From the LEFT HAND

By David Besser Editor & Publisher One of the joys of newspapering is meeting people we would not normally have the opportunity to meet had we moved into soft or hard goods as a way of life. Tuesday morning a very gracious lady, Helen Gahagan Douglas, left her calling card at several Niles Township stopping off points, and we were present at one of them.

Depending on your point of view, Mrs. Douglas may be best known for her being defeated for the United States Senate by a newcomer, Richard Nixon, some 28 years ago. It was reported his campaign indulged in brandishing Mrs. Douglas with a pink Communist brochure, which many considered a prologue to Nixon's dirty tricks campaigns thru the years. The intimation was dishonest, indeed a very scurrilous action, which in more recent years has been a trademark of Nixon's campaigns.

She may be best known to many as actor Melvyn Douglas' wife, or as a Broadway star in the fifties, or as an opera star who turned down an offer to sing in Salzburg in the Continued on Page 20.

ICCB endorses Oakton-North Shore merger

The preliminary map for community college districts in Illinois which was presented to the Illinois Community College Board on Friday morning, Nov. 16 provides for the annexation of the four North Shore high school districts to Oakton Community College. The annexation was part of a staff recommendation made to the ICCB at its regular November meeting in Springfield. The recommendation was accepted by the ICCB without debate. Paul Gilson, chairman of the OCC Board of Trustees, stated that the recommendation of the ICCB staff will permit Oakton to get a quick decision on the site which will serve the needs of the college's programs and students. "The staff of the ICCB stated that they felt it was important that any new college receive the support of its residents," Gilson said. "They contemplate there will be a petition for a 4-district referendum to form a new college district on the North Shore." "Dr. Wellman stated that in the event of failure of such a referendum the annexations are provided for in the proposed map," Gilson stated. Continued on Page 20

Essay contest winners

At 9 a.m. on Wednesday, Nov. 7, this year's winners of the Niles Youth Commission's Jr. High Essay Contest assembled at the Administration Building and received their assignments as a Village Official for the day. Group photographs were taken and the tours began with the various departments in the Administration Building. From there it was on to the two fire stations, the police station, public works offices and Family Services offices. Many thanks go to the Fire Department, Police Department, Public Works and Health Inspector for arranging the tours and transportation.

When the tours were completed, lunch was served at the Bunker Hill Country Club, after which the winners spent some time with the people they were representing, wherever possible. At the end of the day, the winners met again in the Administration Building to prepare their notes for the reports they would make at the Village Board of Trustees meeting on Nov. 13.

Mayor Barbara Buck called the Board of Trustees meeting to order shortly after 8 p.m. on Tuesday, Nov. 13 and then asked Village Clerk Jerry Sullivan to call the roll. Trustees Barbara Sweeney, Barbara Schultz, Carol Bobula, Dorian Dembski, Joan Remig, and Frank Chrzanowski then made their reports, all of which were approved.

Reports were then made by Police Chief Maureen Daley, Fire Chief Teresa Passarella, Director of Public Works Donna Matoski, Housing Commissioner Carolyn Shemroske, Director of Building and Zoning Gregg Sattinover, Director of Family Services Richard Kozelka, Village Engineer Nick DeGeorge, Health and License Officer Lee Vinclose, Village Manager Patty Pater, Village Clerk Jerry Sullivan, Village Attorney Mary Beth Scheffler and Mayor Barbara Buck. All the reports were accepted and a resolution was passed calling for a better understanding of local government by the youth with the hopes that in the future we will have well-informed citizens and public leaders. Since there was no further business, a motion was made, seconded and passed for adjournment.

Following the adjournment of the meeting, Ambrose Panico, Chairman of the Niles Youth Commission, and Rhoda Salins, Niles Youth Coordinator, presented to each winner his or her trophy, bond letter representing either a \$50 U.S. Savings Bond or a \$25 U.S. Savings Bond, and a photograph taken with the Village Official each winner represented on Nov. 7.

This year's Jr. High Essay Contest is officially over, but the memories will remain for these 18 winners.

Police awards

Congratulations are being given by Niles Mayor Nicholas B. Blase (second from r.) and Police Chief Clarence Emrickson (extreme r.) to two officers of the Niles Police Department and two officers from the Chicago Police Department. A Certificate of Honorable Mention was presented to (from l-r) Niles Lt. Wm. Terpinas, Chicago Police Officer Nrank Szewco, Niles Police Officer Robert Hanna, and Chicago Police Officer Harold Lukatsky for outstanding police work in the apprehension of Patrick White of Alberta, Canada. White was later formally charged with two counts of deviate sexual assault, two counts of indecent liberties with a child and one count of aggravated assault.

It was through the cooperative efforts of the Niles Police Department and the Chicago Police Department that White was apprehended and arrested. Information

leading to the capture of White was furnished by two male juveniles, ages 11 and 12. Niles Officer Robert Hanna accompanied by Lt. William Terpinas and the above Chicago officers entered a motel room located in the Village of Niles where White was staying. Upon entering White aimed a fully loaded revolver at Officer Hanna and was immediately disarmed by Lt. Terpinas.

Stated Mayor Blase, "It is gratifying to see that such direct cooperation exists between our department and the Chicago Police Department, and I am

pleased to be presenting these certificates of award to these dedicated police officers." He continued, "Perhaps it is difficult for us to remember that each day police officers are confronted with endangerment to their lives. Few occupations demand such courage as was displayed by these officers." Chief Emrickson remarked, "Although this type of sensational police work is the most newsworthy, the everyday job of a police officer is just as important in keeping a community like ours a safe place in which to live and work."

Select Maine Twp. committee chairman

Selection of Maine Township officials to chair three newly-formed committees composed of elected officials and concerned citizens was announced by Township Supervisor James J. Dowd, Des Plaines.

The three committees and chairmen are: Senior Citizens, Auditor Harvey Frindt of Niles; Youth, Auditor Kay Korff of Des Plaines; Library, Clerk Phil Raffe of Glenview.

"Our officials are deeply interested in making these committees work for the benefit of Maine residents," Dowd said. "As an example, Auditors Wirsen and Korff recently gave a full day of their time, without compensation, to attend a seminar sponsored by the Illinois Department of Corrections dealing with the establishment of township youth commissions."

"Another example of concern," Dowd added, "was the formation of a public affairs committee, co-chaired by Auditors Wirsen and Paul Halverson of Des Plaines, to improve communications between the citizens of Maine Township and their government. Those two auditors have done this on a voluntary basis, because they too want to better know the needs of our citizens, and want the citizens to be more aware of the services we can provide."

"With the addition of private citizens to our committees, we believe Maine can provide township second to none in the state. And, with the number of volunteer applicants we have, we know we will be able to choose highly-motivated and highly-qualified persons," Dowd concluded.

SV United Crusade short of goal

Cash donations and pledges amounting to \$38,537, or only 54% of the Skokie Valley United Crusade goal, were announced Nov. 9 at a meeting of the 1973 campaign committee.

"We are disappointed with the results to date," said John N. Matzer Jr., general chairman. "We need lots of help if we're going to reach our \$72,000 goal this year."

Roy Brown, chairman of the Trades division, is the only division chairman to reach his 1973 quota. Division chairmen far short of individual goals include: Don Bextel - Clubs and Organizations, Bob Jasica - Commercial, Joe Palen - Professional, Tom Kenny - Public Employees, and Dr. Jim Richter - Schools.

Gift for Orchard Center

A \$4,000 gift has been received by Orchard Village, the newly organized community living facility for young adults who have progressed through all available special education facilities in Maine and Niles townships. Donor was Callero & Catino Realtors, 7800 Milwaukee ave., Niles, through whom the Orchard Association for the Retarded purchased its facilities at Marmora and Cross Point rds., in Skokie.

