This was an important meet as it will be the last major challenge the fencers have until Jan. 5 at New Trier West's U-20 tournament. ND's number one sabre fencer is out with a broken bone temporarily so we had no entries here. In Epee, ND still held onto its strong position in the area. Graduate Tim Glass returned and won the meet. Glass is last year's U-19 National Champion. John Strass is looking for a spot on the divisional team to Florida and part time epeeist, Bill Kica is not far from a berth.

ND's middle age group is not as strong as previous years and may not place anyone on the junior olympic squad in this age group in foil.

The U-20 section is still strong ND entered 8 in this age group and had 4 in the finals. Gary Diamond won his second double first place sweep of the year in foil and sabre. Gerard came from behind to win second place on touches in a five way tie for second. Gerard had a high fever all day, eventually broke his glasses and developed severe cramps in his arm during the finals.

Some of the leaders on the team are: Pat Gerard, 84-27 for .756; Bill Kica, 78-39 for .666; Mike Gerard, 50-34 for .595; Mike Scortino, 57-45 for .558; Ken Lavelle, 48-45 for .516; John Strass, 35-31 for .530. John Strass has a respectable 34-7 in epee for .829; Kica a 17-6 for .39.

ND fencers have now won 20 trophies to date and are .290 of last year's record of .69. As finalists, this year's 37 is .352 of last year's 105.

**Oakton JV basketball**  
 Led by Dan Welter's 30 points and Denny Willison's 23 rebounds, Oakton Community college downed the junior varsity basketball team of Northeastern university 89-77 last Thursday night at Niles East High school.

Though not a Skyway Conference game for Oakton, its record now stands at 2-0. "Our fast break worked well at times, but we still aren't real consistent. We were able to get the ball inside because of our height advantage, and combined with the fast break that made a pretty good offense," commented Raider coach Tom Jorndt after the victory.

Tied 39-39 at intermission, Oakton came out more aggressively in the final 20 minutes. Willison pulled down 16 of the rebounds in the second half while totaling 19 points overall. Center Norm McCray dropped in 20 points, most of which came in the latter period.

Guard Paul Gruss led Northeastern with 24 points.

The Raiders travel to Gateway Tech of Wisconsin on Dec. 5 for their next contest.

## This Christmas "charge" your gifts on a Check-Credit Account...

## ...and save 6% besides (over most financing plans!)

With a Check-Credit account from our bank, you can shop for all your Christmas gifts this year, pay by check and end up *money ahead!*

Here's how: Check-Credit costs you *only 1% per month* on the outstanding balance, instead of the customary 1 1/2% for most revolving charge plans.

The difference adds up to a full 6% less over a one-year period—12% vs. 18%.\*

And while you're saving money, you can have *other* advantages and benefits, too. Like "Instant Loan" privileges... write yourself a loan without having to go to the bank each time. Like flexible payment arrangements... pay as little as 1/20th of your balance or pay it in full, whichever is most convenient that month. Like credit life insurance... coverage up to \$1,000 of your balance and at *no cost to you.*

To apply for Check-Credit, simply stop by the bank or call Virginia Lynch to request an application. Upon approval, you'll receive written notice indicating your total credit limit and a supply of free checks. Then it's on your way to convenient, low-cost Christmas shopping. Happy Holidays!

## Skiing in June and July

Skiing in June and July? Not quite the impossible dream that it might seem to be. Two north-west suburban high school teachers, Mr. and Mrs. James Farrell, plan to take a group of teenage skiers to an exciting camp in Zermatt, Switzerland this summer. Zermatt has the most extensive summer ski facilities anywhere in the Northern Hemisphere. Here the beginning and intermediate skier will have the opportunity to really work at becoming a good skier for three solid weeks. Skiers with more experience will be able to participate in a racing clinic where they will learn slalom and downhill techniques. The ski lessons will be given through the combined efforts of the Zermatt Ski School and the Swiss National Ski Team.

