providing the district wins state approval of the expansion program.

He also explained that greater state support for the Maine schools will be forthcoming because of the new state formula, the Resource Equalizer Formula, which will expand the state support each year at about 25% of the previous year until the state is carrying more than 50% of the responsibility for financing education. Local real estate receipts will be lowered by an amount corresponding to the state aid increased the previous year.

The Board, in other action, explored the site development costs for Maine North's athletic fields. A base bid of \$213,800 received from Rock Road Construction Co. for the development of a football field and track was considered and then unanimously rejected as being substantially higher than the amount budgeted for the project. The bid by the Rock Road

Construction Co. was the only one received by the district although 4 other companies had been expected to submit bids.

Board member Roy O. Makela, in voting to reject the \$213,800 bid, suggested that the matter be put aside until spring and new bids sought at that time. He also suggested that the Board consider including a large portion of the site development costs in the upcoming referendum.

The Board approved the purchase and installation of compressors for the air handling equipment in the Learning Resource Centers at both Maine East and Maine West. The projects, totalling \$136,450, will be paid for out of Life Safety Code reconstruction work funds.

The administration was authorized to proceed with Life Safety Code work in the amount of \$972,012.66 at Maine South which, among other work, would eliminate the ventilation and temperature control problems in the student center area of the school.

This portion of the building houses the Learning Resource Center, home rooms, counselors' offices, large group instruction rooms, the Career Resource Center, and service areas, all inside rooms. The Board authorized the administration to prepare a resolution calling for the issuance of approximately \$900,000 in general obligation bonds to finance this project. The bonds can be paid over a period of years with funds collected in lieu of the use of the .05% taxing authority for Life Safety Code work.

United Crusade . . . Teachers Institute Speakers

Continued from MG P.1

The efforts of the Skokie Valley United Crusade to raise money for 13 health and service agencies serving Morton Grove are warmly appreciated by the entire community," said Bode.

The agencies are: Orchard Center for Mental Health, Family Counseling Service, Boy Scout Council, Girl Scout Council, Learning Tower YMCA, Visiting Nurse Association, North Suburban Homemakers Service, North Shore Association for the Retarded, Niles Township Sheltered Workshop, Skokie Valley Welfare Council, United Service Organizations, Maine Township Mental Health Association, and Jeanine Schultz Memorial School.

Robert C. Claus, Board of Education president, Dr. Donald H. Klein, Ass't Supt. of Educational Service Region of Cook County, and Dr. Richard R. Short, Supt. of Schools, District 207. All were speakers at the Teachers' Institute, Sept. 4.

Class registrations open

The Morton Grove Park District is still accepting Registrations for the following classes:

Lawrenz named Centel Commercial Engineer

David Lawrenz, a resident of Des Plaines, has been named a Division Commercial Engineer with Central Telephone Company of Illinois, according to an announcement by W. R. McGrew, Vice President and Division Manager.

Mr. Lawrenz has been with Central Telephone since 1962, beginning as a Draftsman. In 1967, he was named Plant Engineer. Since 1969 he has served as Local Office Manager. He and his wife, Melody, are the parents of one child.

Arlene Pagels, also a resident of Des Plaines, will assume the duties of Des Plaines Office Manager. Miss Pagels has been with the company since 1951, beginning as an operator. In 1953 she changed to the Commercial Department in which she has had several positions. Since 1972, she has served as Business Office Supervisor assigned to the Key System Diagram Section.

Jr. High Scouting Volunteers essay contest

This year's Jr. High Essay Contest sponsored by the Niles Youth Commission has officially begun. The theme is "How I Would Raise My Children If I Were A Parent" and this is your chance to see how you would bridge the generation gap.

All students who reside in Niles and attend school in the 7th or 8th grade are eligible to enter. Applications have been distributed to all schools serving Niles residents. If your school has not received any forms, please contact Rhoda Salins at 967-6533.

The first place winner will receive a \$50 U. S. Savings Bond and the next 17 winners will each receive a \$25 U. S. Savings Bond. In addition, all 18 winners will spend an entire day in the Village, each taking the part of an official of the Village, such as Mayor, Village Manager, Village clerk, etc. They will attend a luncheon given in their honor and will also run a Village Board of Trustees meeting in November.

The contest ends on October 12 so be sure to complete your essay before then.

