\$28,000 Niles Days profits given to groups

[by Alice M. Bobula]

The Niles Days Committee Monday night distributed \$27,868.50 to 14 Niles organizations, resulting from profits gained from the annual Niles Festival Days held last July at the Four Flags Shopping Center.

The Monday night distribution represented 99% of the Committee-recommended \$28,150 net profit allocation projected by the Committee last April. Increasing requests to the Days Committee for monies over the years had reached a record high of \$35,000 in February and since both Niles Days co-chairmen Ed Brasch and Ben Mankowsky could not foresee the probability of the Festival realizing a profit this size, the Committee had recommended a cutback in the amount of the requests.

The Days Committee, a representative group of Niles organizations, raises funds thru an annual 5-day festival, distributing the net proceeds purportedly to benefit village residents.

Of the total \$65,607.27 gross proceeds from the '75 Festival, a net profit had been realized of \$22,552.47. This, together with a \$5,432.64 carry-over from last year resulted in excess funds of \$27,985.11. Monday night's distribution left a \$116.61 balance carryover to next year.

Receiving monies this year were the Women's Auxiliary of the Niles Police Dept. for self insurance, \$1,980; All-American Seniors Club for busing costs, \$990; Northwest Italian American Society for bringing Christmas to

the retarded in Lake Zurich, \$1,782; Senior Citizens Club of Niles for busing costs, \$990; Cub/Boy Scouts of Niles for equipment, \$2,277; Niles Police-men's Benevolent Association for life insurance, physical and mental health programs, \$1,980; Niles Fire Dept. for purchase of color guard equipment, \$990; Niles Jaycees for Bicentennial Keystone Cop costumes, \$247.50; the Grandmothers Club for bus trips, \$990.

Also, held in escrow for proof of completion: the Niles Baseball League for insurance, \$2,277; Niles Historical & Art Society for cabinets to hold historical artifacts, \$6,435; Chamber of Commerce for an outdoor Community Bulletin Board at the Administration Building, \$4,950; and the Niles Saints Football Club for a 1974 deficit, \$990.

Of last year's (1974) \$73,845 gross receipts from the Festival Days, \$25,730 had been disbursed to 9 local organizations requesting monies from \$100 to \$12,500. The decrease in receipts and net profits this year, said co-chairman Brasch, was due to the present economy and to overall increased carnival costs of food, rides and refreshments.

A first-time award this year of \$3,250 in cash prizes over the five nights of the carnival as compared to the customary Grand Award of a car has prompted the Committee to reconsider the car for next year, said Brasch, "after receiving numerous inquiries for

New curfew law reduces violation age to 17

The 1975 Illinois Legislative Session produced an amendment to the existing Curfew Law which reduces the age for curfew violation from 18 to 17 years of age. According to Captain William P. Burt, State Police Commander for Districts 3 and 4, Cook County, two laws dealing with restrictions placed upon youth being in public places after certain hours were amended.

The State Statute as it is now written says: It is unlawful for a person less than 17 years of age to be present at or upon any public assembly, building, place, street or highway at the following times unless accompanied and supervised by a parent, legal guardian or other responsible companion at least 18 years of age approved by a parent or legal guardian or unless engaged in a business or

The tax rate for the district is expected to be established at 2.410, based on an estimated assessed valuation for the district of \$860,000,000. The Board also passed a resolution concerning a tax levy of 5 cents per \$100 of assessed valuation that was included in the Certificate of Levy, establishing that the levy be for the purpose of raising funds to make such

Niles Township Olympic Committee Concert

The Niles Township Olympic Committee swung into high gear this week preparing for the huge Oct. 19 fund raising concert to help pay expenses for local athletes who are competing for places on the United States Olympic team.

"The show tickets for Dave Major and the Minors are now being distributed, according to chairman Ronald C. Henrici, former Niles athletic great, and currently a Morton Grove Village Trustee, and it looks like all 1,500 will be sold before the show date."

The program received more good news this week with the announcement that our brilliant champion gymnast Bart Conner has qualified for the Pan American games.

"This is the first big event in this effort to help defray expenses for room, meals and travel for the

seven athletes; Bart Conner, Bruce Conner, Tim Glass, Celeste and Denise Chlapaty, Neil Sher and Howard Labow, representing Morton Grove, Niles, Skokie, Lincolnwood and Golf." Henrici commented, "and we are all working hard to make it a success."

Committee members include Henrici, Ed Miller, Martin Tater, Bud Trapp, Sam Berger, F. Hossfeld, Don Singer, Tom Jordan, C. N. Anderson, Bob Casey, Jim Swanson, Leo Provost, Scotties and Ralph Bast, Carl Gubitz, Kathy Arns, John Burkel, Bill Kearney, Neil King, Frank Folkers, Earl Numrich, Hal Conner, Ed Kaufman, and the parents of the athletes.

Tickets can be purchased from committee members, the schools, the Township, Village Halls, and newspaper offices.

Barbara Ann King wins top honors

Mrs. Thomas King (the former Barbara Ann Scott), riding King's Regal Lady, a dapple-grey Saddlebred mare boarded at Northwestern Stables, Morton Grove, won the High-Point English Pleasure honors for the show season at the Somers Saddle Club, Kenosha, Wisconsin. Mrs. King and Lady attended the four horse shows held at Somers Saddle Club this summer, winning blue ribbons at every show. The accumulation of points from these blue ribbons was the highest of any competitor of the season, leading to the High-Point

Championship for Mrs. King and Lady. Mrs. King's horse, King's Regal Tipper, who died earlier this year, won this award for 3 consecutive years at Somers.

