## District 207 adopts 1975-76 operating budget

An operating budget of \$28,690,711 for 1975-76 for the Niles Township High Schools was adopted by the District 207 Board of Education at its regular monthly meeting, held Monday evening, September 22, in Niles East's Faculty Lounge. A public hearing on the budget was held immediately prior to the meeting.

The tentative budget has been on display for the past month at the district's Administration Center and at public libraries throughout the township. At the public hearing, Harold Markworth, business manager of the school district, pointed out that budget cuts by Governor Walker, and the continued lower-

ing of the tax multiplier for 1974, has resulted in \$530,000 less revenue with which to operate the four Niles high schools for fiscal 1976. Also, cuts in state aid for Special Education and Vocational Education will mean an additional loss of a quarter of a million dollars to District 207, he said. "The Niles Township High

Schools will lose \$193,000 in state aid funds as a result of the Governor's amendatory veto to the state aid appropriation at 95% of the entitlement for 1975-76," Markworth said. "In fact, were it not for an annual 25% increase in state aid as a part of the resource equalizer formula our total state aid would be below the 1974-75 budget." The 1975-76 estimated revenue from the State of Illinois is \$4,882,811 as against last year's state aid to District 207 of \$4,264,941. The school district continues to receive the major portion of its revenue from local taxation.

End O' The Month Meanderings ...  
Talk to Kenny Scheel for 10 minutes and you can't help feel Niles keeps leaping forward because of the great enthusiasm officials show in the village.  
He mentioned he'd met a Northbrook resident who commented what a progressive community Niles is. He was particularly impressed with the 'free' bus service Niles provides its citizens.  
Niles is a great town because it does have an ample flow of money which can be used for many projects. But it has an imperceptible quality from people who run the town, or contribute their services, which really makes the big difference.

While Scheel was reciting about the Niles he'd like to see in the future, which is a computerized community dipping into the 21st century technology far ahead of its time, you know from such dreams big plans are made.  
We suggested to Ken Niles should have a public relations gal who tells the Niles story to metropolitan Chicago. For too many years we've been reading about the blue blood north shore suburbs and the overrated communities like Park Ridge and Barrington.

Niles today probably has the greatest services for its community of any suburban town in the middle west. It has premier public services which combine enthusiasm with great pride. There's little doubt it's one heluva town and the Niles story should be told to all Chicagoland.  
Don't think all that bit of soft music has us mesmerized. There's still plenty of hokey around and much of it still happens in All America Niles.

### Grand Award Winner goes to Disneyworld

A Harwood Heights man won a 7 day, 6 night trip for two to Disneyworld in Orlando, Florida, as the grand prize of a month-long contest sponsored by the merchants in the Lawrencewood Shopping Center, Oakton and Waukegan rd. in Niles.

Keith Anderson, 22, said he was overjoyed with the award. "It's the first time I've won anything," said the pleasant-mannered foreman printer who has been employed for 2 years at Lawson Products Co. in Niles.

His customary routine of going to Lawrencewood for lunch, said Anderson, was the reason he won the award. Other trips to the Center included record shopping and buying frames for his prints since he is "getting into photography as a hobby."

Shoppers in the Center for the month of June had completed entry cards for awards in the promotional vacation give-away.

Winners of other prizes in the contest according to Mary Walzak of Dee's Deli in the Shopping Center had already been notified and presented with their awards.

Anderson said he still had another week of vacation from work and had been planning to go to Florida when he was notified of the award. A bachelor, he said he "had a lot of offers of a traveling companion", but was

Winner of a recent promotional give-away by the Lawrencewood Merchants Association, Keith Anderson was presented on Saturday with a certificate entitling him to a trip to Disneyworld in Florida. not certain who would go with him.

Manager of the Shopping Center, Lee Hays, congratulated the winner Saturday and wished him a good time in the 85 degree weather that Florida residents are enjoying.

Goldblatt Manager Michael Scianna also President of the Lawrencewood Merchants Association said the vacation giveaway

contest was the beginning of an exciting fall season for the Center. Next planned, he said, was the arrival of Mr. and Mrs. Santa Claus by helicopter during the week following Thanksgiving. He also noted the Center was preparing for the Bicentennial year. "Our posts, canopies and flower pots have recently been painted red, white and blue for national celebration."

### Car collision

There were no injuries reported in a two-car collision Friday morning, Sept. 19, at Harlem and Touhy in Niles, altho both cars were towed to 7254 Milwaukee ave.

According to police records a 1968 Buick driven by Lee Ropak, 6515 Kenton in Lincolnwood, was westbound on Touhy when he collided with a 1975 Lincoln driven by Reynolds Makela of West Iron River, Michigan. The Makela car continued on, striking a traffic light at the intersection.

Both drivers stated they had the green light, said police.

### A DAY AT THE RACES FOR NILES SENIORS

It was a beautiful sunny day on Tuesday, Sept. 23 when two bus loads of Senior Citizen Club of Niles members and their guests with a few of the All American Seniors left the Recreation Center to spend the day at Arlington Race Track.

We left the Recreation Center at approximately 11:15 a.m., driving down Milwaukee Avenue to Golf Road to Northwest Highway to the Arlington Race Track. We arrived around noon and went to the Club House where we were seated, and were ready for our luncheon of fresh fruit salad of watermelon and cantaloupe balls, fresh pineapple, oranges and grapefruit. Then we had chopped sirloin with baked potato and string beans, rolls and coffee and a delicious desert of ice cream topped with coconut and chocolate syrup. It was very good.

It sure was exciting as we made out first bet for the daily double. We had some winners, like Gene Koster and some losers, and some came out even, but it sure was fun watching the beautiful horses fighting for the lead at the finish line.

The fourth race was dedicated to the Senior Citizens Club of Niles, and after the race the officers of our club were escorted by Karen, an Andy Frain Usher, to the Winners Circle and had our picture taken with the winning horse and jockey. President, Lawrence Wutzen, Vice President, Eugene Koster, Program Chairman, Martin Dworak, Asst. Program Chairman and our Sunshine Girl, Josephine Bain, and Secretary Elsie Geyer were in the picture. It was so very exciting to be so close to the horses and the jockies.

A wonderful time was had by all, and an excited bunch of Senior Citizens arrived back at the Recreation Center around 6:00 p.m.

Thanks to Martin Dworak, and Josephine Bain for making arrangements for another great day.

### HONOR NILES TOWNSHIP SENIOR CITIZENS

**Short tempers collide at Golf Mill**

A Glenview man was assaulted by another motorist in the Golf Mill Parking Lot Saturday afternoon, Sept. 20, as he looked for a parking space.

Arthur Dunham, 30, of 525 Lo tus Lane, told Niles police he was driving in the Golf Mill Shopping Center west of Sears around 3 p.m. looking for a place to park his car when a tan Pontiac driven by a 28-year-old man almost hit his car.

Dunham told police he called to the other driver, saying "Where do you think you're going?" Whereupon the driver of the other car stopped, got out of his car, walked over to the Dunham car, opened the door and punched him in the face. The man also struck Dunham's 6-year-old son who was standing in the rear seat.

The license plates of the tan auto were checked out to a Chicago address.

Altho Dunham stated he wished to sign a complaint, said police, no complaint was signed.

## Demons trample Titans 22-0

(by Glenn Kellin)

Saturday afternoon, amidst gray skies, the Maine East Demons took on highly regarded Glenbrook South at the Titans home stadium. Both teams came in, after big wins last week, undefeated.

The Demons struck first with a Jay Baum bomb to John Rupke. The play covered 50 yards and gave Maine East an early 7-0 lead as Doug Cerny converted.

Neither team could do much with the ball the rest of the half; however, with the Demons threatening deep in Titan territory, Doug Cerny took it over on a quarterback keeper around the end. He hit the extra point, and Maine East took at 14-0 lead into the locker room.

Certainly Maine East's momentum of the last couple of minutes of the first half continued on the first play of the second half as Jay Baum took the opening kick-off all the way for a touch-down, giving the Demons a 20-0 lead. They then faked an extra point attempt and Baum who was holding took over the two point play to give the Demons a 22-zip lead.

Maine East's defense was tough all afternoon, and with just minutes left a Doug Cerny pitch out was picked off at the Demons 10 yard line. The big "D" really rose to the occasion, and on five consecutive "goal to go" situations the Demons hung tough. By not allowing the Titans to score on

that golden opportunity, the Demons were successful in knocking all the steam out of the Titan attack and easily cruised to a sweet 22-0 victory.

### NILES PARK DISTRICT

**Recreation Program Registration**  
The Niles Park District is preparing to begin a new Fall, Winter and Spring season. We invite everyone to take a close look at our programs and plan for the months ahead. If there are any programs which you would like to see started, please give us a call 967-6633 and our staff will try to arrange classes for you.

Registration is now being accepted at the Park District Office during regular business hours.

Many of this year's programs have been redesigned to meet the changing needs of the participants. For further information

please feel free to contact the Niles Park District at 967-6633.

**Archery Program**  
The Niles Park District will offer an Archery Program beginning Saturday, October 11. This 6 week program will teach the basic skills of this "Lifetime Sport" in which anyone of any age can participate.

Classes will be held at the Grennan Heights Center. There are still openings for 8 to 14 year olds from 9:45 to 10:30 a.m. All equipment and instruction for 6 weeks is only \$6 for Niles Park District residents and \$12 for Non Residents. Class sizes are limited so sign up today.

For further information call the Niles Park District at 967-6633.

**Ladies Tumbling & Gymnastics**  
Ladies, now it's your turn. No matter what your age or experience is, join this new class and develop your strength, flexibility, poise, and figure. Gymnastic apparatus will be used according to your interests. Get involved in one of the most popular sports in the world. Classes will begin on Wednesday, October 8 from 2 to 3 p.m. at the Grennan Heights Center. The fee for 10 weeks of expert instruction is \$6 for Niles Park District

Residents and \$12 for Non Residents.

