Saints down Brewers 14-7

The Niles Saints came from behind in the second half to beat the Clearing Brewers, defending champions of the Chicagoand football league.

The first quarter found the two teams battling for field position, until Bob DeGosto of the Saints intercepted a Brewers pass to give the Saints the advantage. The Saints took the ball and drove it to the Brewers 31 yard line where Wally Schulz attempted the field, goal, but it was blocked by Larry Laduca of the Brewers.

The second quarter was a different story. At 4:18 left on the clock the Saints began their big drive that found Gus Williams recovering from a busted play and taking the ball into the end zone for the tying TD. Wally Schulz kick was good and the third quarter ended with the score tied 7-7.

Four minutes later it was all over; Gus Williams threw a 61 yard pass to Bill "Zoom" Powell who ran it in for the winning touchdown. Wally Schulz made the extra point and the score was 14 to 7. The Saints tough defense held the Brewers at bay until the final minutes when they got the ball and let the clock run out to win.

Next week the Saints will be on the road. They will play the Chicago Colts who at present are tied with the Saints for second place in the Northern division. The game is at 1 p.m. at Stagg Stadium, 74th and Morgan (1000 west) in Chicago. The Saints must win all three of their next games to make the playoffs and a bid for the championship.

Speak out on sports

Minnesota Fats, the great pocket billiards entertainer, will be a special personal guest of Bob Elson on his radio show, "Speak Out On Sports", Saturday, Oct. 27 from 11 a.m. to 11:30 a.m. "Speak Out On Sports" will be broadcast live Saturday morning from the lobby of North West Federal Savings, 4901 W. Irving Park rd., and can be heard on WLTD radio, 1590 on the AM dial.

Fats, well known as the number one pool hustler of all time, promises to be a very entertaining guest. Bob Elson will interview Fats and then visitors will be invited to ask him questions. Local Billiards expert, Frank Oliva, and area women billiards champions will join Fats in demonstrating some intricate and amazing pool shots, beginning at 10 a.m.

Oliva, past president of the Portage Park Kiwanis Club, was twice Chicago pocket billiards champion and is a well-known instructor of the game. Bonnie Gums, recent winner over five-time U.S. Open Tournament's women's champion, Dorothy Wise, will perform trick shots with Oliva Saturday afternoon to 4 p.m.

The public is invited to stop in to witness the demonstrations and participate in Bob Elson's show.

Fish Derby last chance

The Niles Park District has extended the fish derby one more time. The final day for fishing at the Recreation Center Pool will be Saturday, Oct. 27 from 7 a.m. to 10: a.m. The water table of the pool has been lowered to give fisherman a better view of what they are trying to catch. The Park District has

even indicated that if the fishing is slow the first hour, rules for netting the fish may be lifted. The last count estimated that still over 100 fish remain in the pool.

The Park District has an entire day of activities planned for the 27th. The fish derby being extended with fishing in the morning, then the Annual Halloween Parade and Party in the afternoon. Parade starts at 1 p.m. at Oak School. Costume Judging and games scheduled at the conclusion of the parade and plenty of candy, donuts and taffy apples for everyone. All Niles residents are welcome to participate.

DONS SUFFER FIRST LOSS AT HANDS OF ST. VIATORS 21-9

Notre Dame's Dons suffered their first loss of the conference season to St. Viators 21-9 last Friday night. This lowered the Dons record to 4-2-1 and 2-1-1 in conference.

The first half was a defensive dominated 24:00 minutes. The only score came on Mike Weiss' 25 yard field goal after a 24 yard punt.

The second half was a different story. On St. Viators first possession, QB Jim Buccaro end zone to make it 13-3. The brought the Lions 70 yards for a TD, high-lighted by a 45 yard pass to Steve Bobowski. Bobowski came down to the five before two Dons brought him down. Before being tackled, tho, he lateralled to teammate Bernie Borschke who went over for the TD.

The XP was good and St. Viators led 7-3 with only 2:30 gone in the second half.

ND's next game will be on Sunday Oct. 28, against St. Pat's.

CHURCH & TEMPLE NOTES...

The Little Country Chapel SJB prayers in thanksgiving

The Little Country Chapel, located at 7339 Waukegan rd. in Niles, invites you to worship in its 'landmark' building. It is an independent, democratic church acknowledging Jesus Christ as its only Head and using the Bible for guidance and teaching. Pastor Roger McManus preaches the old Gospel for a new age at the 11 a.m. and 7:30 p.m. services. A church service designed for children (adults are also welcome) is held at 9:45 a.m.

Sunday's schedule: 9:45 a.m. Jr. High, Sr. High and Adult Bible School; 11 a.m. Nursery, Beginner-Primary and Junior Sunday School; 6 p.m. teenage choir practice; 6:30 p.m. youth group and teachers' staff meetings.

Activities and meetings: Wednesday 6:30 p.m. specials practice; 7 p.m. prayer meeting; 7:30 p.m. Bible study; 8 p.m. building committee meeting; 8:15 p.m. choir practice; 8:45 additional specials practice. Thursday 7 p.m. all church visitation in the community. Saturday 10 a.m. bus visitation in the community.

The Children's Church bus service route starts at 9:15 a.m. on Nordica Ave. behind Lawrencewood Shopping Center. For information telephone Mrs. Rieser YO 5-2724. Adults wishing transportation to the church telephone 537-1810 or 647-8751. Crib and toddler nursery provided at all services.

Since 1960 the members of St. John Brebeuf Holy Name Society or Veteran's Day have been marching with their families along with the parishioners in prayers to "Our Lady of Natima" for peace and the conversion of Russia. This has been an inspiring sight and surely a powerful approach to Our Blessed Mary for Her intercession for peace and the conversion of Russia.

Again for the 13th year we will be marching in thanksgiving to Our Lady who on May 13, 1917 in Fatima a village north of Lisbon, Portugal appeared for the first of six times to 3 shepherd children. Mary's urgent messages at Fatima were, "Pray the Rosary, pray more Rosaries. I ask the consecration of the World to my Immaculate Heart, and Communion of reparation on the first Saturday of each month. I am the Lady of the Rosary and I have come to warn the faithful to amend their lives and ask

pardon for their sins. They must not continue to offend Our Lord already so deeply offended." A tremendous challenge faces each of us who lives in this Atomic age. We may be at the threshold of the greatest peace the World has ever seen-or the most terrible catastrophe.

Marching with the members again will be the color guards of the Niles VFW Post 7712, members of North American Martyrs Council, the Formarty's 4th Degree members honor guards, the parish girl scouts, brownies, boy scouts, cub scouts, nuns and the Womens Catholic club.

Everyone will assemble at 8:15 a.m. at the Grennan Heights fieldhouse on Oketo and Kedzie in Niles on Sunday, Nov. 11, Veteran's Day, rain or snow, for the 9:15 a.m. Mass at St. John Brebeuf church. After Mass, breakfast will be served in the school hall.

Messiah Lutheran Retreat

The women of Messiah Lutheran Church, Park Ridge, will attend their third annual retreat at George William College Lake Geneva Campus, Williams Bay, Wisconsin on Oct. 26-27.

They are privileged to have as their leader, Marge Barth Wold, executive director of the American Lutheran Church Women, the national women's organization of the American Lutheran Church. In numerous speaking engagements before church, civic and other groups, Mrs. Wold has discussed the role of the family in society, and husband-wife, parent-child relationships. She has written extensively for church periodicals and prepared scripts for films and filmstrips. She also has been instrumental in

founding church sponsored day nursery schools in California and North Dakota.

In recognition of her 'outstanding contributions to church and community', Lutheran Brotherhood conferred on her - the only woman to be so honored - its Martin Luther Golden Medallion Award. Luther College of Decorah, Iowa, presented her with the Distinguished Service Award in 1968. She holds a M.A. degree in theology from the Lutheran School of Theology in Chicago, and has done additional work at the University of North Dakota.

