Senior Citizens' NEWS AND VIEWS
by Diane Miller

Seniors Run Booth At Niles Days Carnival

Niles Senior Citizens did an outstanding job of helping out at the Niles Days' carnival held in the Treasury parking lot. We visited the carnival on Thursday evening and when we got to the car booth, we were promptly greeted by the Diamond Jubilee King and Queen, Edward Mollenhauer and Grace Walsh who were busy selling car raffle tickets. Also helping out that particular evening were Senior Citizen finalists Esther Larson and Michael Augustyn and we're sure many tickets were sold that evening because of all the competent and gracious help in the booth.

Also many thanks and appreciation to the Niles Grandmother's club members without whose help, the carnival would not have been the success it was. Manning the TV and Radio booth on the various evenings were: Martha Warych, Mary Balogh, Josephine Florio, Elsie Geyer, Marie Waak, Caroline Marshall, Genevieve Zogodny, Hazel Atherton, Irene Dopke, Stella Chojnonski and Catherine Ginnelly. Also selling chances in the booth were Winnie Trocker, Mildred Miller, Thelma Gloppe, Cleo Anderson, Marie O'Kruta, Ann Dvorak, Frances Neilson, and Nellie Keehler.

Selling tickets at the rides booths also were Agnes Michalak, Mary Block, Clara Eick, Marge Bronstein, Mary Balogh, Grace Lynch, Helen Valentine, Phyllis Buffalo and Marie Waak.

Marge Pemberton and Marie Waak also sold souvenirs at the recent Tam golf tournament and many thanks for their fine efforts.

OAKTON OK'S PURCHASE OF NEW SITE

The Oakton Community college Board of Trustees, at its regular meeting on July 23, authorized its attorney to proceed with the legal details of purchase of 147 acres of land for a permanent campus from the Catholic Cemeteries, Archdiocese of Chicago. Total price of the land amounts to \$2,205,000.

Cost of property, which fronts on Central rd. and runs along the Des Plaines River, will be \$15,000 per acre. Fifty acres of the property is open meadow and the balance is lightly wooded.

Negotiations are continuing for the 23 acres of land fronting Golf rd. which are owned by the

Sisters of the Holy Family, according to college officials.

"We are very pleased to be moving ahead with this long-expected purchase," Trustee Paul D. Gilson, chairman of the Site and Facilities Committee, said. "We will move ahead as expeditiously as possible to clear the exceptions to the preliminary title policy and for completion of a contract to be approved by the Board."

The OCC Board of Trustees voted in February to purchase the 170-acre site which adjoins the Des Plaines River from Central rd. on North to Golf rd. on the south.

Seek entrants for Jubilee Parade

On Sunday, August 25, the Village of Niles will present its Frontier Days Diamond Jubilee Parade. This parade will be the culmination of the Diamond Jubilee Festivities.

In recent years many fraternal, cultural, civic, business and religious organizations have participated in the parade, either in the form of a float, musical group, decorated car or marching unit. Or course, the more participants that partake in this event, the more recognition our fine Village receives.

Our parade will form up at 11 a.m. at Notre Dame High school and will kick off at 12 noon. The Diamond Jubilee theme is Frontier Days and offers a wide range in ideas and imagination. We certainly anticipate great things in this year's display, but the more entrants, the merrier. So have your organization or business join the festivities and have some fun!

However, to properly formulate such a parade, the Parade Committee would like to receive confirmation from each group that intends to participate. Please indicate below what your group expects to enter in the Diamond Jubilee Frontier Days Parade of Niles, and reply to: Mrs. Veda Kauffman, Parade Marshall, 8446 W. North terr., Niles, IL 60648, 692-3388 or 825-5940.

Yes! We want to be a part of the 1974 Diamond Jubilee Parade.

Reclamation Center opens new paper collection station

The Niles Township Reclamation Center has opened a newspaper collection center at the Skokie incinerator, located at the corner of Central Park and Cleveland sts. in Skokie.

The new center will be open five days a week, Monday thru Friday, 8 a.m.-5 p.m. and will accept newspapers, magazines, and telephone books only.

Residents living in this area are urged to participate to help alleviate shortages expected for this fall. One ton of newspaper that is used once and then disposed of consumes 17 full grown trees and on a national average over 200,000,000 trees are being destroyed unnecessarily each year.