Making the presentation at the October meeting of the Association, which owns and operates Orchard Village, were Frank T. Catino and Walt Walters of Callero & Catino Realtors, and accepting it were Mrs. Chet Hajduk, president of the Association and Bernard G. Saltzberg, Executive Director of Orchard Village.

The Association, made up of parents of mentally retarded and/or physically handicapped children in Niles and Maine townships, hopes through Orchard Village to provide a viable alternative to institutional life for young adults who are not quite up to entering the workday world entirely on their own.

The Orchard Village complex includes a bungalow, four ranch homes, a six-flat apartment building and a private dead-end street ending at the Niles West football field. The Association has incurred a debt of about \$500,000 and is seeking community support such as that exemplified by the Callero & Catino Realtors gift. The Association office is at 5010 Harvard terr., Skokie, and the telephone number is 675-1055.

From l. to r. in the photo: Bernard G. Saltzberg, Executive Director of Orchard Village, Mrs. Chet Hajduk, President, Orchard Association for the Retarded, Frank T. Catino and Walt Walters of Callero & Catino Realtors.

Tops United Crusade goal

Niles Mayor Nicholas Blase congratulates Niles Building Commissioner Mr. Ben Mankowsky, who served as Niles Public Employees Division Chairman, Skokie Valley United Crusade, upon reaching and surpassing his goal. Mankowsky is now 25 per cent over his established goal.

Twenty students have been initiated into Beta Beta Beta, biological sciences honorary society here at Western Illinois university. Eleven of the students were awarded full membership and 9 were given associate membership. Included was Marilyn Ann Heinz, 7913 Lotus ave., Morton Grove, full membership.

Dancers' delight

It was a happy night, Tuesday, November 13, for all the residents of St. Andrew Home who attended the "Oversixty Dance" sponsored by the Telephone Pioneers of America of the Teletype Corporation. The "Harmon-Aires" furnished the music - a most enchanting ensemble!

The members of the Pioneers have been most generous with their time and talents on many previous occasions. It is their aim to bring happiness to 10 other homes like St. Andrew's.

There was a bubbly group of smiling residents present who can still "swing and sway" with much enthusiasm, but the watchers had a good time too as they enjoyed the merriment around them. It was a typical Lawrence Welk group who appreciate good music of yesteryear.

There weren't enough male partners for all the ladies, but with Women's Lib in force these days, they just teamed up with each other and danced up a storm. The men present were most gallant and tried to dance with as many "girls" as possible. And, of course, the Sisters were not far behind.

Some of the dance numbers recalled the days of the "turkey trot," "stomp," "dip," and "Charleston" too. Alas, not many could execute those steps; the best they could do was to march forward - very slowly.

Attends campus day

Karen Wegener, 8526 Mango, Morton Grove, was among the students who attended an On-Campus Day at the University of Wisconsin-Whitewater Nov. 10. The visitors met with administrators and faculty, visited classroom buildings and residence halls, consulted with advisers and students, and were the University's guests at the Whitewater-Oshkosh football game.

Basketball season preview

by Murray Rodnick

Maine East's basketball season starts Saturday, Nov. 17, against Niles East, and Coach Paul McClelland had a few reflections on the upcoming season.

Coach McClelland commented that this year's team will lack varsity experience, with only two returning lettermen. They are Ron Parker, last year's third guard and a fine playmaker, and Keith Larson, a starter last year who was all-conference at guard

and seventh in the conference in scoring.

Other players that Coach McClelland is counting on are Jeff Vukovich, Lou Massong, and Mike Cohen among the seniors, and Neil Clark, Mark Burns, Charlie Sellergren, and Mark Maloney up from last year's sophomore conference champions.

Coach McClelland was quoted as saying, "This would be the

shortest team in four years. They will have to do a lot of running and pressing. Also, the team will have to be quick so the opponents can't use their size."

For the first time Maine East will enter the Thanksgiving tourney at York High School.

Glenbrook North should be the team to beat for the divisional title, and Maine South's Hawks should be tough in the conference.

Wrestling season preview

By Ron Parker

A string of 31 consecutive dual meet victories will be on the line when the Maine East wrestlers take on always tough Hersey on Wednesday, Nov. 21 at Maine East. When asked what he thought of the upcoming season, Coach George Jurinek commented, "We graduated many starters last year, and this will be primarily a rebuilding year. Our success this year depends upon how quickly the juniors mature."

Leading the charge for the Demons this year will be returning lettermen Ken Ujlye, sophomore; Bob Bofman, junior; and Jay Check, Paul Board, Murray Rodnick and Don Isacson, all seniors.

Board was a very consistent winner last year and had a good

chance of placing high in the state tournament. Unfortunately, he came down with an illness that took him out of the tournament. Isacson was a district winner and a sectional qualifier.

Last year Fenton won the state tournament with three wrestlers placing in the tournament. This year Coach Jurinek says, "Maine has a good tournament team—with the strength coming from Board, Isacson, Check, Rodnick, and Bofman."

The Demons will try to improve on the fourth place finish in last year's state meet.

While all opponents will be out to break the string of the Maine East grapplers, East Leyden and Glenbrook North will provide the stiffest competition.

Ski club activities

By Ken Wisniewski

Maine East's skiers are getting ready to head for the slopes! Weekly ski trips are scheduled to begin the first Friday in December to Wilnot. Each Friday buses will leave from the Maine East fieldhouse — one bus after eighth and the second bus after ninth period.

Club membership provides members with skiing lessons, a club patch, and a good portion of the awards banquet in the Spring.

Renting equipment will cost approximately \$8.90. This includes transportation, tow ticket, and equipment at Wilnot. Cost for skiers with equipment is \$6.60.

Several overnight trips have also been planned, including a trip to Indianhead-Powder horn over Christmas vacation.

Ski club has again proven to be perhaps the most popular club at Maine East with over 300 members — 100 of whom will be skiing for the first time.

This year's officers are president Roger Markham, vice-president Jo An Kelly, secretary Karen Stavropolous, and treasurer Ralph Schultz.

Ski club's sponsor is James Farrell, and assisting him with supervising ski outings are Mrs. Verne Farrell, Patrick Gill, and Clark Duncan.

Girls' bowling

Toni Schwind of Morton Grove had a great afternoon of bowling on Wednesday, Nov. 7. She had the high individual game, a 161, as well as the high individual 2 games series, a 318.

The competition between teams in Maine East's Girls' Bowling club was keen that day, and the pizza winners, with a team high series for 2 games of 1,522, were the Jokers. The team captain is Sue Webber of Niles.

Seek ice makers

The Morton Grove Park District is accepting applications for ice making for their winter outdoor skating rink flooding.

Hours would be approximately 9 p.m. to 2 a.m. 7 days a week depending on weather. Wages \$3.50 per hour. Anyone interested should apply at the Park District Office, 6250 Dempster st., Morton Grove before Dec. 14. Office is open Monday thru Friday 9 a.m. to 5 p.m.

Riding Club activities

Spring Hill Farm in Algonquin, Illinois, has been chosen for this year's Riding Club members at Maine East.

According to Mrs. Ethel Simmons, club sponsor, the facilities are excellent, especially with inside areas for winter riding.

The weekly cost is \$4.50. This includes a special bus from the stable and the cost of the ride. The club members ride every Thursday. The annual dues of \$3 help to defray the cost of the Spring horse show and banquet.

Officers of the club include Sue Hardy, president; Karen Sellers, vice-president; Lori Solt, secretary; Allyson Teschke, treasurer; Sue Gam, banquet; and Heidi Walter, horse show.

Joseph White, German teacher, is club co-sponsor.

Riding is available for either English or western styles.

Presently, a special jumping class is being conducted outside. Western style riders are also out on the 400 acres of trail.

