Blase calls meeting of departmental heads

Can Niles avoid future flooding?

[by Alice M. Bobula]

Niles took a long critical look last week at the aftermath of the April 18 downpours.

"Calls from residents began to come into our department shortly after the first heavy downpour on Friday around 5:30 p.m.," said Public Works Superintendent Edward Bacher, concluding that "it quieted down about 12:30 in the morning."

"Of the close to 200 phone calls to public works, he said, 129 involved flooding of basements, 55 calls involved flooded streets and 9 of flooded backyards."

Mayor Nicholas Blase had asked for a meeting of departmental heads in Engineering and Public Works to recommend preventative measures, using the Friday afternoon downpours as an evaluation. That more homeowners were involved than those who telephoned was a general consensus of opinion among village officials.

The most critical areas of flooding were reported north of Main st. to Dempster and the area between Milwaukee and Harlem ave., which is serviced by the Lee st. trunk sewer.

This is an area which needs corrective measures voiced the Public Works director. Critical flooding had been reported on the

8400-8500 block of Oriole, across from Notre Dame High School, where the waters rushed off the field at Oriole and Greenleaf, Greenleaf to Main st. and Greenleaf north to Dempster. Storm sewers or relief sewers may be considered for this area, he said.

There is much overland flooding following the sudden, fast and furious rains that have been experienced, said both Bacher and Village Engineer Robert Kahler. Overland flooding results in flooding of window wells and rain waters going down basement stairs, flooding basements, they said.

Niles sewers are designed to a 10-year rain of 1 inch in 10 hours, said Kahler.

But the storms are becoming increasingly worse and closer together.

The most recent, Friday's, was the worst in Niles' history, said Bacher. The 1972 flooding rains involved the Grennan Heights area between Milwaukee and Harlem and Main st. south to Oakton. Preventative measures of installation of the Oakton st. storm sewer alleviated the situation. The sewer, installed at a cost of \$600,000, runs from Washington st. to the north branch of the

Silver Jubilee Celebration for SJB Pastor

The 25th anniversary of his ordination to the priesthood will be celebrated on Sunday, May 4, by the Rev. J. Edward Duggan, Pastor of St. John Brebeuf Catholic Parish here in Niles. A special Mass of Thanksgiving will be celebrated in St. John Brebeuf Church, Harlem ave. at Main st., at three o'clock in the afternoon, followed by a reception in the school from four to six o'clock.

Father Duggan was born on Chicago's west side on Oct. 15, 1924, the son of John and Bernadine Duggan. Mrs. Duggan, now residing in Oak Park, is a retired public school teacher. Mr. Duggan, now deceased, was a principal for thirty years in the Chicago public school system.

Father Duggan was educated at St. Catherine of Siena School in Oak Park, Quigley Seminary in Chicago, and St. Mary of the Lake Seminary in Mundelein, Ill., where he received the degree of Licentiate in Sacred Theology. Ordained in the Chapel of the Immaculate Conception at St. Mary of the Lake Seminary by the late Samuel Cardinal Stritch on May 4, 1950, he served as an Associate Pastor of St. Columbanus Parish for two years. He then was named professor of mathematics and prefect of discipline at Quigley Seminary North from 1952 to 1958, in residence at St. Clement's Parish. From 1958 to 1963 he was Assistant Superior.

Despite Sunday's downpour, about 350 people showed up at the 10th Congressional Democratic meeting, most of them protesting the proposed re-mapping of the district by Dick Daley.

Unlike Republican conclaves, when the Democrats get together there is usually a bit of blood letting, lots of in-fighting and a heavy show of emotion with boos and catcalls befitting the old Romans in the Coliseum some 2,000 years ago.

Sunday some guy got up in the audience to denounce state senator, Howard Carroll and was quickly berated by Nilesite Tom Flynn, a defender of Mr. Carroll. Then the committeeman from Evanston Township tried to usurp the floor from another speaker, claiming her minority views were out of order because they didn't conform with the majority. He was gavelled down by chairman Lynn Williams, who himself was overruled by audience participants, who demanded everyone desiring to speak be allowed their place in the sun. Maine Township Democrats were popping up all over the auditorium to give their special kind of wisdom to the dampened audience. And a guy from Dan Walker's office made page 1 news in Monday's metro papers when he announced the Governor would veto any such re-map which would eliminate the present structure of the 10th district. Most of the Mikva fans jumped to their feet and gave a rousing two minute ovation to the Walker veto. There were a few other calmer heads who stayed in their chairs knowing this governor must be taken one day at a time. Any tentative

Niles Youth Center posts 'No Smoking'

The Niles Youth Center at 8060 Oakton, has instituted a new policy banning use of smoking materials in compliance with a recent Niles ordinance prohibiting smoking by minors attending Youth Center functions. According to Village Trustee Abe Selman, who introduced the resolution, "our intention is to open the Youth Center to a more diverse spectrum of the Niles Youth."

