Financial aid for high school seniors

Maine East seniors seeking financial aid for college next fall need to follow certain guidelines to qualify for such aid, commented Maine East career counselor Keith Hohn.

Financial aid for seniors is generally awarded in three categories. First, there is the grant, which consists of a gift directly to the institution or to the person who will be attending the college or university. The vast majority of grants are awarded for financial need, but there are grants available for academic achievement and outstanding performance in talent areas. These are limited in number and vary according to college or university policy.

The second of the three is an employment work opportunity. This is the awarding of jobs on campus to help pay for education expenses. These work-study jobs are awarded by the financial aid office of the particular institution. Upon application students should make known that they are seeking financial aid.

Last of the three is the loan. This is direct aid to the student guaranteed by either the federal or state government. The loans are made by a private lending institution and the best source is the lending institution where a student's family maintains an account. The loan is currently made at seven per cent to the student, not his parents; therefore, the student is responsible for paying it back. Interest and repayment is charged nine months after graduation from the institution.

There are required forms in obtaining financial aid. These are based on the financial need of the family as shown in the parent financial confidential statements. If the family income cannot meet the costs of the college in question, then a certain amount of money is allotted towards it. Then the institutions try to provide the needed amount.

Another form of aid is provided through the Illinois Monetary Fund. The college bound student must be an Illinois resident, and the college or university must be in Illinois. If a student qualifies on a financial basis, then from \$200 to \$1,300 may be allotted towards fees and tuition per year. This does not have to be paid back, but the student must renew his application each year.

Information blanks may be picked up in the guidance center. The Illinois Monetary Fund information blanks will be available after Nov. 15.

PARK VOTE TO BE HELD SATURDAY

From the LEFT HAND

By David Besser
 Editor & Publisher

This was the week ...

When school district 63's board held a brief 10 minute recessed meeting which caught everyone off base. At its previous meeting the board waited until the wee hours of the morning after the public had left and then announced the meeting was recessed. Without notifying the newspapers, or the public, they called for the quickie meeting, allegedly for the purpose of censuring the teachers who participated in the mass absence from school during the union's critical negotiation period with the school board.

What is most dismayed about the school district 63 board is it is no longer operating above ground. The union confrontation appears to have made the board paranoid in its operations. There's a feeling of vindictiveness and anger which emanates from the board which is unworthy of its members, both collectively and as individuals.

People who have been closely identified with the board in past years shake their heads in disbelief at what has happened in the school district. In past years the district 63 board always sought innovative programs, concentrating on improving and updating the educational process. According to one ex-board member it is now only concerned with balancing the budget and has lost the creativity of past years.

This was the week ...

When a 4 to 3 vote, turning down an Oakton College campus site in Des Plaines, prompted one Des Plaines newspaper to suggest the Des Plaines area might consider disannexing and joining in the Harper College district.

Here in Bugleland it looks like Oakton College may well expand its borders to include the North Shore area, which presently is without a junior college district. If this should come to pass the district would take on an entirely new complexion. It would be possible two college campuses might develop, though it would seem from here one campus would be more feasible. And the parochial concerns of locating a college in any one area would gradually lessen as a larger district would increase the vision for a quality school. The location of the school would likely be of secondary importance, in a suburban area where the commuters travel mostly in private autos.

19¢ increase per 1,000 gallons in water rate

By Karen Wolfson

The price of water in Niles is going up beginning Dec. 1.

The village board voted Tuesday night to increase the price of water to homes and businesses from 65 cents per 1,000 gallons to 84 cents per 1,000 gallons. Churches and schools, which are now charged 55 cents per 1,000 gallons, will be paying 74 cents.

The increase was prompted primarily by a recent hike in the rate the City of Chicago charges suburbs for their water. Increased costs in running the water department were also taken into consideration.

The move by Chicago to increase the water rates drew sharp criticism by Mayor Blase. He said none of the 72 communities had been consulted before the increase was announced.

"Chicago must sell water to us under the law," Blase said, "so we should be considered partners not customers." He said Niles has initiated a meeting between the 72 communities served by the Chicago Water District and the head of that department for the end of November, in hopes of resolving this problem for the future.

Village Manager Kenneth Scheel said the new rates will go into effect in the December billing. However, those billed in December will have their bills calculated at two-thirds the old rate and one-third the new rate or 71 cents per 1,000 gallons. The January billing will be one-third the old rate and two-thirds the new rate or 78 cents. In February, the new rate of 84 cents will be charged. Schools and churches will be charged the old rate of 55 cents through Jan. 1.

Maine Township open house

Open house for elected officials and Maine Township residents will be held at the Town of Maine's newly consolidated offices between 2 and 5 p.m., Sunday, Nov. 18, it was announced by Maine Supervisor James J. Dowd.

The new location, at 2510 W. Dempster, Des Plaines, combines the offices of town supervisor, clerk, assessor, collector, board of auditors, and public assistance officer. They were previously in four separate locations.

A ribbon-cutting ceremony is scheduled for 2 p.m., Newly elected Town Supervisor James

J. Dowd and Milton H. Tuttle, who has held various township offices for 32 years, will do the honors.

"Individual invitations have been sent to selected state and county officials, and to mayors and other municipal officers in the Town of Maine," Dowd said. "And, although it is impossible to send personal invitations to each and every resident of the Town of Maine, we ask them to join us; we want to meet the residents and have them meet us."

Refreshments will be served.

Festival V

"Festival V" will be the theme of the annual Festival put on by St. John Brebeuf Parish, 8301 N. Harlem, Niles.

This fund raising event will feature a series of night club revues. Five classrooms, the school hall and gymnasium will be converted into 7 show rooms each with a different show theme. In choosing the name "Festival V" Chairman Bart Murphy and Co-Chairman Cy Maher were emphasizing the dedication and hard work that over 800 workers have put in for the last 5 years to make this one of the most successful fund raising events in the area. Over 20,000 people have attended St. John's Festivals and all funds have been used to help support the parish school and other parish services. The Festival will be held on two successive weekends, Feb. 15 and 16 and Feb. 22 and 23.

Legion announcement

The Morton Grove American Legion Post 134 announces that due to Thanksgiving next week, there will be no bingo Wednesday, Nov. 21, the day before. The usual bingo nights continue every other Wednesday, however, at 7:30 p.m. at the Legion Memorial Home, 6140 Dempster.

At the same time the post officers wish to take this opportunity to thank the public for their patronage and wish the community a most happy Thanksgiving Day.

Free bus rides to polling places

The Niles Park District will provide free bus service in each of the 8 precincts. In most of the precincts, the 2 buses will make 3 round trips from the most distant point in the precinct to the Polling Place. The buses will return from the Polling Place after voters have had an opportunity to vote. The bus drivers have been instructed to pick up voters along the designated routes. If you have any questions on Election Day, please call 967-6633. All local newspapers have been supplied with precinct maps showing your precinct and its Polling Place.

Intervillage hearing test

An Intervillage pilot program will be held at Notre Dame High school for Boys, 7655 Dempster st. on Saturday, Nov. 24 and Sunday, Nov. 25, from 9 a.m. to 5 p.m.

Graduate students of Northwestern university, specialists in the field of audiology, will conduct hearing tests for all residents ages 3 years to 100 years of age. The testing is offered free of charge — all residents are urged to come with their families, for a hearing test. You have nothing to lose.

Hearing loss can be permanent. Private examinations can be expensive. Protect your hearing. When it deteriorates from excessive noise exposure, nothing can be done to bring it back. The louder the noise, and the longer you are exposed to it is enough to damage your hearing.

Take advantage of this free service. You may have a hearing problem!

Notre Dame High school, Nov. 24 and Nov. 25.

Bazaar bake sale

Saturday, Nov. 24, 10 a.m.-3 p.m. is the date for Lutheran Church of the Resurrection's annual Christmas Bazaar and Bake Sale. The church is located at 8455 N. Sherman rd., Niles. Home-made tree ornaments, table decorations, candles, door ornaments, children's tree ornaments and general gifts are the fare.

Home-baked cakes, pies and breads will be offered at the Bake Sale. Fresh evergreen advent wreaths and evergreen door or wall sprays will also be for sale for the home.

A Tea Room will be available for lunch or a snack. A variety of sandwiches, relishes, desserts and beverages will make up the menu.

The community is cordially invited to come.

LWV questions Rep. Young

Mrs. Jack Panek, of Niles, a member of the League of Women Voters of Morton Grove, questions Rep. Samuel H. Young (10th-11th) about campaign funding reform legislation which he has introduced in this session of Congress. Mrs. Panek was one of the residents of the 10th district who met with the Congressman at a "One-On-One" session held recently in Morton Grove. The sessions are being held in each of the 15 communities of the 10th District by Congressman Young so that residents can meet with him about problems or express their views on the issues. No appointments are necessary at the "walk-in" sessions.

Kirk Lane backs park referendum

The Kirk Lane Community Organization held a meeting last week to discuss the upcoming Park Referendum. The meeting was well attended by interested residents of the area. On hand were Park Board Commissioners and members of the "Save Open Space" Committee to speak to the group and to answer questions.

