Lutheran General to publish annual budgetary report

(By Bob Besser)
Lutheran General Hospital in Park Ridge will publish a budgetary report available to the public beginning in 1976, according to T. L. Jacobsen, Lutheran General Executive Vice President. Jacobsen's announcement came following an extensive BUGLE inquiry into Lutheran General's financial operation.

only hospital among the five area hospitals which does not publish a budgetary report for the public.

"We really haven't seen the need to do so," said Jacobsen, who also questioned the amount of money such a report would cost. "We just can't see wasting money like that." (Evanston Hospital issues an eight-page Xerox copied, typewritten budgetary report to the public annually.) As earlier reported in THE BUGLE, Lutheran General is the hospital, which has the highest room rates among area hospitals, also was listed in a Medicare cost report as making \$4.7 million in profits between June, 1972, and June, 1974. Commenting on this, Jacobsen said, "It is a complete error" that a not-for-profit hospital cannot make a profit. I

Investigate supermart banking in Niles

(By Alice M. Bobala)

The Niles Board of Trustees Tuesday night was given a look at security and fault features of new automatic machines which are being introduced into food stores for "self-service" banking. The machines can dispense up to \$20,000 in cash, take deposits or transfer funds.

Keith Eytcheson of Mosler Banking Equipment told trustees that the machines are being installed in Safeway Stores in Cincinnati, with no other physical protection "other than a safe and a good electronic alarm system". There are two types of ma-

Mid-month meanderings ...

The Huntington Senior Citizens building on Maryland Avenue was burglarized Oct. 9. A wall plaque, wall clocks and two TV sets were removed from the building.

According to residents there is no one on duty in the downstairs area after 10 p.m. Huntingtonites also contend light bulb wattage in the public areas have been reduced in an effort to conserve energy.

Certainly one of their own could be hired to man the building during the night hours. We've always believed Senior residents deserve all considerations and we hope Niles village fathers will take prompt action to correct these problems.

A Nordica Avenue resident, Pat Cox, dropped in Monday to alert us to a problem concerning School District 71 residents.

Pat met former Niles Chamber of Commerce President Al Green, who sent her in our direction concerning the possible transfer of District 71 residents from Niles West High School to Niles North. Pat said a meeting is being held tonight at Niles North High School and residents desiring to address the Board should sign the agenda to enable their expressions be heard. The elementary school board in District 71 has passed a resolution recommending local residents remain at nearby Niles West. But we join with Pat in suggesting you attend Thursday night's high school board meeting and make your feelings known.

A couple of miles north in School District 63 our old friend Dr. Gogo aroused our interest a couple of weeks ago. The superintendent takes pride in pointing to his pinpoint accuracy in projecting enrollments for the coming semesters and even for the future years. And indeed the good Doctor is minutely accurate. When the children of summer become the

Blood pressure readings

Gallon donor awards

Five more Niles residents have achieved "Gallon Donor" status in the Niles Blood Assurance Program. At the Sept. 23 Board of Trustees Meeting, Mayor Nicholas B. Blase and Niles Blood Program Chairman Ronald Kornacker presented "Gallon Donor" awards to Maria Lepold, 8543 Ozanam ave.; Charles Cauffman, 8754 Elmora ave.; and Dorothy Murray, 6851 Olcott ave.

John Petersen, 8144 Odell ave. was unable to attend the meeting but has received his award. LeRoy Fiebies, 7158 Lill st., was also unable to attend the meeting but will receive his award later.

Committee for Responsible Spending urges new referendum

Operation Stand Up and Be Counted was launched this week by members and supporters of the Committee for Responsible Spending, according to William W. Yates, Chairman. "With the latest disclosure of plans by the Park District to give away two acres of park land in Harrier Park for a police station, residents of that area have asked how they can help to stop this entire program," Yates said.

"With complete disregard for the wishes of the people of Morton Grove, a small group of people in official positions are planning to build a police station, and perhaps also a municipal complex costing several million dollars in addition to the unwanted \$5 million sports complex at Dempster and Newcaste. All of this at a time when the park people are scratching for money and the village says it will run a deficit of \$600,000 this year," said Yates.

Especially for seniors

Two courses especially for senior adults age 60 and over will be offered by MONACEP at the Trident Center, Oakton and Prospect, Niles, this fall.

Exercises for Senior Adults will begin on Wednesday, Oct. 29. The ten-week course, open for both men and women, will be held from 1:30-2:30 p.m. each week. The class will be led by Natalie Shea who has led similar groups at the Leaning Tower YMCA and at Wright College. Tuition is \$10 for both residents and non-residents of Maine and Niles Townships.

A pottery class for beginning students will be held for senior adults starting on Tuesday, Oct. 28, at Trident. Participants will learn to build pottery objects, then glaze the pieces. Instruction will include some use of the potter's wheel as well as slab and large construction.

"Tuesday morning, park officials sent a bulldozer into the Dempster-Newcaste property, while lawsuits are pending, and without even securing a building permit, a review of zoning, study by the beautification committee, or the traffic safety committee or the architectural review committee, all actions clearly in violation of laws, customs and ordinances," Yates charged.

"Under provisions of House Bill 152, signed last week by the Governor, we are circulating petitions to challenge the Park Board's actions. We will ask to have the Park Board expanded by two additional members to bring some new blood and new ideas which are more in tune with what the people of Morton Grove really want," said Yates.

"Judge Walter Dahl indicated in one of his opinions that the real solution to this problem lay with getting more people involved with the decision-making processes of the Park District and that is what we will do," Yates continued.

"We are asking all interested citizens to attend the next meetings of the Park Board and the Village Board and to make their displeasure known to our elected and appointed officials."

"And, at this hour, we are asking our attorney to put the Park Board and the Village Board on notice that they are on shaky ground going ahead with two projects which could cost as much as \$10 million in principal and interest without the support of the people of Morton Grove. We are further seeking an emergency injunction to halt what we consider to be actions by the Park Board contrary to ordinance, while these matters receive thoughtful consideration."

"It is the consensus of all those with whom I have spoken, that the best interests of Morton Grove would be served by halting all building until a referendum demonstrates what the people really want," Yates concluded.

Chicago man charged with burglary

A Chicago man was arrested on burglary charges after he was observed inside a garage attached to a Niles home.

The housekeeper of the Niles resident called Niles police after seeing the suspect shortly after 2 p.m. sitting in her employer's car in the garage. When she asked the man what he was doing, she said, he fled without answering her. She told police that it was customary for her to leave the garage doors open in order that her employer's children could come in and out of the house.

Niles police apprehended and arrested a 49-year-old man from Chicago who was identified by the housekeeper.

Complaining of illness the suspect was taken to Cermak Hospital, police said.

