Marcheschi: Postal officials 'arrogant and indifferent'

Rejects donating \$20,000 for building variation

A petition to build a 5 story office building at 6610 Milwaukee Avenue was held over until the March 26 meeting after village trustees mulled over giving a variation to Gerald LaCerra whose plans had insufficient parking, and exceeded Niles height requirements for the 5-story building.

A new Niles ordinance restricts the building height to 36 feet and would require 91 parking stalls for cars based on the square feet of the building. LaCerra's plans only allotted space for 69 cars.

Village president Nick Blase rather blatantly implied the village might bargain for a compromise. Blase inferred if the petitioner would contribute \$20,000 to be placed in escrow for a possible future improvement of Albion Avenue, the village might consider the approval. But the petitioner said he would give \$10,000 but did not feel he should contribute the asked for money, since he

would then be paying for the improvement of land which is the responsibility of the Cock Robin Ice Cream shop on the corner of the intersection.

In other actions Tuesday night Ang Marcheschi said local post office officials were "arrogant and indifferent" when he inquired about patron parking at the Niles post office. Marcheschi quoted an official there as answering a Marcheschi query as to where patrons should park by stating "the people could part at the village hall" which is at least a block south of the post office.

After Marcheschi said it is Continued on Page 26

From the LEFT HAND

Proponents favoring RTA sent to us their fact sheet responding to frequently asked questions about RTA. The following questions and answers came from the RTA Citizens Committee for Better Transportation:

Limits on Taxing Powers -
Are there limits on the RTA's taxing power?
Yes. The RTA would be permitted only two, restricted taxes.

The only taxes authorized by the Act are a sales tax on gas (at a maximum rate of 5%) and a tax on the privilege of parking at parking facilities. The RTA Act states: "The Board (of the Authority) may not impose any other taxes except as it may from time to time be authorized by law to impose" by the General Assembly (Sec. 4.03 (e)). RTA can impose no sales tax, no income tax, no vehicle registration tax, no property tax, no other tax of any kind.

Parking Tax -
Why is a parking tax included in the RTA Act?
The tax on the privilege of parking at parking facilities will raise important revenue (\$10 million). It also will encourage the use of public transportation in areas where traffic is congested and parking is limited. The precise application of the tax will be specified by the RTA after study.

Home Driveways and Church Lots -
Can the Board impose a parking tax on home driveways and garages or on church parking lots?
No. The Act says that the Board, by an extraordinary 2/3 vote, may impose "a tax upon the privilege of parking motor vehicles at parking facilities." The Illinois Supreme Court has held that parking on public streets cannot be taxed as a privilege because "the right to park on the street is a right already vested in the public, subject to reasonable regulations..."
Furthermore, "parking facilities" is defined in Illinois statutes to mean parking garages and lots for which a charge is made. A home driveway is not such a parking facility. Church lots, too, would be outside the reach of this tax for this reason and others.

Representation -
Are the suburban counties fairly represented on the Board?
Yes. Appointments to the Board adhere to the one-person Continued on Page 27

The Diamond Jubilee Committee is sponsoring a village-wide "Beauty Contest". Eligibility requirements are simple: you must be a Niles resident, single, 19 to 25 years of age. Selections will be made upon poise, personality, charm and beauty.

The lucky girl will be selected from five finalists, and will receive the title of "Miss Diamond Jubilee". There will also be a runner-up chosen. The prizes Continued on Page 26

Voters head for the polls Tuesday in Niles and Maine Townships to vote in the primaries as well as voting on a blue ballot whether or not to create a regional transportation district in the 6-county area surrounding the Chicago metropolitan area.

At the top of the Democratic ballot Senator Adlai Stevenson is seeking re-election against nominal opposition from Dakin Williams of Collinsville. Williams, whose candidacy is comparable to LaF Daly's in Chicago, generally clown's his way thru a campaign, noting his major attribute is being brother of famed playwright Tennessee Williams.

On the Republican ballot George Burditt of La Grange is opposed

by the perennial candidate, Daly, best-known for his bewhiskered Uncle Sam outfit, which he often wears while campaigning. Burditt seems to be a throw-in candidate of the Republican Party. More prominent Republicans, such as Congressman John B. Anderson, had been offered the candidacy, but turned it down in light of the Stevenson opposition, as well as the obstacles of Republican candidates in the present political climate.

In the state treasurer's race incumbent Alan Dixon of Belleville is unopposed on the Democratic ticket while Janetta Mullen of Barrington and Harry Page of Springfield vie for the Continued on Page 27

RTA Caravan

The RTA CARAVAN organized by members of the League of Women Voters stopped at several Shopping Centers and downtown areas in the north and northwestern suburban area on Saturday, Mar. 2. The purpose of the "Caravan" was to acquaint the public with the proposed RTA (Regional Transportation Authority) which will be a referendum

vote on Mar. 19. Shown above (l-r): Patton Fetcher, Norman Dachman, Aaron Jaffe, Nick Blase, Carol Panek (President, LWV, Morton Grove-Niles), Mary Ann Randy and Sue D'Hondt were at the RTA CARAVAN bus at Golf Mill Shopping Center on Mar. 2 to promote and endorse the RTA Referendum.

Local groups make summer plans

Both the Buffalo Grove Boys Baseball Association and the Morton Grove Little League have already made their plans to use Thillens Stadium for this summer's fund raising event.

Located at Devon & Kedzie in Chicago, Thillens Stadium is equipped with 2 fine baseball diamonds, lights for night play, seating for 2000, a PA system, and an

electric scoreboard. All of these facilities are made available free of charge to worthwhile groups. These organizations supply the entertainment and keep all the gate receipts for their own worthy cause.

Just a few dates remain for other interested groups. For more information call Mel Thillens Jr. at 743-5140.

Varsity swimming results

Maine East's varsity swim team overwhelmed East Leyden and Maine North in recent competition. On Feb. 1 Maine East scored 114 to Maine North's 51, and on Feb. 2 Maine East scored 122 to East Leyden's 48.

Scoring against East Leyden was 200 yard medley relay, Henrichsen, Erickson, Esses, and Anderson were first in 1:53.015 and Lannert, Leparski, Drozd, and Grazian were second in 2:01.596; 200 yard free style, Strauss was first, Kane third, and Reeve fourth; 200 yard individual medley, Erickson was first, Leparski second, and Lannert fourth; 50 yard free style, Anderson was first, Esses second, and Grazian third; diving, Dickson was first and Calzone third; 100 yard butterfly, Strauss was first, Drozd third, and Esses fourth; 100 yard free style, Anderson was first, Kane second, and Gullberg third; 500 yard free style, Reeve was second, Andrews fourth, and Strand fifth; 100 yard back stroke, Henrichsen was first, Lannert second, and Winters fifth; 100 yard breast stroke, Erickson was first, Leparski second, and Drozd third; and 400 yard free style relay, Strauss, Reeve, Kane, and Gullberg were first in 3:47.293 and Grazian, Andrews, Winters, and Strand were third with 4:08.968.

The sophomore swimmers at Maine East on Feb. 2 beat East Leyden's team 106-61, and the Maine East freshmen beat them 94-75.

SPORTS

Niles Hockey Association

Bantam Traveling team

In another showdown in the North Suburban Hockey League, Park Ridge came out with a strong attack hoping to Niles for the league lead. Larry DeSalvo opened the scoring with a neat pass from John Valenta in the first period. In the second period Mike Schwass converted on passes from John Valenta and Larry DeSalvo. Park Ridge got on the scoreboard making the score 2-1 late in the second period. In the 3rd, Mike Schwass finished off the scoring when he poked the puck loose at center ice, came in all alone on goal and scored unassisted. Final score Niles 3-Park Ridge 1.

Niles playing in the AA Division of the State Tournament faced off at Arlington Spectrum against Wilmette, one of the top teams in the area. After 1 period of play the score was 0-0 although Niles had a goal called back. Wilmette opened the scoring midway through the second period. With Niles trailing 1-0 Mike Schwass went to work. Mike stole the puck in Wilmette's zone and scored the tying goal. Then with Niles short handed Mike stole the

puck again and scored his second goal of the night. In the third period Wilmette tied the score on a scramble in front of the Niles net. At the end of regulation time the score was tied 2-2. In the 8 minute sudden death overtime period Niles had numerous scoring opportunities and outplayed Wilmette through the whole period. With 36 seconds left, Wilmette scored knocking Niles out of the AA tournament. No doubt this had to be the Bantams best game played right down to the last player. Final score 3-2 Wilmette in overtime.

After a disheartening defeat in the AA tournament Saturday the Bantam Sharks traveled to Oak Park. Both Oak Park and Niles played a very physical game as Oak Park went out in front in the first period 1-0. Niles tied the score in the second period when Ted Hess hustled the puck into the Oak Park zone and Dave Doody rushed the net and jaimed home Niles' only score. Oak Park added 2 more goals and won the game 3-1. No doubt Oak Park realized they were in a very tough game with hard checking on both sides.

Pee-Wee

Jan. 27
Callero & Catino started the 2nd half with a 5-2 win over Team #21. Scoring for Callero, John Jablonski with a hat trick, Scott Reuter with 2 goals. Assist went to Sam Galloto and Ron Lilja. Scoring for Team #21 Kan Kasnlak with 2 goals.

Feb. 2
Callero & Catino and Total Comfort played to a 3-3 tie in an exciting game. Ricky Colon scored for Callero in the first period. In the second period Total Comfort outplayed Callero and scored 2 goals, one by John Ochsenreiter, assisted by Bill Quallardi. Bill Quallardi scored in the second period, and again in the third period. Frank Dietrich tied the game assisted by Ricky Colon.

Feb. 23
The Niles Mites beat Paletine in their first game of The Illinois State Tournament at Oakbrook Saturday, Feb. 23. Niles' goals were scored by Ricky Composono, Steve Turinsky and 2 by Mark England. Assists for the day go to Steve Turinsky, Joe Tomaska, Dennis Kita, and Larry Kobalska. Niles' excellent goal tending was done by Nick Candotti.

The Niles Mites put up a great fight when they played Glenview at the Ballard Sport Complex. Glenview scored their two goals in the first period. In the second period Niles' first goal was scored by Ed Olczyk assisted by Ricky Composono. The goal that tied the game was scored by Ed Olczyk unassisted. Final score Niles 2, Glenview 2.

Feb. 24
Niles played Oak Park at Oak Park and were beaten 7-2. Niles' goals were scored by Ed Olczyk with an assist on the second goal by Steve Turinsky.

Feb. 26
The Niles Mites Traveling team

Feb. 3
Kivans of the Pee Wee made it three in a row with a tough win over Callero and Catino 3-2. Bill Conner opened the scoring with the assist by Steve Heindl and Dan Corona. Barry Ross scored a goal and two assists went to Tony Jerifata, with 20 seconds to go. Tony Jerifata scored the winning goal.

Feb. 10
Callero & Catino played another great game beating Team #2, 6-0. Goals were scored by Bob Traylor (4), Russ Donash, and Frank Dietrich. Assisted by John Jablonski (3), Frank Dietrich (2), Russ Donash and Ron Lilja.

