National Wagon Train coming to Niles area May 11

Bicentennial Units share plans for '76 celebration

(By Alice M. Bobula)

Bicentennial chairmen of the 10th Congressional District were hosted by Niles Friday morning, Sept. 19, to share ideas and plans for individual villages for celebration of the Nation's 200th birthday in 1976.

The "Bicentennial Year" which began with flag dedication ceremonies last July 4th will officially end Dec. 30, 1976. Communities over the entire nation are planning monthly celebrations, projects or activities of patriotic commemoration. There are now 2,000 officially designated Bicentennial Communities and will be more than 4,000 by 1976.

A Bicentennial Wagon Train pilgrimage (a replay of history in reverse) of a train of covered wagons (one for each state) will cross the country from west to east, originating from Olympia, Washington, and finalizing at Valley Forge Park in Pennsylvania on July 4, 1976. The wagons will adhere as closely as possible to historic trails and wagon routes crosscountry.

Volunteers from the North American Trail Ride Conference and local riding groups will serve the wagon train as mounted escorts and outriders. These "Pony Express" riders will branch out from the State wagons to reach off-trail communities and bring back scrolls from each Bicentennial Community signed by the citizens affirming their belief in the principles upon which this nation was founded.

The train pilgrimage will be conducted in 5 segments, each of which will funnel into the main wagon train heading eastward. A

Builders appeal Zoning Board denial for 8 3-flat buildings

Delay request for multiple rezoning

(By Alice M. Bobula)

The Board of Trustees Tuesday night delayed action on an appeal (of a Zoning Board denial) by builders McNeill and Cross to re-zone 8114 thru 8124 Dempster st. for construction of 3 flat buildings; and delayed action to Oct. 14 on a re-zoning petition for

a monument sales company at 8445 Milwaukee ave., previously approved by the Zoning Commission.

Re-zoning of the Dempster st. property from B1 business and R1 single family construction to R4

Chuck Percy invited us to breakfast Monday morning. He also invited about 30 other newspaper people in the north suburban area.

About 2 years ago the Senator also had us out to breakfast. Times were better then. He fed us eggs and bacon. Monday he fed us frozen orange juice and one of those tired looking sweet rolls with a squirt of fruit jam pasted on top of it.

The Senator hosted the gathering at the Clayton House in Wheeling. I went to school with the owner of the Clayton House who also owns American Photo Copy Company. Percy and the school chum have been running in the same circles for many years. Rich concentric ones. The old alum of my alma mater and I both had eyes on the same girl in those halcyon days after World War II. But American Photo Copy and the Clayton House won over The Bugle. She might have had Ozanam Avenue in Niles and Maple Street in Morton Grove but she preferred Lake Shore Drive in old Chi.

The Senator never ages. He's heading toward 57 or 58 years old and he still looks like the boy next door. He's small, button down shirts, bronzed skin and brushed to the side beige hair which may have thinly disguised streaks of grey interlaced among the blondish strands.

He fields questions with the ease of a Kessinger picking off grounders. That's Don with an "E", not Henry with an "I".

The newpeople are a mixture of youngsters, eager and articulate, and old publishers who should be turned out to pasture. The old guys ask dumb questions. The old guy from Skokie sits next to Percy and has his photographer take a picture of both of them while he holds a notepad as if recording an interview. After the photo he puts down the pad and never records a word. The kids are bright, knowledgeable

'Pigeon' escapes fleecing in con game

A sixth sense might have warned a Des Plaines resident swindled out of "faith money" in a phony "pigeon" scheme, according to Niles police reports.

The victim, a 26-year-old woman, told police she was approached by another woman in her 30's about 3 p.m. Friday, Sept. 12 while shopping in the dress department at Sears in the Golf Mill Shopping Center.

The woman opened conversation with the victim, stating she had just found \$50,000 in U.S. currency in a package in front of the Sears store. She wanted to "share" a part of the money with the victim she said, asking that she accompany the suspect to the cosmetic department where a friend was holding the money.

The two suspects then asked the victim to accompany them outside to a car in the parking lot in order to count the money. En route to the car the victim became suspicious and fled back into the

M-NARH announces Fall programs

Fall means "back-to-school" for most children, but it also means "fun" for children participating in fall programs sponsored by the Maine-Niles Association of Recreation for the Handicapped. The ten week session beginning the week of Sept. 29, promises new and expanded programs to meet the many needs of the handicapped in the Maine and Niles Townships. Programs are being offered after school, evenings, and weekends, and are open to children, teens, and adults.

Programs include the Before School/After School Club, Swimming, Football, Bowling, Ice Skating, Horseback Riding, Guitar and Piano Lessons, Jr. Homemakers, Music, Drama, Ballet, and many, many more.

Teen Club and Young Adult Club are a great way to start the weekend. Each week participants will choose from a variety of activities such as a dinner party, movies, sports, etc.

Saturday, Sept. 27, M-NARH will sponsor a hay ride and country picnic. Participants will enjoy a hay rack ride around the Devonshire Park area, and roasting an ear of corn and marshmallows, to go along with their sack dinners. Singing and music will add to the festivities of the evening.

Other special events this Fall are a football game at North Park College, a Family Skate Night, a tour of the Bellone Corporation, a trip to Springfield, Illinois, a Halloween Party, a downtown shopping excursion, a Christmas Party, and a Winter Mini Day Camp.

This Fall M-NARH will be sponsoring a Girl Scout Troop, a Cub Scout troop, and a Boy Scout troop. Scouting is an old and exciting form of recreation, and offers experimental learning for all those involved. Parents are invited to share in their child's Scouting experience as well as becoming a member of the troop committee.

For further details and registration information contact the M-NARH office, 4400 Grove st., Skokie, 674-5512.

Various projects assisting fellow seniors have been undertaken by this aggressive committee. If you would like to become a part of this concerned program, call the Center at 692-4197 or inquire next time you come over to the Center at 8060 Oakton.

GOLDEN SENIORS OF MORTON GROVE

Thursday, Sept. 18, the Seniors went on their trip to the Morton Arboretum. It sure was a fine day and a jolly bunch.

At Wednesday's meeting the sick committee gave their first report and it covered all the members in the hospital and shut-ins. Nice going, girls! Hattie Kotalak, Elsie Liska and Minnie Elmsler are the girls who are doing the sick committee work.

George is planning more trips for November. Christine is busy with the bake and white elephant sale. We saw some of the things that were brought to her home. It should be a big success. Christine had a dinner party for the workers of the chow line brigade.

Alice, our secretary, is jumping around like she was twenty again and Florence, our corresponding secretary, is doing a great job with the birthday parties. What a pair! There has been no let down on the attendance. Great going, Seniors!

People Helping People

We need additional volunteers to help with the Trident Senior Center Outreach Committee. The Committee meets every other Tuesday at 1:30 p.m. at the Center, 8060 Oakton. Various projects assisting fellow seniors have been undertaken by this aggressive committee. If you would like to become a part of this concerned program, call the Center at 692-4197 or inquire next time you come over to the Center at 8060 Oakton.

GOLDEN SENIORS OF MORTON GROVE

Thursday, Sept. 18, the Seniors went on their trip to the Morton Arboretum. It sure was a fine day and a jolly bunch. At Wednesday's meeting the sick committee gave their first report and it covered all the members in the hospital and shut-ins. Nice going, girls! Hajta Kotlak, Elsie Lisak and Minnie Elsmar are the girls who are doing the sick committee work.

This Fall M-NARH will be sponsoring a Girl Scout Troop, a Cub Scout troop, and a Boy Scout troop. Scouting is an old and exciting form of recreation, and offers experimental learning for all those involved. Parents are invited to share in their child's Scouting experience as well as becoming a member of the troop committee.

George is planning more trips for November. Christine is busy with the bake and white elephant sale. We saw some of the things that were brought to her home. It should be a big success. Christine had a dinner party for the workers of the chow line brigade.

Alice, our secretary, is jumping around like she was twenty again and Florence, our corresponding secretary, is doing a great job with the birthday parties. What a pair!

There has been no let down on the attendance. Great going, Seniors!

NILES ALL AMERICAN SENIORS CLUB

Speedy get well wishes to: Our publicity gal Ruth Deering who had the flu and also to her son, Jim Deering, who was in Lutheran General with encephalitis after a mosquito bite while sunning. Bad enough he had just broken his wrist and was in a cast. Both of you - get well!

We also miss Julia Korubek who has been missing club after a fall. Hope you are much better by now!

NDHS grads in summer wrestling Tim Glass at Montreal Pre-Olympics

Kevin Walsh and Brian Burke, both 1975 graduates of Notre Dame High School in Niles, and co-captains of last season's wrestling team, entered several summer wrestling events sponsored by the Illinois Wrestling Federation. Kevin won several tournaments at 115 lbs. in both freestyle and Greco-Roman wrestling (Olympic styles). He placed second in the IWF freestyle sectional tournament at Wheeling High School, fourth in the IWF freestyle state tournament at Elgin High School, placed second in the IWF Greco-Roman state tournament at Navy Pier in Chicago and qualified and participated in the U.S. Wrestling Federation National Greco-Roman Championships held at the University of Iowa in late July. At Iowa he placed in the top ten winners. He will attend and wrestle for Northern Illinois University at DeKalb this coming year. Kevin was a three-time East Suburban Catholic Conference champ and a district runner-up this last season at 106 lbs.

Brian Burke wrestled in the first annual East-West Illinois Wrestling Meet held at the University of Illinois in early August. He wrestled at 178 lbs. for the West where he beat his opponent 7-2. As a senior he was voted the Most Valuable Wrestler. He was the IHSA district champ and took third place in the sectionals last season. In football he was All Conference and All Area. He is now attending Northeast Missouri State University in Kirksville on a full tuition football scholarship.

The new 1975 season began early for Tim Glass (NDHS-NDU) with a bid to compete in the Montreal Pre-Olympic games over the Labor Day weekend.

Glass was 4-1 in the first round; 3-2 in the second, and 1-4 in the third. In this third pool Glass had to face Boris Lukomski (Russian who finished 2nd at the World Championships), also Ostrich (Hungarian who was 3rd at the World Championships), Risto Hurme (Finland and NCAA 1975 Champ), Paul Peskhty (USA) and a Canadian. Glass defeated the Canadian but lost to the others.

The irony of this meet is that Brooke Mackler (USA), the leading USA Olympic point getter, was eliminated in the first round. This makes the third tournament in a row that Mackler has finished behind Glass in major competition.

Tim Glass and other former classmates at NDHS now at UND are back at school getting ready for the new school year and fencing season: Pat Gerard, Bill Kica, Sam DeFiglio, Terry McConville and John Strass. These six fencers make up 6 of the top 10 at the University of Notre Dame team.

Other NDHS grads are at the University of Illinois, Urbana: Ken Lavelle and Mike Gerard.

Little League All Stars

Shown above are the Niles Little League National Division All Stars - 5 foot and under.

1st row: Brian Scheffler, Pete Richter, Bob Martin, Rich Phillips, Dan Jensen, Rick Gallatz.

2nd row: Mark Cizek, John Gambro, Steve Bychowski, Phil Zangara, Dave Granquist.

3rd row: Mr. Dave Richter, John Corona, Mike Overbeck, Mr. John Gallatz, manager.

Not pictured: Jim Hafer, coaches Marv Jensen, Frank Gambro and Frank Zangara.

Northwestern wins at Barrington

A team of riders and horses from Northwestern Stables in Morton Grove, attended two back-to-back horse shows at the Barrington Riding center. At the first show, held August 6-10, Northwestern Stables won five Champion and Reserve Champion ribbons. Will Simpson, up on his mare "Glenda Jo," came away with the Grand Prix Championship and two blue ribbons in Modified Jumper. Will rode "Speak Softly" to win blue in Second Year Green and Junior Working Hunter and placed first in another class for Junior Working Hunters on "Home Free," owned by Frank M. Jayne, Jr.