This retreat, under such inspiring leadership, promises to be exciting and spiritually enriching for all who attend.

Adas Shalom

Congregation Adas Shalom, 6945 Dempster, Morton Grove, will hold its annual Hayride Square Dance-Dinner Saturday night at 7:30 p.m. There are a few openings left. The cost is \$15 per couple and for information call 677-2365.

Early services Friday evening begin at 6 p.m. with late services at 8:15 p.m. Everyone is invited to attend and take part in the Oneg Shabbat after services. Children are especially welcome to come along with their parents to services. Saturday morning services commence at 9 o'clock and will be highlighted by the Bar Mitzvah of Gerald Cohen, son of Mr. and Mrs. Hymen Cohen of Niles. Rabbi Marc Wilson will deliver the charge.

Adult Education classes are held every Wednesday night at 7:30 in the synagogue. The two topics are: 'Life Cycle of the Jew' and 'Themes from the Book of Genesis'. The classes are open to non-members. For more details, please call 965-2186.

Membership inquiries are invited, especially new residents in the area. For information, call 965-3435 or 967-7080.

Adas Shalom will hold its annual art auction on Saturday, Nov. 10 at 8:30 p.m. There will be oil paintings, antiques, free miniatures and free champagne. Admission is \$1.50 per person.

Evangelical student

Steven Kilpovicz, son of Mr. and Mrs. Florin J. Kilpovicz, 6824 Keeney, Niles, has enrolled at Trinity Evangelical Divinity school, Deerfield, and is a first year student. He is working toward a Master of Divinity degree.

MTJC

The Consecration of the Aleph Class of Malne Township Jewish Congregation Religious School will be Friday, Oct. 26, 8:30 p.m. Fifty-five (55) youngsters who are beginning their formal religious education will be blessed, and participate in the religious service to be conducted by Rabbi Jay Karzen and Cantor Harry Solowinichik.

Neil Borkan, son of Mr. and Mrs. Ted Borkan, 1555 Tower rd., Winnetka, will celebrate his Bar Mitzvah Saturday, Oct. 27, 9:30 a.m.

The Annual Synagogue Box O' Lox project will also be this weekend. Orders may be placed by calling the Synagogue office 297-2006. Deliveries will be Sunday, Oct. 28.

Bingo is played every Sunday at 8800 Ballard rd., Des Plaines. The community is invited to this weekly event.

NSJC

Northwest Suburban Jewish Congregation will hold Friday evening services October 26 at 8:15 p.m.

Saturday morning, October 27 at 9:15 Michael, son of Mr. and Mrs. Irv Greenfield will be called to the Torah as a Bar Mitzvah. Rabbi Lawrence H. Charney will conduct the services and deliver the charge and Cantor Martin Baum will chant the liturgy. The parents will host the Kiddush in honor of the occasion.

The Sisterhood will hold their annual Fall rummage sale Sunday, Oct. 28 from 11 a.m. to 5 p.m., Monday, Oct. 29 from 9 a.m. to 7 p.m. and Tuesday, Oct. 30 from 9 a.m. to 5 p.m.

The USY will hold their White Elephant Sale during the same hours as the rummage sale.

Circus club

Maine Bear's Circus club is busily getting ready for their first performances of the year with a cast of 60 girls and 15 boys.

The circus troupe will be performing at some of the elementary and junior high schools in the area throughout the month of October.

The Maine East circus includes such acts as the swinging teeter board, Spanish web, flying trapeze, revolving ladder, unicycles, trampoline, and other girls' and boys' gymnastics events.

Returning stars from last year's troupe are all-around per-

former Bonnie Gallagher, Mike Nybakken on teeter board and trapeze, and John Giovenco, Frank Crigger, Debbie Lepitch, Cindy DiVito, Judy Ryan, Melody Miller, Shameron Baker, Paula Schultz, Nancy Goldsmith, Chris Bartolucci, and Mary Winkel.

Some new freshman members are going to be making the circus performances even better. These new members are Ellen Barrett, Pam Dellinger, Sue Kane, Kathy Schuttler, Kathy Baffe, and Fran Daugird.

A special new act is also being planned by Jeannine Bohnea, a skilled adagio artist.

Niles Township concert

A string orchestra made up of students from all three Niles Township high schools will present a concert at Niles West high school in the Student Lounge on Sunday, Oct. 28 at 3 p.m.

Featured as soloists on the program are flutist Judy Sloan in the Suite in a minor by Georg Telemann, Kathryn Diakoumis as soprano soloist singing Domine Deus from the Vivaldi Gloria and Alan Medak with Sheldon Sloan in the Suite for Two French Horns by Telemann.

The string orchestra will perform works by Hovhanness, Mendelssohn, a Concerto Grosso by Geminiani and Music to Don Quixote by Telemann.

K of C Mentally Retarded drive

Members of North American Martyrs Council #4338 of the Knights of Columbus will cover the Niles area for their annual Tootsie Roll drive on Friday, Nov. 2 and Saturday, Nov. 3. Proceeds will go toward the Retarded Children Community Centers and Institutions in the State of Illinois.

Chairman Augie Pranske, Co-Chairman Donald Walgren and Grand Knight Joseph Bradtko are appealing to the public for their support and cooperation in setting a record year. Last year donations were a high figure of \$325,000 with a goal of \$500,000 for this year.

Let Kathy Hansen tell you about Golf Mill State Bank's checking account plan...

It's FREE!

QUESTION: KATHY, CAN I REALLY AVOID ALL THOSE ANNOYING MONTHLY SERVICE CHARGES?

KATHY: Absolutely. In fact, you could avoid them completely... just by keeping as little as \$200 in your Free Checking Account here.

QUESTION: BUT IS THAT TYPE OF CHECKING PLAN JUST AS GOOD AS THE KIND WITH THE SERVICE CHARGES?

KATHY: Actually it's much better. You have all the advantages (no standing in long lines to pay bills, keeping better track of your money and having cancelled checks as legal receipts). And yet, with all those features, you still cut out those monthly service charges... which can often run as high as \$1.50, \$2.00 or even \$3.00.

QUESTION: ISN'T THERE SOME LIMIT ON THE NUMBER OF CHECKS I CAN WRITE?

KATHY: No limit whatsoever. With just \$200 in your account throughout the entire month, you can go ahead and write as many checks as you want and there's still no monthly service charge.

QUESTION: WHAT HAPPENS IF MY ACCOUNT DROPS BELOW \$200 DURING THE MONTH?

KATHY: It's still a bargain. A flat charge of

\$2 will be made for that month only. And you can still write as many checks as you like.

QUESTION: IS THERE ANY CHARGE FOR MAKING DEPOSITS?

KATHY: There's never a charge for making deposits... regardless of what your balance may be and no matter how many deposits you make to your account.

QUESTION: WHAT ABOUT CHARGES FOR THE CHECKS THEMSELVES?

KATHY: Your checks and checkbook of your choice are distinctively imprinted with your name and provided at cost. Your address may also be imprinted on your checks at no additional cost.

QUESTION: SOUNDS GOOD, KATHY. HOW DO I GET STARTED?

KATHY: That's easy. Just fill out this coupon and forward to me at the bank. Better yet, give me a call at 824-2116 and I'll be glad to personally help you get your account opened.

QUESTION: KATHY, YOU'RE A DEAR. HOW CAN I EVER THANK YOU?

KATHY: You are thanking me and Golf Mill State Bank by opening your account with us. And we'll try to show our thanks by giving you FREE Checking Account Service.

Yes, I am interested in your FREE CHECKING ACCOUNT SERVICE.