The presentation of the High-Point Championship will take place at the Somers Saddle Club Banquet on Oct. 18. At the banquet, Mrs. King and her husband will present an annual traveling trophy for Sportsmanship in memoriam for Tipper.

Homecoming football game

(by Glenn Kletka)

It was a beautiful afternoon for Homecoming and football as the Niles West Indians, with upset in their eyes, took the field against the fourteenth rated Maine East Demons at the Maine East stadium. It was Homecoming for East, and a jam-packed crowd was on hand Saturday, Sept. 27.

The Indians struck first as fullback Pete Dordick took it over on a 13-yard carry, with 1:50 left in the first stanza. The two point conversion was no good. And that's how the first quarter ended, 6-0, Niles West.

The Indians run the wishbone-t, triple option offense, and the outside game was going all day. So they went outside, as quarterback Gary Hajduk pitched to speedster Bill Fouty, and Fouty romped to a 39 yard touchdown. Dordick went over for the two points, and with 9:22 left in the first half Niles West led 14-0. Maine's offense looked completely flat, and things were not looking up. Jay Baum wasn't hitting his passes, Sam Rea couldn't do anything on the ground, and the defense wasn't containing the Indians outside game. The half ended with Niles West leading 14-0.

As Niles West took the field for the second half, they had to be aware of the fact that a week earlier they were leading defending state champion Glenbrook North 14-0 and ended up losing the game.

Early in the third Jay Baum picked off another pass and took it 30 yards to the Indian 6, and at 9:51 of the third Baum took it over on a keeper. Doug Cerny converted and East was right back in it, 14-7. The Demons defense, sparked by the score, caused a fumble and Jim Tashjan picked it up and went all the way for the apparent touchdown. However, one of the Demons was detected

Maine East Demon quarterback Jay Baum (No. 11) unloads a second quarter pass despite pressure from a Niles West defender, Sam Rea of the Demon varsity (No. 43) looks on. The Demons lost the Saturday, Sept. 27, Homecoming contest by a score of 14-7.

for facemasking, and the touchdown was called back. The Indians couldn't mount an attack, and punted. They traded punts a couple of times, and then Baum hit tight end Craig Franklin for a big 38 yard gainer, and with 2:50 left in the third Maine had the ball on the Indian five. A couple of running plays ran down the clock to 2:00. Since the Demons couldn't get it in on the ground, Baum went to the air and was picked off in the end zone by Mitch Harris for a touchdown. The Demons' inability to push the ball in from close range is what led to their downfall. The third quarter ended 14-7, Indians.

Neither team could do much in the fourth until Baum hit Tom Gavlin on a crucial third down play with 3:15 left in regulation play. The Demons then went on a drive that brought them to the Indian 5 with less than a minute left. It was first and goal, and with a touchdown and a two-point conversion, the Demons would

pull it out. Sam Donatucci took the ball to the two. So the Demons had the ball on the Indians two-yard line, second down, and time running out. Baum, on the next play, rolled to his right and was sacked back at the ten. He then tried a running play, that produced nothing. They had fourth down, with no chance for a first down, and ten yards to go. Baum dropped back and hit John Rupke at the three. He took it to the one but couldn't get in. The Indians took over, ran the remaining seconds out, and held on to upset Maine East 14-7.

Maybe being named the "team of the week" is the kiss of death, as just the week before the sophomores won again 13-6 with Tom Bradley coming up with a great game at quarterback. The frosh A and B both won.

Next week the Demons go to Maine West to take on the Warriors at their homecoming.

Local student excels in Soccer

Following Lake Forest's 1-0 soccer victory over highly touted Trinity College, David Weisbecker was chosen as LFC's player of the week.

Weisbecker, who played his high school soccer at Maine East, did an exceptional job at his fullback position. Head coach Ed Packer said, "The entire defense was outstanding, but Dave stood out as the best."

The defense enabled the Foresters to shut out Trinity and extend their winning streak to 6 games.

Dave is the son of Mr. and Mrs. George Weisbecker, 8719 Elm Drive, Des Plaines.

Maine North band to perform

The Maine North high school band under the direction of Mr. O.D. Premo has accepted an invitation from the Northwestern University to appear on its Nineteenth Annual High School Band Day on Oct. 11.

The band will join some 5,000 other teenage musicians who will travel from sixty Illinois high schools to present a spectacular and colorful halftime show during the intermission of the Northwestern University Indiana University football game in Dycbe Stadium before an anticipated crowd of more than 40,000 spectators.

Maine North's 22 member Pom Pon squad will also perform with the band.

Football team of the week

Maine East's varsity football squad was recognized as the Team of the Week at a senior assembly on Thursday, Sept. 25. 7-Up sponsors the Team of the Week activity thru WLS. Recipients of the award were Coach Al Eck, Principal John Clouser, and football co-captains Jay Baum and Bill Fox, both of Park Ridge. Pictured here is Jay Baum (l) presenting a Maine East cap to WLS disc jockey John Landecker (far right). Bill Fox then presented a Maine East cap to Mr. Picare, 7-Up representative.