Mites

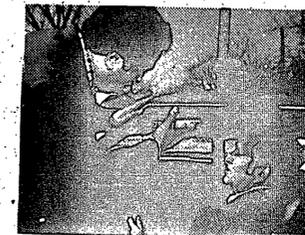

beat the Evanston Mites 3-0 giving goalie Gary Redig a shut out game. Goals were scored by Mark England, Joe Tomaska, and Larry Kolbaska with assists by Steve Turinsky.

Feb. 11
The Niles "All-Star" "B" team played Norridge for a 3-1 victory. Total shots on goal for Niles were 16. Excellent goal tending by Frank Keener and Edward Burke. Goals by Bill Quallardi, Ricky Colon and Bill Conner with assists by John Jablonski (2) and John Ochsenreiter.

Notre Dame football champs play basketball in Niles

Members of Notre Dame University's national championship football team will play a benefit basketball game against a Notre Dame High School of Niles Hall of fame alumni team on Friday, Mar. 29 at 8 p.m. in the Notre Dame High School gym, 7655 Dempster st., Niles.

The Notre Dame University team will be led by former Notre Dame high school alumni Gary Potempa and Tim Rudnick. They will be joined on the hard court by football All-Americans Dave Casper and Mike Townsend plus quarterback Tom Clements (former high school basketball All-American) and several others, including Cliff Brown, Willie Townsend, Gary Dimnick, Geo. Heydich and Joe Alvarado.

John Egart, Notre Dame University basketball captain in 1971 and '72, Barry Hintz, Northwestern basketball star (71-73), John Kardoznak, Loyola of the South great (71-73), and Jerry Goodwin of St. Louis University fame (71-73), will lead the high school Hall of Fame alumni team.

The Notre Dame University football team members have been playing benefit basketball games throughout the midwest since their Sugar Bowl victory over Alabama last New Year's Eve. Continuing the tradition of their undefeated national championship football team, they are also undefeated in basketball.

Proceeds of the game will go to the Resource Fund at the Niles School. Tickets may be obtained at Notre Dame High School, 7655 Dempster st., Niles, or by calling 965-2900. Ticket prices are \$2.50 for adults and \$1.75 for students.

Legion baseball registration

The Morton Grove American Legion Post 134 will conduct a one-day only registration for boys who wish to play Legion baseball this summer. It will be held at the Legion, 6140 Dempster, from 1 to 2 p.m. this Sunday, Mar. 17.

The Legion schedule will not interfere with other summer baseball league play.

There is no charge for youth to participate.

Eligible are boys 16-19 years of age; residing in the village with these boundaries as limits: Golf Road, north; Touhy, south; Edens, east; and Cumberland, west.

Further information is available from Athletic Chairman Ernie Jenkins, 965-7427.

Maine East indoor track

Twelve suburban high schools competed Friday, March 8, in the Evanston Relays. Also, Maine East competed Saturday, March 9 in the North Shore frosh-soph invitational at Evanston.

Maine East was considered a favorite at the Saturday, March 2 Blue Demon hosted Central Suburban League indoor track championships. The first place team, however, with 40 points was New Trier West. Glenbrook North came in second with 39 points, and Maine East was a close third with 37 points. Sister school Maine West placed fourth in the competition with 28 points.

The Maine East sophomores, however, won last Saturday's competition by 20 points over second place Niles West.

niles community

Have you ever felt like complaining to God about something that has happened to you, but then felt guilty if you did?

The sermon on Sunday, Mar. 17, at the Niles Community Church (United Presbyterian), 7401 Oakton st., Niles, will deal with the Old Testament idea of "complaining against God" during the 9:30 and 11 a.m. worship services. Care for toddlers through 2 year olds will be provided during the 11 a.m. service. Church school classes for 3 year olds through eighth graders will also be held at 11 a.m.

Senior high youth will participate in a "lock-in" Saturday-

Sunday, March 16-17, as a means of collecting food for the Chicago Beacon House; sponsors will contribute one food item for every hour each youth stays awake. The Sunday vesper service will be held at 5 p.m.

Church meetings during the week of March 18 will include: Monday, 7 p.m. - Confirmation class, 7:30 p.m. - goal-setting steering committee; Tuesday, 7 p.m. - senior high explorers group, 8 p.m. - youth council; Wednesday, 6 p.m. - youth rally, 8 p.m. Board of Deacons; Thursday, 7 p.m. - junior choir rehearsal, 8:10 p.m. - senior choir rehearsal.

Speak-Out

The Jewish Family - Is It Disintegrating? is the topic for Speak-Out on Thursday, March 21 at 8 p.m. at the Mayer Kaplan Jewish Community Center, 5050 W. Church st., Skokie.

Three distinguished speakers will express expert views on this timely topic, and shed some light on the apparent change in Jewish family life.

The public is invited to attend and participate in the Speak-Out by asking questions of the panel and expressing their views. Admission is free for members, \$1 for non-members and 50¢ for students.

Flynn outlines Schlickman's RTA House Bill

For the past three months we have all heard 4th District Representative Eugene Schlickman complain about the compromise RTA Bill that will be successfully passed on March 19. However, we have never heard him discuss his own version of the RTA. We have never heard him tell us specifically what changes he would make in the RTA to improve it. We have never heard him mention his own RTA House Bill 1209.

House Bill 1209 was introduced on April 12, 1973 by Representative Schlickman without benefit of any co-sponsors. Very few copies of this Bill were available and I spent almost three months trying to secure a copy of it. The House and Senate Clerks are both out of copies and every Legislator that I asked for one did not have one with the exception of one Legislator who gave me this copy. Now we are able to intelligently discuss Schlickman's Bill. Incidentally, I wrote Mr. Schlickman for a copy and he refused to answer my letter, let alone give me one.

First of all let us look at the Bill itself and thereby avoid any conjecture on my part. On page 5 in section 19 the following words appear: "Members of the Board shall be residents of the metropolitan area AND MEN OF REGISTERED BUSINESS ABILITY. As a lawyer, I read this mandatory language as to preclude any female from serving on the Board. Additionally, I recognize that it is unconstitutional because the 1970 Illinois Constitution contains an Equal Rights provision that outlaws any discrimination in Illinois on the basis of sex. In my opinion this Schlickman provision would be declared judicially unconstitutional or interpreted to include women in the generic sense. However, what the courts would say is immaterial. How dare Mr. Schlickman attempt to discriminate against women in this fashion and in the year 1974. Does he really live in the Middle Ages?"

Next let us look at paragraph two (2) of section 19: This section says that the Board members shall be paid a salary of \$15,000 per year and must meet once each month. It does not preclude any member except the chairman from being employed in private industry. The salary rate per monthly meeting is \$1,250 plus transportation and meal expenses. The compromise Bill allows about \$200 per day for the services of Board members. Ladies and Gentlemen, Mr. Schlickman's salary schedule is a "ripoff" of the taxpayers. I object strenuously to this type of compensation for public servants and they are still public servants even if Mr. Schlickman attempted

to make them economic Aristocrats. Let us now look at section 20 of the Schlickman Bill. The Board is to consist of 11 members. The composition is as follows: 5 members appointed by the City of Chicago; 1 member appointed by the President of the County Board and who must be a resident of the unincorporated area; 2 members appointed by an assembly of the suburban mayors of Cook County; 2 members appointed by the Governor from a list of 5 submitted by the collar county Supervisors; 1 member who shall be the Board Chairman at a salary of over \$45,000 per year appointed by the Governor. (11 members).

The six members appointed by officials and residents of Chicago do constitute a majority. Now let us look at section 23 and I quote: "All action of the Board shall be by ordinance or resolution and the affirmative vote of at least six (6) members shall be necessary for the adoption of any ordinance and resolution" unquote. I submit that the day to day control of the Schlickman RTA would have vested in the City of Chicago and that Mr. Schlickman attempted to sell out suburban Cook County and every collar county and every resident therein.

Further, I read in section 23 that Mr. Schlickman attempted to make "such documents and records as shall be kept or prepared by the Board for use in negotiations, action or proceedings to which the Authority is a party" secret and not subject to inspection by the public, the press and the media. I think this is outrageous and I hope everyone of you do too.

I submit to you that HB 1209 was the result of a back room deal that failed and that Mr. Schlickman knows this. I submit to you that he tried to bury this Bill and failing in that he made it impossible to secure a copy to analyze. I submit to you that Mr. Schlickman tried to sell out the suburbs for political purposes by giving the RTA control to Chicago. I submit to you that Mr. Schlickman attempted to discriminate against women either consciously or unconsciously by his Bill language. I submit that he attempted to pay roll the Board members at the taxpayers expense. I submit to you that Mr. Schlickman and all of his RTA objections are a fraud on the people of North-eastern Illinois.

Young MG 'Walk-N-Talk'

The energy crisis and inflation were among topics most often mentioned by Morton Grove residents to Rep. Samuel H. Young (10th-IL).

The residents talked to Young recently during his "Walk-N-Talk" through the village, which included visits to gasoline service stations, the Morton Grove Public Library, Baxter Laboratories, Inc., the Morton Grove Village Hall, the new Morton Grove Fire Department and other stores.

"I would say that the energy crisis was mentioned most frequently," Young said, "but despite the inconvenience, most of the people I talked to seemed to be taking it in stride at this point."

At the Morton Grove Library, Young examined several microfilm readers and microfiches which are available not only to Morton Grove residents but to people of other North Shore suburbs who hold cards in participating libraries. The library's facilities and services were explained by Mrs. Joan Stewart, Librarian.

Young also visited the new Morton Grove Fire Department with Mayor Julie Bode. "This fine new structure was financed in part by federal revenue sharing funds," Young said, "with a considerable savings in finance costs to the taxpayers of Morton Grove. This is an excellent employment of such revenue funds."

At Baxter Laboratories, Congressman Young visited employees in the company cafeteria and viewed a kidney machine which has made it possible for kidney dialysis to be done in the home at much lower cost. Before development of the new machine and a training program initiated by Baxter, the treatments had to be handled at a hospital.

Other stops on the "Walk-N-Talk" which eventually will take the Congressman through every community in the 10th District, included the Milwaukee Railroad Station at Lehigh and Lincoln, the Parfais Restaurant for a breakfast stop, and the Morton Grove Village Hall.

Entertain elderly

On March 9, Bill Andrea and the Golden Strings appeared at the Niles Manor Nursing Centre, 8333 Golf rd., Niles. An added attraction was an 11-year-old boy named Danny Greene who played both organ and guitar. This group is one of six participating in the "Time Share Program" sponsored by Skokie Valley TPA, Chapter 75.

Approximately 100 people in this Chapter are participating in sharing their time with youngsters or the aged as instructors, big brothers or sisters, companions, travel logs, and entertainment. The purpose and intent is to bring happiness to those people too often forgotten and shut-off from normal society activities because of age or handicap. Words alone are inadequate to express the therapy and transformation of those personalities exposed to musical entertainment.

Named to Who's Who

Who's Who Among American High School Students honors Michele Piazzoli of Niles. Michele, a junior at Marillac, was recently notified that she is to be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973-74, the largest student award publication in the nation.

Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the book. Less than 3% of the junior and senior class students nationwide are awarded this recognition.