Boys' bowling club

The competition has been keen these past weeks between teams in Maine East's Boys' Bowling club. The first place team in the blue division with 13 wins and 2 losses is comprised of captain Mike Moore of Morton Grove, Alan Avner of Des Plaines, Glenn Shpp of Niles, and Glenn Silverman of Des Plaines. The first place team in the white division with 12 wins and 3 losses is comprised of captain Brian Krone of Niles, Rob Krone of Niles, Pete Marshall of Park Ridge, and Dan Twardowski of Niles.

Best series for Nov. 1 were bowled by Steve Levine of Morton Grove with a 589, Carl Edelman of Niles with a 528, Bryan Lipson of Morton Grove with a 514, Pete Marshall of Park Ridge with a 510, Scott Schwartz of Morton Grove with a 510, Ken Weingarten of Des Plaines with a 510, and Ken Pink of Des Plaines with a 506.

Pizza winners, with a team handicap series of 2,167, were captain Ken Weingarten of Des Plaines, George Kanter of Des Plaines, Mark Weber of Des Plaines, and Steve Leibfritz of Niles.

For that same afternoon's bowling the best games were bowled by Steve Levine of Morton Grove with a 244, Carl Edelman of Niles with a 216, Todd Cohen of Niles with a 208, Ken Weingarten of Des Plaines with a 205, and Arnie Fishman of Morton Grove with a 203.

Notre Dame, New Trier West dominate fencing meet

Pat Gerard, NDHS, 3rd in this meet; ND's 19th Adult W.F. record is 65-19 for '77-78; Team Captain 1973-4.

Bill Kica, NDHS, 2nd in this meet; ND's 19th Adult W.F. current record is 92-29 for '64-65; Team Co-Captain 1973-4.

Gary Diamond, NTFW, 1st in this meet in foil and sabre; Team Captain 1973-4.

The first U-20 Junior Olympic Youth competition in Illinois for the season was held at Gordon Tech last Saturday. The meet offered competition in sabre and age grouped foil (under 14, under 16, under 20).
Sabre results: 1-Gary Diamond, N.T.F.W., 2-Sam DiFoglio, Univ. N.D., 3-Kevin Cawley, NDHS, 4-A. Frigo, Gordon Tech, 5-Angelo Corran, G.T., 6-J. Kainer, G.T., 7-Franca, G.T.
DiFoglio is a former NDHS fencer. Diamond has now taken first in all youth sabre this season, except once in Wisconsin where Cawley won.
In the Under-14 foil the age limitations restrict fencing where only two programs have entries, fencers from Champaign and Dixon. Finalists: 1-Ken Turgeon, Ch., 2-Mark Turgeon, Ch., 3-Mike Turgeon, Ch., 4-Doris, K. Seufrock, Krause.
The Turgeon brothers are strong fencers and are only in the 4-5-6 grades. These boys will be very strong in a couple

of years.
The Under-16 foilists were the largest group with 42 entrants. The finals were decided in a fence-off for first. Finalists: 1-Bob, N.T.F.W., 2-Kevin Cawley, NDHS, 3-Asquith, 4-Frankone, 5-Del, 6-Geary.
Kevin Cawley's 2nd place gave him two trophies for the day, but he was denied the first place in his 3-4 loss to Bob.
The Under-20 competition had the usual entrants from the past five tournaments of the season plus another NDHS graduate, Terry McConville. As it happened out of the 33 entrants, the finalists were 5 NDHS fencers and 1 NTFW fencer. The semi-finalists were one Univ. of N.E. fencer (McConville), one NTFW (Gary Diamond), and the rest NDHS (John Strass, Randy Mikos, Pat Gerard, Mike Gerard, Mike Sciorring, Ken Lavelle, Bill Kica).
The finalists: 1-Gary Diamond, NTFW, 2-Bill Kica, NDHS, 3-Pat Gerard, NDHS, 4-Ken Lavelle, NDHS, 5-Mike Sciorring, NDHS,

6-Randy Mikos.
In the semi-finals, Sciorring defeated Diamond and McConville to make it up and McConville was eliminated on touches to Diamond. In fact, both Diamond and Kica made it up on points from their respective pools to eventually face each other in a fence-off, for first. Kica defeated Diamond in regulation play to force the fence-off, but he too, like Cawley earlier, lost a 5-4 decision for first place. Most of the top NDHS fencers have been in the top 5 this season so far. Gerard has had a 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.
To date the trophies in the meets have gone to ND or NTFW fencers and this will certainly make these fencers targets for the other schools in future meets.

Magnificent Andersons

The Morton Grove Public Library will present "The Magnificent Andersons" in its series of Oldie Movies on Thursday, Nov. 29 at 7:30 p.m. This 1942 film is an adaptation of Booth Tarkington's Pulitzer prize winning novel. It depicts the effect of U.S. industrialism on the rural Midwest at the end of the last century.

Written, produced and directed by Orson Welles, the picture has a well chosen cast including Joseph Cotten, Dolores Costello, Agnes Moorehead and Tim Holt. The picture lasts 88 minutes and admission is free of charge.

ND HOCKEY TEAM HOLDS 7-1 RECORD

(By Mike Lemanski)

With hockey season beginning its third year, Notre Dame appears to be the take charge club. After ND's first 8 games, the Dons ledger reads 7-1, the only loss coming to a tough Matne South squad, 3-2.

Besides this record, ND has an 18 game winning streak at home, which began last January 4. The hockey Dons victories have come against St. Viators, twice, 6-2 and 4-1, Hersey 5-2, Deerfield Tech, 7-0, Proviso West, 4-3, Lane Tech, 8-0, and Rolling Meadows, 6-0.

During the beginning of the season, ND's defense has been its strong point. Goal-tending has been handled excellently by freshman Ralph Menotti and sophomore Matt Berrafato. Besides these two, ND has 10 other underclassmen.

F.B.I.A. officer

A Matne East Junior, Karen Krumske of Morton Grove, was recently elected to the post of secretary of the Northern Illinois Area F.B.I.A. (Future Business Leaders of America).

Gym activities

The Morton Grove Park District with the cooperation of Golf Jr. High school will sponsor supervised gym activity. It will be on Saturday mornings starting Nov. 24 and ending on Feb. 23. The gym will be open from 12 noon to 4 p.m. for basketball and volleyball. Gym is open for both junior and senior high boys and girls.

Flynn disputes Schlickman's statements

Thomas Flynn, Democratic Candidate for 4th District Representative, today responded to Rep. Gene Schlickman's charge that Mr. Flynn was a liar. Rep. Schlickman's charge was made in commenting on Flynn's release of certain information that detailed several Bills in the Illinois Legislature that Schlickman either supported or sponsored in past sessions. In a prepared statement Mr. Flynn said: "It is most unfortunate that Rep. Schlickman in his first statement of the campaign had to resort to a personal and derogatory attack upon my integrity. Mr. Schlickman has called me a liar for simply telling the truth. The truth of the matter is that I have carefully researched Mr. Schlickman's public record of voting supporting and sponsoring legislation in the General Assembly. The revelations that I have made about Rep. Schlickman are the truth, the whole truth and nothing but the trust SO HELP ME GOD.

While Rep. Schlickman has evidently chosen to wage his campaign for reelection by attacking me personally and upon personalities I will continue to speak out upon the issues that are of prime importance to us all. Mr. Schlickman is very skilled in hiding his failures through the use of personality as is evidenced by his 10 month personal attack upon Republican Speaker of the House Robert Blair. However, I believe that it is far more important to talk about Flooding, Regional and Local Public Transportation, Tax Relief, Welfare, Senior Citizens, Air Pollution, Solid and Water Waster Disposal and Ethics than personality. Ethics alone is worthy of the whole campaign because we have reached a crisis stage in the people's confidence in their own government now ruled by men such as Schlickman.