Selman explained that many youths and parents had complained of the discomfort and irritation of cigarette smoke to smokers and non-smokers alike. Selman felt that many youths who had previously shunned Youth Center activities because of the heavy smoking would now make greater use of the facility. It is expected that more teens will attend nightly functions as well as dances. While Selman realizes the difficulty in enforcing the smoking ban at Friday night dances attended by hundreds of teens, he pointed out that the ban will be strictly enforced Monday thru Thursday evenings, when the Youth Center is open for ping-pong, billiards, air-hockey, foos-ball and other activities. Since the Youth Center opened in Nov. of 1974, it has drawn an average of 70 teens on week nights, and attendance in excess of 200 youths at the regular Friday night dances.

ND fencers to Adult Nationals

The Illinois Divisional adult championships were held at New Trier West on Saturday, April 26. The women's foil finalists were: 1. Karen Beckman (NU), 2. Claire Hanamoto, 3. Karen Nichols, 4. Ann Federowitz, 5. Virginia Hendrickson, 6. B. Shewell, 7. M. Springhorn, 8. S. Wertheimer. The National qualifiers are: Karen Beckman, Claire Hanamoto and Karen Nichols.

The Sabre Finalists were: 1. Edwin Longstreet, 2. Fred Rhodes, 3. Tony Nishimura, 4. Rich Sikora (UICC), 4. George Sosnowski, 5. Art Diamond (NW), 6. Greg Zullo (NTW). The National qualifiers are: Bill Kica, Pat Gerard, Art Diamond, Greg Zullo, Mike Gerard, Jim Julien, Mr. Campbell. The Epee finalists were: 1. Tim Glass (NDHS-UND), 2. Willy Pugh, Didier Von Oppen, 4. Larry Labow (NE), 5. Bruce Krivisky, 6. Garry Gronke (NDHS-HCC). The Epee national qualifiers are: all the above plus 3 alternates.

The tournament was small because of the tournament's nature, but it was still strong. In Epee, Tim Glass took 1st 14-0 for the day. Because of his two Olympic tryouts in N.Y. and San Francisco, plus school, this was Glass' first divisional appearance. Garry Gronke qualified in epee again, but the surprise was freshman Randy Kuzma who made the semi's and even had a 5-0 win over Kent Koester from Niles West.

The foil was topsy turvey again. Extra-divisional fencer, Jim Herring was looking for a repeat of the previous week's victory over Gerard in their continuous battle. Gerard met Herring in the semi's and won 5-3. In the final round Gerard lost to teammate, Bill Kica and George Sosnowski before winning his next two bouts when he met Jim Herring for the second time. Herring was 4-0 and Gerard 2-2. Gerard won the bout 5-3 again to force a fence off between Herring and Kica for first, which Herring won. Gerard's two wins put him ahead of Herring in their series 17-16. Pat Gerard now has 230 wins and 47 losses for the season (.830 average). Mike Gerard, a semi-finalist, is 182 wins for the season trying to become NDHS's 4th 200+ winner.

The divisional meet is the time when the sectional team for the adults is chosen. The Men's foil team is: 1. Pat Gerard (NDHS-UND), Mike Gerard (NDHS), Dr. George Sosnowski PhD, Art Diamond (NW). The Epee team is: Tim Glass (NDHS-UND - not going), Garry Gronke (NDHS-HCC), Willy Pugh, John Watkins, A. Rosecrans. The Sabre team is: Rich Sikora (UICC), Andy Vella (UICC), Tony Nishimura, Fred Rhodes (both former UICC fencers). Women's foil team is: Karen Beckman, Claire Hanamoto, Virginia Hendrickson, Karen Nichols.

Basketball Tournament

The Annual Jewish Welfare Board Midwest Region Teenage Basketball Tournament was held at the Omaha, Nebraska Jewish Community Center in Feb. Two staff members and twelve players of the Mayer-Kaplan JCC traveled to Omaha to participate and to experience the camaraderie, recreational programming, and hospitality of the "Cornhusker State," according to coach, Ron Spitz.

They returned second place winners (the highest position the Kaplan "J" has won to date in this tournament). Captain, Steve Perlow, Co-captain, Fred Steinberg, and Coach Ron Spitz, represented their team in presenting their trophy to Richard L. Braun, of Mayer-Kaplan JCC.

OCC tennis season looking great

The Oakton Community College Tennis Team, undefeated champions of the Skyway Conference last year, looks even stronger this year, according to its coach, Tom Jorndt.

"We have the finest team Oakton has ever had," Jorndt said. "I say that because we have experienced players back from last year and we also have some talented newcomers."

Returning are John Griffin, No. 2 singles last year, and Bob Weidner, No. 3 singles conference title holder. Joining the squad are Frank Lux, who played No. 1 singles at Maine West H.S. last season, and John Mulopoulos, who played one year of varsity tennis at Ripon College in Wisconsin.

"It's going to be a very close race between the first four players," Jorndt said.

Toby Bernstein and Mark Peterman add balance to the team at the No. 5 and 6 positions, respectively. Three other members of the squad are Karen Haag, Steve Irving, and Cary Weiman.