George Brabec, Manager of the Reclamation Center stated that while recycling newspapers will not completely stop tree logging for paper industry use, it will put a halt to logging of trees in our national forests. This practice began recently with an order from President Nixon in an effort to ease present paper shortages.

For further information on location and material separation please call 966-3800.

International House of Pancakes Pirates 3 - Dodgers 1. This was one of the best efforts the Pirate players came up with. Great pitching by Jack Walsh and Don DeSantis, and Tom Lober was fantastic behind the plate. A base hit by Don DeSantis and a home run by Don DeSantis was all the Pirates needed. That gave them a 2-0 lead and walks by Tom Bientak and Tom Lober and a 2 base hit by Don DeSantis added an insurance run in the 4th inning. Rob Pullen's triple and Piero base hit provided the lone run for the Dodgers.

On Monday July 8, the Championship Game of the Morton Grove Little League South Minors was played between the White Sox and Orioles. The White Sox beat a good Oriole team, 7 to 6. Contributing to the win was Mike Kloss with three innings of one hit pitching and two hits including a home run. Dean Engel, John Lochner, Ross Verdin, Neil Wada, Tony Lamping, Joel Liberson and Bill Hewicker each had one hit. Mike Platt and Paul Calderone each walked twice. Mike Nahabedian, Time Katerly, Mike Platt, Paul

Calderone and Alan Sussman played well defensively. John Lochner pitched the first three innings for the White Sox. The score was tied 2 to 2 after one inning. In the second inning the White Sox took the lead 4 to 2. However, in the top of the third the Orioles took the lead 6 to 4 and then in the bottom of the third the White Sox regained the lead 7 to 6. The least three innings were played scoreless. In the fifth inning from right field Neil Wada threw a strike to Tony Lamping who put the tag on a sliding Oriole into second base for a crucial out.

Niles All-Stars 12-Elk Grove 3.

It was a great offensive game by the All-Stars. Their next game is Sunday for a home run, Mark Menich, 1 for 2, one going for a double and Dickie Devry went 1 for 1.

First round winners, the Astros defeated the Twins last Saturday at Mansfield 20-14 to take the AAA Championship.

Steady pitching by Steve Conn and Jeff DeLort, 9 strikeouts against only 4 walks, backed up by the good defense of outfielders Steve Vishoot, Jeff Bonick and Robby Paneral and aided by two double-plays, held the Twins in check while the Astros were pounding out 13 hits, brought the Astros to the final inning leading 13-10.

DeLort led off the sixth with a single, followed by a Richard Mau double. Two walks to Paneral and Bonick brought Chuck Mierkiewicz to the plate. He promptly dumped a single into left field driving in two, followed by a Marc Schwartz double, his third hit of the day, a Scott Hewicker single and Conn's second triple of the day; giving the Astros 7 runs and a comfortable cushion going in the last of the sixth.

A rally by the Twins was choked off with a brilliant catch by first baseman Steve Hoffman, with the final out coming on a running-stab of a twisting foul fly by Hewicker.

The Astros wound up the year with 9 wins and 5 losses. The Manager and Coaches wish to congratulate the Team on a most successful season.

In the First Round Play-Off game, the Yankees defeated the Red Sox 4 to 3 in a game that saw the Yankees garner only 2 hits off of losing pitcher Phil Wax. The Red Sox usual fine defense failed and errors led to their loss. Dave Rabin was the winning pitcher and his teammate Chris Wheeler

On July 15 the two powers of Morton Grove Pony B baseball met head on to decide the second half championship. The Northwest Honda White Sox, with an 8-1 second half record faced the Sun Drugs Orioles, who also sported an 8-1 record. Each team's only defeat was inflicted upon one another earlier in the season.

The Orioles started fast in the first inning, scoring two runs by way of a walk to Dave Prorock, a run scoring single by Craig Wheeler, and a double by Ron Kiefer. Tom Flood also had a single in the inning. However, the White Sox came right back with two runs in their half of the first on a single by Bill Osterberger which scored Chuck Kloser, who was on base on an error, and a double by Brian Kaplan, the White Sox starting pitcher.

The White Sox then took a 7-2 lead through the third-inning by scoring two in the second and three in the third. Singles by Bob Pocarro and Chris Grenda featured the second-inning scoring, and the three run third was highlighted by hits by Edan Levey and Jerry Mulki.