Michele is the daughter of Bill and Violet Piazzoli of 8257 N. Ol-

cott, Niles. She is active in the field of music (piano, violin, chorus and organ) and forensics; and has also been awarded two First Place Trophies for Original Oratory plus various Music Honors; and is presently one of the semifinalists in the Society of American Musicians Award Winners Contest. Michele is also a member of the National Honor Society.

In addition to having her biography published in the book, Michele will also compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers; and will be invited to participate in the firm's annual "Survey of High Achievers" later in the academic year.

ORT Day 1974

Northern Illinois Region members of Women's American ORT (Organization for Rehabilitation through Training) will join with 110,000 of their co-members in 900 chapters from coast to coast in observing ORT Day 1974 on Mar. 20. They will hold teas, meetings, receptions and conduct phonothons and walkathons to increase their support of ORT's global vocational, education and training program.

Women's American ORT is the largest of groups in 40 nations supporting the ORT program, over half of whose worldwide student enrollment is in Israel.

ORT is the vocational training agency of the Jewish people. Since it began operations in 1880, it has taught over a million people modern trades, ranging from carpentry and plumbing to electronics, tele-communications and computer skills. ORT currently operates some 700 vocational

schools in 22 countries in five continents, with an annual student enrollment of 70,000.

Among the Northern Illinois Region members' participation in ORT Day activities are Mrs. Shelly Goldman, Skokie, Chairman; Mrs. Daniel Limer, Wilmette, President; Mrs. Jerry Karel, Niles, Mrs. Melvin Druckman, Wheeling, Mrs. Morton Levin, Des Plaines, Mrs. Bernard Gutow, Morton Grove, Mrs. Joel Greenblatt, Glenview, and the chapters Growth and Education teams.

ORT Day is the jumping-off point for the organization's spring membership drive which this year will be the most intensive and extensive ever. The greater and more accelerated the growth here, the greater number of those abroad who will be able to receive ORT training which means security, dignity and independence to them.

The name ORT is synonymous with Jewish rehabilitation. ORT needs you. Join now during this mass membership campaign. All interested in joining Women's American ORT may contact the organization at 676-4076.

Black calls for Nimrod investigation

Lou Black, Niles Township Candidate for Republican Committeeman, Monday called for a full-scale investigation of John Nimrod's financial dealings during his last ten years as Committeeman.

At his last press conference in his bid to become GOP Committeeman, Black revealed he Friday sent letters to U.S. Attorney James Thompson, State's Attorney Bernard Carey and Internal Revenue Director Roger Beck.

In his letter, Black said he had received legal counsel that he, as first vice president of the organization, has a right to inspect the books.

Black estimated total income of the Niles Township Republican Organization at more than a quarter million dollars during the last ten years, from revenue obtained in fund raising dinners, picnics and the County Central Committee.

Investigate tax for mental health purposes

To the Editor:

The taxpayers of Maine Township should be informed that their township government cannot tax them for mental health purposes without voter approval. This approval must be given either by a vote of the people at an Annual Town Meeting or by referendum. (Illinois Revised Statutes, Chapter 139, par. 126.3; new par. 39.32; also Chapter 91 1/2, Section 301-314)

Inasmuch as no referendum has been held in Maine Township, I would suggest that these taxpayers who do not want to be taxed by the Town Board for Mental Health Services would be well advised to go to the Annual Town Meeting on April 9 and vote against any such proposal.

Townships cannot spend revenue sharing funds for mental health either, without the same voter approval. HB739, which Townships thought gave them the right to spend revenue sharing funds for mental health, social services, senior citizen services, recreation, transportation, and environmental protection, has just been shown to be void by Attorney General Scott's opinion S-693 rendered Feb. 7.

Sincerely yours,
Verna Beaver

Denies endorsing Nimrod

Dear Sir:

It has come to my attention that a recent piece of campaign literature being circulated by John Nimrod in his bid for reelection to the post of Niles Township Republican Committeeman, contains my name as one of his endorsers. This letter is to advise you and, through you, your reading public, that I have not made such an endorsement.

It is well known that I reside in the Maine Township section of Morton Grove. It is equally well known that I refuse to become involved in any political matters within Niles Township. I took this position publicly when I was first elected a trustee of the Village of Morton Grove in 1969, and I have maintained this posture ever since. I would not be so presumptuous as to attempt to advise the voters of Niles Township on a matter which stops at the boundaries of their township.

Very truly yours,
David S. Cohen

LETTERS to EDITOR

The undistorted facts on ERA

Dear Editor:

Kevin Christall's letter in last week's issue of The Bugle is a good example of what happens when people don't listen to their own preconceptions.

The program ERA - It's About Time tried to deal with some of the central issues pertaining to the proposed 27th amendment. Mary Staciotti tried to make the point that in our society there are countless instances where women are 2nd class citizens. If he had talked to Ms. Staciotti she could have told him all the instances in her own life in which she was definitely discriminated against. And don't forget, this is a bright aggressive woman who is now a respected lawyer and teacher. If she's had problems "making it" how much more difficult is it for the average woman.

If, when two people marry, they become ONE (this being an already outdated concept) the ONE is usually the man. Even if the woman works, there are many states which prevent her from getting a mortgage, getting credit, serving on juries, starting a business, controlling her own property or the property and money of her children.

The Constitution does not include women because it is based on English Common Law, which considered property owning men the only legal persons. Even after the passage of the 14th Amendment (with its so-called "equal protection clause"), it took 50 more years until women gained the right to vote.

Under the 14th Amendment, any law which discriminates against women can always be justified because a state can say we want to "protect" women. A state can

justify such discrimination easily in a court of law, while making it more difficult for a woman to establish that the law is unreasonable as it applies to her. The main obstacle with the "equal protection clause" of the 14th Amendment is to change the philosophy that sex discrimination may be reasonable to the philosophy that in most cases sex discrimination may be unreasonable and inherently suspect. No court, including the Supreme Court, has come out and changed this philosophy. For example, in Ohio a woman cannot be a gas or electric meter reader or a section hand. This is nonsense!

Something that should be known is that right now there is no draft, so it's a dead issue. However, if it should be reinstated, let it be known that in 1971 only 1% of those inducted were ever assigned to combat duty, and only a fraction of those served in the front lines. If we continue to have a volunteer army, women would be able to get the kind of training and benefits that have always been men's birthright.

The major point to ERA is this: if a law restricts rights, it will no longer be valid; if it protects rights, it will probably be extended to men. I have four daughters and I want to see them be able to choose from the widest range of activities, instead of being excluded on the basis of sex. A person's worth (both as a human being and as a wage earner) should be based on merit!

This will only be accomplished by passage of the Equal Rights Amendment.

Nilesite questions park's hockey system

Dear Editor:

As we are now viewing the Illinois Amateur Hockey Association Playoffs, I would like to make this comment.

We have viewed games at Park Ridge, Glenview, Randhurst and Niles. Our son, who is a member of the Amateur Hockey Association, has been admitted to all of those games free except at his own home ice in Niles. I would like to know what explanation the Ballard Sports Complex has to give for this. Why does he have to pay to get into his own rink?

At the same time I would like to find out where Niles got the system of choosing their all-star team. In every other district the players are chosen by their

merit and not by financial backing.

Yours sincerely,
Martin N. Ogrew

Expresses thanks

Dear Editor:

On behalf of the membership of the Mayer Kaplan Jewish Community Center, I sincerely thank you for your help in publicizing our third annual art show, "Collector's Choice" on Feb. 24 and 25.

The event was very well attended, and we are happy to announce that the proceeds from the show exceeded our expectations. We believe that we can relate the success of the show directly to the publicity and we appreciate your part in this.

Very truly yours,
Leonard Frumm,
Chairman of the Art Show Committee

Field trips

The March 11th didn't keep Maine East classes from their scheduled field trips.

Maine East's speech and debate teams participated in the March 7-9 Pekin Community High School tournament of champions.

Steno II classes and the Business Communications class toured Civic Center Courts and the Chicago Tribune building on March 8.

The French classes of Mrs. Ethel Simons visited the Chicago Art Institute on March 13, and industrial education department auto classes visited Greer Technical Institute that same day.

Jaycees starting to organize

The formation of the Niles Jaycees is coming about and new charter members are being sought. A nucleus of Niles young men will be holding their 2nd meeting on Mar. 14th at 8 p.m. The location being the Lone Tree Inn at 7710 Milwaukee ave., Niles.

The only qualifications for becoming a Jaycee is that a man be between the ages of 21 thru 35 and that he be either a resident or employed in Niles.

For those that are not familiar with the Jaycees it is a young men's civic organization, encouraging in its members a spirit of genuine Americanism and civic

interest. It also offers its members the opportunity for personal development and achievement and serves as an avenue for intelligent participation in the affairs of the community, the state and the nation. It offers ample opportunity for young men to serve the community and at the same time obtain leadership training thru active participation within the Jaycee organization.

Everyone benefits when the Jaycees are strong and active, the community as well as the individual member. Set aside the evening of Mar. 14th as the night you do something for yourself

and the community by attending the Jaycee meeting. The Park Ridge Jaycees will be on hand to answer all questions regarding this respected organization and since there is no charge you have nothing to lose. Plan on attending!

Anyone interested in obtaining further information prior to the meeting can contact the committee chairman, John Heinz, at 825-8439.

Lasting Service
To be a good auto mechanic you must have the appropriate tools, and most important, know where to use them. It's expensive to repair the carburetor when the engine only needs spark plugs. This is even more true with electronic servicing, particularly with Color TV.

KROMER TV has a small fortune in electronic meters and testers to analyze any problem in electronics. And more than mechanical, electronic maintenance must have a wide understanding in circuit procedures. We do this and guarantee our skill. We'll explain your TV problem so you can understand it, and know what you're paying for. Sometimes our estimates are higher than the part timers and the tube selling firms, but you have service that lasts longer and gives you better picture viewing. Phone 967-6485 next time and let us show you what we mean.

DISTRICT 71-KINDERGARTEN REGISTRATION

Registration of children who reside within the boundaries of School District 71, and will be 5 years of age by Dec. 1, 1974, will be held on Monday, March 25, and Tuesday, March 26.

To facilitate the registration procedures, parents and their kindergarten-bound children are asked to come to Niles Elementary School South, 6935 Touhy

ave., at their scheduled time as follows:

Last names A through D - Monday, March 25 at 9 a.m.; E through H - Monday, March 25 at 10:30 a.m.; I through L - Monday, March 25 at 1 p.m.; M through P - Tuesday, March 26 at 9 a.m.; Q through T - Tuesday, March 26 at 10:30 a.m.; U through Z - Tuesday, March

26 at 1 p.m. At this time, the parent fills out a detailed form. To avoid delay, be prepared to answer, among others, the following questions: 1. Child's physician address and phone number; 2. Father's business address and phone number; 3. Age the child started sitting, walking and talking.

Note: Registration and Screening of pre-schoolers ages 3 and 4 will be held on May 6 and 7. This screening is an attempt to identify lags in areas of development that may interfere with a child's future learning. Early identification and remediation increases the probability that the child will achieve success in later learning.