Cartwright signs in Italy

Mark Cartwright, former all-Illinois and all-American basketball center at Niles West High School in Skokie, has signed a one-season contract with Duco Mestre of Venezia (province), Italy.

Cartwright, a 7' center at 225 pounds who played his collegiate basketball at Maryland and Bowling Green universities, is one of 10 American players in the Italian division. Others include John Garrett of Purdue, Joby Wright of Indiana, and Ron Kennedy of Arizona State.

Coach Augusto Curinga, who is in his first year as head coach, said he is counting heavily on Cartwright to bring Duco Mestre the league championship. In the exhibition season Cartwright had averaged 30 points a game.

Cartwright, 23, was graduated from Bowling Green State University in June as an art and design major. His brother, Brad, is on the Northwestern University basketball team. They are the sons of Mr. and Mrs. Howard E. Cartwright of Morton Grove.

NDHS freshman football coaches

Head Coach Bill Casey (l) is beginning his 17th year on the Notre Dame H.S. faculty. He is a graduate of the University of Notre Dame with a B.S. in Biology and came to NDHS in 1959. In addition to teaching a full schedule of biology classes, he began coaching the freshman football teams in 1962 and 1963, then was assigned the sophomore team in 1964. He was a varsity coach from 1965 to 1973. In the 1974 season he was sophomore coach again and they had a 5-3-0 season. He has also been the head swimming coach at NDHS since 1961. He is presently serving on the Executive Board of the Illinois Swimming Assn. and is chairman of the All-State Swim Committee. He obtained his M.A. from George Williams College in Downers Grove in 1973. He now teaches full time in the Phys. Ed. Dept.

John Schroeder (r) is a Notre Dame H.S. graduate of the Class of 1966. He obtained his B.A. in Business Administration and Economics from North Park College in 1970. He joined the Business Dept. at NDHS in 1970 and has also been coaching freshman and sophomore football for the last five years. He is the defensive coordinator for this year's frosh team. He has also been the frosh-soph hockey coach at NDHS for the last two seasons. His record for 1973-74 was 23-4-3 and for 1974-75 it was 29-11-4.

Northwestern riders perform at Arrowood Horse Show

Three riders and horses from Northwestern Stables in Morton Grove turned in great performances at the Arrowood Hunter Classic Horse Show in Alexandria, Minnesota. The show, classed as National "A" by the American Horse Show Association, was held Sept. 10-13 at the Arrowood Lodge Resort.

Judy Orbesen rode "Simone", a chestnut filly owned and trained by Jerry Farmer of Morton Grove, to win the Grand Champion Hunter High-Point honors. In order to become the Grand Champion Hunter of a horse show the winning horse must accumulate the highest number of points in its classes throughout the various divisions. Judy rode "Simone" to win the First Year Green Working Hunter Championship, with four blues in that division, and the Junior Working Hunter 15-17 Championship, with five blues in the five classes in that division! The Grand Champion Hunter High-Point trophy will be inscribed with Judy's and "Simone's" name and put on

display in the Arrowood Lodge lobby.

Wally Holly dominated the Regular Working Hunter Classic, winning the blue through fourth place ribbon! He rode Gary Feldmar's "Definitely" to win the blue, Jerry Holly's "Magic Trick" for the second, Feldmar's "Afterwhile" for the third place ribbon, and his own horse "Nairobi" for the fourth.

Kay Holt rode her mare "Popeye" to win two blue ribbons, one blue in Amateur Owner over Fences and the other blue in Second Year Green Working Hunters. Kay also placed second in the Amateur-Owner Working Hunter Classic on "Popeye".

Girls' swimming results

The girls' swim team at Maine East opened the season with a 113-50 win over sister school Maine North.

Maine East soccer results

(by Craig Garrigus)

The Demon soccer machine has begun to roll with two successive wins, over Waukegan East and Hinsdale Central. Both of these games went down to the wire with the Demons playing tough soccer.

In the Waukegan East game, there were 69 fouls committed and several yellow warning cards were issued.

The Demons started poorly, letting Waukegan score at 15:23 of the first quarter on a beautiful header by Guzman. The Demons were fooled on that goal because of the short width of the field and because the ball carried far out to the other side where Guzman stood alone. The Demons played like they didn't want to run. There was sloppy passing and trapping, all of which led to Waukegan scoring two more goals in the second quarter, making the score 3-0. The Demons finally scored with 2:24 left in the half, and it came on a penalty kick by Mike Tietz, who was tripped in the penalty area. At the half the Demons were in the hold, losing 3-1.

After a few words from Coach Bob Dolaske, the Demons seemed to be afire. They dominated play and were taking the attack to the Waukegan Bulldogs when at 8:34 of the third quarter Tietz performed his specialty, booting in a penalty kick to make the score

3-2. Then at 12:33 of the same quarter, Steve Holst banged one in after receiving a nice pass from John Castellano to make the score 3-3. The rest of the quarter saw the Demons pressuring the Bulldog goalie and thoroughly outplaying Waukegan. With the score tied 3-3, the Demons had the momentum and could sense victory. Their hopes for victory were given a shot in the arm when Jim Wattecamp's rifled in a shot with 9:55 left to play. This put the Demons ahead temporarily 4-3. The Bulldogs came back, though, to tie the score with 6:19 left to play. The game remained tied at 4-4 and the teams went to penalty kicks. The Demons were prepared for this occasion and immediately sent out their five selected shooters while the Bulldogs were completely unprepared. Coach Dolaske obviously had thought ahead. This proved to be the winning factor because only four Bulldogs only made their first one. Mark Lammersfeld, Castellano, Roland Weiss, and Tietz were the Demons who scored to win for Maine.