The Orioles, however, fought back. Bob Palka led off the fourth with an infield safety, which was followed by walks to Dave Prorock

and Bob Ostenson, Craig Wheeler then drew a walk to force in a run, and Ron Kiefer was safe on an infield error - which scored another run. After a fielder's choice force at the plate, Norm Kovarsky brought his team to within one run of the lead with a two run line single to left. Bill Osterberger then came in to pitch for the White Sox, and retired the side without further scoring.

Chris Grenda led off the fourth for the White Sox with a single, and after stealing second and third base, scored on a single by Kaplan. The White Sox led 8-6.

There was no scoring in the fifth or sixth inning by either team, with the only threat being a single by the White Sox Jeff Markus. The two innings, however, were featured by excellent fielding plays by both teams. The White Sox short-stop, Chuck Kloser, went behind second to field a grounder and throw the runner out. Scott Suetov making a fine stretch; and the Orioles catcher Norm Kovarsky gunned down an attempted steal of second.

Behind by two runs the Orioles' seventh-inning started with a single to left by Mike Arcangeletti. After a strikeout, the runner was out stealing, Grenda to Kloser. But still the Orioles persisted. Bob Palka walked, Dave Prorock was safe on an error, and Bob Ostenson walked. With a 3 and 2 count and the entire season down to one pitch, the Orioles Craig Wheeler doubled to right center to tie the score. Only a great relay play started by the White Sox center fielder, Edan Levey, prevented the Orioles from taking the lead. The potential lead run was nipped at the plate. Levey to Swanson to Grenda to end the inning.

The White Sox, however, were not to be denied. With one run needed to win the championship, Bob Pocarro lead off the seventh with a single. Edan Levey then hit a hard grounder to Mark Meltzer at third, who forced Pocarro at second. Don Swanson walked on a 3-2 count, putting two runners on and one out.

Chuck Kloser, the White Sox lead-off man, then ended the thrilling contest with a long hit to right. Kloser's shot down the right field line would have been scored a home run were it necessary for more than one run to score to win the game.

Final score: Northwest Honda White Sox 9

Sun Drugs Orioles 8

The final score signified the closeness of the competition in the B League this year and the game was a tribute to the entire league. The White Sox, who also won the first half, were the 1974 champions.

PEOPLE HELPING PEOPLE

New pastor at St. John Lutheran Church

The Reverend James M. Herzog, graduated from Concordia Theological Seminary, Springfield, Ill., in 1962. His first call was to the mission field on the stone-age island of New Guinea in the South Pacific. He served there for 5 years as evangelistic missionary to the natives and in the process acquired an abiding interest in, and basic knowledge of, the supernatural as practiced by primitive tribes. This interest has led to over ten years of research and includes the modern revival of interest in the occult sciences in civilized countries

such as our own. Rev. Herzog has developed a course of instruction in this area aimed primarily at Christians who are concerned about the supernatural.

His wife, Betty, and one small son accompanied him to New Guinea. Another son was born on the field.

Upon return to the states in 1967, Rev. Herzog pastored three congregations in Texas: Grace in Killeen, Ascension in Cleburn and Trinity in Weatherford. In 1968, Rev. Herzog and his family moved to River Forest, Ill., where he completed educational requirements in order to receive certification from the State of Illinois to teach in high schools of the Lutheran Church - Missouri Synod. In 1969, he accepted a call to become an instructor of religion and counselor to the students of Luther High School North in Chicago. For five years Rev. Herzog has been serving in that capacity while at the same time carrying on a growing preaching and lecturing ministry to congregations at large who were concerned particularly with such areas as missions, the occult and the Holy Spirit.

On April 28, 1974, Rev. Herzog was installed as the new pastor of St. John Lutheran Church in Niles. The church is located on Milwaukee and Harlem and has a Christian day school for grades K thru 8. His ministry has been well accepted by parishioners. Membership and attendance is continuing to increase.

Rev. Herzog conceives a local parish to be a spiritual retreat center. He says, "In my mind and heart I see it as a place where members and visitors will want to come for rest, relaxation, play, study, meditation, healing and

Gross Point Manor offers TLS to residents

Tender loving skill (TLS) is what staffers of Gross Point Manor Nursing Home offer residents. The 99 bed convalescent, rehabilitation and long-term care facility has instituted a dynamic ongoing educational program for all of the professional and para-professional staff members. The goal is two-fold:

- a. Developing a positive, a compassionate and understanding attitude towards the aged and aging process.
- b. Developing an understanding of the essential elements of restorative nursing.