More details will follow in a later announcement.

Tower YMCA Spring classes

The Leaning Tower YMCA announces the Spring '74' schedule of classes has been completed. An interesting and varied program is available for area residents to choose from. Youth and adults will discover numerous opportunities for self-improvement, relaxation, and recreation during the 10 week term scheduled to begin the week of April 1. Outstanding leadership is offered by the following departments: Hobby, Special Interest, Fine Arts, Aquatic, Sports and Physical education. Prospective students are encouraged to plan their Spring program now, and register at least one week before classes begin!

Adult sport and physical education classes (10 week term) will include: Judo, Karate, Yoga, Fencing, "Tension Control," American Self-Protection and Women's Volleyball. Specials for Women, "Trimmastics," Tennis and the popular "Lose Weight" program. "Cardio-Respiratory" conditioning classes for men are being continued with early morning, noon or evening periods available. Adult Golf classes are scheduled for 6 weeks.

The Aquatic department (10 week term) for Adults will feature a "Boating Safety" course directed by the U.S. Coast Guard Auxiliary. Progressive Swim Instruction, Scuba Diving, "Aquanastics" (for women) and a swim course designed especially for those who have never learned to swim, called "Land Lubbers" are set for the Spring term including Life Saving classes and Skin Diving. A U.S.C.G.A. 7 week class in Sailing will be offered.

Special Interest for Adults (10 weeks), include: Decoupage, Crocheting, Amateur Radio, "Food Ideas Unlimited" (a consumer-oriented class), Dressmaking, Art, Beginners' Chess, Guitar, Beginner Bridge, Hymns, Dog Obedience, Photography, "Modern Jazz Dance and Exercise," Adult Social Dance, Arabic "Belly-Dancing," and Hawaiian Dance.

Local youth will find a lively and outstanding program of classes to choose from. Ten week courses: "Model Workshop" (for girls), Art, Guitar, Ballet, Acrobatics, and "Arts and Crafts" for 3-5 year olds. Youth sports and physical education classes (10 weeks) include: Judo, Karate, American Self-Protection, Gymnastics, Wrestling, Archery, Trampoline, Body Building, and Floor Hockey (Boys). Youth Golf classes are set for 6 weeks.

Youth Aquatic classes (10 weeks) include: Progressive Swim Instruction, Diving, Skin Diving and Water Ballet (Girls). A new program for the 8 to 11 year old will be "Sports and Aquatics."

The Pre-School Gym and Swim" program for children 4 months to 7 years, one of the Tower YMCA's leading activities is being continued!

"Tiny Tots" and "Small Fry" (3 thru 7 years) may be enrolled in the Tower "Sports and Games" program (10 week term).

"Kiddie Kollege" a special 10 week program for 3 and 4 year olds will highlight arts and crafts, rhythms, story telling, good body management skills, games, songs and fun swim-time.

Remember all classes are scheduled to begin the week of April 7. Early registration is advised!

Registration opens for members on Monday, March 11.

Non-member registration will begin on Monday, March 18.

Information regarding classes, schedules, fees and registration procedure may be obtained by calling 647-8222, ext. 556 or drop by the Leaning Tower YMCA, 6300 W. Touhy ave. and pick up a "Program Services" brochure. (Baby sitting services are available during daytime classes). The service desk is open daily 9 a.m. to 9 p.m.

Extra \$\$ for District 63

A new school-aid formula (approved by the state legislature, effective the first time for the present academic year) will give East Maine School District 63 approximately \$245,000 more during the 1973-74 school year than it budgeted for last year.

Significantly declining enrollments, coupled with an increasing assessed evaluation, though mean this initial "windfall" will not continue in the future, explained Superintendent Dr. G. A. Han Gogo.

The new aid formula, called H.B. 1484, represents a new approach to financing schools; it attempts to place greater responsibility on the state, and less on local property taxes for funding education, Dr. Gogo said.

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY

Forgotten filters can cost you money.

Since filters are usually out of sight, they're usually out of mind. That is, until you notice something wrong with your heating or air conditioning. Then you may find a dirty filter behind it.

Dust or lint on filters reduces your system's ability to move heated or cooled air.

It's a good idea to check your filters every 30-60 days. To

remind yourself, you may want to do it the same day you pay your fuel bill. If the filter is dirty, clean or replace it. Clean filters also help keep your home cleaner.

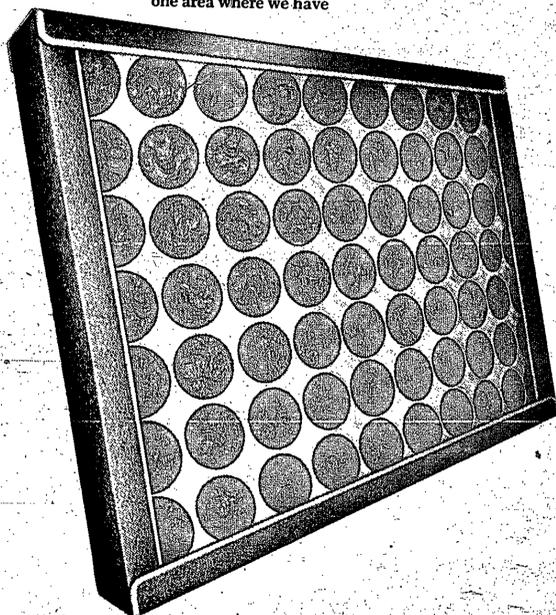

This principle applies essentially to all heating fuels—electricity, gas or oil.

Don't forget the filter on your clothes dryer either. Clean it after every load to keep your dryer in top operating condition.

Maintaining clean filters is only one area where we have

information that can help you conserve energy. If you would like our booklet "101 Ways to Conserve Electricity at Home," write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690. We'll send it to you free.

DINING & ENTERTAINMENT

Invitation to Senior Citizens

If you're a Senior Citizen in the Niles area who wants to be entertained . . . or just to enjoy life a little more . . . plan on attending several upcoming musicales, free of charge.

Staged by the three Niles schools (Niles East, West and North), the presentations include "Sweet Charity"—Wednesday, March 13, 1 p.m., at West, Oakton st., at Edens Expressway, in the school auditorium; "The King and I"—Wednesday, March 27, 1 p.m., at East, Lincoln and Niles aves., Skokie, in the school auditorium; and "L'il Abner"—Sat-

urday, March 30, 2 p.m., at North, 9800 Lawler ave., Skokie, in the school auditorium. Although the latter performance is a regularly scheduled one, a Niles Senior Citizen membership card will admit persons to attend, without charge.

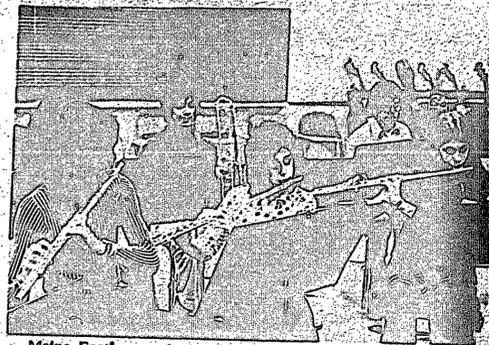

According to Leo Provost, who's Niles Township District 219's coordinator for senior citizen activities, the club, itself, is booming. Being a member entitles a person to attend "free of charge" any social or athletic events sponsored by the schools, he explained.

Grants to community orchestras

Bruce Sagan, Chairman of the Illinois Arts Council announced the following grants to community orchestras in the Skokie area. Skokie Valley Symphony Orchestra received a grant of \$1,600 to be used toward the compensation of a professional cellist. The orchestra performs at the Niles West High school.

A grant of \$300 was awarded to the Skokie Valley Symphony Orchestra, in order to assist with hiring a professional conductor for the group. The orchestra is made up of primarily junior high school age children. The orchestra holds rehearsals every Tuesday evening and performs Winter and Spring concerts at Niles North High school, Skokie.

Winter orchestra concert

Maine East's annual winter orchestra concert will be held Sunday, March 17, beginning at 3:30 p.m., in the Maine East auditorium. Pictured in rehearsal are (front, l-r) James Keefe, Lynn Keller, and Ann Dobrith, (back, l-r) Randy Stefanovic and Steve Glynn.

Whether you like Bach or the Carpenters, you'll enjoy the Maine East winter orchestra concert. The concert will be Sunday, March 17, at 3:30 p.m. in the Maine East auditorium. The program will include "Rosamunde Overture" by Schubert, "Sleepers Awake" by Bach, and the medley "Songs of the Carpenters." Violin soloist Pam Hendrix of Park Ridge will play "La Folia" by Corelli. The orchestration was written by Pam. Tickets may be purchased at the door. They are \$1 for adults and 75¢ for students. Music Booster season passes will be honored.

Maine East Music Department entertains

Gemini Junior High school students, of East Maine School District 63, had some rather talented visitors March 5.

Members of Maine East High School's Music Department performed a variety of guitar, vocal and jazz renditions. The ninth grade girls opened the performance with two songs from The Sound of Music, "Do-Re-Mi" and "Edelweiss." Following them, a beginning guitar class played two short classical numbers — Bob Dylan's "Don't Think Twice" and "Puff, The Magic Dragon," the

'Shock of Recognition'

John Maes, 9612 Greenwood, Des Plaines (left) is the young playwright ruthlessly dedicated to putting a naked man on stage in his next production, and Merv Solomon (right) of Rolling Meadows is the producer who won't buy it. The playlet is one of four that comprise Des Plaines Theatre Guild's current comedy hit, "You Know I Can't Hear You When The Water's Running," opening Friday, Mar. 15 for six performances at Guild Playhouse, 620 Lee St. in Des Plaines. For tickets call the box office, 296-1211, between noon and 8 p.m. any day except Sunday. "I Can't Hear You . . ." continues Mar. 16, 22, 23, 30 and Apr. 6. Curtain time 8:30 p.m.

Cancer research benefit

The Jefferson Theatrical Society is performing on March 30 at the Winnetka Community Center, Pine and Green Bay rds., Winnetka.

This is a benefit sponsored by the Renee Schaefer Gettleman Memorial Foundation-Auxiliary and parent groups for the University of Chicago Cancer Research Foundation, for Hodgkins Disease research.

Tickets can be obtained at door or call Sheila Handwerker, 966-8490 for information. Tickets will be \$5 or \$4 (for college students).

The show put on by the Jefferson Theatrical Society is an original musical comedy entitled: "Blame it on Ms. Eve" or "That Should Tickle Adams Rib." The JTS is a non-profit group, that consists of housewives, business men and varied other occupations. The society was formed 12 years ago, and has performed for many groups including schools, churches, and veterans hospitals throughout northwest suburbs.

FASCINATING FUN & DINING

'Huckleberry Finn' at Mill Run

There's always mischief when Huck Finn and Tom Sawyer are around. You and your children can be there to witness it all, when the Mill Run Children's Theatre presents that Mark Twain classic, "Huckleberry Finn", on Saturday, Mar. 2 at 1 p.m. The play will run every Saturday thru Apr. 27 at 1 p.m., with the exception of Saturday, Apr. 13, when the children's theatre will be dark, due to Easter weekend.