**Social Dancing**  
Come and learn the cha-cha, rumba, and fox trot, to name only a few. Here is a new program that will help you to be the hit at the next dinner or wedding you attend. This program is an opportunity for you to learn basic dance steps using popular music. The fee per couple per 8 week session is \$15 for Niles Park District residents and \$30 for non residents. No partner? Don't worry, you will be placed on a list with hopes of pairing with a partner. Classes will be held at the Recreation Center, 7877 Milwaukee Ave. beginning Monday, October 6 from 7 to 8:30 p.m.

For further information call the Niles Park District at 967-6633.

**Youth Guitar**  
Here is an inexpensive way to introduce your child to the fun and enjoyment of music. Classes are on Saturdays beginning October 11 and continue for 10 weeks. All classes will be held at the Recreation Center according to the following schedule: Beginners from 1 to 2 p.m. and advanced beginners from 2 to 3 p.m. The fee is \$13 for Niles Park District residents and \$26 for non residents.

**Judo**  
A favorite among young people. This program will not only teach its students self defense and physical conditioning, but also the true meaning of Judo, the "Gentle Art". Classes are held at the Grennan Heights Recreation Center on Saturdays beginning October 11 and conditioning for 8 weeks. Classes for ages 8 to 11 are from 9:30 to 10:30 a.m. and ages 12 and up from 10:30 to 11:30 a.m. The fee for Niles Park District residents is \$7 and \$14 for non residents.

**Ladies Belly Dancing**  
This is your chance to learn the popular art of belly dancing. Qualified instructors will teach you the fundamentals of the ancient middle eastern dance which will help you keep in shape. Classes are held on Mondays from 9:30 to 10:20 a.m. at the Grennan Heights Center beginning October 6. The fee is \$14 for Niles Park District residents and \$28 for non residents.

**Adult Jazz & Exercise**

### Get in shape at Golf Maine Park District

The Golf Maine Park District is offering a variety of Physical fitness classes for adults this fall.

Physical fitness for adults will help get your body in shape. Not just a simple exercise class, emphasis will be placed on increasing cardio-vascular efficiency through sustained exercises. Class is for adult men and women. Starts Thursday, Oct. 20, 7:30-8:30 p.m. and ends Dec. 18.

Exercise for Senior Citizens is a class especially designed for senior citizens to keep muscles and joints limber and in shape. This class is under the direction of an exercise specialist. Class will be held on Tuesdays 2:45-3:30 p.m. Starts Oct. 28 and ends Dec. 16.

Slimastics is for women who want a stimulating workout that will keep the body trim and flexible. Class will be held on Thursday afternoons 1:30-2:30 p.m. Starts Oct. 20 and ends Dec. 18.

These classes will be held in the beautiful new Community Center at Dec Park, 9229 Emerson St., Des Plaines. For further information phone the park office, 297-3000.

### District 63 caucus meeting

The caucus of East Maine School District 63 will hold its first meeting on Tuesday, Oct. 14 at 7:30 p.m. in the Gemini Junior High School, Ballard and Potter Roads.

Any of the following types of organizations may apply to the Credentials Committee for accreditation: Churches and Synagogues, PTA and PTC groups, Homeowner and civic associations, and any organization engaged in or concerned with public welfare improvements. Any group must have its headquarters within the School District 63 boundaries (or School District 34, where children attend Maine North High School) or have a majority of its members living within that area. All delegates and alternates must live within the designated area, as well.

For further information, call Caucus chairman, Steven Masur, 965-4780.

### Maine North Homecoming Queen candidates

Maine North's Homecoming queen candidates are looking forward to Saturday, Oct. 4 when one of them will be crowned queen. The theme of this year's Norsemen Homecoming, "Wild, Wild West," will be carried out with a pre-game parade at 1:30 p.m. Fenton high school will challenge Maine North in a gridiron contest at 2 p.m. The queen will be crowned by Principal Robert A. Wells during half-time. "Dance With Me," the Homecoming dance, will begin on Saturday evening at 8 p.m. The rock band "Mirage" will play for the dance. The queen candidates are (from left to right) Janet Oddi, Vera Kowalski, Tracey Sterner, Sue Olson, and Brendi Kaplan.

# of Interest to Women

## Career testing for women

The Women's Outreach Resource Center from Oakton Community College will provide two testing sessions for women interested in discovering what psychological needs and values they would expect a career/job to satisfy. Gerd Smith, testing and counseling coordinator, will administer and interpret the test.

The Hall Occupational Orientation inventory is a new ap-

proach to occupational testing which takes into account today's ever changing job market. The test emphasized the openness of a person's future and encourages the broadening of perceptions of potential and priorities.

One testing session will be offered at the Des Plaines Center, First Congregational Church, 766 Graceland, on Wednesday, Oct. 15 from 9:30-11:30 a.m.

A similar session will be held at the Skokie Center, St. Tim's Lutheran Church, 9000 Kildare, on Tuesday, Oct. 21, from 9:30-11:30 a.m.

Cost of the session will be \$2. Women are asked to register for the session of their choice at least one week prior to the specified time.

To register, call the Women's Program office at 967-5120, Ext. 350.

## Niles Family Service Thought For The Week

By Larry F. Benetzky, ACSW

### Love

(Paraphrase of I Corinthians 13)

Though in the glamour of the public eye I sway the emotions of man by my oratory, or by my silver singing, or by my skillful playing, and then go home and gripe because supper is late, or because my clothes weren't made to suit me, I am become as sounding brass or tinkling cymbal.

And though I am able to impress others with my vast knowledge of the deep things of the Word of God, and though I am able to accomplish mighty things through faith so that I become famous among men as a remover of mountains, and have not the love that reads the deep longings of the hearts around the family circle and removes the barriers that grow up in shy and tender hearts, I am nothing.

And though in the glamour of public praise I bestow all my goods to feed the poor, and though I win the name and fame of a martyr by giving my body to be burned, and yet close up like a clam at home, or behave like a snapping turtle, knowing nothing of the glory of giving myself in unstinted, self-denying service to those nearest and dearest, it profiteth me nothing.

Love is never impatient, but kind; love knows no jealousy; love makes no parade; gives itself no airs.

Love is never rude; seeks not her own, nor fights for her own rights, it is never resentful, never imagines that others are plotting evil against her.

Never broods over wrongs; never exults over the mistakes of others; but is truly gladdened by goodness.

Love suffers silently, is always trustful, always cheerful, always patient.

Home is the acid test of the truly yielded life, for in all other phases of Christian service there is a certain amount of glamour; but in the home one is confronted with the bare facts of life, stripped of all glamour. The home is given to help every Christian "not to think more highly of himself than he ought to think." And it is in the home that we have the privilege of demonstrating that the Christian life is "faith which worketh by love."

## ERA Committee to rally Nimrod

In conjunction with Gov. Walker's proclamation of Illinois ERA Day, Oct. 4, the newly formed 4th Dist. citizens committee for ERA will rally Saturday, 1 p.m., at Lockwood Park in Skokie. Speaking at the Rally will be Representatives Eugenia Chapman (D. 3) and Virginia MacDonald (R. 3). The kick-off rally is the result of a coalition of over 20 local organizations. They will gather for entertainment by the renowned Stern and Tobin, speeches, and walk 4 blocks to Sen. Nimrod's office to ask for a statement.

Helen Masiack, founder of Catholic Women for ERA, and League President in Skokie, has said that Nimrod's vote is essential for the ratification of the Equal Rights Amendment this fall. Nimrod's stand on ERA has seen-sawed over the last 3 years, and he disappointed many supporters with his refusal to vote to release the bill from committee last May.

Over 200 citizens are expected to attend Saturday, where precinct captains will be appointed districts to obtain signatures of supporters in the district. These petitions will then be presented at the state-wide rally in Springfield Oct. 29. That date, designated by the National Organization for Women as National Protest Day will mark activities all over the country on issues of discrimina-

represented in the Citizens Commission Saturday are: The League of Women Voters, ACLU, Common Cause, NOW, Independent Voters of Illinois, Business and Professional Women (BPW), American Association of University Women (AAUW), Illinois Education Assn., Illinois Nurses Assn., ERA Central, and many social and religious organizations. For further information on the 4th Dist. Citizens Committee or the rally, call 677-2683.

Mrs. Fingal Gustafson, 5406 N. Ashland ave., Chicago, is president of the Service Guild. On her committee from Niles are Mrs. Carl Carlson, 8141 Church st., and Mrs. John Jacobson, 6856 Concord ln.

## Conference on Down's Syndrome

The National Association for Down's Syndrome will hold a one day conference on Down's Syndrome (mongolism) October 11, from 9 a.m. to 4 p.m. at the Oak Brook Hyatt House, Oak Brook, Illinois. Parents and professionals interested in helping the individual with Down's Syndrome are encouraged to attend the free conference. Medical, Dental and Social aspects of Down's Syndrome will be discussed.

For further information call Mrs. D. Gilbert of 9628 Churchill Circle, Niles, Ill. 60648; or phone her at 967-6315.

Check the tire pressure on your car regularly. Underinflated tires increase gas consumption.

## OCC Women's Workshop

The film "Twelve Like You" will set the theme at the Career Development and Decision-Making Day offered by the Oakton Community College Women's Program on Tuesday, Oct. 7, from 8:30 a.m.-3:00 p.m. at St. Luke's Lutheran Church, 205 N. Prospect, Park Ridge.

"Twelve Like You" interviews 12 women who have achieved success in their careers. Each of the women has varying backgrounds and educational experiences from high school drop-out to law school graduate.