Pointing out that Scouting and Cub Scouting provide a type of training for boys from 8 through 17 that is difficult to duplicate in other kinds of youth activities, Scout Executive Arthur J. Allen of the Northwest Suburban Council, Boy Scouts of America, cited the volunteer leaders who make Scouting succeed.

"The men and women who volunteer as leaders in the Boy Scouts of America are responsible for a special type of educational impact on youth," Allen said.

Adults who volunteer to serve in Scouting work through organizations that use the program as a part of their own youth program or serve in the Northwest Suburban Council or its 9 districts.

In the Northwest Suburban Council, there are 7500 adults registered in positions that are related to the council's 18,000 young members.

"As a part of our council plan to expand the Scouting program, more adults are being invited to give leadership in a variety of ways," Allen said.

Looking in . . . Cub Scouts Start Big Drive

A big drive is underway in Lincolnwood for young boys, ages 8 through 11 years of age. Fathers and mothers interested in joining as den mothers and leaders are asked to help in endeavoring to make this organization stronger than ever and keep our boys busy with things to do. The leaders and directors of the Cub Scouts of Lincolnwood said they have a big program planned and hope all will participate in it. Lets hope for a big turnout.

Lincolnwood Men's Club

The new President, Allan Fishbein, was quoted as saying that with the start of a new year, he would like to thank the outgoing President of the Lincolnwood Men's Club, Chester Wiig of 6943 N. Kes N. Keystone av., for the fine job he did and the recruiting program which he started resulting in many new members into the club. Allan Fishbein of 6552 N. Spaulding will continue with the big drive for new members and young people interested who

Cont'd from Lincolnwoodian P.1

are home-owners or have businesses in Lincolnwood are welcome.

The new Board of Directors are as follows: Allan Fishbein, President, First Vice President, Dr. John Beckwith of 5148 Morse, 2nd Vice President William Dosse of 6930 N. St. Louis av., Joel Wax, 3667 Pratt, Jeff Bennett, 4636 W. Pratt, Steve Muth, 3718 Albion, Jerry Cohan, 7230 Keeler. The Directors Barrett T. Gough, Irving Katz, Howard Jenc, Michael Rothman, Gerald Minkus, and yours truly. A big program has

been planned for next month. Watch the column and remember you can join, we need you. All it costs is \$12. for one year dues which entitles you to top speakers, buffets, parties, family affairs, sport nites. Contact John Beckwith by calling 679-8452 or write 5148 Morse in Skokie.

For boys interested in delivering the "Lincolnwoodian", the paper that represents Lincoln-

Oakton speakers

Cont'd from Lincolnwoodian P.1

Community College, will serve as moderator.

The discussion will be concerned with viewpoints on the political process, the implications of Watergate, the role of the politician, and what citizens can do. A question and answer period will follow presentations by the panel members.

The Green Turpin Community Survival symposia are part of an on-going program at Oakton Community College. Groups of qualified professionals discuss the needs and resources of community, with the college serving as an educational resource in the effort to improve the quality of life. The symposia are part of a special curriculum developed by Group III at Oakton Community College, including tandem courses in philosophy and humanities which are being taught during the fall term.

Drama workshop
Thursdays from 7 p.m. to 8 p.m. beginning on Oct. 4.
The fee is \$10 for 10 weeks and must be paid at the Park District Office before the first class.

Awards and Trophies Presented

The awards were first presented to Farm "B" League were given out by Irv Axelrod, then the 1st place team "Shanin" who were coached by Jerry Cohan and Joel Wax, and 2nd place trophies were given to Lincoln Crawford Mobile Service Station by yours truly, Bob Izenstark and Allan Rich, the presentation was given by Bill Gugenheim, director of Farm "A" League. The National League trophies were then given by Paul Stamos of National League Director introducing 1st place team, HFC, Inc. with Coach Irwin Siegel, next American League Sid Cohen presenting Coach Ray Gillespie to award trophies to the boys, then Gerald Snyder, Senior League Director presented Coach Harry Ermoian of Biasetti's Pizza with their trophies. Next came the Big League with their world championship trophies and honors which were bestowed on them and their coaches and manager, namely, Big League Director Earl Baron, Manager Dick Rossi and Coach Clyde Lorenz. The awards of the American All-Stars with Coaches Al Barasch, Steve Muth and the presentation of the most valuable player on the team to Zerah closed the ceremonies. There were 400 spectators.