The camp will offer teenagers an opportunity to meet other students from all over the world. In addition to skiing, or instead of skiing, there are numerous optional activities in which they may participate: mountain climbing and hiking, tennis, swimming, photography, language lessons, art, ecology, crafts, and several overnight alpine camping trips. Evenings will offer numerous social activities including films,

bowling, concerts, a teen-age discotheque, and numerous opportunities to sample the town's famous restaurants.

The group is currently being formed by Mr. and Mrs. Farrell with June 17 set as the departure date. Questions concerning the trip will be answered by the Farrells between 5 p.m. and 9 p.m. at 685-0242. An informational meeting for parents is planned for the evening of Dec. 10.

for homes with the amendment they agree to begin work on the sewer serving that area within four weeks time.

In other business Mayor Bode read with regret a letter of resignation from Village Attorney John Nordberg who cited his busy work load and the fact that he has been slated for Circuit Court Judge in the coming elections. The mayor said he will make his recommendation for a replacement at the next meeting. All expressed their feeling of regret at having to lose someone who has worked so hard in behalf of the village for nearly five years.

Engineer George Holt told the board the plans and specifications for the auxiliary pump at the South Station of the Water Dept. are 95% completed. Leonard Hillinger of the Chamber of Commerce said their regular meeting would be held tomorrow night. Clerk Fred McClory noted Vehicle Tags are now on sale and Feb. 15, 1974, was the closing date. He also reminded those present the Village Hall would be closed for the holidays Dec. 22-26 and said the next board meeting would be on Jan. 14.

Martin Ashman said the Finance Committee met last Wednesday night and after much deliberation agreed it would be necessary to raise license fees. In view of this Mr. Don Conn addressed the board saying that he is a resident of M.G., and has 6 postage stamp vending machines within the village limits. He said this type of machine sells a service, not a product and he wishes to have these machines exempt from licensing. John Hilkin said the committee was only considering a fee of \$5.00 a machine but since no decision is to be made yet, it will be studied and discussed at the next meeting. However, the trustees did vote to increase the price of accident reports to insurance companies, etc., from \$3.00 to \$5.00.

... If you're a follower of our Cheap Charley's guide to good restaurants you might head out to Rolling Meadows. A converted red barn on Kirchoff Road has been scraped and painted and named the Red Onion. We had a \$4.50 steak dinner and my lady friend had a superb fish dish for a comparable sum, which made for a fine Cheap Charley evening.

If your taste buds are seeking Chinese food, a restaurant in the 7000 block on Clark Street serves Cantonese food which is superb. Cantonese is a special breed of oriental food, which is quite unlike foods found in most Chinese restaurants. Mongolese beef, sweet and sour pork, huge shrimp prawns, and a dessert of fried bananas is what make the Tien Tien Tsin Restaurant outstanding in the Chicago area.

Last month we ate Italian foods at the Seven Hills which is located on Peterson just east of Lincoln and the meal was great. And previously we had dinner at the Greek Restaurant, the Mykonos, which is located where the old Seven Hills was at Peterson on Lincoln. And while we're not big on ethnic restaurants the food here was also superb. There's lots of good eating in Chicago, and the price of the bill can be quite moderate. And also it can be unnecessarily high. At the Studio Restaurant in Morton Grove you can still get a great piece of prime rib for under \$6. And you can go downtown to the Blackhawk which prides itself on its great salads, and pay much too much for their overpriced meals.

... Congressional candidate Ab Mikva stopped off at our offices last week in what has to be the prelude to a very exhausting year. Drumming up support for a year-long campaign must tax the pocketbooks and energies of many men, as they grind their way through the upcoming year. While the candidate must believe this next year's race, with Adlai Stevenson heading the ticket, is a great opportunity, he likewise must know if he loses this time, it's unlikely he'll ever be in Washington in an elected position. His opponent, Congressman Young, will have had over a year of national exposure, which certainly makes him a better candidate than the Young of 1972.