Accordingly and in behalf of my running mate Democratic Representative Aaron Jaffe, I hereby challenge both Rep. Eugene Schlickman and Rep. Robert Juckett to a series of public debates to be held throughout the 4th District. I suggest one per week beginning in early January and ending two weeks before the primary election on March 19, 1974. Let the people hear the truth and decide just who is telling it." Flynn then went on to restate his public disclosures of Rep. Schlickman's General Assembly record. He said that in the past session that Schlickman supported a Bill to redistribute the Sales Tax among municipalities in Illinois. According to Flynn this Bill would have reduced the Village of Niles' share of Sales Tax revenues at least \$440,000 and resulted in a severe outback of public services and an increase in the local property tax.

Flynn then mentioned that Rep. Schlickman in 1971 introduced legislation that would have required all zoning changes 3 acres or larger to be reviewed by the Northwestern Illinois Planning Commission (NIPC). This means that zoning would be taken away indirectly from local Mayors and Trustees and given to a non-elective Commission in Chicago. Flynn also said that Schlickman now supports the creation of a State Agency to oversee all zoning and land use in Illinois excluding all local governments. According to Flynn this is the end of local control of zoning and would force the people to take their objections to either Springfield or Chicago. He asked, "Does anyone here really believe that some bureaucrat in Springfield cares about traffic congestion in a residential neighborhood in Niles or Mount Prospect resulting from a new Tacos Drive-in?"

Dance classes postponed

Due to the illness of one of the dance instructors, the Dance Along classes being held at the Morton Grove American Legion Post 134, at 6140 Dempster, will have to be postponed. Mrs. Robert Parrish reports she believes resumption will be made right after the holidays. Mrs. Parrish may be reached at 966-3561 for further information. Dorothy and Bob, a husband and wife duo, were teaching beginner and intermediate courses of rumba, fox trot, jitterbug, cha cha and Latin American beat type steps in an 8 week series.

Special paper drive

On Saturday and Sunday, Nov. 24 and 25, the volunteer students of the Niles Township Reclamation Center will be conducting a special paper drive due to the present nation wide paper shortage. In a recent Chicago Daily News editorial, Robert J. Kato vick, Chairman of the Paper Stock Conservation Committee of New York said, "Inventories at recycling paper mills have dwindled to 50% of August levels." He further stated that "Old newspaper can be reprocessed into fresh newsprint at less cost than making paper directly from wood pulp." All residents of Niles, Mor-

ton Grove, Lincolnwood, and Skokie are urged to save their old newspaper and magazines to be recycled, so mark Saturday, Nov. 24, and Sunday, Nov. 25, on your calendar. Tell your neighbors to recycle their newspaper and support this excellent student project and at the same time help alleviate our forever growing paper shortage. The choice is yours, you CAN help! The Reclamation Center has been actively serving all of the surrounding communities for over three years. For further information, contact George Brabec at 679-0425.

Dr. No-No's helpful hints on how to save natural gas & money!

"Brrr. No wonder it's cold in here. No storm windows! That's a no-no, friends. Up with storm windows and doors! Down with heating costs!"

Storm doors and windows not only keep heat in, they reduce drafts and keep windows from sweating. You don't have them? In the long run, you'll pay for them in savings resulting from reduced heating costs. And in the short run, enjoy more uniform and comfortable home heating. And help save gas for the future.

"Why throw money out the window?"

MG Women honor Julia Malloy

The Morton Grove Woman's Club recently welcomed Mrs. Julia Malloy into the club as an Honorary Member. Mrs. Malloy was a pioneer in the field of education for retarded children, and served as principal at Orchard School for the Retarded and the Julia Malloy Education Center in Morton Grove from which she recently retired. She presently is serving on the Board of Directors of Orchard Center for Mental Health in Skokie.

Shown above, l-r: Mrs. Jackie Johnson, 2nd vice president, membership chairman; Mrs. Julia Malloy, new Honorary Member; Mrs. Joan Lyman, president; and Mrs. Elizabeth Orphan, first president and a founder.

Coast Guard opens enlistment to women

In an effort to curb its increasing manpower shortage, the Coast Guard this week opened a 4-year enlistment program for women, according to YNI Angus J. Gauthier, Jr., Officer in Charge of the Coast Guard Recruiting Office, 8101 N. Milwaukee ave., Niles.

Initiation of the 4-year enlistment program for women is the second step in an evolving program to bring women into the Coast Guard on an equal footing with men. The first step was the admission of women to the Coast Guard's Officer Candidate School in February, 1973.

Initially, the Coast Guard will enlist only those women applicants who desire and qualify for basic petty officer training schools in the yeoman, storekeeper, hospital corpsman and dental technician ratings. In addition, a limited number of positions will be open to women with skill in the photo-journalism and musician fields. Additional ratings will be opened at a future date.

NSMTD OK'S NEW SKOKIE BUS ROUTES

At its regularly scheduled October meeting, the North Suburban Mass Transit District approved a three-party contract between the Village of Skokie, the United Motor Coach Co., and the District to provide new bus service on two routes in Skokie. One of the new routes is the Skokie Loop, which will run from Oakton and Gross Point east to Monticello, to Main st., to St. Louis, west on Crain to East Prairie, west on Church st. to Gross Point, south on Bronx, west on Dempster to Gross Point and south to Oakton. Buses will run in both directions on headways of approximately thirty to thirty-five minutes. The second route is the reinstating of the old Evanston Bus Co. route #10 running from the Howard st. "L" Station to Old Orchard via Howard st., Crawford ave. and Golf rd.

The Skokie Loop route will provide transportation to key locations within Skokie such as the central business district, Village Hall, Library, Skokie Swift, JCC, Armond D. King Senior Citizen Home, and the Skatium.

Fares for trips within Skokie will be 25¢. Fares for trips originating or terminating outside of Skokie will be 45¢. Start date for this new service is estimated to be Nov. 26, 1973. Transfer points and fares are still being studied.

In making this announcement, Harvey Schwartz, counsel for the District stated: "The Village of Skokie will pay 100% of the cost of these routes under this one year agreement. The District will administer the routes. Trustees also heard a report that the two experimental routes

on Dempster st. and Milwaukee ave. were gaining ridership steadily and that the reduction in losses was encouraging. Route #50 on Dempster st. had increased 124% since service began and Routes #70 and #71 had increased 213%.

Thomas Price, trustee from Kenilworth, reporting for the Rail Operations Committee, indicated that trustees will be meeting with representatives of the Village of Deerfield to study changes at the Deerfield Milwaukee rd. station.

Earlier in the meeting, trustees welcomed two new trustees. The new trustees were: Paul H. Thomas, from Glenview, who was replacing Wm. T. Morgan, Jr., who had resigned; and, Walter B. Flintrup, from Skokie, was replacing Joseph DiJohn who was appointed Executive Director of the District at last month's meeting. Richard T. Newman, trustee from Evanston was elected to fill the remainder of Mr. Morgan's term as chairman.

Raymond Drymalski, Jr., trustee from Northfield, was elected to fill Newman's spot as vice-chairman and Henry J. Woodward, Jr. trustee from Golf, was elected to fill Drymalski's term as secretary.

In other news, Joseph DiJohn, Executive Director announced the opening of the District's new offices at 4948 Dempster st., Suite 210, in Skokie; phone no. 677-0091. DiJohn invited the public to visit or call with any questions regarding mass transportation.

The next regular meeting of the District will be Wednesday, Nov. 28, at Northfield Village Hall, Willow rd. and Eden's Expressway, at 7:30 p.m.

Ice skating month

Did you know that November has been declared as I.S.I.A. national "ice skating" month? The bright, warm, sunny days of summer are behind us now and it is time to get out your ice skates. So come on, have a ball! Come over to the Ballard Sports Complex, 8435 Ballard rd. and have some fun.

Did you know that skating is not only fun, but great for keeping in shape? Let's face it, being in top condition makes us feel and look a lot healthier. It is a great way to tone up those flabby muscles and still have fun while working out. So come on, bring a friend or two ice skating this month and every month.