Members of the OCC Student Development staff, consisting of Elaine Sullivan, Jane Alt, Jim Bush, Soda Parker, and Mary Slayton, will work with women during the remainder of the day in helping with self-assessment, decision-making, and goal-setting.

The all-day workshop will be followed by three on-going two-hour programs to continue self-assessment, to search for job information, and to learn job-hunting, resume writing and interviewing skills. Dates of these

optional sessions will be announced.

Cost of the workshop is \$8, including lunch. Babysitting is available for children two years of age or over at a charge of \$3.50.

The workshop fee and reservation may be sent to Oakton Community College (Attn: Pat Handzel) 7900 N. Nagle, Morton Grove, Illinois 60053.

For further information, contact the OCC Women's Program office at 967-5120, Ext. 350.

Boutique items; plants, home baked goodies and White Elephant gifts. Proceeds are to be used for LTY gym equipment.

# Ed and Carl put together a plastic cylinder that's going to help keep your rates down.

It's called a vacuum chamber weld tester. It's not too fancy, and it doesn't have any microcircuits or chrome trim, but it could save us more than \$100,000 a year.

Ed Steeve, Commonwealth Edison engineer, designed it; Carl Knutson, Assistant Shop Superintendent, helped put it together at our Maywood Technical Center.

The vacuum chamber consists of a short, transparent plastic cylinder that's slightly larger in circumference than the pipe it's testing. We fasten it around the weld, where the leaks are likely to occur, then seal it airtight. The space between pipe and cylinder is then partially filled with a clear liquid (usually water) and a vacuum pump is attached to remove the air. If there

are any leaks in the weld, the air from inside the pipe will create a column of telltale bubbles. It's a simple process, but vitally important. When we put cables in underground pipes, we expect them to last for many years. A pin-hole leak would result in a cable failure, a loss of power, and a loss of valuable man-hours in repair work.

We have been testing welds by other methods, which were time-consuming, and cost as much as \$14,000 for every mile of pipe.

But our new vacuum chamber device will do the same job for a fraction of that cost. The money we save will help keep your rates down. And the time we save will give our Commonwealth Edison engineers a chance to do a little more of that valuable experimentation.

Commonwealth Edison Working for you.

Annual test day at Notre Dame

The annual Guidance Department Test Day will be held at Notre Dame High School in Niles on Tuesday, Oct. 21, at 8:15 a.m. Rev. William Brinker, CSC, Director of Testing, will be in charge. The seniors will write the California Occupational Preference Inventory. Its purpose is to help the student assess how strong his interests compare with people working in various occupations and careers.

Most of the junior class will take the National Merit Qualifying Test which is combined with the Preliminary Scholastic Aptitude Test. Others in the junior class will take the Armed Forces Vocational Aptitude Battery which will be administered by a member of the U.S. Air Force. There will be no obligation to enlist in any branch of the armed services if a student wishes to take this test. It will help him plan his curriculum and decide on a career.

The sophomores will take the Differential Aptitude Test which provides reliable information to help the student make plans for his educational and vocational goals.

The freshmen will write the Stanford Test of Academic Skills which measures the student's achievement in the basic skills of English, reading, and mathematics.

Father Brinker and the Guidance Dept. recently released statistics on the Class of 1975. They show that 83% of the June graduates are now enrolled in college. Another 8% are engaged in full time employment, 3% enlisted in the armed forces, with the remaining 6% in either a trade school or undecided.

### St. Paul sponsors tour of Oak Park

St. Paul Federal, in conjunction with the Oak Park Tour Center, will offer to its customers on Saturday, Oct. 18, a tour of selected architecturally significant buildings in the community of Oak Park.

Leaving St. Paul Federal, 6700 West North Avenue, Chicago, at 9:30 a.m., the bus will travel to the Farson-Mills House. The structure now houses the Museum Room of the Historical Society of Oak Park and River Forest with memorabilia of Ernest Hemingway, a native son of Oak Park.

From here, you will cross the street to Unity Temple and tour its interior. Built by the famed Frank Lloyd Wright in 1906, it was declared a U.S. National Landmark in 1971.

After a leisurely and enjoyable lunch at Unity Parish House, you will again board the bus for a

guided tour of the National Historic District in Oak Park. After touring the interior of a privately owned Wright-designed residence, the guided bus tour will continue through the Historic District, past a number of buildings in River Forest designed by the famed architect.

You will then arrive at the Wright home and studio and tour its interior. After a pleasant walk past seven other Wright structures, you will once again board the bus to return to St. Paul Federal's North Avenue office around 3 p.m. The cost, including lunch, is \$10 per person.

Call St. Paul Federal (622-5000, Ext. 375) to make reservations with Joanne Moore, by October 3.

Reserve your place to view this "living museum" for architectural history in your own backyard.

### OCC women's meeting

"Women returning to school," a student organization at Oakton Community College, will hold its monthly evening meeting on Thursday, Oct. 9, at 7:30 p.m. in Building 3, Room 343.

Featured speaker will be Marcia Kaplan, noted Chicago-area woman sculptor, who will show her "sculpture communication" pieces.

Ms. Kaplan, a woman who returned to school herself after having her family, invites women to actively participate in sharing her sculptures since they are expressions of her womanhood and other phases of her life. Her actual artistry in progress will be reviewed in a slide presentation.

Mary Cavanaugh, President of Women Returning to School, invites all community women to attend this meeting. Information on classes and women's programs at Oakton will be available to interested women.

## The Many Faces of Women

... a dramatic presentation ...

by Karol Verson and Amy Greenwood

This is a challenging program of readings about historical and fictional women. Chosen for their humor or dramatic appeal, these selections trace the development of women's attitudes about themselves, their rights, their needs

and their relationship to men from the past to the present.

Karol Verson and Amy Greenwood are local actresses who have been active in community theater. They follow this stimulating forty minute program with an open discussion.

"The Many Faces of Women" is an entertaining session—one which is both enjoyable and thought-provoking.

For further information, call Karol Verson at 966-4720.

### Lox Box sale

A gastronomic treat is in store for recipients of the Box 'O' Lox that will be delivered Sunday, Oct. 12, by the Sisterhood of Maine Township Jewish Congregation.

The Box will contain such Sunday morning delicacies as Lox, cream cheese, one dozen bagels, a jar of herring plus vegetables and orange juice. The Sisterhood has gift cards available for anyone desiring to send a Box 'O' Lox to a friend or relative. Deliveries will be made throughout the North/Northwest Suburban area and into Chicago. For additional information phone Cecelia Sterling at 297-2006.

### Maine Mom's meeting and fashion show

The first meeting of the year for the Maine East Mothers' Club will be held Wednesday, Oct. 8 at 7:30 p.m. in the Maine East student cafeteria. This will be a general meeting and fashion show.

The latest fall fashions provided by Lee's Boutique in Park Ridge.

All Maine East mothers are invited to attend and visit with old and new friends.

Refreshments will be served at the conclusion of the evening's program.

### Discussion on Health Quackery

Health Quackery is as old as mankind. The first quack may have been the serpent in the Garden of Eden. "Eat of the fruit of the Tree of Knowledge," he said, "and you will be smart." It didn't work and quackery hasn't changed in principle since then.

Quacks are still promising great things, and producing nothing except - all too often - sickness and suffering and death.

The Niles Homemaker Unit will learn more about Health Quackery at their next meeting, to be held on Wed., Oct. 8, at 10 a.m. in Niles Community Church, 7401 Oakton.

### Homemakers Fair

The Niles Unit will attend and take part in the annual county Homemakers Fair to be held on Oct. 7 at the First United Methodist Church, 100 W. Cossitt ave., LaGrange, Ill.

### MG Bicentennial Commission plans program

The Morton Grove Bicentennial Commission has arranged a program of events to extend from January 4 to July 4, 1976. Included are the Memorial Day-Bicentennial Parade, the En-

campment Weekend, and the July 4 Celebration. The Commission has proposed a budget totaling \$14,000 to cover these events. Approximately 20%

of this amount has been obtained. The Board of Trustees of the Village was unable to include the Bicentennial Commission in the 1975-76 Village Budget.

Therefore one or more of the events may be in jeopardy unless funding can be arranged. The Bicentennial Commission has been and is continuing to contact local business firms, civic organizations and individuals to obtain the funds to carry out these programs. Many contributions have been received. However, unless everyone supports the Commission all events cannot be carried out.

If additional information is needed contact Ralph Hintz, chairman, Morton Grove Bicentennial Commission, 6223 Dempster or at telephone number 965-3090.

### Flynn urges support to over ride state aid veto

Thomas Flynn, a Trustee of the Oakton Community College, today issued a public statement supporting an over ride of Gov. Walker's veto of state aid to education. His statement follows: "Three years ago you, the citizens of Niles and Maine Townships, elected me to represent you on the OCC Board of Trustees. You entrusted me with the responsibility to provide a decent public community college education for your children. You told me to provide the best education possible at a reasonable cost. You entrusted me and 5 other Trustees with your children and your money. You have nothing else so valuable except your good health. Today, I must report to you that we public

school officials are in deep trouble. We are not in a financial position to continue to offer quality education for your children. We must reduce the number of teachers we now have teaching. We must reduce adjunct educational personnel. We must reduce and even end some vital educational programs. We at OCC must and have raised your child's tuition, special fees and your real estate tax to its legal maximum. We have also reduced some academic and vocational education programs. Believe me, your primary and high school districts are now doing the same things and some much more. It matters not that Tom Flynn voted against every single monetary increase at OCC in the past three weeks. What matters is that the other Trustees and other school board members have and will continue to vote for these increases, and rightfully so. I am sure that no school official wants to do what we have been doing but without your support we must and will continue to raise the local cost of education.