The next victim in the Demons' way was Hinsdale Central, and the Demons beat them 2-1.

The game was played at Maine East under the lights, and the Demons obviously were up for the first home game. The Demons

were playing at about 3/4 strength due to numerous injuries and sickness. Lammersfeld was out due to a virus and Paul Dudek filled in for him and played well. Craig Garrigus, Tietz, and Castellano all had injuries but still played. The Demons opened the scoring at 15:13 of the first quarter on a goal by Glen Corkill. He was assisted by Barry Grabelle. Hinsdale tied the score with 1:29 remaining in the first quarter. The score remained tied until the third quarter when Grabelle headed in a crossing pass from Luis Zubillago to make the score 2-1. The rest of the game saw Maine's offense passing and trapping beautifully. They were spreading the Hinsdale defense apart by crisp passing and got off several good shots. The defense played an outstanding game, led by Garrigus, who stopped several enemy attacks and shots, and Jim Pappas, who contained the wings all night long. Junior Paul Dudek and Joey Glickman also played tough defense.

The Demons' next game will be away against Niles West on Saturday, Sept. 27. The next home game will be Tuesday, Sept. 30, against Glenbrook N.

New law increases park boards to seven members

A bill to permit park districts to expand their boards of commissioners from five members to seven has been signed into law. House Bill 152 was sponsored in the State Senate by Sen. John J. Nimrod (R-4th). It had been introduced by Nimrod's 4th-district Republican colleague, the late Rep. Robert S. Juckett, before his death in February. Rep. Ronald K. Hoffman (R-6th-Westchester) handled the legislation in the House.

"This new law will make park boards more responsive," Nimrod said. "It will enable the boards of large park districts, such as those in the suburban area, to spread their workload more reasonably and to set up a meaningful committee system."

"I discussed this measure with representatives of most of the boards in this area while I was handling it in the Senate, and it received strong support from the park officials in the north suburbs."

"Five-member boards seldom function as well as they should in administering the multi-million-dollar operations in suburban park districts," he said. "All it takes it two members to be absent for major decisions to be made by

two of the remaining three members, and in many cases all commissioners are members of all committees."

"The seven-member boards will be comparable to school boards," Nimrod said.

Park districts may expand their boards either by resolution of the board or by referendum which they may be called by the petitioning of voters. If expansion is achieved by board resolution, however, only a petition-called referendum can later revert the board to five members.

"The permissive nature of the law will allow expansion in districts such as those in our area without forcing it on tiny districts downstate where a seven-member board would be cumbersome and unnecessary," Nimrod said.

Something NEW and NOVEL For All You POP and BEER Can Collectors

Pop and beer can collecting is sweeping the country. And it is becoming big business. Every day more and more beer and pop can collectors are joining the growing army who are now paying from \$1 to \$2 for empty beer and pop cans. A major brewing company is publishing and will soon distribute a new book called Collector's Series of beer cans to be sold in this market.

To meet this rapidly growing international collecting phenomenon Classic Products of Chicago has engineered and designed special plastic display panels. Each panel holds 40 cans and measures 2 ft. square. For example, a 36 sq. ft. area requires nine 2 ft. x 2 ft. panels to complete. A collection can be displayed in a definite color scheme, brand name, or even a checkerboard pattern. The paneling of cans to be displayed may be stapled or fastened to the walls or ceiling on any room in your home.

For example, you can decorate the play area of your children's room with a sparkling display of popular pop cans. Or you can by using these panels provide a unique display of your favorite beer cans as a background for your bar or home recreation room. By using single panels or multiples thereof limitless combinations of pop and beer can displays can be worked out for any room in your home. (See single panel of beer can display pictured below.)

Debbie Joseph models a single panel display which may be framed as desired and displayed individually. Note the plastic panel laying face up in the picture. These panels are formed plastic having contoured grooves and adhesive for each simple can assembly. Each panel holds 40 cans and measures 2 ft. square.

Bob Wiedrich, speaker at 10th District GOP women's meeting

The Woman's Republican Club of the 10th Congressional District of Illinois will have Bob Wiedrich as their guest speaker on Wednesday, Oct. 15, at 1 p.m. in Evanston.

Bob Wiedrich is a Chicago Tribune columnist whose beat is wide as the world and the people and events that give it life.

A twenty-five year veteran of the newspaper business, his columns range from commentary and essays to exposes of crime and official corruption and from national politics to reports of happenings in far-off places.

For nearly two decades prior to his appointment as a columnist, Wiedrich was a Tribune reporter, writer, editor, and special investigative writer.

Wiedrich's coverage of major stories include the Hodge financial state scandal of 1956; the 1967 trial of Richard Speck for the murders of eight Chicago student nurses, national political conventions and campaigns, the vote fraud probes of the 1960 national election, and virtually every major disaster in the Chicago area, ranging from plane crashes to school fires, and factory explosions.

His work on the crime syndicate over a ten-year period, both as a reporter and columnist, exposed the hoodlum loan shark racket, the infiltration of legitimate businesses by mobsters, and changes at the top command of the Mafia.

