## Senior Citizens' NEWS AND VIEWS

by Diane Miller

### ADOPT A GRANDMA OR A GRANDPA

**"I Am Alone With The Beating Of My Heart," Lou Chi**

Loneliness has no greater depths than that experienced by older citizens who spend their declining years in extended care facilities or homes for the aged. Even if family of friends come visiting, there remains a feeling of being left out of the mainstream of life, a feeling of segregation, a lack of continuity. For many, there are no friends, no family; they may have outlived all of the dear and close ones. What is desperately needed is continuing contact with youth, the antithesis of age. Needed are warm, human, consistent relationships...that young face, an eager smile, a tender kiss, that very special enthusiasm and exuberance of youth.

Gross Point Manor Nursing Home, 6601 Touhy, Niles, has begun implementation of an idea that's been growing with deep intensity in the mind of Administrator Patricia Stock... a blending of old and young, bring in a youngster on a regular basis, the youngster with a bright cheery voice, a fast paced walk, a happy giggle, and the morale of our residents is lifted sky-high. We've seen it happen time and time again when grandchildren come visiting...all too infrequently. We'd like it to be a constant thing, one that each resident can look forward to...daily, weekly, semi-weekly, etc. It is the security of knowing someone cares enough to come again-and again and again. Perhaps to do the little errands that need doing, remembering a birthday, bringing in some little thing to brighten an afternoon.

And so, the call is out...for all youngsters from early teens upward...**ADOPT A GRANDMA OR A GRANDPA**. If you have one, great; if you have two, three or four, super; make someone happy and **ADOPT ANOTHER** grandma or grandpa. Come on in and choose one as your very special responsibility, someone who will greet you with the biggest, happiest smile you've ever seen, with joyous eyes and an anticipation you've never known before. Make it a family affair. Visit your special Grandma or Grandpa; refreshments are on the house (just like home), even meals if you're here at mealtimes.

Try it...**HOW you will like it!** Call for more information at 647-9875 or just drop by today, any day. It will change all your days.

### SENIOR CITIZENS CLUB OF NILES

**Shady Lane Dinner Show**

On Wednesday, Aug. 7, two busloads from the Senior Citizens of Niles Club left the Niles Recreation Center for a dinner show at the Shady Lane Farm in Marengo, Ill.

Driving on the Tri State Tollway, passing O'Hare Airport with the huge planes flying overhead, one wonders where all the people are flying to. Driving along through Schaumburg, we could see the great Woodfield Shopping Center and all the new condominiums that are being built. Then on passing farms where horses and cows were grazing and corn was not too high for this time of the year.

We arrived at Shady Lane around 11:15 a.m. There were many other buses arriving, and some were Senior Citizens from Kenosha, another group from Waukegan, and some others were the AARP (American Association of Retired Persons.) They were all nice groups.

After having a nice lunch in the dining room, consisting of fruit salad, homemade bread and butter, lettuce salad, steak smothered in mushrooms, mixed vegetables, mashed potatoes, coffee and cherry short cake. We walked along the beautiful gardens to the Gift Shop. We had about 45 minutes to shop around and look at the lovely gifts. Gifts, cards, candies, jewelry, etc. could all be found. After spending our money for some goodies, we went to the Theatre which was next door.

It was a little too early for curtain time, so they had a pianist on stage who played the piano while we had community singing. We sang the old time songs as, "Hello My Baby," "My Wild Irish Rose", "I'm In Love With You, Honey," and many others. By then it was time for the show to start, which was "No Sex Please-We're British", a Comedy in Two Acts. The Play was hilarious! Everyone laughed so hard! The show ended around 4:30 p.m. Then back to the bus for the drive back to the Niles Recreation Center, and a wonderful trip!

## Saints lose opener 16 to 14

The Niles Saints lost a squeaker last Saturday to the Chicago Lions. The final score was 16 to 14. The Saints who led all thru the game lost in the last three minutes when Lions kicker Paul Breslin kicked a 38 yard field goal.

Play began with the Saints receiving and driving 28 yards in for plays, then Gus Williams, Saints QB threw a 45 yard TD pass to A.J. Owens CSFL Leader last year. Bill Springsten's kick was good, to put the Saints ahead 7-0. The Saints held the Lions scoreless till midway thru the second quarter when Terry Likens Lions QB thru a 51 yard TD pass to Joe Klisz. Paul Breslin's kick was good to tie the score. Late in the second quarter Saints Joe King attempted a 20 yard field goal but it was wide and the score was tied at half time.

The Lions received in the second half but quickly gained no ground as punted to the Saints who three plays later scored on a 5 yard TD pass from Williams to Former Niles West Star Paul

Sortal. Springsten's kick was good and the Saints were again ahead 14-7. The Saints tough defense held the Lions until three minutes to game end when Terry Likens again threw to Joe Klisz this time for a 10 yd. TD. But Breslin's kick was wide and the Saints looked to be the victors.