"The fact of the matter is that you will spend over \$500 each year for your child's tuition, special fees, books and school supplies at OCC. You will also pay over \$600 in real estate taxes to support your primary and high school districts. The indirect costs of sending your child to any level of our educational districts will cost you another \$1,200 to \$1,800 each year. You are now being asked to supply the vast majority of the cost of education at the local level. This is grossly unfair.

"The 1969 State Income Tax was passed with the full and uncontroverted reason to provide more state aid to education. The Democratic and Republican leaders promised us to lower local real estate taxes for education and to provide at least 50% of the cost of education in Illinois. Just look at your tax bills to see how much your real estate taxes have been reduced. The answer is nothing. However, there is a way to force the politicians in Illinois to keep their word. You can demand that they vote to over ride the discriminatory vetoes of state aid to education. You can tell them that you demand that our State Income Tax be used for education as it was promised. All you have to do is sit down and take five or ten minutes and write that one letter to your State Senator or Representative. I urge you to send your letters to Thomas Flynn, Trustee, OCC, 7900 N. Nagle, Morton Grove, Illinois 60053. I will personally insure that your letters will be delivered to each and every State Senator, Representative and Gov. Walker that represents Niles and Maine Townships. Please do this for your children."

## Work your money. Harder.

Inflation has made it necessary for everyone to attempt to maximize the value for each and every dollar. Naturally, funds available for saving or investment should be worked to the fullest. And at First Federal Savings, we help you work your money, harder.

We bring up the point, because at First Federal Savings, your money works harder for you. In fact, it works every day. Our daily interest means your savings are compounded each day. And, on passbook accounts every deposit made before the tenth of each month, earns from the first of that month if on deposit at the end of the calendar quarter. And, every deposit earns from the date of deposit to the date of withdrawal on all accounts. And, all of it earns at the absolute top interest rate.

Today it is more important than ever to make sure that all your funds are always earning the maximum return. And today it is important that savers understand that different accounts should be maintained for different purposes.

Certain funds belong in a readily accessible passbook account. Others can be put aside for longer periods earning higher than passbook rates. We urge you to check over 6 different plans we offer—perhaps two or three meet your savings and investment needs.

**5 1/4%** annually, passbook account, compounded daily. Add or withdraw any amount at any time. All funds earn from the day of deposit to the day of withdrawal. Yields 5.39%.

**5 3/4%** annually, 3 months certificate, compounded daily. \$100 minimum, automatically renewable. Yields 6.00%.

**6 1/2%** annually, 1-year certificate, compounded daily. \$1,000 minimum, automatically renewable. Yields 6.81%.

**6 3/4%** annually, 2 1/2-year certificate, compounded daily. \$1,000 minimum, automatically renewable. Yields 7.08%.

**7 1/4%** annually, 6-year certificate, compounded daily. \$1,000 minimum, automatically renewable. Yields 8.17%.

**6 1/2%** annually, 2-year certificate, compounded daily. \$1,000 minimum, automatically renewable. Yields 6.81%.

**7 1/2%** annually, 4-year certificate, compounded daily. \$1,000 minimum, automatically renewable. Yields 7.9%.

A substantial interest penalty is required for early withdrawal from certificate accounts. Monthly interest checks are available on deposits of \$5,000 or more.

"I hope my daughter picked up my social Security check and deposited it for me!"

"Haven't you heard about Direct Deposit at the First National Bank of Niles?"

"NO! How does that work?"

"Well—you just notify the government that you want your check sent to the Bank and each month it is automatically deposited for you!"

"Not only that, but at the First National Bank of Niles I get No Charge Checking with no minimum balance, Free Checks, Free Money Orders, and Traveler's Checks!!!"

\* Services Available to Senior Citizens.

- Direct deposit of your check has certain advantages. For example:**
- Even if you are away from home, your check would be deposited instead of sitting in your mailbox.
  - You don't have any problem in cashing your check because it goes directly into your account.
  - You don't have to stand in line to cash your check or to deposit it.
  - You don't have to worry about losing your check after you receive it or having it stolen from your mailbox.

### Pack 275 active during September

September has been a busy month for St. John Brebeuf cub scout pack 275. On September 14th, the boys attended the first scout mass of the year at 9:15 a.m. September 20th, the pack and their families took the train downtown and then went on the Wendella boat cruise of Chicago, down the Chicago River and on Lake Michigan.

Salerno-Megowan Biscuit Co. was toured by all the scouts on September 24th and 25th.

September 23rd, was pack night for all the cub scouts and their families and many awards were presented. The following adults received service pins. 10 year pin-Mr. John Breen, 5 year pin-Dorothy O'Neill, 3 year pin-Clara Weiss, 2 year pins-Marion Grendzinski, Nancy Parlich and Dorothy Mimp, 1 year pin-Leo Weiss.

The new Webelo leaders will be Mr. John Parlich, Mr. Steven Anderson and their assistants: Mr. Alexander Boscopomi and Mr. Jim Pierski. New den leaders are Mrs. Grace Balke and Mrs. Irene Orlowski.

Other awards presented at pack night were 2 Silver arrows to Tom Elenz, 1 Gold arrow to David Akinski and 1 Silver arrow to Bob Flynn.

### Mikva staff member at Niles post office

A representative of Congressman Abner J. Mikva's office will be in the Niles Post Office, 7727 Milwaukee Ave., from 9 a.m. to noon on Saturday, Oct. 4 to assist anyone who has problems or inquires concerning federal agencies.

"Far too often people come to the government with a legitimate problem and instead of being helped they come away frustrated by bureaucratic red tape," Mikva said.

"I cannot secure benefits people are not qualified to receive, but I can find out what benefits they should be receiving and can make sure they are treated fairly and expeditiously," Mikva added.

Mikva said that to encourage more people to take advantage of

his office's ombudsman services, a staff member will be making such visits to Tenth District communities throughout the year. In post office visits so far, more than 300 people took advantage of this opportunity to seek assistance.

"If someone wants to meet with the staff member but cannot make it to the post office, they should call, write or visit any of my district offices at their convenience," Mikva said.

The Congressman's district offices are at 4016 Church St., Skokie, 676-1350; Des Plaines Civic Center, Room 402, 1420 Miner St., Des Plaines, 297-0515; and in the Federal Building, Room 3983, 230 S. Dearborn St., Chicago, 353-7942.

### Teen Center rocks to 'Episode'

The Center, at 8060 Oakton, in Niles, is kicking off its Fall '75 program by presenting Episode in Concert Saturday, Oct. 4, from 8 till 11 p.m. Tickets at the door will be \$1 but free tickets may be picked up at the Center prior to the concert. Episode, a top rock group on the local club circuit, will play for listening or dancing pleasure.

A special drawing will be held before the last set, at which time four lucky teens will receive sets of top rock concert tickets from Ticketron.

It is also expected that free records will be given away and a dance contest with cash prizes will be held.

Over 500 students from Notre Dame, Maine East, Marillac and Niles North are expected to turn out for this big event.

### The Center plans hayride for teens

Many teens have never had the opportunity to ride a mule-pulled hay wagon. To rectify this situation, the Center at 8060 Oakton, has announced plans for its annual hayride, Saturday, Oct. 18. Teens will gather at the Center for pickup at 6:30. The youths will then be taken to Prince Crossing Stables in suburban West Chicago where they will be served refreshments and dance to Disco-Sounds at the Crossing Clubhouse. At 9 o'clock participants will board the hay wagon for a thrilling late-night ride through the darkened countryside.

Tickets are \$2.50 each and available in advance at the Center. While many couples have already purchased tickets, groups of singles are also welcome. Only fifty tickets are still available, so it will be a first-come, first-serve event.

### Woman hospitalized in car crash

A Skokie woman was injured on Friday in a two-car collision at Milwaukee and Crain st. in Niles. Taken to Lutheran General Hospital with hip and head injuries was Irene Severson, 24, of 4855 Elm st. in Skokie.

According to police the Severson car was northbound on Milwaukee ave. when she was confronted by an Oldsmobile driven by Eleni Paoulos of Niles who was eastbound crossing Milwaukee ave., making a left turn.

The driver of the Oldsmobile stated that the traffic in both lanes were stopped due to a traffic backup. She started to make a left turn she said when she was struck by the Severson car.

Miss Paoulos was ticketed for failure to yield when turning left and is scheduled for court date Oct. 16 said police.

### District 67 open house

The first few minutes of the traditional parents' night will be given to explanation of the reasons the November 15th rate referendum issue is so critical. A School Board Member will explain why the school programs are in jeopardy and answer questions.

The audience is not limited to parents of school children. All residents are invited to question the Board's position, and to become familiar with the financial crisis facing the district schools.

The meeting at Golf Elementary is arranged on Wednesday, October 2nd at 7:30 p.m. The Hynes meeting is set for Thursday, October 2nd at 7:45 p.m.

Golf Jr. High will play host on Wednesday, October 8th at 7:30 p.m.

The Open Houses will be one way everyone in the school community can learn more about the school operation. Voters will hear pros and cons of the referendum issue.

### Girl Scouts to entertain dads at Niles Saints game

Girl Scouts of all age levels from the Northwest Cook County Council area will be admitted free of charge with a ticket-buying adult when the Niles Saints play the Bloom Township Broncos on Oct. 4. Shown at Notre Dame Stadium in Niles, the scene of the upcoming game, are:

Girls, (l-r) front row: Dawn Brimmer, Chris Bok, Noel Swanson, Laura Brandt, Tammy Brimmer, Marni Meyerson, Shari Cherny; Second row:

A Girl Scout father-daughter evening will take place at Notre Dame Stadium on Saturday, Oct. 4 when the Niles Saints play the Bloom Township Broncos.