After listening to the presentations of both groups and participating in the question and answer session, the Kirk Lane officers and members voted unanimously on their approval of the referendum, and also pledged their help in getting information out to the Kirk Lane residents on this very important issue.

BJBE

On Friday evening, Nov. 16, following regular worship services, Congregation B'nai Jehoshua Beth Elohim, 901 Milwaukee ave., Glenview will sponsor an Oneg Shabbat on behalf of the JUF-IEF featuring a movie starring Golda Meir.

And, on Friday evening, Nov. 23, the Social Action Committee of BJBE will sponsor a program entitled "The Jewish Issue in the Urban Crisis" immediately following regular worship services which begin at 8:30 p.m. The public is invited to both programs.

Services held for Laura E. Schuett

Services were held today at 1 p.m. at Oehler Funeral Home, Lee at Perry sts., Des Plaines for Laura E. Schuett, 75, of Des Plaines, Mrs. Schuett succumbed Monday morning after a short illness.

Mrs. Schuett was the widow of the late Arthur and mother of Arthur, Jr. and James. She is also survived by five grandchildren and one great-grandchild. She was the fond sister of Hattie Reddemann, Irma Evans and Luella.

Interment was River Valley Memorial Gardens, Elgin.

Mikva resigns Board; announces 10th District candidacy

Former Congressman Abner J. Mikva resigned his chairmanship of the Illinois Board of Ethics Monday and announced his candidacy for Congress from the North Suburban 10th District.

Mikva, who narrowly lost a reelection bid last year, challenged incumbent Rep. Sam Young (R-10th) to a "no-nonsense, no-balance" campaign, including frequent debates, full financial disclosure, and limits on political contributions.

Mikva, 47, an Evanston resident, spotlighted the economy and ethics in government as the top campaign issues. He also urged moves to allow a court-appointed independent prosecutor to get to the bottom of the Watergate mess.

Speaking before his supporters at his Skokie headquarters, Mikva said he has resigned from his state post because he felt he should not be both a political candidate and a member of the nonpartisan Ethics Board.

As chairman of the state board, Mikva strongly supported a bill

requiring public statements of income and net worth by officials, a campaign disclosure procedure for state officials, and a strengthened ethics board which would have investigative and enforcement powers.

Mikva was urged to run by the Democratic party organizations in the 10th district, which includes Niles, Evanston, New Trier and Northfield townships. This backing includes full support from Niles Mayor and Democratic committeeman Nick Blase, who waged a primary fight against Mikva's candidacy in 1972.

A five term state legislator and a two term congressman, Mikva lost to Young in the 1972 general election by a slim 7,000 vote margin, with 233,000 votes cast. Observers have attributed Young's election to his strong attachment to President Nixon's campaign. President Nixon carried the District by over 40,000 votes, and Republicans Charles Percy and Atty. Gen. William J. Scott carried the district by 70,000 vote margins.

Carmel downs ND Dons 21-0

(by Mike Lemanski)

Notre Dame's Dons finished their football season with a 6-3-1 record after a 21-0 shellacking of Carmel. In conference ND finished 4-2-1, good for fourth place in the S.C.C.

Neither team could do anything at the beginning, tho. In the defensive-dominated first half, only 6 first-downs were recorded, Carmel having 5 of them. However, "Buzz" Naughton's punting kept Carmel well in their own zone.

At the beginning of the second half, ND, it appeared, could hardly wait for the ball. On the opening kickoff, Bob Kengort took the ball on his own 18 yard line. He gave the ball to Kevin O'Grady coming around, 86 yards later, Kevin trotted into the end zone with the first TD of the game. Weiss' XP made the score 7-0.

After a Carmel punt 5 minutes later, ND got itself a sustained drive moving. The drive appeared and stopped on Carmel's 8 yard line. But on a field goal attempt, Carmel was detected offside, ND got the first down, and on the

next play, QB George McCaskey went over from the one to make the score 14-0. The third quarter ended like this.

After a short punt, ND got another drive going, which ended in a 15 yard TD pass to "Buzz" Naughton, ending the scoring at 21-0.

On offense, neither team could do much good. The cold weather limited passing, and surprisingly few fumbles resulted from the cold.

Niles hockey week

The "Niles Hockey Week" program was kicked off with a bang last Wednesday night when the official puck was dropped by Ken Wharram, former star of the Chicago Blackhawks and now coach of the Chicago Nordics Junior "A" team. Opponents for this event were the All Star Junior Traveling team of Niles and Evanston.

Jeff Krol, leading scorer for Niles, broke the ice with the first of his 2 goals for the night. Once finding the range, Niles widened the gap to a 6 goal lead with 2 goals by Joe McNeerney and single scores by Rick Lavin and Kirk Kruse. A shut out bid by Niles goalie, Rich Nuccio was spoiled by Karge of Evanston in the 3rd period. Nick Kobler closed the scoring in the final period, the game ended with a 7-1 victory for Niles.

Thursday evening Notre Dame High school played against St. Viator's and were victorious 5-2.

Friday evening the Niles Policemen challenged the Junior "A" team to a "Broomball Hockey" game. Many laughs were provided by both teams attempting to score goals with a basket ball and brooms. The game ended in a 4-4 tie. The police "arrested" 2 of the Juniors and handcuffed them to the boards for illegal play.

Saturday evening saw the Niles Pee Wee team play Evanston. Niles came out on the short end of this game 3-2. Earlier in the day the Pee Wee's played against the Saints at the Willow Ice Chalet and won 13-1.

Sunday morning the Niles Mites opened their season by playing the Wilmette Mites. Niles put on a great show by playing their best, but were defeated 2-1.

Monday evening the Niles Mid-gets played Loyola Academy. Niles came out on top 2-1 in a fast, hard fought and hard checking game.

Joe Colasomo scored both of Niles goals, Bob Mueller had 2 assists and Mike Kirby 1.

Sophomore harriers

This year Maine East's sophomore harriers have displayed a mercenary attitude towards winning, their opponents, and their conference standings year after year.

The team is first in conference competition with a 14-0 dual meet record, along with placing first in the Ottawa and Bloom Invationals.

Coach John Coughlan believes this to be the best sophomore team in years out of the many Maine East has turned out in its elite cross country tradition. The runners who have contributed to the team's fine performances are Steve Hohn, sophomore conference champ; John Hinterhouse, second in conference; Mark Tomasi; Dan Levy; Scott Wagman; Bob Gorgol; and Dave Seathre.

SAINTS 47, PACKERS 7

The Saints received and marched 88 yards in 6 plays to score on a 3 yard TD by Ron Olesiak. Wally Schulz kick was good, and the Saints began ahead 7 to 0.

The Saints tough defense held the Packers to 4 plays and took over the ball on the Packers 39 yard line. Jerry Cooney ran the 39 yards on the next play to score. Wally Schulz kick was blocked so the score was 13 to 0.

The Saints defense again held the Packers yardless, then the Packers fumbled and the Saints recovered on the Packers 35. Four plays later Bill Powell scored on a 30 yard run. That was Powell's last play of the game though, he was injured and taken from the field by ambulance. Wally Schulz kick was good and the score at the end of the first quarter was 26 to 0.

The Packers received and fumbled the ball back to the Saints and three plays later Ron Olesiak scored on a 16 yard run. The Packers received the ball and again fumbled to the Saints. Two plays later Tom Miniscalco scored on a 4 yard run.

The Packers were held to four plays and given the ball the Saints ended the first half on the Packers 18 yard line. The half-time score was 40 to 0.

The Saints put in their second string in the second half, and still managed to score, this time by the defense with an attempted punt recovered in the Packers end zone by Bill Bergman. Wally Schulz final kick was good.

Late in the fourth quarter the Saints gave the defense the ball and sent the offense home, the Packers did manage to score late in the fourth quarter on a 10 yard pass from Jim Nugent.

This win gives the Saints second place and next week they will take on the Bolingbrook Bulls in the playoff game at Romeoville High school.

ND, Illinoisans, sweep Wisconsin meet

The second Under-20 meet of the season was held at Wayland Academy, Beaver Dam, Wisconsin. Although the numbers were small, the quality was good and a fine preface to the opening meet of the Illinois Under 20 season this coming Saturday at Gordon Tech.

In Sabre, there were only a few entries, but Gary Diamond (New Trier West) took first.

In Epee, Bill Kica tried his hand at the weapon for the first time and managed to take 3rd place. Team mate John Strass took 1st place, his third such placement in these tournaments.

In Foil, NDHS entered 10, NTW entered 2. After the preliminary round, all 12 fencers from NDHS and NTW made the semi-finals. There were no local entries in the semi's. It meant that the fencers travelled about 150 miles to compete against each other. Semi-finalists were: Greg Gerard, Gary Gronke, Gary Brown, Ken Lavelle, Steve Basista, Greg Gerard, the third of a brother trio scared a few in this round.

Freshman soccer

Maine East freshman soccer coach Charles Kessler comments that "in the freshman year the emphasis is not on winning but rather on learning the game better for upcoming years." This is quite evident when you look at the fine junior and senior teams that Maine East sports.

The freshman record this year was 4-9-2. Coach Kessler's opinion of the team was that "we had talent, but we needed more experience, if we had started practicing sooner in the season perhaps we would have done better."