The Saints received and Zoom Powell ran the ball back to the Saints 40 where Jim Greenhill too it and ran to the Lions' 45. Then Gus Williams tried a halfback pass to Paul Sortal, the Lions were blowing their linebackers, and Sortal was caught on the Saints 20. Gus Williams' next pass was incomplete and the Saints were forced to punt, but Joe King's punt was bad and the Lions got the ball on the Saints 48 yard line. Lion's Jim Keating ran it down to the Saints 38 yard line where Paul Breslin kicked the winning goal with less than 2 minutes to go.

This Sunday the Saints will take on the Reorganized Brighton Park Hustlers.

Redlegs 6-Pirates 1. The Golf Mill Chrysler Redlegs clinched 1st place by taking full advantage of scoring opportunities and playing outstanding defense. Greg Kapka twice scored from 2nd on infield hits. He also made a beautiful running catch in right field. Dave DeLorenzo twice had to go back for long drives by Pat Fergus of the Pirates. Dave did his usual outstanding job on the mound and was well-backed up by Gary Marshall's shutout innings.

Playoff games-Schmeisser Meat Red Sox win playoffs. Pirates 8-Giants 1. The Giants lack of hitting and 2 errors, and the Pirates doing everything right, was the story of this game. Redlegs 10-Twins 2. Larry O'Connor got 3 hits and played an outstanding game at short in leading his teammates to victory in their 1st playoff game. Bender had 2 hits and pitched 3 scoreless innings. Bob DeLorenzo

made a spectacular running catch in left field to blunt a Twin rally. After missing 3 games Maloni showed no signs of being rusty. He made 4 fine plays at 3rd.

Redlegs 5-Pirates 1. Gary Marshall and Dave DeLorenzo each pitched 3 shutout innings, enabling the Redlegs to hold a 1 to 0 lead on an unearned run going into the last of the 6th, when they broke the game open on a double by DeLorenzo, singles by Bender and O'Connor and homer by Marshall.

Red Sox 10-Redlegs 6. The championship game for the AAA playoffs was won by the Schmeisser Meat Red Sox, who beat the 1st place Redlegs. Poor defensive playing by the Redlegs didn't help their game. Bergles of the Sox pitched good ball and played good defense while on the mound.

### NILES "AAA" ALL-STAR TOURNEY AT BELLWOOD

### Niles 9-North Suburban 4

Dave DeLorenzo had a rough 1st inning, giving up 4 hits and 3 runs. Rick Furmanski relieved and stopped North Suburban on 1 hit and no runs in 3 2/3 innings. Terry Adams and Bob Marino pitched the last 3 innings and combined to allow only 1 run on 1 hit. All the Niles All-Stars played great defensively.

Niles 8-Franklin Park 6. The story of this game was the determination and super defensive play of all the boys. And, not enough could be said about the great 5 1/2 innings of super pitching turned in by Ron Revee after relieving Jeff Kolbaska in the 2nd inning. Cary Hajduk's catching and defensive play was super-as he threw out 4 runners attempting to steal and also added an R.B.I. double. Pat Fergus got a triple and made a great catch in left field. Jerry Peterson played a great defensive game at 3rd and added an R.B.I. single and two walks. Ron Revee also helped his own cause with an R.B.I. single and great fielding plays while pitching.

**Proxmire campaigns for Mikva in Niles**

Households in Niles will be personally visited by Sen. William A. Proxmire (D-Wis.) on Saturday, Aug. 24, as he "delivers a message" from 10th District Congressional candidate Abner J. Mikva.

The message is a tabloid newspaper containing Mikva's views on the economy, education, crime, environment and ethics. The exact Niles location was not selected by press time.

Proxmire, an outspoken critic of excessive government spending, Mikva and more than 1,000 volunteers wearing Mikva Messenger buttons will deliver the newspaper to every one of the 10th District's 150,000 households between noon and 3 p.m. Saturday.

This is believed to be the most massive grassroots effort ever undertaken in a Congressional race.

Jack Marco, Mikva's campaign manager, explained that Saturday's effort is intended to counter incumbent Rep. Samuel H. Young's alleged misuse of the Congressional frank. The frank enables congressmen to send mailings without having to pay any postage.

After the newspapers are delivered, there will be a rally in Linne Woods in Morton Grove. Both Proxmire and Mikva will be there.

## Park Ridge artist wins top LW Fair prize

by Alice M. Echnal  
Hundreds of art lovers—and buyers—wandered through the 11th annual Art Fair held Aug. 17 and 18 in the Lawrencewood Shopping Center, Waukegan rd. and Oakton st., Niles, as temperatures soared toward the nineties.

Approximately 90 exhibitors from Florida, Illinois, Michigan, Wisconsin, Indiana and Iowa displayed various medias of art-work and creative art in the fair sponsored by the Niles Art Guild.