Shower for Betty Bentley

On Sun., Sept. 9, a shower was given by Barbara Vanderbilt, sister of Betty Bentley in honor of her forthcoming marriage in November of this year, to Mr. Danny Pappas of Chicago.

Lap Goes Back Into Action

This reporter was reminded by Herman Kranz, Executive Chairman of the LAP, that the meeting they had Sep. 18, Tues., resulted in a large turnout for the party and it was important in having a two-party system. The main goal and object is to make Lincolnwood a better place and to stay up with the times and to stay in touch with neighboring communities surrounding us and to bring more activities throughout the year for both young and old.

The New Board of Directors of Lincolnwood Little League

The new president is Carl Carlson of 6500 Nakomis, Vice President and Player Agent, Harry Ermoian of 4717 Touhy av., Sid Cohen, Vice President and purchasing agent of 6528 Lawndale; Bill Smith, Secretary, 6614 Trumbull, Al Barasch, Treasurer of 4170 Estes and Betty-Ann Vishny, Correspondence and Receiving Secretary. The directors will be mentioned in my next column as there have been some changes made.

Ballard season pass registration

Saints hold punt, pass and kick clinic

Saturday Sept. 22 at 9 a.m. at Jozwiak Park, 6851 Touhy, the Niles Saints will hold a punt, pass and kick clinic. The object of the clinic will be to show boys between the ages of 8 and 13 the proper fundamentals needed to enter the nation wide punt, pass and kick clinic.

Saints John Pecaro, who was little all American at Florida state and third in the nation in punting in 1969 will be there to help the boys along with Wally Schulz, the Saints League Leading kicker, Gus Williams the Saints All American Quarterback, Tony Piekos and Paul Pisellini Saints veteran lineman.

After a brief description of fundamentals, the Saints will help the boys polish up individual techniques.

The people from Norwood Ford will have entry blanks on hand for boys who have not yet entered the contest.

From the LEFT HAND

Continued from Page 1

Psychologists contend lefties live in a hostile world. If lefties want to play the violin they must restring it. This also applies to banjoists and guitarists. As for left-handed saxophonists, they just don't exist.

If you're a left-handed gum chewer you must open your gum wrapper from the right. If you use an apple corer, you're in trouble. And left-handers using a Polaroid camera have a doubly hard time. Try using a frying pan . . . it pours from the wrong side if it has a pouring lip. Most scissors are for righties. Can openers are right-handed. So are wrist watches. A power saw requires a lefty crossing his arms which may result in the cropping of a couple of fingers. And hunters using a bolt action rifle have real problems if they're lefties. You could lose an eyeball if you confronted a M-1 when you were in service.

Lefties have troubles playing cards. A lefty might spread his cards to his left while holding them in his hand. You might not be able to read too many but if you spread them to the right you can read the pasties. If you use an adding machine you better convert to your right hand and if you confront a one-armed bandit you can chop off your left arm. Lefties comprise almost half the remedial reading students in the country, and it may be because letter go from left to right. And you can ever forget smearing with ink stains your penmanship paper because your left hand followed your writing across the page.

H. G. Wells contended neanderthal men were right-handed, like modern man; because the left side of the brain was bigger than the right. But it was believed lefties and righties were about even and proof of this can be seen in their tools, which were ambidextrous. Tools such as hammers, saws, axes, pails, pottery, knives, cups, chairs, flutes, tables and bows and arrows were designed for guys on both sides.

In reviewing centuries of writing Egyptians didn't write from left to right. They wrote left, up, down, left or right, depending on the way they felt. The Greeks wrote with each line alternating down the page, first line left to right, second line right to left.

The Chinese wrote vertically from right to left which may show a slight left-handed preference. And while I have mixed feelings on the next one, the Israelites were twice defeated by a Benjaminite army of "700 picked men who were left-handed". That should dispel Mr. Wells' myths about the superiority of righties.

History tells us the Romans were the most militant right-handed people in history. They invented the right-handed handshake, the fascist salute and the left to right alphabet. And their word for left was "sinister". That can be assumed the reason lefties went out of style.

Drug program.

Cont'd from Lincolnwoodian P.1

the urban areas. Over the course of the past few months, we have treated over 40 heroin-related drug abusers from the Skokie community alone."

Although the Niles Township Administration offered both facilities and funding, the original contract was developed between the Orchard Center for Mental Health, Melvin Greenstein, Executive Director; the Near North Center, Arthur Hyams, Director and the Village of Skokie.