Administrator Patricia Stock feels that a continuous educational program will enable the residents to receive individualized care, according to the needs of each. "Nursing staff and physicians who attempt to treat an illness exclusive of the individual personality can only have limited success," adds Mrs. Stock.

Just returned from a 3 week rehabilitation nursing course for professional registered nurses are Carol Haisch, Mary Jane Sullivan and Mary Lou O'Grady. Also, LPN Mary Elges attended a 3 day seminar for LPN's on "interpersonal relationships" at

the University of Chicago Center for Continuing Education.

Coming up on the agenda for late July are 4 day seminars for department heads on professional care orientation and updating at Urbana, Illinois. Participating in the respective workshops will be Kenneth Opp, director of nurses and Terry Contrarez, activity director.

In-service classes are held daily and must be attended by all nurses assistants and in-coming staff members under the direction of Mary Jane Sullivan, R.N., assistant director of nurses.

Has anyone seen Muffi?

A search for a 7-pound poodle is continuing into its fourth month and Mrs. Peggy Johnson of North Riverside has initiated the help of our paper in the now Chicago area-wide search for her female, black, toy poodle, "Muffi."

Mrs. Johnson took Muffi to her office Feb. 25, and left for a half hour to go to the bank. While Mrs. Johnson was away, a new employee thought Muffi had to go outside and opened a door to the parking lot. Muffi scampered out, unleashed, and was traced to the corner of Roosevelt rd. and Ridgeland in Berwyn where she disappeared.

Muffi was two-and-one-half years old, black with gray around the face, 13 inches long and 8 inches high, answers to her name; has respiratory problems, skips frequently on her back left leg and has longer back legs. She was wearing a yellow leather collar with an identification tag attached when lost.

The little dog had a very identifying mark - she had back surgery for a diseased disc three weeks before she was lost. Her fur was still shaved and the 3-inch incision on her back was very noticeable when she disappeared.

"Muffi was never very healthy, so you feel more protective," said Mrs. Johnson, "We took extra good care of her, and to have this happen was sad."

To date, Mrs. Johnson has

spent \$300 on lost dog ads in newspapers, distributed flyers, cards and mailings, has been given radio time on various local programs announcing her plea, and has offered \$100 reward for information leading to the return of Muffi. She also offers a \$100 reward, no questions asked, for the return of Muffi, plus the gift of a registered poodle puppy to replace Muffi.

If anyone knows the whereabouts of this little dog, Mrs. Johnson should be called at 442-6586 after 6 p.m.

Niles Saints season tickets on sale

Season tickets for the Niles Saints home games are now on sale. The Saints, who won the Championship of the Chicagoland Football League last year, will play 5 home games. Ticket prices at the gate are \$2.50 for adults and \$1 for students. By buying a season ticket at \$10, a fan can save the admission price of one game. For ticket information, please call the Saints office at 279-5845 or send a check to "The Niles Saints" 8203 Ozark, Niles. The public is invited to come and watch the Saints practice at their new field behind the Niles Sports Complex at Cumberland and Ballard rd., on Tuesday and Thursday nights, or Sundays at noon. Coach Bob Beshk says the team is coming along as scheduled, the only problem may be with our line. Because of the retirement of 6 regulars, we may be short of linemen. If anyone is interested in

playing either offensive or defensive line, the Saints would like them to come to one of the practices on Tuesday or Thursday. The Saints first exhibition game is scheduled for Saturday, Aug. 10, in Racine Wis., against the Racine Raiders of the Central States Football League. Buses will be available to take fans to the game. Anyone interested can call the Saints office at 279-5845.