All Girl Scouts of any age level from the Northwest Cook County Council area, as well as other children under 12 in the party will be admitted free of charge when accompanied by a paying adult. Admission for adults is \$2.00.

Beverly Chiapetta, Dawn Gaffney, Diana Amend, Alice Chiapetta, Karen Rudin, Laura Bok, Kara Meyerson, and Michelle Bernstein. Most are from troops in Niles Service Unit #668.

Niles Saints (l-r) Front row: Ralph Fahey (79), Walt Theil (69), Tony Pickas (78), Toby Meyers (71) and Keith Bauman (25). Second row: Bob Gloppe (27), John Gruber (42), and Phil De Wald (14).

"We thought it would be nice if we could offer an event which Girl Scout fathers could attend with their daughters," said Barbara Meyerson, the Niles Service Unit Chairman who has planned the evening, "but of course mothers are welcome as well."

The Niles Saints, a semi-pro football team, were the 1973 Chicagoland football champions. This is the first of their five home games at Notre Dame Stadium, located at 7655 Dempster St., Niles. The kickoff is at 8:00 sharp, a 7:30 arrival is recommended, and free parking is available.

The Ridge Royal Color Guard, a Park Ridge Senior Girl Scout Troop, will perform at half-time. "It would help to identify Girl Scouts if they wear their uniforms or their sashes," Mrs. Meyerson noted.

There are more than 16,000 registered Scouts in the Northwest Cook Council area which includes Morton Grove, Park Ridge, Skokie/Lincolnwood, Des Plaines, Elk Grove Village, Palatine, Schaumburg, Hanover Park, Wheeling and Mt. Prospect and all towns in between.

### Troop 45 holds Court of Awards

Boy Scout Troop 45 sponsored by Oak School held their Court of Awards on September 24 at 7:30 p.m., against the backdrop of Beck Lake in the Forest Preserves.

The program started with three canoes, each bearing a lighted torch, approaching the shores of Beck Lake where Troop 45 and their parents were assembled for the Court of Awards. The Scouts recited the Scout Law, Oath and the Outdoor Code which the torches signified.

The awards were presented with John Gibson attaining Tenderfoot rank. Camping merit badges were awarded to Ray Foley, John Groch, Jeff Werfel, Michael Mickow, Glenn Olson, Tom Foley, Paul August and Carl Steinke. Rowing merit badges were received by Glenn Olson, Tom Foley, Paul August and Carl Steinke. Michael Mickow received Citizenship in the Community; Joey Walters and Mike Moore, Swimming; Paul August, Sports; and Lee Newlan, Personal Fitness. Skill awards earned by Jeff Werfel, Jim Passarelli and Glenn Olson were Family Living, Communications, Environment and Community Living. Donald August, First Aid, Swimming and Life Saving; John Gibson, Citizenship; Joey Walters, Citizenship and Swimming and Mike Moore, Citizenship and Swimming.

Mike Moore did the mile swim while up at summer camp. Tom Foley, Paul August and Glenn Olson got recognition for being Scout lifeguards. Jim Passarelli, Ray Foley and Glenn Olson received the Paul Bunyon award, an award given for chopping down a tree with an ax.

Mark Steinke was elected Senior Patrol Leader and Bob Pisani was made assistant. Paul August

and Tom Foley will now be wearing the Explorer uniform. Doug Olson, the only scout holding Eagle rank in Troop 45, was made Junior Assistant Scoutmaster. Glenn Olson was made Troop scribe for the coming year.

Troop 45 spent two weeks in summer camp at Camp Namekagon in Wisconsin. The past weekend the Scouts were fossil hunting at Rainbow Scout Camp in Morris, Illinois.

### LaLeche league

The Skokie Valley Chapter of La Leche League sponsors a continuous series of lectures dealing with "The Art of Breastfeeding Babies". The lecture for the month of October is "Advantages of Breastfeeding". Mrs. Shelley Mayer of Skokie is the scheduled speaker.

This lecture is scheduled for Thursday, Oct. 2, at 8:30 p.m. at the home of Mrs. George Koustogiannakis in Skokie.

Expectant mothers, nursing mothers, babies, toddlers and interested professionals are invited to attend.

Please call Mrs. Morton Igelman at OR 5-4358 for information.

### Openings for bridge players

Improving your bridge game requires practice and good supervision. The Mayer Kaplan JCC, 5050 W. Church Street, Skokie, offers you both. On Monday afternoons from 1 to 3 bridge players come together to benefit from the supervised play, discussion, and analysis offered by experienced instructor, Beverly Levin.

Openings are still available for this adult program. Contact the Adult Services Department at the "J" for information about fees and registration, 675-2200, ext. 224.

# HUMAN VALUES: THRIFT AND THE ACHIEVEMENT OF GOALS

## "The way we see it, saving at Talman helps us get more out of life."

"The other evening while Lee and I were paying some bills and looking over our financial situation in general it occurred to me that we've been pretty lucky. We've had a good life and enjoyed many things together. And I think it's because we've always saved for what we want."

"Many years ago we started a savings account at Talman to save for a down payment on a home. We have our home. Then when our family came along we saved for the education of our children. The last one graduated this year. We saved for emergency needs too, and we've never run short. And another thing we've done is to regularly put aside a little for us to do the things we like to do together—like travel."

"Next to owning our own home and the security and health of our family, we have always rated travel as a high priority in our life. Maybe one of the reasons we got married in the first place and get along so well is that we both have always liked to go. In the 24 years that Lee and I have been together, we've been to almost every state in the Union and to Mexico and Canada too. And one of these days we want to go to Europe."

"We're not rich, it's just that travel is what we like to do. Often a trip means giving up something else. Some people save for new furniture, a new car, a summer home or whatever makes them happy. We save for travel."

"Actually, saving in advance for our trips has been the surest way to enjoy them. Lee and I plan ahead where we want to go, how much we want to

spend, and try to take advantage of excursion fares or off-season specials. THEN WE PAY CASH. Nothing spoils the memory of a nice trip like having to pay for it long after it's over."

"To make sure we have the cash for our trips we make regular deposits into a Talman savings account. This is not only convenient but it's profitable because interest added to the account makes our money grow and helps us reach our travel goals faster."

"Sometimes our friends call us 'Scotch' or 'Bohemian' because of how we save for trips. But when they see us taking off they quit their kidding."

### TALMAN AGREES.

We realize that there are many reasons why people save, and that often the nature of one's savings goals changes with age and experience. Home ownership, education, retirement, and the financial ability to cope with emergencies are primary savings goals for most people. But saving for those things that make life more enjoyable—like travel, a home appliance, or a hobby—can be equally as important.

For over 53 years we have counseled people and helped set up systematic savings plans to fit their particular financial situation and personal goals. And through the years we have seen Talman savers reach these goals and enjoy the satisfaction and advantages of having the funds to make some of their dreams come true.

At Talman, we have always supported and encouraged savings by providing a safe place for people to save—all accounts are insured and further secured by our large reserves and experienced management; a profitable place to save—Talman pays the highest interest rates allowed by law; and a convenient place to save—in addition to our home office, we now have three full service branches and are planning more.

Whatever your individual goals for a more secure and enjoyable life, whatever your dreams for the future, Talman can help you achieve them.

## FNBOS donates parking lot buffers

Richard J. Tobin, Vice President and Controller, and Archel M. Hansen, Assistant Vice President of the First National Bank of Skokie, look on as Village of Skokie employees accept the gift of cement parking lot buffers being removed from the Bank parking lot at Louise and Babb avenues.

The Village will use these buffers in their municipal parking lots. The Bank parking lot is being revamped to become a 24 hour Drive-in "Auto Teller" where bank customers who have a "SAM"

card will be able to handle many banking chores, including obtaining actual cash; from the privacy and convenience of their automobiles.

This "AutoTeller", one of the first in the country, gives customers access to their bank accounts anytime of the day or night, and should save customers time and aggravation in many banking transactions. The "AutoTeller" is scheduled to open for full operation later this year.

### Star club members

Five area agents have qualified as members of the 1975 Star Club of New York Life Insurance Company.

They are Henry Zev, CLU, Lincolnwood; Walter A. Gutmann, Niles; Jerry Ménezes, Park Ridge; and Herbert Shyman and Alan Winter, both of Skokie.

The Star Club is composed of the New York Life agents who achieved significant sales records in 1974-75, according to North Central Regional Vice President John T. DeBardeleben, CLU.

### Schorr elected Officer, Asst. Cashier at

#### 1st Nat'l. of Morton Grove

Burton K. Schorr has been elected an officer and assistant cashier of the First National Bank of Morton Grove, announced president Marvin von Aswege.

The election took place at the bank's Sept. 18 board of directors meeting.

Schorr joined the bank last May as operational supervisor. Prior to that he was a management trainee at Pioneer Trust and Savings Bank and a sergeant in the U.S. Army.

A resident of Streamwood, he graduated from Culver-Stockton College and attended the American Institute of Banking.

## First National Bank elects two new directors

Richard W. Sievert and John C. Felten have been elected to serve on the board of directors for the First National Bank of Des Plaines, announced Arthur R. Weiss, president of the bank.

Sievert currently is president and member of the board of directors for two Chicago area construction firms: The Sievert Corporation and Total Mechanical Systems. A mechanical contracting firm, The Sievert Corporation has had 58 years of experience in

industrial, commercial and site development. Total Mechanical Systems, a consulting engineering company, specializes in design, engineering and construction management for industrial, commercial and environmental projects.

A member of the Mechanical Contractors' Association, Sievert resides in Arlington Heights with his wife and their three children. He is also a member of the Arlington Heights Methodist Church and Medinah Country Club.