K.C.'s plan Tootsie Roll drive

Members of North American Martyrs Council 4338 of the Knights of Columbus will canvass the Village of Niles for their annual "Tootsie Roll Drive" Friday and Saturday, Oct. 31 and Nov. 1.

Proceeds will go to retarded children community centers and institutions in the Niles area. Chairman Charles O'Grady, co-chairman Edward Coudek, and Grand Knight Kenneth Piasecki are appealing to the public for their support and cooperation in setting a record year. Last year donations reached a high of \$400,000 in the State of Illinois. A major hurdle today is society's lack of understanding of retardation, not the inability of retarded to adjust and adapt to society.

Through the Knights of Columbus Tootsie Roll campaign, opportunities for the retarded are not only ensured, but more importantly, society is enlightened and can profit from the contributions that each retarded person makes during his or her life here on earth. We hope that science will practically eliminate mental retardation in the near

future. Dramatic advances in training exceptional children to lead happy and productive lives is now being accomplished in many cases. Your contributions will help these people to lead a life so many of us are fortunate to enjoy. Remember them, the happiness you receive is in giving.

Notre Dame Homecoming on Oct. 24

Rev. Robert Moss, CSC, Director of Student Affairs and Moderator of Student Government at Notre Dame High School in Niles, has announced that Homecoming is set for Friday, Oct. 24. The activities will center on the sophomore and varsity football games at 6 p.m. and 8 p.m. with Carmel High School of Mundelein. Pete Healy, a senior from Chicago, is this year's homecoming chairman and is expecting a big turnout to the game and dances planned for the big weekend. The members of this year's planning committee include Bob Wolinski of Des Plaines as float chairman; John Draths of Morton Grove as parade chairman, and Jeff Stahl of Morton Grove as dance chairman.

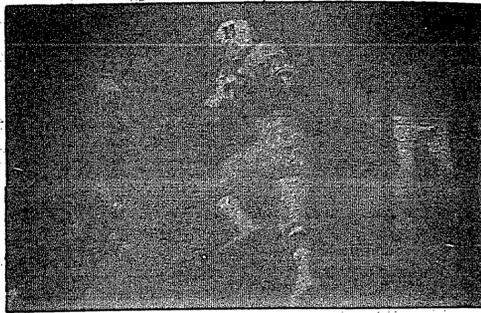

Earlier in the afternoon there

will be a parade of eight floats from the school down Harlem ave. and returning by Milwaukee ave. They will leave the school at 2 p.m. and return by 3 p.m. These floats will be entered by two girls' schools and six from Notre Dame. The two girls' schools entered this year are Marillac High School of Northfield and St. Scholastica High School of Chicago. Notre Dame organizations entering floats will be the senior, junior, sophomore and freshman classes, the Cross and Anchor service organization, and the chorus. The theme for C & A's float this year will be "The Big Green Machine". Last year this club won first place in the float competition. The theme for the float of the chorus is "Sent to a Jawing Fun".

These eight floats will parade again in the evening between the sophomore and varsity football games. The winners will be announced at half time of the varsity game. At half-time of the varsity game, the Pom Pon girls from Marillac will perform. After the varsity game, there will be a sock-hop in the gym.

On Saturday, Oct. 25, a semi-formal dance will be held in the Notre Dame gym for all Notre Dame students, alumni, and their guests. The band will be "M & R Rush". The dance will start at 8 p.m. and end at 11:30 p.m. In the cafeteria a folk singer will provide entertainment and members of the Cross and Anchor Club will serve refreshments. Tickets will be sold at the door for \$7.50.

Demons down Maine West 22-15

Maine East Demon running back Sam Donatucci avoids one Maine West tackler (lower right) then twists and turns in order to dodge another for a long run during the first half of the Demons 22-15 victory Friday, Oct. 3. The contest was Maine West's Homecoming.

[by Glenn Klein]
Friday, Oct. 3, the Maine East Demons, after their upset loss to Niles West, came in attempting to make Maine West's homecoming. The Warriors were understandably up for this one, and a near capacity crowd was on hand.

The Demons struck first late in the first quarter when Jay Baum, playing with a bad shoulder, hit John Rupke on a 14 yard touchdown pass. Then Brian Briars clicked on the extra point, and with 1:51 left in the first quarter, it was 7-0 East. That's how the quarter ended. Midway thru the quarter, East's fine tailback Sam Rea was hurt and did not see action the rest of the game.

Things went pretty quietly the rest of the half; however, with 1:39 left in the half, the Warriors tied it up. So they went into the dressing rooms all tied up at 7.

The second half started with West kicking off to the Demons, and Sam Donatucci took the kick to the Warriors' three, and two

plays later, Sam took it over for the touchdown. Donatucci had a great game. Coming in for Rea, he rushed for over 100 yards. Nobody could have asked for more from a junior coming in for an injured first stringer. Coach Al Eck has to be smiling after this performance by Sam thinking about next season.

Both teams scored once more, the Demons dominating more than the score would indicate, the final score being 22-15.

The West sophomores, 20-15, and East's freshman teams both won.

Now the most important week of practice is coming up for Maine East because the Demons will take on the Maine South Hawks, who are undefeated. If the Demons have any chance of winning the Central Suburban League title, they have to beat Maine South. If you can't make it to the game, listen to it on the voice of Maine Township WMTH-FM, 88.5. The pre-game show will start at 7:45 p.m.

Maine East's Demon Guard membership

Maine East's Demon Guard has resumed its community Learn to Swim lessons for children aged 6 thru 13. The staff has already taught over a thousand youngsters and will continue this year with 9 and 10 a.m. Saturday morning sessions. The swim lessons are priced at 8 for \$8.

Parents interested in enrolling their children should report to the new pool at Maine East on Saturdays or phone the school offices for further information (825-4484, ext. 593).

The swimming is taught by skilled high school instructors chosen to be on the Demon Guard, which this year is 42 strong.

Demon Guard co-captains are George Morgan of Park Ridge and Peggy Laman of Morton Grove. Carol Weisbecker of Des Plaines is assistant captain.