Mr. Kessler also felt that the weak phase of the freshman game was kicking and shooting, and those two are the name of the game. The strong point for the squad was that they were very eager and were thinking more than previous teams.

Promising players noted by the coach were John Castellano, Steve Battisti, Steve Holst, and Mike Burke. He added, however, that this does not mean that these are the only boys with talent. We have the makings of a fine team.

Niles Bantam traveling team

The Niles Bantam Traveling Team, although outsized by the Oakland Saints Midget team, finished the first period in a scoreless tie.

The Saints pushed across goal in the opening minutes of the second period. Niles brought the game to the Saints all through the second period, but failed to put the puck in the net.

At the 5 minute mark in the third period with both teams short handed, a steal by Brett Bacchi in front of the Saints net gave Niles the tying goal. Then with one minute and 11 seconds to go Mike Schwass, killing a penalty, was assisted by Mike Paul and scored the winning goal. Final score - Niles 2, Saints 1.

The Niles Bantam Traveling team visited Lake Forest College to play the Lake Forest All Stars. A scoreless first period was dominated by the hard skating Niles team.

The hard fought second period saw the Niles goalie Jerry Del Gudicee given a game misconduct for being the third man in during a minor skirmish at the close of the period.

Danny Marchiori took over in goal for Niles. Lake Forest scored on a break-away with both teams short handed. Final score was Lake Forest 1, Niles 0.

Park Ridge Bantam A team invaded Niles ice. In the first period Niles was quickly two men short and could not withstand the pressure, Park Ridge took the lead 2-0.

At the 7:10 mark of the second period Brett Bacchi scored, assisted by Tom Ackermann and Bob Stetz, to bring Niles within 1 goal. Ninety seconds later Park Ridge scored number 3 and 20 seconds later tallied their 4th goal.

Park Ridge's 5th goal was scored in the third period. Mike Schwass, assisted by Ed Hoffman and John Valenta, scored Niles' second goal on a flip shot to make the final score Park Ridge 5, Niles 2.

He also said an injury to junior ringman Mike Nybakken will make it necessary to bring up sophomore John Larson to the varsity squad.

As a freshman Larson placed fourth in conference trampoline competition (sophomore division).

Senior Mark Russ and junior Carry Betti will perform in parallel bar competition added Coach Gardner.

In floor exercise seniors Bill Yedor and Steve Slav should contribute to Maine East's point totals as will senior Steve Silberman on the pommel horse.

Other performers for the team will be juniors Scott Miller and Jerry Brod on the parallel bars. The Maine East squad will open their season on Friday, Nov. 30, against Evanston Township High School, a team which, according to Mr. Gardner, is always tough.

Maine East gymnastics teams placed third in state competition in 1967 and second in 1968.

Joseph Tofel
Airman Joseph Tofel, son of Mr. and Mrs. Stanley J. Tofel of 7418 W. Lawler, Niles, has been assigned to Keesler AFB, Miss., after completing Air Force basic training. During his six weeks at the Air Training Command's Lackland AFB, Texas, he studied the Air Force mission, organization and customs and received special instruction in human relations. The airman has been assigned to the Technical Training Center at Keesler for specialized training in communications-electronics systems. Airman Tofel attended Maine South High School in Park Ridge.

Swimming season preview

In the upcoming swimming season at Maine East, Coaches Art Belmonte, Paul Nelson and head coach Ron Davitt are very confident of their swimmers.

With returning lettermen Carl Anderson, Greg Erickson, Bob Cullberg, Mat Kane, John Klein, Brad Kroll, Scott Strauss, and Wayne Westman the prospects look good.

Coach Davitt says, "Because there are 12 juniors with those returning lettermen, we will have the most depth in 10 years."

This depth is needed because of new conference rules. One of them is that the first five swimmers get points, 6-4-3-2-1, instead of the first three, 5-3-1.

In the individual events are Wayne Westman, back stroke; Greg Erickson, Jim Leparski and Tom Drozd, breast stroke; Scott Strauss, Carl Anderson, and freshman Scott Steigerwald, butterfly; Wayne Westman and Greg Erickson, individual medley; Brad Kroll, John Klein, and Lloyd Essee, free style; Mat Kane, John Warner, and Jack Crouse, distance free style; and Chris Dickson and Mike Caldrono finishing with diving.

Additional pressure will be put on these individuals because if they don't stay tough someone might take their place.

In addition are these outstanding sophomores: Gerry McKevey, John Tice, Mike Brennan, Richard Childs, George Morgan, Jim Schaeffgen, and Jim Zimmerman at diving. These swimmers are coached by Mr. Paul Nelson and Mr. Art Belmonte.

Mr. Davitt is said to be looking forward to the Central Suburban league Feb. 15-16 here hosting all of the schools in our league, and the sophomores' invitational on Dec. 29 here. Maine East will be hosting nine schools.

Swimming season preview

The Maine East varsity swimmers took a second to New Trier West last year for conference champs.

The Maine East swimmers will take on the Proviso East teams on Friday, Nov. 30.

Girl's field hockey

The girls' varsity field hockey team at Maine East won its final game of the season with a 2-0 score over Deerfield.

Scores were made by Mary Rafa and Carol Richards, Coach Barbara Bovenmeyer commented, "It was a total team effort which was the deciding factor. Both teams are to be congratulated for their fine effort and tremendous improvement over the year."

The Maine East junior varsity score ended in a 0-0 tie, and the game was called because of darkness.

Niles coach wins honor

John Burkel, Niles West High School's freshman gymnastics coach and soccer coach, has been rated the number one judge in gymnastics by the Federation of International Gymnastics.

The federation, headquartered in Switzerland, offers an exam to gymnasts once every 4 years. This year 26 people earned the international rating.

BOWLING!

Girls' bowling

The Lady Bugs, one of the teams participating in Maine East's Girls' Bowling club, had the team high series for two games on Wednesday, Oct. 31. The team score was 1,463. For their efforts the team members, with captain Joyce Henriks of Niles, won a free Eastern Style pizza.

Viola Nelson retirement dinner

The many friends and associates of Viola H. Nelson will be gathering together on the evening of Thursday, Nov. 29, to honor her for her many years of service to the children, parents, and staff members of District 63.

A retirement dinner is planned at the Casa Royale, 783 Lee St., Des Plaines, at 7 p.m. The entire community is invited and welcome.

Please phone Woodrow Wilson school at 965-4208 for a reservation form.

We are hopeful you will join us in honoring Mrs. Nelson.

Ballard PTA

Ballard School will present the "Windy City Wind Ensemble" on Nov. 20. Performances will be at 9:15 and 10:15 a.m.

The woodwind section of the orchestra (flute, oboe, clarinet, bassoon, French horn) will be introduced by a unit of young musicians who have been cited for their sprightly programming and skill in relating to young audiences. The repertory will range from early baroque to contemporary rock.

This is the second of a series of Cultural Arts Programs supported by the Ballard PTA for the benefit of our children.

Paper drive

Even Maine East is being affected by the paper shortage that concerns the entire country, and S.A.V.E. (Students Against the Violation of the Environment) is trying to combat this problem in its own way by sponsoring paper drives every two months.

On Friday, Nov. 16, and Saturday morning, Nov. 17, a paper drive will be conducted in front of the Maine East fieldhouse, beginning both days at 7:30 a.m.

A Lissener paper truck will be at the school to collect paper. S.A.V.E. members ask that all those concerned should clean out that garage or basement and bring the paper over to the school.

V-Show Usherettes

Seventeen Maine East girls were recently selected as usherette tryouts to assist persons attending Maine East's annual V-Show performances, Nov. 15-17 find their seats in the Maine East auditorium.

The girls are Liz Bergquist of Niles, Cindy Bridges of Park Ridge, Marie Clemente of Niles, Joan Engelstad of Des Plaines, Peg Friedman of Morton Grove, Sue Kline of Des Plaines, Wendy Kon of Morton Grove, Michele Miller of Niles, Karyn Mizman of Morton Grove, Nancy Palchek of Niles, Debbie Reitz of Park Ridge, Lori Schwartz of Niles,

CHURCH & TEMPLE NOTES...

Niles Community

Laymen's Sunday will be observed at the Niles Community Church (United Presbyterian), 7401 Oakton st., during the 9:30 and 11 a.m. worship services on Sunday, Nov. 18. The "retiring" Elders will conduct the entire service. They are: Mrs. Willard Barton, Mrs. Donald Ross, Mr. Quinten Argetsinger, Mr. Anthony Jansen and Mr. George Niesen. The traditional "Thank-Offering" of non-perishable food items for use by the Neighborhood Service Organization of Chicago will also be received and dedicated during these services. Care for toddlers through 2-year-olds will be provided during the 11 a.m. service and Church School classes for 3-year-olds through eighth graders will meet concurrently with that service. The newly-formed Men's Breakfast Group will meet at 9 a.m. on Sunday, Nov. 18 in the church basement for a light meal and program. Guest speaker: Mr. Ben Mankowski, Director of Housing, Village of Niles, who will explain the Village housing inspection program.