Felten is currently executive vice president and director of Evans Products Company, as well as president of its Transportation Systems and Industrial Group. He is also president of the U.S. Railway Mfg. Co., an Evans subsidiary in Des Plaines. Evans Products Company is a leading retailer of building materials and manufacturer of precast homes, specialty metal products, railroad freight cars and truck trailers.

Felten is a director of the American Railway Car Institute, Railway Supply Institute, and a member of the board of governors of the Railway Progress Institute. Felten resides in Long Grove with his wife and their two children.

## Superblock is underway... Plan fall opening of 10 story First National Bank building

Ground was broken September 24th for the prestigious ten-story First National Bank Building at the corner of Lee and Prairie Streets in Des Plaines. The 180,759 sq. ft. project is expected to be completed by next fall.

Occupying the first three floors including the lower-level, the First National Bank will be the prime tenant. The rest of the building, 161,241 sq. ft., will be rentable area on a combined single-tenant and multi-tenant basis.

Erickson and Stevens, Inc. of Des Plaines, designed the unique First National Bank Building which will be located at 701 Lee Street. J. R. Gottlieb and Co., is the developer and management and leasing agent. The building will be constructed by Metropolitan Co., of Chicago.

The ten-story and basement structure will be built of precast concrete panels and solar glass with aluminum trim in a modern cantilever design from the third floor. The building will include four automatic elevators and two sets of stairways. The entrance to the building lobby will be from the west side on Lee Street. The structure has been designed to take advantage of the available downtown land, and to assure maximum visibility and prominence from nearby highways and tollways.

The first floor of the bank building will occupy 12,960 gross square feet. The lobby, enclosed by eight glass doors, opens out onto a ten foot wide concrete sidewalk running along the north, south and west sides of the building. The sidewalk and entrance will be several steps above street level. The center core will include the four elevators. The second floor will occupy 12,960 gross square feet, and each floor from the third through the tenth will contain 17,296 gross square feet. All include a center core with four elevators.

There is an abundance of nearby parking for bank customers with more than 2,500 spaces in the Des Plaines central business district. In addition the city will construct a four-story parking deck at the southeast corner of Lee and Ellinwood Streets, approximately 180 feet north of the bank building. The deck will contain about 400 additional spaces, of which about 300 will be leased to the bank building. Since the First National Bank of Des Plaines is providing their own customer and employee parking in a nearby lot, there will be substantial parking facilities for the remaining offices in the building (one space per 355 sq. ft.).

## Installation of officers of North Suburban Bar Association

New officers of the North Suburban Bar Association will be installed on Thursday, Oct. 2, 1975, at the Association's Annual Dinner to be held at the Fireside Inn of Morton Grove, 9101 Waukegan Road, Morton Grove, Illinois.

## First Federal of Des Plaines announces 3 month certificates

First Federal Savings of Des Plaines has announced that they now offer a three month Certificate of Deposit earning interest at 5 1/2% annually. The minimum deposit to open this Certificate is \$100. If interest is left in the Certificate to compound, it will produce an annual yield of 6.00%. Other Certificates are offered by First Federal Savings for a minimum deposit of \$1,000 for terms of from one year to six years and earning interest from 6 1/2% to 7 3/4% annually. All Certificates earn daily interest.

As provided by Federal regulations, a substantial interest penalty is provided for early withdrawal before maturity date of all Certificate accounts.

"This Certificate will give the saver an opportunity to earn at a higher rate of interest than our ever-popular 5 1/4% passbook account, provided that the saver can leave the Certificate account with us for at least three months," according to John A. Eagleson, President of First Federal Savings of Des Plaines.

**Ringling Bros. and Barnum & Bailey Circus**

Tickets are now on sale for the red, white and blue spangled spectacular Bicentennial Edition of Ringling Bros. and Barnum & Bailey Circus, which comes to Chicago's International Amphitheatre Thursday, Oct. 2, for 51 performances thru Monday, Oct. 27.

The 1975 Edition of The Greatest Show on Earth will present such highlights as the world's most acclaimed animal trainer Gunter Gebel-Williams; highwire artist Philippe Petit, the young Frenchman who stunned the world with his recent walk between the twin towers of New York's World Trade Center, 1350 feet above the street; 10-year-old wizard-on-wheels Barry Lappy of England, the world's youngest acrobatic cyclist; the Flying Farfans, whose trapeze family include 10-year-old Gino Farfan, youngest trapeze artist in Circus history; plus dozens of captivating clowns, stunning showgirls, ponderous pachyderms, treacherous tigers, and much, much more!

Tickets for the Circus are \$4, \$5, \$6, and \$7, with \$1.50 off for

children under 12 for performances Monday thru Thursday, Friday matinee, and Saturday morning. All tickets include admission to the Circus menagerie one hour before show time.

Circus tickets are on sale now at all Ticketron locations, including Sears, Wards, Flipside Record stores and Third Ring Record stores, Ticket Central at 308 North Michigan Avenue, and at the International Amphitheatre Box Office, 4300 South Halsted St. Tickets are also available by mail by writing to Ringling Bros. and Barnum & Bailey Circus, International Amphitheatre, 4300 South Halsted St., Chicago, Ill., along with a check or money order and a self-addressed stamped envelope.

The Bicentennial Edition of Ringling Bros. and Barnum & Bailey Circus will present five lavishly beautiful production spectacles honoring America's colorful history.

In one of the "specs", called "Circus Spirit of '76", 53 lucky children selected at random from the audience are invited to actually participate in the Circus. The show opens with "Stars and Stripes Salute", a red, white

and blue jamboree featuring all 500 performers and animals, setting the stage for the three-ring magic to come.

"Supersonic Countdown" is the Circus' aerial salute to America's future, featuring 26 lovely "space starlets" performing the aerial ballet high above the arena floor.

The glittering Goldrush is honored Circus-style with "Elephant Roundup" starring Gunter Gebel-Williams and his peerless pack of performing pachyderms.

The Greatest Show on Earth is produced by Irvin and Kenneth Feld and is staged and directed by Richard Barstow, with a \$1 million wardrobe designed by Don Foote.

 No beef about Honsue Beef

What's Honsue Beef? It's a Chinese dish of diced beef dipped in batter and deep fried and served with a savory special sauce. Crisp bean sprouts, pea pods, celery, green pepper and onion give suburb added flavor to this tasty creation.

You can try this taste-delight any Tuesday during the month of October at the FIRESIDE INN OF MORTON GROVE. This is another weekly offering created by their executive chef, Masaaki Takahashi. This Honsue Beef is a complete dinner and includes FIRESIDE'S hot bread, soup or juice, super salad bar and beverage yet the price is ONLY \$3.50. This Honsue Beef Dinner will be served every Tuesday night during the month of October from 5 p.m. until 10:30 p.m. Reservations are suggested - just phone the FIRESIDE INN OF MORTON GROVE-963-9600. Believe me, you'll have no beef about this delicious, wonderful complete dinner of Honsue Beef...m-m-m, but it's good.

Last week we made a "boo-boo" in our ad for the BEAM'N BARREL RESTAURANT, 7136 Milwaukee Ave. Niles when two Spaghetti dinners were offered for the price of one. It should have read, "Two Spaghetti or Mostaccioli dinners for the price of one, Tues. Wed. & Thurs. ONLY."

So you have your choice of Spaghetti or Mostaccioli dinners for the price of one but only on Tues. Wed. or Thurs. until further notice.

And the popular BEAM'N BARREL still features a complete Lobster dinner for ONLY \$6.95 in addition to their regular menu of BBQ Ribs, Seafoods, Chicken or Steaks plus wonderful sandwiches and late snacks. The BEAM'N BARREL is open 6 days a week at 4 p.m. Closed Mondays.

That great Gourmet and popular man about town, Bill Keeney of KEENEY ALUMINUM PRODUCTS, 7136 Milwaukee Ave. told me that if the Tuesday October special of Honsue Beef is as good as the Chicken Takahashi (last month's Tuesday night special) at the FIRESIDE INN RESTAURANT OF MORTON GROVE, he won't miss a Tues. night during October. Bill, whose KEENEY ALUMINUM PRODUCTS have been supplying quality storm doors, siding, gutters and awnings for over 20 years, is a great food-fan and he seeks out different and exotic cuisine. I'm sure he'll really enjoy the Oct. special at FIRESIDE INN OF MORTON GROVE of Honsue Beef...why don't you give it a try next Tuesday?

LORD BYRON'S Family Restaurant, 5916 N. Lincoln Ave., Morton Grove is offering three different suggestions, Mon. Tues. Wed. & Thurs. nights which include soup, vegetable and coffee for ONLY \$2.50.

Next week Mon. thru Thurs. you can have your choice of three different delicious supper entrees which include soup or juice, vegetables and coffee for the very modest price of \$2.50. (See their ad in this issue, and section). LORD BYRON'S is open 7 days a week for breakfast, lunch and dinner. You can also have beer or wine with your meals. LORD BYRON'S is located just half a block east of Austin.

JAKE of JAKE'S Restaurant of Niles told me his Bicentennial promotion was one his most successful, and he is planning some new ones in the near future. Jake has recently replaced all of his water glasses with big red ones which he used during the Bicentennial deal and he had also replaced all of his other china and dishes. Jake stays on top of things like this and that's why you never get a chipped or cracked cup, dish or platter at JAKE'S RESTAURANT. Jake's says, "if he takes care of his customer's needs, they'll take care of his." Judging from JAKE'S great success in this area, he must know what he's talking about. Some new things are coming from Jake's soon...

Some of the cast of "Cat On A Hot Tin Roof", currently starring Sandy Dennis dropped in for some of Benny Hue's great Cantonese foods which he serves daily at his PALACE RESTAURANT, 9236-N. Waukegan Rd. Morton Grove, and word is, they enjoyed their Chinese dinners immensely. It seems that actors and entertainers are very partial to Cantonese foods which many times they order "carryout" and eat it back stage. At PALACE RESTAURANT you can eat in, or carryout...their phone number is 966-2231 if you care to phone ahead they'll have your order ready for you.

