East Maine Teachers Plan Suit Against Dist. 63 Board

Teachers in East Maine Elementary School District 63 board in two or three weeks for allegedly violating teachers' rights to freedom of speech and for allegedly defaming the character of one teacher according to the Chicago Tribune.

The suit to be filed in Cook County Circuit Court is a response by the East Maine Education Association (EMEA) to recent board actions against teachers.

These include a board resolution prohibiting teachers from wearing union buttons during class hours, letters of remedial warning placed in the personnel files of EMEA officials and a similar warning notice to EMEA negotiator Jerome Slowinski.

The board criticized the teachers for withholding their services in a "sick in" on Oct. 25 three days before a teacher contract settlement was reached.

But members of the board have said at recent board meetings that teachers must "pay the consequences" of having broken the state law that prohibits public employees from withholding services.

DISTRICT 207 VOTERS GO TO POLLS SATURDAY

Santa party The Niles Park District will sponsor their annual Santa Party Dec. 22 from 1 to 4 p.m. at Grennan Heights Recreation Center.

School and parent groups who have been working to gain support for District 207's Bond Referendum this Saturday, Dec. 8 are hoping for a large turnout at the polls.

Taxpayers have been given assurance that the school district can sell bonds in this amount without raising the present level of taxes.

Free bus service to Golf Mill Friday

The Golf Mill Merchant's Association, in conjunction with the North Suburban Mass Transit District (NORTRAN), announced recently a free bus service to and from Golf Mill Shopping Center on Friday, Dec. 7. The service will be provided by United Motor Coach on its Milwaukee ave., routes 70 and 71.

Route 70 runs from the Jefferson Park CTA Terminal to Golf Mill via Milwaukee ave.; Route 71 runs from the Jefferson Park CTA Terminal to Golf Mill by way of Milwaukee ave., Dempster, Potter and Golf rd. Coupons good for this round trip service, a 90¢ value, will be distributed in a NORTRAN ad in the Golf Mill Shopper's insert in local newspapers.

Riders are asked to show the coupon to the bus driver on their way to Golf Mill and keep the coupon. Then, on their return trip from Golf Mill, they should give the coupon to the bus driver. That way the rider will receive both trips free.

In commenting on this special one-day free bus service, Joseph DiJohn, Executive Director of NORTRAN said: "We're supporting this free service to encourage people to use the buses. In this day of gas shortages and energy conservation, it's vital that people begin taking advantage of the mass transportation already available. A full bus is the equivalent of over 200 passenger miles per gallon of gas. You just can't beat a full bus for conservation of gas."

Unincorporated area vehicle stickers

Phillip Raffae, Maine Township Clerk, has announced that 1974 vehicle stickers for residents of the unincorporated area of the township are now available in his office at 2510 Dempster st., Des Plaines.

The office is open Monday thru Friday from 9 a.m. to 4 p.m., and on Saturdays from 9 a.m. to 12 noon.

For information on obtaining a sticker by mail, call Mr. Raffae's office at 297-2510.

There is no charge for these stickers.

Feichter endorsed by 4th District Committeemen

Patton Feichter, 9217 Potter rd., Des Plaines, has been unanimously endorsed by the Democratic Committeemen of the 4th Legislative District as the Democratic Candidate for the State Senate. After interviewing many qualified candidates who actively sought the endorsement Patton Feichter was selected by Nicholas Blase, Maine Township; Calvin Sutker, Niles Township; Jerry Helton, Northfield Township; and Don Norman, Wheeling Township.

Feichter, a history teacher at Maine South High School, Park Ridge, will bring balance to the Democratic ticket in the 4th with Tom Flynn of Niles and Aaron Jaffe (State Rep., 4th District) the other endorsed candidates.

A member of Our Lady of Ransom Church, Feichter, a former candidate for trustee of the Oakton Community College, stated: "I intend to run a campaign on a door-to-door basis, to speak to the people of the 4th District, to campaign on an honest approach to the issues. I am pleased to be able to represent the Democratic Party and to join with my fellow candidates Flynn and State Rep. Jaffe in a campaign that will ultimately return representative government to the people." Feichter resides in Des Plaines with his wife Cynde and son Larry.

"Festival V"

Niles Mayor Nicholas Blase purchased the first tickets for opening night of St. John Brebeuf's 1973 "Festival V" which will be held on four nights - Feb. 15, 16, 22 and 23 in the parish school at 8301 N. Harlem, Niles.

The theme "Festival V" commemorates the fifth straight year St. John Brebeuf has put on this outstanding community event. Tickets can be obtained from any room chairman, Festival worker or by calling Bernie Beverly at 966-5479 or Ed Mammoser at 967-7341. "Festival V" will highlight various themes in seven showrooms providing continuous entertainment. Last year's Festival was such a huge success that the "sold out" sign was put up the last Saturday night; the committee suggests purchasing tickets early.

Shown above with Mayor Blase are Ticket Chairman Ed Mammoser and Chairman Bart Murphy and Co-Chairman Cy Maher.

Maine Demos Holiday party tickets

Tickets for the annual Children's Christmas Holiday Party sponsored by the Maine Township Regular Democratic Organization are now available from either the area Democratic representative or the organization offices at 8070 N. Milwaukee ave., Niles, announced Kenneth Cohen, President of the Democratic group.

to express its thanks to those many persons who attended the dance and helped to continue the Maine Democrats annual party for the children of the Maine Township community.

For further information on tickets please call 692-3388.

Senn High School reunion

A reunion of the Senn High School classes of January and June, 1944 will be held on April 27, 1974 at the Lake Shore Athletic Club, 850 N. Lake Shore dr., Chicago.

The committee is most anxious to contact all 770 members of both classes of 1944. We are seeking names (women classmates who have married), addresses and phone numbers, so that we may prepare a mailing list for the reunion.

Anyone who can help us out or desires further information can contact Violet (Johnson) and Roy Bergquist, 8403 W. Bruce dr., Niles, 965-8565 or 825-6526.

NILES BASEBALL LEAGUE

The initial phase of the 1974 Baseball season was initiated this month when the Niles Baseball League voted for members to the Board of Directors. Four men, duly qualified, were elected from the membership to fulfill a two year term.

The electees were Ron Chamness, a former Board member and its President in 1970; Don Fergus, also a former Board member and the League Commissioner in 1972; Jim Mahoney, the 1973 Peanut League Chairman and Chuck Ugel, last season's Little League Chairman.

Filling out the remaining positions on the Board are the members who were elected last season and in their final year in office. These members are Wally Hoff, Bob Desantis, Dan Kosiba, John Petersen and Tom Spino. These members subsequently elected as their President Mr. Don Fergus, who brings into the office a wealth of knowledge borne of experience in every phase of the League. At one time or another Don has been a Board Member, Vice-Commissioner, Commissioner, Manager, Equipment Chairman and Uniform Director. He has participated in every activity that the League directs, further broadening his scope of experience.

The Niles Baseball League is proud of its membership and of the men who were chosen to lead it in this coming season. They will strive to make this 1974 season the best in its 22 year history.

Attending Military school

William (Bill) Meier, son of Mr. and Mrs. Dean F. Meier, 9036 Clifton, Niles, is currently attending Northwestern Military and Naval Academy at Lake Geneva, Wisconsin, Bill, an 8th grader is enrolled at the Academy for the first time this year.

Don foils men sweep meet

The adult meet held at Gordon Tech this past week-end was a small one due to the collegiate competition at Champaign, but still, it was large enough to have 26 strong foil fencers compete.

The finalists were strong enough that a "B" competition was possible. There were two "B"s, three "C"s and two unranked fencers: Mr. George Sosnowsky, (Prof. Chem. U. of Wis.), Pat Gerard, NDHS, Bill Kica, NDHS, Mike Gerard, NDHS, Gary Diamond, NTW, and M. Rovner (N.E.), and Mike Sciortino (3A).

The final results were: Mike Sciortino, NDHS, 2 Bill Kica, NDHS, 3 Mike Gerard, NDHS, 4 Gary Diamond NTW, 5 Pat Gerard, NDHS, 6 George Sosnowsky.

With his first place, Mike Sciortino becomes a "B" fencer and this makes two on the ND team with such a rank. No other school has ever had two "B"s on its team at one time, much less in high school, in Illinois. In addition, there are 3 "C"s on the team, so out of the top six starters there are 5 ranked fencers.

On the high school scene, ND hosted Maine South last Thursday as its opener. The Varsity won 14-4 with Pat Gerard and Bill Kica going 3-0 and Ken Lavelle 2-1 on the A strip for a 8-1 lead. In the B strip, Mike Sciortino and John Strass went

2-0, and the strip was won 6-3. This extends the varsity string to 25 in a row since Feb. of 1970.

The Frosh-Soph team ran into trouble with a 5-0 deficit at the beginning and wound up on the A strip as a 7-2 loser. The B strip came back and tied the meet at 9-9, but when the touches were counted up, ND had received 3 more touches than the opposition (68-65) and thus was declared the loser. This breaks the ND winning streak at 24 and to the same team that defeated it 2 1/2 years before.

Niles vs Winfield

This was a rematch of the Niles and Lake Forest Bantams on Niles Ice. Lake Forest scored early in the first period taking a 1-0 lead. Lake Forest scored again midway through the second period and for the rest of the game it turned out to be a defensive battle for Niles.