It's always one adventure after another with Huck and Tom in the foreground and Old Man River in the background. Here Huck and Tom match wits with a pair of smooth-tongued crooks, who are so terrible, they even try to cause trouble for Huck's friend Jim, a runaway slave. But don't worry! Huck and Tom take fast action!

Band and Orchestra Contest

The Parents Music Club will be host to the State District 7 Band and Orchestra Contest on Saturday, March 16, at Niles Elementary North school. The contest performances are open to the public for 50¢ admission from the hours of 8:30 a.m. to 4:30 p.m. Refreshments will be available in the cafeteria throughout the day.

WMTH

Ed Vrdolyak, county assessor candidate, will be guest on the WMTH-FM (88.5) talk show "Current Comment" on Friday, Mar. 15, at 11:05 a.m. The host is Steve Mark. Ed and Steve will discuss this year's assessor race. Also included during the show will be a taped segment with Tom Tully, also a candidate. Listeners can comment on 696-2525.

Bob Miller, candidate for Congress (6th Dist.) will be guest on the WMTH-FM (88.5) talk show "Current Comment" on Monday, Mar. 18, at 11:05 a.m. Host is Steve Mark.

Bob and Steve will discuss the congressional race. Listeners are invited to participate on the "Current Comment" phone line 696-2525.

Variety Celebrity Ball

For the seventh year the Variety Club of Illinois, Tent No. 26, is inviting members and guests to "swing into Spring with the star" at its annual celebrity ball to be held the night of Friday, Mar. 22. And again the glamour setting for the festive affair will be the Guildhall of the Ambassador West.

Several surprise Hollywood "names" are expected to head the glittering guest list, according to late west coast word from Henry C. Pitt, president of ABC Great States theatres, soon to be renamed Pitt Theatres with the consummation of his recent purchase of the circuit. And Pitt himself will be honored as "king of hearts" at the ball in recognition of his support of the fundraising soirees which he helped to initiate in 1968.

Celebrities now appearing in Chicago also have been invited, including Laine Kazan, Chuck Connors, Eli Wallach, Ann Jackson, James Farentino, Gwen Verdon, Ray Walston, Betsy Palmer, and Don Ameche.

Already confirmed on the guest list are Lee Pelly and Dolores Rothernburger, stars of the Can-

delight production of "Man of La Mancha", singer Jimmy Damon, Jefferson Award winner Dietrich Schilling from "Cabaret" at the Theatre-in-the-Round Playhouse, WGN's Wally Phillips, newscasters Joel Daly, Jack Taylor and Walter Jacobsen, and from the sports world, quarterback Virgil Carter and his Chicago Fire boss, Tom Orger.

The Hollywood "names" will be announced shortly by the Variety Club's chief barker, Bene Stefan, according to Robert Dachman, chairman of the ball for a third year. Co-chairmen are Robert Flannery and Jack Gilbreth, with Edwin Schwartz an associate chairman in charge of entertainment.

The ball will begin with a cocktail hour at 9:30 p.m., dinner at 11:30 p.m., followed by dancing until the early morning hours to the music of Frank York and his orchestra.

Tickets for the affair are scaled at \$125 per couple, with proceeds benefiting the Variety Club's children's charities. The public is invited but only a limited number of tickets are available. Call Central 6-6525.

'South Pacific'

Take housewives, school teachers, secretaries and sales girls; add to that government workers, doctors, dentists, salesmen, buyers, engineers and attorneys; sprinkle in a couple of teenagers; top with some children... moul, cajole, and even sometimes holler over the course of three months, and what have you got? You've got the case and crew of Congregation B'Nai Jehoshua Beth Elohim production of "South Pacific" assembled by producer and director Earl Bass, of Morton Grove, who will perform at the Howard School in Wilmette this weekend on Saturday, Mar. 23, at 8:30 p.m. and Sunday, Mar. 24, at 2 p.m. and 7:30 p.m.

With technical direction and set direction by Bob Root of Des Plaines; choreography by Judi Malant; and Teena Sweet, also of Des Plaines; and musical direction by Kathy Dammann, Skokie, producer/director Earl Bass feels he has assembled a cast and crew which will guarantee an "enchanted evening" for all who attend the performances.

Featured performers are Robert Keenan, Emile deBequer, Alan Weinstein, Luther Billis; and Sandee Schor, Bloody Mary, all of Des Plaines. Randi Margules as Nellie, of Skokie; and Sue Straus of Wheeling and Howard Bluestone of Glenview as Liat and Lt. Joe Cable.

In addition, Barbara and Allan Carney, Judy and Barbara Bluestone, Ira Fleishman, Roselle Cramer, Andrea Kite, and Jim Straus, all of Glenview; and SaraLee Weinstein, Shelley Grauer, Hank and Marlene Levitt, Arlene Detina, Carole Mazius, and Shirley Root, of Des Plaines; as well as Jack and Ruth Horowitz and Myrna Bulgart of Mt. Prospect; Leonard Blumfield and Pearl Pierce of Morton Grove; Zaida Wise of Northbrook; Harvey Irlen of Evanston; Bob Lifer, Skokie; Bill Straus, Wheeling; and Lana Segal of Niles make up the remainder of the cast.

For further information, ticket reservations, and group rates call 729-7575.

'Camelot'

Sir Lancelot, played by Steve Strong of Chicago, plights his troth to Queen Guenevere (A. J. Riegler of Des Plaines) in the hit song "If Ever I Would Leave You" from the musical "Camelot". The show will be presented by Music On Stage at Rolling Meadows High School, 2901 Central Road, on Mar. 22, 23, 24, 29, 30 and 31. Tickets are \$3.50 and can be reserved by calling 966-4720. Students and senior citizens can see Friday and Sunday performances for \$2.50.

Prominent in the recently announced cast list for the musical "Camelot", to be presented by Music On Stage, Inc., at Rolling Meadows High School on Mar. 22, 23, 24, 29, 30 and 31, are two ladies from Niles and one gentleman from Skokie.

Karol Verson of 8149 Davis, Niles, will portray the wicked beautiful witch whose weakness part in a plot which seals the doom of King Arthur and his Round Table. Those who know the MOS President Karol believe this to be a supreme example of type-casting. Karol has appeared in eight previous shows for MOS, the most rewarding of which was her role of Tzeitel in "Fiddler on the Roof". She has also appeared in several dramatic productions of Des Plaines Theater Guild, as well as in college plays. She's not the only one with acting talent in the family. Her husband Ron won the DPTG Best Supporting Actor Award for his role in Lion in Winter, and is currently appearing in the Pub Player's production of "Steamboat".

Harriet Sumner of 8030 Lyons, Niles, and Bernie Malina of 7506

Kedvale in Skokie will be members of the Court of King Arthur. Harriet previously was one of the stunningly decadent wenches in the MOS production of Cabaret. One of her interests is painting in work on the RTA proposal. Bernie appeared most recently as Commander Harbison in the DPTG production of South Pacific, and has been a Skokie Valley Concert Choir member for five years.

Audiences seeing the MOS production of "Camelot" can be assured that the last musical ever to bear the credit "music by Frederick Loewe" a by-line that became world-famous thru its attachment to other hits such as "My Fair Lady" and "Brigadoon". This last of the Loewe-Lowe collaborations will be presented at Rolling Meadows High School by MOS on Mar. 22, 23, 24, 29, 30 and 31. Tickets are \$3.50 and can be reserved by calling Karol Verson at 966-4720. Reduced ticket prices for senior citizens over 65 or students are available at \$2.50 for Friday and Sunday performances.

Art exhibit

Students from Springman Junior High school are currently exhibiting their work at Maine North High school, 9511 Harrison, Des Plaines.

The exhibit may be seen in the art wing of Maine North. The student display represents work from Mr. Joe Jalowski's classes at Springman Junior High school. "Through the efforts of Mr. Joe Jalowski and his staff, Springman offers an outstanding program in art," explained Mr. Kermit Lindberg, chairman of Maine North's art department. Lindberg added that the student exhibit reveals the students are aware of a variety of techniques in painting.

'Only in Australia'

"Only in Australia", narrated in person by the photographer, Aubert Lavastda, will be presented by MONACEP in the travel lecture series at Maine East High School, Dempster and Porter rd., Park Ridge, on Wednesday, Mar. 20, at 8 p.m. Lavastda describes Australia as unique among modern nations.

So far the country has escaped many of the undesirable conditions that usually accompany material progress. The people of Australia are distinctive in many ways. Lavastda takes his audience to this land of the wombats, wallabies, dingos, ghost gums, swagmen, and the giant clam.

Admission to the MONACEP travelogues is \$1.20 at the door on the evening of the lecture. Senior citizens of Maine and Niles Townships who are 60 years of age or older may purchase either season or single admission for one-half price. For further information, call MONACEP at 696-3600.

Glenview Squares

Glenview Squares club will meet Friday, March 15, at 8:30 p.m. for square dancing in Lyon school, 1335 Waukegan rd. (43) and Lake ave. in Glenview. A "Hitching Post" for dancers without partners is provided. The group meets on the first, third and fifth Fridays of the month. Glenview Squares club welcomes all square dancers from this area. For further information, call Henrietta Mahoney, 724-6784. Active members in the club include Mr. and Mrs. Art (Honey) Treutler, 8238 Olcott ave., Niles.

"GREEN IS BEAUTIFUL..."

Maybe to a Martian or an Irishman or a banker or the Jolly Green Giant but certainly not to a baseball team.

I refer, of course, to the "green" bunch of raw rookies that will make up the starting lineup of the new Chicago Cubs this season.

None of the new young Cubs will receive any offers to make TV commercials for Gillette because they're not old enough to shave. And the only three "old" guys on the team, Williams, Kessinger and Cardenal are so far over the hill, I doubt if they could lift a razor.

It appears, therefore, that unless the new Cubs, with their youth and speed, go in for "streaking" around the bases there won't be much else to excite the hearts of Cub fans at beautiful green Wrigley field this year.

It will be slaughter in the afternoon, every afternoon, this season at Wrigley Field, as the young Cub lambs try to mix it with the older, more experienced baseball teams. "Hit the ball to Bill Madlock" will be the battle cry of all opposing teams when they visit Wrigley Field this season.

Madlock may have some hitting ability, and even this remains to be proven, but he can't catch a soft underhand toss with a bushel basket. And while Vic Harris, at second, can field a little he can't throw. Thus opposing teams have two men on base every time they face the new Cubs.

The new youthful green pitching staff of the young Cubs will prove that youth must be served. And they will be. They'll be served with more home runs, triples, doubles and singles than Field, with its peeing paint.

There isn't much to be said for Jerry Morales in left field or catcher George Mitterwald except that their names will probably appear in the starting lineup. For a while, anyway.

But, in sports of any kind, one never really knows... and who knows, this "green", young group of Cubs rookies MIGHT, if they get the 'breaks', win some games.

The '74 young green Cubs MIGHT win 30 games.