Youth activities for Sunday, Nov. 18 will be: 2 p.m. Thanksgiving meal for the senior citizens of the congregation, prepared and served by the high school students; 6 p.m. youth vesper service; and 7 p.m. junior high bowling party. Church meetings during the week of Nov. 19 will include:

NSJC

The Israel Affairs Committee of Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, will sponsor a Shabbat Dinner Friday evening Nov. 16 at 6:30 p.m. The after-dinner program will feature Israeli singing and folk dancing with "calling" by folk dance buff Steve Spear. The cost of the dinner is \$4 per adult and \$2.50 for children under 10. For further information, please call the Synagogue office, 965-0900.

Saturday morning, Nov. 17 at 9:15 a.m. Williams, son of Mr. and Mrs. Howard Ginsburg, will be called to the Torah as a Bar Mitzvah. Rabbi Lawrence H. Charney will conduct the services and deliver the charge and Cantor Martin Baum will chant the liturgy.

The USY will hold a Barn Dance that evening at 7:30 p.m. in the Synagogue dual-purpose room and the Men's Club will sponsor a "Yiddish Bowl" at Orchard Twin Bowl, 9444 Skokie blvd., Skokie beginning at 7:30 p.m. followed by supper at 8:45 p.m. in the Synagogue Social Hall. Cost is \$7.50 per person.

Scout Troop 83, which is sponsored by the Mens' Club will hold a Pancake Breakfast in the Social Hall Sunday, Nov. 18 from 8 a.m. to 12 noon. It will feature "eggs a la best," orange drinks, jelly, "moo-cow" milk, coffee and all the pancakes you can eat... all this for 75¢ for children and \$1.50 for adults. For ticket information, call Sherwin Fields at 966-6158.

Adas Shalom

Congregation Adas Shalom, 6945 W. Dempster, Morton Grove, will hold a special Shabbaton Friday night at 6:30 in the synagogue. The evening will include a traditional Shabbaton meal, singing, dancing and a discussion. The Shabbaton is not open to non-members, but everyone is invited to attend at 9 p.m. when guest speaker, Rabbi Abraham Kaufman, will address the group. Rabbi Kaufman is the founder and director of The Ark, a medical and social service clinic located in Albany Park.

Students of the Maine Township Jewish Congregation Sunday School - 1st graders - will participate in the Family Sabbath Eve Services Friday, Nov. 16, 8:30 p.m., in the Synagogue Auditorium, 8800 Ballard rd., Des Plaines. This "Shalom-Welcome" service will be their first opportunity to participate in a formal religious ceremony. Early services in the Synagogue Chapel will be recited at 4:15 p.m.

Howard, son of Mr. and Mrs. Albert Sapoznik, 7002 Greenleaf, Niles, will celebrate his Bar Mitzvah Saturday, Nov. 17, 9:30 a.m. The Sabbath ends that afternoon with the 4:15 Mincha-Maariv services.

The annual Synagogue Art Auction is Saturday, Nov. 17, 9 p.m. - champagne preview 8 p.m. Hundreds of art objects will be auctioned at low prices, and an invitation is extended to the entire community to share this event. Admission is \$1.50.

Bingo will be Sunday evening at 8 o'clock. Everyone is welcome to this weekly activity. Saturday morning services begin at 9 in the synagogue. Adult Education classes will be held Wednesday night at 7:30. Rabbi Marc Wilson will discuss "Themes from the Book of Genesis and Life Cycle of the Jew." For more details, call 965-218.

Adas Shalom welcomes membership inquiries, call 967-7080 or 965-1880. Adas Shalom is a full service synagogue offering a wide range of social, educational and religious activities with an active sisterhood and men's club.

A special children's rummage sale will be held in the synagogue starting Saturday, Dec. 2 at 7:30 p.m. and on Sunday, Dec. 3 from 10 a.m. Items will include children's clothes, toys, furniture and equipment.

Edison Park

A special Thanksgiving Day Service will be held at the Edison Park Lutheran church, Avondale and Oliphant aves., Chicago, at 10:30 a.m., on Nov. 22. The Service will feature a processional of the flags from the 13 countries in which the American Lutheran Church has missions. At the Service, members of the Boards of the Church will join the processional carrying the Sacramental vessels and the Altar Bible. Children from the Sunday School will bring canned fruits and vegetables to be used by those in need.

The choirs will be joined by a brass quartet in the presentation of special Thanksgiving music. Pastor A. Gordon Nasby will preach on the theme, "Life in Quotation Marks."

Interfaith Thanksgiving service

The 1973 Interfaith Thanksgiving Day Service will actually be a pair of identical services this year to be held at the Morton Grove Community church, Lake and Austin. They will be conducted at 9:30 and 11 a.m.

A coffee hour will be held between the services.

Rabbi Lawrence Charney of Northwest Suburban Jewish Congregation will give the sermon talk at the services.

Each year the religious bodies join together in the village and rotate the holding of an interfaith service at one of the houses of worship.

The collection taken during the services this year will be turned over to the Morton Grove Blood Program for use by them in printing brochures, flyers, medical history records and cards and other such related expenses.

Basketball programs

The Niles Park District is accepting registration for their Basketball Leagues. Anyone interested in enrolling in any of the following programs may go to the Park District office at 787 Milwaukee and register during regular office hours.

Grades—dates—time—fee: Boys 3 & 4, Nov. 26-Dec. 19 and Jan. 7-end of season, Mondays 4-6, \$6 (includes a tee shirt); Boys 5 & 6, Nov. 28-Dec. 19 and Jan. 2 to end of season, Wednesdays 4-6, \$6 (includes a tee shirt); Boys 7 & 8, Nov. 30-Dec. 21 and Jan. 4 to end of season, Fridays 4-6, \$6 (includes a tee shirt); Girls 5-8, Dec. 8-Feb. 23, Saturdays 9:30-11:30, \$6 (includes a tee shirt); Boys high school, Nov. 28-Dec. 19 and Jan. 2 to end of season, Wednesdays 6-10, \$8 (includes a tee shirt); and Mens (high school graduates and up), Nov. 26-Feb. 25, Monday or Thursday, \$8.

Non-residents fees are doubled.

TAM - THE BEST BARGAIN

The remaining 9 holes of once nationally famous Tam O'Shanter Golf Course is the largest tract of land included in the Saturday, Nov. 17, Niles Park District referendum and also the best bargain.

The price of \$1,330,000 for the 36.5 acres lying north of Howard st. was set in 1966, but because of some intervening litigation, the agreement with J. Emil Anderson & Son, Inc., whereby the Park District operates the golf course with the option to buy before July 1, 1974, was not finalized until 1970.

At the time the Anderson Company (JEA) agreed to add more than another acre south of Howard st. and advance \$175,000 for developing the present 9-hole course, building the club house, and providing parking facilities. It was assumed that the Park District would eventually purchase the property under a covenant running with the land for ... 20 years, restricting the use of the property for a golf course, museum, recreational purpose, and park district purposes only, with a reverter provision in the event such a covenant is breached.

The new Little Tam opened in July, 1971. At the close of the 1972 season, an audit showed that the course was paying all its operating expenses with some to spare for capital improvements. The 1973 season has been successful enough to demonstrate that the Park District is safe in aiming for permanent acquisition under the most favorable terms given in the contract.

Not only is the price of the land as set in 1966 less than

half of what it would be at today's level, but the terms of purchase agreed on in 1970 are far more advantageous than any that could be obtained now.

According to the contract the Park District will have to make an initial payment of \$840,000 to JEA (one-half of the purchase price plus the \$175,000 loan) to be obtained from the sale of General Obligation Bonds through Referendum.

The remaining \$665,000 would come from Revenue Bonds which JEA has agreed to buy at an annual interest rate of only 5 7/8%. Only the interest on these bonds will be due for 10 years, after which JEA will make the Park District a gift in 10 annual installments of all the principal, except \$15,000. The Revenue Bonds will not affect anyone's tax bill.

When the Park District signed the final agreement and lease in 1970, the plan was to develop the golf course with the \$175,000 loan and study the advisability of exercising the option for three years before acting on it.

A.R.C. Associates, Park and Recreation Planners, were engaged to make a feasibility study of Tam, as well as a master plan for all Niles parks. This was to guide the Board of Commissioners and the 'Save Open Space' Committee in planning for the Referendum and also to make the Park District eligible for any matching funds that might be available after it passes.

Application for such funds has been made and approved at both regional and state levels, so the way is clear to apply to the proper federal agency when the time comes. JEA agreed in the contract to cooperate with any such application.

After completing the feasibility study, A.R.C. Associates recommended that the Park District should attempt to buy the golf course and use a tax abatement plan for financing as much of the project as possible. Of the \$8.50 average annual tax

assessment on a typical \$40,000 home which is deemed necessary to finance the entire \$2,715,000 Referendum package, only about \$2.75 would go toward acquiring Tam. It is entirely possible that a federal grant and increased revenues from golfers could soon cut this figure down to at least one-half.

The Park District plans to add capital improvements as rapidly as income from the golf course permits and also to make maximum use of the site for general park and recreation purposes during non-golfing hours and seasons. There could be open air concerts, campouts for Boy Scouts and Girl Scouts, and archery and perhaps a nature trail at the far south end of the park.