While Mikva takes the high road in campaigning on "issues", he has a couple of criticisms of Young's voting record and past campaign activities which is likely to bode for a much more vigorous campaign this coming year.

### Notre Dame Concert

The 18th annual Christmas Concert will be given at Notre Dame High School, 7655 Dempster in Niles, on Sunday, Dec. 16, at 2:30 p.m.

Performing groups will include the 50-piece Notre Dame Wind Ensemble, a small brass and percussion group, and the Notre Dame Chorus, under the direction of Mr. Donald Tolosko and Associate Director, Mr. David Creighton.

Notable works on the program include Alfred Reed's "Russian Christmas Music" and Leroy Anderson's "Christmas Festival" (Wind Ensemble); excellent arrangements of "Drummer Boy" and "Do You Hear What I Hear?" (Chorus); and contemporary settings of familiar carols by the brass group.

Admission is by way of one item of non-perishable food, to be donated to inner-city families through a student-government project.

### Fines increased

Cont'd from Niles-E, Main P.1

Also at the meeting, Mayor Blase asked the board to consider several plans for a hotel-motel tax. Although the tax would not bring in a great deal of revenue since there are few motels or hotels in the village, Blase said, the tax would conform with similar taxes in surrounding communities.

In other business, the board awarded a \$297,280 contract for the construction of a water storage tank. The tank, which will take a year to construct and will be 100 feet tall, will be located on Milwaukee Avenue near Golf Road. The money will come from revenue sharing funds and a \$50,000 contribution from the Four Flags Shopping Center. The shopping center also donated the land for the tank.

The Village Board also approved a zoning change for building an addition to the Bellen Company, 7161 Milwaukee Ave. The company packages processed foods. The zoning board had previously turned down the request because the company had asked for a change to a manufacturing zoning.

However, at Tuesday night's meeting the trustees convinced the company to switch the request to a special-use zoning which would enable the village to review any future requests for use of the building.

Mayor Blase said that if the property were changed to a manufacturing zoning, it would also set a pattern for others in the area to seek the same change. "We have to respect the integrity of the area," he said. School Board Atty. Peter Struck voiced objection to the change because the new building will be directly adjacent to the Niles School property. It is 90 feet from the property line to the school building, he said.

He also objected to the odor from the plant. The company agreed to install an afterburner.

If the North Shore areas are included in the Oakton district next week, they will have the option of calling for referendums saying that they do not want to be included in the district, or that they want to form their own. Three areas must vote for the new district if it is to be formed. "If there is a separate North Shore district, there will be two campuses within five miles of each other, each costing approximately \$15 million," said Dr. Klem.

#### "It's Christmas Party Time"

A friend of mine who is in penology went to a Christmas party held for the inmates of a large penitentiary. During the party he overheard one convict say to another, "Boy, would I like to get out of here!" The other inmate replied, "You must be nuts - do you know what it costs to live like this on the outside now?" But despite rising prices and the fuel shortage that international tradition, the Christmas Party, will be getting into high gear now. If you're planning an office Christmas Party or a private one, for that matter, here are some good suggestions:

The FIRESIDE RESTAURANT & LOUNGE, 9101 Waukegan rd., Morton Grove, is now accepting reservations for Christmas parties of up to 25 persons. To get full particulars just phone 966-9600. Your Christmas party is bound to be a memorable one amid the elegant and charming atmosphere of the FIRESIDE and their food and beverages are the best obtainable anywhere.

I understand that the FIRESIDE RESTAURANT will be open Christmas Day and will serve a very special Christmas Turkey dinner with all the trimmings. Looking a bit ahead, better make your New Year's Eve reservations, too. The FIRESIDE will offer their famous regular menu on New Year's Eve together with live entertainment. For a merry Christmas dinner and a Happy New Year's Eve celebration you'll find the FIRESIDE the perfect place to be during the holidays.