Judy Orbesen rode "Solar Prestige" to win the Novice Hunter Championship. She rode Jerry Farmer's filly "Simone" to tie for the Reserve First Year Green Working Hunter Championship.

MG riders fare well at Dunham Woods

Northwestern Stables riders and horses did well at the Dunham Woods Horse Show, held Sept. 6-7 in Wayne, Illinois. Donna Rose rode "Silver Slipper" to win the Novice Championship, placing first in two classes over fences and first on the flat in this division. Donna also rode "Day Dream" to win first place in a class for Regular Working Hunters over fences.

Will Simpson rode Frank M. Jayne, Jr.'s horse "Home Free" to win the Reserve Junior Working Hunter 15-17 Championship. Will rode another horse "Speak Softly" to win the blue in a class for Second Year Green Working Hunters over fences, and received two blues for Equitation on the flat and over fences. Jill Jacobs, riding her pony "Good 'n' Plenty," placed first in a class for Pony Working Hunters over fences. The Dunham Woods Horse Show was rated "A" by the Illinois Hunter and Jumper Association.

Wally Holly and "Magic Trick" were the tying combination for the First Year Green Reserve Championship. Danny Jayne rode his horse "Magic Bus" to the Reserve Children's Hunter Championship. Donna Rose and "Silver Slipper" placed first in Special Hunter. Bonnie Herdman, riding "Special Request" won the blue in an Equitation class. And Jill Jacobs and "Good 'n' Plenty" placed first in Pony Working Hunter.

The second show, the Illinois Hunter and Jumper Association Horse Show, was held August 13-17. Will Simpson was the Grand Equitation Champion. He also rode "Speak Softly" to the Reserve Junior Working Hunter Championship, Donna Rose and "Silver Slipper" won the Reserve Special Hunter Championship. Wally Holly, up on "Magic Trick," won the Reserve First Year Green Championship, and, on "Landmark," won the blue in Novice Hunter. Danny Jayne, riding his "Magic Bus," placed first in a class for Children's Hunters and Bonnie Herdman, up on "25 1/2" placed first in a Novice Hunter class.

Niles West Honors Scouts on Soccer Day

The Niles West Boosters Club will honor all Niles Township Boy and Girl Scouts on Saturday, Sept. 27, when the perennial state powerhouse Indians host Maine East at the schools athletic field on Oakton st. just west of Edens Expressway.

All scouts will receive a ticket bearing a number upon entering the stands. At half-time of the varsity game which starts at 11:30 a.m., Bill Volk, head coach of the professional Chicago Stings soccer team will draw numbers for several "official" Scout Camp Stoves.

Tomasik sets new record

Mark Tomasik of Maine East is first at the two mile point in the Saturday, Sept. 13, Ottawa Invitational. Tomasik ran the course in 14:09, that's 12 seconds under the old record and he lead Maine East to a team win over 20 other teams participating at Ottawa.

Niles, Illinois, where everybody knows what everyone else is doing and everybody buys THE BUGLE to find out how much the editor dares to print.

Demons down Waukegan East 36-0

Friday evening, Sept. 12, the Waukegan West Raiders traveled to the Maine East stadium to take on the Demons.

The sophomores came into this game after playing Waukegan East to a scoreless tie in the mud. The young Demons were determined to play better than the week before. They were ready to play football as the first time they got their hands on the ball they took it on a 12 play, 78 yard scoring drive capped off by Glenn Klein's three yard touchdown run. Bob Tinkoff converted, and it was 7-0. Then Maine East really took control as Rich Stalzer pranced for two more touchdowns before the half was over—one midway through the half and one with just seconds remaining on the clock. The Demons took a 20-0 lead into the dressing room.

In the second half Coach Jay Gregg got a chance to play

everyone. The team scored two more touchdowns and won the game 32-0.

The Maine East varsity came into the contest with one win under their belts after completely dominating Waukegan East 36-0. They started off with a bang as Sam Rea took over with a nice run and gave Maine East a 7-0 lead. Doug Cerney hit the extra point. Then the Demons went into a little bit of a rut; until Tom Gavlin scored his first of two touchdowns and gave Maine East a 24-0 lead. Maine East just ran over Waukegan West from there, and the game was out of reach by half-time, 42-0. Jay Baum had a quarterback sneak, a 64 yard touchdown run at the end of the half. They won the game 62-8 as the Raiders puffed across a touchdown late in the last quarter. In the last two games the Demons have scored 98 points to their opponents' 8.

Varsity Girls' Swimming

The varsity team is 20 strong under the direction of Coach Peggy Kuntz. Divers are Nancy Brozowski, Nancy Goldsmith, Cindy Majewski, and Darlene Moore. Competing in the freestyle are Jennifer Dee, Diana Duckett, Kathy Dunn, Maria Gamze, Susan Greenfield, Denise Janikowski, Shelly Majewski, Karen Picchiotti, and Leann Wojtyna. Concluding the varsity are Susan Dunn in freestyle, individual medley, and butterfly;

Alison Grieco in freestyle and individual medley; Dawn Jensen in freestyle, individual medley, and breaststroke; Peggy Laman in freestyle and backstroke; Laurie Nelson in freestyle and backstroke; Paula Tice in freestyle, individual medley, and backstroke; and Karen Westman in freestyle and backstroke.

The team manager for the upcoming season's competition is Denise Stoll.

Shown above (l-r) are Director William Hughes, Commissioner Steve Charnerski, Commissioner Jeffrey Arnold, President Mildred Jones, Attorney Gabriel Berrafato, Vice President Jack Leske, Secretary Ellen VanLaningham, and Commissioner William Keener. Attorney Berrafato presented the check at the Niles Park District Board Meeting held on September 16.

NEW FALL CLASSES

Following is just a little sample of what is happening in the Niles Park District for the fall. There are many more programs for every member of the family to enjoy. Why not give us a call at 967-6633 and let us know what your interests are. We probably already have classes for you, if not, we will try to arrange some.

Rhythmics for Tots--Here is a new and different class for 4 and 5 year old children using music, songs, and dances. Children are instructed in developing their rhythmic and coordination skills. All classes will be held on Wednesday at the Recreation Center (Grennan Heights), 8255 Oketo, from 9:30 to 10:15 a.m. or 1:00 to 1:45 p.m. The fee for each 8 week session is \$8 for Niles Park District residents and \$16 for non residents.

Jr. Gymnastics--This program is geared for the younger set, ages 6-8 years old. Boys and girls will be taught basic skills on different types of gymnastic apparatus. This is a great way to introduce your youngster to the fun and fitness of gymnastics. The 8 week program will begin Friday, October 10 from 4 to 5 p.m. at the Grennan Heights Recreation Center. The fee for the 8 week program session is \$5 for Niles Park District Residents and \$10 for non residents.

Ladies Tumbling & Gymnastics--Ladies, now it's your turn. No matter what your age or experience is, join this new class and develop your strength, flexibility, poise, and figure. Gymnastic apparatus will be used according to your interests. Get involved in one of the most popular sports in the world. Classes will begin on Wednesday, October 8 from 2 to 3 p.m. at the Grennan Heights Center. The fee for 10 weeks of expert instruction is \$6 for Niles Park District Residents and \$12 for non residents.

Social Dancing--Come and have fun learning the cha-cha, rumba, and fox trot, to name only a few. Here is a new program that will help you to be the hit at the next dinner or wedding you attend. This program is an opportunity for you to learn basic dance steps using popular music. The fee per couple, per 8 week session is \$15 for Niles Park District residents and \$30 for non residents.

No Partner? Don't worry. you will be placed on a list with hopes of pairing with a partner. Classes will be held at the Recreation Center, 7877 Milwaukee Ave. beginning Monday, October 6, from 7 to 8:30 p.m.

For further information on all of these classes, call the Niles Park District at 967-6633.

Centennial festivities

The Centennial Steering Committee is hard at work making final preparations for St. John's Lutheran Church (Montrose and Laverne) celebration of 100 years of service to the community. (left-right) William Rode, Fred Markus, Carol Daves, Mrs. Mort (Elaine) Fink, 6846 Laramie, Skokie, Golf Mill Theaters, and Ed Giapatin, chairman.

Refurbishing of the church has been completed. On the drawing boards are plans for a new school building and a new organ. A fund-raising program has been started to help reduce the Luther High School debt.

The Centennial Banquet, Friday, Oct. 10th at the White Eagle Hall will be one of the highpoints of the 100 year celebration. The Rev. Henry Blanke, Sr., pastor emeritus, who has served St. John's since 1937 will be the main speaker, and the world famous Murk family will provide the entertainment.

Mayfair Presbyterian Church

The Women's Association of the Mayfair Presbyterian Church, 4358 W. Ainslie St., Chicago, will conduct their business meeting in the church parlor on Wednesday, Oct. 1 at Noon. Luncheon will be served in the Recreation Room at 1 o'clock by Circle 1, Chairman Mrs. Gloria Warmbold of Tripp Avenue. Devotions and music will be provided by Circle F, Chairman Mrs. Florence Breinig of

Niles. Circle E Chairman Mrs. Eleanor Haas of Kostner Ave. announced that greeting cards and stationery items will be offered for sale. Mary Ann Hoffman will present a program "Fig Leaves and Fashion" which will show how to supplement the wardrobe and to make crafts from remnants and junkie. All interested persons are welcome to attend.

Niles Community Church

The relationship between treatment of fellow men and one's eternal destiny will be the subject of the sermon by Dr. Selen, pastor of the Niles Community Church (United Presbyterian), 7401 Oakton St., on Sunday morning, Sept. 28. Church school classes for three year olds thru sixth graders will be held concurrently with the 10 a.m. worship service. That evening, beginning at 6 p.m., the senior high young people of the church will sponsor an old-fashioned ice cream social. At 7:30 p.m., the motion picture, *The Gospel Road*, produced by Johnny Cash, will be shown in the church sanctuary. The public is cordially invited to both of these events. A free-will offering will be received to defray expenses.

Gold Card Life Member

Commander of Morton Grove American Legion Post 134 Ray Leusch (left) presents Gold Card Life Membership to P.C. Ed McMahon for his outstanding dedication to Legion community services and activities.

Morton Grove American Legion Post 134 has awarded its 12th Life Membership to P.C. Edward McMahon, in recognition of his accomplishments and dedicated service to the Post's community services and other activities during his 15 years as a member. It is an honor not given indiscriminately, but only to those Legionnaires who have performed outstanding service over the years. Among the Post's 685 members there are only 11 other Life members. The Gold Life Membership card is honored at Legion Posts throughout the nation.

P. C. McMahon was elected Commander of Post 134 in 1968 after going up the ladder of Legion offices, from 2nd Jr. Vice Commander, to 1st Jr. Vice Commander, to Senior Vice Commander, and to Commander.

"Ed" is best known for his active participation in the Legion's primary fund raising project, the annual Carnival. He has been involved in some facet of the Carnival since 1966, serving as Bar Chairman, Merchandise Chairman, Personnel Chairman, and Chairman of the entire Carnival in 1974 and 1975. P.C. McMahon has also served as Rifle Squad Commander in 1974, and at the same time was the Legion Post's Sgt. at Arms.

"Ed" was elected to the Corporation Board of Directors in 1965, the body responsible for the care and maintenance of the Post building and equipment. He served in many capacities on the Board, his primary function being Fish Fry Chairman in 1973 and 1974. He resigned from the Corporation Board in 1975 to make way for newer members of the Post to also serve.

P.C. McMahon is also active on the District and National level of the American Legion. He was elected Commander of the 7th District in 1972, after having served as Senior Vice Commander and Junior Vice Commander. In 1974 and 1975 he has been Bowling Chairman of the annual 7th District Bowling Tournament. On the Division or State level, P.C. McMahon has served as Captain of the Color Guard and Asst. Department Sgt. at Arms in 1974.