Winning the top prize of the Fair for the second consecutive year, Glenn Tammen of Park Ridge received the Village Purchase Award of \$100 for his "watercolor," "Birch in Winter," a winter farm scene featuring white birch.

A formal presentation of the prize watercolor to the village and acceptance of the award will be made officially at a future village board meeting. The framed painting will then be on display at the Administration Building, 7601 Milwaukee ave.

Tammen, 65, also took first place in watercolor, for "Evening," his 143rd watercolor, drawn from photographs. A retired industrial designer, Tammen began to paint "for something to do." He prefers to paint outdoor scenes and has won 21 awards out of the 22 art shows in which he exhibited during the last five years.

First and second place awards of \$50 and \$25, respectively, were made in the categories of oils, watercolor, mixed media and miscellaneous arts. Honorable mention ribbons were awarded at the judges discretion in both art and handicraft. Awards this year were based on the artist's overall work.

First in oils was awarded to Kay Groh, a resident of Niles for 20 years, who combines brushwork with palette knife. She admittedly "leans toward" outdoor scenes, although several of her portraits were breathtakingly realistic. John Grow, also a Niles resident, was awarded second place for his oils, using only brushwork. Honorable mentions went to Ruth Clifton of Edison Park, a self-styled "Sunday painter," and to Linda Dixon of Deerfield, primarily for a lifelike oil of a lion and his family.

Second place in watercolor went to Kathleen Salomone. Honorable mention was awarded to Niles resident Marge Berles, co-founder of the Niles Art Guild, a past president and an annual art fair exhibitor in oils and pastels.

Using watercolors for the past two years, her exhibits included strikingly realistic watercolors of a "Girl and Flowers" and "My Jewel Box."

In mixed media, Barbara Martens was first for her exhibit of inks, acrylics and macrame. Second place award went to Niles resident Joan Franzen, a free lance commercial artist who uses pastels for show exhibits, although she also uses oils and pen and ink. A first place winner in mixed media last year, she also won an Honorable Mention in 1972. Roberta Haas was given Honorable Mention for an un-oil scratchboard in color.

In miscellaneous category, which was given over to photography, Carol Garast, a teacher of art at Niles Elementary School, was awarded first place for nature photos. Second place went to Brian Zaken and Honorable Mention was given Russ Wegner for silk screen prints.

Outstanding of this year's Fair, again, was the painstaking craft-

work exhibit of "Horology in Pictures," displayed by Edward Danielczyk of Park Ridge, whose sales were tremendous both Saturday and Sunday.

A horologist (watchmaker) by trade, Danielczyk accumulated watch parts and began, several years ago, to fashion them into artistically intricate designs. Using mainsprings, dials, crown crystals and "anything out of a watch," he designs trains, cars, boats and owls (listed in order of preference by customers.)

His average piece of work requires four hours to complete, and no two are exactly alike," said the handicraft artist. His wife Lottie, "who is my greatest critic," selects suitable backgrounds in color and materials and unusual wood frames for his designs.

One of his designs, a 10" by 24" intricately fashioned train, is presently on display at Peacock's in Chicago. New in his exhibit this year were airplane designs and the use of action works and porcelain faces on his designs.

His most recent order, on Sunday, was for a crane, to be fashioned from watchparts.

Unusual and unique was said of Beverly Firmis' exhibit of sculpture, jewelry, bells and figurines fashioned "naturally" from Indian red clay. Beverly "makes things to suit herself" and her designs originate "from my love of the West..." "I would like to fashion enough designs so I could sell them on a wayside road, maybe somewhere on Highway 66," said the Niles resident, who was wearing some of her creations.

A 1972 award winner for watercolor, a young Chinese student, whose canvas name is "Jiro," exhibited an interestingly beautiful technique in oils this year. Fu-Lung Li, born in Yi-Lan, Taiwan, uses sand and string under oils of boyhood scenes. His choice of colors was striking.

Exhibit chairman Marilyn Brown commented that while "this year's watercolor exhibits are more professional and more realistic, the handicrafts are

getting more unusual every year."

The Art Fair Committee included Marge and Bob Berles, Frank Krugel and Myra Steibrink. A devotee of art, Mrs. Berles deplored the too few exhibits... "There are more and more art fairs each year, who, unfortunately, exhibit on the same weekends. Artists are undecided in which fairs to exhibit."

Judges were Dan Sculan of Glenview, a free lance illustrator, previously with the J. Walter Thompson Agency; and Norman Brown of Deerfield, a commercial artist formerly with Wrigley.

Carol Kathleen Ostruska, daughter of Mr. and Mrs. Steve Ostruska of Niles, recently graduated Cum Laude from Loyola University and was awarded a Bachelor of Science Degree in Biology. She has been selected as a student, and for the next two years will be studying Physical Therapy at the Mayo Clinic in Rochester, Minnesota.