Another area restaurant that will be open New Year's Eve and New Year's day is the popular BEAM'N BARREL, 7136 Milwaukee ave., Niles. The BEAM'N BARREL is now accepting New Year's Eve reservations and giving free champagne with dinner. Their regular menu of ribs, steaks, chicken and seafood do not increase in prices will be featured. In the cozy and rustic atmosphere of the BEAM'N BARREL you can enjoy the 'old time' favorite songs from their player piano and a good time can be had by all.

I understand from Frank Palumbo, manager of the GROUND ROUND, Dempster and Waukegan rds., that the GAZOOBIE BROS. are really packing them in Friday and Saturday nights. The Gazoobie Bros. are from Skokie and they majored in music at DeKalb U. These youngsters really have something on the ball. Their music and comedy routines are actually waiting in line to catch their act. In addition to great food and drink, the GROUND ROUND has something going every night of the week. If you're hungry for good food and thirsty for a good time, try the GROUND ROUND, that popular place in the Korvette Shopping Center, Morton Grove.

Last week I dropped in the newly opened PIZZA HUT, 6959 Dempster, Niles, and tried their Pizza. It was delicious and now I can believe they serve more Pizza than anyone else in the world. The PIZZA HUT menu offers one of the largest varieties of Pizza I've ever seen and I'm sure, judging by what I had, they're all super delicious. When you're ready for Pizza, try the PIZZA HUT... you'll enjoy it and their fast, courteous table service. Eat in or carry out PIZZA HUT offers the town's best... and they're open 7 days a week - 11 a.m. 'til midnight, Friday and Saturday 'til 1 a.m.

Jake of JAKE'S RESTAURANT, 7740 Milwaukee ave., Niles, tells me that his 2nd Birthday Celebration last week was the most successful promotion of the many he's had. Jake, who is a promoter's promoter, offered Chicken Club sandwiches for only \$1, Hamburgers for 50 cents and many other food items at about one-third their regular price. He provided free cake and toys for the kids and entertainment for the adults. According to Jake, who ran a full page ad in Bugle newspapers, it really paid off and he reports that he broke all previous sales records for this 2nd anniversary promotion. Jake plans some Christmas and New Year's Eve "specials" and entertainment which will be announced soon.

You can also make your reservations for a gala New Year's Eve celebration planned by your hosts of the well-known DOWN-THE-STREET RESTAURANT & LOUNGE, 6913 N. Milwaukee ave., Niles. Just phone 647-8116 and your gracious hosts, Jan. Ray Jr. or Ray Sr., will take your reservations for a full-filled New Year's celebration you will long remember.

Christmas parties and complete banquet facilities are available for showers, weddings, business meetings, anniversaries or whatever the occasion by ALPIPO'S RESTAURANT & COCKTAIL LOUNGE, 6474 N. Milwaukee ave., just a block north of Devon.

ALPIPO'S is now accepting reservations for their annual big New Year's party where you can ring in the New Year in style and comfort while you enjoy great food and drink. Just phone 775-7344 and make reservations.

Those "Kings" of the Caesar salad, George and Tommy Arvey, owners of ARVEY'S RESTAURANT, 7041 Oakton st., Niles, tell me they'll offer Christmas dinners and you can make your reservations now for New Year's Eve too.

I understand ARVEY'S where the foods are internationally famous have been enjoying a large increase in business since they've offered FREE Caesar salad with their fine dinners. ARVEY'S where the foods are internationally famous are open for breakfast, lunch and dinner.

See you next week

### Legion New Year's Eve party

Presently New Year's Eve tickets are available only for members of the Morton Grove American Legion Post 134 and its Auxiliary. However, after this next week, the general public may also obtain them.

Reports from first junior vice commander Phillip Ellis, chairman, 967-7747, indicate reservations come in fast for this popular, local party. He urges all who wish to avoid themselves of a close-to-home event make their intentions known immediately.