Gone from last year is Roger Junge, conference champion at No. 1 singles and the second best

player in the state. Although Oakton will lack a player dominating as Junge, Jorndt believes the depth of this year's team will make up for that.

"We feel we can repeat as Skyway Conference Champions," Jorndt said. He even hopes to improve on the team's third place finish in state last year and again qualify for the NJCAA Nationals in Florida.

Jorndt also believes that the squad's recent week-long trip to the Nashville, Tenn. area where it played strong competition outdoors (weather in Chicago has prevented any play except inside), as an added advantage over its rivals.

Mike Norberg, a 1973 graduate of Notre Dame High School in Niles, recently competed in the NCAA Division II Swimming and Diving Championships held on March 21 and 22 at Cleveland State University. He placed 2nd in the 200 yd. butterfly with a time of 1:57.3. He had a time of 4:20.3 in the 400 yd. individual medley to place 6th in that event. Mike also swam on the 800 yd. freestyle relay from the University of Missouri at Rolla where he is a sophomore in the School of Engineering. His relay team qualified for the consolation heat, but a stomach illness kept the All American on the bench while his teammates placed 11th. Indoor track

[By Pat Falter] "Maine East's varsity level," said Coach John Coughlan, "did very well this season. In dual meets the record was twelve and two, and they took second in conference and the Blue Demon relays. In the Oak Park relays the varsity ranked sixth out of sixty-three schools."

Some of the outstanding performers this year were the varsity sprint relay team, which is probably the top in the state, composed of John Schmid, Sam Rea, Mike Babcock, and Tim O'Hagan. Brian Briars was another sprinter placing high in varsity meets. Babcock, O'Hagan, and Briars are all sophomores running at a varsity level. As far as distance runners go, three juniors placed high in all meets they entered. They are Mark Tomasik, Dave Saethre, and John Hinterhauser.

In the field events outstanding performers were Bob Gaza in the high jump, Terry Mellinger in shot put, and Mike Haber and Mark Duda in pole vault. All of these boys placed in the conference meet.

On the sophomore level two big meets won were the Proviso West invitational and the Eyanston relays.

Niles policeman nabs woman wanted for theft

Alertness on the part of a Niles policeman, Friday morning, resulted in the arrest of a Glenview woman wanted on a Chicago warrant for auto theft.

Mrs. Leslie Shapiro was arrested by Niles Police Sgt. Frank Wichlac as she left the Friday morning misdemeanor and felony court of the Niles Police Dept. She had accompanied her son who was arraigned in Niles court on other charges.

As Court Officer, said Sgt. Wichlac, he had recognized the name on the court docket to coincide with that listed on the Niles Police monthly warrant file.

The warrant listing was verified with Chicago police immediately after observing the Shapiro woman in court, said Sgt. Wichlac, who returned in time to make the arrest after Mrs. Shapiro left the courtroom.

Mrs. Shapiro at first declined to enter Niles police headquarters, asking what charges were made against her and then stating that the charges had "been taken care of."

Niles Police Lt. Frank Stankowicz said Mrs. Shapiro had a record of previous arrests. The Chicago warrant, he said, resulted from a Hertz Rent-A-Car

agency who had filed a complaint against her for alleged theft of a car.

Chicago police took her into custody at noon on Friday, said Niles police.

Niles Grandmothers' Founders Day Luncheon

Eighteen Niles Grandmothers and their guests, with fourteen Mt. Prospect Grandmothers, left by bus at 10:35 a.m. Monday, April 21, to represent our Club at the Grandmothers' Founders Day Luncheon in Waukegan, Ill.

We had a gay time chatting together as the bus drove north on Milwaukee ave., past the Golf Mill Shopping Center, which already was filling up with early shoppers. We then drove west on Golf rd. to the Tri State Tollway.

We arrived at the Swedish Glee Club in Waukegan to see and meet other members of the International Grandmothers Club who had arrived from various parts of the country. There was quite a large group and nice speakers.

We were seated at tables with our own groups to be served our lunch. The tables were beautifully decorated and lovely geranium plants were scattered and centered around the tables which were later to be given away as door prizes. We were then served our lunch. We had tomato juice, a nice lettuce salad, fresh rolls and butter, beef with vegetables, mashed potatoes and gravy, kolachkes and coffee. It was a very nice meal, and much enjoyed by all.

There was a fashion show presented by Lane Bryant, showing spring fashions for young and old, which was enjoyed by all. We then went back to the bus for an enjoyable drive back to the Recreation Center arriving home before the rush hour. A pleasant time was had by all.

Avondale S & L changes branch location

The Niles Zoning Board, April 23, approved a Special Use permit to Avondale Savings & Loan Assn. for branch banking in the Candlelight Courte Annex Building (Steinberg-Baum) at 7557 Oakton st. The approval is subject to final endorsement by village trustees.