Enclosed is my opening deposit of \$_____

He is a member of the Brown Freshmen football coaching staff. A June, 1974 wedding is planned.

Congratulations

Mr. and Mrs. Frank Kotlir of 8137 N. Field dr., Niles, are celebrating their 25th Wedding Anniversary on Nov. 7. Frank and Adeline were married at St. Demetrius Greek Orthodox church in Chicago on Nov. 7, 1948. The couple have been active Niles residents since 1964. They have one son, Jeffrey, 16, and a married daughter Laura, and her husband Don. Their children, along with their family and friends, wish them a Happy Silver Anniversary and Congratulations!

National Business Women's Week

Mayor Nicolas B. Blase is pictured with Mrs. Irene Montwill, President of the Skokie Valley Business & Professional Women's Club as he signs the Proclamation designating the week of Oct. 21-27 as 'National Business Women's Week'.

National Business Women's Week has been celebrated since 1928 when it was originally sponsored by the National Federation of Business & Professional Women's Clubs of which Skokie Valley is a member, to honor working women in their communities for their contributions to business and professions. Each year the proclamations are signed by the President of the United States and by governors and mayors throughout the country.

The NFBPW was formed in St. Louis, Mo., in July of 1919 when 212 women met to promote the interests of working women -

the result was an organization which is independent, non-partisan, self supporting and self governing and now carries a membership of over 165,000 women in the United States. The Skokie Valley BPW Club was formed in 1954 and encompasses women from Chicago, Niles, Morton Grove, Lincolnwood, Des Plaines and the entire Skokie Valley area.

Mayor Blase has authorized a 'salute' to the working women of Niles to be placed on the signboard in front of the Niles Police Department for the week of Oct. 21-27. Mayor Blase will also read the Proclamation at the Council Meeting on Oct. 22nd to help in the promotion of Business Women's Week.

A boy, Joseph Frederick, was born Sept. 28 to Mr. & Mrs. James F. Trickey, 105 Dover dr., Des Plaines. The baby weighed 6 lbs. 13 1/4 oz.

Two girls participate in pageant

Two Maine East girls are contestants in the National Teenager Pageant with contestants being judged for their civic accomplishments, scholastic achievements, poise, personality, and appearance.

The two girls are Maria DeHio and Valerie Pearce, both of Park Ridge, and the Miss Illinois Teen-ager Pageant will be conducted in late June at the Conrad Hilton in Chicago.

State winners will then compete in the national finals in late August.

Maria is a member of swim team, circus club, Italian Club, and Future Business Leaders of America. Valerie is a cheerleader and a member of circus club and swim team.

Garden Club meets Oct. 26

The Garden Club of Illinois Garden Center, Niles, will present Mr. Stanley Rachesky, at the Golf-Mill Movie Theatre, 9201 Milwaukee ave., Friday, Oct. 26, at 10 a.m. His discussion will be "What To Do About Animal Nuisance; Food, Fabric and Structural Insects In And Around Your Home", and a question and answer period will follow the program.

Mr. Rachesky is an urban entomologist for the University of Illinois Cooperative Extension Service. He holds degrees in zoology and entomology from Kansas State University. As a columnist his "Pest Aside" is featured weekly in the Chicago Tribune. He is the author of

many articles in garden magazines and research papers presented in professional journals. This educational program is open to the public. No admission is charged.

BJBE Sisterhood

The next general meeting of the Congregation B'nei Jehoshua Beth Elohim Sisterhood will be held on Wednesday, Nov. 7 at 8 p.m. in the Temple youth lounge, 901 Milwaukee ave., Glenview. Rabbi Mark S. Shapiro will be the guest speaker. His topic will be, "The Questions Our Children Ask." Everyone is invited to hear Rabbi Shapiro and partake in the refreshments following his talk.

Northwest Symphony opens season

The first concert of the Northwest Symphony Orchestra for the 1973-74 season will be held on Oct. 28 at 8:30 p.m. at the Maine West High school auditorium, 1755 S. Wolf rd. in Des Plaines.

At this concert, Perry Crafton, founder and conductor of the orchestra for the past 22 years, will feature two brilliant young artists: Sandra Park, who will play the Haydn Concerto for violin in C major, and Reba Adler, who will play the Suite Modale by Ernest Bloch, a colorful work for solo flute and strings.

In addition to performances with the two soloists, Mr. Crafton and the orchestra will play

Tschalkowsky's ever popular "Capriccio Italien" and Georges Bizet's Symphony in C, a bright and rhythmic composition with a songlike second movement. Season tickets, \$7.50 for four concerts, or single tickets at \$3 may be reserved now by contacting Mrs. Ann Butler at 631-6132 after 6 p.m. Student admission and Golden Ager admission is \$1.50. Children under 12 are admitted free if accompanied by an adult.

Niles Community

Reformation Sunday will be celebrated at the Niles Community Church (United Presbyterian), 7401 Oakton st., on Oct. 28 during the 9:30 and 11 a.m. worship services. Care for toddlers through two years old will be provided at both services. Concurrent with the 11 a.m. service, Church School classes will be held for three year olds through eighth graders.

Youth activities of Oct. 28 will be: 6 p.m. - Youth vespers and 6:30 p.m. - junior high UNICEF party.

Church meetings during the week of Oct. 29 will include: Monday, 7 p.m. - Church School teachers' meeting, Confirmation class, 7:30 p.m. - Committee on Stewardship; Tuesday, 7 p.m. - senior high Explorers group; Wednesday, 7 p.m. - Church School Halloween party, Confirmation Class; and Thursday, 7:15 p.m. - Junior Choir rehearsal 8 p.m. - Senior Choir rehearsal.

First aid course for Dist. 67 staff

A three-week course in candle-making will be offered by MONACEP (Maine-Oakton-Niles Adult and Continuing Education Program) at Maine West High school, beginning Monday, Nov. 12. The two-hour sessions will be held weekly from 7:30 to 9:30 p.m.

A second section of the course will be offered at Niles North High school, beginning Dec. 3.

Both courses will be taught by Toni Abrams, a professional artist known for her work in crafts. Ms. Abrams has exhibited her work at the Arlington Theater, Countryside Gallery, and elsewhere.

She will demonstrate the techniques needed to create unique, colorful candles, defining the tools, materials, and safety precautions needed in candlemaking.

Fee for the three-week program is \$8. For further information, call MONACEP at 696-3600.

Candlemaking

The teachers and staff of the Golf Schools Dist. 67 in Morton Grove recently participated in a First Aid course conducted by Tad Kimura of the Morton Grove Fire Department. Mrs. Kruse, school nurse at the Junior High, secured Mr. Kimura's services because of the overwhelming interest in the application of first aid in the schools.

At the end of the course Don Warner, Allen Weinstein, Richard Meyer, and Al Pitts, all members of the Morton Grove Paramedic Unit, demonstrated the many uses of the newly installed Paramedic vehicle at Nire Station No. 1 in Morton Grove.

Attending the First Aid classes were: Frank Hren, Robert Klockner, Robert Hurley, Mrs. Cindy Hurley, Bill Collins, George Miraloeff, Louis Ton, Betty O'Brien, Don Peters, Jake Brandelik, Albert Victor, Zena Miller, Fern Booker, Andrew Forrester, Shirley Endrulat, Florence Burak, and Charlotte Kruse.

First National Bank of Skokie building nears completion

The newest, largest and by far the most modern structure to be built in downtown Skokie in the last decade is now far enough along so that the sidewalk superintendents who have been carefully checking the progress at Lincoln and Oakton assure us that it won't be long now.