If you are interested in bettering your skating skills, why not enroll in one or more of our classes? Registration for our next series begins Nov. 5-Nov. 23.

The classes will begin Nov. 26. We have an excellent staff to help the beginning skater who wants to learn basic fundamentals and also have more advanced classes for those who are interested in learning basic jumps and spins. Why not give it a try?

Public sessions: Monday 1-4; Tuesday 11-2; Wednesday 2-5, 7-9:30; Thursday 1-4; Friday 1-4, 7-9:30; Saturday 1-4, 7:30-10; Sunday 1-4.

Join in the ice skating fun. Remember, November is national ice skating month.

Niles West Orchestris club

It's dance time at Niles West High school... and members of the school's Orchestris Club are busy tapping away.

Throughout the school year, members plan to put on charity shows for any groups in the community. Recently, the club performed for the Skokie Jewish War Veterans at Loyola Park; included in their program were baller, jazz, tap and novelty dancing to the tunes of Carole King, Henry Mancini, Bette Midler and Denise Coffey.

If any group is interested in having Orchestris perform, contact Mrs. Berns at Niles West, 966-3800, ext. 244.

Orchestris members are also lining up spring performance dates. "Galbo," a combination dance and gymnastic show, will be held April 19 and 20. The club will also hold its own show May 3 and 4.

Senior Orchestris members include: seniors Gail Carter, Julie Goslin and Tulla Terpinas (Niles); Renee Friedman and Laura Taldone (Morton Grove); Roni Greene, Lisa Elyne (vice-president) and Lois Gold (president) and Denise Leavitt and Lauren Streicher (all from Lincolnwood); juniors Julie Axelrod (Lincolnwood) and Sue Rodriguez (Morton Grove); sophomores Linda Aelrod, Renee Bhrnberg, Marla Lampert, Lori Lehner and Alison Sloan (Lincolnwood); Joanne Goldman, Jan Polin and Gretchen Witte (Skokie); Julie Bondy, Irene Ing (treasurer), Sue Silverman and Lori Toppel (Morton Grove); freshmen Debbie Ramis (Lincolnwood) and Sue Mahanke (Morton Grove).

Break ground for Golf Mill III

Managing Director Rene Stein (l-r), Golf Mill Theatres 1 & 2, gives last minute instructions to his crew—architect Shelly Goodman, Babin and associates; general contractor Arthur Yort, Niles Mayor Nicholas Blase, and owner Mort Fink, for the ground-breaking of Golf Mill Theatre 3. The new 700 seat showcase to be built adjacent to Golf Mill 1 & 2 will be ready for occupancy in June 1974. When completed the 3 theatre complex will have combined seating capacity of 3,200 and share some common facilities.

WMTH guest Fink family donates research equipment

On Monday, Nov. 26, Dick Johnson, who is appearing at the Camilla House will be guest on the WMTH interview talk show "Current Comment."

The show will be hosted by Steve Mark. Dick and Steve will discuss his act and the trend in music today.

So, remember to tune in at 11:05 on Nov. 26, on WMTH-FM (88.5).

Dr. Donald A. Rowley, director of research (r.), La Rabida Children's Hospital, explains how the Coulter Counter works to (l-r) Mrs. Mort Fink, Rene Stein, Chief Barker Variety Club; Mort Fink and his mother Mrs. Frank Fink. The Fink family through the Variety Club donated \$1,500 to La Rabida for the purchase of a Coulter Counter and a Fluorescent Leitz Plax Microscope. The \$5,500 microscope was a gift by Mrs. Frank Fink in honor of the recovery of her sister, Mrs. Dorothy Silverman. The \$2,000 counter was a gift in honor of Florence Fink by her children—Mort, Elaine, Perry, Leslie, and Joe and Joyce Freed.

ED HANSON "Be Thankful You're Not Lonely"

If you're having Thanksgiving dinner with relatives, friends and loved ones that, in itself, is something to be "thankful" for on this Thanksgiving Day of '73.

For there are literally millions of people, young and old, who suffer from spiritual affliction known as loneliness.

Being lonely is not limited to the skid row down-and-outers, the "bust-outs" or the social "loners" of our society. Its prevalence is present at all social levels.

Thus millions of people, particularly elderly ones, on this Thanksgiving Day will dine alone.

And the Holiday season is much tougher on the lonely elderly than any other time of the year.

For many of them can remember back to happier days. And the mirror of memory sometimes, as in this case, is not a blessing but a curse. Particularly, is this true in the elderly for deprivation of human companionship and a sense of worth causes a more rapid acceleration in mental and physical deterioration.

To the young, the aforementioned won't make much sense. For the young never expect to get old and no human being can appreciate that which they have not personally experienced. And experience, of course, is the only accredited teacher.

And the "lonely" young have youth going for them. Mostly they have the health and energy to scramble out of the well of loneliness but what about the old? One certainly cannot expect to get much satisfaction out of old age unless one has fairly good health - and in these times - an adequate income. At least enough for food and shelter which many who are dependent upon social security certainly do not get. For to be old and poor is bad enough but to be dependent on others for the necessities of life is far worse.

So, if you're not alone on this Thanksgiving Day you, indeed, have something of substance to be thankful for.

If, on the other hand, you're a member of the "only the lonely set" then I suggest that you dine out for Thanksgiving Day at some of these fine area restaurants who will make you feel at home.

For instance, if your budget is modest, **ARVEY'S RESTAURANT**, 7740 Milwaukee Ave., Niles, will give you your choice of Roast Turkey, Roast Pork or Sirloin of Beef for only \$3.30 (children's portion \$1.00). This is a complete Thanksgiving Day

dinner, including dressing, gravy, sweet or mashed potatoes, cranberry sauce, roll and butter and your choice of dessert - pumpkin pie, rice pudding or ice cream, coffee and tea.

You'll enjoy the festive atmosphere at **JAKE'S** and you'll appreciate the friendly service and delicious foods. And there'll be a crowd of people so you won't feel lonely.

Or another fine restaurant I highly recommend to have your Thanksgiving dinner with all the trimmings is **ALIPPO'S RESTAURANT & LOUNGE**, 6474 N. Milwaukee Ave. Alippo's is featuring an

Barbershop harmony night

The Niles East High school auditorium, Lincoln and Niles aves., will resound with thrilling chords—fun for the whole family Thanksgiving weekend, Sat. night, Nov. 24, beginning at 8 p.m. when the Skokie Valley Men's Barbershop Chorus hold their 24th Annual "Barbershop Harmony Nite" featuring, besides their own chorus directed by Dick Gallagher of Skokie, and the famous "Red Garter Banjo Band." Recording Artists and Television Performers, gals galore for the 1940 National Sweet Adelines Champion Chorus "The Melodiers" and a women's quartet "The Sound Investment" will also be highlights this fun night, plus the Men's Barbershop Quartet "The Critto's Choice" with Master of Humor none other than DeKath's radio personality of WKBC, Ralph Sherman! Where could you have a more entertaining night for \$3.00!

For reservations (checks payable to "Skokie Valley Chapter") write Ticket Chairman Carl Corey, 8838 Prospect St., Niles, 60448, (Phone 299-6556) or to ticket co-chairmen: Peter Maciejewski, 6047 Grove St., Morton Grove 60053 (Phone 965-2748).

'Rumplestiltskin'

Musie On Stage is in the final preparations for their Children's Musical "Rumplestiltskin... Is a Funny Name," which will be presented from Thanksgiving through Christmas at Woodfield.

In the lead role of Marlon, the Miller's daughter who spins straw into gold, is Cherie Koch of Mt. Prospect. She falls madly in love with the King, played by Merv Solomon of Rolling Meadows, who has financial problems, caused mainly by his party-loving sister, Princess Catherine, portrayed by Sue Wille of Des Plaines.