The Park District's option will expire in less than eight months. If it cannot obtain voter approval of the purchase by next July, the Village or any other local taxing body has until the end of 1974 to take over the option on exactly the same terms. Should the property not have been acquired by then, the Park District has another 30-day chance.

But, if JEA is still the owner on January 31, 1975, the Park District is bound by the contract to cooperate with the Corporation if it "should file an application with the Village of Niles ... requesting that the golf course be rezoned and classified for multiple residential uses."

Nelson PTA

On Tuesday, Dec. 11, at 8 p.m. the Nelson School PTA will present a program about self-defense. Detective Tom Venn from the Morton Grove Police Department will show a film and give a lecture on how to protect yourself.

The meeting will be held in the Nelson School all purpose room, 8901 Ozanam st., Niles. Anyone interested is welcome to attend. Refreshments will be served by the 3rd and 4th grade room mother hostesses.

Ice skating program

The Niles Sports Complex Skating program is now in full swing. The children attending our classes are very enthusiastic about their instructors and all students are progressing nicely. Any student currently enrolled will be tested according to the I.S.I.A. method (Pre-Alpha, Alpha, Beta, Gamma, Free Style, etc.). The first 8 week session of Learn to Skate Lessons will be completed Nov. 23. The second session will begin Nov. 26. The Park District offers classes for all age groups from Tots 3 years old and up, Learn to

Skate 6-12 years of age, Teen Class, and Adult Classes. Anyone interested in registering for the second session can do so at the Sports Complex located at Ballard and Cumberland from Nov. 1 thru Nov. 23.

Season passes for use of the Sports Complex Ice Rink are sold daily from 9 to 5.

For further information please call 297-8011.

Boys basketball

The Morton Grove Park District is now accepting registrations for Boys' Basketball. Beginning Saturday, Nov. 17 at both Hynes and Parkview Schools, boys in the 3rd and 4th grades will meet from 9 a.m. to 10:30 a.m.; boys in the 5th and 6th grades

will meet from 10:30 to 12 noon. Pre-registration of \$5.00 is necessary and payable at the Park District office before Nov. 17. There will be a three week instructional clinic on the fundamentals of the game followed by competition play.

Seek swim instructors

The Morton Grove Park District is now accepting applications for swim instructors. The fee is \$3 per hour—classes are arranged from 4 to 5 during the week. For further information and application contact the Park District at 965-1200, Monday thru Friday 9 a.m. to 5 p.m.

Hockey registrations

The Morton Grove Park District is still accepting registrations for their hockey league in the following age groups; Fee Wee, 10-12 years as of May 31, 1973; Bantam, 13-14 years of age as of May 31, 1973; and Midget, 15-16 years of age as of May 31, 1973.

Games will be played at the Wilmette Ice Rink on Monday and Tuesday, transportation provided by the hockey player, games will also be played at Herrer Ice Rink weather permitting. The Park District will provide the goalie equipment and jersey for each boy; however, boys must

provide their own hockey skates, sticks and protective head gear. The fee is \$20.00 per person, \$16.00 for 2nd child in same family and \$12.00 for 3rd child in same family. Register at the Morton Grove Park District office, 6250 Dempster st.

Teen league basketball

The Morton Grove Park District is still seeking teams for their Teen Basketball League. The fee for entering a team will be \$75. For further information call the Park District Office, 965-1200.

Auditions for 'Born Yesterday'

The Open Stage Players at the Mayer Kaplan Jewish Community Center will hold auditions for their second production of the season, "Born Yesterday," on Monday and Tuesday, Nov. 26 and 27 at 8 p.m.
Director, Leon Palles, will be looking for 12 men and 4 women to cast in this hilarious comedy written by Garson Kanin.
Production dates are Jan. 19, 20, 26, 27, Feb. 2 and 3, 1974. Auditions will be held at the Kaplan JCC, 5050 W. Church st., Skokie.

Northwest choral concert

The Northwest Choral Society will sing Haydn's "The Creation" on Sunday, Nov. 18, at Christ church, Cora and Henry sts., Des Plaines. The concert, under the direction of James C. Thunders, Jr., will begin at 7:30 p.m.
Among the soloists will be Arthur Berg, bass baritone, and Alexis Darden, soprano.
Tickets for "The Creation" are \$3 for adults and \$1.50 for students and children. They may be obtained by calling 824-1971.

Phil Upchurch quintet

Jazz buffs will have a unique opportunity to hear some of Chicago's greatest sounds on Wednesday evening, Nov. 28, when guitarist Phil Upchurch brings his quintet to the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie.
The quintet, recently featured at the Modern Jazz Showcase and Roberts Show Lounge, consists of Upchurch on guitar, Tennyson Steffens on piano and vocal, Bryan Grice on drums, Derf Recklaw Raheem on conga, flute and percussion and Tommy Palmer on bass.
Performance time for the concert is 7 p.m. In case of a sell out, the quintet will perform again at 9 p.m. on the same night. Tickets may be purchased at the Kaplan JCC at \$2 for members, \$2.75 for non-members and \$2 for students. It is advisable to purchase tickets in advance as seating capacity is limited.

ED HANSON
"TURKEYS ON TIME PAYMENTS?"

With turkeys going for 80 to 90 cents a pound the average American family will have to buy one on the installment plan. But because of the high cost of turkeys this year many families are finding that it's cheaper to eat out than dine at home. And that's why restaurants, this year, expect to do record breaking business for this upcoming Thanksgiving Day.

The FIRESIDE INN & HOTEL, 9101 Waukegan rd., Morton Grove, tells me that reservations for Thanksgiving day have been pouring in. And I can understand why - for the FIRESIDE offers the following appetizing Thanksgiving menu for an unbeatable low price. You can have your choice of chilled tomato cocktail or a steaming cup of chicken a la reine soup, roast broadbreast of turkey with chestnut stuffing and giblet gravy, candied sweet potatoes, fresh creamed spinach, a heaping delicious salad from their fabulous salad-bar with your choice of their many salad dressings. A whole loaf of fresh, hot bread with whipped butter. And for dessert, your choice of pumpkin pie with whipped cream or ice cream or sherbet and your choice of beverage. And this complete savory Thanksgiving Dinner is priced at only \$5.50 for adults and for children under 12 only \$3.75. And, in addition, the FIRESIDE is offering another holiday special, a carafe of fine wine, Litre \$3.25 or 1/2 Litre for \$2.00. All this plus an atmosphere of charm and distinction the most discriminating people will appreciate will make your Thanksgiving day visit to the FIRESIDE a memorable one you will long remember.

But do make your reservations for Thanksgiving day at the fabulous FIRESIDE early - phone today - 966-9600...

Another posh and popular place, DOWN THE STREET RESTAURANT & LOUNGE, 6913 N. Milwaukee ave., Niles, has been featuring famous 'International Foods' this week. In fact tonight, Thursday, you can partake of their delightful Italian specialties, and tomorrow night, Friday, they're offering French favorites. The foods and beverages at the popular DOWN THE STREET are top drawer and whether you have lunch or dinner you'll never be disappointed at DOWN THE STREET. Your hosts, Jan Ray, Jr. and Ray Sr. will see you are provided with the quality and service that will cause you to return again and again to their charming restaurant and lounge.

I see where Don Knotts and Pamela Britton are coming back to Arlington Park Theatre for a return engagement of last summer's smash comedy hit, "The Mind With The Dirty Man". They will open Nov. 20 and I suggest you get your tickets early for last summer this popular play was a sellout.

Due to popular demand Jake of JAKE'S FAMOUS RESTAURANT, 7740 Milwaukee ave., Niles, tells me that he has reinstated his "All You Can Eat" specials throughout the week - Monday thru Saturday. These "all you can eat" specials are in effect from 3 p.m. to 10 p.m., six nights a week. And December 5, 6, 7 and 8 are the four big days of the combined anniversary celebration of Minelli Bros. and Jake's. Both Jake's and Minelli Bros. will feature prizes, surprises and specials galore during these big four days.

Jake will offer 'live' entertainment, door prizes and toys for the kids. Minelli's will have meat, produce and food specials, the like of which you've never seen before.
On Thanksgiving Day JAKE'S RESTAURANT will feature a Thanksgiving Day dinner special which will appear in his regular advertisement in Bugle newspapers. You can rest assured that a big Holiday treat will be in store for you this Thanksgiving day at JAKE'S... better make reservations... now!

Tomorrow night, Friday, is 'Fish Fry' night at the GROUND ROUND, Dempster & Waukegan in the Korvette Shopping Center, Morton Grove. On Fridays the GROUND ROUND will give you all the fish you can eat for only \$1.79 (children \$1.29) and there is always entertainment going on at the GROUND ROUND, seven nights a week, so when you're hungry for good food and thirsty for a good time, try the GROUND ROUND.

Tommy and George Arvey of ARVEY'S Internationally Famous Restaurant, 7041 W. Oakton, Niles, expect an overflow crowd for the Thanksgiving holiday. George said, "Thanksgiving some years ago was a home day. But in recent years more and more families are dining out for this holiday." ARVEY'S RESTAURANT is the ONLY one that has been offering a FREE Caesar Salad with dinner, Tuesday thru Saturday, and I understand that the response has been fabulous and has resulted in many new customers becoming regular patrons of the popular ARVEY'S RESTAURANT. ARVEY'S is open 7 days a week for breakfast, lunch and dinner.