Niles goal tender, Jerry DelGuidice kept Niles in the game considering he was called upon to make 29 saves, while Lake Forest's net minder made only 7 saves. Final score Lake Forest 2, Niles 0.

It's been a busy week-end for the Niles Bantams. On Thursday night, Nov. 15, a rematch between Niles and The Saints Midget "B" team resulted in a 4-2 loss for Niles. On Friday night they opened league play at Ballard Sports Complex by beating Glenview 3-1. Goals scored by Larry DeSalvo, Mike Paul and Tom Ackerman. It was a hard fought contest, the referee calling

10 penalties - 7 against Niles and 3 against Glenview.

Saturday afternoon a long ride to the South Side to meet the Gulls on their home ice was well worth the trip. The Niles team had their highest goal production of the year beating the Gulls 8-3 and who had only lost 1 game previous to this. Danny Marchiori, the goalie, kicked out shot after shot frustrating the Gulls at every attempt.

Niles General Mites

The Niles General Mites are really moving along. This group is made up of boys ages just under 6 thru 8. Basically this is an Instructional Hockey Program, but the boys are in hopes of playing their first game within another month. These boys are really something to see; vision a 3 foot high figure in full hockey gear trying to make a rush down 200 feet of ice, trying to keep a puck on his stick and hoping to stay on his feet, this is a remarkable feat for anyone to do but when you are only 6 or 7 years old, it is almost miraculous.

Niles Squirt House team #11

Niles Squirt House Team #11 (still without a sponsor) defeated the Kiwanis Mite All Star Team Saturday morning. The score was 5 to 1 but the game was better than the score reflects; most of the Mites are new at playing in games but they are beginning to learn what hockey is all about.

Goal for the Kiwanis Mites scored by #4 Mark Englund assisted by #3 Mike Corcoran. For Squirt Team #11 Jim O'Connor scored 2 goals both assisted by Brian Scheffler. Brian Scheffler also scored 2 goals one assisted by Scott Bloom, the other was unassisted, scoring 1 goal was Stan Kapka assisted by Jim O'Connor.

Ski Club officers

Callero & Catino Rltts. - 2 Total Comfort Heating - 1
Callero & Catino best Total Comfort Heating to tie for first place. Goalie Burke for Callero & Catino played another great game along with the rest of his team which had only 7 players. Dietrich and Colon scored for Callero & Catino assisted by Colan, Lilla and Donash. Total Comfort & Heating goal by Bill Quallardi assisted by John Ochsreiter.

Nov. 24
Soffit King of Niles 7 Norwood Sav. & Loan 0
Soffit King showed a balanced attack by defeating Norwood Savings 7-0. Goalie R. Rynda posted the shutout. Tom Galassini led Soffit King with 2 goals and 2 assists. Other scores were from G. Blaszyński, W. Siman, M. Nitte and D. Maggio. Soffit King now has 2 straight wins without a loss.

Nov. 25
Minelli Bros. Spec. Fds. 3 Norwood Savings & Ln. 3
Minelli Brothers and Norwood Savings played a hard fought tie. Norwood Savings scored 1st and then took a 3-1 lead but Minelli Bros. fought back to tie the game. Minelli Bros. goals were scored by Norseth 2 and Brezinski with assists by Mazzaline, Norseth & Minelli. Goals for Norwood Savings by Mills, Adler and Douvres assisted by Schianrone and Mills.

Team # 42 4
Soffit King of Niles 2
Team # 42 stopped Soffit King by a score of 4-2 in an exciting well played game. Goals for Soffit King were scored by Siman and Maggio with assists by Nitte, Angullo, Cappanelli and Blaszyński.

Niles Mites traveling team
The Niles Mites Allstar Division played the Evanston Mites on Thursday, Nov. 8 at the Skatium in Skokie. Niles won the game 4-2 starting with a goal in the first period by Larry Kolbaska, assisted by Jeff Pinski. Second period goals were scored by Ricky Composono and Dennis Kuta. The final goal was scored in the third period by Ricky Composono. The boys (ages 6-8) playing on the Mite Traveling team include: Gerald Ackerman, Nick Candotti, John Cavallenes, Ricky Compo-

Public welcome!

ND Aquadons open season with split

Notre Dame High School swim team opened the 1973-74 season with a split. On Friday night the Aquadons defeated East Lincoln 4-3. Capt. Bill Brennan and Zachary were double winners on Friday. Bill won the individual and the backstroke while Zachary won the 200 and 500 freestyle and established a school record in the 500 since it is a new event.

Other winners for the Dons include Dan Boshold in the 100 yd. breaststroke, Jim Gilmore in the 100 yd. freestyle, and Jim Thompson in the 100 yd. butterfly.

A medley relay composed of Brennan, Boshold, Thompson and Bill Mitchell took first place while the 750 yd. relay placed 3rd for the Dons. The freestyle relays placed 2nd and 3rd.

On Saturday Bill Brennan in the 100 yd. backstroke and Dan Boshold in the diving were Notre Dame's only wins as they were defeated by Niles North High School 105-33.

This weekend the Aquadons face West Lincoln on Friday night and Arlington High School on Sat.

OLR women plan dinner party

The Our Lady of Ransom Catholic Women's club, 8300 Greenwood, Niles will have their annual Christmas Dinner Party on Tuesday evening, Dec. 11 at 7 p.m. in the parish hall.

An enjoyable evening is being planned beginning with a social hour and followed by a family style dinner of roast beef and turkey by the Ray Harrington Caterers.

Entertainment for the evening will be provided by humorous troubadour, Michael Bondon, who possesses a rare combination of magnificent voice and a keen sense of comic timing. A gala program and Christmas songs will be sung.

Cerebral Palsy March captains

United Cerebral Palsy of Greater Chicago today announced the names of local women who will be leaders of the "53-Minute March on Cerebral Palsy" in their areas, on Sunday, Jan. 13, 1974.

The "March" is the Agency's annual campaign for funds to support its program of direct services for children and adults crippled by cerebral palsy, and their families.

Serving as Area Chairmen are: Mrs. Raymond E. Evers, 5843 Emerson st., Morton Grove; Mrs. William S. Reid, 8314 Oriole ave., Niles; and Mrs. Jack Lord, 1009 Meadow Lane, Des Plaines.

Cheerleaders chosen at Apollo

The cheerleaders for Apollo school, East Maine School District #63, were chosen Nov. 2. A group of 6 girls and an alternate were chosen. The eighth grade girls include: Amy Sugar, Dana Rosenbaum, Gaby Isola, Sandee Greene, Diane Sterling, Patt Murray, and Kromate, Lori Parratt.

The seventh grade girls on the team are: Dawn Learned, Jabby Silberberg, Susan Koss, Sue Wierlock, Janice Gersh, Connie Bracker and Alternate Cindy Williams. Congratulations girls!

Legion Post auxiliary reunion

Mr. and Mrs. Albert Nehart are shown at the recent Morton Grove American Legion Post-Auxiliary 134 past commanders-past presidents' reunion. They both led their respective groups as heads. The yearly function welcomes into its ranks the immediately retired former leaders. These were Mrs. Dolores Jenkins and Frank Hilbert.

The party marked the 40th wedding anniversary of former commander Carl Sonne and his wife Maybelle, of Chicago. They furnished champagne to the group to commemorate the occasion. The former leaders also bid adieu to Mrs. Pauline Biesman, a past president, and her husband, Grover, who are leaving the state.

SV Symphony offers special rates

The Skokie Valley Symphony Orchestra Association is offering a special ticket price of \$8 per pair. The price includes two tickets to each of the three remaining concerts in the 1973-74 season. Tickets can be obtained by writing to the Association at P.O. Box 767, Skokie, 60076, and enclosing a check for the tickets desired.

The orchestra programs will be given Jan. 6, Mar. 31, and May 25. Featured artists will include Douglas Montgomery, pianist, Arnold Brostoff, violin, Arnold Sklar, viola and the Skokie Valley Concert Choir. For further information, call 675-3204.

Varsity tennis team

Only the cold weather could stop the play of Maine East's varsity girls' tennis team. (seated, l-r) Eileen Santry of Niles, Marilyn Berg of Morton Grove, and Lynn Lampert of Niles. (kneeling, l-r) Diane Cima of Niles, Mary Santry of Niles, and Sue Heller of Des Plaines. (standing, l-r) Sue Webber of Niles, Sue Golan of Morton Grove and Natalie Versten of Morton Grove.

Christmas boutique

A Christmas boutique will highlight the Resurrection Mothers Club Christmas party on Dec. 6 at the school, 7500 W. Talcott, at 8. A variety of handmade items and home baked goodies will be featured for sale.

The Resurrection band plus the choir will entertain. They will present a sneak preview of their repertoire for the Christmas tour. Junior mothers will be the hostesses.

Wins Art award

Jamie Brosnan, a 1973 graduate of Maine East and now a freshman at the University of Illinois in Champaign-Urbana, recently was informed that she was awarded the second place prize in a national contest sponsored by the United Insurance Co. for art work to be used on a calendar.

Her entry was one of over 125 submitted from throughout the United States. The painting was of the forest preserves and was done using the technique of pointillism, which is a series of small dots arranged to create color changes.

When Jamie graduated, she was chosen the Maine East art department's top student. She then followed this by winning the Best of Show Award at the fifth annual Junior Art Show held last summer at the Golf Mill Shopping Center.