After the period of sponsorship and funding by the Village of Skokie, Orchard Center President, Roland R. Moore Jr. and his board voted to negotiate a broader contract with the Township as the funding agency. The contract provides for development of a professional staff under the auspices of Orchard Center and the phasing out of the Near North Center.

"The Township Administration, composed of myself, Auditors Dr. Harold Feder, Albert Nehart, Earl Numrich and Marjorie Sherman, as well as Clerk-Louis Black, Collector Alex Lerner and Assessor Dominic Fichera is extremely interested in the success of this vital community-wide program, and is sparing no effort to make it succeed," said Anderson.

"We feel that the Township Administration, like the Orchard Center, is dedicated to serving the entire five villages."

Since the world seems to be made for right-handers you might ask if it wouldn't be a good idea to convert lefties to right-handedness. But Psychologists contend this may cause stuttering and other such things. . . so hang in there lefties.

To combat the world of righties it is suggested lefties live by a left-handed manifesto: "Be it resolved that all left-thinking citizens, mindful that their birthright has been denied them, shall henceforth stand up for their LEFTS. We call upon each one of them to support this BILL OF LEFTS, and specifically to BUY LEFT. Purchase only left-handed products. Develop a taste for Borden's Cheese Spread, one of the few products which has a tear strip that works for lefties as well as right-handers. Buy an English car and get a left-handed gearshift free. Insist on left-handed check books. Buy a typewriter, the only left-handed machine in general use. Most of the important keys are on the left. Patronize the left, purchasing only works from left-handers (Leonardo, Michelangelo, Picasso), and PLAY LEFT. 32% of major league batters are lefties. They're closer to first base. 30% of all major league pitchers are lefties. They keep an eye on first base cutting down the runner's lead. 48% of all major league first basemen are lefties. They cover more ground and can throw to second easier. But there are no left-handed catchers.

The Manifesto also suggests lefties ACT LEFT by not buckling under. Lefties have made enough adjustments.

It's suggested lefties EAT LEFT . . . and let the other guy worry for a change.

The Manifesto also suggests you RELAX LEFT. If you can't get a left-handed tool for the job forget . . . and relax

The Manifesto suggests you WRITE LEFT. Write backwards. No one can read it, but with a little practice you'll find it a lot easier.

Remember, there are 20,000,000 left-handed Americans. Singly they can do nothing, but united they can change the world.

We have lived under the banner that "Right makes might". Comes the revolution. . . don't be left-out.

This column is a book review of the Left-Handed Book, by James T. deKay, published by M. Evans & Company and distributed in association with J. B. Lippincott. It's a delightful book which should be in the library of every lefty in America. The line drawings make it an ir-repressible joy to a minority group, which has never before had a spokesman.

LETTERS TO EDITOR

A satisfied Keeney resident speaks up

Dear Mr. Besser:

I also live on Keeney st. and my lawn was badly damaged by the storm sewer work, but it's a lot better to have a few dollars worth of lawn ruined than to have hundreds of dollars worth of appliances and furniture ruined by flooded basements.

The work was done speedily and efficiently and I understand the money used was from revenue sharing.

Streets in Chicago are torn up for months on end waiting for similar work to be done. Ours was finished in a little over one week. I think that speaks pretty well for the All American City.

Sincerely,
Mrs. Virginia Maynard
7042 Keeney st.
Niles

Thanks for Publicity

Dear Mr. Besser:

Time has a way of passing us by, and as I look at my calendar I see that in a couple of weeks the Jewish year 5733 will be over and a new year will begin.

At this time I want to take a minute to thank you and your organization for the assistance and cooperation you have given B'nai Jehoshua Beth Elohim during the past year. Your attention to the activities of our Congregation, both religious and social, and the coverage your publications have given to us is greatly appreciated, both by myself and our entire Congregational family.

We pray that the New Year 5734 becomes a year of peace for mankind throughout the world.

Yours very truly,
Gerlad R. Hibnick
President, BJBE

Mrs. Peet retires from Centel

After 16 years of service, Irma Peet, a resident of Glenview, has retired from Central Telephone Company of Illinois. For the past eight years, Mrs. Peet was secretary to W. R. McGrew, Vice President and Illinois Division Manager.

More than 100 friends and co-workers recently joined together for a dinner to honor Mrs. Peet and to wish her a long and happy retirement.