P.C. Ed McMahon's eligibility to become a Legionnaire is a result of his two years of Army service (1945-46) serving as Corporal in the Engineers Construction Battalion stationed in the South Pacific for 16 months.

"Ed" has been employed at Gateway Erectors, a Division of Imoco-Gateway Corporation for 26 years. He is currently Framing Manager of the Chicago office. He is married to "Marie" and will be celebrating his 26th anniversary on Sept. 24.

City of Hope Bike-A-Thon

Mrs. Freda Wasserman, 9237 N. Central Ave., Morton Grove, president of the City of Hope Sherrig Stender Foundation, has announced details of the City of Hope Bike-A-Thon Sunday, Oct. 5.

Riders 18 and-over are invited to enter. Mrs. Wasserman said the 50 kilometer (30-mile) event is expected to attract some 500 entries.

Blue Star Memorial Woods at Lake Avenue, three blocks west of Harms Rd., Glenview, will serve as the starting and finishing point of the round-trip event to begin at 8:30 a.m.

In case of rain, the event will be held Oct. 12.

Riders may obtain entry blanks from most any area bicycle shops or department store bike section. Riders may obtain as many sponsors as possible.

There is no entry fee. Bicyclists are asked to bring their entry blanks to the starting point on the day of the event.

Julia S. Molloy to be guest speaker

Mrs. Molloy, founder and former principal of the school which bears her name, will be the guest speaker at the orientation meeting of the MEC Volunteers Association.

The program will be held at the Julia S. Molloy Education Center, 8701 Menard Ave., Morton Grove on Oct. 8th between the hours of 9:30 a.m. and 2:30 p.m. Lunch will be served.

Volunteers are needed! Further information about the school, the orientation, and the work of the volunteers, may be obtained by calling Mrs. Karen Lieberman, President at: 674-8992.

New sales manager of Wil-Shore Ford

Sol Alfassa, a resident of Skokie for 25 years, has been named the sales manager of Wil-Shore Ford, 611 Green Bay Rd., Wilmette, it was announced recently by Wil-Shore President Donald Roberts. Alfassa has been an auto salesman in the area for 16 years.

A little luxury.

Here's the smart little telephone you can use to place a call without reaching, stooping or leaning over.

The dial is built right into the receiver. And because the phone takes up so little room it snuggles nicely in the den, or in small hallways, or on small tables just about anywhere. Even on a wall.

We call it Trendline because it's in tune with today's styling. It comes in a variety of lively colors. You'll find one you can't resist.

The slight additional cost is little, too. Just call the Centel Business Office for full details.

Trendline. A little luxury that's so handy to have around the house you won't think it's a luxury at all.

SJB Pantry Shower

L. to R. Arlene Barber, Corinne Aklinski and Lucille Kozanecki have already gotten into the "spirit" for the Pantry Shower to be held in the School Hall, 8301 N. Harlem on October 7th at 8 p.m. As in previous years, the decorated baskets will be in the School on Monday and Tuesday for donations by the school children to help stock the convent pantry. These items will be presented to the sisters during the evening. Entertainment will be provided by the sisters and refreshments will be served. This invitation by the Catholic Women's Club is extended to all ladies.

Niles West Nursery School

The Niles West Laboratory Nursery School is looking for ten more three and four-year-olds to participate in this fall's program to begin Sept. 30. According to Nursery School Director Nancy Erickson the ten are needed to fill the p.m. session held three days per week from 12:30 to 2. She added that there is also room for three more youngsters for the 9:30-11:30 a.m. session.

The program includes art activities, science concepts, pre-reading skills and large-muscle activities. It operates with the help of West students who are enrolled in related child-care classes. Mrs. Erickson said that the small student-teacher ratio and the amazing creativity and enthusiasm of the student aides make this a very personal and vital program for the children who attend.

Parents interested in enrolling their children in the fall program should call Mrs. Erickson at 966-3800, ext. 257.

Thoughtfulness Shop has thoughtful variety

Ingeborg Olson, co-owner of The Thoughtfulness Shop, surveys the world's largest greeting card - just one of the many unique items featured in her store, on the second floor of Candlelight Court, Mall at 7900 N. Milwaukee at Oakton in Niles.

Mr. and Mrs. Lester Olson (Ingeborg) have brought their six years' of experience in the gift and greeting card business to their modern, cheerful store, The Thoughtfulness Shop, on the second floor of Candlelight Court, Mall at 7900 N. Milwaukee at Oakton in Niles.

The store carries a complete line of greeting cards, including

the popular Holly Hobby series of cards and gifts. Everything you need for a party can be found here, including the gifts. The Olsons carry a varied line of unique gifts including such items as leather goods, candles, jewelry, and ceramic and glass ware. Visit The Thoughtfulness Shop and let the Olsons help you plan your next party.

MONACEP cooking class

Three new health-conscious cooking courses will join the MONACEP culinary arts roster this fall. Ideas and procedures for nutritious, low-calorie, and low-cholesterol meals will be featured in "Vegetarian Meals", "Nutrition and Weight Control", and "Seafood Cookery".

Frank Hufana, who is associated with the 7th Day Adventist Church, will present "Vegetarian Meals" including demonstrations and displays, for ten weekly sessions beginning Wednesday, Oct. 1, from 7:30 to 9:30 p.m. at Maine South High School, 111 S. Deo rd., Park Ridge. Tuition is \$32 for both residents and non-residents of Maine and Niles Townships.

"Nutrition and Weight Control" will show how basic and convenient foods can produce nutritional, balanced and also low-calorie meals. The four-week session will be taught by Mary Janes, a Wheeling resident who

holds a degree in home economics and dietetics from Washington State University. The course will be held on Tuesday evenings, beginning Sept. 30, from 7:30 to 9:30 p.m. at Maine West High School, Wolf and Oakton, Des Plaines. Tuition is \$10.

Elaine Sherman, instructor in gourmet cooking for MONACEP during the past six years, will this fall introduce "Seafood Cookery". Students will learn to poach, saute, bake and broil fish and other seafood. A clam bake and preparation of a live lobster will be included.

The two seafood sessions will be held Tuesday and Thursday, Dec. 16 and 18, from 7:30 to 9:30 p.m. at Maine East High School, Dempster and Potter, Park Ridge. Tuition is \$15 for the two-evening course.

For further information about any of these courses or about MONACEP registration, call 967-5821.

Children's Swimming Program

The "Learn To Swim" program at Maine East, in its fourth year of working with youngsters aged 6-13 years, resumes swim lessons on Saturday, Sept. 27.

The two sessions of 45 minutes each (starting at 9 a.m. and 10 a.m.) include group instruction for all ability levels with no more than four pupils per instructor. Students advance on an individual basis and may come as often as they wish on their eight lesson ticket for \$8.

The swim lessons, beginning Sept. 27 under the direction of two Maine East swim coaches and a former water ballet instructor, are taught by the competent and

enthusiastic high school members of Maine East's Demon Guard.

Come any Saturday to observe, or, if you wish, just sign your child up 20 minutes prior to his lesson time. Swimmers must bring a cap (girls), suit, and towel.

Maine East believes its program provides an inexpensive and professional opportunity for youngsters to become safe swimmers. Please refer any questions to Mrs. Verne Farrell during school hours-825-4484, ext. 593-or on Saturdays during the two sessions come to the new pool on the south end of the school.

Career workshop for women

"Where am I going from here with my life?"

Patricia Handzel, Director of Women's Programs at Oakton Community College, says that if women have asked themselves that question recently, the Women's program at OCC may be able to help them with an answer.

A career development and decision-making workshop will be offered on Tuesday, Oct. 7, from 8:30 a.m. until 3 p.m. at St. Luke's Lutheran Church, 205 N. Prospect, Park Ridge.

Participants will have a chance to assess themselves, their aspirations, and their resources during the day's activities. ac-

ording to Ms. Handzel. Job possibilities and necessary qualifications will also be discussed.

The all-day workshop will be followed by three on-going two-hour programs to continue self-assessment, to search for job information, and to learn job-hunting, resume writing and interviewing skills. Dates of these optional sessions will be announced.

The workshop will be led by members of OCC's Student Development faculty and Women's Outreach Resource Center staff.

Cost of the workshop is \$8, including lunch. Babysitting is available for children two years of

age or over at a charge of \$3.50.

The workshop fee and reservation may be sent to Oakton Community College (Attention: Pat Handzel), 7900 N. Nagle, Morton Grove, Ill. 60053. For further information, contact the OCC Women's Program office at 967-5120, ext. 350.

Use bath and kitchen ventilating fans only as needed. A fan running needlessly wastes electricity. If you have air conditioning, it also exhausts cooled air to the outside—and raises electric bills.

Official Renoir Lithograph Collection at Hinshaw & Richard

Here is the amazing history of this totally unique, truly magnificent Collection. The idea belonged to Pierre-Auguste Renoir, himself. Renoir had completed several lithograph stones and begun several others before death claimed him.

For some reason the Lithograph Collection was all but forgotten. Perhaps because no one else but Pierre-Auguste Renoir saw the potential beauty it held. Then Paul Renoir, grandson of the impressionist master and present head of the Renoir estate, re-discovered his grandfather's work and determined to complete This Official Renoir Lithograph Collection.

Paul Renoir spared no effort or expense—he secured the services of the world's finest lithograph-

ers—he purchased costly Velin d'Arches (a 100% rag paper, one of the finest available)—he personally supervised every step in the creation of each lithograph (from mixing of the colors, to finally embossing the only official Renoir signature and Atelier Renoir seal).

The six lithographic stones used for the Renoir Collection were destroyed on May 13, 1974. Each one of these six Renoir lithographs has been made in a limited and numbered edition of 250 with no artist's proofs. These six authentic Renoir lithographs are not re-strikes, and will never again be made in the future.

Paul Renoir was so proud of the results that he decided to issue a "Certificate of Authenticity", a certificate which accompanies

each lithograph and is individually signed by Paul Renoir himself.

This unique collection is on display and available at Hinshaw & Richard Ltd., located in Candlelight Court, 7900 N. Milwaukee Ave., Niles.

Niles Courtesy Bus Service gets RTA funding

Niles was the recipient of a \$42,616 check Sept. 17 from the Regional Transportation Authority (RTA) as a 60% funding of Niles Free Bus operating costs from July 1, 1974; to June 30, 1975.

The remaining 40% comes out of revenue sharing funds.

In presenting the check, D. Daniel Baldino, board director of RTA and Chairman of the Bus Operations, told village officials that Niles' "performance record and cost of ridership is excellent," at the same time observing with a touch of wry humor that "revenue is not so good (referring to the no-fare system)."

"Over-all costs of the bus system are kept in check, in comparison with other towns," he noted further.

RTA funding for public transportation is fairly recent, with the

first grant made last November, said Baldino, who contends that city and suburban funding is expected to continue.

The RTA was established by the Illinois General Assembly in 1973 to provide for, aid and assist public transportation in Cook, DuPage, Kane, Lake, McHenry and Will Counties.

The normal procedure for RTA funding is to fund deficits of transportation operations on the basis of a fare-charge system.

Grant funding was slow in coming to Niles because the village opted to use a no-fare system, said Assistant Manager Charles Kohlerman, which is not the conventional-type system. RTA authorities had difficulty in determining a fair adjustment comparable to the revenue-deficit system used by other towns.

The original grant request based on a 9-month bus operation had been recalculated at the request of RTA to a 12-month bus operation. Niles had put in the \$71,026, the total of bus operating costs for the '74-'75 fiscal year.

A meeting in Chicago last June of RTA and Niles Village Manager Ken Scheel and Kohlerman resulted in a funding plan to Niles based on projected revenue operation. Under a fare-charge system Niles could generate a 40% minimum operating costs, said RTA officials, leaving a 60% deficit.

"In accordance with this plan," observed Kohlerman, "RTA is actually funding 100% of a projected operating cost deficit in Niles."