The erection of this magnificent structure at the cross roads of what Skokians tend to call "Old Town" should dispel once and for all the prophecies of gloom predictions that downtown Skokie is dead. Here is a beautiful yet practical building that has managed to incorporate more conveniences for the bank's customers than any of the so-called big banks from that Southern Skokie Suburb, Chicago, can offer. In one stroke, their new "Fast Track Drive In Banking facilities give the customers more drive in tellers than Continental, Harris, First National of Chicago, and Great Northern and Exchange itself combined...and they did it with some forethought. The entrance to the First National Bank of Skokie's drive in lanes is off

the little used street just north of Oakton known as Warren ave. This should eliminate the traffic hassle and the fussin' and cussin' that has become standard when some of the other drive in units in the area are being operated.

It really shouldn't come as a great surprise to those of us that are familiar with the First National Bank of Skokie to find that they are doing something a little different with their building. They are something different in the banking business and have been for many years. While most banks have been playing "Run Sheep Run" with the prime rate going up and down like a YoYo, the First National Bank of Sko-

kie has been holding its rates in line with the needs of its customers...When other banks have been loaned up and refusing to take any mortgages, the Skokie Bank has been sitting quietly by and taking care of the customers and helping to make the community grow. Other bankers are amazed that with its "Help the Community and it will help you" policy the First National Bank of Skokie has been able to survive... much less prosper as it has through the years.

Did you know that it is one of only eleven banks in the whole state that is now a Chicago Loop bank that has assets of over 100 million dollars?

Extend Niles Township recycling center hours

For the convenience of the public, the Niles Township Reclamation Center will soon be extending the hours that it will accept recyclable goods. Beginning Oct. 27 the recycling center which is located at Austin and Oakton in Skokie will be open to the public on Saturdays and Sundays from 8 a.m. to 5 p.m., AND on Wednesdays from 2 p.m. to 8 p.m. Previously the center was only open on weekends.

George Brabac, Manager of the recycling center since it first began almost three years ago, stated that the increased hours were the result of further public interest and participation in the township wide youth project. The center will now be more accessible for the people who cannot make it out on the weekends.

Tons of glass, cans, and newspapers have been saved from the junkpile through recycling. The workers at the center encourage all Niles Township residents to take advantage of this service and reduce their community's garbage disposal problem. Many tax dollars are spent toward refuse disposal, so many people participating in a program of this kind can make a significant change in the amount of refuse your village must handle yearly.

Recycling also saves natural resources, including our forests and mineral ores. With the energy-shortage being a reality now, recycling is certainly a significant step in the right direction.

Please bring your bottles, cans and newspapers to the Niles Township Reclamation Center at Austin and Oakton in Skokie on every Saturday and Sunday from 8 a.m. to 5 p.m., and beginning Oct. 24 also on Wednesdays from 2 p.m. to 8 p.m. Help your community and yourself.

Oakton's reading lab

A comprehensive reading program is now being developed at Oakton Community college under the supervision of Ruth Turiel, assistant professor of communications.

The program is designed for students whose reading abilities require further development or who wish to improve in a particular area of reading, according to Mrs. Turiel.

"We will diagnose the needs of each student and develop an individualized program for each one which will improve comprehension and vocabulary," she explained. "This is not a speed reading course," she added. "But we believe that rate of reading will increase as comprehension and vocabulary improves."

Mrs. Turiel said that the student must determine what his own particular purpose is in reading — recreational, or informational. Many methods and materials are used, including tapes, workbooks, newspapers, magazines, personal

James Schmalz in DOD program

James Schmalz, son of Mr. & Mrs. George Schmalz, who reside at 8024 N. Oakton in Niles, is employed by the Teachers' Department of Defense (DOD) program with the government. He is presently teaching Spanish and English in a high school on the Clark Air Force Base, near Manila, in the Philippines. This is James' second year in the program. The previous year he was teaching in Tokyo.

The purpose of this program is to provide educational standards equal to those in the United States for the children of the Military personnel who are stationed on various bases throughout the world.

James received his Bachelor and Masters Degree in education at NIU in DeKalb, Ill.

St. Martha's Vineyard

The Vineyard is coming back. It's a new and even bigger show than last year. Rehearsals for the giant production, which delighted overflow crowds last winter at St. Martha church, Morton Grove, already are under way.

Many of last year's favorite actors and impersonators, such as Vic Naraci and his Spanish songs, Edith and Archie Eunker and many others, will be returning but in different roles.

There'll be songs and comedy aplenty, the fabulous casino, and the ever-delightful cabaret shows as well as a big stage extravaganza.

This year's show, to be staged Jan. 26-27 and Feb. 1-2, is being run under the auspices of the Vineyard Committee, headed by Mary Jane and Jim Pink.

Headlining the show will be The Highlights. Also returning is Jerry Carol and his orchestra.

A new feature of the Vineyard '74 production will be the "Little-Big Show" starring the Vic Faraci Band and the group that delighted audiences last year with the "Eull Ring."

Other features are being built around the "Big Band Sound," "Songs of Broadway" and "Hoo-Haw."

The Israel crisis

Because Israel has once again been forced to mobilize her manpower and all her resources to protect herself, the people of Israel can no longer share the burdens of caring for hundreds of thousands of unabsorbed immigrants, including the many Russian Jews who have arrived in recent months. She can no longer care for tens of thousands of children, the aged, the sick, the needy.

Your heart was with the men and women of Israel when young athletes were gunned down in Munich. Your heart was with them when terrorists sought to close the life-line for Soviet Jews through Austria. Your heart is with the men, the women, the children of Israel today.

The Northern Illinois Region Women American ORT office is the headquarters to obtain forms to purchase Israel Bonds and to donate to the Jewish United Fund.

The institutions of help which we created, the people whom we have helped to bring to Israel are in great peril in this latest crisis. Israel faces emergency needs, which we - Jews of America - Jews of Chicago - must meet with extraordinary outpourings of cash!

ORT (Organization of Rehabilitation through Training) has a deep responsibility to Israel and her people.

Lessons for Young Bicyclists to Learn

Weather Conditions - Lesson No. 7

Every operator of any kind of moving vehicle is affected by the weather conditions prevailing. This is true of airplane pilots, in all air traffic, as well as trucks, cars, and all other ground traffic. Even our astronauts flying rockets must take heed of the weather conditions to fly safely.

Boys and girls riding bicycles MUST be careful to follow the rules of safe biking at all times, but especially during bad weather. It is, of course, the best policy to stay off your bike during rain storms, snow storms, fog and darkness. For those who find they must ride their bikes in bad weather, to deliver papers, go to school, or other good reasons, we will use this lesson to discuss proper safety precautions.

In bad weather the bicyclist MUST remember that it is far more difficult to be seen than in bright sunshine. Everyone has ridden in an automobile with their parents; when rain or snow has been falling. Remember how the windshield wipers had a difficult time keeping the windshield clean enough to see out? Sometimes, there is a split second, each time the wipers go back and forth, when the driver cannot see ahead of him!

Do everything you possibly can to make it EASIER to see you. Wear light colored clothing, a bright colored raincoat or jacket, and have your headlight on, even though it may not be after dark!

You must be particularly cautious about riding close to the curb, crossing at intersections or darting out of driveways or alleys. Always STOP and look both ways before proceeding at such places!

There is a safety slogan that motorists use now which, if kept in mind at all times, will help you to be extremely careful: "DRIVE DEFENSIVELY"...this means drive to PROTECT YOURSELF at all times, no matter what the other drivers are doing! As an example, let's say you are approaching a stop sign at an intersection, and you have already made your stop, but a car is approaching his stop sign on the street coming in from your right. You would naturally ASSUME that he was going to stop for the stop sign facing him. But, what if he doesn't see it due to heavy rain falling? So long as you had made your stop, you would have the RIGHT to go across the intersection, but a SAFE rider should WAIT until he is sure the cars approaching his path of travel are really going to stop! To be positively safe, NEVER ASSUME that the driver of a motor vehicle is going to do what he is supposed to do! NEVER! (99 times out of 100 the drivers around you in cars will follow the rules of safe driving, but it's that ONE time they don't that could cause you to be hit by a car on your bicycle and seriously hurt!