Wiedrich is a winner of the Tribune's Edward Scott Beck award. A product of the Chicago Public Schools, Wiedrich became a reporter for the City News Bureau of Chicago in 1948. He is co-author with Charles Siragusa of the Illinois Crime Investigating Commission, of "Trail of the Poppy", a book on the bloody narcotics wars of the Middle-East and North America.

Oakton's child care program

A special education option will be offered in the Child Care Services program at Oakton College beginning with the Spring 1976 semester, according to Coordinator Helene Block.

The special education teacher aide option will include two new courses. The first, "Special Education Teacher Aide Programming" (CHC 141), will be available for the spring term. The other, "Special Education Teacher Aide Techniques" (CHC 161) will be offered in the Fall of 1976.

In addition, individuals presently working as teacher aides who must complete 30 hours of college credit courses to maintain their positions can earn credit in their field with these courses, she pointed out.

The Special Education Teacher Aide Programming course will focus on the role of the aide in special education facilities. Students will investigate methods of pupil supervision and classroom management. It will also focus on various curricular models, day-to-day operational procedures & evaluative devices employed. The course will be offered as both a daytime and an evening course during the Spring term. One section will be on Monday, Wednesday, and Friday from 9:30-10:20 a.m.; the other Tuesday from 6:00-8:45 p.m.

Workshop for local publicity chairmen

A workshop for local area publicity chairmen will be conducted by members of the Maine Township Press Club, Saturday, Oct. 25 at 10 a.m., Rosemont Community Center, Scott and Granville, Rosemont.

How to Keep Your News Out of File 13 is the topic, and "it means just that," Mrs. Naomi Krone of the Niles Spector, president of the press club, said.

All publicity persons in Maine Township from civic, church, school and social organizations are invited. The work session is free.

"We will present only the simple rules, but the vital ones," Mrs. Krone said. "Many publi-

city releases do hit the waste basket -- it is to the advantage of the newspapers and the publicity chairmen to work together."

Chairing the panel will be Mrs. Krone. Working with her will be Ruth Trout of the Park Ridge Advocate, Robert Burns of the Des Plaines Suburban Times, Roberta Mellon of the Park Ridge Herald, Pat Clark of the Advocate and Alwynia Cashman of the Suburban Progress.

Members of the Maine press group represent the Des Plaines Publishing Co., Pickwick Publishing Co., The Bugle Newspapers, the Des Plaines Journal, Suburban Progress and professional public relations representatives from area hospitals, businesses and schools.

Interested persons may make reservations by calling Mrs. Cashman at 678-1700.

The center is located in Margaret Lange Memorial park. Directions include traveling south on Mannheim, left on Higgins to the first stop light, right on Scott and south about four blocks to Granville.

Whenever practical, use small, portable appliances, such as an electric skillet, bake oven or toaster, in place of larger appliances or your full-sized oven. It's more convenient, and will save energy, too.

Senior Citizens' NEWS AND VIEWS

NILES ALL AMERICAN SENIORS CLUB

Sept. 16th-47 of us started out on our long-awaited tour of Sara Lee in Deerfield (it's hard to get a date out there). Mrs. Shapiro was our guide and after donning hair nets and caps, we went 12 at a time to witness the making of Danish Coffee Cakes and Strawberry Cheese Cakes. We never thought we would ever see so much "dough" in our life. Rows upon rows of cakes in the making, and you can't believe the butter that goes into their products. To watch the cheese cakes was fascinating; the cheese on the bottom, an automatic machine dropping the right amount of strawberries and then the pans were sent shimmying over stretch of belt that evicted out all the berries, the frosting last and they were frozen on the spot to keep their freshness.

Did you know? ... that Sara Lee has four main plants; one in Deerfield, one in Iowa, one in Canada that ships all-over Europe, and one in Australia, and they have seven outlet stores all over the U.S. They have 576,000 sq. ft. in their baking facilities and office space, and they have milk, eggs, sugar, flour and butter delivered by the carload. Educational to see.

From there we went to Lambs Farm, had lunch in their wonderful dining room, and it is a joy to see the happiness on the faces of their charges when they meet people and have a chance to show how nice they can do their work. School buses bring up to 5,000 children here a month to see the Lambs Farm, the founders of the original pet shop, Robert Terese and Corinne Owen can be proud of the opportunity they have provided for retarded children here. We bought breads, cakes, cookies, etc. in their bake shop, gifts and naturally food to feed the animals. It's a wonderful place to visit.

Our last stop was at the St. Mary of the Lake Seminary in Mundelein, where Dan Cassidy was our guide through the church (where he answered all questions) and their museum. They have priceless paintings. We saw a life size picture of Cardinal Mundelein that was beautiful, and too many more to list, sculptures, 5 Mitres from different bishops, and many other treasures. Dan Cassidy told us he went to Niles College at Harlem and Touhy. He told us they have 14 buildings on the grounds and 160 students. They are the largest major seminary in the U.S. He was in his second year and a wonderful young man. After a tour thru the grounds, which are beautiful with their lake and all, we were on our way home. Thanks Skajg's for a really enjoyable day. Without you, I couldn't cram so much in. Happy weekend to all.