With the cold winter days coming you can keep warm and comfy with a Lady Peppercorn Blanket which you can get at BIG SAVINGS from the FIRST NATIONAL BANK, Corner Lee & Prairie, Des Plaines. Available in a beautiful twin or double size this Lady Peppercorn blanket is offered to you at a huge money-savings price by depositing \$250 or more or add that amount to your existing account. (see their full page ad on page 5 of this issue.) It's a very timely item.

SUNSET TRAVEL, 7030 Golf Rd. (in Golfview Shopping Plaza) Morton Grove has just about every kind of vacation and travel plan to fit your needs and purse. This highly professional company is skilled in planning just the kind of fall and winter vacation or travel plan that will please you. And there's no charge for their fine services...just phone Tony, 967-5670 for info.

**New October dinner specialty at Fireside Inn**

Ah, tis so, another splendid weekly offering at The Fireside Inn of Morton Grove, especially created by executive chef Masaaki Takahashi.

In the continuing policy of a "little-money" dining delight every Tuesday, The Fireside Inn is serving Honsue Beef during the month of October. The complete dinner price is just \$3.50 plus tax and tip!

Honsue Beef is a Chinese dish of diced beef dipped in batter and deep fried and served with a special oriental sauce. Crisp bean sprouts, pea pods, celery, green pepper, and onion give superb, added flavor to this tasty creation.

The diner will again have a choice of juice or soup to start. The Fireside's popular hot bread, super salad bar, and beverage are all included.

Dinner is served from 5 p.m. to 10:30 p.m. and reservations are suggested.

**JCC benefit concert committee**

Marvin J. Robinson, 900 Pine Tree Lane, Winnetka, has been named by the Jewish Community Centers of Chicago as chairman of the city-wide area sponsoring committee for the Tuesday evening, Dec. 16, performance at the Civic Opera House at 8:15 p.m. of pianist Byron Janis with the Milwaukee Symphony Orchestra, conducted by Kenneth Schemmerhorn.

Proceeds from this "one performance only" benefit will help provide scholarship assistance for the many activities of the JCC conducted in nine centers and departments, covering the city and suburbs, as well as Camp Chi, at Lake Delton, Wisconsin. In all these locations, a wide variety of programs are offered for pre-schoolers, youths, adults and senior adults.

The 1975 Benefit Committee members include: Leonard Frumm of 9448 Lawler, Skokie 60076; Mark Goldstein of 8934 N. National, Morton Grove 60053; Norman Bercon of 4931 Lunt, Skokie 60076; Robert L. Hagg of 9047 Tamaroa, Skokie 60076; and Allen S. Lavin of 9243 Long, Skokie 60076.

## Oakton Artists' Workshops open to public

The "Artists' Workshop" at Oakton Community College is a series of three mini-classes each semester which provide participants with the opportunity to experience various methods of creative expression.

The workshops, held each Tuesday and Thursday from 11 a.m. to 12:15 p.m. in Building 3, Room 308, are open to the public, as well as to Oakton students. Participants are not required to have any previous artistic skills or experience, according to Richard Storing, associate professor of humanities, who has organized the series.

September 30-October 28, "Painting and Sculpture," conducted by Chicago sculptor Marcia Kaplan. This entire workshop will be conducted as an

extended session in free-form self-expression through the use of such media as temperas, pastels, construction paper, and face, body, and finger paints. Ms. Kaplan will demonstrate that such exercises are a form of self-exploration as well as a method of communicating with other people.

November 4-December 4, "Folk Music" with Chicago song writer and folksinger Ginni Clemmens. Ms. Clemmens will explore the creative processes involved in making music, demonstrating how ordinary experience contributes to personal and creative growth.

For further information on one or all of the Artists' Workshop modules, contact Storing at 967-5120, ext. 244 or 385.

## Plan Citizens Party Dinner Dance

Lovely Jean Norman, songstress extraordinary and proprietor of the Red Garter, one of Chicagoland's top night clubs, is shown above with Citizens Party President Ed Wilander, dance chairman Peter Vivieros and Lonny Horowitz, Fireside Inn manager preparing for the October 4 Citizens Party dinner dance. The black tie affair will feature Miss Norman as vocalist with the Leo Provost Orchestra. "Miss Norman will be well remembered for her outstanding performances at the Martha's Vineyard nights last year," Vivieros said. Top prize will be a weekend trip for two to Las Vegas, with a ten speed bike, golf clubs and a host of other prizes to be given away. Reservations can be made through Vivieros at Y05-4954 or Wilander at 965-0384.

### Your A Good Man, Charlie Brown

You're gonna just love the Maine East Thespian production of *You're A Good Man, Charlie Brown*. Performances are Oct. 3 at 4 p.m. and Oct. 4 at 8 p.m. in the Maine East auditorium.

The cast of six is headed by Tom Hansen playing Charlie Brown. You'll also see Rick Baldochi, Mickey Conner, Barb Ross, Sheri Zager, and Randy Stefanovic in Maine East's *You're A Good Man, Charlie Brown*.

## District 207...

Continued from Page 1  
There has been a substantial cut in the amount of tax dollars we can expect," Markworth said. "The school district stands to lose \$336,370 in Educational Fund tax monies because of the lowering of the multiplier from 1.4813 to 1.4453. Even though the assessed valuation base for the district increased \$6,701,902, the continued lowering of the multiplier decreased the equalized assessed valuation by \$10,705,646 - resulting in considerably less tax revenue coming to the district."

These restrictions on available tax dollars for education are reflected in the estimated expenditures budgeted for the school year. In keeping with the district's "pay as you go" policy, proposed expenditures have been kept in balance with curtailed revenues. In spite of a sharp increase in the cost of all areas of school operation, the budget adopted Monday night sets the cost of operating the district's four high schools at just \$1,440,000 more than last year's budget, a 5.4% increase.

As adopted the Educational Fund budgeted expenditures are estimated to be \$20,290,290, an increase of \$1,479,490 over last year. \$920,000 has been budgeted for heating and utilities, \$135,000 more than the amount spent in 1974-75 for these services. The increase reflects the rate in-

## VIP night...

Continued from MG P.1

Several of the talented women members are hard to work planning table centerpieces as well as exciting door prizes.

Gather together a group of friends-business or social or both-and come out and join us for another gala evening. You will enjoy fine food, an elegant atmosphere, danceable music, and most of all good comradship. And who knows, you may be one of the lucky door prize winners!

**FREE SPECIAL** - Any couple or individual attending VIP Night will receive a 3 and 1/2 inch x 5 and 1/2 inch colored photo of themselves with the compliments of Len Zajac of Zajac Candid Photos.

For ticket reservations, call the Chamber office (965-0330) or any Board member.

icare Care will suffice. At half-time, in addition to the usual marching band performance, a drawing will be held for a portable television set which some lucky senior citizen will win. The Boosters are aiming their efforts this year to the community at large, in an effort to get them interested and to support all the athletic programs at Niles West. They have also underwritten the cost for wind screen at the schools outdoor tennis courts.

Increases recently approved for Northern Illinois Gas Company and Commonwealth Edison Company.

Educational Fund maintenance costs are estimated to be \$17,000 higher than last year's budget because of increased costs in contractual services; and an estimated \$112,500 increase in fixed charges in the Educational Fund is due mainly to increased hospitalization premiums, rental of equipment (data processing), and other fixed charges.

The Operations, Building and Maintenance Fund budget is down \$198,595, due mainly to a drop in the amount needed for capital outlay. Maintenance costs for the four high schools are up \$184,500, and custodial salary expenses, which also come out of this fund, have increased 6.7%.

The other tax supported fund budgets include: Bond and Interest Fund - \$3,247,061; Transportation - \$225,200; Illinois Municipal Retirement Fund - \$805,000; Special Education Construction Fund - \$494,160; and Fire Prevention and Safety Purposes Fund - \$620,000.

Other funds listed in the budget but which are not tax supported are the Site and Construction Fund - \$3,153,530, and Working Cash Fund, budgeted at \$225,000.

ter, 1975, at the Board meeting of Sept. 9.

Oakton's budget difficulties have been compounded by a number of factors this year. Apportionment funding per student credit hour from the state for this fiscal year is projected at \$18 or less instead of 18.12 received by state community colleges in 1974-75. Anticipated local tax revenue is also down by about \$225,000 because of the state's change in the tax multiplier.

Inflation has also inevitably increased costs for instructional salaries, fuel, and other expenses. Average class sizes have been increased at Oakton about 10 per cent and planned expenditures for contractual services, general materials and supplies and travel have been reduced in order to keep costs down.

## Yearbook sales

Maine East underclassmen who missed having their yearbook photographs taken will have a second chance. Make-up photographs are scheduled on Friday, Oct. 3, for the underclassmen. Also, if students missed ordering a yearbook, sales will take place Monday, Oct. 20, thru Thursday, Oct. 23, in the student cafeteria during all lunch periods. The price for the 1975-76 Lens is \$6.

## From the LEFT HAND

Continued from Page 1

Last week when we went to pay our bill at a local restaurant, the owner just shelled out \$40 to the Illinois Police Chief's Association. When I asked the owner what he received for his money he said, "I don't know."

This should be called to the attention of the Fraud Division in Niles. Some guy who likely works on an exorbitant commission asks the store owner to contribute to such an association. Because the owner wants to stay on good terms with everyone, he reluctantly parts with 40 hard-earned dollars rather than worry whether or not he may offend such a group or person. Since the Niles police chief walked out right before this guy collected his money, the whole action reeked of Niles of bygone days.