If you are riding your bike in bad weather, or even after dark in good weather, and your bicycle headlight should stop working, NEVER continue to ride in the streets or on the highway! ALWAYS get off your bike and walk it home! Doing this could save your life!

QUESTIONS

Yes	No
_____	_____

A bicyclist should always wear BRIGHT colored clothing when riding after dark or in bad weather, even in the daytime.

It is always best to turn your headlight on, even in the daytime, if it is raining, snowing or foggy.

Drivers of motor vehicles always do what they are supposed to do.

Driving "defensively" means the other drivers have to look out for you.

You should NOT ride your bike in bad weather, unless it is absolutely necessary.

If your headlight goes out as you are riding after dark or in bad weather, it is all right to continue riding if you are very careful.

LETTER to EDITOR

Thanks MG Paramedics

Dear Sir:

I recently had occasion to make use of the Morton Grove paramedic facilities when we placed an emergency call on Oct. 8 after my husband, John J. Tempera suffered a heart attack. The Paramedic squad came immediately and worked as a team in a very efficient manner although the various emergency treatments were of no avail. I felt very assured that everything possible was being done for my husband. The fire men were in contact with my husband's doctor, to the many concerned neighbors and were extremely concerned and kind to me.

I thank them and the Village of Morton Grove for such an emergency service such as this.

Free referendum bus rides

The Niles Park District continues its weekly bus rides to give every voter in the Village an opportunity to see the last open spaces and inform himself on the issues of the Referendum. Commissioner Beusse will guide the tours, leaving at 9 a.m. from the Recreation Center at 7877 Milwaukee ave. in Niles, and returning before 11:30 a.m. On the first Saturday of the rides, rain and clouds put a damper on the activity.

The rides take you to places in the Village you might not have seen before. Commissioner Beusse will answer any questions you might have regarding the Referendum, the acquisition of land sites, the Tam Golf Course, and improvement plans for existing and proposed park sites.

The Park District makes every effort to inform its voters so that you have all facts to cast an important vote for the future development of the Park District.

Niles West speaker

Gwendolyn Brooks, Pulitzer Prize-winning poet, will speak at Niles West High school Friday morning, Oct. 26, at 11 a.m. Ms. Brooks will speak to a Humanities class, and from 11:45 to 12:30 she'll read her Afro-American poetry in West's Oakton St. lobby.

Ms. Brooks is currently the Poet Laureate of Illinois and recently read an original poem at the inauguration of Governor Daniel Walker last January. Her appearance at Niles West is sponsored by the school's Forums Committee.

Girls' field hockey

Maine East's girls' field hockey teams have been keeping in shape this month to do battle with a host of area competitors.

Maine East hosted Oak Park on Oct. 15 and New Trier East on Oct. 17.

On Oct. 11 the Maine East team travelled to Deerfield. The varsity game ended in a tie 1-1. Robin Moskowitz scored the tying score. Coach Barbara Bovenmeyer added that goalie Barb Burchard contributed some outstanding play.

The New Trier West team hosted Maine East on Oct. 3. The Maine East varsity lost 3-0 but the Maine East junior varsity ended the competition with a 1-1 score.

PTC visitation nights

Parents of Maine East students are invited to meet teachers at Maine East Oct. 29 at the annual Open House.

Parents are invited to attend the Fall concert in the auditorium. Tickets are \$1 for adults and 75¢ for students.

The place - the Pistoria Restaurant, located at 2412-14 W. Lawrence in Chicago. We first started off our menu with exquisite flaming cheese, an appetizer plate with fried liver, lamb brain, tomatoes, cucumbers and the house specialty sausage, onions - followed by shishkebob and a Greek salad. We then had some fried smelt called Marides Tiganita and barbecued young lamb called Arni Souvias. What a meal and topped off with some fine Rodtys pink grape wine and some Ozo, which is a licorice liquor.

Niles new Henrici's now open

The new Henrici's Steak & Lobster in Niles is a suburban dining unit of a type which Green Giant Restaurants, Inc., a division of Green Giant Company, expects to be a major growth opportunity, according to Jerome R. Sebastian, division president. The restaurant with lounge is located at 5960 W. Touhy in Niles.

Four successful Steak & Lobster restaurants are now operating under the Henrici's name in metropolitan Chicago. Green Giant Restaurants, Inc., also recently expanded its restaurant operations to the Minneapolis area by opening a Henrici's Steak & Lobster unit in Bloomington, Minn.

Sebastian said restaurants based on the specialized menu concept have enjoyed a phenomenal growth rate and above average profitability in recent years, and that the trend will continue.

Sebastian said savings will be directed to the front of the house in the Henrici's Steak & Lobster units, with emphasis on spacious lounge and dining areas, display cooking, padded oversized chairs, soft lighting and decor.

Charles O'Erien of the Lincolnwood Recreation Department is seeking assistance of the school board of Lincolnwood in cutting the rates of their gym prices and having a modified school lighted system, to use the cafeteria for senior citizens for checkers and bridge and the gym for the adults for Yoga lessons and also arts and crafts. The school board said they would take it under advisement and would let him know. Yours truly also asked the board for their help in using the ball fields in front of the school for our girls' softball teams. We were told (PTA Recreation Board of Lincolnwood) we should submit a letter and they would take it under advisement but said they would think there would be no problem.

HALLOWEEN

Don't miss the fun at the Niles Park District Annual Halloween Party! The festivities will begin on Saturday, Oct. 27 with a parade starting at 1 p.m. at Oak school. The parade will march to the Grennan Heights Recreation Center where the costumes will be judged in the following categories: 1) Scariest; 2) Funniest; 3) Most Unusual; 4) Most Colorful; 5) Most Beautiful. Following the parade and costume judging there will be a party. Games will be played with prizes being given out and refreshments will be served. The announcement of the winners for the Poster Painting Contest and Pumpkin Carving Contest will also be made and prizes will be awarded at the party. Anyone wishing to enter the Poster Painting Contest may do so by coming to the Park District Office at 7077 Milwaukee to pick up a set of rules and free poster paper. All posters must be turned in no later than 3 p.m. on Thursday, Oct. 25 at the Park District office. All pumpkins must be turned in to the Grennan Heights Recreation Center no later than 12 noon on Saturday, Oct. 27. New Illinois bill prohibits 'Telephone Cheat' information

Illinois Governor Daniel Walker has approved a measure which makes it illegal to distribute any information on ways to cheat telephone companies out of long distance revenues.

The bill prohibits passing on information about false or fictitious telephone numbers, codes and credit cards, or electronic devices designed to avoid charges.

"Prior to this Act, there was no specific law in Illinois prohibiting the publication and dissemination of information with the intent to defraud the telephone companies," said Jack Tharp, Executive Vice President of the Illinois Telephone Association.

"As a result, numerous articles and publications encouraged thousands of students on the university campuses to use this information for fraudulent purposes," Tharp said.

He said such articles have appeared in the Chicago Seed, the Big Muddy Gazette in Carbondale, the Sunrise publication in Macomb, and many others.

"These publications encouraged persons to become cheats and get involved in fraudulent activities. The articles not only encourage the fraud and cheating, needed to make up fictitious credit card numbers."

Tharp said in many cases, fake credit card numbers of government officials or movie stars are published with claim that such persons have given their permission to use the number.

"Recently," Tharp said, there has been widespread publishing of plans and diagrams encouraging construction of devices, normally called blue boxes and black boxes, which are used in conjunction with the telephone to enable th user to place free calls anywhere in the world."