See you next week...

Niles West's 'Antigone'

The Niles West Drama Department presents "Antigone", a play by Jean Anouilh. The conflict is based upon a clash of human intentions. Antigone versus her uncle, Creon, the king, who will not allow her brother to be buried. The play is accented with a beautifully designed set, with the main platforms taking the shapes of a swastika and a cross.
The lighting is also very effective, creating eerie shadows and special effects. Tickets are \$2.00 and can be purchased at the door or in advance at the box office. Curtain time is at 8:15. For more information, call 966-3800, ext. 263.

Legions Crazy Vegas Daze weekend

The American Legion Post 134 will hold another Crazy Vegas Daze Weekend as they did this past summer in place of their usual carnival operation. The two night event has been scheduled for Dec. 7 - 8 at the Post Memorial Home, 6140 Dempster.

Once again the Post Home will be transformed into a miniature Las Vegas casino-type operation. Beautiful prizes will be available for the participants. Refreshments of all types will be available in addition.

The Legion announces unfortunately, however, that the event is open only to adults.

Crew member

Cast and crew members have been announced for the first of the Carroll college Mainstage productions, "The Fantasticks" to be held Nov. 14 to Nov. 19 at the college's Youmans Little Theatre. Marilyn Horvat, a junior from Niles, is the set designer. Performance times are 8 p.m. on Nov. 14 and Nov. 19; 8:15 p.m. on Nov. 15 to Nov. 17 and 7:30 p.m. on Nov. 18.

Illinois Bell asks ICC for reduction

Illinois Bell Telephone yesterday voluntarily requested that the Illinois Commerce Commission reduce its pending request for rate increases by \$1,027,071.

Gordon W. Winks, general solicitor for the company, said that the company hopes the Illinois Supreme Court will reconsider its decision of last week on the 1972 rate order which granted Illinois Bell a \$44.5 million rate increase. The court disallowed company expense for charitable contributions, lobbying activities and company-sponsored memberships in civic clubs for rate-making purposes. Also involved were western Electric Company earnings and license contract payments to AT&T for research, engineering and financing advice. The company plans to file a motion with the Court for a rehearing.

A company spokesman said, however, the disallowances ordered by the court would have no effect on rate increases granted by the Illinois Commerce Commission in the 1972 rate order. "The ICC at that time fixed a minimum rate of return for Illinois Bell of 7.33 per cent and even with the disallowances our rate of return is below that level," he said. "Thus there is no basis for rate reductions."

In view of the urgent need for a reasonable rate of return, Winks said the company is asking that the Commission reduce the company's pending rate increase request by \$1,027,071.

"Our need for rate relief is so urgent that we have voluntarily reduced our request to a

Cooney named Dempster Plaza Bank president

Neil Cooney of 121 Tottenham, Elk Grove Village, has been named president of the Dempster Plaza State Bank, according to an announcement by William J. Sweeney, chairman of the bank's board of directors.

Cooney was elected to the post during the bank's Oct. 18 board meeting. He had been serving as Dempster Plaza's vice chairman of the board and chief executive officer.

A member and former officer of the Illinois Bankers Association, Cooney joined Dempster Plaza State Bank earlier this year. He had formerly served seven years as president of the Bank of Elk Grove, Cooney brings to Dempster Plaza more than 25 years of experience in banking and finance.

Located in the Dempster Plaza Shopping Center at Dempster and Greenwood in Niles, Dempster Plaza State Bank is just over two years old with assets topping \$10 million. The bank has recently expanded into an additional lobby and motor bank facility at 6500 Dempster, just east of Greenwood, also in Niles.

Kole's sales boosts MLS volume

The September sales volume report issued by Northwest Suburban Board of Realtors Multiple Listing Service in Arlington Heights shows 274 listings, 172 sales, and a total volume of \$7,490,590.

Kole Real Estate, Ltd., one of the MLS member firms, is responsible for placing 67 of the listings during this period, 24% of the total, according to figures released by Robert A. Kole, president.

"We also were credited with 79 sales amounting to 46% of the total of MLS sales in September, and generated \$2,800,000 of the total business reported by MLS last month," Kole added. Ninety-one of the sales reported by MLS were the result of cooperation between member firms. Kole's record of 79 represents 88% of this activity.

Name new ad agency

Fred V. Fowler Company of Auburndale, Mass., has appointed Mills, Fife & MacDonald of Des Plaines as its agency for complete advertising and marketing support programs.

Fowler is a distributor of a full range of cutting tools and machine tool accessories as well as precision tools including dial calipers, venter calipers, micrometers, height gauges, and optical measuring instruments.

Getting off to a good start

Central Telephone Company's Crusade of Mercy got off to a good start with pledges representing 100% fair share donations from the employees at Centel's corporate headquarters in downtown Chicago. Centel's campaign coordinator Fred Shreck (L), Division Traffic Manager, thanks John Frazee, assistant in the office of president of Central Telephone and Utilities, during a recent kickoff breakfast. "Our commitment doesn't end with providing telephone service but extends to the community and our customers," Mr. Frazee said. Since the beginning of the drive, Centel employees have surpassed their goal of \$9,000. Money collected for the Metropolitan Crusade will be returned to various community agencies, many of which benefit the residents of the area served by Centel.

Property transfers

Thirty-eight property sales topped activity in the late summer. Niles township real estate transfer report from County Recorder void further delays, a spokesman said.

Actual costs of AT&T in providing license contract services to Illinois Bell, after deducting all items challenged by the Court, exceeded Illinois Bell's payment by over \$500,000. Winks said. He also said that this computation did not make any allowance for the fact that the capital employed by AT&T in rendering the services earned a rate of return of only 2.8 per cent.

The data submitted by the Company also shows that the rate of return on the Western Electric stock investment, also questioned by the Court, was less than the rate of return for Illinois Bell stock authorized by the Commission on its August 1972 order. Therefore, no disallowance is warranted, Winks said.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic inflation coverage.

Maine East senior class activities

The senior class of Maine East has finalized plans for this year's graduation activities.

This year's prom will be held June 7, 1974, at the Arlington Park Towers. The dance will be free, but the dinner may cost between \$3 and \$9. Mr. Richard Beard, co-sponsor of the senior class, said the price for the dinner will be dependent upon the amount of money in the senior class treasury at the end of the year and how many couples attend the prom.

Money is currently being raised by selling refreshments at the monthly community lecture series at Maine East through the Adult Education program.

This year's prom chairman is Joan Boudeau of Park Ridge. Kym Abrams of Des Plaines is in charge of selecting a band, which may be Jim Bestman's 10-piece orchestra. Also assisting with prom and graduation activities are the senior class officers - president Sheryl Blossman of Des Plaines, vice president Mary Unger of Morton Grove, treasurer Linda Gritchen of Des Plaines, and secretary Carol

Dudek of Morton Grove.

The senior class breakfast will be held June 10, but the committee is still discussing whether to have the morning get-together at Maine East or at a local restaurant.

Mr. Beard also adds that any senior who graduates at mid-term may take part in the festivities. Invitations to the prom and breakfast will be mailed to the January graduates.

St. Martha PTA meets Tuesday

Father Walter Imborski, director of Cana for the Archdiocese of Chicago will be the featured speaker when the St. Martha Home and School Association meets on Tuesday, Nov. 20 at 8 p.m. in the Parish Pine Room, 8527 Georgiana. Cana is the largest family life education agency in the country.

Anyone interested in hearing Father Imborski is invited to be a guest at the next meeting of the St. Martha's Home and School Association.

LETTERS to EDITOR

LWV supports Niles park referendum

Dear Editor:

The League of Women Voters actively supports the Niles Park Referendum and urges all voters in the Niles Park District to vote "yes" on Nov. 17.

The League bases its support on a consensus reached by its members in December of 1972. We stated then, as we do now, unqualified support of open land acquisition. A factor leading to this decision was that the Niles Park District is far below the national standard for park land acreage to population. The national average is 10 acres per 1,000 people. The Niles Park District presently owns 1.35 A per 1,000 people. There is an

obvious need for park land. Since land is fast becoming scarce in our community, it is necessary we save existing open space for better recreational facilities.

The League further believes that parks and recreation are public responsibilities and should be supported by the taxpayer. League members have been active participants in the Citizens Committee for Save Open Space. Last February, the League supported a successful park referendum in Morton Grove. Remember: Vote "yes" on Nov. 17.

Carol Panek, League of Women Voters of Morton Grove - Niles

Peck supports Park Referendum

Dear Editor:

I haven't written many Letters to the Editor in recent years. The first, if you will recall, was when your editorial cost the people of Niles a large park in the Lawrencewood Shopping Center area. As I read the Left Hand in this week's paper I was shocked. Are you attempting another Lawrencewood Fliasco, which you later admitted was a mistake on your part? I've known you for a long time and did not think you would do this.