Green will really be beautiful next Saturday and Sunday, Mar. 16 and 17 at JAKE'S famous Restaurant, 7740 Milwaukee ave., Niles. For ALL DAY & EVENING next Saturday and Sunday Jake is having a big, deluxe party celebrating St. Patrick's Day. Jake tells me that he's decorating his restaurant in green and white and there'll be Shamrocks hanging all over his spacious emporium. He has installed a special fountain from which will flow an unlimited supply — yours for FREE — of delicious Green River which was once upon a time America's largest selling soft drink.

And in keeping with his policy to "go all out" for this St. Patrick's Day party, Jake is offering FREE GREEN SHERBERT with every meal. Jake has also secured the services of a famous Irish singer and musician who will render popular Irish songs from 5 to 9 p.m. on Saturday and Sunday. You can enjoy this live entertainment while you are enjoying your choice of a variety of famous Irish dishes, such as Corned Beef and Cabbage, Irish Lamb Chops, Irish Stew or Jake's regular menu of savory steaks, delicious chops, ribs or chicken. And remember, JAKE'S low, low prices will be in effect during his St. Patrick's Day celebration. And, as always, there'll be FREE toys for the kids as well as his regular half-price children's menu for children 12 or under. See Jake's ad regarding his "specials" for St. Patrick's Day in this issue of Bugle newspapers.

Last Saturday Jake was host to 300 kids and adults who were winners of FREE tickets to the famous Medinah Shrine Circus held at the Medinah Temple. A huge banner was spread across the entire section which the guests of Jake occupied spelling out the name of JAKE'S RESTAURANT in great big letters. Press photographers made several "shots" of the large gang of Jake's guests present which, I believe, appeared on TV and in the press.

Say what you want, but Jake is a promoter's promoter. He knows his business and he knows what the public wants and he frequently spares no expense to give the public more than just good food at very reasonable prices. As in the case of his St. Patrick's Day promotion he offers many pluses such as live entertainment and FREE gifts and provides a carnival-like atmosphere which the public enjoys. Going to JAKE'S RESTAURANT is more than just going to another restaurant — it's more like going to a party. And if you drop into Jake's Restaurant next Saturday and Sunday for St. Pat's Day you'll find out what I mean.

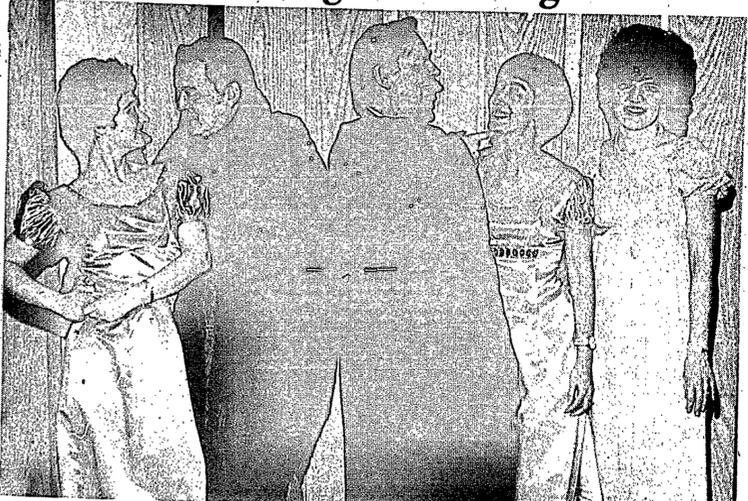

Bonnie Yates, popular singer, returns to the well-known GROUND ROUND, Dempster & Waukegan, Morton Grove, this Friday and Saturday, Mar. 15 and 16. This little gal is simply great and while you're enjoying her music you can relax and wine and dine with the great food, prepared to your order, just the way you like it at the GROUND ROUND. And don't forget on Wednesdays at dinner you can get a FREE color caricature of your children, suitable for framing made by the famous artist Ino Kalnen. Matter of fact, she's making a caricature of me which I'm planning to use in my column in place of a photo. Caricatures have more character... see what I mean.

With apartment rents being raised throughout the area, here's a tip: The FIRESIDE HOTEL, 9101 Waukegan rd., Morton Grove, welcomes permanent residents. They offer luxurious hotel living, with color TV, maid service, etc., from \$150 per month. Several businessmen and career woman friends of mine have discovered that living in the posh new Fireside is not only much less expensive, saves utility costs, but offers so much more convenience and far less work than maintaining an expensive apartment.

And right on the premises you have a magnificent restaurant that serves breakfast, lunch and dinner and also a spacious cocktail lounge and bar are at your disposal.

I understand they still have a few choice rooms available on a permanent resident basis. Just phone 966-9600 for information...

'The Vagabond King'

The cast of "The Vagabond King" is very enthusiastic about their latest play. The music has them hypnotized and the variety of action, music, dancing and of course the story has them convinced that this might be the most exciting of the Niles Historical and Art Society's and the Woman's club of Niles' presentations.

The majority of the cast are local people who have dedicated themselves to music and art for many years in the Village of Niles. Arlene Wajda, member of the Women's club of Niles and the Historical Society, has performed in all four of the musicals presented by the Historical Society. Bob Berles, founder member of the Niles Art Guild and the Historical Society has performed in all of the musicals. David Tillotson sang with the Robert Shaw Choral, belonged to "Savoy Opera Group" and to the Welsh male chorus in Philadelphia. Valerie Bolton, member of the Woman's club of Niles has been in all 4 shows. Stephanie Novak has performed in many of the Historical Society's plays. These are just a

few of the large cast of "The Vagabond King."

This play is the result of much hard work by people who are professional and semi-professional and patrons of the arts. No one is paid any salary. They are dedicated to the same cause, to further the interest of the cultural arts in the Village of Niles. Hopefully, someday they will be instrumental in the building of a museum and cultural center.

Ticket are \$2.50 for adults and \$1 for children up to 12 yrs.

The play will be held at the Recreation Center at 7877 Milwaukee ave. Performance dates are March 29, 30, April 5, 12, 13, and 19 at 8 p.m., and matinee performances April 7 and April 21 at 2 p.m. The Niles free bus will take you right to the door for the afternoon shows. For tickets and other information, call 647-8779.

Shown above (l. to r.) are Arlene Wajda, Robert Berles, David Tillotson, Valerie Bolton, and Stephanie Novak.

Bullock elected president of Wico Corporation

Harry L. Bullock was elected president and chief executive officer of Wico Corporation, worldwide supplier and manufacturer of parts and accessories for the coin-operated machine industry. He fills the position formerly held by the company's founder, Max Wiczor, who continues as chairman of the board. Bullock joined the company in April, 1973 as executive vice president.

Bullock's business career spans over 30 years in the sales and marketing field. He started with the Black and Decker Manufacturing Company in 1936 where he held various executive positions in both manufacturing and sales. In 1958, he moved to Skill Corporation, Chicago, serving as vice president of marketing until 1969 when he started his own sales/marketing consulting firm. Later, he was appointed president and board chairman of Barrett Manufacturing Company, Chicago, before joining Wico.

Wico occupies a new 60,000 sq. ft. plant and office in the Chicago suburb of Niles. Early this year it opened a 6,000 sq. ft. distribution and service center in Southgate (Los Angeles) California to handle its expanding west coast business.

Steve T. Marquette Marine Pvt. Steve T. Marquette, son of Mr. and Mrs. William D. Marquette of 1003 Wilke, Des Plaines, graduated from basic training at the Marine Corps Recruit Depot in San Diego. He is a 1972 graduate of Notre Dame High school, Niles.

Glenview State Bank promotions

John H. Beaulieu, President of the Glenview State Bank, Glenview, announced today the appointment of Chris McKisic as Assistant Auditor, and Ron Schlabowske, as Banking Officer. Mrs. McKisic is a graduate of Mother Guerin High School and attended the University of Illinois at Chicago Circle and the American Institute of Banking. She has been employed at the bank since 1968 in various operational departments. Mrs. McKisic and her husband, Larry, are residents of Schaumburg.

Mr. Schlabowske is a graduate of Loyola Academy and received his degree in Finance and Economics from the University of Wisconsin. Joining the bank upon graduation in 1972, he has been employed in numerous areas of the bank under a Management Trainee Program. Mr. Schlabowske and his wife, Patricia, are residents of Highland Park.

Freed and Associates move to Wilmette

Joseph J. Freed and Associates, shopping center developers, moved to new offices March 1, in the Chalet Office Building, at 1000 Skokie Blvd., Wilmette.

The company will more than double the space it formerly occupied at 7101 N. Cicero ave., Lincolnwood. According to President Sy Taxman, the move was made to accommodate the company's growing space needs which have expanded dramatically during the past year through an aggressive development program.

The company currently is leasing Four Flags, a 300,000 sq. ft. shopping center at Golf rd. and Milwaukee ave., in Niles, and Cassinelli Square, a 350,000 sq. ft. enclosed mall center in Cincinnati, Ohio.

In addition to Four Flags and Cassinelli Square, the five-year-old Freed company owns and manages 5 other shopping centers, including: North Point in Arlington Heights, Bolingbrook Commons, Bolingbrook, Country Corners, Crystal Lake, Mt. Prospect Plaza and the Commons of Round Lake Beach.

Dr. Wallace on Grant staff

Oral surgeon, Dr. Lawrence N. Wallace of Niles, was recently appointed to the Medical Staff of Grant Hospital by the Hospital's Board of Directors.

Dr. Wallace earned his medical degree from the University of Illinois College of Dentistry. Dr. Wallace served his internship and residency in oral surgery at Long Island Jewish Medical Center and holds a teaching appointment at the University of Illinois.

Michael Becker

Marine Pvt. Michael Becker, son of Mr. and Mrs. Henry Becker of 8840 Waukegan rd., Morton Grove, graduated from basic training at the Marine Corps Recruit Depot in San Diego. He is a 1973 graduate of Niles North High school, Skokie.

Project Big

Skills related to sales will be one aspect covered at Maine Township's Project Big on Mar. 27 in the Maine East fieldhouse. Pictured is Harry Reisinger of Tandy Craft in Niles with Maine East Cooperative Work Training student Sue Ryan of Niles.

On Wednesday, Mar. 27, Maine East will host this year's Project Big from 7-10 p.m. in the Maine East fieldhouse.

This year's Project Big will be visited by representatives from 150-160 local businesses, industry, service clubs, and the four Maine Township High Schools. These careers are for people right out of high school to those seeking a professional degree.

For the many people who have never been to Project Big, it is a good opportunity to speak on a one-to-one basis with a representative from the many careers, including all of the Armed Forces.

When talking with one of the representatives, Mr. Keith Honn, career counselor at Maine East, advises students asking questions to consider what qualifications, if

any, which are needed, what training you might have to take, what you can anticipate, and also what is the hope for advancement in the field.

If you do not plan to attend college after high school, it would be wise to visit Project Big. Not all professional jobs require a college degree. It is a fact, according to the U.S. Department of Labor, that eight out of ten jobs to be filled in the 1970's will be completed four years of college. However, this does not mean a person won't need special job training.

Project Big will mean a chance to talk with many career representatives in several job fields and expand your knowledge of the career of your interest.

District 71 students in music contest

On Feb. 23 the Niles Elementary School Music Department participated in the Illinois Grade School Music Association Solo and Ensemble Contest, held at Butler School in Oakbrook. Ten other schools took part in the contest.