"I loved every minute of it. It makes me very sad to leave," said the woman who was described by Mr. McGrew as not only a wonderful secretary but a wonderful person, someone everyone felt they could confide in.

Before Mr. McGrew was appointed Division Manager, Mrs. Peet served as secretary to his predecessor, Martin Wandrey.

To fill the vacancy left by Mrs. Peet's retirement, Lois Johnson, of Lincolnwood, has been named as Mr. McGrew's new secretary. She has been with Central Telephone since Sept. 1966. For the

past two years, she served as secretary to the Commercial Superintendent.

Mrs. Johnson's previous position will be filled by Natalie Hogberg, of Rolling Meadows. She has served as plant clerk, secretary and, most recently, as staff assistant in the Chicago corporate offices since coming to work for Central Telephone in 1967.

Dr. Witt Podiatry vice president

Charles S. Witt, D.P.M. (Doctor of Podiatric Medicine), a podiatrist practicing at 1902 W. Addison St., Chicago and 1309 E. Court St. in Kankakee, was elected Vice-President of the Alumni Association of the Illinois College of Podiatric Medicine at their annual meeting held on Aug. 20, 1973 at the Washington Hilton, Washington, D.C.

Dr. Witt received his B.S. degree from Loyola University in 1966, his D.P.M. cum laude from the Illinois College of Podiatric Medicine in 1970, and his ASCP-MT degree from Evanston Hospital in 1972.

At present Dr. Witt is teaching Clinical Laboratory Diagnosis at the Illinois College of Podiatric Medicine, 1001 N. Dearborn St., Chicago where he is also consultant in the clinics. The past year Dr. Witt served as Secretary of the Alumni Association and Chairman of the Continuing Education Program for Clinicians of the Illinois College of Podiatric Medicine.

Dr. Witt, who is 29 years of age, and his wife, Wilma, and son Shawn who is 5 years of age, make their home in Morton Grove.

TAM. . .

Cont'd from Niles-E, Maine P.1

the park board first leased the property. In the event the park board did not pick up the option, than any public body which includes TAM in its borders could seek the property. Village officials believe they may have the second option on the land but this point has never been clearly determined.

At Tuesday night's park board meeting the Board voted 3 to 1 in favor of establishing 8 precincts for the November election with 5 judges at each precinct. The lone dissenter, Walt Buesse, had desired 14 precincts and Commissioner Millie Jones had requested 17 precincts. Com. Jerry Sullivan, who headed the committee recommending the precincts, noted the town had not grown substantially since the last referendum in 1969, and residents are familiar with the designated polls.

In other actions the board approved the services of Benjamin and Lang as Municipal Finance Consultants. They will only be paid a \$5,000 fee if the referendum is successful.

Approved Buesse recommendation for free golf days for Nilesites adults Oct. 6 and 7 and students and senior citizens Oct. 5 and 7. Other golf news included a Dressler report there have been 20,900 rounds of golf this season exceeding previous annual records by 5,000 rounds. As of Sept 15, \$108,343 has been collected revenue from the golf course.

A request from Ernie Smolen, of the Chesterfield Recreation Center area, for help in the payment of \$3,500 real estate tax bill will be studied by the Board tho attorney Barrafao said the group was "stuck with it". He said the park board could not give its tax exemption status to the pool saying it was illegal. The pool has a lease arrangement with the park district.

The proposal for a community building on the Kirk Lane Park site was withdrawn and the land will be kept as open space.

Oak PTA received permission to use the ice rink next April 4 for a special evening fee rate of \$25 per hour.

Will seek space in quarterly village newsletter for park announcements.

Anyone desired to be secretary to the park board (a part time job) should contact the park board.

Attorney Barrafao described the parents of youngsters who "turned their heads" when public signs are brought home and placed as wall decorations.

Dressler announced preschool registration is down due to decreasing birth rate.

Dressler also announced Main High Schools will hold referendum in November and he wondered as to the wisdom of holding a referendum after the Maine vote.

Terry Shevelenko and Barbara Cole from Washington Terrace Homeowners Association complained of the poor park maintenance at the park next to the MEMCO area. Commissioner Keener insisted in a daily inspection of the park and director Dressler was told to have parks well maintained.