New members of Demon Guard this year are Dan Bevier of Park Ridge, Barb Buck of Niles, Joyce D'Agostino of Park Ridge, Kathy Dunn of Morton Grove, Susan Dunn of Morton Grove, Mark Ganzian of Morton Grove, John Holzer of Park Ridge, Mary Kalas of Niles, Cindy Majewski of Niles,

NDHS annual Frosh-Soph tournament

The annual frosh-soph tennis tournament at Notre Dame High School in Niles was held recently with 32 boys. The players were guaranteed two games with the first round loser going into the consolation round of 16 boys. The tournament was held after school on the courts of the Niles Park District at Jozwiak Park on Touhy ave. and at Grennan Heights Park located at Oketo and Kedzie in Niles. The first place winner was sophomore Brien Comerford of Chicago who received a trophy. Mike Rigali of Park Ridge, a freshman, was second and received a trophy. The third place winner was sophomore Bob Sowa of Chicago who received a shirt. Dan Seanson of Park Ridge, a sophomore from Glenview, was the consolation round winner and received a shirt. Comerford beat Rigali by 6-1 and 6-4. Pedote won by scores of 6-0 and 6-3. The Notre Dame High School varsity is second in the East Suburban Catholic Conference this year after Marist High School. The coach of the tennis teams this year is Alan Loboy, a Notre Dame High School graduate of 1962. He received his A.B. degree from the University of Notre Dame in 1966.

Maine East Soccer Results

[by Craig Garrigus]
The Demons continued their winning ways by knocking off two more Central Suburban League foes.

Glenbrook North and Maine West both left victims to the Demons. Glenbrook was first in line when they came over to play the Demons on Sept. 30. The final score was 4-0 as the Demons dominated play throughout the game. They couldn't break the ice, however, until the third quarter when their assault on the Glenbrook North goalie was finally rewarded. Luis Zubillaga slipped one by at 11:50. He was assisted by Tim Heinz and Glen Corkill. With the score 1-0, the Demons broke the game open, scoring three goals in the fourth quarter. John Lee started this scoring binge at 12:34 on a hard shot in the corner. The assist came from Mike Tietz and Steve Holst. Zubillaga got his second goal of the game at 5:36, assisted by Pete Rudat. Roland Weiss concluded the Demons scoring with a goal with only 1:55 left to play. Heinz assisted.

Friday night, Oct. 3, the Warriors from Maine West came over in hope of breaking Maine East's five game winning streak and to put a blemish on the Demons 2-0 conference record.

But the only thing they did was to become the Demons sixth consecutive victim, making the Demons conference record 3-0. The final score was 1-0, and the game was a very physical one with two yellow cards being issued. In between all this, though, the game was fast paced with both teams using their wings extensively. When the wings weren't chasing the ball, play was mostly at midfield with both teams unable to generate a scoring drive.

The Demons did score once, however, and that was in the second quarter. Jon Watecamps knocked in a rebound at 6:45. This proved to be the winner, with the Demon defense led by Craig Garrigus and Mark Lammersfeld helping John Castellano record his second shut out in as many games.

Harmswood Horse Show

The public is invited to the fall Harmswood Stables Horse Show to see the best horses and riders on the north side of Chicago in action. There is no admission charge. Seating around the 80 by 130 foot indoor ring is available on a first-come basis.

Student novices through championship riders of the Harmswood Academy, and riders in several kpark district classes will compete in approximately 40 events, and by age groups. During the 10 a.m. each day, more than 400 participants will vie for ribbons and trophies. The riders will perform on both stable and privately owned horses.

The classes, including bareback and advanced bareback, showmanship, western and English pleasure, walk-trot, open equitation, advanced, intermediate and novice, and costume cover the exciting range of horsemanship possible to anyone.

Pair classes of two costumed riders riding in skillful harmony by age group, or in open (any age) or adult pairs are among the highlights of the show. The ultimate feature, the championship competitions, will exhibit the form of blue ribbon winning equestrians.

Girls' Field Hockey

The Maine East girls' field hockey season opened with Maine East hosting Homewood-Flossmoor on Sept. 16, Conant on Sept. 18, New Trier West on Sept. 23, and Highland Park on Sept. 25.

The Maine East varsity, in the opening contest with Homewood-Flossmoor, lost 1-0, but the contest with Conant was a 2-2 tie. Scoring for Maine East were Mandy Gries and Carol Richards. Maine East beat Highland Park 2-1, and the two points were made by Carol Richards and Renee Skzypchak. New Trier West beat Maine East 3-0.

At the first away contest of the season, Sept. 30, the Maine East varsity lost to New Trier East, 3-0.

The junior varsity field hockey team lost 3-0 to New Trier East and 5-0 to New Trier East.

Fishermen lured to Sixth Annual Fishing Derby in Niles

Displaying the Saturday morning results of their angling skills during the Sixth Annual Fishing Derby are super fishermen (l-r) Paul Nawiesniak, sophomore at Niles West High School; Joe Nessler, freshman at Maine East High School; 7 year old Marshall Collins; Tom Tanner, 15 year old Notre

Dame student and Bob Zanko, freshman at Maine East. "Definitely not a fisherman," Park Comr. Millic Jones (center, rear) represented the Niles Park District, sponsor of the Derby held Oct. 11 thru 13 at the Recreation Center Pool.

(by Alice M. Bobula)
Niles anglers enjoyed good fishing and beautiful 80 degree weather during the Saturday thru Monday Sixth Annual Fisherman's Derby, Oct. 11 thru 13, sponsored by the Niles Park District at the Recreation Center Pool, 7877 Milwaukee ave. Winners of the Derby, judged on the greatest number of fish caught during any one of the five

sessions under each age group, were: (8 years and under) Marshall Collins, 7, of 1301 Western ave., with 6 fish; (9 to 12 year olds) Eugene Kalkowski, 10, of 8737 Stolling rd., 18 fish; (13 to 17 year olds) Al Bremer, 15, of 8144 Ozark, 21 fish, and (18 years and over) Larry Barcheski of 7656 Osceola, 11 fish.

The pool had been stocked the previous Thursday morning with well over 250 pounds of fish weighing from 1/2 lb. to 2 lbs., according to Supt. of Recreation Debby Nelson. The fish—bullheads, catfish, perch, bluegills, 2 large carp and an 8 lb. dogfish—were purchased from Richmond, Ill., fisheries. Over 200 fish were caught during the first 3 1/2 hours of the Derby on Saturday by 150 Nilesites.

Credited with catching the first fish shortly after the Derby opened was Joseph Francis of 7133 Days Terrace, also one of the 35 fishermen who waited with buckets, fishing gear and bait prior to the 7 a.m. Derby opening on Saturday.

Housewife Lorraine Steele of 8154 Lyons said she left a husband and a son home in bed to come fishing for the third consecutive year and caught her first fish, a three-quarter pound bullhead early Saturday morning.

Cheeseballs, imported cheese, salmon eggs, bread and lures were used for bait altho night crawlers were reportedly the favorite among the successful anglers.

Two young fishermen netted the dogfish on Saturday, but in accordance with Derby rules returned it to the water to wait for a fisherman's hook.