The Illinois Telephone Association estimates toll theft causes a nationwide loss of revenue to the telephone company of approximately \$25 million a year. Tharp points out that in addition to the loss of revenue, serious problems could arise if these "phone freaks" were to tie up the phone networks, thus preventing the legitimate use of the facilities by the general public.

"The only effective way to stop this cheating is to prohibit the publishing of information

Illinois State Employment opens in Lawrencewood

The Illinois State Employment Service has opened a new mini-employment office in the Professional Mall at 251 Lawrencewood Shopping Center at Oakton and Waukegan rds. in Niles. Utilizing a micro-fiche, computerized job bank, a daily listing of over 5,000 job opportunities are available to job ready applicants looking for work in the fields of professional, clerical, technical, sales, skilled, unskilled, and service occupations. The concept of bringing job openings to the public in shopping centers is new to the Illinois State Employment Service, and by expanding services to local area residents, more personalized job placement will be offered to applicants looking for work and employers looking for personnel.

For services such as unemployment compensation, aptitude testing, counseling, and manpower training programs, referrals will be made to the nearest full service office serving the area in which a person resides. The staff of Mrs. Marcia Salzman, Mrs. Mina Jaskowiak and John L. Cosco will be on hand to provide job placement Monday thru Friday during the hours of 9:30 a.m. to 8 p.m. and on Saturdays from 9:30 a.m. to 5:45 p.m. There will be no hours on Sundays or holidays.

Applicants seeking a job or employers looking for qualified personnel are invited to visit or call the new Illinois State Employment Service office in Lawrencewood. The telephone number is 967-6780. There is never a fee or charge to job applicants or employers.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968 - today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth - and keep it that way with automatic Inflation Coverage.

Baldwin Court condominiums

Construction is well underway on the large new swimming pool and shuffleboard court area that will add to the extensive facilities of the private clubhouse of Palatine's Baldwin Court.

All owners of the two bedroom condominium homes in the 132 unit complex automatically become clubhouse members and have access to the wide variety of facilities available. In addition to the swimming pool and shuffleboard court, Baldwin Court provides a pool table, game and conference rooms, tiny tots playroom and a huge lounge with a double fireplace for comfortable winter entertaining. All maintenance of the clubhouse and the fully landscaped grounds, buildings and other facilities will be handled by a professional staff.

For a low price range from only \$21,900 to \$23,500, each Baldwin Court condominium home also includes complete air conditioning, private balcony or patio, choice of carpeting throughout living room, bedrooms and hall, richly appointed ceramic tile bath, color-coordinated kitchen and individually controlled gas hot water heating.

Located on Rand rd. (route 12) and Baldwin rd., one-half mile northwest of route 53 in Palatine, Baldwin Court is convenient to schools, churches expressways, shopping plus the Chicago and Northwestern Railroad with regular service to Chicago's Loop.

OCC film

"Fat City," John Huston's "easy" tragedy about born losers and the fight game, will be shown by the Oakton Community college Film Society in conjunction with MONACEP, on Friday, Oct. 26, at 7:30 and 9:30 p.m., in Room 108-109, Building 1, Interim Campus, 7900 N. Nagle in Morton Grove.

The 1971 film is remembered as Huston's long-awaited return to directorial success after "Asphalt Jungle" and "Maltese Falcon."

Continuing the tradition of previous film series programs, a discussion chaired by an expert will follow the 7:30 showing. Free coffee is available.

Admission is free for all Oakton and MONACEP students and for Matne and Niles Township High school students. For all others, a 50¢ donation is requested.

ED HANSON

"BOY MEETS GHOUL"

Harvey, an old friend of mine, swears the story is true. He met her, oddly enough, on a foggy Halloween night many years ago at the old Melody Mill ballroom.

"She must have been a witch or a ghost," Harvey said to me.

"You don't say," I said.

"Yes, but she wasn't horrible, fiendish or loathsome. She was beautiful; a wisp of witchery with all the magic of beauty."

According to Harvey, the ballroom that night was decorated with witches and goblins to capture the spirit of Halloween. She was standing by the wall amid a group of typical wallflowers and Harvey asked her to dance.

"She told me her name was Margaret Jones, Ed, and we had several dances. I then asked if I could take her home."

Harvey told me that on the way home, after they had stopped for some food and drinks, the fog had increased and visibility was getting bad.

"It was about midnight, Ed, as we were driving down a dark and lonely road, when she suddenly cried, 'Why don't we drive in there?'"

"THERE," Harvey explained was a ghostly graveyard that loomed up ahead. There was no gate, so Harvey pulled in, Harvey said the place looked like a set for a horror movie. The fog hung low over the graveyard and grey mists rose in swirls from the ground.

"I stopped my car, Ed, and observed the eerie scene. When I turned my head the lovely girl named Margaret Jones was gone . . . vanished."

"What did you do," I asked.

"I climbed out of my car, and tho' scared, I searched the graveyard for her. While tramping about the cemetery searching for her, suddenly a chilling wind came up, the fog lifted and the mists vanished. The moon then shone brightly but in the graveyard all was silent and she was gone."

"That must have been a scary experience—ever see her again, Harvey?"

"No, Ed. But she had given me an address and the next day I drove over there."

"And?"

"It was a modest bungalow in an ordinary neighborhood. A very old woman answered the door and invited me in. I told her I was seeking a girl by the name of Margaret Jones and she had given me this address."

"And what did the old woman say?"

"Nothing, Ed. She just stared at me strangely and left the living room. In a moment she returned. In her hand was a large framed photograph. It was a picture of her—the girl I'd met at Melody Mill ballroom named Margaret Jones!"

"And what did you say to the old woman then?"

"That's her," I said to the old woman. "Where can I find her? And do you know what the old woman said to me, Ed?"

"What?"

"That would be impossible," she said, "that girl, my niece, died 10 years ago."

"End of story, Harvey?"

"Not quite, Ed. Years later while doing some research for a Halloween story, I came across a very strange fact."

"What was that, Harvey?"

"You know that superstition about witches and witchcraft has existed almost since the beginning of time. Many women were executed by hanging or burning throughout the western world. The strange fact, Ed, was this: the first woman in this country to be executed for witchcraft, was hanged in the year 1648 in Boston. Oddly enough, do you know what her name was?"

"No, tell me, Harvey."

"Her name strangely enough, Ed, was Margaret Jones."

There is nothing strange or unusual about the fantastic business being done these days by the FIRESIDE INN HOTEL AND RESTAURANT, 9101 Waukegan rd., Morton Grove. If you put out the best food and beverage in the area, people are bound to beat a path to your door. Last Saturday night when I was at the FIRESIDE, people, scads of 'em, were waiting in line for tables. FIRESIDE Inn not only offers the finest in quality foods, but their decor and large relaxing cocktail lounge is just the place to get away from it all.

A new act in their spacious cocktail lounge, the "PRODIGY TWO," featuring Phil Conway and David Dee, is just great. Like everything else at the FIRESIDE their entertainment is also top drawer, too. The PRODIGY TWO, a brand new and different duo is appearing Tues. thru Sat. and after an excellent dinner, you will thoroughly enjoy their creative offerings.

Week after week I see many of the 'same faces' reappearing for dinner and lunch at the FIRESIDE . . . this is always a good sign of a place that has really caught on.

If you haven't tried the FIRESIDE INN for dinner just try it—and you'll come back again and again.

Don't forget the big first anniversary celebration being offered by John Goumtas, owner of ALIPIO'S RESTAURANT AND LOUNGE, 6474 N. Milwaukee ave . . . Nov. 1, 2 & 3 are the dates of this gala celebration and you can get a FREE glass of Champagne with your dinner.

Next week I'll have full details about the super JAKE-MINELLI 2nd anniversary celebration which is planned for early November . . .