*Thoughts For This Week*

By Larry F. Renetzky, ACSW

**'SPARE THE ROD, SPOIL THE CHILD'**

I appreciate receiving your letters and phone calls. Here is one of the letters.

What is your response to it:

Dear Mr. Renetzky:

I have often found that when my children are acting naughty they are really asking for a little more of my attention. I take time out from whatever I'm doing to hold them and talk to them, and that usually seems to be the answer. I do feel spanking is necessary when they do something that is potentially dangerous for them such as running out into the street or playing with matches. Because these are things which could be harmful, I feel it's important to get my point across the first time it happens so that it won't happen again.

I believe that 'spare the rod, spoil the child' was a theory in keeping with 'children should be seen and not heard', a way of keeping such a rigid control over the child that the child, out of fear, was respectful and obedient. It seems, though, that this denies the child's feelings and rights as a person. My children do, at times, become overly demanding of me which is what some people call being spoiled. At these times I reinforce the idea with them that I also have rights as a person separate from them and they must respect my rights as I do theirs. I don't believe spanking or lack of it has to do with producing a spoiled child. I feel that spoiling comes from the parents' inability to set limits on the children in regard to what are reasonable expectations for the child to keep.

Name confidential

Dear Confidential:

I agree that one of the most important times to spank a child is when they do something potentially dangerous to themselves. Whenever you spank a child as long as it isn't done in the midst of anger or hostility, it registers loud and clear with a youngster, this of course should be followed up with a brief and easily understood explanation. Make sure your child understands the reason for the spanking and then the child can more readily accept it. Follow up immediately or shortly after with an affirmation, hug, kiss, work of encouragement or something else to the affect that helps the child to know that you are not mad at him, rejecting him, or just trying to hurt him but that you do indeed love him or her. This does not spoil your child rather it strengthens the parent-child relationship and reassures your child that you indeed care enough to really involve yourself as well as it says to your child, "I'm O.K."

Please let me hear from you regarding above expression, letter and/or my reply. Just call 966-1640 or write to me at Niles Family Service, 251 Lawrencewood, Niles, Illinois. Of course if you have a problem, please call us.

**"Weight no more"**

Why no lose weight the nutritionally sound way? Weight No More is a scientific technique that can change your eating habits for the rest of your life and become the key to making that life happier...because Weight No More can do something about it! Weight No More is equally effective with men and women and uses no amphetamines, no pills, no shots and no devices. This program is merely a sensible way of eating that promises every overweight person a healthy way of losing weight.

Since the inception of Weight No More classes overweight individuals, seeking help, have reached outstretched hands towards Weight No More. They found friendship and guidance coupled with a dynamic adult educational reducing program.

The success of Weight No More students is based on its personal interest in each individual's needs. Menu sheets used are nutritionally balanced and will be individualized whenever necessary; recipes add extra flair and can easily be applied to the weekly menu sheets...therefore our way of eating is never boring and in fact is very interesting.

Individual weigh-ins are guaranteed and since the Weight No More program was written by a woman who herself has lost 110 pounds on the program, it is certainly a most outstanding program.

**Danny wins blue ribbon**

Dan Jayne, Morton Grove, 12 years old, won his first blue ribbon at the Barrington Horse Show held Aug. 8 through 11 in Barrington, Ill. Riding his own horse "On My Way," Danny got first place in the Children's Working Hunter over Fences class. This class was open to all horses who have not won 3 blue ribbons in any class over fences. The fences were three feet in height. And, not only did Danny win his first blue ribbon, but acquired enough points in this children's division to receive the Reserve Championship as well. "On My Way" is trained by Danny's father, Frank Jayne of Morton Grove and is stabled at Northwestern Stables, also in Morton Grove. Danny's win was not the only exciting event of the show. Midway through Sunday afternoon, a masked rider wearing only a velvet hat and riding boots streaked across the outer course on a chestnut horse. It was an exciting weekend indeed!

**Marcheschi to head Lions drive**

For the sixth year in a row A.G. "Ang" Marcheschi, Trustee of the Lions of Illinois Foundation, will have an important role in helping the Lions meet their record \$1.1 million Candy Day goal.

Marcheschi will direct the efforts of Lions in northern Cook County and Lake County by heading the drive for clubs in District I-F toward the big day -- Friday, Oct. 11.

"We are pleased that Marcheschi has again accepted the challenge," said Angelo "Ginger" Troiani, of Niles, District I-F Governor. This year the task and challenges are greater than ever.

District I-F will strive to meet a \$100,000 goal as its share of the \$1.1 million state goal. Both are record goals in the more than 20 years of Lions sponsored Candy Day drives. Marcheschi brings a long record of solid achievements in Lions work to the job. In past Candy Day campaigns he has worn two hats -- serving as State Chairman and as District Chairman. He is Candy Day Chairman and Trustee for the District of the new Lions-of Illinois Foundation which oversees Candy Day disbursements.