Resurrection alumnae

Wreaths and candy and toys and elves and of course, Santa Claus himself will be there at a real "Old-Fashioned Christmas." That's the theme of the annual Christmas party for children sponsored by Resurrection High School Alumnae Association. This year the party will be held Sunday, Dec. 9, at 2:30, in the school social room.

Each alum is asked to have a small wrapped gift for each child she brings to be placed in Santa's sack. This party is one of the ways graduates keep in touch with each other and with the school.

Niles Chamber new members

At the November meeting of the Board of Directors of the Niles Chamber of Commerce and Industry, 6 new members were elected to the Board. They are: Robert W. Christmas Tea at Messiah Lutheran Church

The Messiah Lutheran Church Women of Park Ridge will have their annual Christmas Tea on Thursday, Dec. 13 at one o'clock. Members and friends are most cordially invited to attend this very special event. Miss Suzanne Johnson, former "Miss Illinois" in the Miss America Pageant will present a program of sacred concert music. Miss Johnson is a lyric soprano from Wilmette, and is a summa cum laude graduate of Augustana College, and a Master of Music degree from Northwestern University.

Miss Johnson's professional career began in 1959 as a soloist with the Fred Waring orchestra. Her opera debut was in 1970 at the Cincinnati Summer Opera. This was followed by many appearances throughout the United States and abroad. Miss Johnson is a well known sacred concert artist. Her programs combining sacred classics, hymns, gospel songs and folk melodies have brought her to churches, conventions, banquets, and Bible conferences around the country.

Project Pre-Dict

The Parent and Family Life Education Committee of the Washington school PTA urges all parents of pre-schoolers in the 3-5 age bracket to take advantage of the services offered by Project Pre-Dict. Project Pre-Dict is a screening and educational service available to all residents of School District 207. This service is provided not only for children suspected of having a learning problem, but rather it is a service that also can verify for parents that no developmental delays are evident in their child. For further information, please telephone the Washington school office, YO 5-4780.

This promises to be a thrilling and inspiring event. Don't miss this opportunity to hear this talented Christian young lady. Tickets may be obtained by calling the church at 823-6984. Donation is \$2.00 per ticket.

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all its worth... and keep it that way with automatic Inflation Coverage.

Girls' junior varsity tennis team at Maine East are (front row, l-r) Eileen Fox of Niles and Karin Wirtje of Niles, (middle row, l-r) Laura Frayn of Morton Grove and Jan Cherven of Niles, (back row, l-r) Ann Redmond of Des Plaines, Renee Holley of Morton Grove, Rhonda Greenfield of Morton Grove, and Joan Foelsch of Park Ridge.

OCC basketball

Oakton Community college, in its first home basketball game of the season, downed Elgin college 64-54 Monday, Nov. 26 at Niles East High school.

The Raiders, second place finishers in a Thanksgiving tourney in Kankakee, were led by Roy

Sanders and Denny Willison each with 16 points, Dan Welter with 12 and Ray Sanders, twin brother of Roy, with 8. Willison and Welter were the top rebounders with 17 and 16, respectively.

Unable to connect from the outside throughout much of the first half, Oakton found itself behind 31-28 at intermission.

"Most of our shots were in and out. We were taking good shots and yet they weren't dropping," commented Raider Coach Tom Jordt after the game.

Forwards Ray Sanders and Chris Winter, inserted into the OCC lineup in the second half, sparked the team's fast break attack that put them on top for good.

The shooting percentages of both squads were down in this low-scoring contest; 33% for Oakton, and 35% for Elgin.

Jordt, pleased with his team's defense, commented, "(Tom) Kastow was averaging 30 points a game. We cut him to 16,"

ND CAGERS HOLD 3-1 RECORD

by Mike Lemanski

Notre Dame's basketball team came out of their second week of the season sporting a 3-1 record and continuing to show their power. On Friday, ND lost to St. Joseph of Westchester 59-57 in overtime, and on Saturday the Dons defeated a highly rated Ridgewood team 61-52. The loss puts ND at 0-1 in S.C.C. action.

At Westchester, ND came out shooting, but after a 6 point lead, St. Joe fought back to within one at the quarter. St. Joe returned 4 starters from last year's 7-7 team, and they sport a 67% center. However, it was 6'6" Weldon Sampson who proved to be the Don killer. Sampson led St. Joe in scoring with 20 points and 14 rebounds. Because of this board strength, St. Joe was able to take a 29-24 half time lead.

At the start of the second half, ND began to chip away at the lead, "Buzz" Naughton and Pete Calabrese began to get their share of the boards, ND, who was also getting into foul trouble. Two technical fouls were called, and on the strength of these, St. Joe continued to lead.

ND finally caught up and tied the game at 53. St. Joe tried to hold the ball for a last shot, but Maurice Copeland's shot was

wide, sending the game into overtime. ND could not control the ball, and with 40 seconds left, St. Joe once again tried for a last shot. With only 2 seconds left, guard Mike Morris took a jump shot that went thru the hoop as the horn sounded, giving St. Joe the victory.

"Buzz" Naughton led all scorers with 26 points and 11 rebounds, Pete Calabrese also had 11 rebounds.

Against Ridgewood, ND was luckier. The Dons took a quick lead, and never trailed after. Scott Franz and Buzz Naughton handled most of the rebounding, throttling the Rebels fast break. Naughton and Franz also took care of most of the scoring. All together, four ND scorers were in double figures: Naughton, 16 points and 14 rebounds; Franz, 17 points and 10 rebounds; Eng-Hsh, 12 points and 3 rebounds; and Pete Calabrese, who fouled out, 10 points and 3 rebounds.

Sophomore Jamie Macchion led all Rebel scorers with 17 points, while senior Brian Olsberg led all Ridgewood rebounders with 10.

ND now awaits Holy Cross, their next S.C.C. battle, on Friday, Dec. 7.

NILES SAINTS WIN 1ST CHAMPIONSHIP

The Niles Saints won their first championship Sunday by defeating the Clearing Brewers, last year's league champs 23 to 13. The Saints began the game by scoring on the first play from scrimmage on a 73 yard TD run by Bill "Zoom" Powell. Wally Schulz' kick was on target and the Saints were ahead with only 15 seconds gone in the game.

The tough Saint defense held the Brewers scoreless and three plays into the second quarter scored again with a 28 yard TD pass from Gus Williams to Frank Galante. Wally Schulz' kick was blocked, and the score remained 13 to 0 thru halftime.

The Brewers received in the second half, but lost the ball two plays later on a fumble on their own 33 yard line. Bill Powell took the ball and in two plays set up the Saint's third touchdown for Ron Olesiak, who ran it in from the 2 yard line. The extra point conversion was a pass from John Pecaro to Charlie Marston, making the score 20 to 0. The Saints kicked off to the Brewers and got the ball back again when the Brewers fumbled the kickoff return, on their own 30 yard line. Bill Powell took the ball to the Brewers'

13 yard line where two plays later Wally Schulz kicked a 23 yard field goal for the Saints.

The Saint defense held the Brewers to three plays and getting the ball again, began driving to the Brewers goal only to have Joe Kedzor of the Brewers intercept a Williams pass on the Saints 22 yard line. Bill Bergman, the Saint's leading offensive lineman, was hurt on the play and taken to the hospital.

The Brewers began to rally, and scored two plays later with a 30 yard pass from Jim McMahon to Joe Howard, their extra points was good to put the score at 23 to 7. The surge was not enough however, and the Saint's defense held them for the remainder of the third, and all thru the fourth quarter until with seconds to go and the championship already theirs, the Saints defense after holding the Brewers for three downs at their 4 yard line, allowed a score on a pitchout to Bob Rudecki. The extra point was off and the game ended 23 to 13.

Statistics for the game showed the Saints had 174 yards rushing to the Brewers 53, Gus Williams was 17 tries for 7 completions for 106 yards, Jim McMahon was 7 for 27 for 128 yards, for the Brewers.

Bill "Zoom" Powell was the leading rusher with 113 yards in 14 carries, Ron Olesiak had 38 yards in 9 carries, and Frank Morelli had 13 yards in 3 carries. Zoom Powell had 3 catches for 69 yards, Frank Galante had 1 for 28 yards, Tom Minscalco had one for 13 yards, the Saints had two interceptions, one by Mike Hemmerich, and one by Tony Corsantino.

Bill Powell was awarded the game ball by the team for his outstanding play, he had a total offense for the afternoon of 182 yards.

Supports Maine North referendum

Dear Mr. Besser: As most people know, there is going to be a vote on Dec. 8 on a Bond Referendum to complete Maine North High school. However, the nearer that day comes and the more people I talk to the more I realize that many people do not know that Maine North is incomplete. It is the only high school in the district that is not complete.

There is no pool. There is no auditorium. There are no music quarters. There is no arts area or photo lab. There is no wood shop or print shop. No outdoor athletic and P.E. facilities.

Maine North has a great bunch of students and, I think, a fine administrative staff and excellent teachers but, as a Maine North parent, I am concerned over the inequality of the educational opportunity for Maine North students.

The students can't vote on Dec. 8 but we parents can! I hope we don't let them down!

Mrs. Hugh Thompson

Young lauds passage of park referendum

I would like to congratulate the Park District Commissioners and the citizens of the Village of Niles. The Niles referendum which approved the purchase of six new park-sites and improvements to thirteen present sites was a hard-headed but correct decision of the taxpayers and voters of the Village of Niles. Certainly, this would indicate that the Village deserved the title of the "All-American City".