Featured as the crusty elf, Rumplestiltskin, is Frank Randall of Lake Zurich, and his antics, coupled with a real magician's performance, promise a really entertaining show.

Performance dates are Saturdays and Sundays, Nov. 24, 25, Dec. 1, 2, 8, 9, 15, 16, 22, 23 at 1:30 and 3:30 p.m., and the show will be staged in the Schaumburg Room at Woodfield Mall. Tickets are 75¢, and can be obtained at the door, or in advance from 966-4720. Groups can be catered for either on the times above, or by special arrangement at other times.

Karol Verson, 8149 Davis, Niles, is MOS president.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic inflation coverage.

CENTEL EMPLOYEES GIVE THE GIFT OF LIFE

More than 100 employees of Central Telephone Company of Illinois have already donated blood to help relieve the critical shortage. Blood donated by Centel employees works two ways. Donations may be applied to a community blood program, should there be one where the employee lives. This helps such programs meet yearly quotas

in order to provide coverage for all residents. Donations are also applied to the Centel Blood Donor Program which will insure all employees and their families for all blood needs when 20% of the employees have donated. Two drawings have already been held at Centel locations and three more are scheduled during December by the North Suburban Blood Center, Inc.

Active in numerous community activities, Happ has been Chairman of the 1973 Heart Fund, Niles area, is treasurer and past president of the Kiwanis Club of Niles, member of the Morton Grove Village Traffic and Safety Committee, Treasurer for the Golf Mill Merchants Association, member of the St. Martha Church Finance Committee and a former president of the Notre Dame High School Father's Club.

He is a career banker and also a life-time resident of the Niles area.

The First National Bank of Morton Grove is cooperating with the Morton Grove Post Office again this year by selling special issue Christmas postage stamps.

The 8, stamps, depicting a Christmas tree of Raphael, will be available in the bank's main lobby beginning Nov. 23, according to president Marvin von Aswege.

Von Aswege said the service will enable people to buy Christmas stamps while doing their banking and thus save themselves a trip to the post office.

Donald L. Swanson, officer in charge of the Morton Grove Post Office, said the bank is performing a helpful service by taking some of the pressure off the post office during the busy holiday season.

Swanson urged everyone to purchase stamps and do their holiday mailing as early as possible to avoid the rush and assure delivery in time for Christmas.

Cox joins Glenview State Bank

Royal L. Cox has joined Glenview State Bank as Senior Vice President and Cashier according to an announcement by Paul Jones, Chairman of the Board of the Bank.

A Certified Public Accountant, Mr. Cox attended De Paul Law School and is a graduate of the University of Illinois with a B.S. in accounting.

He is a member of the American Institute of C.P.A.'s, past Treasurer of Lutheran Church of Oak Forest, and has been active on the membership committee of the Illinois Society of C.P.A.'s and Junior Achievement.

Presently residents of Oak Forest, Mr. Cox, his wife Barbara, and their two children plan to move to the Glenview area in the very near future.

Amlings breaks ground for expansion

Amlings Flowerland in Rolling Meadows recently broke ground for a new \$500,000 expansion and remodeling program at Rte. 62 and Wilke rd., Oak Woodland, president of Amlings Flower and Garden Center complexes throughout the Chicago area, states the expansion will be completed early in 1974. "It will bring to the Rolling Meadows - Arlington Heights area" said Wendland "a Flowerland Village of Specialty Shops that has proved so successful at our new Hinsdale complex."

In addition to the existing Flower, Gift, Garden Centers and Nursery at the Rolling Meadows location, there will be a large Craft Gallery, Pet Shop and expanded Gift Court with many new features, including a Wick Corner, where decorative candles of every size and description will be displayed; and a Fireplace

In August, the Troop cheered the Cubs to victory against Cincinnati, as guests of the National League Ball Club, at Wrigley Field. The game completed the summer activity schedule of the

Jefferson hobby fair

The Jefferson school Parent-Teacher Organization is planning a hobby fair to be held Saturday and Sunday, Jan. 19 and 20, at the school, 8200 Granddale, Niles. "Hobby Daze" is planned to interest children and adults alike in a variety of hobbies, different, or unusual hobbies, such as bottle collecting, stamps, coins, photography, weaving, painting, clay modeling, railroads, to name just a few. It is open to all in the community, not just parents or children of Jefferson school. The more hobbies, the more enlightening for our new generation of children, exploring new ideas and showing new enthusiasm. The admission to "Hobby Daze" will be free to everyone. Anyone interested in displaying a hobby should call Hobby Daze Chairman, Norman Schaezlein at 825-3545.

Lessons for Young Bicyclists to Learn

Lesson No. 9 - Parking and Leaving the Bike

Parking and leaving your bike sounds simple enough. One would think that he would simply find some place to lean the bike and leave it there, or use the kick stand. However, there are a few very important things to think about before you park and leave your bike.

- (1) Is it out of the way so that no one will easily fall over it?
 - (2) Is it out of the way of traffic, so a car isn't likely to run over it because the driver can't see it?
 - (3) Is it properly protected against theft?
- Most buildings, where people on bikes go frequently, provide bike stands and special areas for bicyclists to park their bikes. Always be sure, if such a place is provided you use it. Bicyclists must realize that a bike parked on a sidewalk, say for example, in front of a store, is very hard to notice if there is a lot of foot traffic. Elderly people especially frequently do not see parked bikes and often fall over them. Sometimes a person, elderly or not, can get painful injuries in this manner. So, park your bike where it is out of the way of foot traffic. That is the safe and courteous thing to do for everyone concerned.

Now, looking at it from the standpoint of saving damage to your bike, it stands to reason that you should not park your bike close to parked cars, behind or in front of them. Always be sure that your bike is parked away from parked vehicles, and in plain view of traffic that may be going by. For example, if you were to park your bike, using the kick stand, in an alley, near the entrance. A car might turn into that alley very rapidly and never see your bike until it was too late, because the driver would not be expecting a bike to be parked in this manner.

Another problem that you must think about whenever you park your bike, is properly locking it to avoid theft. A rapidly growing problem today is stolen bicycles. It is big business. There are actually bicycle thieves who travel from town to town in trucks, picking up bicycles as they go. Then, they transport them to another state and sell them. Of course, a bike that is not locked in any manner could be easily and quickly picked up and loaded into a truck, before anyone might notice. So, it is in your best interest to always lock your bike, even if you are going to leave it only for a few moments. There are various types of bike locks, but the one suggested as the best is a lock which uses a long chain, allowing you to wrap the chain around a light post, or other object that cannot be moved. There are various types of chains available, but some of them can be easily cut with a tool made especially for this purpose. Your best bet is a good padlock, and a chain made of case-hardened steel. See your bike shop for these items and see to it that you get and use them. The cost is good insurance against losing your bike to thieves.

Cub Scout pack 275

On Tuesday, Oct. 24 Pack 275 had its monthly meeting in the school hall. The hall was filled with ghosts and goblins, martians, clowns and many other interesting costumes as this was the night for the Pack's Halloween party.

Several important announcements were made such as: 1) On Nov. 18, Scouts and their families are invited to attend the Ice Follies. Bus arrangements will be made. 2) A new insurance coverage is now in effect for Pack 275, Scouts and Leaders while engaged in any Scouting activities. This will be handled through funds derived from annual candy sales. 3) On Sunday, Oct. 28 a Father & Son Bowling party is planned. As usual many dads will be challenged by the boys and fun will be had by all.

