Oakton number one on ICCB list for new facilities

Oakton Community College is number one on the preliminary priority list of the Illinois Community College Board for funds to purchase and construct its permanent campus.

Dr. William A. Koehnline, President of the college, was notified this week of Oakton's high priority order on the ICCB capital projects for Fiscal Year

1976 by Howard D. Sims, Deputy Secretary for Finance for the ICCB.

"We are especially pleased to be at the very top of the highest category for funding by the state," Dr. Koehnline said. "Our chances are better than they have ever been for actually receiving appropriate funding in this new schedule."

The state share for the new Oakton Campus is set for \$17,892,000, according to Dr. Sims. The ICCB staff has endorsed the phasing of the project.

"This figure was derived from the review of the RAMP-CC document submitted by Oakton Community College," according to Dr. Sims. It is subject to modification by ICCB action and

possibly by the ICCB staff in reviewing in greater detail the possibility of future phasing of OCC construction requests.

Oakton's permanent campus will be located on a 170-acre site situated on the banks of the Des Plaines River between Golf and Central Roads in the northwest corner of the college district.

The purchase agreement for

147 acres of the site from Catholic Cemeteries is near completion, college officials report. The college has agreed to pay \$2,205,000 or \$15,000 an acre for that portion of the site. Negotiations are still continuing for the 23 remaining acres of the site which front on Golf Road.

Senior Citizens' NEWS AND VIEWS

by Diane Miller

NILES ALL AMERICAN SENIORS CLUB

On Oct. 26, 46 of us started out for the Sycamore Pumpkin Festival. We couldn't have asked for a more beautiful day. We had Chester from Indiana for our bus driver, a true "Hoosier" - congenial, fun and a wonderful driver who made the trip most pleasant.

We arrived there about 10:30 a.m. and couldn't believe the display of pumpkins that were in the center of town. They were carved in every shape and form. Cinderella in her golden pumpkin coach, a grandpa sitting in his rocking chair petting his dog (all out of pumpkins), Oscar (from Sesame Street) in his garbage can and Cookie Monster, a pumpkin Berger actually made out of a pumpkin and a make-believe hamburger in the middle and apples (pumpkins) with great big worms crawling out of them. It's just impossible to explain all the characters. We are Seniors and enjoyed every minute of it but believe me, some of us are going to take our grandchildren back next year to enjoy it too! Many of us went down the street, seeing the town and ending up at what they call the "Pantry", having homemade pumpkin and hot apple pies. People from Sycamore welcomed us. We had pumpkins on us with our name and Niles on them that John Wilkins was thoughtful enough to make for all of us. I met a Mrs. Wilma Evans and even promised her we would send our write up from the Bugle to her, which she will post in town. Also visited their art fair. They have a parade on Sunday, but of course we couldn't stay.

Then on to Bensenville where we ate at Plentywood Farm Restaurant. Chicken or Shish-ke-bob -- couldn't say which was best! Everyone was happy with their own. After browsing around there we were all happy to relax and enjoy the ride home.

It will be our last long trip before the bad weather sets in, but we couldn't have asked for a better one. Time to settle down now and plan for our Christmas Holidays and our short trip to see the Christmas Trees from around the world in December at the Museum of Science and Industry in Chicago.

THE GOLDEN SENIOR CITIZENS OF MORTON GROVE

Another big event was had by the club! A beautiful American flag was presented to the club by the Morton House Restaurant. We appreciate their kindness. It sure is good to have a guardian angel on our side!

Last week we told you about the Christmas Party on Dec. 18. Now - about the menu ... soup, turkey and dressing, yams, peas

LWV to probe School Financing

The Morton Grove-Niles League of Women Voters will discuss School Financing at the unit meeting on Tuesday, Nov. 12, at 9:15 a.m. at the Niles Community Church, Oakton st., Niles. An evening meeting on the same subject will be held at the home of Barb Blonz, 7324 Palma Lane, Morton Grove.

The largest item on the tax bill of residents of Morton Grove and Niles is for schools. How is that money being spent? Are we receiving good value for the educational dollar? What other funding is available for schools? The League's resource committee has been doing research and collecting facts to present to the discussion groups. They invite concerned citizens to attend.

Young may seek recount of 2,000 vote victory margin

MIKVA WINS OVER YOUNG IN TIGHT RACE

The Democrats -- and those in Niles -- had much to celebrate, winning a big victory in the Nov. 5 elections. They made a clean sweep of Cook County offices.

The big issues of inflation, the Watergate "Waterloo" and the presidential pardon cost the Republicans dearly as evidenced by the election returns. President Ford's pardon of former President Nixon was said to have caused much of the party switching, in favor of the Democrats, as shown by a 56% poll.

In the race for Congressman, 10th District and with 98% of the votes counted, Abner J. Mikva (D) had 81,184 votes to Sam Young's (R) 79,212, leading by such a slim margin that the computer would not even project Mikva a winner. Mikva claimed final victory by a 3,000 vote, but Young replied, "Not yet! We might very well ask for a recount."

At the Mikva headquarters (the House of the White Eagle in Niles), there was barely standing room as the jubilant workers gathered to watch the fruits of their hard labor. Pandemonium broke loose about 11 p.m. when, with 98% of the returns in, the

Niles residents protest MacCleen's Carwash

The Zoning Board, Oct. 30, almost unanimously approved a Special Use permit for business construction of a MacCleen's Carwash at 8999 Milwaukee ave., over high protests from residents of the area.

The decision came following a 35-minute, hour-long dissentation of area homeowners. In the words of one objector, "The voice of the people came on strong against the carwash, but the zoning commissioners chose not to listen to us."

According to George Karcazes, attorney for the petitioner, a new, one-story masonry building is planned for construction as a carwash at the corner of Ballard and Milwaukee ave., north and slightly west of Memco Dept. Store.

Plans provide for entrance to the carwash from Milwaukee ave. and of space for 34 cars, to circle through the carwash and exit on Ballard ave., east to Washington st. or west onto Milwaukee ave.

According to a MacCleen representative from Deerfield, the carwash could handle 60 cars an hour, permitting one to two minutes per carwash. Hours would be from 7 a.m. to 10 p.m.

Area residents, who had waited patiently through more than two hours of the Zoning Hearing to protest the Special Use permit were outspoken and already bitter over truck and customer traffic from Memco onto Ballard rd.

"We see no reason for another carwash in the area," said group spokesman Arthur Fumarolo of 8067 Churchill, pointing out existing carwashes at 8325 Golf and another on Dempster near Greenwood.

More protestors from the area would have been present at the Tuesday night meeting, he said, "but this is American Education Week and many parents are attending their children's schools."