With the continued higher density development in population of the suburban areas, it is very critical that steps be taken now to obtain and preserve open space, such as the Tam O'Shanter Golf Course. Sports, such as basketball, tennis and playground equipment, will pay off dividends to the youth of the Village of Niles.

Congratulations again to all of those who took the time to vote in the Niles referendum.

Samuel H. Young,
Member of Congress

Are 'Lights Out' really necessary?

Dear Editor: A front page article in Nov. 29 Bugle stated that all Christmas lighting along Milwaukee ave. would be turned off. I have seen in the newspapers and heard a number of times on the Wally Phillips' radio show that there is no need to turn off any Christmas lights here in the Midwest, because our electrical energy is supplied by low sulphur coal and nuclear power, and not by oil. In the Eastern part of the country where oil is the supplier of energy such cut backs are necessary - BUT NOT HERE.

Let's hope that Mr. Scheel looks into this matter more thoroughly before he unnecessarily turns off Niles Christmas lights. These lights help to symbolize the warmth and beauty of the wonderful season of Christmas. Don't turn them off - let's keep the spirit of Christmas glowing in Niles!

3 cheers for Maine East bands

Dear Editor: Three cheers for the unsung heroes of Maine East Concert Band, Cadet Band and combined Marching Band. These young people work very hard to provide the very enjoyable background music for various school functions throughout the year—often without the credit due them for their fine performances.

Recently, it was the Concert and Cadet Band's duty to supply the music for all of the various acts performed at Maine East's Variety Show.

Also, during football season, M.E. Marching Band performed beautifully for all home games and ended their Marching Band performance with their own version of "The 50's".

Now these talented musicians move on to playing for all home basketball games. They give us their time and talent, let's give them our appreciation.

The members of the ME Concert Band are: Jeff Abrams, Paul Bastista, Dave Elliott, Dave Hunt, Kathy Bunt, Dan Busse, Brian Davis, Maureen Delterra, Bob Divita, Ann Dobroth, Rick Donzalski, Marianne Eterno, Phil Factor, Pat Fergus, Nick Forsythe, Jeff Fuchs, Linda Fuchs, Bob Galbavy, Mark Gelsler, Steve Glynn, Rhonda Goldstein, Bob Gorgol, Mark Hempel, Greg Jacob, Jim Jorian, Jim Keefe, Lynne Koller, Alan Keys, John Klein, Rick Koster, Rick Kruse, Kevin Kwiatkowski, Lynne Lampert, Kevin Luke, Nancy McNamara, Karen Merkel, John Mittelbrun, June Passarilli, Gene Payson, Dave Perry, Gary Prorok, Julie Prorok, Mary Rafa, Bill Rhodes, Fred Rickert, Allen Rose, Sheryl Rosen, Ron Schneider, Leonard Schwartz, Glenn Shipp, Chuck Stegel, Glenn Silverman, Cliff Sladnick, Randy Stefanovic, Scott Stegerwald, Terri Trostrahl, Linda Warmack, Steve Zaehler, Sheryl Zager, and Dave Zipprich.

Members of the Cadet Band are: James Altman, Bob Fergus, Susan Glowienke, Diane Gombers, Ann Hempel, Glenn Hurley, Lynn Klicke, Ted Korczyk, Kathy Medley, Dan Merkel, Carl Meyers, Jeff Nye, Lori Pastorski, Carol Richards, Barry Rieger, Luanne Rogneby, Barry Salomon, Orin Traclman, Andrew Tuch, Dave Wasiewicz, Bruce Wolfson, and Dave Zinn.

Thank you

Dear Editor: This note is to thank you for the fine publicity we received in the past few weeks for the Niles Township Reclamation Center. The newspapers were wonderful. In a normal weekend we might get about six tons of paper. Our biggest drive previously brought in twenty-one tons of paper. Over the weekend of Nov. 24 and 25 we handled thirty-eight tons of paper. This was very good, especially considering that it rained most of the time.

LETTERS to EDITOR

Thank You

Dear Editor: The friends of the Niles Public Library District wish to express their thanks to this paper for their cooperation. Through this cooperation our Card Party was publicized and a success.

It was publicized that the "Friends" would use the funds from the card party to purchase a piano for the library. It is our pleasure to announce that this beautiful musical instrument is now in the possession of the "Friends".

It is also our pleasure to announce that the piano will be officially presented to the library at the monthly Library Board meeting on Dec. 12 at 8 p.m. The presentation is open to all those who are interested to see the accomplishments of the "Friends" in bettering our library.

At this time we would like also to thank all those who supported and attended our card party. If it were not for them, this presentation would not be possible.

Our congratulations go out to Mrs. Ann Witke, who won first prize in our Grand Raffle, a weekend for two at Pheasant Run. Other winners include: Donna Derosier, second prize; Astriom Dospil, third prize; and Pat Brumbach, Mary Steinert, Ruth Aolsto and Lois Rochford, prizes four through seven respectively.

Once again, our heartfelt thanks to this publication and its editor and publisher for their cooperation.

Don't be part of 'silent majority'

Dear Editor: After attending the school district 63's board meeting on Tuesday, Nov. 20, I came away with a feeling of sadness. Without judging the justification of the board for their actions, or the justification of the EMEA for their action, it seems clear that both sides are currently preparing for actions that can only act to the detriment of the children attending school.

It appears that after the contract settlement the teachers all breathed a sigh of relief and prepared with pleasure, to take up their teaching jobs. Apparently, the teachers union and the teachers rank and file were content.

The Board of Education, however, seems to have disrupted this harmony by a rigid insistence on enforcing the letter of the law. Immediately some people will reply, "When laws are broken, people should be punished." Generally speaking, this may be true, however in our case it is clear to anyone who attended last Tuesday's school board meeting that this rigid enforcement of the law is going to motivate the teachers to further angry legal action that cannot help but distract them from their main job of teaching.

I asked at the last board meeting, and again publicly ask, that a two month moratorium on the implementation on any of the school board's actions regarding censored letters to the EMEA offices and the censored letter to one individual. I also would like to see anybody who is interested in this issue appear at the next school board meeting to let the board know their opinions. The board feels that the "silent majority" of the school district is in favor of their current line of action. Should this be the case silent majority, please show up and let me see and hear you.

Recently, I learned about the Milesmaster Gas Saver and I understand it works. So, in view of the gas crisis and the impending real possibility of gas rationing in the near future, I thought I'd dig into the facts about this timely gas-saving device and pass them along to you.

First, it is not new. It was developed a number of years ago by a group of highly experienced automotive engineers and is now being manufactured by a reliable company, Milesmaster, Inc., of America in Exeland, Wisconsin. These experienced auto engineers determined what has since become common knowledge with those familiar with automobile design and maintenance. This being that fuel pumps on our modern high compression engines which exact a variable pulsating pressure force deliver fuel at pressures far in excess of what the carburetor requires and is capable of handling.

Thus, the Milesmaster fuel pressure regulator controls the pressure at which your fuel pump feeds gas into your carburetor and supplies your carburetor with a smooth even flow of fuel to insure you maximum power and ECONOMY at all engine speeds. But, according to Milesmaster engineers, the device does not stop with gas savings of from 20% to 25%, but provides many additional benefits such as: lessens engine wear, prevents vapor lock, protects carburetor wear, reduces wear on fuel pump, improves engine performance, reduces gumming of pistons and valves, stops percolating, provides smoother idling, stops jerky acceleration, magnetically traps iron oxides, rust chips, weld flakes and ferrous metal particles, and other benefits.

I further understand that the Milesmaster fuel pressure regulator is easy to install. It can be installed in about five minutes with a wrench or you can have your local service station install one for you for a small cost.

The unit sells for \$10.50 at service stations or \$10.95 by mail. Here are some questions and answers which were supplied to me by Milesmaster engineers, which in the light of the impending present day energy crisis may be of interest to you:

Why is a fuel pressure regulator necessary? Because fuel pumps on today's cars develop variable, pulsating pressures as much as 3 to 4 times more than needed for smooth, economical, trouble free driving.

What happens when pressure is uncontrolled and too high? When fuel pumps on today's cars develop pressures as high as 10-12 lbs. instead of the ideal 3 1/2 lbs, you get - carburetor flutter, excess wear on float and needle valve, surges of raw gas into the combustion chamber changing the fuel-air ratio, flooding, percolating, hard starts on hot days, dilution of crankcase oil increasing wear of piston rings, bearings, and valves.

How does variable pressure waste gas? When uneven excess fuel pump pressures force surges of gas into the combustion chamber it produces an over-rich fuel-air mixture with no increase in power. THIS CAN CAUSE AS MUCH AS A 20% GAS LOSS!

How does excess pressure cause engine flooding? Because when a car is stopped a condition called "back pressure" occurs: the fuel in the line and in the pump remain under great continuing pressure forcing fuel past the needle float and seat. The level in the carburetor then rises to the point where raw gas pours into the cylinders flooding them.

How does excess pressure cause rough idling, dying at stops? Because there is no pressure control on your car, the same pressures exist as they do at high speeds. When you stop, your engine races because too much fuel is being forced into the carburetor. As pressure drops and fluctuates up and down, the fuel-air mixture alternates between too lean and too rich producing ragged, uneven idling. Continued high pressure floods the engine, killing it, making starting difficult.