Pop and beer can displays now available

A new craze is sweeping the country. It's empty pop and beer can collecting. According to a recent article in the Chicago Tribune old beer cans are selling at various flea markets for from \$1 to \$2 apiece.

Some authorities say that beer and pop cans might some day become valuable collector's items. A major brewing company plans to distribute a book called Collector's Series of beer cans soon to be released in this area.

To meet this unusual but rapidly growing phenomenon, Classic Products, 5792 Lincoln Ave., Chicago, has developed special plastic display panels for pop and beer cans. These are formed plastic panels having contoured grooves and adhesive for the quick and easy placement

of each can. Each individual plastic panel holds 40 cans and measures 2 ft. square. And you can use multiples thereof for however much space you need to cover. For example, a 36 sq.-ft. area requires nine 2 ft. x 2 ft. panels to complete. The paneling of cans to be displayed may be stapled or fastened to the walls or ceiling of any room in your home.

Shown is Debbie Joseph modeling a single plastic panel display which may be framed as desired and displayed individually. See the plastic panel lying face up in the picture? Note each panel is formed with the aforementioned contoured grooves and special adhesive for simple can assembly. You could, if desired, for example, decorate the play area of your children's room with a

bright display of popular soda pop cans or the entire room if one wanted. Also shown is a variety of empty beer cans containing many popular name brands of beer which some collecting experts say might become very valuable some time in the future.

These plastic panels are now available at U-Do-It Products, 8012 Milwaukee, Niles; All Office Services, 4784 N. Elston, Chicago; Minelli Bros., 7780 Milwaukee Ave., Niles; and Edison Lumber, 6959 Milwaukee, Niles, or can be obtained from Classic Products Co., 5792 N. Lincoln, Chicago, telephone 478-1690. Very soon, according to a spokesman from Classic Products they will be on sale at most major retail outlets in Chicagoland.

A ghoulish tour for the stout hearted

Four Flags... With Halloween creeping up on us, the Ghosts are beginning to stir. For a chance to visit with the ghosts, Four Flags Shopping Center is sponsoring a four-hour tour led by Mr. Richard Crowe, well-known Ghost authority, to all of the spookiest, ghost-filled spots in the Cook County area.

Mr. Crowe, editor of Fate Magazine, one of the best known journals of the occult and supernatural phenomena in the United States heads the Chicago-Ghost Tours, and promises "an afternoon in the uncanny". You are guaranteed a most exciting, exhilarating experience.

What's most haunted in Chicago, according to Crowe? Well, to start off, the tour will include Bachelor's Grove Cemetery. A desolate, overgrown and abandoned burial ground that is full of weird events. There is a pale blue ghost light known to come out at night and move thru the swampy area onto higher grounds. Crowe has about one hundred independent reports of a full-sized ghost farmhouse being seen in the cemetery. The reports are always the same... a dwelling in the type built in the 1880's and witnesses all describe the three steps leading to the front porch and the porch swing.

Then there is the grave of Mary Alice Quinn at Holy Sepulchre Cemetery in Worth. "Mary Alice died in 1935 when she was 14. She apparently was a very saintly girl and a number of supernatural feats have been accredited to her." Mary Alice Quinn, "Chicago's Miracle Child" has always had the scent of flowers, especially roses, associated with her ghost. Crowe reports that about one third of the tourists indicate the strong scent of flowers at the site, even in mid-winter.

Also on the list is the St. Valentine's Day Massacre Site; St. Rita Church, where on All Souls Day in 1960 witnesses recall hearing the organ playing by itself and a muffled voice saying "Pray for Me!"; the Glowing Green man... seen heading west on Marquette rd. from Ashland ave. was a semi-transparent man with a greenish glow. These are only some of the interesting and bizarre stops on the tour.

The tour will leave Four Flags Shopping Center on Saturday, Oct. 18, at Noon and will return to the center at approximately 4:30. Registrations for the tours are now being accepted at any store in Four Flags Shopping Center. You are invited to submit your name, address, phone number and age on the registration forms available at the counters of any store in Four Flags Shopping Center. All persons under 18 years of age must be accompanied by an adult. All those selected for the tour will be contacted Wednesday, Oct. 15, immediately following selection.

Four Flags Shopping Center is located on Golf rd., just east of Milwaukee ave. in Niles.

Postal survey to determine customer needs

The Morton Grove Post Office is taking part in a postal survey to determine customer needs. Postmaster Louis G. Principali said today.

"Survey findings are expected to lead to shorter waiting lines and more conveniently located postal stations," he said.

Postal employees are asking every tenth customer: "What was your last stop before you came into the post office?" - and - "What is your next stop after you leave the post office?"

Customer purchases including stamps, money orders and registered letters will be tallied. Whether there are lines waiting for lobby services, and how large

alterations, repairs and reconstruction at the four Maine Township High Schools as are necessary to conform to the Building Specifications for Health and Safety in Public Schools, as promulgated by the Illinois Office of Education.

Because previous levies of 2 cents per \$100 of assessed valuation for Special Education Construction Fund requirements for District 207 will not produce all of the funds required to complete the facilities needed for the handicapped children of the district, the Board adopted a proposed resolution certifying the need for additional special education-building funds and authorizing application for a State Grant in accord with the Illinois School Code.

John Cardwell of Construction Management Associates reported that Maine North's \$6,500,000 building project is virtually completed. Many of the new facilities are now occupied; although full completion awaits delivery of such items as lockers, benches, cabinetry, etc. The swimming pool and auditorium will be completed sometime in November. All sitework should be completed by Oct. 15.