"Our fences are already bent from traffic on Ballard rd., which is barely wide enough for two cars." Area youngsters walking to Gemini school (Ballard and Greenwood) would be in danger of the increase in traffic along Ballard. "There are no sidewalks here - the women walk on the streets to get to Washington Park," said the quiet-spoken Niles resident. Compounding the traffic problem already, he said, was customer service from Tasty Pup Drive-In and from Memco Dept. Store.

Socrates Kaitson, 9016 Churchill circle, came on in stronger voice. "With a park at Washington and Ballard and the flow of traffic directed at Ballard," he said, "I don't see how you gentlemen (zoning comrs.) can sit there and not have it (safety) concern you." In response to his request for a traffic survey, he

was told that Police Chief Emrikson was not overly concerned with undue traffic in the area.

Many more residents responded with complaints: A resident at 8067 Churchill objected to the "noise of that many car motors."

A Ballard and Washington resident complained of an increase in traffic from Memco and of school buses... "the biggest offenders are school buses who go through the stop signs... 9 cars have been demolished in this area - not ours, because we don't park on the streets, but visitors' cars. The signs serve no purpose there."

The single no vote to the car wash petition was cast by Zoning Board Comr. Sydney Mitchell. Comr. Kenneth Cohen, usually voluble in noting the absence of protesting residents and who took little note of those present to protest the carwash, conditioned

his approving vote. "There will be no 'No Right Turn' east sign posted on Ballard rd., the car wash fans are to exhaust on Milwaukee ave. and sidewalks are to be set along Ballard property lines."

Loudly protesting the Zoning Board's decision, area residents clustered around village officials at the close of the meeting, speaking out in terms of legal action.

The "Voice of the People" have one more chance to be heard. Since the Zoning Board is only a recommending body, the final decision, to approve or disapprove the MacCleen Car wash rests with the village trustees at a future board meeting.

A MacCleen's Carwash has been in operation for several years in the Lawrencewood Shopping Center, Waukegan and Oakton.

Notre Dame hockey team 6 to 1

[by Mike Lemanski]
Notre Dame's hockey Dons finished their third week of competition with six wins and one loss.

They opened the season with wins over Lane Tech and Niles North. On Oct. 24 Notre Dame topped defending state champion Proviso West 3-1. Tony Salemi opened the scoring for the Dons at 5:26 of the first period on a goal assisted by Ralph Dynek. Proviso West tied the score at 10:11 of the period on a goal by Melvin assisted by Robbins.

On Oct. 25 Notre Dame had a little easier game against the Hershey Team. The Dons outshot the opposition, but some great goaltending by the Huskie goalie kept the game scoreless at the end of the first period. In the second period Mark Mlynski, John Meo, and Neil Corcoran scored for the Dons. Mike Schwass finished the scoring for the Dons in the third period. The final score was 4-1.

Oct. 28 saw the Dons in Schererville, Indiana, playing the Thornwood Thunderbirds. At the end of two periods it looked pretty dim for the Dons who had managed to score only one goal to the hustling Thunderbird's three. The third period, however, was completely different story with Don Kitzel, Mike Schwass, Tony Salemi, Sam Gioe and Larry DeSalvo all scoring. Notre Dame won 5-3.

The St. Viator's team was the sixth victim on Oct. 31. When the smoke had lifted, Notre Dame found themselves with a 7-2 win.

On Sunday, Nov. 3, the Dons opened their Conference season against the Cowboys of New Trier West.

An early second period goal seemed to give the Dons the steam they needed. Instead, New Trier West went on a rampage. Two goals in the second period set the stage for Notre Dame's third period downfall. The Cowboys scored three more times this period as they went on to an easy 5-2 win.

Local riders win ribbons at horse show

Northwestern Stables had a big day at the Robert L. Brown Stables Championship Horse Show held on Saturday, Oct. 19 in Dundee, Ill. In fact, the Morton Grove team took 13 Champion and Reserve Champion ribbons that day.

Bob and Mary Chiarello took their horse "Jude's Magic" to the show. Mary won four blue ribbons in Green Working Hunter under Saddle, Open Hunter under Saddle, Amateur Owner under Saddle, and Ladies' Hunter under Saddle. Her husband, Bob, won a blue in Green Working Hunter over Fences. Between them, they won the Championship in the Green Working Hunter Division and the Championship in the Amateur Owner Division.

Ellen Small, riding her horse "First Impression", took blues in Adult Equitation on the Flat and Adult Equitation over Fences. She also won a blue in the Model Class, in which the horse is shown in hand and judged on conformation. She was the Champion in both the Novice and Open Equitation Divisions for this age group. Tricia rode her horse "Pumpkin".

Doug Boyd, 13, won exactly the same thing, but for the 11 thru 14 age group, receiving two blues for the Novice Equitation on the flat and over fences, and two blues for the Open on the flat and over fences and the Championships of both divisions. Doug's horse is "Ground Control".

Rose Jayne, 14, riding "Security Blanket", owned and trained by her father Frank M. Jayne, won the Reserve Championship in the Green Working Hunter division and the Reserve Championship in Novice Equitation ages 11 thru 14. Her brother Danny, 12,

won a blue in the Junior Working Hunter 11-14 division on "Second Symphony". The combination of the winnings of "Second Symphony" and "On My Way" gave Danny the Reserve Junior Working Hunter 11-14 Championship. These horses are also owned and trained by Frank Jayne.

Nancy Caron, riding her horse "Honey Bear", won a blue in the Open Working Hunter over fences class and was the Reserve Champion in the Amateur Owner division.

Bonnie Herdman, riding Frank Jayne's "Home Free" won a blue in the Novice Equitation over Fences 15-17 class. She received the Championship in the Novice Equitation 15-17 division.

Patty Fredona, riding Northwestern Stables' "Another Venture", won a blue in Novice Equitation on the Flat 15-17 and a blue in Open Equitation on the Flat 15-17.

OCC Golfers tie for fifth

The Oakton Community College Golf team placed fifth in the Skyway Conference Golf Tournament held last week at the Village Links Golf Club in Glen Ellyn. Tying Oakton was Mayfair College for the number five position in the final league standings.

Last year's state champs, the College of Lake County, repeat its 1973-74 feat as conference title holder, winning the league tournament while going undefeated in its dual meets. The Lancers with a score of 303, broke the 305 team record they set in last season's tournament by two strokes.

Harper finished second while Wauaubsee placed third, due to third place finish in the tournament. Elgin College came in fourth overall. In the seven and eight spots were Triton and McHenry colleges, respectively.

John Fourgerousse, OCC's number one golfer throughout the season, was the only Raider to qualify for the state tournament placing in the top 23 individual positions in the section meet held on Oct. 15 in Joliet. Oakton placed tenth out of 13 teams.

The state meet was scheduled for Friday, Oct. 25 at the Wedgewood Golf Course in Joliet, as well.