In several previous appearances before the Zoning Commissioners, Avondale Association, whose main office is located at 2965 Milwaukee ave., had petitioned for a Special Use Permit at 7456-60 Oakton st., a building at Oakton and Milwaukee ave. owned by Avondale. Strenuous protest by the Logan Square Homeowners and Avondale Concerned Citizens groups, to the Savings & Loan taking monies out of the community, as well as difficulties in meeting village requirements for the Niles building parking facilities resulted in continued action of the petition by the Zoning Board.

In Wednesday night's action, petitioner's counsel requested an amendment of the original petition to a location approximately a block west of the original site requested. The reason, he stated, was that "due to the difficulties in traffic and parking problems at the other site, we determined this (7557 Oakton) location to be more advantageous to us and to the Village (of Niles)."

Approval of the petition was conditioned by Comr. Ken Cohen that there be no drive-in facility "as stipulated by the Avondale counsel." Objectors to the Avondale petition who were at the Hearing were not aware of the change in site, prior to the Wednesday night Hearing, but the objections remained as previously stated: Avondale community residents did not want the new Niles location to be the main office. The Avondale Concerned Citizens Group asked that they be notified of the petitioner's appearance before village trustees at a future board meeting.

In a second action, petition for rezoning from business to residential, by Marvin Hymen, of 221 N. LaSalle st., for 2 single family homes at 7097 and 7103 Birchwood was continued to May 28. The continuance was predicated on the Zoning Board's reluctance to grant the rezoning, caused by an apparent reduction in parking to a business (Ace Hardware) in the area.

Area residents at the Hearing approved of the rezoning for the 2 homes, stating that the present location was used as a lovers' lane.

Do you know what EER is?

EER really stands for Energy Efficiency Ratio. And if you're buying an air conditioner this summer, you should know about it.

Our recommended energy efficiency ratio for an air conditioner is 8 or more—so the one with an EER of 8 is the one you should buy. Low efficiency units have EERs of around 5 or 6. You save money, too. You've already found that the second example is the more efficient air conditioner. It will probably cost a little more to buy, but because it's more efficient, it would cost less to operate. In the long run, an efficient air conditioner helps keep electricity rates as low as possible. And right now, an efficient air conditioner helps conserve our country's natural resources.

You don't have to be an engineer to find the EER. All the information you need to buy an efficient air conditioner can be found on the metal plate attached to the unit.

Preschool classes

Preschool applications are now available in the four high schools of District 207; Maine, East, North, South and West—for those parents wishing to register children for the program to be held at each of the schools during the first semester of the 1975-76 school year. The classes, conducted by junior and senior students under the direction of a certified child development teacher, are part of the "on-the-job" training program of the Child Care Occupations course offered by the Home Economics Department.

The preschool classes at the high schools enable Child Care Occupations students to observe the growth and development of young children and to gain experience in supervising their activities.

Ten to fourteen children of preschool age will be enrolled in each class with both morning and afternoon sessions, depending on the high school schedule. To be eligible for acceptance, children must be between three and one half and four and one half years of age on Sept. 1, 1975.

The program at all the schools are similar, but vary regarding times and days on which they meet. A letter accompanying the application form will explain the specific program at the individual school. The forms will be available in the main office of all the schools except South, where applications are available in the Home Economics Dept. The deadline for return of the completed form is May 16, 1975.

All those applying for enrollment will receive notification early in June of the acceptance of their children. To defray the cost of supplies and refreshments, a registration fee of \$25 will be charged.

April vetoes can well be forgotten in June and July when the Springfield chameleon may change his colors.

Let's not let these Democrats get away yet. Tuesday's news recorded the State Senate Revenue Committee had Democrats voting solidly against abolishing state sales tax on food and prescription drugs. The 8 to 3 vote had 1 Republican joining with 7 Democrats in opposing the measure. The measure would have increased sales tax on nonfood and drug items to 6% with the state getting 4.8% and local governments getting 1.2%. The sponsor of the bill, James Philip of Eimhurst, said the average family spends nearly 20% of its income on food.

Continuing to place the spotlight on school district 63's administration efforts to build a new administration building, despite the declining enrollment, and the likelihood of 2 to 3 empty schools within the immediate years, a few incidents should be reported which seem relevant.

Superintendent Gogo held an open forum with parents last week and made a remark after the meeting which astounded us. He said if board members want alternative plans to the new building, they will have to present them. Two weeks ago Gogo was ordered by the Board to present ALL alternative plans for new offices. Despite Gogo's desires for the new building, he was commissioned by the Board to do an impartial study and come up with ALL alternative plans without prejudice. But after hearing his off-hand remarks, it is obvious he either can't divorce himself from his own bias, or he just refuses to consider other plans.

The resounding defeat of the one incumbent in last month's election seemed to us to be a referendum disapproving school board-administration plans. Yet, Gogo, showing an unbelievable arrogance, refuses to recognize the results of the election.