A former club president and District Governor, Marcheschi has been a member of the Blind Activities Committee that admin-

istered the program of aid to the blind and visually handicapped that Candy Day proceeds make possible.

With preliminary work underway, Marcheschi predicted that District I-F would meet its \$100,000 challenge for this year.

**Young investigates drug problem**

The involvement of today's youth in the drug culture is no longer shocking, it is accepted almost as a matter of fact. This involvement is not limited to the ghetto streets and alleyways, but is found in frightening proportions in the shaded streets and schools of suburbia.

Because of a great concern for the spreading malignancy of drug abuse, Rep. Samuel H. Young (10th-IL) has been conducting extensive research into this problem and the extent of its impact in the 10th Congressional District.

"I am deeply troubled by the marked increase in drug abuse and its growth in my home district," said Young. "I have instructed my staff to investigate the problem as it affects the area--the causes, the effects and what measures can be taken to correct the problem."

"Based upon the field research being done in the district, I intend to hold a Congressional hearing in the fall to bring attention to the problem of drugs in our schools and what is being done to prevent and solve this problem. The public will be invited to attend and I am arranging for an expert panel of witnesses to fully review this situation in the 10th District."

The hearing tentatively is scheduled for September 21 at Niles North High School in Skokie, Illinois.

Park District plans dedication of golf course

By Alice M. DeBala A jubilant Park Attorney Gabriel Berrafato reported to Park Commissioners, at the conclusion of Tuesday night's board meeting, that "Little Tam is now legally Niles Park District property...The property has been deeded to the Niles Park District...I am very pleased that all things have been resolved."

He referred to the trials and tribulations which have beset the Niles Park District since the condemnation proceedings to acquire the 122 acre Tam property at Caldwell and Howard were instituted in 1965 by the Niles Park District against the owners, J. Emil Anderson & Co. The suit was dismissed in 1966 and a 9-hole executive-type golf course set on the remaining, south 36-1/2 acres of Tam, following construction of an industrial park north of Howard st., gave the Niles Park District an option, up to Dec. 31, 1974, to purchase "Little Tam." The operation of the golf course and successful passage of a park referendum in 1973 finally earned sufficient funds for the Park District to purchase the property.

"Revenue Bonds in the amount of \$665,000 plus \$665,000 cash obtained with general obligation bonds under the 1973 referendum said Berrafato, "made the total purchase price of \$1,330,000." "Added to that," he explained further, "is the repayment to Anderson, of the \$175,000 advance to the Park District to improve the golf course, bringing the total cost of Little Tam to \$1,505,000."

He also told commissioners that the Jonquil Terrace Park city had been recommended recently for funding by the Illinois Dept. of Conservation. Purchase, by the Niles Park District, over a year ago, of 1-1/2 acres of Jonquil Park, also gave the Park District an option to buy the remainder of the 5 acre site upon successful passage of the 1973 park referendum. Purchase was made a month ago for \$180,000.

The funding, according to Berrafato, is monies dedicated by the government to conserve space and develop park recreation. "It is quite possible that the Dept. of Conservation will reimburse the NPD up to 50 per cent of the Jonquil purchase price."

"We will have a decision on the reimbursement around September or October," said Berrafato, who opined that the monies, if received, will be used for improvement of recreation overall the Niles parks.

In other business Commissioner-Treasurer Robert Romano cautioned Park Commissioners to prepare for a cutback in all fields of park operation. A projected anticipated assessed value, by the NPD, according to Romano, of \$300 million, as compared to an actual assessed value of \$219 million "means that we must get our operating budget into focus now, because we will not have the money anticipated." Acting Director Bill Hughes was requested to modify the budget.

Park commissioners selected the \$5,500 bid by the Hydronics Piping Corp. of Elk Grove for alterations and revisions to the air conditioning piping at the Ballard Sports Complex. The bid was the lowest of four received. Unanimous approval was contingent upon review of the contract by park attorney Gabe Berrafato. The \$3,626.18 bid by Inter-

state Playground Equipment of Oak Lawn, as the lowest of 4 bids on the fencing of Jonquil Terrace Park was approved unanimously, contingent upon response by the bidder for a change in order.

A special meeting of the NPD commissioners to discuss the proposed Bike Trail from Skokie to Des Plaines was scheduled for Aug. 29 at 8 p.m. A meeting of all park districts involved is set for Sept. 3.

Susan Welch was approved as the new Head Pro skating instructor at Ballard Complex.

Having previously been employed at Rainbow Arena in Chicago, the 27-year-old miss was given a contract by the NPD on a year-to-year basis.

A lack of esprit de corps displayed by the park board for the entire evening was finally lifted by Comr. Walt Beusse, who called for more supervision at Courtland Park over the week-ends. Acting Director Bill Hughes promised a tightening of management.

Beusse also asked for an opinion by Attorney Berrafato as to the

NPD legal status at the Greenwood area. "Constructionists are filling lots (intended for future purchase by the NPD) about 3 feet above the level of the ground, not only causing distress to area residents by swamping the," stated Beusse, "but we could be faced with a grading bill when the park district buys these lots."