The party is to feature Eddie Woods and his orchestra. The evening's buffet will be highlighted by roast beef and salads. Cocktails will be available throughout the evening, and noisemakers and favors will be passed out to all in attendance.

If five couples make a reservation at one time, a table will be held in their name.

Donation for admittance is \$22 per couple.

Tickets are also available from Ellis' committee: second junior vice commander John Reichert, past commanders Ed Martin and Al Nehart, Bernie Williams and Howard Karsten.

### Legion donates bingo proceeds to veterans

The proceeds of the every Wednesday bingo nights for the month of December at the Morton Grove American Legion Post 134, 6140 Dempster, are to be donated to the Auxiliary Unit for their hospitalized veterans program. In the past, the Legion has conducted a Christmas tree sale at this time of year in their parking lot to assist the women. The raising of the funds insures a holiday gift for each former serviceman now confined to a hospital.

The 7:30-9:30 p.m. bingo games have no admittance charge, but a hard card must be purchased at the door. Specials are held throughout the evening. No children, however.

Post Commander Tony LaRosa reports many residents and businesses traditionally wish to assist in this holiday function, as their prior years' donations have indicated. Again this year, checks may be mailed to the Legion Memorial Home, made payable to the Morton Grove American Legion Post 134 Gifts to the Hospitalized Veterans Program.

### ND hockey team posts 14-3 record

By Mike Lemanski

Notre Dame's hockey team continued to roll over Metro-League opponents, as Coach Jim Meyer's team posts a 14-3 record. As of Dec. 8, the hockey Dons defense, its strong point, has proven its stability over the course of this season by allowing an average of just 1.76 goals a game. Goalies Matt Berrafato and Ralph Menotti have combined their efforts to gain three shutouts thus far. Berrafato has two of the three.

The offense has proven its power by scoring as many as 15 goals a game. They average 4.94 goals a game, and are led by leading scorer Jim Nalepa, quick right wings Tony Salemi and Steve Addante, and left wing Mike Schwass, who compiles his goals by faking defense men and goalies out of their socks.

ND also leads the Metro-League in a very disappointing category, penalties. The Dons are known as hard hitters, and get into trouble often; however, their record proves they can get out of trouble just as easily.

ND has a long way to go, but they can reach all the way if they continue to defeat such tough foes as Maine South, New Trier East, and New Trier West.

### Santa Claus coming to Lawrencewood

Santa Claus will make the first of his two appearances of this holiday season on Saturday, Dec. 15, at Lawrencewood Shopping Center, Oakton at Waukegan in Niles.

The jolly fellow will set up shop in Toyland in the Center Mall and pass out complimentary candy canes to all children from 1 to 5 p.m.

In addition, the first 600 adults who accompany a youngster to St. Nick's den will receive a free reproduction of a famous painting in full color. Suitable for framing these pictures can be used either to enhance the home or be given as Christmas gifts.

Santa's visit is part of the current "Lawrencewood takes the hassle out of holidays" Christmas season activities sponsored by the Lawrencewood Merchants Assn. The center has 37 stores, parking for 2,200 cars and other convenient features.

Another appearance is scheduled for Saturday, Dec. 22, also from 1 to 5 p.m. in Toyland. Free candy and 600 more paintings will be distributed.

### Legion Open House Sunday

Members, families and guests will gather to wish each other a happy holiday season this Sunday, Dec. 16, when the Morton Grove American Legion Post 134 and its Auxiliary Unit hold the yearly Open House. Senior Vice Commander Joe Schmidt is host for the annual function which takes place from 1:30-5 p.m. at the Memorial Home.

Promptly at 2:30 p.m. a Donald Duck film, "Three Caballeros" will be shown for the youngsters. Following the 72 minute color animated movie, hot dogs, soda and candy will be dispersed and then Santa will make a visit. For members and other adults, a light buffet will be served. Cocktails will be available.