Hard Times Cafe opens in O'Hare Inn

The Hard Times Cafe is where, when you have to go there, they have to take you in.

The new 30's roadside with bar was re-created in the image of the Depression Era, when a nickle bought a nickle's worth and folks were just folks and a stranger was always home. It opens Oct. 4 at the O'Hare Inn, 6600 N. Mannheim rd., Rosemont.

No 'cuisine' is served—just incredibly hearty foods in generous supply. Like a dollar bowl of chili that only costs 85¢, topped with fresh tomatoes and grated cheese (fresh onions optional). Surprises (maybe a hunk of watermelon or whole celery stalk, including leaves) are served up with other fare, which includes pork chops, steak, SOB stew, SOS, half-pound hamburgers, franks, sandwiches, one-pound baked potatoes, New Deal Cole Slaw and elaborate ice cream desserts.

Prices are not outa sight. A choice 20-ounce T-bone steak costs just \$.95 (that's the most you can pay). A half-pound hamburger heaped with french fries is \$1.95. Cost of a "SOS" (chipped beef on toast) is negotiable with the waitress. And there are several items under \$2 guaranteed to satiate a marathon dancer. Speaking of which, there is a dance floor and a pair of pool tables, the use of which is optional.

The bar is full of surprises too . . . well, actually, its the same surprise over and over again. Drinks are all top brand labels, like J & B, Benchmark, Beefeater, Smirnoff, and Heinek and Michelob. So if a customer orders Old Shoe Laze Scotch, he'll just have to do with

Woody Jameson, proprietor of the new Hard Times Cafe (HTC), used to hustle pool—but now he hustles customers from his 1930's vintage sedan. Managing the cafe & bar is Woody's first regular paying job since he graduated from the School of Hard Knocks (B.S. '62), which proves that—in America—it's hard to keep a good old boy down. The Hard Times Cafe, a throwback to the 30's, is big on hearty foods in vast proportions and has 1,000 authentic 30's doodads cluttering the walls. It's in the O'Hare Inn, 6600 Mannheim rd., Rosemont.

J & B. And the prices are about the same as anybody's. There's a lot to see in the Hard Times Cafe. About a thousand objects of 'Thirties line the walls and ceilings—real stuff, like old sheet music and movie posters and tin advertisements and bric-a-brac. There's an authentic gas pump with a lighted dome, and a bubbling Wurlitzer juke box (but danged if the thing'll work). And the dance floor is lit underneath (you just can't get that kind no more).

Speaking of which, the dance floor and observation seating around the pool tables and the bar are raised. While the customer is watching his step, he'll see 30's style linoleum, and wood floors, and neon, and carpeting. Dining sections include a counter for especially quick service, and tables section for regular

service. One-of-a-kind guaranteed old wooden tables and chairs are interspersed with one-of-a-kind waitresses, the former wearing olivcol, the latter cotton. Food is served on heavy crocker plates, not all matching, and eaten with assorted flatware of dubious origin. Nor is there uniformity in salt & pepper or sugar shakers, ashtrays, or customers.

The manager is a good old boy named Woody Jameson, a pool shark of some repute (according to rumor) who has gone straight (the owners have his word). Woody will share with his customers the insight he has gained throughout his years of dealing with hard luck cases.

And, by the way, the Hard Times Cafe is light enough to see what you're eating—because the management is proud of it.

Palatine Rd., Arlington Heights, Ill. 253-7355 (Exit Windsor Drive)	Public Service Cont'd from Niles-E, Maine P.1 Niles Village Board President Nicholas Blase reported at Tuesday night's village board meeting that a discussion between Niles Park Board Commissioner Bressler, the Glenview Park District and himself resulted in the new possibility of converting three or four miles of Com. Ed. right-of-way property into recreational facilities. Blase said the idea would have to be discussed with the Des Plaines, Skokie and Maine Park districts. The new plan would be "an over-all program of recreational use of the property for the benefit of all the citizenry," he said. The property originally considered for the recreational equipment was a 2000 foot strip of land off of Greenwood Avenue near Glendale Street. Complaints by area residents about persons illegally operating motorcycles and mini-bikes there had prompted discussions between the village and Com. Ed. on a means of eliminating the problem. The proposal for placing recreational equipment on the property was suggested as a possible solution. At the meeting, board members voted to express their disapproval of a proposed Cook County zoning change for 7.13 acres of unincorporated land just northwest of Niles. The property, located on the north side of Central Road about 1,500 feet east of Deerlove Road, is currently zoned for single family units, taxes, etc.; "Send me a schedule for the new free bus"; "How do you get to Evanston from Niles?"; "Who do you call to get a cut out of a tree?"; "Does the Chamber know of any warehouse space for rent in Niles?" etc. By belonging to the Chamber of Commerce and Industry you support and enhance the business community and the Village of Niles.

District 63. . . Continued from Page 1

representative, and Ken Howenstine, negotiating representative for the teachers association, 7 of 22 points of negotiation were agreed upon Monday at a session which ended at 2 a.m. Tuesday morning. At the Tuesday session the meeting adjourned at about 8 p.m. and 3 or 4 more points of agreement were okayed by both negotiating teams.

Salaries are not an issue since two-year salary contracts were signed last year. Negotiations over reduction of teaching staff, hours of employment and reduction of teaching staff are the major conflicts to be determined.

Mrs. Nidetz told The Bugle Wednesday morning she thought the reduction of the staff size was the major point being contested as of that time. She reported the Association desires the administration can sit-in on matters regarding the reduction of teacher staff size, but cannot vote on the decision. Mrs. Nidetz said the plan has been presented which would have 3 representatives from the school board, the teachers association and the public sit-in on meetings and vote on this matter. She noted the Association desires the public come from the advisory committee, which Mrs. Nidetz said would be dissolved in the coming months, and the administration could not actively vote on the matter. She said she felt the Board hires the administration for this purpose and feels they should have a voting right.

Ken Howenstine, the teachers association negotiator, said the school board is delaying their actions and has not yet agreed to recognize the Association.

At Tuesday night's session two points of agreement included a tenure teacher's right to apply for transfer to another school in the district and his right to review his personnel file.

Monday night's agreement points included the teachers can use the mail boxes and bulletin boards in the school to disseminate information regarding teacher and association matters. Other agreed points include a representation referendum by the teachers regarding voting on benefits, issuance of individual teacher contracts, and the right to receive the names and addresses of new teachers in the school district and the right to receive board minutes.

Another point being contested, which the Association deems essential, is the in-service program for teachers, an extra hour which they say is now being used by teachers for administrative work, but which they desire to be used for team teaching planning, rather than for work which is not directly related to classroom work.

Both Howenstine and Nidetz told The Bugle the general membership (about 250 teachers) will vote Wednesday afternoon (after Bugle press time) on a strike vote.

Mayor Bode announced the appointment of Raymond Nelson who is a trustee of the Library Board and of OCC as head of the Mayor's Special Committee for the Blood Program. There were many other volunteers present and they received loud applause from the audience. Administrator Fred Huber said after studying bids received, it was recommended the bid of Jack Heitger Ford of Marengo, Illinois, be accepted for the two large dump trucks for the Public Works Department. The bid was \$27,999. The small dump truck will come from Gilmore International of Wheeling, Illinois. The trustees agreed. As for the cars for the Police Department, Mr. Huber asked that all bids be rejected to allow re-advertising for bids to be opened on Nov. 8. The reason for this is that we are now seeking cars with the electronic ignition system for the Police Department. This would eliminate many tune-ups and save money in the long run.

Mayor Bode has been invited by the American Legion to speak on Monday, Nov. 12, to celebrate Veterans' Day and the trustees have been invited to participate in the parade.