STEVEN C. PERLIS
Navy Lieutenant (junior grade) Steven C. Perlis, husband of the former Edrea S. Goldberg of 9017 Meade, Morton Grove, has reported to the officer indoctrination school, Newport, R.I. Hot Line helps solve problems

Senior Citizens in Area Code 312 can receive help with their complaints or criticisms regarding state government departments and agencies by dialing the word S-E-N-I-O-R-S (736-4677) on their telephone, according to Lt. Governor Neil F. Hartigan. The Seniors 'Hot Line' serves the Chicago metropolitan area, and is a function of the Seniors Advocate Program established last year by Lt. Governor Hartigan and administered by his office. The Seniors Advocate is the people's representative whose job is to cut through the "red tape" of government. By dialing the word S-E-N-I-O-R-S (736-4677) on the telephone, the caller is connected with the Seniors Advocate who takes down all information and tries to provide an answer, taking no longer than absolutely necessary. More than 10,000 requests, inquiries and complaints have been handled during the past 11 months, said Hartigan. "This is the first such program in the country, and while it is a first step, much more must be done." Hartigan noted that over 700,000 senior citizens live in the Chicago metropolitan area, and their problems cover a multitude of areas. Some of the calls are the result of misinformation, but others often deal with specific problems such as reimbursement of nursing home care for the elderly, locations of nutrition programs, requests for information on home-stead exemptions, availability of housing, and delays in receiving Supplemental Security Income Checks, to name a few," he said. "The calls are monitored closely for repetitive inquiries that might suggest need for a change in policy within some department or agency. Last August, for example, we received a number of calls from seniors who complained that they didn't have enough time to file for the circuit breaker tax relief grant. After examining the problem, we were able to have the deadline extended twice. Now, of course, the deadline has been extended indefinitely, continued Hartigan.

Niles Grandmothers share in Carnival fun

Wednesday, July 17 at 6 p.m. was the start of another Niles Day Carnival at the Treasury parking lot for five days. We never expected to see so many people participate in the carnival and we were very grateful. The Grandmothers Club of Niles took care of the T.V. and Radio Booth Jar Game. Twenty Grandmothers Club members manned the booth in 3 hour shifts for the hours the carnival was open, from 6 p.m. till midnight. The booths were so popular that every night we stayed open past the expected closing time. On Saturday and Sunday, members of the Grandmothers and Huntington Clubs were called upon to sell tickets for the many rides. Many favorable comments were heard regarding the orderliness of the crowd. At the rides there was no pushing or shoving as everyone waited patiently for their turn. It was a joy to see our teen-agers, who have been so maligned in the past, conduct themselves in such a nice manner. The rides looked so exciting that I wished I were a few years younger (like one or two) so I could have enjoyed them myself. There were numerous rides this year consisting of old favorites and many new ones. The Yo-Yo was a two seated car that took you up the center about 50 feet, then it came down around and around until you reached the bottom. The Himalaya was a two seated about 30 cars together like the coaster at Riverview, and went round and round, up and down. I was so fascinated by this ride that I asked Ed Brasch about taking it. He said, "Oh Marie, not that ride. It goes 100 miles an hour." I was lucky enough to have a key that opened the Treasure Chest. I won a beautiful zipped leather manicure set. I enjoyed the carnival very much. Ed Brasch and his committee should be complimented on the efficient way they took care of everything. Each one had their job and did it well. The religious leaders of our community must have said a few extra prayers for the beautiful weather. There was a great variety of food and drink to suit everyone's taste. In the

'The Only Game In Town'

Aside from playing the nags or stabbing the president, the only game in town is the Illinois Lottery. The Lottery is getting more publicity locally than the impeachment.

This figures. For people's pocketbooks are more important than their politics.

And this is the system's fault. And the people's, too. If the president picked the wrong people, did the people pick the wrong president?

Then who should be impeached? Why all those who voted for the president.

Therefore, the constitution of the United States is wrong. It's wrong because it provides no punishment for the stupidity or ignorance of its people.

And under our law ignorance or stupidity is no excuse. And the stupidity in this country is legion.

For most Americans can't define simple English words. And the young are so stupid they've developed their own language.

And the old can't remember or care.

And the middle aged, (39 to 55) are so busy supporting either the young or old that 'make-a-buck' is their golden rule.

Thus, the Spartan belief is held by 50% of the population of this country. Anything goes, if you don't get caught.

Getting caught is the crime, not the act.

Therefore, the President is but a reflection of the majority of the people who elected him . . . and many who didn't vote.

If he's guilty of anything, he's guilty of the system that spawned him.

Therefore, be it resolved, that before the President leaves office (which I don't believe will happen) he do this:

Hold a garage sale upon the green lawn of the White House, whereby the following original historical documents will be offered for sale to the highest bidder: One-The Declaration of Independence, Two-The Bill of Rights, Three-The Constitution, Four-The Monroe Doctrine, Five-The Emancipation Proclamation, Six-The Alaskan Purchase, Seven-The Civil Rights Bill and thousands of other original historical documents which are kept in the archives of the Smithsonian Institute and other museums.