Board President Bill Keener requested a review of the area by park commissioners and ultimate discussion with village administrators concerning ordinance violations.

# A TRIBUTE TO THE VILLAGE OF NILES

THE ALL AMERICAN CITY

## ON IT'S 75 YEARS OF PROGRESS

**ATTEND! - PARTICIPATE! - AND BE PROUD!**

The undersigned leading financial institutions bring this tribute to the Village of Niles on the eve of the finale of their Diamond Jubilee celebration commemorating their 75 years of growth and progress

Progress What a stirring story it has written across the pages of our history. Since the Declaration of Independence initiated a brilliant new chapter in the history of governmental systems, this nation has thrived and grown in a manner no other nation can equal. The American system of Democracy may not be perfect but it's the best yet devised by the mind of man. And the growth and progress of the Village of Niles attests to this, and is typical of many others in this great country. From the austere hills of the plains to the social amenities of Fifth Avenue. And the visual symbol of this great land is typified by a cartoon of Uncle Sam. And he is YOU multiplied by 220 million...and we all have an equal opportunity in this great land to life, liberty and the pursuit of happiness. And the Village of Niles' 75th Jubilee is, indeed, a happy event. For it is living proof of the success of the American system of free enterprise and equal opportunity for all of U.S.

### ED HANSON

"Have Ladies Sapped  
Cub Power"

Indeed, they have. And they've sapped just about every other kind of power this country once possessed.

More about that later. First, let me report verbatim my phone talk of this week with a Very Important Person.

"Hello. You received my letter, I presume."  
"Oh, no way. However, I know of a good man."  
"I know you're leaning towards Rocky. Yes...yes, he's a fine fellow but..."

"No way. As I said before, Jerry, I don't want the job...but I know of the perfect man for this job."  
"Of course, you know him...doesn't everyone."  
"Presently he's unemployed. Or a better way to say that is, he's available."

"He's living now in California. Matter of fact, Jerry, he once occupied the same residence you do."  
"Come on, Jerry. No man today in the political arena can match his experience."

"Oh, don't be fooled. His popularity with the people is very high again. Like Jack Dempsey, he was greater in defeat than he ever was in victory."

"I agree the idea is wild and daring...sort of boggles the mind, eh?"  
"Well, kick it around. Drop it down the proverbial old well-see how high it splashes."

"His confirmation by the Senate could be a problem. But with this new wave of popularity he's riding, it should turn the trick."  
"And Jerry—with him back—it'll be like old times. We'll all have somebody to kick around again."

"Glad to hear you say that, Jerry...bye."  
[AS A RESULT OF THAT PHONE CALL THE NEXT VICE PRESIDENT OF THE UNITED STATES, MIGHT WELL BE, MR. RICHARD M. NIXON]

Now back to booze, broods and the Cubs. The slow decline and fall of this country and the Chicago Cubs were both caused by the same thing, a constitutional amendment. The 19th amendment, an act which gave woman the right to vote. Incidentally, it was passed by only a single vote. And that deciding vote was cast by a pimply faced mama's boy, whose own mother browbeat him into so doing.

I only mention this for the benefit of my woman readers. For civics, like any worthwhile knowledge, is seldom possessed by a woman.

Thus, when men gave women the right to vote, they committed the greatest political fumble in the brilliant history of American politics. And this stupid boob had set into motion then all the problems this country faces now.

For women's place today seems to be everywhere, many of which were once the exclusive domain of the male gender. I refer to ball parks, booze halls, race tracks, etc. Today women have pushed themselves into such masculine jobs, as the ancient and noble male art of bartending. They've pushed their rumps upon the backs of thoroughbred steeds and into the front seats of police patrol cars. They've pushed, and in many cases tugged, their bodies into male attire, and some even push cigars into their over-painted faces.

But in bars, for instance, they never BUY a drink. Last Sat. evening I dropped into the EXCALIBUR LOUNGE, in the Golf Shopping Center, to relax a bit. This is really a wonderful lounge that features a great group called, "The Sound of Music" and these young fellows really put it out. But the bar was full of young pretty girls which I was soon besieged by and I wound up buying drinks when I should be putting that moala away for my old age. Whenever I buy a guy a drink he offers buys back but when I buy a gal a drink she never pops.

No wonder women control 70% of the wealth of this country. Inflation and our economic mess has been woman-inspired and woman-caused do to their inborn greed.

Since the Chicago Cubs started a "Ladies Day" promotion 29 years ago they haven't won a pennant. When I was a kid and my old man would take me to the ball park (The old Logan Squares & Cubs, too) you did not see any women at the ball parks.