Park officials were enthused over the total 310 fish caught in this year's Derby. Park Director Hughes credited the successful angling to the change in variety of fish this year from the previous, of trout. "We lost too many trout," he noted, "due to the necessary (and impossible for us to achieve) aeration and main-

tenance of water temperature needed for the trout."

Marshall Collins, grandson of Wm. Pinasco of 7438 Lawler, was a shy talker and more intent on watching his pole. "When I get to be 8 years old," said the second grader, "my Dad and Grandfather promised to take me fishing with them in Canada."

A student at Our Lady of Ransom and a newcomer to the Derby, 10 year old Eugene Kalkowski said he hooked his catch of bullheads on worms. A veteran fisherman, he had caught a 13 lb. Northern Pike in Wisconsin last December. Asked whether his sister liked to fish, "Nah," was the reply.

Occasionally one of the fish would surface to tantalize Derby participants with a slap of a tail on the rippling sunlit pool waters.

Altho this is the "Year of the Women; there were few at the Derby. Blonde, blue-eyed Sharon Fritze, 7, a second grader at Oak School, pulled in three fish early Sunday morning, and waited patiently for more nibbles.

A fishing trio chatted amiably as they hooked their catches. Maine East student Joe Nessler, 14, of 7441 Keeney ("My mom is going to cook mine") caught 19 fish Saturday morning, the biggest of which was a 1 1/2 lb. bullhead. Tom Tanner, 15, a Notre Dame High School student and 15 year old Paul Nawiesniak of 6810 Oakton ct., a sophomore at Niles West, had each hooked 11 fish.

The 13 year old to 17 year old age group were credited with catching the most fish observed Recreation Supt. Debby Nelson.

Eagerness to catch the fish was high, evidenced by a veteran fisherman, a winner last year, who unbeknownst to him had been hooked in the seat of his trousers, with the hook and line still dangling.

Highly disappointed at not catching any fish was latecomer Brian McCarrick, a third grader at Oak School. "And he's a good fisherman," noted his father John, "he has the patience of Job."

Leaving at the close of the Derby on Monday, 8 year old Brian observed, "At least I saw a big carp go right past my hook!" He plans to return next year.

Animal World celebrates 1st Anniversary

Just over 1 1/2 years ago a dream was conceived. An idea of impossible magnitude was put into motion. A pet shop, like none that existed at the time, was in the making. Most people in the pet industry in the area predicted that within six months, this pet shop would be closed because of various reasons, mainly lack of business.

Well, onward went the development of Animal World Pet Shop, Harlem & Milwaukee ave., Niles. The shop was opened for business.

We are now celebrating our one year anniversary, thanks to the hard work of many employees, and most of all to our faithful customers. Without the loyal support of our customers, this dream could not have become a reality.

We of Animal World salute our customers, for they had faith,

when those in the industry had very little. Their support has made us the largest and cleanest pet shop in the world to our knowledge, with the largest selection of dogs, cats, fish, birds and small animals, not forgetting about the largest selection of pet supplies; and let's not forget our zoo with lions, bears, monkeys, parrots, etc.

Many customers use the pet shop as a family outing and come just to see the animals, that is part of what makes Animal World a good place to work and to visit.

Thanks again to our customers for helping us. Their continued support is greatly appreciated. Our 50 AKC pups, 150 different birds, 153 tanks of tropical fish, our reptiles, cats, monkeys and 10 month old lioness and bear thank you.

Niles Family Service

Thought For The Week

By Larry F. Renetzky, ACSW

"Saying Goodbye"

Are you a widower--or recently widowed or divorced? In all probability it was--and perhaps is--difficult to say "goodbye", whatever the circumstances.

How to cope with this very painful experience is an important concern of the Niles Family Service. Coping means a better adjustment to painful experiences and a more fruitful and eventful life ahead.

Learning to cope with painful separation is the theme of a three-session workshop at Niles Family Service located in the Niles Trident Community Center.

Scheduled for three Wednesday evenings starting October 22 at 7:30 p.m., the workshop will be co-led by Kitty Vandehey and Paul Kliger, professionals experienced in problems of coping. Both Mrs. Vandehey and Mr. Kliger are associated with the Gestalt Institute of Chicago training program.

Citizens of Niles will be charged three dollars for the complete workshop. Six dollars for those outside of the Village of Niles. Those interested are urged to call Niles Family Service at 692-3396. Registration will be limited. All who are interested in this workshop must attend the first session on October 22nd.

Individual, marital or family problem; need for improved communication; want to enhance your personal, marital or family growth? Call Niles Family Service at 692-3396, located at 8060 Oakton St., Niles, Ill. 60648.

Legion schedules turkey shoots

Morton Grove American Legion Post 134 Gun Club will hold their annual turkey shoots; Friday, Nov. 7, and Friday, Nov. 14, from 7 p.m. to 10 p.m. in the gun range of the Post home at 6140 Dempster.

Admission is \$1.50 per person (man or woman) with 10 shooters per turkey. Anybody interested in competing in the shoot is welcome! Rifles, ammunition and targets will be furnished by the Gun Club. Members of the Gun Club will not participate in the shoot with non-members.

Jim Haberkorn, President of the Gun Club, announced that gun club members from our own or other gun clubs, who wish to bring their own NRA Match Small Bore Rifles, iron sights only--hand position only--will shoot against each other using special targets. They will not compete with the normal non-shooters using club rifles. For those who wish to really try their skill and eagle eye, we will have a very special target, guaranteed to separate the men from the boys, President Haberkorn stated.

Scores for non-gun club woman shooters will be maintained separately and one turkey for each group of 10 will be awarded. There will be only one turkey per person awarded--non-winners can try again for another \$1.50 entry fee.

Residents of the area who enjoy shooting are urged to mark their calendar for this event.

Girl Scouts host Vietnamese children

Sandy Piper of Skokie admired the concentration of a Vietnamese youngster on his recent visit to the Skokie/Lincolnwood Girl Scout Day Camp where she assisted. Twenty Vietnamese children were entertained for the day with games and relay races such as the one pictured here.

A group of young Vietnamese evacuees had their first opportunity to enjoy the company of American children recently when Girl Scout Day Campers invited them to share a day of games and festivities.

The Girl Scout Council of Northwest Cook County initiated the event, which was held at Merriwood, its Skokie/Lincolnwood Day Camp, but the camp's Cadettes, assisted by Reva Sherman of Skokie, took charge of all planning and arrangements. Lena Farrel, also of Skokie, was the Day Camp's director.

Approximately 20 Vietnamese children, aged 7-15, attended the event. They were living temporarily with their families in the dormitories at Niles College of Loyola University. "Chow Am", the Vietnamese word for "welcome", was the order of the day as the new friends joined together in a flag ceremony, a sing-a-long, and a series of relay races. Most popular games were the egg carry and the water balloon toss; Mrs. Sherman observed that the gaily popping balloons and flying

water are understandable in any language. After lunch and more games and skits, the day ended with a bicentennial celebration marked by a pinata in the shape of the Liberty Bell.