The proceeds from this garage sale should run into the multi-millions. Our President should be permitted to keep these monies, tax free, and become an expatriate in some foreign land, if he so desires.

That's the least we can do for him. After he did so much for us.

For he exposed us for what we are. And maybe, just maybe, that's what he really wanted.

The aforementioned reminds me of the true story about the late, great, first Henry Ford. Ford got the nutty idea he wanted to wear the shirt of a totally honest man. At great expense he hired private investigators to search for this man. Finally, after two years, an investigator phoned him from Arizona saying:

"Mr. Ford, I've found your totally honest man."
 "Great," said Ford. "Where is he?"
 "Here, but there's a problem, Mr. Ford."
 "What problem?"
 "I found this honest guy sunning himself beside a railroad track but . . ."
 "But what," asked Ford.
 "This honest guy ain't got a shirt."

Every red-blooded American loves something for nothing. Here it 'tis: At Jake's Restaurant, 7740 N. Milwaukee ave., Niles, you can now get free Illinois Lottery Tickets. Beginning Aug. 1 thru Aug. 7 you can not only get a money-saving meal but free lottery tickets, too.

Now this free ticket could (mind you, I said could) win you one million bucks. The ticket costs you zero. Here's how it works:

MILLION DOLLAR MEALS AT JAKE'S
 Free Lottery Tickets with the following: Thurs., Aug. 1, Choice Skirt Steak; Fri., Aug. 2, Chopped Steak; Sat., Aug. 3, Butt Steak; Sun., Aug. 4, New York Cut Steak; Mon., Aug. 5, Two Pork Chops; Tues., Aug. 6, Bar-B-Q Ribs; and Wed., Aug. 7, Braided Veal A La Parmigian with Spaghetti.

Any of the above dinners entitles you to a free Illinois Lottery Ticket. And these dinners are priced way below current market prices.

Suppose this free lottery ticket wins you a million bucks. In our free enterprise system, with this stake, you could enter politics. Starting as alderman, like Truman, you might wind up as President. After you become President, out of appreciation, you might want to award Jake with an ambassadorship to some small country. Then the House Judiciary Committee, now made up of all Democrats, would promptly vote a bill of impeachment against you. That is, if you were unfortunate enough to be a Republican. So, if you win the million bucks with Jake's free lottery ticket, for heaven's sake run politically only as a Democrat.

But even if you don't win the million bucks or become President, you will enjoy and long remember the million dollar meals served at Jake's Restaurant, in beautiful uptown Niles, the All-American City, where the local politicians go to bed with Gideon prayer books.

You don't have to be a millionaire to live like one. For no millionaire can secure better food or beverage or more pampered personalized service that he can get at the famed Fireside Inn, 9101 Waukegan rd., Morton Grove. A friend of mine with wall-to-wall money dines at the Fireside Inn several times weekly. He says he enjoys the delectable delights cooked up by their superlative executive chef, Russell Shaw, who makes an artistic creation of any meat or seafood he prepares and sees that it is served piping hot the way the customer ordered it.

My rich friend always requests being served by Ellie, a waitresses' waitress, who has been with the Fireside Inn since its inception. "Ellie," my gourmet friend says, is the perfect example of perfection in an experienced waitress. She's a real pro. Never says too much or too little. Never lets your water glass get empty or your cream pitcher run dry. For she provides a complete service and treats each customer as if he or she were the most important person in the room."

And I agree, for Ellie has waited upon my table many times and as a waitress she has no peer.

LET'S DINE OUT

FNBS launches Free Bee Account

Nancy J. O'Shaughnessy, left, a long time customer of the First National Bank of Skokie, signs up as a 'Free-Bee' Account holder, assisted by Bernadette M. Lyons, right, of the New Accounts Department of the Bank.

A new, all in one, type of Bank account, called the 'Free-Bee' includes most of the financial services most families will ever need into a single account. It requires only one trip to the bank to set up the account.

The 'Free-Bee' Account includes a free, no minimum balance, checking account that allows the customer to write all the checks they need without a service charge, even if they write the account down to the last dollar. It also provides an automatic savings account where the bank automatically takes a prescribed amount of money from the checking account and deposits it into an interest bearing savings account, each month to insure that the Bank customer will

develop a thrift habit.