How can Milesmaster cure these common high pressure motor ills? Milesmaster controls this "back pressure" and maintains an even, steady flow of fuel into the carburetor at the ideal pressure of 3 1/2 lbs. whether you're idling or driving 70 mph. When fuel pump pressure is too high, this excess pressure is blocked from the carburetor by Milesmaster's pressure monitoring action.

How can Milesmaster reduce carburetor wear? By absorbing the shock of excess fuel pump pressure and preventing the forcing of too much fuel into the carburetor, wear on the float needle and seat is eliminated.

How can Milesmaster reduce engine wear? By eliminating flooding, which dilutes engine oil and makes lubrication ineffective, and by reducing gumming of piston rings and valves.

How can Milesmaster improve engine performance? By controlling the flow of fuel into the carburetor at optimum pressure, the floats may be set at factory standards, the spark advanced, and you get the full horsepower and ECONOMY built into your car at minimum fuel consumption.

There were many other beneficial results supplied me by Milesmaster engineers which space does not permit in listing. However, I am informed by these same engineers that a Milesmaster will save up to 20% and as much as 25% in many cases on a car, truck, bus, cab, farm machine or a boat engine. Moreover, I am told that these "gas-savers" are sold on a money-back guarantee and that they have thousands of satisfied users. A list of some of these satisfied users which was supplied to me include U.S. Army Ordnance, Yellow Cab, New York, Checker Cab, New York, U.S. Postal Service, Chicago and some area users include Central Telephone, Sheraton-O'Hare Hotel, Signal Delivery Service (Sears Service trucks), Martin Cab, Des Plaines; T & D Taxi, Rosemont; City of Mt. Prospect and Des Plaines, Vehicle Division; Pesche's Market & Garden Service; Jewel Foods and many others.

"HOW TO SAVE UP TO 25% ON GASOLINE"

"How to Save Up to 25% on Gasoline". Simple - have a Milesmaster installed on your car!

Recently, I learned about the Milesmaster Gas Saver and I understand it works. So, in view of the gas crisis and the impending real possibility of gas rationing in the near future, I thought I'd dig into the facts about this timely gas-saving device and pass them along to you.

First, it is not new. It was developed a number of years ago by a group of highly experienced automotive engineers and is now being manufactured by a reliable company, Milesmaster, Inc., of America in Exeland, Wisconsin. These experienced auto engineers determined what has since become common knowledge with those familiar with automobile design and maintenance. This being that fuel pumps on our modern high compression engines which exact a variable pulsating pressure force deliver fuel at pressures far in excess of what the carburetor requires and is capable of handling.

Thus, the Milesmaster fuel pressure regulator controls the pressure at which your fuel pump feeds gas into your carburetor and supplies your carburetor with a smooth even flow of fuel to insure you maximum power and ECONOMY at all engine speeds. But, according to Milesmaster engineers, the device does not stop with gas savings of from 20% to 25%, but provides many additional benefits such as: lessens engine wear, prevents vapor lock, protects carburetor wear, reduces wear on fuel pump, improves engine performance, reduces gumming of pistons and valves, stops percolating, provides smoother idling, stops jerky acceleration, magnetically traps iron oxides, rust chips, weld flakes and ferrous metal particles, and other benefits.

I further understand that the Milesmaster fuel pressure regulator is easy to install. It can be installed in about five minutes with a wrench or you can have your local service station install one for you for a small cost.

The unit sells for \$10.50 at service stations or \$10.95 by mail. Here are some questions and answers which were supplied to me by Milesmaster engineers, which in the light of the impending present day energy crisis may be of interest to you:

Why is a fuel pressure regulator necessary? Because fuel pumps on today's cars develop variable, pulsating pressures as much as 3 to 4 times more than needed for smooth, economical, trouble free driving.

What happens when pressure is uncontrolled and too high? When fuel pumps on today's cars develop pressures as high as 10-12 lbs. instead of the ideal 3 1/2 lbs, you get - carburetor flutter, excess wear on float and needle valve, surges of raw gas into the combustion chamber changing the fuel-air ratio, flooding, percolating, hard starts on hot days, dilution of crankcase oil increasing wear of piston rings, bearings, and valves.

How does variable pressure waste gas? When uneven excess fuel pump pressures force surges of gas into the combustion chamber it produces an over-rich fuel-air mixture with no increase in power. THIS CAN CAUSE AS MUCH AS A 20% GAS LOSS!

How does excess pressure cause engine flooding? Because when a car is stopped a condition called "back pressure" occurs: the fuel in the line and in the pump remain under great continuing pressure forcing fuel past the needle float and seat. The level in the carburetor then rises to the point where raw gas pours into the cylinders flooding them.

How does excess pressure cause rough idling, dying at stops? Because there is no pressure control on your car, the same pressures exist as they do at high speeds. When you stop, your engine races because too much fuel is being forced into the carburetor. As pressure drops and fluctuates up and down, the fuel-air mixture alternates between too lean and too rich producing ragged, uneven idling. Continued high pressure floods the engine, killing it, making starting difficult.

How can Milesmaster cure these common high pressure motor ills? Milesmaster controls this "back pressure" and maintains an even, steady flow of fuel into the carburetor at the ideal pressure of 3 1/2 lbs. whether you're idling or driving 70 mph. When fuel pump pressure is too high, this excess pressure is blocked from the carburetor by Milesmaster's pressure monitoring action.

How can Milesmaster reduce carburetor wear? By absorbing the shock of excess fuel pump pressure and preventing the forcing of too much fuel into the carburetor, wear on the float needle and seat is eliminated.

How can Milesmaster reduce engine wear? By eliminating flooding, which dilutes engine oil and makes lubrication ineffective, and by reducing gumming of piston rings and valves.

How can Milesmaster improve engine performance? By controlling the flow of fuel into the carburetor at optimum pressure, the floats may be set at factory standards, the spark advanced, and you get the full horsepower and ECONOMY built into your car at minimum fuel consumption.

There were many other beneficial results supplied me by Milesmaster engineers which space does not permit in listing. "Dance on a Country Grave"

David Lonn, Managing Director, has announced the world premiere of "Dance on a Country Grave" - A Romantic Folk Musical - to be held at Arlington Park Theatre Friday, Dec. 28 at 8:30 p.m.

Based upon the writings of Thomas Hardy and set in 19th century England, "Dance on a Country Grave" centers on the loves and ambitions of two people of Egdon Heath, around whom are scattered a handful of characters each struggling to fulfill a consuming and conflicting destiny.

The creator of this major, new musical is Kelly Hamilton, a gifted 25-year-old San Franciscan. With his book, music and lyrics Mr. Hamilton paints a mystical portrait of life on the heath, its loneliness, friendships, superstitions and hopes.

Eddie Sauter, who gained prominence with the progressive artistry of the Sauter-Finnegan Orchestra, will do the orchestrations for "Dance on a Country Grave" and, Jay Norman, assistant to Jerome Robbins and choreographer of numerous Broadway musicals, ballets and television specials, will choreograph the production.

The cast of 20 actors and 13 piece orchestra, comprising "Dance on a Country Grave," will be directed by Patrick Henry, well-known for his outstanding productions at the Goodman Theatre Center.

Preview of "Dance on a Country Grave" will be held at 8 p.m. on Dec. 26 and 27 at the start of the holiday season, with the world premiere opening on Friday, Dec. 28 at 8:30 p.m.

Student discounts will be available at the box office the day of a performance.

Additional information regarding the production, ticket prices and schedule of performances, will be released shortly.

Northwest Symphony Concert December 9

Larry Wagner (Park Ridge), Tom Hageman (Arlington Heights), Perry Crafton, conductor (Park Ridge), and Kathryn Falluconi (Des Plaines) look over the music for the Northwest Symphony's forthcoming concert to be held at Maine East on Dec. 9 at 3:30 p.m.

The second concert of the Northwest Symphony Orchestra, Perry Crafton, conductor, for the 1973-74 season will be held on Dec. 9 at 3:30 p.m. at the Maine East High School Auditorium, Dempster and Potter rds. in Park Ridge. This will be a purely orchestral program featuring solos by principal players.

The first half of the concert will be devoted to Felix Mendelssohn's "Scotch Symphony", a colorful, lightly orchestrated composition of the Romantic Period which is written in four movements to be played without the usual intervening pauses. The work was motivated by a journey Mendelssohn made to Scotland as a youth and inspired the creation of a ballet choreographed by George Balanchine.

The second part of the program will feature the "Eine Kleine Nacht Musik" which is one of Mozart's greatest and most beloved conceived serenades. It is among the best loved orchestra pieces for strings.

The concert will close with "Death and Transfiguration" by Richard Strauss, one of the giants of the later Romantic Period. This work, written in 1889, is based on a poem by Alexander Ritter which centers on a dying man's struggle with death.

Season tickets, \$7.50 for the remaining three programs, or single tickets at \$3.00 may be reserved now by contacting Mrs. Ann Butler at 631-6132 after 6 p.m. Student admission and Golden Ager Admission is \$1.50. Children under 12 are admitted free if accompanied by an adult.

ORDINANCE NO. 73 - 47

AN ORDINANCE AMENDING CHAPTER 50 WATER, SECTION 50.115 RATES-BILLS OF THE MUNICIPAL CODE OF MORTON GROVE OF 1969.