When several board members admitted a referendum for a new building could never be passed, they nevertheless felt the Gogo plan for the new offices was preferable to the collective wisdom of the voters. Now that the voters have resoundingly opposed the one incumbent, it would seem Gogo would begin to pay attention to the people who pay his salary. But there seems to be a tremendous amount of ego at stake and the superintendent seems to be fighting furiously to get his own way.

Like most public officials, he's keenly aware the small turnouts at meetings indicate public officials can run public bodies pretty much at their own whim. However, after a decisive election you'd think the guy would get the message. But he's hell-bent on building the administration building, which he euphemistically calls a "service center."

What the Gogos of the world refuse to understand is residents in district 63 have probably been the most supportive electorate of any school district in Illinois. They have supported many referenda thru the years which changed the one school-house Ballard School district to an 11 school district in 1 generation. The very people who in the past, were in the forefront of doing the yeoman's work in the district are now the same people who are questioning the proposed building.

The Dr. Gogos of the world move on and hopefully up as the years transpire. And many of them choose to leave monuments to themselves, which are left behind and paid for by the next generation of residents in the district he leaves.

District 63 residents are now burdened with an extra Maine High School, which was not necessary and which will be grossly underpopulated as enrollments begin going down in the coming years. And now an Oakton College campus will be added to taxpayers bills which will be another cost to these same people who have strained themselves thru the years with their support of the non-industry district 63 area.

The economy is down. Many residents' salaries are not keeping pace with inflation. And while we don't like to be nasty, Gogo's sudden movement into the \$40,000 class may be giving him a myopia he did not have when he was down among residents who were in a similar salary range.

We are actively opposed to the new building because we believe we know the burdens which our residents are facing today. We are also actively opposed to the school district keeping any surplus moneys for future use. If this continues next year, it will be illegal and again will be placing an unnecessary burden on residents who should have lighter tax bills, rather than paying for surpluses which are held by the school district.

It sounds a bit hokey, but somebody has to speak on behalf of the community. The economy is down, many people are out of work, or are having increased financial problems. It seems incredible to us during this recession we would be considering the luxury of spending money for new administration offices. And with Gogo telling us 2 or 3 schools will be closed in the immediate future (enrollment in the district will have gone down from 7,100 to 5,000 between 1971 and 1979) we cannot understand what is the dire need to ram thru this building.

Open tryouts for "Spoon River Anthology"

Actors and actresses of many types and ages, plus singers and guitarists (male and female) are needed for the cast of Des Plaines Theatre Guild's summer production of "Spoon River Anthology." Open readings will be conducted on Monday and Tuesday, May 5 and 6, at 8 p.m. in Guild

Playhouse, 2nd floor, 620 Lee st., in Des Plaines. The comedy-drama will be presented in celebration of America's Bicentennial on July 11, 12, 18 and 19 by DPTG, under the direction of Judy Castaldi of Deerfield. Mrs. Castaldi, a former drama teacher at Maine North H.S. in

Des Plaines and Maria H.S. on Chicago's south side, has studied English, speech and drama at Marion College and Northwestern University, and acted with several community theatres in the north and northwest suburban area. "Spoon River" is clearly a recollection of the two small towns Petersburg and Lewistown, Illinois, where the famous poet, Edgar Lee Masters (who has been compared with Walt Whitman and Mark Twain as exponents of the nation's spirit) spent his childhood before he died off to a legal career in Chicago.

With the aid of two singers and guitarists, the cast chosen by Judy Castaldi for Des Plaines Theatre Guild's production of "Spoon River Anthology" will portray a series of 70 earthy characters on the Guild Playhouse stage for four performances in July.

For information about the open auditions, or to reserve tickets for DPTG's current production, "Prisoner of Second Avenue," May 2-3, 9-10, 16-17, call the box office, 296-1211, between noon and 8 p.m. daily except Sunday.

"Do Cubs need a saliva test?"

When 100-to-1 shots win races, the saliva test used at race tracks often reveals the winner was given a pill or drug stimulant.

The way the Cubs are winning ball games causes me to be very suspicious and wonder if the Cub players shouldn't be given a saliva test to determine if drugs or pep pills aren't being used. How else can anyone account for a bunch of no-talent ball players like the Cubs being in first place?

Even Mayor Daley, a known White Sox fan, came to Wrigley Field to investigate. The Mayor was misquoted last Saturday when the press reported his honor saying, "I hear they're a snappy bunch." What the Mayor actually said was, "I hear they're a sappy bunch."

Maybe Wrigley's chemists have been putting something in the bubble gum the Cub "kids" are chewing, but I understand once warm weather arrives, the stuff won't work and the Cubs will go into a long losing streak.

After all, the Cubs are only 8 1/2 games out of last place and for 30 years now, 30 long years, the Chicago Cubs have proven they have the stuff to get there. The only difference this year is that the Cubs will work their way from first place to last place by mid-August. On the way the Cubs can "tease" their fans again as they've been doing for 30 years.

Their trip from first to last place can be considered another famous Cub "trip-tease" which their lame-brained fans have come to know so well.

When will the Cub fans ever learn that the Cubs' magic number is zero?