Baldino left Niles Wednesday morning for a check presentation to Wilmette under RTA funding. Skokie and Evanston, who also

get RTA funding contract their services out to the Chicago Transit Authority. Park Ridge and Des Plaines get bus service through the North Suburban Mass Transit District (NORTRAN).

Kohlerman, Director and Supervisor of the Niles Courtesy Bus since its inception on July 16, 1973, does not foresee future possibility of a fare-charge system in Niles. It's not likely the RTA funding (of the bus service) will stop, altho the level may change," he said. Should it cease and revenue-sharing cease, alternate methods of funding would be sought by the village.

Renewed yearly requests for funding must be made, following the RTA policy decision regarding Niles. According to Kohlerman, renewed funding may be granted on a tentative quarterly or semi-annual basis. Niles would have to substantiate projected operating cost figures with actual costs as the year progresses. He has already projected cost figures for the fiscal year July, 1975 to June, 1976.

Courtesy buses have carried 385,239 people since inception of the system thru Aug. 31, 1975, according to Kohlerman. Ridership in Aug., 1975, was 5,936 as compared to Aug., 1975, at 21,020.

"Senior citizen ridership has fairly well leveled off, and continues to rise, altho at a very slow rate," he said pointing out 4,544 senior citizen bus riders in Aug., '74, as compared to 5,166 in Aug. of '75.

The original buses are no longer in operation. The village began the bus route with 2 school buses inherited from the Niles Park District, which innovated the free bus system. Niles is presently serviced with 4 mini buses, two village-owned and two leased by the village.

Bids have been let on purchase of 4 new 18 to 24 passenger, air-conditioned diesel buses under a partial federal and state capital grant of \$168,165 approved last June, which also provides for construction of 18 bus shelters, supplemental equipment and bus signs.

Approval of funds for construction of a garage to hold the buses (under a total \$618,000 grant application) is pending, predicated on further regional studies.

RUMMAGE SALE
The Women's Association of the Mayfair Presbyterian Church, 4358 W. New Sewing Program
Sewing is the focus for a new MONACEP offering this fall. "Sewing Club," beginning on Monday, October 27 at 7:30 p.m. at Maine West High School, Wolf and Oakton, Des Plaines, will consist of three weekly sessions for learning and exchanging techniques and ideas. Instructor will be Dorothy Luptak of Chicago, a seamstress and dressmaker for many years.

The fee for this group is \$9.00. For further information, contact MONACEP at 967-5821.

A Fitzgerald family enterprise

Four members of a local family recently gathered to celebrate the opening of a new family enterprise. Together for the opening of the new Edgebrook Cleaners store at 7710 W. Touhy in Edison Park were Ivor J. Fitzgerald, of 7 N. Wisner in Park Ridge, and his sons, Mr. Fitzgerald founded the original Edgebrook Cleaners plant in 1940 at 6410 N. Central in Chicago.

Joining in the celebration was Daniel Fitzgerald, who now operates the original plant as well as the new branch store. He and his wife Jayne reside at 8936 Parkside in Des Plaines. Also present for the opening were two other members of the family: David, who is a neurologist on the staff of Lutheran General Hospital, and John, a member of the Holy Cross Fathers at Notre Dame High School in Niles.

Shown above (l-r) are: Dr. David Fitzgerald, Daniel Fitzgerald, Ivor J. Fitzgerald and Rev. John Fitzgerald.

Niles Township Olympic Committee

The Niles Township Olympic Committee this week announced its first big fund raising event to help defray cost incurred by local athletes who are potential Olympic participants, as they go through some extensive qualifying rounds such as the Pan American Games in Mexico City.

The committee, headed by former athletic great, Ron Henrich of Niles, has scheduled the brilliant show group Dave Major and the Minors at Niles West auditorium on Sunday, October 19. Tickets will be \$5 and \$6 and will be tax deductible expense.

Dave Major and The Minors is one of the hottest show groups on the night club circuits because of their versatility, appearance and personality. The group displays 40 instruments and is capable of keeping an audience on the edge

of its seats with brilliant performances. All five vocalists combine their talents in an unlimited variety of sounds and songs, including pop, Dixie, country, jazz, rock, rhythm, big band, soul, blues and even classical, mixed with audience participation in comedy skits designed for all ages.

Active members of the committee, which is seeking more members, include, Henrich, Ed Miller, Earl Numrich, Jim Swanson, Martin Tater, Frank Folkers, Ralph Bast, Bud Trapp, Hal Conner, Scottie Bast, Sam Berger, Carl Gubitz, Bob Casey, Kathleen Arns, Don Singer, T. Jorndt, John Burkner, Neil King, H. Hossfeld, Charles Anderson, Leo Provost, Bill Kearney and Mayors of all local villages.

Rummage Sale

The Women's Guild of the Edison Park Lutheran Church will again hold their annual Rummage Sale on Wednesday, Oct. 1, at 10 a.m. to 4 p.m. in the Church basement. The Church is located on the corner of Avondale and Oliphant ave., Chicago.

Those who have donations for the Sale may bring them to the Church on Monday evening before the Sale or Tuesday morning. There will be a "Boutique" for like-new items.

Mrs. Lydia Olson is the Chairwoman in charge of the Sale.

Seek members of Austin High 1966 Class

Austin High School Class of 1966 is planning its 10 Year Reunion. Any member of that class or someone knowing of a member of that class who has not been contacted should write and send a self-stamped addressed envelope, if possible, to: Mr. Chuck Chouhlin, 5800 Webster Downers Grove, Ill. 60515

Class members will be contacted as soon as possible with all the details.

NI-WE-Boosters honor Boy Scouts

Inaugurating their '75-'76 team efforts, the parents Boosters Club of Niles West High School will honor all Niles Township Boy Scouts on Saturday, Sept. 27, at the school's soccer field on Oakton Street, just west of Edens Expressway. Niles West Indians, perennial state powerhouse in soccer will meet Maine East, with the varsity game scheduled to start at 11 a.m.

All scouts will be admitted free to all games held that date. Upon entering, each scout will receive a ticket, bearing a number which makes him eligible to win one of several official Scout Camp Stoves to be awarded between periods of the varsity game. Winning numbers will be drawn by Mr. Bill York, coach of the Chicago Strings professional soccer club. Mr. York will also address players from both schools.

This event is another and continuing effort of the Boosters Club to stimulate community awareness, interest and support of all boys and girls athletic programs at Niles West.

Maine East Homecoming this weekend

"Get on down to Maine East, all you doggies, 'cause there's a real live jamboree goin' on!"

That's right, Maine East's annual Homecoming activities, with the theme of "A Western Jamboree," will be Friday and Saturday, Sept. 25-26.

The bad guys from Niles West won't have a chance against the Demons, who will be sporting thousands of blue and white helium filled balloons saying "Rope 'em, Demons." Student Council will be selling the balloons both Friday and Saturday for only 15 cents. Ya can't beat that, partners!

No, Homecoming won't have a shoot out at the Maine East corral to get things goin' Friday afternoon! There's something better - carnival games, tugs of wars, a jail, dunking booths, and the aroma of real western grub.

The carnival games will run from 3-9 p.m. and will include such booths as ring toss, pingo, hoopla, and tic-tac-toe shuffle. Better come armed with lots of tickets, only 25 cents a chance for any carnival game running.

Plan, too, not to miss the dunking booth, run by Student Council and featuring some of Maine East's most "notorious" students and faculty, tempting crowds to dunk them.

Student Council also has several competitive games between classes, clubs, and homerooms planned for Friday's activities, and the winner of the class competition will be awarded a six foot trophy during the firelight rally by Principal John Clouser.

And giving the Student Council gang a hand with the rough and tough fun will be Dave Veerman of Campus Life.

And if you get tuckered out with all this hootin' and hollerin' try a coke at the Saspiralla Saloon, managed by Student Council's own Norm Serlin. Western grub will be available throughout the festivities, and at 6 p.m. Student Council will be selling a coke and hamburger dinner for only one thin dime.

Of course, you'd better be on the look out for the sheriff 'cause Student Council is running a jail, and your best "enemies" could have you arrested and jailed for 50 cents a minute. Your rights are protected, though, because a person cannot spend more than five minutes in the jail at a time and not more than 10 minutes an hour.

Plan, also, on seeing some real purty decorated cars, but groups can only work out their schemes from 5-8:30 p.m. Cars will be judged then and paraded at the firelight rally. The winners of the two divisions, classes and clubs, will be announced during games on Saturday.

No western jamboree would be complete without square dancing, and a square dance exhibition will be held at 6:30 p.m.

Holy Family Cardiac Unit in new quarters

The Respiratory Therapy section of Holy Family Hospital's Cardio-Respiratory Department recently moved into its newly completed quarters on the ground floor of the new circular building located on the south side of the hospital near Golf rd.

The second floor of the structure houses an 18-bed Cardiac Care and Intensive Care Unit which was opened early in August.

Respiratory Therapy's new and more efficient facilities include three cubicles which are equipped to provide out-patient respiratory therapy treatment. This service is available by appointment only from 7 a.m. to 11 p.m., seven days a week upon the order of the patient's physician.

Another area in the new section has been designated to conduct pulmonary (lung) function testing on an in-patient and out-patient basis with an order from a patient's doctor.

The department's heart stress testing and holter monitor services will soon be relocated closer to the Respiratory Therapy section. These services are available at Holy Family for in-patients or on an out-patient basis when prescribed by a physician. Stress testing gives an accurate, permanent recording of a person's changes in heart action while under stress. A holter monitor is a miniaturized tape recorder which records a patient's heart activity as he does his normal daily activities.

Another department which recently moved into the circular building is Neurophysiology. One of the rooms in their new area is being used for performing Electroencephalography (EEG), brain wave testing, and another for doing Electromyography (EMG), tests for disorders of the central nervous system.

Both rooms are equipped with the latest electronic equipment, with all metal components being completely grounded so there is no electrical interference with the tests. The department is open six days a week from 8:30 a.m. to 5 p.m. and in-patient and out-patient testing is scheduled by appointment only and the written order of the patient's physician.

Dr. John Hastings is the Medical Director of the department and Mary Majeed is the Chief Technician. Also housed on the ground floor of the facility are four office suites for physicians.

Other phases of Holy Family's expansion program are moving ahead on schedule. The new south wing across the front of the hospital which will contain new Laboratory facilities, and expanded gift shop and lobby area on the first floor and larger Food Service space on the ground floor is scheduled to be completed by the end of the year. The north wing which will consist of a 200-seat auditorium, meeting rooms and employee locker facilities on the ground floor and a new Professional Library and administrative offices on the first floor is expected to be finished in early 1976.

District 207's Fall College Night

Maine Township High School East will host District 207's Fall College Night on Wednesday, Oct. 1, beginning at 7 p.m.

Maine East career counselor Keith Honn said that over 170 junior college, college, and university representatives from across the country will be accessible to district students and parents. The program is also open to students attending private and parochial schools who live in District 207.

The evening will be divided into four 30 minute periods; and the only restrictions concerning the visitation of representatives will be limited to the state schools because of the large numbers of students wishing to obtain information. The printed program will indicate the visitation periods and

room assignments, and these programs will be distributed at the door.

Mr. Honn suggests that parents and students note college size, costs, entrance requirements, available financial aid, and available curriculums as well as graduation requirements. Students should also request information concerning campus visitations.

Questions concerning the October 1 Fall College Night can be answered by the career counselor at any of the four Maine schools. However, it is important to note that students desiring information on the University of Illinois/Urbana will have only this opportunity to visit with a representative since the University of Illinois/Urbana will not visit individual high schools.

However, students, through the career counselor, can make arrangements to visit the Urbana campus admissions, housing, and financial aid offices. Appointments for such visits will begin Monday, Sept. 15, and will continue every Monday and Friday until Christmas vacation.

Applications for the University of Illinois/Urbana will be available in all four Maine schools, according to Mr. Honn, beginning Monday, Sept. 29. Applications may also be obtained by direct contact with the admissions office.