Each event entered was given either a first place, second place, or a third place rating. Of the 74 solo or ensemble events entered by Niles, 58 won 1st place ratings, and 16 received 2nd place ratings.

The teachers working with the students were Miss Jacqueline Engel (woodwinds and percussion), Mr. Edward Koehler (brass and percussion), Mr. Mack Whitmore (strings), and Mr. George Snurpus (vocal). The pianists who accompanied the soloists were Mrs. Melanie Koehler, Mrs. Rachel Finch, Mr. George Snurpus, Miss Sandra Peska, and Miss Jeri Templin.

The following is a list of the events entered with the ratings received:

- First Place Solos: Maria Burud (clarinet); Steve Meier (clarinet); Debbie Paulis (flute) (perfect score); Randy Martin (baritone) (perfect score); Steve Koek (cello) (perfect score); Frank Cale (baritone); Dean Granatelli (trumpet); Morgan Cuff (cello) (perfect score); Ron Kasznik (trumpet); Paul Nawiesniak (trumpet); Bob Daehler (tuba); Andrew Sczlin (French horn).
- Betty Kaufman (violin) (perfect score); Judy Fouy (oboe); Sandy Granatelli (oboe) (perfect score); Tom Goodage (snare drum); Debbie Ziegelski (viola); Jon Newman (tuba); Greg Jensen (French horn); Sinead Berger (clarinet); Larry Roberts (trombone) (perfect score); Kathy Heath (flute); Steve Cross (trombone); Craig Blanch (clarinet); David Edington (trombone) (perfect score).
- Ken Kasznik (alto sax); Wally Anderson (trombone); Rita Kar-

PEC to expand

Several unique features highlight the Preschool Educational Center's expansion plans which were announced this week by PEC director T. Schwarz.

The plans call for the opening of a new "Home Away From Home" Day Care Center in April and a new Kindergarten to be ready in September. Both units will be located in a new facility being completed at 4127 Main st., Skokie, across the street from the school's present location, which will continue to operate, at 4131 Main. PEC also has a Preschool Center at that location as well as Preschool and Day Care Centers at 9000 Home ave., in Des Plaines.

An innovation at the new day care center will be the opportunity for a child's parent to join him at the school for lunch occasionally. According to Schwarz, a number of parents will be working in nearby businesses and industries and the lunchtime "get togethers" can be a refreshing and healthful experience for both parent and child from time to time.

Half-day programs also will be available at the "Home Away From Home," which will be operated in the same manner as its successful counterpart in Des Plaines.

PEC's day care program differs from the "play school" pattern in that it creates a home-like atmosphere wherein the child is encouraged to be constructive and creative.

The "Home Away From Home" afternoon program includes napping in a room-like atmosphere complete with bedtime stories, and outdoor/indoor activities such as singing, dancing, drama and art. The children also take part in planning the next day's activities and menu.

An Open House will be held at the Skokie school on Sunday, March 31 at which time a tour of the facilities will be conducted and any questions answered. Any other information is available by calling 677-8252 or 296-5644.

District 63 organizes Competencies Committee

In keeping with the requirements of the Office of the State Superintendent of Public Instruction, East Maine School District 63 has organized the Professional Competencies Committee. This group, made up of four teachers, two principals, two special services staff members, four parents, three students and the Assistant Superintendent for Personnel and the Assistant Superintendent for Instruction, will develop lists of desired competencies of administrators, teachers and pupil services staff in order to design programs of staff development and in-service training.

The District is grateful to the many people who were interested in serving on this committee. It was indeed difficult to select members who represent a cross-

section of our school community. The following individuals have accepted appointment and begun work on this project: Students - Elsie Casale, Nathanson; Robert Goldman, Nelson; Carolyn Glassman, Gemlin. Parents - Carol Christenholz, Oak/Melzer; Harriet Weinger, Washington; Philip Deckowitz, Mark Twain; Carole Wilstein, Nelson.

Teachers and Special Services- Barbara Korb, Melzer; Kaye Polakoff, Stevenson; Helen Marshall, Mark Twain; Clare Morrison, Washington; Ramona Wood, L.D. Teacher; Roda Greenberg, Speech Therapist.

Administration-Margery Dick, Melzer; Robert Jablon, Mark Twain; Don Stetina, Personnel; Lenora Page, Instruction - chairman.

NW Federal Home Fix It Clinic

North West Federal Savings, 4901 W. Irving Park rd., Chicago, has scheduled two special sessions of its Home Fix It Clinic on Tuesday, March 19, and Wednesday, March 20. The topic for these meetings will be "heating and cooling your home," a topical subject with current energy conservation needs.

Neil G. Manny, owner of the Robinson Furnace Company of Elk Grove and director of the National Environmental Systems Contractors Association will be the featured speaker.

Manny will first present slides showing different types of heating and cooling systems and pointing out their advantages and disadvantages. A discussion of do-it-

yourself maintenance, service problems, and preventative maintenance will follow. Afterward, the meeting will be opened to questions from participants.

Meetings will be held in North West Federal's Community Room, lower level. The program begins at 7:30 p.m. and ends at 9 p.m. Coffee will be served afterward.

The public is invited to attend one of these two informative sessions. For reservations, call Theresa Zumer at 777-7200.

Five new career programs

Five new career programs will be added to the vocational education program at Oakton Community College next fall, according to Kathleen Arns, assistant dean of instruction for vocational education.

The new programs, approved by the OCC Board of Trustees at their regular business meeting on Feb. 19 are: Hotel-Motel Management; Insurance; Business Machine Repair Technology; Nuclear Medicine Technician; and Law Enforcement.

Mrs. Arns explained that the programs have now been submitted to the Illinois Community College Board for approval, and she anticipates that all the programs will be implemented during the 1974-75 academic year. The only exception, she pointed out, could be the Nuclear Medicine Technician program. The Illinois Board of Higher Education has placed a moratorium on all new health education programs in the community college system until a study on the needs of the state has been completed.

"I have no doubts about final approval of the Nuclear Medicine Technician program," she said. "There is a shortage of technologists for this new field and the need for qualified people in this field will increase at a fantastic rate."

Mrs. Arns said that Oakton would develop this program using a core approach with its Radiologic Technology program. The enrollment ceiling in the Rad Tech program will be expanded by ten this fall, allowing ten students in their second year of Nuclear Medicine.

Oakton will adhere to the "Essentials of an Approved Nuclear Medicine Program" of the American Medical Association. The only other community college in the area offering this program is Triton College.

The two new business-related career programs, Hotel-Motel Management and Insurance, will meet immediate needs of area business.

Students in the Hotel-Motel Management program will be prepared to assume positions in from office management, food and beverage management, house-keeping management and in the business office.

"The hotel-motel industry is projecting enormous expansion in the North-Northwest Suburbs," Mrs. Arns said. "A survey of more than 25 hotels and motels indicates that positions are available now for graduates of this two-year program and most of them have people employed who are interested in enrolling in the program on a part-time basis."

The insurance program will also attract a preponderance of students from in-service employees of area insurance firms, Mrs. Arns believes. Oakton has been informed that there are many career openings within these organizations for people, particularly for women, with an associate of applied science degree in insurance.

Graduates of the program will be qualified for career positions, such as program development, marketing sales promotion, and claims adjusters. They will have a broad knowledge of the general field of insurance.

The Business Machine/Repair Technology program will be a certificate program preparing the student to maintain and repair various types of office equipment. The Illinois State Employment Service has indicated that there are a large number of openings for these technicians and plans are underway to apply for Manpower funding from the Federal Government for the Oakton program.

Mrs. Arns expects to work with the Illinois State Employment Service in enrolling veterans and local high school graduates in the program.

"Employers indicate that the potential employment pool of paratroopers trained by the military is beginning to dry up and another resource is needed," she said.

The Law Enforcement curriculum will prepare men and women for careers in such areas as police departments, sheriff's departments, state highway patrol, federal and state agencies, retail and industrial security, and private investigative agencies.

Mrs. Arns anticipates that 80% of the people enrolled in this program will be in-service people working in law enforcement agencies. She points out that Oakton is presenting issuing 66 chargebacks to other community colleges for students from this district enrolled in Law Enforcement courses. A survey of police chiefs and police departments within the district indicates that they would like the program implemented at Oakton.

High school graduates or the equivalent will be admitted to the program. A full-time instructor will be employed to coordinate the program.

For further information about these and other career programs at Oakton Community College, call the Office of Admissions at 967-5120.

Defeat of RTA wouldn't kill mass transit

The proponents of RTA have resorted to every technique and argument they can to convince the voters on March 19 that they should vote "yes" on RTA.

Their principle cry is that "it's now or never" or that "it's this RTA or nothing." What they're saying is sheer nonsense.

The issue on March 19 is not whether RTA becomes a law. It already is law and was approved effective on Jan. 11, 1974, as Public Act 78-5, 3rd Special Session. A "no" vote on March 19 cannot repeal this law, by the State Constitution, only the General Assembly, with the Governor's approval, can pass and repeal laws. A "no" vote simply stays or defers the establishment of the regional transportation authority until further action of the General Assembly.

The only way to correct the inherent deficiencies of this RTA law is by voting "no" so that the authority can't be established to issue bonds before the needed amendments are adopted. The Act does not have to be redrawn and the amendment process would be relatively easy. The votes are there. An RTA for all the people, not just a few special interest groups, can appear on the ballot next November, not 3-5 years from now as some have suggested.

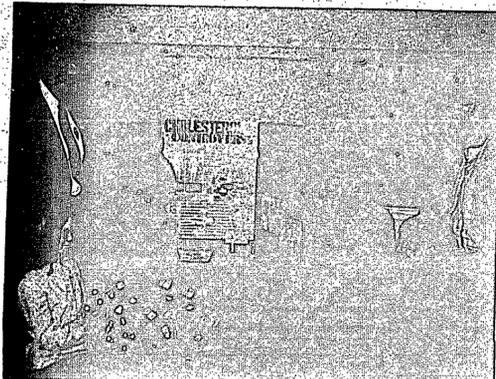

The people of the six county region who will pay for regional transportation deserve better than the present RTA proposal, and the road to getting a sound mass transportation plan is clearly to defeat it this time around.

Science Fair winners

Congratulations to the students who exhibited their projects in the Local Science Fair at Niles West High school on March 2.

First-place winners were David Joseph, Paul Nawlesniak, Phillip Koek, Craig Bianchi, Sue Hoft, Lia Brilando, John Schulz, Robert Daehler, and Sandra Granatelli. These students will represent our school in the District Science Fair on March 23 at Wheeling. David Joseph received an outstanding award, and his project was named as fourth best at the Fair.

District 70 Science Fair winners

Twenty-three Park View Junior High School Science Fair winners will display and explain their projects at the Semi-Final Competition at Wheeling High School on Saturday, Mar. 23.

The semi-finalists, whose projects were chosen from the 300 at the Park View Science Fair, received the following awards at the Niles West competition on Saturday, Mar. 2. They are as follows:

1st place winners: Ben-Fox, Mike Fox, Dave Alparn, Amy Tolsky, Valerie Steiner, Ellen Golub, Amy Kammer, GERALYN JUNG, Dave Hirsch, Jill Bizar, Louis Boutouzeis, Nancy Chikowsky and Joe Gump.
2nd place winners: Ken Rose-

brook, Sue Steple, Steve Kessler, Rick Friedman, Sue Simmons and Mark Schrier.