Richard Devine, substituting for John Nordberg, read the ordinance amending the Beer and Liquor Code and after much discussion it was decided to table the motion to pass the ordinance until certain changes could be made. David Cohen said the Traffic and Safety Committee approved a resolution joining the city of Niles urging the state to install traffic signals at the intersection of Dempster and Sherman and suggested the Board take action on this. They voted and passed the resolution.

Mayor Bode read the following proclamations approved by the Board: 1-Plant Illinois Week Oct. 21-27, 2-Skokie Valley Council PTA and PTSA membership month for all citizens in October, 3-National Business Women's Week Oct. 21-27.

Martin Ashman noted the sales tax receipts for July were \$72,908.34. The September state income tax was \$19,535 and the M.F.T. for September was \$25,097.20.

Trustee Cohen said the Fire Department handled 61 alarms including 43 ambulance calls and six paramedic calls during Oct. 7-20. John Hikin reported the state has sent us \$7,500 as half of the cost of the new mobile unit for our paramedics. Mr. Hikin also noted that our next Blood-Drive will be Nov. 1, at the Julia Malloy school.

Regarding the complaint about Wells Manufacturing Company to the Attorney General's office, the Wells attorney said they will have a meeting on October 30 to try and straighten things out. It seems that Wells bought some equipment which did not do the job and will have to invest in more suitable means.

Dick Hohns said he sought the Board's approval to contact the residents living on Calle in order to get their opinion of making Calle a one-way street going north. The Board agreed. Mr. Hohns then asked the Board to approve payment of two fees for the new Fire Station in the amounts of \$460 and \$41,597, which they did. Jim Dahm, Public Works Superintendent, said all 60 trees have been planted on Waukegan rd.

Chamber endorses TAM referendum

The Niles Park District's proposal to purchase additional open space for five parks and a 9-hole golf course has been endorsed by the Niles Chamber of Commerce and Industry.

"The Niles Chamber of Commerce and Industry feels the land acquisition is a good business investment for the community as a whole," stated Gordon R. Falter, Chamber President, "and we whole-heartedly support the referendum being presented to the residents of the Niles Park District on Nov. 17."

Voters will be asked on Nov. 17 to allow the sale of \$2,715,000 in general obligation bonds for the purchase of five park sites and the 9-hole Tam Golf Course now being leased by the Park District. The lease will expire July 1 of next year.

was not aware of this. There will be a breakfast meeting on Nov. 4 and a tour of the premises, etc., will be available to those interested. Mayor Bode said, "I have no objections to a college as such, but we must also consider the financial question." (The loss of this property on tax rolls.) Dr. Kochenline said, "This is a very sensitive time for us. I'm glad you're not voting on this question tonight."

Administrator Fred Huber said after studying bids received, it was recommended the bid of Jack Heitger Ford of Marengo, Illinois, be accepted for the two large dump trucks for the Public Works Department. The bid was \$27,999. The small dump truck will come from Gilmore International of Wheeling, Illinois. The trustees agreed. As for the cars for the Police Department, Mr. Huber asked that all bids be rejected to allow re-advertising for bids to be opened on Nov. 8. The reason for this is that we are now seeking cars with the electronic ignition system for the Police Department. This would eliminate many tune-ups and save money in the long run.

Mayor Bode has been invited by the American Legion to speak on Monday, Nov. 12, to celebrate Veterans' Day and the trustees have been invited to participate in the parade.

Richard Devine, substituting for John Nordberg, read the ordinance amending the Beer and Liquor Code and after much discussion it was decided to table the motion to pass the ordinance until certain changes could be made. David Cohen said the Traffic and Safety Committee approved a resolution joining the city of Niles urging the state to install traffic signals at the intersection of Dempster and Sherman and suggested the Board take action on this. They voted and passed the resolution.

Mayor Bode read the following proclamations approved by the Board: 1-Plant Illinois Week Oct. 21-27, 2-Skokie Valley Council PTA and PTSA membership month for all citizens in October, 3-National Business Women's Week Oct. 21-27.

Herb Houndt said Supt. Dahm had a demonstration by the O'Brien Manufacturing Company of a water jet machine which cleans out everything that clogs up a sewer drain. Houndt said the machine was very effective, could serve us well and would cost about \$17,000 with trade-ins on some of our old equipment.

David Cohen then told the Board of an ordinance he has proposed concerning obscenity. This is to protect minors and Cohen said our present code needed updating. "Basically," said Cohen, "it would be aimed at selling or showing or distributing to minors something considered obscene." Mr. Cohen said he wished to give the trustees time to study the idea.

of our readers. To be able to tell Niles Mayor Nick Blase he's full of birdseed is in the best interest of our readers. And to accuse Morton Grove Mayor Jules Bode of being a phony, as we did a couple of months back, costs us lots of legal notice money, but it breeds a confidence in our relationship with our readers, which bares well for our communities. Residents need a vehicle for airing their problems, without being fearful the guy he's asking help from isn't working with the very people the problem-seeker is confronting. The large volume of letter-writers tells us you must agree we are attempting to genuinely serve our communities, rather than serving public officials.

In the past 2 weeks we received two letters from Keeney Street residents regarding the improvement being done on the streets east of Harlem. They're concerned about the setting of the new improvement there and rather strongly are implying there is a bit of hanky panky concerning the new construction.

Niles village manager Ken Scheel, who is a resident of the street, said the settling has taken place by Harlem Avenue where there is a deep cut of 9 or 10 feet. Ken said the correction of the improvement will be made by mid-November, at no additional cost to the village, before the asphalt plants are shut down for the winter. He said sand got into the construction which resulted in the deflated area. He assured us it would be corrected and would be improved before the winter comes (mid-November). Ken, who is a guy who is never afraid to tell it like it is, noted residents want improvements but don't want to put up with inconveniences. He also was somewhat piqued the residents who complained didn't drop over at his house and ask him about the problem.

A Morton Grove letter-writer mentioned about a dog making an uncommon mess on private property which the writer felt was not in the best interest of neighbors living around the area. The writer asked our help in solving the problem. Police Chief Glaumer told us such a problem could be a hazard and the health department could issue a ticket even on private property, if it designated the problem to be hazardous. He noted last summer the stench and the flies caused by a similar problem on private property resulted in the health department reminding the owner a ticket would be issued if the problem wasn't rectified. In this more recent complaint we were assured similar action could be taken if the letter-writer would notify village officials about the location of the problem.

A third letter sought our help regarding the closing of the Niles Police driveway at Waukegan Road. Village manager Ken Scheel told The Bugle the property on the west side of Milwaukee, between Waukegan and Touhy, will all come down when the new Touhy-Milwaukee improvement is made. Dave's Gas Station and Meier's tavern will both be removed. Niles will receive the Waukegan Road area in front of the police station which will be turned into a parking lot. Scheel said the driveway will be used for the police only. He also said there will be a second ingress and egress there, again only to be used by the police. Scheel said he felt this was in the best interest of the community, as did Niles public officials.

showed a willingness to accept school year was soundly rejected, somewhat larger classes (21 to 30) at the high school level. Relatively few persons felt that class size should exceed 30 pupils.

The majority were of the opinion that stricter discipline should be maintained in the high schools; that the beginning of the school year should begin after, not before, Labor Day; and that the amount of homework now being given is about right.

The concept of the 12 month school year was soundly rejected, as was the idea of extending compulsory education beyond high school, or for 3 to 5 year old children. Four-fifths of all those answering the questionnaire indicated they would strongly object to paying additional taxes to support extending compulsory education. A large majority, however, were willing to increase property taxes to maintain existing educational programs. Opinions regarding increasing taxes for handicapped children were about equally divided, for and against.

Persons receiving the questionnaire were encouraged to give their candid opinions so that school problems could be pinpointed and plans developed by the participating districts to correct any areas of concern.