Change orders for work being done at Maine North and Maine South were approved, as were equipment and supply purchases amounting to \$24,850.38.

The bid of the Casualty Insurance Company for their High-Low Ratio Program was accepted for Workmen's Compensation Insurance effective Oct. 1 at a deposit premium of \$81,780.00.

Niles girl displays Bicentennial Spirit

Sharon Szymanski, 16, of Niles had her own idea on how to start the Bicentennial Spirit at her house. During the first week of August she painted her own version of the Bicentennial Flag on the family garage.

Believed to be one of the first residential Bicentennial decorations in Niles, Sharon is proud of her efforts and hopes that perhaps other Niles residents will follow her example.

Teens rock at Center

On Saturday, Nov. 1, The Center at 9060 Oakton will present the second of its school year rock concerts. The featured group will be Westfall, who played to 1,000 frenzied students at the Maine East pre-homecoming street dance. The band will start playing at 8 p.m. and dancing is encouraged. Cost of admission will be \$1 at the door.

On Saturday, Oct. 4, The Center presented its' first concert with EPISODE. The group drew a crowd estimated at over 500. At the concert four teens were the lucky winners of pairs of rock concert tickets for the stadium.

Plans have also been finalized for an all-city hayride to be held at Prince Crossing Stables in West Chicago on Friday, Oct. 17. Teens interested in attending the hayride will be picked up at 6:30 at the Center and taken to the hayride and then returned home before midnight. \$2.50 will be charged for the event to cover the cost of the ride. Interested teens should reserve a seat at The Center, 8060 Oakton.

LETTERS TO EDITOR

Maine East principal praises Bugle coverage

Dear Mr. Besser:
In reading the Sept. 25 issue of The Bugle, I was very pleased to note the large amount of space devoted to activities and information about Maine Township High School East. This issue reflects what happens in practically every issue of The Bugle—reports about our school. We greatly appreciate your interest in the school, and your willingness to inform our community about the activities of the school.
I want to thank you and the members of your staff for the coverage that you provide.
Sincerely yours,
John J. Clouser, Principal

Thank you

Dear Sir:
On behalf of the Selah Singers, I want to thank you for the excellent coverage you gave the Benefit Concert held at Immaculate Conception Church on Sept. 26.
Thanks to your support the evening was a great success and over \$400 was raised for each of the two charities, The Lutheran Day Nursery, and Immaculate Conception's Vietnamese Relief Fund.
Once again, thank you for your help in this venture.
Yours in Christ,
Rev. Steven L. Dornbusch
Assistant Pastor and Director of the Selah Singers

Niles Days...

Cont'd from Niles-E.Maine P.1

The Niles Days group is a little touchy about continuing Committee efforts after receiving criticism recently from village officials that the Festival Days was "getting too big to retain its original, local character."

Altho some of the village trustees choose to be non-committal about the Festival, Trustees Pete Pesole and Abe Selman have been outspoken against growing problems created by the increase to "just a big carnival."

"I'd rather see a community-oriented event such as the Oktoberfest," said Pesole, "where local residents could meet for cheer, fun and food."

Brasch, who with Mankowsky has donated much personal time and effort toward a successful Festival for several years, protested the critical slap on the wrist from the Village Board.

"I am deeply shocked to think that the village is thinking of withdrawing its support from the Festival Days," said Brasch, following the Monday night meeting. "It seems we (Committee) should get a vote of thanks for doing something for all of Niles, that we should be regarded as an asset to the village rather than be considered for re-evaluation by the Board of Trustees."

Without village help and co-operation, said Brasch, it would be difficult to hold Niles Days...

Even while criticism has been directed at the Days Committee, suggestions have been filtering thru the village atmosphere, of the Festival Days partially or completely funding Bicentennial expenses of the village next year.

It may solve the controversy -- at least for the year.

Lincolnwood Girls Softball holds 50's dance -

To start off the fall a big dance will be held at Todd Hall at 7:30 p.m. for teens and adults. Dance to the music of the Stormcrow.

Leader Bob Wiggins says he certainly is looking forward to the dance, and hopes we draw a large group. The monies will go to the Girls Softball program.

High Ridge YMCA Football Chargers -

With a great program going on at the High Ridge YMCA in the way of football from 10-15 years old starting with Pee-Wees up to Bantam Juniors, they start their season during the spring with classes and practice and then thru the summer up to the fall when school starts again. At this time they practice twice a week and have their games on Sundays.

The head coach Ralph Northfall has been in the Pop Warner League for 14 years of the 16 years it has been going. They have 22 coaches that are of high calibre and have attended many sessions of coaching clinics. Of these 22 coaches we have 6 to 8 that are policemen and 1 or 2 are

firemen. The equipment is the very best. The three boys playing for High Ridge YMCA are: Danny Kranz, who plays in the Pee-Wee League as defensive tackle; Jeff Brotman and Jack Boepple, who play defensive tackle in the Junior Bantam League. If you're interested next year in the Pop Warner Football League, contact Ralph Northfall at High Ridge YMCA on Touhy Avenue in Chicago.

with stamping, folding, stuffing and addressing. An untold number of hours have been donated by the Niles Seniors in an effort to assist with these worthwhile projects.