Outstanding awards were presented to: Jane Jung, Ross Benjaya (1st place overall) and Marc Rappin.

The top award recipients at the Wheeling High School competition will advance to the state competition at Champaign on May 10 and 11.

Shown above (standing) instructors: Mr. William Sutton and Mr. Mike Haas; (seated) Jane Jung, Marc Rappin, Ross Benjaya and Terry Virag.

Experimental films

A series of experimental and student films will be featured by the Oakton Community College Film Society on Friday, Mar. 15, at 7:30 p.m. in Room 108-109, Building 1, OCC Interim Campus, 7900 N. Nagel, Morton Grove.

A continuous, non-stop evening of entertainment, the three and one-half to four-hour presentation will include a number of selected shorts, some funny, some thoughtful, some provocative. The audience may come and leave as they wish. Free coffee will be served as usual.

Art students win awards

Maine East's art students again made a great showing in the recent Evanston Regional of the National Scholastics Art Competition, with 105 student artists winning a total of 273 awards. Three of the five Hallmark honor prizes went to Maine East artists along with 24 blue ribbons, 85 Gold Keys, and 161 place awards.

Place awards designate those pieces hanging in the Regional Show, and the Gold Keys are awarded the best of these pieces. The blue ribbons and Hallmarks go on to New York for national competition.

Maine East's Hallmark winners were Tabby Gries of Morton Grove, A doll Schaller of Niles, and Hillary Schwartz of Des Plaines.

Blue ribbon winners from Des Plaines are Angel Ferri, Mark LaCognata, Linda Schafrik, and Mary Ann Sompolski, and the following Maine East students from Morton Grove received blue ribbons—Debra Donley, Eva Dragan, Melissa Kolb, Andrea Silver, and Julie Urter.

Wendy Avner, Judy Gagliardi, Marc Hampal, Sophia Kretakos, Adolf Schaller, and Anita Ward were blue ribbon recipients from Niles, and Michael Butsmiedl, Jan Jordan, and Steve Mactor from Park Ridge conclude the list of blue ribbon winners.

the Skokie Valley Hospital. Dr. Valdiman said, "I came to Morton Grove the night of your first blood drawing to pray for its success. Many thanks to you and to all of these fine people for helping this community see such a good example for the rest of the state.

Chief Glauser presented the Annual Police Report to the board. Chief Hillbrandt said he would be in Des Plaines since we were invited to tell them about our paramedic program, George Holt said we had only one bidder for the cold mix we advertised for. That was Allied Chemical Corp. That was \$13.85 a ton from their plant near O'Hare Field and \$14.55 a ton from their Skokie plant. Holt advised accepting the bid from the Skokie plant, but Herb Houndt disagreed and moved to re-advertise. John Sator said he wished to get the board's approval to proclaim April 27 Beautification Day in M.G. Fred Huber said in regards to the low bid of Pinner Electric, he recommended accepting this bid for street and traffic light maintenance since a study showed they were a reliable firm.

Mr. Sherman Rootberg of the Admiral Oasis Motel told the board he would like a flat rate instead of the present percentage for the Hotel-Motel tax. He said that, "We find we're chasing out our transient trade." The board agreed to study the matter when some figures can be provided and Mr. Rootberg said he's happy to comply. Ed Brice said the Water Dept. had repaired two 6" water mains and two fire hydrants. Dave Cohen noted the Fire Dept. handled 52 calls between Feb. 25 and March 10. There were 5 new referrals to the Social Services Dept. John Milkin said we set a new record for blood donations in February with 156 pints given. March yielded 107 pints. Mr. Hilkis also said Wells Mfg. is very much aware of their problems and are working on the solution. Dick Hols said most of the furnishings, draperies and carpeting was installed in the new fire station and moved to pay \$9,000 of the \$10,389 due to Meade Furniture. The board approved payment. Hols also urged everyone to vote in favor of the RTA in Tuesday's primary elections.

Herb Houndt said on March 19 he and Engineer Holt would attend a pre-construction meeting on the Golf rd. drain. Houndt urged all citizens who have any questions concerning this matter to contact him.

Trustee Keith Peck reported 479 riders used the Niles courtesy system in December on an average daily basis, 405 in January, 486 in February and 533 daily during the first 10 days of March.

East Maine School District 63 has set April 8 and 9 as dates for kindergarten registration. Children registering for kindergarten must be five years of age on or before Dec. 1, 1974 and those entering first grade for the first time, or who are new residents of the district (without previous kindergarten experience) must be six years of age on or before Dec. 1, 1974.

A certified copy of the birth certificate must be presented at the time of registration or the child will not be enrolled. For children born in Cook County, a certified copy may be obtained from the Cook County Clerk's Office, 130 N. Wells st., Chicago, 60606. A \$2 fee is charged for this service. Checks should be made payable to Cook County Clerk. Times and places for registration at individual elementary schools will be available prior to the registration dates.

Republican post.
In the Congressional races in the 10th District incumbent Sam Young is unopposed in his reelection bid on the Republican ticket while former Congressman Almer Milva, defeated 2 years ago by Young, is unopposed in his Democratic primary race for this post.

In the 4th District state senator race Pat Fletcher of Des Plaines and incumbent John Nimrod of Skokie are unopposed in their bids on the Democratic and Republican tickets respectively.

In the 4th District races for the General Assembly Democratic incumbents Aaron Jaffe of Skokie and Nilesite Thomas Flynn are the 2 candidates who will be selected to oppose incumbents Eugene Schlickman of Arlington Heights and Robert Luckett of Park Ridge. Two candidates are selected from each ticket at primary time and 2 candidates from one Party, and one candidate from the opposition Party are elected in November to fill these offices.

In the local committeeman races incumbent Nick Blase is unopposed in his race for the

for all coaches consisting of knowledge of softball and rules of the game. The meetings will be held in the LGI room in Lincoln Hall.

The directors of training are Dennis Maki and Lynn Margolin.

"Umpire School"
Mike Caliva, head umpire, has started an Umpire School for boys 14-over who are interested in attending. Also coaches are invited to join in. The umpires graduating will receive jobs as umpires in Little League in both Little and Big League baseball, also softball for girls.

"Upcoming Elections"
Everyone is reminded to come out and vote Tuesday, March 19, in primaries for candidates for Cook County, and the big one for Lincolnwood, trustees for School Board running for 3 year term. Remember, your vote counts, so vote. That's April 13, 12-8 p.m. at polling places, precinct one-Todd Hall or precinct two-St. Johns.

It certainly doesn't seem as if baseball season is here, and it wouldn't surprise me if baseball is the farthest thing from people's minds right about now. Football has finally gone into hibernation for the winter, but at last look television was transmitting a barrage of basketball and hockey events. In a day and age when so many sports and athletic events

are constantly overlapping, no one really knows it is baseball season until the weather warns up or until the umpire bellows "play ball," and usually, in these parts, the latter is the one to arrive sooner.

Shelley Nathanson school, Potter and Church rds., will hold a PTA meeting on Wednesday, March 20, at 7:30 p.m., in the school's all-purpose room. During the meeting, a special presentation on "How the New Learning Resource Center Will Serve Your Child" will be given by Principal Steward Liecht, teacher Ms. Iona Marmer and other faculty members.

At Mark Twain school, 9401 Hamlin ave., Des Plaines, the PTA is sponsoring a "Funtastics" on Saturday, March 30, from 11 a.m. to 3 p.m. The fun fair will include 16 "funtastic" games and numerous prizes; in addition, refreshments such as hot dogs, chips, popcorn and snow cones will be provided. No charge for admission; individual game tickets will cost 15¢ or two for a quarter.

one-vote principle. Chicago and suburban representation is equally balanced because city and suburban population is equally balanced. The suburban counties (Lake, McHenry, DuPage, Kane and Will) with 22% of the population of the metropolitan region will have two of the eight appointed Directors (25%); the suburban part of Cook County with 30% of the population in the region likewise will have two Directors. The City of Chicago with 48% of the population will have four Directors (50%).

The Act requires Board membership to be adjusted every ten years to reflect population shifts. If suburban areas continue to increase in population faster than Chicago, their share of Board representation will grow.

Suburban Cook County members would be chosen by the suburban members of the Cook County Board — all of whom are Republican. Outlying county members will be chosen by outlying county board chairmen. This protects against suburban members falling under City of Chicago control.

The ninth member of the Board, the Chairman, will be the chief executive of the Board. Because the Chairman is to be selected by a 3/4 vote of the eight appointed members, he cannot be the captive of any portion of the region.

Today suburban citizens have little influence on public transportation matters affecting them. With the RTA, for the first time they will have an equal voice in North-eastern Illinois transportation policy.

Suburban Benefits — Are suburban areas assured of their fair share of benefits from RTA?

RTA would benefit the entire region by improving the basic transportation system. Two provisions are of special importance to suburban residents:

1. A companion law (Public Act 78-3rd Special Session-17 (Senate Bill 45)), authorizes \$75,000,000 of bonds to be used exclusively for the purchase of public transportation equipment outside Chicago. These funds can make available up to \$300,000,000 of federal matching funds. The funds would enable the RTA not only to purchase immediately the existing equipment of falling bus lines, but also to provide modern buses, mini-buses and new commuter rail equipment. These funds must be used for suburban service.

"The \$75,000,000 authorized for mass transportation service by this ... (Act) shall be used for the acquisition of mass transportation equipment including rail and bus, and other equipment needed in connection therewith for the area comprising the counties of DuPage, Kane, Lake, McHenry and Will, and that portion of Cook County outside the City of Chicago ..."

This money will be available only if the RTA referendum passes.

2. 2/3 of the taxes collected by RTA in each county (and in suburban Cook County) must be used for public transportation service for that area. Section 4.01 of the Act provides that the Board shall allocate an amount in each fiscal year at least equal to 2/3 of the taxes collected by the RTA in such area "for the provision of public transportation facilities and services to each transportation area". This 2/3 return of services ensures that each area will get its fair share of service for the taxes it pays. The Act uses the word "allocate" because of the necessity of allocating between areas the value of services provided for inter-county service. Suggestions that the Act should have required that the 2/3 be spent "within" each such area would have made impossible spending of such funds for those services particularly needed in suburban areas — commuter rail and bus operations not provided solely "within" one county.

Seek North Central membership

Gemini and Apollo schools, East Maine School District 63, have begun the process of obtaining membership in the junior high division of the North Central Association. Membership in NCA, an accreditation agency, is only granted to schools meeting the highest standards of educational excellence.

All phases of schools applying for this accreditation undergo a careful review by a visiting team of educational specialists after a school has completed its own self-study.

Concern over the increased number of abandoned gas stations in Niles, the village will give unattended station owners notice after 90 days their gas tanks will be filled with sand and re-capped if they are not operating within the following 90 days. Village attorney Troy said the storage tanks could be a hazard if the tanks are gas-filled but left unattended, seepage and a potential fire hazard could result.