WHEREAS, the cost of supplying water to the Village of Morton Grove continues to increase so that the rates to be charged must be increased to continue to provide water and pay all costs and debt charges in connection therewith:

NOW, THEREFORE, BE IT ORDAINED, by the President and Board of Trustees of the Village of Morton Grove, Cook County, Illinois, that:

Section 1: Section 50.115 of Chapter 50 of the Municipal Code of Morton Grove of 1969, as amended, be and the same is hereby amended to be and read as follows:

Section 50.115 Water rates-bills.

The rate to be charged for water supply by said Village shall be as follows:

Class A.

- (1) A minimum charge of \$5.40 per quarter shall be made, entitling the consumer to use 5,000 gallons or fraction thereof.
- (2) A charge of \$1.08 per 1,000 gallons for consumption in excess of 5,000 gallons per quarter, but not in excess of 12,000 gallons per quarter.
- (3) A charge of \$.95 per 1,000 gallons for consumption in excess of 12,000 gallons per quarter, but not in excess of 50,000 gallons per quarter.
- (4) A charge of \$.92 per 1,000 gallons for consumption in excess of 50,000 gallons per quarter, but not in excess of 450,000 gallons per quarter.

A discount of 10 per cent shall be allowed on all bills in Class A if paid within 15 days after their rendition. All bills in Class A shall be rendered quarterly, payable not later than the first day of the month following the month in which the bill is rendered.

Class B. When water is regularly used in large quantities by any person, firm or corporation in excess of 150,000 gallons per month and 450,000 gallons per quarter, the following rates shall be charged:

For the first 150,000 gallons used per month \$14.06
For the next 150,000 gallons used per month	\$0.92 per 1,000 gallons
For the next 300,000 gallons used per month	.86 per 1,000 gallons
For the next 300,000 gallons used per month	.84 per 1,000 gallons
For all over 900,000 gallons used per month	.81 per 1,000 gallons

All bills in Class B shall be rendered monthly and shall be due and payable on the first day of the month following the month in which bills are rendered, but a discount of 10 per cent shall be allowed on all bills within this class if paid within 15 days after rendition.

Section 2: This ordinance shall be in full force and effect on January 1, 1974, after its passage, approval, and publication as provided by law.

they say, to retirement of other bonds, reduction of levies for several of the district's operational funds, and increased state aid.

The four Maine Township High Schools have been designated as polling places for the Dec. 8 referendum. Polls will be open from 10 a.m. to 7 p.m. Courtesy cars will be available to provide transportation to the polls for voters needing this service, according to Win Suetgen, chairman of the ad hoc citizens committee working for the referendum. "Persons needing transportation may call the Maine High School in their area," he said. "They may call Maine East - 825-4484, Maine North - 298-5500, Maine South - 825-7711 or Maine West - 827-6176. Persons are to vote at the Maine high school in their own area. Board members, school administrators, as well as leaders of Parent and Booster groups have been appearing as guest speakers at civic, service and school organization meetings, to bring the Maine North story before the public. The school opened three years ago without full educational facilities.

"The Board is committed by district policy to provide equal educational opportunities for all our students, regardless of their area of residence in the community," said Roy O. Meka, chairman of the Board's Referendum Committee. "However, community support is needed to enable us to implement this policy at Maine North."

"The Referendum Committee for 207," made up of interested citizens and Maine parents, have been active for the past six weeks distributing informational material on the referendum throughout the township. This group will conduct a telephone campaign on Saturday to remind citizens to vote.

which ups the ante on its already tremendous sales tax revenue, which is partially returned to the village.

Interestingly, Niles will seek federal funds for its free bus service, but even if none is forthcoming the project must be considered a great success. And even a Keynesian economist would have to agree the free bus service pumps added revenue into Niles' own economy. Revenue partially comes from sales tax money returns, which is used to purchase and run the buses, which increases the number of sales in the community, which adds more sales tax money, which provides additional services in the community. Hopefully, our neighboring communities might try a similar effort which is a proven bonanza to senior citizens, youngsters, as well as many mothers who can't otherwise get to shopping areas during the daytime.

Pointing to Niles' many accomplishments does not mean other communities in our areas are not operating successfully. Niles happens to have a great deal of revenue which flows in from sales tax revenues, state income taxes as well as from utility taxes. And there isn't anyone who can say Niles is spending its revenues with any greater economy than other communities. But having the money, and using much imagination, the town is a model of a progressive community which explores and innovates, rather than sits back and follows. Niles Family Service program, staffed with a psychologist and social workers, is indeed a great, a much needed and welcome service. Niles' active involvement in protecting consumers with its Consumer-Fraud efforts, is also forward-looking, and a pioneer in services provided by a village.

In past years the village was among the first with ambulance service for its residents. And its full-time fire department preceded many of its neighbors in this area, which is probably as fine a department as there is throughout Chicagoland. And its less dramatic public works department as well as its police department provide the community with the very best services it could desire.

There's little doubt it takes money, and lots of it, to provide all these first rate services. But it also takes creativeness on the part of all its public people as well as imagination from its public officers to do this job.

Only the past week we were at a fire (in our building) in which the department arrived at the scene of the fire in only what seemed like moments after we called them. And while the mattress fire was a small one the enthusiasm and professionalism of the men who made the call were commendable. After the fire was extinguished one fireman took down a detailed report from the person occupying the apartment where the fire took place. And we noticed another fireman walking the length of the upstairs hallways explaining about the roof of the building to a new young fireman. It was more than just a job to these men. They've pride in their work, and have the curiosity of men always learning which obviously is the mark of success.

Everyone, we're sure, is pleased with the community he lives in. Nilesites should be doubly pleased.

Appointment . . . Cont'd from Lincolnwoodian P.1 Herzl College and Hines School of Pharmacy. He is a member of the Chicago Retail Drug Association and holds the position of Deputy Health Officer for the Village of Lincolnwood. He is married and the father of four children, ages 14 thru 26. He has been a member of the State of Illinois Department of Narcotics and Dangerous Drugs Speakers Bureau for a number of years and is eminently qualified to render service in the Niles Township Program to fight drug abuse.

The new members will commence their duties immediately, according to Superintendent Charles N. Anderson.

Santa . . . Continued from MG P.1 Santa's route will be dispersed this week through the elementary schools. The printing has been arranged for through the cooperation of the First National Bank of Morton Grove.

Sirens will screech, the Police and Fire Departments will accompany the man from the North Pole, and the North Shore Emergency Association will offer their assistance. As Santa traverses the Village streets, he will pass out candy to all the youngsters under 12 years of age. Some are especially marked, and these may be redeemed at the Post Home until 4 p.m. for a gift suitable for the child's age. Santa will reign in his throne at the Legion for kids to talk to when they bring their marked candies in. One gift per child, please, tho. Over-all chairman is the Legion's junior vice commander, John Reichert.

Winnie the Pooh. The Morton Grove Park District will present the play "Winnie the Pooh," directed by Ethel Libkin, in the following area fieldhouses during the month of December: Mansfield Park fieldhouse Dec. 15 at 2 p.m.; National Park fieldhouse Dec. 9 at 2 p.m. and Dec. 15 at 10 a.m.; Oketo Park fieldhouse on Dec. 16 at 2 p.m.

Admission is 50¢ for children and \$1 for adults. Tickets can be purchased at the Park District Office, 6250 Dempster or at the door. Space is limited.

On Lincolnwood, c/o Fred Hossfeld, 6415 N. St. Louis ave., Lincolnwood, 60645. Just a reminder that Cal Suter is running for Democratic Committeeman. If you can help call him today at 673-7779. If you vote Democratic, join in helping him.

Legion holds Krazy Vegas Daze.

Friday and Saturday, Dec. 7 and 8, are the days for the repeat of the Morton Grove American Legion Post # 134 summer Krazy Vegas Daze presentation. The Legion Memorial Home, 6140 Dempster, will be set up with casino rooms and give participants the opportunity to win many prizes.

There is no admittance charge. Opening hour on Saturday is 7:30 p.m. Friday, the Krazy Daze will begin following the usual 6-8 p.m. fish fry.

Refreshments will be available. Over-all chairman is past commander Al Nehart. Past commander Ed McMahon is personnel chairman. Auxiliary president Mrs. William Cunnally will lead her members as waitresses, cashiers and in other such duties. Post commander Tony La Rosa will be available to welcome all villagers and their friends.

Belden Regular Baptist Used book sale

John Peterson's cantata, "The Story of Christmas" will be presented at 7 p.m. this Sunday, Dec. 9, at the Belden Regular Baptist church in Niles. Narrated by Jerry Kuykendall, the song-story of the Savior's birth features several soloists including Patricia Hall, Anselmo Oyos, James Paulson and Kenneth Pyne. Choir accompanists Gladys Hawkins and Mrs. Thomas Peters will highlight the evening with special music to help celebrate this first Christmas presentation in the church's new building. The 30-voice choir is directed by Mrs. Richard Priny. Rev. Gordon L. Shipp is pastor of the church. The public is cordially invited to attend.

NSJC

Northwest Suburban Jewish Congregation, 7800 W. Lyons, Morton Grove, will hold traditional Friday evening services Dec. 7 at 8:15. Saturday morning services at 9:15 and Mincha-Maariv services at 4 p.m.

The Congregation W & M Committee will present the 2nd annual "Yiddensant" Saturday, Dec. 8 at 8 p.m. in the Social Hall. The evening will include square dancing, ice cream social, door prizes and loads of fun for all for \$6.66 per couple.