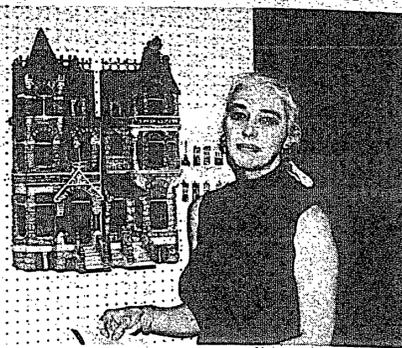

New business manager Gerald Pokrana was introduced at the meeting.

Request from Callero and Catino realtors asking a vacation of alley crossing the lots on the triangle south of the Milwaukee Avenue swimming pool will be held off since such an action would increase the price of the land for acquisition.

Keener reported a meeting with the Niles Baseball Association regarding the installation of a lighting system at the softball field in Jozwiak Park awaits Niles Days money.

Tentative opening for

Art display at Des Plaines National Bank

With the current interest in nostalgia and antique collecting, the current exhibit of Zani Jacobsen's plaster relief wall hangings and more recently art fairs such as Randhurst, Skokie and Edens Plaza.

A Hoosier gal and graduate of the Art Institute of Chicago with BA's in design and education, Zani brings a varied background of art experience to her "Turn of the Century" creations, which she has been making for the past six years.

Formerly a colorist with Commercial Wallpaper, plate artist for Norcross Greeting Cards, Inc. in New York, instructor in design at the Art Institute of Chicago, display designer for Marshall Field & Co., and artist with Jo Mead Designs, Mrs. Jacobsen turned free lance to market her original murals, wall hangings and reliefs at studios, stores and more recently art fairs such as Randhurst, Skokie and Edens Plaza.

The pieces weigh from 10 to 20 lbs, each, and prices range from \$40 to \$75. The artist may be contacted at her home studio, 5511 W. Kamerling ave., Chicago.

Ice Skating Schedule

Following is a schedule and description of the Ice Skating Programs that will be offered by the Niles Park District at the Sports Complex, Ballard and Cumberland. Registration for these programs is Sept. 10 thru 28 from 9 a.m. to 5 p.m. and also Wednesday evenings from 7 to 9 p.m.

Adult 1-2 - Great exercise for adults who have some experience skating. Classes are on Mon, 11-12, or Wed, 11-12.

Tots - Classes are Tues, 10-10:30, Wed, 1-1:30 and Thurs, 11:20-12, for ages two thru five.

Moms 1 - Morning classes Tues, 10:30 - 11 for beginning moms.

Moms 2 - Intermediate lessons for moms who have had some skating background. Class is Wed, 1:30-2.

Moms 3 - This course for advanced moms who have had the equivalent of Beta level skating. Class will be held Thurs, 11-11:30.

Learn to Skate - Learn to Skate is taught according to the Teen Center by the village Youth Commission in the Recreation Center is Sept. 26. A man has been hired for the job of running the center.

Fish derby will be held Oct. 6, 7 and 8 and perch, trout and blue gills will be included this year.

Buesse announced winter swim program only has 32 applicants. Unless about 125 persons register for program at Main and Niles East schools program will be cancelled. He noted desirable 6:30 to 9:30 time slot is reserved for Wednesdays at Main East.

Attorney announced a new state law permits the disconnection and annexation of property of municipality encompassing 2 park districts in order that all territory within municipality should be included in one park district. While no desire for such action was indicated nevertheless the law is particularly important to Nilesites since the western end of Niles is presently in the Park Ridge district.

eliminate skunks in three homes and to hold off on the malling till the first of next year. The motion was passed, although Martin Ashman said, "if we do this it seems to me we are going back to trying to solve things on a piece-meal basis. I think we should attack this problem thoroughly," he said.

Fred Huber asked the board to give him the authorization to advertise for bids for 4 squad cars for the Police Dept. and 3 dump trucks, (1 small and 2 large) for the Public Works Dept. The board agreed to this. There will be no trade-ins on the squad cars, but there will be three 1966 models traded in on the dump trucks. Bid openings will be on Oct. 22.

In regard to the problem with too much noise in the early morning hours at Jack-in-the-Box on Golf and Waukegan rd., Huber said he spoke to the new manager who seemed to be willing to cooperate. He said he now has 3 people on that shift, and will call the police and sign a complaint if necessary when excessive noise occurs. Huber also mentioned this drive-in was held up at 4 a.m. this morning.

The administrator then advised the board he was in receipt of a \$200,000 Surety Bond for work on the Korvette Parking Lot.