To switch hit from losers to winners, ALL MOTHERS in the area have a special treat in store at Jake's famous restaurant in Niles. For on Sunday, May 11, MOTHER'S DAY, Jake has gone all out to make their visit to his restaurant a memorable one. First, there'll be FREE flowers for all mothers (and mothers-to-be). And Jake has also arranged to have fresh flowers at each table and he has provided flowers for all waitresses to wear while serving "mothers" on their special day. And there'll be plenty cookin' for mom on her day too. For Jake has provided a large menu of former "Mother's Day" favorites which mom has shown a preference for. There will be no increase in Jake's regular prices, in fact, there will be several specials offered on this very special day.

And all during the day on Mother's Day, there will be "live" entertainment, maybe even a group of Chicago Cubs singing their famous victory song. Seriously, next Mother's Day will really be a banner day for all "moms" and their families. Jake has loaded his kiddies Treasure Chest with new toys for all the little girls and boys. And their will be five special items on the menu for children at half price.

NOW PRIOR TO MOTHER'S DAY, JAKE is having his 3 1/2 year Anniversary on May 6, Tuesday ONLY. During this 3 1/2 year celebration he will offer specials galore. For example, a \$1 hamburger will cost ONLY 50 cents all day and evening of Tuesday, May 6 and pancakes that regularly sell for \$1 will be only 50 cents. And if Tuesday, May 6 is YOUR birthday, Jake will give you a FREE giant Sundae or Soda.

And don't forget Jake's "All You Can Eat" evening specials for \$1.85, Monday thru Friday. And Jake also told me that his "All You Can Eat" breakfast specials for only \$1.25 have proved so popular that he is extending them for awhile.

So, don't forget the two big upcoming events at Jake's Restaurant, his 3 1/2 year Anniversary, Tuesday, May 6 and Mother's Day celebration Sunday, May 11...be there for the fun of it.

Arvey's is cooking up some special things for Mother on "her" day, too. George and Tommy Arvey invited all Mothers to have both breakfast and dinner in their spacious Continental Room where they can enjoy Arvey's delicious foods in a comfortable and relaxing atmosphere. A large variety of complete Mother's Day Dinners are available on Arvey's extensive menu. Both George and Tommy Arvey wish a "Happy Mother's Day to all area Mothers on May 11, a week from this Sunday."

Something different for Mom on Mother's Day or any Sunday for that matter would be to take her out for some super delicious Cantonese foods. The Palace Chinese Restaurant, 9236 N. Waukegan rd., Morton Grove, is just the place where she and the family can enjoy delicious authentic Cantonese foods prepared by Benny Hue's brother who was a famous chef for several well-known restaurants in Hong Kong. And for Mother's who are for some reason confined to their homes, Palace Restaurant's "carry-outs" are available...just phone 966-2231 and your orders will be ready when you get there. Eat in or dine out this coming Mother's Day, Cantonese foods may be just the different and delicious-type of treat Mother and the family will appreciate.

See you next week...

"The Price"

Left to right: Harry T. Stein, Harold Terchin, Morris Ryan, and Robert Goodman, of the Open Stage Players of the Mayer Kaplan JCC, rehearse a scene from Arthur Miller's "The Price."

Arthur Miller's brilliant human drama, "The Price", is a fitting climax to the Mayer Kaplan Open Stage Players' most successful season. Miller has created a powerful situation in which two brothers confront each other after sixteen years of estrangement. Victor, the youngest brother, has sacrificed himself to support his bankrupt father and help send his older brother through medical school. He is now preparing to sell the last furnishings of his father's old house to a poignantly

humorous aged furniture dealer when his brother arrives and they begin to explore the meaning of their lives.

Directed by Leon Palles, "The Price" will be performed Saturdays, May 3, 10, 17, 24, at 8:15 p.m., and Sundays, May 4, 11, 18, 25 at 7:30 p.m. Tickets may be purchased in advance or at the door; members \$2.25, non-members \$3. The Mayer Kaplan "J" is at 5050 W. Church st., Skokie. For any further information, phone 675-2200 ex. 213.

Following, he studied at the Conservatory in Bordeaux, France, and received a first prize in the superior class of saxophone. Recently, while a student at Northwestern University in Evanston, he gave a recital in Lutkin Hall, and has also appeared with the Chicago Symphony and Chicago Civic Orchestra. Spring drama session

The seasons change and spring arrives with the promise of reawakening you tired and weary winterites: warm up to your thespian talents! Beginning Saturday, May 3, the Mill Run Theatre is launching a 7-week session of drama classes to be taught on Saturdays and open to anyone from 8 to 80.

The classes will be conducted by Brian and Bruce Hickey. Brian Hickey will be teaching the teenage and adult classes, which emphasize scene study, method-acting exercises and improvisations.

Bruce Hickey will be instructing the younger children, ages 8 thru 12, in concentration, discipline, improvisation and pantomime. Bruce was an original member of the cast of Grease. He has conducted inner-city workshops, taught drama at DuPage High School and has directed several plays.