This culminates the 1974-75 golf season for Oakton, finishing with a 2-5 conference slate. First-year Coach Rich Symonds feels that the lack of experience hurt his squad this year but was encouraged by the consistency it showed as the year progressed.

Bulls edge past Niles Saints 25 to 24

It was an exciting though disappointing night for the Niles Saints Saturday, at Notre Dame H.S. as the Glenwood Bulls defeated the Saints in the closing seconds of the ball game.

In the first quarter the Bulls scored first on a 14 yard TD pass from Mic Hutton to Bruce Airheart. Mike Bielic's kick was good.

Given the ball the Saints took four plays to tie the score on a 13 yard run by Bill Powell, and kick by Bill Springsteen.

The Saints didn't let up. Early in the second quarter Paul Sortel scored on a 1 yard run. Bill Springsteen was again on target, to put the score at 14 to 7. On the next play Saints defensive end Tim Barfield recovered a Bull fumble and set up Bill Springsteen for a 22 yard field goal to widen the lead.

On the kickoff return, Bull's Larry Ball ran 75 yards for the TD. Mike Bielic missed the kick tho, and the score was 17 to 13.

With less than a minute to go in the first half, Mic Hutton threw 15 yards to Bruce Airheart to put the Bulls ahead at half-time 20 to 17.

The Saints tough defense held the Bulls through the third quarter until, on the Saints 15 yard line John Pecaro went to punt, but the center was bad, the ball went over his head, and rolled into the end zone. John picked it up, and ran out of

bounds to give the Bulls a safety, and two more points.

Late in the fourth quarter, the Saints pulled ahead with a 50 yard TD pass from Ken Stone to Bob Gloppe. Bill Springsteen's kick was good, and with the two minutes to go, the Saints led 24 to 22.

The Bulls received the ball and drove to the Saints 40 yard line where the Saints defense had them stopped until a questionable pass interference call on Joe Tornado gave the Bulls the ball on the Saints 10 yard line and set up a 15 yard game winning field goal by Mike Bielic with less than 45 seconds remaining on the clock.

The Saints beat the Bulls everywhere but on the scoreboard. They had 146 yards rushing to the Bulls 72, and Ken Stone had 28 attempts, 14 completions, and 240 yards, compared to Mic Hutton with 15 tries, 6 completions, and 122 yards.

Bill Powell stood out as leading rusher with 15 carries for 110 yards, and Bob Gloppe had a fantastic night with 5 catches for 144 yards.

On defense, Joe Wolf's replacement Tim Barfield has proven himself with 11 major tackles and two sacks.

This Saturday night the Saints will be traveling to Newton, Iowa to take on the Newton Nite Hawks, who lost earlier to the Saints 34 to 0.

Notre Dame loses to St. Patrick 14-0

(by Paul Toepfer)

On Friday night, Nov. 1, Notre Dame lost to St. Patrick in the final game of the season. The score was 14-0.

St. Patrick started the scoring about midway through the first quarter. After blocking a punt by Don Faber, St. Patrick marched 43 yards in 9 plays with a touchdown coming on a 6 yard run by Corcoran.

St. Patrick's final score came in the third quarter set up by a 54 yard interception off a halfback option pass by Brian Burke. St. Patrick then marched 22 yards in 7 plays for the touchdown which was scored on a 2 yard run by Sanders.

Notre Dame almost scored near the end of the game. Quarterback Brian Sullivan ran 43 yards to the St. Patrick one yard line. The Dons called time out with :04 seconds left but failed to get the ball over the goal line.

The Dons' greatest problem was the inefficiency of the offense. The combined passing of Brian Sullivan and John Cashman was 7 for 20 for 158 yards and 2 interceptions. The total yardage gained on the ground was 119 yards. The offense also fumbled twice and seemed to be unable to move the ball once inside the St. Patrick 40 yard line.

SONY

has more than one function.

More sound in a small package than you've ever heard before. Plus a host of features you won't find in many larger stereo systems. Take the turntable. A 3-speed BSR that plays up to six records automatically. The tonearm has a ceramic cartridge, a diamond stylus, and a professional-type cueing lever to lift and lower the tonearm without scratching the record.

The FM Stereo-FM/AM receiver has as many features. Including FET Front-end FM tuner, built-in AFC (Automatic Frequency Control) and automatic switching of FM mono-stereo broadcasts.

Superb sound is assured by the Sony all-silicon solid-state amplifier. It has separate, slide-type, bass, treble and volume controls. The pair of 2-way speakers are matched to the amplifier for high-fidelity performance.

If you want big sound in a small package at a price to match come in and hear the Sony HP-161 Music System today.

Bigger sound, smaller package.

KV-1730R • Trinitron 17" screen measured diagonally

The Sony engineered one-button control for automatic fine tuning, automatic color and hue will lock up a Trinitron color picture that is bright, sharp, vibrant and alive. Automatically. And, with the Sony quality engineered remote control Commander, you station yourself only once. Because remarkable Sony engineering automatically readjusts color from station to station, which means you can change your mind, without getting up to change the color. Simply ask for the one that functions beautifully.

TV-960 • Black & White 8" screen measured diagonally

All television screens have a phosphor coating, but behind every Trinitron screen is a pattern of vertical phosphor stripes; unlike a dot pattern, these stripes have less space between them. So Trinitron color beams hit more phosphor, and the result is greater color saturation; greater clarity, sharpness and intensity. The unique Sony engineered Trinitron Color System is very exciting. You'll see.

A transportable designed for true portability, 100% solid state engineered for rugged dependability and hi-contrast clarity, Sony will follow you anywhere. Come in and pick up a Sony today, before you make your next move.

Career Development program for women

Oakton Community College is sponsoring a career day for women at St. Luke's Lutheran Church, 205 N. Prospect ave., Park Ridge, on Tuesday, Nov. 19.

The "Career Development and Decision-Making Day" is designed for women who are seeking career information or who wish to make a change in careers, according to Elaine Sullivan, assistant professor of student development who coordinates the Oakton program "Especially for Women".

The full-day program will begin at 8:30 a.m. and end at 3 p.m. The \$5 registration fee includes luncheon.

Registration deadline for the program is Nov. 15. A special orientation and registration program for women attending Oakton or who plan to begin in January will be held on Monday, Nov. 25, from 1 p.m. until 4 in Room 108, Building 1 and from 6 p.m. to 8 p.m. in Room 603 in Building 6.

During the afternoon and evening participants will be able to register for the spring semester. Counselors, faculty members and peer advisors will be available. Ms. Sullivan said that faculty members in the "Especially for

Oakton's "Especially for Women" program is offering 21 class sections of 15 different courses for the spring semester, Ms. Sullivan announced.

In the Spring Class Schedule, which will be available this month, courses marked with a "F" are open only to women. These will focus mainly on the specific needs of returning women she said. Other courses in the program are open to all students, although they will incorporate relevant material concerning women.