Pack 89

Cub Scout Pack 89 of Morton Grove will hold its first official Pack meeting on Thursday, Sept. 25, at 7 p.m. at Melzer School. A five mile hike and a bus tour of Great Lakes are among the activities planned for this year.

New PTC officers for Maine East

Ray Carlson on the right, past president of the Parent-Teacher Council of Maine East High School, congratulates Harold Pietrick who takes over the presidency for the 1975-76 school year. Watching over the transfer of the records are the new vice-president Mrs. Joan Stenger, second from left, and Mrs. Lorna Reiner, secretary. The first meeting of the Parent-Teacher Council will be held Sept. 22 at 8 p.m. in the Maine East faculty lounge. All Maine East parents and teachers are welcome.

Village Purchase Award Winner

The Annual Art Fair of the Niles Art Guild was held on Saturday and Sunday, Aug. 16 and 17, at the Candlelight Courte Shopping Center in Niles. Over half of the exhibitors were members of the Niles Art Guild that meets the first Wednesday of each month at the Recreation Center, 7877 Milwaukee ave., Niles, at 8 p.m. There is usually a short business meeting then each month an artist will demonstrate his works in either charcoal, oil, acrylics, etc. The public is invited to attend. Refreshments are served.

Short History of the Niles Art Guild:

The Niles Art Guild was founded in October, 1963, and is no way affiliated with, or sponsored by, any other organization in Niles. Co-founders were Mrs. Edna Walger, patron of the arts, and Mrs. Marge Berles, a Nilesite artist.

A small art exhibit was held in March of 1963, with 30 local artists participating. As a result the Lawrencewood Shopping Center management asked Mrs. Walger to arrange an Art Fair to be held in the shopping center on the occasion of their first anniversary on Oct. 3, 1963. The premises at 229 Lawrencewood were provided for an Art Gallery.

On Oct. 3, 4 and 5 the Niles Art Gallery started to function and the nucleus of a Guild was formed with its first Art Fair in the newly appointed Art Gallery:

On Nov. 6, 1963, the Niles Art Guild, with a membership of 14 persons adopted their first by-laws.

Art classes for children and adults were held in the Gallery, with the Guild sponsoring scholarships for talented students. The Niles Art Guild also presents an annual Art Fair. The Village of Niles Administration, recognizing the cultural values of the Niles Art Guild, has given an Annual Village Purchase award of \$100 for a painting which is selected at the Guild's Summer Art Fair. These paintings now hang in the Village Administration Building and Village Court.

The Guild now has 69 members from Niles and surrounding areas which includes Chicago, Des Plaines, Lincolnwood and Park Ridge.

Shown above (l-r): Keith Adams, Niles Mayor Nick Blase and Marilyn Brown, Art Fair Chairman. Keith is going to give a demonstration at the Niles Art Guild meeting on Wednesday, Oct. 1, at the Niles Recreation Center, 7877 Milwaukee ave., Niles. Meeting starts at 8 p.m.

Evolution of housing is MONACEP focus

"From Cave to Condominium," a one-evening slide lecture on the evolution of the house, will be sponsored by MONACEP on Wednesday, Oct. 15, from 7:30 to 10:00 p.m. at Maine South High School, 1111 S. Dee Road, Park Ridge.

The fee for the evening presentation is \$3 for both residents and non-residents of Maine and Niles Townships.

For further information, contact MONACEP at 967-5821.

MEC Volunteers plan meeting

On Wednesday, Oct. 8, from 9:30 a.m. to 2:30 p.m. the MEC Volunteers Assn. will hold its Volunteers' Orientation Meeting at the Molloy Education Center, 8701 N. Menard, Morton Grove. Lunch will be served. Mrs. Karen Leiberman, President of the MEC Volunteers Assn., and Mrs. Margaret Miller, staff advisor, are looking forward to meeting all the new volunteers at the orientation. Volunteers are needed. Anyone in the community

who would like to obtain additional information about the work of the volunteers is asked to call Mrs. Leiberman at 674-8992.

Shown above (l-r): Margaret Miller, staff advisor; Mary Helen Archibald, Vice President; Karen Leiberman, President; Sappira Weiss, Secretary; Miriam Lyons, Treasurer; Kathryn Beckman, Publicity Chairman.

MONACEP Course offers hunter safety certificate

The fundamentals of handling firearms and hunter safety will be taught in "Hunter Safety," a six-week class beginning Monday, Sept. 29, at Maine West High School, Wolf and Oakton, Des Plaines, from 7:30 to 9:30.

The MONACEP-sponsored course will be taught by Charles Epperson who also has taught hunter safety in Elk Grove Village. The material has been developed by the Illinois Conservation Department in cooperation

with the National Rifle Association.

Tuition for the six sessions is \$14 for both residents and non-residents of Maine and Niles Townships.

YOUR GUIDE TO... Food, Fun and Entertainment

Want to be an entertainer?

"For Fun and Profit" is the theme of two entertaining new MONACEP courses this fall. "Close Up Magic For Fun and Profit" and "Anyone Can Use Humor For Fun Or Profit."

Instructor Thomas Grossman, a teacher and counselor in the Niles Township High Schools, will teach sleight-of-hand magic with an emphasis on cards, ropes, and sponges of several types. "Close Up Magic For Fun And Profit" will meet for eight weeks beginning Tuesday, September 30, at Niles West High School, Oakton and Edens Expressway.

Skokie, from 7:30 to 9:30 p.m. Tuition is \$15 for both residents and non-residents of Maine and Niles Townships.

"Anyone Can Use Humor For Fun Or Profit" will be a six-session course meeting Mondays beginning September 29, at Niles North High School, 9800 Lawler, Skokie, from 7:30 to 9:30 p.m. Norman Sussman, a Chicagoan with an extensive background in humor as it relates to everyday situations, will cover the various types of humor, the mechanics of presentation, and the occasional hazards of humor. Participants will learn by doing, watching, and listening.

Tuition for the humor course is \$14 for both residents and non-residents of Maine and Niles Townships.

Who is Chicago?

"Who is Chicago?", the weekly artists' lecture/performance series at Oakton Community College, begins its fall programs on Wednesday, Oct. 1, from 11:30 a.m. to 12:30 p.m. in Building 3, Room 308.

The informal sessions, featuring Chicago-area artists who will discuss and demonstrate their work, are open to members of the community and interested Oakton students as well as to those participating in the series for college credit.

Interested persons may obtain a complete roster of the artists appearing this fall or receive information on registration for college credit for the spring term by contacting Storing at 967-5120, ext. 244 or 385.

Circus Troupe Entertains at Homecoming

This year the Maine East circus troupe will stage a shoot out at the Friday, Sept. 26, Homecoming firelight rally with cowboys and Indians displaying amazing acrobatic agility.

A sensational group of "Rhinstone Cowboys" will be performing in the Homecoming assemblies, led by senior Melody Miller. Other celebrated cowboys include Shelley Miller, Cindy Di Vito, Donna Mancini, Gaby Isola, Sue Kane, Terri Schwind, Kathy Brizzolara, Cyndee Graff, and Carolyn Donatelli.

At the firelight rally the stars of the western jamboree will include Frank Criger on the teeter board and a special bare-back unicycle act with wheeling wonders Cathy and Jean Westcott, Lynn Sullivan, and Tom Olson.

Bands wanted

If you have a band and are of high school or college age the Skokie Youth Commission is looking for you. It would like a band to perform at an upcoming concert. Send and audition tape to the Skokie Youth Commission or call 673-0500, extension 259. Contact the Commission before October 15th.

Mr. Hanson's Column Will Resume Next Week

"Cat On A Hot Tin Roof"

Sandy Dennis and David Selby (who starred in Arlington's Dance On A Country Grave a few seasons ago) star in Tennessee Williams' newly revised "Cat On A Hot Tin Roof" at Arlington Park Theatre Sept. 24 thru Oct. 12.

Music Department Orientation Night

The Maine East music department and the Maine East Music Boosters are sponsoring an Orientation Night for music department students and parents on Monday evening, Sept. 29.

This annual event will consist of short performances by the Concert Band, Concert Choir, and Concert Orchestra as well as a combined finale of "From Sea to Shining Sea" by students in all the bands, choruses, and orchestras. The program will be held in the Maine East field-house, beginning at 8 p.m. There is no admission charge.

The Maine East Music Boosters will also kick-off their membership drive after the program, and refreshments will be served. All music department students and their parents are invited to attend.

Congregation BJB Art Festival

Having earned the reputation as producing one of the finest indoor Art Festivals in the Mid-West, Congregation B'nai Jehoshua Beth Elohim, 901 Milwaukee ave., Glenview has scheduled their 5th Annual Art Festival for Saturday and Sunday, Nov. 8 and 9.

Over 100 artists and craftsmen from fifteen different states will display paintings, sculpture, graphics, jewelry, pottery, glassware and photography.

Show hours are set for 8 p.m. to midnight on Saturday, Nov. 8 and from 11 a.m. to 7 p.m. on Sunday, Nov. 9. Donations are \$2 for adults - 50 cents for children on Sundays.

YMCA to host Dancers Convention

The Leaning Tower Y.M.C.A., 6300 Touhy in Niles, will be the convention center for the Belly Dancers Instructors' Association second convention and seminar on Sunday, Oct. 12. The all day seminar is being held for the benefit of teachers and students interested in expanding their knowledge of the Middle Eastern Belly Dance. There will be six (6), 45-minute workshops beginning with a warm-up class at 10 a.m. and ending with browsing in the Bazaar at 4 p.m. Material covered at the workshops will include: veil work, zills, taxim, floor taxim, slow and fast hip movements, taught by professional belly dancers and instructors who excel in the particular phase of belly dancing they will be teaching.

The co-chairmen of the seminar are Fatima and Sabra.

A \$15 fee will include participation in all the workshops and lunch. Non-participants may attend the seminar and have lunch for a \$10 fee. A limited number of tickets will be available at the door for \$15, excluding lunch.

For further information concerning the seminar and pre-registration, call Fatima at the Leaning Tower Y.M.C.A., 774-8515, and leave your name and phone number. Fatima will answer all inquiries regarding the convention.

Notre Dame alumni dance

The second annual Notre Dame High School of Niles alumni discotheque night will be held in the school cafeteria from 8:30 p.m. to 12:30 a.m. on Saturday, Oct. 4. The donation will be \$2 per person. It is open to alumni of all classes and their friends. There will be a live disc jockey, door prizes, and refreshments.

Co-chairmen are Al Pacer '67 (398-8315) and Rich Drager '72 (825-3696). Over 350 attended last year's night and raised over \$400 for the alumni assn. Alumni are also reminded of the Homecoming game with Carmel on Friday, Oct. 24, and also of alumni night at Jubilation at the school on Friday, Nov. 14.

Jazz Clinic

Roger Pemberton, a woodwind specialist and professional saxophonist, will be conducting an all-day jazz "clinic" Nov. 13 at Niles East High School, culminating in a performance at 8 p.m. that evening in the school auditorium with the student band.

Any interested students are encouraged to attend Pemberton's clinic. The public is invited to the 8 p.m. performance, admission will be \$1.

"Awake and Sing" arouses suburban talent

"We could have cast the play 10 times," says Leon Palles, director of the Open Stage Players at the Mayer Kaplan JCC. Seventy people came to audition for "Awake and Sing," the Clifford Odet comedy/drama of family life in New York's Bronx.

After an audition recall involving 30 people, the nine member cast was announced. Skokie residents, Sylvia Friedman, Bob Goodman, Paul Dunsky, Harold Terchin, and Alex Markoff will perform in this first play of the '75-'76 theatre season. Other cast members are: Judi Rodman of Glenview; Chicagoans Don De Voe and Morris Fishman, and Lincolnwood resident, Eugene Kahn.