And after the game my old man would take me into one of the old saloons on Milwaukee ave. for a soda pop. These saloons had free lunch, saw dust on the floor, slot machines and brass spittoons, and plenty of men but no broods. For saloons were created by a man to give a man a chance to relax and enjoy a little sociability with his men friends and thus it often provided an escape from a nagging wife. Men created bars and went there

A one-day cycling trip for mentally handicapped young adults will take place August 18. The outing is sponsored by the Chicago Council of the American Youth Hostels and will travel along the Illinois Prairie Path, located in Wheaton. Each participant should be 16 years or older.

A pre-trip get-together will be held August 16 where all interested may sign up for the trip. The cycling trip is the first outing of AYH's new program, the AYH Special, for mentally handicapped young adults. Future trips are being planned to include overnight outings at AYH hostels and facilities. Other recreational activities will involve hiking, cookouts, boating, as well as cycling.

AYH feels such outings offer the opportunity to enjoy nature and outdoor sports, an experience which should be available to all, yet extremely limited for handicapped persons.

The Chicago Council of the American Youth Hostels is a member of the national organization which sponsors educational and recreational activities. All interested are urged to contact the Chicago AYH office.

**Orchard Cir. . .**

Cont. from Lincolnwood Page 1 can help their child. All these families can benefit from our program's parent-child activities, parent counseling and informational services."

Miss Armstrong previously worked at a family counseling center in Louisville, Kentucky. She says Orchard Center's program is unique because it emphasizes helping families who are worried about their child's growth and development. "There are many programs to help families of handicapped children. We serve these families also. But we are also serving families whose children are not handicapped, but whose development seems slightly slower than average. We feel that by identifying these children and providing therapeutic activities as soon as possible, we can keep these small delays from developing into larger problems later in the child's life."

Parents who would like more information about this program can call Orchard Center at 967-7300.

**Nehart. . .**

Cont. from M.G. Page 1 and Marge Sherman, whom I have disagreed with at times; and I don't think it was as bad as the press played it up to be, I can only say that less than three years from now, if I was still a member of this Board, I would be happy to be on the same ticket as both of you, because opposition is healthy and good if the residents of Niles Township are to enjoy truly representative town government.

And to our Supervisor, Charles Anderson, what can I say that has not already been said? Charlie, I think for most of the first sixteen years, you and I have been on the opposite sides of the fence both locally and nationally. Yet through all that time we have always respected each other's political differences; and I am proud of the friendship that we have enjoyed these last couple of years. I hope it will continue.

Thank you for allowing me the privilege to serve with you on the Town Board since our election."

**RESULTS THAT RING THE BELL**

Mr. Ed Hanson Bugle Newspapers Niles, Illinois

Dear Ed: Just a few lines to express my appreciation to Bud Besser, Bob Del Prato, and yourself, of course, for the splendid cooperation given me since my inception in business here in Niles. Consistent advertising in all five Bugle newspapers has been an integral part of the success of JAKE'S RESTAURANT of Niles for over seven years. As a matter of fact, the success of my ventures were very noteworthy, indeed. Good food, low prices, cleanliness, service, and hard work will not today in our highly competitive economy do it alone. It takes more. Even though we are in a sagging economy, I have showed a substantial increase each year. My sales volume at this point is 20% ahead of last year and I know that the Bugle has contributed a whole lot to this fact. In closing, let me say, Ed, that your efforts thru your well-read columns have helped enhance and expand my business, such as Pollak, Italian, German, etc. days will begin because of help turnover, you constantly need good employees. My International Day promotions, such as Pollak, Italian, German, etc. days will begin again as we approach the fall. And my many standard promotions, such as toys for the kids, my breakfast club and others will always be continued and advertised, too. When you are the number one restaurant in volume in Niles, you want to remain so. That's why I have never forgotten the late Charles Wrightley's advice. He said, "Advertising is like stoking a furnace-you have to keep overhauling it." I'll continue to do just that--in the Bugle. Kindest personal regards and best thoughts,

**JAKE JOSEPH JAKE'S RESTAURANT NILES, ILLINOIS**

Joins marketing staff

Paul R. Olsen has joined the marketing staff of the Bank of Commerce & Industry, 6100 Northwest Highway, according to Richard P. Larsen, BCI President. Olsen, who has more than 20 years experience in the banking

field, will handle account retention, new business development and marketing programs.

Prior to joining the Bank of Commerce & Industry, he held positions of assistant vice president with the First Arlington National Bank and director of public relations for Tollway National Bank. Earlier he was an assistant cashier with Pioneer Trust & Savings Bank in Chicago.

Olsen and his wife, Elaine, live with their 2 children, Kirsten and Sonja, in Glenview.

The Bank of Commerce & Industry, which began operations in Norwood Park 2 years ago, has more than \$41 million in total assets and over 10,000 accounts. It is open 6 1/2 hours a week and offers a wide variety of services, including free use of a community room for local community organizations.

Kunkel monthly sales leader

For the second month in a row and the fourth time this year, "Woody" Squassoni has won the sales leader of the month award at Wm. L. Kunkel & Co., Realtors.