Each guest was assigned a Cadette "hostess". The Loyola seminarians reported that the refugee children, an adaptable group, had only played among themselves prior to their camp outing because their stay at the college was short.

Since June 23 the theological seminary has served as an orientation center for 213 Vietnamese. The evacuees were placed by Catholic Charities, and volunteers assisted in the search for jobs and housing. Other volunteers taught English to the children during the day and the adults at night.

Loyola has now relocated the families to another Council jurisdiction; the seminarians plan to contact the Girl Scouts in that area with the hope of arranging similar opportunities for association with American children.

Urge District 71 parents to speak out on Niles West issue

Attention District #71 parents
The redistricting issue is coming close to a resolution and your individual participation is necessary to insure that the children from the District #71 area are allowed to go to the Niles West high school rather than be told they must go to Niles North.

What's happening is that #73 and #73 1/2 who are presently attending Niles East are going to push us out of Niles West because Niles East is closing.

The parents of Dist. #71 should not be forced out of Niles West because we live closest to the school and many people have bought homes in this area for the sole purpose of going to this school. It's just not fair.

So your attendance at the Oct. 16, 1975 meeting at the Niles North High School at 8:00 p.m., Room A100 will be the best opportunity to make your feelings known.

If you would like to speak at this meeting, it is necessary to sign the Agenda register before the meeting.

Please don't pass the buck if you have children any age in the Dist. #71. It is your duty to see that you will have a choice of schools when the time comes. There is a board of just seven members that will be making the final decision for you you so Don't be pushed around; Speak up NOW, not years from now. The decision will be made Oct. 16, 1975.

MG Seniors speak up for housing

Editor's note: The following letter was read to the members of the Morton Grove Planning Commission at their last meeting regarding proposed Senior Citizen housing in Morton Grove.

Members of the Board of Trustees, people of Morton Grove:

On behalf of the membership of Morton Grove's Golden Seniors, I am appearing tonight to plead a cause that is long overdue—and this is Senior Citizen housing. Can it be that some village officials are not convinced of the broad support that this issue has

attracted? Sad as it seems, that is the way some governmental bodies operate. Basically, pay no attention to issues that have no support regardless of merit. But, be 'gung ho' when a really hot issue comes along. I am here representing a 'hot' issue and to prove it, I am presenting this night names on petitions from Morton Grove residents who, in a very short time, have come to see what some governmental people have failed to see in ten years or more.

Wally Ross
President of Golden Seniors of Morton Grove

2 park commissioners earn praise

Dear Editor:

John M. Roddy and Bernard Gutow, we are proud of you—go to the head of the class! Your two votes against the use of the Harrer Park soccer field to be given to the Village of Morton Grove for the site of the new Municipal Building/Police Station is in keeping with your job of protecting, maintaining and making the fullest use of existing Park District lands! All other Morton Grove Park District commissioners, please take your place in the corner with the boys from the Village Board of Trustees.

If this continues, they'll be quite a few of you repeating the course "Politics -- All in the Name of What, the People Want Cause We Know What's Best for 'Em and this Town!"

We're looking into having a tutor visit and give us all a brush-up course in "Today's Economy and Why Yesterday's Dollar Shrinks instead of Grows When Buried for Any Length of Time.

Finally, this is your last warning—tug-of-war must be restricted to recess time only.

Niles Township Olympic Committee presents show Oct. 19

The Niles Township Olympic Committee will present the brilliant show group Dave Major and the Minors at Niles West Auditorium on Sunday, Oct. 19, at 7:30 p.m. The concert is a fund-raiser for the Olympic Committee to help local athletes who aspire to Olympic Competition. Niles West Principal Nicholas Mannos gives both the local Olympic Committee and West as the concert site his whole-hearted support. About the former he said that it's commendable that there is a group of local people giving help to young people, particularly those, like athletes of Olympic calibre, who excel in an endeavor. "Because they achieved excellence, we know that they have something good going for them, which we should encourage them to share with the world through an international contact like the Olym-

pic." Mannos also said that he's glad that Niles West has the kind of facility which is appropriate for a concert of this nature to be held there.

Dave Major and the Minors is billed as entertainment for the whole family and their typical concerts consist of music from the rock and roll 50's, the "big band" sounds, "Soultrain" type numbers, their own brand of rock music, with some country-western and sentimental ballads thrown in. The group is also noted for the specialty "spoof" and audience participation numbers which they include in all of their concerts.

At a recent outdoor concert given by the group at the downtown First National Bank Building Plaza, the 1,500-plus audience, composed of downtown executives, secretaries, non-working mothers and tourists, was enthusiastic in its approval of numbers ranging from Bill Haley's "Rock Around the Clock" thru Mac Davis numbers to "Theme from a Fistful of Dollars". From beginning to end of that concert, the audience of all ages reacted to and participated with the versatile and talented five performers who compose the Dave Major group.

Tickets for the Niles West Concert are \$5 and \$6 (tax deductible). The Township Olympic Committee, headed by Trustee Ron Henrich, hopes that all area residents will take the opportunity to attend the concert on Oct. 19. "It's a way to make yourself feel good two ways at the same time," said Henrich, "by listening to some great music and by giving a helping hand to some fine local young people."

According to committee member Earl Numerick, who is initially responsible for the formation of the Township Olympic Committee, tickets for the concert are now available at all three Niles Township High Schools, the Morton Grove Village Hall, the Niles Township Administration Building at Lincoln and Main and at the Bank of Lincolnwood.

President Virgil Raphoon stated: "We again welcome the support from our many friends in the community and promise plenty of those tasty sausages and pancakes to satisfy those hungry appetites."

All proceeds will benefit the current Foundation pledge to the hospital's Development Fund.

Niles West Musical set for November 20-22

POW WOW '75, Niles West's annual student run musical/comedy/variety show is underway once again, and will be presented November 20, 21, 22 at 8:15 p.m. Auditions were held in mid-September, resulting in the biggest turnout in Pow Wow history. From these auditions, a highly

talented cast of more than ninety was selected by the Pow Wow steering committee. This committee, a group of seven students, was selected last May through interviews by the teacher supervisors of the show. The steering committee members are: Glen Adilman and Lee Goldberg-Directors, Dave Levine-Technical Director, Lore Ochisman and Mike Kondratowicz-Music and Vocal Directors, Macla Lampert-Choreographer and Scott Stejn-Writing Director. For almost the last half year, these hard-working, creative students have devoted themselves to designing, producing, writing and planning the show from their original ideas and concepts. The theme this year is "Hooray for Hollywood." It incorporates all areas of the movie industry through original comedy, song and dance. More than 150 students of all class levels are involved in all aspects of one of Niles West's most popular productions. The steering committee, after three weeks of rehearsal, promises a fast-paced, exciting show.