Production dates are: Saturdays, November 8, 15, 22 at 8:15 p.m. and Sundays, November 9, 16, 23 at 7:30 p.m. For information about tickets and the '75-'76 Drama Series, contact the Cultural Arts Department at the 'J' 675-2200 ext. 214.

"Status Quo Vadis"

The cast has been chosen for the premiere North Shore production of Donald Driver's Status Quo Vadis, according to Directors Denis Berkson and Carol Kleinberg, faculty members at Oakton Community College in Morton Grove.

The play, a satirical, provocative study of a 20th century "Everyman" which established box-office records in Chicago and Washington, will be performed at Oakton on the weekends of Nov. 1-2, Nov. 8-9, and Nov. 15-16.

In addition to on-campus performances, a 45-minute capsule version will be available to travel to schools and other locations within the community.

The cast, selected by Berkson, Ms. Kleinberg, and Ron Raymond, head of Oakton's children's theater touring company, are as follows:

Grammarly: Gene McGarry, Skokie; Horace Elgin: Kevin Litwin, Glenview; Mrs. Elgin: Shirley Spiegler Jacobs, Des Plaines; Mr. Elgin: Charlie Al-fright, Des Plaines; Barbara: Debbie Silverman, Chicago; Joyce: Karen Hansen, Park Ridge; Paul: Herman Edelson, Morton Grove; Don Walgren: Dan Ballije, Evanston; Irene Phillips: Deborah Baylen, Morton Grove; Professor Russell: Donald Mailhack, Jr., Des Plaines; Reverend Purdy: Bernard Mandelman, Morton Grove; Father Mithais: James Port, Evanston;

U.S.A. & Its Beautiful

"Godspell", the musical celebration of life, love and laughter based on the Gospel according to St. Matthew opens at Pheasant Run Playhouse on Nov. 11 for an indefinite run, producer Carl Stohn, Jr., announced. "Godspell" has been presented in more than a dozen cities throughout the world since its off Broadway opening in 1971. The contemporary musical will be directed by Patrick Henry who has been acclaimed for his work at Goodman Theatre, Arlington Park Theatre and the Free Street Theatre.

OCC Film Society

"Junior Bonner," a 1972 film directed by Sam Peckinpah, will be shown by the Oakton Community College Film Society at 8:15 p.m. on Friday, Oct. 3, in Building 6 on the Oakton campus, Oakton and Nagle, Morton Grove.

Starring Steve McQueen, Robert Preston, and Ida Lupino, the feature follows a champion rodeo rider, played by McQueen, who returns home to compete in the annual rodeo and to examine his roots. What he discovers keeps him moving down the road to the next rodeo.

Admission to the film is free to OCC and MONACEP students; a 50 cent donation is asked of others.

For further information, call Mike Danko at 967-5120.

Play It Again Sam

National Thespian Troupe 113 will present Woody Allen's Romantic Comedy "Play It Again Sam" on October 10 and 11, at 8:00 p.m. at Niles North High School, 9800 Lawler Ave., Skokie, Illinois.

For ticket information call 966-3800 ext. 61.

Oak PTA holds first meeting

Oak School PTA will hold its first meeting on Monday, Sept. 22, at 7:30 p.m., in the school gymnasium. The members of the faculty will be introduced by Mr. Kenneth Johannsen, Principal of Oak School.

Mrs. Joy Johnson, Associate Professor of the Jane Addams Graduate School of Social Work, University of Illinois Chicago Circle Campus. The noted lecturer and author will speak on Coping with Children-Kinder-garten through Level 6.

The Junior Girl Scouts will present the colors for this meeting.

The hostesses will be P.M. kindergarten and first grade mothers.

Alert Police action

Alert police work resulted in the apprehension by Niles police of a Chicago man on a warrant for theft from Albuquerque, New Mexico.

Marty Kaprellin of 4035 Central ave. was arrested by Niles Sgt. Frank Wichlac as he stepped out of Niles Court on Tuesday.

Dining GUIDE "Where's Charley Now?"

Looking for the elusive Charley takes up most of two acts for these three members of the cast of the musical 'Where's Charley?' now playing at Guild Playhouse in Des Plaines.

Left to right: Barbara Gatto (Kitty), Jim Buckley (Jack Chesney), and Jeanne Haight (Amy). Larry McCauley as Charley will romp across the stage in two more performances, Friday and Saturday, Sept. 26 and 27, at 8:30 p.m. Tickets are available by calling 296-1211 between noon and 8 p.m. any day but Sunday.

Girl Scouts to entertain Dads at Niles Saints game

A Girl Scout father-daughter evening will take place at Notre Dame Stadium in Niles on Saturday, Oct. 4, when the Niles Saints play the Bloom Township Broncos.

All Girl Scouts of any age level from the Northwest Cook County Council area, as well as other children under 12 in the party will be admitted free of charge when accompanied by a paying adult. Admission for adults is \$2.

"We thought it would be nice if we could offer an event which Girl Scout fathers could attend with their daughters," said Barbara Meyerson, the Niles Service Unit Chairman who has planned the evening, "but of course mothers are welcome as well."

The Niles Saints, a semi-pro football team, were the 1973 Chicagoland football champions. This is the first of their five home games at Notre Dame Stadium, located at 7655 Dempster st. Niles. The kickoff is at 8:00 sharp, a 7:30 arrival is recommended, and free parking is available.

Visitors invited to IIT

Illinois Institute of Technology will open its campus to Chicago area visitors on Oct. 13 and 14, and on Nov. 11 for campus tours and talks with IIT faculty.

Registration for the two Open Classes days, Oct. 13 and Nov. 11, begins at 9 a.m. on IIT's Grover M. Hermann Hall, 3241 S. Federal Street.

and question the Senator with a degree of aplomb. The old guys are on an ego trip, asking long-winded questions which would make a freshman journalism student wince with embarrassment.

The Senator says the Chinese tell us to be tough with the Russians, and they're not to be trusted. But détente is important. It keeps the doors open. The wheat sales should be long-term, and each little opening behind the iron curtain is a plus for our team. It's all a bit confusing.

The Senator is all-political. "No, I will absolutely not be a candidate for Vice President." But that doesn't mean he won't be a candidate for President. If the Ford and Reagan forces get into a locked position just maybe the Senator could be a compromise candidate. It would be a heluva compromise for the Reagan people, but who knows? The Senator is definitely waiting in the wings.

As one of those older publishers we asked a windy question which seemed to genuinely arouse this very political man. "Your remarks about Arafat being a 'moderate', Senator?" He corrected me quickly, "I never said he was 'moderate'." Five minutes later he admitted saying the term was "relatively moderate". The Senator hung on to this question for 10 minutes. Why was he so concerned? He offended part of his constituency and the Senator does not normally offend anyone. He went to great lengths discussing the Arafat imbroglio which got his nose in the political ringer with Jewish leaders.

After the question we had to rush back to the office. As we moved toward the outer entrance the Senator's secretary chased after us to "clarify" further the Arafat matter. We had asked if Percy was a stalking horse for the administration, and had been doing Kissinger's errands in pushing a hard line position on Israel. We implied Percy was with Kissinger before he made his remarks. The secretary assured me this was not so. "Mr. Schwartz, I'll send you his itinerary which shows he did not see the Secretary of State before he made his remarks (about Arafat)."

"The name is Besser, Miss, and it really isn't necessary."

Schwartz was the guy sitting next to me, and he isn't even Jewish. Oh, well.

several months but the District 219 Board has been under severe criticism since their original decision was voted last June. The main reason for the closing is due to the declining enrollment figures which the board felt, by 1980 would be low enough to make the operation of the school impractical.

District 219 Superintendent, Wesley Gibbs offered 2 proposals to the board members regarding the proposed Niles East closing. One alternative was to drop the freshmen classes beginning in 1977 and each year thereafter. In this way only a senior class would be left in 1979. His other alternative was to wait until the school was ready to be closed in

1980 and then transfer the students to the other Niles schools.

Board president Shirley Garland told board members that a complete program with the exception of only 7 courses is now being maintained at Niles East. The reason these courses are not being offered is due to the low enrollment.

It was also announced at the meeting that although the projected date of 1980 has been set for the closing of Niles East High School, this date could very likely be changed if enrollment figures would change. If this occurred, the date could be moved up to 1981 or back to 1979 depending on the exact trend changes.

Management team for Morton Grove Bank

Shown above, left to right: Leonard Vilmanek, Vice President and Cashier; Richard Olsen, Assistant Vice President; Leonard Happ, Vice President; Marvin E. Neland, Chairman of the Board and President; Clarence Mann and Alfred Feiger, Board Members. Not pictured: Jeanette Cecola, Vice President; Edgardo Soto, Assistant Vice President.

The Morton Grove Bank has officially opened for banking business at 6700 North Waukegan Road and is presently operating from a temporary facility. The Morton Grove Bank, when fully completed, will occupy the entire eastern portion of the ground floor along Waukegan Road, and completion is scheduled for year's end. The Morton Grove Bank was granted a charter after the Illinois Banking Commission determined a definite need for a full service bank to operate in the area. The management team, as announced by Marvin E. Neland, Board Chairman and President, has been especially selected for their varied banking experience to make the bank a place of service to the community and bring the

business and manufacturing sector a source of financial and banking services as their needs arise. He further stated that a strong business sector is vital to any community bringing employment and income to the area. Toward that goal the bank's resources, as a member of a group of affiliated banks, will be able to not only serve the financial needs of small business but grant large loans up to two million dollars for the financial requirements of any size or scope of business operation throughout the area. Banking hours are 9 a.m. to 4 p.m. Monday through Thursday; Friday 9 a.m. to 8 p.m.; Saturday 9 a.m. to 1 p.m. No banking hours on Wednesday.

MG Board...

Continued from MG P.1 the lower left hand part of the windshield from now on. The board approved this.

There were some citizens present and Mrs. Capdevila of 8801 Menard in M.G. stated that for 10 years, there were NO PARKING signs near her home between 8 a.m. and 10 a.m. She said that since the signs have been removed, there are cars parked all over, some blocking driveways of homes. Also the neighbors complained of rubbish, such as beer cans and lunch bags littering their property. John Hillin recommended the signs be put up again on Menard to Oakton and Warren. Herb Houndt so moved and the motion was carried.

Jim Dahm, Supt. of Public Works said there was a bid opening for 31 trees and recommended accepting the low bid of Lindstrom Orchard. Bill Narsery for \$2,402.50. Houndt moved to accept this recommendation and the board concurred.

Bill Heine, our North Trustee told the board the Milwaukee Road is now preparing final specifications for the new train station. Bids should go out in a week or two and construction could begin sometime in November.

Fred McClory said the following bids were received for three police cars: 1-Walton Motors-\$13,803.99. 2-Dave Corey Ford, Inc.-\$13,731.93. 3-Crossroads Dodge-\$13,647.00. John Hillin moved to refer the bids to Fred Haber and Chief Glaum for study. The board agreed.

Ed Erice moved to advertise for bids for a gas generating plant for the North Pumping Station, and this will be done. Erice said the bid opening would be on Oct. 27.

John Hillin noted that the MFT receipts totaled \$22,263.00 for August of 1975. He then said the next blood drawing would be on Oct. 2 at the Julia Malloy School.

Herb Houndt announced there are still some trees available to residents on the 50/50 tree planting program. They would cost \$24.50 each.

Mayor Bode said at some future date, he would appoint a board to screen objectionable anvies that may be coming to our village. He also stated that he was still considering several persons as an interim trustee, but did not want to make a hasty decision.

MG Police Officers attend training schools

Morton Grove Police Officers, James Halas and Joseph Fabris completed a one week "Law for Police" course conducted by the Police Training Institute at the University of Illinois in Champaign.

Lieutenant Victor Pearson, attended the three week "Supervision of Police Personnel" course at the Northwestern University Traffic Institute.