Recently the Niles Seniors worked with the Skokie Valley United Crusade folding literature and preparing it for mailing. Many Seniors were involved with this, some spending a couple of hours, some working daily for many hours until the work was completed. Nine thousand pieces of literature were involved in this latest mailing but with the assistance of so many efficient volunteers the project was completed in record time.

Curfew law... Cont'd from Niles-E.Maine P.1

occupation which the laws of this State authorize a person less than 17 years of age to perform:

1. Between 12:01 a.m. and 6 a.m. Saturday;
2. Between 12:01 a.m. and 6 a.m. Sunday; and
3. Between 11 p.m. on Sunday to Thursday, inclusive, and 6 a.m. on the following day.

This law which was originally passed in 1963 holds a parent, legal guardian or other person responsible for knowingly permitting youngsters to violate the law.

Captain Burt said, "The other section that was changed involves the drivers license of persons less than 17 years of age. According to this Section, drivers licenses issued to persons in violation of the Curfew Law are invalid for the operation of any motor vehicle during that time. Persons under 17, who violate curfew, would also be subject to arrest for no valid drivers license."

Fall programs for handicapped... Programs planned by the Maine-Niles Association of Recreation for the Handicapped are well underway this week. Handicapped residents from the Maine and Niles Townships are taking advantage of the many new and innovative programs being offered.

The Before School/After School Club, one of the new programs receiving much attention from participants this fall, is designed to supplement the development of children who are attending school for half a day. Children participating in the Before School Club are attending school in the afternoons. They are picked up at Laramie Center (Skokie) where the program is held in the morning, and are bussed to school. Children attending school in the morning will be bussed to Laramie Center for the After School Club. The program, meeting on Tuesdays, Wednesdays, and Thursdays, will offer activities in areas such as motor exploration, music, drama, sports, games, arts and crafts, and cooking.

An exciting new program this fall, the Saturday Recreation Club, will offer a complete and well-rounded recreation program for Physically Handicapped children. This program, meeting on Saturdays from 10:30 a.m. to 2 p.m. will offer children the opportunity to participate in arts and crafts, sports, games, music, and drama. In addition, children will be able to swim for an hour every Saturday in a therapeutic pool with the aid of a physical therapist, a Red Cross water safety instructor, and recreation therapists.

Teen Club and Young Adult Club will offer a variety of programs from a dinner party, to going out to the movies, to hearing a rock and roll band. Each week club members will have the opportunity to select their own activities. Both clubs are a great way to start the weekend. Other programs this fall are bowling, ice skating, swimming, guitar lessons, piano lessons, horseback riding, physical fitness, and many, many

the surrounding Towns and State Fire Officials as well as a representative from the Chicago Association of Commerce and Industry, the awarding organization.

"Initially the program was offered only to Niles residents as a service by the village in the fight against heart disease," said Hlavacek. "Now we don't turn anyone away."

Blood pressures are taken the third Thursday of every month at the Niles Administration Building, 7601 Milwaukee ave.

Should the blood pressure reading not fall within the normal limitations, according to the health director, the individual is advised to visit his family physician.

Check the tire pressure on your car regularly. Underinflated tires increase gas consumption.

Niles Days... Cont'd from Niles-E.Maine P.1

the car." The Niles Days group is a little touchy about continuing Committee efforts after receiving criticism recently from village officials that the Festival Days was "getting too big to retain its original, local character."

Altho some of the village trustees choose to be non-committal about the Festival, Trustees Pete Pesole and Abe Selman have been outspoken against growing problems created by the increase to "just a big carnival."

"I'd rather see a community-oriented event such as the Oktoberfest," said Pesole, "where local residents could meet for cheer, fun and food." Brash, who with Mankowsky has donated much personal time and effort toward a successful Festival for several years, protested the critical slap on the wrist from the Village Board.

"I am deeply shocked to think that the village is thinking of withdrawing its support from the Festival Days," said Brash, following the Monday night meeting. "It seems we (Committee) should get a vote of thanks for doing something for all of Niles, that we should be regarded as an asset to the village rather than be considered for re-evaluation by the Board of Trustees."

Without village help and cooperation, said Brash, it would be difficult to hold Niles Days ...

Seniors...

Cont'd from Niles-E.Maine P.1 with stamping, folding, stuffing and addressing. An untold number of hours have been donated by the Niles Seniors in an effort to assist with these worthwhile projects.

Recently the Niles Seniors worked with the Skokie Valley United Crusade folding literature and preparing it for mailing. Many Seniors were involved with this, some spending a couple of hours, some working daily for many hours until the work was completed. Nine thousand pieces of literature were involved in this latest mailing but with the assistance of so many efficient volunteers the project was completed in record time.

"We love our village," said the co-chairman, "and I'm sorry to hear that all of the trustees do not love Niles Days." Brash emphasized that village employees and "several" of the trustees "do not have the pride that I would expect them to have for their village."

At the same time the Committee protested the recent criticism, tentative plans were underway for the forthcoming Bicentennial Year. Unofficial permission has been tendered to hold the Festival again at Four Flags with projected Days set for July 21 thru 25.

Even while criticism has been directed at the Days Committee, suggestions have been filtering thru the village atmosphere, of the Festival Days partially or completely funding Bicentennial expenses of the village next year. It may solve the controversy -- at least for the year.