In addition, a number of Human Potential Seminars (PSY 105) for women will be offered during both the day and evening for the spring term. These sections of the seminar are designed to help women returning to school to become more aware of their personal, academic, and professional potential through an on-going group experience, Ms. Sullivan explains.

For information about the career day on Nov. 19 or registering for the "Especially for Women" courses, call Ms. Sullivan at 967-5120, ext. 385.

Woman's Club meets Wednesday

The Morton Grove Woman's Club will present a special program for members and guests Nov. 14 at the Villa Toscana. A unique marionette company, PEEKO PUPPET PRODUCTIONS, directed by Miss Billie Logan and Miss Ely Reed, will put on a 3-act play by James Thurber, which is entitled "Many Moons".

Both Miss Reed and Miss Logan designed and executed all the puppets in the play. It has been estimated that each puppet required about 150 hours to create. The versatility of these two puppeteers will be demonstrated not only by the puppets, but also in costuming and stage settings.

Miss Logan received her education in Milwaukee, Wisconsin, at the Art Institute in Chicago, and the University of Michigan where she graduated with a Master of Arts degree.

Miss Reed was also educated in Wisconsin and received her Bachelor of Science degree from the University of Wisconsin.

"Future Shock," a film which contrasts scenes of our fast approaching super-electronic future with views of the world today in upheaval, will be presented on Nov. 14. Shirley Simon, assistant coordinator of the Women's Resource Center and instructor in psychology at OCC, will lead the discussion following the film.

For information about the OCC/MONACEP Women's Resource Center, call the MONACEP office at 966-3830.

Mikva victory. . . Continued from Page 1

Mikva camp declared their candidate the winner. The late returns from Evanston were all that were needed to put their man over the top. At 11:25 p.m. Mikva appeared before the eager throng wearing a button which said "Goldzieber lives". He referred to the last Democratic candidate elected to the north suburban 10th District in 1892. Mikva credited his 4,000 workers with the "best campaign that any candidate ever had" and also told them he was "happy you gave me my old job back." Mikva told the crowd his victory margin was 3 or 4 votes a precinct and he said, "Don't let anyone tell you the trouble with politics is too many amateurs." He also said, "We have some faults that need repairing and with your continued help, we'll do it."

In reply Sam Young refused to concede, stating that "the figures are still coming in." He claimed there "were a lot of irregularities in Maine Township, with many machines malfunctioning."

In the 4th District State Representative contest, with 71 precincts in, Aaron Jaffe (D) led with 9,224; Robert S. Juckett (R) 9,198; Tom Flynn (D) 8,663; and Eugene Schlickman (R) 8,168.

It was an exhilarated, yet calmed, Tom Flynn who circulated in the Demo headquarters Tuesday night at 8076 Milwaukee ave., who constantly said, "Things are going good and will get better." He pulled ahead in 17 of the 28 Niles precincts reported, with Jaffe second, followed by Juckett and Schlickman.

In Flynn's home precinct (55) he garnered 438 1/2 votes; Jaffe, 218 1/2; Juckett, 205 and Schlickman, 178 1/2.

By 11 p.m. Tuesday night, the Democrats were running away with everything.

Peter B. Bensinger (R) was to concede, with 81 precincts counted, the office of Cook County Sheriff to Richard J. Elrod (D), predicting "it will be a close election, although not in our favor."

Patton Feichter (D), candidate for State Senator, 4th District, remained exceedingly cool and in the lead in the early evening returns, but incumbent Senator John Nimrod surged ahead and was declared the winner.

Norm Dachman, candidate for County Commissioner from suburban Cook County was cool, calm and collected -- and wearing a VOTE tie -- in his rather quiet Milwaukee ave. headquarters. He was perturbed, however, over non-participation in obtaining factual election returns.

Shortly before midnight returns for County Commissioner candidates, in highest order, were: Diana Hunter (D) 19,565; Mary M. McDonald (R) 17,044; Joseph L. Woods (R), 16,909; Norm Dachman (D), 16,804; Pierce F. McCabe (D), 16,523; James M. Tourek (D), 16,512; Robert E. Schrei (D), 16,083; Lawrence F. Kast (D), 16,056; Floyd Fuller (R), 15,929; Carl R. Hansen (R), 15,739; Ronald R. Larson (R), 14,620; and Harold L. Tyrell (R), 14,444.

Niles polls showed a steady turnout during the entire Tuesday, despite the rains, "with hardly a moment free since 6 a.m.," according to an election judge. Flynn's home precinct 55 was heavy in voters around 5 o'clock and when the polls closed, the precinct captain locked the doors with 50 voters inside, yet to vote.

One Niles voter, determined to know and vote for "her" candidates, took so long in voting that she had to be reminded that she "had one more minute to go."

A campaigner standing outside the polls in the rain under an umbrella was told "to cheer up, things could get worse." "I did cheer up," he said later, when the rain let up, "but things did get worse ... it rained more!"

A male voter waited patiently in the wrong (unbeknownst to him) precinct line. When it was his turn to vote, the machine in his precinct had already been dismantled. He was not able to case his vote.

It was a Democrat's Day and a Woman's Year!

Zoning Board continues petition for Avondale branch bank

[by Alice M. Bohula]
The Niles Zoning Board delayed action, Oct. 30, on petition by Avondale Savings & Loan Ass'n., 2965 Milwaukee ave., on a Special Use permit for branch banking at 7456-60 Oakton st. The petition was continued "generally" until such time following a November appearance of the banking association before the Savings & Loan Commission, in Springfield, a necessary step for all state chartered savings and loan associations, pending relocation or branch banking. Appearance of a large group from the Avondale/Logan Square

community to protest the banking move apparently had great effect upon the Zoning Board decision Tuesday night. According to Conrad Nagel, Association Secretary, the Savings & Loan Branch plans to occupy the northeast corner of Milwaukee and Oakton, an area now occupied by Foremost Liquors, Sara Lee, Cannata Drugs and (vacated) Nu Dimensions. Avondale Savings & Loan has owned the Nu Dimensions building at 7456 Oakton since Oct. 1, 1972, with intent of establishing a walk-up banking facility, said Nagel, with 2 or 3 walk-up windows on the Oakton side. A lease held by Sara Lee will expire Sept. 30, 1975. "Had they intended to renew the lease for another 5 year period, they would have had to give notice prior to August 1, 1974... they have not done so," said Nagel.

A spokesman for the Avondale-Logan Square Concerned Citizens group of 30 to 40 objectors, Donna Wilson, 3521 School st., Chicago, charged that "Avondale Savings intends to relocate in Niles, thus decreasing investments in our neighborhoods... We want Avondale Savings to stay in our community and to make mortgage and home improvement loans necessary to preserve our neighborhoods."