The Training Sections of the Morton Grove Police and Fire Departments have coordinated a first aid refresher course for all police personnel. The course is being taught by fire department paramedics and includes training in the areas of mouth to mouth resuscitation and excessive bleeding.

midwest segment originates from Minneapolis-St. Paul, Minnesota, and will cross Wisconsin, arriving in the Chicago area around May 11. Bicentennial chairman Friday morning discussed a central location for the wagon train in the Niles area.

Niles Bicentennial celebrations, according to Chairman Carol Panek, include a patriotic musical-comedy presentation, a red/white/blue garden contest, establishment of a memorial park, a 76 Town Meeting Workshop and an interfaith project in May. A parade and Country Fair are projected for July 3 and 4, finalizing with evening fireworks. A Bicentennial Ball is planned for December of '76.

Winnestka, said Mrs. Robert Hilarides, plans a Hospitality '76 shared interest group who will host overseas visitors, with a matching of host and guest in interests and language, on a two-day visit.

In Morton Grove, according to Ralph Hintz, scout troops are sewing flags. Fireworks and a Country Fair by senior citizens are set for July 4, with sham-battles in the woodlands. Prairie-

land preservation and a Vietnam memorial are in the year planning.

Glensview preparations, stated Mrs. Vernal Martin, include a U.S. Armed Forces Bicentennial Caravan, dedication of a 94-acre woodland park, library exhibits and park district celebrations, a drama presentation and bank exhibits. A Bicentennial rug hooked by senior citizens already hangs in the Village Hall.

The ladies of Kenilworth are making a 50 sq. ft. needlepoint rug, said Historical Society member Walter Alstrin, pinpointing village highlights. A parade, block celebrations and family picnic are set for July 4.

Des Plaines, according to Mrs. Sue Houdt, plans a book sale of the History of Des Plaines, sale of patriotic vehicle stickers, pins and buttons, a Thanksgiving Day celebration, a Frontier Days by the Chamber of Commerce with a fireworks display, a costumed Historical presentation and a Bicentennial Ball next year.

LETTERS to EDITOR

Flynn urges voters to contact congressmen

Dear Editor:
Recently, Gov. Walker reduced state aid to education by reducing the Legislature's appropriation Bills. He also reduced the tax multiplier for equalized assessed valuation on your home or apartment building. Naturally, he stated he was reducing your taxes and saving you money. Is he really saving you money or skillfully manipulating financial figures?

I am an elected Trustee of the Oakton Community College and OCC lost about \$500,000 in state and local aid. At our last public meeting the OCC Board raised your tuition \$2 per semester hour or \$72 if you are a full time student going all year. I voted against this raise in tuition. The OCC Board is now considering doubling all special fees next year. This will cost each average full time student about \$40 next year. Additionally, for all you homeowners, the OCC Board is considering raising your tax levy to its legal maximum or in other words, raising your real estate taxes about \$6 next year. The household in Niles or Maine Township with a full time OCC student will pay a Dan Walker school tax next year of \$118.

Non-working mother tells her side

Dear Mr. Besser:
I've always enjoyed your "From the Left Hand" column and have mostly been in agreement until now. Concerning your remarks regarding the lunchroom program in our area, I for one non-working mother can count on one hand the number of times I have "lunched out with cronies" in the past 5 years.

Here's the situation. We live exactly 7/10 of a mile from Washington School. (The rule states Over 7/10 may eat in school). If you'll look out your window you can see our house. Would YOU care to walk to Washington School 4 times daily? I doubt whether you or I could make it. For my three small daughters, grades 2 thru 6, it's quite an effort. It takes them approximately 20-25 minutes so you can imagine how much time they have left for eating lunch. They can't walk any faster or they get pains in their sides they tell me. Naturally, this crone drives them back. At the same time I'm getting my kindergartener ready for the p.m. session, thus making us all candidates for colitis with the rushing.

In winter, this means driving 4 times daily. What happened to all the talk about pollution? And how can I car pool with 4 kids and a Maverick? Of course I sympathize with the working mothers—they have the worry of wondering whether their kids have locked the door behind them, etc., but I have the running.

To be perfectly frank, it hardly gives a non-working mother a chance to finish her box of bonbons and bottle of wine before it's time for a drop-off or pick-up. I don't have the perfect solution to this lunch problem, but I don't think the one we have now is even a "pretty good" one.

Hedrich answers Niles Baseball League rebuttal

Dear Editor:
It was not my desire to pursue well into the hockey season an issue that most have forgotten by now. Nor was it my intent that this matter would reflect on the conduct of a group of men working hard to make their life and that of our sons fuller. The vast majority is more magnanimous than you will find anywhere!

Regrettably, the Board has chosen to answer my letter (some four weeks after it was published and six weeks after each member had received a copy) by attacking those phrases which hurt their feelings, i.e., "ego trips", rather than meet the issues. Unfortunately my copy of their letter was not received until the Tuesday before it was to be published, and too late for me to request, again, that simple apology in the same issue.

It would seem from their letter that when the Board made its decision they were more concerned with the chores waiting for them at home. Aren't we all busy? There is no question about the fact that theirs was a difficult decision - do you call one man a liar (which they might have had to do) - or do you "cop" out in favor of scorebooks and papers about which there are no definite rules and guidelines.

The Little League rule regarding use of pitchers is the best! But

A 'Blase' of glory

Dear Editor:
As I told you before in one or more of my letters to you, your editorials are great in many ways. But the one of September 19th, which had a part telling of the move of the Sara Lee bakers to Chicago, and their reason for doing so. I think your reasons were wrong. You gave us the idea our Mayor Blase of Niles was one of the persons most responsible for their moving from Niles and blowing a \$20,000 revenue for our village. His blow was far behind many others, who may have blown a lot harder. If he was part of it, his was very small.

Sara Lee would not have been so successful with their store in our village if not for everyone here patronizing it and telling all their friends about the good prices and selections to choose from.

The management of our village went a long way to help them also. The Police Department, the Fire Department and everyone else pampered them. But I think their reason for leaving was a selfish one of their own. They sure could have moved in the Candlelight Courte Shopping Center, Lawrencewood or any one of a number of the fine shopping centers located in the village of Niles.

I hope our news media of Niles is not going to pick on our fine Mayor Blase as the ones in Chicago are picking on Mayor Daley and questioning his investments. Our Mayor Blase of this day, I think, would be a bit hard to replace.

Respectfully yours,
George Hall

Hitchhiker robbed

A 20-year-old girl hitchhiker was robbed last Sept. 18 after accepting a ride from two men at Oakton and Lehigh rd. in Morton Grove, said Niles police.

The girl, a Des Plaines resident, was hitchhiking home from work on Thursday around 5 p.m., westbound on Oakton.

The two men, driving a light colored Cadillac with a red interior, told the girl hitchhiker they were going to far as Oakton and Harlem in Niles.

Once they reached the intersection, the victim told police the offenders reached over the seat taking her purse which contained \$100 in cash, keys, drivers license, social security card and contact lenses. After telling the girl to get out of the car, she said the men drove off southbound on Harlem from Oakton. The victim stopped a Niles patrol car in the vicinity and reported the robbery.

Shoe store theft

Three teenage girls left a Niles shoe store last week without paying for merchandise which was taken from a sales rack, said Niles police.

According to the store manager of Fayva Shoes, 9357 Milwaukee ave., three 17-year-old girls came into the store at 2 p.m. on Sunday, Sept. 14, to obtain a refund for a pair of shoes.

The manager declined to give the refund he said because the shoes had been worn in the street.

The girls then picked up 2 leather purses from a sales rack said the manager and walked out of the store after displaying the stolen purses to the manager.

He was unable to give a description of the girls who left the parking lot in an older model car he told police, with a yellow top. Police were able to trace the car through license plates and the owner stated he would contact the store and straighten the matter out said police.

Con game...

Cont'd from Niles-E.Maine P.1 store where she called Niles police.

Had the victim gone to the car said police, the suspects would have displayed money, raising the question of legality to keep the money. The next step in the confidence game would be to contact an attorney and one of the suspects would leave to see an attorney to seek his "advice". Supposedly he would "advise" the three women they could keep the money for a 3-way split but not to spend it for a year. The attorney would hold the money but in return for his advice each woman would have to put up cash as "faith money".

One of the suspects would accompany the victim to the bank for the purpose of withdrawing her share of the faith money and suddenly, on some pretext or another, the victim would find herself alone and minus her cash.

Morton Grove Library

"Medicare" is the subject of a lecture presented at the Morton Grove Library on Thursday, Sept. 25, at 7:30 p.m. This is the second program given by Mrs. Ruth Schmidt on Social Security and its benefits and is of interest to everyone.

Registration is still open for the Baby-Sitting Course being offered at the Library under the auspices of the Morton Grove Fire Dept.

Chief Fred Huscher is now conducting the class every Friday afternoon at 4 p.m. thru Oct. 31, and his students are learning how to handle emergencies, how to use mouth-to-mouth resuscitation and other safety measures necessary to know when caring for small children.

Safety belts when you think about it, it's a nice way to say I love you.

Multiples...

Cont'd from Niles-E.Maine P.1 multi-family dwellings had been denied by Zoning Commissioners June 25 based on "overcrowding" of the property by proposed construction of eight 3 flat buildings and on projected traffic congestion in an area where traffic problems already exist.

The petitioned area, north of Dempster and west of the Dempster-Milwaukee underpass can be served only by westbound traffic. It is directly across from the area where 2 persons were killed in separate accidents in the past 8 months and two others, also in separate incidents, were injured.

Under Tuesday night's appeal to the trustees, petitioners McNeill and Cross revised the original rezoning request to R3 2 family dwellings, asking for construction of six 2 flat buildings "with no basement apartment".

Robert Walner, an attorney representing approximately 100 members of the Grand-Prospect Homeowners Assn. who reside west of the petitioned property, told trustees that his clients, while objecting to the construction of 3 flat buildings, did not object to 2 flat buildings on the property. However, he listed the one way lane of traffic leading west on Dempster and directly south of the property as "extremely hazardous".

Trustees continued action on the case in order to determine some procedure "to prevent a 2 flat from being turned into a 3 flat" and for clarification of traffic in the area.

In separate action trustees delayed a decision on a re-zoning petition from B1 retail to B2 service by John Del Messier of Park Ridge for a monument sales branch at 8445 Milwaukee ave (formerly Sunoco Gas Station).

Zoning commissioners conditionally approved the petition July 23 predicated on no fencing of the property along Milwaukee ave. and that there be no stonecutting or manufacturing done on the premises.

During his appearance before the Trustees Tuesday night the petitioner asked permission to fence the property and told trustees he intended to "do light stonecutting on the premises".

Trustees upheld conditions set by Zoning Commissioners but continued action on the petition for possible re-zoning under a Special Use permit for operation of an open sales lot.

In other action awards were presented to Maria Leopold, Dorothy Murray and Charles Cauffman as "Gallon Blood Donors".

Mayor Nicholas Blase proclaimed the week of Oct. 5 thru 11 as Niles Lions Week for the Visually Handicapped. Oct. 10 was set as Candy Day for the blind.

Fire Prevention Week was proclaimed Oct. 5 thru 11.

Trustees endorsed the Police Dept. Educational Program for Bicycle Safety. Mayor Blase termed the Bike Patrol Program as being very "unique", commenting that program innovator Officer James Gerhardt had been contacted by a bicycle company for the purpose of sponsoring the bikes used in patrol.

Trustee Marcheschi reported that work was progressing rapidly on the Lawrencewood site post office. "Ceiling beams are up," he said. "Weather permitting we may be able to close in the roof. It's quite possible," he concluded, "that we may conduct ribbon-cutting ceremonies around Christmas."

The BUSINESS Picture

Marshall White Ford honored for Distinguished Achievement

Marshall White Ford, 9401 Milwaukee Ave., Niles, Ill. has been selected as one of the nation's outstanding Ford dealerships and has received Ford Motor Company's Distinguished Achievement Award.

The Distinguished Achievement Award is presented "in recognition of progressive management...modern sales and service facilities...sound merchandising practices...high quality standards and continuing interest in rendering superior service to Ford owners."