## Nimrod sponsors Frazee

Niles Township educator Dr. Vernon Frazee, a Morton Grove resident, is shown above with Niles Township Republican Committeeman John J. Nimrod who sponsored Frazee's candidacy with the County Committee for the post of Cook County Superintendent of Schools. Dr. Frazee is a longtime educator and is currently directing the Niles Township special education program. "Dr. Frazee exemplifies all those qualities we so urgently need in high office," said Nimrod, "and we all owe him the very best efforts for election in 1974."

## Jaffe to teach election course

Aaron Jaffe, state representative from the 4th District, will team with Michael Danko, instructor in Communications, in an election year program called "Election '74" at Oakton Community college during the spring semester.

The course is a six-credit-hour tandem (two three-credit courses) combining Introduction to Political Science (PSC 103) section and an Individual in Modern Society (SSC 101) section. Students will meet candidates, discuss and analyze issues, and become involved in a campaign of their choice, according to Dr. Harvey Irlen, chairman of College Group III.

Dr. Irlen feels that having State Representative Jaffe involved in the program makes it possible for students to receive a complete "ins-and-outs" exposure to electoral politics.

"Mr. Jaffe's involvement is an application of the college's policy to utilize the resources of the college district," he adds.

Election '74 is an outgrowth of the Green Turnip Community Survival symposium "Politicians! How Can They Survive?" which was held at Oakton Community college in October. At that time a panel composed of Floyd Fulle, Republican Cook County Commissioner, Abner Mikva, now a candidate for the Democratic nomination for U.S. Representative from the 10th District, and Dr. Herman Block, Associate Director of Research for Universal Oil Products Co., led a discussion centered on the issues of ethics, public confidence, and the need for capable leadership in the political process.

Classes for the spring term at Oakton will begin on Monday, Jan. 21, 1974. Registration for the spring term is now in process. For further information about the Election '74 program, call Dr. Irlen, 967-3120, ext. 310.

The program will close with a finale in which several groups will be combined to perform a medley of five carols entitled, "Tribute of Carols".

The program will be directed by Mr. Roger Palm. He will be assisted by Elaine Clancy, Judy Graham, Carol Capadona, and Kathy Buonaro, District 70 music teachers.

### Maine Demos elect new officers

Maine Township Regular Democratic Organization members have elected their 1973-74 slate of executive officers at the last regular meeting of the group.

Kenneth J. Cohen, resident of Niles the past twelve years, steps into the President's position with Dr. Tom Kogos and James Pucello filling the positions of 1st and 2nd Vice-Presidents, respectively.

Cohen, an attorney with law offices in Niles has been an active member of MTRDO for ten years. He has served on the Niles Zoning Board the past seven years. In 1965 he was general chairman of the Leaning Tower YMCA fund raising committee from Niles;

he has served as a member of the board of directors for the March of Dimes; and was active with the Niles League.

"It is indeed a privilege and a unique opportunity to lead the MTRDO, one of the most vital and progressive political organizations in all of Cook County. The future of politics in Illinois lies within organizations such as ours, in the caliber of its membership and how it serves the community with a wide range of social, civic and political programs. I hope to encourage greater participation from Maine Township residents as well as an even wider scope of community activities such as this organization has been responsible for in the past years under the tremendous leadership of our committeeman, Nicholas Blase," Cohen said in his acceptance speech.

Other officers elected were: Ms. Ellen Kenaney of Des Plaines, Treasurer; Ms. Bernice Nee of Niles, Recording Secretary; Ms. Betty Ashman of Morton Grove, Corresponding Secretary; Raymond Buh of Park Ridge, Sgt. at Arms; and Earl Wilson of Niles, Legislative Advisor.

MTRDO holds its meetings the 2nd Friday of each month, 8 p.m., at 8074 N. Milwaukee ave., Niles. For information call 692-3388.