The following awards were presented: Bear Badge-David Scheffler; Silver Arrow-Robert Plontek, Matthew Drexler; Arrow of Light-Brian Scheffler, Brian Borrelli, Robert Koch, Steve Kavanaugh; Athlete-Andy Aylesworth, Danny Bielski, James Christianson, Tom O'Neill, Donald Hibner, Jack Veres, James Les, Chuck Ugel; 3-Year Pin-Ros, Drexler, Jerry Santowski, Dorothy O'Neill; 2-Year Pin-James Christianson, Danny Bielski, Steve Steinert, Donald Hibner, Chuck Ugel, Andy Aylesworth, Mike Steinert, Donald Hibner, Brian Scheffler, Jack Veres, James Les; 1-Year Pin-Cara Weiss, James Gwozdz, Doug Lantz, Kevin Weiss, Robert Schuber, Matthew Drexler, Robert Plontek, Ricky Santowski, Chris Pater, Mark Borrelli, David Scheffler.

After the presentation of awards, the Halloween costume parade took place, followed by refreshments.

LETTERS TO EDITOR
Mikva a quality leader

To the Editor:
Hearing the news that Abner Mikva will run again for Congress, I couldn't help thinking of how ironic it is that a man of such calibre was retired from public service at a time when we so desperately need the best there is in government.

Imagine what the political events of the past year might have been, had the American voters discriminately chosen as their leaders, only such high quality people of unquestioned integrity as Ab Mikva!

Perhaps the way for us to reverse the trend of choosing the undistinguished to represent us, is to set very high standards and base our selection of political candidates on things like ability, and a genuine commitment to morality, instead of party labels, and which movie star a politician happens to resemble.

Sincerely,
Eileen Schaffel

Cub Scout pow wow

Once a year the Northwest Suburban Council Leadership Development Committee puts on a "big show" for all the adults working in the Cub Program, it's called a Cub Pow Wow. The purpose of this super event is to provide the Cub Leaders an opportunity to learn the skills that make Cub Scouting fun for both boys and their leaders.

The Pow Wow will feature: Webelos activities, games, crafts, blue and gold banquets, skits and puppets and pack administration. There will also be a "Midway" set up displaying the "best" from various packs throughout the council area.

This year's Pow Wow will be held at Harper college, Sunday, Nov. 18 starting at 1 p.m. General Chairman is Helene Reider, Morton Grove. Training and facilities chairmen are as follows: Physical Arrangements John Shell, Des Plaines, Webelos Dan Wilma and Dave Walters, Wheeling; Midway Dorothy France, Skokie; Games Pat Kaufman, Buffalo Grove and Shirley West, Wheeling; Skits and Puppets Bob and Mary Ellen Benso and Crafts Sandy Muench and Joan Hagenson, Des Plaines.

tions allowing individual members of the organization to be active for the candidates of their choice."

He also indicated that he would not hold any other elective office and the office of Township Republican Committeeman at the same time.

When asked about his political experience, Elliott noted that he has been a precinct captain, as a volunteer, since moving to Skokie in 1958 and has been active in the congressional campaigns for Congressman Rumsfeld, Crane and the present incumbent Sam Young. He has also participated in the Ogilvie campaigns for Governor and the Percy senatorial campaigns.

Elliott said he was motivated to run because he is "terribly concerned about the political abuses and excesses that are coming to light not only in Washington, but in virtually every state in the nation, and in both political parties. "I feel that these sad and lamentable events should not be reasons to stay out of politics but are compelling reasons to become increasingly involved politically. We must start right here, today if we are to have a new breath of honesty and fairness in politics," he concluded.

Gilson pointed out that it is significant that Dr. Wellman recommended as a minimum petition for referendum a college composed of all four districts. The ad hoc committee to the ICCB on preparing the map had recommended that a separate community college district be formed by the four high school districts.

Gilson noted, however, that the ad hoc committee also stated that they are apprehensive about the ability of two separate colleges on the North Shore to be able to support a vocational - technical program even though they recommended a separate college.

"With regard to the administration of the staff that existing facilities in the community be utilized, I should point out that our MONACEP program serves 10,000 to 12,000 students off-campus, using all of our high school facilities," Gilson stated.

He also recognized that the original projection for OCC enrollment must follow the downward trend of the feeder high schools. He also noted that a close-by second community college would further reduce Oakton's out-of-district enrollment. Gilson said he is pleased with the decision for a consolidated North Shore district as drawn by the ICCB staff as it will give present district and North Shore students a broader range of vocational and other curricula.

ones who have to learn will be going to coaching school. They will learn the ways of softball, how to train and coach the girls from small leagues up to the big leagues. We are still looking for more applications and more coaches interested in coaching. Remember it takes more girls to build up a big team in 4 different divisions. There will be a meeting in January for selection of officers, nominations, and also to show training films. It will be fun for both mom and daughter and even father. Let's keep those letters pouring in. Must know your name, age, birthdate, address, city, zone, and if you have experience in softball; parents' names, and would your parents be able to coach?

PTA BOOK FAIR
The PTA Book Fair was a big success with many coming out and buying books whether for gifts for someone or for their own children. It was a big success and all the thanks to the members of Lincolnwood who helped it to be so, and for the effort of the PTA staff that made it possible. Good work, girls!

We'll be seeing you in our next edition of Looking In On Lincolnwood. Remember there will be more coming in news from Lincolnwood Girl Scouts and Brownies, Boy Scouts and Cub Scouts, and from different organizations.

thirties when the "Aryan-oriented" Opera head used this phrase which resulted in her turning her back on this very important engagement, or as an author (The Eleanor Roosevelt We Remember), or as an alternate delegate to the U.N. or as a special ambassador to a Libran conference and thru ad infinitum awards and appointments thru the years.

Before kleig lights, and newspaper people, she spent over an hour answering with a firmness, and gentleness, which bespoke well of a very gracious 73 year old lady. The subjects ranged from Ted Kennedy ... "I hope he doesn't run for President ... he's had so much tragedy in his life."

The oil crisis ... "The approval of the Alaskan pipe line was too fast." She intimated the sudden oil crisis might well have been partially maneuvered at this time to enable the pipe line's approval.

Women's Lib ... She was featured as the cover story of Ms. magazine in October. She noted women are in the majority in the United States and should make use of their power to have their voices heard.

Dr. Kissinger ... "He is very skillful. Unlike some parts of the world where leaders speak down to those they negotiate with, Dr. Kissinger speaks on equal footing with foreigners which reflects well."

American electorate ... "It has not been too well informed. It is important to read profitably and to understand what one reads, sees and hears." Mrs. Douglas had very sure footing in discussing atomic matters and she listed many publications she subscribes (The Atomic Bulletin, The Progressive, Pugwash Conference, etc.).

Nixon resignation ... She is absolutely against it. She said we would never know what did develop if he should take this action. Impeachment ...

If this action should take place, "We will survive." She spoke with much optimism about the United States and its people emphasizing this need for optimism.

Nixon ... "The key to Nixon is he wants to succeed. He will take any means to achieving this success, and thus, anything goes" in his attempt for success. In his past campaigns he took the easy way. He tries to avert the issues by diverting voter attention to slogans and panaceas and does not tackle issues head-on.

U.N. recognition of China ... "Each year the United States received less and less support in its opposition to the seating of Red China." She noted when we were near the end of our ability to hold out this country from the U.N. we then made an overt act by aggressively wooing Red China last year.

Israel-Egypt ... There is a greater chance for permanent peace today than in the past. Egypt has had some of her pride restored by this war which she feels is important in reaching a settlement in the middle east.

The Fifth Estate ... "...is the people, who must take action in righting the wrongs of the world."

Mrs. Douglas also said Senator Fulbright is a great man; the present scandals in Washington may take the flabbiness out of the Congress restoring its position to its rightful place in our government.

The lady has blue-grey eyes, which are alternately gentle and angry. She has a fine coil of grey hair which helps to belie her 73 years. She is an active Democrat, friends of the mighty, appointed by Presidents, and an intimate of world famous atomic scientists. She said she learned what was right and wrong from her parents who were lifelong Republicans.