For reservations, contact the Synagogue office at 965-0900.

On Sunday, Dec. 9 at 10 a.m. the Aleph students of the Hebrew School will be consecrated by Rabbi Lawrence H. Charney.

Registrations for Nursery School are now being accepted for the Spring term. In addition to the 3-morning, 3-afternoon, 5-morning, and 5-afternoon sessions, there will be a 2-morning a week session for young 3-year-olds. For further information, please call the school office at 965-0901.

Oak School cultural arts program

Oak school's first Cultural Arts Program of the 1973-74 season was a return engagement of the Cole Marionettes on Nov. 27. This year they performed "Beauty and the Beast," a story that has always been a favorite of children. The audience received the production with great enthusiasm. The next presentation will be two Christmas shows (one designed for the primary and one for the intermediate teams) given by the Maine East Orchestral Group under the direction of Betty Schmitz. Many former Oak students are in the group which fact will make their appearance even more exciting to many. We are looking forward to Dec. 14, the date of their shows, with great anticipation.

Flynn campaign strategy

Thomas W. Flynn, Democratic House Candidate in the 4th District, today outlined his program describing the type of campaign he intended on waging for his House seat. He called for complete income disclosure, complete asset disclosure, and for a free release of all financial information about campaign financing. He promised to release his income tax returns for the past six years including 1973 after he completes his 1973 Federal Income Tax Return. Flynn also said he would compile an asset statement listing all his assets and release this information to the public. Finally, he pledged to release all the financial records relating to his campaign financing.

Flynn said, "I believe that the political system in the country has hit rock bottom. The people simply do not trust anyone involved in politics. I intend on restoring some degree of confidence in the political system in the people of the 4th District. My campaign will be honestly run in the open for everyone's inspection. I will talk about issues and not about my opponent's integrity. I ask the people simply if they are now sick and tired of corruption and believe their answer is Yes, it is my intention to be a "Voice of Conscience" in this campaign and prove that Mike Royko of the Chicago Daily News was correct when he called me the most honest politician in Illinois."

Flynn then said that "Ethics" or in other words "Honesty" will be the most important issue in the campaign. The voters will vote for must be a person whose integrity is above reproach. They will not vote for a party label in 1974 and especially not in the 4th District.

Flynn ended his remarks by asking for citizen volunteers to work for his candidacy without regard to party label. He promised hard work, long hours and nothing but the satisfaction of electing an honest man to the Illinois Legislature. Volunteers may call at 965-5036 or write Tom Flynn at 8223 N. Oconto, Niles.

Santa's Secret Shop at Oak School

On Dec. 10, 11 and 12 Santa's Secret Shop will be open to all children of Oak School. It will be set up in Room 7 of Oak School, 7640 Main St., Niles, and will be open from 8:30 a.m. to 2:45 p.m. each day. The children may use their own allowances to buy Christmas gifts for the members of their families. Prices range from 10 cents to \$2.50. The shop is sponsored by the Oak PTA with Mrs. Joan Slowik as Chairman and Mrs. Pat Horn as Co-Chairman. Anyone is welcome. Shown above (l-r) around table: Richard Meterdirts, Carol Meterdirts, Leanne Crew, Mrs. Joan Slowik, Sharon Jordan, Mrs. Pat Horn, and Jeffrey Slowik, previewing gifts.

Dachman slated for Suburban Cook County Commissioner

Norman Dachman, 41, of Niles has been slated by the Democratic Party of Cook County as a candidate for Suburban Cook County Commissioner. Dachman was slated with Diana Hunter of Skokie, Lawrence F. Kast, Dolton; Pierce F. McCabe, Brookfield; Robert E. Schrel, Blue Island; and James M. Tourek, Berwyn.

Dachman in his campaign for the candidacy was supported by Nicholas Blase, Maine Township; Calvin Suker, Niles Township; Jerry Helton, Northfield Township; and Lynn A. Williams, New Trier Township, in addition to many other committeemen from the Cook County Suburban Committeemen.

In his opening statement after being slated he said: "In 1970 County Board President George Dunne dispelled the myth that Democrats cannot win in Suburban Cook County. Both he and U.S. Senator Adlai Stevenson carried the suburban vote defeating their opponents in what was supposed to be safe territory for the Republican Party."

"It seems the opposition is becoming concerned about their ability to win in Suburban Cook County. As a result they announced a slate of suburban 'party professionals' in complete secrecy to hopefully avert a Democratic victory in the suburban community. (They have now changed their slate due to pressure and have announced a different slate.)

"We can look forward to 1974 as being recorded a great Democratic year, a year in which the people of Cook County shall seek new leadership at all levels of government. It shall be a year when they seek responsive government on the local level. It shall be a year when they elect Democratic Candidates to serve suburbia on the Cook County Board of Commissioners.

"For the last decade I have cheerfully witnessed the steady growth of the Democratic Party in the Northern Suburbs. In 1974 we shall be the recipients of the greatest revitalization in the suburbs we have ever been privileged to see.

"Let me serve notice to our opponents - the day of one party government in suburban Cook County is over. We will not hide behind slogans, but we shall campaign vigorously throughout the 30 suburban townships. We shall

Tower YMCA winter classes

The Leaning Tower YMCA announces the Winter '74' schedule of classes has been completed. An interesting and varied program is available for area residents to choose from. Youth and adults will discover numerous opportunities for self-improvement, relaxation, and recreation during the ten week term scheduled to begin the week of Jan. 7.

Outstanding leadership is offered by the following departments: Hobby, Special Interest, Fine Arts, Aquatic, Sports and Physical Education. Prospective students are encouraged to plan their winter program now, and register at least one week before classes begin!

Adult sport and physical education classes (10 week term) will include: Judo, Karate, Yoga, Fencing "Tension Control", American Self-Protection and Women's Volleyball, Specials for Women, "Trimnastics", Tennis and the popular "Lose Weight" program, "Cardio-Respiratory" conditioning classes for men are being continued with early a.m., noon or evening periods available. Adult golf classes are scheduled for six weeks.

The Aquatic Department (10 week term) for adults will feature a "Boating Safety" course directed by the U.S. Coast Guard Auxiliary. Progressive swim instruction, scuba diving, "Aqua-nastics" (for women) and a swim course designed especially for those who have never learned to swim, called "Land Lubbers" are all set for the winter term including life saving classes and skin diving.

Special interest, fine arts, and hobby classes for adults (10 weeks) include: Decoupage, Crocheting, Amateur Radio, "Food Ideas Unlimited" (a consumer-oriented class), Dressmaking, Art, Beginner class Guitar, Beginner Bridge, Hypnosis, Dog Obedience, Photography, "Modern Jazz Dance and Exercise", Adult Social Dance, Arabic "Belly Dancing", and Hawaiian Dance.

Local youth will find a lively and outstanding program of classes to choose from. Ten week courses: "Model Workshop" (for girls), Art Guitar, Ballet, Aerobics, and "Arts and Crafts" for 3-5 year olds. Youth sports and physical education classes (10 weeks) include: Judo, Karate, American Self-Protection, Gymnastics, Wrestling, Archery, Trampoline, Body Building and Roller Hockey (boys). Youth golf classes are set for six weeks.

Youth aquatic classes (10 weeks) include: Progressive Swim instruction, Diving, Skin Diving and Water Ballet (girls). A new program for the 8 to 11 year old will be "Sports and Aquatics."

The Pre-School "Gym and Swim" program for children four months to seven years, one of the Tower YMCA's leading activities is being continued!

"Tiny Tots" and "Small Fry" (3 thru 7 years) may be enrolled in the Tower "Sports and Games" program (10 week term). Remember all classes are scheduled to begin the week of Jan. 7, 1974. Early registration is advised!

Registration opens for members on Monday, Dec. 10. Non-member registration will begin on Monday, Dec. 17.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 556, or drop by the Leaning Tower YMCA, 6300 W. Touhy ave., and pick up a "Program Services" brochure. (Baby sitting services are available during daytime classes.) The service desk is open daily 9 a.m. to 9 p.m.

OCC trustees explain need for legislative tactics

The Illinois Community College Trustees Association approved a statement at their November 17, 1973, meeting that explained why local community college trustees urged their legislators to override the veto of the community college appropriation legislation (SB 698).

The Illinois House of Representatives voted 122-29 to override Governor Daniel Walker's veto of community college funding on Tuesday, Nov. 13 after the Senate had voted earlier 30-8 to overturn the veto.

The governor had reduced the amount for junior colleges to \$17.61 per credit hour for 113,000 full-time equivalent students in Illinois. The legislative action restored the provision for the state's community colleges to receive \$18.50 for each credit hour taken by students. Oakton Community college, as a result, will receive an additional \$65,000 annually from the state.

The Board of Trustees at Oakton Community college, as well as trustees from other community colleges throughout the state, had urged local legislators to override the governor's veto.

The ICCTA statement, which was prepared by Frieda Simon, Board Chairman for Elgin Community college, read as follows: "The community colleges had been very optimistic that the Illinois Board of Higher Education would stand by its original recommendations for appropriations, and that an acceptable compromise could be effected between the restrictive \$17.61 - 113,000 full-time equivalent (with the added complication of questionable constitutionality - i.e. the amendatory reduction of \$18.50 to \$17.61), and the \$18.50 - 115,000 full-time equivalent being reconsidered by the Legislature."