Numerous Logan Square Concerned Citizens insisted on clarification of the Avondale Savings petition... a notice in the Logan Square newspaper, signed by Conrad Nagel, advised that Avondale Savings applied for a change of location, from 2965 Milwaukee ave. to Niles, with the intention of maintaining an office at their present (Chicago) location. The petition to Niles by Avondale Savings requests a Special Use permit for a Savings & Loan Branch.

1st National of Morton Grove introduces free checking account

A new package of banking services, featuring a free checking account, is being introduced this week by the First National Bank of Morton Grove.

Called the First Team, the unique plan combines checking, savings and credit accounts in a way that both saves and earns the participant money.

Highlight of the package is a completely free checking account that requires no minimum balance, monthly service charge or limit to the number of checks you can write.

In addition, the checks are bounce-proof, which means there's a built-in protection against embarrassing situations such as nonsufficient funds in the account.

First Team members also receive free traveler's checks, free cashier's checks, free money orders, pre-approved auto loans and Check-Credit. The letter allows you to write yourself a personal loan any time at 33 per

cent less interest than the standard revolving charge cards. The plan also offers automatic savings which transfers a minimum of \$25 every month from your checking account into your savings.

All these free services are available without automatic savings if you now have -- or open -- a \$5,000 savings account at the bank.

"We've been working on this concept for some time now in an effort to offer people an attractive plan that helps them make gains in the battle against inflation," said bank president Marvin von Aswege.

"The First Team provides services that save a member money with the free checking account and other no-cost features, and also make money for him or her with the automatic savings interest," he added.

Applications for the First Team are available to everyone in the bank's lobby, Von Aswege said.

"Doll Fashion" contest

Interest in the annual "Doll Fashion" contest of First National Bank of Des Plaines is running high this year with a report that many of the 96 dolls already have been picked up by contestants.

However, there is still more than a month remaining in the contest and anyone still wishing to enter may do so by picking up a doll from the bank's receptionist. Contestants have until Nov. 19 to design and sew any type of costume for the doll. Dolls are then displayed at the bank for two weeks and distributed to needy children at Christmas by the Des Plaines Woman's Club.

Again this year, the five winners will be determined by public voting on the basis of the best costumes of any type. Each winner received a \$25 cash prize. One prize is given to a youngster 15 and younger with the remaining prizes going to those 16 years and older.

The contest is open to anyone who has the desire to make Christmas a little bit brighter for others and wishing to demonstrate his or her dress designing talents.

Advance registration is running far ahead of the expected total for "Tax Benefits of Proper Estate Planning", a community service seminar jointly by Citizens Bank of Park Ridge and Lutheran General Hospital. The seminar, which will be open to the public, has been scheduled for 2 p.m. to 4:30 p.m. on Wednesday, Nov. 13, at the Marriott Motor Hotel, 8535 W. Higgins, Chicago.

The seminar will feature speakers on various phases of estate planning: "Trusts - Tax Benefits", "Estate Planning and Philanthropy", and "The Value of the Charitable Dollar", are topics to be covered during the seminar, designed to show those planning their estate how to use their assets wisely.

Addressing the seminar will be William M. Frew, president of CitizensBank, Stephen M. Totton, vice president and trust officer, and Paul T. Pavelski, assistant vice president and trust officer. Totton will talk on tax benefits of trusts.

The talks will be followed by an audience question and answer session and refreshments will be served during the seminar.

The golden years return to Skokie Federal

There's a stir of excitement among young and old at Skokie Federal Savings this month. If you have forgotten what Frank Sinatra looked like when he was with the Dorsey Band now's a chance to refresh your memory. You can see Al Jolson, Glen Miller, and Lana Turner as they appeared at their zenith. They are all included in the nostalgia photo display at the association lobby, 4747 W. Dempster st. They were lent to the association by Skokian Lou Goldman. The display coincides with Skokie Federal's new Money Saver Program which offers a multitude of free services for senior citizens.

The Readers Write

Dear Mr. Besser:
 May I take a minute of your valuable time to discuss a matter within our village, that I believe should have some recognition or "medal of honor" to a girl who has devoted her unselfish time, sleepless nights, and months of hard work to our village. I believe, incomparable to anyone

Roses to a "deserving lady"

within our village for her devotion and dedication to make our village birthday such a success, that praise is endless to say the least. All this was done voluntarily on her part. Her unselfish time, hours she spent to make this glorious "splash," expressed her devotion to our village. I speak of Mrs. Dorothy Tyse.

A remarkable woman who could find time to do all this in spite of her own personal problems and to do all this with no praise to her, is almost unbelievable. I am primarily speaking of our "sleeping dwarfs," our Trustees. She should be awarded the highest award this village could think of, if any, for her beautiful work and the time she contributed.

In honor of Dorothy Tyse, as an individual in this community, I say, thanks, loud and hard and I hope our Trustees can take time out to say the same to Dorothy for all her kindness, consideration and dedication to make this affair a glorious one.

Thank you, Dorothy, for a job well done.

Sincerely,
 Michael J. Armato

Sympathizes with Tom Flynn

Dear Editor:
 I am writing to sympathize with Thomas W. Flynn. In his letter of 9-19, he revealed the unfair tactics being used against him in his campaign for State Representative. He wrote, "Someone was accusing me of 'fixing' the sales of Catholic Church land to Oakton Community College to enrich the Church." He was accused of being anti-semitic. He claims that "gutteral tactics (are) being used against me."

I think that the people responsible for such "gutteral tactics" should be ashamed of themselves. The reason I feel sorry for Flynn is that I was once treated very unfairly by a reader of The Bugle, in Letters to the Editor. In answering my letter concerning the Equal Rights Amendment, this person misquoted me several times, and refused to tell the truth about certain public statements. When I corrected these misquotes and corrected his misconceptions, he again wrote a letter to The Bugle. Again he misquoted me and misinformed the public. I was furious just as Thomas Flynn is now. But I could not answer these claims; that person that was using "gutteral tactics" against me asked The Bugle to print no more of my letters. So I know why Flynn is so outraged.

By the way, the man who used the "gutteral tactics" against me was Thomas W. Flynn.
 Yours truly,
 Kevin L. Christell

HOW AS YOUR Halloween

Niles officials reported a quiet Halloween this year. The calls received by the Niles Fire Department, said Deputy Fire Chief Charles Bobula, were in no way related to Halloween activities.

Officer James Gerhardt, of the Niles police, stated that there were no major Halloween occurrences and very few minor incidences.

"We had one call, of noisy youths at the Niles Park around 8 p.m.," said the Juvenile officer. "When we checked out the call, the youths were courteous and good-natured about quieting down."

One broken pumpkin, numerous egg throwing incidences and several T.P. wraparounds were the sum total of reported activities during Halloween, according to police.

A windy night and a slight drizzle dampened the spirits of Trick 'n Treaters after 7 p.m., said Gerhardt. "We had fewer youngsters looking for treats at the police station than we had last year."