She is a lovely lady. The one hour press conference was the most rewarding hour we spent during the past week.

the new taxes until 1975 when the 1974 assessments are billed. Originally the board had planned to have the increase shown on the 1974 billing for the 1973 assessments.

The referendum passed by better than a two to one margin with 1,925 persons in favor and 785 opposed. With an estimated 12,000 voters in the district, board President Jack Leske said the turn-out "was more than expected."

Commissioner William Keener said the referendum's approval showed that "people used common sense and came out and voted to save our open spaces."

But Keener said that it was now time for the board to turn its attention to other important park board matters. He criticized the park's personnel for not keeping the city's recreational areas cleaned up, saying he would not support any employee proposal.

Messiah to be performed Dec. 2

I am Music, most ancient of the ages - I am more than ancient; I am eternal - and this could be said of Handel's most successful and best known oratorios, MESSIAH, which was composed in 24 days, year 1741.

And now, in the year 1973, the Maine East Music Department announces its 26th traditional performance of Handel's Messiah on Sunday, Dec. 2, 3:30 p.m. at Maine East High School.

This year's performance has several special additions and unusual touches.

The first is its soloists who have been selected from alumni and our own very talented student vocalists.

Our tenor alumni soloist is Michael Kallinen. Mr. Kallinen has appeared in almost every facet of show business - opera, musicals, night clubs and even with jazz bands. He holds a bachelor of Theatre Arts degree from the University of Illinois.

Tom Daniels, a graduate of American and Chicago Conservatories is our bass soloist. Mr. Daniels has made many solo appearances on ABC and CBS radio and television. He is a former violinist with the Indianapolis Symphony Orchestra and teaches violin at Maine East High School.

When Mr. Daniels does not have his feet on the ground directing the Park Ridge Messiah Lutheran Church Choir, he is flying his own

Speech team results

Maine East's speech team on Nov. 10 competed at a tournament at Niles North High school along with 47 other area high schools.

Mickey Conners and Marty Piestone placed first in humorous duet acting, and Sue Hardy and Diane Stamos placed second in dramatic duet reading.

Rounding out the record, Mandy Bell placed second in prose reading.

plume to musical engagements throughout the country.

Beside being a first in the soloists direction we have another new facet. Mr. Thomas Hagerman, orchestra director at Maine East High School, has spent one year of research to up date the original copy of the Messiah so that we all may enjoy a more authentic and beautiful Messiah.

The admission is free and open to all who love music. Come and enjoy the youth of today involved in the good things of life.

Majoring in education

Lori Lynn Buonincontro of Niles, a June '73 graduate of Maine East High School, is now a member of the National College of Education, Evanston.

Ms. Buonincontro is majoring in elementary education at National and plans to further her studies with a masters degree.

Absentee voting for Maine North referendum

On Dec. 8 voter approval will be sought for a Building Referendum to complete the construction of Maine North high school. Any citizen 18 years of age or older who is a registered voter from a residence in Maine Township High School District 207 can vote.

Absentee ballots for those who will be out of the county on Dec. 8, are physically handicapped, or are observing a religious holiday may be obtained at the district's Administration Center, 131 South Dee rd., Park Ridge (located just south of Maine South high school).

For the special convenience of students, the Administration Center will be open for absentee voting from 10 a.m. to 3 p.m. on

SCHOOL NEWS

Seek passage of District 207 bond referendum

Shown at a recent meeting at District 207's Administration Center in Park Ridge are members of the Referendum Committee for 207, a group of citizens working for the passage of the Dec. 8 Bond Referendum to complete the District 207 high school. The Committee is made up of the presidents of parent and booster groups at the four Maine Township high schools, District 207 Board of Education members, school administrators, and interested citizens.

Acting as a steering committee, the group has met frequently during the past few weeks to develop a timetable for referendum activities and to arrange for the distribution of referendum material and information throughout the district.

Shown seated, l. to r., are: Robert A. Wells, principal, Maine

North; E. Hoy McConnell, Board of Education member; Mrs. Jack Richards, PTC president, Maine West; Win Buettgen, PTC president, Maine North, and chairman of the Referendum Committee for 207; Jack Burkhardt, the Committee's public relations director; and Mrs. Hugh Thompson, co-vice president of Maine North's PTC.

Standing, l. to r.: Paul Dahlgren, president, Maine East PTC; Mrs. Russell DiFrma, Apollo Junior High school PTC; Mrs. Jack Bell, co-president, Maine North Fine Arts Boosters; Mrs. Win Buettgen, co-president Maine North, PTC; Jack Bell Maine North Fine Arts Boosters co-president; and Dr. John T. Benka, District 207 Assistant Superintendent for General Operations; The Board of Education of District 207 has scheduled the Dec. 8 referendum to obtain voter approval for the issuance of \$6,500,000 in General Obligation bonds to finance a construction program to complete the district's newest school, Maine North. Lack of proper facilities makes it impossible for the school to offer an educational program comparable to that offered to students at the district's other three schools, Maine East, Maine South and Maine West.

Rolls will be open from 10 a.m. to 7 p.m. on Saturday, Dec. 8 at each of the four Maine high schools. Persons are asked to vote at the high school in their area. Any citizen 18 years of age or older who is a registered voter from a residence in Maine Township High School District 207 may vote.

Maine North referendum meeting

The Parent and Family Life Committee of the Washington School PTA will hold an open meeting to discuss the December 8th Referendum for the completion of Maine North High School. The meeting will be held Wednesday, Nov. 28, at 8 p.m., at the Washington School, 2710 Golf rd., Glenview. The purpose is to acquaint the public with the facts on why completion of the Maine North High School is so important.

or Maine North High School at 298-5500.

Oak School PTA meeting

The next meeting of the Oak School PTA will be held Monday, Nov. 26 at 8 p.m. in the school gymnasium. The program will feature two films by Dr. William Glasser, a noted psychiatrist who has developed new concepts of education to help every student succeed. One film is entitled "Discipline" and the other "Reality of Success". There will be discussion over coffee after the viewing.

The Junior Girl Scout troops will present the colors and the first grade mothers will serve as hostesses for the meeting.

Niles Library opens facility

The Niles Public Library District will open its demonstration library facility in the Golf Mill State Bank Building on Friday, Nov. 23, it was announced today by Martin Hodes, president of the Niles Library Board.

The new library facility, corner of Greenwood and Church, has been leased for a period of one year to actively demonstrate library service to the residents in a two-square mile area of unincorporated Maine Township lying east of the Tri-State Tollway. Sometime next spring a referendum will be held to annex the area to the current Niles Public Library District.

"It's perhaps symbolic that our library will open on the day after Thanksgiving," said Hodes. "Since we are most thankful that we are able to bring library service to this area at no cost to the Niles Library, as all costs involved in this demonstration of service have been funded by state and Federal grants."

According to Frank Allen, Niles Public Library District Librarian, Bhupinder Kalra, currently Assistant Reference Librarian at the Niles Public Library, has been appointed Librarian at the new facility. Kalra, holder of a Master of Library Science degree from Western Ontario University in London, Ontario, will be assisted by a professional librarian and three other staff members.

"The opening of the Golf Mill facility," Allen said, "gives added impetus to our drive to register area residents so they may receive library cards and take immediate advantage of all the services offered by our Niles Public Library and those available at any of the other 33 public libraries in the North Suburban Library System. These include those nearby in Des Plaines, Glenview, Morton Grove, Park Ridge, and Wheeling."

Allen added that residents may register at any time during service hours at either the Niles Public Library, 9 a.m. to 9 p.m. Monday through Friday 9 a.m. to 5 p.m. on Saturday, and 1 p.m. to 5 p.m. on Sunday, or the new Golf Mill facility, 1 p.m. to 9 p.m. Monday through Friday and 12 noon to 5 p.m. on Saturday.