Shown above preparing for an active political year, Maine Township Regular Democratic Organization held their election of executive officers at the last Nov. regular meeting. Officers will serve a one year term according to the Organization's By-Laws, Seated (l. to r.) Ms. Bernice Nee, Recording Secretary; MTRDO Committeeman, Nicholas Blase; Kenneth J. Cohen, President; and Ms. Ellen Kenaney, Treasurer. Standing (l. to r.) James Pucello, 2nd V-P; Raymond Buh, Sgt. at Arms; and Dr. Tom Kogos, 1st V-P. Not pictured are Ms. Betty Ashman, Corresponding Secretary and Earl Wilson, Legislative Advisor.

### Nimrod lists candidates

John J. Nimrod, Niles Township Republican Committeeman, today listed the candidates for Cook County offices from Niles Township who will run in the 1974 elections.

"Although our township has long been a leader in formulating party policies, this is the first time we have been honored by the leaders of the Republican Party through selection of seven outstanding individuals for the county ticket," Nimrod said.

Mary McDonald of Lincolnwood is slated for election to the post of Cook County Commissioner, the first time in history a suburban woman has been selected for the County Board. Her qualifications are the highest and her reputation for candor will guarantee full public consideration of suburban needs and desires, according to Nimrod.

"We have three fine suburban lawyers seeking posts in the Judiciary; sitting Judge Reginal J. Holzer of Lincolnwood is slated for Judge of the Appellate Court, Themis Anastos will seek a like post, and John Nordberg of Golf is slated as candidate for County Circuit Court Judge from the suburbs. Anastos is a resident of Morton Grove."

Skokie is represented on the Republican ticket in the person of Erna Gans, candidate for State Representative from the 15th District. Nimrod described Mrs. Gans as having the kind of background educationally and in community affairs which will qualify her to represent her district in the State Legislature to the fullest degree.

In the area of education, Niles Township has sponsored the can-

didacy of Vernon Frazee of Morton Grove, so well known locally for his work with the Niles Township Special Education Program. Vern has been slated for Cook County Superintendent of Schools. Mike Rothman of Lincolnwood is our other 'school' man, seeking the post of Cook County School Trustee.

"Completing the list of local candidates," Nimrod said, "is one in whom I have a little special interest, the candidate for reelection to the posts of Republican Committeeman and State Senator from the 4th District, and that man is myself. I have tried, as Republican Committeeman, to do everything I could to enhance our party, and to encourage its members to serve their community in public office. I feel this end has been served. As State Senator, I have made a sincere effort to work on behalf of all the people of the district, regardless of political persuasion."

Nimrod said that petitions for all candidates have been filed and that after the holidays, campaigning would begin in earnest.

Scott A. Stehlow  
Airman Scott A. Stehlow, son of Mr. and Mrs. Gordon A. Stehlow of 5945 Monroe st., Morton Grove, has been assigned to Lowry AFB, Colo., after completing Air Force basic training. During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations. The airman has been assigned to the Technical Training Center at Lowry.

### Golf Mill to host Holiday Choirs

Carolers entertain shoppers nightly on both the North and South Malls most evenings 'til Christmas.

Shoppers may hear the Choirs on the following dates and times.

### Operation--Yes!

Norman Dachman, Democratic Candidate, Suburban Cook County Commissioner, has issued the following statement:

"People who care and are committed can shape the future of their own community. This has been my personal philosophy and my commitment, my trademark within the suburban Cook County community. People working together can do something; they can provide the conditions we want for ourselves and our families; we can have a voice in the decisions that affect our daily lives. Together we can do these things. All it takes is a combined effort on the part of all of our neighbors. That is the reason I have today called for a Suburban Cook County Committee (Operation - Yes!) to work towards the passage of the Regional Transit Authority or RTA as it is known on March 19, 1974. We must not allow anyone or any group to talk us out of something so badly needed if we are to continue to grow as a viable economic community."