The attitudes of the younger generation was much improved this year, he commented. "We did not get reports of the destructive type of incidences we had three to four years ago. Talks with the kids by Officer Friendly apparently paid off," said the Juvenile Officer. "as well as a balmy evening which brought adults out to sit on their front steps, which most likely had good effect on any intentions by the younger crowd."

He also noted the presence of fathers as well as mothers who accompanied their children while trick and treating.

"Several areas in Niles left por lanterns and porch lights on all night," he said, "which are good deterrents to the mischief-minded."

About 15 patrol cars policed Niles during Halloween night, down from other years.

Assistant Supt. of Public Works Richard Albrecht reported no damage, anywhere... "We checked everywhere," he said, "maybe the parents are becoming a little more strict with the kids."

Traffic fatality

A Glenview man was killed early Friday morning, Nov. 1, when his sports car struck the viaduct underpass at Milwaukee ave. and Dempster st.

According to Niles police, Timothy P. Malina, 21, of 2809 Helen dr., was eastbound on Dempster, when he apparently lost control of the car, which hit the leading edge of the underpass viaduct.

The car was completely demolished and pieces of the 1972 convertible Triumph were found up to 200 feet from point of impact.

The driver was taken to Lutheran General Hospital, where he died of multiple injuries received in the crash.

Pow Wow '74

Rehearsal for Niles West High School's Pow Wow '74 are now underway. Pow Wow is a student operated show. It is directed, acted, written, staged and technically operated completely by students. This year's theme is Vaudeville '96-Vaudevilian style, done in the way the people of 1996 would view Vaudeville.

Work on Pow Wow started last spring when a "steering committee" (the directors) had been picked. The steering committee is made of ten Niles West students. The auditions were held in September for the show in November.

Pow Wow is a West tradition that was cancelled for two years because of lack of interest. But to quote Ray Rueb, the student director, "We hope that we can start up that tradition once again and keep it alive as long as Niles West exists."

The numbers in the show range from "Plant a Radish" from the Fantastics, to "Applause" from the play of the same name.

Pow Wow will be presented on Thursday, Friday, and Saturday nights, Nov. 21, 22 and 23 at 8:15 in the Niles West auditorium. Tickets are \$1.50 for students and \$2 for adults. For additional information, call 966-3800, ext. 263.

Sweet Adelines Annual Show

The Edge O' Town Chapter of Sweet Adelines, Inc. will present their annual show, "A Tunesful Story," on Saturday, Nov. 16, at the Serbian Hall, 5701 N. Redwood ave., Chicago.

The show is scheduled to begin at 8:30 p.m. Cocktails will be served at a cash bar starting at 7:30 p.m. In addition to the chorus directed by June Berg, the show will feature the zany antics of the popular men's quartet, "The Allied Four," as well as the versatile ladies' quartet from Decatur, Ill., "The Star Steppers."

The \$6 ticket price includes food and music for dancing after the show. For tickets call Eve Neafie 698-3647.

ED HANSON

"I'm no party pooper ..."

But, as a result of last weekend, 'I'm party pooped' For the week that wuz wuz filled with Halloween parties, political rallies and dinner dances, etc. Like they say, "It's a great life if you don't weaken, but whatta way to go."

It began with a dinner dance at the La Grange Country Club and wound up at the 'Roaring 20's Dance' sponsored by the Maine Township Democratic organization of which Dr. Tom Kogos is V.P. and co-chairman. He did a great job!

It included a big, happy Halloween Party at the Single Mingles Club of Niles, and another beautiful, bouncy party at the famous Landmark (Dempster and Milwaukee).

The gala Halloween Party at the Landmark was hosted by that bon vivant and prince of good fellows, magnificent Mattie and his lovely wife Lorraine. It offered a midnight roast Tom Turkey dinner with all the trimmings, including that delicious old fashioned sage dressing I love so well.

In fact, I'd like to mention that the Landmark serves lunches daily which, for food quality and reasonable prices, you just can't beat. If you want to beat inflation "instead of biting the bullet" as President Ford suggests, just get a bowl of Lorraine's famous homemade soup which is served daily. Now this bowl of soup sells for only 55 cents but it comes packed with vegetables, meat or barley, etc. It is served in a bowl so large that Esther Williams could dive into it off the high board. It is so nutritious that one bowl is the only meal you'll need all day. Thus, your total food cost can be only 55 cents a day. Not only will you be doing something for your country by helping to stem inflation and making your President happy, but the money you save you can spend on booze and gals if you are a guy, or vice versa, if you are a gal.

And the Landmark offers the finest in 'live' entertainment in the person of magnificent Mattie who accompanies the Apex Juke box on the drums. I tell you, Mattie puts Gene Krupa to shame for as a drummer he has no peer, just as I, as a lover, have no peer. (I thought I'd slip that in, gals!)

Anyway, Mattie, who owns the Landmark runs the finest, cleanest, place in town. And if you behave yourself, you're welcome, otherwise get lost! And that's why Mattie has more friends than Rockefeller has money. (In fact, I think I spotted Rocky in there the other night having a quiet beer.)

The Single Mingles Club of Niles, of which Bob Garvey is the dashing young manager, offered a super Halloween Party. After leaving the La Grange Country Club, I took my date, Dottie, a widow with a 'touch of class' and a 'ton of money' to the Single Mingles party. She had more fun than if she was out with the fleet and Burt Reynolds. I may take her to their big annual "Showcase" which the Fred Astaire Dance Studios holds at the Sheraton-Chicago Hotel downtown on Sun., Nov. 17. This is really a wonderful dance festival and a truly super affair.

The Roaring 20's Dance at Bunker Hill was delightful and, for those at table 5, profitable too. For at Mattie's (Landmark) table No. 5 were Grace, Tony, Lorraine, Mattie, Ken and his wife, Gus, Betty, Marty, Jenny and by proxy "JUDY" and yours truly. A total of 6 prizes were won by members of Mattie's table. He won a gold plate and gift certificate, Ken's wife won a digital clock and Betty and Marty both captured fine prizes, too. It was 6 for 5 of the door prizes for table 5. I didn't WIN anything, so I may demand an investigation!

I also attended the great Halloween Party at the Excalibur Lounge in Golf Mill and they were jammed packed with happy Halloween celebraters. And remember, your ticket stubs from Golf Mill Theatres 1, 2 and 3 are good for a FREE drink at the Excalibur Lounge. And here's another shot: If you mention my name, Ed Hanson, this will also entitle you to ONE FREE DRINK! (Limit one to a customer.)