Beauty Shops burglarized

Over \$250 in cash was taken in early Saturday morning burglaries of a hair care salon and a beauty shop on Milwaukee Ave. in Niles on Sept. 27.

The owners of Vito Cappiello Hair Care Center, 8141 1/2 Milwaukee Ave. and of Vinyet Beauty Shop, 8143 Milwaukee Ave. told Niles police that the glass in the front door of each establishment had been broken by large rocks.

Over \$200 in cash was missing from the hair care center, said police, as well as 6 new hair dryers valued at \$32 each.

The cash box in the beauty shop was missing, said police, as well as \$35 in cash and \$16 in quarters.

ED HANSON "Three cheers for The Red, White & Blue"

And Jake's Restaurant, too! For Jake has completely redecorated the entire outside of his restaurant in the colors of red, white and blue. And he commissioned a well-known artist, who is a distant relative of Betsy Ross, to paint the original flag of the 13 colonies as well as our present flag on the front wall of his restaurant.

Jake told me he did this as a tribute to the Bicentennial Year which is being celebrated all over this great nation.

I suppose you could say that Jake's Restaurant is the All-American Restaurant, in the All-American City of Niles that dwells in this great nation.

Anyway, Jake has received a ton of compliments on the new look of his popular eatery, and if you see a guy with white whiskers and a star-spangled hat eating there, it will probably be your Uncle Sam.

And as another patriotic gesture, Jake is offering you a heaping dish of health-giving ice cream free with his "All You Can Eat" specials on Monday, Tuesday and Wednesday.

And Monday thru Friday for lunch you can receive a big wedge of watermelon for free!

And don't forget there's five items on Jake's menu on Saturday and Sunday for the kids at half-price.

And something new has been added inside Jake's Restaurant, up front by the cashier. It's a big display of the panels of pop and beer cans which are the delight of America's can collectors. Classic Products, 5792 N. Lincoln Ave., Chicago, you may recall, ran a full-page ad in all Bugle Newspapers last week. I understand they were flooded with inquiries from interested purchasers. As these panels are now being sold by Minelli Bros. and U-Do-It Products, the people from Classic Products decided to put up a display of their new pop and beer can panels where a large number of people could see them. So they put up their display in Jake's Restaurant where you can see it now.

Incidentally, kids are among the many collectors of pop and beer cans, so many of the children in the area have brought in their parents to Jake's to take a look-see at this unique product.

These pop and beer can panels each hold 40 cans and can be arranged in single or multiple displays for any room in the house. To the many people who have phoned me about this new product, you can now see them at Jake's Restaurant, 7740 N. Milwaukee Ave., Niles.

Golf Mill Bank employees sport new uniforms

Golf Mill State Bank employees are now in career apparel ordered by the bank after being selected by a committee of employees, according to Charles E. Maguire, senior vice president.

The career apparel for women employees consists of polyester knits in beige and rust colors with seven pieces to mix and match. Male employees are wearing Navy blazers with checked slacks.

Serving on the selection committee were: Lillian Wadas, Charlotte Chambers, Cathy O'Connor, Amy Kulik, Wanda Payne, Robert Kublan, Robert Haney, Jim McDermott and Jim Martin.

Maguire commented, "The career apparel is one more way we are providing better service for our customers, as it is now easier to distinguish bank employees from the general public for inquiries or

general assistance. We also feel this tends to upgrade the overall standard of dress from an appearance standpoint.

Golf Mill State Bank at 9101 Greenwood ave., Niles, recently increased their banking hours to serve customers with "Early Bird Hours". The six-lane drive-in is open Monday thru Friday from 7 a.m. until 8 p.m. and Saturdays from 7 a.m. until 3 p.m.

Golf Mill State Bank employees are sporting new uniforms. Those shown wearing the new career apparel are: (from left to right) James J. Martin, Vice President; Phyllis Crutchfield; Judy Druggan; Brenda Keener; Christina Dulian; Kathy Arens; Amy Kulik; and Howard Stanke.

Talman Federal sets quarterly records

Assets of Talman Federal Savings and Loan Association of Chicago increased by \$12,802,576 during the third quarter of 1975, and were \$1,377,746,077 on Sept. 30, announced Dimitry Wanda, President and Chief Executive Officer.

In making this announcement, Mr. Wanda also reported a three month savings growth of \$25,933,316 for the Association, bringing total savings at Talman to \$1,109,312,198. Interest paid to savers during this quarter was \$17,422,117, the highest in Talman's 53 years of doing business.

Outstanding first mortgage loans and contracts at Sept. 30 were \$1,166,911,971, an increase of \$21,266,987 for the three month period.

In commenting on the economic developments of the past quarter, Mr. Wanda said, "There is still consumer concern about inflation and unemployment. This is reflected in the savings patterns of Talman depositors who not only look for the safety of their funds but are interested in the highest possible return on their savings.

The demand for new homes, although slightly higher during the summer months, was not as large as anticipated, and consequently has not stimulated the nation's economy to the degree that the housing industry usually does. And the predictions are that total new housing starts for 1975 throughout the country will be the lowest of any year since 1960."

"To offset this," he continued, "there has been increased activity in the existing housing market. Buyers are finding that it is more advantageous to locate in established neighborhoods, and to buy existing homes and then improve them to fit their particular needs. This has been especially noticeable at Talman where the demand for local mortgage as well as home improvement money has been heavy."

Mr. Wanda concluded, "Although economists cannot agree as to the future of our economy, there are indications that with consumers continuing to adjust their savings and spending habits and with the prospect of a further income tax cut and reduction in government spending, the rate of inflation will be slowed down in 1976, and the nation's economy will improve."

Talman, the second largest savings and loan association in Illinois, now serves over 225,000 customers throughout the city, in all fifty states and in twenty foreign countries from two Chicago locations—its home office at 55th and Kedzie ave. and a downtown branch at One North Wacker, and from its offices in Glen Ellyn at the intersection of Butterfield Road and Route 53, and in Skokie at 10000 Skokie Boulevard. Recently, Talman announced that it has permission to open a branch office in the Ranch Manor Shopping Center at 111th and Crawford Avenue, Oak Lawn.

October is savings and loan month at Unity Savings

The Governor noted that in 1974 along some \$2.1 billion in new home loans were made.

Unity's president, Saul Z. Bass, said that "savings institutions since 1831 have traditionally been the real estate financing specialists, and a supplier of home loans larger than any other source."