There has been a tremendous effort made by the S.O.S. committee, the Park Board and the Village Board to promote this referendum because we all believe it to be for the betterment of all the residents in Niles. There has never been better cooperation between the Village Board and the Park Board. This is evidenced by the use of our progress report exclusively to publicize the referendum. This is something that you and many others have criticized in the past.

When you write about the referendum, you dwell only on Tam. This is less than one-third the cost, other monies will be used to purchase or enlarge other sites and to improve existing parks. I will not take the time to go into many other areas where I believe you to be wrong. There are two more things that I must clarify.

I resent the 5th paragraph of your column where you quote me out of context. I have been on record many, many times as being 100% behind the Park Board's efforts to acquire Tam. They are in the recreation business and that is where it belongs. Only after they have exhausted all their efforts in acquisition of Tam would I be in favor of the Village stepping in. When you asked after one of our Board meetings if the Park Referendum failed, would the Village Board be interested in Tam, I replied very definitely because I wouldn't want to see it lost to our citizens. Your article quoted only this and not the rest of my feelings.

In other parts of your column, you mention the take over of the parks by the Village. I am strongly against this happening. I believe the Park Board should remain a Separate, Independent Taxing body.

In conclusion, I would like to urge all the citizens who believe in me to go out and vote for the Park Referendum on Nov. 17. As in the past, I will be ringing door bells and canvassing my area.

Thank you, Keith W. Peck, Niles Village Trustee, 7746 Waukegan, Niles, EDITOR'S NOTE:

Reader Peck was quoted accurately and in the presence of a second reporter. It is also true he is correct in stating he is hard at work in supporting the referendum and has often expressed his preference the recreational needs of the community should be met within the park district, rather than by the village.

In a sense Peck's rebuttal loses the tenure of the article he refers to. The Bugle did not recommend the village take over the recreational needs in Niles. At the beginning and at the end of The Left Hand column Peck refers to it stated: "It is important that (voters) know what the alternatives will be. We believe its important voters should consider all the alternatives. Keeping quiet before a 2.7 million dollar referendum is not in the best interests of all villagers."

We believe it is our job to fully inform, however disagreeable it may be to very sincere people.

Support Skokie Valley United Crusade

An Open Letter to Residents of the Village of Niles

Dear Friends:

For the past 18 years I have been a resident of your village, shared in its activities, partaken freely of its many facilities and witnessed its growth from a semi-rural 7,200-inhabitant town to a modern, progressive community. It has been a good life and my family and I are grateful for this environment. In addition, we have found the people of the community to be friendly, understanding and helpful - very much in keeping with the standard of living most Nilesites enjoy.

For five years I have actively participated on the Board of the Skokie Valley United Crusade, which serves the villages of Golf, Lincolnwood, Morton Grove, Niles and Skokie. We support 13 welfare agencies within our 5-village area.

To most of us in this affluent area, these services do not seem important and to some, even unnecessary. But WAKE UP my friends and neighbors! During 1972, the Visiting Nurses' Association, supported directly by the S.V.U.C., took care of 34 patients in Niles alone, accounting for 19 percent of their total case load. The majority of these cases were senior citizens and, I may further add, a good share were no fee or partial fee cases. These are Niles people, not as fortunate as most of us. I could go on to relate similar incidents with our Homemakes Service, Orchard Center for Mental Health, etc.

The Residential Division goal established by the Crusade for the Village of Niles this year is \$2,000 from some 32,000 individuals. As of this writing we have received a total of \$896, representing not even 50 percent of our goal. I find it hard to believe that my fellow Niles residents would fail to support so worthwhile a cause.

The S.V.U.C. is very grateful for the sincere cooperation that Mayor Blase has lent this campaign. It may interest you to know that the Niles Public Employees Division, headed by Ben Mankowsky, has far exceeded its goal and currently has contributed \$956. When you compare this figure with the total residential contribution, I think you will agree that our Public Employees deserve a real salute for their village loyalty!

I appeal to you, my Niles friends, to support the Skokie Valley United Crusade so that we may continue to aid some of your Niles neighbors that are truly in desperate need of a helping hand. Checks may be made payable to: Skokie Valley United Crusade and mailed c/o Mayor Nicholas B. Blase, Administration Building, 7601 Milwaukee ave., Niles, Ill. 60648.

Thank you for your kind consideration. Help us to believe that you believe in our People Helping People campaign.

95% OF EVERY CRUSADE DOLLAR WORKS FOR ALL OF US.

The Crusade is conducted at a cost of only 5% - one of the lowest in the country.

Childrens Christmas crafts

The Niles Park District still has a few openings in the Childrens Christmas Crafts. The classes will be held at Grennan Heights on Saturdays Nov. 17, Dec. 1, 8 and 15, Ages 8-12 will be held from 11:30-1 p.m. and ages 5-7 will be held from 1-2:30 p.m.

The fee for the crafts class is \$3 for residents and \$6 for non-residents. This includes a limited amount of supplies.

St. John's Lutheran School

Autumn is a busy time for the Kindergarten and PreKindergarten at St. John's Lutheran School, at 7435 Milwaukee ave. in Niles. On Oct. 11 they saw what kinds of tricks dwarfs play on people in Rumpelstiltskin at Mill Run Theatre.

A week later they visited Naples' Fruit and Vegetable Market and saw a very unique way of transforming a pumpkin into a Jack O'Lantern. The Jack O'Lantern became part of their classroom for Halloween. Each child also picked out and purchased his own pumpkin to take home. Later the children helped clean the inside of a pumpkin and the teacher carved the face of their Jack O'Lantern to their specifications. The children saved the seeds for planting after Halloween. For Thanksgiving they will be making pumpkin pie.

Obie scores TD

Former Notre Dame griddier John Obie, now a freshman half-back at Illinois Benedictine College of Lisle, scored a 21 yard touchdown last week and had another called back during a junior varsity game against Wheaton College. It was one of five Illinois Benedictine touchdowns in a 35-0 game.

Obie has not had much opportunity to play for the Illinois Benedictine varsity, now 4-1, as yet but coach Tom Beck considers him a prospect for the future.

John is the son of Mr. and Mrs. Charles Obie, 8835 Sayre, Morton Grove.

Auxiliary plans Christmas party

The Morton Grove American Legion Auxiliary Unit #134 has set the date for their annual Christmas Cheer luncheon card party. As the name indicates, it brings cheer to those who need it at the Christmas holiday time; the hospitalized veterans. The Auxiliary is well known in the state through the efforts of personal Rehabilitation Chairman Mrs. Ed Lange who visits the VA Chicago-area hospitals often.

The holiday social party derives funds which will remember each of these former servicemen with a present for the forthcoming holiday.

The date will be Wednesday, Dec. 5 at 11:30 a.m. at the Legion Memorial Home, 6140 Demp-

ster, Chairman is Mrs. Ed Martin, 965-3478.

Following lunch, cards will be played with many prizes offered. The day also offers many other surprises, novelties and interesting attractions.

Maine Demos distribute medical ID tags

A free Medi-Check program sponsored by the Maine Township Regular Democratic Organization will be available to all township residents on Saturday, Nov. 17 from 10 a.m. to 4 p.m. at 8070 Milwaukee ave., Niles.

Medi-Check is a life-saving means of providing children and adults with emergency medical identification tags (either bracelet or necklace, according to personal preference) to assist in emergency conditions when medical attention becomes necessary.

Persons with physical disabilities or organic illnesses (coronary thrombosis, arteriosclerosis, diabetes, tuberculosis, allergies, rare blood types, epilepsies, etc.) as well as those who wear hearing aids, contact lenses or eyeglasses, are urged to obtain their tags, compliments of the MTRDO.

Tragedies often occur in the first few months after auto accidents or sudden illness, due to insufficient identification of a specific condition or underlying allergy, otherwise not visible to the person administering medical assistance.

Nicholas Blase, Maine Township Committeeman commenting about the Medi-Check program, "I can think of no finer way of assisting our residents than by

Practical lesson in German

Creating a unique and practical assignment for students usually takes a lot of the teacher's time for creative thought, planning, and follow-up work.

But Rosalie Streng, Maine North's German III teacher, developed an unusual assignment for her German III class.

Miss Streng's class visited Kuhn's Delicatessen on Golf Rd. to purchase two items, but students were only to communicate with the salespeople in German.

The students were asked to bring in their purchases and to

deliver a brief oral report which encouraged sampling of the foods. Laila Tarazi discovered that "Zweir Semmel" were simply two hard rolls while Judy Stimpel found out that "Lcherkase" tasted like bologna.

Members of the class who participated in the project are: Alex Barinholtz, Nick Bohmann, Mark Brodie, Annette Ganvick, David Helton, Chris Jenner, Nancy Lutsch, Ellen Palmer, Lee Rickards, Judy Stimpel and Laila Tarazi.

This Christmas "charge" your gifts on a Check-Credit Account...

...and save 6% besides (over most financing plans)!

With a Check-Credit account from our bank, you can shop for all your Christmas gifts this year, pay by check and end up money ahead!

Here's how: Check-Credit costs you only 1% per month on the outstanding balance, instead of the customary 1 1/2% for most revolving charge plans.