"Unhappily, it appeared to us the IBHE (Illinois Board of Higher Education) was unable to sustain its original position. The release of apportionment funding grew more critical. For some trustees the need to gain release of those funds was becoming almost as vital as the dollar value of the flat rate grant. Some of us presented this dilemma to our legislators, and suggested an override as a rescue mission. This route (override) had already been attempted by another segment of higher education. Therefore, although the trustees would have preferred to have the IBHE solve our cash flow crisis for us, some of us emulated this earlier example, and, in growing desperation, turned to our legislators.

"We sincerely regret the sequence of events that led some of our trustees to resort to this action, and trust that future problems will be resolved within our higher education family."

Jefferson Hobby fair

The Jefferson School Parent Teacher Organization is planning a hobby fair to be held Saturday and Sunday, Jan. 19 and 20, at the school, 8200 Greendale, Niles. "Hobby Daze" is planned to interest children and adults alike in a variety of normal, different, or unusual hobbies, such as bottle collecting, stamps, coins, photography, weaving, painting, clay modeling, railroads, to name just a few. It is open to all in the community, not just parents and children of Jefferson school. The more hobbies, the more enlightening for our new generation of children, exploring new ideas and showing new enthusiasm. The admission to "Hobby Daze" will be free to everyone. Anyone interested in displaying a hobby, should call Hobby Daze chairman, Norman Schaezlein at 825-3545.

Dance concert

Some of the glory that was Greece will be reflected in a dance created for Northern Illinois University's annual Faculty Dance Concert that will be presented Thursday, Friday and Saturday, Dec. 6-8. Dancers will perform at 8:30 p.m. at the Anderson Hall Dance Studio. Donations of \$2 are requested for adults and \$1 for students and children.

NIU students in the production include Linda Johnson, 9024 Marmora ave. and Paul Zwik, 7615 Beckwith rd., both of Morton Grove.

Congratulations, Barbara

Niles Mayor Nicholas B. Blase congratulates Barbara Buck, first place winner of the Niles Youth Commission Jr. High Essay Contest after she took his place as chairman of the Village Board meeting run by all the winners of the contest on Nov. 13.

Flag football awards

The Morton Grove Park District held their Flag Football Awards night on Monday, Nov. 19 at National Fieldhouse, Commissioners Tom Bodkin and Bud White were present to assist in passing out the trophies. At the District 207 Board of Education meeting Monday evening, the Board recessed briefly to meet and informally welcome several American Field Service foreign exchange students, their foster parents and their sponsors. Board members met Giorgio Gregori from Italy, now attending Maine South and living with the William P. Wuehmann family in Park Ridge during his stay in the U.S.; Maine West students Anthony Lloyd of South Africa, whose foster parents are Mr. and Mrs. T. M. Evans of Des Plaines, and Maria Piccolo from Brazil, foster daughter of Mr. and Mrs. Ronald Hawks of Des Plaines.

Three Maine students who visited foreign countries last summer as AFS foreign exchange students were also presented to the Board. Fredericka Birke, of Maine South, daughter of Mr. and Mrs. Frederick Birke of Niles, had spent most of last summer in Japan; Maine South student Sue Curda, daughter of Mr. and Mrs. Donald Curda of Park Ridge, spent the summer in Panama; Carole Shekerjian of Maine West, daughter of Mr. and Mrs. Ara Shekerjian of Des Plaines, had gone to Peru as an AFS foreign exchange student.

After the recess, the Board heard a progress report from Roy O. Makela, Board member, on the Dec. 8 Bond Referendum to complete Maine North. Stating that he was highly pleased with the response from PTC, PTA and Booster groups in all of the local schools, he thanked their members for their effective work in distributing referendum material throughout the township and getting the Maine North story before the public. He said that

he was hopeful that, because issuance of General Obligation Bonds to complete Maine North will not result in higher taxes, the referendum on Dec. 8 will be successful.

Mr. Makela, as chairman of the Buildings and Grounds Committee, also reported on the need for installation of drainage tile in Maine South's athletic field. The field is often unusable because of flooding. The Board authorized the administration to develop specifications and seek bids for installation of the tile, with the work to be completed and the field ready for use by the Fall of 1974.

The Board gave authorization for additional Life Safety Code projects at Maine West to be submitted for approval to the Educational Service Region, Cook County office, and the Office of the Superintendent of Public Instruction. These projects include improving the ventilation of a large classroom to be used as a

Large Group Instruction room; replacing sliding glass doors in the swimming pool area to remove, a potential safety hazard; making needed improvements in the bus concourse; and eliminating a potentially hazardous condition in the shower room area.

To conform to recent legislative changes in the Illinois School Code, the Board revised the official school district calendar, establishing the observance of Memorial Day on May 30, instead of Monday, May 27, 1974, as originally planned.

At the close of the meeting, John L. Means, chairman of the Board's Communication Committee, stated that he felt that recent meetings of Board members with the district's foreign language teachers and industrial education staff had been enjoyable and informative for Board members and beneficial in improving communication between the professional staff and Board.

Lessons for Young Bicyclists to Learn

Lesson No. 11 - Check Your Bike For Safety

Frequently you will see men looking under the hood of their cars, checking underneath the car, and generally looking the car over. If you were to walk up and ask them what the trouble is most would tell you nothing was wrong...right now...but it is always best to check over any vehicle BEFORE something goes wrong. This is called a "safety check."

In making a safety check on your bike, which you should make a practice of doing at least once each week, there are many things to look for and examine. WHEELS: Probably the most important parts of your bike are the wheels since they make it possible for the bike to move. It is logical then that the wheels should get careful attention. Check the spokes and see that they are secure. If one is loose, tighten it with your spoke wrench, obtainable at any bike shop. Turn your bike upside down and roll the wheels by hand to see if the wheels are straight. If not, have them straightened at a bike shop until you learn how to do this properly. (If you over-tighten the spokes this can cause the wheel to be crooked.) See that the nuts, holding your wheels on, are firmly tight, but here again, do not over-tighten. Make sure the wheels do not rub as they go around.

BRAKES: Your bike brake should stop the bike fast enough to skid tires on dry, clean pavement. If they do not, have them adjusted. Test your brakes in your driveway or other area off the street.

LIGHTS: As mentioned in lesson No. 1, take your bike lights apart, remove the batteries, wipe them off with a clean, soft cloth. Also wipe out the inside of the light casings before replacing batteries. Keep the rear reflector clean and give the same care to your rear light as you do your headlight.

CHAIN: Check your chain and the chain guard. The chain should have just a little "play" in it. A few drops of oil on the chain weekly is good maintenance. The chain guard should be secure and tight.

SEAT: Be sure your seat is properly adjusted. You should be able to reach the pedals easily. If you cannot, loosen the seat nut and lower your seat. Be sure the seat adjustment nut is TIGHT.

HANDLE GRIPS: When these become worn, replace them right away. Glue these on so they are always tight.

HANDLE BARS: See that your handle bars are in line with your front wheel and the adjustment nut is tight. Do not raise handle bars above the position where you can grasp them, without reaching up above your chest, when sitting on the seat of your bike.

REFLECTIVE TAPES: It is a good idea, in addition to your rear light and or reflector, to strip your rear fender with reflective tape. Check your tape on your weekly check-ups and replace it when it dulls or begins to peel.

HORN OR BELL: See that you have either a horn or a bell, and be sure it works. If not, replace it if it cannot be fixed.

TIRES: Check tires for proper pressure. It is a good idea to have a tire gauge of your own, so you can check pressure at home or anywhere. Proper tire pressure is usually shown on the side of each tire.

CLEANING: Clean your bike regularly. A clean bike will last longer, ride better and be safer. When you wash it down be sure to put a few drops of oil on the moving parts when finished.

If you find something wrong with your bike, and you can't fix it or no one in the family can fix it, it is your responsibility to get it to a bike shop and have it fixed properly. _____

Nest Week: Lesson No. 13

Pre-school classes registration

Parents who wish to register their small children for the pre-school program to be held at each of the Maine Township High schools during the second semester may make application at the schools. The classes, conducted by junior and senior students under the direction of a certified child development teacher, are part of the "on the job" training program of the Child Care Occupations course offered by the Home Economics Department at each school.

Ten to 14 children will be enrolled in each class. To be eligible for acceptance, children must be between three and one-half and four and one-half years of age on Feb. 1, 1974.

All those accepted for enrollment will receive notification early in January. To defray the cost of supplies and refreshments, a registration fee of \$20 will be charged.

The programs at all 4 schools are similar, but vary regarding times and days on which they are held. A letter accompanying the application form will explain the specific program at the individual school. The forms are available in the main office at Maine East, Maine North and Maine West, at Maine South, application forms can be obtained in the Home Economics Department. The deadline for return of the completed form is Dec. 21.

East Maine Caucus seeks candidates

The Search Committee of the East Maine General Caucus is conducting an inquiry or search for individuals of outstanding character and ability as possible candidates for membership on the Board of Education of School District 63. Citizens willing to devote their time and skills to the children of District 63 and their schools as possible school board candidates should contact one of the following members of the search committee: Duane Uselman, 825-0547; Jean Vogt, 824-2358; Walter Romanek, 966-6458; or Howard Lessin, 724-6824.

The names received will be presented to the East Maine Township General Caucus membership and the Caucus Nominating Committee at the next Caucus meeting, Dec. 13, at the Geminal school, Ballard and Greenwood, Niles.

WMTH program