He received the July sales leader award for achieving the highest monthly total of real estate sales and listings. In addition, he has received the award twice in 1973 and four times in 1972.

A member of the Kunkel residential sales staff since 1966, Squassoni has gained lifetime membership in the "Million Dollar Sales Club" of the Illinois Association of Realtors as a result of achieving real estate sales exceeding \$1 million in each of the past four years. He also has obtained the designation of Graduate Realtors Institute for completing the three phase seminar of the State Realtors association.

An associate director of the Northwest Suburban Board of Realtors in 1972, he is also on

their social activities committee. Squassoni is a member of the Elks, Moose and Anvil Clubs. He resides with his wife, Vi, in the Brentwood area of Des Plaines. They have three children: Jeff, Debbie, and Lori.

Golf Mill Bank observes 13th anniversary

Golf Mill State Bank, 9101 Greenwood ave., Niles is observing 13 years of service to the community this month. The bank first opened for business in the Golf Mill Shopping Center in July, 1961 and moved to its present location in December, 1972.

New record growth is being recorded by the bank for the first six months of 1974. Total assets at the bank at the end of June were at an all time high of \$39.7 million, an increase of \$3.3 million since the first of the year. The figure represents a growth of \$5.1 million in total assets over the past 12 months.

Business women install officers

Mrs. Neubauer a Secretary for Bletz-Valenti Developers-Northbrook, has served as (1968-69 President), V.P. (1973-74), District #34 Treasurer, Vice Chairman of District.

Other new officers installed include Ruth Thiel, Vice President; Jean Peterson, Treasurer; Irene Weber, Secretary; and Beverly, Recording Secretary.

The Business Picture

Appraiser attains designation

Larry R. Schimmel has attained the designation of Independent Fee Appraiser, the President of Cook County Federal Savings, Clayton L. Johnson, announced. Schimmel, Loan Officer with the Association, received the designation from the National Association of IFA after successfully complying with the experience requirements and demonstrating proficiency and expertise through written examination and narrative appraisal reporting.

The NAIFA was founded in 1961 as a non-profit professional society of real estate appraisers whose objective is to raise the standards of the profession and gain recognition for its members as qualified appraisers.

Long may it wave

Eddie Schuett, president of the Niles Liquor Association, stated that the flag pole for the new Community Service Building, at 8060 Oakton st., was donated thru a group effort of the association.

Costing approximately \$650 for the counter, sinking and cement work the new flag pole holder will accommodate an American flag the size of the one which is daily unfurled upon the green lawn of the White House.

The new community Service Building provides all sorts of community activities for teens and senior citizens.

Bank sets 3 new records

All-time highs in three major categories have been recorded by the First National Bank of Morton Grove, announced president Marvin Von Aswege.

The bank's total assets reached \$65,896,125 as of June 30, an increase of \$3,012,264 since the last bank call of April 24.

Total deposits climbed to \$60,643,829, a gain of \$2,955,267. Loans are up to \$31,591,287, reflecting an increase of \$1,698,473 in the past three months.

"With the increased totals in these three key areas, we're well on our way to recording the most successful year in the bank's 23-year history," said Von Aswege.

"What's more significant, perhaps, is that these gains underscore a growing and continuing use of the bank's services and facilities by the community," he added.

## Calling all adults

Now is the time for all brave  
adults to come to the aid of their  
daughters. But if you don't have a  
daughter, you are included in the  
invitation too. With the turning of  
the leaves, comes the sounds of a  
rustling campfire, the crackling of  
leaves underfoot, and the warm  
trusting smiles of a group of little  
girls (and big girls, too) eager to  
learn with you just how to make  
such delightful dishes as campfire  
stew, banana boats, and some-  
mores. Yes, you too can know the  
intricacies of a bowline knot and a  
clovevine hitch, and how to  
protect yourself from the evils of  
poison ivy.

The Girl Scouts have been  
doing these things for the past 60  
years, but that's not all. They have  
also been dealing with sex  
education, drugs, pregnancy, and  
the ever-changing world, helping  
girls choose careers, sending them  
to different parts of the  
world, and teaching them how to  
make important decisions. These  
opportunities are available not  
only to girls but to adults as well,  
men and women. For information  
on how you can get in on the  
action call the Girl Scout Office at  
824-2134.

## Maine schools open Sept. 4

Wednesday, Sept. 4, will be the opening day of school this year for all Maine Township High school students. While freshmen will have a full day of school on that date, sophomores, juniors and seniors will be dismissed shortly after 9 a.m. after receiving class schedules and their locker assignments. Freshmen will receive an orientation to their school building, meet certain faculty personnel, and then take the Iowa Tests of Educational Development.

The four Maine high schools are now in the process of selling textbooks, activity tickets and other school supplies. Each student has been notified by mail regarding the day and time he is to purchase his books and supplies.