Fire Chief Christ Hildebrand said last week the mutual aid pact worked fine when Morton Grove and many other fire departments came to the aid of the Niles firemen who were fighting a huge fire at the A. B. Dick Co. on Touhy in Niles. A letter of thanks was received from Niles Mayor Blase. Chief Hildebrand also reported a fire in a garage on Church st. and said everyone should keep their garages locked, because this fire was started by two children aged 3 and 4.

Atty. John Nordberg read a letter from Mark Anderson of Citizens For a Better Environment who said his group worked in the village for one week and collected \$2,569.78 and received 11 complaints from citizens mostly against Wells Mfg. Co. He said CFBE will file a formal complaint with the Attorney General's office and will probably spend up to \$2,000 on this problem. John Hilkin suggested that Fred Huber send them a letter telling them of our own program concerning the Wells Mfg. Co. Atty. Nordberg then read an ordinance which schedules board meetings on the 2nd and 4th Mondays of each month except for

Christmas Eve, New Years and Memorial Day when the board will meet on Tuesday. The board approved the ordinance.

Mayor Bode told the board he attended the grand opening of Frank's Nursery last Friday and said he was very impressed.

He also said there would be a hearing on Monday night relative to beer and wine sales. John Hilkin said since the governing signed a housebill making it legal to burn leaves in communities over 2,500, he wished to reimpose our existing ordinance covering leaves. The board agreed. Hilkin then said that he hopes it will be possible to get the Milwaukee Road to put steel gridwork into the automobile traffic area of their parking lot.

Hilkin also noted that for some time now Niles has had a \$25 or \$50 license fee for builders and contractors. He recommended that we establish an ordinance along those lines. Trustee Houndt said this was unconstitutional. "You can register someone, but not license them," Houndt told the board. Martin Ashman then moved to table further discussion till next week.

As a memorial to Eleanor Hope Healy who was Arts and Crafts teacher for many years at Orchard School and Julia S. Malloy Education Center, an all day seminar "Art is for Handicapped Children and Adults" will be held on Saturday, Sept. 22 from 8:30 a.m. to 3 p.m. at the Malloy Education Center in Morton Grove, Illinois.

The seminar is sponsored by Kappa Delta Sorority, Julia S. Malloy Education Center and friends.

Mr. Tyse is survived by his wife, Dorothy; his mother, Mrs. Leonarda Tysiewicz; sisters, Lucille, Ann and Pearl and brother Chester.

OCC Chemical technology program

Dr. Philip Jaffe, coordinator of the chemical technology program at Oakton Community college, presented an invited paper at the two-year Chemistry Conference which was held at Loop college in Chicago on Aug. 25. The title of the paper was "Chemical Technology at Oakton Community college." The conference was sponsored by the division of Chemical Education of the American Chemical Society.

Dr. Jaffe discussed the philosophy at Oakton regarding the training of chemical technicians. Many technicians should be taught laboratory skills with sufficient math and chemical theory for their job, he said. The 13 courses that were designed for the chemical technology program at Oakton were presented and discussed. These courses range from industrial microbiology thru technical communications and technical physics.

Dr. Jaffe said that a copy of the Oakton Chemical Technology curriculum was requested by most of the members of the audience.

The chemical technology program at OCC is planned as a practical, applied program to meet the needs of students interested in employment as technicians in local industry, according to Dr. Jaffe. Based on the Chem/Tech program of the American Chemical Society, new chemistry laboratory technique courses have been developed at Oakton.

Dr. Jaffe points out that an interest in science is all that is needed for students interested in a career as laboratory technicians. They need only to have enjoyed science and lab work in high school to qualify for the course.

Dr. Jaffe, professor of chemistry at Oakton, had a long career as a research chemist in industry prior to joining the OCC staff in August 1970, one month before the college opened its doors for classes for the first time. He was senior research chemist at Zenith Radio Corporation, General Precision, Inc.,

and Westinghouse Electric Corp. He had also taught part-time at a number of colleges including Loop college, Triton college, Bronx (N.Y.) Community college, and Fairleigh-Dickinson University.

A graduate of the City College of New York, Dr. Jaffe received his M.S. and Ph.D. in chemistry from Brooklyn Polytech Institute. He is a fellow in the American Association for the Advancement of Science and the American Institute of Chemists. He is a member of the National Commission on Technician Affairs of the American Chemical Society.