"The dream of home ownership, and for other needs as education, a vacation, a new car, have been made possible for many couples through a regular savings program. The savings habit of Illinois citizens ranks second in the nation in the amount of savings in thrift institutions," Bass said.

The Governor's proclamation pointed out that 434 state and federally chartered associations in Illinois have assets of \$23.49 billion.

Early next year the savings industry in Illinois will observe the 125th anniversary of chartering the first Illinois savings and loan association in Chicago.

And Bass noted: "As our nation observes its 200th anniversary, it is proper to celebrate the contribution to community life and health which savings institutions have made as family financial centers and home financing specialists."

The month long observance is being sponsored by the Illinois Savings and Loan League.

One of the events in connection with the observance is a thrift poster contest for school students of fourth grade through high school. The contest, which begins in October, is part of an educational program to create the awareness and practice of thrift.

Details of the contest can be obtained from the office of Community Affairs, Rita Charuhas, Director, at Unity Savings, 4242 N. Harlem ave.

Two injured in Dempster-Greenwood car collision

A Des Plaines woman and an Englewood woman were injured in a two-car collision Sunday, Oct. 5, at Dempster and Greenwood which occurred as the traffic light changed.

Taken to Lutheran General Hospital with head injuries was Betsy Moser, 73, of 8323 E. Easter Court, Englewood, a passenger in a car driven by John P. Moser, 19, of the same address.

The driver of the other car, Kazum Kawamoto, 47, of 9335 Landings Lane, Des Plaines, was hospitalized with facial injuries.

MG Board...

Continued from MG P.1
Newcastle. Ron Henrici, who attended that meeting, said there were many studies made on existing police stations and Pete Vivieros and Jerry Brim, who volunteered their services, helped to reach several conclusions. It was felt about 20,000 sq. ft. was needed for a police complex and about 8,000 sq. ft. additional for a meeting hall. Mr. Brim, when asked to come up with an idea for a dual purpose facility, exhibited a beautiful drawing of a building with several levels which could serve the village well. Although he admitted that traffic could be a big problem, Trustee Henrici felt it could be worked out. He said he doesn't feel such a facility was out of place in a park and this would be good for the village and the park district as well.
The motion to table was carried, and James Orphan said this meant an end to the compromise which was reached. He then presented a check from the Park District in the amount of \$140,000 to the village for the streets and alleys. In a vote on a motion by Ron Henrici to accept the offer, only Ed Brice and Henrici voted in favor of the motion and it was defeated. Ed Brice reminded those present that he feels for the taxpayer, but if they did not use park land for the new police station, where was the money going to come from to purchase the necessary property for construction of such a building.

Legion Post 134 conducts 53rd installation

After cocktails and dinner at the Morton House Restaurant, Morton Grove American Legion members assembled at the Post home at 6140 Dempster for the 53rd Joint Installation of Officers.

The installation ceremonies began with immediate Past Commander, Joseph Schmidt, conducting the meeting with the posting of colors by the Rifle Squad led by Sgt. at Arms P.C. Frank Hilbert. Color Bearers for the Legion were: P.C. Edwin "Butch" Lange and Sr. Vice Commanded, Don Huber; and for the Auxiliary, Florence LaRoussa and Rose Reichert. The National Anthem was then sung and led by Janet Hintz. After the reciting of the Legion Preamble, Chaplain, P.C. Herbert Houndt led the group in prayer.

Master of Ceremonies for the event, Phil Cancelleri then introduced Mayor Jules Bode, who expressed his gratefulness for the Legion's contribution to community services. The Mayor pledged support and wished success to the new Legion leaders and commended the outgoing officers for a job well done!

After introduction of guests, the outgoing Auxiliary President, Elynor Schmidt, gave her resume of accomplishments for the year. Among these accomplishments were the Auxiliaries regular visits to veterans at the local hospitals and their support of Legion fund-raising activities, particularly the Carnival and Flea Market.

The installing officer for the Auxiliary, Mrs. Josephine Lange, a Past President, then conducted the installation ceremonies. Auxiliary officers installed were: Connie Mahnke, President; Theresa Sherman, 1st Vice President; Josephine Vigiletti, 2nd Vice President; Nina Bartholmy, Recording Secretary; Arlene Rook, Corresponding Secretary; Doris Koob, Treasurer, P.P. Joan Kopinski, Chaplain; and Lou Sepesy, Sgt. at Arms. The installing Sgt. at Arms for the ceremonies was P.P. Evelyn Ross.

After the installation of officers, new President, Connie Mahnke, gave her acceptance speech and received a bouquet of

roses from her husband, Legionnaire, Ed Mahnke. She then introduced her relatives present at the services.

Presentation of gifts were then made. P.C. Joseph Schmidt presented his wife, Elynor, with a bouquet of roses; P.P. Terry Selzer presented Elynor with her Past President's pin; and Vivian Berg, Publicity Chairman, presented her with the year's Publicity book. 1st Vice President, Theresa Sherman then presented President, Connie Mahnke with 200 paid Auxiliary members for 1975-76.

The group was then addressed by visiting dignitary, Past President of the Department, Loretta Stringer. Past Presidents of the Post, present at the installation were then introduced.

After these introductions, P.C. Joseph Schmidt gave his resume of accomplishments, emphasizing that the real purpose of the Legion is to help our hospitalized veterans, and all our efforts should be directed to this purpose.

P.C. Edward McMahon, then took over the rostrum and performed the installation of Legion officers: Ray Leusch, Commander; Don Huber, Senior Vice Commander; Jack Phillips, 1st Jr. Vice Cmdr.; George Kreegier, 2nd Jr. Vice Cmdr.; Edward Vorpapel, Finance Officer; Matthew Blackall, Recording Adjutant; Robert Strissel, Corresponding Adjutant; P.C. Edward Martin, Chaplain; P.C. Edwin "Butch" Lange, Sgt. at Arms; and William Rembacz, Service Officer. P.C. Frank Hilbert was the installing Sgt. at Arms.

After the installation of Legion officers, new Commander Ray Leusch made his acceptance speech and was presented with his Commander's cap by his wife, Evelyn. The Commander then presented his wife with a bouquet of roses. Cmdr. Leusch then introduced relatives that were present.

P.C. Joseph Schmidt was then presented with gifts, and the Post and State Department Award winning Publicity scrapbook by Public Relations officer, Les Berg, Sr. Vice Cmdr. Don Huber

auditor. However, when contacted, a spokesman for Medicare said they would not vouch for the accuracy of their audit because of the complexity of the material.

The benefits of being a not-for-profit hospital are "to the community", said Jacobsen. If Lutheran General Hospital paid taxes, "we wouldn't have the money to roll back into additional facilities and equipment," commented Jacobsen.