After we left the Single Mingles party we dropped in across the street to Tedd's Early Times Restaurant & Lounge for a cocktail. They were enjoying a fine business when Dottie and I dropped in after the Halloween party. Tedd and his wife are very nice people, provide excellent food and superb service. Bob Garvey and the gang from Fred Astaire Dance Studio are constantly praising both the food, service and hospitality of this fine place. Drop in and find out for yourself.

Late Sunday night, after seeing "That's Entertainment" at Golf Mill Theatre, I dropped into the Millbrook Restaurant, 9353 N. Milwaukee (across from Golf Mill) and enjoyed a dinner of Lamb and Rice which was out of this world. Incidentally, The Millbrook is now offering FREE HOMEMADE SOUP with any sandwich anytime. And they feature a bang-up breakfast special of FRENCH TOAST for only 79 cents. Nick and Bill are both really fine chefs, and they see to it that everything they serve is prepared to order and is top-drawer quality. They are constantly winning new customers and influencing old ones to return which speaks volumes for both their food and service.

P.S. After last week, gals, I now have an unlisted phone number, an unlisted room number and have two, 250 lb. police matrons guarding my door so I won't be disturbed. The police women were supplied, by my request, from Purolator Security. Will I be safe?

Pow Wow '74

Rehearsal for Niles West High School's Pow Wow '74 are now underway. Pow Wow is a student operated show. It is directed, acted, written, staged and technically operated completely by students. This year's theme is Vaudeville '96-Vaudevilian style, done in the way the people of 1996 would view Vaudeville.

Work on Pow Wow started last spring when a "steering committee" (the directors) had been picked. The steering committee is made of ten Niles West students. The auditions were held in September for the show in November.

Pow Wow is a West tradition that was cancelled for two years because of lack of interest. But to quote Ray Rueb, the student director, "We hope that we can start up that tradition once again and keep it alive as long as Niles West exists."

The numbers in the show range from "Plant a Radish" from the Fantasticks, to "Applause" from the play of the same name.

Pow Wow will be presented on Thursday, Friday, and Saturday nights, Nov. 21, 22 and 23 at 8:15 in the Niles West auditorium. Tickets are \$1.50 for students and \$2 for adults. For additional information, call 966-3800, ext. 263.

Sweet Adelines Annual Show

The Edge O' Town Chapter of Sweet Adelines, Inc. will present their annual show, "A Tunesful Story," on Saturday, Nov. 16, at the Serbian Hall, 5701 N. Redwood ave., Chicago.

The show is scheduled to begin at 8:30 p.m. Cocktails will be served at a cash bar starting at 7:30 p.m. In addition to the chorus directed by June Berg, the show will feature the zany antics of the popular men's quartet, "The Allied Four," as well as the versatile ladies' quartet from Decatur, Ill., "The Star Stepers."

The \$6 ticket price includes food and music for dancing after the show. For tickets call Eve Neafie 698-3647.

ED HANSON

"I'm no party pooper ..."

But, as a result of last weekend, "I'm party pooped!" For the week that was filled with Halloween parties, political rallies and dinner dances, etc. Like they say, "It's a great life if you don't weaken, but whatta way to go."

It began with a dinner dance at the La Grange Country Club and wound up at the "Roaring 20's Dance" sponsored by the Maine Township Democratic organization of which Dr. Tom Kogos is V.P. and co-chairman. He did a great job!

It included a big, happy Halloween Party at the Single Mingles Club of Niles, and another beautiful, bouncy party at the famous Landmark (Dempster and Milwaukee).

The gala Halloween Party at the Landmark was hosted by that bon vivant and prince of good fellows, magnificent Mattie and his lovely wife Lorrie. It offered a midnight roast Tom Turkey dinner with all the trimmings, including that delicious old fashioned sage dressing I love so well.

In fact, I'd like to mention that the Landmark serves lunches daily which, for food quality and reasonable prices, you just can't beat. If you want to beat inflation "instead of biting the bullet" as President Ford suggests, just get a bowl of Lorrie's famous homemade soup which is served daily. Now this bowl of soup sells for only 55 cents but it comes packed with vegetables, meat or barley, etc. It is served in a bowl so large that Esther Williams could dive into it off the high board. It is so nutritious that one bowl is the only meal you'll need all day. Thus, your total food cost can be only 55 cents a day. Not only will you be doing something for your country by helping to stem inflation and making your President happy, but the money you save you can spend on booze and gals if you are a guy, or vice versa, if you are a gal.

And the Landmark offers the finest in 'live' entertainment in the person of magnificent Mattie who accompanies the Apex Juke box on the drums. I tell you, Mattie puts Gene Krupa to shame for as a drummer he has no peer, just as I, as a lover, have no peer. (I thought I'd slip that in, gals!)

Anyway, Mattie, who owns the Landmark runs the finest, cleanest, place in town. And if you behave yourself, you're welcome, otherwise get lost! And that's why Mattie has more friends than Rockefeller has money. (In fact, I think I spotted Rocky in there the other night having a quiet beer.)

The Single Mingles Club of Niles, of which Bob Garvey is the dashing young manager, offered a super Halloween Party. After leaving the La Grange Country Club, I took my date, Dottie, a widow with a 'touch of class' and a 'ton of money' to the Single Mingles party. She had more fun than if she was out with the fleet and Burt Reynolds. I may take her to their big annual "Showcase" which the Fred Astaire Dance Studios holds at the Sheraton-Chicago Hotel downtown on Sun., Nov. 17. This is really a wonderful dance festival and a truly super affair.

The Roaring 20's Dance at Bunker Hill was delightful and, for those at table 5, profitable too. For at Mattie's (Landmark) table No. 5 were Grace, Tony, Lorrie, Mattie, Ken and his wife, Gus, Betty, Marty, Jenny and by proxy "JUDY" and yours truly. A total of 6 prizes were won by members of Mattie's table. He won a gold plate and gift certificate, Ken's wife won a digital clock and Betty and Marty both captured fine prizes, too. It was 6 for 5 of the door prizes for table 5. I didn't WIN anything, so I may demand an investigation!

I also attended the great Halloween Party at the Excalibur Lounge in Golf Mill and they were jammed packed with happy Halloween celebraters. And remember, your ticket stubs from Golf Mill Theatres 1, 2 and 3 are good for a FREE drink at the Excalibur Lounge. And here's another shot: If you mention my name, Ed Hanson, this will also entitle you to ONE FREE DRINK! (Limit one to a customer.)

After we left the Single Mingles party we dropped in across the street to Tedd's Early Times Restaurant & Lounge for a cocktail. They were enjoying a fine business when Dottie and I dropped in after the Halloween party. Tedd and his wife are very nice people, provide excellent food and superb service. Bob Garvey and the gang from Fred Astaire Dance Studio are constantly praising both the food, service and hospitality of this fine place. Drop in and find out for yourself.