Shown above l. to r. at the award presentation are: Ray Campbell, Vice President; Marshall T. White, Pres. of Marshall White and M.M. Shanks, District Manager of Ford-Motor Co.

Kingsgard clarifies business status

Joe Martin, owner and operator of Kingsgard Cleaners, 8000 Milwaukee ave., Niles, wishes to notify his customers that he will continue to operate his business at that location until his lease expires in November, 1977. Mr. Martin stated that recent news stories regarding the sale of the property on which his business is located will in no way affect his business operation.

Maine Township Auditor Kay Korff, chairman of the township's youth committee and three committee members will attend a two-day conference on youth programs early next month.

Entitled "Youth Programming for Impact", the conference, jointly sponsored by the Illinois Dept. of Corrections and Youth Committees of Northeastern Illinois, will be held at the William Tell Inn, Countryside, on Oct. 9 and 10.

Conference agenda items include establishing and managing youth committees, current legis-

lation affecting youth, assessment of community needs, youth employment programs, family counseling, shelter care programs, education, and relating to other community agencies.

Mrs. Korff said attendance at the conference will aid the committee in its efforts to improve and expand Maine Township's youth-oriented programs which were begun this year.

Accompanying Mrs. Korff will be Lt. James Roel and Sgt. Ken Fredericks of the Des Plaines police, and Alderman Dean Henry, Park Ridge.

Marshall White plans balloon rides to unveil 1976 Fords

An 8-story balloon that will rise 10 stories into the sky and take people for free "tethered" rides is one of several events that will highlight the showing of the new, 1976 Ford automobiles at Marshall White Ford, 9401 Milwaukee ave., Niles, starting Friday, Sept. 26.

Ray Campbell, White vice president and general manager, said that the helium-filled balloon will be anchored in the parking lot and that the free rides will travel a distance of about 20 feet.

"Folks have got quite a kick out of the rides in other parts of the country," Campbell said. Balloon rides may be taken Friday from 5 to 9 p.m. and again on the following Sunday from 11 a.m. to 2 p.m.

In addition, states Campbell, all the new model Fords will be shown in the White showrooms and garage and those viewing the new models will be served refreshments, champagne and the opportunity to win free prizes.

Another entertainment highlight will be the personal appearance next Friday, Sept. 26, Saturday, Sept. 27, and Sunday, Sept. 28 of Ken Fink who, Campbell said, is billed in Las Vegas as "The World's Most Famous Clown". Fink will form unique balloons and give them as gifts to all those who attend.

Live music will be provided and a giant searchlight will identify the new car show during the first few evenings of the event.

"DON'T FORGET...to attend the gala party to unveil the 1976 Fords to be held at MARSHALL WHITE FORD showrooms, 9401 N. Milwaukee Ave., Niles (across from Golf Mill Shopping Center). There'll be free refreshments, prizes, entertainment and surprises...everyone's invited to MARSHALL WHITE'S super party-come-you'll have a ball...

Bugle interviews Charles E. Maguire, new vice president and manager of Golf Mill State Bank

To help Bugle readers become acquainted with their area's newest bank executive Charles E. Maguire, senior vice president and manager of the Golf Mill State Bank, Niles, here is a question and answer format - is an exclusive interview covering the economy, mortgages, branch banking and many other financial subjects. This veteran of 25 years banking experience recently assumed responsibility for directing operations of the \$45 million local bank.

THE BUGLE: Chuck, tell us what sort of impression do you have of this area, and your new assignment?

MAGUIRE: Well, I came here from the Grayslake National Bank, Grayslake-approximately 30 miles north-is a small community and I served at that bank 11 years. Prior to that, I spent 14 years at Lake View Bank in Chicago. So I went from a city bank to a country bank. Now I'm coming to a bank that's part city, part country in mainly a suburban area. Grayslake has \$27 million in assets-Golf Mill \$45 million. There's quite a difference in size and scope and structure. But I have found that no matter where you go in the country, city, or in the suburbs, the main job of running a bank is (1) safeguard and protect the depositor's money, and (2) give your customers the best service they could possibly receive. They deserve it. We have to provide service. That is the only product we have and we do the best job we possibly can. Basically, we don't find the people in this area any different than people in any other area.

THE BUGLE: Are the traffic patterns or the banking requirements at Golf Mill Bank any different than your previous bank?

MAGUIRE: Very definitely. This bank is located near a shopping center. There is a lot more traffic and more commercial banking at Golf Mill. When I first came here, the biggest thing that struck me was the long lines in the lobby. The drive-in windows were backed up in lines. People were not being taken care of quickly enough. I'm sure it was an aggravation to them-it was an aggravation to me to look at. Personally, when I go to the Jewel or similar stores, I want them to move me through. I think I can say right now that those lines we used to see in the lobby have dissipated. The facilities are moving much faster and much more efficiently.

THE BUGLE: How was that achieved?

MAGUIRE: Number one, through proper staffing of people. Having all the windows open necessitated even hiring part-time people to work at busy times of the day.

THE BUGLE: Did the bank actually hire people?

MAGUIRE: Yes, we did. As far as our drive-up facilities were concerned, we had 6 lanes available. Invariably, I would find only 4 lanes open and operating, because of lunch periods, coffee breaks, etc. What we did was add a fourth person. Then when one person was away, either on a coffee break or lunch, we still kept all 6 lanes operating and functioning. That speeded up the traffic pattern.

THE BUGLE: What added growth do you expect to see over the next five years?

MAGUIRE: I see no reason for the Golf Mill Bank with its excellent location and if the people are given the best possible service, for Golf Mill Bank becoming a \$100 million bank. I hope to make it one of the largest banks in the area, but also one of the leading banks offering the best service to our customers.

THE BUGLE: Are there things you envision customers can look forward to, in the way of banking innovations?

MAGUIRE: One of the areas will be commercial accounts. We are interested in what more can we do for the businessman, what services can we provide-what services does he need? We have just hired a new man, Jim Martin as vice president. His responsibility is to go out to business customers and find out where we can meet their needs. The days are long past when we can sit back and wait for the customer to come to us. He's busy, his time is valuable. We have to go out and see what we can do for him. In addition, we have departmentalized just about everything in the bank. There is someone in charge of real estate, someone in charge of commercial accounts, someone in installment loans. As far as innovations, we have a few things coming up-a 24-hour automatic teller we expect to have in the very near future. We are going to see other innovations in the banking industry such as an electronic transfer system. This has been talked about widely and might come into effect in the next 5 years. But what we are trying to do right now is to serve all our customers the best way possible. We feel that we have a good efficient operation and will keep it that way on a continuing basis.

THE BUGLE: One of the things you introduced is "early bird banking."

MAGUIRE: For the convenience of those on their way to work, we have our drive-up facilities open at 7 a.m. in the morning. This will make our schedule from 7 a.m. to 8 p.m., 5 days a week. We are open Saturdays 7 a.m. until 3 p.m.

THE BUGLE: Is Golf Mill the only bank in the area to be open 13 consecutive service hours?

MAGUIRE: I think we are. There might be one other bank. But we really are not responding to what other banks are doing. We are simply trying to service our customers.

THE BUGLE: 1975 is almost gone. What sort of things can we now anticipate government doing? And what things might happen in business for the balance of this year, as near as you can tell?

MAGUIRE: Well, President Ford has stated he is going to try and take away the road blocks for business to help the economy. Yet, sometimes we wonder with the government, as far as what they are doing. A new piece of legislation went into effect in June which might have a very derogatory effect on the mortgage market field. It requires more disclosure statements to be made. I am sorry to see more regulations. I think we are all much better off with the free enterprise economy system. Reading Kiplinger's letter just a day or two ago, it was his opinion we have reached the bottom as far as the recession is concerned. The second quarter figures don't show that. We will have to wait for third quarter figures, which won't be out until October or so. They basically feel the economy is beginning to move upward. Some

local business. I have talked to 'old me' in the last week or two, it seems that their business has picked up a little. I am very hopeful that this is the general situation.

THE BUGLE: With respect to money and mortgages, is this a good time for someone to re-think their ideas about buying a new house and acquiring a mortgage, or is that not the case?

MAGUIRE: As I said, new disclosure laws have come out. No one is too sure how they can meet the new requirements, until we get some kind of clarification. I'm afraid you're going to find most financial institutions reluctant to get into the mortgage market. However the Golf Mill Bank is prepared to get into the mortgage market more extensively than we had been over the last 12 to 18 months. Hopefully this would stimulate our economy, help the local construction industry by making mortgage money available and be able to service the community better. Hopefully, they (the regulations) are not going to cause that much of a hindrance to us.

THE BUGLE: With respect to legislation, would you comment on branch banking. Can we anticipate branch banking in Illinois in the near future? If so, when do you think it might happen?

MAGUIRE: There are two groups, one is called the Illinois Bankers Association, which seems to be opposed to branch banking. It is made up of many smaller banks in central and Southern Illinois. The second group was just formed a few years ago. It is called AMBI-The Association of Modern Banking in Illinois-and primarily consists of banks in the main metropolitan area supporting branch banking. They've locked heads a couple of times and every time the IBA came away defeating the branch banking proposal. I feel very strongly about the fact that branch banking should come along. People are saying if that's the case, we'll have branch offices for First National Bank of Chicago, Continental all over the place. I feel there will eventually be a limited form of branch banking, either by a mile radius determined by their main location, or perhaps the country in which the main office is chartered. No one is going to suffer. The fact is people are going to be able to get better service. The hard thing about it, and what everyone is afraid of, is, if you don't allow branch banking, all these new banks will be springing up all over. I would rather see branch banking with strong banks-well run banks serving the people-than a number of poorly managed banks that aren't as strong. I am for branch banking. I don't want monsters to swallow us all up. I think we can do a better service in the area; mainly, because we know our customers better than they do.

THE BUGLE: Will you be active in Niles-Morton Grove community affairs?

MAGUIRE: Yes, I have always been active in various community activities. I served as president of the Grayslake Chamber of Commerce, secretary and treasurer, and held positions of secretary, treasurer of the Lions Club of Grayslake. I was also treasurer of the Bi-Centennial Commission, treasurer of the Salvation Army and Heart Fund and the Red Cross, etc. Since I have come

FNB is offering a Lady Pepperell blanket

For frosty fall nights, First National Bank of Des Plaines has a special offer on Lady Pepperell Vellux Blankets to those who deposit \$250 or more in a new or existing savings account.

Limited one to customer, the unique non-woven double bed sized blanket measures 72" x 90", and is made of bonded 100% nylon fibers on a core of insulating foam. The Vellux blanket is completely washable and will look fresh and fluffy even after 50 washings. This comfortable blanket comes in three colors - gold, light blue or avocado.

According to Arthur R. Weiss, bank president, the blanket has a retail value of \$25. However, the blanket can be purchased for \$12.95 with a \$250 deposit; \$10.95 with a \$1,000 deposit; \$8.95 with a \$2,500 deposit and \$3.95 with a deposit of \$5,000. These prices already include sales tax.

The blanket offer will start on Sept. 18 and will run thru Oct. 11. For further information on the blanket offer, contact the First National Bank of Des Plaines at 733 Lee St. or phone 827-4411.

When selection is possible, help save energy by purchasing goods made of recycled material. In general, products made of recycled material require less energy to manufacture than do those made of new materials.

Schorr elected Officer, Asst. Cashier at

1st Nat'l. of Morton Grove

Burton K. Schorr has been elected an officer and assistant cashier of the First National Bank of Morton Grove, announced president Marvin von Aswege.

The election took place at the bank's Sept. 18 board of directors meeting.

Schorr joined the bank last May as operational supervisor. Prior to that he was a management trainee at Pioneer Trust and Savings Bank and a sergeant in the U.S. Army.

A resident of Streamwood, he graduated from Culver-Stockton College and attended the American Institute of Banking.