All classes will meet from 10 a.m. to 11:30 a.m. The cost is only \$35 for the seven weeks. Advance registration is advisable due to the large number of individuals who have signed up for previous sessions. If you're interested in

expanding your horizons, enroll in spring theatre at Mill Run by calling (312) 298-2333. The Mill Run Theatre is located at 600 Golf Mill Shopping Center in Niles.

FASCINATING FUN & DINING

An Evening of One Acts

"An Evening of One Acts" is the spring dramatic presentation to be given at Niles West on May 1, 2, 3, at 8:15 p.m. The presentation consists of three one-act plays, "The Ruffian on the Stairs", "Story Theatre", and "The Brick and the Rose".

Written by Joe Orten, "The Ruffian on the Stairs" is a British "dark" comedy of hideous violence. Orten feels that violence is the norm of society as a whole, said the play's director, James Batts.

"Story Theatre", written by Paul Sills, is a series of five Grimm stories and Aesop fables developed through improvisational techniques. The stories and fables are modernized and make relevant contemporary comments, according to West's drama teacher Bob Johnson, who directs

this portion of the program. This one-act play also won third place for the Niles West group in the I.H.S.A. sectional drama contest, and is dedicated to former Niles West student Ivy Chaplik, who died in an airplane accident during the winter.

John Lewis Carlino's "The Brick and the Rose" is the story of a young boy struggling for idealization in the New York City slums. The story also makes side comment about drug usage.

Adult tickets for "An Evening of One Acts" will be \$2.50 and students will pay \$1.50. The tickets will be available at the box office in the West auditorium lobby prior to each performance.

For further information, residents may contact Mr. James Batts or Mr. Bob Johnson at 966-3800, ext. 263.

Ed Sauer joins "Prisoner" cast

A comedy with a doomsday theme.

That was one New York critic's description of Des Plaines Theatre Guild's May production, "The Prisoner of Second Avenue," when it opened its 18-month-long successful run on Broadway at the end of 1971.

The Neil Simon hit will be presented for three weekends, May 2-17, at Guild Playhouse in Des Plaines, with three of the six performances already sold out!

Ted Weiss of Elk Grove and Betty Kandbinder of Palatine will play the leading roles of Mel and Edna, a married couple cranking up in a mock-luxurious big city apartment where nothing works well.

Jean Kay and Kaye Peet of Mt. Prospect, and Paula Unell of Glenview are cast as Mel's sisters, Pearl, Jessie and Pauline, and DPTH veteran actor Ed Sauer, 9356 Landings In., Des Plaines, has replaced Saul Pohn in the role of Mel's rich brother, Harry. Sauer is a Des Plaines resident, active with the local community theatre group since its formation 29 seasons ago, and has twice served as president of the organization, as well as directing, acting, writing, and working in all positions backstage.

Steve Strong of Edison Park (Chicago) is directing "Prisoner" assisted by Veronica Zogman of Des Plaines, with Bert Miller of Evanston as producer of this fifth play of DPTH's 1974-75 season.

Following the opening weekend, May 2-3, for which tickets may now be reserved, open tryouts will be held on Monday and Tuesday, May 5 and 6, at 8 p.m. in Guild Playhouse, 620 Lee St., Des Plaines, for the summer production of "Spoon River Anthology" by Edgar Lee Masters, to be directed by Judy Castaldi of Deerfield.

For ticket information or further details on auditions, call the box office, 296-1211, between noon and 8 p.m. daily except Sunday.

Northwest Symphony features DuPage Ballet

Shown above are Elaine Bauer and David Brown.

Perry Crafton, conductor of the Northwest Symphony Orchestra and Dace Dindonis, director of the DuPage Ballet Company will combine forces to present a program highlighting ballet for the fourth and final concert of the 1974-75 season which will be held on May 11 at 7:30 p.m. at the Maine East H.S. Auditorium, Dempster and Potter rds. in Park Ridge. Please note that, this season, the concerts will be held in the evening rather than in the afternoon as in the past.

Mr. Crafton and the orchestra will open the program with Gluck's brilliant overture, "Iphigenia", and will later play Richard Strauss' "Rosenkavalier Waltzes", a charming suite made up from music taken from the opera of the same name.

The DuPage Ballet Company will perform two little suites by Stravinsky and Tchaikovsky's "Mozartiana", both productions which feature large groups of dancers from the company. The DuPage Ballet Company is composed of twenty dancers and has been described as Chicago's most active ballet company.

Also on the program will be Elaine Bauer and David Brown, guest artists who will be dancing the Pas de Deux "paquita" by Minkus and the Pas de Deux "Melody" by Gluck. Elaine and David are principal dancers with the Boston Ballet, having joined the company in 1971 after both graduated from Butler University's prestigious dance program.

Single tickets at \$3 may be reserved now by contacting Mrs. Ann Butler at 631-6132 after 6 p.m. Children, students and Golden Agers will be admitted for \$1.50.