"It is my obligation, not only as a candidate for election to the Suburban Cook County Board of Commissioners, but as a resident, homeowner, parent and taxpayer to raise my voice and volunteer my efforts to overcome an apparent lack of concern by our incumbent Suburban Cook County Commissioners. Their only point of concern is being slated and then never being heard from until the next election rolls around. The people of suburban Cook County need their voice but they remain deafeningly quiet."

"The RTA is one of those rare issues that transcend party lines. It is neither a Democratic, Republican or Independent issue but rather one which concerns the total population of Suburban Cook County as a unit of people. It is a beginning and that is what we must at last seek to achieve. A beginning. The present RTA bill is basically the same bill with some minor exceptions that a Legislative study commission comprised of Democrats and Republicans formed several years ago for the purpose of establishing a Regional Transit Authority in a six county region. As a matter of fact the funding of the bill in its present form is even more to the advantage of Cook County residents since 80% to 90% of the financing would come directly from the State. This would place the funding of the RTA on a much broader basis."

"The RTA will improve mobility of people, improve their access to jobs, commercial facilities, schools and cultural activities. It will help to decrease air pollution and other environmental hazards resulting from excessive use of automobiles and will allow for more efficient land use and planning. It will also provide more economical means of transportation for the sometimes forgotten elderly of our community and the handicapped in addition to the economically disadvantaged."

"So I ask the people of Suburban Cook County who always are being left out of this vital decision to organize themselves and to join me and help me work with them in the passage of this vitally needed area of mass transportation."

### MG Firefighters respond to Bode letter

To the taxpayers of Morton Grove, from the Morton Grove Firefighters Local 2178 regarding the letter sent to all residents by Mayor Bode.

On Oct. 13, 1973, Mayor Bode sent a letter regarding the Fire Department controversy to all the residents of Morton Grove so they could make a thorough and fair judgment of the controversy between the Morton Grove Firefighters Union Local 2178 and the village. This three page letter stated many facts, but unfortunately only one-sided and not at all complete, making it difficult

for the residents to make this judgment without hearing equally from the other side.

At the Village Board meeting on Nov. 26, 1973, the Firefighters asked for an equal opportunity to present their side to each resident of Morton Grove in a similar manner. That request was turned down because it was a waste of the taxpayers money. However, it wasn't a waste for the mayor to print his side of the story. It cost the taxpayers \$1179.39 to read his side of the story; printing of the letters \$284, envelopes \$75, services performed in folding and

addressing \$466.89, and postage \$353.52.

If there is this much surplus taxpayers money in Morton Grove then the Firefighters should be allowed to print their side so that the residents of Morton Grove can make a just and fair judgment of the on-going controversy. The residents deserve to know all the facts.

For any further information please contact local president Robert Kruger at 967-7138.

### Light your tree for Christmas cheer

The Christmas Decorations Association reminds everyone on how to save energy and have a Merry Christmas.

They fully support the President's efforts in conserving energy, however, the President does not want Americans to have a cheerless holiday and for this reason did not prohibit the use of Christmas lights indoors.

Christmas lights use a negligible amount of energy. For example, twenty strings of 35 light miniature sets use less energy than one ordinary 100 watt light bulb. When you light your tree dim the other lights in the room and it will look a lot prettier and conserve a great deal of energy.

### Holiday beauty

Madam Jolie Coiffures invites you to their Holiday Party. Three days before Christmas and New Years, the shop will be serving free punch, cakes, cookies and gifts for everyone.

The shop will be opened with full service on Sunday and Monday before Christmas and New Years. Extra Beauticians will be on hand and manicures and eyebrow arches will be available for your convenience. Also the prices will remain the same as usual for the holidays.

If you need any last minute gifts, Madam Jolie has a complete gift bar to serve you. Jewelry, handbags, nylons and beauty aids are available.

Come in any time. No appointment is necessary. The beauticians are waiting to serve you.