Credit and loans are taken care of by the 'Free-Bee' account holder being given a 'Line-Of-Credit' that lets them borrow up to their limit simply by writing a check, and the loan is automatically made at just 1 1/2 per month on the outstanding balance with free credit life insurance being issued on the unpaid amount. A pre-approved auto loan for new or used automobile purchases is also part of the all inclusive package.

Each 'Free-Bee' Account is also issued a 'Sam' card—this plastic card lets the holder get actual cash 24 hours a day from the money vending machine located in the lower bank lobby.

Registration at OCC Child Center

Registration for the fall sessions at the Child Development Center at Oakton Community college in Morton Grove will begin next week. Classes begin on Monday, Aug. 26.

The center is open to children from 3 to 5 years old, and priority in registration is given to Oakton students, staff and faculty. Children from the community will also be accepted on a space-available basis.

Four sessions are scheduled each week. They are: Session 1-MWF 8:30 a.m.-11:30 a.m., Session 2-MWF 12:30 a.m.-3:30 p.m., Session 3-TTH 9:20 a.m.-12:20 a.m. and Session 4-TTH 1 p.m.-3:30 p.m.

Registration can be for any number of sessions, but a minimum of two hours per session is required. To provide for a meaningful and continuous group experience, there can be no interchanging of days, according to Ms. Susan Berger, who staffs the program.

Registration for children of Oakton faculty, staff and students began last week and will continue thru July. Open registration is scheduled for Aug. 2 thru Aug. 9. Registration will be held on Monday thru Thursday from 1-3 p.m. and from 10-12 noon and from 1-3 p.m. on Friday in Building 6, room 615, Oakton Community college, 7900 Nagle, Morton Grove.

The fee for the MWF sessions is \$18 for one calendar month while for the TTH sessions it is \$12. The fee is paid in advance each month.

Children must be completely toilet trained and a physical examination by a doctor is required, according to Ms. Berger. Forms for the examination can be obtained at the time of registration. Birth certificates for the children are also required at registration.

The Child Development Center at Oakton is under the direction of the Child Care Services program at Oakton and recently received from the state of Illinois a two-year license authorizing day care.

The center has a dual role—not only is it a nursery school for the children of the students and residents of the community, but it also provides Oakton students interested in education and child care first-hand experience with young children.

Ms. Berger, who has a master's degree in child development, can be contacted for further information at 967-5120, ext. 200.

A difficult choice

If you had to remain on a strict dietary regime for ten months out of the year and you finally get a one day reprieve, where would you go? Of course, to the Buffalos' Ice Cream Parlor at 6000 Dempster, Morton Grove. And this is exactly where Cheryl Anderson and Diane Sachetti, students of the Galina Ballet School, 1710 Linden st., Des Plaines blew their diets. They look like they are really having a difficult time deciding on a choice, but then, wouldn't you?

Senior Citizens' NEWS AND VIEWS

by Diane Miller

Poetry For Royalty
 The King and Queen of the 75th Diamond Jubilee of the Village of Niles were the honored guests at a dinner at Jake's Restaurant in Niles on July 20.
 A party who were seated nearby were leaving the place and handed the Queen the following verse which was hand-printed on a paper napkin:

'Hats off to the King and Queen
 The prettiest Queen I ever seen'
 You must have done something worthwhile
 To be elected King and Queen of Niles.'

Golf League
 If any senior citizens would like to join the golf league, call 967-8755 for information. Four members enjoyed their golf outing recently at Tam. They were Phil Reaick, John Ladener, Karl Staerk and John Wilkin. Join in the fun. The exercise is great and so's the sunshine.

Roses To Our Members
 We certainly appreciate all our members attending the meetings in spite of the intense heat - we surely have hardy souls, who enjoy their membership in this club.

Food For Thought
 The following poem was submitted by Mrs. Bernice Cohen:
Me's Recipe

1 cup of good thoughts
 1 cup of kind deeds
 1 cup of consideration for others
 3 cups of forgiveness
 Mix thoroughly
 Add tears of joy, sorrow & sympathy for others
 Mold in 4 cups of prayer and faith to lighten other ingredients
 And raise texture to great height of Christian living
 After pouring all this into your daily life
 Bake well with the heat of human kindness and SERVE WITH A SMILE.