Jacobsen said profits are "re-invested as widely as possible until they're used. As you know we're into a \$25 million expansion program." Jacobsen also said Lutheran General Hospital spends approximately \$800,000 on new equipment annually which could come out of these profits.

Referring to information reported about Lutheran General's room rates, Jacobsen labeled THE BUGLE inquiry as "a bunch of misstatements and allegations." Room rates are high, said Jacobsen, because "we try to allocate our charges relative to costs. In the room costs is not only the room but the nursing care, housekeeping and so forth. We try to relate our charges to cost. Some hospitals don't do that as much as we do...and some do it more."

Further explaining room charges, Mike West, Lutheran General Vice President for Administration, said, "You have to end up with a balanced budget and it becomes management decisions in an individual hospital as to how you're going to recover that. It's like in a grocery store. How much are you going to charge for potatoes and for meat in order to end up with a balanced budget? So, depending on a particular hospital's philosophy or decisions, some of the charges may be in pharmacy (or other areas). Through the accounting process, you determine where you want to allocate your charges."

When asked by THE BUGLE if Lutheran General Hospital has never published a public financial statement since its founding in 1959 how is it accountable to the public, Jacobsen said, "It is completely accountable. Our board of trustees is made up of the public, they're staunch members of the community."

Jacobsen also said, "We go through an audit by a Medicare intermediary, by Medicaid Public Welfare, the Department of Public Health, Blue Cross and our

15. Standing are Township Trustee Earl Numrich, Niles East Athletic Director Jim Swanson, Olympic Committee Chairman, and Morton Grove Trustee Ron Henri and Olympic Committee member Les Brownstein of Morton Grove. The Committee noted that another of its prize athletes, Bruce Conner, is now in Mexico City competing in the Pan American Games. The Olympic Committee is currently sponsoring a family style musical concert Sunday, Oct. 19, at Niles West Auditorium featuring the brilliant musical group Dave Major and the Minors. Proceeds will go to helping pay travel, hotel and meal expense for local athletes preparing for Olympic competition.

Chairman Ron Henri said tickets are available at \$5 and \$5 members of the committee, the schools, village halls, local newspapers and the Township building. Public support is urgently needed because all costs must be borne locally until the official Olympic team is chosen.

He admitted the possibility of a machine "holding up to \$60,000 or more inside the cabinet," forestalling possible holdup of an armored truck necessarily used to replenish the machine.

Basic concern, he stressed, was good electronic protection. A "good burglar" with "good knowledge" he said could defeat an alarm system and get at the money.

Eytcheson said he knew of no break-ins but "most machines now are in the walls of banking institutions". As for supermarkets, he said, "anytime you put in a machine that spits out thousand dollar bills, you can bet somebody will try to get into it."

A Harris operated dispenser machine is located in Golf Mill, according to Niles Police Chief Emrikson, which is not alarmed to the Niles Police Dept. Police officials were directed to investigate aspects and security of the machine for an Oct. 28 report to the Board.

Trustees meanwhile approved a resolution Tuesday night requiring applicants for automatic banking devices or machinery within the village to appear before the Village Board.

Tuesday night's action was initiated by Trustee Ang Marcheschi's concern during Sept. Board Meeting over a branch bank opening last Aug. within a neighboring community store. Projecting a possible, similar supermarket branch bank in Niles, Marcheschi was concerned, he said, for the safety of employees and shoppers as well as the additional burden on the police dept.

According to Village Attorney Troy the Second Circuit Court of Appeals ruled the automatic banking as a violation of branch banking. However, said Troy, the large banks may seek a change in the law and Niles should be prepared to regulate the problem.

In other action Mayor Nicholas Blase advised trustees that he will call for a reduction in speed limits at the Oct. 28 meeting on all residential streets to 25 m.p.h., excepting certain streets. Trustee Carol Panek was appointed as a committee of one to have a knowledgeable person regarding "scanning" of food-stuffs at supermarkets available for the Oct. 28 meeting. Trustee

students of autumn, those attending the 11 schools in the district are almost exactly as Gogo predicted the previous spring. But ironically, this George Gallup of District 63, was way off the mark in predicting the enrollment in only 1 of the 11 schools, the Ballard School.

Normally, predictions at any one school wouldn't be too significant. But the predictions for the Ballard School enrollment were the crucial issue last spring when Gogo got his new \$450,000 administrative offices. His telling point which moved Board members was Ballard School would be overburdened by the transfer of students into this school. This fall when the figures were released Ballard's burden is much less than Gogo anticipated. As a matter of fact, the school is somewhat underenrolled. According to administrative officials, a few empty apartments near the school caused the lesser number of students.

Cynics might suggest Gogo's projections, which he takes pride in announcing periodically as being most accurate, were most inaccurate in the one school which should not have been. For it was Ballard's overcrowding this fall which resulted in the new wing for the Gogo offices to be built.

This spending of public moneys unnecessarily is the best example why all government spending must be closely watched. It's easy to spend moneys when you haven't had to earn them. Dipping into the public trough and tossing around the public moneys is one of the great evils which has fed our present inflation and paradoxically has fed the past year's recession.

Crime, water and garbage problems have residents in the 127 Greens Townhouse buildings up in arms in the unincorporated area. According to Mrs. Pat Felchter, who spoke to us Monday, the inside garbage chutes in the buildings are no longer being used. She said sediment in the water, irregular patrolling of the area by the Sheriff's police, and a sharp increase of vandalism, has residents up in arms there.

These former Kassuba-built townhouses are a great potential problem to the entire Maine Township.

A mass meeting in November will have residents attempt to improve living conditions in the area west of Greenwood. Public officials and residents in all communities in Maine Township should actively become involved in a problem which could affect all of us.

This area desperately needs to be incorporated. If neighboring communities will not annex the area, then local residents should once again try to incorporate the area. Its potential problems could get out of hand if no local government is there to control activities. It is the sole solution to a highly dangerous area which could increasingly be burdened by problems.

Mikva... Cont'd from Skokie-L'Wood P.1

Mikva said that to encourage more people to take advantage of this office's ombudsman services, a staff member will be making such visits to Tenth District communities throughout the year. In post office visits so far, more than 430 people took advantage of this opportunity to seek assistance.

In addition to helping constituents with problems related to federal agencies, the staff member is also available to answer questions about legislative action in Congress. The Congressman's district offices are at 4016 Church st., Skokie, 676-1350; Des Plaines Civic Center, Room 402, 1420 Miner st., Des Plaines, 197-0515; and in the Federal Building, Room 3983, 230 S. Dearborn st., Chicago, 353-7942.