The difference adds up to a full 6% less over a one-year period—12% vs. 18%.*

And while you're saving money, you can have other advantages and benefits, too. Like "Instant Loan" privileges... write yourself a loan without having to go to the bank each time. Like flexible payment arrangements... pay as little as 1/20th of your balance or pay it in full, whichever is most convenient that month. Like credit life insurance... coverage up to \$1,000 of your balance and at no cost to you.

To apply for Check-Credit, simply stop by the bank or call Virginia Lynch to request an application. Upon approval, you'll receive written notice indicating your total credit limit and a supply of free checks. Then it's on your way to convenient, low-cost Christmas shopping. Happy Holidays!

Scheel said the village is absorbing 30% of the Chicago rate increase even with the 19 cent increase to Niles users.

At the meeting, Blase announced that the village was reducing the amount of heat in public buildings and directing all city city vehicles to travel at no more than 50 miles per hour in response to the current energy crisis. President Nixon and Governor Walker had made these requests as means of conserving fuel.

In another announcement, trustee Keith Peck said that beginning Monday Niles had expanded its courtesy bus system. A second bus is now running the same route as the regular bus, but in the reverse direction. The hours for the bus service will be the same; 9 a.m. to 6 p.m., Monday through Friday, and noon to 6 p.m. on Saturday and Sunday.

He also said the free bus service appears to be highly successful. The number of passengers has increased 34% between September and October, from 4,327 passengers to 5,796.

In other discussion, the chairman of the ad hoc committee representing Niles, Morton Grove and Skokie in determining the new Oakton Community College site, said the committee has been ignored by the OCC trustees. Thomas Bondi said the committee was so disgusted after the last OCC meeting Nov. 6, "we wanted to vote ourselves

out of existence. We have made an effort to find a site." He said the Oakton College board is waiting for action by the northern suburbs on whether they will form their own community college district or become annexed to the Oakton district. Bondi said he believes the OCC board should "take care of its own community."

Blase recommended that Bondi and the committee remain at least until January - the deadline for forming a community college district.

The board also announced that hearing tests will be administered Nov. 24 and 25 from 9 a.m. to 5 p.m. at Notre Dame High School. The courtesy bus will run to the school on those days and will extend its service to 9 a.m. to 5 p.m.

Blase said the tests were part of a long range study of the effect of airplane noise on the people's hearing.

Continued from Page 1

This was the week when . . .

The candidates came out of the political woodwork announcing their quests for jobs in Niles Township, Springfield and Washington. Cal Sukter vowed his affections for the Democratic Party last week with his announcement he would seek the head job as township committeeman. And then Oakton trustee Tom Flynn hosted a coffee and donut breakfast and said he would run for the third time in recent months, this time seeking the Democratic seat in the state house of representatives. Tom coined the word "Schlickminism" in denigrating Republican Gene Schlickman, who he believes should be ousted from his job in the state house. Meanwhile, Congressman Sam Young held a dinner Thursday night in which he referred to himself as the "underdog" in his race next year against Ab Mikva, who Young beat by 7,000 votes in 1972. The Congressman, who had been a down the line loyalist of President Nixon in '72 has edged away from the President, though not so far as his opponents claim. He had Nixon aide General Halg at a Thursday night dinner though it was reported Halg did not ignite the audience in what was described as a rather sedate evening of speeches.

Monday morning Ab Mikva began another love feast with his followers as 150 loyalists, and 50 newsmen jammed between four TV cameras to hear the candidate announce his bid for the Young seat in the 10th Congressional District. The incredible turnout of TV newsmen, and metropolitan newspaper people, made one realize Young's underdog role may well be a truism. Whether Mikva generates this news coverage by his own personal magnetism, or by the pros behind him who touch all the bases, you know a Mikva campaign is strictly a big league operation. You also know the \$200,000 campaigns both Young and Mikva conducted last time quite likely will be exceeded in this crucial race, a do or die campaign for both candidates.

This was the week when . . .

School Superintendent Dick Short hosted a Friday luncheon to introduce two assistant principals, and also to talk about the upcoming 6.5 million dollar referendum to complete construction for Maine North High School. While we're sure Maine Township residents at the north end of the district will support the improvements we're uncertain how residents from the rest of the district will respond. Certainly, Maine North parents are now paying taxes to support the other schools which have full facilities. It would seem all Maine Township residents have an obligation to make sure Maine North students have an equal physical plant for their students. It would be a sad commentary if parents from one area, which have recently been told one professor at DePaul rates its school as the best in the nation, would resist voting in favor of the referendum.

The quality of all Maine schools is due to all the taxpayers in Maine Township. Maine North certainly deserves equal billing with its sister schools.

word legitimate could be taken out of the ordinance and also a few other changes made. This would be acceptable to the Library Board and the ordinance was adopted. Paul Anthony of the board said they do have a book selection policy also. Mayor Bode and John Hilkin presented certificates to 4, 5 and 6 time donors of blood to the blood program in Morton Grove. Among them were Francis Gauer, who gave 6 pints and a family of three, the Williams family, who donated 4 pints each.

Robert Lutz, Chairman of the Plan Commission, presented a request for a special use permit to build a 44 unit condominium at 5501-39 Lincoln Ave. and 8 single family dwellings at 5500-40 Main St. After certain stipulations are met the Plan Commission recommended granting this special use permit. Trustee Houndt said there may be problems on the property in question because of the fact there is sand and quicksand underneath it and 51 additional units would be a burden to the existing sewerage system. "We will cooperate with you in seeking a solution to this problem," said Houndt and Cohen moved to table this matter until further clarification on some questions can be achieved.

The Fanslow property once again came under consideration and their attorney said since the state highway department has approved a specific location for the necessary traffic signal that would require a change in the location of the buildings to be constructed, John Nordberg said another public hearing should be held by the Plan Commission and if approval is given a temporary permit may be issued so the builder can start construction. Cohen moved to approve the location of the stop light and the board did so and then he moved to refer this back to the Plan Commission and the board approved that also. June Radman presented letters to the entire board concerning the signing of a proclamation on 'Respect for Life'. It seems in this proclamation the question of pro and con concerning legalized abortion could be raised. But the mayor said, "Sometimes you can act in haste and repent in leisure." He noted several other mayors had signed this and said on the face it seemed quite harmless, but added he would be more discerning in the future.

Engineer George Holt said the Golf rd. agreement was finally reached and the project which took some 3 1/2 years will cost some \$632,064.25. For our part the village agreed to maintenance of the sewer and the state also agreed to certain responsibilities. The board passed an ordinance prohibiting any pollutants to be introduced into this sanitary sewer.

Fred Huber recommended along with Chief Glauner the acceptance of the low bidder Golf-View Dodge for four new squad cars, in the amount of \$14,132.50. The board agreed. David Cohen said the Fire Department had 111 alarms during Oct. 21-Nov. 10. The Social Services Department had four new cases in Oct. and has had 119 cases to date. Administrator Huber read the ordinance making Carol Ave. west at School St. a one-way stop. The board also approved the ordinance requested in support of the Planning and Development Committee. Trustee Dick Hohns said in response to letters sent out to residents on Callie Ave. suggesting that it be made one way going north he got many answers, mostly in favor of the proposal. One citizen who disapproved was Alphonse Mueller who said the senior citizens were against the change and suggested that those complaining of parking problems, "Clean out their garages." Herb Houndt said he felt the board should go on record as urging all citizens to conserve energy as requested by national and state officials. Mayor Bode made several appointments. He reappointed Wayne Adams and Frank Tulliano as electrical inspectors and added Vito Terenzio as a sign inspector. The mayor then read letters from persons with men missing in Action and said more than 1,200 families had men missing. Because of this Nov. 15 will be proclaimed 'Run For Freedom' Day in Morton Grove.

LWV to discuss county government

County Government Structures will be the topic at the next session of unit meetings sponsored by the League of Women Voters of Morton Grove-Niles. The dates for the meetings are 1) Nov. 27 at 9:15 a.m. at the Niles Community church, Oakton and Oketo, Niles, 2) and Nov. 29 at the Morton Grove Community church, 8944 Austin, Morton Grove, 3) and in the evening at 8 p.m. Nov. 29 at 8938 National, Morton Grove.

The public is invited to participate in these unit discussions. Child care facilities are available on the premises for preschoolers and refreshments are served during the discussion. The League of Women Voters believes that democratic government depends upon the informed and active participation of its citizens. It is a nonpartisan organization meaning that it does not support or oppose candidates nor does it support or oppose political parties.

Dist. 64 teacher aide workshop

District 64, in an attempt to utilize the volunteer assistance to its best extent, has planned a number of training sessions for this school year. The first of these will be for volunteer aides and library substitutes. This workshop will be held at Merrill school under the direction of Margaret Knight, Library Coordinator. The workshop will be a "Hands On" activity where participants will learn about materials and procedures in the L.R.C.'s. It will include the use of projectors, tape players and other teaching machines. Printed materials (books, magazines, etc.) will be discussed in relation to where to find them and how to help the child and teacher use them. The role of the aide as a helper and not a teacher will be stressed. Based on the reception and success of this type of workshop, succeeding training sessions will be planned.