Late Sunday night, after seeing "That's Entertainment" at Golf Mill Theatre, I dropped into the Millbrook Restaurant, 9353 N. Milwaukee (across from Golf Mill) and enjoyed a dinner of Lamb and Rice which was out of this world. Incidentally, The Millbrook is now offering FREE HOMEMADE SOUP with any sandwich anytime. Hebrew School denied expansion permit

[by Alice M. Bobula]

A Special Use permit for expansion of the Associated Talmud Torahs Hebrew School, proposed at 8856-60 Milwaukee ave., was denied by the Niles Zoning Board, Oct. 30, by a vote of 5 to 1.

The Hebrew School has been in operation in a storefront at 8852 Milwaukee since Sept. 1973, and had petitioned for expansion, due to increased school enrollment, at the Oct. 23 Zoning Hearing. Petition had been continued to Oct. 30, pending further investigation of traffic problems and fire

safety.

Village departmental reports introduced at the Oct. 30 meeting indicated that the proposed expansion did not meet the requirements of life and safety code and had a distinct possibility of traffic congestion by the 300 students intended for the area.

Zoning Commissioner Kenneth Cohen motioned, indicating by ethnic connotation, his approval of the petition. Other zoning commissioners negated the motion on basis of traffic congestion, growth of pupil enrollment for the area and fire safety.

Zoning Commissioner Charles O'Grady charged that "figures (of pupil enrollment, number of buses, etc.) were bounced around, lending an inaccurate estimation of the entire situation."

Zoning Commissioner Joseph Raymond opined that "a school of this size should not be in a shopping center, but relocated in another, suitable area."

The entire Board was agreed that "This school is good for the children, but not necessarily in this area."

The Hebrew School has been

leasing the storefronts intended for expansion at 8856-60 Milwaukee ave. for \$1,050 per month since Sept. 1, and had, apparently, begun renovations in the area without village permits.

Officials of the Hebrew School were advised by Zoning Chairman John Frick that the case would come before village trustees for a final decision.

In other business, the Zoning Board conceded they had no legal authority to waive restriction set by platted line in the petition for front yard variation by Michael Peterson for construction of a

front bay window at 8939 Elmore. Because existence of the platted line was not known at time of petition, Zoning Chairman John Frick advised that the petition be withdrawn and the fee returned to the petitioner.

Petition by James E. Strnad for rear yard variation, from 40 feet to 33 feet, for a room addition at 7521 Kirk Drive, was denied basically on the Zoning Code ...

"It doesn't make sense to grant such a wide variation," said a zoning commissioner following a review of all possibilities for construction of the addition.

Bike trail overpass
 A subject of curiosity to motorists as well as pedestrians is the bike trail overpass which stretches from the southwest side of Caldwell ave. to the northeast side of Oakton st., in a view looking south on Caldwell. The overpass, which went under construction last July, will be completed in approximately another month, according to the Niles engineering department, whose "estimate" of the cost ran around \$350,000. Plans call for a complete screening of the concrete overpass, which is a Forest Preserves project.

Further, the winners will run the Village Board of Trustees meeting scheduled for Nov. 26, at which time they will be presented with their trophies and bonds. Each winner will make the report of the person he represents.

The response to the contest was good this year with over 400 essays originally entered. The topic was *Entering High School, My Expectations and Apprehensions* and needless to say, many interesting ideas were included in the essays. Of course, everyone cannot be a winner, but we thank all who entered for a job well done and hope you will enter again next year and perhaps be one of the winners then.

This year's winning essay, written by Kevin Boyle, appears below.

Entering High School - My Expectations and Apprehensions

Can you guess who I am? I have a pal who cares a lot about me. It seems he and I get along very well. My friend tells me he is soon to enter high school and he has been talking a lot about that to me. There have been many days he and I kinda romped around doing things we liked, but lately there are days when we seem to be thinking more than playing together. Sometimes I get restless because of this. I try to listen even though I really do not understand some of the things he is talking about, but when you love someone, you listen anyway.

My friend tells me high school is soon to come and that school is just what is says... HIGH. Hand in hand we have been jumping together joyfully in the past. Now he tells me the jumping will have to be higher and harder and he is wondering if and hoping that he can make it.

Notre Dame is the school he is thinking about and his brother tells him he will have large assignments and many essays in his first year as a freshman. He says he will be kinda scared of some of them knowing there will be more work expected of him in the classes he will be taking. Plenty of homework assignments will have to be done but he says the important part of all that

exerting work is that he would learn more and do many unique and different things.

He is looking forward to meeting new friends and has a chance to start a togetherness with people from other areas. He would like them to get to know him too. He wants to meet his new teachers and says they will probably be harder on him and his new classmates but because of this he will benefit.

Sports is one of his favorite hobbies and he wants to try to get on a school home or travelling team. Having fun and playing good on the team (if he makes one) is what he would anticipate and also expect from himself.

My friend is looking forward to making certain trips alone, getting his driver's license, going to sock hops, and maybe dating in his Junior and Senior years and says he expects to have fun in doing these things.

Being more responsible and having more responsibilities is what he expects in high school too. He knows he is going to have to get work done faster and before it is due, be a careful driver when he gets his license, and try to help his school be a better place for all. This probably means he will have to do bigger and better jobs not only in school but around his home and anyplace else he happens to be.

He is apprehensive of the first week of high school in not knowing his way around too well. He will have to get adjusted to the new changes from class to class and get used to the idea of being the youngest in school instead of the oldest. He is a little scared about working with new teachers and classmates he does not know because he will feel nervous at first and this might affect his work.

There are some big fears about high school, too, my friend says. Drugs is one of them. He is afraid of some older kid offering them to him. He does not like the thought of older kids wanting to push him around either and thinks he will have to be careful of Sophomores especially since they were the last pushed around as Freshmen.

I wish my friend good luck in the school that is HIGH because I think he is going to need it. Maybe you have guessed who I could be, but if you have not, a good hint is "man's best friend". That should give you a clue and tell you many things. My name is "Mitzy" and my pal is ...

MG Library happenings

The Children's Room of the Morton Grove Public Library is requesting donations of used books in series for their Mystery Trading Club. The books that are particularly needed are Nancy Drew books and Bobsey Twins books.

Also needed are calendar pictures for the Picture File in the Children's Room. Please bring in any good calendar pictures, for they are very useful and informative.

The Hobby Case in the Children's Room is featuring a lovely sea shell collection, belonging to Leslie Sorenson, who is in the 4th grade at Nelson School.

Past displays have featured collections of coins, rocks, stuffed animals and dolls. Each collection is displayed for a week and the Hobby Case is booked for months in advance.

The Morton Grove Public Library is featuring a "Country-Western" display in the lobby display case for the month of November.

Against a backdrop of a colorful square dance skirt are country music record albums, carried by the Library, and such "country antiques" as an old fiddle, a kerosene lantern and a milk can.

The display was created by Barbara Geyer of the Library staff.