This project is supported in part by a grant from the Illinois Arts Council, an agency of the State.

sixteenth season at Orchestra Hall on Friday, May 2 at 8:30 p.m. Tickets are \$2.50 (all seats unreserved) and will be available at the Orchestra Hall box office.

Choral concert

The Ensemble, a choral society affiliated with the United Polish American Councils, will present a concert entitled, "A Time For Us," on Sunday, May 4 at 7:30 p.m. in the St. Philomena Auditorium, 1921 North Kedvale, Chicago.

The concert program will include classical and popular music, along with folk songs from Poland, Hungary, Italy and Japan. Donation for the performance is \$2.

The Ensemble has its headquarters at Ted Przybylo's House of the White Eagle in Niles and is under the direction of Mr. Witold Dobrzynski.

Mrs. Skaja

Cont'd from Niles-E.Maine P.1
Mrs. Skaja moved her family to Niles 10 years ago to establish the Skaja Terrace Funeral Home on Milwaukee ave.

Immediately accepted into the community, she took an active interest in clubs and civic affairs, but always kept in touch with friends and neighbors of the St. Wenceslaus Parish in Chicago where she was raised as a child. A part of her philosophy, she once confided that one could never have too many friends, that she could not bear to lose any friendships made during her lifespan.

She loved to mingle with people, observed a member of her family, and gardening at her summer home in Wisconsin was one of her greatest pleasures. Mrs. Skaja was hostess to club members and friends, both of Chicago and Niles.

She was a warm-hearted and generous person, commented her Garden Club members, one who was known to help people in difficulties, financial and otherwise.

She will be sorely missed and long-remembered by all of us was the comment from the Chamber of Commerce and Grandmothers Club members.

Mrs. Skaja was especially proud of being a Marmion Military Academy mother for 20 consecutive years. Her last visit as a Marmion Mother had been honored with a luncheon and praise by Maggie Daley on her

Cont'd from Niles-E.Maine P.1

dedication. Her 92-year-old father, John Chmura of Chicago, critically ill with congestive heart failure and pneumonia and hospitalized at the same time, was told his daughter's death shortly before his return home.

Mrs. Skaja was past president of the Niles Grandmother's Club, past treasurer and director of the Niles Chamber of Commerce, member of the Garden Club of Niles, Woman's Club of Niles, Senior Citizens Club of Niles, Catholic Women's Club of St. John Brebeuf, Jonquil Terrace Civic Association and the Niles Community Blood Program.

Also past president, Queen Kinga Club and of Polish Alma Mater, member of Rosary Society, St. Sabina of the Polish Women's Alliance, Polish Women's Civic Club, Ladies Auxiliary of Tont Council, K of C, Club Lomza, and past president of the Marmion Military Academy Mother's Club of Aurora, Ill.

Survivors include two daughters, Dorothy (Stanley) Banas and Lorraine (Ted Buecz; seven sons, Bud (Marilyn), Mickey (Ann), Tom (Carol), Jack (Barbara), Jim (Irene), Brother Jerome of Marmion Abbey in Aurora and Larry (Jan) and 32 grandchildren.

Also, a brother, Edward, and three sisters, Bernice (Fred) Elam, Mary (John) Rostkowski and Ann (Charles) Okar. Visitation was at the Skaja-Terrace Funeral Home, 7812 Milwaukee ave. in Niles.

and electronic machines, which accompany their miniature golf course on Dempster. He said they were having a problem because there was an ordinance being drafted regarding these machines. David Cohen said, "I would like to remind this board they already turned down an applicant for such a facility except that it wasn't attached to another facility." However, after some discussion Cohen moved to grant the request to issue temporary permits with the promise of Park King that they will adhere to the ordinance now being drafted. The motion was carried.

The question of approval of a Special Use permit for a racquet ball facility on Waukegan rd. in back of Oscar's, the Grove Motel and the Post Office was discussed once again. Mr. and Mrs. Richter said they felt the proposed building should be moved to the west some 10 feet. Dave Cohen said he was worried about encroachment and the precedent that may be set. The builder said they would do anything to please the board, the plan commission and everyone involved, but the trustees passed a motion to table by Herb Houndt.

George Holt said he recommended taking the low bid of the Monarch Asphalt Company for resurfacing in the amount of \$36,929.90. The board agreed.

Fred Huber said he wished to advertise for bids for four new squad cars for the Police Dept. to be opened on May 12. He also said he and Supt. Dahm suggest accepting the low bid of the Roseman Tractor Equipment Co. of Evanston, Ill. for the Public Works Dept. vehicle which came to \$20,588. The Board moved to accept both recommendations. Huber then said that while looking at the equipment at The Roseman Co. he and Supt. Dahm saw a used tractor that could be had for \$1475 with our two old tractors as trade-ins. Atty. Berrafato said in view of the special circumstances surrounding this

particular item, the board could legally waive bid requirements. The board voted to do this. The next meeting will be on May 5 when the newly elected trustees will be seated on the board.