Why should a guy who puts in 12 to 15 hours daily to build up a business have to drop \$40 to anyone? By our standards this kind of action is sheer extortion. It's our feeling the restaurant owner should get back the money pronto. And it's our feeling receiving such "donations" is in violation of Niles solicitation laws.

Last year we received a telephone call from a guy seeking funds for some "police association". When he said Niles was connected with it I told him I would check with Niles' police. If they weren't a part of the group I'd call the state's attorney. Two minutes later the supervisor of the group called back and said the solicitor had erred, and the association had no local affiliation.

These solicitations are generally conducted by a high-commissioned outfit which reaps tremendous profits. Often the association is a phony. Generally the association will give a 5 or 10 per cent donation to a charity which they believe makes them credible. The phony outfit then pockets the rest.

We're not writing Niles police chief was a part of the \$40 drop last week. But we are writing the Chief likely knew what was taking place and he should see the guy's money is refunded.

Nobody objects to Niles police and firemen soliciting money for their dances. But an outright taking \$40 from a local merchant is crummy. And especially by an "association" whose legitimacy to collect money is suspect.

We're not trying to embarrass the merchant who would prefer to forget the money. But we just happened to pay our bill when his "donation" was being made and it reeked with taking advantage of a legitimate worker by an illegitimate one.

Give the money back ... or open your books and let's see where the money goes!

Prior to the September 23 School District 63 board meeting, about 200 pickets marched in front of the Apollo School. They were teachers calling attention to what they called the lack of progress in negotiations with the school board.

Since this is being written several days before publication it is possible more recent news will be forthcoming regarding the impasse.

Most of the pickets' signs were aimed at the administration with Superintendent Gogo taking the brunt of the barbs. One sign told the board, "Don't be a Rubber Stamp". In an obvious reference to dictatorship from the top another sign read, "King George Is Alive And Well In District 63".

Taking off on another tack, one sign holder was carrying the message, "Administration Building - A Monument to Declining Enrollment". Still other signs zeroed in on the superintendent: "Gogo \$40,000, Hannon \$50,000, Teachers \$8,734, Lowest In Area"; "Gogo Pulls The Strings"; "Go Gogo".

Since many of you gals who pay for the schools also are looking for lunch space for your wunderkind you should know lunchroom supervision in 6 schools will cost \$8,400. Supervisors receive an extra \$600 for this work. At last week's meeting 10 teachers were approved for receiving \$600 at Gemini School alone. At other schools serving lunch at least one supervisor at each school will also receive the \$600 stipend.

## banks ... Cont'd from Niles-E.Maine P.1

The commissioners were all in their field; she said, "we already have more enough banks and shopping here - they just generate traffic for the village." Planning Comm. Ken Cohen said that the board recognized responsibilities ... "but we been advised that if petitioners meet all necessary requirements we (comrs.) must file the petition." Zoning depts, he said, are always based on the highest and best use of the land. "we try to enforce as gently as we can with village ordinance."

The Zoning Board September approved a Special Use variation for construction of a Flags Bank building and a drive-up facility to be located on the Jewel-Osco in the Flags Shopping Center at Golf rd. Construction is not expected for another 18 months to 2 years said the bank attorney Sandor, which is the length of time it will take to obtain State Charter.

Zoning Board decision had been delayed from Aug. 27 for a long opinion on priorities of zoning variation or State Charter. Approval by Village Attorney Richard Troy in favor of the bank petitioners' need of a site address as required for State Charter prompted zoning commissioners to approve the Special Use variation for the Bank, predicated on fulfillment of all requirements of the petition.

The two-level bank building will have six drive-in facilities plus a walk-up teller with stacking lanes for 6 cars for each window. The autonomous independent community bank is intended "to serve smaller merchants who find a smaller bank more convenient" and the needs of shoppers in the shopping center.

In other action the Zoning Board approved a Special Use variation for construction of an Evanston Federal Savings & Loan branch building with 2 drive-in windows on the Treasury site, 8500 Golf rd.

Temporarily located in Niles at 3509 Milwaukee ave. the Savings & Loan whose home office is located at 801 Davis st. in Evanston plans to occupy a one-story building 65 ft. by 85 ft. on a slab located northwest on the Treasury site.

The Treasury (owned by J. C. Penney) leases its site from owner Florence Vinci and has subleased area sites to the savings and loan and to a Steak and Ale restaurant which plant to open to the south of the bank property-lease.

A Special Use variation for a Pizza Hut at 8999 Milwaukee ave. (northwest corner of Memorial property) was also approved by zoning commissioners

during the Wednesday night Open Hearing. The 36 ft. by 73 ft. building is a companion building to the Pizza Hut presently located at 6959 Dempster. Petitioning attorney Steven Katz told commissioners that of all the Pizza Huts constructed in the U.S. the one in Niles has been the most successful. "We reached our potential of growth on the first day we opened in Niles," he said.

The Board vote ended in a tie with President John Frick breaking the tie with a negative vote.

Approval of the variation said Commissioners would set a precedent in violation of the village ordinance which denies construction on property line.

At the same time commissioners recommended the case be reviewed before village trustees on the basis that the porch construction already exists and because the neighbor does not object to the projected enclosure.

Zoning commissioners Wednesday night approved a variation

to Golf Mill State Bank for erection of a sign increased in size from 30 ft. to 45 ft. on the east (parking lot) side of the building on the basis that the sign will not exceed the height of the bank building nor will it overhang nor protrude nor be offensive to anyone.

In final action by the Zoning Board, commissioners denied petition by Juergen Gruettner of 8235 N. Osceola for a sideyard variation to enclose an existing attached porch to his home.

## District 207...

"There has been a substantial cut in the amount of tax dollars we can expect," Markworth said. "The school district stands to lose \$336,370 in Educational Fund tax monies because of the lowering of the multiplier from 1.4813 to 1.4453. Even though the district increased \$6,701,902, the continued lowering of the multiplier decreased the equalized assessed valuation by \$10,705,646 - resulting in considerably less tax revenue coming to the district."

These restrictions on available tax dollars for education are reflected in the estimated expenditures budgeted for the school year. In keeping with the district's "pay as you go" policy, proposed expenditures have been kept in balance with curtailed revenues. In spite of a sharp increase in the cost of all areas of school operation, the budget adopted Monday night sets the cost of operating the district's four high schools at just \$1,440,000 more than last year's budget, a 5.4% increase.

As adopted the Educational Fund budgeted expenditures are estimated to be \$20,290,290, an increase of \$1,479,490 over last year. \$920,000 has been budgeted for heating and utilities, \$135,000 more than the amount spent in 1974-75 for these services. The increase reflects the rate in-

creases recently approved for Northern Illinois Gas Company and Commonwealth Edison Company.

Educational Fund maintenance costs are estimated to be \$17,000 higher than last year's budget because of increased costs in contractual services; and an estimated \$112,500 increase in fixed charges in the Educational Fund is due mainly to increased hospitalization premiums, rental of equipment (data processing), and other fixed charges.

The Operations, Building and Maintenance Fund budget is down \$198,595, due mainly to a drop in the amount needed for capital outlay. Maintenance costs for the four high schools are up \$184,500, and custodial salary expenses, which also come out of this fund, have increased 6.7%.

The other tax supported fund budgets include: Bond and Interest Fund - \$3,247,061; Transportation - \$225,200; Illinois Municipal Retirement Fund - \$805,000; Special Education Construction Fund - \$494,160; and Fire Prevention and Safety Purposes Fund - \$620,000.

Other funds listed in the budget but which are not tax supported are the Site and Construction Fund - \$3,153,530, and Working Cash Fund, budgeted at \$225,000.

hoped the commissioners were all specialists in their field, she said, because "we already have more than enough banks and shopping areas here - they just generate more traffic for the village."

Zoning decisions, he said, are always based on the highest and best use of the land altho "we try to enforce as stringently as we can with amended-village ordinance."

The Zoning Board September 24 approved a Special Use variation for construction of a Four-Flags Bank building and drive-up facility to be located north of the Jewel-Osco in the Four Flags Shopping Center at 8199 Golf rd. A Special Use variation for a Pizza Hut at 8999 Milwaukee ave. (northwest corner of Memco-leased property) was also approved by zoning commissioners

during the Wednesday night Open Hearing.

The 36 ft. by 73 ft. building is a companion building to the Pizza Hut presently located at 6959 Dempster. Petitioning attorney Steven Katz told commissioners that of all the Pizza Huts constructed in the U.S. the one in Niles has been the most successful. "We reached our potential of growth on the first day we opened in Niles," he said.

The Special Use approval was predicated on petitioners' granting several requests from nearby residents: construction of a sidewalk along Ballard rd.; water drainage to tie into the Milwaukee ave. sewer and that the existing west Memco exit on Ballard rd. be used in place of an additional exit which would create traffic dangers.

The southeast corner of Ballard and Milwaukee had previously been approved by the zoning board for construction of a carwash but strong objections from neighboring residents prompted a withdrawal by the petitioner.

Zoning commissioners Wednesday night approved a variation

to Golf Mill State Bank for erection of a sign increased in size from 30 ft. to 45 ft. on the east (parking lot) side of the building on the basis that the sign will not exceed the height of the bank building nor will it overhang nor protrude nor be offensive to anyone.

In final action by the Zoning Board, commissioners denied petition by Juergen Gruettner of 8235 N. Osceola for a sideyard variation to enclose an existing attached porch to his home.

The Board vote ended in a tie with President John Frick breaking the tie with a negative vote. Approval of the variation said Commissioners would set a precedent in violation of the village ordinance which denies construction on property line.

At the same time commissioners recommended the case be reviewed before village trustees on the basis that the porch construction already exists and because the neighbor does not object to the projected enclosure.
